SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 55

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 20, 1956

NUMBER 24

## Attendance At Fair Breaks All Records

Attendance at the Floyd County Fair broke all attendance records. Fair Manager Whiteley said Monday that estimated attendance for the year at more than 8,000, some 2,500 of that number coming into the fair grounds Friday night.

The Aiken Community won the community exhibits contest. They won last year also. The able direction of Bob Paymaster Farms, Aiken exhibit scored 931 out of a possible 1,000. However other community exhibits showed up well and in grading there were only 42 out of the 1,000 difference between the first and last.

Commercial exhibits were as good as last year, but they were attractive at that. J. E. manager of the Lockney Co. said "We were very pleased with our exhibit. We had two Chevrolets on display and sold both of them."

Charles Boecker, president of the Fair Association, asked the directors, superintendents and all others who worked so hard to make the fair a success. He never worked with a finer group of people," he said.

A complete list of winners in the department will be found in other stories in this issue.

## James M. Foster Last Rites Held

James M. Foster of Amarillo died away Monday, September 17 at 8:30 a. m. in Thurmond Hospital. Mr. Foster was the father of A. O. Foster, Mrs. H. E. Seago of Lockney. Funeral services were held at the First Baptist Church, Lockney, Wednesday morning at 10 o'clock. Rev. E. W. Taylor, pastor of Emmanuel Baptist Church, Amarillo, officiated. He was assisted by Rev. H. Seago, pastor of Lone Star Baptist Church and Rev. C. O. pastor of Aiken Baptist Church. Interment was in Inview Memorial Park.

Mr. Foster was born May 11, 1875 and was married to Mary Jerusha Bell February 12, 1905 at Roston, Cook County, Texas. To this union were born ten children, two of whom preceded their father in death. Mr. Foster lived at Floyd, Texas and Lockney, Texas until 1951 when he moved to Amarillo.

Survivors include his wife, Mrs. A. O. of Lone Star Community; Ellis of Las Vegas, Texas; Robert of Oklahoma; Jim of Fort Worth and Jim of Amarillo; three daughters: Mrs. Inez Downey of Arroyo, New Mexico; Mrs. Floyd of Aiken Community, Texas; Stella Lewis of Tullia, Texas; grandchildren and great-grandchildren survive as do three sisters, Mrs. Parkhill and Mrs. Martha both of Wichita Falls, Texas; Alice Lackey of Port Neches, Texas; one brother, Foster of Bowie, Texas.

## Workers Have Two Grandchildren

Mr. and Mrs. Paul Cooper acquired two new grandchildren within the past 10 days. On Sept. 10 William Paul was born to Mr. and Mrs. Jerry Cooper at the Lockney General Hospital. The fellow weighed 8 pounds, 10 ounces. He has two sisters, one brother.

On Sunday Cynthia Joann was born to Mr. and Mrs. Bob McCormick also at the Lockney General Hospital. Mrs. McCormick is the former Ann. Cynthia weighed 8 pounds. Other grandparents are Mrs. Ray McCormick.

THE WINNER — Here is the Aiken community exhibit which won first place in the Floyd County Fair. Seated is Charlie Boecker of Providence, president of the Fair Association.

## Two New Cases Of Encephalitis Are Found Here

Two new cases of encephalitis have appeared in this area within the past few days and local physicians are warning residents to take all measures to protect against the dreaded disease.

A young child, Ricky Stone, son of Mr. and Mrs. Billy Stone of near Silverton, is being treated at Lockney General Hospital this week. His condition is fair.

Mrs. Bill Virden, a local resident, is also being treated for the disease at the Lockney General Hospital. She was doing good Tuesday.

Preventative measures include the oiling of water to stop mosquitoes from breeding, spraying insecticides in the house at night before going to bed and getting children in the house before dusk since mosquitoes are especially bad about dark.

Fogging and spraying of the city by City employees and State Department of Public Health units have served to reduce the number of mosquitoes but the danger is not passed. In fact physicians say that it appears to be on the increase.

CHARLES RENAULT, famous clown, will lead his gang of merry makers coming with the Texas Carson Circus, when it shows in Lockney on Saturday, Sept. 29. Performances are scheduled at 2:30 and 8 p. m.

## Carson Circus Coming Here

The Tex Carson Wild Animal Circus will show in Lockney on Saturday, Sept. 29, according to announcement this week by Tom McLaughlin, advance representative of the Circus. Two performances are scheduled, one at 2:30 p. m. and one at 8 p. m.

This is the first trip through this area for the Carson Circus. The Circus will present a fast moving program of 20 feature acts under the big top in addition to showing an enlarged menagerie consisting of wild animals, elephants, camels and as a special feature, Lotus, a 4-ton hippopotamus.

The Circus is being sponsored here by the Lockney Rotary Club.

## OPERATION TUESDAY

Mrs. Emmett Tierce of the Aiken community underwent a major operation at Methodist Hospital in Lubbock Tuesday morning. She was reported to be doing fine late Tuesday.

## Hobo Day Saturday For LHS Seniors

The Senior class will observe Hobo Day Saturday, Sept. 22 for the purpose of fund raising. They will wash cars, clean house, baby sit, run errands or do other odd jobs offered them on this day. They will begin work at 7 a. m.

For car washing, washing and vacuuming, waxing, etc., call Gene Handley, phone 3442 or Roland Watson, phone 3147. For appointments for the girls call Katie Rucker, dial 3538 or Lajuan Henderson, dial 3576.

## Longhorns Host Tullia Hornets

The Lockney Longhorns will play host to the Tullia Hornets in a non-district football fray here Friday evening. Game time is 8 p. m.

The Hornets have two losses on their record this season with no wins but they have played good teams and the game is not expected to be a holiday for the Longhorns. Coach Rudy Haile said Wednesday "Tullia has a good ball club. They have some new coaches who are working the club on fundamentals and we expect them to furnish all the opposition we want."

The Hornets dropped their first game of the season to strong Memphis Club 6 to 0 and lost to Abernathy last week 27 to 7. However they are expected to improve as the season progresses and the Longhorns can't afford to take them lightly. Coach Haile said.

The Longhorns, with two wins under their belt, never looked worse than they did in practice Tuesday and Coaches Haile and Elvin Lyon were worried. They planned stiff workouts Wednesday and Thursday in an effort to get the boys back in form. The team was in good shape with the exception of some minor injuries. Fullback Arlie Pinner has a back injury and will probably not see much action. Bill Race will fill in that position.

The local team defeated Hale Center 20 to 3 in their first game of the season and last Friday ran over Dimmitt 27-6. Wednesday morning they were placed in the number four spot in the Panhandle by the Amarillo News sports department. Canyon, Olton and Mulshoe were listed above them in that order.

A large crowd of local fans is expected to witness the Longhorn-Tullia battle on Mitchell-Zimmerman Field Friday night to cheer the Longhorns on to their third victory for the season.

## Rhodes Celebrating First Anniversary

Rhodes Super Market is this week celebrating their first anniversary in their spacious new building on North Main Street. Special prices for Thursday, Friday and Saturday, special prizes to be given away Saturday and a Cloverlake Merry-Go-Round for the kiddies on Friday and Saturday will mark the event.

The store will give five baskets of groceries worth \$10 each on Saturday afternoon. Adults may register any time Thursday, Friday and up to Saturday noon. There is no obligation and you do not have to buy to participate. Neither do you have to be present to win.

The merry-go-round will operate on the store lot Friday and Saturday and all rides will be free.

## Senior Class Has Booth At Co. Fair

The Senior Class sold tickets for a doll which was given away Saturday night, Sept. 15, at Floyd County Fair. Mrs. Hershel Carthel was the winner.

Mrs. Jack Frizzell sponsored the project and proceeds went to the class.

Members of the Senior Class express their appreciation for the cooperation they received during the fair activities making the project a success.

Visitors in the home of Mr. and Mrs. E. J. Rodgers during the past week were Mr. and Mrs. Virgil P. Turner, daughter and son-in-law of Shreveport, La., also the uncle of Mrs. Rodgers, E. D. Brazzel, wife and son of Roosevelt, Oklahoma, and also the Roger's son F. A. Rodgers and family of Dallas.

## Post Office To Go Back To Old Location Here

The Lockney Post Office will be moved back into its former location when the building is rebuilt. Some talk of moving to a new location had been heard, but the building owner, Dorsey Baker, said this week that he and post office officials had agreed to put the office back in the same location.

Work of rebuilding the building began this week. The front has been torn out and will be replaced with a modernistic front, mostly of glass. The ceiling of the building has been lowered to 10 feet, the back wall is being rebuilt and new windows installed there.

Probably an aluminum trim will replace the windows above the glass in the front of the building. Interior walls are being replastered and a new oak floor will be installed.

Post office officials are asking for new, modernistic fixtures to be placed in the building but it is not known yet whether their request will be granted. At any rate, some type of new fixtures will be installed since the old fixtures were damaged beyond repair in the fire which destroyed the building.

## Fall Soil Tour Set For Friday

The annual fall soil tour sponsored by the Floyd County Soil Conservation District will be held Friday of this week, September 21, it was announced Tuesday.

The tour will visit nine farms in western Floyd County during the morning. Feature of the day will be the naming of the outstanding conservation farmer in the county and the barbecue lunch at Paymaster Farm. The Floydada Lions Club will select the winner and present the award during the luncheon program.

Guest speaker at the lunch will be Don Jones, superintendent of the Lubbock Experiment Station. A tour of the Paymaster Farm will follow the program and the group will adjourn immediately following.

The farms to be visited and the crops which will be seen on them are as follows:

Zant Scott, forage sorghum demonstration varieties; Bill Tucker, Harmony, grain sorghum demonstration varieties; T. H. Chatham, Barwise, wheat, overseeded with clover; Lane Decker, Barwise, sorghum; Fred Jackson, Sandhill, field leveling; J. T. Huckaby, Sandhill, bench leveling around lake; Raymond Rucker, Pleasant Valley, cotton following alfalfa.

Paul Cooper, Lockney, peas in grain sorghum and soybeans; Hershel Carthel, Lockney, vetch in cotton; Loyd Widener, Lockney, cotton following alfalfa and cotton burrs.

The barbecue lunch will be served by the Floydada Chamber of Commerce and the Paymaster Farm.

## Soil District Supervisor To Be Named Soon

An election to name a representative to the board of supervisors of the Soil Conservation District from area 3 of Floyd County will be held in Floydada on October 2.

R. G. Dunlap is the present supervisor for the area. He has served for the past five years. The next supervisor will also be elected for a five year term. Area 3 includes all that part of Floyd County which is east of Highway 107 to Silverton, north of Highway 70 to Matorador, south of an east-west line drawn 3 miles north of Cedar Hill to the Motley County line.

The meeting will be held starting at 4 p. m. All persons holding title to lands lying within this area are eligible to vote in the election.

Hibernia is an ancient name for Ireland.

Christmas Island is in the Indian Ocean.

## Ginnings Take Big Jump

Total bales ginned in the Lockney area jumped from 662 last week to 2277 Wednesday of this week, according to a survey made by The Beacon. Most gins are busy a big part of the day and hands are needed badly in the Lone Star area, gin men say.

A few Mexican Nationals are being brought in but there is still a need for hands in most all areas.

The four gins in Lockney have ginned a total of 944 bales compared to 269 last week.

The need for hands is growing and gin men are hoping that the flow of native Mexicans will increase in this direction.

## Clem Vaughan Dies Suddenly

Clem Vaughan, a ginmer in this area for the past six years, died suddenly at his home on Southwest Second Street early Wednesday morning. His death was believed caused by a heart attack. Mr. Vaughan had not been well all summer, members of the family said, but he had continued his work, thinking that his condition was just a minor ailment. He worked at his job at the Webster Gins Tuesday night. Death came about 6:30 a. m. Wednesday.

Although definite arrangements had not been made late Wednesday the family planned to carry the body back to Hubbard, Texas, their former home. Thursday and probably hold the services at the First Baptist Church there Friday at 3:30. Burial will be in Fairview cemetery at Hubbard.

Mr. Vaughan was born August 17, 1913 at Okemah, Oklahoma. He was reared at Hubbard and was married to Miss Maurine Emmons on September 2, 1933.

The family moved to Floyd County in 1950, living near Aiken for a year. They then moved to Lockney where they have made their home since. Mr. Vaughan had been a ginmer for 19 years. He was employed by the Patterson Gins here until they sold to George Webster.

He has been a member of a Baptist Church since boyhood and was a member of the First Baptist Church here at the time of his death.

Survivors include his wife, two sons, Charles and Ronnie, both at home; his parents, Mr. and Mrs. Jim Vaughan of Hubbard; two brothers, Glen of Mexico and J. T. of Dallas; one sister, Mrs. Virda Fulton of Hubbard.

Carter Funeral Home of Lockney was in charge of arrangements.

## Student Council Elects Officers

Members of the Lockney High School Student Council met with their sponsors, M. L. Brewer and F. M. Smith Tuesday. Additional officers were elected and plans laid for the term work.

Officers elected last spring at the close of school are president, Rita Griffith; vice-president, Katie Rucker; secretary, Lajuan Henderson; treasurer, Joe Rigby. New officers elected in the Tuesday meeting were reporter, Janice Hays; chaplain, Katie Rucker; parliamentarian, David Frizzell.

Class representatives are seniors, Gene Handley and David Frizzell; juniors, Kelly Harrison and Delores Brown; sophomores, Janice Hays and Duane Griffith; freshmen, Oya-ma Buchanan and Donna Dorman.

The council voted to accept several major projects for the betterment of the school. Included in these are to assist in buying drapes for the auditorium, place traffic signs and mark pedestrian walks at the high school, and to make a year book recording the activities of the term.

## March Of Dimes Director Named

Frank P. Sharman, vice president of the First National Bank of Floydada, has been named campaign director for the annual March of Dimes drive in January. It was announced this week by Edward Wester of Floydada, County Polio Chapter chairman.

An assistant drive chairman will be named at Lockney to help Mr. Sharman, Wester said.

## Local Schools Enrollment Passes 1,000

Enrollment in the local schools passed the 1,000 mark this week. Although exact figures on the colored school weren't available at The Beacon office, the white schools reported 971 enrolled and the colored school had 35 enrolled last week. Supt. H. H. Nicholas estimated the present enrollment at the colored school to be 46, bringing the total enrollment to 1017. This is an increase of 81 over last week.

As of Wednesday the following enrollment was reported from the various schools:

High School, 228, up 1 from last week.

Junior High, 235, up 10 from last week.

Grade School, 508, up 59 from last week.

Due to a type mix-up in last week's enrollment story in The Beacon the enrollment wasn't made clear. However on Wednesday of last week the local enrollment by schools was as follows:

High School, 227, compared to 255 last year.

Junior High, 225, compared to 214 last year.

Grade School, 449, compared to 377 last year.

Colored school, 35, compared to 37 last year.

This showed an increase of 53 over the first day of school in 1955.

Supt. Nicholas said that the school would add another section of the first grade as soon as a teacher can be secured. The increase in enrollment now requires four sections of this grade.

## Mrs. R. T. Spence Passes Sunday

Mrs. R. T. Spence, 77 years of age, died at her home on Southeast First Street early Sunday morning. She had been in ill health for some four years and bedfast the past 18 months.

Funeral services were held at the First Baptist Church Tuesday at 2:30 conducted by Rev. E. J. Cobb of Tucson, Arizona, former pastor of the local church. Interment was in the Lockney Cemetery beside the grave of her husband who passed away on March 5th of this year.

Mrs. Spence was born Julia Myrtle Ellison on January 30, 1879, at Nolanville, Texas. She was the daughter of a Baptist minister and had been a Christian since an early age. She had been a member of the First Baptist Church of Lockney more than 30 years.

The deceased was married to R. T. Spence at Nolanville on December 4, 1904. The family moved to the Lone Star Community in this county in 1907 and in 1926 they bought a section of land four miles southeast of Lockney where they made their home until 1948 when they sold the farm and moved into town.

Mr. and Mrs. Spence observed their Golden Wedding Anniversary here in 1954 although both were in poor health.

Survivors include six sons, W. T. and Claude Spence of Lockney, Jack and Rayburn Spence of Amarillo, Russell Spence of Plainview and Raymond Spence of Berkeley, Calif.; four brothers, Ross Ellison of Kilgore, Doyle and Hewitt Ellison of Killeen, Texas and Charlie Ellison of Plainview; two sisters, Mrs. Alta Cunningham and Mrs. Velma Arnold, both of Killeen; and eight grandchildren.

Pallbearers were Floyd Barber Sr., Leslie Ferguson, D. J. Phillips, Oscar Golden, Roy Turner, Ben McGhee. Carter Funeral Home of Lockney was in charge of arrangements.

## Howard Families Visit Here Saturday

Mr. and Mrs. Homer Howard of Seal Beach, Calif., Mr. and Mrs. Stoke Robbs of Hereford, Mrs. Sadie Wise of Fort Worth, Roy Howard of Lewisville, Texas, and Mr. and Mrs. Oscar Howard of Kerrville, Texas, spent most of last Saturday here visiting old friends. The Howards are former residents of Lockney, Homer Howard having served as postmaster here in the early days of this century.

## Minute Editorials

Why art thou cast down, O my soul? and why art thou disquieted within me? Hope thou in God.—Psalm 42:11.

**WHAT HAPPENED** at the State Democratic Convention at Fort Worth? Well, we don't know and we haven't talked with any of the Floyd County delegates to see if they knew. The "loyalists" are saying that the conservatives stole the convention and George W. Sandlin, outgoing chairman of the state Democratic executive committee, says that the convention was a defeat for the conservatives. We suppose what actually happened was a sort of a compromise between the conservatives and the moderates. Anyway Speaker Sam Rayburn and Senator Lyndon Johnson apparently couldn't stomach the vociferous radical element of the party and joined with Governor nominee Price Daniel in controlling the convention. We suppose that all-in-all it was the best that could be done with a convention made up of two forces so widely divided in their aims.

and ambitions. But we can hardly wait to see what Mr. Baggary up at Tulla is going to say about Johnson and Rayburn joining forces with Price Daniel. We know that's going to be a revelation.

**LOCKNEY P.-T. A.** membership drive is on this week. If you are at all interested in your school we urge that you see some official of the P.-T. A. and join. The membership fee is small but your influence can be worth a lot to that organization which seeks to "promote the spirit of co-operation between the home and the school for the children." Quoting from those who know "The P.-T. A. needs you because in every American community there is work to be done for children and youth—work that will not wait. It doesn't take a child long to grow up, and growing up under undesirable conditions may mean tragedy for the child and loss to the nation. By joining forces with more than ten million others who are P. T. A. members you can help establish good home-school relations so that each child will be assured of wise guidance and warm understanding both at school and at home."

**WHILE WE ARE** talking of school, it seems worthwhile to remind auto drivers of the state law which requires all vehicles to stop when approaching a school bus loading or unloading children. The law requires drivers, when approaching a school bus which is loading or unloading children, to come to a full stop and then proceed with due caution at a speed not exceeding 10 miles per hour.

**NOW ADULTS** are being urged to have their polio vaccine shots. Authorities say that the vaccine is now plentiful enough for everyone who wishes to have the vaccine and they are suggesting that people of all ages take the vaccine as further efforts to wipe out that dread disease of polio. If you haven't had polio vaccine see your family physician today.

**CONGRATULATIONS** and thanks to Charlie Boedecker and all the officers and directors of the Floyd County Fair. Those not familiar with the situation do not realize how much work these men and women put into the fair. They spent day after day working in preparation for the fair and were busy during the three days of the fair keeping things going. We're happy that their goal of "a bigger and better fair" was reached. We hope next year that the work of getting ready can be spread out more and that more people will lend a hand. This sort of thing takes lots of work and we ought to all be willing to pitch in and help out. It was a good fair and well worth while. Thanks, fair officials.

**THERE IS** but one straight road to success, that is merit. The man who is successful is the man who is useful. Capacity never lacks opportunity. It can not remain undiscovered — it is sought by too many anxious to use it.

**IN DESIGNING** man's hinges the Creator knew he would have little occasion to pat him self on the back.—Anahgram.

#### INTEGRATION AT LORENZO

Crosbyton may be faced with the problem of integration sooner than we had thought. Over at Lorenzo Supt. W. O. Cherry received a letter from NAACP just before the starting of the school term wanting to know the status of the Lorenzo system as regards integration. Mr. Cherry failed to answer the letter, and about the time school started a representative of the Negro organization showed up in Lorenzo demanding that the schools be integrated. The Lorenzo school board took no action. Tuesday said NAACP representative showed up again. This time he had with him a Lorenzo Negro and his son, and they demanded the boy be enrolled. Supt. Cherry explained that he had no authority to enroll him. So what happens next at Lorenzo? Supt. Sam Hawkes reports the first step has been taken in Crosbyton — the letter has been received. — Crosbyton Review.

#### ERRORS AND ERRORS

And there shall be errors and rumors of errors to haunt us all the days of our lives. Why is everyone connected with the newspaper business always so worried about errors? Nothing can be done about them — like the moon and stars, they are always there for the world to see. Now no one ever intentionally makes an error. It sounds implausible, but take a typewriter sometime and compose a theme on the beauties of nature or something. Somewhere in there you'll have something like roses are violet, reds are blue, etc. It is one of the vagaries of human nature that we sometimes can't see the words for the paragraphs. Sometimes the mistakes are just blunders. Last Monday, for instance, when we wrote a story about the Jay-Cee house-numbering program being completed we thought we were right. Only a few scattered

sections were incomplete and it was expected they would be finished before Thursday morning when the News is placed in the post office boxes. But they weren't and we heard about it from various sources. That's the way the ball bounces.

Every fledgling reporter says to himself that it won't happen again. A year later he thinks the time has come to hold down the errors. Still later he learns the universal truth among newspapers, i.e., good intentions, a veil of tears, and studious copyreading won't get them all.

A journalism professor once told us there never was a newspaper published without any errors. We don't know where he learned that, but we expect he was just reflecting the weary attitude of publishers all over the nation. — Castro County News.

**WE NEED 'EM TOO!**  
Seats of two of the suits

worn by AHS Antelope band members — ripped out Friday night at the Antelope-Olton football game. Uniforms worn by the local band members are nine years old. School bands, on the average, get new uniforms every six years. Some schools, with plenty of money, buy new uniforms every four years.

Hope the school officials will include new band uniforms on the budget so our fine band will have new uniforms for the 1957-1958 school term.

This is not a personal matter. Our band member has a one-year old uniform this year — her last year in AHS. But it is not our last year of interest in the AHS Antelope band. We want our band members to be well dressed every year they take the field for a half-time show, or march in a parade.

Dub Crain is doing a marvelous job with the school bands, and the members are working hard to represent Abernathy well with their fine playing and snappy marching. Let's spend some tax dollars to keep them well dressed as a band. — Abernathy Review.

#### A PRECIOUS RIGHT

Several non-partisan organizations are waging a campaign to get the voters to the polls this November. They point out that 35,000,000 qualified voters failed to cast their ballots in 1952, which was a rather sizable segment of the electorate.

Leaders of both parties are urging Americans to vote, no matter how they vote. President Eisenhower said recently that he would rather a person would vote against him than not vote at all.

The right of franchise is a precious privilege which Americans cannot afford to neglect. Exercise of this right is the only way to guarantee good government. No one has the right to complain of the type of officials we get if he refuses to take part in their selection. — Lubbock Avalanche.

#### TEMPTING FISH SAUCE

Slice thin green cucumber, unpeeled, right into cold water. Drain and transfer into a bowl of either sour or whipped cream. Add some minced chives, chopped onions and mix. Season with lots of salt and pepper. Put in the refrigerator and serve with fish dishes, either hot or cold.

Ford tandem axle BIG JOBS are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GVW is 45,000 lb.

Ford's F-100 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,535 lb. of payload.

The hardest-working, biggest-saving "no-towner" of them all is the Ford F-350. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 17,000 lb.

# Ford Trucks cost less

Ford's F-100 pickup with 6-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 6 1/2-ft. box with a full 45 cu. ft. capacity also available.

And low first cost is only your first saving

• Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get more in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort and safety in Ford's Driverized Cab with exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

GO TO CHURCH SUNDAY.

ENGAGED — Mr. and Mrs. L. W. Brand of Happy announce the engagement and approaching marriage of their daughter, Avanelle, to John Swilling, son of Mr. and Mrs. E. P. Swilling, Route 2, Plainview. The couple will exchange vows in the home of the bride's parents September 28.

## Shirley Warren And Dan Griffith Wed

Miss Shirley Warren, daughter of Mr. and Mrs. C. L. Warren of Lockney, and Dan Griffith, son of Mr. and Mrs. H. D. Griffith, also of Lockney were married Sunday night at 8 p. m. in Vera Cunia, Mexico.

The bride was dressed in a semi-formal light blue gown and wore a corsage of white carnations. Mrs. Bobby Griffith of Lockney, sister-in-law of the bridegroom, was matron of honor. She wore a light blue gown similar to that of the bride. Her corsage was of white carnations.

Bobby Griffith, brother of the bridegroom, served as best man. Recordings of "I Love You Truly" and "The Lord's Prayer" were used.

The officiating minister of the Church of Christ was the same minister who performed the wedding ceremony for Mr. and Mrs. Bobby Griffith three years ago. The bride plans to continue her studies in Lockney High School where she is a senior. The bridegroom is engaged in farming north of town. He was a member of the senior class last year.

## Providence

By Mrs. Wilfred Stoerner

Live today, forgetting the anxieties of the past.

Mr. and Mrs. Bob Payne and daughter Kathleen visited friends in Lubbock Sunday.

Mr. and Mrs. Wilfred Stoerner and daughter Cynthia Ann attended the area Brotherhood meeting of Northwest Texas group of American Lutheran Church at Levelland. Special speaker was Vernon A. Morh, President of the Texas District of American Lutheran Church. The Stoerner's also visited Mr. and Mrs. Nelson Welch and family of Levelland.

Mr. and Mrs. Cecil Boedeker are the proud parents of a baby girl. Congratulations.

Mr. and Mrs. Albert Sammann have gone deer hunting. Mr. and Mrs. Wilfred Schaffner and family of Houston are visiting his parents, Mr. and Mrs. A. D. Schaffner and other relatives here.

The home of Mrs. Ben Brandes was the meeting place for members of Candlelight Circle Thursday afternoon for the purpose of rolling bandages to use in mission fields in New Guinea. Over six hundred yards of bandages made from old sheets were rolled by the group. Those sending bandages and gifts for the Christmas box for Rev. and Mrs. Flierl were Mrs. Wilfred Stoerner, Mrs. A. M. Dietrich, Mrs. Virgil Brasher. Attending the meeting were Mmes. Ben Quebe, Leo Boedeker, Hubert Stoerner, A. D. Schaffner and Marvin Scheele. Delicious refreshments of fresh home made coffee cake, sandwiches and coffee were served by Mrs. Brandes.

## Pink, Blue Shower Honors Mrs. E. Buckner

Mrs. Ernest Buckner was honoree at a pink and blue shower Tuesday afternoon in the lovely home of Mrs. Rex Rogers in Providence community. Sharing hostess honors Mmes. Wilfred Stoerner, Oscar Phillips, Albert Scheele, Kenneth Moody, Herbert Hartley, and Harold McLaughlin. The honoree was given a lovely pink nylon night gown. The unique center piece was ivy in clear crystal holders which later can be used to hold baby food. A spring corsage was also presented the honoree.

The serving table was covered with a lace cloth. Crystal punch service and the ivy center piece completed the table arrangements. Punch and home made cookies were served. Guests registering in the baby book, a gift to the honoree by

the hostess, were Mrs. Rena McKay, Mrs. Erea Robinson, Mrs. Beadford Buckner, Mrs. Laughlin and Mrs. H. L. McOscar Wylie, Mrs. Ben Brandes Gaugh.

a  
**WITCH DOCTOR**  
is cheaper!

But the few extra dollars that you pay for reliable modern prescriptions save you time and money in the long run. Why? Because today rapid recoveries can often be made with just a single prescription. Burdensome expenses involved in long sickness are eliminated. As recently as ten years ago, your doctor had to rely upon medicines that were slow-acting and uncertain. True, your prescription cost less then, but today, because of modern research, you get for greater results for your medicine-dollar.

### B Squad Whips Hale Center

The Lockney Longhorn B squad started the season off in a fine way last Thursday night when they defeated the Hale Center B squad 27 to 0. Quarterback Jake Wofford made two touchdowns for the Longhorns and Halfback Kenneth Holt made two. It was a team victory, however, and the entire squad looked very sharp both on offense and defense.

The Shorthorns, grade school team lost their game to the Hale Center grade school team. The score was 12-0. The Shorthorns threatened one time when Halfback Bill Mangold ran to the 4 yard line but the boys couldn't push it over. Both the B Squad and the Shorthorns travel to Petersburg tonight where they take on the Petersburg teams in practice games. The grade school game begins at 6:30 with the B squad game following.

### Out-Of-Town People Attend Spence Rites

### Band Parents Asked To Ice Cream Supper

The parents of band members, or prospective members and their families are invited to attend an ice cream supper at the high school cafeteria next Tuesday night, September 25 at 7:30. Following the supper a program will be enjoyed and plans laid for the term activities.

"This first regular meeting of band parents is said to be an important step in building a better band for the 1956-'57 term." Mrs. Milton Ashton, president said. "Band Director Clyde Seaman is doing a wonderful job and he will need the cooperation of the parents," Mrs. Ashton stated.

Every band member or prospective band member is to bring his family and a freezer of ice cream if possible. Mrs. Fritz Schacht, chairman of the refreshments committee, announced.

At a meeting last Tuesday night a music company representative showed instruments to a large number of students and their parents. Majority of the students were grade school students, many of whom purchased band instruments that will add much to the band in future years.

TOM Z. PARRISH

### Tom Z. Parrish To Preach Here

Tom Z. Parrish, director of development and legal counselor for Wayland College, will be guest speaker for First Baptist Church next Sunday, September 23, according to R. E. Wiley, pastor.

Parrish's background is a mixture of teaching, preaching, practicing and an extra measure of four years as an officer in the United States Navy. While completing the requirements for the B. A. degree at Stephen F. Austin State College, he began his teaching experience which in time included serving as superintendent at his home town, Moscow, Texas. From there he went to the University of Texas Law School from which he was graduated with the LL. B. degree. A little more than four years in the Navy followed law school. While practicing law in Plainview, where he was active in the First Baptist Church, he surrendered to full time Christian service.

From Plainview, Parrish went to Southwestern Seminary where he completed the requirements for the Bachelor of Divinity degree and met and married Emmalene Thomas, of North Carolina, who was also a seminary student. Also while in the Seminary he was called to Pittstown Baptist Church, in Oklahoma, and from there went to the pastorate of First Baptist Church, Marietta. It was from this church that Parrish accepted the call to Wayland College to serve as director of development and legal counselor.

### ATTENDS REUNION

Roy E. Patterson of Lockney attended a reunion in San Antonio last weekend of the First Camp Men, members of which attended the first officers training camp in Texas in 1917. Some 3,000 volunteers enrolled in the camp for officers training at the start of World War I about half of them completing the camp. Mr. Patterson was one of these. This first camp was held at Leon Springs. The reunion was held at the Gunter Hotel and some 300 were in attendance.

### WORKING IN LUBBOCK

Elizabeth Handley is in Lubbock this week assisting with the Cavalcade of Homes as representative of Pioneer Gas Company, Plainview. As home service girl with the company she will also represent the company at the Panhandle South Plains Fair next week.

### Mrs. Fulkerson Breaks Hip In Fall

Mrs. M. P. Fulkerson, mother of Mrs. J. P. Truett, fell at her home Tuesday afternoon about 3:15 and broke her left hip. She had broken her right hip five years ago and has not recovered from the injury. In attempting to enter her walker beside her bed as she was accustomed to doing the past year she lost her balance and fell.

Mr. and Mrs. Truett were attending a funeral at the time and found Mrs. Fulkerson lying on the floor when they returned. She had been there about 15 minutes she said. Carter ambulance carried Mrs. Fulkerson to Medical and Surgical Hospital where the limb has been placed in traction. The break has been described as a clean break and not as serious as the one on the left hip which has not completely healed. Reports from the family Wednesday afternoon was that Mrs. Fulkerson seemed to be resting. Her son, Jimmie of Lubbock is also at her bedside.

For the fourth time in 50 years of operations, the Feed Control Service reports that Texas feed manufacturers during the last fiscal year sold in excess of 4 million tons of feed.

THE FLOWER SHOW was a decided success at the Floyd County Fair. Pictured with the flowers are Mrs. Arthur

## TELEPHONE TALK

by J. C. Oakley, Manager

### Visit Again By Telephone

At this time of year, vacations are over for most of us. And I suppose if you're like me, you are already looking forward to next year's. But it's a good thing to remember that those miles that took you hours to cover on your trip can melt away in seconds with a Long Distance call.

That way, you can thank your friends or relatives by telephone for all the fun you had during your vacation visit. They'll appreciate it, and will enjoy hearing your voice again.

Or maybe you met friends on vacation. There's really no better way of keeping in touch with them than by a friendly Long Distance call.

Rates are lower after 6 p. m. every weekday, and all day Sunday. This makes it easier to recall the happy vacation days all year long. Remember, too — call by number—it's twice as fast.

### Why Run? Just Reach

Some time ago, I heard a good slogan for extension telephones. It was, "Why run for the telephone when you can reach for it?" It makes sense, too. You arrange furniture and appliances in your house so that they'll be convenient for you. Why not carry this convenience over to your telephone service?

Most homes could use an additional telephone. The kitchen and bedroom seem to be the most popular spots for families now enjoying life with two telephones.

The cost is small for an extension. An installation charge of \$2.00 and the monthly rate of \$1.00 can make you a "two telephone family."

### Looking Up Words

You know, people sometimes use words for years before finding out exactly what they mean. Usually, they are pretty close, but it never hurts to dust off the old dictionary and look up a word.

I did it the other day to find the definition of "value." We talk about value of service a lot in the telephone business, and I wanted to know once and for all just exactly what "value" meant.

In simple terms, it means "real worth." So if you stop and think a minute about how much the telephone does for you, we think you'll agree we're not misusing the word "value" when we talk about telephone service.

For, you see, a good part of the "real worth" of telephone service is the telephone's ability to help you do more things easier day after day.

Call by number. It's twice as fast.

# FARMERS

The Board of Directors of the Grain Sorghum Producers Association of Floyd County has voted to raise funds by asking all growers to contribute one-fourth of one percent of their grain sorghum income. The support of every farmer can insure continuing the progress this association has made.

## What The Grain Sorghum Producers Association Accomplished in 1956

1. Income from grain sorghums in Floyd County increased more than \$750,000.00 through higher price supports.
2. The Secretary of Agriculture is now required by law to support the price of grain sorghums.
3. A beachhead in Washington established to influence future farm legislation.
4. National recognition and advertisement gained for grain sorghums.

## What The Grain Sorghum Producers Association Can Accomplish in the future with Your Support:

1. Favorable Farm Legislation.
2. Research for higher, more efficient production.
3. Research to find new uses in industry and agriculture.
4. National Advertisement of our product.

The Lockney Longhorns made it two in a row Friday night by defeating the Dimmitt Bobcats 27 to 6 on the Dimmitt field. The Lockney boys were in command all the way from the opening kick-off, when Halfback Cliff Hardy ran the ball back to the Dimmitt 8 yard line, to the final whistle, when the Longhorn reserves were vainly trying to score from the Dimmitt 23 yard line.

Fumbles and penalties hin-dered the Longhorns consid-erably. They were assessed four 15 yard penalties and lost the ball five times on fumbles, mostly on pitch-outs. Their ineptness was only exceeded by the Bobcats who lost the ball seven times by the fumble route.

Halfback Hardy was a prob-lem to the Bobcat defense all right as he, Halfback Jerry Williams, Quarterback Gene Handley and other Longhorn backs carried the ball deep in- to the Bobcats territory time after time. Hardy broke into the clear twice during the night but was caught from be- hind both times just short of the goal line.

The Longhorn reserves play- ed most of the second half on offense and made a good showing but were never able to put their yards gained to- gether enough to score. Their passing attack, with Quarter- back David Frizzell on the

throwing end and Larry Ham- mitt catching was especially potent.

The Longhorns led 21-6 at the halftime and scored their final touchdown early in the third period.  
 Hardy's long run to start the game gave the fans a thrill. He took the opening kickoff about his own 15 yard line and ran straight up the middle. Team- mates cleared a path for him and he burst into the clear a- bout the 50 yard line. However Monty Boozer, fullback for the Bobcats caught him and drove him out of bounds about the Dimmitt 8-yard line. The Long- horns made 5 and nothing and the Quarterback Gene Hand- ley drove over from the three yard line for the score. Full- back Arlie Pinner plunged over for the extra point and the score was 7-0.

The Bobcats took the kick- off back to the Lockney 45 but couldn't gain and kicked to the Lockney 9 where the Longhorns took over. The Long- horns made one first down and Handley kicked to the Lockney 47 where the Bobcat receiver fumbled the ball and it was covered by a Longhorn. Arlie Pinner drove to the Dimmitt 26 for a first down but a fumble in the next series gave Dimmitt the ball on the 27.

The Bobcats started a drive of their own, making first downs on their own 38, 49, on the Lockney 34 and then a 15 yard penalty against the Long- horns set the ball down on the 14 yard line. From here Gil- breath passed to End Gary Cleaver for the touchdown. At- tempt to kick the point failed and the score was 7-6.

A fumble soon after the kick off gave Dimmitt the ball on the Lockney 22 but the Long- horn line held and on fourth down Tackle Johnny Hanst rushed in to hit the ball carrier and he fumbled with the Long- horns taking the ball on their own 27. A Bobcat fumble early in the second quarter was re- covered by a Longhorn and in this series Halfback Cliff Hardy broke through the middle be- hind some excellent down-field blocking and ran to the three yard line where he was hauled down. Hardy carried over for the score and Handley plunged for the point making the score 14 to 6.

The teams exchanged the ball a couple of times with the Longhorns getting it on their own 46. Handley carried to the Dimmitt 17 on a keeper and then went over from that point for the score. Fullback Billy Carl Race plunged for the point making the score 21-6.

There were no more threats in the first half and Dimmitt had the ball on their own 48 as the period ended.

The Bobcats received and re- turned the kick off starting the second half back to their own 39. They made first downs on the Lockney 40 and another on the 29 but here Cliff Hardy stepped in to intercept a pass

and return it to the Lockney 45 to stop their drive. Hardy carried for a first down on the Dimmitt 39 and Fullback Bill Race went to the Dimmitt 28 for another first down. A fumble on the next series gave the ball to Dimmitt on their own 19 but they also fumbled and Lockney recovered on the Dimmitt 35. The Longhorns were penalized 15 yards but a double reverse carried to the Dimmitt 14 for a first down. Hardy went to the 3 and Halfback Jerry Williams carried over for the touchdown. Try for point failed and the score was 27-6.

The Bobcats received but fumbled again and Johnny Hanst recovered on the Dimmitt 48. Here Coach Rudy Haile sent in his reserves and they played the remainder of the game on offense. A pass from Quarterback David Friz- zell to End Larry Hammitt was good for a first down on the Dimmitt 33. The Longhorns were penalized 5 and another pass was completed for 8 yards but it was not enough and Dimmitt took the ball on its own 24. The Bobcats made a first down on their own 44 and End Donald Farish went in to throw the passer for an 11-yard loss on the next play and the

**a MILLION layers produce eggs ... saving about 5¢ per dozen**

Are you using our cost-cutting service? Many local folks are with very satisfactory results! Here's why we believe we can help you cut the cost of producing eggs and increase profits.  
 Last fall a check on production of Purina-fed flocks brought out this fact. Records on more than one million layers showed they averaged only 4 1/2 lbs. of feed per dozen eggs.  
 U. S. Government figures show that most flocks take 6 lbs. to do the job. So . . . Purina customers saved 1 1/2 lbs. of feed or about 5 cents per dozen.

See or call us now. We'll bring our Poultry Profit Meter to your farm and help you shoot for lower egg production costs. Remember . . . service is free with the Checkerboard Bag.

Bobcats kicked to Lockney 29. Dimmitt 28. However a 15-yard penalty set the Longhorns back to the Lockney 43 for a first down and a pass from Frizzell to Hammitt was good for a first down on the Dimmitt 43. A fumble here was recovered by Dimmitt on its own 41. The Bobcats couldn't move and Guard Byron Brock went through to block the punt giving the Longhorns the ball on the game ended.

### Pins Awarded To Rebekah Members

Two members of the Lockney Rebekah Lodge No. 259, Mrs. Connie Reed and Mrs. Marlin Anderson, were awarded bronze pins for "meritorious service" at the meeting of the Lodge Monday evening. The pins, given for outstanding work in the Lodge, were from the Sovereign Grand Lodge and given in the name of the Sovereign Grand Master. They were presented by Dimple McGavock, Noble Grand of the local Lodge. She also commended the two on the work they had done.

Plans for making money for the Lodge were discussed and a report on the fair booth was given by Mrs. Connie Reed, chairman of the Ways and Means committee. Seventeen members were present.

The lodge will meet next Monday at 7:30 instead of 8 o'clock. All members are urged to be present since this is initiation night and two officers will be installed.

### Longhorn Band Plays At Dimmitt

The Lockney Longhorn Band stepped off with the spirit of a proud band in their performance at Dimmitt during football halftime Friday night. Led by band major Kitty Ford, the band marched on the field playing the fight song. Then honoring Dimmitt Bobcats a "B" was formed and the majorettes were featured as they twirled to the band music of "Cororan Cadets". Majorettes are Loy O'Brien, Sunny Lawson, Pat Ashton and Jean Wofford.

Band formation moved down the field and became the outline of a longhorn. The eyes were formed by Jann Wofford and Steve Barker, mascots. Band members knelt to play "The Victors", "1 2! 3! 4!" and "They're Off." A precision march routine was then displayed in fancy style and a snappy cadence immediately followed as the band marched off the field.

### Mrs. Jannie Albert Passes Away Sun.

Death claimed Mrs. Jannie Albert, 73, of Fort Worth Sunday, Sept. 9 at 3:30 p. m. Mrs. Albert is the mother of George Albert St. of Lockney.

Mrs. Albert was taken to a hospital for the first time, August 21, was released and returned again Friday where she remained until her death.

Mrs. Albert was born in Navasota, Grimes, Texas in 1883 where she was reared and married. She moved to Fort Worth in 1947 where she was a member of the Stranger Rest Baptist Church, Rev. R. W. West, pastor, officiated at the last rites. Interment was in Courtney Cemetery, Courtney, Texas.

Teal, both of Memphis, Texas; Mrs. Lucy Lee Goads of Houston and one brother of Navasota. Eight grandchildren and sixteen great-grandchildren also survive.

### Texas Highway Patrolmen Needed

Applications for appointment as Texas Highway Patrolmen will be accepted from the present time until October 15, according to an announcement by Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety.

Examinations for the men qualifying will be given statewide during the latter part of October and those scoring the highest will enter the recruit training school next January.

Garrison said that appointments will be made to fill the additional positions authorized by the last Texas Legislature and to fill existing vacancies caused by promotions and resignations.

Salary of patrolmen is \$315 monthly, plus longevity. They are also paid during training. Other benefits include annual leave and benefits of the State Retirement System and Federal Social Security.

General requirements for appointment to the State Highway Patrol include: 21 to 35 years of age, inclusive; minimum height of five feet, eight inches; weight in proportion to height; excellent physical condition; and high school education or equivalent.

In addition, applicants must be citizens of the United States and residents of Texas for at least a year immediately prior to filing of the application. They are also subject to a rigid character investigation.

Application blanks of further details may be obtained by writing to W. J. Elliott, Chief, Texas Highway Patrol, at Austin or by contacting the Captain in command of the nearest Patrol District.

### Father Of Local Man Passes Away

Funeral services for Charles Bollman of El Paso, Texas, father of Henry Bollman, Lockney, were held Thursday, Sept. 13 in Koster and Maxon Chapel, El Paso with Rev. Keith Pierce officiating. Burial was in Evergreen Cemetery. He was a member of the Christian Church.

Mr. Bollman was found dead in his room Sept. 11 at 11:25 a. m. He had had two heart attacks in the last several months and it is thought he died Sept. 9.
