METHODIST HOME CHOIR

of Waco, Texas, returns to the airways at 8:15 a. m. Sunday, October 2, and will be a weekly feature until Christmas. This year's series, "Bless This House," will mark the advent of an entirely new programming technique for the choir. The boy and girl vocalists will sing old time favorites, folk songs and hit tunes, as well as their customary hymns and religious songs. By adopting this newer, wider approach in the selection of songs, the choir plans to bring more all around musical entertainment and enjoyment to their listeners.

For the first time this year the choir will be producing their weekly presentations from their new radio studio

here on the campus. The choir, currently under the direction of Henry McDowell, has been broadcasting for seven seasons. Their new 15-minute series will be heard each Sunday morning at 8:15, beginning October 2 and continuing until Christmas, over a number of stations including KFYO, Lubbock, and WFAA, Dallas.

Library News

"Old Invasions, the Fighting Constitution" by Harry Hansen; "Commonwealth Perry and the opening of Japan" by Ferdinand Kubler; "Amos Fortune, Free Man" by Elizabeth Yates, and "Beyond Courage," escape tales of airmen in the Korean War, by Clay Blair Jr., will make good book reports for the school students.

"Waterfront" a novel by Budd Schulberg is ready for circulation. It brings to life the idealism and corruption, the heroism and depravity of a dark corner of our society now in violent eruption. Waterfront now takes its place beside the author's "What makes Sammy Run?" and the "Disenchanted."

We would like to remind you of "Story Hour" every Saturday morning from 10 to 11. Mrs. Gordon Downing has been the story teller for the past several Saturdays and will continue for several Saturdays. She uses the felt board with some of the stories which makes them

more interesting for children. The children also enjoy songs and games during the hour.

Ready To Serve You

I have purchased the Patterson Gin plants in Lockney and will certainly appreciate the opportunity of serving you farmers who have cotton to gin.

As most of you know, I have been in the gin business here previously and feel that I am qualified to give you the very best service possible and that is what we intend to try to do.

You old customers of the Patterson Gin will find that we appreciate your business just as much as ever. We also solicit the patronage of all others who have cotton to gin.

Our gin plants are in the best of condition and are ready to go at anytime. You will find the same good service here to which you are accustomed and we hope that we may be of service to you.

Through the courtesy of the former owners of the gin, we will continue to operate under the name of the Patterson Gin Company for the present. We hope to have the same courteous and efficient personnel that have served you in the past.

Business and Industrial Review

Compiled and Edited by E. M. Thomason

The R. C. Mangum Co., located at 100 S. Columbia does precision grinding work on car, truck, tractor, and irrigation engines.

R. C. Mangum Company Does Precision Machine Work With Modern Equipment

For precision machine work on automobile crankshafts, cylinder reboring, and regrinding, the R. C. Mangum Co., located at 100 S. Columbia, Plainview cannot be surpassed. This company has the most modern machine shop equipment to be found anywhere and employs only expert machinists. They are machinists—not machine operators.

They do surface grinding, re-grinding, metalizing and bearing work according to factory specifications. They also do valve work, regrinding and fitting. Any type of engine can be completely overhauled in this plant and put in "good as new" operating condition for much less than a new one would cost.

Mr. Mangum came to Plainview 35 years ago and has been in the automobile repair business since. He has four employees in his plant—all of whom have had many years experience in this type of work.

This firm repairs automobile, truck, tractor and irrigation engines and is well known to farmers in this area. Thousands of repair jobs have been turned out by this business and customers have saved a great deal of money by taking their work to this plant. Their engines come out performing just like a new one and are good for many more years of service.

Since starting in business here, Mr. Mangum has made hundreds of friends and is well known in this community. He has built a reputation for honesty and fair dealing and his business has prospered through the years. He is interested in all civic movements that would benefit this area and his business forms an important part of this industrial structure of this region.

GRANDCHILDREN
The grandmother who has a special room for the youngsters. Some suggest built-in sofa beds, room heater for additional closets with shelves that are kept out when children are not

visiting, and an easily cleaned tile table which can double for adult use.

POST-VACATION TIP

You're probably proud of your vacation tan, but not of your golf-club callouses. If so, try this systematic treatment! Just add a spoonful of salad oil to a soapy paste and apply it to the roughened areas after soaking your hands briefly in warm water. Then scrub briskly with a nail brush. Your hands will be quite ladylike again in a short time.

DON'T OVERDRY

When drying your clothes in the automatic dryer, avoid overdrying, which may cause deep-set wrinkles that are hard to iron out. Overdrying may also damage the fabric by making it permanently harsh. The Gas Appliance Manufacturers Association suggests that clothes that need ironing can be removed at the proper stage of dampness. Clothes that are not to be ironed should be removed while there is still a trace of steam in the dryer.

Library News

Planning for Christmas this early? If so "American Costume Dolls, How to make and dress them" by Nina R. Jordan will be the answer to your problem if you have little girls on your Christmas list. Typical costumes of eleven important periods in American history from 1620 to today with complete directions for making each one and also dolls to wear them.

Those who love poetry will want to check out Elizabeth Barrett Browning's "Sonnetes from the Portuguese and other love poems."

Also new in the Library is "Memories," an autobiography by Ethel Barrymore. Theatrical history would be incomplete without her own personal story told with charm, wit and the delight of remembrance.

We are happy to have Mrs. Garland Foster as a member of the Library staff. Mrs. Foster has had business training and is exceptionally good at filing, which is very important in library work. Mrs. Foster has a host of friends in the county and we are sure they will enjoy seeing her in the library.

Mrs. Gordon Downing had charge of story hour Saturday morning. A large group of children enjoyed stories and games.

Mrs. Bailey Henderson was hostess for a meeting of Lone Star Home Demonstration Club Tuesday, Sept. 20 at 2 p. m.

Mrs. Wiley Nance presided in the absence of Mrs. Raymond Teeple. Mrs. Melvin Brock read the minutes and roll call was answered with tips for good grooming.

Mrs. C. L. King reported on "The Craft School" held recently and directed the club in a program on crafts.

Refreshments were served to Meses. J. L. Lovvorn, M. A. Martin, Wiley Nance, C. L. King, Melvin Brock, Hoyette Hodges and the hostess.

Mr. and Mrs. Freddie Merrell of Lubbock visited in Lockney Wednesday morning.

Crocker-Smith Vows Exchanged Friday

Miss Alyce Ruth Crocker, daughter of Mr. and Mrs. John Ross Crocker of Tulla, became the bride of Howard Dale Smith, son of Mrs. Robert W. Smith and the late Mr. Smith of Lockney, in an impressive double-ring ceremony performed in the home of the bride's parents Friday, September 23 at 8:00 p. m.

The Rev. J. Hoytt Boles of Denton, synod executive of the Presbyterian Church, read the vows before an improvised altar of jade foliage centered with a sunburst arrangement of pink gladioli and pink asters. Pink candelabra entwined with garlands of emerald and jade foliage and clusters of pink asters, completed the setting.

H. M. Baggary played traditional nuptial selections and accompanied Mrs. Donald Crocker who sang "To Have, To Hold, To Love," "Thine Alone" and "Wonderful One."

Attending her sister as matron-of-honor, Mrs. A. H. Compton wore a petal pink crystaletta dress fashioned with a molded torso bodice and bouffant waist-length skirt. She carried a nosegay of pink asters.

As flower girl, Brenda Burk wore a frock of petal pink crystaletta. Her mitts, headdress and rose petal basket were of pink maline.

Robert Lee Smith was his brother's best man. Ushers were Donald Crocker and A. H. Compton, and ring bearers were Donald Ross Crocker, nephew of the bride, and David Franklin Smith.

Given in marriage by her father, the bride was attired in a gown of white Chantilly lace over white satin, designed with a fitted bodice, Elizabethan collar and long tapered sleeves. The skirt was accented with a pleated panel of tulle. Her fingertip veil of silk illusion was attached to a bandeau of white iridescent beads. She carried a white nosegay centered with gardenias.

Following the ceremony, the bridal party was feted at a reception. Centering the serving table was a pink and green parasol of nylon tulle with a nosegay at the base and satin streamers extending to the tiered wedding cake. Mrs. Compton served the cake. Mrs. Donald Crocker presided at the punch bowl and Miss Vonelle Atchley presented cake boxes

to the women. Guests were registered by Mrs. Dean Heard, cousin of the bride.

After a wedding trip to various points of interest in the Ozarks the couple will be at home north of Lockney. For traveling the bride wore a tulle ensemble of silver blue flannel with black and pink accessories. Her corsage was of white gardenias.

Mrs. Smith was graduated from Tulla High School, attended Oklahoma College for Women, Chickasha, and received her degree from the University of Oklahoma, Norman, where she was a member of Sigma Delta Sorority. She did graduate work at West Texas State College, Canyon. Mrs. Smith taught in Lockney elementary school two years before going to Plainview to teach.

The bridegroom, a graduate of Lockney High School, received his degree from Texas Technological College, Lubbock, where he was a member of Delta Sigma Phi Fraternity.

and served in the Army and engaged in farming.

Out-of-town guests at the wedding included Robert W. Smith, Mr. and Mrs. Lee Smith and Mr. and Mrs. Roy E. A. H. Compton of Lockney, Mr. and Mrs. W. H. Johnston of Plainview.

The Value Of Taking Band

By Elmer Stinson
 Music is full of inconsistencies, puzzling questions, and queer behavior. Why, for example, do our ears demand two halfsteps in the diatonic scale and how can EB and EBb bass-horns and string-basses all play from the same sheet of music?

As prominent vehicles of music, bands are involved in music's intricacies, both artistic and scientific. But, in addition, organized instrumental music has very human problems, such as finance, personnel relations, and leadership.

The playing of a musical instrument contributes to the healthful development of the growing child. Playing in a band should give the correct posture for playing an instrument and a natural posture for everyday living. Playing music in the band provides a danger-free form of exercise that stimulates the circulatory, respiratory and muscular systems. It also helps develop strong lungs, nimble fingers, keen eyes and exact hearing.

Physical deficiencies have often been corrected by music being prescribed for the handicapped child.

The playing of music relieves nervous tension. It helps the pupil forget himself and his troubles and gives him a satisfying sense of well-being. Music has powerful effects in creating the objective mental attitude necessary for physical health.

Playing a musical instrument develops accurate coordination of eyes, ears, lips, tongue, breathing and fingers. These faculties become extremely sensitive to mental commands which can be used not only in musical performance but also in all sports.

Music is a profitable vocation. Musicians in the United States considerably outnumber many of the other professional groups, including lawyers, dentists and journalists. The field is wide-open for part-time and full-time teachers, choral singers and semi-professional players. Radio, television, recordings and motion picture are also growing professions which employ thousands of well-paid musicians.

A home is a group of individuals who share the love, joy, and sorrows of each other. The playing of musical instruments tends to develop a home atmosphere of contentment, culture and refinement. The old saying, "the home in which music is found is a happy home," is very true.

The enjoyment of music binds a family together in cooperation and respect.
 Children are not bad by nature. Child delinquency is often the result of poor planning of spare time. The musician is never at a loss for something to do, for his musical ability affords wholesome enjoyment of his leisure time.

The school band is a laboratory course in self-government as well as personality development. Here, the will of the individual is subordinated to the good of the whole. A freshman, young and inexperienced, is having difficulty mastering his part. Beside him sits a senior who willingly and gladly helps him over the hard places. The senior's excellent performance will be of no avail unless the freshman's part is played well, too. In addition to the benefit the freshman receives from cooperation of this type, the senior gains in leadership and personality — improvement which results from helping some one else.

Taking band helps pupils in physical development, in relieving nervous tension, in developing coordination, in preparing for a profession, in helping make a home happy, in planning leisure time enjoyment, and in improving self-government and personality.

Happy Birthday To You!

One section of the senior class had a birthday party for all the members having a birthday during this month. They were Clara Lee Smith and Carolyn Campbell.
 First, the birthday song was sung, and it was followed by class-wishes for many other happy birthdays to come.
 Cake or cookies, brought by Luther Williams, Veda Eiland and Jue Harper were served along with bottle drinks.
 The class enjoyed the "social" and the refreshments very much.

Ask Mary W. and Kay G. a-
bout the importance of watch-
ing both your speedometer and
your speed.

Lajuan S. surely has taken
a "fancy" to Plainview lately.
These small, medium-size,
and big "stones" on many
seniors' left hands make the
rest of us feel out of style.

Clifford, what's this I hear
about a corsage for—
Joyce P. and Kay G. were
seen at the Seale Drive-In Sat-
urday night.

Kay G. have you learned
to run backward without tak-
ing a fall?

Avanell B. and M. L. Jane
and Eddie, and Lanell and Gene
seem to be enjoying each
other's company.

Brannon D. did you have car
trouble in front of Bybee's
house Tuesday night?

The "special luster" in Gail
Kellison's eyes is almost as
bright as the "corat" on her
left hand.

It is generally believed that
Doyle H. is trying to teach
J. W. D. how to drive his own
car nowadays.

It looks as if La Dora A. and
Lloyd W. are going "steady"
these days.

We just wonder when the

We hope the student-body

From all appearances, Nel-

McAda and Pinner are very
skillful at taking down and
putting up the stage curtains

Now we just wonder what
"unfinished business" Dee Ann

We must find out whose ring
Peggy B. is wearing.

We seniors will certainly be
glad when Dee Nix and Derrel
Waldroupe recuperate and re-
turn to school.

Dub and Doylene were seen
together Saturday night.

Peggy H. what is this about a
green Chevrolet?

There just seems to be more
enthusiasm at outdoor pep ral-
lies than there is at indoor
ones.

It appears that Cleon W. and

Announcement of Sale

We wish to announce to the public that we have sold the Patterson Gin plants in Lockney to George Webster and that we are no longer in the ginning business.

It has been a pleasure to serve you through our gin the past several years and we are grateful for your very generous patronage. No one could have been treated any better than you have treated us and we appreciate every kindness you have shown us.

We commend Mr. Webster to you and respectfully solicit a continuation of your patronage for him. We feel that he will give you the same good service you have been accustomed to receiving at Patterson Gin.

We will continue in the grain business, operating our elevators at both Lockney and Sterley. We will appreciate the opportunity of serving you in this line and assure you that we will continue to try our best to please you in every way.

An important point about stock car racing that may not have occurred to you:

The safer car wins . . . and Chevrolet is the big winner

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina—the very qualities that make a car safer for you—are the keys to victory on the track! And that's why Chevrolet is top car, *by far*, on the rugged NASCAR (National Association for Stock Car Auto Racing) Short Track circuit.

Quicker, smoother stops

"Heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways with Chevrolet's big 11-inch brakes.

Come in and try out this new winner yourself . . . and see how easy we're making it to buy a Chevrolet right now!

recovered on the 34. The Longhorns fumbled on first down and Frenship recovered on the 34. They made a first down on the 44 in three plays, lost one, Stapleton passed to Crump for a first down on the Lockney 45, the Tigers made 5, 1 and nothing and the Longhorns took the ball on downs on their own 39.

The Longhorns made 2, lost 1, made 4 and attempted a pass on fourth down even though in their own territory. The pass was incomplete and Frenship took the ball on the Lockney 45. A pass Stapleton to Hughes was good for a first down on the 10. Stapleton drove to the 1 and scored on the next play. Try for point was not good. Score 6-0, Frenship.

Lockney returned the kick-off to their own 20. Little Jerry Williams made a first down on the 33, the locals made 2 and 3, a fumble lost 3 and Weldon Jones kicked to Frenship's 41. The Tigers made a first down on the Lockney 46 in three running plays, a pass Stapleton to Crump was good for 8 and then they drove to the Lockney 34 for a first down. Here came a series of plays which confused the fans and apparently the officials also. The Tigers made 1, 6 and 2 on running plays, were penalized 15, a pass was incomplete, Frenship was penalized 5, another pass was incomplete and the Longhorns took the ball on their own 45. They drove to a first down on the Frenship 42 in three plays, a pass Gene Handley to Doyle McAda was good for a first down on the 23, the Longhorns lost 10, a pass was not good, they made 3, another pass was incomplete and Frenship took the ball on downs. A pass Stapleton to Huckabee was completed for a first down on the Lockney 27. The Tigers made 7 as the halftime whistle blew.

The Longhorns received the kick-off starting the third quarter. Clifford Hardy took the ball to his right and with one more block would have been in the clear but was pulled down on the Frenship 42. Kenneth Calloway ran to a first down on the 20, the Longhorns made 1, 3 and nothing and on fourth down Gene Handley kept the ball and carried to the 10 for a first down. Calloway made 3 and Handley, on a keeper, went over for the score. The try for point was not good. Score: 6-6.

Frenship returned the kick-off to their own 42. The Tigers made 1, were penalized 5, lost 5, and Billy Carl Race raced in to block a pass to a receiver standing in the open. The kick went to Lockney's 42. Calloway

made 8, Handley drove for a first down on the Frenship 35, the Longhorns made 5, lost 4, had two passes incomplete and Frenship took the ball on their own 36. They made 1, and then drove to a first down on the Lockney 46. Here Cliff Hardy stepped in to intercept a pass and returned it to the 50 yard line. Hardy made 9, Lockney was penalized to their 44 yard line. Calloway made 10 and 1 and then he drove for a first down on the 29. The Longhorns made 7, and a pitch out Handley to Hardy was good for a first down on the 8. The Longhorns made nothing in two tries, Jerry Williams carried to the 1 and Calloway drove over for the score. Try for point was not good and the score was 12-6, Lockney.

The Tigers returned the kick to their own 27. Stapleton drove for a first down on the 41, made 8, lost 4 and then made a first down on the Lockney 45. They made 4 and Stapleton ran to the 30 for another first down. The Tigers made nothing in two tries, Handley intercepted a pass, giving the Longhorns the ball on the 10.

They made 4 yards in three tries and kicked out to their own 28. The Tigers made one yard in two tries, had two passes incomplete and the Longhorns took the ball on their own 27. They made a first down on the 28 in three plays and Calloway ran for 5 as the game ended.

"SAYS"
Snack time's a Snap
with an **ELECTRIC HOME FREEZER!**

"Four hungry children could be a late afternoon problem for a busy mother, but I just go to the freezer and the problem is solved."

"I prepare snacks in advance, whenever I have time, and the children love the treats they get."

"With the quantity storage a home freezer gives you, many food problems are eliminated. For example, we use one shelf for bread alone, slicing and using as many as 20 loaves per week."

"With handy compartments, it's easy to keep track of the foods you freeze at home. Shopping trips are cut to a minimum, never more than once a week. And, there is real economy in quantity buying."

Mrs. Lewis is delighted as she examines package of frozen chicken. She says, "Many foods can be kept indefinitely including some meats and vegetables. Our electric home freezer gives us a greater mealtime variety."

Rev. J. F. Nix Takes Lubbock Position

Rev. J. F. Nix, a former resident of this area, has accepted a position as assistant to the pastor of the First Baptist Church at Lubbock. His principal duties will be directing visitation.

Rev. Nix began his ministry in this county and later served as pastor of Fort Sumner, Texas-Farwell and Portales churches in New Mexico. His longest pastorate was with First Baptist Church at Clovis, N. M., where he was pastor 16 years before becoming pastor of First Baptist Church at Abernathy. He was pastor at Abernathy nine years, until his retirement.

He formerly was president of the Baptist Convention in New Mexico and served almost continuously as a member of the state executive board approximately 25 years. He also was a member of the hospital commission of the Southern Baptist Convention.

He was superintendent for a time of New Mexico Baptist Hospital.

He and Mrs. Nix have been members of the Lubbock church for the past seven years.

Local Airman Home From Japan

A-2c John A. Munselle who has been with the Air Force in Japan since April, 1954 arrived via plane in California Sept. 26 and in Clovis, New Mexico Wednesday of this week. He was met in Clovis by his wife, the former Myrtle Lou Newton and their baby daughter, Teresa, two years of age. Mrs. Munselle and daughter have been living here with her parents, Mr. and Mrs. J. E. Newton while he, husband was overseas. She has been employed as receptionist at Lockney General Hospital.

Airman Munselle served as a weapons mechanic with 335th Fighter Bomber Squadron and was stationed at Chitose, Japan. He will get his discharge at Everett Washington in November of this year following a 30-day furlough.

IN HOSPITAL

Mrs. Alvin Wilson is in the Ables Hospital at Lubbock for treatment. She will be there three more weeks, members of the family said.

Senior Class Present Fall Style Show

The Senior Class presented a style show Tuesday evening at 8:00 o'clock in the high school auditorium. Back-to-school and fall fashions were modeled from ready-to-wear from Jack and June Shop. The stage was beautifully decorated for the occasion.

A large crowd enjoyed the delightful performance.

Sid B. Thomas Enrolls At Seminary

Sid B. Thomas, son of Mr. and Mrs. Sid Thomas of Lockney, has enrolled in the School of Theology of the Southern Baptist Theological Seminary, Louisville, Kentucky.

The Seminary began its ninety-sixth session last week with an enrollment of more than 1,200 students for the first semester. It is the oldest of five theological seminaries of the Southern Baptist Convention, and is one of the largest in the world.

The schools of Theology, Religious Education and Church Music of Southern Seminary offer training for all fields of Christian service, including the pastoral ministry, religious education, church music, student work, the chaplaincy, and home and foreign missions.

Princely Portrait

This blue-blooded Angora goat is regally representative of purebred champions who will be entered in livestock shows during the 1955 State Fair of Texas, Oct. 7-23. The fair will have classes for 28 breeds of beef and dairy cattle, horses and Shetland ponies, swine, sheep and goats.

Eat Supper At The Ball Game

Members of the Junior class will have charge of the concession stand at the ball game with Balls next Friday night and they urge every one to come early and have supper with them. They promise plenty of good food including hot coffee.

The juniors point out that their prices will be very reasonable. They are listed as follows: hot dogs, 25c; sandwiches, 25c; brownies, 5c; homemade candy 5c; pop corn, 10c; hot coffee, 10c; soft drinks, 10c.

Tom Hutton has been seriously ill the past several weeks and is reported to be very weak at this time. He is at home.

Mrs. C. W. Wright and Shelley left by train from Amarillo Monday night for their home in Los Angeles, California after spending the past few weeks in the home of her parents, Mr. and Mrs. J. R. Richards. Mrs. Wright enjoyed her visit with Lockney people very much, Mrs. Richards said.

Mrs. Don Fletcher and Butch of Lamar, Colorado who have been visiting in the A. N. Waldrop home the past two weeks while Derrel was recuperating from accident injuries, plan to return to their home this weekend.

Conferences On Education Set

Austin — Gov. Allan Shivers' committee for the Texas Conference on Education today urged "grass roots" participation in local and district conferences leading up to the statewide conference scheduled October 31-November 1 in Austin.

Citizens of every community in the State — large or small — are asked to express their views on these questions, to be examined carefully in each of the State's 31 senatorial districts:

What should our schools accomplish?

In what ways can we organize our schools more efficiently and economically?

How can we get enough good teachers and keep them?

How can we obtain a continuing public interest in education?

What educational opportunities should our schools provide for adults?

What provisions shall we make for higher education?

Senatorial district conferences will be held between September 6 and October 3. They may be preceded by local meetings, organized by communities or school districts. Thirty delegates from each senatorial district will attend the state conference.

Similar gatherings throughout the nation will pave the way for the White House Conference on Education, to be held November 28-December 1 in Washington, D. C.

Texans who wish to help answer the crucial questions facing public schools should plan to attend conferences in their areas. Announcement of time and place will be made.

Mr. and Mrs. Mark Fairman and Mike of Texaco visited their parents, Mr. and Mrs. Sid Thomas Tuesday and Wednesday. The Fairmans have just returned from a visit with his mother at Goldthwaite and with other relatives at New Braunfels.

Behind every successful man is a woman. And she usually catches him.

A mother flea is the only woman who doesn't worry about her children going to the dogs.
