## Absentees At School Are Decreasing

After reaching a high of 312 absent from the local schools on Monday of this week, the number of absentees are decreasing and had fallen to 213 by Wednesday.

Some thought was given to dismissing school for a few days on Monday when the number absent reached such a high figure but Supt. H. H. Nicholas, who was in Austin at the time, conferred with officials of the Texas Education Agency and they promised that consideration would be given the flu epidemic in figuring the local school's average daily attendance. Supt. Nicholas then suggested that the school continue in session.

The total enrollment of all four Lockney schools stood at 1071 Monday and the total of 312 absent figured 29% of the enrollment. Of the absentees 48 were out at high school, 60 out at junior high, 180 out at grade school and 26 out at colored school.

On Tuesday the number of absentees dropped to 293, or 27% of the enrollment. High School had 50 out, an increase of two over Monday, and Junior High had 55 out, a decrease of five from Monday. At grade school 162 were out Tuesday, 18 less than Monday and colored school absentees were the same.

The total of 213 absent on Wednesday figured a little more than 19 percent of enrollment.

A big part of the absenteeism was due to illness, it is believed, but some may have been due to muddy roads the past few days. School buses have remained on pavement since Monday and have not made complete rounds all this week. However, barring unforeseen weather, the buses will probably start their regular rounds today, school officials said.

## Collis Home Is Burned Sunday Nite

**SHOWER PLANNED**  
A shower for the Randall Collis family will be held at the First Baptist Church next Tuesday evening starting at 7 p. m. The event is being sponsored by the Women's Missionary Union of the church. Friends are invited to bring their gifts to the church at that time.

The home of Mr. and Mrs. Randall Collis, four miles northwest of town, was completely destroyed by fire last Sunday night while the family was away. Nothing was saved from the burning house.

The fire was discovered by L. R. Collis, father of Randall, who lives only a short distance away. He saw the fire from the window of his home about 9:30 p. m. The entire house was a fire with flames leaping from the roof. He and Mrs. Collis spent several anxious moments before they found that the family was not at home.

Destroyed along with all the family's household goods and clothing was a pet dog and several hundred dollars worth of cotton seed stored in a garage near the house. The garage, too, was destroyed. The house was partially covered by insurance but there was no insurance on the contents.

Members of the family said that the fire was possibly caused by faulty wiring.

## Mrs. Ragle Is At Home Again

Mrs. Ida Ragle is at home after spending three weeks undergoing treatment at Glen Rose, Texas. Mr. and Mrs. Roy Ragle met her at Hirst, Texas, Sunday and brought her home. She reported Wednesday that she was feeling much better and that her health had improved considerably.

While at Glen Rose she visited with her granddaughter, Mrs. Pauline Davies and family and with her husband's sisters, Mrs. Ed Bill and Mrs. Mollie Mabry at Weatherford.

Mrs. Ragle asked The Beacon to express her thanks for the many cards, letters and flowers she received while at Glen Rose. "I am still getting cards and letters," Mrs. Ragle said Wednesday, "and I have no words adequate to express my thanks. People were just wonderful to me."

M. W. WILEY and family will move to Lubbock next week.

## Wileys Moving To Lubbock

The M. W. Wileys are moving to Lubbock. Mr. Wiley said Tuesday that they had entered into an agreement to purchase a home at 4312 45th Street in Lubbock and would probably complete the transaction and move some time next week.

Mr. Wiley said that he would continue in the vegetable business here, and he and his associates were considering the installation of a vegetable canning plant here.

"We have been investigating the canning plant and are seriously considering the installation of a plant," Mr. Wiley said.

He and his associates are also in the process of buying two large sheds under which they operated this year from the National Alfalfa Dehydrating and Milling Company. They expect to close this deal within a week, he said Tuesday. They have run some concrete floors, built a small office and made other improvements at the sheds during this vegetable season.

The Wileys moved here from Dumas in March of 1949 when Mr. Wiley bought the controlling interest in the First National Bank. He served as president of the bank until August 1955 when he sold his stock in the bank. Since that time he has been promoting the growing of vegetables and has operated the vegetable packing shed here.

Mrs. Wiley has been employed the past year and a half at "Whitey" Bacus Motor Company as bookkeeper. "We regret leaving Lockney very much," Mr. Wiley said. "We have never been in a place where we had more friends and more co-operation. We have more friends here than we have a right to expect and we appreciate every one of them. We'll be coming back to Lockney real often to see our friends too," he concluded.

## Oliver Jewelry Is Remodeling

Some show cases have been moved out and new ones installed at Oliver Jewelry here this week. The Olivers are opening a new store at Olton and are placing some of their fixtures there.

ROSEMARY McDONALD, second from right, is one of the six West Texas State College girls nominated as a candidate for Homecoming Queen. She is the daughter of Mr. and Mrs. J. R. McDonald

## Clearing Skies Bring Promise Of Harvesting

Clearing skies Wednesday brought some promise to farmers that they could get back into the fields and resume the harvest of cotton and grain, stopped last Saturday by general rains over the area.

If the weather stays clear some are threatening to start cotton harvest today (Thursday) though generally it will probably be Monday before conditions are right, gin men say. It will be at least Monday before grain is dry enough to harvest, according to elevator men.

A cold wave is predicted for the area Thursday night and should the temperature hit the freezing mark, crops would be damaged severely. However, the forecast doesn't include a freeze for this area.

The rains here, starting Saturday night and continuing at intervals through Tuesday, totaled 1.80 inches, and amounted to about the same over the county. Alvin Nicholas at Cedar Hill reported 2 inches but other reports were about the same as Lockney's total.

Lettuce harvest began again here Wednesday with five car loads harvested from the Jack Billington place, south of town. The demand is weak at present with the price here quoted at \$2.25 per crate. Out of this the farmer must pay \$1.25 per crate for harvesting and packing. Yields here have been fluctuating from 100 to 400 crates per acre, the difference being due to damage by the "yellows," vegetable men say.

A total of 1569 bales of cotton have been ginned at Lockney, Lone Star, Sterley and Aiken, according to a report from Jack Orr, TEC representative Wednesday. This is more than a double the report of last week, but all the cotton was ginned last weekend, he said.

The rain brought some damage to crops, with cotton grades due to suffer some, especially cotton that is open now. Very little irrigated feed is damaged, although there are some reports of falling. One dry land field of maize was reported to be half on the ground, but this is unusual, elevator men say. There has been no sprouting in the head reported in this area.

County Agent Cecil Lewis said Wednesday that the rains had made the cotton sappy and delayed maturity. He said he had heard of no sprouting but that some grain was discolored. He said that the rains would be very beneficial to wheat.

## School Tax Discount Deadline Is Oct. 31

Lockney Independent School District taxes for 1957 must be paid not later than October 31 in order to take advantage of the 3% discount, according to information from Mrs. Alice Ford, Tax Assessor-Collector.

Office hours of the school tax office are 9:00-12:00 and 1:00-3:45 Monday through Friday. During October only the office will be open on Saturday morning 9:00-12:00 o'clock.

## Local Garden Club Sets House Tour

Lockney Garden Club is sponsoring a House Tour Sunday afternoon, October 27 from 2:00 to 5:30.

Homes included in the tour are those of Verner Hodel, 2½ miles west of Lockney on Plainview highway and north of railroad; Henry Schacht, 2½ miles west of Lockney on Plainview highway and ½ mile south; Charles Baxter, 502 Southwest 6th Street, Lockney; W. C. Whitlock, 4 miles east on Silverton Highway and two miles north; Jess Lovvorn, three miles north of Cassel Gin, Lone Star.

Tickets are \$1.00 each and may be purchased at Byrd Pharmacy in Lockney, from any member of the Garden Club or at any of the homes being shown.

## Longhorns Have Open Date, Drill On Fumbles

Lockney's district-leading Longhorns, who have an open date this week, are working hard getting ready for the rugged Spur Bulldogs who play here next week. Main subject of the Longhorn workout agenda this week is the elimination of fumbles.

Coach Rudy Haile said there would be no slack workouts this week because the Horns need much work on preparation for the Spur clash.

The Longhorn head-man said the boys were working hard on fumble drills and handoffs and were becoming more fumble conscious. Coach Haile stated that Lockney lost five fumbles against Spur last year while the Bulldogs lost the ball only one time because of a bobble. The coach added that the five fumbles and two touchdowns which were called back probably cost Lockney the game and also the district championship.

The Longhorn mentor stated, "Lockney, this year, has their best team in several years and probably the best Longhorn team ever, but fumbles could eliminate them from the district title race."

Jimmy Minter, Longhorn quarterback, was highly praised by Coach Haile for his fine showing last week against Post. The coach was well pleased with Minter's passing and faking. Other backs cited by Haile for their performance against Post were Dickie Barton, Kenneth Holt, Cliff Hardy, and Kenneth Calloway. All except Barton ran with the second unit which moved the ball exceptionally well against Post.

Coach Haile was also well pleased with the second team line composed of David Howell, David Robertson, Steve Handley, Dan Smith, Jackie Callahan, Jerry Wofford, and Bill Bigham.

Visitors in the F. S. Shearer home last weekend were Mr. and Mrs. Clarence Shearer of Vernon, Mrs. Ed Stewart and Harold Shearer of Amarillo.

MISS GAYLE RUCKER, senior, daughter of Mr. and Mrs. Raymond Rucker, was awarded the name of Miss Lockney High School according to the results of voting by the student body Tuesday of last week.

Gayle is drum major for the band, is treasurer of F. H. A., vice-president of F. T. A., Student Council representative, columnist for the Lariat, member of the Honor Society and Spelling Club, was voted most beautiful two years, was in Who's Who. She has been football queen candidate, is a past worthy advisor of Rainbow Girls, was in the Junior play and is an office assistant.

Runner-up for the honor was Kay Golden.

KELLY HARRISON, son of Mr. and Mrs. Doyle Harrison, was named Mr. Lockney High School in voting of the student body Tuesday of last week. F. M. Smith, principal, made the announcement at 2:40 Wednesday.

A senior student, Kelly, is vice-president of the Student Council, class officer, F. F. A. officer, FTA member, Honor Society member, was a Junior Rotarian, class favorite, class personality, is a member of the football and basketball teams, served as Fire Chief the past year and was in the Junior Class play. Runner-up for the honor was Jerry Williams.

## Longhorns Play In 5-Team District Next Season

Conference AA districts of Texas Interscholastic League have again been shaken up. Next season the Lockney Longhorns will compete against Abernathy, Olton, Muleshoe, and Morton for the 2-AA title.

Abernathy and Lockney are competing in 2-AA this year, Muleshoe and Olton are now playing in 1-AA, and Morton is now fighting for honors in class A.

Because of the smaller district, the Longhorns will have only four conference games and will battle six non-district foes.

Floydada, Spur, Post, Tahoka and Slaton, current 2-AA foes of Lockney and Abernathy, will make up District 3-AA next fall.

Conference 1-AA will consist of Tulla, Canyon, Dimmitt, Dalhart, and Friona, up from class A.

In class A district changes, Hale Center, Kress, Springlake, Sudan, Anton, and Farwell will form District 3-A and Silverton, Ralls, Petersburg, Idalou, and Crosbyton will fight it out for 4-A honors.

Enrollment in the various conferences next year includes conference AAAA, 900 and above; conference AAA, 390-900; conference AA, 200-390; conference A, 120-200; conference B, 119 and under. Schools with enrollment of less than 100 students may play six-man football if desired.

## 1½ Cents Per Acre Required For Road Bond

Cost of the proposed \$294,000 road bond issue in this county will be less than 1½ cents per acre, it was figured at a joint meeting of representatives of the Lockney and Floydada Chambers of Commerce here Tuesday night.

The group, composed of eight men from each city, met at the Plains Hotel in a dinner meeting for the purpose of discussing the road bond issue and ways of informing the people of the county concerning it.

The tax rate required to pay off the issue will be 12 cents per \$100 valuation, it was said, and this will amount to about \$2.31 per quarter section or less than 1½ cents per acre.

The group discussed the safety feature of the proposed four-lane road from Floydada to the Hale County line, bringing out the fact that traffic on Highway 70 from Lockney to Floydada now runs better than 3500 cars per day.

Plans were made to advertise the bond issue through newspapers and over the radio and also to hold community meetings to inform people about the issue.

It was pointed out that Floyd County had just paid off one bond issue which required 12c per \$100 valuation and that the tax rate was reduced to that extent. The proposed road bond issue would bring the rate only back to where it has been in past years.

Present for the meeting were Mitchell Parrish, Olin Watson Jr., Olin Watson Sr., Joe Gidden, Judge J. D. McBrien, Ed Wester and Bill Hale, all of Floydada; J. E. Cox, Dick Whiteley, Claud Holley, Claude Brown, Fred Byrd, Leon Wofford, Hugh Counts and Lester Carter of Lockney.

## Bank Deposits Reflect Late Crop In Area

Deposits in the First National Bank of Lockney reflect a late crop this year, according to the statement of condition published in this week's Beacon. Total deposits at the close of business on October 11, were \$3,469,625.19, a slight drop from the total a year ago of \$3,607,490.21.

Loans are reported in the current statement are only slightly higher than a year ago, however, standing at \$2,869,006.32 compared to \$2,829,635.02 a year ago.

Demand deposits are quoted at \$2,295,399.92 compared to \$2,539,173.24 a year ago. Cash on hand at present is \$504,139.20 compared to \$640,915.53 in 1956.

An increase in the capital structure from \$200,000.00 to \$250,000.00 is noted in the statement while undivided profits are almost the same, standing at \$116,925.42 at present.

Last year at this time a big part of the cotton crop was harvested, much of the grain and farmers had had opportunity to get their money and pay off indebtedness. Recent rains coupled with the late crop have delayed harvest this year and only a small part of the crop is in.

## Floyd County Teachers Meeting Monday Night

The first annual meeting of the Floyd County Teachers will be held as a dinner meeting in the Lockney High School cafeteria Monday, November 11, 1957 at 7:00 p. m. The program will consist of music from Junior High School music group and a talk on the grass roots study program of the education system of the state of Texas by Mr. Galyean of the Texas State Teachers Association.

And why call ye me, Lord, and do not the things which I say. — Luke 6:46.

THE LOCKNEY community has had young ladies who entered the Miss Wool Contest, and also some who won various beauty contests but as far as we can remember we have never had a contestant in the Maid of Cotton contest. Now this is a cotton producing area so why not select a young woman who can qualify as our entry in the Maid of Cotton contest this fall? Here are some of the requirements: never married, 19-25 years of age, not wear glasses, be at least 5 feet, 6 inches tall without shoes, and be willing to co-operate with the committee in personal appearances, etc. Surely this would be a good project for some local club or clubs to work on. The Beacon can furnish information to anyone interested.

SEVERAL LOCAL people have expressed an interest in asking The Fish and Game Commission to assist in stocking this area with pheasant. Their opinion is that cover is sufficient for the birds and that they probably would do well here. One requirement for the venture to prosper would be that all hunters strictly observe the hunting laws concerning pheasant, the sponsors say. As we remember it, the Petersburg area tried something of this sort several years ago but we do not know how the experiment turned out.

PRESIDENT EISENHOWER'S

action in stationing troops at Central High School in Little Rock is a repulsive one to most people, even a great number above the Mason-Dixon line. Many who favor integration cannot condone the use of force in the matter. It is our opinion that this action will probably result in the slowing down of integration and a reaction against integration. You can usually lead American people to do what is right but when you start trying to drive them, it is a different matter.

ALONG WITH the road bond issue Floyd County people will vote on three proposed Constitutional Amendments on November 5th. One of these amendments would increase aid to aged, blind and needy children. Of course the aged include those over 65, the blind includes blind people who are in real need and needy children must be under 16 years of age. The payment to aged would be increased a maximum of \$5 per month, the present maximum being \$20 out of state funds, the proposed maximum being \$25 out of state funds, but state funds could not rise above \$21 unless matched by federal funds. The amendment would allow a small increase in the total payment to aged and needy people as its immediate effect.

THE BEACON believes that the proposed water amendment is a good thing. For several reasons it seems it would be beneficial to all the state. Certainly water is becoming more and more important to the development of the state and water conservation is also becoming more important. It is much better, as we see it, for the State to take the lead in its own water conservation program than for us to wait for some federal agency to come in and tell us how to do it. The amendment would help develop water storage projects, the program is self-supporting and will not increase taxes, it provides for local control, it will not disturb vested rights in surface or underground waters. We see no reason for not supporting it.

THE OTHER amendment is one that would amend the present state employees retirement system. The amendment would cost the state some money since the state would be required to match higher contributions to the funds by employees. However retirement systems must be adjusted from time to time to match changing conditions and we know of no reasons this amendment should not be supported.

CONGRATULATIONS to Rev. J. F. Nix upon his completion of 50 years as a preacher of the gospel. Rev. Nix began his ministry in this county 50 years ago this month, and although he has held pastorates in many places in West Texas and eastern New Mexico his heart is still in Floyd County. It is good that we can have him in our midst for a short time at least.

WHO IS WINNER? At any rate, the Arkansas situation is working out about as we figured. With federal troops still occupying the school, students are already heckling the negro students, and probably only the biggest and sturdiest will be able to survive this kind of attack. Which is another way of saying that it is senseless to integrate a school until that school and its patrons are ready to accept it. Such was not the case at Little Rock. And perhaps the most tragic part of all is the negro students themselves. They left an excellent colored high school to enter Central High, and even should they remain it is doubtless that they will be able to learn much this year. Who is the winner? — Hubert Curry in Crosbyton Review.

LOAN FOR INDIA Finance Minister of India, T. T. Krishnamachari, is in this country seeking public and private advances toward the \$1,400,000,000 aid called necessary to save India's second five-year plan from failure. Nehru, it seems, is in trouble and wants Uncle Sam to bail him out. The matter is being argued pro and con. Those in favor of extending a huge loan to India claim it is the only way to prevent that country from falling into the hands of the Communists.

Those opposed say India already is about as much lined up with Russia as she would be if she made a formal declaration to that effect. The latter have the weight of argument on their side. If anyone can point to a case in recent years when Nehru hasn't sided with the Reds against the West, he has a better memory than most people.

It would be a good idea to let India paddle her own canoe. Uncle Sam has poured millions of dollars into that country in the past few years and all he has received in return is kicks in the pants. There is an economic principle which holds that it is poor policy to send good money after bad. What else would the U. S. be doing if it

extended a new loan to India? — Lubbock Avalanche.

THE SATELLITE For some reason we cannot get too excited over the fact that Russia beat us to the first artificial satellite. From what we have been able to read Russia may be ahead of us in a few scientific achievements but we are very close to realization of even more colossal accomplishments. The important thing is that a man-made object, for the first time in all history has penetrated outer space and is able to send back radio messages telling about it. It opens up huge new vistas for scientific accomplishments, many of which we will see in our lifetimes. Soon we will know what the other side of the moon looks like, as a rocket equipped with television will be made on the moon, and nations will vie for colonization. And further down, the line the moon, with its smaller gravitational pull, will be the launching site of man's first attempt to reach another planet. — Hubert Curry in Crosbyton Review.

Dear Editor: Everybody seems like is worried about inflation these days, and the way some talk, you would think money is getting so cheap it is hardly worth fooling with any more. But, in spite of this, lots of people are still knocking themselves out trying to get hold of some of the worthless stuff. My neurotic neighbor says there is no doubt in his mind what has caused this inflation. It is plainly an Act of God, on account of He is the only party who hasn't yet come out with a statement blaming it on somebody else. D. E. SCOTT Crossroads, U. S. A.

CROSSROADS REPORT by D. E. SCOTT

## Long Ago In Lockney

October 27, 1927  
Messrs. M. W. Stokes and D. R. Shields of Midland, Texas, have arrived in Lockney and are preparing to place on the market a restricted residential addition in West Lockney. The exact location is between Bryant and Popular Streets and extending from West 4th to West 8th. "McKoy Place" is the name of the new addition. Fifty-six lots will be offered. The promoters say they will plant shade trees in front of all lots and sales will be restricted to those guaranteeing the erection of a modern home within the range of \$2,500 and \$3,500. The two men, Stokes and Shields plan to make Lockney their home.

Construction of the sewer system in Lockney is now under way and the big ditcher is at work on the main line, the first to be laid in the city.

Work began last week on the new Church of Christ building being erected in South Main Street south of the Baptist Church.

A petition was presented to the Commissioners' Court of Floyd County the later part of August, asking for the submission of a bond issue for \$475,000 for the purpose of furnishing one-third of the money necessary for the paving of a highway through the county. The petition has never been acted upon by the commissioners court.

October 19, 1945  
Letters from servicemen carried in this issue include those from Elbert Nicholson, Camp Washington, France, saying he expects to be home in October sometime; Reuben McGilvary writes from Hereford stating he is back in the states spending a 30-day furlough with his parents after serving in Europe with the 103rd (Cactus) Division until VE Day; Percy Q. Tate writes from Romulus

### Homecoming At West Texas State Saturday, Oct. 26

Canyon — A parade, barbecue, football game and class and club reunions will highlight the annual Homecoming celebration Saturday at West Texas State College, as they have for the past five years.

WT students kick off the celebration on Thursday by observing "Western Week" when western garb is mandatory for everyone on campus. Violators of the dictum Thursday and Friday will be thrown into a horse tank by a posse of Buffalo athletes.

The 25th anniversary of the Class of 1932 will be observed by more than 100 members of the group. An informal gathering of the group will be held Friday night at the home of Mrs. Otis Parker, and the class will participate in Saturday's events as a group.

Saturday's slate included the parade at 10:30 a. m., barbecue at 12, the football game between the Buffaloes and Hardin - Simmons at 2 p. m., club teas, smokers, and parties following the game, and the Homecoming dance in the cafeteria at 8 p. m.

Mr. and Mrs. Dean Williams and baby of Lubbock visited her parents, Mr. and Mrs. Carl Wilson and family Sunday.

**Dear Editor:**  
I see where Mr. Satchmo Armstrong, colored, invited the U. S. government to go to hell, when he got dissatisfied with the quantity of bloodshed in the Little Rock fracas.

But U. S. high brass apologized to the great expert on trumpets and officials guts, and promised to do better next time.

Seems like Mr. Satchmo is now appeased and will not move off to some foreign country like Charlie Chaplin did, and leave us to endure a bleak and cheerless existence without him.

### Tech Homecoming Set For Nov. 8-9

Lubbock — Texas Tech will hold its annual Homecoming Nov. 8-9, with dedication of a new pep rally center scheduled as a highlight.

The center, just southwest of the new gymnasium, will feature symbols of all Southwest Conference institutions in a recessed circle.

Dedication of the circle will come at a pep rally and coronation of the Homecoming Queen Friday night, Nov. 8. Other Homecoming features will include a downtown parade of floats Saturday morning, Nov. 9, for the Tech-Tulsa football game that afternoon in Jones Stadium, and a Homecoming dance that night in Lubbock Municipal Coliseum.

More than 4,000 out-of-town visitors are expected for the program, according to Tech Ex-Students Assn. officials.

Bay City, Tex. — Fear gripped Mrs. Richard Bachman the other night when she noticed her younger son, Richard, in half awake, half asleep state, holding his right arm close to his body in what appeared a paralytic freeze.

But as he became more awake than asleep, she heard him mumble — BANG BANG! Just on overdose of Wyatt Earp.

### Recharge Well Experiment At Halfway Begins

Research in the experimental recharge well will not be delayed by lack of water in the east lake at the High Plains Station of the Texas Research Foundation at Halfway.

Water from another well 1400 feet away will be used to start the recharge program on October 15. The water will be pumped through an underground line connecting the two wells, thence underground at the recharge well.

"The recharge well is of experimental as well as practical value," said James G. Cronin, hydraulic engineer with the U. S. Geological Survey, supervisor of the recharge program.

"A series of three four inch wells in connection with the recharge well will enable us to study the permeability of underground formation, the way the water moves in the formations, the pressure being built up, and a number of other factors," Mr. Cronin explained. These four inch wells are 200 feet deep located 8, 50, and 100 feet from the recharge well. The 16 inch recharge well is 320 feet deep.

A 12 foot deep concrete drop inlet in the intake line to the recharge well will be used to study sedimentation and infiltration. Two gravity intake lines will carry surplus lake water to a pit, thence through the intake pipe to the concrete inlet.

Dr. T. C. Longnecker, Head of the Station said, "This recharge of surplus water into the underground formations constitute the practical value of the well." By putting the water back into the ground where it can be conserved for future use, we will save many acre-feet from evaporation," Dr. Longnecker explained. "This conservation well will aid in maintaining the water table in this area."

The water recharge research is a joint program of the U. S. Geological Survey and the Texas Board of Water Engineers. Dr. Longnecker said, "We are happy to provide the facilities for Mr. Cronin and his staff to make their study at the Station."

### SS Payments At Age 62 Are Lower

Many women will have an important decision to make when they attain age 62. Under the 1956 Amendments to the Social Security Act women are able to obtain social security monthly payments three years earlier than under the old law.

The amount of the benefit, however, will be reduced for women workers and for wives of retired workers. The amount of the reduction depends on the number of months between the time payments start and the time the applicant reaches age 65. This reduction is permanent even after age 65 is attained. Widows and dependent mothers of deceased workers, however, may receive unreduced benefits at age 62. Before making a decision to start getting benefit payments before age 65, a working woman or a wife of a retired worker will naturally want to know how long she will be ahead in total benefits paid.

As a working woman she will be ahead for the first 15 years; as the wife of a retired beneficiary she will be ahead for the first 12 years.

The decision must be made

by each woman as to whether it's worth more to her to have the benefits before 65, at a permanently reduced rate, or to wait until 65 and get a higher rate. The social security office will furnish her with all necessary information but the decision must be made by the individual.

A representative of the Lubbock Social Security Office will be in Lockney at the High School on October 28, 1957, at 1:30 p. m., and will be glad to assist in all matters pertaining to Social Security.

## Open House Honors The J. D. Huggins On Golden Anniversary

Mr. and Mrs. J. D. Huggins were honored by their children with open house at their home Sunday afternoon on the occasion of the couple's Golden Wedding anniversary. Calling hours were 3 to 5 p. m.

The three children of Mr. and Mrs. Huggins and their families who were present for the day are Mr. and Mrs. W. R. Teuton and Larry of Amarillo, Mr. and Mrs. Emory Huggins and Norman of Plainview, Mr. and Mrs. Harold Huggins, James and Sharron of Floydada.

Mrs. Carolyn Joy Hollis, granddaughter, presided at the register where approximately 35 guests registered despite the rainy weather prevalent during the day.

Laid with a yellow linen cloth, the dining table was centered with an arrangement of gold mums and bronze chrysanthemums interspersed with gold sprayed leaves. A two-tiered cake iced in white was topped with a gold wedding ring and "50" in gold letters. With the cake, gold punch was served from a crystal service. Alternating at the table were Mrs. Oleta Teuton, Mrs. Emory Huggins and Mrs. Harold Huggins.

Out-of-town guests included Mr. and Mrs. Loy Hollis of Odessa, Mr. and Mrs. J. E. Roy of Floydada, Mr. and Mrs. Herman King, Lone Star, Mr. and Mrs. Truett Cranford of Lubbock, Mr. and Mrs. Dick Taylor, Lubbock and Guy Roy of Carlsbad, New Mexico.

Mr. and Mrs. Huggins were married Sunday, October 29, 1907 in Denton County. They lived in Dallas County before moving to the Plains in 1915. They farmed at Floydada and Silverton until 1919 when they moved to Lockney and established a poultry business from which he has only recently retired. Their Golden Wedding Day fell on a Sunday, the same day the date occurred 50 years ago when they were married.

## Injured Man Is Doing Fine

Reports from the Medical & Surgical Hospital here Wednesday said that Tollie Jones, injured Saturday at a South Plains construction job, was "doing fine." Jones suffered two breaks in the vertebral bones of his back, a four-inch laceration on the back of his head, a concussion and numerous bruises when a 2x12 board fell from a scaffolding.

Relatives said that Jones, who was on the ground, was warned of the falling timber and ran backward in trying to get out of its way. He stumbled and fell against an angle iron with the board hitting the ground nearby and then toppling over on him. He regained consciousness shortly after reaching the hospital here. His brother brought him to town, stopping at the Cecil Pinner home here for help, and he and Mr. Pinner took him on to the hospital.

Jones, whose home is in Plainview, was helping construct a flat grain storage building at South Plains for the Graham - Hoeme Company of Amarillo when the accident happened.

## Mrs. E. L. Norman Dies Friday

Mrs. E. L. Norman of Floydada, wife of the president of the First National Bank of Floydada, passed away Friday at 5:30 a. m. in the West Texas Hospital in Lubbock. She had been ill for three weeks.

Funeral services were held at the First Baptist Church in Floydada Sunday afternoon with burial in the Floydada cemetery. Rev. Ed Bowles, pastor, officiated at the services.

Mrs. Norman was born June 22, 1897, at Sunset, Texas. The family moved to Crosby County in 1917 and to Floydada in 1920.

Survivors include her husband, E. L. Norman; two sons, Lewman of White Deer, and Glenn of Fort Knox, Kentucky; two grandchildren, one brother, L. T. Archer of Albuquerque, N. M.; six sisters, Mrs. M. R. Fusk, Dumas; Mrs. J. R. Neece, Los Angeles; Mrs. R. J. Christian, Marlow, Oklahoma; Mrs. S. J. Latta, Floydada; Mrs. S. G. Apple, Floydada and Mrs. Robbie Owen, Compton, Calif.

CARD OF THANKS We want to express our deepest appreciation to our friends for every expression of love and sympathy extended to us during the illness and at the death of our loved one. Family of Cleve McGhee.

## Cleve McGhee Is Buried Here

Cleve McGhee, a former resident of Lockney, was buried in Lockney cemetery Saturday afternoon following funeral services at the Plainview Presbyterian Church. Mr. McGhee passed away at his home in Plainview about 8:30 a. m. Friday. He had been in ill health a year or more, suffering with a heart ailment.

Services were conducted by Rev. Frank Travis, pastor, at 2 p. m. Saturday. Burial was in the Lockney Cemetery with Carter Funeral Home in charge. A large number of friends and relatives from this community attended the services.

Mr. McGhee was born on February 25, 1891, at Rock Springs, Ga., the son of the late Mr. and Mrs. William F. McGhee. The family moved to McGregor when he was a child and then came to Lockney in 1907.

He grew to manhood here and was a veteran of World War I. He was married to the former Ann Marble in 1924 at Lockney and the couple made their home here until about 1942 when they moved to Plainview. He engaged in wheat farming in this community but at Plainview he was employed with pump companies and was closely connected with the development of irrigation in this area. In recent years he has been employed by Peerless Pump Company.

Mr. McGhee was a member of the Plainview Presbyterian Church. He was also a member of the American Legion and Veterans of Foreign Wars. He was a devoted husband and father, always thinking of the interest of his family.

He is survived by his wife, one daughter, Mrs. Don Kirberger of Tulsa, Oklahoma; one son, Bill McGhee of Lubbock; three brothers, Ralph and Ben of Lockney, and Roy of Vernon; three sisters, Mrs. Charlie Merriek and Mrs. Jeffie Griffith of Lockney, and Mrs. John Broyles of Weatherford, and two grandchildren.

## Rev. J. F. Nix Is Honored At Lubbock Church

Rev. J. F. Nix, pioneer preacher of this area and at present interim pastor of the First Baptist Church of Lockney, was honored at the morning service in the First Baptist Church of Lubbock last Sunday. The occasion marked the completion of his 50th year in the ministry.

Dr. J. Ralph Grant, pastor of the Lubbock church, presided at the unique and impressive recognition service, commending both Rev. and Mrs. Nix for their long and faithful service.

Rev. and Mrs. Nix will move here this week and he will devote his full time to the pastorate of the local church until the church secures a permanent pastor.

Rev. Nix was ordained the third Sunday in October, 1907 at old Sunset, a small community near the present South Plains location in northeastern Floyd County. He served that little church as pastor for one year and then served as missionary of the Staked Plains Association.

He then went to Fort Sumner, New Mexico, where he served as a full time pastor and then to Texico-Farwell for three years as pastor.

He spent 16 years as pastor of the First Baptist Church at Clovis, New Mexico and during that time served as a member of the Hospital Commission of the Southern Baptist Convention, a member of the Home Mission Board, and he was superintendent of the New Mexico Baptist Hospital for a time. He also served as president of the New Mexico Baptist Convention for three years.

Rev. Nix served as pastor of the First Baptist Church at Abernathy for nine years and then retired due to a throat infection, moving to Lubbock. He regained his voice and for a time was assistant to the pastor at the First Church in Lubbock. However ill health a-

## W. H. Crawford Dies Monday

W. H. Crawford, patient in an Amarillo convalescent home and former resident of Lockney, passed away Monday night. He had been a patient in the home since he suffered a stroke two years ago.

Funeral services were held Wednesday at the First Methodist Church in Plainview, of which his son, Rev. J. H. Crawford, is pastor. Dr. Eugene Slater, pastor of the Polk Street Methodist Church in Amarillo conducted the services at 3:30 p. m. Burial was in Plainview cemetery.

William Henry Crawford was born Sept. 21, 1875, in Lincoln County, Tennessee. He was married to Miss Emma McCluskey at Taft, Tennessee in 1905.

In 1911 the family came to Armstrong County, Texas, and in 1926 moved to Lockney to make their home. Mr. and Mrs. Crawford resided here until 1943 when they moved to a farm near Kress. In 1945 they moved to Plainview to make their home. Mrs. Crawford died in 1948.

Survivors other than Rev. Crawford are one daughter, Mrs. Eugene Harris of Amarillo; two brothers, two sisters, three grandchildren and four great-grandchildren.

The linotype machine was first put into practical use by New York Tribune in 1886.

gain forced his retirement in May, 1956. He has now regained his health and is doing supply work over West Texas.

Rev. and Mrs. Nix have many friends and relatives in the Lockney area who will welcome them back to this community.

## Mitchell Stock Win At State Fair Last Week

Warren and Neil Mitchell, 4-H club members and sons of Mr. and Mrs. Chester W. Mitchell of the Pleasant Valley community, showed stock which won a number of places in the Junior Stock Show at the State Fair of Texas last week.

A Chester White barrow showed by Warren won first place in the heavy weight division. Warren also showed another Chester White which placed in the 201-220 lb. class.

Warren also showed a Hereford calf which won 6th place in the over 1,000 class in the Hereford division.

Warren's reserve champion barrow was sold at the auction last Saturday bringing 28 cents per pound. It weighed 225 pounds. Purchaser was Frank Ray of Dallas.

A good portion of the winners in the junior stock show were FFA and 4-H club members from the South Plains area. Almost every town on the South Plains had one or more winners in the show.

## Band Parents Meet Will Be Tuesday

**40-Acre Lake Eliminated By Terrace System**

Construction of a terrace system has eliminated a large lake on two dryland farms 10 miles northeast of Floydada.

The lake, which covered approximately 40 acres of land during wet years, was on farms owned by R. G. Dunlap and Dorsey Baker.

Construction of the terrace system was begun by Baker in 1953. He built 3 miles of terraces that year and another 1 1/2 miles early in 1957.

**Diversion Built**

Dunlap also built his terraces last winter. He has more than 6 miles of terraces, including a .55-mile diversion structure.

Before the terrace system was constructed, water drained into the lake from approximately 650 acres of steeply sloping land.

Baker, who lives in Lockney, owns half a section of land that drained into the lake. A quarter section adjoining Baker's land and containing approximately one-fifth of the lake area is owned by Dunlap, who lives about 1 mile from the terraced farms.

**Other Land Drained**

Fifty or 60 acres of an adjoining farm that is not terraced would drain into the lake, but Dunlap constructed the large diversion terrace to handle this run-off. In addition, a field across the road from the Baker and Dunlap farms originally drained into the lake, but this land also has been terraced.

The terraces on both farms are level, closed-end structures for holding water. There is no runoff. Baker's and Dunlap's terraces do not connect but extend to a fence that separates the farms.

Technicians with the Floydada office of the Soil Conservation Service designed the terrace system. Both Baker and Dunlap are cooperators with the Floyd County Soil Conservation District, and Dunlap is a district supervisor.

**20 Inches Of Rain**

Approximately 20 inches of rainfall were received last spring in the community where the Baker and Dunlap farms are located. Lakes throughout the area were filled and still contain large amounts of water. The only water caught by the lake on the two terraced farms was a small amount that spilled into the lake bed when two terraces on the Baker place were broken by excess water. This water came off the road, overflowing the first terrace and then breaking the second one.

**Terraces May Break**

"We design terraces to hold the heaviest rain expected in a 10-year period," explained Duane Nash, local SCS technician. "Therefore, the terraces may break if an unusually heavy rain is received. A terrace that could hold any rain would be too large and impractical."

Two or 3 inches of rain received about a week ago did not put any water in the lake area on the Baker and Dunlap farms.

Nash pointed out that the land in the lake bed has been reclaimed for crop and pasture use. It may now be some of the most valuable land on the Baker and Dunlap farms.

First application for a patent on making condensed milk was turned down on grounds it lacked novelty and usefulness.

**Bargain Rates Are Offered On Daily Newspapers**

The Lockney Beacon is now able to offer special fall bargain rates on a number of daily newspapers of the area, and also to offer special combination rates on your daily and The Beacon.

The Fort Worth Star Telegram rate this fall is \$13.95 for the daily and Sunday, and \$12.69 for daily only. If you wish to renew your subscription or buy a new subscription to The Beacon in Floyd County in combination with the above rates, you may do so by adding \$1.50 to either rate. Thus you are saving money on your daily newspaper and also on The Beacon.

The Amarillo Daily News Bargain rate is \$9.95 for daily and Sunday. They offer no special rate on the daily only subscription. In combination with The Beacon add \$1.50 to the above rate in Floyd County.

The Lubbock Morning Avalanche rate is \$12.95 for daily and Sunday and \$11.00 for daily only. In combination with The Beacon add \$1.50 to the above rates.

The Abilene Reporter-News rate is \$11.95 for daily and Sunday and \$10.95 for the daily only. The same offer is good for combination rate with The Beacon.

Subscribe for your favorite daily newspaper at The Beacon office and save money on both the daily and The Beacon.

**CROSS ROADS REPORT**

Dear Editor:

I took an eavesdropper survey here the other day and find it necessary to report that public opinion hereabouts is against the four-day work week.

In fact you can tell from their talk and from observation that some wouldn't even be in favor of having to work three days a week.

But it seems like the main objection to this extended leisure plan is that it would force people to take anywhere from two to four more coffee breaks every week on their own time.

**MR. GRAIN SORGHUM PRODUCER!**

A serious problem for grain sorghum producers has developed. A declining market with a continuously expanding production far exceeding the present demand, makes it imperative that the farmer himself take some action to rectify the situation. You will agree that for a more prosperous agricultural area, the market for grain sorghum must be expanded and more favorable legislation enacted.

The Grain Sorghum Producers Association is attempting to improve the "picture" for grain sorghum producers through an expanding program of RESEARCH, MARKET DEVELOPMENT and LEGISLATION. There is now an agricultural economist experienced in grain marketing on the Association's staff to develop these activities.

We urge you to support this program by requesting your local elevator to deduct TWO POUNDS OF GRAIN out of each 1,000 pounds you deliver and deposit it to the account of the Grain Producers Association in your name.

Every grain elevator in Floyd County has agreed to deduct the grain with your permission as their contribution to this program.

# Longhorns Stumble By Post

The highly-rated Lockney Longhorns, hampered by costly penalties and fumbles, sputtered along for almost three hours Friday night before coming to life in the last minutes of the game to stampeade a spunky Post Antelope club 34-0.

Post, who has yet to win a contest this year, gave the home team a thrill in the first half by holding the heavier, more experienced Lockney squad to a 6-0 intermission score. Some 100 people, many of whom were from Lockney, witnessed the contest.

The explosive Longhorns had good power in rushing and passing against the Antelopes' stout defense, but had serious drives bogged down by seven fumbles. Lockney rolled up 25 first downs and the Antelopes' two first downs.

Each Rudy Haile's Horns had their defensive biceps straining to stop the rushing Post to three net yards and 36 yards rushing. Everyone in the defensive unit was outstanding. Post was outstanding with John Hanst, Bill Wofford and David Howell particularly effective.

Lockney's offense was particularly effective. Lockney's offense was particularly effective. Lockney's offense was particularly effective.

Lockney started off on a 5-yard drive by driving 61 yards to score the first time in the game. Billy Karl Longhorn quarterback, from one yard out, Hard-

ly kicked the ball to the Longhorn fullback Dickie Barton added six points in the third period on a 5-yard scamper and crossed the double stripe early in the quarter. Fleet-footed Holt scored from 20 yards out in the fourth period.

Kenneth Calloway, fullback, drove over from the one yard line in the final period. Barton added three extra points and Calloway drove for PAT.

Lockney's win was Lockney's third straight in the district 2-AA and the Horns had consecutive victory over Post.

Summary of the Game: Lockney received the opening kickoff and Race returned the ball from the 26 to the 39. Wofford plowed for 6 and 4 for 10 yards. Nelson Wofford 5 and gained a first on Post 26. Jerry Williams 6 and Barton picked up 11. Wofford made it went for 4. Wofford 1 and Race kept for the horns' first score. Hanst's was no good.

Post kicked to the 9 and ball was returned to the 22 by Lockney was charged with a 15 yard penalty. Holt moved the ball to the 40. Longhorn fullback, accepted a pass on the 39.

Post kept for 7. Wofford 2. Barton romped for a 10 on the Antelope 49. Wofford broke loose for another 10 on the 36. Post was charged with an offside penalty. Wofford gained a first on the 23. Holt made 1, and Post re- ceived a fumble on their 21. Holt made 6, 1, 0, and punted the Lockney 46 but the ball fumbled and Howell re- ceived on Post's 46. Barton drove for a first on the 22 for the first. Holt picked up 10 yards across from the 10. Lockney was charged with an offside penalty and the Antelope nullified. Post re- ceived a fumble on their 20. The home team made 1 and the first period ended.

Post opened the second quarter with an incomplete pass. Post punted to the Lockney 48. The Longhorn fumble gave ball to Post on the Long- horn 48. The Antelopes gained 4, had an incomplete pass and punted but Lockney charged with an offside penalty, and Post again punted to the 16. Wofford returned the ball to Lockney's 24.

Lockney made 4 and Post covered a fumble on the Lockney 15. The Antelopes made 9 and Brock, guard, recovered a fumble on the Longhorn 20. A 5-yard penalty pushed

Lockney back to the 15. Race kept for 5. Wofford gained 3. Race lost 3, and Race punted to the Lockney 38.

Wofford made 2 and Barton plowed for a first on the 23. Calloway picked up 4 and 3 but Post fell on another fumble on Lockney's 37.

The Antelopes made 1, two passes fell incomplete, and Post punted to the Longhorn 22.

Williams scampered for 7 and a Race to Larry Hammit pass worked for another first on the Lockney 45, two passes fell incomplete. Williams lost 5, and Race fumbled an attempted punt with Post recovering on the Lockney 30 as the first half came to an end.

Lockney was charged with a 5 yard penalty on the second half kickoff. The second kick by Hanst rolled to the 5 and was returned to Post's 24. The host team was charged with a 5 yard delay penalty, lost 1, had an incomplete pass, and punted to the Lockney 37.

Barton made 2, Hardy drove for 6, and Barton broke loose for a first on the Post 23. Barton made 1 and 6 before Post covered another fumble on their 21.

The Antelopes made 3, lost 2, passed for a first on their 39, made 1 and 0, passed incomplete, and punted to the Lockney 17. Hardy returned the punt to Lockney's 23.

Williams sped for a first on the 35, Williams made 3 and 3, Barton drove to the 48 but Lockney was charged with a backfield-in motion penalty. Barton picked up 7 and plowed for a first on the 50. Williams romped for another on Post's 40, Barton made 7 and broke loose to score from the Post 33. Hardy ran across the extra point and Lockney led 13-0.

Hanst's kick was returned from the 10 to the Antelopes' 21. Post lost 8 yards as the third period ended.

The host Antelopes rolled for 11, lost 3 and punted to the Lockney 45.

Williams made 9, Hardy pushed for a first on Post's 38. Barton made 6 and 4 for another first on the 28. Williams broke away for a first on the 10, Barton made 2 and scored from the 8. Calloway added the extra point on a line buck and the score stood Lockney 20, Post 0.

Hanst's kick was returned 31 yards to Post's 39. A Post pass gained 7, another pass was incomplete and Lane Crank, big Longhorn tackle, recovered a fumble on the Antelope 42.

Calloway drove for 8 and a first on the 32. Hardy lost 1. Post suffered a 15 yard penalty which gave Lockney a first on the Post 20, and Holt scampered across the double stripe from 20 yards out. Hardy again ran across the point to bring the

### 'Horns Continue To Pace District 2-AA In Offense, Defense

Lockney's potent Longhorns have piled up a total of 217 points this season for an average of 31 points per game to lead District 2-AA in the scoring department. The Floydada Whirlwinds are the Horns' nearest competitors, having compiled 160 points for a total of 26.7 points per contest.

The Horns rugged defense also paces the district. Lockney has held the opposition to 33 points this season for an average of 4.7 points per game in seven contests this season. Spur has allowed 39 points in seven battles for a 5.6 point-per-game average this season, but the Bulldogs forfeited to Slaton last week, so, actually Spur has played only six games. Floydada has had 34 points cross their goal this season for an average of 5.7 points-per-game.

Following is a list of scoring by and against each team in the district this year:

Team	Games	Points	Ops.
Lockney	7	217	33
Floydada	6	160	34
Spur	7	86	39
Slaton	7	92	111

### BARTON SCORES 12 AGAINST POST

### JERRY WILLIAMS CONTINUES AS 'HORNS' SCORING LEADER

Jerry Williams continues to lead Longhorn scoring although he was slowed by injuries last week against Post and failed to push across any points. Williams has been credited with 67 points for the year.

Dickie Barton, Lockney's hard-charging fullback, was the leading scorer against Post with 12 points and led the Longhorns in yardage gained as he proved to be the main cog in the Longhorn offensive machine last week. The rugged fullback has accounted for 44 points this year.

Bill Race, quarterback, brought his seasons scoring total up to 45 points as he drove across for one touchdown last week. Halfback Cliff Hardy carried across three extra points to up his total to 21 points.

Kenneth Calloway, another hard-hitting Longhorn fullback, crossed the double-stripe with one touchdown and one PAT against Post to bring his total to 14 points and speedy halfback Kenneth Holt aided the Longhorn cause against Post with six points to raise his total to 12 points for the year.

Others credited with scoring for Lockney this year include Nelson Wofford, fullback, 6 points; John Hanst, tackle, 7 points; Larry Hammit, end, 1 point.

score up to 27-0. Brock's kick was returned from the 12 to the Post 37. The Antelopes lost 9, passed incomplete, passed for 9, and punted to the Lockney 32. Holt returned to the Lockney 43.

With the Longhorn second unit in the game, Quarterback Jimmy Minter passed to End David Robertson for 25 yards and a first on the Post 32. Holt scampered for a first on the 19, Holt romped for another first on the 8, a penalty against Post moved the ball to the 1, and Calloway drove for the six-pointer. Hardy charged across for the extra point which increased Lockney's lead to 34-0.

Brock kicked to the 8 and Post returned the ball to their 37. An interference penalty gave Post their second first down of the game on the Antelope 46. The host team was charged with an offside penalty, and Lockney's defensive men threw Post's passer for 8 and 5 yard losses as the game ended.

Scoring by quarters: Lockney 6 0 7 21-34. Post 0 0 0 0-0.

## DISTRICT SPOTLIGHT ON FLOYDADA-SLATON BATTLE

Three 2-AA contests are slated for Friday night with Slaton's Tigers invading Floydada in the district headliner. Abernathy goes to Tahoka and Post travels to Spur in other action while Lockney is idle this week.

The Floydada Whirlwinds, who sport a two won, no loss record in conference play, should be slight favorites but the rugged Slaton club will be shooting for an upset. Slaton sports a two won, one loss record in 2-AA action, their only loss coming at the hands of powerful Lockney.

2-AA continues to furnish some of the area's most feared teams. The powerhouse Lockney Longhorn squad was once again selected by the Lubbock Avalanche-Journal and Amarillo News-Globe as the top AA team in this area. Floydada's high-flying Whirlwinds were chosen by the News-Globe as the third ranking team in this area and the Avalanche-Journal placed Floydada fourth and Spur eighth in their area listings. Fort Worth Star-Telegram picked Lockney as the third ranking AA team in Texas.

Spur should stay in the district race with an easy win over the weak Post Antelopes. Post was "up" last week for their game against Lockney and will probably let down this week.

Abernathy could move out of the district cellar this week with a win over Tahoka after suffering losses at the hands of district powerhouses, Lockney, Floydada, and Spur. Neither team has a district triumph to their credit.

Lockney and Floydada staged rallies late in their games last week to rack up another district win and stay in the 2-AA lead. Spur, who was tied for the top spot last week, lost a battle to the flu and had to forfeit to Slaton.

The explosive Lockney Longhorn machine sputtered in the first half against a weak but "fired up" Post squad last week before coming in the last two periods to win, 34-0, going away.

Floydada also had trouble in the first half last week, being held to a 0-0 halftime score by Abernathy, but rolled up 33 points in the last half to win 33-0.

Spur, weakened tremendously by an attack of the flu, was forced to cancel a scheduled contest with Slaton and the game went into the record books as a win for Slaton.

Tahoka had an open date last week.

### HANST, KIDD NAMED

### Horns Cited For 'Lineman-Of-Week'

Two Longhorn linemen, John Hanst and Coy Kidd, received mention this week from Lubbock Avalanche-Journal in the newspaper's "Lineman of the Week" poll. The Lockney pair were cited for their standout performance against Post.

Hanst, rugged tackle, and Kidd, sturdy guard, play vital roles in the Longhorn offensive forward wall and each is equally efficient at his line-backer post on the defensive unit. Hanst, captain of the Lockney eleven, has been mentioned several times in the weekly poll.

Gary Cleaver, Dimmitt Bobcat end, received the honor of being named "Lineman of the Week" for his outstanding play in Dimmitt's 12-6 win over Dalhart last week.

Spur forfeits Lockney and Floydada staged rallies late in their games last week to rack up another district win and stay in the 2-AA lead. Spur, who was tied for the top spot last week, lost a battle to the flu and had to forfeit to Slaton.

### DOWN POST 24-7

### Jr. Hi Improving, Battle Spur Here

The Lockney Jr. High Short-horns will be seeking their fifth victory of the season Thursday night when they play Spur Jr. High on Mitchell-Zimmerman field at 6:30. The Jr. High eleven now sports a four won, two loss record and have won their last two contests.

Spur Jr. High downed Post Jr. High 18-12 in a game early this season and the Short-horns rolled over the Post team, 24-7, last week for a comparison of the Spur and Lockney squads.

Short-horn Coach Weldon Dodson said Tuesday afternoon that his team had been hit by a siege of flu and some 15 football players were absent Tuesday. Ricky Collis, stalwart tackle, missed the game last week because of illness and Wayne Workman, Short-horn reserve, suffered some broken ribs in practice last week and will be out of action for about two weeks, according to Coach Dodson.

In the 24-7 win over Post Jr. High, Johnny Belt, quarterback, passed to Audrey McCormick, end, for one touchdown; Belt ran across one touchdown on a keeper play; Terry Mosley, fullback, crossed the double stripe for one touchdown; and Robert Holland, end, recovered a fumble in the end zone for another six points, according to Coach Dodson.

The Jr. High mentor listed this probable lineup for the Spur game: center, Jerry Willis; guards, Donnie Hanst and Jimmy Rushing; tackles, Collis and Jimmy Whitfill; ends, McCormick and Holland; quarterback, Belt; halfbacks, Clark and Doyle Thurman; fullback, Mosley.

### "B" Squad After 7th Win, Maul Post

The Longhorn "B" squad will be in quest of their seventh straight win of the season Thursday night when they tangle with the Spur "B" team on Mitchell-Zimmerman

field. The "B" game will follow the Jr. High contest which starts at 6:30. Last week the "B" team racked up their sixth win by slaughtering previously unbeaten Post "B" team 54-0. Scoring for Lockney included: Terry Clark, 14 points; Keith Carthel, 12 points; Ronnie Thornton, 7 points; Jake Wofford, 7 points; Bill Mangold, 7 points; Alvin Hayes, 7 points. Standouts in the line were Ricky Duvall, Milton Mickey, and Lewis Eiland.

**VITAMINS BUILD RESISTANCE!**

With cold weather coming and the "flu" epidemic sweeping the country, it might be wise to think about building up resistance to colds, "flu" and illness of all kinds. Taking vitamins regularly is one of the best ways to build your resistance.

Of course, upon the first symptoms of illness, you should call your family physician. Vitamins are not a cure for illness but they can help to prevent it.

A regular dosage of vitamins by each member of the family may do much to keep illness away. We have a large supply of all kinds of vitamins and will be glad to recommend them to you. Here's a few:

**ANOTHER VICTIM**

Fort Worth, Texas — Police were called to a Southside intersection where an elderly man was annoying motorists by stopping them and asking for cigarettes.

The car given the call radioed headquarters:

"I've talked to this man before, after receiving complaints. What can I do? He's 85 years old . . . and he mooched me for two cigarettes before I could get away."

**CROSS ROADS REPORT**

Dear Editor:  
 I note that Senator Byrd thinks maybe if the government cuts spending somewhat, we can get a tax cut about next year, and also pay off \$2 billion of the nation's debt.

At this jet-age rate of amortization it will only take 140 years or unto the fifth generation to get this debt paid off in full.

And my high-living neighbor says if this modern type of prosperity keeps on prevailing, he and the government will get out of debt just about the same time.

**County Bond Sales Are 90% Of Goal**

Floyd County has purchased a total of \$203,044 in E and H savings bonds through September, according to a report from Nathan Adams of Dallas, chairman of the state savings bonds committee. This represents 90.4 per cent of the county's yearly goal of \$224,686. Joe Gidden of Floydada is County bond chairman.

District 3, comprising eight counties in this area, has purchased 80.7 percent of its goal. The state as a whole has purchased \$127,489,973 in bonds which is 66 percent of the goal for the year.

**NEW ARRIVAL**

Mr. and Mrs. Edward Mahoney of Van Nuys, Calif., are the proud parents of a baby girl born September 16 weighing 5 lbs., 15 ozs., and named Jennifer Louise. The Mahoneys have another daughter, Patricia Ann, two years of age. Mrs. Mahoney is the former Melba Turner, daughter of Mr. and Mrs. Roy Turner, former residents of Lockney, now of Amarillo. Mr. and Mrs. Turner have just returned from a visit with their daughter and family.

Mr. and Mrs. Clint Honnol of Amarillo spent Sunday here visiting her parents, Mr. and Mrs. C. E. Johnson and family.

Mrs. Fannie Bartram of Mobeetie, Texas is here spending a few days in the home of her son, Homer Bartram and family.

**UNFRUITFUL ACT**

Victoria, Texas. — A San Antonio fruit peddler was being held in county jail for investigation after his "partner" tried to steal money from the cash register at the Tango Club.

Spotted as he tried to grab the money from the register, the would-be holdup man was attacked by the club's employees. He threw the money to the floor and made his get-away in a pick-up truck, leaving his friend behind.

Spectators agreed it was a first class way to dissolve a partnership.

# ...Diary of a Dollar.....

It has been a busy day. Early this morning I was swapped for some medicine for his baby by a fellow who got me in exchange for farm produce.

The druggist gave me to the boy who sweeps out for him, and the boy spent me to get his suit cleaned and pressed for the school dance tonight.

The cleaner took me and some of my brothers and paid his school taxes. I sojourned in the bank for a few minutes. Then a school teacher cashed her pay check and I started around town again.

Before the day ended I had changed hands 20 times, and had put \$20 worth of goods and service into people's hands . . . had accounted for \$20 worth of trade

in the community, and had been in one poker game. Not a bad day's work for one little old dollar.

I'd like to hang around this nice community for a while. But I wound up the day in the hands of a city-shopper. Tomorrow I'll be on my way to go to work for city folks. It seems that some people want to get us dollars out of their sight and reach, for fear we'll make their community a better place to live.

**... Murder**

Bunch, Silvertown High School agriculture teacher, has been charged with murder with malice following the death of a local boy, Benjamin Bearden, 20, an oilfield worker from Brownfield, who died Friday night in a spot on Highway 107 about nine miles south of Silvertown. Officers said that Bearden had been shot four times in an accident.

The shooting was the subject of a special session of the Briscoe County grand jury today (Thursday) to investigate the death of Bearden, which was held in the courtroom of District Attorney Stapleton.

Bearden was driving a car when he was shot, it was reported. Bearden had been driving on the local field road when he was shot. He is crippled, having lost a leg while serving in the Marine Corps in World War II.

**Stay-At-Home Nite**

Someone has said at some time or another, "I'd give a dollar to stay at home tonight." The Lockney Teacher Association is taking that opportunity to give the community this money-raising plan. The "stay-at-home" night will be held on Friday, December 10, at 7:30 p. m. Tickets are being sold at \$1.00. The entire family is invited to stay at home.

The P. T. A. officials suggest that you may tell them, "No, I've purchased a ticket from the P. T. A. to stay at home tonight."

The P. T. A.'s money-raising project for the year and are soliciting the support and co-operation of all the community.

Tickets will be sold by the students and the home members. The most tickets will be given a prize.

Henry Ford announced this week that the Teacher Executive Committee will meet in the High School auditorium next Tuesday, November 5, at 6 p. m. The meeting will last only one hour and all members are urged to
