

## Pony League Final Saturday

The final game of the current Pony League season will be played Saturday night at 8 p. m. The contest, an all-star affair between players composed of the Braves-Reds and the Tigers-Cubs, is the final game of a two-out-of-three series.

The all-star series was originally scheduled to be a single game but later it was decided to play a three game series.

Saturday night of last week the Brave-Red team won the ball game by a 11-10 score. Minter and Brock were the starting pitcher and catcher for the winners. Romero and Ford formed the battery for the losing team.

Sunday afternoon the Tiger-Cub team evened the series with a 9-8 victory. The names of pitchers were unavailable in this game.

Players from the league-leading Tigers and the fourth place Cubs are: Jack Ford, Ronnie Thornton, Eddie Romero, Reggie Perkins, Donald Cummings, Billy Dan Rolling, Larry Perkins, Alvin Hayes, James Wayne Cooper, Steve Handley, Rodney Egby, C. Wilson, Keith Carthel, and Jackie Calaban.

The Braves and Reds, second and third place finishers, have a team composed of: Ray Owens, Jimmy Minter, Byron Brock, Terry Clark, Don Duvall, Clarence Burdy, Kenny Walsh, Monroe Burton, Leslie Wilkes, Wayne Cooper, Steve Handley, Rodney Egby, C. Wilson, Keith Carthel, and Jackie Calaban.

Players were selected by team managers.

Wednesday of last week the league champion Tigers beat a team from Plainview by a 16-5 score.

## Burial Services Conducted For Juanita Martinez

Mr. and Mrs. Simon Martinez, relatives and friends met at the Carter Funeral Home Friday, August 10th in final rites for eight-month-old Juanita Martinez. Father Buckley of the Plainview Spanish Mission officiated. Burial was in the Lockney Cemetery.

Lockney General Hospital received the baby for medical care at six forty-five Thursday morning, but she was pronounced dead on the arrival. According to her father she was found where she slipped in her sleep. It is supposed she died of suffocation.

She is survived by her mother, two sisters, a brother and her father who is employed by Jackson Tire Company.

## Packing Shed Equipment Arrives

A tomato culler and Honey Dew cantaloupe packing machine arrived at the Hi-Plains Gin Co. early this week in preparation for the opening of the packing shed for business the middle of next week.

The Hi-Plains Gin Co., a corporation formed by five local men, started going up with the steel on their quonset type building, designed especially for the packing of vegetables, Wednesday morning. The building will be completed by the middle of next week in time for the packing of Honey Dew cantaloupe. Troutman Bros., a vegetable processing and shipping firm who has a lease on the shed, will begin processing the cantaloupe from the 90 acres they have contracted in this area.

The operation of the shed will (Continued on Back Page)

## MYF Sponsors Youth Programs Next Week

The annual Youth Activity Week of the First Methodist Church will be held next week, August 20 through 24. The week is sponsored by the Methodist Youth Fellowship of which Donald Farish is president. Raymond Rucker is director of the youth division of the church.

The group has planned entertainment and programs for each night. They will begin Monday night with a progressive supper.

On tap for Tuesday is the film, Far From Alone. The youths will be in charge of the entire church program for Wednesday night prayer meeting.

Thursday night will be a recreation night but the exact program has not yet been set. Youth Activity Week will end Friday night with supper and communion.

Leaders for the MYF stressed that not only the Methodist young people but those from all denominations are invited and urged to attend and participate.

## Marvin Gilbert To Head Quarterback Club This Year

Marvin Gilbert was elected president of the Quarterback Club at the club's first meeting of the year Monday night.

Other officials elected for the coming year are R. L. Knox, Secretary-Treasurer; R. H. Ford, Vice-President; and Len Wofford and Frank Hardy, Progress Committee.

Membership cards will be sold for \$2, the same as last year.

Plans are being made to make films of Longhorn football games with a camera which the school has recently bought. No other activities have been definitely planned at the present time.

## Mrs. W. Beall Is Buried In Lockney Sunday

Mrs. Walter Beall, who was born in 1886, died in Northwest Texas Hospital in Amarillo on Saturday morning the eleventh of August 1956. Funeral services were held in the Carter Funeral Home on the day following at 3:00. Reverend R. E. Wiley, pastor of the First Baptist Church, was in charge of rites. Burial was in the Lockney Cemetery.

Mrs. Beall, known to many as Ruth Ann, had lived in and near Lockney most of her life. The family engaged in farming.

She is survived by her husband who is in Wichita Falls receiving medical care, and by her children: Fred W. Beall of Amarillo, and Mrs. Robert Viall of Williston, North Dakota. She is also survived by two brothers, Felix and Andrew of Fort Worth, two brothers, Vance and Ray and two sisters, Mrs. H. A. Morgan and Mrs. W. A. Bryant all of Mineral Wells and another brother, John, of Terrin, Texas.

## Cooper Garage Sells To Doyle B. Poole

Doyle B. Poole has purchased the Cooper Garage on south Main Street in Lockney and will open for business on Monday, August 20.

Mr. Poole is well experienced mechanic in the auto repair business. He has worked with the Lockney Auto Co., the Chevrolet and Oldsmobile dealerships in Plainview. He has attended the Hydromatic school in Dallas and the Fordomatic school in Oklahoma City. He is prepared to do all types of general auto repair, tractor and irrigation motor repairs.

## FIVE TEAMS START SOFTBALL PLAYOFFS THURSDAY NIGHT

Playoffs will begin tonight (Thursday) in the Lockney Softball League with 5 teams being in the finals. In the first game of the double elimination playoffs, Hammond & Company will take on Lone Star. The second game of the night will be between Providence and Gulf Service.

Monday night play will resume with results of the previous games determining the teams. When a team loses two games it is eliminated.

Regular season games were played on Thursday and Friday nights. Thursday night Lone Star beat Gulf 3-0 in a close game. Donald Parrish was the Lone Star hurler and Charles Vaughan pitched for Gulf. In the second game Fire Department defeated Hammond & Company 15-1. Archie Bybee was the winning pitcher and Davis was the loser.

Friday night Fire Department won a good game from Providence 7-6 after the Bums forced Hammond in the scheduled first game. Bybee was again the Fire Department pitcher and Robert Matthews pitched for Providence.

It was decided in a meeting of the team managers Tuesday night that five teams should be in the playoffs.

The final regular season standings are as follows:

Fire Dept.	12	5	706
Lone Star	12	5	706
Gulf	11	6	647
Providence	8	9	471
Hammond	7	11	389
Bums	2	15	118

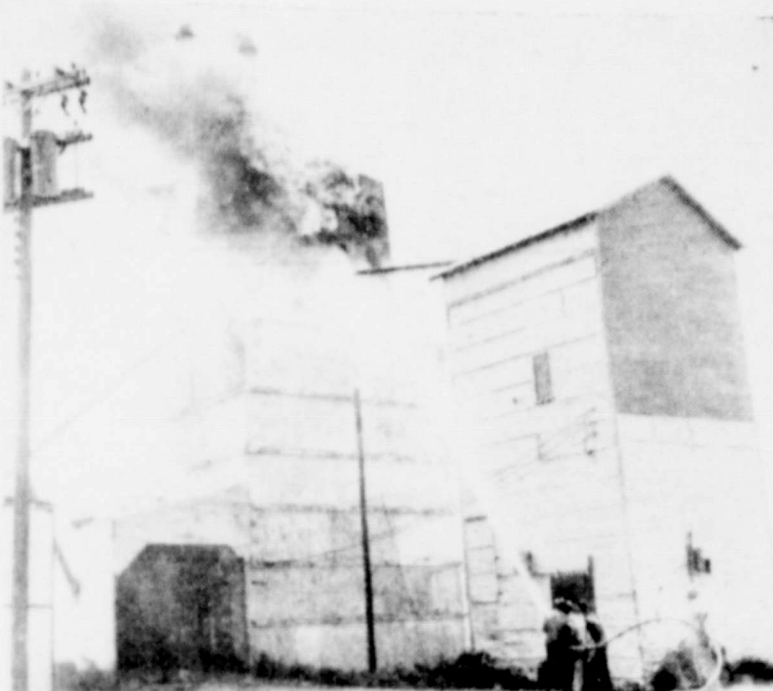

## W. Jones To Play In Greenbelt Football Game

Weldon Jones, an outstanding player on the Longhorn football squad for the past three years will play in the Greenbelt Football game in Childress Friday night, August 17th.

Jones, a guard, was selected for the squad which includes outstanding players from both Texas and Oklahoma. Weldon, an all-district player for two years, is a member of the West team which is coached by Bear Bryant of Texas A&M and Dick Todd of Midwestern University.

Weldon went to Childress Sunday, August 12, to start working out.

The game will start at 8 p. m.

Members of the Lockney Volunteer Fire Department are seen here throwing on the fire. They attacked the fire from three sides and kept it from spreading to nearby buildings. —Photo by Doyle Fowler.

## Appeal For Volunteer Labor At Fair Building Made For Friday

With the Floyd County Fair scheduled to open within a month, manager Dick Whiteley of the association is issuing an urgent appeal for volunteer labor to report for work Friday at 9:00 o'clock.

In estimating just how many men were needed Friday in building a ramp, repairing floors on second floor, covering window openings and other jobs essential to adequate fair housing Mr. Whiteley concluded twenty or twenty-five would at least get the work under way to the extent that it could be finished later. Raymond Rucker has offered to procure wire and wire the second floor that is to be used for the woman's division.

In response to the Lockney Beacon story of last week, three board members appeared for work. These three represented the Harmony, Providence and Lockney communities. In addition to some repair work these men drew up outlines for future work.

George Webster is loaning tin to cover the second floor windows.

The Floyd County Fair is not an old organization, but has made remarkable progress.

In various displays and in attendance the people of Floyd County have shown that they have an interest and are willing to support the fair.

## Record Attendance At Aiken Seed Meeting Thursday

A record crowd, estimated between 2500 and 3000 people, attended the 9th annual seed meeting sponsored by the Aiken Elevator and Paymaster Farm of Aiken Thursday night. F. L. Montandon served as Master of Ceremonies. Barbecue and watermelon were served.

Films and slides on insects were shown. Ollie Limer, Hale County Agent, Bill Rodgers, Floyd County Farm Agent, Kenneth Porter of the Experiment Station in Amarillo, who spoke on the quality of milling wheat in making bread, made up the program for the night.

The Serenaders, a TV group from Lubbock contributed to the entertainment.

Charlie Andrews, manager of the Aiken Elevator, reports this meeting as not only the best attended but one which had the best program. Kenneth Porter from Amarillo was especially well received in his speech on quality of milling wheat in which he showed excellent samples. The crowd was made up primarily of Floyd and Hale county citizens, but there was a nice representation from Littlefield and Lubbock.

Dian Dean from Borger has been a house guest this week in the Clyde Applewhite home.

## Evangelistic Team At Cedar Hill

Rev. W. M. Burnhard and his evangelistic team mate, A. T. Armstrong, students from Baptist Theological Seminary in Ft. Worth, will be in a revival meeting at the Cedar Hill Baptist Church beginning Sunday, August 19th. Mr. Armstrong will lead in the song service. The services will continue through the week.

This evangelistic team is one of several that is sent out by the seminary for summer revivals. The team is soon to close the summer's work and return to the seminary for further study.

Reverend G. C. Applewhite, pastor, extends an invitation to any who would like to attend these services at the Cedar Hill Baptist Church.

## V And J Steak House Opens In Lockney

Mr. and Mrs. Jack Simms are the proprietors of Lockney's newest eating place. The V and J Steak House will open Saturday, August 18 with free coffee and doughnuts for patrons between the hours of eight and eleven that morning.

The employees are those who have been giving you that satisfactory service in the White Rose Cafe. Mr. and Mrs. Simms are operating the cafe with the entire personnel of the White Rose, but with new cafe equipment from the kitchen of the large Hornmark air conditioner.

Mr. and Mrs. Simms wish to extend an invitation to all their customers and others of Lockney to come to their new cafe. Their specialties will be chicken, steak, fish and oysters in season. Plate lunches and Sunday dinners will be featured at the V and J.

## Grade Beginners To Register August 27

Registration will be held at the Lockney Grade School Friday, August 27, between the hours 9 a. m. to 4 p. m. for beginners in Lockney Public Schools for the 1956-57 school term.

The registration is also for those in the first through fifth grades who have not previously enrolled; for example, the children who will be coming into Lockney from the consolidated Lone Star district.

Mrs. A. L. Dutton, principal, stressed in her announcement Tuesday that each beginner must submit his or her birth certificate at the time of their registration.

## Little League Season Ends, Dodgers Champs

The Dodgers won the Little League championship with a big lead over the second place Giants as the season ended last week. The Dodgers suffered only one loss all year.

In a make-up game Thursday the Yankees won the final game of the season from the Cards 7-2.

The Dodgers, along with outstanding players from other teams, played a game with a Plainview team last Wednesday, but the score was unavailable.

No all-star game will be played this year, according to Commissioner Tom Moore.

The final standings are:

Team	W	L	Pct.
Dodgers	19	1	.950
Giants	13	7	.650
Indians	11	9	.550
Yankees	9	11	.450
Cardinals	4	16	.200
Red Sox	4	16	.200

## FOR AUGUST 16-19

## FLOYDADA COUNTRY CLUB GOLF TOURNAMENT SCHEDULED

Floydada. — Floydada Country Club will hold its first annual invitational tournament starting Thursday, August 16 and continuing through Sunday, August 19.

Qualifying rounds will be held on Thursday with match play lasting through Friday, Saturday and Sunday.

Club officials are expecting a host of excellent golfers from over West Texas for the tournament. Pro C. G. Griffin will be in charge of the meet.

A barbecue is being planned for Friday night and other social functions will be held at the club to run along with the golf play.

Bill Brown, chairman for the tournament committee, said the local golfers feel that they have one of the better courses in West Texas and it is hoped that a large number of visiting golfers will take advantage of "the prettiest course west of the Trinity and east of the Pecos."

The irrigated fairways and grass greens are in the second year of growth and local golfers will make no excuse for their condition nor eye appeal.

The Floydada club grounds are on a scenic spot on the Blanco Canyon south of Floydada. The nine hole course surrounds Cochran's Peak, historic landmark of early days of the Plains Country. The club grounds themselves are actually a battle ground turned playground as it was on this site that colonel McKenzie and his troops battled the Indians as white settlers began to move into this country.

The Floydada course is fast building a reputation for itself because of this rugged natural beauty and difficult natural hazards.

## \$1,500 Donated; Negro School Funds Lag Far Behind Needs

The Lockney School Board is working enthusiastically with The Committee for Segregated Schools in an effort to raise enough money for the purpose of buying land and teacherage for the Negro school, improving and moving it as it is needed. They are urging all interested people to make their donations now.

He is asking also for dump trucks to be used for a day or for half of a day. Hugh Counts is to be on hand with machinery to load the trucks with dirt, and all that will be asked of the truck drivers is to unload the dirt at specified places on the school lot. Ten or fifteen dump trucks working for a day or less would be all that is necessary to get the school location in shape. Interested parties should contact Dr. Hewitt or Hugh Counts at once.

The Committee's land site is acceptable to the board. It is well-drained land. However, further movement toward the committee's plans are stopped until funds are available. Dr. A. E. Hewitt, chairman of the committee, is making a special appeal for those who will contribute to contribute now. \$1500 has been contributed.

Dr. Hewitt suggested that money may be left with Joe Parrish, Hewitt's Clinic, John Bickley or J. H. Cooper in town, Chester Mitchell in the Pleasant Valley Community, Mrs. Bob Merrill in the Lone Star and Sterley area and Mrs. Jimmy Hodel in the Providence area. Dr. Hewitt further states that a member of the committee will be glad to call at your house for any donation that you might care to make.

All money donated will be placed in escrow at the First National Bank here and used for the purpose of improving the negro school. If not used for that purpose the contributions will be returned to the contributors.

Work has been begun on the property which is on the Lockney Loop just east of the Webster Gin and across the street from it. The accomplishments to date are very encouraging according to committee reports. (Continued on Back Page)

## Resignations Accepted At Called Meeting

In a called meeting Monday night the Lockney School Board accepted resignations of Mrs. Ruth Carpenter, high school English teacher, and Wayne Hill, who has accepted the position of principal in the Crosbyton High School.

The rest of the time for the meeting was given to further work and discussion toward the negro school.

Present for the meeting were: Superintendent H. H. Nicholas and board members La Von Johnson, John T. Carthel, Oscar Golden, Clark Harris, Melvin Potts and W. B. Cates. Robert Lee Smith was absent from the meeting due to illness.

## Equalization Board To Meet Monday

The board of equalization of the Lockney Independent School District will meet at the school tax office in the high school building Monday, August 20. The second meeting is for those who were unable to attend the first meeting August 3 and 4.

Those having questions concerning their tax valuations are invited to meet with them at 8:30 a. m.

## Hard Luck Is Friend Of Man From Lockney

Birmingham, Ala. — The future looked empty for homeless 18-year-old Jose Alonza last week when he was brought to a hospital with a leg and arm severed in a railroad accident.

Bur today the young Latin American from Lockney, Tex., smiles from his bed at University Hospital. Employees of a steel plant and the Rev. Robert E. Campbell of St. Margaret's Catholic Church put the smile on his face.

Alonza, who said his parents died when he was a child, said he was going to California to pick fruit when he fell beneath a freight train which he was trying to ride.

Employees of Connors Steel Co., who saw Alonza lying on the tracks with his left arm and right leg severed just below the joints, have raised a total of \$125 for him.

Campbell arranged for a television set to be placed in Alonza's room. Several nuns keep his room bright with flowers.

The priest is attempting to get artificial limbs for the youth and promises he will have a job waiting for Alonza when he is able to work. He'll have a chance for an education, too, Campbell says.

Donations are being sought from Lockney people to aid Alonza to pay his hospital bills and return to Lockney. He has been employed here the past five years by Joe Salaz who lives in west Lockney. Salaz plans to help the boy all that is possible if he can get him back to Lockney. Donations can be sent to the boy in care of the University Hospital in Birmingham, Alabama.

## John Stapleton, Floydada Goes To Convention

Floydada. — For the first time in its history Floyd County will have a voting delegate on the floor of the National Democratic convention, due to meet in Chicago this week.

District Attorney John B. Stapleton, elected in May at the state convention in district 19 delegates caucus as one of four from the district, left Amarillo by plane Sunday. Stapleton plans to be away from home about one week.

Marshall Formby, Plainview, will report the proceedings for the radio station KFED. Formby will also attend the Republican convention in San Francisco.

Stapleton has accepted an invitation to appear on the Will Rogers Jr. TV show while in Chicago.

Mrs. Stapleton will not attend the convention with her husband.

Stapleton catalogs himself as a liberal, and his voting in local and state conventions has been with the loyalist group.

## Lone Star Singing To Be Sunday

You are cordially invited to be present at the Lone Star School House Sunday, August 19 for their monthly singing there. Singing will begin at 2 p. m.

The Lone Star Community Singers are headed by J. L. Lovvorn, President; and J. W. Lancaster, Vice-President, Tulsa.

## TO DENVER

Mrs. Ben Brotherton and her three children left for Denver, Colorado, this week after being here the past two weeks with her mother, Mrs. Olive Myers, and Jimmy. Their home was formerly in Bozeman, Montana, before her husband was transferred to Denver where they joined him. While here she visited relatives in Midland, Lubbock and Littlefield.

## Minute Editorials

And He said unto them, Where is your Faith? — Luke 8:25.

**A FRENCHMAN** by the name of Voltaire once said, "I do not agree with a word you say but I will fight to the death for your right to say it." He was trying to teach tolerance, of course. Tolerance is a wonderful thing though sometimes even in this enlightened country of ours we see intolerance cropping up with some one trying to punish, to criticize, to hurt someone else who doesn't agree with them. In our Democracy we boast of our freedom of speech, of thought, of press, of worship, yet some would allow us freedom only when we agree with them. Such an attitude, of course, is base intolerance typical of the dictator countries and having no place in the land of liberty. All of us are subjects to error. Since that is true it behooves us to allow the other man to be wrong also without undue criticism. Tolerance is good for all of us.

**THE BEACON** is now publishing copies of four of the nine constitutional amendments to be voted on in November. Perhaps it would be good if all our readers would read these amendments over closely in order to become acquainted with them and also in order to be able to vote intelligently upon them. Perhaps some of them are unwise and should not be approved. At any rate read them over and see what you think about them. This is the third week we have run them. They will run one more week.

**DUE** to fewer candidates for office, brought about by the four-year term constitutional amendment voted some two years ago, the holding of elections primaries, that is, is costing the candidate more and more. We notice that Gray county is considering an econ-

omy measure. They are studying the matter of realigning the county's election precincts and reducing the number. We wonder if this could be done in Floyd County. A voting box that polls only 35 or 40 votes or even less is an expensive box and perhaps could be eliminated unless it would require the voter to go too far to vote. Certainly nothing should be done that would discourage voting but perhaps some Floyd County boxes could be eliminated without that result. It would save money.

**CIVIC-MINDED CITIZENS** most of them fair officials, have begun work on repairing the fair building and getting it ready for the fair. They worked hard at the building last year and will also spend some long hours there this year. It is a work that should be appreciated by citizens of the county. Yet there is one small group that apparently doesn't appreciate it. We speak of some one, probably a few small boys, who have broken dozens of window lights out of the building since last fall. They have also damaged some doors to the building and done other damage. Do you know whether or not it was your boy who destroyed this property? Boys whose parents don't know, and many times don't care, where they are are the ones who engage in the destruction of property. If boys who have no business at the building were kept at home, the building would not be damaged as it has been. Let's keep tabs on our boys.

**BUGS** are giving the cotton farmers fits this year. With probably the best and earliest crop in years, the farmer is watching his crop closely in order to avoid insect damage. Lygus bugs are making their appearance here and probably some boll worms. It's an eternal struggle.

**THE BEACON EDITOR** is gone this week but he wrote this editorial column before he left. It appeared for a while that he wasn't going to get to take that vacation but through the cooperation of other members of the crew and with the help of Mrs. G. C. Applegate we have things lined where you will probably not even miss the editor. Anyway we'll be back soon now so don't you Yarborough people start anything.

**DANIEL'S CLEAN CAMPAIGN PAID OFF IN VOTES**  
The runoff between Price Daniel and Ralph Yarborough should be an intelligent, thorough and constructive discussion of the problems of Texas.  
Both candidates have pledged themselves to conduct a clean campaign, and they will reflect credit on this state if they live up to their pledges.  
The heavy vote for Price Daniel Saturday clearly indicated that the public of Texas appreciates clean campaigning and has no relish for mudslinging and wild promises. Senator Daniel said at the beginning he would refrain from personal abuse and he kept his word.

The runoff in the Democratic gubernatorial race is a clear cut contest between a candidate that is moderately conservative and one that has been acclaimed as their champion by so-called "loyalist" and "liberal" Democrats. In view of this, there is no logical place in the campaign for the personal vilification and political trickery that has so often disgraced Texas politics.  
The Times Herald favored Daniel before the first primary and it was pleased with the big vote for Daniel Saturday. The newspaper feels that Price Daniel will make just the kind of governor Texas needs at this time. He is qualified by character, temperament and experience, and he has the kind of tact that will enable him to get along with the Legislature.

### COMMON VIEWPOINT

Few things are stronger than our ability to appreciate the viewpoint of those whose habits, conduct, or opinions, differ from our own. On foot

we criticize the motorist, but when behind the wheel we blame the pedestrian. We are critical of "foreigners," forgetting that our ancestors were once foreigners, and that crossing a border will make us a foreigner.  
We often fall victim to our own prejudices. Remember, our opinions and convictions are colored by inheritance, habit, environment or selfishness. Every man is our brother, and peace and progress, in little things and in big things, are not won by emphasizing differences, but by seeking common grounds, a common view point.  
—Hamlin Herald.

### FERTILIZER USE

Have you noticed the increasing interest in use of fertilizers? This is to be expected in the irrigation belt, but is also spreading over the area below the Caprock. One of the chief reasons for expanded use of fertilizers is due to the fact that farmers, faced with cuts in acreage, can apply fertilizers and jump their yields per acre to the point where their income stays on about the same level. In the produce area around here, of course, fertilizers have come to be recognized as a must.

All in all, it is another step in the transition to scientific farming. It creates another fixed cost and, generally speaking, adds to the complication of running the modern day farm. The farmer of 1956 is definitely a specialist in a highly technical field. Twenty years ago we had many more farmers and fewer people to feed. Today the trend is to increase town and city population, but our farms are producing a surplus. The farmers of today, unquestionably, are the most efficient in the history of the nation.—Crosbyton Review.

### Color, Color, and More Color

Nowadays, products of every kind seem to be coming out in more colors than the rainbow. You see the advertisements for these products in magazines, and you see them in stores and shops around town. Yes, everyone is "going to color."

The telephone company is, too. Our new color telephones come in eight bright colors to blend or contrast with the color schemes in your home, office, or store.

And that means a double advantage for you. Because if you've been thinking about ordering an extension telephone, why not ask for one in color? You get extra convenience with an extension, and color adds a touch of good looks to your home or office.

You can select from among ivory, green, beige, yellow, red, blue, gray or brown.

Just call the telephone business office, or stop in next time you're in the neighborhood. The cost is a one-time installation charge of \$11.75. Extension service is \$1.00 a month.

### Brighten Up Your Weekend

Summer weekends are times for mowing the lawn, putting around the house, and relaxing a bit. Or maybe you like to golf, prune the flowers, or just keep cool. At any rate, summer weekends are always perfect for "get-togethers" with family or friends.

For many of us, family or good friends are just around the corner or up the block.

But if members of your family or old friends are miles away, you can still count them in on your weekend get-togethers — with a Long Distance call. And hearing their voices again adds to your weekend fun.

Why not call this weekend? Rates are lower all day Sunday, and after 6 p. m. on weekdays. And when you do, call by number — it's twice as fast.

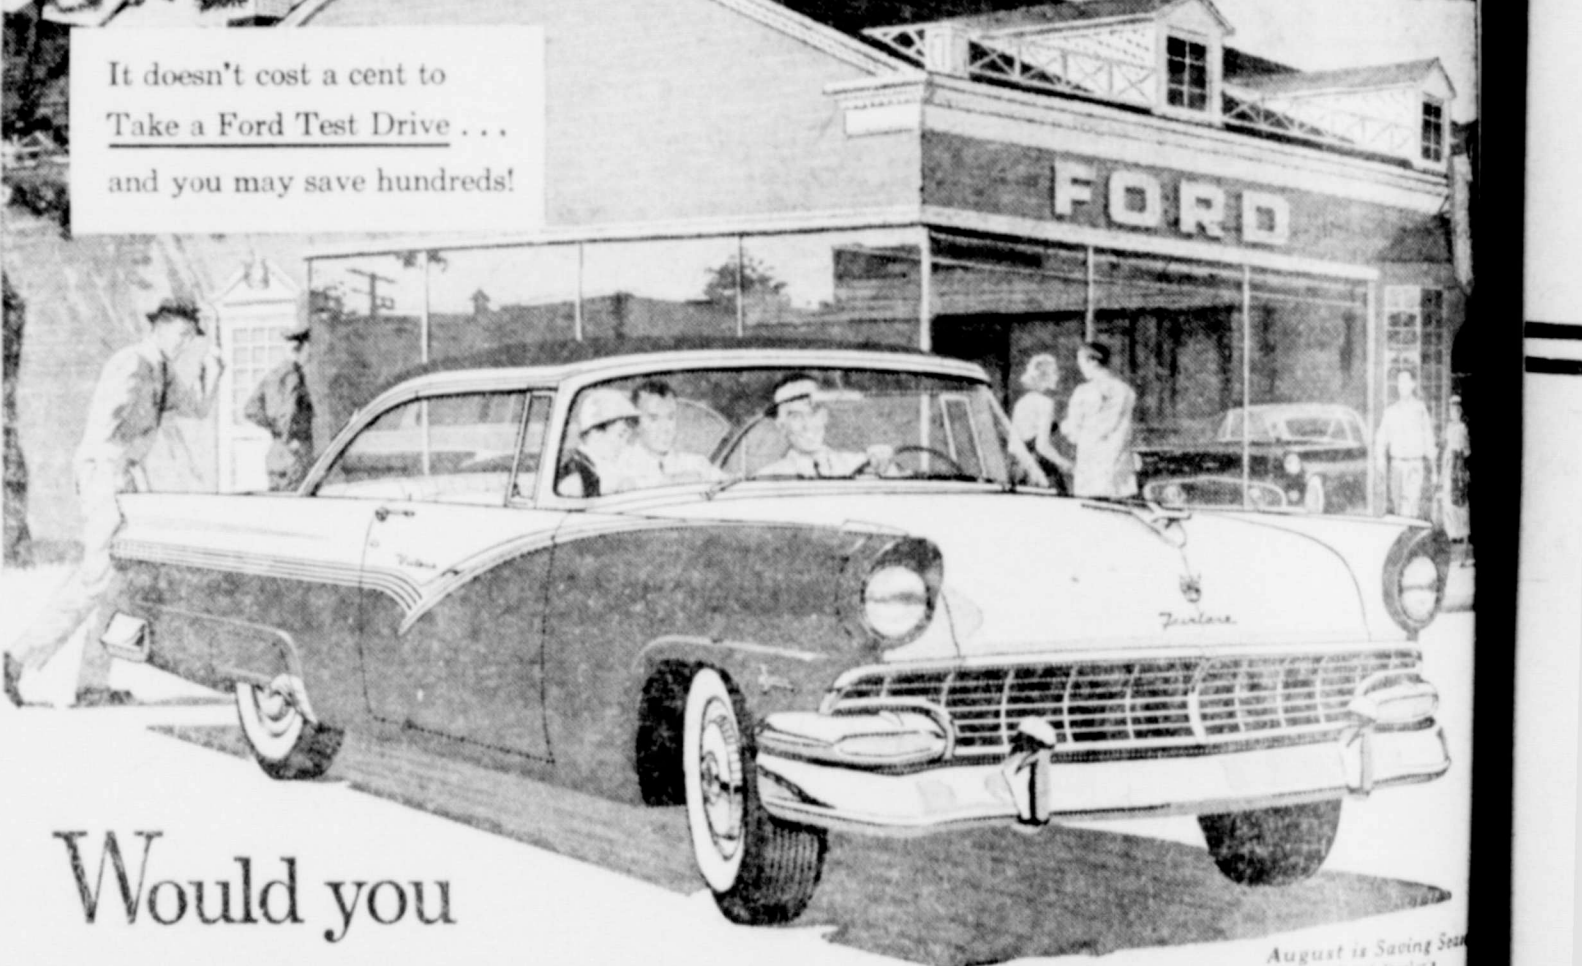

### Cartoons Tell A Story

We see cartoons from time to time of the man calling home to tell his wife he'll be late for dinner. As she hangs up the telephone, she races to pull dinner out of the stove.

Maybe the moral of the story is to call your wife if you're going to be late. Otherwise, you'll be eating a burnt dinner.

At the telephone company, we read between the lines and see that the telephone "saved the day" once again. Actually, the telephone "saves the day" many times each day as we count on it more and more to save us time and stress.

Call by number. It's twice as fast.  
**SOUTHWESTERN BELL TELEPHONE COMPANY**

It doesn't cost a cent to Take a Ford Test Drive... and you may save hundreds!

**Would you trade 20 minutes of your time for a saving of hundreds?**

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars — we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis... the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford seat pays off in your kind of driving: in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and listen — drive and feel.

That fine-car quiet results from sound insulation under the hood, under the roof, in door and body panels — the most insulation in any car at anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball joint suspension with wide base control arms for better steering, more stabilized wheel alignment... shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good — but after all, this car is new."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has two. We'll show you the deep-block V8 engine design which enables Ford engines to take it.

Now — what you've been waiting for — How can you save hundreds of dollars taking a Ford Test Drive?

Simply by proving to yourself that this really is a fine car in the low price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does is Ford's huge production volume and the volume which we Ford Dealers sell.

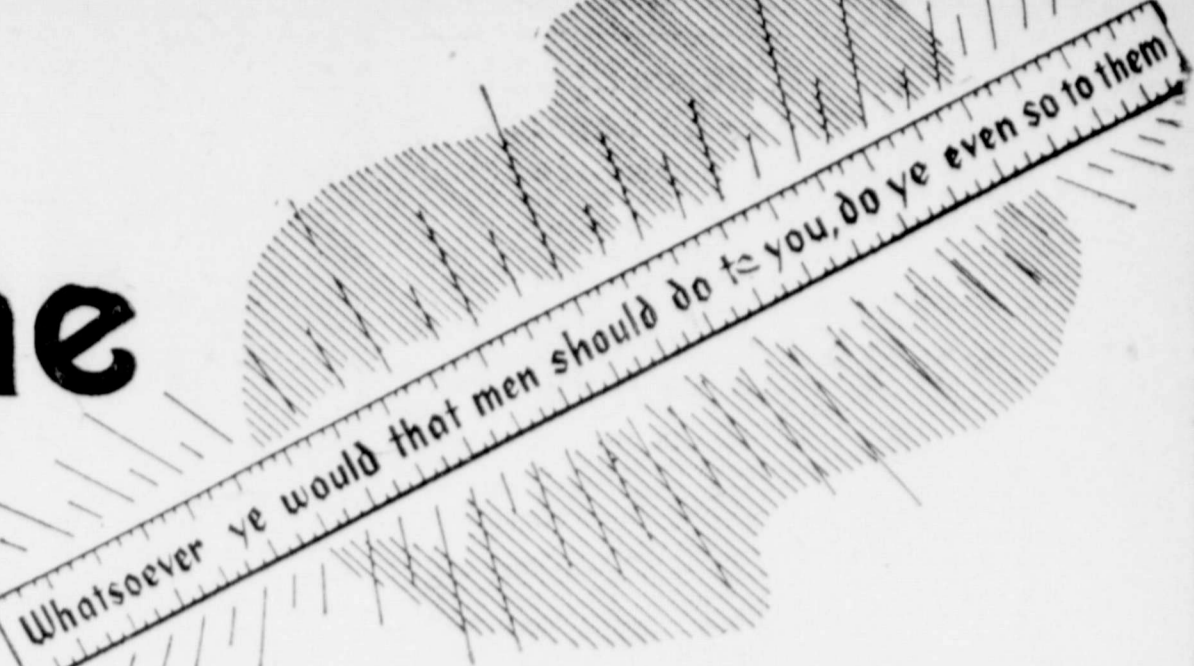

But enough of this talk. Come in, you do the driving and the talking to the family, too.

# Buying at Home

is much like The Golden Rule

## Everybody Recommends It for Everybody Else

But... the sad fact that some folks who preach buying at home don't practice it much, doesn't keep it from being a wise habit. There always will be people who regularly stand in their own light, even when they know better.

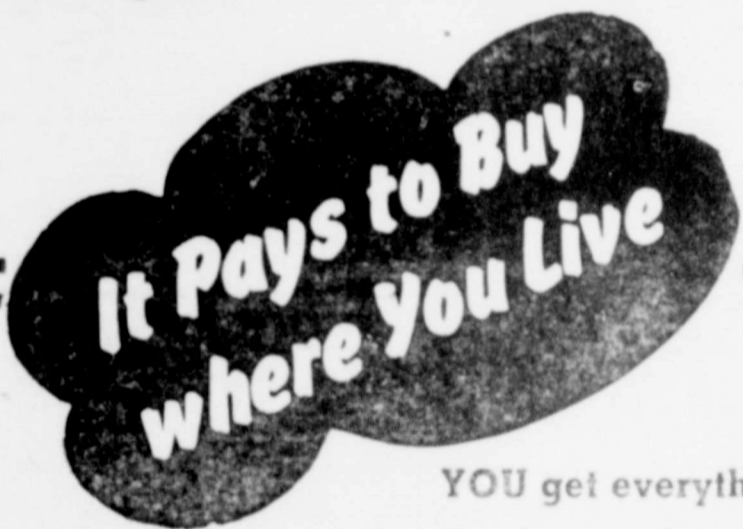

Unlike The Golden Rule, the principle of buying at home has few moral aspects. It's just a matter of good hard dollars and cents, and fuller living.

Because somebody else does... or doesn't... is no good reason to give away what is ours.

Yet that is just what we're doing when we spend our money off somewhere else, with the excuse that our neighbors are doing it.

Let's quit watching them, and examine our own habits, reminding ourselves selfishly that of each dollar we spend, nearly one-third goes to pay for community progress and upkeep.

But it's no soup in our pot, no schools for our kids, no churches for our souls, nor increment for our property, if it is some other community.

YOU get everything that your money pays for... merchandise AND a trade-invigorated community to live in... when you buy from your home town merchants...

## 12,000 Acres Floyd County Land In Soil Bank Reserve For 1956

Floydada—About \$120,000 will be realized by Floyd County wheat and cotton farmers who have placed land in the Soil Bank reserve for 1956, it was said last week at the County ASC office.

An aggregate of slightly more than 12,000 acres was signed up. Payments will be made locally by draft as soon as measurements are completed. Thos. J. Hutchins, office manager of the county committee said. Measurements were due to begin Monday of this week.

Wheat land being retired aggregates 9,134.5 acres, and cotton land 2,950.4 acres, 191 wheat operators participating and 139 cotton men.

## Intangible Tax Values Increase

Floydada—A jump of \$179,065 in the intangible tax values in Floyd County for 1956, along with other natural increases, have brought the ad valorem taxable valuations up to a figure a full third of a million dollars above the \$15 million mark.

Last week when Assessor-Collector T. T. Hamilton received the intangible tax figures from the State Tax Board they were indicated at \$428,395. This compares with \$249,330 for 1955.

Ad valorem rolling stock figures were not up from last year nor were other public service values taken altogether. In fact, most of them, as well as the oil values were down.

The county rolls are due to show \$14,780,170 and rolling stock \$144,000. These with the intangibles make a total of \$15,353,230.

The state tax rate this year will be the same as last at 42 cents, and the county rate also will be the same as last year at \$1.33, so that a taxpayer who has had no change in values in the 12-month period can estimate his tax bill, so far as the county and state are concerned, at about the same as in 1955.

Top valuation of farm land for taxes is \$12 per acre in the county, with values ranging down to \$2 for grazing land. Farm homes and improvements are not taxed except in the case of irrigation wells which range on the tax rolls from \$300 for a six-inch well to \$800 for a 10-inch well.

## TRIP CANCELED

A chartered bus trip to the Greenbelt Football game at Childress, sponsored by the 1956 graduating class, was cancelled because of lack of interest. According to Derral Waldroupe, class president, not enough people would be able to go to charter a bus.

The 11th annual reunion of the Parrish family was held last weekend at Clovis, New Mexico. There were approximately 85 present. Mr. and Mrs. Joe Parrish attended from Lockney.

Mrs. W. A. Middlebrooks and daughter, Mrs. Ann Bridges, visited in the F. M. Smith home over the weekend. Their home is in Farmersville. Mrs. Middlebrook is a niece of Mrs. Smith.

## Rotarians Hear District Governor

The last regular meeting of Lockney Rotary Club was highlighted by a visit of Rex Webster, Governor of the 183rd District of Rotary International. This is the fourth of forty visits to be made by Mr. Webster to the Rotary Clubs of West Texas. In addition to his address to club members at the regular meeting, he conferred with President Lloyd Wofford, officers, directors and committee chairmen on Rotary administration and service activities.

Governor Webster stressed the need of more Rotary news on each Rotary program. His discussion centered around Rotary information.

The local club voted to become ne hundred percent in support of Rotary Fellowship Foundation—an exchange student program. In this program one student from each Rotary District is sent abroad with all expenses paid for a year of study in a foreign school. This is a program that has been sponsored by the Rotarian for fifteen years.

In connection with this program the local club will be privileged to hear Gerre Hancock, a Rotary exchange student who has just returned from a year of study in Paris, in a regular meeting in September.

The visiting governor was pleased with Lockney Rotarian Projects. The club's achievement in work with Boy Scouts was especially commendable in the governor's estimation. In addition to the work with the scouts the club decided last year before school was out to broaden their scope a little and organize a colored Boy Scout group.

This project will take shape and the group will become active beginning with the next school session.

Another worth while project and one that has been enjoyed by the Rotarians is the sponsoring of the Pony League.

Mr. Webster commented very favorably on the local club's practice of the shaking of the hand of the secret man. At each meeting there is a designated secret man. The eighth to shake the hand of the secret man gets his lunch free. This unique manner of promoting handshaking and friendliness pleased the visitor.

Governor Webster is a young and active man in business, civic and church activities in his home town of Lubbock. He brought to Lockney Rotarians much information and inspiration of Rotary administration and service activities.

Mr. and Mrs. Glen Morgan and family, Mr. and Mrs. J. B. Morgan and Merle spent last week vacationing in Colorado, Wyoming and Montana. Among the points of interest were the Royal Gorge, Yellowstone Park and Pike's Peak.

Ted Lundgren, Canyon, and Jerry Davis, Amarillo, spent last weekend here with their grandmother, Mrs. Conde Davis.

## Former Resident Is Seriously Injured

Dawson Busby, Rialto, California, was seriously injured in an auto collision Friday in Tombstone, Arizona. One arm, one shoulder, his pelvis and three ribs were broken and he received a collapsed lung and internal injuries.

His injuries were believed to be fatal when word was received here by his brother, Lewis Busby, Friday. Mr. and Mrs. R. C. Phillips, D. J. Phillips, and Mr. Busby all left for Arizona Monday morning. The last report received here by relatives stated that the injured man had regained consciousness.

Dawson Busby is a former resident of Lockney. He moved to California several years ago and has made his home there since.

## Mrs. H. L. Anderson Is Coffee Honoree

Mrs. H. L. Anderson was honored with a coffee in the L. B. Brandes home Thursday morning, August 9. Mrs. Anderson and her family are moving to Seguin, Texas, soon.

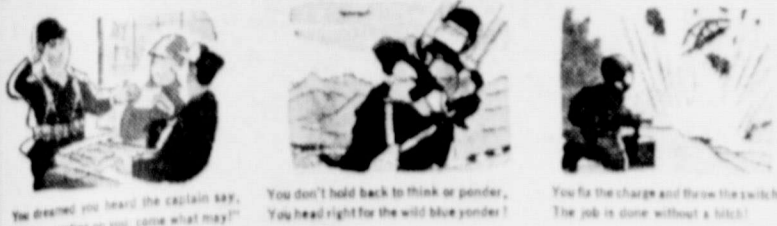

The serving table was laid with a brown linen cloth and centered with an arrangement of yellow roses. Yellow napkins completed the color scheme.

Arrangements of yellow roses and dahlias were placed at vantage points in the entertaining rooms. Mrs. Anderson was presented a corsage of white carnations.

Mmes. E. M. Quebe, Charlie Boedeker and H. F. Quebe assisted Mrs. Brandes with the hospitalities. Approximately 36 guests attended.

Jimmy Myers is in Midland this week working with his brother-in-law, Jay McPherson, in their tailor shop there.

MR. AND MRS. JERRY LEE IRONS

## Mary Jane Tucker, Jerry Irons Wed In Mt. Pleasant Church

The sanctuary of the Adams Chapel Baptist Church, Mt. Pleasant, was the setting for an impressive ceremony read Friday, August 10, which united in marriage Miss Mary Jane Tucker, Mt. Pleasant, and Jerry Lee Irons, Lockney.

The Rev. E. P. Wooten read the double ring service at 8 o'clock.

The bride is the daughter of Mr. and Mrs. Priestly E. Tucker, Mt. Pleasant, and the groom is the son of Mrs. W. C. Irons and the late Mr. Irons, Lockney.

A cathedral arch backed by tropical foliage spanned the nuptial aisle. Rows of long white tapers lighted the scene which was banked with baskets of white gladiolus. The chancel rail was outlined with caladiums and green ivy. Marking the family pews were white satin bows.

Mrs. Dorothy Long, pianist, played pre-nuptial music, traditional wedding marches and accompanied Miss Martha Hopkins, Honey Grove, as she sang "Through the Years" and "Yours in My Heart Alone." She concluded the ceremony with "The Lord's Prayer."

The bride was given in marriage by her father. Entering the church on his arm, she wore an imported French lace gown over satin. The fitted bodice which was embroidered with small seed pearls featured a deep V neckline. Her short sleeves were accented with lace mitts to match. The bouffant lace skirt over satin fell to floor length.

The bride's finger-tip length veil of French illusion was attached to a crown of seed pearls and iridescent sequins. She carried a cascade bouquet of French carnations and white phalaenopsis orchids surrounded by tulle and French lace. Her only jewelry was a string of cultured pearls, a wedding gift from the groom.

Mrs. Penn Wooten, Mt. Pleasant, attended her sister as matron of honor. She wore a pastel blue organdy frock. The street-length dress featured a V neckline, short sleeves and a full skirt. She carried a colonial bouquet of blue mums.

Miss Carol Goranson, Dallas, was bridesmaid. Junior bridesmaids were Misses Janette and Janece Compton, Amarillo, twin cousins of the groom. Their dresses were styled similar to that of the maid of honor in pink and yellow organdy respectively. They carried pom

pom nosegays to match their dresses.

The candles were lighted by Miss Carol Tucker, the bride's sister, and Miss Harolyn Smith. All the bride's attendants wore small net hats in colors to match their dresses.

Jackie Smith, Malakoff, served the groom as best man. Ushers were Carl Shamburger, Quitman, Penn Wooten, Mount Pleasant, and Harvey Compton, Amarillo.

For her daughter's wedding, Mrs. Tucker wore a navy lace dress with white accessories and a white feathered carnation corsage. Mrs. Irons selected a pink lace gown with pink accessories and white feathered carnation corsage also complemented her attire.

A reception was held at the Tucker home immediately following.

A three-tier wedding cake centered the bride's table which was laid with lace over a background of pink. Green ivy garlands radiating from a center arrangement of white stock and daisy mums centered the table. Cut glass appointments completed table decorations.

For traveling the bride chose a brown Italian silk sheath dress with beige accessories. She wore a white orchid corsage.

Mrs. Irons is a graduate of Mount Pleasant High School and a senior at East Texas State Teachers College, Commerce. She was a member of the Kaidishan Club there. She will be secretary to the Elementary principal at Mesquite, Texas, when the next school term begins.

The groom is a graduate of Lockney High School and East Texas State Teachers College and was a member of the Paragon Club there. He has accepted a teaching position with the Mesquite schools for the next year and the couple will reside there at 2309 Meadow Lane when they return from Galveston.

**Rehearsal Dinner**  
The groom's mother was hostess at a rehearsal dinner Thursday evening in the Stephens Hotel Dining Room.

Table decorations were carried out in the bride's chosen colors, pink and white. The tables which were covered with white linen were centered with crystal bowls filled with pink mums. Soft lighting was provided by long pink tapers in crystal holders.

Individual place cards were of white background wrapped with pink satin ribbon. The

name cards, inscribed in pink, were attached to the base with pink rosebuds and stephanotis.

Present were the bridal couple, Mr. and Mrs. P. E. Tucker, Rev. and Mrs. E. P. Wooten, Mr. and Mrs. Penn Wooten, Jackie Smith, Carol Goranson, Janette and Janece Compton, Carl Shamburger, Harvey Compton, Carol Tucker, Harolyn Smith, Dorothy Long, Martha Hopkins and the hostess.

Howell, Mr. and Mrs. E. A. McLeod, Mr. and Mrs. C. H. Huffman, Mr. and Mrs. Bryan Smith and family, Mrs. Mary Simmons, Mr. and Mrs. Virgil Adams and family, Mr. and Mrs. C. L. Mooney and Mr. and Mrs. Huey Davidson and family.

## Sterley Club Has Ice Cream Supper

Members of the Sterley Home Demonstration sponsored a 42 party and ice cream supper for their families Friday night, August 10, at the Sterley community house.

Mr. and Mrs. Huey Davidson and family were presented an electric clock as a farewell gift. They had farmed in the Sterley community for the past six years.

Present for the delightful occasion were Mr. and Mrs. R. H. Tinsley, Mr. and Mrs. A. D. Schaffner, Mr. and Mrs. Joe Reeves, Mr. and Mrs. B. A.

### South Plains

By Mrs. Murray Julian

Prayer meeting has been changed to 8 o'clock on Wednesday nights. R. A.'s will meet with Rev. L. H. Faus on Thursday nights at 6:30. Sunday morning visitors at church included Faith Lawson, Kay Burns, and Glenda Ringley from Amarillo, and Mrs. Fay Sledge from Lubbock.

Last Sunday Mr. and Mrs. Arby Mulder, Nathan and Katherine went to Roaring Springs to spend the day in a reunion with her folks, the Fitzgeralds, where they enjoyed visiting, swimming and a big picnic dinner at noon.

Mr. and Mrs. George Beedy arrived home from Casper, Wyoming on Friday, after having spent the summer there near their daughter, Mr. and Mrs. Ralph McGuire and girls. Mr. and Mrs. Roy Bledsoe and Bill went to Plainview Saturday to get her sister, Mrs. Fay Sledge, Lubbock, who came to spend the weekend in their South Plains home.

The Annual Floyd County 4-H Girls Dress Review was held Friday afternoon in Lockney at the High School Auditorium with Mrs. Arby Mulder and eight of her 12 4-H girls participating in the contest and spending the day there. Present with Mrs. Mulder were Donita and Barbara Sue Milton, June Marble, Sherlene Teeple, Sue Wilson, Yvonne Karr, Eulalia Sanders and Joann Newton. We are proud the girls and their work, and Sue Wilson won first in the school dress entry with Eulalia Sanders winning second in the skirt and blouse division Mrs. Skeet Thornton has given much of her time to the girls this summer.

The annual Fortenberry reunion was held this year at Clovis, New Mexico, at the I. O. O. F. Hall on Saturday, August 12, with about 60 members present. Each family took a dish to have at the noon hour. Mr. and Mrs. C. F. Fortenberry attended.

Mrs. Bill Hopper was named honoree at a miscellaneous pink and blue stork shower at the home of Mrs. L. N. Johnson Wednesday afternoon with hostesses being members of the Young Married Couples Sunday School Class.

Mr. and Mrs. Thomas Pierce and children went to Abilene on Saturday to spend the week end with relatives and friends.

Mrs. Calvin Poteet was hostess in her home to a group of friends Tuesday afternoon at 2:30 at a Stanley party with Mrs. Merle McGinnis of Plainview in charge of the party. Mrs. Poteet served refreshments during the afternoon to twelve friends.

Mrs. L. T. Wood will go to the Lockney Hospital this week with a sprained disc in Floydada to the Library on Tuesday morning where she will speak at the Hobby Shop at ten o'clock. Dennis Deavenport is among those who will accompany Mrs. Wood and show his hobby at the meet-

his back which occurred at a ball game on Sunday afternoon when he was climbing the stand.

Mr. and Mrs. Zach Cummings Sr. arrived home Thursday from their vacation which they spent in the northwest. They left Monday, July 23 for Denver, Colorado, and stayed until Friday with their daughter, Mr. and Mrs. Robt. Rose. Leaving their car, they went by train to San Francisco, California, where they spent a week with their daughters, Mona and Delilah. They went up into Oregon to visit his sister, Mrs. Tennie Rogers and family of Antioch, and on to Woodbury, near Portland, to spend several days with his brother, Mr. and Mrs. Sidney Cummings.

Mr. and Mrs. O'Dell Mulder and Patricia from Albuquerque, New Mexico, came Sunday and were house guests of his brother, Mr. and Mrs. Arby Mulder and children until Tuesday evening.

South Plains will play softball at Farmer this Tuesday night. They still have one make-up game with Floydada, because of rain. South Plains has won 16 games and lost 3, and now stand first place in the Softball League. They will have the double elimination games on August 20, and so far they have not scheduled a place where they will be held.

Mr. and Mrs. Bill Beedy attended the wedding of their niece Miss Myrna Wilson, whose marriage to Lieut. James Pyke Jr. took place at 4 o'clock in Floydada on Sunday afternoon at the home of Myrna's parents, Mr. and Mrs. Woodrow Wilson, brother of Mrs. Bill Beedy. The couple left immediately after the reception for West Palm Beach, Florida, where the groom will be stationed.

Mr. and Mrs. John McCain and son were Friday night guests in the home of his sister, Mr. and Mrs. C. F. Fortenberry. They then spent the weekend in Lone Star, attending a reunion of her people at the Wiley Nance home. They went back to their home in Amarillo on Sunday evening taking Mrs. N. C. McCain, who has been visiting in the Fortenberry home here the past week. Guests this Monday and Tuesday at the Fortenberry home are another brother, Mr. and Mrs. Clifton McCain and Karen, also of Amarillo.

Mr. and Mrs. Menard Field and Adron Field, Rick and Beverly, spent last week vacationing in Colorado Springs, Colo. They met there another daughter, Mr. and Mrs. Chas. McDonald, of Benkleman, Nebraska, whose two boys, Phil and Barry came home to spend this week here in Plainview, and with the Fields. The McDon-

### Hall County Picnic Set For August 19

The twelfth annual Hall County picnic and reunion has been set for Sunday, August 19, in Mackenzie Park, Lubbock. All former residents and residents of Hall county and neighboring vicinities are invited to attend.

A sign will be erected at the picnic site in the Park. Those coming may locate the sign more readily if they will enter the Park at the Hub Homes entrance.

Each family is asked to bring baskets of food and drinks. Dinner will be served picnic style at 1 p. m.

A short program will be held in the afternoon. The picnic entertainment will be visiting, talking and meeting old friends.

**SOIL CONSERVATION DISTRICT NEWS**

Farmers in the Floyd County Soil Conservation District are finding winter cover crops beneficial.

Cover crops are planted for two purposes — to protect the soil from wind and water erosion, and to increase and improve soil fertility. The organic matter from cover crops improves soil structure, increases the water holding capacity, and allows better penetration of rainfall and irrigation water. Legumes used for cover crops also add nitrogen to the soil, when properly inoculated before planting.

Vetch is considered an excellent cover crop by Soil Conservation Technicians. Vetch may be planted in cotton middles before the last irrigation or on sorghum land after the crop is harvested. The Soil Conservation District has two legume seeders for this purpose that seeds two rows in each middle. District cooperators may contact the Vocational Agriculture Teachers in Floydada and Lockney to make arrangements for their use. Vetch may be seeded with a wheat drill. Austrian winter peas is another legume that does well in this area. It may be handled the same way as vetch.

Don Bennett, who farms near Aiken had notable success with vetch planted in the fall of 1955. He had 20 acres seeded to vetch and beside the value received from the cover and soil improving benefits he grazed 35 head of cattle from March until June.

Several co-operators with the District have already seeded cover crops. Paul Cooper, who farms north of Lockney has seeded vetch in cotton middles. If cotton is getting large vetch should be seeded soon so that cotton will not be damaged by the seeder.

Small grains make good cover crops for the dry land farmer. Rye may be seeded in the fall and allowed to grow until enough growth is made to protect the soil. The rye may then be killed with sweeps and the residue left standing for protection until the seed bed is prepared.

The Fourdrinier machine is used in paper manufacture.

**First 1956 Maize Reaches Floydada Market Monday**

Floydada.— Receipt of the first load of maize of the 1956 crop Monday high lighted the grim battle that is being waged by Floyd County farmers to salvage their booming irrigated crops from the heat of a mid-August heat wave.

While a most fortunate area of the county, north and particularly northeast, has had made good growing conditions, the major part of the continuing showers that have county is in the grip of a drought that only irrigation water can counter.

In many instances, where nature has refused rainfall to help out, the feed crop is being sacrificed to the more profitable cotton.

Dry land in the rain less area is already "through and done," so far as current hope of production is concerned.

The first three days of the week have brought several hours of sizzling heat from mid-morning to mid-afternoon, temperature recorded up to 100 degrees. The heat is wonderful for cotton where there is ample moisture and most of the 85,000 acres of cotton is being given that.

But for maize the story is different on many farms where irrigation wells have been called on "to cover too much territory" in a dry year.

Yesterday elevator men in Floydada were saying that the volume of maize marketed would not be as big as last year's big volume in the south and west part of the county.

On the bright side of the picture the earliest cotton crop in many seasons has been maturing bolls since the first of August and insect inspecting reporters are talking of two-bale cotton crops.

This week Loy Lee Trice, south of Floydada, reported cotton that has had "open bolls for several days." The ground was entirely too wet Tuesday for an inspection trip. Trice's is one of many which fruited heavily in July.

These fields still have nearly 40 days in which to put on fruit!

Interesting diversion from the talk of cotton and maize production are the fabulous crops of onions just harvested, the report of cabbage fields that are beginning to form heads, and carrots and pepper and tomato crops due to reach harvesting stage soon.

**Heart Assn Is Formed To Aid War On Disease**

Floydada.— An organization meeting to form a county chapter of the American Heart Association was held Tuesday night, resulting in the naming of officers of a unit of the county and setting up aims and objectives.

The assembly held in the office of County Judge O. P. Rutledge, named Dr. Jack Jordan as president, Hayes O'Neal vice president, Joe H. Giddens chairman, Frank Sharnon treasurer, Mrs. L. W. Johnson secretary and Mrs. Harriette Brummett assistant secretary. O. P. Rutledge, O. M. Watson Jr. and Jack Henry are members of the board of directors.

Assistance in forming the association was given by State Chairman Howard Walker and Mrs. L. A. Courtwright, district secretary.

Education, as well as research and aid in emergency cases, is included in the objectives of the national association, Mrs. Courtwright said.

... EASY PREY TO MINOR ILLS!\*

Nutritional experts reveal vitamin losses in cooked foods plus faulty diet may be seriously undermining your energy, strength, and resistance, making you feel dragged out — on edge — affecting your appetite — spoiling your sleep — because your body is vitamin and iron starved.

**WHY VITAMINS DESTROYED IN COOKING FOOD MUST BE REPLACED**

Do you know that all of 25% of the total Thiamin (vitamin "B") content in potatoes can be destroyed by cooking — 30% in leafy green and yellow vegetables — and 25% in lean meats, poultry and fish? Other essential nutritional factors such as Niacin, Riboflavin, and Ascorbic Acid may also be adversely affected in cooked foods. And these figures are tabulations from foods cooked under average methods! Just think what happens when you eat overcooked foods — warmed up left-overs — or foods from steam tables in cafeterias! These are powerful reasons why your entire system may be vitamin starved.

**How You Can Stop Chronic Vitamin and Iron Starvation Today ... Feel Like a New Person!**

Supplement your diet every day with just one High-Potency Bexel Capsule. Just one of these wonderfully strengthening capsules give you the full vitamin and iron content nature provided in the group of the following foods before cooking:

### Local Cub Scouts Learn To Swim

The Cub Scouts of Lockney along with those from Petersburg and Floydada are getting swimming lessons under the direction of Ray L. Howard, District Executive. The lessons are being given Monday through Saturday of this week from 10 to 12 a. m. The boys are learning the fundamentals of swimming and the back, breast and side strokes.

Boys attending from Lockney are Donald Henderson, Dale Brown, Charles Smith, Jackie Mickey, Neil Mitchell, David Mitchell, Billy Neal Harris, Tommy Moore, John

Robert Kropp and Steve Stan-sell.

Thurman Davis is local cub-master. Explorer Scouts helping Mr. Howard with the swimming instructions are Life Scouts, Bill Bass and Gary Sitton.

### GENA PAT PYLE

Mr. and Mrs. Calvin Pyle, Clifton, Arizona, are very happy to announce their adoption of a little daughter. They have named her Gena Pat. She was born in Tucson, Arizona, April 4, 1956. The Pyle's are former residents of Lockney and she is the former Ilene Harris.
