LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, NOVEMBER 15, 1956

NUMBER 32

Spur Plays At Floydada On Fri. Afternoon

The big muddle in the standings of District 2-AA will cause many Lockney fans to eye with interest the Spur Floydada game in Floydada Friday afternoon. Playing for a Floydada Homecoming crowd, the game is set for 2:30 p. m. and a number of Lockney fans will probably be on hand to see the game.

The Homecoming queen will be crowned just prior to the game and the Ex-Students Association will serve a barbecue to the Homecoming crowd late in the afternoon. Several hundred ex-students are expected to be present.

The District 2-AA representative in bi-district play will not be known until the final games are played Friday evening and maybe not then. The district lead is now in a 3-way tie between Lockney, Spur and Abernathy. All three teams play Friday and if all three win their games the lead will remain tied. The district representatives will probably then be determined by the flip of a coin.

However if the Longhorns should lose their game with Tahoka, which the Longhorns are not planning to do, and Spur and Abernathy win their games, then there would be a two-way tie between Spur and Abernathy and Abernathy would represent the district. If Lockney and Abernathy win their games and Spur loses to Floydada, then the two-way tie would be between Lockney and Abernathy and Lockney would represent the district since they won over Abernathy. This is what Longhorn fans are hoping for. However should Abernathy lose their game to Post, Lockney and Spur win, these two teams would be tied and Spur would represent the district.

Last Friday the Longhorns whipped the Floydada Whirlwinds 33-21 in an exciting game on the local field. The Abernathy Antelopes swatted Slaton 40 to 7 in a game at Slaton and Post smothered Tahoka 28 to 0 at Post. The games this week end the regular season for all District 2-AA teams and Slaton has already ended their season.

Here are the District 2-AA standings:

Team	W	L	Pts.	Ops.
Lockney	4	1	103	65
Spur	4	1	140	49
Abernathy	4	1	101	46
Post	3	2	100	47
Floydada	2	3	77	83
Tahoka	1	4	27	116
Slaton	0	6	53	195

Four Delegates To State Farm Bureau Meeting

Four delegates from Floyd County were attending the Texas Farm Bureau's 1956 convention at Houston this week. They are Mr. and Mrs. Robert Lee Smith of Sterley and Mr. and Mrs. Jack McIntosh of Floydada. Also attending from this county is Mr. and Mrs. W. R. Puckett and C. E. Wright of Floydada. Puckett is the county service officer and Mrs. Puckett is office manager.

The convention started Monday and was due to close on Wednesday afternoon. Resolutions to be presented to the National Farm Bureau Federation were being balloted upon Wednesday.

Miss Joann Vaughn of Tulla, District 2 entry, won the State Farm Bureau queen contest in Judging Monday evening. She will enter the national contest at Miami Beach, Fla., in December.

Six of the 13 Farm Bureau districts in Texas were to elect officers and directors Wednesday.

Officers in the organization will be chosen by the board of directors after the convention closes Wednesday afternoon. Present officers are J. Walter Hammond, Tye, president; C. H. DeVaney, Coahoma, vice-president; and J. H. West, Bishop, secretary-treasurer.

Directors whose terms are to expire are: H. L. King, Brownfield, District 2; Hoyt Gaston, Waxahachie, District 4; DeVaney, District 6; S. W. McClaren, Cameron, District 8; H. C. Brinkoeter, Beeville, District 10; West, District 12.

Directors are nominated in district caucuses, and must be approved by the entire voting delegate body.

DONALD SCOTT THORNTON

Services For Don Thornton Held Sunday

A pall of sorrow spread over this community Friday last week with the news that Donald Scott Thornton, 13-year-old son of Mr. and Mrs. Owen Thornton, had died in Baylor Hospital at Dallas. Don had been ill only about two weeks and hardly had the community learned of the serious nature of his illness when death came to him.

Funeral services were held at the Lockney Methodist Church Sunday afternoon at 3 o'clock conducted by Rev. H. B. Coggin, the pastor. Friends and acquaintances overflowed the church building and many stood on the outside waiting to pay their last respects to a friendly, likeable boy who was, from the human viewpoint, called out of this world all too soon.

Don became ill on Thursday night, Nov. 1, at the Junior High football game here with Crosbyton. He was a member of the Junior High team and had played in every game. He had difficulty breathing and was carried to the Lockney General Hospital for treatment. A complete examination later in the week revealed a tumor in his chest. His condition became worse each day and on Wednesday he was carried by ambulance to Baylor Hospital at Dallas for treatment by a specialist. A tracheotomy was performed Thursday in an effort to save his life but to no avail and death came at 7:55 a. m. Friday.

Don was a popular member of the 8th grade class in Lockney Junior High School. In addition to being a member of the Junior High Shorthorn football team, Don was a 4-H Club boy and was feeding some calves. He had been a member of the Boy Scouts, was a member of the Cardinal team of the Lockney Little League last summer, and was active in other school affairs. He was a member of the Lockney Methodist Church and faithfully attended Sunday School and worship services.

He was born at Clovis, N. M., October 24, 1943. Don started to school there in the James Bickley school. The family moved to South Plains, in northeastern Floyd County, in June of 1951. They lived there until October, 1954, when they moved in to Lockney to make their home.

Don had a hobby of putting together model cars and planes and was also a photo fan. He was a typical enthusiastic boy in all his hobbies and sports.

Survivors include his parents, one brother, Ronnie Thornton, two sisters, Patricia Ann and Mary Kathleen; his grandparents, Mr. and Mrs. Burton Thornton of Sterley and M. B. McManigal of Happy.

Interment was in the Lockney Cemetery with Carter Funeral Home of Lockney in charge of arrangements. Pallbearers were Kenneth Holt, Byron Brock, Jerry Wofford, Steven Handley, Larry Smithman, Eddie Parks, Jake Wofford and Ronnie Harris. Honorary pallbearers were members of the Junior High football team and several other friends.

Singing At Lone Star Sunday

The Lone Star Community Singers will meet Sunday, November 18th, at the Lone Star community center. It was announced this week by J. L. Lovvorn, president.

The singing will start at 2 p. m. and everyone is invited to attend. Mr. Lovvorn said.

C-C Committee Plan Christmas Prizes-Program

Lockney Chamber of Commerce committees are busy planning for a special Christmas program and prizes. It was announced this week by Claude Brown, chairman of the retail sales committee. A committee meeting Friday morning of last week launched plans for the Christmas season.

The big Christmas opening program and prizes is set for December 6th. Claude said, and merchants are urged to decorate their windows and stores and get their stock in shape during the week between Thanksgiving and December 6th.

A treasure hunt will be part of the December 6th program during which all stores participating will give prizes to holders of certain numbers. The numbers will be distributed during the afternoon without cost or obligation and those matching the numbers in the merchants windows will receive the prizes. Ted Oliver is in charge of this phase of the program.

Santa Claus will be present and will collect letters from his many admirers in this area on this special day.

Santa will come back just before Christmas and distribute bags of candy and fruit to the children of the area it was said.

S. H. Millwee Is Found Dead Fri.

S. H. Millwee, an attorney here for the past 24 years, was found dead sitting at his desk at his home late Friday afternoon. He had just sent a neighbor boy, Bobby Williams, on an errand to a grocery store and when the boy returned he found Mr. Millwee still sitting in the chair but slumped over with his head lying on the desk. He called for help but apparently Millwee had died instantly. A heart ailment apparently was the cause of death. He had been in ill health for 20 years and had recently complained of heart trouble.

Funeral services were held at the Lockney Methodist Church Monday afternoon at 4 o'clock conducted by the pastor, Rev. H. B. Coggin. Interment was in the Lockney cemetery with Carter Funeral Home in charge.

Mr. Millwee served as county attorney of Floyd County for two terms, from 1946 to 1950.

Mr. Millwee was born near Belton, Bell County, Texas, March 16, 1880. He was reared in that county but went to Stephenville as a young man to study law in the office of an uncle. He also attended John Tarleton College there. He was ready to take the bar examination before he was 18 years of age and was admitted to the bar as a practicing attorney as soon as he was 21. He had been practicing law since that time. He also had the honor of being Texas' first official court reporter.

He spent 10 years in Alaska and also practiced law at Midland several years before moving to Lockney in 1932.

He was married to Miss Nellie Patterson on August 7, 1920 at Amarillo and she is among survivors.

Survivors, in addition to his wife, are one brother, Cecil Millwee of Detroit, Mich., and one sister, Mrs. W. Vinyard of Farwell.

Attend State PTA Convention

Mrs. B. A. Simmons, Mrs. Joe Pinner and Mrs. Pete Mosley were the delegates from Lockney Parent-Teacher Association who attended the State PTA convention in Amarillo Wednesday, Nov. 14-16. Headquarters were in the Herring Hotel.

Mrs. Leon S. Price of Dallas, state president, presided. Featured speakers were Mrs. Ralph Hobbs of Cataula, Ga., national vice president and official national representative; Dr. Willis M. Tate of Dallas, president of Southern Methodist University; Dr. Robt. L. Southerland, Austin, director of The Hogg Foundation, University of Texas; Dr. J. W. Edgar, also of Austin, state commissioner of education.

Amendment Carries In Tuesday Vote

The amendment to the constitution providing funds for the helpless and crippled carried in voting in the state Tuesday. Floyd County voters also approved the amendment by a wide margin.

The Floyd County vote was 320 favoring, 51 against. The state vote approved to be favoring by a similar percentage of votes.

The vote by boxes in this area was:

	For.	Ag.
West Lockney	23	1
East Lockney	11	0
Lone Star	10	3
Providence	2	6
Sterley	7	1

Robert L. Smith Re-Elected Head Of County F. B.

Robert Lee Smith of Sterley was re-elected president of the Floyd County Farm Bureau at a dinner meeting attended by directors, committeemen and other Farm Bureau leaders at the Commercial Hotel in Floydada Thursday evening of last week.

Glenn White was elected vice president to replace Tate Jones, whose term expired; and L. B. Brandes was renamed to the secretary-treasurer post.

Newly chosen directors of the Bureau include David Battey Jr., who replaces Loyce Turner; John T. Carthel, replacing R. R. Kellison; and Doodle Milton, re-elected. Other directors are Smith, Lee Burton, Grady Walker and Jones.

Attending Thursday's dinner were Walton Wilson, Grigsby Milton, Lee Burton, Robert Kellison, Jerry Cooper, Tom Duval, Harold Bennett, Ewald Quebe, R. G. Dunlap, R. C. Mitchell, David Battey, Jr., S. J. McIntosh, Dorris Jones, Glenn White, Chester Carthel, L. B. Brandes, A. O. Foster, Thomas Warren, J. K. West, D. E. Adams, W. R. Puckett, Sam Puckett and Smith.

North Floyd Has Ginned 34,000

Northwest Floyd County, including gins at Lockney, Lone Star, Sterley, Aiken and Providence, has ginned nearly 34,000 bales of cotton, a survey Wednesday afternoon showed. This is an increase of almost 10,000 bales in the past two weeks.

The survey showed 33,864 gales ginned to Wednesday afternoon compared to 24,527 exactly two weeks ago. Total ginings for the season expected by all the above gins combined totaled 44,500. In previous county-wide surveys the ginings of the above area totaled a little less than half of the county total. If the ginners estimate is true the above totals still indicate a total crop for the county of almost 90,000 bales. This estimated total has been the figure reached on the last three county-wide surveys of cotton ginned.

The four gins in Lockney have ginned a total of 13,154 bales, an increase of approximately 4,000 bales over the report of two weeks ago.

Farmers are starting to strip the cotton and some of it is dry enough while other fields are still too green, ginners say. Some farmers are finishing the harvest with hand labor and will do no stripping.

Within a week, if favorable weather prevails, gins will probably be covered up with cotton and within two weeks, under the same condition, the crop will be just about finished. Many Mexican harvest hands are leaving at this time and the number is expected to increase.

2% Discount On School Taxes Now

Mrs. Alice Ford, Lockney school district tax collector, points out that there is a 2% discount on school taxes if paid during the month of November. She urges tax payers to take advantage of this discount.

Mrs. Ford announced that the tax office would be closed the last two days of this month and Saturday, Dec. 1st. The schools will be dismissed Thursday and Friday for Thanksgiving and some local teachers will attend the State Teachers meeting at Houston.

LONGHORNS END SEASON AGAINST TAHOKA FRIDAY

Wiley D. Nance Dies Thursday

The Lone Star community and friends in this and other nearby communities were shocked Thursday to learn of the sudden death of Wiley D. Nance, a resident of Lone Star for almost 50 years.

Mr. Nance had eaten lunch with his family and had sat down in a chair in the living room to rest for a time. Mrs. Nance left the house about one o'clock coming to Lockney and his son, Tom, talked with him on the phone a few minutes later. About 1:30 p. m. Tom went to the house and found him dead. He was still sitting in the chair as though asleep. His death was attributed to a heart attack.

Mr. Nance had suffered with a heart ailment for several years but his condition was not considered serious and his death was very unexpected.

A crowd which overflowed the auditorium attended funeral services for Mr. Nance Monday at 2 o'clock at the First Baptist Church in Lockney. Elder W. H. Fox, a Primitive Baptist minister, preached the funeral sermon. He was assisted in the services by Rev. H. H. Sego, pastor of the Lone Star Baptist Church and Rev. G. C. Tiner of Dougherty, former pastor of that church.

Mr. Nance was born March 28, 1893, in Tappah County, Mississippi, the son of a pioneer Primitive Baptist preacher, C. T. Nance. The family moved to McLennan County, Texas, near McGregor in 1898 and came to Floyd County in 1908 settling on the very place which Mr. Nance owned at his death. He had made his home there since that time.

Mr. Nance was converted in early manhood and was of the Primitive Baptist faith. He had farmed all his life.

He was married on February 1, 1922 to Miss Lula Mercer. The couple drove to the home of the late J. A. Weathers, pioneer preacher of this area, and were married sitting in a buggy.

Mr. Nance was a friendly, congenial man and had friends without number in this area.

Two sons were stationed with the armed forces in France but were allowed to come home for the services. They are Pfc. Jim Nance and Pvt. Joe Nance. They arrived in Amarillo by commercial airline Sunday at 5 p. m.

Survivors include his wife, three daughters, Mrs. C. L. Henderson of Sterley, Mrs. J. T. Harp of Canyon and Miss Bobby Dean Nance of Denver, Colo.; five sons, Wiley D. (Bud) Nance Jr., Tom Nance and Mike Nance, all of Lone Star, and the two boys in service; three brothers, J. B. Nance, Lone Star, M. C. Nance, Plainview and A. D. Nance, Amarillo; two sisters, Mrs. Greenville Noland, Summerfield and Mrs. Mary Rowland, Dallas. Eight grandchildren also survive.

Interment was in the Lockney cemetery with Carter Funeral Home in charge of arrangements. Pallbearers were nephews of the deceased man, Hugh and J. D. Nance, Charlie, Mack, J. B. and Jim Noland, Wendell Rowland and Curtis Humphries.

Business Women Sponsor Style Show Saturday

Lockney Business and Professional Women's Club is sponsoring a style show and game party at the high school gymnasium Saturday, Nov. 17 at 2 p. m. Following the style show games of bridge and canasta will be played.

Tickets are on sale at Jack & June Shop, Lockney Variety and Rhodes Super Market at \$1.00 each. Styles are furnished by Jack and June Shop.

Mrs. Robert Lee Smith will be narrator for the show and the models will be Mmes. A. P. Barker Jr., Barry Barker, Richard Patterson, B. A. Simmons, Bryan Smith, Gene Belt and Misses Patty Adams, Nancy Holland, Betty Jackson, LaJuan Henderson and Judy Jackson.

Ships weigh less when traveling east than when traveling west.

The Lockney Longhorns will end the regular 1956 football season Friday night in a game with the Tahoka Bulldogs at Tahoka. It is an important game to the Longhorns since they must win it to maintain a tie with Spur and Abernathy for the District 2-AA leadership.

The Bulldogs have two outstanding tackles in Bobby Paris and Larry Simmons and their line is tough, according to scout reports. Also their quarterback, Karl Prohl, is a dangerous runner and must be watched constantly.

The Bulldogs use a T formation and sometimes drop over into a spread formation. They specialize in power plays and have never been beaten badly all season except by Spur who ran over them on the Spur field early in the season.

The Longhorns will still play without the services of Halfback Cliff Hardy. Cliff suffered a bad knee injury in the Spur game and re-injured the knee in practice this week. He will not be able to play Friday, Coach Rudy Haile said Wednesday. Running at halfback in his place will be Arlie Pinner and Dickie Barton. On defense his position will be Nelson Wofford.

"Although Tahoka has won only one district game this season, we know we can't take them lightly," Coach Haile said Wednesday. "We are trying to keep the boys from getting overconfident because they could very easily pull an upset and knock us completely out of contention for the district crown."

Lockney, Spur and Abernathy have each won four games and lost one in district play and all three play Friday. Should any one of the three teams lose they will no doubt be eliminated from district consideration since it is hardly likely that all three teams will lose. Spur plays at Floydada Friday afternoon and Abernathy plays at Post Friday night.

The Longhorns' game will start at 8 p. m. and a large crowd of local fans will no doubt make the long trip to Tahoka. The easiest route to Tahoka probably is to go to Lubbock and straight south to a through-the-country route can be taken going from Lockney south on Farm Highway No. 1310 to Sandhill, thence to Petersburg, thence six miles west of Petersburg, turn south crossing the Lubbock-Rails highway just east of Idalou, on south to Slaton, over to Wilson and then to Tahoka. It is perhaps a little nearer this way, the highway map showing the distance to be 82 miles through the country.

Longhorn Band Will Sell Booster Stickers Sat.

Culminating a weeks fundraising drive members of the Lockney Longhorn Band will have two booths on the streets in down-town Lockney Saturday and will canvas the residential section selling booster stickers.

The business houses have responded in a grand fashion this week when contacted by members of the Band Parents Club to boost the band in a page advertisement found in this issue of the Lockney Beacon. Profits from the page benefit the band in their effort to secure some much needed instruments and other equipment. Special appreciation is extended from the band members, Director Clyde Seaman, and the Band Parents Club for this splendid cooperation from business men in this area. Individual patrons will be given a n opportunity to give the band a boost by buying stickers Saturday, according to Mrs. Milton Ashton, president of the Band Parents Club.

Thursday night (tonight) the band will have charge of the concession stand for the B-squad game and they invite the public to attend and have supper at the game.

"To each and everyone who has offered encouragement to the band, we say thanks from the depth of our heart," Mrs. Ashton states.

Grace Marshall left Wednesday afternoon to enter Anderson Hospital in Houston for treatment.

MEMBER OF TEXAS PRESS ASSOCIATION

Minute Editorials

Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets.—Matt. 7:12

NUMEROUS editorials have appeared in various papers, daily and weekly, discussing President Eisenhower's big victory over Adlai Stevenson in the recent election. Although they have discussed the matter from many angles they all agree upon one thing — people vote for the man, not the party. No doubt but that most people are of the opinion that the Democratic Party is the party of the little man. The Senate and House races proved that. But most people, regardless of their own welfare, were not willing to turn the affairs of state over to a man whom they did not feel was capable of handling them. In other words the voters were willing to make some personal sacrifice for the good of the nation as a whole which, to our way of thinking is a commendable attitude.

MODERN COMMUNICATION systems enable all people who are interested to keep up with the personalities, the issues and the trends in political races. We do not believe that ever again will political bosses be able to dictate to party members and expect that those members will vote as they are told. It is an age of individualism and independent thought and action. True the parties will continue to operate as such but they must be more careful in the selection of candidates and of their conduct while in office.

SEEMS TO US now would be the time for the Democratic Party to start grooming a man or a couple of men for the presidential nomination in 1960. Mr. Ike won't be running then and the Democrats will have a good chance providing they can nominate a man that will win the confidence of the voters. Give them high places of responsibility in congressional affairs, keep them in the public eye, and by 1960 things may be different. It isn't too early to start thinking of 1960.

SOMETHING must be done about the City of Lockney tax structure. Not that the City is needing additional tax money. As far as we know the City is

in fine shape financially. Very few cities of this size could install a good size sewer extension and seal coat 100 blocks of city paving all in one year and pay for it out of the current funds as did the City this year. The fly in the ointment in the city tax structure is that our tax rate is high, \$1.50 per \$100 valuation, and our valuations are low. This sort of a set up discourages housing projects or industrial development. The industrialists look at that \$1.50 rate and how to high heaven never considering that valuations are low and actually tax payments are no higher or not as high as they are in other cities. The remedy is to lower the tax rate to \$1.00 or thereabouts and raise valuations to the place where tax payments are the same as they have been in the past. Then the city will be much more attractive to the outsider. It won't cost anyone any more money but the picture will be much prettier.

THE SENATE ELECTION that must come soon will be of considerable interest, not only to the people of the state but to the nation as well. Could be that a Republican will win the election and that would affect the set-up in the U. S. Senate and the control of that house. If the election is a sudden-death affair then the high man wins, regardless of a majority. If 10 men get in the race the high man wouldn't have to get very many votes. Whether a run-off can be arranged we don't know. We've never heard of such in a special election. Something ought to be done.

AMERICA'S greatest thanksgivings have fallen in her severest struggles. The Puritans, in their dire need and danger, were possessed of life's greatest source of joy — a thankful heart. Thankful people are usually those who possess little. The folk in the little cottage — the slender income so blithely spent on simple things — the lamp light in the evening, and the friendly warmth of a kitchen fire — these truly feel with thankful hearts the goodness and the worth of life. In the complexity of the present day many are orphaned from the stimulating source of gratitude. But in the harvest festival of Thanksgiving we may recapture something of its native spirit, and with it a sense of the reality and color and simple joy which belongs to everyone. — Stewart Rivers

TELEPHONE TALK

by J. C. Oakley, Manager

KING-SIZE TELEPHONES

Imagine your surprise if the telephone set in your home or office actually grew in size every time another telephone was added to the number you can reach with a local call! Naturally this doesn't happen, but I brought it up to point out how much your telephone service really has grown in value in recent years.

Today you can reach more people by telephone — your friends, neighbors, and the shops and stores around town — than you have ever been able to before. This means you can run more errands, do more things by telephone.

To me, that adds up to your telephone service being a bigger value today than ever before. And I think you'll agree that it will be an even bigger value tomorrow as we continue to put more and more telephones in service in Lockney.

Go Home by Telephone

Thanksgiving, a real "family holiday", is just around the corner. And I guess we'd all like to be home to share the turkey, trimmings, and just plain "get-together" talk.

For some of us, however, it's impossible to be there in person. But you can still be a part of the family's Thanksgiving Day with a Long Distance call home.

Why not plan now to make a call and be part of the family group? The cost is low, even lower if you call Station-to-Station. And remember to call by number — it's twice as fast.

See You Next Year

No, I'm not going on a two-month vacation, but this is the last time until early 1957 that I'll be chatting with you in TELEPHONE TALK.

This column has been running in the newspaper for about a year now. I've enjoyed talking with you this way, and I hope you've enjoyed reading about what we're doing in the telephone business. Watch for TELEPHONE TALK again next year. Meanwhile, here's hoping you enjoy that Thanksgiving turkey and have a happy Christmas season.

Call by number. It's twice as fast.

THE AMERICAN WAY!

With Our EXCHANGES

PEOPLE VOTE FOR MAN—NOT PARTY

The election has come and gone. Hundreds of different people have come forth with hundreds of different reasons for the re-election of Eisenhower and Nixon. If the result proves anything beyond dispute, however, it is the fact that the American people vote for the man, and not for the party.

There are other factors which enter into the picture of course, but the final analysis boils down to "who" and not "what." Eisenhower carried many Democratic states, chiefly because the people "Liked Ike." The fact that these same states elected Democratic governors, senators and representatives proves the point without question. The situation was true in reverse when Franklin D. Roosevelt carried Republican strongholds again and again. The people liked and wanted FDR,

and he was the man who actually started voters to voting for the individual candidate, rather than the party.

Old Line Republicans found the situation hard to swallow when Eisenhower was nominated over Taft in 1952. The Democratic party still failed to accept the situation when they re-nominated Stevenson in 1956. Whether the condition is good or bad makes little difference. It is here and we must live with it. Furthermore, the sooner the Democrats recognize the situation as it exists, the sooner they will win a national election.

To sum the condition in a nutshell would be two words, "Changing Times." The extension of voting franchise to women has made a lot of difference, along with TV, radio and other forms of improved communication. Texas, once an isolated country, is now seconds from New York or California by telephone, radio and TV. People naturally react to con-

ditions on a broader, more general scale and, as they showed Tuesday, they vote the same way.

Millions of dollars were poured forth in a stream of propaganda and argument by each of the two major parties. A few people may have been swayed. In the main, however, the outcome of the election was really determined in Chicago and San Francisco, when each of the two parties selected their nominee.

Experience has taught people that neither of the two parties can be a cure-all for the nation's ills and woes. The average man, more conversant with general conditions than ever before in history, is capable of weighing what the candidates and the parties have to offer. More and more, he will base his decision on the man, rather than the party, just as he did in 1956.

Whether the average voter does this by instinct or from logic, there is no question but that he is far ahead of the party leaders. The Democrats proved it with FDR, the Republicans proved it with Ike. The day of party supremacy and dictatorship in certain areas is gone. The world is becoming too small these days, and the Civil War happened too many years ago. It is high time, in fact, that both our major parties recognize that we are living in the Atomic Age and that we have new generations which are the product of changing times.—Hereford Brand.

WOMEN'S APPAREL

Personally I am willing to leave the problem of women's apparel to the closets, conscientious designer, to astronomy, astrology and the Republicans. Admittedly it is no concern of mine, but I would like to bring to the commonwealth's attention this salient observation: If the average man worried with a tight girdle every morning he would become petulant, irritable, and perhaps hostile. Traildust in Matador Tribune.

BLANKETS NOW HOME LAUNDERED

Orlon blankets may be laundered by hand or machine, using lukewarm soap or detergent suds and rinses. It is also safe to let them tumble in a dryer for 15-20 minutes, making sure not to let them over-dry.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

November 18, 1926

At a regular Monday luncheon of the Chamber of Commerce, a city commission, Lee highway paving, and the oncoming poultry show were main topics of discussion.

S. D. Breeding of the Texas Board of Water Engineers was in Lockney Tuesday getting the readings of the rain gauge for Oct. 14, 15 and 16, at which time, according to Mr. Breeding, these rains caused one of the greatest floods in the history of Double Mountain Ford around Hamlin, Seymour and various other places in that area. Mr. Breeding states the Texas Board of Water Engineers was making a study of the drainage and why the recent rains at that date caused the large flood.

The first number of a series of Lyceum courses to be held at the Alken school was presented there last Friday evening by students of West Texas State Teachers College.

Price Scott, County School Superintendent, announces a call meeting upon the request of several trustees and patrons of the newly enlarged Lockney Independent School District. The purpose of this meeting is to decide upon a course to pursue in undoing the recent consolidation.

November 17, 1944

Mrs. S. F. Gilliland, 63, passed away at Baylor University Hospital after an illness of five weeks. Mr. and Mrs. Gilliland came to Floyd County in 1908 where they lived at South Plains and Lockney until 1938 when they moved to Amherst. Their home has been at Hereford the past two years. She is survived by her husband and nine children.

Pharmacist Mate Le Robert Willard McCollum, son of Mr. and Mrs. C. J. McCollum is expected home within the next few days. He has been in the

Southwest Pacific for the two years.

Pvt. Thomas B. Marr wounded during the third of the battle of the Philippines according to a letter written his parents, Mr. and Mrs. Marr of Lockney this morning. Apparently the wound was serious as Pvt. Marr wrote he was wounded mostly in the foot. He said he would probably be sent to a hospital in Australia or the Hawaiian Islands.

Pat Stevens Drennan, Mr. and Mrs. J. S. Drennan received a Bachelor Science degree from Texas University at the close of the semester, Oct. 27.

A total of 1548 bales of cotton had been ginned in Lockney up to Thursday noon total was far behind last year at the same time, short crop and late opening is blamed for the shortage.

The Lockney Dry Goods move from their present location on the west side of 5th Street to the Watson building first door south of Cleaners next week. Mr. Mrs. C. O. Jeffcoat found Lockney Dry Goods in its present location about a year ago and the need for more space is the reason for moving. Jeffcoat states:

Letters to the Beacon week include those from Eldon Hill, who has returned from 16 months in England and is now living a honeymoon in Florida with his bride, Benny Gene Long of Falls, Texas; Robert E. writes from somewhere in France; Elbert Dagley from where in France.

What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment you let your eyes wander over this fine car. In a '57 Ford you belong... anywhere. It's the long, lean lines. There's a greyhound grace to the new Ford. No useless "fat," no showy "padding." Ford is as trim as a jet fighter. It's the hardtop styling. Fairlane sedans have the hardtop look of Victrolas! Superthin center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more! Ford gives you a choice of two new, bigger sizes... longer, lower, roomier! It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history. In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

"Six or V-8, the going is great!"

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days... an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

*Included is a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 285 hp.

Wise man say:
 "Don't wait for TOMORROW when you can get it today!"

'57 FORD

See it... drive it... now!

Many Here For Thornton Services

A large number of out-of-town relatives and friends were here for funeral services for Donald Scott Thornton Sunday afternoon. These included: Mr. and Mrs. J. D. Taylor, Santa Fe, N. M.; Mrs. C. K. Bennett, Mr. and Mrs. Hester Lee Hicks and family, Mr. and Mrs. Roy Leslie, Mrs. Bill Miller, Mrs. Scott McGehee, Mr. and Mrs. Gil Morgan, Mr. and Mrs. Bob Newman, Mr. and Mrs. J. G. Daniel, Mr. and Mrs. Sy Koenig, all of Clovis; Mr. and Mrs. Harley Gunter, Claude; Mr. and Mrs. E. R. Bryant, Fountain, Colo.; Mr. and Mrs. Jack Whitfill, Mr. and Mrs. Ed Thornton, Dr. and Mrs. J. G. Pruitt and family, Mr. and Mrs. Maynard Fields, Adrain Fields, Rev. and Mrs. Tilden B. Armstrong and family, all of Floydada; Mr. and Mrs. Otis Fry, Ruby Carroll, Mr. and Mrs. Virgil Leavelle, Mr. and Mrs. Wayland Robinson, Mrs. J. G. Shearer, Mr. and Mrs. Dave Irby, all of Amarillo;

Mr. and Mrs. W. N. Thornton, Mr. and Mrs. Ernest Thornton, Mrs. Jimmy McGowan, Plainview; Mr. and Mrs. J. J. Moore, Mr. and Mrs. Eugene Littlefield, Lubbock; Mrs. May Stone, Mr. and Mrs. William F. Miller, Mrs. J. E. Gurley, Mr. and Mrs. Pat Maynard, Mr. and Mrs. O. H. Rahps, Mr. and Mrs. Hobart McManigal, M. B. McManigal, Marian McManigal, Mr. and Mrs. Ernest White, Mr. and Mrs. H. L. Rowell, Mrs. Alice White, Mr. and Mrs. Arthur Miller, all of Happy;

Mr. and Mrs. Otis Harmon, Mr. and Mrs. John Boatman, Tulla; W. N. Bobbitt, Oklahoma City; Faye Crawford, Dallas; Mr. and Mrs. E. C. Shuman, White Deer; Mr. and Mrs. Bill McCarter, Hurley, Maynard, Canyon; Mr. and Mrs. Ben Whitfill, Mr. and Mrs. Noel Deavenport, Silverton; Mrs. Clyde Dunn, Odessa; Mr. and Mrs. Heston Bennett, Decatur; Barney Manning, Wichita Falls; Barney Manning, Wichita Falls; Rev. and Mrs. E. J. Keith, Clay Henson and Tom Atkins, all of Farwell.

Harleen Workman and Eldora Boone, students at Denton, spent last weekend here with their respective parents, Mr. and Mrs. J. H. Workman and Mr. and Mrs. M. A. Boone.

Name Texas 4-H Trip Winners

Left to right: Laura Ellen Horn, Melissa Lindsey, Jo Stubblefield, J. Lassmann.

Texas 4-H members were named state winners of a trip to the 1956 National 4-H Club Congress in Chicago, Nov. 25-29. They were selected by the State Extension Service for having the best records in the 4-H Garden, Clothing, Electric, and Recreation national award programs.

Laura Ellen Horn, 16, of Lubbock, is now in her eighth year of club work. As state 4-H Clothing winner, she is the recipient of a blue and white dress, a black two-piece dress which won a blue ribbon.

In addition to making all of her own clothes and being an excellent leader, Laura Ellen also carried several other 4-H club projects.

She hopes to complete her wardrobe to start college with next year. Her mother, Mrs. Cyrus Horn, is 4-H Club leader.

Winning an award and having fun doing it is the experience of Melissa Lindsey, 16, of Haslet. A Club member for four years, she was chosen to represent the state in the 4-H Recreation program. U. S. Rubber Co. provides for her stay in Chicago.

Melissa has led games at local and county meetings, also at state roundups. As a junior leader she assists Mrs. William Watt, leader of the county-wide club.

Melissa studied and taught ballet, giving recitals and dancing at public affairs. Her activities are varied, and she lists 31 things 4-H has taught her. She is a good student and hopes to attend college.

With 94 per cent of all farms electrified, the 4-H Electric program is one of the most popular. All these programs are conducted under the direction of the Co-operative Extension Service.

Local Tech Student To Display Art

Mrs. Janie Robinson, the former Audrene Rhine, daughter of Mr. and Mrs. L. G. Rhine, Lockney, will have a project on display during the second annual Elementary School Art Conference at Texas Tech Saturday, November 17.

Teachers, administrators, parents and any others interested

in child art are invited to attend the conference, according to Bill Lockhart, associate professor of applied arts in charge of arrangements.

ARE MARRIED HERE

Miss Maria Capello and Jesus Guadalupe Gomez were married at the Paul Cooper farm Monday, November 12 by Justice of the Peace J. J. Harris.

GO TO CHURCH SUNDAY.

Many Attend The Nance Funeral

A large crowd of friends and relatives from out-of-the-county attended funeral services here Monday for Wiley D. Nance of the Lone Star Community. Among these were:

Mrs. J. A. Noland, Mr. and Mrs. Charles Noland and Betty, Mr. and Mrs. L. B. Lookingbill, all of Summerfield; Mr. and Mrs. Mack Noland and family, Mr. and Mrs. J. B. Noland and family, Mr. and Mrs. Joe Storey and Nancy, Mrs. Archie Scott and family, J. W. Cox, Mrs. Ed Davis, all of Hereford; Jim Noland, Mr. and Mrs. A. D. Nance, Mrs. Okla Robbins, Mrs. Mary Manley, Mr. and Mrs. Tom Scarborough and family, Mrs. John McCain and family, Earl Mercer, Mr. and Mrs. C. B. Adams, all of Amarillo;

Mrs. Mary Rowland and Wendell Rowland of Dallas; Mr. and Mrs. Chifton Canfield and family, Alamogordo, N. M.; Curtis Humphreys, Hamilton, Texas; Mrs. Leola Jones and Marilyn, Oglesby, Texas; Mr. and Mrs. Hugh Nance, Silverton;

Working with her leader-mother, Mrs. Joe Stubblefield, Jo Beth is a junior 4-H leader. She has given demonstrations on clothing, food and electric.

Workinghouse Educational Foundation, which has supported the 4-H Electric program for 21 years provided her Congress trip.

It took more than a green thumb for Jeannette Lassmann of Victoria, to win state honors in the 4-H Garden program. She not only learned to make her garden grow, but also how to market the products.

A Club member for eight years, this industrious 16 year-old sets a fine example in all-around 4-H activities. She plans her own garden, treats the seeds, using a cover crop and fertilizer.

Jeannette started with nine rows each 103 feet long, and is now cultivating 22 rows including more than 15 kinds of vegetables. Her 24 exhibits won many awards.

She is past president and leader of the Patti Welder Club led by Mrs. Anton Kalich, Allis Chalmers, Tractor Group, provided her Congress trip.

Two Floydada Men Injured In Wreck

Two Floydada men were hospitalized Friday night after a car and a six-wheel truck collided about one-half mile north of Muncy on the Lockney-Floydada highway.

R. A. Fields, about 40, was taken to Pitts Hospital where his condition was considered fair. He was suffering from shock and bruises. His companion, Les Ewing, about 60, was taken to Peoples Hospital. It was thought that both legs and an arm were broken.

NEW ARRIVAL

Mr. and Mrs. Ernest Duncan of Kansas City are proud parents of a daughter, Cynthia Dann, weighing 6 lbs., 14 ozs., born October 20, 1956.

Mrs. Duncan will be remembered as Elva Dee Pope, daughter of Mr. and Mrs. Lee Pope, formerly of Lockney, now of Bynumville, Missouri.

It was reported that the two men — both employees of the Hickerson Butane Co. — were returning from the football game at Lockney Fields, who was driving, apparently attempted to pass another car but saw that he was about to meet the truck.

Both Fields and the truck driver cut for the roadside ditch and Fields' car ran under the truck. The driver of the truck, whose name was not available, was not hurt.

South Plains

By Mrs. Murray Julian

Polls are open at South Plains this Tuesday with voting on one of the amendments. Last Tuesday, Nov. 6, Ernest Smitherman, Mr. and Mrs. John Key West, Grigsby Milton, Arby Mulder, Kenneth Bean and John Smitherman worked at the polls all day.

Since the frost of last week cotton has opened and cotton strippers are beginning to appear in several fields. With such beautiful tomatoes as were in the Sterling Cummings patch, it was hard to see them spoiled by frost. Much frost was on the lettuce fields of Herman and Owen Thornton several mornings of last week.

Mr. and Mrs. Walter Wood visited her brother, Mr. and Mrs. W. A. Hazelwood in Sweetwater Saturday and Sunday.

Johnny Wilson returned last Friday night with two deer, from his first hunting trip. He went with his grandfather, Menard Field of Floydada, leaving here Monday morning and arriving at Rio Blanco county west of Rifle, Colorado, in time to get their deer, and were in the heavy snowfall all the way up and back. Coming from Leadville, they had to go down into Kansas on account of the blizzard, and there the snow plows had to break the road for them.

On another hunting trip, Mr. and Mrs. I. H. Parks, Eddie and Jay Frank returned Monday night from Springfield, Colorado, where they visited her brother, Mr. and Mrs. Shearer over the week end, leaving Friday after school. Sparky hunted pheasant while they were gone and bagged several birds.

On Tuesday morning at 9:30 Mrs. Grigsby Milton was hostess for a Stanley party in her home. Mrs. McGinnis from Plainview was in charge of the products. Mrs. Milton served refreshments to Mmes. Leighton Teeple, Arby Mulder, Calvin Poteet, Ivy Schoonvelt, Frank McClure and Merle McGinnis.

Mr. and Mrs. L. T. Wood had as house guests from Saturday night to Sunday night, Tommy McGown of Texas Tech. Mr. and Mrs. Wood and her mother, Mrs. S. C. Waller of Tucuman, N. M. spent Friday in Amarillo, and on Saturday they took Mrs. Waller to Vernon where she will visit a sister for several days.

Mrs. R. G. Dunlap spent Tuesday in Ball's visiting her cousin, Mr. and Mrs. Duran House. Mrs. Dunlap urges the recreation leaders from each Home Dem. Club in the county to attend the recreation school which will be held in the council room of the courthouse on Nov. 20, from 1-4 p. m.

We are happy to know the son of Mr. and Mrs. Rufus Young has been discharged from Camp Chaffee, Arkansas, and is home with his folks, after 18 months in the armed forces in Germany.

We extend cordial get well wishes to our friend, Mrs. Frank Brown, who has been confined to her home by illness and we hope she continues to show improvement daily.

Terry Julian and several friends from West Texas State at Canyon who were enroute to Hardin-Simmons University, Abilene, stopped by his home Friday morning to have breakfast with his folks. While in Abilene he saw many old friends and his cousin, Gordon Jloner who attends school there.

Smiths were in Houston attending the State Farm Bureau meeting.

Mr. and Mrs. Bill Beedy and Eugene. The County-wide tea and style show of the 14 home demonstration clubs of Floyd County was held at the Harmony Club House on Thursday, Nov. 8 at 2 p. m. Mrs. R. G. Dunlap from this club was general chair and much praise is due to her and her helpers for the nice event.

Two 4-H girls from here went to model clothes they had made, and grandchildren of Mrs. John Smitherman, Kelly and Bryan Smitherman were models for a shirt and dress. Several of our members were models with beautifully tailored clothes they had made this year. Present and most of them acting as models were Mmes. John Smitherman, Geo. Weast, Skeet Thornton, John Wilson, R. G. Dunlap, John K. West, J. D. Webb, Grigsby Milton, Frank McClure, Rex Smitherman and children, Andrew Sanders and Eulalia and Lanita Sue Wilson.

We offer sincere sympathy to Mrs. Dock Jones and her family in the death of W. D. Nance, her brother-in-law. W. D. Nance passed away suddenly Thursday afternoon in his home at Lone Star. He was well known here, having farmed in the vicinity for many years.

The death of Donald Scott Thornton, 13, of Lockney was a great shock to all the community, for he was ill such a short time and the huge crowd at the services Sunday at 3 p. m. in Lockney at the First Methodist Church told how beloved he was to all his friends.

The Thomptons lived here until the past two years, and since they farm here, the boys were here a great deal. Besides his grieving parents and children, Don Scott left bereaved grandparents, Mr. and Mrs. Burton Thornton and an uncle, Herman Thornton and family of here.

The farm sale of Mr. and Mrs. Gene Hopper on Tuesday, Nov. 13 will begin at 11 a. m. South Plains PTA members have donated pies and sandwiches to nated pies and sandwiches to the lunch hour with Mrs. Jones Kinslow and Mrs. Roy Bledsoe at the lunch counter with their helpers. Tractors, irrigation motors with much farm machinery will be on sale. The Hoppers have bought a farm near Barwise, and they will be leaving us soon as will Mr. and Mrs. Bill Hopper in South Plains who are going to Earth, also moving their house there. We sincerely regret losing these fine neighbors in our community.

Mr. and Mrs. John Kinnibrugh from Truscott were house guests from Tuesday afternoon to Wednesday night in the home of his brother, S. D. Kinnibrugh and family. Friday night guests in the Kinnibrugh home for games of canasta were Mr. and Mrs. Frank McClure.

Mr. and Mrs. Ed Thomas, Silvertown, spent Sunday afternoon in the home of Mr. and Mrs. George Weast having supper in their home. The Weasts have been keeping their grandchildren while the Robt. L.

Thanksgiving holidays for the school children are on November 29-30. An error was made on the date last week and it is very confusing to find the school children have the 29th, government offices and all mail service will have a holding on the 22nd, perhaps another date will be set where whole nation will celebrate same day.

TO LUBBOCK
Mr. and Mrs. W. L. Strickland and family moved this week to Lubbock. He still has his barber shop here but has moved his new home to Mr. and Mrs. Gene Hammit of Lockney. The Hammits were married Sunday in Lubbock. Mr. Strickland will work in a barber shop for a while and then move to their farm west of Lubbock. Mrs. Strickland plans to take a beauty course.

LEAVE FOR SANTA FE
Mr. and Mrs. Ray Canon plan to leave Thursday or Friday for Santa Fe, New Mexico to be with their daughter, Mrs. Sarah Keithly who is critically ill. They had previously spent much time there but had been here the past two weeks on business. They will be gone indefinitely. Mr. Canon will visit Bill Canon at Albuquerque part of the time while they are away.

6,000 Expected At WT Homecoming

Canyon. — West Texas State chefs will have more than 6,000 mouths to feed if every one expected for the annual Homecoming celebration shows up. The Homecoming barbecue crew, anyway, has ordered enough beef to satisfy that number, which would set a new record attendance for WT's big day.

Final preparations are underway here for Saturday, Nov. 17, when the college's ex-students are honored. More than 5,500 of them returned to visit last year, and the number has increased steadily each year.

Special homes this year will go to the Class of 1931, which will observe its 25th anniversary. On Friday, class members will have a get-together at the home of Dr. E. P. Jarrett, and will have a reunion meeting Saturday morning.

Highlights on Homecoming include registration at 8 a. m., the usual parade in downtown Canyon at 10:30, the famed WT barbecue at noon, a football game between the Buffaloes and Texas Western at 2 p. m., club teas, parties and smokers at 4:30, and the Homecoming dance at 8 p. m., concluding the day's activities.

Tickets for the barbecue will be sold at 50 cents each this year, marking the first time a charge has been made for the meal.

Western Week, when students and faculty wear cowboy garb preceding Homecoming, will start Thursday morning, and offenders for the rule of wear will be dunked in a horse tank placed in a strategic point on the campus.

Events slated before Homecoming Day are a western dance Wednesday, a three-night run of a play in the Branding Iron Theatre, the traditional Homecoming assembly, Thursday morning, and a bonfire and pep rally Friday night.

The play, which opens Wednesday at 8:15 p. m., is a comedy, "Mister Angel," and is directed by William A. Moore.

Visitors in the home of Mrs. Pearl Prickett last week included her daughter, Mrs. A. O. Casst, Berger and son, Charlie Prickett, Lubbock and Mrs. Thelma Moreland, Berger.

GO TO CHURCH SUNDAY.

RESOLUTION

WHEREAS, in the opinion of the Governing Body of the City of Lockney, State of Texas, a necessity exists requiring the grading, filling, and paving of the hereinafter described as specified; and

WHEREAS, in the opinion of the Governing Body of the said city, the property and real estate abutting and adjacent to the streets hereinafter mentioned and described will be especially benefited thereby, and the owners of the property abutting and adjacent there will be fully compensated for the cost of said improvement in the enhancement of the values of the real estate and property affected by said improvement, and the cost to said property owners in the opinion of the Governing Body of said city will be equitable and just in proportion to said increased value;

Therefore, BE IT RESOLVED by the Governing Body of the said city that the improvements shall consist of and include the areas known as McCoy Addition, T. M. McDonald Addition, and the Walling addition to the City of Lockney.

Be it further, RESOLVED by the Governing Body of the said city that it is the opinion of said body that the cost of grading, filling, and paving will be just to the property owners thereon and is warranted under a necessity which exists for said improvements, and that the cost of said improvements shall be paid as follows, to wit: The property owners thereon shall pay for the improvements on the basis of \$1.25 per running foot on property abutting on the streets of the above mentioned areas which are to be paved.

Be it further RESOLVED that the plan adopted by the Governing Body of said city to be used for defraying the cost of said improvement as applied to the property owners whose property abuts and adjoins said improved areas shall be according to the front-foot plan

and rule, provided that if the application of this rule, in the opinion of the Governing Body of said city, be unjust or unequal, or result in individual cases in assessment in excess of specific benefits received from such improvements, then the Governing Body of said city shall adopt such rule of apportionment as shall affect a substantial equality between said owners, considering the benefits received by and burdens imposed on said owners and their respective property.
J. E. COX, Mayor.
JUANITA THOMPSON, Secretary. Nov. 8, 1956. (SEAL) 32-3tc.

School Menu

Visitors in the W. H. Fields home Sunday were Mr. and Mrs. J. J. Belt and family, Mrs. Ila Fny Beckner and children, Mr. and Mrs. McClellan all of Lubbock.

Mr. and Mrs. Ronald Reece of Midland visited his parents, Mr. and Mrs. L. L. Reece Sunday.

Keeping up with the Joneses isn't nearly as dangerous as trying to pass them on a hill.

Floyd Prisoner Moved To Hospital

Austin. — A man sentenced early this year from Bailey and Hale Counties to two years' imprisonment for three cases of defrauding by check and forgery has been paroled to Hale County.

The Board of Pardons and Paroles said good behavior of the convict, Robert W. Simmons, has given him more than 15 months credit on the two-year sentence he began serving Feb. 22.

The Board also granted an indefinite emergency reprieve to Bobby Hummel, who was sentenced almost four years ago from Floyd, Ector, Hale, Garza, Webb, Zavala, Pecos and Montague Counties on eight cases of burglary, three cases of theft and one escape from jail.

Hummel who is serving a 19 year sentence, was released to the John Sealy Hospital at Galveston for treatment not available within the prison system.

Both clemency actions were taken by the Board with the approval of Gov. Allan Shivers. Simmons was convicted at Plainview on a charge that alleged he gave a worthless check to an automobile agency for a new automobile. The car was recovered within a few hours. He was a probation violator in Bailey County, district attorney Joe Cox said.

Hummel escaped from jail in another county. He was convicted along with several others who operated as a theft ring in a number of west Texas counties.

New 'Leash' on Life!

THE FATE OF 50,000 PETS, ranging from puppies to porcupines, rests each year in the hands of the Illinois Citizens Animal Welfare League, Chicago. At its privately-supported shelter, kindness to animals is practiced 24 hours a day, every day.

DOGS ARE MOST POPULAR "GUESTS." But after holidays, shelter takes in scores of chicks, ducklings, rabbits who outgrow accommodations.

GOAL OF LEAGUE is to find homes for deserted or unwanted pets. Abandonment is one of cruelest things that can happen to domesticated animals.

NEWEST AID TO HUMANE WORK is "Animal Ambulance" unit, on duty from 8:00 a.m. until midnight. Specially designed cots in International-Metro truck handle animals as large as goats and ponies. Vehicle picks up only animals in distress.

Local Students Enroll At HSU

Miss Jovonne Taylor, daughter of Mr. and Mrs. W. A. Taylor and Luther Lois Williams, son of Mr. and Mrs. Lois Williams, Rt. 2, Lockney are among the more than 1,575 students enrolled for the 1956-57 term at Hardin Simmons University at Abilene.

Jovonne is a sophomore and Luther is a freshman student. Jovonne is a member of three campus organizations, Y. W. A., Life Service Band and Chow Hands.

Hardin-Simmons will observe Thanksgiving from Nov. 21 through Nov. 25 and Christmas from Dec. 19 through January 2. HSU was established in 1891 by the Sweetwater Baptist Association.

Mr. and Mrs. E. R. Bryant left Thursday morning to return to their home in Fountain, Colo. after attending funeral services here for her father, R. C. Bennett and great-nephew, Don Thornton.

Visitors in the home of F. S. Shearer last week were Mr. and Mrs. Elton Shearer of Houston, Mr. and Mrs. Delbert Shearer and Mr. and Mrs. Ed Stewart of Amarillo.

Mr. and Mrs. L. S. Kenady, Mrs. Ann Pavalka, Mrs. Ben Dodson, all of Olton were here Tuesday to attend the funeral of Mrs. Bob Shelton.

And I Quote . . .

"I'm worried about that young son of mine — he spends his spare time reading books!"—TV network executive.

"There are people still living who can remember when it cost more to run a car than to park it!"—Galen Drake.

"A wife is the little woman who'd rather mend your ways than your sox!"—Ima Washout.

"Middle Age—the time of life when a man looks back and discovers that the mountain he's been climbing is only a molehill!"—Changing Times.

A man who is contented with what he has done will never become famous for what he will do.—Fred Estabrook.

Now there's a "silent wrapper" for chocolates sold to audiences in theatres and concert halls.

Pink Bollworm Is Destructive

The Pink Bollworm is the most destructive of all cotton pests once it gets established in a cotton-growing section. The best way to stop them from building up to damaging numbers is to prevent carryover to next year's crop.

The Pink Bollworm overwinters in the larval stage. Seed left on the farm, in bolls on the stalks, on the ground in and around buildings, trailers, etc., provide an opportunity for them to carryover and infest next year's crop.

The larvae that overwinter in the seed are known as long cycle larvae and emerge as moths in the early summer or when there is a break in the cycle. A combination of moisture and high temperatures will usually cause a break in the cycle. Most authorities agree that once the cycle is broken, the larvae will pupate and emerge as a moth. The emerging moth only lives about two weeks. Unless there is fruiting cotton, okra or other host plants for them to lay their eggs on, the moths die without causing damage. The key to economical control is to carry out cultural practices that will kill the hibernating larvae or cause the moths to emerge at least two weeks before cotton fruits.

Normally, the Pink Bollworm moths emerge in the early summer about the time cotton begins to square. They lay their first eggs on the small squares — the eggs hatch and the tiny worms or larvae enter the squares. The first noticeable sign of an infestation is rosetted blooms. These are blooms that the larvae has sealed the petals together so that they will be protected from their enemies. A high percentage of infested blooms in early fields indicate a big carryover. When a heavy infestation is found, an expensive poisoning program is necessary to prevent a dangerous buildup. A short planting period in a section, after the ground is warm enough for quick germination and rapid growth, helps to prevent a damaging festation. For this reason, Pink Bollworm Planting Regulations should be carefully followed and premiums for first bales discarded.

Irrigation that extends the growing season with the hope of making a late crop is a dangerous practice. Moths may migrate from dry areas to the succulent irrigated cotton in such large numbers that control with insecticides will be expensive and difficult. The late top crop may, also provide an infestation to carry over

winter and threaten the succeeding crop.

Early stalk destruction, using a stalk shredder, kills a large percentage of the potential carryover through shock and exposure. Plowing under cottonseed left in the field and a thorough cleanup of seed cotton around buildings, in trailers, etc. are other effective steps in their control. Infested cottonseed that remain dry in the spring release more moths after the plants start fruiting than seed that get wet. The application of irrigation water during the winter or early spring aids in control. In high rainfall areas, fall and spring rains combined with high temperature causes large numbers of moths to emerge before there is fruiting cotton. These moths die without doing harm.

In the northern and western parts of Texas fewer worms survive when bolls remain on standing stalks over winter. But, early harvest, shredding of stalks; tarping loads of cotton between the farm and gin; plowing under the crop residue; a thorough cleanup of all seed cotton left on the farm; winter irrigation in dry areas; and avoiding extra early planting remain the essential steps in a successful control program.

Lions Broom Sale Here Saturday

The Lockney Lions Club will hold their annual broom sale here Saturday of this week. The big truck will be parked in front of the First National Bank and members of the Lions Club will make a house-to-house canvass of the city.

The brooms are made by the blind and the purchase of brooms or other articles from the Lions Club helps both the blind and the Lions activity fund, it was pointed out.

Each member of the Lions Club is supposed to carry a whisk broom in his pocket the remainder of the week in order to advertise the sale.

ON VACATION TRIP

Mr. and Mrs. Arthur Barker Sr. left Saturday accompanied by his brother, Mr. and Mrs. L. P. Barker of Santa Monica, Calif., for a 30-day trip to Florida, the Caribbean area and the West Indies. They drove to Miami, Florida, and flew from there to Saint Thomas Island. Their trip is to include stops at San Juan, Porto Rico and Port Au Prince, Haiti. While here the California man visited his mother, Mrs. Kilmer Barker.

Mr. and Mrs. Robin Baker, Mrs. Lizzie Jones and Mrs. J. O. Oswald, all of Plainview were in Lockney Tuesday to attend the funeral of Mrs. Bob Shelton.

Funds Sought For High Plains Station

A planning meeting for securing investments in the 5 year capital and operating fund for the High Plains Station of the Texas Research Foundation has been called by Chairman Frank Moore for 8 p. m. Monday, Nov. 19th at the Plainview Production Credit Association Auditorium, 919 Broadway, Plainview.

The chairmen, captains and workers from fifteen communities in Hale County will gather to plan the details of the campaign to start in Hale County, Nov. 26th. All funds raised will be spent on the Station.

County and community chairmen from nearby counties will be guests.

"Granddad Steps Out," 3-Act Comedy Set For Nov. 22

A real treat is promised for those who see "Granddad Steps Out," a 3-act comedy to be presented by mothers of the Rainbow Girls on Thursday, November 22 at 8 p. m. in the high school auditorium, according to Mrs. F. M. Smith, Mother Advisor.

Between acts Marvin Christy will entertain with popular ballads. Mrs. Lillie Anderson has joined the cast, replacing Mrs. L. L. Rhodes.

Proceeds of the play will be used to defray expense of the Rainbow Girls to Grand Assembly next summer.

An average bale of cotton weighs 480 pounds.

the Sharp Trader

buys at better than wholesale

...because he buys where his bread is buttered

A REAL sharp trader doesn't need "connections" or "special discounts" or catalogs, or any other gimmick to get what he buys at BETTER than wholesale.

Maybe you think we're kidding?

Not at all. It's a fact. When you BUY in the community you LIVE in, you know that every cent you pay for goods and services above wholesale cost stays here at home with you. By staying here, it can

get around to buying MORE good things for you and your family.

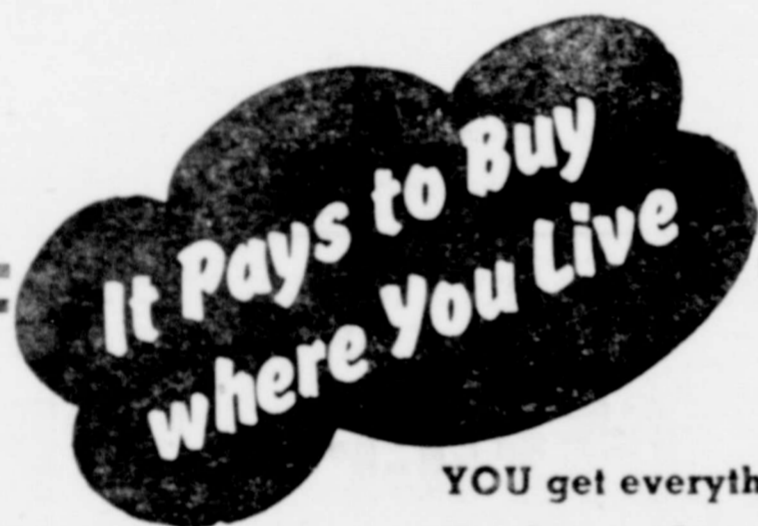

It's trading material . . . and TRADE ALONE builds communities with better opportunities, better schools, better churches, better neighbors.

Any ONE of these advantages could bring you returns beyond measure in a BETTER LIFE, as well as real CASH returns in the form of increased business,

improved property values, a better job, more people to help you carry the load of normal community expense.

All of this — which you don't get for your money when you buy somewhere else — makes the cost of the actual GOODS very low . . . when you buy them at home.

That's how the SHARP TRADERS get BETTER than wholesale values.

YOU get everything that your money pays for . . . merchandise AND a trade-invigorated community to live in . . . when you buy from your home town merchants . . .

School Press To Be Formed

Possibilities of a West Texas High School Press Assn. will be discussed Saturday, Nov. 17 at the annual Journalism Week when journalism teachers and students at 143 schools have been invited to participate in a one-day program, according to Wallace E. Greets, journalism department chairman.

The school has been asked to send a student group to 10, and so those attending will have better opportunities to participate in discussions, and to emphasize, however, that high school in Texas or other states is invited to participate.

The program will be built around discussions of a possible school press assn. aimed at the improvement of the journalistic activities in the state through talks with newsmen and educators about current techniques and future possibilities.

A Guy, Lubbock Journal editor, will be the principal address. The program features will include a noon luncheon and afternoon presentation of awards to winners in high school journalism contests sponsored by the assn.

Discussable discussions will be held on editorial sections of newspaper, and year-

books and on business sections of newspapers and yearbooks. Special sessions also will be held on photography, mimeographing, and student life at college.

CARD OF THANKS

Words are inadequate to express our thanks and appreciation for your many kindnesses in our bereavement. We deeply appreciate the helpfulness of Dr. Simmons, Dr. Mangold and the nurses at the Lockney General Hospital. Also that of Lowell Bilbrey and June Haggard who made the trip to Dallas. We thank you for your words of sympathy, the many beautiful flowers, the food you brought, and the many other acts of kindness. We appreciate very much the contributions to various causes made in Don's memory. May God's richest blessings be upon each of you and may you have such friends in your hour of sorrow.

Mr. and Mrs. Owen Thornton and family
M. B. McManigal
Mr. and Mrs. Burton Thornton.

SOUP OF THE MORNING

Instead of tomato juice for breakfast some morning soon try giving the family cups of hot tomato soup. Doubly nourishing if made with milk. Hope you have a top burner heat control on your range for with it all you do is set it and forget it until the "soup" is hot and ready to serve.

Gold Star Boy And Girl Are Named Saturday

Melda Jo Ramsey, daughter of Mr. and Mrs. Sherwood Ramsey of the Harmony Community, and Billy Don Colston of Dougherty, were named Gold Star girl and boy for Floyd County at a 4-H achievement day banquet held Saturday night in the Floydada High School cafeteria.

Melda Jo has participated in seven projects within the five years in 4-H Club work. She has completed 31 garments, 19 handmade articles, has prepared 102 meals and 243 dishes. Her work is the equivalent of 22 years, according to Mrs. Harriette Brummett, Floyd County Home Demonstration agent.

Melda Jo received blue ribbons in dress revues in '52, '53, '55 and '56. She won safety medals in '53 and '54, winning a trip to the state roundup in '54. This year she placed first in the county in a team electrical demonstration, a demonstration that rated second place in the district.

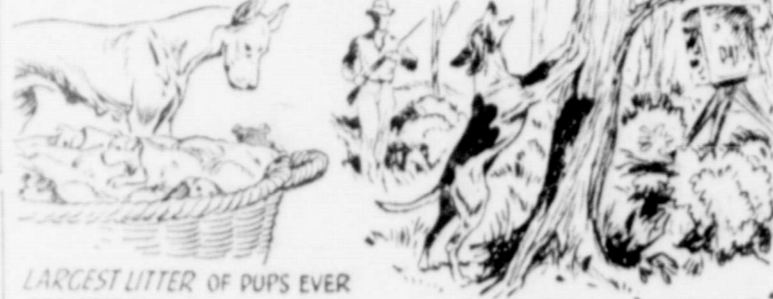

A 16-year-old sophomore in Petersburg High School, Melda Jo is a member of the high school band, a student of piano, and a member of the F.H.A. She is a member of the Harmony 4-H Club.

Band Royalty Begins Reign

In a colorful ceremony which took place at half-time during the Lockney-Floydada football game Friday Lockney Longhorn Band King and Queen were crowned. Kenneth Kendrick, son of Mr. and Mrs. Ray James, officiated as king and Miss Nelda Tims, daughter of Mr. and Mrs. W. G. Tims is the new queen. Court attendants were Misses Katie and Gayle Rucker.

Led by drum major Mary Kathryn Ford, majorettes, Loy O'Brien, Jean Wofford, Sunny Lawson and Pat Ashton and mascots, Jan Wofford and Steve Barker, the band marched on the field in three long lines playing "Bobby Sox Suite" and formed the royal lane. They played the "Grand March" from "Mightier Than Circumstance" by Frankiser as the king and queen rode through the royal lane in a 1957 white Chevrolet car driven by Roland Watson. Barry Barker seated at the loud speaker read the script for the royal presentation of Nelda from the house of Tims and Kenneth from the house of James. King Kenneth climaxed the crowning by presenting Queen Nelda with a bouquet of red roses and a kiss. In honor of the royal pair the band formed a crown and played the traditional "Sweetheart of Sigma Chi" and the majorettes did a fire twirling exhibition as the band played the "Fight Song." The band marched off the field in three long lines.

The crowning ceremony signaled the start of a fund raising drive to secure some much needed instruments and other equipment and improvements.

- Achievement — Warren Mitchell, Lockney; Canning — Max Johnson, Floydada; Clothing — Carolyn Williams, Floydada; Dairy Foods Demonstration — Nadine Cumble, Sue Gilbert, Jane Rhodes, Lockney; Dress Revue — Melda Jo Ramsey, Harmony; Electric — James Hale, Charles Carr, Sue Williams, Floydada; Entomology — Tommy Ogden, Norman Ferguson, Kenneth O'Neal, Floydada; Field Crops — Price Pritchett, Bill Daniel, Floydada; Food Preparation — Janice Miller, Floydada; Frozen Foods — Jo Ann Newton, Floydada; Garden — Billy Don Colston, Dougherty; Home Improvement — Frieda Smith, Dougherty; Meat animal — Dan Smith, Floydada; Warren Higginbotham, South Plains; Poultry — James Teague, Monroe Schultz, Patricia Tucker, Floydada; Public speaking — Anita Cooper, Rt. 2, Plainview; Recreation — David Mount, Floydada; Safety — Carolyn Harris, Lockney; Soil and Water Conservation — Bill Smith, Elmer Dean Williams.
- Hal Dean Hines, Randall Jones, Floydada; Dress Revue — Sue Wilson, South Plains, Diane Sharman, Floydada; Melda Jo Ramsey, Harmony; Donna Baughman, Rt. 2, Plainview; Tractor — Bob Ed Dempsey, Curtis Sanders, Maurice Ginn, Floydada.

Band students and members of the band parents club are operating in fund raising projects this week in the prospect of building a first class band by next fall. In addition to the band, Director Clyde Seaman, has organized an orchestra which is receiving great favor from school patrons creating a lively school spirit.

CARD OF THANKS

We deeply appreciate the many acts of kindness, words of sympathy, the beautiful flowers, the food and your thoughtfulness at the death of our loved one. It was a great comfort to have such friends as you with us during this hour of sorrow. May God bless each one of you.

Lockney Longhorns broke through last Friday when they defeated the Floydada Whirlwinds on the football field. The score was 33-21. The Longhorns never had a comfortable margin until the fourth quarter.

Longhorns held a big edge in the ground game. Whirlwinds' potent pass attack gave them some

uncomfortable moments. With Ronnie Downing on the throwing end and Back Robert Stovall and End Bill Patterson on the receiving end, the Winds completed eight out of 24 pass attempts for a total of 161 yards. Two of the passes were for touchdowns and another set up the touchdown. The Longhorns intercepted two of their aeriels.

All of the Longhorns backs made yardage against the Winds. Fullback Bill Race made two touchdowns on runs of 13 and 16 yards. Halfback Jerry Williams made one on a 54 yard run. Halfback Arlie Pinner made one on a run of 33 yards and Quarterback Gene Handley sneaked over from the one for another Longhorn score. In addition Handley passed to End Nelson Wofford for one point after touchdown. Pinner drove over for one point and Race drove over for a point.

The game was played before a capacity crowd on Mitchell Zimmerman Field. An estimated 2,000 fans saw the annual classic to determine the Floyd County championship. The Longhorns last won in 1951 when they sneaked by the Winds 6-0. The Longhorns had won five in a row when they lost to Floydada in 1952 by a 32-0 score.

The Longhorns scored in the first minute of the game when they covered a Floydada fumble on the Floydada 21 and drove over for the touchdown in three plays. They scored again in the second quarter on a 54 yard run by speedy Jerry Williams. But a pass from Downing to Bill Patterson put the Winds in business on the Longhorn one yard line late in the second quarter and the half-time score was 13-7.

In the third quarter Halfback Arlie Pinner broke loose for 33 yards and also bucked over the extra point but Downing passed to Stovall for 20 yards and Stovall rammed over the point to keep the Winds within striking distance. The third quarter ended 20-14.

Early in the fourth quarter Bill Race ran 16 yards for a touchdown for the Longhorns and also played over for the extra point. Later in the fourth quarter a 15 yard penalty against the Winds gave the Longhorns a first down on the Floydada 6 1/2 yard line and on rammed over for the score. But the Winds weren't through. With less than a minute to go they completed a long pass to the Lockney 16 yard line and another pass from Downing to Stovall was good for 11 yards and the score Stovall plunged for all three points after touchdown.

Here's the game:

The Winds received with Handley kicking the ball into the end zone. Floydada taking the ball on their own 20. On the first play from scrimmage a Floydada back fumbled and the Longhorns recovered on the 21. They made 2 and 6 and then Race went off his left tackle cut back and went over standing up. Handley passed to Wofford for the point and the score was 7-0.

The Longhorns pulled an on-side kick and covered the ball on the Floydada 44. They couldn't go and kicked to Floydada's 14. The Winds couldn't gain either and a partially blocked kick went only to the Floydada 35. The Longhorns made 7 and then Race went to the 22 for a first down. They made 6 but on fourth down a pitch out went wild and Floydada took the ball on their own 29. They still couldn't gain and kicked to Lockney 33. Pinner drove to the 45 for a first down. Williams made 9 but on the next play a fumble was recovered by the Winds on their own 42. They made 7 and then a first down on the Lockney 47.

A long pass was intercepted by Gene Handley and returned to the Lockney 25.

A pass to Fullback Bill Race made 8 but the Longhorns had to kick and the receiver brought the ball all the way to the Lockney 22. End Donald Farish finally pulled him down from behind. The Winds lost 3 on the first play, made 6, made 1 and made nothing on fourth down with the Longhorns taking the ball on their own 18. Williams went to the Lockney 34 for a first down. Race to the 43, the Longhorns made 1 and then Williams broke through the middle to run 54 yards for the score. Try for point failed and the score was 13-0.

The Winds returned the kick to their own 31, made 1 and a long pass from Downing to Stovall was good for a first down on the Lockney 35. They made 2, were penalized five, had two passes incomplete but completed the fourth down pass for a first down on the Lockney 16. They made 4 and 2 and then a first down on the Lockney 6. A pass was good for five yards and Downing drove over for the score from the one. Stovall plunged over for the point and the score was 13-7.

The Longhorns received and returned the kick to their own 32. Handley made 7 as the half-time whistle blew.

The Longhorns chose to receive starting the third quarter. They brought the ball back to their own 35, made 1 and then Williams went to the Floydada 36. They made 1 again and Williams again broke loose to the Floydada 15. A fumble at this point gave Floydada the ball on the 15. The Winds couldn't go and kicked to the Floydada 48. Race went to the Floydada 33 and then Pinner broke loose off right tackle for 33 yards and the score. Pinner also plunged for the point to make the score 20-7.

The Winds returned the kick to their own 31, a pitch out lost 6 when Handley came in fast to dump the ball carrier, and the Winds kicked but a fumble gave the Floydada boys the ball on the Lockney 43. The Winds made a first down on the 31, a pass was incomplete but a second was good for 9 1/2 yards and the Winds drove on for a first down on the Lockney 19. A pass was complete for a one yard loss and then Downing passed to Stovall for the touchdown. Stovall made the point and the score was 20-14.

A short kick gave the Longhorns the ball on their own 43. They couldn't go and kicked to Floydada 17. The Winds couldn't gain either and a short kick went only to the Floydada 28. The Longhorns drove to the Floydada 17, made 1 and then Race ran 16 yards for the score. He also drove over for the point to make the score 27-14.

The Winds returned the kick

to their own 38, made a first on the Lockney 48, a pass interference penalty gave them a first down on the Lockney 44, a pass Downing to Stovall was good to the Lockney 23, four successive passes were incomplete and the Longhorns took the ball. Williams ran to the Lockney 40, Race went to the Floydada 39, Floydada was penalized to the Floydada 22, the Longhorns made 7, received a 5 yard penalty lost back to the Floydada 35. Handley kicked out on the Floydada 20. John Hanst intercepted a Floydada pass on the Floydada 43 but the Longhorns were penalized 15 yards on the play. With first down and 25 yards to go the Longhorns made 6. Floydada was penalized 5, Handley made another 6 and Race went to the Floydada 30 for the first down. Williams made 8, Floydada was penalized to the 6 1/2 yard line for another first down. The Longhorns made 2 yards on each of three plays and on fourth down Handley drove over for the score. Try for point failed and the score was 33 to 14.

But the Winds weren't through yet. With less than a minute to play they returned the kick to their own 41. Downing completed a long pass to But-tons Beedy to the Lockney 15, they made 4 and then Downing passed to Stovall for the touchdown. Stovall plunged for the point to make the score 33-21.

A short kick gave the Longhorns the ball on the Floydada 49 yard line. Quarterback David Frizzell took a long count and drove for 3 yards as the game ended.

New Task-Force 57 Chevrolet Trucks!
They "flattened" Yukon mountains with the most modern truck V8's of all!
Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!
New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!
Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!
Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!
Proved on the Alcan Highway
Champs of every weight class!

Win Honors At McMurry

ORLAND GILBERT

Gilbert, Harris Win Honors At McMurry College

Abilene — Two Lockney students have received high honors at McMurry College. They are Orland Gilbert, son of Mr. and Mrs. Marvin Gilbert; and Joan Harris, daughter of Mr. and Mrs. Clark Harris.

Gilbert was one of 15 McMurry students elected by his fellow students to "Who's Who in American Colleges and Universities." Miss Harris has been nominated as one of the 15 most beautiful girls at McMurry in a campus-wide yearbook beauty contest.

Dr. Joe C. Humphrey, McMurry dean, said that nominations for the "Who's Who" honor were made by the McMurry faculty, from total membership of the senior and junior classes.

Thirty students receiving the most nominations from the faculty were placed on a ballot sheet, and the student body narrowed it down to the top 15. Qualifications by which the faculty made its nominations were character, leadership, scholarship and potential of future usefulness to society.

Gilbert, a 1953 graduate of Lockney High School, is an accounting major. He is president of the Student Body this year, was Junior Class favorite, representative to the Student Council, Press Club president, and IHR Wiseman in the past three years. He is now treasurer of the Texas Intercollegiate Student Association.

Gilbert had the added honor of being elected to the "Who's Who" select group for the second year in a row, having re-

JOAN HARRIS

ceived the same recognition last year as a junior.

Miss Harris, the beauty contest nominee, is a sophomore at McMurry, and is a 1953 graduate of Lockney High School. While at LHS, she was a class officer, class favorite, band officer, FHA officer, Who's Who in FHA, editor of yearbook, and FFA Sweetheart.

At McMurry, she has been an officer in the Gamma Sigma Social Club, and is a member of the Totem staff.

The eight top beauties at McMurry will be chosen from the 15 nominees in a "live" judging contest on November 20. The contest is sponsored by the 1957 Totem, college annual.

They will be judged on beauty of face and figure, smile, walk, graciousness, charm, poise and personality. The 15 girls in the run-off election will appear together and individually, in evening dress, before the panel of seven judges.

Students from McMurry, Abilene Christian College, Hardin-Simmons University, and Abilene business and professional men will make up the judging panel.

MARY JOHNSON THANKS FRIENDS

I am very grateful to all of you for the friendship box I received from the Rebekah Lodge and other friends. I appreciate your gifts and thoughtfulness very much and you may be sure that such kindness is very encouraging to me.

Mary Johnson

Local FFA Teams In Contests Sat.

Teams from the Lockney Future Farmer chapter will enter the district FFA leadership contests to be held at the Plainview High School Saturday of this week, November 17th.

Agriculture Instructor M. L. Brewer announced the following teams to enter the contests:

Junior Farm Skill — Jack Ford, Ricky Dollar, Jimmy Howell.

Senior Farm Skill — Larry Elam, Dwayne Poteet, Glen McCandless.

Senior Chapter Conducting — David Frizzell, Don Schacht, Layne Poteet, Ronnie Harris, Ronnie Thornton, Ricky Duval, L. T. Cooper.

Radio Broadcasting Team — Larry Hammit, Paul Schacht, Eddie Gloyna.

In the Sweetheart contest, Miss Loy O'Brien, daughter of Mr. and Mrs. Connie O'Brien, will represent the Lockney chapter and enter the contest for the district FFA sweetheart.

Fourteen schools of this area will have entries in the various contests and more than 200 boys are expected to attend and participate.

Mrs. Myers Is Burned Wednesday

Mrs. Olive Myers, supervisor of the school lunchrooms, was painfully burned about the face and hands early Wednesday morning when she went to light an oven in the high school cafeteria kitchen. Apparently the oven had been turned on for some time and gas had accumulated, resulting in the explosion.

Reports from the Medical-Surgical Hospital where Mrs. Myers is being treated say that she suffered first and second degree burns about the face, neck and both arms. She will be confined to the hospital for several days.

There was no damage to the equipment from the explosion, school officials said.

First Basketball Games Nov. 27

Coach Troy Lemley is working out the Lockney High girls basketball team at present. He says that the first games of the season will be played in the local gym on Tuesday evening, November 27th against the Silvertown teams.

HARLEEN WORKMAN

Harleen Workman Named To Who's Who At TSCW

Denton — Miss Harleen Workman of Lockney, senior chemistry major at Texas State College for Women, is one of 25 students selected for Who's Who in American Colleges and Universities. Dean of Admissions and Registrar Francis Emerson announced today.

TSCW students named to Who's Who, along with those chosen from other colleges all over the nation, will be listed in this year's publication of Who's Who in American Colleges and Universities. They will also be pictured in a special section of the Daedalian Annual.

Winners of the honor were selected by a faculty committee, which considered each candidate's campus activities, honors and all-around personality.

Miss Workman, daughter of Mr. and Mrs. J. H. Workman of Rt. F, is president of Kappa Epsilon Mu, honorary chemistry fraternity; treasurer, Philomathia literary social club, and a member of Round Table, an all-college organization. She is also a member of Iota Sigma Pi, Kappa Mu Spsilon, honorary math fraternity, and Daedalian Annual Staff. She was sophomore class treasurer, a dormitory representative to the Student Finance Council and a counselor to freshmen her sophomore year. She received the chemistry achievement award and was a member of the Journalism Club her freshman year.

Mrs. Robt. Williams Has Encephalitis

Mrs. Robert Williams of Plainview was hospitalized Tuesday of this week at Plainview Hospital and Clinic where she has been employed as receptionist. Mrs. Williams, who will be remembered here as the former Mary Joyce Griffith, became ill Saturday and tests which were made Tuesday revealed her illness to be encephalitis, according to a report from her mother, Mrs. L. J. Griffith here. Mrs. Williams is the daughter-in-law of Jesse Williams, also of Lockney. Her condition Wednesday appeared to be improved.

The Williams' children, Larry and Diane are here visiting their grandparents, Mr. and Mrs. L. J. Griffith.

"B" Squad Ends Season Tonight

The Lockney Longhorn "B" squad and the Junior High Shorthorn teams will end their season of play tonight (Thursday) against the Petersburg teams. The games will start at 6:30 and will be played on Mitchell Zimmerman field here.

The "B" squad played a 13-13 tie with the Hale Center "B" squad last Thursday night at Hale Center. The local team led until the final minute of the game when Hale Center pushed across a touchdown to tie the score.

The Shorthorns were walloped 45-0 by the Hale Center Shorthorn team.

The concession stand will be open at the game tonight.

Negro Woman Dies Wednesday Night

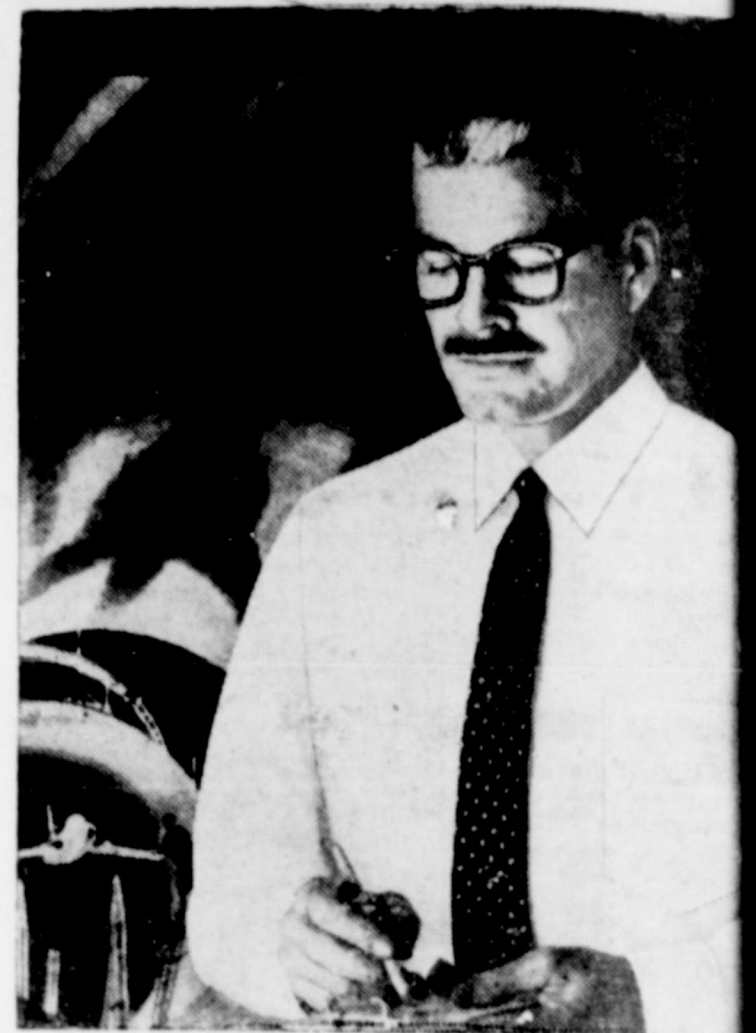

Mrs. Annie Brookins, 33, a colored woman, passed away in the Plainview Hospital Wednesday night of last week. She and her husband were employed at the Howard Smith farm gathering cotton and Wednesday afternoon she complained of a severe headache. She was carried to the hospital and passed away that night. Doctors said that she had suffered a cerebral hemorrhage.

Carter Funeral Home of Lockney shipped the body to Athens, Texas, Friday night and services were held there Sunday. She had been here only a short time.

Survivors include her husband and one sister.

GO TO CHURCH SUNDAY.
