MRS. NANCY CAROLINE DAGLEY, a resident of Lockney for nearly 60 years, will observe her 100th birthday Saturday, June 22. Open house is planned at the home of her daughter, Mrs. A. R. Meriwether.

Mrs. Nancy Caroline Dagley Will Observe 100th Birthday Saturday

Mrs. Nancy Caroline Dagley of Lockney will celebrate her 100th birthday Saturday of this week, June 22.

To honor her on the occasion her daughters, Mrs. A. R. Meriwether and Mrs. T. B. Hill, have arranged an open house to be held at Mrs. Meriwether's home on Southwest Fourth Street Saturday afternoon from 3 to 5 p. m. All the friends and acquaintances are invited to attend. They request that callers do not bring gifts.

Despite her age Mrs. Dagley still has a lively interest in everyday affairs, reads the newspaper headlines without glasses and insists on keeping the weeds down in her yard. Her hearing is bad but otherwise she is in excellent condition for her age. She has lots of energy, her daughters say.

Her husband died in Lockney in the year 1900 and thus she has been a widow for 57 years. She reared her children here and still lives in the house she built just two years after her husband's death. Mrs. Dagley has a very independent spirit and insists on doing her house work, or at least a part of it, and maintaining her own residence. In recent years some one has usually lived in the house with her. She watches television with interest but still has the habit of going to bed early and getting up early. She usually arises around 5:30 or 6 a. m. Her mind is very clear and she has a vivid memory of early day happenings.

Mrs. Dagley fell and broke her hip when she was 97 years of age but she has recovered from that accident sufficiently to walk without a cane. In fact she and her daughter, Mrs. Hill, who is with her at present, have a garden planted and growing.

Mrs. Dagley was born Nancy Caroline Dodd on June 22, 1857 at Little Rock, Arkansas. She was the daughter of Mr. and Mrs. Levi Dodd. When she was five years of age, the family moved to Lone Oak, Texas where she was reared. She married John Thomas Dagley in 1874 at Lone Oak. The couple moved to Bosque County in 1876 and came on to Floyd County as early settlers of this county. They filed on a section of land in the Irick community where they lived in a half dug-out for several years.

In 1895 the couple sold their place and moved to Lockney. Later they spent one year in Plainview where Mr. Dagley was in business and then came back to Lockney and bought a place 1 1/2 miles northwest of Lockney, now a part of the W. J. Griffith farm.

After Mr. Dagley's death, the family remained on the farm one year but found the work too much and moved back to Lockney. It was at this time Mrs. Dagley bought some lots from the late J. A. Baker and built her home 1 1/2 blocks east of Main Street on College Avenue.

Mrs. Dagley became a member of a Baptist Church 8003 after her marriage at 17 years of age and later was a member of the First Baptist Church of Floyd County, located in the

Patty Wilkes Receives AA Degree At CWC

Miss Patty Wilkes, daughter of Mr. and Mrs. B. B. Wilkes of Lockney, was among the 174 graduates who received their Associate in Arts degree at the 18th annual commencement exercises held recently at Colorado Woman's College in Denver.

During her two years on the CWC campus, Patty was active in the Student Christian Association, the Tri Chi business club, the International Relations Club, Delta Tau Kappa, national honorary leadership fraternity and Phi Theta Kappa, national honorary scholastic fraternity. She lived in Curtis Hall dormitory and majored in liberal arts.

Pony Schedule Is Revised; Play Starts

The schedule of the Lockney Pony League, as published in The Beacon last week, has been revised, due to the formation of the Lockney Softball League and their use of the field part time.

Under the new schedule the Pony League will play on Monday, Thursday and Saturday nights while the softball league will play Tuesday and Friday nights.

The Pony League play began Monday of this week but the game was called after four innings due to rain and will be made up later. The game was between the Red Sox and Cubs and the score was 5 to 1 in favor of the Red Sox when called.

The Pony League is made up of four teams, named as follows with their managers:

Red Sox, Cap Carthel and Bobby Carthel.

Cubs, R. L. Knox and G. B. Johnston.

Tigers, Red Childers and R. V. Webster.

Braves, Curtis Williams and Audie Barnett.

Following is the official Pony League schedule for the summer:

Onions Look Good, Market Is Even Better

The onion crop in this area looks good, vegetable men say this week. The crop is nearing the harvest stage and some onions may be ready to harvest by next week. The harvest will begin at least by July 1st, it was said. Adding to the onion growers' delight, is the excellent market situation on onions. Yellow Granos, which go to make up a good part of the local crop, are quoted at 340 to 390 for mediums Tuesday and some types onion are as high as \$4.50. There are several hundred acres of onions in this immediate area.

Elmer Thornton was selling some fresh onions this week for 60 cents per dozen and had sold 100 dozen up to Wednesday.

M. W. Wiley of Wiley & Duncan said Wednesday that his firm would probably start the onion harvest in the Levelland area this week and would start in the Lockney area by July 1st.

Cantaloupes Planted

Several hundred acres of cantaloupes have been planted here in the past few days and at least one firm is still planting, Wiley said Wednesday that his firm had a little more than 300 acres of cantaloupes and could still "use some more" if anyone was interested. He figured they could still plant until the middle of next week.

Lockney Vegetable Growers have 200 acres of cantaloupes planted, most of them already up and doing good, according to Dick Whiteley. They also have 200 acres of cucumbers planted and some of them up and under contract to a food company.

Trautman Bros. have some 300 acres of cantaloupes planted on the Leslie Ferguson farm, five miles north of Lockney.

Wiley said that his firm would operate their shed at the same location as last year, under the National Alfalfa Mill shed in South Lockney. He said they had received their onion sacks and cantaloupe crates already.

Ray Hardin Doing Pretty Good

Deputy Sheriff Ray Hardin, who underwent a serious operation at Veterans Hospital in McKinney last Friday, was reported to be doing pretty good Monday. Mr. Hardin was on the operating table 8 1/2 hours, Mrs. Hardin said. She and Mr. Hardin spent the weekend with Mr. Hardin. He will stay in the hospital several weeks, it was said.

UNDERGOES SURGERY

Floyd Barber Sr., underwent surgery Monday morning in the Plainview Hospital and Clinic. He was reported to be doing as well as could be expected Wednesday noon. Mr. and Mrs. Glenn Bowers and Danny Joe Barber, all of Seattle, Washington, have been here during her father's illness.

Chest X-Ray To Be Here Tuesday

The State Department of Health's mobile x-ray unit will be in Lockney next Tuesday afternoon, June 25, to give free chest x-rays to all in this vicinity. It has been almost two years since the unit made a stop here.

The unit will be here from 1 to 5:30 p. m. The short time here is due to the fact that it is now some 18 months behind schedule and is trying to make up time.

The unit will be set up at the Lockney Auto Showrooms as in the past.

All people 15 years of age and older are eligible to receive free chest x-rays. It is expected that members of local women's clubs will assist in processing the crowd.

Floydada Man's Body Found Wednesday

The body of David Rape, 23-year-old Floydada man, was found about 6:30 a. m. Wednesday near Catfish Draw, 1 1/2 miles below the crossing of White River in Blanco Canyon where his car was rolled off a bridge by a wall of water Monday night.

Members of the sheriff's departments in Floyd and Crosby county had spent Tuesday and Tuesday night searching for the body after his car was found, a mass of crumpled metal, about a quarter mile below the bridge Tuesday afternoon.

Funeral services for young Rape will be held at the First Baptist Church in Floydada Thursday afternoon at 3 o'clock conducted by the pastor, Rev. Ed Bowles. Interment will be in Floydada cemetery. Harmon Funeral Home is in charge of arrangements.

Rape had been to Crosbyton to attend a veteran school and was returning home when it was presumed a wall of water struck his car as it was crossing the bridge. The bridge is on Farm Highway 651 between Crosbyton and Lakeview. The river was over its banks in several places during the night due to heavy rains in the Plainview area.

Rape is survived by his wife, Alta Faye; one son, David Randall, 15 months of age; his parents, Mr. and Mrs. W. D. Rape Jr., of Floydada; one sister, Mrs. Leslie Nixon of Floydada; his grandmother, Mrs. O. T. Edwards of Floydada and his grandfather, W. D. Rape Sr. of Plainview.

Cotton Is Up, Grains Planted, Weather Fine

Floyd County farmers, that is most of them, are happy this week after winning the battle to get their cotton up and grain sorghums planted. The excellent weather of the past few days have also helped to ease the mind of the farmer.

After farmers struggled for a month or more to get the allotted cotton acreage in the ground, most every acre is up now and doing good. Possibly a few wet row ends are yet to come up but for the most part all the cotton acreage is up.

This week farmers are winding up their grain sorghum planting and quite a bit of grain is up to a stand now. Exception to this is an area in the Pleasant Valley community where a heavy rain fell Monday night. It will be several days before farmers can get back into the fields there. Others will be planting along as lakes go down.

In addition to cotton and feed, farmers are planting a "pretty good acreage" of soybeans, local elevator men say.

The rain falling here Monday night totaled .40 of an inch here but was heavier south and west of Lockney. Heaviest fall was reported by Harmon Handley, five miles southwest of Lockney, who had 3.25 inches. Other reports in the area were Hall Ferguson, south of town, 1.75; Oscar Golden, Aiken, .36; Joe Rogers at Barwise, 1 inch; Frank Brown, 10 miles northeast of town, .2; Jack Billington, south of town, 1.5 inches; Clyde Farish and Howard Mosley, Lone Star, 1/2 inch; Lois Williams, 2 1/2 miles southwest of Aiken, .75; Ted Boedeker, Providence, 1/2 inch; Prairieview community, over in Hale County, 1.20 inches.

Some hail was reported in the extreme northwest corner of the county.

First Load Of Oats Received Wed.

The first load of oats from the 1957 crop was received at the Baxter & Smith Grain Co. Wednesday afternoon. The oats came from the Hugh Counts place, tested 12.5 moisture, had a 35 pound test weight and the yield was estimated to be around 80 bushels per acre.

Other oat crops in the area are about ready to harvest, it was said.

The wheat harvest is also just around the corner and the first load of wheat is expected within the next few days but local elevator men did not know of any being cut at present.

The irrigated wheat is good this year and may average 30 to 35 bushels per acre with some possibly going as high as 50 bushels. It has been hurt some by excessive rains in May but the extent of the damage is not known as yet. Dry land wheat, sowed last fall and sprouting in February, still has a chance to make some grain but just how much is unknown.

FEATURED IN ADVERTISING — Mrs. Clyde Baxter and daughter, Linda, are being featured this week in advertisements published in a number of newspapers over the South Plains by Southwestern Public Service Company. The advertisements feature electric cooking and tell of the modern equipment installed in the Baxter's spacious new home completed some months ago on Southwest Fifth Street in Lockney. One of the advertisements is in this issue of The Beacon.

Long Ago In Lockney

Items of Interest from the files of The Lockney Beacon.

June 22, 1937

A good rain fell over this section of the Plains Wednesday morning. It was slow and soaking and amounted to over an inch.

The grading of the Ft. Worth and Denver South Plains Railroad in the corporate limits has been temporarily stopped while negotiations regarding the Lockney property on north Main Street.

Work is continuing at a rapid rate on the construction of the oil mill buildings in Lockney.

Stewart Drug Company has received and installed this week a new Shop & Balance fountain equipment with big glass system.

Miss Martha Cox, daughter of Mr. and Mrs. D. E. Cox, local agent for the Santa Fe in Lockney, has arrived from the West on her vacation in industrial.

The work on the water extension in Lockney is pushing forward rapidly. Excavation work on the reservoir has been completed and concrete work is now being done.

A two-story brick business house is being constructed next to the Merchants' Produce on Main Street. It is owned by J. E. Houston.

Another brick building under construction at the corner of Main and Bryant streets, just west of the Lockney Post Office.

There are many all along the line of the Prairie Oil and Gas Company South Plains line.

To know a Chevy in all its glory, head one into the open—the road mountains the better. You'll soon see why so many people drive that smooth, sure Chevrolet response and wheel-lashed power. Chevy's performance makes their dollars look big.

You don't have to top this or along. A Chevrolet comes alive with the flip of an open key. The power is charged, the suspension. The wheel responds in a twinkling to tight corners or turns. And on a back road a Chevrolet steps with ease over ruts that would look like barricades to lesser suspension systems. In short, a Chevy does "every." You can, too. See your Chevrolet dealer.

ARE YOU INTERESTED IN NOXIOUS WEED CONTROL?

Since there will be an election in the near future for the purpose of organizing a weed control district in this county, many of you are interested in the operation of such a district. This is a county-wide election; and, therefore, one in which everyone should be interested. As many of you know, we have a great many noxious weeds in this county, and certainly, one of the most effective means of control is started in a short while. This article is written solely for the information of the public those interested in controlling the spread of noxious weeds in our county. Space will not permit printing the entire here, but listed below are the main points in which you should be interested. This will be in the form of questions, and reference is made to each section of the law answering each question.

1. Who does this law apply to? What weeds are to be controlled?

Section 3. As used in this law, unless the context otherwise requires: (a) "Noxious weed" means any weed or plant at the time is defined as such by any statute of this State or which has been declared a noxious weed by the Commissioner of Agriculture of the State of Texas by authority of the Texas Seed Law; (b) "Landowner" means any person who holds title to lands lying within a district organized under this Act and who has attained the age of 18 years.

Proposed Weed Control District Explained By Carthel

note: Chester Carthel, former president of the County Farm Bureau, in the following article explains the more pertinent points of the proposed weed control district on the formation of a Weed Control District on Saturday, July 20. Mr. Carthel is one of the authors of the bill which authorizes a weed control district and which passed the state legislature two years ago.

ARE YOU INTERESTED IN NOXIOUS WEED CONTROL?

Since there will be an election in the near future for the purpose of organizing a weed control district in this county, many questions have been asked concerning the operation of such a district. This is a county-wide election, and, therefore one in which everyone should be interested. As many of us know, we have a great many noxious weeds in this county and state, and certainly, unless some effective means of control is started the problem will become one of much greater magnitude in a short while. This article is written solely for the information of the public and those interested in controlling the spread of noxious weeds in our county. Space will not permit printing the entire law here, but listed below are some of the main points of the law, and the ones in which most people seem to be interested. This will be in the form of questions and reference will be made to the section of the law answering each question.

1. Who does this law effect and what weeds are to be controlled?
Section 3. As used in this Act, unless the context otherwise requires: (a) "Noxious Weed" means any weed or plant which at the time is defined as a noxious weed by any statute of this State or which has been declared a noxious weed by the Commissioner of Agriculture of the State of Texas by authority of the Texas Seed Law or any other law of this State. (b) "Landowner" means any natural person who holds title to lands lying within a district organized under this Act, who has attained the age of twenty

one year, and is a resident of a county, all or any part of which is included in such district. (c) "Land occupier" means any person, firm, or corporation holding title to or being in possession of any land lying within a district organized under the provisions of this Act, whether as owner, leasee, renter, tenant or otherwise. (d) "Resident property taxpayer" means a qualified voter residing within the district who owns taxable property therein and who has duly rendered same to the county tax assessor for taxation. (e) "District" means a noxious weed control district organized under this Act.

How Shall the Ballot Be Read?

Section 11. The ballots for such election shall have printed thereon the following propositions: "For creation of the district and uniform assessment of benefits not to exceed three cents per acre" and "Against Creation of the district."

3. Who will govern the operation of the district?

Section 14. The district shall be governed by a board of directors composed of five members, each of whom shall be a landowner within the district. The first board of directors shall be appointed by the commissioners' Court.

4. What are the powers of the board of directors?

Section 16. The board of directors shall have the following powers: (a) To determine which noxious weeds shall be subject to control. (b) To determine the method or methods of control, either by spraying, cutting, burning, tillage, or any other appropriate method. (c) To prescribe the specific area within the district on which the control measures are to be carried out. (d) To prescribe the period within which the control measures are to be carried out. (e) To take such other action as is necessary to effectuate the purposes of this Act.

5. Will it be necessary to clean farm implements brought into the district?

Section 17. The board of directors is specifically authorized to promulgate rules and regulations requiring the

cleaning of farm implements and machinery which is brought into the district of which is moved from one location to another within the district, and prescribe the method of disposition of materials taken from such implements and machinery. A violation of the rules and regulations shall constitute a misdemeanor and shall be punishable by a fine of not less than twenty-five dollars nor more than two hundred and fifty dollars.

6. Do our road rights-of-way come under the provisions of this Act?

Section 18. It shall be the duty of the county commissioners' court in each county to comply with the control measures on rights-of-way of all public roads and other public lands within the district.

7. Other powers of the board of directors.

Section 18. The board of directors or any inspector appointed by the board shall have the right to enter upon any land within the district to determine whether control measures are necessary and to determine whether control measures prescribed by the board are being carried out. If it is found that any land occupier is not complying with the board's direc-

tions, the board shall give him written notice ordering him to comply within a stated time. If he fails to comply with the order, the board may file a suit for a mandatory injunction in the district court of the county in which the land is situated to compel him to comply with the order. Any land occupier issued shall be liable for all costs of the suit and for a reasonable attorney's fee, to be fixed by the court.

8. What is this going to cost?

Section 19. The board of directors may levy an annual uniform assessment against the land within the district, not to exceed three cents per acre, for the purpose of paying the expenses of the district. The monies collected shall be deposited in the district depository selected by the board. The chairman of the board of directors shall file an annual report with the county clerk of each county in which the district lies, before the first day of April of each year, showing the total amount received and an itemized statement of the amounts expended during the preceding year, together with the balance remaining on hand.

9. Can this district be abolished, or will we have it from

Dear Editor:

I see where our senators have voted \$30,000 more out of the public till so their private Senate restaurant won't have to go up on the price of their bean soup.

You might think that men accustomed to dishing out a billion here and a billion there wouldn't mind taking care of their restaurant de-

now on?

Section 21. This district may be abolished in almost the same way in which it is established. That is by an election. For those desiring to study the entire law, copies of the law are on file at the Farm Bureau office in Floydada. They would be glad for anyone interested in the law and desiring to read it to come in and do so. You will notice that this is a law for the control of noxious weeds. We hope this brief summary will answer some of the questions concerning the law.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, JUNE 20, 1957

fic by putting out a nickel or a dime more for their meals, but it didn't work out that way.

Evidently the senators

found it easier and more profitable to part with \$30,000 of somebody else's money than to put out a few nickels of their own.

Electric Living is FUN!

Linda Baxter demonstrates, to her mother, modern cooking techniques learned in school homemaking class.

"Our daughter sold us on ELECTRIC COOKING!"

Under guidance of teacher, Mrs. Quentin Adams, Linda Baxter practices cooking techniques on modern electric range.

says Mrs. CLYDE BAXTER College and 5th Streets LOCKNEY, TEXAS

Mrs. Clyde Baxter, like many adults, has had the advantages of electric cooking pointed out to her by her high school student daughter, who learned that the modern way is the accurate, dependable way.

Of course, it's electric! Says Mrs. Baxter, "I'm mighty glad we installed an electric range when we built our new home. The counter-top height oven gives perfect baking results and we get more broiled foods since getting the new range".

Sixteen-year old Linda Baxter is a sophomore student with two semesters in homemaking. Her teacher, Mrs. Quentin Adams, says, "Although our department has both types of household cooking equipment, most of our girls prefer to use the electric range".

Why not "take a tip from your teenager"? If you are not yet cooking electrically, ask your daughter to tell you why you should.

Coffee Honors Tennessee Guest

Mrs. Ernest Guilett, Dyersburg, Tennessee, was honored at a coffee given Saturday morning in the Ray Thompson home where she and her family have been visiting for the past week. Hostesses for the occasion were Mrs. Thompson, Mrs. George Webster, Jr., and Mrs. Tommy Chatham. Guests called between hours, 10 to 11 a. m.

Attending were Juanita Thompson and Mmes. M. W. Wiley, Verner Hodel, Elsie Kunkel, Claud Hammond, Kenneth Regan, Raymond Meriwether, and Mrs. Bennie Loughrey of Ft. Worth, Mrs. Homer Mammont and Mrs. Kate Cottar of Ft. Worth, the honoree and hostesses.

Miss Eveleyn Bobbitt of Amarillo spent Father's Day here with her father, Bert Bobbitt.

Mrs. Shipp Heads Lockney B. & P. W.

The Lockney Business and Professional Women's Club met at 7:30 Tuesday evening in the Plains Hotel coffee shop. Mrs. M. E. Shipp was installed as president for the ensuing year by Mrs. Jessie Cox, installing officer, along with Mrs. M. W. Wiley, 1st vice president; Mrs. Joe Wilson, 2nd vice president; Mrs. Marvin Cox, 3rd vice president; Mrs. Frances O'Hearn, recording secretary; Mrs. R. L. Knox Jr., treasurer. Mrs. Wayne Bybee is retiring president.

Small pink carnations, the club flower, decorated place cards and bouquets of the same interspersed with greenery centered the tables. Hostesses were Mrs. Joe Wilson and Mrs. Pat Stansell.

Four new members were welcomed. They were Mrs. Revis Harris, Mrs. Carl Blair, Mrs. Gerald Sams and Mrs. Jack

Eastern Star Officers Installed Thursday

Mrs. Gladys Bobbitt was installed as worthy matron of the Order of Eastern Star, Lockney chapter, in ceremonies at the local Masonic Hall last Thursday evening. Other officers installed were James Bobbitt, worthy patron; Rita Webster, associate matron; R. V. Webster, associate patron; Louise Cooper, secretary; Elizabeth Myers, treasurer; Jo Childress, conductress; Jimmie Smith, associate conductress; Bernice Miller, organist; Virginia Byrd, Ada; Betty Knox, Ruth; Lena Stowe, Esther; Martha Mangold, Martha; Violet Cooper, Electa; Sally Shaw, Warder.

The installing officer was Mrs. Flora McNeill, deputy grand matron, district 2, section 3 from Floydada. Other installing officers were: Anna Dell Quebe, installing marshal; Adie Ford, installing chaplain; Ruth Cox, installing secretary; Evelyn Howell, installing organist; Ethel Mitchell, installing warder; Ewald Quebe, installing sentinel.

The elected officers were hosts at a social hour following the installation ceremony.

Visitors present for the occasion, in addition to Mrs. McNeill, were Mrs. Helen Patterson of Floydada, Joyce and Donald Elwell of Amarillo.

Aiken Friendship Club Has Meeting

The Aiken Friendship Club held a textile painting party Tuesday in the home of Mrs. Randell Collis. Each member attending the all-day affair brought a covered dish luncheon. Hand-made gifts were exchanged.

Present for the occasion were Mmes. Robert Kellison, Dale Hunt, Martin Bradley, Frances Carthel, Buck Kellison, Arnold Langfeldt, O. D. Wofford, Frank Jameson, and the hostesses, Mrs. Randell Collis and Mrs. Lloyd Collis.

No Progress On Cemetery Line

The money is available but due to wet weather no progress has been made recently on the laying of a water line to the Lockney Cemetery. L. M. Horna said Wednesday. More than \$2400 has been contributed by local citizens to lay the 2-inch line from the city limits.

Names of additional donors to the fund were given to The Beacon office this week. They include Howard Smith, Robert Lee Smith, Leon Wofford, W. D. Nance Jr., Mrs. W. F. Faggard, Mrs. Havah Hightower, Mrs. Hugh Carroll, T. J. Ward, Floyd Barber Sr., J. B. Wiggington, Ed Whitfill, H. H. Bennett, Mrs. L. A. Wofford.

Attend Sub-District WSCS Meeting

Four members of the Women's Society of Christian Service of the Methodist Church attended a sub-district meeting at Cotton Center Tuesday of this week along with Rev. and Mrs. E. Lee Stanford.

The women were Mmes. Paul Cooper, Fritz Schacht, W. L. Thomas Sr., and Olive Myers. Mrs. Cooper holds the office of treasurer in the Plainview district.

Rebekah's Initiate Three New Members

Three new members were initiated into the Lockney Rebekah Lodge Monday night, June 17 at the local I. O. O. F. hall. They were Mrs. Charlie Smith, Mrs. Charles Baxter and Mrs. Jay McPheon.

Due to installation services to be held July 1, initiation will be held Monday, June 24, at 7:45.

Taylor, Mrs. Claud Holley and Mrs. Frances O'Hearn gave a very interesting report on the state B&PW convention in Lubbock last weekend.

Members attending were Mmes. Revis Harris, Carl Blair, Gerald Sams, Jack Taylor, O. C. Bailey, Wayne Bybee, Marvin Cox, Jeffie Griffith, Jessie Cox, Claud Holley, R. L. Knox Jr., Dimple McGavock, Frances O'Hearn, L. K. Sherman, M. E. Shipp, Pat Stansell and Joe Wilson.

Chester Parrish Dies Thursday

Chester Parrish, brother to Joe Parrish, local Southwestern Public Service Co. manager, died suddenly at his farm home in the Cone community Thursday afternoon of last week. Mr. Parrish was setting plows on his tractor when he collapsed. He had not been ill previously, relatives said.

The deceased was 60 years of age and had been a resident of the Cone community for most of his life.

Funeral services were held at the First Methodist Church in Ralls Saturday afternoon conducted by Rev. E. C. Armstrong of Abilene. Burial was in Floydada cemetery.

Survivors include his wife, one daughter, Mrs. C. A. Denning, Plainview; four sisters, Mrs. Lessie Garrett, Clovis; Mrs. Susie Dacus, Portales, N. M.; Mrs. Atoka LeMay, Whittier, Calif.; and Mrs. E. W. Dunavant, Floydada; seven brothers, Creed, Lubbock; Joe, Lockney; Efford and Omer, Floydada; Otto, Taos, N. M.; Bonnie, Truth or Consequences, N. M.; and Charlie, Clovis.

E. Thornton Opens Up Fishing Lake

Elmer Thornton, living 6 miles north of Lockney, will open up the fishing lake on his place July 1st, he announced this week. Thornton has operated this lake in previous years when the rainfall was sufficient to keep water in the lake.

Thornton charges \$1.00 per day for fishing and invites everyone interested to come by and spend some time fishing in his lake.

CARD OF THANKS

I would like to express my deep appreciation for the many kindnesses shown me during my recent illness. I thank Dr. and Mrs. Crum, Dr. Wharram, the nurses and all the friends who remembered me. Thanks very much.

Mrs. R. L. Lackey

IN PLAINVIEW HOSPITAL

Dr. A. E. Hewitt was doing as well as could be expected Wednesday, relatives reported to The Beacon. He underwent surgery with no complications in the Plainview Hospital and Clinic Foundation Tuesday morning. Several local men donated blood for the operation.

George Hewitt, Dr. Hewitt's brother, and his family have been here from Gilbert, La., during his illness along with his mother, Mrs. L. M. Hewitt of Kilgore. Two other brothers were here the latter part of last week.

MRS. BYARS AT HOME

Mrs. Baylor Byars is recuperating at home following a recent operation at Medical Center in Plainview. She goes to Lubbock each day for further treatment and is doing fairly well, relatives report.

PARENTS VISITING

Mr. and Mrs. Floyd Tudor, Gainesville, were guests Thursday to Sunday in the home of Mrs. Wilson Kermickel, and Mr. Kermickel, along with Mrs. Kermickel's aunt, Mrs. J. R. Trice of Stephenville.

Mrs. Glenn Whitfill and girls of Mathis, Texas, arrived Tuesday for a visit with her parents, Mr. and Mrs. Alvin Nichols of Cedar Hill and other relatives.

Wheat Reserve Checks Will Be Issued In June

Floydada. — Good news for the wheat growers who put some or all their land in the Soil Bank for the 1957 Acreage Reserve.

They are to be paid in June instead of having to wait until September or October.

Thos. J. Hutchins, manager of the County ASC office, said the county committee had been notified by the State ASC office to begin making payments and have them all paid off by June 30.

June 30 is the end of the USDA fiscal year and this may have some bearing on the early payment of the reserve moneys. However, Hutchins did not so indicate.

"We will pay approximately a half million dollars to 500 wheat growers who put land in the Soil Bank for 1957," Mr. Hutchins said. This represents an average of \$1,000 apiece.

The contracts with the wheat growers call for payment in the fall. The new order will give the farmer his money 90 to 120 days earlier than he anticipated.

The rental fee for wheat land in the reserve ranged from \$9.60 to \$13.20 per acre.

The office is being put on the job of checking the records and issuing checks at once, the office manager said.

Jimmy Howell At Lions Summer Camp

Jimmy Howell, son of Mr. and Mrs. Horton Howell of Sterley, is attending the Lions Crippled Children's Camp at Kerrville.

Joe Hamley, a member of the Lockney Lions Club, took Jimmy last Sunday. He will spend two weeks there. This is the third year Jimmy has spent at the camp and he has been very active and a leader in the camp activities.

Mrs. Homer Hammond and her mother, Mrs. Kate Cottar, both of Ft. Worth, were guests last week in the Claud Hammond home.

I had fire insurance - but I'm out of business for a while

One kind of insurance he forgot

You can't have your business burn down, and go right on doing business, the next day.

Don't forget, you may lose your income for several months.

Wise business men, therefore, carry "business interruption" insurance along with fire, windstorm, etc. It may mean the difference between solvency and bankruptcy to them.

The cost of such insurance is so low you can't afford to miss it. Ask us today about an America Fore policy to protect you against this possible serious loss.

Every Purchase You Make
In a Home-Town Store ... Is Just Like

Putting Money in the Bank

... a bank you can draw on for customers, a job, friends in time of trouble, schools for your children, churches for spiritual help ... and the good life in this community ... where everybody is Somebody

Every time you spend a dollar in this community for goods and services, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for YOU and your family and friends.

It's an investment you can draw on every day of your life ... an investment that pays big dividends in happiness and prosperity, as it strengthens and builds up the vitality of this area in which you live ... and in which YOU are important.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from home, send it to some mail order house, or surrender it to some migratory peddler.

It's gone. To support some other area ... to build up wealth that YOU can never draw on ... and to strengthen those who aggressively drain off the trade of your community ... to weaken your business, your schools and churches, to eliminate your job, and devalue your property.

**It Pays to Buy
where you Live**

YOU get everything that your money pays for ... merchandise AND a trade-invigorated community live in ... when you buy from your home town merchants ...

Mrs. Owen Thornton in Lockney has been ill and in the hospital the past week end, but we hope she was able to go home this Monday. We offer our sympathy to Mrs. Thornton at the passing of her father, Mr. McManigal, who was laid to rest in Happy last Monday, June 19.
 La Juana Newton from Midland visited here last Sunday with her parents, Mr. and Mrs. E. W. Newton. JoAnn returned to Midland with her sister where she spent all last week, and on Sunday her parents went to Midland to bring her home.
 Danny Johnson of Boulder, Colorado, has been here for two weeks visiting in the home of Mr. and Mrs. Loy Deavenport and boys, and will remain part of the summer with them. The Deavenports visited their folks in Boulder during the week after the heavy rains deluged our part of the country. Over 13 inches of rain fell on the Deavenport farm Friday night and Saturday morning during that spell.
 Telephones have been out most of the past week in our vicinity. Trouble was caused the first part of the week when new power lines were put up on the highway going to the cotton gin which is under construction near the J. D. Webb farm, and east of Otto Sanders on the Cedar Hill road.
 Sunday evening, June 20, at the Silverton Baptist Church,

Mr. and Mrs. E. L. Morrison and boys went to Abilene on Sunday to spend the day visiting with relatives. They went via Cross-tex, and were able to get through, even though the road was covered with water in a few places.
 Mr. and Mrs. Sterling Cummings are receiving congratulations on the birth of a little son, named Zach Carter II, born Tuesday morning, June 11 in Lockney and weighing over eight pounds. The Cummings have three other children, Kim, Dee Earle and Paula. Mrs. Cummings and baby son came home from Lockney on Saturday.
 Mr. and Mrs. Murray Julian and Bruce left early on Father's Day to go to Roscoe, Texas, where they visited with Mr. and Mrs. Richard Althoff and family, and attended church services at the First Baptist Church in Roscoe. They returned home late Sunday night and were detained around by Pecosburg on account of water still across roads between here and Ralls.
 Mr. and Mrs. Sylvain Kinnibrugh, Marilyn and Beth left Sunday morning for Trusevitt and Vera, where they planned to spend several days of this week with her mother, Mrs. J. R. Spivey and his parents, Mr. and Mrs. J. A. Kinnibrugh. Wheat is ready to cut this week and Sylvain will help in the harvest with his brothers.
 Vacation Bible School Exercises on Sunday Night
 Sixty-one children and teachers were enrolled in the Vacation Bible School at the First Baptist Church here last week with an average attendance of 53. The Primary class was the largest with sixteen pupils. Commencement was held on Sunday night instead of Friday, and a good crowd was present to hear the children give their Bible stories, quotations, and hear the songs, and to see the handwork they completed during the week. Miss Flory Baxter Retired With Bridal Shower

Miss Flory Baxter, bride-elect of Gene Lancaster, was feted with a bridal shower Friday afternoon in the home of Mrs. J. L. Lovvorn. Guests called during hours three to six.

The bride-elect's chosen colors, orchid and white, were carried out in table decorations. A silver spurge filled with giant orchid stems centered the refreshment table which was covered with lace over orchid. A silver punch service completed table decorations. Bouquets of beautiful roses and mock orange blossoms were placed at vantage points throughout the home.

Hostesses were Mrs. Raymond Teeple, Clyde King, C. A. Stephenson, W. D. Neese, Bailey Henderson, Charlie Merriek, Bob Merrill, Joe Foster, H. E. Frazell, J. T. Griffin, Harley Workman, G. E. Killian, H. H. Sego and J. L. Lovvorn.

Assisting with the house party were Soney Lawson, Nella Tom, Virginia Caldwell, Kitty Ford, Lynn Dollar, Peggy Ford, Katie Rucker, Betty Foster, Linda Baxter, Ann Griffin, Rita Griffith, Carolyn Cunningham, Jennie Hays, Lillian McCormick, Pat Vasek, Far Crisp, Donna Dorman, Leona Dorman, Donna Workman and Gayle Rucker.

Kelvin Baker Weds Jeanie R. Hoggard

Miss Jeanie Ruth Hoggard and Kelvin Baker recited their marriage vows Friday evening, June 7, in the First Christian Church, Plainview. Rev. L. E. White, Baptist minister, directed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Jett B. Hoggard, Plainview. The bridegroom's parents are Mrs. Stella Baker of Lubbock and Arlie Baker, Pecos. He is the grandson of Mrs. Alice Baker, Lockney.

Indirect lighting at the rear of the beautiful church illuminated the chapel where baskets of white gladiolus and mums were placed against the background of large fan-shaped palm arrangements.

Mrs. John W. King, Jr. presented the nuptial music at the organ. Joyce Slough was soloist.

The bride, given in marriage by her father, wore a wedding gown in an original model, white imported French lace and nylon tulle ruffles over net and satin. She carried a cascade of stephanotis surrounding a white orchid.

Miss Sylvia Ferguson was maid of honor, and bridesmaids were Misses Zella Phillips, Monya Thurman, Plainview, Joy Watson, Amarillo, and Gail Lambert, Happy Union.

The attendant's dresses were identically styled of nylon organza over net and taffeta. The bridesmaids wore blue while the maid of honor wore pink. Francisco Gonzales, Lubbock, served as best man and ushers were Dick Farris, E. C. Stevens, O. L. Thompson, Plainview and Donnie Lambert, Happy Union.

For the wedding trip to Mexico City, the bride chose a sheath dress of light blue with matching jacket and white accessories.

Mr. Baker is a graduate of

Vows are read in Plainview Church

Marriage vows were read Friday evening at 8 o'clock in the First Methodist Church uniting Miss Nancy Lou Griffiths, daughter of Mr. and Mrs. Ralph Griffiths, Plainview, and John Harvey Starr, son of Mr. and Mrs. Bud Starr, also of Plainview. Her paternal grandparents are Mr. and Mrs. H. C. Griffiths, Lockney.

Dr. Howard Crawford officiated for the double ring service. Miss Peggy Henry, organist, played wedding selections and accompanied Miss Ernestine Hoffmann, Shamrock, who sang "Because" and "The Lord's Prayer" as a benediction.

Mr. Griffiths escorted his daughter to the altar, where baskets of white gladiolus, chrysanthemums and pompons were highlighted by cathedral tapers in tall candelabra.

Robert Wayland served the bridegroom as best man. Willis Gidless, Jr. and Jody Gidless of Littlefield were groomsmen.

Miss Paula Zimmerman, maid of honor, wore a bell-shaped dress of pastel blue crystalline over taffeta.

The bride's dress was an original model of pure silk overglaze and taffeta with a soft shade of ivory. She carried a bouquet of gardenias showered with stephanotis on a white Bible draped with French lace and satin.

A reception was held immediately following the ceremony. Assisting with the house party were Mrs. Lester Carter, Lockney, aunt of the bridegroom, Mrs. Jack Walker, Birmingham, Alabama, Mrs. W. C. Buntin, Mrs. Paul Zimmerman, Misses Ernestine Hoffmann, Billie Lou Rawdon, Betty Brown, Jeanette Brown and Joan Henry.

Both bride and groom are graduates of Plainview High School and both have been attending McJurry College in Abilene, making in business administration.

The bride is a member of Kappa Phi girls social club at McMurry and Mr. Starr is a member of Kiva boys social club and Circle K.

Rainbow Official Here Friday

Mrs. Martha Marie Whitfield of Dallas will pay an official visit Friday evening at 7:30 when the Lockney assembly of the Order of the Rainbow for Girls will convene.

Mrs. Whitfield is the Supreme Inspector for Texas, Order of the Rainbow for Girls.

All members of the Lockney assembly are urged to be present. All members of the Eastern Star and Masons are invited to attend.

TELEPHONE TALK

by J. C. Oakley, Manager

THANKS FOR YOUR COMMENTS

You probably remember that a few weeks ago, we mailed out post cards to you and all our customers in Lockney. We asked you in the post card what you didn't like about telephone service or our company.

We weren't asking for compliments. We did it to find out what customers had complaints so we could try to remove the causes of their complaints.

Here's how it turned out: We mailed 916 cards and 142 were returned with comments. We naturally were pleased that only 44 replies — about 4.8 per cent of the total mailing — were criticisms. More than twice that many replies were complimentary.

But let's look at the criticisms. Each of the 44 customers who had a complaint was contacted in a sincere effort to clear up the source of his complaint. About 76.9 per cent expressed satisfaction.

That's what we consider our most important job — satisfying our customers, giving you the kind of telephone service you want. And we hope you realize the post card canvass is only one way for you to make your complaints known to us.

If something's bothering you about your telephone service right now, or in the future, don't hesitate to call us. We'd like to know about it, too.

NOT OUT TILL YOU COUNT TEN

Remember this old saying? "Don't lose your temper. Count to 10." Still pretty good advice, I guess.

And 10 can be a magic number for saving your telephone temper, too.

When you make a call and don't get a quick answer, a good rule of thumb is to wait at least 10 rings before you assume no one's there.

Especially during the summer — when people are out in the yard so often — it's a good idea to allow them some extra time to reach the phone.

Call by number. It's twice as fast.

\$48,813.72 Spent By Red Cross At Silvertown

Silvertown. — In announcing the closing of the Red Cross disaster operation in Silvertown, Fred Strange, Jr., chapter chairman of the Biscayne County chapter, reported that 36 local families had received emergency and long term assistance following the tornado of May 15, 1957, and that the total Red Cross expenditures on behalf of these disaster victims was \$48,813.72. Mr. Strange emphasized that all assistance was an outright gift, that none of it is made on the basis of a loan, and no repayment of any kind is required. He stated, "all assistance given to disaster sufferers is made possible through the generosity of the American people who contribute through the Red Cross to help those in need."

Mr. Strange thanked citizen groups, public officials, and local residents who served on the advisory committee in assuring that all Red Cross awards to families were soundly made. Appreciation was expressed for the cooperation of local merchants in filling orders for food, clothing, furniture, and building materials.

"The aim of Red Cross disaster relief operations is to help people help themselves back to normal after catastrophes like this. Thanks to the full cooperation of the entire community, I can now report that the Red Cross mission is accomplished," Mr. Strange concluded.

Plans for the annual field tour in September were discussed and action will be taken on it later.

Moisture penetration tests made by Bob Daniels SCS Technician before the June first rain was 18 inches on flat pasture land with poor vegetative cover and 24 inches or better on pasture land with a good cover, while the cultivated land had a penetration of 30 inches on clean tilled soil and 36 inches and better on stubble mulched and deep broke land.

Test also was on pre-irrigated and dry land. The depth of penetration was found to be the same on the irrigated and dryland. The results so far show that the more litter that is left on top of the soil the deeper the penetration.

Dear Editor:
Government reports the cost of living is still going up, but this isn't much of a shock, as I had already noticed it.

Seems likely groceries will keep on getting costlier, to cover the expense of green stamps, free autos, cash pots, TV sets, etc. Somebody has to pay for these and it ain't the fairies.

Free stuff is pretty fascinating, but there is an old Crossroads proverb which says "Nobody gets nothing for nothing." Except India, Yugoslavia, England, France, Pakistan, smart women, and congressmen.

WIN 10TH PLACE
Warren Mitchell of Pleasant Valley and Billy Don Colston of Dougherty, 4-H club members who entered the state farm safety contest at the annual 4-H Club Roundup at College Station last week, won 10th place among all the teams entering the state meeting. It was reported this week. Four boys, two girls and two adult leaders attended the meeting from Floyd County. They returned Thursday.

Wheat Quota Vote Is Today

Wheat farmers will decide by referendum today (Thursday) whether or not they want marketing quotas on the 1958 wheat crop.

The quotas do not become effective, points out R. G. Shraun, chairman, Texas Agriculture Stabilization and Conservation Committee, unless at least two-thirds of the producers vote in the referendum favoring the quotas. The outcome of the referendum will decide the level of the available price support for the 1958 crop, as well as whether quotas and penalties on excess wheat are used for the crop.

Floyd County received an increase in wheat acreage allotments next year of some 5,000 acres, according to Buck Sams, a member of the ASC committee. Individual allotments have been mailed out and these average nearly three acres increase on the 100 acres, he said.

The following voting places for the referendum were announced: Lockney, Dougherty, Cedar Hill, Floydada, McCoy, South Plains and Lone Star. Eligible voters in Lockney may cast their vote at the Lockney Beacon office between the hours of 8 a. m. and 7 p. m.

All persons are eligible to vote in the June 20 quota referendum who will share in the 1958 wheat crop from a farm in the commercial wheat area on which the wheat acreage to be harvested, plus any wheat at acreage to be put in the Acreage Reserve, will be more than 15 acres.

TO IOWA
Joyce Dillard, daughter of Mr. and Mrs. C. W. Dillard, boarded the Santa Fe Chief in Amarillo Sunday afternoon enroute to Grand River, Iowa, where she will be a guest of Rev. and Mrs. M. H. Mooberry and family, former residents of Lockney. She will be gone about a month.

CARD OF THANKS
We are deeply grateful for the many kindnesses, the food and flowers you sent, during the illness and at the death of Mrs. Thornton's father and during her illness. Your every remembrance is appreciated and will be remembered.
Mr. and Mrs. Owen Thornton.

Local Women Attend B&PW Convention

Two members of the Lockney Business and Professional Women's Club attended the state convention of that organization last weekend in Lubbock.

The Texas Federation of B&PW Clubs, Inc. held meetings in the Coliseum with convention headquarters at the Caprock and Lubbock Hotels. Attending from Lockney were Mrs. Claud Holley and Mrs. Frances O'Hearn.

Library News

A total of eighty five boys and girls have joined the Readers Club for the summer. This number includes both Floydada and Lockney. There is still time to get your name on the readers list. Ask for information at the libraries and try for a Reader's Certificate and a prize. The Readers Club starts with the first grade and goes through High School.

New in the library — "The Turn of the Tide" by Arthur Bryant. This is a history of Field Marshal Lord Alanbrooke, Chief of the Imperial General Staff. The author terms Lord Alanbrooke's diaries "the most important of all contemporary personal records of the war."

For the little folk — "You and the United Nations" by Lois Fisher. You and the United Nations is based on Lois Fisher's famous chalk talk. Willard Johnson, Vice-president, The National Conference of Christians and Jews says, "It is one of the most outstanding presentations of the United Nations that I have been privileged to see. I hope that it will have an enormous circulation both in this country and abroad."
