THE STATE LAW requiring
auto drivers to stop when ap-
proaching a school bus loading
or unloading children and then
to proceed at a speed not more
than 10 miles per hour applies
when meeting a school bus as
well as approaching it from
the rear, state school officials
point out. Several school chil-
dren have been killed when
struck by cars passing school
buses when the bus was stop-
ped unloading children. School
officials have on a campaign
to inform motorists of the im-
portance of the law and urging
observance of it.

SE HABLA ESPANOL
One of the ideas in the mill
of the local Chamber of Com-
merce is a class in Spanish for
local businessmen and farm-
ers. It has been thought that
a basic knowledge of the Span-
ish language would be a great
help in making friends of the
Spanish speaking people. It
would also assist in working
with these people, as informa-
tion could be related without
the use of an interpreter, who
many times becomes confused
when trying to relay informa-
tion or instructions to his fel-
low workers.

STILL OTHERS would require
publishing the full text of or-
dinances, publishing of finan-
cial statements by school dis-
tricts, commissioners court pro-
ceedings, and meetings of other
public boards and commissions.
The law would also require
these meetings to be open to
the public.

SEEMS TO US there is too
much fuss being made about
"Pappy" O'Daniel running for
governor. If it's legal we say
go ahead and let him get on
the ticket. We don't think he'll
get enough votes to make much
difference anyway and it'll save
all the trouble of writing in his
name for those who are going
to support him anyway.

THE TEXAS HIGHWAY con-
struction program is a super-
duper, so the press says. Built
to meet anticipated needs for
the next 20 years, the new
roads eliminate crossings and
intersections, roads will be
four lane or two-lane with room
for two more, and they may
let us go as fast as 70 miles an
hour legally. Texas share of the
nation wide highway pro-
gram will be 2,900 miles.

WET ELECTION
The sale of intoxicating bever-
ages came very close to home
recently when legalized liquor
sales became the object of a
vote in Childress county.
However, the voters let it be
known that they didn't want
the stuff around and sounded
a death-defying blow to legal-
ization at the polls last Satur-
day. The vote against was 2-
267 and only 953 for — more
than a 2 to 1 majority.
If the voters had decided
otherwise, the effects would
have been heavily noticed right
here in our own Cottle county.
The rural balloters played
the major role in keeping the
county dry. Not a single box
was carried by the "wets." Two

the fact that some people buy
merchandise away from home
when they can get it in as good
a variety, as good quality and
as good price at home. Some-
times it is merely a matter of
habit. We don't inquire at our
local stores to see whether they
have what we want or not. Or
perhaps we just want to take
a trip to a neighboring town
for the ride. Lockney has some
very modern stores, which car-
ry a good variety of merchan-
dise, a good quality merchan-
dise and their prices compare
favorably with those in larger
neighboring towns. If we all
would cultivate the habit of
trading at home whenever pos-
sible, the benefits would cer-
tainly be community-wide.

THE DROUTH in Texas has
brought about consideration of
a state-wide rainmaking ven-
ture. The Texas Water Resour-
ces Committee recently voted to
investigate the matter further
and, if findings are favorable,
it might recommend legislation
and appropriations for a long-
range, state-wide project. May-
be a little praying would help.

ATTORNEY GENERAL John
Ben Sheppard has asked the
press of Texas to sponsor 12
bills in the 1957 Texas legisla-
ture pertaining to publication
laws. Such laws, Sheppard said,
would have prevented the land,
insurance and Duval county
scandals. One law would re-
quire publication in the veter-
an's home county of his applica-
tion for a loan under the
Veteran's Land Program. An-
other would require publication
of financial statements by in-
surance companies. Another
would require elected officials
handling public money to make
a public accounting of same by
publishing at regular intervals
a financial statement.

STILL OTHERS would require
publishing the full text of or-
dinances, publishing of finan-
cial statements by school dis-
tricts, commissioners court pro-
ceedings, and meetings of other
public boards and commissions.
The law would also require
these meetings to be open to

Long Ago In Lockney

Items of interest from the
files of The Lockney Beacon.

Sept. 30, 1926

From a column in this issue
of the Beacon entitled "News
of Eighteen Years Ago" which
include happenings in the fil-
es of 1908 we reprint for your
recollection: March 19, 1908.—
C. R. McCollum of the Mc-
Collum Dry Goods Co., has
placed an order for cement
blocks to construct a 30x80 ft.
building where the store now
stands.

1908—Last Saturday a mass
meeting was held in front of
Wofford & Riley Land Office
for the purpose of securing a
method of fair and proper ren-
dition of taxes for the current
year. Mr. Weathers called the
meeting to order. T. Riley
was secretary.

1908—J. T. Hill returned last
week from Clovis, New Mexico
where he visited his son, Bar-
low who has just finished
breaking 75 acres of sod land.

1908—J. A. Baker makes a
trip to Plainview regularly.

1908—W. A. (Bill) Brewster
left Monday morning for the
"Golden West" where he has
a claim near Portales, N. M.

1908—At the city election
Thursday the following offi-
cers were elected: Mayor J. S.
Pickle; Marshall, J. T. Livesay;
Alderman, Ward 1, J. D. Grif-
fith; Ward 2, E. P. Thompson;
Ward 3, Geo. T. Meriwether;
Ward 4, R. F. Fry; In Ward 3
there was a tie between W. M.
Lampton and W. E. Stovall.

1908—A. R. (Tab) Meriwether
is building a nice residence in
Geo. W. Brewster's peach or-
chard.

1908—Dr. J. C. Dial killed a
skunk in a hand to hand af-
ray Monday.

July 23, 1908 — Frank H.
Ford who bought the old May
place is having a new resi-
dence erected there.

1926—E. E. Nicholson of Tex-
ico, New Mexico and Miss Lois
Cope, daughter of Mr. and Mrs.
Ross Cope of Lockney were
married at the home of Rev. C.
J. McCarty, pastor of the Bap-

tist Church Sunday.
1926 — The Ukelele Girls re-
organized last week and plan
a trip to the Lubbock Fair.
Those in the club are Hazel
Gruber, Ruth Stapleton, Billie
Griffin, Velma Marble, Mavis
Davis, Leo Simpson, Aline Dav-
is, Lorraine Still, Maenon Mer-
iwether. The girls have been a
great success wherever they
have gone and newspapers car-
ry their pictures. Miss Lauracm
Christian is directing the girls.

Funeral services for Fleet
Smith Byars were held last
Friday afternoon at 4:30 at the
Baptist Church.

Bobby Baggett suffered two
broken ribs and two cracked
ribs when he fell on the stairs
at school, according to a report
from his mother, Mrs. C. E. H.
Baggett.

Mr. and Mrs. Ralph Wofford
are in Anchorage, Alaska,
where they are both employed
with the War Department at
Fort Richardson. Mrs. Wofford
is the former Laverne Sheffield
and Ralph is the son of Mr.
and Mrs. O. D. Wofford of
Lockney.

Mrs. A. M. Newman died
Thursday in a Plainview hos-
pital following a major opera-
tion.

Mrs. Hattie C. Muncy, wife
of Rev. R. E. L. Muncy, and a
pioneer of Floyd County and
West Texas, died at her home
in Muncy community Wednes-
day. She was 74 years of age.
The wife of a pioneer preacher,
Mrs. Muncy had lived in Floyd

County over 50 years and
seen it grow from a barren
ch country to a farming
district. Five sons were born
this union, all of whom
live. They are Arch, Ed, E.
Robert Muncy of Muncy
community; Clay Muncy, Lock-
ney; and Leroy Muncy who is in
the Navy with the Pacific fleet

Johnson, England.

Lt. Paul Teuton is serv-
ing with the Fifth Army in
Italy and was one of the leaders
of a reconnaissance unit as-
signed to back up the infantry
assignment which flushed
strong force of Germans. He
discovered the foot soldiers
were pinned down by a strag-
gling plane from a Jerry plane
and immediately was ap-
proached by Germans hidden in a
gerow. They opened fire and
the recon group moved in

THIS IS WHERE TOMORROW STARTS

A new "inner car" gives you a NEW KIND of FORD for 1957!

Coming October 3rd.

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news... a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because... This is Where Tomorrow Starts... with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

The New Inner Ford
The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body
The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride
The New Kind of Ford sits six people as no other low-priced car has ever sat them—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's a hat room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, light-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.

The New Ford Choice
Ford offers not only one, but two sizes of cars... each on its own extended wheelbase... each with its own body shell... each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inte-

National Business Women's Week Is Observed Here

This week Business and Professional Women's Clubs throughout the United States will observe the 29th annual National Business Women's Week. Lockney club is celebrating the event with a number of social events carrying out the theme "First in Leadership."

Sunday the club attended church in a body. At 8 o'clock Sunday morning several members attended a breakfast given by the Plainview B&PW club in the Hilton Hotel. Attending were Dimple McGavock, Frances O'Hearn, Wanda Baker, Ada Bailey, Betty Knox and Jeffie Griffith.

Tuesday night the club had a dinner meeting at the Plains Hotel and Coffee Shop here. Claud Holley, executive vice-president of the First National Bank and president of Lockney Chamber of Commerce, was guest speaker.

Saturday afternoon from 4 to 5 o'clock Mrs. Payton Powers will be hostess at a coffee in her home honoring women who are new-comers to the town.

Hostesses for the weeks activities are June Bybee, president; Wanda Baker, 1st vice-president; Mary Holley and Estelle Powers.

YWA Officers Are Installed In Candlelight Service

Miss Wanda Cox was installed as president of Young Women's Auxiliary of the First Baptist Church Wednesday evening at 6 p. m., Sept. 19.

Mrs. Leslie Ferguson brought the devotional.

Mrs. Hilburn Casey, WMU president, officiated at the impressive candlelight service when the standing chairman of the Woman's Missionary Union lighted candles of service and presented them to corresponding chairmen in the YWA. Following the installation Mrs. Jontha Lee Mercer sang "Take My Life" as the new officers stood with joined hands.

Others installed were 1st vice president, Lahoma Rowell; 2nd vice president and program chairman, Charlyne Brown; secretary, treasurer, Nelda Cates; Community Missions chairman, Glenda Foad; Mission Study and Prayer chairman, Hope Cox; Social and Literature chairman, Frances Lemons; Stewardship chairman, Mary Kathryn Ford; Mrs. Thomas Marr is counselor and Miss Bobby Casey, co-counselor.

YWA colors, green and white, were carried out in the room and table decorations. A large white cake iced in white and decorated with pink rose buds featured an open Bible bearing the YWA scripture and emblem. Mrs. Lawson Rowell baked and decorated the cake for the occasion. Green punch was served with the cake to YWA members and following mothers Mrs. Carl Lemons, Mrs. W. B. Cates and Mrs. Johns Cox.

ENGAGED — Mr. and Mrs. W. Leroy Ragle announce the engagement and approaching marriage of their daughter, Charlotte Ann to David Bryan McCulloch, son of Mr. and Mrs. J. S. McCulloch. The wedding is set for Saturday, October 13, at the First Baptist Church here.

Shower Honors Bride-Elect

Miss Avanel Brand of Happy, formerly of Lockney, was named honoree at a bridal shower Saturday in the home of Delores Brown.

The refreshment table was laid with lace over pink and centered with a white styrofoam heart edged with net ruffles. At the base of the heart was a bride and groom surrounded with flowers. On the register table was a bride doll beneath an umbrella on a reflector. A net umbrella shaded the gifts in the gift display room. Bags of rice were plate favors.

Guests were registered by Carolyn Jones.

Hostesses for the occasion were Misses Delores Brown, Carolyn Jones, Janis Widener, Sally Cox, Lahoma Rowell, Glenda Foad, Martha Hardin, Nelda Tims, Lanell Johnson and Barbara Wilson; Mrs. Bill Hodel and Mrs. Harold Davis.

Miss Brand is the bride-elect of John Swilling of Plainview. They will exchange vows Friday afternoon at 3 o'clock in the home of the bride's parents, Mr. and Mrs. L. W. Brand of Happy.

CARD OF THANKS

We want to express our thanks to all those who sent cards, flowers or extended other kindnesses when Mr. Rose broke his arm. Also we want to thank the Lockney Fire Department and all others who helped during the fire which occurred on our Aiken farm Saturday.

Mr. and Mrs. C. H. Rose.

Local People Attend Wedding Of Miss America Of 1956

Mr. and Mrs. George West of South Plains community have been in Denver, Colorado the past week where they were among the 50 invited guests attending the wedding of Miss America of 1956, Sharon Kay Richie, 19, and Don Cherry, 32, singer-golfer, Saturday night. Mr. Cherry is a relative of the Wests.

The couple wed just two weeks after the auburn-haired, blue-eyed beauty crowned the 1957 Miss America, and thus was released from her vow not to marry during her year of reign.

Dr. Val Wilson, president of Colorado Woman's College read the vows. Miss Richie was a student there last year when selected as the nation's most beautiful and talented girl.

Following a honeymoon the couple will go by car to Dallas where Cherry, a former member of the Walker Cup golf team, will appear in exhibition Sept. 30.

Mrs. Alex Norris Hosts Garden Club

Mrs. Alex Norris was hostess for a meeting of Lockney Garden Club Friday, Sept. 21.

Mrs. Roy Patterson, leader of the program, discussed "You Can't Beat the New Dutch Iris" and Mrs. Henry Ford talked on "Evergreens can be Transplanted in the Fall." Flower arrangements were brought by Mrs. Dale Laceywell and Mrs. Frank Roberson. Roll call was answered with naming a favorite collection item.

Present were Mmes. Henry Ford, L. M. Honea, Dale Laceywell, T. B. Mitchell, Roy Patterson, E. M. Quebe, Tom Rankin, Frank Roberson, Kelton Shaw, R. W. Smith, A. O. Wines, T. J. Word, H. B. Coggin, N. E. Greer and the hostess.

W. M. U. Social Held Monday Night

Following a meeting of Business Woman's circle the Women's Missionary Union had a business and social meeting in the First Baptist Church parlor.

Rev. L. A. Blair brought an interesting devotional on the promises of God. Mrs. Blair led the song service and Mrs. Hilburn Casey, WMU president, was in charge of the business meeting.

Mrs. Thomas Marr and Mrs. Glenn Cooper were hostesses for the social activities. Cake and tea were served to Rev. and Mrs. L. A. Blair, Mmes. R. W. Johnson, Leslie Ferguson, Harmon Handley, Edgar Hayes, J. H. Cooper, Rolan E. Wiley, Ed Whitfill, Hilburn Casey and Thomas Marr.

M. D. Lynn left Thursday morning for Las Alamos, New Mexico where he will join his son, J. B. Lynn on a trip to Colorado to hunt elk. His son recently received a special permit for the hunt. Mr. Lynn plans to return Thursday, Oct. 4 with a load of winesap apples to sell here.

CARD OF THANKS
I want to thank all my friends and most especially my doctors, Dr. Crum and Dr. Wharram, and also the hospital staff, not leaving out Mrs. Kelley as she is a wonderful cook and I really enjoyed her cooking while in the hospital.

Also thanks to the Aiken Baptist Church for the nice flowers and thanks to our very dear friends, Mr. and Mrs. T. H. Weeks for the lovely flowers.

To everyone who had any part in my stay in the hospital, thanks and also to the Spanish people who helped my husband move. May God bless each and everyone of you is our prayer.
Mr. and Mrs. C. L. Beebe.

CARD OF THANKS
We are deeply grateful for your many kindnesses, expressions of sympathy, and the beautiful flowers at the death of our mother. We shall always remember you for your thoughtfulness.
Mr. and Mrs. M. D. Lynn and Family.

The nation's turkey producers are raising 16 percent more turkeys this year than last. In Texas, production is up 47 percent. John McHaney, extension economist, says the favorable prices the last half of 1955 and during the 1956 hatching season and lower feed costs were primarily responsible for the increase. The price outlook, compared to last fall, isn't too good.

Teaff-Hormann Vows Repeated

Miss Benita Merle Teaff, daughter of Mr. and Mrs. Benita Teaff of Muncy Community, became the bride of Lt. Karl E. Hormann Jr., son of Mr. and Mrs. Karl E. Hormann of Dallas, in a ceremony read at 7 p. m. Saturday in Floydada First Christian Church. Dr. R. Earl Allen, pastor of the First Baptist Church, officiated in a double ring ceremony read before an archway of greenery and bronze chrysanthemums. Baskets of bronze and yellow chrysanthemums, autumn leaves and candelabra flanked the altar.

Mrs. W. O. Eddins, aunt of the bride from Sudan, played traditional organ music and accompanied Ernest Terry of Lubbock as he sang "Wedding Prayer" and "Because."

The bride, given in marriage by her father, wore a ballerina length dress of white lace over taffeta, fashioned with a long torso and full skirt. Her long, fitted sleeves featured tiny pearl buttons at the wrist and tiny pearl buttons fastened at the front. A Peter Pan collar edged with lace accented the neckline. The bride carried a white Bible topped with an orchid.

Miss Bybee Is Attendant
Attending as maid of honor, Miss Jean Bybee of Plainview wore a dress of rose beige lace over taffeta. The fitted bodice was accented with a band of shirring which outlined the low neckline and fell over the shoulder. She carried a nosegay of autumn flowers.

Lt. Albert L. Reinsmidt of Lubbock served the bridegroom as best man. Ellison Williams of Hereford and Bill Squires of El Paso ushered and lighted candles.

Immediately following the ceremony, the reception in the church parlor honored the couple. The bride's cake was served from a table laid with a linen cutwork cloth and centered with yellow candles and an arrangement of autumn flowers. Assisting in hospitalities were Mmes. Robert Muncey, Alton Noland, Ray Aston,

Lindsey Graham and Doyle Williams of Hereford.

For her trip to Bangor, Maine, where the couple will be at home, the bride chose a two-piece suit of brown silk. She wore winter white and brown accessories.

The bride, a 1954 graduate of Floydada High School, was employed until the time of her marriage with the Empire Service Company of Lubbock. Her husband, a graduate of Highland Park of Dallas, served two years with the Navy prior to enlisting in the Air Force. He is currently stationed at Dow AFB in Maine.

WELCOME MAT FOR BABY
It's safe to give a visiting baby the best bed in the house — if you cover the bedspread with a plastic sheet. Nothing is easier to keep clean, of course. Just swab the plastic with sudsy sponge, rinse with hot water, and then dry it.

QUICKIE CAKE TOPPING

Sprinkle cocoanut over the top of the cake when it's hot out of the oven, and run under the broiler flame just long enough to toast cocoanut to a golden brown. Or cover cake with a 5-cent bar of chocolate, place under the direct broiler flame to melt then spread smoothly with knife while soft.

South Plains

By Mrs. Murray Julian

Delayed

Mr. and Mrs. H. L. Marble spent Wednesday night in Carriazo, New Mexico, to meet their son, Fred who was there at Red Canyon for a week with a Guided Missile Battery. Fred returned to his base at Media, Penn., Saturday. The Marbles returned home Thursday. They report very dry conditions out that way.

Mr. and Mrs. Bill Hooper are the proud parents of their first child, a daughter, Janis Luan, born Sunday afternoon at the Lockney General Hospital. The new baby weighed seven pounds and fourteen ounces. Maternal grandparents are Mr. and Mrs. George Barkowsky of Lamasa, and paternal grandparents are Mr. and Mrs. George Hopper of South Plains. We congratulate the young parents, whose home is in South Plains.

Mr. and Mrs. Douglas Reves are to be congratulated on the birth of their second child, a son, who was born Thursday night in Lockney Hospital. The new baby has been named George Michael, and he weighed nearly six pounds. The Reves have a small daughter also. Mrs. Reves is home with her baby this week.

WMU met at the church on Monday afternoon for Bible study. Mrs. Paul Snodgrass, led the group in the last book of Favorite Bible Passages, "The Atonement." Present for the meeting were Mrs. McClure, Larry Faus, John Smitherman, Murray Julian, Sim Reeves, Sylvan Kinnibrugh, H. S. Calahan Jr., Gribby Milton, Thomas Pierce, and Shelby Calahan. Mrs. McClure presided over the business meeting. WMU members will plan to go to Matador on Tuesday, October 2, for an important all day workshop meeting at the Baptist Church. A covered dish lunch will be served at noon. Mrs. Bryan Karr met with her Sunbeam group, and Mrs. Pierce and Mrs. Julian met at 4 with the Junior Girls Auxiliary.

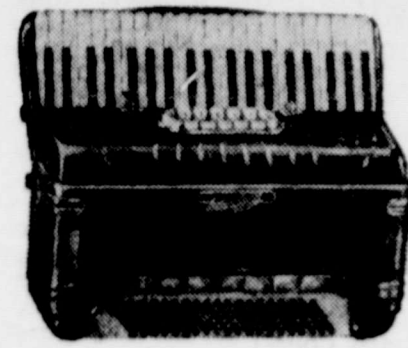

South Plains 4-H girls met with their sponsor, Mrs. Arby Mulder on September 10, and

officers were elected for the coming year. President, Sherlene Teeple; vice-president, Sue Wilson; secretary, Rachel Huncy; reporter, Eulalia Sanders; clothing demonstrator, Yvonne Karr; food demonstrator, Eulalia Sanders. Members present at Mrs. Mulders were Barbara Sue Milton, Rachel Huncy, Sue Wilson, Eulalia Sanders, Sherlene Teeple, Sharon Taylor, Joann Newton, Kay Taylor, Beth Calahan, Marilyn Kinnibrugh, Yvonne Karr, and one new member, Carolyn Sessums.

South Plains Home Demonstration Club met Wednesday, September 12, in the home of Mrs. George Weast, with Mrs. Murray Julian as co-hostess. Mrs. J. D. Webb presided and roll call was, "My Plans for the Floyd County Fair." Mrs. Kinnibrugh, Mrs. Webb, Mrs. S. Calahan, Mrs. Karr, met at the home of Mrs. John Smitherman Monday afternoon to make plans for the community exhibit, and they with their husbands gathered everything and prepared the exhibit Wednesday evening at the Fair Barn. Mrs. Milton showed "Whats New for Kitchens." Visitors were Mrs. Bill Hopper and Mrs. E. W. Newton. Food Demonstrators, Mrs. Fortenberry and Mrs. Julian gave a demonstration on Hot Breads and showed a tray of all shapes and sizes of hot rolls and sweet rolls, and two pans of sweet breads which were made to serve with the refreshment course. Hostesses served sandwiches, hot coffee, pickles, and pineapple-coconut and prune rolls to Mes. Gribby Milton, John Key West, Arby Mulder, J. P. Just 6¢ a Day Can Help Build Rich, Red Blood — Save You From Being TIRED...NERVOUS

... EASY PREY TO MINOR ILLS!*

Nutritional experts reveal vitamin losses in cooked foods plus faulty diet may be seriously undermining your energy, strength, and resistance, making you feel dragged out—on edge—affecting your appetite—spoiling your sleep — because your body is vit. min and iron starved.

*These symptoms if due to a vitamin deficiency occur only when daily intake of vitamins B1, B2, and iron is less than minimum daily requirements over a prolonged period. In themselves, they do not prove a dietary deficiency as they may have other causes or be due to functional conditions.

Why Vitamins Destroyed in Cooking Food Must be Replaced

Do you know that all of 25% of the total Thiamin (vitamin "B") content in potatoes can be destroyed by cooking—30% in leafy green and yellow vegetables—and 25% in lean meats, poultry and fish! Other essential nutritional factors such as Niacin, Riboflavin, and Ascorbic Acid may also be adversely affected in cooked foods. And these figures are tabulations from foods cooked under average methods! Just think what happens when you eat overcooked foods—warmed up left-overs—or foods from steam tables in cafeterias! These are powerful reasons why your entire system may be vitamin starved.

How You Can Stop Chronic Vitamin and Iron Starvation TODAY — Feel Like a New Person!

Supplement your diet every day with just one High-Potency Bexel Capsule. Just one of these wonderfully strengthening capsules give you the full vitamin and iron content nature provided in the group of the following foods before cooking:

- 1 quart of pasteurized milk
- 4 oz. of fresh orange juice
- 1/2 lb. of lean bacon
- 1 lb. of lean pork
- 1/2 lb. of green string beans
- 1/2 lb. of veal chops

Naylor-Stewart Vows Exchanged In Church Rites

Mrs. Eileen Naylor and W. R. (Bill) Stewart Jr., both of Lubbock, were married in an impressive single ring ceremony Saturday, September 22 at 7:30 p. m. in Ford Memorial Chapel, First Baptist Church, Lubbock. Rev. Melvin Rathaal, pastor of Trinity Baptist Church, read the vows in the presence of approximately forty guests.

An arch of graduated tapers in cathedral candelabra decked with a sunburst arrangement of yellow mums outlined with greenery, formed the background at the altar. Triple branched candelabra flanked the arch. Palm arrangements and tall baskets of yellow and bronze mums completed the decor. White satin bows decorated the flower arrangements and marked the aisle.

A prelude of organ music formed the musical background as candelights, Rhudy Naylor, son of the bride, and Jimmy Stewart, son of the bridegroom, lighted the tapers. Organist was Larry Tonroy, Lubbock.

Mr. and Mrs. Royce Dowell

of Lubbock, former Lockney residents, sang a duet arrangement of "Ah, Sweet Mystery of Life." Mr. Dowell sang "Because" and "The Lord's Prayer."

The bride wore a street-length gown of beige lace over taffeta fashioned with a fitted bodice and full circular skirt. The bodice featured a scoop neckline in front and back and three-quarter length push-up sleeves. She wore brown accessories and carried a cascade bouquet of yellow and bronze mums. She was escorted to the altar by Carrol Harschler.

Attending the bride as matron of honor was her sister, Mrs. Ann Berryman of Archer City. She was dressed in a gown of avocado green lace over taffeta designed identical to that of the bride. Her corsage was yellow and bronze mums. Jack Gibbs, Lubbock, served as best man.

Ushers were A. E. Graves and Carrol Harschler.

Reception

A reception followed immediately after the ceremony in the church parlor. Mrs. Ann Berryman served the three-tiered wedding cake after the bride and groom cut the first piece. Mrs. Royce Dowell poured.

South Plains

The brief lightning and thunder filled cloud Monday evening left a few drops of rain in our vicinity, and in the north of South Plains Bryan Karr reported about a quarter inch on the farm. Fields are white with harvest and cotton gins and the grain elevators are running full time. Most of the grain is at the cutting stage, and the farmers are not watching the skies for rain at this time, but hoping for fair weather to harvest their crops. Mr. and Mrs. E. W. Newton entertained with a singing in their home on Friday night. After the evenings special and group singing Mrs. Newton served refreshments of several kinds of cake, hot coffee and fruit drinks. Present were Mrs. Newton's aunt, Mrs. Louella Roland, from Twenty Nine Palms, California; Mr. and Mrs. Hollis Roland, Floydada; Mr. and Mrs. G. A. McAda and Gordon Derrell of Lockney; J. L. Lovvren, of Lone Star; Mr. and Mrs. Johnny Wilson, Mr. and Mrs. Andrew Sanders and Eulalia, and the hosts. Mr. and Mrs. Jack Welsh of Bonham were visitors over the week end in the home of his sister, Mr. and Mrs. Paul Snodgrass. Mrs. Welch was a visitor at church on Sunday morning with Mrs. Snodgrass. P-TA meeting will be held at 3 o'clock on October 5, with a book review given by Mrs. J. H. Barnard of Barwise Community. Please make plans to attend. Bill Webb of Wayland College is helping Rev. Wayland Boyd of Crosbyton in the revival going on now at the South Plains Baptist Church. Everyone is working hard for an attendance of 135 for the coming Sunday, so come and do your part to make this the best revival ever held here. Mr. and Mrs. R. G. Dunlap and Johnny and Mr. and Mrs. Murray Julian and Bruce went to Lubbock Monday to see the opening of the Panhandle South Plains Fair with 26 bands taking part in the Parade of Bands at ten o'clock. Monday was area school day at the Fair, and many from Floydada and Lockney were on hand to see the bands march. Mr. and Mrs. Skeet Thornton left last Monday for Hot Springs, Arkansas, the wonderful vacation land, and they plan to be gone about two weeks. Mr. and Mrs. George West have been up at Estes Park, Denver and other vacation spots of Colorado since last Tuesday. On Saturday in Denver they were guests at the wedding of the famed Don Cherry, the singer, and Sharon Kay Ritchie, who was Miss America last year. H. L. Marble accompanied by Frank McClure went down to Eagle Pass and over into Old Mexico last week to secure labor for the Marble cotton fields. Ronnie Upton who is stationed at Olympia, Washington, has completed his army training period, and will be out the first week in October. He plans to be home by car by October 11. His wife Betty, is here staying with her folks at present, Mr. and Mrs. Louis Blum, of Floydada. Mrs. Grigsby Milton and Mrs. R. G. Dunlap attended the Home Demonstration Council meeting at the Court house on Saturday at 2:30. A food meeting was held at the Home Demonstration kitchen Monday afternoon, and Mrs. Murray Julian as food demonstration for the South Plains Club attended the meeting. Mr. and Mrs. George West visited in Amarillo with Mr. and Mrs. E. T. Evans and children Sunday and Monday they attended the Tri State Fair. They left for Garden City, Kansas by way of Stratford and down by Lamar and visited his folks in Garden City before going on to Denver. Steele Deavenport is attending school at Boulder, Colorado, where he is staying with Mrs. Deavenport's mother, who was widowed last year. Mrs. I. H. Parks and boys, Eddie and J. Frank went to Amarillo Monday of last week and spent the day out at the Tri State Fair. Rev. Wayland Boyd, Bill Webb, Rev. and Mrs. Larry Faus, Vassie Beth and Bobby were dinner guests in the home of Mr. and Mrs. Grigsby Milton and girls Sunday noon, Sunday evening Mr. and Mrs.

Sim Reeves brought supper to the parsonage for the ministers. Monday afternoon they were all guests in the home of Mr. and Mrs. Bryan Karr and Monday night Mr. and Mrs. John Smitherman were hosts at supper and served food at the parsonage. Tuesday at noon the ministers were all guests in the home of Mr. and Mrs. Sylvain Kinnibrugh and girls. South Plains Boys 4-H met September 16 at the school house with Lynn Pittard meeting with them, and helping make plans for the stock show coming up next April. Officers for the coming year were elected as follows: president, Eddie Parks; vice president, Bruce Julian; secretary-treasurer, Bud Higginbotham, and reporter was Nathan Mulder. Mrs. Frank McClure and Mrs. Murray Julian visited in the home of Mr. and Mrs. Bill Thomas and Mrs. W. S. Brister Friday afternoon. Bill's mother, Mrs. Thomas, is reported to be in a weaker condition this week. She has been very ill for four weeks. Bob Hartman, who attended summer school at Texas Tech,

Library News

Some new books in the library are: "What is Communism?" by Dr. Grayson Kirk. Here, in one of the most important and significant publications of many years, is a detailed, authentic record of communism in the United States and throughout the world. "What is Communism" contains some information never before made public and much more which has never appeared in book form, here or abroad. "Window in the Sea" by Ralph Nading Hill, is the absorbing story of sea life in a great outdoor-aquarium. It is the fascinating story of Marineland, the oceanarium near St. Augustine, Florida, which brought the sea and its inhabitants to land for all to observe and enjoy. With faces pressed to the windows in the sea, children and adults alike, have come to love Burt, the sea lion; Herman, the pilot whale who wanted to be a porpoise and who died of a broken heart when the porpoise rejected him. "Sea War" by Felix Riesen-berg Jr. is the story of the U. S. Merchant Marine in World War II. Mr. Riesen-berg has based his book on hundreds of eye witness accounts that could come only from a man who was not only there but has a lifetime of seafaring behind him.

Longhorns Take Tulia 20-0

Statistics	Lk.	Tulia

Yards rushing	248	92
Yards lost	7	23
Passes attempted	8	13
Passes completed	3	3
Yards passing	36	36
Intercepted by	3	2
Yards penalties	20	21
Fumbles lost	3	0

The Lockney Longhorns routed a defensively tough Tulia Hornet team 20-0 on Mitchell-Zimmerman Field here last Friday night. The Hornets had been well briefed on the Longhorn offense and the Longhorns had trouble making ground in the first half especially.

Fumbles also hurt the local team again. They lost the ball three times by the fumble route while Tulia never fumbled. The Longhorns had one touchdown nullified by a 15-yard penalty in addition to their three good ones.

Halfbacks Jerry Williams and Cliff Hardy, Quarterback Gene Handley and Fullback Billy Carl Race all contributed to the yards gained column. Williams took a pitch-out from Quarterback Gene Handley and ran 56 yards for one of the touchdowns while Hardy set up another with a 54 yard run. Race made the first touchdown from the four yard line. Williams made the second with his 56 yard run and Hardy made the third from 9 1/2 yards out.

The Hornets went to the Lockney 31 and 33 yard lines in the first half and, by way of passes, went to the Lockney 17 in the fourth quarter but always the Longhorns held them for downs or intercepted passes.

The Hornets won the toss and elected to receive. They returned Johnny Hanst's kick

to their own 32, couldn't go and kicked to Cliff Hardy, who handed the ball off to Gene Handley. Handley came back to the Tulia 33 and almost broke away for the score. The Longhorns made only 9 in four plays and Tulia took the ball on their own 24. They made one first down on their own 34, couldn't go further and kicked to Lockney's 38. A pass interception gave Tulia the ball on the Lockney 39 but two plays later Cliff Hardy intercepted a Tulia pass and carried it back to the Lockney 49. A pass Handley to End Donald Farish was good for a first down on the Tulia 29. Jerry Williams took a pitch-out to the Tulia 16. Fullback Bill Race made 5, and then carried to the Tulia 16 for a first down. Race made 4 and then carried over for the touchdown. He also plunged over for the point to make the score 7-0.

The Hornets returned to their own 40 with the kick-off. Hardy came in fast from his halfback position to throw the ball carrier for a 6-yard loss on an attempted end sweep. The Hornets made 5 back but lost 9 on an attempted pass. A beautiful kick rolled to the Longhorn goal line and Hardy brought it back to the Lockney 16. The Longhorns couldn't go and kicked to Tulia's 49. The Hornets made a first down on the Lockney 39 and drove on to the 31 where they lost the ball on downs. Race fumbled with Tulia covering the ball on the Lockney 46. They couldn't gain and kicked to Handley who brought the ball back to the Lockney 37. The Longhorns tried two passes, both incomplete, and then a pass from Handley to Hardy was completed but Hardy fumbled and Tulia covered the ball on the Lockney 46. A pass from Lewis to Peugh was good for a first down on the Lockney 33, the Hornets lost 2, made 5, tried another pass and Line-

backer John Hanst stepped in to intercept the pass and return to the Lockney 32. The halftime whistle stopped further activity.

Tulia received and returned to their own 30 but couldn't gain and kicked to the Lockney 39. A pass Handley to Williams was good for 5 and then Williams took a pitch-out from Handley and ran 56 yards for the score. Excellent down field blocking by the Longhorn team enabled Williams to go over standing up. Hardy took a pitch-out for the extra point making the score 14-0.

An onside kick gave Tulia the ball on the Tulia 39. The ball changed hands twice with neither team making any significant gain until Handley took a punt, faked a hand-off to Hardy and returned it to the Tulia 43. Williams took a pitch-out to the Lockney 30. The Longhorns made 7 in three plays and Tulia was penalized 15 giving the Longhorns a first down on the Tulia 4 yard line. Race made 3 and then drove over for the score but the touchdown was nullified by a 15-yard penalty against the Longhorns. From the 16 yard line the Longhorns lost 2 when Handley fumbled momentarily, a pass was incomplete and then Hardy ran to the Tulia 4 but it wasn't enough and the Hornets took the ball on their own 4. The Hornets made 1, were penalized back to the one yard line, and Hardy returned the kick to the Tulia 38. The Longhorns made 4 but a Hornet intercepted the Longhorn pass and went out to his own 22. Williams returned the kick to the Lockney 43 but fumbled and Tulia covered the ball at that point.

The Hornets couldn't gain and kicked over the goal line with the Longhorns taking the ball on their own 20. Here the Longhorns started their drive for another score. They made 2, lost 1 and then Hardy went through the middle for a first down on the Tulia 25. He was in the clear but Chandler of

Tulia caught him from behind. The Longhorns made 3 and 2 and then Hardy went to the 13 for another first down. They made 3 1/2 and Hardy carried over for the touchdown. Race's try for point failed and the score was 20-0.

Another onside kick gave the ball to Tulia on the Lockney 49. The Hornets made a first down on the Lockney 40 a pass was good for a first on the Lockney 25, another pass was good for 8 yards but here the Hornets were stopped. Hanst and Workman came in to throw the ball carrier for a yard loss and another pass was intercepted by Hardy on the

Fred Conner Is New County Auditor

Fred Conner has been named auditor for Floyd County and will assume duties in the new office on Oct. 1. Conner, a long time resident of the county and a graduate of Floydada High School, was appointed to the post by District Judge Alton B. Chapman.

Establishing the new office was made possible by the county's passing the 15 million

two yard line. Hardy made 3 and that was the ball game.

dollar tax valuation. This figure was passed on the last tax rolls.

The auditor will have oversight of all records of county offices required by law to collect money or fees belonging to the county, and will be entrusted with enforcement of the law governing county finances.

Conner holds a degree in accounting from West Texas State College. He served with the armed forces, receiving a discharge in 1951. The son of Mr. and Mrs. Jim Conner of Cedar Hill, Conner is married and has two children.

FLOYD COUNTY RANKS HIGH IN NATION AGRICULTURALLY

Floyd County ranked among the first 100 counties in the United States in the year 1954 in the value of all farm products sold, cotton acreage, sorghum acreage and wheat acreage, according to information just released by the United States Department of Commerce, census division.

The county's rank ranged from 25th in the total acres of grain sorghums to 89th in the total wheat acreage. This does not mean that the county ranked this high in production but in total acres harvested, it was pointed out.

In the value of all farm products sold Floyd County ranked 81st in the nation with total sales of \$28,337,872 in the year 1954. As a comparison the county's 1949 sales stood at \$18,309,432.

Hale County ranked 29th in the nation with total sales of \$50,826,307 while Lubbock county ranked 29th with sales of \$18,862,502. Most of the leading counties in total sales were in the fruit bearing area of California.

Total value of all products sold from U. S. farms in 1954 was \$24,643,068,087. California had 21 of the first 100 counties while Illinois and Iowa had 13 each and Texas had 7.

In the amount of cotton acreage Floyd County ranked 29th with 107,370 acres harvested. The yield in 1954 was 92,335 bales which actually ranked 23rd in the nation. Lubbock County ranked first with 238,649 acres but ranked 7th in production with 203,299 bales. Floyd County ranked 18th in the state acreage-wise.

Floyd County ranked 89th in wheat acreage but was not among the first 100 counties in

Seniors Have Very Profitable Day

The Senior Class had a very profitable "Hobo Day" last Saturday. Most of the members spent the day working at odd jobs. The boys washed some 35 cars at Barnett Gulf Service here, while the girls were busy with chores for local housewives.

The class expressed its thanks to everyone who made the "hobo day" such a success.

yield. The county had 135,496 acres of wheat harvested but the yield was only 1,278,033 bushels. However, in all of Texas only Deaf Smith county outranked us in total acreage. That county ranked 79th in the nation with 144,670 acres. Only two other Texas counties, Ochiltree and Randall, ranked among the first 100 in total wheat acreage.

Grain sorghums were grown in Texas in quantity, according to the survey. The first six counties in total acres of grain sorghum were in Texas. Floyd County ranked 25th with 123,333 acres. Hale County was first in the nation with 233,541 acres. Total yields were not given in the report. Among the top 100 counties in sorghum acreage, 44 were in Kansas and 42 in Texas.

Any Cropland May Be used For Conservation Reserve

College Station. — Any farm land regularly used in the production of crops including tame hay may be included in the Soil Bank's Conservation Reserve, advises R. G. Shrauner, chairman, State Agricultural Stabilization and Conservation Committee. Land not eligible under the program includes non-crop land, land that is designated for the Acreage Reserve and land owned by the Federal Government.

When an approved practice is carried out on land designated for the Conservation Reserve, the farmer will receive a payment varying by practices but which may represent up to 80 percent of the cost of establishing the practice. He will also receive an annual payment, including the first year, based on a rate for the county. The average of the county rates in Texas is \$10 an acre.

To qualify for payment, the farmer must reduce the 2-year average acreage for crops harvested on his farm by the number of acres he places in the Conservation Reserve.

Shrauner advises that the closing date for signing up in the Conservation Reserve program for 1956 is October 15. Information on practice specifications and contract forms which must be submitted before the closing date are available at county ASC offices.

Tech Exes Are Invited To Supper

A meeting and Spaghetti Supper for ex-students of Texas Tech College will be held in the Ballroom of the Hilton Hotel at Plainview Monday night, October 1, at 7:30 p. m. The charge will be \$1.75 per plate.

The program should prove very interesting to all Ex-Techans, with Coach Polk F. Robison being the speaker for the evening and a film will be shown of the Red Raiders in action. Also, plans for a more permanent organization of ex-students of Tech will be made at this meeting.

Invitations have been sent out to all known ex-Techans in Plainview and surrounding towns; however, if an ex-student should fail to receive his card, reservations for the evening may be made by writing Mary Jo Craig, Box 767, Plainview, Texas.

Come and join your old friends and make new ones at this informal get-together of Texas Tech College Exes.

The Paradox Of The Cross

John H. Bamister

THE CROSS OF CHRIST is the greatest of all paradoxes. It was the most tragic event in the history of the world, yet the most wonderful thing that ever happened. It was the saddest spectacle man ever beheld, yet out of it came the greatest joy. The cross was Satan's greatest victory and Christ's most humiliating defeat, yet it was the most stunning defeat Satan ever suffered and the most glorious victory Christ ever won. CHRIST WON BY LOSING. HE CONQUERED BY SURRENDERING.

The cross was the greatest exhibition of divine justice in condemning sin, yet the most wonderful demonstration of divine mercy in pardoning sin. It was God's greatest manifestation of hatred for sin, yet his supreme proof of love for the sinner. The cross was the means by which God's justice condemned sin, and his mercy forgave it.

The cross was the darkest hour in history, yet it was the time of greatest light. Though the sun refused to shine and God hid his face from Christ, the cross was the means by which Christ really became the "light of the world." In the cross we see Christ's love for man. There we see human vengeance as they cry for his blood, yet we see divine forgiveness as Jesus prays, "Father, forgive them for they know not what they do."

The cross portrays man's sinfulness and God's holiness; human weakness and divine strength. It demonstrates man's inability to save himself, and God's ability and power to do this for him. The cross, from the human standpoint, is foolishness, yet it is a revelation of the highest wisdom of God.

**Mental Health
Workshop At
Wayland College**

Plainview. — Plainview units of District XIV Congress of Parents and Teachers and Wayland College will be host to a Mental Health Workshop, Oct. 4, with Mrs. J. M. Harper, Lubbock, District 14 president, presiding and Jimmy Hooser, Plainview, serving as local coordinator.

Registration begins at 9:30 a. m. at Wayland's Administration Building in which all sessions will be held except the luncheon in Col. C. C. Slaughter Memorial Center. The Mental Health Workshop is open to the general public but will be of particular interest to members of PTA, Home Demonstration Clubs, federated study clubs, business and professional groups and adult education groups.

Dr. Willa Vaughan Tinsley, dean of the Division of Home Economics at Texas Technological College, will set the theme for the day when she discusses, "What It is and What It Isn't" at the 10 a. m. assembly. Dr. Cecil Cosper, chairman of Wayland's Division of Education, will give the invocation. President A. Hope Owen of Wayland and Supt. Charles Mathews of Plainview, bring welcomes. Ash Elementary Choral Club will be in charge of the flag ceremony.

Following Dr. Tinsley's address the Wayland College International A Cappella Choir will sing a group of songs under the direction of W. E. Steward, chairman of Wayland's Division of Fine Arts.

At 11 a. m. six work groups will consider the topic, "What We Think It Is." Leaders are: Mrs. O. P. Wilemon, Littlefield; Miss Grace Padley, Lubbock; Mrs. Cary Lodal, Crosbyton; Supt. Ralph Schillings, Littlefield; Dr. Bruce Browning, Lubbock; Miss Esther Sorrenson, Austin; Supt. W. L. Mann, Earth; Dr. Fer Stensland, Texas Technological; Mrs. W. D. DeGrassi, Amarillo.

Mrs. Tom Karrh, Plainview, will serve as chairman of the Vice Presidents' Panel which will include: Mrs. E. E. Simpson, Levelland; Mrs. Hubert Curry, Crosbyton; Mrs. P. R. Cates, Brownfield. Their subject is, "What We Are Taking Home."

Work groups in the afternoon will have the following topics for discussion: "Are You Conscious Free?"; "You or Me?"; "What Will Happen If Needs Are Not Met in the Community?"; "Let Children Go?"; "The Empty Nest?"; and "The Crowd-

NO CIRCUS would be complete without aerial performers, elephants and funny clowns. Pictured above are a few of the many attractions one will see when the Tex Carson Wild Animal Circus pitch their tents here for two

ed Years." Following the group meeting in the afternoon the participants will reassemble in Wayland College Chapel to hear reports from the discussion groups and an evaluation of the day's activities.

Mrs. Harper is working with the Plainview committee composed of Mr. Hooser, Mrs. Karrh, Mrs. J. O. Bass Jr., Mrs. Lewis Cummings and R. G. Robinson in formulating plans for this first Mental Health Workshop in Plainview. All Plainview PTA units are working with the local committee to make this a helpful workshop.

Mr. and Mrs. Freddy Merrell and Kathy of Lubbock visited their parents, Mr. and Mrs. Walter Merrell and Mr. and Mrs. Edgar Hays during last weekend. On Thursday they visited Mr. and Mrs. Alvie Darden and baby son in Amarillo.

Mr. and Mrs. Emmett Davis of Amarillo spent last weekend here visiting his mother, Mrs. Conde Davis.

Little Sheila Kay and Ricky Dale Ivy of Plainview spent last week with their grandparents, Mr. and Mrs. Johns Cox.

So you want to be
STRONG

Remember this: "Some folks just naturally wouldn't want a Farm Bureau as strong as all farmers working together could make it."

It is so easy to be "Against" things—A few loud voices can do farmers a lot of damage. Indeed, it is quite another thing for "Loud Voices" to be "for Something" and make it work.

Farmers, through Farm Bureau, have never made a policy of attacking any program without first advancing a better program. WHAT HAVE YOU DONE TO MAKE IT WORK? Do you exert your thinking in shaping policy making resolutions? Do you attend meetings?

Do you accept responsibilities of holding community and county office?

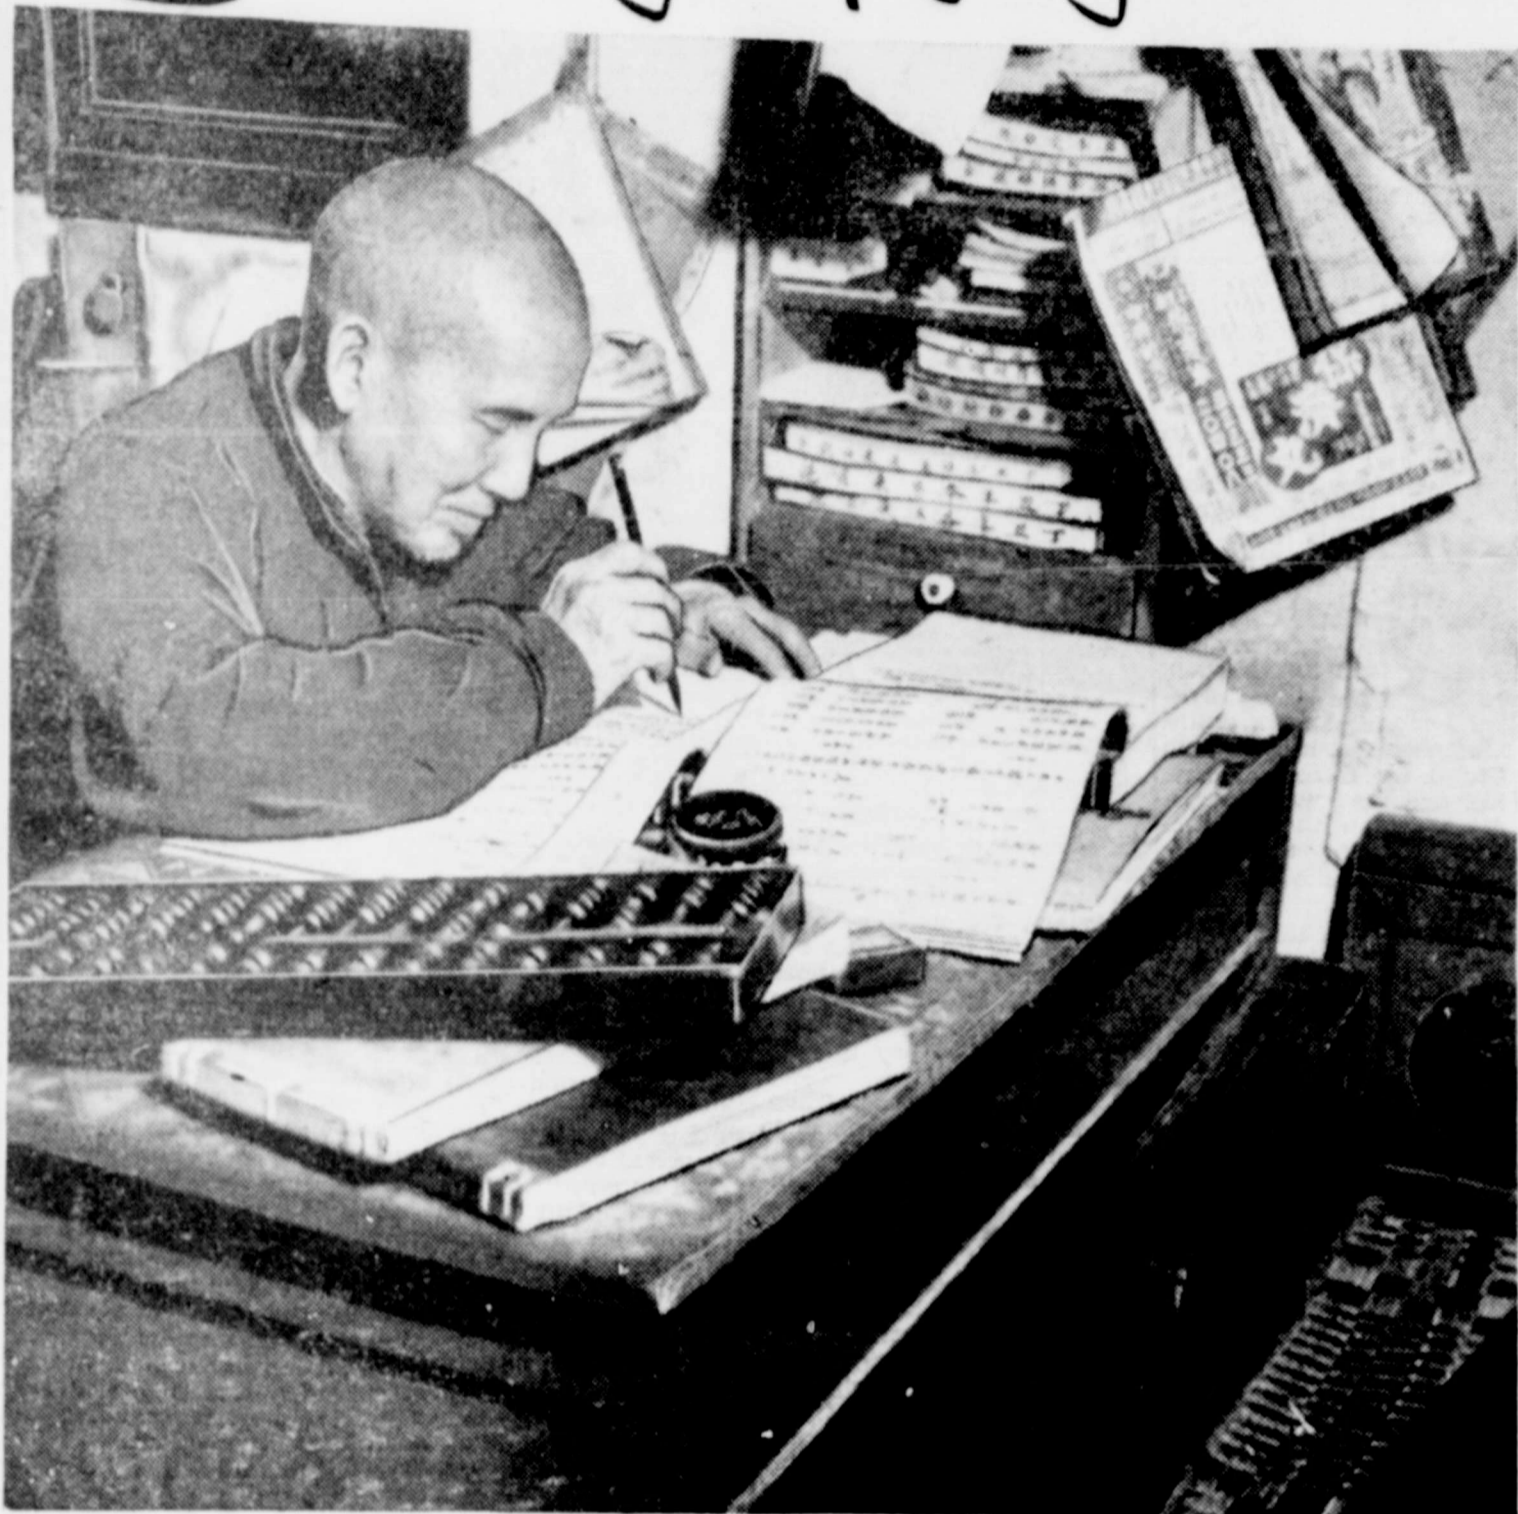

Do you accept committee assignments?

"Loud Voices" don't attack, criticize, and destroy that which they have helped to build.

**JOIN YOUR COUNTY
FARM BUREAU NOW!**

Somebody's Neighbor

某某人之鄰里

He probably doesn't look much like the man next door. He does his arithmetic with the aid of a centuries-old gadget called the abacus, and he writes the results in characters that would be quite undecipherable to you . . . yet you probably have far more in common with him than you'd ever dream.

Like you, he wants peace. Like you, he wants a good future for his children, and he wants them to have more than he has had. Like you, he has experienced happiness and sorrow, love and disillusionment. Like you, he prays.

On World Wide Communion Sunday, he will be going to Church and, though this may seem a bit odd to you, he will be praying for you. Yes . . . for you, and for everyone else in the world, friend or enemy.

Why not join him? Why not, on World Wide Communion Sunday, go to your own church and include him . . . him and everyone else . . . in your prayers.

Pray for peace, too. Remember, the power of prayer is a wonderful thing . . . especially when it is given many voices.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Farmers Home Administration Credit Services Expanded

Recent changes in the laws governing Farmers Home Administration will enable the agency to serve the credit needs of a larger number of farm families, Walter T. McKay, State Director, said today.

The expanded credit services are the best yet devised to help our farmers and ranchers through the worst drought in Texas history, McKay stated.

The new law provides broader authority to assist family-type farmers with loans to improve and operate their farms. It also authorizes, as a part of the Rural Development program, loans for operating and developing farms where the farmer has part-time employment off the farm. Included in the broader authority are loans for refinancing existing debts and an increase in the maximum amount that can be advanced for operating loans.

All county office staffs of the agency have been brought up to date on these changes at meetings held throughout the state, and will begin operating under the new authorities and policies on September 4.

Types of loans which can now be made include:

1. Operating loans to full-time farmers. Initial operating loans may be made in amounts up to \$10,000 to one borrower, with subsequent loans authorized as needed so long as the total amount of indebtedness does not exceed \$20,000. Operating loans are used for the purchase of equipment and livestock, and for fertilizer, seed and other farm and home operating expenses needed to carry out efficient farming operations on family-type farms. Interest is at the rate of 5 percent, and these loans are repayable over periods up to 7 years. The new law increased from \$7,000 to \$10,000 the amount of initial loan; from \$10,000 to \$20,000 the limitation on the indebtedness; and increased from 7 to 10 years the period during which additional credit can be extended in hardship cases when the inability of the borrower to repay his indebtedness within 7 years was due to causes beyond his control. Under the former law no new credit could be extended to borrowers who have been indebted continuously for 7 years.

2. Farm Ownership loans. These loans are made for the purchase, enlargement, or development of family-type farms, and to refinance existing debts for farmers who have adequate real estate security but who are unable to meet

present credit obligations and need credit on more favorable terms. Payments are scheduled according to the ability of the borrower to repay, up to 40 years. Insured loans are made from funds provided by private lenders. The loans bear 3½ percent interest, plus a one percent insurance charge. In the past, the agency has only financed existing real estate debts, and then only when the refinancing was incidental to the making of a real estate loan for purchase or improvement of family-type farms.

3. Farm Housing loans. These are made for the construction and repair of farm houses and other farm buildings, including farmstead water supplies. Interest is four percent on the outstanding principal, and repayments may be scheduled over periods up to 33 years, with the loan secured by a deed of trust on the borrower's farm. This loan program was reactivated in May of this year.

4. Soil and Water Conservation loans. Made to carry out measures for soil conservation, water development, conservation and use, and farm drainage. Individuals can borrow up to \$25,000 for these purposes. Interest and insurance charges are 4½ percent with payments scheduled according to the borrower's ability to pay, up to 20 years.

5. Loans to part-time farmers. These are designed to help farmers in areas designated for the Rural Development program, who are unable to obtain enough land resources to develop full-time farms. Loans may be made for operating and developing less than family-type farms, if the applicants are established bona-fide farmers who have historically resided on farms and depend on farm income for their livelihood, and who are conducting substantial farming operations and spending a major portion of their time farming. Such operators must have dependable sources of outside income. When such loans are made for operating expense, they bear interest at 5 percent and are payable over periods up to 7 years. Loans for real estate development bear interest of 4½ percent and are repayable over periods of up to 40 years.

6. Special Livestock loans. Initial loans of this type will be available until July 14, 1957, and loans to indebted borrowers can be made until July 14, 1959. Such loans are made to help establish producers of cattle, sheep and goats maintain their normal operations. Loans are made for replacement livestock and for purchase and production of feed and for other operating expense. Interest is 5 percent and loans are repayable in 1 to 3 years. They are not made to pay existing debts.

7. Emergency loans. These are made to enable farmers to continue normal operations but not to refinance existing indebtedness. They bear interest at the rate of three percent. Ordinary loans secured by liens on chattel property are due when the crop is harvested.

8. Great Plains loans. These loans are available only in the 57 West Texas designated counties under the Great Plains Special Credit Program. They are made in the same manner and for all purposes authorized for the making of Operating loans, except that under these loans the operator may be conducting farming operations on larger than a family-type farm. The 57 counties in the Great Plains Special Credit area are:

Andrews, Armstrong, Bailey Borden, Briscoe, Carson, Castro, Childress, Cochran, Collingsworth, Cottle, Crosby, Dallas, Dawson, Deaf Smith, Dickens, Denley, Fisher, Floyd, Gaines, Garza, Gray, Hale, Hall, Hansford, Hardeman, Hartley, Hemphill, Hockley, Howard, Hutchinson, Kent, King, Lamb, Lipscomb, Lubbock, Lynn, Martin, Mitchell, Moore, Motley, Nolan, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Runnes, Scurry, Sherman, Stonewall, Swisher, Taylor, Terry, Wheeler, and Yoakum.

Eligibility for all types of loan assistance available is determined by a three-man county Farmers Home Administration committee.

Farmers Home Administration credit supplements but does not replace other sources of credit. Loans are made only when the applicant is unable to obtain credit from private or cooperative sources of credit. While Farmers Home Administration requires a security than is usually required by other lenders, no loan is made unless it appears that the loan can be repaid.

Exams For Military Appointees Set

Senator Lyndon B. Johnson has announced that Civil Service examinations for Texas boys seeking appointment in 1957 to the Army, Navy and Air Force service schools will be held November 20 at 71 cities and towns throughout the state.

Senator Johnson used the results of these examinations as a guide in making his appointments to the military academies.

Entrance requirements vary, but all three academies require that appointees be United States citizens. In the case of applicants to be considered by Senator Johnson, they must be residents of Texas. They must be between the ages of 17 and 21 years upon entry, must be single and must pass a rigid medical examination and a physical aptitude test. Candidates for the Air Force Academy must be able to pass the medical examination for flying training and a pilot aptitude test.

Persons interested in taking the competitive examination on November 20 are advised to write Senator Lyndon B. Johnson, Senate Office Building, Washington, D. C., not later than October 15.

4 TH ANNIVERSARY "OPERATION SKYWATCH"

SUMMER, 1956

VOLUNTEER MEMBERS OF THE GROUND OBSERVER CORPS

TYPICAL OF THE THOUSANDS OF RESERVE MEN AND WOMEN WHO IDENTIFY THEMSELVES IN THE 19-STATE AREA OF THE CENTRAL AIR DEFENSE FORCE

Civilian Ground Observer Corps members play an important role in the Air Defense system of the United States by reporting aircraft movements to components of the Continental Air Defense Command. Volunteers from the entire nation will celebrate the fourth anniversary of "Operation Skywatch" this summer. Composite picture shows typical members of the GOC at work plotting and identifying aircraft at centers and posts in the nineteen-state area of the Joint Central Air Defense Force. The JCADF headquarters is located at Grandview Air Force Base, Missouri, and is staffed by members of the Army, Navy and Air Force. The observer pictured in the Texas insert (upper center) is former Vice-President of the United States, John Nance Garner, while monks shown in the Iowa cut (lower right center) are from the Trappist Monastery, New Melleray, Iowa. The girl shown in the Minnesota block (right center) is a civilian volunteer of the Minneapolis Filter Center, while Indians in the New Mexico picture (left center) are volunteers from tribes residing in that state.

Roughage Program Exceeds Estimate, Hold Up Approvals

The volume of approved applications for assistance under the Texas Emergency Roughage program has exceeded the estimate of demand made when this program was negotiated so it is necessary to reappraise the actual cash requirements.

The agreement between Secretary Ezra Taft Benson and Governor Allan Shivers provides for an allocation of One Million Dollars of Federal funds for the roughage program.

Funds available to the U. S. Department of Agriculture to finance roughage programs must be allocated among all disaster designed states where such a program is needed.

Walter T. McKay, Texas State Director of Farmers Home Administration, has been instructed by K. L. Scott, Director of Credit Service, U. S. Department of Agriculture, to im-

mediately instruct all FHA County Offices in the designated areas to withhold further approvals of roughage purchase certificates. The County Offices are authorized to continue to accept and hold on file applications for assistance under this roughage program, but are instructed to take no action on the applications and to make daily reports on the tonnage requirements covered by such applications to Mr. McKay's office.

Mr. McKay has been asked to solicit the assistance of the Texas USDA Drought Committee and the Office of the Governor in making a careful reappraisal of the demand for assistance under this Emergency Roughage program including financial requirements.

Mr. Scott stated that in keeping with the policies and the desires of Secretary Benson, The Department will continue to work closely with Governor Shivers and leaders in the State and give all assistance pos-

USDA Names 23 Wheat Varieties For Discount

College Station. — Discounts to discourage plantings of undesirable wheat varieties were included in the price-support program for the first time on the 1956 wheat crop. Today the USDA released a list of 23 varieties which are classed as undesirable because of inferior milling or baking qualities. They will be discounted 20 cents per bushel in price-support rates on the 1957 wheat crop.

According to extension agronomists, the hard red winter varieties are most commonly grown in Texas and those on the undesirable list include Stafford, Pawnee Sel. 33, Red Chief, Chiefkan, Early Black-hull, Red Jacket, Kanking, New Chief, Blue Jacket, Purkof, Cimarron and Red Hull. Others listed are soft red winter, hard red spring, durum and white wheat varieties.

These 23 varieties were designated as undesirable by the USDA within the authority and funds available to the department in providing assistance to drought stricken farmers and ranchers in Texas.

Agricultural Research Service after consultation with agricultural experiment station chemists, agronomists, plant pathologists and others on state and Federal staffs.

The extension agronomists point out that the discounts on these undesirable hard red winter varieties which are better yielders as well as producers of better milling and baking quality wheat.

The recommended varieties available for the High Plains States are Comanche, Conquest, Wichita and Triumfador. For the Rolling Plains and these same varieties are recommended along with Quanaah for the eastern counties. In the north-central area of the Quanaah is preferred while Comanche and Concho have done well. In the South central area, Quanaah is recommended because of its resistance to disease.

The discount was adopted to support operation to increase their production and the availability of U. S. wheat of superior quality finding its way into domestic and export markets. Representatives of the improvement associations have strongly urged the action.
