Weather Hurts Football Late Receipts

This should have been an excellent year for the Lockney athletic fund as well as the school football team, but weather most all fall hindered attendance and the weather was unusually bad at both games. The athletic fund is still in the red, according to a report from Supt. H. H. Nicholas this week.

In fact the weather was so bad at both games the Longhorns played outside their district that five games on the regular gridiron schedule out of either game.

Total receipts from the A team football games this fall was \$7,947.03 and from B game concessions, etc., \$944.31, total receipts of \$8,891.34. Disbursements of all kinds as far totaled \$4,959.30 and outstanding bills total \$6,694.39, which leaves the athletic fund still in the red a little less than \$1,000.00.

The Lockney-Dimmitt bi-district game, played at Plainview very cold weather, netted the local school only \$567.87 while the game with Seymour played at Snyder netted \$750.43. The most receipts received from any one game was the game with Ralls on the local field which netted the local school \$1,186.75. The Spur game was netted with \$1,186.75.

FALL TO FLOYDADA

Seventh Grade Boys Play Floydada Here Friday

Seventh grade boys from Lockney Jr. High will take on a similar team from Floydada Friday afternoon at 4:30 in the local gymnasium.

Tuesday evening the Jr. High short-horns, seventh and eighth grade boys, were trampled, 3-9, by Floydada Jr. High. James Ray Wofford sank five points for Lockney and Johnny Belt made three points.

Robert Holland, a key man on the Short-horn team, was injured in practice this week and was sorely missed in the Floydada game. Holland should be ready to play again in about two weeks.

Tulia Jr. High called off a game scheduled for Monday night at Tulia. Both seventh and eighth squads were to have played at Tulia.

Area Ginnings Pass 16,000, Half Through

Ginnings in northwestern Floyd County passed the 16,000 bale mark Wednesday and most ginnings are estimating that the crop is half gathered. If this estimate is correct, the area will gin some 32,000 bales which is about 71% of the total ginnings for the area last year, 45,000 bales.

Estimates of the percentage of the crop harvested ranged from 45 to 50 per cent in the Lone Star area to 70 per cent at Aiken. Gin men here estimated the crop to be from 50 to 65 per cent gathered.

The Beacon's survey covered gins in Lockney, Aiken, Lone Star and Sterley. The total showed 16,025 bales weighed in. At the four gins in Lockney the total weighed in was approximately 8,000 bales. These four gins ginned a total of 18,000 bales last year.

Cotton strippers have been running very steady the past week and most gins have cotton trailers stacked on the yards, some of them running as much as one to two days behind.

Grain About In
Meanwhile the grain harvest is about complete. Elevator men say that 90 to 95 per cent of the grain has been harvested. What remains is grain that has blown down and harvesting operations are very slow. It will probably take the remainder of the month to complete. The Beacon was told, however, harvest crews are doing a remarkable job in picking up the grain.

Yields were better this year than last, particularly on hybrid grains, but the unfavorable weather brought a loss in part of the crop and the total receipts here are expected to be about the same as last year.

Methodists To Present Cantata Sunday Evening

A Christmas Cantata, entitled "Music of Bethlehem," will be presented at the First Methodist Church Sunday evening at 6 p. m. Director is Miss Barbara Carruth.

The 27-voice choir will sing the cantata in a candle-light service. The music is by Fred Holton.

Soloists are C. L. Record, Oliver Holmes, Mrs. Lewis Busby, Mrs. Fritz Schacht, Mrs. Lavon Johnson, Mrs. Don Hatch, Mrs. Troy Lemley, Mrs. Oliver Holmes, Arthur Barker, sr., and Joe Foster.

Readers are Mrs. Clyde Briley and Mrs. Joe Foster. Organist is Mrs. C. L. Record.

Photographer To Be Here Friday

A professional photographer will set up shop in The Beacon office Friday of this week to take pictures of youngsters of the area to be run in The Beacon at a later date. There is no cost to the parent for taking the pictures and no obligation of any kind.

The photographer will be here from 10 a. m. until 5 p. m. Friday and parents of youngsters are invited to bring them in and have their pictures made. The pictures will be printed in The Beacon as a "Citizens of Tomorrow" feature.

Retail Merchants Ass'n Calls For Credit Meeting

The Lockney Retail Merchants Association has called a meeting of Lockney merchants and business people to be held at the Plains Theatre here today (Thursday) from 2:30 to 3:30 p. m. Purpose of the meeting, The Beacon was told, is to discuss local credit problems and attempt to work out some solution to these problems.

Every local business house is urged to have a representative present at the meeting.

Officers Have Busy Week End

With 30 men in jail at Floydada Monday morning, Sheriff Walter Hollums and his deputies set some sort of record. Charges varied from just common drunkenness to burglary and driving while intoxicated.

Ernest Larkin, colored, is in jail at Floydada charged with burglary and forgery. Larkin, according to officers, lost some money in a crap game at Floydada, left the game, broke into a nearby residence, stole a pistol, went back and shot through a window at those who were still gaming. No one was hit by the bullet. The forgery charge came out of an attempt by Larkin to pass a forged check some time ago at a Floydada store.

Two Mexican boys, age 19 and 20 years, pleaded guilty to burglary charges in county court last week and were fined \$50 and costs, totaling \$78.50 and given five days in jail by Judge J. D. McBrien. The boys reportedly stole some batteries from irrigation wells.

Sheriff Hollums said that his office was having numerous reports of stolen batteries, generators and tools from tractors, combines and irrigation wells.

Five Mexican boys have been fined \$23.20 each for drunkenness and malicious mischief in a case involving the car of another Saturday night. The boys were said to have stripped the car of the spare tire, a rear wheel and tire, and then beat all the windows out of the car, broke the lights, cut the seat covers, filled the radiator and gas tank with dirt, and otherwise damaged it. The car, a 1950 model Ford, was left parked at the roadside park just west of Lockney while the owner, Vicento Jasso, went to Plainview with a friend. The boys were each ordered to pay the car owner \$55 and were placed under one year probation sentence. Two adults have also been charged in the case but have not been apprehended.

Thomas Gomez, arrested last week by City Officer Lowell Bibrey, was fined \$300 and costs after pleading guilty to a charge of driving while intoxicated.

Julius Flores was arrested by Deputies Ray Hardin and E. H. Bolling Saturday night and charged with carrying concealed weapons. He pleaded guilty in county court Wednesday morning and was fined \$100 and costs.

Simon Martinez of Lockney was arrested by Deputies Hardin and Bolling Saturday night and charged with possession of liquor for purpose of sale. He pleaded guilty Tuesday in county court and was fined \$300 and costs.

Laundry Burglarized
The Taylor Laundry in Lockney was burglarized of \$53 in cash last Friday night. The culprits entered the building through a window but took nothing but the money. Officers had made no arrests on the case Wednesday.

Rev. J. F. Nix Resigns Here

Rev. J. F. Nix, interim pastor of the First Baptist Church for the past two months, terminated his services with the local church after the Wednesday evening service this week. Throat trouble brought about his resignation, Rev. Nix said. He has been troubled with a throat ailment for several years, which caused his retirement from the active ministry at one time. Recently he caught cold which aggravated his throat and it has been difficult for him to preach. He and Mrs. Nix will move back to their home in Lubbock this week end.

LOSE TO MATADOR

Local Cagers Travel To Muleshoe Tues.

The luckless Lockney Longhorns and Longhornettes basketball squads will travel to Muleshoe Tuesday night for three games with Muleshoe teams.

Local teams will not play another home game until Friday, January 3, when Spur comes here.

Both the Longhorns and Longhornettes have been winless in games with Matador the past week although the boys "B" team won one and lost one to Matador "B".

Last Thursday local squads traveled to Matador where the Longhorns were stopped, 48-35. Friday evening Lockney played host to Matador but the Longhorns again fell, 48-35. Larry Jarrett led Lockney scoring in the first game with 17 points and had 9 points in the second contest. Roy Kidd sank 11 points in the battle played on the local court.

The Longhorns were entered in the Matador tournament and drew the host Matadors in their first game. The red-hot Matador squad won, 75-31, although the locals trailed only 19-13 at the end of the first quarter. Lockney had trouble hitting the basket, scoring only six points in each of the final three stanzas. Jarrett tossed in 11 points to be high-point man for the Longhorns.

Coach Troy Lemley believes the team will vastly improve as the season progresses and should develop into a strong unit. Due to the long football season, the Longhorns have had very little time to practice.

David Howell, who suffered a knee injury in the Seymour football game, will probably be ready to play in the Tulia tournament next week end.

The Longhornettes fell to Matador, 46-38, in the game at Matador and were beaten, 30-14, in the contest at Lockney. Linda Baxter was high point for the local girls with 13 points in the first game. Pat Buchanan sank 10 points in each of the games.

The girls' team, generously sprinkled with freshmen, is improving and has looked good most of the time.

Longhorn "B" squad won over Matador, 40-30, in the game played here after they fell, 28-23, the previous night at Matador. Bill Reagan sparked the team with 13 points in the second battle.

The remainder of the 1957-58 schedule for Lockney High basketball teams includes:

Baptist Choir To Present Cantata Sunday Evening

"The Christmas Angels" by Stewart Landon and Elsie Duncan Yale is the name of the cantata to be presented Sunday evening, Dec. 15, at 7:30 at the First Baptist Church by choir members.

N. S. Abbott, church music director, will direct the musical program.

Floyd United Fund Drive Set For Next Week

A LIFE SIZE HEART MODEL was presented Monday morning to the science department of the Lockney High School by officials of the Floyd County Heart Association. Standing left to right in the picture is Mrs. Juel Lewis, home making and science instructor, Supt. H. H. Nicholas, Hays O'Neal, vice-president of the Floyd County Heart Association, and Edward Babitzke, physics, chemistry and biology teacher.

The dissectible heart model has three hinged sections which enable the student to see the internal structure of the heart as well as blood vessels connecting with the heart. The model is made of hard rubber and is unbreakable.

Area Escapes Serious Fire

With all the high winds of the past week, this area has thus far escaped without any serious fires. Several alarms have been sounded in the past few days but the fires were all extinguished without much damage.

Last Sunday a loaded cotton trailer caught on fire at a service station on Highway 70 in south Lockney. It was extinguished without much damage to the cotton and no damage to the trailer. The trailer belonged to Raymond Rucker and the cotton to Ray Aston. The Beacon was told, The Lockney Fire Department answered the alarm.

Last Saturday a fire broke out in a local residence on South West Second Street but was extinguished quickly. The house was occupied by the Houston Pope family and belonged to Pat Hill.

A fire at the South Plains gin, Sterley, Tuesday afternoon destroyed one bale of cotton but did not damage the gin plant. The Lockney Fire Department also answered that alarm.

County Farmers Approve Quotas

Floyd County farmers gave overwhelming approval to 1958 cotton marketing quotas in voting Tuesday. The county vote was 312 for and 27 against. County ASC Office Manager Tom Hutchins said that although this was a light vote compared to the number of eligible farmers, still it was about twice as many votes as had been cast in previous elections.

A total of 63 entered the race in all classes and Bill placed 14th in the entire group but was the only runner from a Class A school to place in the top 30.

The race was two-mile cross country over very rough terrain. Bill left Lockney Friday night at 11, rode a bus all night, arrived in Austin Saturday morning, ran the race that afternoon and returned home Saturday night.

He has represented Lockney High in the mile run in Inter-scholastic League the past two years.

Nat'l Alfalfa Installing New Machinery Here

The National Alfalfa Dehydrating & Milling Co. is installing new machinery and modernizing their local plant, Manager J. D. Wood announced this week. The modernization program includes the installation of a pellet mill and connecting operating units. The pellet installation will replace obsolete machinery and make for better service to the mills customers, Mr. Woods said.

When the installation is complete the local mill will be able to furnish the processed alfalfa either in pellet or meal form, Mr. Wood said.

Mr. and Mrs. Wood and Mrs. A. N. Waldroupe returned Sunday from Lamar, Colo., where they attended the annual meeting of the managerial personnel of National Alfalfa. Various phases of the company operations were discussed including the modernization of the company's plant.

On the return trip the Woods spent a day inspecting the gas storage facilities of National at Garden City, Kansas.

Mr. Wood said that the local plant had processed 3400 tons of alfalfa this year, which was a "normal" year of operation at this plant.

Bill Musser Wins In State Race

Bill Musser, senior in Lockney High School and son of Mr. and Mrs. Ed Musser, won first place in the Class A division in a high school cross country race sponsored by the University of Texas at Austin last Saturday.

A total of 63 entered the race in all classes and Bill placed 14th in the entire group but was the only runner from a Class A school to place in the top 30.

The race was two-mile cross country over very rough terrain. Bill left Lockney Friday night at 11, rode a bus all night, arrived in Austin Saturday morning, ran the race that afternoon and returned home Saturday night.

Minute Editorials

Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow. — Isaiah 1:18.

WHEN YE OLDE EDITOR was a child it seemed that Christmas would never come but we've noticed a change in things in recent years. Now it seems that it comes at least twice, maybe three times a year. When this newspaper hits the mail this week there will be only 11 shopping days left until Christmas. Just last month it was summer and it seems only two or three months ago when Spring was upon us. Time certainly flies after you pass that "life begins" stage.

REMEMBER only 11 shopping days until Christmas. Better do that Christmas shopping now — and give your home town merchants first chance, this year especially.

THE FIZZLE of the satellite launching project has cost the U. S. a lot of prestige in world circles but it is nobody's fault but the boys in charge. Why allow a lot of publicity on a thing that is apt to fail? The military boys have been mighty secretive about some of their projects, and maybe rightly so, but most of us can't understand why this project was allowed to get out of hand publicity-wise when there was so much possibility that it would fail.

THE RECENT extra sessions of the legislature were given a lot of publicity, so much so that many times it was hard to tell what actually was happening down at Austin. Governor Daniel was given all five of the measures he requested during the first session but some were watered down considerably. Briefly the new laws do this: 1. Set up a water planning division to do research on Texas water resources and report to each regular session. No authority to draw up a statewide plan was conferred, and the appropriation was cut

from a recommended \$1,200,000 to \$900,000. Water Board was given authority to negotiate for state water storage in federal reservoirs — with legislative approval. 2. Require registration of those who seek to influence legislation "by direct communication" and reporting of expenditures over \$50. 3. Require registration of those who, for pay, represent others before state agencies. 4. Set up a commission to study Texas law enforcement and report to the next regular session. 5. Appropriate money for a building for the State Insurance Department.

IN THE SECOND special session the legislature turned out three laws aimed at strengthening local control of schools, particularly in regard to segregation. The last one to pass authorized county judges to require registration of organizations they feel are interfering with school operations.

THE PROFESSIONAL CRITICS, of course, can find no good in anything that happens at Austin. Whatever laws are passed, whatever actions are taken, these perpetual crepe hangers cry that the state is ruined, that every person connected in any way with the administration in Austin is a crook and that every action is designed to benefit only the persons who back such action. Such an attitude is disgusting and revolting to adults with any judgment. We've heard of the little boy who took his bat and went home because he couldn't have his way about the ball game but when grown ups take that kind of attitude on matters which are of vital concern to the state, it is time to question their motives. A wise man once told us that when a man is suspicious of everyone else, he should be watched himself. The man who trusts no wisdom save his own is a fool.

AS OF A LATE DATE, the cumulative postoffice deficit since 1945 was in excess of \$3 billion.

AMERICAN BANKS now have outstanding loans of \$11,260,000,000 — 10 per cent more than in 1956, according to an article in The American Weekly.

GET IT STRAIGHT

Harold Maxwell of Wynne, Arkansas, wrote a letter to an editor, and has seen it quoted by scores of newspapers. The letter follows: "Before I start next year's crops, I would like to get things straight, since the Supreme Court has changed so many things that the Constitution and our forefathers stood for. I would like to know if I will be permitted to plant my white and black peas in separate rows of equal width and length, or will I have to mix them up and sow them broadcast? When I harvest my peas, can I store them in separate but equal bins, or should I play safe and mix them. I would like to sell my hogs, but I have all white. I don't know if I can sell them unless I have an equal number of black hogs to go along with them. Will you give me a ruling on that? Would it be permissible to separate my

white and black cattle by a fence or must I let them run together? My white coon dog won't hunt birds with my black dog. Could I get an injunction to make them hunt together?" — Ernest Hayley in Saint Jo Tribune.

PEERING INTO A DARK GLASS

Shakespeare may have quoted it, but it is Solomon who said, "There is nothing new under the sun!" and he continued, "If it is ever said, 'See! This is new!' It has often been in former times that were before us. For there is no record of past events, and there will be none of future ones, for

them to be remembered by those who are still more future." One thing that we might concede as "new under the sun" is the astonishing prophecy of Zachariah where in he saw what an atomic bomb would do to human flesh. Horrible though it is, he reported in Zach. 14:12, "Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes and their tongue shall consume away in their mouth."

It is interesting to note that when the first atomic bomb exploded in New Mexico, the desert sand turned to fused green glass, a substance never found free in nature.

This brought apprehension to some archaeologists. They were the ones who discovered a layer of agrarian culture in the Euphrates valley over 8,000 years old. Under this was found a herdsman culture much older and still an older caveman culture. On reaching the bottom layer they found "fused green glass." — Cecil Waggener in Claude News

CROSS ROADS REPORT

Dear Editor:

I see in the papers where a Dr. Corniny, who runs the schools in Washington, D. C., has noticed that the average student in this school is getting behind in his learning.

But the Doc has got it all figured out. Says this is because too many of the Washington children live in sub-standard homes.

Back when I was going to the schoolhouse down by the creek, the teachers blamed my backwardness on my family, too. But they went a lot farther back than the kind of house we lived in. — D. E. SCOTT

Bumper Grain Sorghum Yield Forecast

Austin — Thanks to timely rains and large acreage expansion, Texas will almost double its grain sorghum yield from 24,202,000 bushels in 1956 to an estimated 213,249,000 in 1957, the University of Texas Bureau of Business Research reports.

Production is expected to increase from 26 bushels per acre in 1956 to 31 bushels in 1957. Texas, the most important grain sorghum state in the nation, will produce approximately 40 per cent of a record U. S. crop estimated at 514 million bushels and 2½ times the 1956 output. Record increases are expected throughout the major sorghum-growing states of Kansas, Nebraska, Missouri and Oklahoma.

Sorghum in the past was thought of strictly as a crop forage, but today approximately 80 per cent of Texas production is raised for its grain, a large portion of which is used in domestic industry or exported. George E. Neel, Jr., bureau editorial assistant, notes:

Products obtained from sorghum include starch, sugar, oil and animal feeds. Starch is used in confections, bakery products, cosmetics, brewing, paper, textiles, pharmaceutical preparations and many other products. Sugar is used in confections, carbonated beverages, canned and processed foods, and synthetic rubber. Oil is used in soaps, glycerine, margarine, mayonnaise and pharmaceutical preparations.

About one-third of recent U. S. sorghum crops have been sold as exports. Europe and the Near East have been using the grain primarily for feed, but India and other Far Eastern countries use it largely in a home-ground meal for human consumption.

South Plains

By Mrs. Murray Julian

School was out a 3 o'clock Monday for the pre-Christmas visit of Santa in Floydada. Most of the mothers took their children to see Santa and "Santa's Fun Fair". Fathers are very busy in the fields as they try to gather the fallen grain, and get the cotton to the gin. Morrison's gin is running day and night, and still the yards are full of cotton trailers.

Sunday night at 6:15, the new meeting time, Training Union met at the Baptist Church and WMU members gave Wednesday's program of the Week of Prayer for Foreign Missions. These programs and PTA were postponed from last week on account of the tragedy at the Floydada High School Wednesday afternoon. Taking part Sunday night were leader, Mrs. Larry Faus, and Mmes. Bryan Karr, Sylvie Kinnibrugh, Frank McClure, Murray Julian and Shelby Calahan.

Marilyn Kinnibrugh was ill and in the Lockney Hospital with a severe virus Wednesday of last week.

John Snyder, of Farmersville, Texas, brother-in-law of Zach Cummings visited from Saturday until Wednesday of last week with Mr. and Mrs. Cummings. Zach and John went to Clovis, and spent the day Monday visiting Zach's sister, Mrs. E. H. McCrary and husband.

Training Union time is now 6:15 on Sunday night and please remember next Sunday, Dec. 15, is Lottie Moon Offering for Foreign Missions as announced by S. S. superintendent, Sterling Cummings.

Martha Sanders will present her music pupils at the First Baptist Church in Lockney on Dec. 12 at 7:30. Piano, accordion, organ, and voice numbers will be given.

Darla Milton, year old daughter of Mr. and Mrs. Grigsby Milton, has been ill since last Monday and in the Lockney General Hospital since Friday suffering with a severe virus. She and her mother were able to come home Monday afternoon.

Newton Deavenport, son of Mr. and Mrs. Loyd Deavenport, was hurt in the explosion at Floydada Wednesday afternoon. He had a piece of steel taken from his leg at the Floydada Hospital. He is doing fine this week and is back in school. His mother is taking nursing training at the Lockney General Hospital but was at home when the accident occurred.

Miss Louise Pritchett and Robert Olin Turner of Lubbock will be united in marriage Saturday afternoon at 2:30, December 14, in the home of the bride's parents, Mr. and Mrs. E. P. Pritchett, with the Rev. L. H. Faus conducting the ceremony. Mrs. Faus will present music, and Mrs. J. D. Webb will be vocalist. Among the guests will be the parents, brothers, sisters, and relatives of the couple, her aunt, Mr. and Mrs. L. D. Reid of Dallas; her grandparents, Mr. and Mrs. H. H. Stevenson, of Plainview; another aunt, Mr. and Mrs. S. D. Medley, of Floydada; close friends here of the bride, Mmes. Carl Kraig of Canyon, Joe Taylor of Lockney and Doug Meriwether of Lockney, and the Misses Donita Milton, Juanell Wood and June Marble. The couple will be at home in Lubbock at 1908-9th street.

Elton Karr from Wayland College, Plainview, was home with his folks Mr. and Mrs. Bryan Karr and Yvonne over the week end. Other boys home from WTSC at Canyon were Alton Higginbotham and Kendis Julian.

Pecans for the Home Demonstration Club members came in Saturday and Mrs. Fred Fortenberry and Mrs. John Smitherman weighed and prepared them for distribution that afternoon. Those who have not yet received theirs please get them at Mrs. Fortenberry's.

Kendis Julian, Stanley Burleson, Don Norman and Alton Higginbotham from Canyon all attended funeral services for their former teacher, Garland Foster, Friday afternoon, Dec. 6, at 2 o'clock, at the First Baptist Church in Floydada.

Miss Louise Pritchett was honored at a miscellaneous bridal shower in the home of Mrs. John Key West Dec. 3, at 3 o'clock, with hostesses assisting Mmes. Sylvie Kinnibrugh, R. G. Dunlap, Frank McClure, George Weast, John Wilson, J. P. Taylor, Raymond Upton, Rufus Young, Grigsby Milton, H. L. Marble, L. T. Wood, Bryant Higginbotham, Murray Julian, Fred Fortenberry and Dock Jones.

Guests were served from a table covered with lace over gold. Gold chrysanthemums were used in the centerpiece forming a background for a golden heart featuring a miniature bride and groom, golden

wedding ring with grapes, for a fruitful and happy life. Mmes. Joe Taylor and Kenneth Bean served hot apple cider and white cake squares with golden bells, used with napkins written in gold the words, "Louise and Shorty." About a hundred gifts were presented and sent and the hostesses gave Miss Pritchett a starter set of her chosen cookware.

South Plains 4-H club boys met Monday afternoon, Dec. 9, at the school house with Lynn Pittard in charge. Members with projects are Dennis Deavenport, 2 pigs, and Bruce Julian, 1 pig. In the sheep division are Allen Adams, 1 sheep; Jimmie Pritchett, 1 sheep; J. Frank Parks, 1 sheep; and Bud Higginbotham, 2 sheep.

Mr. and Mrs. Fred Fortenberry spent Sunday in Tullia visiting her brother and family. Mr. and Mrs. Larnce McCain are proud parents of a new son, born Dec. 2, who has been named Timothy Larnce. The Fortenberrys are momentarily expecting word from their son, Elmo, who was to have left Japan for the States on Dec. 6.

Mr. and Mrs. E. W. Newton

and JoAnn went to Methodist Hospital Sunday to visit their nephew, Keith Hollums, who was one of the students most critically injured in the Floydada High School tragedy Wednesday. Mrs. Newton spent Wednesday night, Thursday and that night with Keith's parents, Mrs. Newton reported Monday that Keith is much improved and may get to come home Wednesday of this week, and we all rejoice with the family that he is improving.

We are sorry to hear that our neighbor W. M. Stanforth, sr., is in the Plainview Hospital this Monday where he is undergoing tests for a chest infection.

Most of our community at-

tended Friday afternoon in Floydada the services for Garland Foster, brother of Mrs. H. S. Calahan, Jr. from South Plains. All of us have been saddened by the tragedy. Our community joins in sympathy for June and her whole family.

P.T.A. will be held at 3 o'clock at the school house Thursday afternoon of this week, with Mrs. Rene Yeary giving the program, which includes musical numbers from her pupils. Everyone be present as plans for Christmas parties will be made.

Mr. and Mrs. Frank McClure spent Sunday afternoon in Crosbyton with their children, Mr. and Mrs. Don McClure and girls.

Mrs. George Weast has been able to be out and visiting a

few minutes with friends, and was able to go select her Christmas tree Monday.

Word has just been received of the death of Lonnie Cox, brother-in-law of Mrs. Sylvie Kinnibrugh. No details have been given, but Sylvie, Bobbie and girls left Tuesday afternoon for Fort Worth where the funeral will be held Wednesday morning. Interment will be in Truscott. Our hearts go out to all these neighbors as they are called upon to bear these tragedies.

Preacher Invited Back To Preach At Ordaining Church

Rev. J. Frank Nix, interim pastor of the First Baptist Church of Lockney, recently completed 50 years of service in the ministry. He was ordained at the old Sunset Baptist Church, located near the present site of South Plains and preached his first sermon there. Recently he received an invitation to return to that church to preach a sermon climaxing his 50 years of service.

The letter from the pastor of the South Plains Church, Rev. L. H. Faus, follows:

Box 296
South Plains, Tex.

Rev. J. F. Nix
Lockney, Texas
Dear Brother Nix:

You have now passed the half century mark in the service of Christ our Lord and Saviour. In this fifty years you have faithfully and steadfastly served Him. Your dedication to the Gospel Ministry has blessed many lives. The jewels of your heavenly crown will be those souls that were led to Christ through your ministry. The Christians you strengthened and inspired to live a closer life to their Lord shall always revere you in their memories.

Brother Nix, as you have blessed many so also has our Saviour blessed you in allowing you so many years in His service. You have many wonderful memories of the victories that Christ has helped you win. You have witnessed men and women grow into workers for Christ who first made their profession of Jesus as Saviour when they walked the aisle of some church and shook your hand. You have seen churches grow and flourish, you have led in erecting church buildings as monuments of worship to our God.

The years have been both harsh and kind, warm and cold, full and empty. Through all of these your spirit has remained undiminished and undaunted. You have pioneered in tasks that have made the way easier for younger men, less experienced men to follow. Those who have known you best have loved you best. Both those who have known you in the past in our own community and church, and those that know you and are associated with you in the present share this love and respect. This is spoken sincerely, for men in the church remember you well, and a mutual friend of yours and ours, Rev. Troy Dale, the son of Rev. George Dale, recently held a revival with us and spoke highly of you and your work.

Brother Nix, it would be our pleasure if you would arrange a date in the near future to speak from the pulpit of our church, which ordained you while still meeting in the old Sunset School house. We would

be privileged to have you with us at the earliest date. With sincere best wishes,
First Baptist Church
South Plains, Texas

Relative Dies At Spur Tuesday

Mrs. Willie Anderson received word Tuesday of the sudden death of her half-sister, Mrs. Henry John who passed away Tuesday morning, Dec. 3, at 6 a. m. of a heart attack. Mrs. Anderson attended funeral services at the First Baptist Church in Spur at 2 p. m. Wednesday of last week. Burial was in Spur cemetery.

Survivors include her husband; a daughter, Mrs. Francis Wilson, Olney; a son Henry Jr., Spur; a half sister, Mrs. Willie Anderson, Lockney; and a half brother, J. F. Hand, Missouri Valley, Iowa.

Mr. and Mrs. Thomas Marr of Lockney also attended the services.

Bargain Rates Are Offered On Daily Newspapers

The Lockney Beacon is now able to offer special fall bargain rates on a number of daily newspapers of the area, and also to offer special combination rates on your daily and The Beacon.

The Fort Worth Star Telegram rate this fall is \$13.95 for the daily and Sunday, and \$12.60 for daily only. If you wish to renew your subscription or buy a new subscription to The Beacon in Floyd County in combination with the above rates, you may do so by adding \$1.50 to either rate. Thus you are saving money on your daily newspaper and also on The Beacon.

The Amarillo Daily News bargain rate is \$9.95 for daily and Sunday. They offer no special rate on the daily only subscription. In combination with The Beacon add \$1.50 to the above rate in Floyd County.

The Lubbock Morning Avalanche rate is \$12.95 for daily and Sunday and \$11.00 for daily only. In combination with The Beacon add \$1.50 to the above rates.

The Abilene Reporter-News rate is \$11.95 for daily and Sunday and \$10.95 for the daily only. The same offer is good for combination rate with The Beacon.

Subscribe for your favorite daily newspaper at The Beacon office and save money on both the daily and The Beacon.

Color and Shadow Lines Enhance Ranch Home

This appealing, moderately priced ranch-style home gains added luxury and charm from its modern exterior finishing. Here the choice has been asbestos-cement siding in pastel green, for a house that invites outdoor living. The smart siding combines with a white trellis and an irregularly patterned flagstone floor to provide a perfect framing for the breezeway terrace. The asbestos

siding, applied over shingle backer, accentuates the horizontal shadows between courses, adds stature and beauty. A light colored asbestos-shingle roof complements the siding and further emphasizes the home's long, low lines. This treatment blends the house into its surroundings. Both siding and roofing are permanent, fire-safe and inexpensive to maintain.

Grain Producers Ask Extension Of Loan Agreement

The Grain Sorghum Producers Ass'n. today requested that the deadline for farmers to make application for government loans and purchase agreements on the 1957 crop of grain sorghum be extended to Feb. 28, 1958. Present regulations set the deadline date at Jan. 31, 1958.

Bill Nelson, Amarillo, Exec. Vice-Pres. of the Ass'n. made the formal request to Mr. Raymond J. Pollock, Director of the Grain Division of Commodity Stabilization Service in Washington and to the Texas State Agric. Stabilization and Conservation Committee at College Station.

In making the request Nelson pointed out that there is a large volume of grain sorghum with excess moisture on the ground at country elevators and that with delays in shipment and installation of artificial drying equipment much of the high moisture grain may not be processed suitable for storage before the Jan. 31 date set for all grain to be in a warehouse in order to be eligible for the government program.

The Association official also pointed out that the recent winds which lodged much of that still in the field also is slowing harvest and further makes an extension of time necessary.

R. G. Peeler, Hereford, President of Grain Sorghum Producers Ass'n. states that he feels confident that the Ass'n's request for the time extension will receive a favorable reception by the Agric. Dept. officials, even though a recent request to raise the acceptable

moisture from 13 per cent to 14 per cent was rejected by the Department. This new request is only a matter of administrative decision while the original request was concerned with technology of grain handling. Peeler also indicated that GSPA is already making efforts to keep the level of acceptable moisture for government program in 1958 to at least 13 per cent in face of announced plans by agricultural department officials to consider lowering it to 12 per cent.

The Hereford farmer and Ass'n. President pointed out that the GSPA is presently working on three major issues affecting area grain sorghum producers. He listed them as:

(1) Development of a farm program for the coming and future years in cooperation with other farm commodity groups. (2) A possible change in grain standards which could affect the entire marketing system for area grain sorghum and (3). Announced plans by the Dept. of Agric. to possibly lower moisture content acceptable for future storage of grain sorghum.

Peeler indicated that the only means the Association has for financing continued work on

these all important issues, is the voluntary support of area grain farmers through a two pounds per thousand deduction from their deliveries at elevators in the area served by the association. He issued a plea for 100% voluntary participation in order that an adequate program of service might be continued.

OUT OF THE CRADLE AND INTO CORDUROY

While corduroy was favored for school wear even in the by-gone days when little boys wore "knickers" instead of long trousers, it actually came into its own when manufacturers of baby wear took it over. Now infants of both sexes go direct from swaddling clothes into pastel colored corduroy overalls, usually at four or five months. From then on, they practically live in corduroy for all-weather wear. Homemakers approve because they know that they can machine-wash corduroy, toss it into the clothes dryer and have it ready to wear in little more than an hour.

Catnip tea is considered by some as an excellent cold remedy.

POSSUM PLAYER

Raymondville, Tex.—A Lubbock man who claimed himself dead to avoid a fine was fined \$36.10 by Judge Hubert Wright after pleading guilty to a worthless check charge.

County Attorney Edna Cisneros mailed a registered letter to the man accusing him of the offense. The letter was returned unopened and a note on the back said the addressee had been killed in an automobile accident.

One thing went wrong. The man, himself, had written the note and the writing matched

perfectly with the handwriting on the bogus check.

Test kitchens proved that some angel food cake failures are caused by oil or grease on bowls, beaters and pans. Margaret Spader, home service educator, recommends a thorough washing of all utensils used in making sponge type cakes. Use very hot water and generous suds for thorough cleaning. It is best to use metal glass or crockery mixing bowls for these cakes as grease has a tendency to adhere to plastic.

A FREE PRESS ... and CENSORSHIP

America is at peace. While we have men in uniform stationed over the world, we are not at war. In every way, we are working to preserve our peaceful relations with other peoples whose ideologies and aspirations differ from ours.

Figuring largely in that huge undertaking is America's Free Press. Even during the peaceful years, it has become necessary that certain information regarding discoveries and inventions be protected. Security has become big business.

"Keep this out of the newspaper," are fighting words to any newspaper editor who is a conscientious craftsman. Yet editors of all newspapers, large and small, realize the re-

sponsibilities facing them, to help preserve the securities that are so important to all of us.

Government, the military, and the scientific fields, receive full cooperation from the men and women who, by training, are accustomed to dig out and know the news... and who, by instinct, strive to keep the people fully informed.

Americans have a right to expect that full freedom of the press be preserved, within the bounds drawn by these securities

For a completely free press is the only safe foundation on which government of the people can build all other freedoms.

**FROM THE
County Agent's
Office**
By Cecil Lewis and
Lynn Pittard

The Texas Forest Service has available four species of trees and is taking orders for them. All of the species, Austrian Pine, Ponderosa pine, Red Cedar, and Chinese elm are adapted to this area. Red Cedar is more adapted to the poor, shallow soils and the others to the fertile, deeper soils.

The orders must be for at least 100 trees of one of the species. The cost is \$3.00 per hundred. All orders must be received before March 1, 1958. Application forms are available at the County Agent's Office along with information about the different species.

Persons who are interested in attending an egg grading school in the county are requested to contact the county agents office. If enough people are interested arrangements can be made to hold one in the county during January or February.

Wheat Fertilizer test conducted by the Amarillo experiment station in three locations show the following results. This test was conducted by the use of Ammonium Nitrate and Ammonium Sulfate and was top dressed in late February and then irrigated into the soil. The application rates were from 0, 30, 60, 90, 120 pounds of actual

nitrogen per acre. 60 lbs. of Ammonium Nitrate gave the biggest increase of 28 bushels per acre. The 30 lb. rate of both sources of nitrogen gave no significant increase in yield. The use of higher rates above 60 lbs. of ammonium nitrate and 90 lbs. of ammonium sulfate gave no increase in yield.

All of the wheat was irrigated at least five times.

These results will vary from year to year but do show that top dressing of wheat in February can be a profitable operation.

Pat O'Brien, 4-H member from Aiken Community, won the County Hybrid Grain Sorghum Contest with a yield of 6970 pounds per acre.

On June 12 Pat planted 15 pounds of Texas 650 in 20' rows. During July 100 pounds of Anhydrous Ammonia (82 pounds of actual nitrogen) was applied as a sidedress. The milo was watered four times during the summer.

Harvest was completed on November 26 and an accurate yield was determined. Pat is now eligible to compete against other county winners for district and state honors.

Weekend visitors in the F. S. Shearer home were Mr. and Mrs. Ernest Shearer and son David of Alpine, Mr. and Mrs. Elbert Shearer, Mrs. Walter Shearer, all of Plainview, Mr. and Mrs. Delbert Shearer and Harold Shearer, all of Amarillo.

**SOIL CONSERVATION
DISTRICT NEWS**

Wind erosion season is here, reports Supervisors of the Floyd County Soil Conservation District. Crop residues left on or near the surface of the soil will help prevent valuable top soil from blowing this winter and spring. If residues are not sufficient to protect the soil, tillage may be performed to incorporate residues into the surface of the soil, until the critical part of the year is past, usually in April.

On dryland farms, stubble and stalk aftermath should be left on or near the surface throughout the year. This cover on the ground increases the water intake of the soil and prevents soil sealing over during a rain.

Again this year Supervisors of the Floyd County Soil Conservation District will take applications for Arizona Cypress trees. The cost will be approximately 30 cents each. Delivery date is tentatively set at May 1 to 15th. These trees are for the specific purpose of wind-break planting on farms. No orders of less than 50 or more than 400 will be accepted. Those interested in making application for these trees may do so at the Soil Conservation Service Office in Floydada.

**AMENDMENT TO PEDDLING
ORDINANCE NO. 65**

AN AMENDMENT TO AN ORDINANCE REGULATING THE SALE OF BANKRUPT, FIRE OR WATER DAMAGED STOCKS OF MERCHANDISE OF GOODS, WARES, MERCHANDISE, OR ANY OTHER COMMODITY BY ITINERANT MERCHANTS; REGULATING THE SOLICITING, SELLING, OR TAKING ORDERS FOR GOODS, WARES, MERCHANDISE, SUBSCRIPTIONS TO MAGAZINES, BOOKS, BIBLES, ENCYCLOPEDIAS, EXPOSING PHOTOGRAPHIC PLATES OF FILMS TO MAKE NEGATIVES OR MAKE PICTURES OR PHOTOGRAPHS FOR FUTURE DELIVERY OR ANY OTHER ARTICLE FOR FUTURE DELIVERY BY ANY PERSON WHO GOES FROM HOUSE TO HOUSE OR FROM PLACE TO PLACE IN THE CITY OF LOCKNEY, TEXAS. REQUIRING SUCH PERSON TO APPLY FOR AND OBTAIN A PERMIT; REQUIRING A SURTY; DEMAND AND/OR ACCEPT PAYMENT AND/OR DEPOSIT MONEY IN ADVANCE OF DELIVERY OF ARTICLES SOLD; FIXING FEES TO BE CHARGED FOR VARIOUS CLASSES OF PERMITS; PROVIDING A PENALTY FOR THE VIOLATION OF THIS ORDINANCE IN ANY AMOUNT NOT EXCEEDING ONE HUNDRED AND NO/100 (\$100.00) DOLLARS.

SECTION I: That it shall hereafter be unlawful for any itinerant merchant who may remove from place to place and sell or offer for sale any

bankrupt fire or water damaged stock of merchandise, or goods, wares, or any other commodity of for any itinerant person to go from house to house or place to place in the City of Lockney, Texas, soliciting, selling, or taking orders for goods, wares, merchandise, subscriptions to magazines, newspapers, pictures, books, periodicals, encyclopedias, and such like, without first applying for and obtaining a permit to do so from the City Council, or its designate, of the City of Lockney.

SECTION II: That any person desiring to engage in the business of itinerant merchant, peddler, solicitor, or such like, within the corporate limits of the City of Lockney, Texas, shall make written application for a permit to do so to the City Council, or its designate, of the City of Lockney which shall show the name and permanent address of the applicant, the name and address of the person, firm, or corporation which such applicant represents, the kind of goods, wares and merchandise offered for sale and whether such applicant upon any such order so obtained will demand, accept or receive payment or deposit of money in advance of final delivery, and the period of time such applicant wishes to so solicit, sell or take orders in the City of Lockney. Such written application shall be accompanied by a fee of \$1.00 and no permit hereunder shall be issued until such fee has been paid by applicant and such written application has been so filed with the City Secretary of Lockney, Texas for a period of at least 24 hours.

SECTION III: If the application shows that such applicant shall receive, demand, and/or accept payment or deposit of money in advance of final delivery of goods, wares, merchandise, magazines, periodicals, books, bibles, encyclopedias, and/or any articles set out in the application, then such application shall be accompanied by a bond in the penal sum of \$500.00 executed by such applicant as principal and some surety company licensed to do business in the State of Texas, or by two financially responsible owners of property situated in the State of Texas which is subject to execution of value double the amount of said bond, conditioned upon making final delivery of such goods, wares, merchandise, magazines, books, newspapers, periodicals, pictures, encyclopedias and such like, in accordance with the terms of such order and/or orders obtained and which bond shall be for the use and benefit of all persons, firms or corporations who may pay in advance or make any advance deposit on the purchase price of said orders.

SECTION IV: Should the City Council, after investigation, determine the applicant is entitled to a permit, then such permit shall be issued by the direction of the said City Council upon the payment of the following fees and under the following conditions:

1. For itinerant merchants offering for sale bankrupt stock, fire and water damaged stock, goods, wares, merchandise, or any other commodity for a limited time of one month or less \$50.00. For each additional month for each of the next five months or fraction \$10.00. If merchant liable for this fee remains more than six months or and up to twelve months, for each additional month over six \$5.00 per month.
2. For traveling medicine vendors, \$25.00.
3. For making negatives, exposing plates or films or making photographs (one year) \$25.00.

4. For magazine, newspaper, periodicals, encyclopedias, etc \$5.00.
5. For peddling \$25.00.
6. For medicine shows \$25.00.
7. For Carnivals, \$5.00 per day in addition to permit of \$25.00.
8. Tent Shows, \$5.00 per day in addition to permit of \$25.00.

PROVIDED persons offering for sale agricultural products, meats, poultry, or other articles of food grown or produced by such persons shall not be required to pay the permit fees, but permit, upon application, shall be issued to such person upon satisfactory proof that they have produced or grown the products to be peddled and such license shall so state.

SECTION V: All permits, unless otherwise provided herein, shall be issued for a period of five (5) days from date of issuance.

SECTION VI: All permits are personal between the City Council and the individual and may not be transferred to any other person or firm, and each individual must have said permit on his person when plying the trade called for in the permit.

SECTION VII: Any person aggrieved by the action of the City Council, should his application be denied, may appeal to a board to be called for the purpose of listening to such complaint. Such board shall consist of one member of the City Council, two ministers of the Gospel and two disinterested and responsible citizens of Lockney, Texas.

SECTION VIII: That such permit shall not be issued to any person authorizing peddling in the fire limits of Lockney and all peddling is prohibited in said fire limits as they now are or may hereafter be established.

SECTION IX: That it shall be unlawful for any peddler to take a stand, or stop, or stand his vehicle on any public streets within the corporate limits of the City of Lockney for a longer time than ten (10) minutes.

SECTION X: That all peddlers and solicitors shall in all respects comply with all other ordinances of the City of Lockney applicable to such persons, and this ordinance shall not be construed to repeal any of the health, sanitary, or food ordinances of the City of Lockney, but shall be cumulative thereof.

SECTION XI: That any person violating any of the provisions of this ordinance shall be fined in any sum not more than one hundred (\$100.00) Dollars, and each and every day any person shall peddle without a license shall be a separate offense.

Passed and approved, this the 12th day of October, A. D. 1957.

Approved: J. E. Cox, Mayor.

Attest, Miss A. Juanita Thompson,
City Secretary. 36-2tc.

Reception Honors Mrs. Dwight Perkins

A coffee held in the home of Mrs. G. M. Brunner Saturday, Nov. 30 introduced Mrs. Dwight Perkins to Lockney friends and was not a wedding shower as stated in an account of the event in last week's paper.

Co-hostesses for the courtesies were Mrs. Brunner's daughters, Mrs. Marvin Montague of Silverton and Mrs. Dean Burger of Pampa.

Rehearsal Dinner Is In Nance Home

A rehearsal buffet dinner was given Friday night by Mrs. W. D. Nance in the Nance home, Lone Star, for members of the Hall-Nance wedding party.

A Christmas centerpiece flanked with red candles decorated the buffet. The dining table was covered with white imported Irish linen.

Places were laid for Rev. and Mrs. H. H. Segó, Rev. and Mrs. Temple Lewis and Johnny, Mr. and Mrs. J. H. Hall, Bill Hall, J. D. Nance, Nelda Tims, Nelda Lancaster, Betty and Cleona Graves, Mr. and Mrs. Tom Nance and family, Peggy Hall, Joe Nance, Bud Nance, Jim Nance, Mike Nance and the hostess, Mrs. W. D. Nance.

Rebekah Lodge Has Instruction School

Lockney Rebekah Lodge hall was the scene for a school of instruction held here Monday night. Guest lodges were those from Plainview and Floydada.

The local lodge served a salad supper to 40 guests.

District Deputy President Bell Berry was in charge of instructions.

Another such school will be held at the Plainview Rebekah Lodge on January 23.

The local lodge enjoyed a Christmas tree and supper December 6 with a large number in attendance.

Church Rites Unite Lone Star Couple

Miss Peggy Jean Hall became the bride of Joe Neil Nance in an impressive double ring ceremony read Saturday evening, Dec. 7, at 6:30 in the Lone Star Baptist Church. Rev. H. H. Segó of Haskell, Texas, former pastor of Lone Star church, read the vows. The bride is the daughter of Mr. and Mrs. J. H. Hall and the bridegroom is the son of Mrs. W. D. Nance and the late Wiley D. Nance, all of Lone Star Community.

The altar was decorated with an archway entwined with red and white gladioli and tropical foliage flanked by candelabra holding white candles. Baskets of white gladioli and palm trees completed the altar setting. Aisles were marked with white candles tied with red satin bows with streamers.

Wiley D. Nance, brother of the bridegroom, played "Melody of Love" by Engelmann and the "Bridal Chorus" from Lohengrin and accompanied Bill Hall, brother of the bride, as he sang "I Love You Truly" by Carrie Jacobs Bond, "Because" by Teschemacher and "The Lord's Prayer" by Malotte. Mendelssohn's wedding march was used.

Given in marriage by her father, the bride was attired in a white ballerina length gown down the back with tiny covered buttons. The fitted bodice was designed with a sweetheart neckline and long sleeves ending in points over the hand. The skirt was gathered full. She wore a pearl necklace and earrings. Her veil of nylon net was fingertip length and fell from a tiara of orange blossoms. She carried a bouquet of white feathered carnations flecked with rhinestones arranged with a detachable corsage made in a single red heart atop a white Bible, which was a gift from her parents.

Something old was her mother's wedding band, new was her Bible, borrowed was a lace handkerchief belonging to Mrs. H. G. Hodges and carried at her own wedding, blue was a gar-

ter. For luck she wore a penny in her shoe.

Miss Cleona Graves was maid of honor. Bridesmaids were Misses Betty Graves and Nelda Tims. They were dressed identical in ballerina length dresses of red silk organdy featuring pouf sleeves and full gathered skirts. They wore corsages of red and white carnations.

Candlelighters were Miss Nelda Lancaster and Mike Nance, brother of the bridegroom. Miss Lancaster wore a ballerina length dress of white brocade satin accented with a red cummerbund designed with a bow at the back. The fitted bodice featured a neckline fitting high in the front and dipping into a v-shape at the back. The full skirt was circular. She wore a wristlet of red carnations.

Jim Nance, brother of the bridegroom, served as best man.

Ushers were J. D. Nance, cousin, and Tom Nance, brother of the bridegroom.

Virginia Caldwell was at the register.

Mrs. Hall, mother of the bride, wore a navy dress, white hat and corsage of white carnations.

Mrs. Nance, mother of the bridegroom, was dressed in navy. Her hat was white and she wore a corsage of white carnations.

Reception

At a reception held immediately following the ceremony, in the church parlor, the bride's table was laid with lace over red linen centered with an arrangement of white gladioli flanked by red tapers in double-branched crystal candelabra. A red satin bow with long streamers in front of the flowers was lettered in silver with the couple's names. Other appointments were in crystal. The five-tiered wedding cake iced in white was decorated with red rosebuds, silver wedding bells and topped with a miniature bride and groom.

Miss Patsy Ann Walker, cousin of the bride, poured punch. Misses Elaine Baxter, Ann McCool and Lajuana Nance cut the cake and assisted at the table.

Others in the houseparty were Mmes. Wayne Bramlet, L. O. Graves, Raymond Teeple, C. L. King, H. G. Hodges, Conrad Henderson, Tom Nance, W. R. Hartman, Temple Lewis and Ewell Buckner.

More than 100 relatives and close friends were in attendance.

When the couple left for a wedding trip to Carlsbad, New Mexico the bride was wearing a black faille dress, red accessories and a corsage of white feathered carnations.

Both Mr. and Mrs. Nance attended schools at Lone Star and Lockney. He has just returned from a tour of duty with the U. S. Army in France. He is now engaged in farming in Lone Star community where the couple is at home.

Out-of-town guests included Mr. and Mrs. J. B. Nolan, Mr. and Mrs. Joe Story, all of Hereford; Mr. and Mrs. Morris Nance, Mrs. L. B. Brandes, and Miss Patsy Ann Walker of Plainview; Mr. and Mrs. L. T. Harp, Canyon; Mr. and Mrs. Albert Poole, House, New Mexico; Mr. and Mrs. R. L. Knox, Mr. and Mrs. Doyle Poole, Lockney; Mr. and Mrs. Bill Hall and children, Floydada.

Cates-Veigel Vows To Be Read Dec. 21

Mr. and Mrs. Clark Cates of Lockney announce the engagement and approaching marriage of their daughter, Lajuana Rhe Cates, to Don Veigel, son of Mr. and Mrs. Robt. Veigel, Hereford, Texas.

The wedding is scheduled to take place Saturday, December 21, 1957, at 8 a. m. in the chapel of West Texas State College campus.

Miss Cates is a graduate of Lockney High School and is now attending West Texas State as a junior student. Mr. Veigel is a graduate of T. C. U. where he was a business major. He is now engaged in farming at Hereford where the couple will be at home.

Coffee was first used in Abyssinia in the ninth century.

First successful beet sugar factory was built in the United States in 1870.

MISS JO READHIMER

Queen Crowned At Shorthorn Banquet

Miss Jo Readhimer was crowned Shorthorn Football Queen at the annual Shorthorn

Football banquet held Tuesday night, December 3 at the Hotel.

Banquet tables were laid white and decorated in a Christmas motif. Place cards were shaped as footballs bearing the guest's name and football player's number. Places were laid for 86 guests.

Robert Holland acted toastmaster. Invocation was offered by Jimmy Whitfill. Special songs were sung by the Glee Club followed by the introduction of the boys and the dates by Coach Weldon Deason. Johnny Belt and Auld McCormick crowned the queen and presented her with a bracelet and a beautiful crown.

Bob Miller was guest speaker for the occasion. "Wonderland" was sung by Tonia Barnett, followed by "School Song" by the group. H. Cheves gave the benediction.

The menu included fried chicken, green beans, cream potatoes, hot rolls, hot chocolate and coconut pie. Most of the football players served the food.

Letters To Santa

Dear Santa Claus:
I am a little girl six years old. I am in the first grade and Mrs. Clark is my teacher. She is a real sweet teacher and I like her real well.

Will you please bring me a lady doll with high heeled shoes and hose, and also wear- ing dainty ear rings. I also want a buggy and a costumed set. Hope I haven't asked for too much. Thank you. See you next year.

I love you, Santa
Jann Wofford
P. S. I would love to have a small record player, if you don't mind.

Lockney, Texas
December 9, 1947

Dear Santa,
I am a very nice little girl 5 years old. I would like a doll with a giraffe, a pair of cowboy boots for myself and an accord- ion. My big brother, Mark

Wade, wants a 22 rifle and some fishing equipment. Please remember all the other little boys and girls.
I love you, Santa
Lena Kaye Merrell

Dear Santa:
I am a little girl five years old. I think I have been good so I would like a Sunny Tears doll, tricycle, table and chairs, Arnie Oakley gun, hat and some dishes.
Don't forget Gordon and the other boys and girls.
Thank you very much.
Ruby Nell Adams.

TELEPHONE TALK

by J. C. Oakley, Manager

COMPLETE TELEPHONE SERVICE FOR YOU

Does your telephone provide the service and convenience you desire? Just as you need more than one electric light and electric outlet, you also need more than one talking outlet in your home. Telephone service can be tailored to fit your needs and uses with extensions, extra bells, plug-in portable telephones.

Is your name in the directory as people know you? Extra listings can provide a more complete and convenient way for people who want to call you by tele- phone to find your name. I point this out because very frequently someone tells me some of their friends could not reach them because they didn't find their name in the directory. Why not call the business office and make your telephone service complete by ordering some of the things I have mentioned.

Since Christmas is right around the corner can you think of a better gift to give someone than an extra tele- phone or a colored telephone?

We have recently added pink, light gray, aqua, light beige and white instruments to our pretty color telephone instrument family. Since these colors are all new we know that most of our customers have not seen them. We invite you in at any time to see these colors on display in our business offices, or call us and we will be more than happy to discuss the various colors that will harmonize with your decorating scheme in your own home.

"MERRY CHRISTMAS, MOM!"

Christmas is one of our busiest times during the year. On a day as special as this one, it gives us a feel- ing of satisfaction to know that so many people reach for their telephones to wish one and all a Merry Christ- mas, even though they might be hundreds of miles apart.

Since switchboards are always busiest at this time of the year, there may be some delays, but there are several ways you can help us get your calls through faster.

First of all, your Long Distance calls will go through twice as fast if you call by number. And, too, it's best to place your calls as early as you can — a day or two before the holiday, if possible.

If your call is delayed, it won't be necessary for you to check back — in fact, this may even cause further de- lays. You can be sure the Long Distance operator will complete your calls as quickly as possible.

HAPPY HOLIDAYS

Speaking for all of us at the telephone company, I'd like to say we hope you have a very Merry Christmas and a happy holiday season.

Call by number. It's twice as fast.

South Plains

By Mrs. Murray Julian
Delayed

Beautiful weather prevailed Monday and Tuesday of last week after the snow, then on Wednesday a hard wind here blew down practically all the maize and grain left in the fields. Friday what little was left, went down in the wind. Farmers are using Hestons on the combines to gather and thresh the fallen grain.

Mr. and Mrs. Shelby Calahan, Jerry, Beth, Johnny and Randy had Thanksgiving in Lockney with her folks, Mr. and Mrs. Gilbert Bean. Gilbert is feeling fine but has not gone back to work at Patterson Grain Co.

Rev. and Mrs. Larry Faus, Vessie Beth, Lawrence and Bobby, spent Thursday and Friday in Lamesa with her parents, Mr. and Mrs. Lloyd Fincher. Others present there were Mrs. Faus' grandfather, Tom Fincher, and her aunt, Eloise Fincher of Seminole. Vassie Beth celebrated her fourth birthday Friday with a party.

Mr. and Mrs. Thomas Pierce and children spent Sunday in Lubbock and brought home with them the children of Mr. and Mrs. Raymond Pierce who stayed six days here while the mother was in a Lubbock hospital with little Cynthia, not yet a year old. Cynthia has

been in the hospital with pneumonia, and bronchitis for the past three weeks.

There are 32 names on the list of the South Plains and outlying districts who are assured of telephone service from Floydada beginning early in 1958. Bryan Karr and Bill Beedy head the committee of workers who have for two years been striving for telephone service in areas with no communication, or were on Silverton lines out of the town of South Plains.

Mr. and Mrs. Tom Trull and son, Teddy, of Arlington, spent Friday in the home of Mr. and Mrs. H. S. Calahan, Jr. and children. Mrs. Trull and June were roommates when they were attending Hardin - Simmons University.

La Juana Newton of Midland was home with her parents, Mr. and Mrs. E. W. Newton and Jo Ann for Thanksgiving holidays.

Tuesday morning at the I. H. Parks service station, Dean Stewart was hurt when a tractor tire he was working on blew up in his face. He was taken to Lockney General Hospital, but released after examination. He was not badly injured.

Mr. and Mrs. Cole Boswell, of Turkey, lost their lives in a car wreck Saturday, Nov. 30, about three miles east of Groom. The couple were enroute from Turkey to Phillips. Mrs. Boswell is the sister of Sim Reeves of our community. They formerly lived east of the South Plains Baptist Church. Before her marriage she was a teacher at the South Plains school. Funeral arrangements are pending the location of a daughter, Mr. and Mrs. R. T. Twilla, formerly of Fort Lewis, Washington, who are moving to a new location. All our community joins in sympathy to Sim and his family at this time of sorrow.

Miss Bonnie Upton and Mr. Carl Craig, both students at West Texas State College in Canyon, were united in marriage in Canyon at the Joseph A. Hill Memorial Chapel Thanksgiving Day, November 28, at 3 o'clock in the afternoon. Bonnie was born and grew up in our vicinity, with a score of friends now wishing them a happy life together. The couple intend to continue their college studies at Canyon. Many neighbors and relatives attended the wedding.

Kendis Julian went back to Canyon Sunday night, as did Alton Higginbotham, after spending the holidays with relatives. Kendis, his folks, and Miss Janis Roberts spent the Thanksgiving holidays in Denver, and Boulder, Colorado, visiting Mrs. Julian's sister, Mrs. Otis Sandusky and family, and brothers, Wesley Everist of Eads, and Lyman Everist, of Canyon City, Colorado.

Womens Missionary Union met at the church Monday at 1 o'clock for the Lottie Moon Week of Prayer for Foreign Missions. Mrs. Faus is leader. The topic, "For God So Loved" continued in a program Wednesday evening and Friday morning at 9:30 for a World Wide Fellowship. Mrs. L. T. Wood and Mrs. Bryan Karr served coffee and cake to Mmes. Larry Faus, J. P. Taylor, John Smitherman, Murray Julian, Thomas Pierce, Shelby Calahan, Dock Jones, Grigsby Milton, H. S. Calahan, Jr., L. T. Wood, and Bryan Karr. Counselors Mmes. Pierce and Julian and their Junior GA's met for study at 4 with Marilyn and Beth Kinnibrugh, Barbara Milton, Beth Calahan, Carolyn and Sandra Sessums, Beverly Pierce and Kathy Mulder all present.

We are proud to see that Eugene "Buttons" Beedy from here was among the Floydada

players named to the all-district 2-AA football team.

The oil rigs at the reopened hole on the Howard land north-east of Cedar Hill, shine over our community much as a huge Christmas tree would on these bright moonlight nights.

Home Demonstration Club members and guests met in Floydada at the REA kitchen Nov. 26, at 2:30 with Mrs. Nancy Morckel for a program on Holiday Goodies. Mrs. Murray Julian and Mrs. John Smitherman assisted as hostesses. Roll call was answered with "My Favorite Holiday Sweet". Mrs. Milton reported on the council meeting and the club bazaar to be held at the Santa's Fun Fair December 6. Every club member is to bring something of a dollar value to put in the bazaar. On Dec. 9 any club member may meet with the commissioners court to talk about a Home Demonstration agent for Floyd County. The club will send gifts to the State Hospital in Abilene this Christmas, and especially to their adopted patient there. Mrs. Morckel gave a wonderful demonstration on making divinity, Martha Washington candies, no-cook fondants, fruitballs, and chocolate no-cook cookies. Coffee, cookies, and candies were served to Mmes. R. G. Dunlap, Fred Fortenberry, I. H. Parks, Sim Reeves, Calvin Poteet, Skeet Thornton, Johnnie Wilson, L. T. Wood, H. L. Marble, Frank McClure, Grigsby Milton, Larry Faus, John Wilson, J. D. Webb, John Key West, Sylvain Kinnibrugh, Murray Julian, John Smitherman, and guests, Mrs. Nancy Morckel, Mrs. J. H. Mail Early If You Want To Assure Delivery

The local post office hopes to set a good record on handling Christmas mails by getting everything processed and delivered well before Christmas. Postmaster Jeffie Griffith says this week.

He added that how well the moves depends a great deal on the cooperation local mail carriers give in getting their mail boxes and Christmas cards ready during the next ten days.

It is important in the small town as well as in the city to get mail ready during the Christmas season," the Postmaster said. "Most people appreciate the early arrival of a gift of mail and where there is a concentration of mail mailing could mean the difference in on-time and late delivery."

He is sure to use the correct address," Mrs. Griffith said. "Wrap and address packages carefully. Take a little extra time and place the address inside the package just in case it should come unopened."

The address on all mail destined for the larger cities should include zone numbers to insure faster delivery.

The Postmaster also advocates the use of first class postage Christmas cards. First class postage — a three-cent stamp plus a written message to be included inside. There are many advantages, too. The Postmaster considers first class mail preferential mail which is mailed to the fastest hand. Also, a Christmas card

Attend 1957 National 4-H Congress

An aspiration shared by many Texas 4-H'ers will be fulfilled for these top ranking club members when they arrive in Chicago on Dec. 1 for the opening of the 35th National 4-H Club Congress. They are the 1957 state winners in their special 4-H projects, and their award is an expense paid trip to the Congress. They will be among the 2,000 participants attending the five-day event.

Jane Williams, 17, of Lubbock county, demonstrated expert canning ability to win the state 4-H Canning award. Utilization of home grown foods was one of her achievements.

In 4-H for seven years, Jane canned nearly 1,500 jars of fruits, vegetables, soups and relishes. Jane completed successfully 12 other projects, and made over a hundred food exhibits and demonstrations. She became junior 4-H leader four years ago and is prominent in church, and school activities.

Jane will be the guest of Kerr Glass Mfg., donor of her trip. Safety is the byword of Albert Gunter, 17, of Lamar county. Carrying safe practices of living and working into his home and community won the Congress trip provided by General Motors for his exemplary efforts in the 4-H Safety program.

Albert has been safety-minded since he joined the 4-H'ers in 1949. He gained fame for his most recent safety program. With another 4-H'er, Albert stressed "Gun Safety" in many demonstrations before about 250 persons. "No one knows too much about the rules of safety," says Albert.

He was vice president and council delegate of his local 4-H Club, and junior leader of the county 4-H group.

Preparing and serving food in an especially attractive and appetizing way helped win the 4-H Food Preparation award for Cinda Jane Ellis, 18, of Dallas county. Her all-expense trip is provided by Betty Crocker of

SUPPLEMENT TO ORDINANCE NO. 89

SUPPLEMENTING ORDINANCE NO. 89 REGULATING THE OPERATION OF MOTOR VEHICLES ON CERTAIN STREETS IN THE CORPORATE LIMITS OF THE CITY OF LOCKNEY BY CHANGING CERTAIN STOP SIGNS AND ERECTING IN THEIR STEAD YIELD SIGNS AT CERTAIN INTERSECTIONS; PROVIDING A PENALTY FOR THE VIOLATION THEREOF; AND DESIGNATING CERTAIN STREETS AS BOULEVARDS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOCKNEY:

SECTION I. The City Council finds that an urgent necessity exists for the protection of vehicles and pedestrian travel and that all motor vehicles be required to yield to traffic coming in the other direction before proceeding, at the following intersections of streets:

On College Street, entering First Street from both East and West.

On Bryant Street, entering First Street from both East and West.

On Poplar Street, entering Second Street from both East and West.

On Third Street, entering Poplar Street from both North and South.

On First Street, entering Willow Street from both North and South.

On Third Street, entering Willow Street from both East and West.

On Spruce Street, entering First Street from both East and West.

On Second Street, entering Spruce Street from both North and South.

Yield signs shall be erected at each of the above intersections and each of said yield signs shall be placed on a pole or pipe at least four (4) feet high with the word "YIELD" written in large bold black letters on yellow background, facing the street on the right hand side on which the traffic is to yield, and at the corner of the intersection of said streets.

SECTION II. Locust Street from West Fourth Street and proceeding East to the Lone Star Highway is designated as a boulevard and all vehicles are required to come to a complete stop when entering Locust Street from the North or South beginning on West Fourth

Dear Editor:
Letter just came in the mail from an organization which has stuff for sale and they say Christmas is just around the corner and I had wanted to get my Christmas Shopping done soon.

Don't seem like we can get over one financial crisis until another one bobs up, and the Christmas Crisis is getting to where it carries a wallet wallop as stunning as the income tax season.

Some 25 cent toys and a few apples and oranges used to ring the Christmas bells, but gift standards have gone up and now the Yuletide Spirit hits the family budget like a trip to Las Vegas, or twin babies every year.

SOIL CONSERVATION DISTRICT NEWS

The 1958 Farmer's Tax Guide is now available in the County Agent's Office.

This booklet is written in easy to understand language and can be a lot of help in computing your income tax. All phases are discussed and sample forms are enclosed to show you the proper methods of reporting.

Farm records are becoming more and more important as a need for accurate tax reporting. By keeping records, a better job of tax management can be planned. The new tax guide will also assist by pointing out helpful tax rights and options.

More farmers in Floyd County are becoming interested in Soybeans as a cash crop. Soybeans fit well in a rotation program and even if harvested for seed, provide some soil building. Yields have varied from 20 to 41 bushels per acre, with about 5,000 acres planted to Soybeans in Floyd County. Joe Foster of the Sterley Community averaged about 35 bushels per acre. The return per acre compared favorably with a 4,000 pound grain sorghum crop. For information on varieties and practices contact the County Agent.

The Conservation Reserve Program of the Soil Bank is now open for the signing of 5 and 10 year contracts. There is a \$5,000.00 limit per person regardless of the number of farms he owns. The rate of rental per year is \$11.00 per acre. He must establish a permanent cover of grass or one or more of the approved varieties. The Government will participate in a cost share program of approximately 80 per cent of the cost of establishing the cover. Any part or all of the land may go in this program as long as it does not exceed \$5,000.00 per person. These contracts may be signed now at the County A. S. C. Office.

Letters To Santa

Dear Santa Claus:
I am a little boy 3 years old. I would like for you to bring me a bicycle with 2 wheels on the back, set of Cowboy guns in double holsters with pearl handles, dump truck toy telephone, baby boy doll and also apples, oranges, candy and nuts to fill my stocking. Don't forget the other boys and girls.

Love you,
Harold Dean Wesley.

Dear Santa Claus:
I am eight years old. I am in the third grade, and I want to know if you would send me a Mona Lisa doll, and a Play Nurse kit, and a watch. Please leave something for my little sister Joy.

Love,
Mary Amber.

Dear Santa:
I am a little boy six years old. This is my first year in school.
I would like to have an Army Training Center set, a gun and holster, army rifle, helmet, Canteen and Mess Kit. Please fill my stocking with candy, fruit and nuts.

Also Santa I have a little brother. He is 18 months old, please bring him a set of little guns, a doll and a scooter, also a push toy called a pop-corn popper. Fill his stocking too, he has been a pretty good boy.

I love you,
Johnny Dee and Jimmy D. Patterson.

Dear Santa:
I am a little boy 2 1/2 years old and have tried to be good. I would like a maintainer, cat-pillar, and anything else you have to bring me.

Those who are interested in placing cotton land in the acreage reserve program for 1958 can do so after January 13, 1958.

To the 4-H club boys and girls who are interested in weighing their calves, a weighing will be held at the Show Grounds in Floydada, Saturday starting at 9 a. m.

TORNADO TERROR was visited on this west Dallas apartment house (right), while the twister which hit the afternoon of April 2 also showed a grisly prankishness (left). Returning residents found only debris, and workers from Dallas City-County Civil Defense, police, firemen and Red Cross guarding the wreckage and ready to provide temporary shelter.

Please bring Tim, my little nine month old brother, some little toys.
I love you, Santa.

Dear Santa Claus:
I'm a little boy 3 years old. I try to be a good boy. Bring me a helicopter and a red truck. If you have one to spare bring me a stick horse. I have a little brother Jim, one year old. He wants a rocky horse and a wooden wagon.

Remember all other boys and girls.
Bring us some candy, nuts and fruit. We'll stay awake

Sterley News

By Mrs. Virgil Adams

Sterley Home Demonstration Club will have a Christmas party in the home of Mrs. Virgil Adams Dec. 16. All members and their families are urged to attend.

Ruby Nell Adams, daughter of Mr. and Mrs. Virgil Adams, celebrated her fifth birthday Friday with a party. She was showered with gifts from the little guests. The table was covered with white and accented with a birthday cake surrounded with tiny dolls and cars used as plate favors. Stick candy completed the table decor. Cake and ice cream were served to Danny Smith, J. H. Lane, Marla and Carla Schaffner, Patricia, David and Virginia McKoy, Junior Archer and the McKeys.

Jimmy Davis of Abilene spent last weekend with his grandparents, Mr. and Mrs. A. N. Davis and attended the Abilene-Amarillo football game Saturday.

Gwen and Terry Howard spent last week with their grandparents, Mr. and Mrs. A. D. Schaffner.

Mr. and Mrs. Bennie Hagens of Lubbock visited Mr. and Mrs. A. D. Schaffner Sunday.

Mr. and Mrs. W. H. Johnston of Plainview visited Mr. and Mrs. Bryan Smith and Danny Sunday afternoon.

SUMMER FRUIT COMPOTES

A thin sugar syrup poured over fresh summer fruits can add zest to fruit appetizers and dessert compotes. Place equal parts of sugar and water over the flame for about five minutes. Add lemon, lime, mint, ginger or almond extract to the syrup and pour it over the clean fruit. The flavoring may be varied each time, but try lime syrup over lemon balls, ginger syrup over sliced fresh plums and almond syrup over peaches.

CROSSROADS REPORT

Dear Editor:
I see where a government economist says the farm program is just a subsidy to wealthy farmers at the expense of low-income consumers.

My low-income neighbor says he is glad the expert has pointed out this terrible thing to him.

Says he has never minded a fat slice of his modest wage going to support rich politicians, rich motor car makers, rich credit company executives, etc., but it seems plumb immortal to be contributing to the support of any rich farmers.

LITTLE-KNOWN FACTS ABOUT MIXES

Inexperienced cooks frequently make more beautiful cakes from mixes than their own experienced sisters, says Margaret Spader, home service editor. Experienced cooks are inclined to rely on past experience rather than follow package directions. Package directions are the result of thousands of kitchen tests. They emphasize thorough beating, precise oven temperatures and the right pan. All cooks who aspire to be bakers will follow the directions tailor-made for that particular cake.

CHEVROLET SETS A NEW STYLE IN STATION WAGONS!

Two new Brookwoods—4-door 6-passenger and 4-door 9-passenger models. Luxuriously appointed.

Meet the year's smartest station wagon set! Chevrolet brings you five new wagons for '58—all long, low and loaded with news. They're more than nine inches longer, dramatically lower. They set a new style with boldly sculptured lines. And these new Chevrolets are the most practical wagons that ever took to the road. The liftgate is hinged into the roof and raises completely out of the way for easier loading. There's a new easy-opening tail-

gate, too, and room for longer loads.

No station wagon built ever carried loads with more ease or passengers with more comfort! Chevrolet's new standard Full Coil suspension cradles you on deep coil springs at every wheel. And you can have a real air ride as an extra-cost option.

Stop by your Chevrolet dealer's and look over the smartest, smoothest going station wagons of them all.

THE QUEST FOR NEW TRAILS

The history of man is a story of progress. Each of its thousands of volumes could bear one common title: *The Quest for New Trails*.

Even in childhood we display this strange genius which has brought us from primeval forests to this atomic age. We love to penetrate the untouched spaces . . . to open trails where none have ever been.

But this quest could destroy us more rapidly than it has profited us. History recounts the fall of many a civilization too busy with its search for new trails to understand its deeper needs.

For man can truly progress only when his spiritual growth keeps pace with his cultural and scientific advancement.

Or, bluntly, the future of this young Arctic explorer and of his world depends on the Church. The truths of God are unchanging—and ever more essential—as we seek new trails into the Unknown.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CHAMPIONSHIP in the Texas 4-H Tractor Program won a trip to Chicago for Elmer Freese, Jr., of Plainview, who receives congratulations from F. A. Watts, sales manager for Humble Oil and Refining Company. The youth attended the 36th Annual 4-H Club Congress

as a guest of the Humble Company, sponsor of the tractor program in Texas and New Mexico. The Cooperative Extension Service conducts the program nationally and six oil companies and the National Committee on Boys and Girls Club Work sponsor awards across the country.

Dear Editor:
I see where a dispute between some railroad workers and a union they didn't want to join has been settled in line with recent Solomonic court judgments.

It was agreed that these folks don't have to join the union to hold their jobs. All they have to do is pay the dues and assessments of same.

My pastoral neighbor hopes this new principle can be applied to his business. Says everybody in the community benefits from his good works, so they all ought to have to kick in on his salary, even if some don't want to join his church.

Rainbow Girls Have Salad Supper

Members of the Lockney Chapter Rainbow Girls enjoyed a salad supper at the Masonic hall Monday night at 6 o'clock.

The girls brought Christmas toys to be sent to an orphan's home and old hose to be sent to a nurses home where they will be used to stuff dolls.

Approximately 30 girls were present for the supper and for a regular meeting which followed. Miss Hope Cox, Worthy Advisor, presided.

BREAKS FOOT BONE

J. E. Huggins, local carpenter, fell from a ladder last week and cracked a bone in the arch of his foot. The foot was placed in a cast at Lockney General Hospital here and he will be off work for several days. The accident happened at the new home of Harold Storie which Huggins Bros. are building in South Briscoe County.

CROSS ROADS REPORT

Dear Editor:

Since President Ike's latest scuffle with Tims, there has been a lot in the papers about how the job of U. S. President is too big for one man.

Our local Coffee Sippers World Improvement Committee has got the right answer to this problem.

They calculate that what we need is another new miracle drug in the form of an antidote for power lust. On the theory that the Presidency wouldn't be such a wearisome job if the federal were not so bent on running everything from mid-Eastern politics to our kid's school lunch menus.

Damage Suit Is Settled At Lubbock

Lubbock — Judge Robert H. Bean Saturday approved a settlement agreement of \$3,750 in a damage suit brought in 140th District Court by Homer Ray Cypert of Lubbock against Winfred Cook of Farmington, N. M. Cypert, acting individually and on behalf of his minor son, Jerry, had sought \$7,500 judgment for injuries allegedly suffered by Jerry when he was struck by a car driven by Cook within the city limits of Farmington June 21. Jerry was alleged to have been flagging traffic around a collision scene at the time.

Attend West Texas Chamber Meeting

Claud Holley and Dick Whiteley of Lockney attended a meeting of West Texas Chamber of Commerce directors in Abilene Tuesday. Mr. Holley is president of the local chamber and director of the West Texas organization while Mr. Whiteley is local chamber manager. The group viewed the organization's work program for the past few months and studied the proposed program for the coming months. This was one of four regular board meetings held each year.

Refreshments were served to Glenda Cooper, Barbara Collis, Shari Woodley, Gloria Cooper, Bill Hays, Gary Marr, Bill Bollman, Clinton Woodley and the honoree.

Wheat Research Underway At High Plains Sta.

Irrigated wheat research for 1958 got underway at the High Plains Station of the Texas Research Foundation last week, after delay of 1½ months from normal planting date. The delay was due to bad weather.

Seven varieties are being studied at the Station. They are Commanche, Concho, Crockett, Early Triumph, Tenmarq, Westar, and Early Wichita. Each variety is planted in 100 ft. plots 9½ ft. wide. Each plot is repeated four times. Douglas Owen, in charge of the planting, said there was some residue of fertilizer from the 1957 season. One half of each plot will be top dressed with nitrogen and the other ½ of each plot will be left unfertilized to compare yield results.

Fertilizer tests on wheat include all possible combinations of rates and ratios of application. Nitrogen will be applied in 40, 80, and 120 pounds per acre and phosphorous in 40 and 80 pounds and potash applied at 40 pounds.

The two varieties of barley under study at the High Plains Station are Cordova and Wintex.

Dr. Johnny H. Davis, associate head of the Station said, "The wheat research at the station is designed to determine the best varieties for the area and the fertilizer applications to determine which will produce the most economical results."

FROZEN LEMON PUDDING

Fast freezing in the refrigerator and the use of concentrated milk make this frozen dessert remarkably free of ice crystals: Chill a large can (1 and 2-3 cups) of evaporated milk in the freezer tray until soft crystals form around the edge. Then whip it until it is stiff and add ¼ cup of lemon juice. Whip some more as the lemon juice will help to stiffen the consistency. Then add ½ cup sugar and one six ounce can of fresh frozen lemonade concentrate which has been thawed. Freeze in two refrigerator trays about two hours and you'll have two quarts of a vitamin and mineral packed dessert that is good eating, too.
