

The Lockney Beacon

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 56

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY OCTOBER 10, 1957

NUMBER 27

HERE IS A MAP of Floyd County showing the present paved roads in the county along with the proposed highway improvement program when the county votes bonds to provide one-half of the right-of-way cost. As shown on the map, the plan is to pave a four-lane divided road from Floyddada to the Hale County line on Highway 70. Also 4-lane divided highways are planned out of Floyddada east on Highway 70 to the Lakeview farm-to-market road and south on Highway 62 to the farm-to-market road going west to Harmony. The latter two roads will be widened from the end of the four lane sections to the county line but will be two lane roads. Also shown on the map are the voting boxes in the county. In the upper righthand corner is a dotted line showing a proposed connection of the road running south from Quitaque and the Flomot road. The paving on this gap is already on the Highway Department program. A bond issue in the amount of \$294,000 has been proposed to pay the county's share of the right-of-way cost. The bond election will be held November 5th. - Drawing by Sam Fowler, resident engineer.

4-Lane Highway Will Necessitate Improvement Of Lockney Cut-Off

State Highway Commission Chairman Marshall Formby told The Beacon Wednesday that the paving of a four-lane road on Highway 70 would necessitate the re-paving and improvement of the cut-off from the Plains Hotel at the intersection of Main and Locust street in Lockney west to Highway 70. Purpose would be to unload some of the traffic from the intersection in South Lockney.

Locust Street was paved at one time from the business section west to the outskirts of the city. The paving was renewed several years ago out to West Fifth Street but beyond that it is just about gone. Mr. Formby said that this would not be a part of the highway program under the bond issue but that the Highway Department would make the improvements themselves at a different time.

Floyd County will vote on November 5 on a \$294,000 bond issue which would provide funds for the payment of one-half of the right-of-way costs on a highway paving program covering some 45 miles of road in the county. The program includes the paving of a four-lane divided highway out of Floyddada south and east for short distances and then a widened highway the remainder of the distance to the Motley County line on the east and the Crosby County line on the south.

Width requirement for the four-lane road is 280 feet except where the right-of-way parallels the railroad in which case the width is cut to 250 feet. For the two-lane widened highway the total right-of-way requirements is 130 feet.

The first section of the program to be carried out, provided voters approve the bond issue by a two-thirds majority, will be the section from Floyddada west to the Hale County line. The traffic on this road is heaviest of any in the county. Highway officials say, and the State Highway Commission has set aside more than \$800,000 to take care of the cost of paving this section. Chairman Marshall Formby said Wednesday that the State would spend something like a million and a half dollars in paving pro-

Floyddada east on Highway 70 to the Lakeview farm-to-market road and south on Highway 62 to the farm-to-market road going west to Harmony. The latter two roads will be widened from the end of the four lane sections to the county line but will be two lane roads. Also shown on the map are the voting boxes in the county. In the upper righthand corner is a dotted line showing a proposed connection of the road running south from Quitaque and the Flomot road. The paving on this gap is already on the Highway Department program. A bond issue in the amount of \$294,000 has been proposed to pay the county's share of the right-of-way cost. The bond election will be held November 5th. - Drawing by Sam Fowler, resident engineer.

Local Legionnaires To Appear On District Program

Local members of the American Legion will appear on the program at fall convention for posts in the 19th Congressional District meeting at Big Springs Saturday and Sunday.

Wayne Bybee of Lockney, 19th District Vice Commander, will lead the "Preamble" and Wilfred Stoerner of Providence, 19th District Chaplain, will give the invocation at the joint session of the Legion and Auxiliary on Sunday morning.

Meetings will be held at the Crawford Hotel with registration beginning at 1 p. m. Saturday. Congressman George Mahon will be the principal speaker.

District Commander Raymond L. Andrews will call the afternoon session to order and Wayne Bybee will read the Convention Call.

Patterson Is Adding 250,000 Bushel Storage

Patterson Grain Co. of Lockney is adding a 250,000 bushel capacity flat storage building to their elevator here. The big building is being constructed on the Santa Fe tracks, adjacent to their other buildings. Size of the structure is 70 feet by 200 feet and will be steel with concrete floor.

Panhandle Steel Buildings Corp., of Amarillo is contractor on the building and construction should be completed within three weeks, members of the firm said.

Will See New Chevrolet Friday

Art Barker Jr., local Chevrolet dealer, Barry Barker and Jesse Cox, all from Lockney Auto Company, will leave today for Oklahoma City where they will attend a showing of the new 1958 Chevrolet on Friday.

The new Chevrolet is scheduled to be shown here and at other dealer show rooms on October 31, the local people say.

HOME FROM HOSPITAL
W. A. Taylor has returned home after spending several days receiving treatment at Lockney General Hospital. He is feeling better but is not able to be out for a while.

Rugged Slaton Plays Longhorns Here Friday

Lockney's Longhorns will probably face their roughest test to date when they tangle with the powerful Slaton Tigers Friday night on Mitchell-Zimmerman field.

The two teams, along with Spur, hold the lead in District 2-AA and both teams will be seeking their second conference win. Lockney will be trying for their sixth consecutive win of the year.

Slaton, cited as having their best team in several years, has already taken an impressive 33-0 win over Post in district play and will be "up" for the Lockney contest according to Longhorn Coach Rudy Halle.

In non-conference games Slaton outplayed Canyon but came out on the short end of a 26-13 score; lost a 14-7 decision to class A power Seagraves; lost to defending class AA state champion Stamford 26-0 in an even, game statistic-wise; and romped over Roscoe 39-20.

The Tigers, built around Doug Corley, one of the finest quarterbacks in the area, are strong with a good running and passing attack. Slaton's tackles, back from last year's team, weigh 185 and 200 pounds and are very rugged.

Scouting reports indicate that Slaton has a much better club than Abernathy.

Coach Halle termed last week's 42-13 win over Abernathy a "team victory". Halle said the spirit was good last week as Lockney gained their first district triumph. The coach was well pleased with his club and praised the running of all the backs, especially Jerry Williams who scored four touchdowns, and said the downfield blocking was good.

End Donald Farish, who is suffering from a back injury, and Halfback Cliff Hardy, who reinjured his knee in the Abernathy contest, will not see action Friday night but Bill Musser and Nelson Wofford, both of whom were slowed by injuries last week, will be ready for the Slaton battle.

Kenneth Holt or Wofford will replace Hardy at halfback and David Howell will take over Farish's defensive end post this week.

Starting lineup for the Longhorns will be: center, Duane Griffith; guards, Byron Brock and Ronnie Harris; tackles, John Hamst and Kelly Harrison; ends, Larry Hammit and Coy Kidd; quarterback, Billy Karl Race; halfbacks, Williams and Holt or Wofford; fullback, Dickie Barton or Kenneth Callaway. On defense Musser will be at linebacker, Lane Crank at tackle, and Howell at end. Hammit may play halfback on defense.

Milo Loan Rate Is Up 3 Cents

The loan rate on grain sorghum was hiked three cents in this area the past week following an announcement from the USDA that the support rate for the grain had been raised from \$1.83 to \$1.86.

Starting Wednesday of this week this brought the loan price here, net to the farmer, to \$1.61. Previous to Wednesday it had stood at \$1.60. The basic price for this area is \$1.73 from which storage is deducted and one cent deducted for ASC services.

The Grain Sorghum Producers Association of the high plains area is credited with an assist in getting the additional rate on the loan. They have a committee in Washington now working on this and related matters.

Market price on grain sorghum was quoted locally at \$1.45 per 100 lbs.

The loan rate here, as quoted by Baxter & Smith Grain Co., is as follows:

Sept. 27 to Oct. 8 — \$1.60 net.
October 9 to October 20 — \$1.61 net.
October 21 to Nov. 1 — \$1.62 net.
November 2 to November 13 — \$1.63 net.
November 14 to November 25 — \$1.64 net.
November 26 to December 7 — \$1.65 net.

Approval of loan to growers in a "distress area" is described in another story in this issue of The Beacon.

Farm Bureau Plans County Convention

A meeting of Farm Bureau directors and committees will be held tonight (Thursday) at the Farm Bureau office in Floyddada at which plans for the annual Floyd County Farm Bureau County Convention will be made.

President Robert Lee Smith is urging that all directors and committee members attend the meeting tonight. Starting time is 7:30. The group will also review resolutions which will be presented at the county convention.

The county convention will be held Thursday evening, October 17th but the place has not been selected as yet, President Smith said.

Lettuce Harvest Starts; Demand Is Very Good

The lettuce harvest began in this area this week and the demand is good thus far, members of the Lockney Vegetable Growers Association said Wednesday. Four cars have been shipped from the association's shed here, all of it coming from fields of Hubert Frizzell and Elmer Thornton. Altogether members of the association have 300 acres of lettuce and the peak of the harvest will be reached about October 20 to 25. Al Heskett, sales manager said.

The price quoted Wednesday was \$3.00 per crate, which is considered good. The quality of the lettuce is also good, Heskett said. Government graders here Wednesday said that the local lettuce was of better quality than that from other areas.

The lettuce is packed in the field, cooled in the vacuum cooler installed at the association's shed here, and shipped out in refrigerated cars or trucks.

Wiley & Duncan also have a vacuum cooler here but their harvest will not begin before next week, it was reported.

Magazine Salesmen Are Fined Here

Two young men, charged with peddling without a city license, were fined \$15 in city court Wednesday morning by City Judge Wilson Kermickie. The men were arrested Tuesday night by City Officer Lowell Bilbrey after numerous complaints had been received from local residents.

They were lodged in the county jail at Floyddada overnight and appeared before Judge Kermickie Wednesday morning. They were selling magazine subscriptions, officers said.

Bilbrey also arrested two men for drunkenness and filed charges of driving while intoxicated against one of them Tuesday night. The men were Philipinos, here with a vegetable concern, it was said.

Workman Injured In Fall Here

James Bishop, 20 years of age, suffered multiple fractures of both feet and legs Monday when he fell 20 feet from the roof of the new Patterson Grain Co. grain storage building under construction here.

Bishop was working at the edge of the building when he dropped a wrench, fellow workmen said. He grabbed at the wrench and lost his balance. Finding nothing to stop his fall he jumped in order to land on his feet, it was said.

Bishop was rushed to Lockney General Hospital by Carter Ambulance where he was given emergency treatment and then carried on to Northwest Texas Hospital in Amarillo.

Bishop was employed by Panhandle Steel Builders, Inc., who have the contract on the new building. His home is in Amarillo.

ATTEND FUNERAL

Mr. and Mrs. Johns Cox, Mrs. J. J. Harris of Lockney and Mrs. Pepper Martin of Plainview attended funeral services for Mrs. Cox's nephew, Henry Sweett, 46, of Amherst Tuesday. Mr. Sweett was killed in an auto accident near Canyon last Sunday. Services were held at the graveside in the Amherst cemetery.

Approval of loan to growers in a "distress area" is described in another story in this issue of The Beacon.

Rain Brings Abrupt Halt To Harvest

Rain falling last Sunday afternoon and damp weather since that time have brought an abrupt halt to the harvest of cotton and grain sorghum in this area. The moisture totaled .65 of an inch here, measured about a half inch at other points in the neighborhood except at Providence where rainfall totaling an inch and a quarter and an inch and a half was reported.

E. M. Quebe, who lives on the Providence farm-to-market road, between Aiken and Providence had about an inch and a quarter. Further north in Swisher and Briscoe counties the rainfall was even heavier, reports here say.

At Sterley Robert Lee Smith reported one inch and South Plains had about a half inch. Only a sprinkle fell at Cedar, however.

The rains haven't hurt anything as yet but could be harmful if they continue, farmers say. At Providence it was said that the moisture was helpful in that it washed the honey dew off the maize and was also very beneficial to wheat. However in dry land areas the rainfall wasn't enough to provide planting moisture for winter wheat.

The grain crop was being cut slowly previous to the rain and, should the weather dry, no big movement would begin, local elevator men say. It will probably take a freeze to get the bulk of the crop ready for harvest, it was said.

The cotton harvest was gaining before the wet weather and would quickly pick up again if the weather would clear, gin men say. One more week of dry weather will get the harvest going at a good rate but the wet spell makes it uncertain just when that time may come.

Jack Orr, local TEC representative, reported a total of 402 bales ginned at Lockney, Sterley, Lone Star and Aiken up to Wednesday afternoon. This is an increase of 241 over last week's report but practically all the additional cotton was ginned from Wednesday to Saturday of last week.

There is very little movement of labor at the present. Mr. Orr said, and gins report that most of their patrons are able to get what help they need so far.

City Will Buy New Patrol Car

The City Council, in a meeting Tuesday evening, voted to accept bids for a new city patrol car after hearing a report from city officers concerning the condition of the present car. The old car will be traded in on the new one, Mayor J. E. Cox said.

The Council also passed an amendment to the present ordinance concerning city traffic, making legal the installation of yield right-of-way signs instead of stop signs in some places.

The Council agreed to cooperate with the school in furnishing extra officers to patrol the parking area during home football games. Some vandalism on cars at the last home game brought about the measure. The officers will also help in parking the crowd and help to move them out after the game, Mayor Cox said. Members of the Lockney Fire Department have agreed to help with the traffic and patrol work.

The Council took no action on the Pioneer Gas Company's recent request for a small increase in rates.

Local Dog Wins At Hale Mutt Show

David and Kenneth Patterson, young sons of Mr. and Mrs. Richard Patterson of Lockney, showed their dog, Putchie, in the "Mutt Show" at Hale County Fair in Plainview last Saturday afternoon and he walked off with three prizes.

Putchie, a large long-haired dog of uncertain breed and amicable nature, won second place as the biggest dog in the contest. For this he received a red ribbon, a gold loving cup and a world globe. He took a yellow ribbon and a smaller silver loving cup for having the longest tail and a white ribbon for tricks.

I know that Thou canst do everything, and that no thought can be withholden from Thee. — Job. 42:2.

BUSINESS BUILDING lots in Lockney are harder to buy than resident lots, those who are interested say. The First National Bank spent quite some time completing the transaction for their new lot and other business people have tried to buy lots without success. We don't understand the reason for holding onto a business lot unless the owner intends to use it himself. No doubt but that the growth of Lockney has been hindered by such practice in the past. However, there are ways to overcome the tendency and it has happened in many towns. That is for new building to be done in another part of town resulting in a gradual move of the business section and finally resulting in considerable loss to persons holding property in the older part. The person who holds unused property and refuses to sell it "at any price" is simply asking the business area to move away and leave him. The First National Bank's new building is a step in that direction, and it is through no fault of the bank officials. They had no other choice.

MANY FAVORABLE comments have been heard in recent weeks on improvements made in the Lockney Schools. We refer not only to physical plant improvements but also to improvements in the curriculum, methods of teaching, etc. Supt. H. H. Nicholas, the principals, the school board, and others who have had a hand in the matter are to be commended. Whether the Citizens Committee, who operated during the early part of the year, was helpful in bringing about the improvements or not, we do not know but we do know that some of the improvements made were suggested by the various groups in the Committee. Seems to us that the stirring of citizens interest in school affairs is always a healthy and helpful thing. Also it serves to keep the patrons informed on school needs and problems which is also a healthy situation.

NOT REFERRING to the local school, but many times people who hold an official

THINK IT OVER!

With Our EXCHANGES

NOT MUCH INTEREST
This situation, you would think, would lead to a bunch of irate farmers who would come out bucking for acreage allotments and supports on grain sorghums. Instead, when they have a meeting to work out plans, something like 25 to 35 people show up. On the other hand the farmers down in Hale County, where they have cotton as a basic crop, seem to be supporting the grain sorghum organization around 80 per cent strong. Most of the stores in Plainview display big signs which read, "I am backing the grain sorghum association. Are You?" In Hereford, where grain sorghums are far more important, the stores are like the farmers; namely, not very excited about the whole thing. — Jimmie Gillentine in Hereford Brand.

NO SOVEREIGN STATES

The deadly race war in Arkansas is a depressing thing. Especially when you know

that it did not have to occur. That's like every other war. But the administration, mainly those who were scared early this month that the farm revolt in the Senatorial election in Wisconsin foretold the defeat of the Republican hopes in 1960, seems to have deliberately promoted the terrible thing. The President of the United States has openly lent his prestige the past five years to developing a sentiment in America that farmers are a worthless, shiftless element of our society and should be abolished. The Wisconsin election backfired and everybody looked wildly around for another issue. The Negro problem, which has been well handled in the South for nearly a century, was chosen as the target. Attorney General Brownell and Chief Justice Warren got on their horses and, with the aid of the NAACP, prodded the people of Arkansas to the point we are now witnessing with shame and regret. When this is settled, we shall see what we have so proudly hailed as a union of sovereign states as not even shadows of Sovereign states, but mere subjects of a fascistic federal oligarchy.

— J. M. Rankin in Crosbyton Review.

BUSYBODY COURT

There seems to be no escape from the meddling of the present Supreme Court—not even on the other side of the River Styx.

Stephen Girard of Philadelphia died 126 years ago. But the court now decides that he had no right to leave a sum of money for the folks he had in mind and specified. Thus the small secondary school which he endowed in his home city for "poor, white, fatherless boys" must now admit Negro lads as well.

The court's argument is that even a privately endowed school enjoys certain benefits from organized government and hence is subject to the Fourteenth Amendment.

By this cockeyed line of reasoning, the same court can order coeds admitted to West Point, rabbinical students to Catholic seminaries, octogenarians to both spring and fall football training at SMU. No discrimination, mind you, on account of race, sex, age, creed or "previous condition." — Dallas Morning News.

Dear Editor:
My debt-prone neighbor says there is no question that banks are getting more friendly these past few years. They say so themselves.

And any non-skeptical individual watching a current type banker turn you down for a loan would think it was hurting him worse than it was you.

Says, though, he wishes his bank would stick to newspaper ads to brag about their friendly attitude and not write him letters about it. Every time he gets a letter from the bank, he ages another couple of years while tearing it open to see if they are calling his loan.

MR. GRAIN SORGHUM PRODUCER!

A serious problem for grain sorghum producers has developed. A declining market with a continuously expanding production far exceeding the present demand, makes it imperative that the farmer himself take some action to rectify the situation. You will agree that for a more prosperous agricultural area, the market for grain sorghum must be expanded and more favorable legislation enacted.

The Grain Sorghum Producers Association is attempting to improve the "picture" for grain sorghum producers through an expanding program of RESEARCH, MARKET DEVELOPMENT and LEGISLATION. There is now an agricultural economist experienced in grain marketing on the Association's staff to develop these activities.

We urge you to support this program by requesting your local elevator to deduct TWO POUNDS OF GRAIN out of each 1,000 pounds you deliver and deposit it to the account of the Grain Producers Association in your name.

Every grain elevator in Floyd County has agreed to deduct the grain with your permission as their contribution to this program.

JOIN YOUR NEIGHBOR! SUPPORT THE GRAIN SORGHUM PRODUCERS ASSOCIATION!

THE LOCKNEY BEACON

WILLIAMS, RACE ARE NAMED AS "PLAYERS OF THE WEEK"

Jerry Williams, speedy Longhorn halfback, was cited by the Lubbock Avalanche-Journal as "Back of the Week" for his showing against Abernathy last Friday.

Williams paced the Longhorns to a 42-13 win over Abernathy by scoring on runs of 68, 74, 73, and 30 yards. The senior left halfback has tallied 54 points for Lockney this season and has been one of the main reasons for the Longhorns fine season.

Billy Karl Race was named last week as the Amarillo Globe-News class AA "Player of the Week" for his performance against Ralls. The junior quarterback scored Lockney's first touchdown and started the team to victory over Ralls. He has also been a main cog in Longhorn machine this season, scoring 33 points.

John Hanst, Kelly Harrison, and Lane Crank were mentioned in the Avalanche-Journal's "Linenman of the Week" contest last week.

Jerry Williams, Longhorn left halfback, tallied 24 points against Abernathy last week and moved far into the lead for most points scored this season. Williams has scored nine touchdowns and 54 points.

Other leading men in Lockney's potent attack, Billy Karl Race and Dickie Barton, have accounted for 33 and 32 points respectively. Quarterback Race pushed across three extra points against Abernathy while Fullback Barton crossed the double-stripe for two touchdowns and one extra point.

Fullback Kenneth Callaway and Larry Hammit, end, each added one extra point against Abernathy. Callaway has now scored 7 points and Hammit's score was his first.

Halfback Cliff Hardy has accounted for 18 points this season. John Hanst has seven, and Nelson Wofford is credited with six points.

The Longhorns' high-geared offensive machine has pushed across 158 points in five games for an average of 31.6 points per contest. The defense has allowed 33 points for an average of 6.6 points per game.

Austin — A man came into A. J. Bishop's dry cleaning shop, asked for his suit, then asked Bishop to confirm the color.

Then he got behind the wheel and drove away.

Following is a record of 2-AA teams:

Team	W	L	T	Pct.
Lockney	5	0	0	1.000
Floydada	3	1	0	.750
Spur	2	1	2	.600
Abernathy	2	3	0	.400
Tahoka	2	3	0	.400
Tahoka	1	4	0	.200

District:

Team	W	L	T	Pct.
Lockney	1	0	0	1.000
Slaton	1	0	0	1.000
Spur	1	0	0	1.000
Floydada	0	0	0	.000
Abernathy	0	1	0	.000
Tahoka	0	1	0	.000
Post	0	1	0	.000

Lockney Offense, Spur Defense Set Pace In District

Lockney's highly explosive offense rallied for 42 points against Abernathy last week which moved the Longhorns far into the District 2-AA scoring lead.

The picture is not all bright for Lockney, however, as Abernathy scored 13 points allowing Spur to take over the district defensive leadership. Spur has permitted only 27 points this season and Lockney has been penetrated for 33 points. Only 34 points have been scored against Floydada but the Whirlwinds have played only four contests.

Following is a list of scoring by and against each team in the district.

Team	Points	Op's
Lockney	158	33
Floydada	93	34
Spur	67	27
Slaton	92	86
Abernathy	77	103
Post	22	117
Tahoka	21	96

3 Games Slated As 2-AA Enters Second Week

Two rugged battles are shaping up in District 2-AA this week as Slaton prepares to invade Lockney and Abernathy gets ready to travel to Spur. Floydada will host Tahoka in another 2-AA contest and Post has an open date.

Lockney's Longhorns were again selected by both the Lubbock Avalanche-Journal and the Amarillo Globe-News as the top AA team in the area and the powerhouse Longhorn squad remained the Fort Worth Star-Telegram's choice as the third ranking AA team in the state. In the Avalanche-Journal's area ratings Floydada was picked as the number three team and Spur was picked tenth. The Amarillo paper placed Floydada fifth.

Lockney and Slaton are each credited with one conference victory and the teams will be fighting for another triumph and a possible district title. The winner will remain at least a tie for the district lead.

The other highlight game will pit the Abernathy Antelopes against the rugged Spur Bulldogs. Spur, along with Lockney and Slaton, holds the district lead and with a win over Abernathy the Bulldogs could maintain a tie for the top spot.

Powerhouse Floydada, idle last week, cracks open their district slate with a game against Tahoka. The Whirlwinds will be playing at home and are solid choices to take the game.

Three Teams Take Lead Lockney, Slaton, and Spur grabbed victories in the first week of conference action to move into the district lead.

Lockney showed class in drubbing tough Abernathy 42-13. The Longhorns, sparked by speedy Jerry Williams, proved to be one of the district powerhouses.

Slaton also looked strong in crushing Post 33-0. The Tigers were impressive in non-district games and promise to stay in the district race all the way.

Tahoka gave Spur more trouble than expected but came out on the short end of a 13-7 score.

Following is a record of 2-AA teams:

Team	W	L	T	Pct.
Lockney	5	0	0	1.000
Floydada	3	1	0	.750
Spur	2	1	2	.600
Abernathy	2	3	0	.400
Tahoka	2	3	0	.400
Tahoka	1	4	0	.200

District:

Team	W	L	T	Pct.
Lockney	1	0	0	1.000
Slaton	1	0	0	1.000
Spur	1	0	0	1.000
Floydada	0	0	0	.000
Abernathy	0	1	0	.000
Tahoka	0	1	0	.000
Post	0	1	0	.000

Lockney Dumps Abernathy

Lockney's Longhorns, sparked by the break-away run of Jerry Williams, continued on their winning way Friday night as they romped over the Abernathy Antelopes 42-13. The win was Lockney's first in district play.

The host Antelopes played the best Longhorns to a 14-13 tie in the first two periods and trailed only one point at intermission.

Lockney broke loose in the third period and scored 28 points in the final quarter. Williams scored on spark-runs of 68, 74, 73 and 30 yards to account for four of the Longhorns touchdowns. Fullback "Bagger" Barton crossed the double-stripe for the team's first and last six-pointers.

The rugged Longhorn line played a fine game, especially in the last half when their play was sharp and defensive play outstanding. John Duane Griffith, and Larry Hammit spearheaded the offense.

Williams drove to Abernathy's 41 but the Longhorns were charged with a 15 yard penalty. Race made 1, and Williams again got away and raced 73 yards to score. Kenneth Callaway bulled for the point and Lockney's lead increased to 28-13. With 5:15 to go in the third quarter.

Abernathy returned the kick from the 21 to their 43, gained 4, a fumble lost 11, a pass fell incomplete, and the Antelopes punted to Lockney's 19. Race returned the punt to the 25.

Williams made a first on the 37, Barton drove for 4, Barton recovered his fumble for a first on the Abernathy 49, and the Antelopes recovered a fumble on their 48.

Abernathy gained 0, a first on Lockney 41, a first on Lockney's 28, and lost a fumble which Hanst recovered.

Barton plowed for a first on the Lockney 37 and Williams made 7 as the third quarter ended.

Holt made 2, Barton gained a first on the 50, Barton picked up 2 and 7, Holt drove for a first on the 37, Barton made 4, Holt gained 4, a 5 yard penalty was charged against Lockney. Williams went for 4 and scored from 30 yards out. Barton bulled for the point and Lockney pulled away 35-13 with 7:56 remaining in the game.

Hanst's kick was brought back to the 19, a line play failed, a pass was incomplete, Abernathy lost 1, and punted to the Lockney 48 with Race moving the ball back to Abernathy's 37.

The Longhorns fumbled a gain and Abernathy took over on their 31.

The Antelopes gained 1, 2, 1, and punted to the Lockney 33. Race returned the punt to Lockney's 38 but a clipping penalty pushed the ball back to the Longhorn 31. Williams lost 1, Race made 6, an offside penalty cost Lockney 5 yards, and a pass was intercepted on the Abernathy 46.

Abernathy made 1, had an incomplete pass, made 7 on a pass, and after a five yard penalty against the Antelopes, the Longhorns stopped Abernathy for no gain and took over on the 50.

Williams made 2, a Race-to-Barton pass worked for a first on the 28, Barton plowed for 7, a Race-to-Hammit pass moved the ball to the 2, Barton drove over to score with seconds to play. Race kept for the point and Lockney pushed the score to 42-13.

Hanst kicked an on-side boot which Abernathy covered on their 45. The Antelope's passer was thrown for a ten yard loss as the game ended.

Scoring by Quarters:
Lockney 7 7 14 14-42
Abernathy 7 6 0 0-13

	Lky	Aber
First Downs	20	9
Rushing	18	8

Retired Farmers Should Check On Earnings For SS

Now would be a good time for some South Plains farm and ranch operators in the area serviced by the Lubbock Social Security Office to take a long look at their earnings prospects for 1957, according to John G. Hutton, District Manager of the Social Security Administration.

The particular farmers referred to are those who have filed claims for social security payments and were under age 72 on January 1, 1957. Some of these persons have had their checks suspended, while others have had them arriving each month, depending on how they estimated their 1957 earnings to be. Rain — too much or too little — and other workings of

nature may have caused their original estimates to be too high or too low. As a result, some of these persons who have had no checks this year could now get them, and others who have been receiving their checks should have them stopped.

This comes about, stated Mr. Hutton, because of the earnings restriction for beneficiaries not yet 72. If net earnings for the year are \$1200 or less, the claimant can collect all twelve retirement checks from Social Security for that year. If net earnings are between \$1200 and \$2080.01, some benefits may be payable for the year. If earnings are expected to exceed \$2080, generally no social security checks would be payable for that year since such persons are not considered "retired" within the meaning of the Social Security Act.

Persons living a considerable distance from Lubbock are reminded that Social Security representatives visit all counties, following a schedule which is available at your local post office. A representative will be in Lockney, Texas, at the High School on October 14, at 1:30 p. m., and will be glad to assist in all matters pertaining to Social Security.

Distemper is commonly considered a form of influenza.

There are more than 100 breeds of domesticated dogs.

Aztec-Mayan Rituals To Be Performed At State Fair

Colorfully costumed dancers re-create the mysterious rituals of a vanished race in the exciting Aztec-Mayan Spectacular, free show to be presented twice daily on the Magnolia Midway Stage at the 1957 State Fair of Texas in Dallas, Oct. 5-20. The ceremonial dances are climaxed with the death-defying flight from a 100-foot pole (right) by the amazing "Flying Indians," the Birdmen of Teotihuacan.

Larry Baker In Hospital

Larry Baker, of Lubbock, son of Mrs. Alice Baker, Lockney, has been seriously ill in West Texas Hospital, Lubbock, the past three weeks. He is improving gradually, according to relatives here, but his stay in the hospital is indefinite. He has received many cards, letters and flowers from friends in this area and he is deeply grateful for them, however, because of an allergy, he has been prohibited any more flowers in his room. He will be happy to be remembered by his friends with cards, letters or visits.

P. M. Smitherman Returns Home

P. M. Smitherman has returned to his home east of Lockney following a three-months visit with his daughter, Mrs. Fred Cox and family at Edmonton, Alberta, Canada. Mr. Smitherman has been making a visit there each summer for the past four years and says he enjoys it very much. He does a lot of fishing there. Mr. and Mrs. Cox returned home in their 4-place plane, going on to Fort Worth for a visit with other relatives and then returning home. Mr. Cox is connected with an oil company.

Mother Goose Tots Make Train Trip

Twenty-four kindergarten students from Mother Goose School, and fourteen mothers enjoyed a train trip to Lubbock last Friday.

The group enjoyed a picnic lunch at Mackenzie State Park before returning home in the afternoon. They returned by cars.

Mrs. Wood, teacher of the school, states that there was some change left from the train fares and it has been placed in the school Polio Fund.

GO TO CHURCH SUNDAY.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF THE LOCKNEY BEACON, published weekly at Lockney, Texas for October 3, 1957.

1. The names and addresses of the published, editor, managing editor, and business managers are:
Publishers, Edgar R. Hays and Willis Reynolds, Lockney, Texas.
Editor, Edgar R. Hays, Lockney, Texas.

2. The owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a partnership or other unincorporated firm, its name and address, as well as that of each individual member, must be given.)
Edgar R. Hays, Lockney, Texas.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: none.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was (This information is required from daily, weekly, semiweekly, and tri-weekly newspapers only) 1562.
Edgar R. Hays.

Sworn to and subscribed before me this 27th day of September, 1957.

"When TV across the ocean is perfected, we'll be able to see just where our money is going." — Howard Duff.

"Staring up to admire your own halo creates a pain in the neck." — Harold Coffin.

"The difference between intelligence and education is that intelligence will make you a better living." — Charles F. Kettering.

"A lot of people might spend less time watching TV if only they could remember what it was they used to do." — Charles Ruffing.

IN THE NAME OF JUSTICE

San Antonio, Texas. — A female salesman who can't speak English had a driver's license finally after justice went out of its way to help him get one.

The salesman, Fabian Hernandez, 29, was hauled into court for the fourth time for driving without a license. Asked, "Why in the world don't you get a license?" Hernandez replied that he had been to the state highway license department several times, but no one there could understand what he wanted.

Arresting Patrolman Raymond Church offered to go with Hernandez to get the license — but Church can't speak Spanish.

A Spanish-speaking secretary solved that problem, and Hernandez passed the test with flying colors. Judge Harold Hall was so pleased he dismissed the last two tickets against the tamale salesman.

Preheat the broiler while you remove both ends from a Number 2 can of corned beef hash. Slide the hash out of the can, cut into four thick slices, spread with A-1 sauce or mustard and broil five inches from the flame until it sizzles. Turn rounds of hash upside down, place a slice of cheese on each one and broil until cheese melts. Serve on hot toasted buns accompanied with crisp relishes.

Tech Enrollment Sets New Record

Lubbock — Texas Tech has enrolled 8,543 students to set a new all-time record for the fall semester.

The previous record was 8,055, set last fall when Tech maintained its position as the second largest State supported college or university in Texas.

The Registrar's Office announced that the School of Engineering has the largest number of students — 2,744. The School of Arts and Sciences has 2,625; Business Administration, 1,517; Agriculture, 791; Home Economics, 415; and Graduate, 451.

Men students outnumber women more than three to one. There are 6,289 men and 2,254 women in the student body.

It is not definitely known where or when it originated.

Turning the man for the doorknob, stepped side and walked to a car, groping for the door handle, gropingly hung up the su...

Notice Of Election

THE STATE OF TEXAS:
COUNTY OF FLOYD:

TO THE RESIDENT, QUALIFIED ELECTORS OF THE COUNTY OF FLOYD, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in Floyd County, Texas, on the 5th day of November, 1957, on the proposition and at the places more particularly set forth in the election order passed by the Commissioners' Court on the 25th day of September, 1957, which is as follows:

AN ORDER CALLING AN ELECTION ON THE PROPOSITION OF THE ISSUANCE OF \$294,000.00 ROAD BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF.

WHEREAS, there has been presented for the consideration of the Court a Petition signed by T. B. Mitchell and 109 other persons praying that an election be held in Floyd County on the proposition of the issuance of Road Bonds of said County in the amount of \$294,000.00 and the levy of a tax in payment thereof; and

WHEREAS, the Court has found that said Petition is signed by more than fifty (50) of the resident, qualified property-taxpaying electors of Floyd County owning taxable property in said County and who have duly rendered the same for taxation; and

WHEREAS, the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Floyd County;

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF FLOYD COUNTY, TEXAS:

1. That an election be held in said County on the 5th day of November, 1957, which is not less than thirty (30) days from the date of this order, to determine:

"Whether or not the bonds of Floyd County, Texas, shall be issued under Article III, Section 52 of the Constitution in the amount of \$294,000.00, bearing interest at a rate not to exceed 5% per annum, and maturing at such time as may be fixed by the Commissioners' Court, serially or otherwise, in not to exceed Twenty-Five (25) years from the date thereof, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turn-

pikes or in aid thereof throughout Floyd County Texas; and whether or not ad valorem taxes shall be levied annually on all taxable property in said County sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity. The proceeds from the bond issue will be used for the purchase of right-of-way in the following projects:

1. For the purchase of right-of-way for widening U. S. Highway No. 70 in Floyd County, Texas, from the Motley County Line to the Hale County line.

2. For the purchase of right-of-way for widening U. S. Highway No. 62 in Floyd County, Texas, from the city of Floydada to the Crosby County Line.

3. That said election shall be held under the provisions of Chapter 3, Title 22, Revised Statutes of 1925, as amended by Chapter 16, Acts of the First Called Session of the 39th Legislature.

3. All persons who are legally qualified electors of this State and of this County, and who are resident, qualified property-taxpaying electors of this County, owning taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election, and all electors shall vote in the election precinct of their residence.

4. The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF."

5. The said election shall be held at the several polling places in Floyd County, Texas, and the election officials shall be the same as those appointed to hold the Constitutional Amendment Election on the same date; the polling places being as follows:

In Precinct No. 1 at Light-house Electric Office, Southwest Floydada.

In Precinct No. 2 at Starkey Club House, Starkey.

In Precinct No. 3 at Voting House, Allmon.

In Precinct No. 4 at School House, Sandhill.

In Precinct No. 5 at City Auditorium, East Lockney.

In Precinct No. 7 at School House, Providence.

In Precinct No. 8 at School House, Lone Star.

In Precinct No. 9 at School House, South Plains.

In Precinct No. 11 at Freeman Loves Garage, Cedar Hill.

In Precinct No. 12 at Basement of Methodist Church, Fairview.

In Precinct No. 13 at Club House, Baker.

In Precinct No. 15 at School House, Lakeview.

In Precinct No. 16 at Club House, Harmony.

In Precinct No. 17 at Baptist Church, Goodnight.

In Precinct No. 18 at Basement of Methodist Church, West Lockney.

In Precinct No. 19 at City Hall, Northwest Floydada.

In Precinct No. 20 at School House, Dougherty.

In Precinct No. 21, Sterley School House, Sterley.

In Precinct No. 22 at McCoy Store, McCoy.

In Precinct No. 23 at County Court Room, Southeast Floydada.

In Precinct No. 24 at County Attorneys Office, Northeast Floydada.

6. The following are hereby appointed Special Canvassing Board to canvass the Absentee votes to be cast at said election:

Ben P. Ayres, W. G. Collins, A. P. Barker Jr., J. R. Belt Jr., Mal Jarboe.

7. The manner of holding said election shall be governed by the General Laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the Statutes hereinabove cited.

8. Notice of said election shall be given by publication of a copy of this order in the "Floyd County Hesperian" a newspaper published in said County, for three (3) successive weeks before the date fixed for holding said election. In addition thereto, there shall be posted other copies of this order at four public places in the County, one of which shall be at the Courthouse door for three (3) weeks prior to said election.

9. The County Clerk is hereby directed to publish and post the same as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by the Court.

PASSED AND APPROVED this 25th day of September, 1957.

AND YOU'LL

GO GAS

Everytime

Gas has no rival when it comes to cool cooking — for with gas you have no warm-ups, heat hang-over nor open-door broiling! Gas has no rival when it comes to clean cooking for perfectly adjusted, a gas flame leaves pan bottoms gleaming, and the Burner With A Brain eliminates scorching and boil-overs! Gas has no rival when it comes to economy — it's five to eight times cheaper than any other fuel! For the full story, check with us or visit your gas appliance dealer.

Invite you to enjoy top television entertainment with Playhouse 90. Consult your paper for time and station.

FLOOD BATTERED. BUT IT'S HOME

ABILENE, TEX. — Familiar surroundings outweighed all flood discomforts with Mrs. Gertrude Hurd, 75-year-old blind returning to her home as soon as waters went down sufficiently, despite urging from friends and Red Cross workers. Here she sits in her favorite chair from which she says she can find her way to anything in the house. Helping her is Estell Johnson, one of the 56 trained Red Cross national disaster workers who have been dispatched to the Southwest storm area to assist chapter volunteers in helping disaster stricken families restore homes, furnishings and other living necessities. Red Cross relief operations have been constant throughout the month of April in Texas, with workers now spread through eight tornado swept counties and 18 other counties affected by floods.

Milo Distress Loan Announced, Rates Up 3 Cents

Lubbock — Rep. George Mahon of the 19th District this week commended officials of the Department of Agriculture for announcing a special distress loan on milo. The loan had been urged by farmers and farm groups, and Mahon had presented the request to the grain branch of the Department of Agriculture early in September.

The distress loan will provide milo producers with a special loan equal to 80 per cent of the regular loan. It is designed to aid producers who are unable to take advantage of the regular loan by reason of the lack of storage facilities. The producer would have 90 days or not later than March 31 of next year to locate storage and convert his distress loan into a regular loan. Details of the program are available through County ASC Offices.

The distress loan is necessary by reason of the very heavy milo production, limitation of elevator capacity and the critical shortage of boxcars to transport the milo to available storage.

Mahon said that it was his hope that the distress loan would tend to stabilize the marketing of the milo crop. He said that he hoped the new program would not have to be used in a very big way as it had certain disadvantages and was primarily meant as an aid to a more orderly disposition of the crop.

At the same time the distress loan was announced, a 3 cents per hundred weight increase in the loan rate was announced. The previous rate was an interim rate. The new rate is the final rate for the 1957 milo crop.

HOME FROM FRANCE

Jim Nance has recently returned from a year service with the army in France. His brother, Joe Nance, who is still in France will return home November 12 after spending 15 months there. Both boys served as clerks with the Medical Division and were stationed at Orleans, France. Jim is visiting his mother, Mrs. W. D. Nance and other relatives and helping on the family farm in Lone Star community. He plans to return to Hardin-Simmons University in February to complete his college degree.

BEAUTY COUNSELOR HERE

Sarah Easley, noted beauty counselor, will appear at the Jack & June Shop here next week, Monday through Saturday, where she will give free skin analysis and facials without obligation. Miss Easley has studied under various skin specialists and was manager of the cosmetics department of a large chain of drug stores for several years. She has been introducing her own cosmetics for the past 22 years.

Mr. and Mrs. C. H. Rose spent last weekend in Roswell, New Mexico visiting their son, Delbur Rose and family.

Mr. and Mrs. Juan Riojas, Lockney, are the parents of a baby boy born 10-4. He weighed 7 lbs. and was named Jose Juan.

Mr. and Mrs. Julian Castaneda, Lockney, are the parents of a baby girl born 10-7. She weighed 7 lbs. 12 ozs. and was named Delia.

Mr. and Mrs. Dale Goen, Floydada, are the parents of a baby boy born 10-7. He weighed 7 lbs. 9 ozs. and was named Gregory Polk.

High Plains Cotton Estimate Up 25,000

Lubbock — A 25,000-bale increase in the 1957 high plains cotton crop estimate during September has pushed the October estimate past 1,700,000 bales, according to county estimates released by the Lubbock Cotton Exchange and the Plains Cotton Growers, Inc.

The September estimate totaled 1,688,000 bales for the 23 member counties of the Plains Cotton Growers whereas for October the estimate is 1,713,000 bales.

While the crop estimate is a bit larger, several agricultural officials admit that dryland cotton has suffered for moisture in some counties and the estimated yield has thus been reduced.

Ginning is underway in most counties with the bulk thus far from dryland fields and early irrigated cotton. More warm weather is still needed to speed up maturity. An early frost still is the top danger feared most by High Plains producers. It could either see this crop estimate realized or it could see a much smaller crop harvested, depending on how late or early frost comes.

Estimated increases were noted in Floyd County, from 73,000 to 74,000 bales; Hale County from 151,000 to 153,000 bales; and Dickens County, from 11,000 to 25,000 bales.

Dr. Longnecker Speaks To Rotary

Dr. T. C. Longnecker, of the High Plains Station at Halfway, spoke to the Lockney Rotary Club last Friday, reviewing the history of the Texas Research Foundation, of which the High Plains farm is a part, and telling of some of the experiments now underway there.

Dr. Longnecker told the group that the farm now has two irrigation wells and a recharge well in addition, which is being used in tests on raising underground water level, sedimentation, etc.

He recounted details of various fertilizer experiments at the farm, recounted the results of the fertilizer programs and the profits possible under such a program. He stated that farmers of this area seemed to be more interested in fertilizer experiments than any other phase under study at the farm.

Other experiments include variety testing and new crops experimentation, he said. Some of the new crops being tested at the station now include soybeans, sesame, castor beans and sunflowers.

Leroy Durham was in charge of the program for the day. A number of visitors from Floydada and Plainview were present. John Hanst was introduced as Junior Rotarian for the month. He is a senior in Lockney High School.

PTA Enrollment Set For October

The month of October has been proclaimed by Gov. Price Daniel, as Parent-Teacher Membership Enrollment Month. The local organization is observing this month for enrollment by urging each child in the public schools to bring their parents membership fees to school, according to Mrs. Lavon Johnson, membership chairman.

In order to qualify for the attendance prize at PTA meetings during the year, parents or other patrons must be a member of the organization. Deadline for accepting memberships is the last day of October. In grade school the students are asked to bring their membership fee which is 50 cents for each parent, to their teacher. C. H. Cheves is accepting memberships at Junior High and Henry Ford Jr., will accept those from high school students.

The Dog and His Bone

AESOP, the well-known fable teller, started that story about the little dog . . . who went trotting home one day with a nice bone. On the way he saw what looked like a much juicier one in the bright mirror of a water hole . . . but, in grabbing for it, he lost the bone he already had.

There's a good moral for one and all in this story. But the educational value of fables must be over-rated. Because this one has been around for 1300 years and

people are still risking . . . and often losing . . . some of the good things they have by reaching for something that is more temptingly offered.

Like some of us here in this community . . . who roam far and wide in a search for "better deals" and thereby seriously undermine the economic structure which supports our own businesses and jobs, our fine schools and churches, and all the other elements of our well-ordered American small town life.

In this community . . . right now . . . we could be enjoying much greater prosperity, much finer social and civic facilities . . . if we had but kept in our local economic bloodstream all of the money we've put into the upkeep and upbuilding of larger cities in years past.

The new revised edition of *The Man and The Book Nobody Knows* by Bruce Barton has recorded what he has discovered for himself of the Bible. In so doing he reveals to hundreds of thousands that the greatest life ever lived and the greatest book ever written may be rediscovered in every generation. For a good biography read *The Three Lives of Harriet Hubbard Ayer* written by her daughter Margaret Hubbard Ayer.

Memorial Books
Given in memory of Mr. Kelly Hagood by the following: Mrs. A. G. Evers, Mr. and Mrs.

GUESS WHERE? — This is Lockney's main street with the photographer standing about in front of the present Lockney Beacon office looking north, according to owner of the picture, Edgar Howard of Monette, Mo. Mr. Howard is a brother to the late Homer Howard and attended funeral services for him here recently. He dates the picture at about 1902. Business houses to the left in the picture include Baker Mercantile, Cowart & White drug store, the post office, Baxter Hardware, Alford Hotel and McCollum Hardware. To the right they include the Lockney Beacon office, E. L. Ayres dry goods, Griffith Grocery, owned by Daff and Thee Griffith, Edgar Howard Confectionery, Vandergriff Barber Shop, Lockney National Bank,

livery stable and blacksmith shop. Mr. Howard said that he was the first man to put ice in Lockney, hauling it here from Plainview. He made ice cream and sold it from his confectionery. Mr. Howard is now a railroad man, working out of Monette, Mo., and going to Paris, Texas. He has been with the railroad 52 years.

present farmers in this zone for another five year term.

VISIT IN COLORADO
Mrs. Ben McGhee returned home Saturday after spending the past three weeks visiting in the home of her daughter, Mrs. Bill Wesley and family at Palisade, Colorado. Mrs. R. C. Phillips accompanied her sister-in-law, Mrs. McGhee to Colorado on September 15 and returned home five days later.

SOIL CONSERVATION DISTRICT NEWS

John Stapleton, Mr. and Mrs. A. W. Roasch, Mr. and Mrs. D. W. McCoy, Mr. and Mrs. E. R. Duff, Ann Brown Guthrie and Aubrey Guthrie.

Given in memory of Mr. M. W. King by Mr. and Mrs. Mart Martin.

Given in memory of George B. Marshall and Erna Lee Crawford Marshall by Myrna Marshall.

Given in memory of Mr. Ransom Falker by Floydada Rotary Club.

Given in memory of Mr. George Perkins by Mr. and Mrs.

Cooperators of the Floyd County Soil Conservation District are encouraged to plant vetch now. Hairy vetch is adapted to all cultivated land in the district and is one of the best annual water legumes for soil conditioning. Vetch can be grazed by all classes of livestock and also provides a good cover to help prevent damage from wind and water erosion. Many farmers have experienced from 25 to 50 percent increase in yield from crops following vetch. Some say that they can move into a higher gear when plowing vetch land. Vetch, like other legumes have the ability to take free nitrogen from the air and store it in the soil. It has been estimated that one ton of vetch will store 12 pounds of nitrogen in the soil. Soil Conservation Service technicians have made clippings on vetch that was drilled and found as much as 16 tons of green weight per acres. Vetch can be planted with a common drill at about 20

South Plains

By Mrs. Murray Julian

South Plains averaged around half an inch rainfall Sunday afternoon and night. Reports included Early Pritchett, 70; 1.25 on the Kendall Cummings place in a heavy downpour, 50 on the Fortenberry farm. The rain gauge on the M. M. Julian place showed .65. Most of the grain is about ready to cut, and farmers are hoping for more drying weather with the exception of those planting wheat. Among those planting are S. D. Kinnibrugh and E. P. Pritchett.

Mrs. L. T. Wood presided at Women's Missionary Union held at the church Monday afternoon. Mrs. Shelby Calahan was in charge of the interesting program, "An Open Door." Mrs. Pierce and Mrs. Reeves reported on the WMU all day Leadership Conference at Crosbyton Thursday which several members attended. Present were Mmes. L. T. Wood, Paul Snodgrass, Shelby Calahan, Sim Reeves, Bryan Karr, Dock Jones, Gilbert Bean, John Smitherman, Murray Julian, Thomas Pierce, Sylvin Kinnibrugh and H. S. Calahan Jr. Mmes. Pierce and Julian met at 4 with the Junior G.A.s, Marilyn Kinnibrugh, Barbara Milton, Beth Calahan, Beverly Pierce, Carolyn Sessums, Kathy Mulder, and Mmes. Snodgrass and Reeves met with their Sunbeam Band.

Mrs. George Weast is improving more each day at the Lockney General Hospital, and we are happy to find her eating

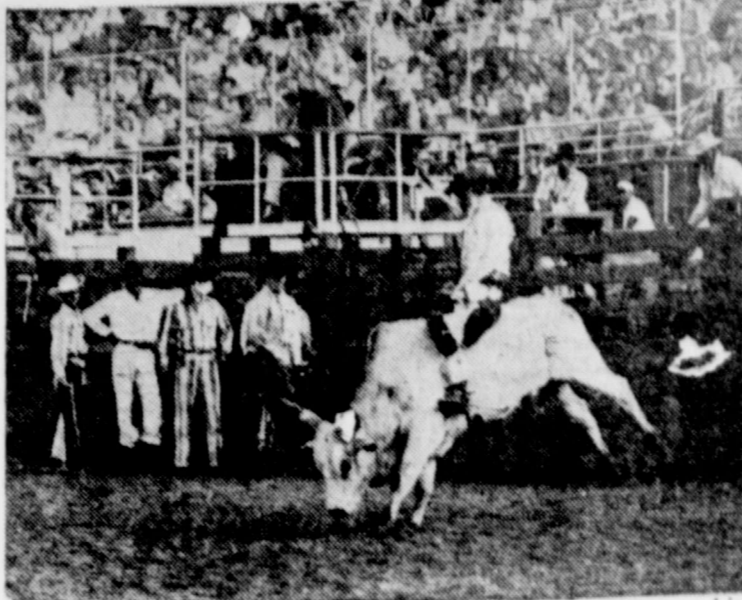

better and gaining in health. She is still not allowed visitors. Mrs. Grigsby Milton, Darla, Barbara, Donita and Mrs. Doug Meriwether of Lockney went to Amarillo Saturday morning for a medical check up for Donita. They visited relatives also.

Mr. and Mrs. Ted Bell honored her mother, Mrs. Sim Reeves, from here, and Mrs. Reeves' twin brother, John Austin, at a birthday supper Oct. 4, in the Bell home at Floydada. Guests were the honorees, Mr. and Mrs. Sim Reeves, Mr. and Mrs. John Austin of Lubbock, Mr. and Mrs. Raymond Reeves and baby from here and Mr. and Mrs. Walton Wilson and Judy of Fairview.

Mr. and Mrs. Paul Snodgrass went to Bonham Tuesday for the dedication of Sam Rayburn Memorial Library. Sam Rayburn and former President Harry S. Truman were speakers.

Mr. and Mrs. Horace Marble and June spent the weekend at the State Fair in Dallas.

Mr. and Mrs. Murray Julian Bruce, Kendis and Terry, Mrs. Otis Sandusky, and Miss Janis Roberts attended the wedding rehearsal dinner Friday night at the Blue Bonnet Hotel in Sweetwater, and were in Roscoe for the wedding Saturday night of Terry Julian and Miss Leona Althoff. Other weekend guests were Mrs. Ruth Burnett and Sharon Burnett of San Antonio, and Mrs. Early Joiner and Gordon of Midland and Lubbock. Coming for the wedding were Mrs. W. F. Joiner of Tye, Mr. and Mrs. Alex Canon of Amarillo and Mr. and Mrs. Bill Haynes of Abilene, among others. The Julians and guests

A convict cowboy seems to be headed for trouble as his thrashing, thundering Brahman Bull takes off for the "Wild Blue Yonder." The above action shot was taken at the Texas Prison Rodeo at Huntsville. This is just one of the many thrilling events offered at the 26th annual Prison Rodeo each Sunday during October in the prison's million-dollar stadium.

spent Saturday in Abilene visiting relatives and came home Sunday morning. Mrs. Sandusky left with Kendis Monday morning for Canyon to catch the bus for her home in Denver, Colorado.

Many from here attended the Lee Grabel Stage Review in Floydada at the Senior High School on Thursday night, sponsored by the Band Boosters. James Hartman will be able to come home from the hospital in Floydada by Friday. He is recuperating from head injuries he sustained in the car wreck last week.

Donita Milton, Price Pritchett, Frank Jones, Bary Kinslow, and Juanel Wood left with the Floydada Whirlwind Band Monday for Dallas where they attended the Music Festival of the State Fair in Dallas Tuesday.

Mr. and Mrs. Menard Field and daughter, Mrs. John Wilson went to Woodland Park, Colorado to visit Mr. and Mrs. Charles McDonald and boys. The McDonalds recently moved near Colorado Springs, from Nebraska. They returned home Friday.

Rev. and Mrs. W. J. Knoy, Plainview, were dinner guests of Mr. and Mrs. Fred Fortenberry Sunday. Rev. Knoy is a retired Methodist minister, and has been filling the pulpit at the Sterley Methodist Church the past few Sundays.

Andrew Sanders got out 28 bales of cotton last week. That is the most reported for one week. E. P. Pritchett ginned 12 last week.

Sterley News

By Mrs. Virgil Adams

Most of Sterley community received 1/2 inch rain Sunday. Sterley Home Demonstration Club will meet Thursday, Oct. 10 at 3 o'clock in the home of Mrs. Elmo Schaffner for a program on making cottage cheese.

Mrs. Elmo Reeves is doing real well after having surgery Saturday morning at Lockney General Hospital. She is able to have visitors.

Mrs. Andy Reeves is able to be at the home of her mother in Abernathy.

Mr. and Mrs. A. D. Schaffner returned last Tuesday from a trip to Illinois.

Mr. and Mrs. T. J. Mathis of Sterley have been transferred to Childress. He is supervisor of the Fort Worth & Denver railroad from Childress to Claude. Mr. and Mrs. Charles Buleged and son of Dalhart will move to Sterley. He will be the new supervisor.

Mr. and Mrs. Raymond Scott and son of Quitaque have moved to Sterley to work on the railroad.

Gene Belt and C. L. Henderson made a trip to Fort Worth and Waco last weekend.

Tuesday luncheon guests in the C. L. Henderson home were Mrs. Frankie Smith of West Covina, Calif., Mr. and Mrs. Larry McCormick, Mr. and Mrs. Bailey Henderson.

Mr. and Mrs. Hansel Sanders and boys were Sunday guests in the A. P. Sanders home.

Luncheon guests in the Ben McGhee home in Lockney Sunday were Mr. and Mrs. Doug Reeves and children.

Mr. and Mrs. A. D. Schaffner visited her father, Henry Haggins at Wilson Monday.

Mrs. Elmo Schaffner was in Lubbock Monday.

Mr. and Mrs. Bryan Smith and Danny spent Sunday visiting her brother Jim Dallas and family in Tulla.

Bud Sanders, son of Mr. and Mrs. A. P. Sanders, who has been in the army in Italy the past two years, arrived home Monday, Oct. 8. He surprised his parents who didn't expect him until later in the month.

Mrs. Marie Henderson was hostess for a Bridge Party Thursday, October 3. Present were Mmes. Gladys Bobbitt, Dorothy Jarrett, Retha Wofford, Martha Mangold, Doris Duvall, LaVera Johnston, Rita Webster, Retha Wofford received high score and LaVera Johnston second high.

Eldora Boone Is Sorority Pledge

Denton. — Eldora Boone of Lockney has been named to pledge Chi Omega, national social sorority, for the fall semester at North Texas State College.

The daughter of Mr. and Mrs. Marvin A. Boone of Sterley, Miss Boone is a sophomore music major. She is a 1956 graduate of Lockney High School.

GO TO CHURCH SUNDAY.

Poultry Colds

Infectious coryza, commonly called a "cold" occurs often during fall and winter months. It is characterized by watery eyes and swelling of sinus areas. It reduces egg production and causes culls.

My Recommendation:

Keep alert for early signs of "colds." Check drafts and ventilation. Keep Dr. Salsbury's Ar-Sulfa on hand for early treatment. Ar-Sulfa, a drinking water medicine containing sodium sulfathiazole, checks infectious coryza symptoms, usually within forty-eight hours.

Teach Children Fire Safety Early

Children should be taught at an early age to respect fire and fear it. They should be made aware of its uses and benefits and also its dangers. They should be urged to cooperate in the family job of fire prevention. Remember, children, adults must be taught fire safety. Their lives depend on it.

Bargain Rates Are Offered On Daily Newspapers

The Lockney Beacon is now able to offer special fall bargain rates on a number of daily newspapers of the area, and also to offer special combination rates on your daily and The Beacon.

The Fort Worth Star Telegram rate this fall is \$13.95 for the daily and Sunday, and \$12.60 for daily only. If you wish to renew your subscription or buy a new subscription to The Beacon in Floyd County in combination with the above rates, you may do so by adding \$1.50 to either rate. Thus you are saving money on your daily newspaper and also on The Beacon.

The Amarillo Daily News bargain rate is \$9.95 for daily and Sunday. They offer no special rate on the daily only subscription. In combination with The Beacon add \$1.50 to the above rate in Floyd County.

The Lubbock Morning Avalanche rate is \$12.95 for daily and Sunday and \$11.00 for daily only, in combination with The Beacon add \$1.50 to the above rates.

The Abilene Reporter-News rate is \$11.95 for daily and Sunday and \$10.95 for the daily only. The same offer is good for combination rate with The Beacon.

Ringling Circus To Show At Lubbock

After several weeks of negotiations, the Lubbock Coliseum announced this week that Ringling Bros., Barnum & Bailey Circus will appear in the huge 7,509 seat Coliseum for five performances on November 11, 12, and 13th. There will be two night shows one on Monday at 8:00 p. m. and one on Tuesday, November 12 at 8:00 p. m. But there will be three matinee performances. Matinee will be at 3:30 on November 11 and 12, and the matinee performance on November 13th will be at 4:00 p. m.

"The Greatest Show On Earth" is playing only in indoor arenas and Lubbock is one of the first cities to see the all new production. Highlights this year will include "The Coronation of Mother Goose," "Cherry Blossom Time," "Saragoga Racing Ball of 1913" and "Carnival in Venezuela." In addition all the clowns, the aerialists, the horses, the elephants and other "old-time" circus acts will be included in the 25 displays and featured acts.

BEACON WANT ADS GET RESULTS

Dear Editor:

I see where the economics experts are pretty well agreed that the country's prosperity depends a good deal on how many new cars are sold.

My heavy-footed, light-brained neighbor recently created a demand for three new cars by trying to pass one on a hill, but many people criticized him for this prosperity-stimulating act.

Just goes to show how ungrateful the general public can be. Like an undertaker, I once heard finding fault with reckless drivers, and if it wasn't for them he would likely still be driving his old last year's Cadillac.

D. E. SCOTT
Crossroads, U. S. A.

A train in Denmark was delayed 1 1/2 hours by, of all things, swarms of mosquitoes on the rails which caused the wheels to slip.

OFFICE SUPPLIES at The BEACON OFFICE.

Under the direction of Claude Fargason, the community improvement committee led in the tornado relief drive, sponsored revival campaigns and youth recreation programs, built a cabin at the district camp in Floydada, helped support associational missions and conducted a community census.

Winford Smith, chairman of the worldwide emphasis, promoted evangelistic services for migratory workers, stressed special world and state mission offerings, promoted the increased missions giving of the church and raised funds to help a missionary couple from Mexico attending Wayland College.

Purpose of the town and country achievement program is to stimulate interest in town and country church work, to recognize outstanding achievements by pastors and churches and to help Texas Baptists realize their responsibilities to their local community and world.

The name, United States of America, originated when it was written into the Declaration of Independence.
