And when thou makest a feast, call the poor, the maimed, the lame, the blind; and thou shalt be blessed. — Luke 14:13-14.

THE THANKSGIVING mix-up is just another worry that can be laid to poor thinking and poor planning on the part of the state government, particularly the legislature. Lockney schools and business houses have agreed to observe the last Thursday, November 29th, while the national holiday is November 22, the fourth Thursday. This means that the local post office will be closed Thursday of this week and the routes will not run while the remainder of the town is wide open. Then next week when the town is closed up, the post office will be open for business. It seems to us that it would be best for the state of Texas to either join the union or secede, one or the other. half-way business is just a pain to everyone concerned.
REGARDLESS of when it is observed, however, the people of this area have a great deal to be thankful for this year. Note that our crops are much better than last year, prices on most products are better, we had an excellent fall in which to gather our crops, and apparently harvest labor was plentiful for most. When we think of the terrible drought conditions that have plagued other areas of the state, we can see that we are indeed fortunate.

DISAPPOINTMENT spread over this community Saturday when word came that Spur had won the right to represent this district in the bi-district football game. It didn't seem quite fair to most of us but we know of no other way the matter could be decided. The Longhorns, with a 9 won, 1 lost record, had a much better all-season record than either one of the other teams. We believe they could have made a better showing in bi-district play than either of the other teams. To our way of thinking Spur was the weakest of the three but the matter is settled and there's no point in crying over spilled milk. We just hope that Spur is able to make a decent showing against the Canyon Eagles.

REGARDLESS of the outcome of the controversy over the resignation of Senator Price Daniel, it brings to the fore one condition that needs to be corrected. That is the practice of holding another while you support Mr. Daniel for this office because we considered him to be by far the best qualified man in the race, we did not appreciate his running for the office of governor while holding the office of U. S. Senator. It would have been much better to have followed the example of Will Wilson, who resigned his office before offering for Attorney General. While we hesitate to recommend another law on the statute books, it seems to us that it would be good to require a candidate to resign before offering for another office. The cost of special elections naturally must be borne by the tax payers. It is an unnecessary burden in most instances.

SOMETHING NEW under the sun is the present financial condition of the state. The Governor's office reports that the State will begin the new biennium with a \$50,000,000 surplus. It is possible, due to the surplus and also to the expected increase in oil production in Texas brought on by the Suez crisis, that a new tax bill may be avoided in the next legislature. A big part of the state's income is from taxes on oil. With an increase in production to offset that not coming from the middle east, an increase in tax income is expected to be substantial.

- FOUR NEEDS** of the State as listed by the retiring governor are:
1. Full-time paid parole supervisors.
 2. Authority to back-up responsibilities placed on the governor.
 3. Abolition of ear-marked special funds.
 4. A building for housing state archives.

POSTAL RATES
You can expect to see another battle in congress next year on postal rates. Plans indicate at least a jump to 4c on First Class mail and a similar jump on second and third.

If you wish to continue receiving your magazines and newspapers at the rates you now pay it will be to your interest to write your congressman about the second class rates.

The special second class rates given newspapers and magazines are for the benefit of the subscriber, not the mailer. Postage on newspapers and magazines must be paid by the subscriber. That is why most papers charge one subscription rate in the county and a higher rate for out of county subs. They are merely adding on the cost of the extra postage.

The third class rates should be increased inasmuch as it is "junk" mail and costs as much to handle as first class mail that the postal patrons do not want, order, or care for. One editor this week, reporting on the proposed second class rate increase said: "It costs six cents to mail a paper when it goes by itself in-

CROSS ROADS REPORT

Dear Editor:
I see where a Texas citizen found a batch of \$100 bills in the weeds out on his farm the other day, and picked up a few of them.

They turned out to be counterfeit but he didn't know this when he got tired and quit after stooping and lifting a couple hundred of the things.

My drone neighbor says he can't think of any job he would rather be tired of than picking up \$100 bills. But he is of the opinion that anybody who would ever get tired of this type of work is in urgent need of vitamins. — D. E. Scott

ordained minister, is quite disturbed about the current so-called "return to religion."

"A return to religion in itself does not mean anything," he says, "because it depends on what kind of religion. The cruellest things that men have done to men have been blessed by religion."

There is some truth in his statement, but that does not present any indictment of real religion. History records that many crimes have been committed in the name of religion, but the cruelties Mr. Thomas refers to were inflicted by men masquerading as religious leaders, but who really were sadists at heart. The acts they committed were entirely foreign to religion itself.

Mr. Thomas, who claims to believe in democracy as a way of life might well consider some of the incredible cruelties that today are being committed in the name of democracy — and by a nation which calls itself the Union of Soviet Socialist Republics! — Lubbock Avalanche

IF YOU OWN NYLON SHEETS
Nylon sheets can be washed safely by hand or by machine, using a short washing cycle. Rely on warm water and soap or detergent suds — and wash whites only with other white clothes. Nylon sheets can be tumble dried in just a few minutes at low temperature setting in your dryer. If pressing is desired, use a steam iron, or dry iron at rayon or nylon setting.

The annual banquet of the Lockney Chamber of Commerce and a jubilee celebrating the issuing of the Denver permit will be held at the Baker building in this city tonight. Many notable people have been invited and this affair promises to be one of the biggest ever staged here. Mmes. T. B. Hill and T. L. Griffith have been engaged to serve the food. Five hundred tickets have been printed. The railroad company and the Chamber of Commerce has worked hard and faithfully to secure the Denver road for the past 20 months. Now the building of the road is an assured fact.

Emmett Davis and Ben Davis who work at the Lockney Gin got their hands caught in the gin saws Saturday night. Emmett suffered only minor cuts, but the index finger on one of Ben's hands was cut off just below the first joint.

The Slaton Tigers defeated Lockney Longhorns 9-0 Friday afternoon at Slaton. The home of W. W. Allen, near Prairie Chapel school house, five miles north of Lockney was totally destroyed by fire about midnight Saturday.

M. D. Arterburn, Jr., son of Mr. and Mrs. M. D. Arterburn who live north of Lockney, got one of his legs broken last Saturday when he stuck his legs through one of the wheels of the wagon in which he was riding.

FORD TRUCKS COST LESS

...less to own...less to run...lasts longer, too!

You save in every way with Ford trucks. First cost is low, operating costs are low, resale value is high, and a 10-million truck study proves Ford trucks last longer!

And you get more for your money with a Ford. For example, only Ford gives you modern Short Stroke power in every truck, every engine — V-8 or Six. And no one else can

match Ford's five billion miles of Short Stroke engine experience. You get more comfort with a *Driverized* Cab, more safety with Ford's Life-guard steering wheel and double-grip door latch.

From pickups to BIG JOBS, for trucks that cost less, give you more for your money—see your local Ford Dealer!

The big fleets buy more Ford trucks than any other make.

collision with a truck driven by a colored man. The Probaco pickup was reported to have overturned six times, and the employee was badly injured. Services for James Wade Deavenport, 67, were held at the Main Street Church of Christ in Lockney Tuesday at 2:30. His daughter, Mrs. Her- man Thornton, and son, Nor- man Wade and their families live here, as does Lloyd Deav- enport and family. Our hearts are filled with sympathy for all the loved ones who have had to bear so much sorrow recently. Thursday Mr. and Mrs. Fred Fortenberry took her mother, Mrs. McCain to her home in Tulsa. Upon their return home they found Mrs. Fortenberry's sister here with her children, Bandy and Vetrassa to spend the day. Mr. and Mrs. Arby Mulder, Nathan and Katherine went to Albuquerque, N. M. Friday to visit his brother, Mr. and Mrs. Odell Mulder and Patricia. They saw the homecoming parade of the University of New Mexico who were victorious over Montana State Saturday in the football classic. Mrs. Murray Julian accompanied the Mulders and visited with her sisters, Mrs. C. W. Hulick and Mrs. B. C. Auman and families, enjoying a pre-Thanksgiving dinner Saturday evening. They all returned home Sunday night. Marisue Burleson was chosen FFA District Sweetheart at Plainview Saturday afternoon. She is a freshman at Floydada and a member of the Whirlwind band, also a cheerleader and a member of the basketball team. We are proud of the honor conferred on her. Mr. and Mrs. E. W. Newton were hosts at a party Thursday night honoring their daughter, Jo Ann on her 13th birthday. Guests came early and enjoy-

ed an outdoor supper. Games were enjoyed and the parents took the children on a hay-ride. All the girls remained to spend the night with Jo Ann. Present were the honoree, Jo Ann, Bary Kinslow, Frank Jones, Eulalia Sanders, Eddie Parks, Bruce Julian, Rachel Honeycutt, Price and Jimmie Pritchett, Sherlene Teeple, Sue Wilson, Kay Taylor, and Gary Wilson. Mrs. I. H. Parks took her husband to Amarillo Wednesday where he caught a plane for Dahonega, Georgia. He arrived there after an 8 hour ride. He was called there by the death of a brother-in-law. Mrs. Parks met him Monday in Amarillo. Friday night Albert Stewart was taken to the hospital at Lockney but he was well enough to come home Sunday. Truman Branchaw was taken ill Saturday and is in the hospital at Lockney also. We sincerely hope all the sick folks will be well enough to be up and home soon. Jim and Joe Nance who flew home from France for the funeral of their father last week were given a longer leave of absence and will have another week at home with their mother, Mrs. W. D. Nance. A Gifford-Hill truck had an accident near the old Raymond Upton place over the weekend, and the truck itself burned. The driver escaped without serious injury, although he was burned to some extent. The trailer of the truck was not destroyed. Mr. and Mrs. Grigsby Milton and girls spent Sunday in Am- arillo visiting his mother Mrs. Milton who has been ill. She was reported to be better at this time, and she was able to sit up part of the time. South Plains Baptist Church will sponsor a family night Wednesday, with a pie supper and entertainment scheduled. One night each month will be for a social hour, with the other nights for a prayer meet- ing, auxiliaries and WMU meeting. Mr. and Mrs. Sylvin Kinnib- rugh and girls spent the past week end at Vera and Truscott visiting her mother and his parents, Mrs. J. R. Spivey, and Mr. and Mrs. J. A. Kinnibrough. WMU met at the church Monday afternoon at 2:45 for Bible Study led by Mrs. Snod- grass. On the program were Mmes. Smitherman, Taylor, Reeves and Johnson. Mrs. McClure presided at the business meeting. Week of Prayer program will be given in the home of Mrs. McClure Monday, Dec. 3, beginning at 10 a. m. Each one bringing a covered dish to be served at noon. Mrs. Smitherman will present the mission book to the Junior G. A.'s Saturday at 2:30 p. m. at the church with refreshments served by the girls. MR. AND MRS. CLAUDIE GENE HAMMIT

Darla Betts Is Bride Of G. Hammit

In a semi-formal ceremony performed Sunday afternoon, November 11 at 4 o'clock in the First Baptist Church, Lockney, Miss Darla Betts, daughter of Mr. and Mrs. Horace Betts of Adrian, Texas, became the bride of Claudie Gene Hammit, son of Mr. and Mrs. C. W. Hammit, Lockney.

Rev. Henry Eason, pastor of the First Baptist Church, Adrian, read the vows as the couple stood before an arch of white chrysanthemums bedded in greenery flanked by seven-branched candelabra with blue tapers. Palm trees formed the background for the altar scene.

Mrs. Mack Hickerson, Floydada, played the organ prelude and accompanied Mrs. Troy Ray who sang "Indian Love Call", "At Dawning" and "The Lord's Prayer."

The bride, given in marriage by her father, was gowned in white lace over satin. The ballerina length skirt was rows of ruffles with an overskirt of tulle. A large satin bow formed a bustle effect at the back. She carried a bouquet of red roses nested in lace. For something old the bride wore her mother's engagement ring, new was an earring and necklace set, a gift from the bridegroom, borrowed was a handkerchief belonging to Mrs. Charles Hammit which she carried at her own wedding. Something blue was a garter.

Mrs. Doris Jewett of Adrian, cousin of the bride, was matron of honor. Bridesmaids were Misses Shirley Wofford, Christine Wilson and Roma Brewer, all of Wayland College, Plainview. They wore blue ballerina length gowns and carried nosegays of white carnations.

Vikkee Hammit, niece of the bridegroom, wore a gown fashioned identical to that of the

bride. She carried a tulle umbrella and scattered rose petals. She wore a band of rose buds in her hair.

Ring bearers were Lucius Hill of Amarillo and Jolene Betts of Adrian, sister of the bride, who was dressed in white lace over orchid satin. In her hair she wore a band of rose buds.

Charles Hammit, brother of the bridegroom, was best man. Ushers were Donald Allison, Tom Simpson and C. L. Turner. Larry Hammit and Horace Betts Jr. were candlelighters.

Mrs. Betts, mother of the bride, wore a blue dress with pink accessories and a corsage of white carnations. Mrs. Hammit, mother of the bridegroom, was dressed in a navy suit with white accessories and wore a corsage of white carnations.

Reception

At a reception held in fellowship hall of the church Miss Barbara Gilly registered the guests. The bride's table was accented with a wedding cake designed as the First Baptist Church, Lockney, where the wedding took place. Presiding at the table were Mrs. Gene Gilly and Mrs. Carl Gilly, aunts of the bride, and Mrs. Charles Hammit. Approximately 100 guests registered.

When the couple left for a wedding trip to Acapulco, Mexico, the bride was wearing a two-piece tweed dress, white accessories and a corsage of red roses. They returned November 18 and are now at home in West Lockney in the new house formerly owned by Leonard Strickland.

The bride attended school in Adrian and Wayland College, Plainview. The groom attended Floydada schools and has served two years in the U. S. Army. He is engaged in farming south of town.

Wesleyan Guild Meeting Held

The Wesleyan Service Guild met Thursday, Nov. 8, in the home of Mrs. Charles L. Record.

After a short business meeting with the president, Mrs. C. H. Rose presiding, a very informative talk was given by Mrs. Jane Blair on the work of the United Nations. She told that there is nothing too small or too large for the committees of the United Nations to consider and that even though we hear only of the work of that organization in war or peace measures, the good that is accomplished for the minority groups of the smaller countries is immeasurable.

The man who never makes a mistake often will be found taking orders from one who occasionally does.

Open Season Today Nite

Basketball season for the games of the College's Pioneers and Flying Queens will open in Plainview on Nov. 21. The tickets for the games will be purchased at the Business Office of the Sports Shop, 620 Broadway, Sections A, B and C, on the south side of the Plainview School Gymnasium. General admission for the games is 90c. Seats for the south end of the gymnasium are on sale at the business office. The Sports Shop is handling the tickets in Sections E and F and north end of the gymnasium. The teams are now in two weeks of preparation with the season double-header set for the Homecoming Nov.

24. That night the Pioneers clash with the Wayland exes and the Hutcherson Flying Queens start the campaign for their fourth consecutive National AAU Women's Basketball Championship by taking on the Comets of Clarendon Junior College.

Eleven home games for the Pioneers will be viewed by season ticket holders, and the possibility of a Flying Queen's contest on each of these nights builds hopes that local fans will receive twin-bill dividends at each outing. Following their first appearance against the Exes, the unpredictable 1957 Pioneers will meet Southeastern Oklahoma on the Plainview court, Nov. 26-27.

Mr. and Mrs. Harold Berry and children of Amarillo visited her mother, Mrs. Havah Hightower and sister, Mrs. Raymond Sheeley and son recently.

February has five Sundays about three times in every century.

GEORGE KOLTANOWSKI
Chess Champion

Chess Champion To Appear At Plainview Soon

Plainview — George Koltanowski, world blindfolded chess champion, will be here Tuesday, November 27, at 7:30 p. m. in the Hilton Hotel for one of his amazing chess lectures and demonstrations.

His appearance will be sponsored by the Plainview Chess Club, which will be host to the Panhandle Open Invitational Tournament next summer.

Admission to the lecture, spiced with humor and anecdotes of Koltanowski's appearance all over the world, will be fifty cents. In addition, for an extra \$1.50, area fans will have the privilege of actually playing the master in an exhibition of simultaneous play.

To close the program, "Kolt" will play two men simultaneous blindfolded games. These two men's names will be drawn from a hat containing the names of all those playing in the simultaneous exhibition.

All chess fans, young and old, experts or beginners, are promised a thoroughly enjoyable evening by Cecil Cape, president of the Plainview Club.

In 1924 at Antwerp won first prize when he has held six times since. In San Francisco in 1949 he played 271 games, all started at the same time against different players, winning 251, drawing 17, and losing only three.

In 1927, in Edinburg, Scotland, he established a world's record for simultaneous blindfolded chess, playing 34 games at the same time without seeing a single board. He won 24, drew 10.

At home in seven languages, he is now actively engaged in chess promotion all over the country, making talks, giving exhibitions and helping direct tournaments.

Additional information and reservations can be had by writing Bob Hilburn, club secretary, Box 911, Plainview.

Injured Man Is On Critical List

Amarillo — A 45-year-old Floydada man, injured in an automobile collision Friday evening, was in critical condition at Northwest Texas Hospital.

William Champton suffered internal injuries when a car he was driving collided with the rear of a gravel truck about six miles south of Amarillo on the Washington street extension.

Ona Brown, 49-year-old Negro, suffered lacerations and other possible injuries in the accident. Brown, 2106 N. Washington, was the driver of the gravel truck. He was reported in fair condition.

Officers said the accident occurred when the truck was making a left turn off the highway onto a road leading to a gravel pit on the McAfee Ranch.

School Menu

Mr. and Mrs. T. S. Fox are visiting their daughter and son-in-law, Mr. and Mrs. Sid Thomas at Texico this week.

RESOLUTION

WHEREAS, in the opinion of the Governing Body of the City of Lockney, State of Texas, a necessity exists requiring the grading, filling, and paving of the hereinafter described as specified; and

WHEREAS, in the opinion of the Governing Body of the said city, the property and real estate abutting and adjacent to the streets hereinafter mentioned and described will be especially benefited thereby, and the owners of the property abutting and adjacent there will be fully compensated for the cost of said improvement in the enhancement of the values of the real estate and property affected by said improvement, and the cost to said property owners in the opinion of the Governing Body of said city will be equitable and just in proportion to said increased value;

Therefore, BE IT RESOLVED by the Governing Body of the said city that the improvements shall consist of and include the areas known as McCoy Addition, T. M. McDonald Addition, and the Walling addition to the City of Lockney.

Be it further RESOLVED by the Governing Body of the said city that it is the opinion of said body that the cost of grading, filling, and paving will be just to the property owners thereon and is warranted under a necessity which exists for said improvements, and that the cost of said improvements shall be paid as follows, to wit: The property owners thereon shall pay for the improvements on the basis of \$1.25 per running foot on property abutting on the streets of the above mentioned areas which are to be paved.

Be it further RESOLVED that the plan adopted by the Governing Body of said city to be used for defraying the cost of said improvement as applied to the property owners whose property abuts and adjoins said improved areas shall be according to the front-foot plan and rule, provided that if the application of this rule, in the opinion of the Governing Body of said city, be unjust or unequal, or result in individual cases in assessment in excess of specific benefits received from such improvements, then the Governing Body of said city shall adopt such rule of apportionment as shall affect a substantial equality between said owners, considering the benefits received by and burdens imposed on said owners and their respective property.

J. E. COX, Mayor.
JUANITA THOMPSON, Secretary, Nov. 8, 1956.

Scout Executive Resigns Position

Bill Postma, field executive of the South Plains Boy Scout Council has submitted his resignation, effective Dec. 15.

He has held his present post in the 29-county area for the past 10 years. He is resigning to accept a similar position at Spokane, Wash.

Selection of a new Scout executive may be completed within the next two weeks.

WAREHOUSING OF COTTON IN AREA OF PRODUCTION

The most economical method, for the orderly marketing of cotton, is for the cotton to remain in this area of production until it may be sold to the domestic cotton mill or exported. Each time cotton is moved from one place to another on its way to its ultimate destination, the costs continue to build up. We offer efficient storage facilities at home where cotton may be held at the lowest costs until such time as its final destination is known.

CROSS ROADS REPORT

Dear Editor:
I see where an obviously aged editor has dug up the information that 66 per cent of our famous men got that way after they were 60 years old.

What this editor is evidently trying to prove is that after a man has got to his end my age without amounting to anything, there is still hope.

But I expect it will take more than this little dab of statistics to have any effect on these employers who only hanker to hire 25-year-old men with 30 years of experience.

THE U. S. S. "LEXINGTON"—"THE MINUTEMAN'S SHIP"
 May 7-8, 1942—Coral Sea
 This was the first engagement ever fought between aircraft carriers. Neither the American or Japanese flat-tops fired at one another. The sinkings were accomplished by aerial bombs and torpedoes launched from planes. On May 7th planes from the "Lexington" sunk the Japanese carrier "Ryukaku" by hitting it with 15 bombs and 15 torpedoes within two minutes time. It sunk with all its planes still aboard. The next day Japanese bombers and torpedo planes attacked. Although hit many times the "Lexington" remained afloat until its crew was removed. Internal fires forced its abandonment. Torpedoes from American destroyers eventually sunk it. The battle forced the enemy to withdraw and maintained the line of communications between the U. S. and Australia.

Dear Editor:
 I see lots of books and courses on sale these days, on the subject of how to get along with your neighbor and to make him like you.
 Also hear that some modern schools have even quit fooling with the mere fundamentals of work, and are teaching the kids how to win friends and live off of same.
 My negative-thinking neighbor says what the country needs is more books on how to work for our fellow man, instead of so many on how to work him. — D. E. Scott

SOIL CONSERVATION DISTRICT NEWS

The Soil Conservation Service can help farmers select land for the Conservation Reserve Program of the Soil Bank, according to Fred Johnson, Work Unit Conservationist at Floydada.
 Soil Survey information and farm and ranch plans of conservation can be highly useful to farmers in determining which fields are best suited to the program. Technicians will also assist farmers in selecting and establishing conservation practices adapted to their land.
 The Soil Bank is a major effort to reduce the flow of surplus commodities into storage facilities. Through this program farmers can make needed adjustments in land use while maintaining their incomes.
 Equally important to National welfare is a second objective, that of promoting a new pattern of conservation work leading to better farms, better use of natural resources and the building up of seriously eroded land.
 The Floyd County Soil Conservation District has grass drills for use of district cooperators in seeding land put in the conservation reserve. The drills may be rented from the agriculture teachers at the Lockney and Floydada. The District plans to have the drills in good working condition, according to G. L. Favver, Chairman of the District Board of

The Lockney Longhorn football team ended their most successful season since 1948 last Friday night by defeating the Tahoka Bulldogs 26-0 on the Tahoka field. The win gave the Longhorns a 9 won, 1 lost record for the season and a one-third interest in the district 2-AA crown.

Spur lucked out in the draw with Lockney and Abernathy and will represent the district in a game with Canyon next Friday evening at Plainview.

Five Longhorn seniors ended their football careers in Lockney High with the Tahoka game. They were Jerry Workman, captain and first string center this year, Gene Handley, first string quarterback, Lonell Hayes, defensive tackle, David Frizzell, reserve quarterback and Jerry Mickey, reserve halfback.

In the Tahoka game the Longhorns ran up a 20-0 half-time score and Coach Rudy Haile used many reserves in the last half, allowing most all the boys on the team to play. Statistics were heavily in favor of the Longhorns except for the passing department. There the Longhorns tried 8, completed one for 14 yards but had two intercepted. Also the Longhorns were penalized more yardage in this game than any this season, most of the penalties being for "illegal formation."

The Bulldogs were held to two first downs the first half and one in the second half and a net rushing yardage of 44 yards.

The Longhorn backfield of Handley, Williams, Race and Pinner racked up a total of 355 yards from scrimmage. Jerry Williams made two of the touchdowns and two extra points to lead the scoring. Handley

made one and Race made one touchdown. With David Frizzell quarterbacking, the reserves almost scored late in the fourth quarter and were on the one yard line when the final whistle blew.

In the line Jerry Workman, John Hanst, Bill Musser, Lonell Hayes, Byron Brock, Donald Farrish, Coy Kidd and others were very tough on defense and held the Bulldogs to a minimum yardage.

Here's the game: The Bulldogs won the toss and chose to receive. They returned Hanst's kick to their own 25, made 4 yards in three plays and kicked only to their own 35. Williams made 5, Race went to the 23 for a first down, the Longhorns made 3, lost 4, Race made 7 and Handley carried to the 11 for another first down. Handley made 8 and then went over for the score on the next play. Try to run the point failed. Score 6-0.

The Bulldogs covered a short kick on their own 37, drove for a first down to the Lockney 49, lost 3 and on the next play fumbled with a Longhorn covering the ball on the Tahoka 47. The Longhorns made 4 and Williams carried to the 30, two passes were incomplete, the Longhorns were penalized 5, they made 8 and on fourth down Williams carried to the 11 yard line for a first down. They made 3 and 4 and Race went over for the touchdown on third down. Williams carried the point and the score was 13-0.

The Bulldogs brought the kick back to their own 21, made 9 and a first down on the 34, made 2, tried a pass incomplete, lost 3 and kicked to the Lockney 26. Williams went to the Lockney 49 for a first down, Lockney was penalized 5, a pass was intercepted by a Tahoka back and returned to the Lockney 41. The Bulldogs made 9½ yards in four downs and Lockney took the ball on the 32. Race carried to the Tahoka 31 for a first down. Williams went for six and went over for the score from this point and also carried over for the extra point. Score 20-0.

Tahoka returned the kick to their own 25, made 7, were penalized 5, made 4 and kicked with Handley returning the kick to the Tahoka 30 but a clipping penalty against the Longhorns set the ball back to the Lockney 33. Quarterback David Frizzell carried to the Tahoka 30 for a first down as the half time whistle blew.

The Longhorns received to start the third period, returning to their own 36. They made 9 and then Pinner went to the

Tahoka 37 for a first down. The Longhorns were penalized 5 and on the next play a pass was intercepted by Tahoka returning the ball to their own 34. They lost 5 on the next play, had two passes incomplete and then a pass was completed for 14 yards. On the next play the Bulldogs drove to their own 45 for a first down. They made 1, lost 1 and lost 1 and kicked to Lockney's 31 yard line.

The Longhorns went to the 42 for a first down, were penalized 5, made 4, Race made 10, and then a first down on the Tahoka 45. Williams went for 5 but Tahoka was penalized an additional 15 on the play giving the Longhorns a first down on the Tahoka 25. They lost 3 then Race carried to the Tahoka 9 for a first. The Longhorns made 3, but received a 15 yard penalty on the next play. Race made 11 and 3 and a fourth down pass was incomplete and Tahoka took the ball on their own 8. They made 2, lost 3, lost 5 and kicking from their own 29. From this point Williams went off tackle, cut back and, behind good blocking went all the way for the score. Try for point failed and the score, 26-0.

The Bulldogs returned the kick-off all the way to the Lockney 31, and the ball carrier almost got loose. They made 9 on their first play from scrimmage, made 0 on the second, tried a pass which was incomplete, made a half a yard on fourth down and the Longhorns took the ball on the 22. Handley carried to the Lockney 39 for a first down, the Lo-

ngorns made 4, were penalized 5, made 2 and 1 and kicked to the Tahoka 30. The Bulldogs made 3 and 2, lost 3 and kicked to Lockney 44. Race made 6, the Longhorns were penalized 15, two passes were incomplete and Quarterback David Frizzell kicked to Tahoka's 37. The Bulldogs had a pass incomplete and then fumbled with Lockney recovering the ball on the Tahoka 22. The Longhorns lost 3, made 7 and Frizzell passed to Dickie Barton for a first down on the Tahoka 4. Race made 3 but the gun ending the game sounded before the Longhorns could get off another play.

E. W. Boedeker To Head WT Exes Assn.

Canyon. — E. W. Boedeker of Levelland was elected president of the West Texas State Ex-Students Assn. here today as 4,000 ex-students flooded the campus for the annual homecoming celebration.

Other new officers include Charles SoRelle of Claude, first vice president, Eugene Quest of Lubbock, second vice president, and Bill Cross of Amarillo and Ben Esell of Canadian, directors. Boedeker succeeds Vernon Harmon of Happy as president.

The homecoming celebration was highlighted by the WTS- Texas Western football game which Western won 16 to 13 before 7,000 fans. The class of 1931 was honored on its silver anniversary.

A number of West Texas ex-students from Lockney attended the homecoming event.

City Is Invited To Have "Day" At Fort Worth Show

Lockney has been given an invitation to have a special day at the Southwestern Exposition and Fat Stock Show. A letter to the Chamber of Commerce from W. R. Watt, president-manager of the Fort Worth exposition, Jan. 25-Feb. 3, states:

"The 'days' of the cities aid color and contribute much to the success of the Stock Show and we are grateful for your participation in the past.

"We would like for your band to give a concert; for your riding club to take part in the rodeo and grand entry; for your Cowgirl Sweetheart to receive an introduction to the rodeo audience; and for as many of your citizens as possible to attend. A block of tickets, if you wish, will be sent to you for advance sale so that your delegation can all sit together.

"Your cooperation enables the Stock Show to render a greater contribution to the development of our great livestock industry and especially to give recognition to the farm and ranch youth through the Junior Livestock Show.

"Everyone is working hard to try to make the '57 show the finest yet. We are looking forward to your acceptance and will give your plans as wide-spread publicity as possible and all of us will do everything in our power to make your visit enjoyable."

The W. O. Stuarts Move To Dallas

Mr. and Mrs. W. O. Stuart will move the last of this week to Dallas. They have sold their farm in Irick community to Gene Hopper from South Plains.

The Stuarts had lived in Dallas 40 years before moving to Lockney in 1949 and still have friends there. They have purchased a new home near the home of their son. Mrs. Stuart grew up here and regrets leaving the many friends in the area, she says.

Mr. and Mrs. Gene Hopper have two daughters, one a 15-year-old freshman, and the other 7 years of age. They will move here by December 1.

Plans Pushed For Water District Dam

Post. — Directors of the White River Water Control and Improvement District met here Thursday night to officially canvas returns of a recent election which gave overwhelming endorsement to the district.

Tom Boucher, chairman of the district committee, said tonight that the official canvass upheld the original count of 1,332 in favor to 53 against.

The district encompasses the municipalities of Post, Spur, Ralls and Crosbyton. Boucher stressed that the election did not provide any money for the district, but merely approved the plan. He said that a bond election has been planned for sometime in February.

The first step for the district will be the construction of a dam 15 miles southeast of Crosbyton, subject to the bond election. In that connection the contract has been assigned to Freese and Nichols of Fort Worth, who will begin work on plans immediately.

Boucher added that the project has gained the attention of the Brazos River Authority, which has agreed to pay 50 per cent of the cost of the topographical mapping of the proposed dam site.

Other directors in the district who attended the Thursday night meeting are R. J. Jennings, Post; Lynn Buzbee, Spur; M. A. McLaughlin, Ralls, and Robert Work, Crosbyton.

Library News

New in the library is "Crusade in Asia" by Carlos P. Romula. In this book the author tells us the whole course of Communism's rise and fall in his country, from the planting of the first seeds in the thirties, through the war and the occupation, when the guerrillas got established, through the post war corruption which entrenched them, to the resurgence of the islands' democratic forces in the past few years. It is a story to be appreciated and heeded by Americans and Asians alike.

"Men Against the Jungle" by Ritchie Calder is the account of a hazardous mission which began in the equatorial jungles of Borneo and adventured through seven Asian countries to the mountainous recesses of Afghanistan. Ritchie Calder headed it at the request of the United Nations and its specialized agencies.

Books for the juvenile are "Wayfaring Lad" by Ivy Bolton and "Jill's Victory" by Elisa Bialk.

WE REMEMBER . . .

THE 6TH MARINE DIVISION
May 12-19, 1945
Okinawa

At the time of the landings on Okinawa, the 6th was the newest of the Marine divisions. Given the city of Naha at the southern end of Okinawa as an objective, the Division had to breach a well-prepared Jap defense line to reach it. The enemy made its strongest stand on a triangle of hills to the northeast of the city.

The base of the triangle faced the Marines. At the apex stood the hill Americans called Sugar Loaf. Here was fought one of the bloodiest battles of the campaign.

The deeply entrenched Japs commanded the heights and kept the approaches under constant fire. One Marine Battalion attacked 11 times and was driven back each time. Before it was secured possession of Sugar Loaf changed hands seven times.

With the Jap defense line broken, Naha fell to the Marines. It was the largest city to be occupied by them during the war.

Of Such is the Kingdom of God

Some people argue that the words of Christ imply that God's Kingdom belongs to children and not to adults. Indeed, there are some families whose worship habits suggest as much. The youngsters are bundled off to Sunday School; and the grown-ups stay home.

But Biblical scholars have long agreed that Christ's words point to the attitude, not the age, which is the mark of God's Kingdom.

The implicit faith, the humble acceptance, the eager yearning with which children approach Christ's teaching — these are the qualities which belong to God's Kingdom.

Perhaps we are foolishly infatuated with the notion that our children should follow in our footsteps. If we start them in the right direction, the direction of the Church, we may gain much more by following in theirs.

**THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Holiday Mailing Should Be Done Carefully, PM Says

In anticipation of the largest holiday mail volume in history, Postmaster Jeffie M. Griffith called attention to ten basic pointers outlined this week by Postmaster General Arthur E. Summerfield for users of the mails to follow in order to assure prompt and safe delivery of their Christmas cards and gifts.

1. Address mail fully and clearly. Write legibly or print plainly. Where applicable, use zone numbers on the address and return address. Avoid using abbreviations which might confuse mail handlers.

2. Be certain that a return address is printed on the upper left hand corner of both Christmas cards and parcels. This will prevent any undelivered mail ending up in the "dead letter" office.

3. Do not enclose coins or hard objects of any kind in letters, without marking the envelope for hand stamping. High speed cancelling machines cannot process such letters, often jam and damage letters.

4. Do not mail cash in any Christmas gift. For safety's sake, use Postal Money Orders or checks.

5. Make sure parcels are well packed and securely wrapped in strong containers. Cushioning material, such as excelsior, shredded newspapers or tissue paper should be evenly and firmly placed on all sides of the Christmas gift. The carton should be wrapped in heavy paper and securely tied with strong twine.

6. Gifts of a delicate nature, such as glass, china, electrical appliances, radios and musical instruments, must be marked "Fragile" by the mailer. Food stuffs should be marked "Perishable" if subject to spoilage.

7. Insure parcels. Register letters of real value. Where only proof of delivery required for letters of no intrinsic value use Certified Mail. Use Combination Mail where a letter or message—other than a gift tag—is to be enclosed inside a Christmas package.

8. Ask at any post office for the free pamphlet, "Post Office Department Publication No. 3" which contains rates of postage and limits of size and weight for domestic mail. Another free pamphlet at post offices—entitled "Packaging and Wrapping Parcels For Mailing."

9. Mail Christmas cards and parcels early to avoid the last minute rush and waiting in line at the post office. The best times to avoid crowds at stamp windows in most post offices are before 10 a. m. and between 1:30 and 3:30 p. m.

10. Every postal employee is happy to answer questions on postal rules and regulations. Anyone with problems about mailing his Christmas parcels should avail himself of the opportunity of discussing the problems with postal employees, and take advantage of their experience.

Mr. Summerfield further emphasized how important it is to start planning now to shop early and mail early for Christmas.

Texas Research Office Located In Plainview

The office for the High Plains Station of the Texas Research Foundation has been temporarily established at 704 1/2 West 5th, in Plainview, in the Realty Barn Building.

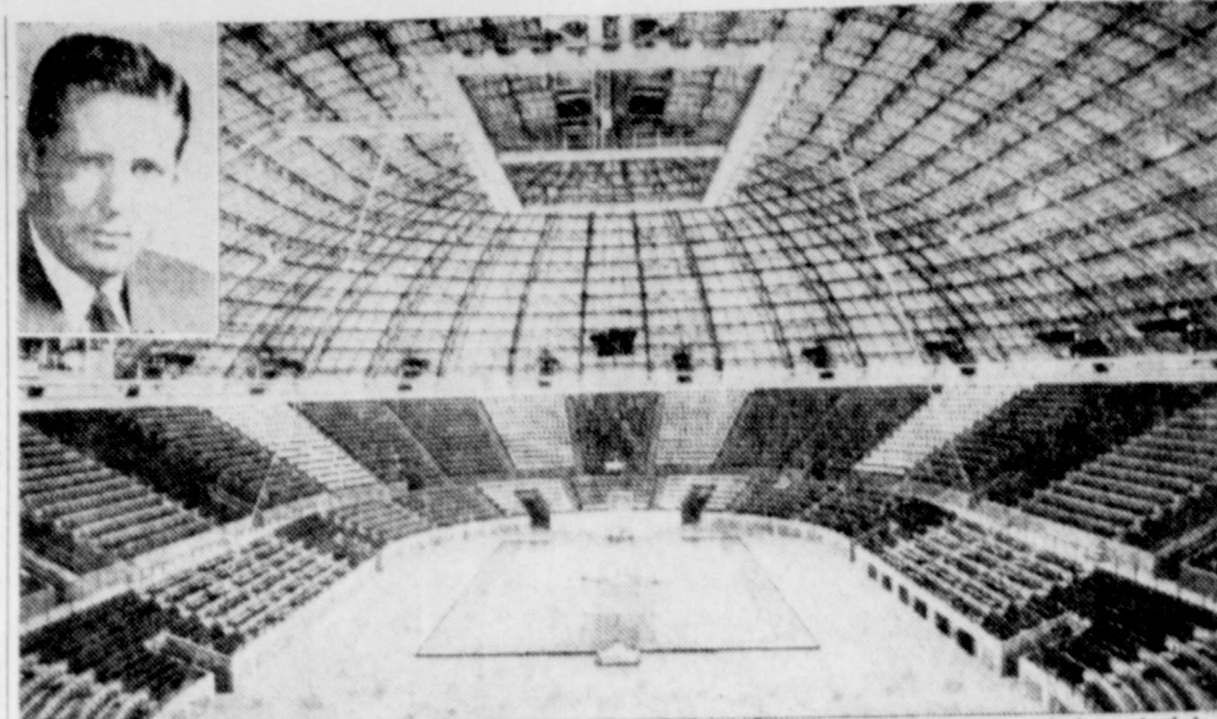

Dr. T. C. Longnecker, Director, Dr. Johnny Davis, Asst. Director and C. H. Janeway, Field Representative, all from the staff of The Texas Research Foundation at Renner are now assigned to the High Plains Station and are on the job. Additional staff personnel will be selected when the program at Halfway gets underway.

Mrs. C. L. Calloway Injured In Fall

Mrs. C. L. (Chick) Calloway was seriously injured Saturday night about 7:00 o'clock when she fell on the sidewalk in front of Plains Electric. She was taken to Crum Clinic where it was discovered her right arm was broken in two places at the wrist and her left knee cap broken. Both limbs were placed in casts.

Tuesday about 11:00 a. m. Mrs. Calloway was transferred to Northwest Texas Hospital in Amarillo where she will receive the care of a bone specialist.

The accident occurred as Mrs. Calloway was leaving Lena Fae Store where she is employed.

TEXAS TECH BASKETBALL FANS get a combination of spectator comfort and power-laden schedule this season as the Red Raiders move into the 10,000-capacity Lubbock Municipal Coliseum on the Tech Campus. Coach Polk Robison (inset), in his 14th season at the Raiders' helm, sends his team through this home schedule: Dec. 3—Kansas State, Dec. 5—Texas Christian, Dec. 10—Tulsa, Dec. 14—Iowa State, Dec. 20—Nebraska, Jan. 12—Arizona State, Jan. 19—Phillips 66 Oilers, Jan. 30—Baylor, Feb. 7—Hardin-Simmons, Feb. 9—Southern Methodist, Feb. 16—Texas Western, Feb. 25—Arizona, Feb. 28—West Texas State, Mar. 4—New Mexico A&M. Resigned from the Border Conference after winning that league's title for the past three years, Texas Tech must wait until 1957-58 before competing for the Southwest Conference championship.

Floydada Rites Held For R. L. Nichols

Funeral services for Rufus Lee Nichols, 78, of Lakeview community were held at 3 p. m. Sunday at the First Baptist Church, Floydada.

Dr. John Freeman, acting pastor of the church, officiated. He was assisted by Rev. Joe Wilson, retired minister and Rev. G. L. Merriott, pastor of Calvary Baptist Church, Floydada.

Nichols, a retired farmer, died Tuesday of a heart attack while visiting a son, Claude Nichols at Tucson, Ariz. Mrs. Claude Nichols is the former Jodie Anderson, daughter of Mr. and Mrs. Joe Anderson, Lockney.

He had been a resident of Floyd County since 1920, moving from Fannin County.

Survivors include his wife; four sons, C. C. James and David, all of Floydada and Claude of Tucson, Ariz.; and seven grandchildren.

Burial was in Floydada Cemetery.

Attending the rites from Lockney were Mr. and Mrs. Joe Anderson, Mrs. Conde Davis, Mr. and Mrs. A. O. Wines, Mr. and Mrs. Clyde Lucas and family.

Two Names Left Off Band Page

The names of two local business houses, which contributed to the Lockney Longhorn Band, were unintentionally omitted from the list of band boosters on the band page in The Beacon last week. These were Lockney Lumber & Supply and the Baker Mercantile. Both of these firms are band boosters and their names should have appeared on the list of supporters.

Noted Cosmetician To Appear Here

Sarah Easley, noted cosmetician, will make a personal appearance at the Jack & June Shop here next week, Monday through Wednesday, giving facials and advising people of this area on skin care. Miss Easley has had many years of training and experience and has studied under noted skin specialists in this country and abroad. Se Habla Espanol? Want To Learn?

Do you want to learn to speak Spanish? A Mr. Vera, Spanish Baptist Mission pastor of Floydada and a graduate of Wayland College, is interested in teaching a class in Spanish here and a meeting of those interested will be held next Tuesday evening at 7:30 at the high school auditorium. It was announced this week by Chamber of Commerce Manager Dick Whiteley. If you are interested in studying Spanish be present for the meeting.

800 Births Per Day In Texas

Austin — Over 800 births a day in Texas were recorded by the Division of Vital Statistics of the Texas State Department of Health during the last biennium, September 1, 1954 to August 31, 1956, an advance look at the department's biennial report shows.

During the same period, 134,045 deaths were recorded. This compares with a total of 624,408 births. Four births for each death coupled with the influx of newcomers making their homes in Texas has shot the Texas population well over the 8 1/2 million mark.

The Division of Vital Statistics is just one of 22 divisions, under the State Department of Health, charged with the severe responsibility of watching over the health and sanity level of the citizens and locales of Texas. The report shows that watching over the health of Texas is not enough. The health department incorporates inspection, research, active aid, and education in its program of bettering the health standards of Texas and Texans.

Inspection and research walk

hand in hand to evaluate efforts of local outbreaks of disease throughout the state. Aid is then rendered where possible.

Following closely in the steps of research, education and improvements in public health comes as a matter of course. Sometimes, education is concerned not so much with advances, as with common health procedures, Texans occasionally neglect.

Every drink of water, bite of food, and every breath of air comes under scrutiny of one or more divisions. At night, before you consider that the mat which you sleep — if matted or sold in Texas — has been O. K.'d by the
