Annual Lockney Longhorn Band banquet will be held Saturday evening in the school cafeteria. The speaker of the evening will be H. H. Nicholas. Other entertainment includes a vocal and instrumental sextet. Participants recently included state choir and all-around.

ending the banquet will include the marching band and their dates and of the Band Parents Club special guests. Some 125 people to be in attendance.

Val Meeting Held At Lone Star

J. Temple Lewis, pastor, presided at the meeting for a revival beginning at the Lone Star Baptist Church Friday, February 28. Services will begin at 7:30 p.m. No morning services scheduled. The meeting will close March 9.

Lancaster, well known leader of this area and director of Lone Star Church, will lead the service as well as other church members, extend an invitation to friends and neighbors to the worship services, March 9.

For Donation of Used Clothing

Members of the Lockney I. O. O. G. Lodge and the Rebekah Lodge are asking for donations of used clothing for needy people. It was said that a number of Latin American people of this community are attending school because of lack of clothing and the Lodges are seeking used clothing for them.

Anyone wishing to donate may bring them to Truett & Gene, or call that number, 500, and someone will pick them up.

Lockney Junior Livestock Show Will Be Held Here Saturday

The annual Lockney Junior Livestock Show, sponsored by the Lockney Chamber of Commerce, will be held Saturday at the fair building in Southeast Lockney.

Some \$600 in prizes are being offered and Vocational Instructor M. L. Brewer estimated that around 160 animals, beef calves, swine and sheep, would be entered. Eligible to enter animals in the show are Future Farmer members who attend Lockney High School and any 4-H club member who goes to school at Lockney or Providence.

Animals are to be in place by 10 a.m. Saturday and judging will begin at 10:30 o'clock. The show always attracts a lot of interest and this is expected to be one of the best shows ever seen here. Judge will be Gene Barnett, vocational agriculture instructor at Plainview High School.

Following are the classes set up for the show:

1. Light dry lot steers.
2. Heavy dry lot steers.
3. Light milk-fed steers.
4. Heavy milk-fed steers.
5. Grand champion steer.
6. Reserve champion steer.
7. Fat barrows, light.
8. Fat barrows, heavy.
9. Pen of three barrows.
10. Grand champion barrow.
11. Reserve champion barrow.
12. Gilts.
13. Fat lambs, medium wool.
14. Fat lambs, Southdowns.
15. Fat lambs, fine wool.

Showmanship awards will be \$200 for each division. Local members of the Future Farmers chapter will act as show officials. John Hanst will be general superintendent. Other officials are:

Cattle superintendents, Jerry Williams and Duane Griffith. Swine superintendents, Byron Brock and Jake Wofford. Sheep superintendents, Jimmie Howell and Dan Smith. Official weighers, Baxter & Smith Grain Co., Patterson Grain Co., Tommie Davis, Wayne Cumbie and James Hall Ferguson.

The Chamber of Commerce committee working with Mr. Brewer in planning the show is Oscar Golden and R. C. Mitchell.

The Lockney Band Parents Club will have a concession at the Fat Stock Show here Saturday. They will sell sandwiches, pies, soft drinks of various kinds and coffee.

Rules of the show are as follows:

1. Entries may be made by any F. F. A. member who attends school at Lockney or any 4-H member who attends school at Lockney or Providence.
2. Each exhibitor will be limited to two entries in each class except in the lamb division and swine division, there an individual may show a pen of three and then take two of the three and show them as individual classes.
3. All animals must be in place by 10 a.m. Judging will begin at 10:30 a.m.
4. Lambs must still have their lamb teeth.
5. Hogs in the fat classes and breeding classes must weigh at least 160 pounds. Barrows and open gilts may be shown in the fat classes, but the same animal cannot be shown in both fat and breeding classes.
6. Both first and second places in the light, heavy and milk fed calves and light and heavy in the barrow classes will compete for grand champion and reserve champion.
7. Hogs may be weighed at the show barn as the animals will be used in determining the classes.
8. The exhibitor keeping his or her exhibit the nearest will be awarded an appropriate prize.
9. Each exhibitor will be judged on showmanship and the winner will receive an appropriate prize.
10. The sponsor of this show will award prizes according to the placing of an animal and any other prizes or awards made by breeders, breed associations or individuals will be separate and apart from the show.
11. The decision of the judge shall be final.
12. Calves should be weighed before bringing them to the show.

Art Barker Jr. Is New Scout Master

Arthur Barker Jr. has assumed the duties of Scout Master of Lockney Troop No. 59 succeeding Jerry Cooper. Art asks that all boys ages 11 through 14 who are interested in Scouting to meet him at the Scout Hut near the City Auditorium Saturday afternoon at 4 o'clock. This includes old members of the troop as well as new boys who have never been a Scout. Each boy is requested to bring 50 cents for the year's registration. All boys are urged to be present.

Mrs. Meriwether Will Sell Auto Plates Here

Mrs. Austin Meriwether will again handle the sale of auto license plates in Lockney, setting up her office at the Lockney Auto Company starting next Monday, March 3. It was announced this week by T. T. Hamilton, county tax assessor-collector.

Mrs. Meriwether Will Sell Auto Plates Here

Mrs. Meriwether will maintain the office here all the month of March. It is necessary for those wishing to license their vehicles to bring their 1957 registration receipt plus their certificate of title, Mr. Hamilton said. New tags must be on vehicles by April 1.

Mrs. Fullingim Dies At Tucumcari, N. M.

Mrs. E. C. Fullingim, 85, a former resident of the Sandhill community in this county, died at a hospital in Tucumcari, N. M., Friday night of last week. She suffered a stroke Wednesday. She had suffered a stroke about a year ago but was believed to be recovering. Funeral services were held Monday at Tucumcari. Survivors include one daughter, Mrs. Susie Riggs of Plainview; one brother, J. T. McLain of Floydada and one sister, Mrs. J. C. Williams of Dimmitt.

Farm Sale And Store Specials On Dollar Day

A community farm sale and special bargain prices at a number of local stores will mark the monthly Dollar Day in Lockney, next Monday, March 3rd.

The community farm sale, sponsored by the Lockney Rotary Club, has a long list of items ranging from tractors to furniture, listed elsewhere in this issue of The Beacon. The sale will be held on the fair grounds in southeast Lockney, just off Virgil 70. Tom Word and Virgil Brasher will be auctioneers.

The sale will start at 11 a. m. and the Lockney Band Parents Club will sell sandwiches, pie, coffee and pop at the noon hour. Complete details about the sale are told in the advertisement elsewhere in this issue.

Local merchants are again offering many special prices on quality merchandise also in this issue of The Beacon. As usually on first Monday of the month, they are seeking to give local people as fine bargains as they can find anywhere, quality considered.

Local Women To Tour New York And Washington

Five Lockney women will leave today on a two-week tour of New York and Washington, a side trip to West Point, and have hopes of getting into some of the television shows produced in New York.

Mrs. Dorsey Baker, Mrs. Bernice Miller, Mrs. Jeffie Griffith, Mrs. Frances O'Hearn and Mrs. L. L. Rhodes will travel from Lockney to Dallas by car today and fly from Dallas to New York Friday morning arriving there about noon.

They will spend Friday afternoon and night in New York but will visit with Mrs. Baker's son, Cadet Dorsey Lynn Baker at West Point Saturday and Sunday. They will spend three days in Washington and several more days in New York before returning home. They expect to be gone about 12 days.

The group has tickets to the television show, "I've Got A Secret" and hope to get into other shows. If fortunate enough to get on one of the quiz shows, they will participate, they say.

Sister-In-Law Passes In Amarillo

Mrs. Duane Burrows, of Amarillo, sister-in-law of Mrs. Clark Harris, Lockney, passed away unexpectedly Monday at 10:20 p.m. in Northwest Texas Hospital, Amarillo. Cause of death is said to be from asthma and complications. She was 34 years of age. Funeral services were held at 2:30 Wednesday in Blackburn-Shaw Memorial Chapel by Rev. Uel D. Broshy, associate minister of Polk Street Methodist Church of which Mrs. Burrows was a member.

Pallbearers were Clark Keith, Clark Harris, A. W. Smotherman Jr., James Hassell, Selba Rainey and Loyd Woodriddle. Burial was in Llano Cemetery.

Survivors include the husband, two sons, Mike and Danny Burrows; her parents, Mr. and Mrs. W. W. Boykin of Childress; two brothers, W. J. Boykin of Olton and Troy Boykin of Childress, and two sisters, Mrs. Jean Hassell and Mrs. Mae Smotherman, both of Childress.

Rev. Nix To Preach At South Plains

Rev. J. Frank Nix of Lubbock will preach at the South Plains Baptist Church next Sunday, March 2nd. It was announced this week by the pastor, Rev. Larry Faus. The morning sermon will be followed by dinner on the grounds. Everyone is invited to come and bring a basket lunch, he said.

Rev. Nix is a pioneer preacher of this area and was ordained at a church located near the present site of South Plains more than 50 years ago.

REV. LEE ROY BRANDES

Rev. Brandes To Preach At Trinity Church, Providence

Rev. Lee Roy Brandes, associate pastor of Emmanuel Lutheran Church, Seguin, Texas, and son of Mr. and Mrs. Ben Brandes of the Providence community, will preach at the Trinity Lutheran Church, Providence, next Sunday in the absence of the pastor, Rev. Arnold Windecker.

Rev. Brandes was reared in the Providence community and graduated from Plainview High School in 1942. He received his Bachelor of Arts degree from Capital University, Columbus, Ohio and attended Capital University Seminary for three years. He spent a year of internship in the Youth Department of the American Lutheran Church and did some graduate work at Ohio State University, receiving his Bachelor of Divinity degree from Capital Seminary in 1951. The same year he was ordained into the ministry of the American Lutheran Church at the Providence Church.

From 1951 until October, 1957, he served Trinity American Lutheran Church, Wichita Falls, as pastor. Since that time he has been associate pastor at Seguin. Pastor of the Seguin church is Rev. H. L. Anderson, formerly of the Trinity Church at Providence.

Theme for the Sunday morning sermon is "The Final Countdown" and at the 7:00 p. m. Lenten service the theme will be "Accepting the Cup of Death."

United Chest Fund Is Divided, MOD Almost Complete

The United Chest fund, raised in Floyd County to care for the needs of four organizations, reached only a little more than half of its goal, but the money has been divided with each organization getting a share of it, according to Jimmy Willson of Floydada.

The total money raised was \$6,440.47 against a goal of \$12,000.00. The money was divided as follows: Boy Scouts, \$2,125.36; Red Cross, \$2,125.35; Salvation Army, \$1,481.31; Heart Fund, \$708.45.

The March of Dimes drive is about complete in the county with a little more than \$2700 on hand, according to Dillon Patterson, drive chairman. On deposit in the First National Bank at Lockney is \$1001.20 with another estimated \$75.00 yet to be deposited. On deposit in the Floydada bank is \$1645.37 for a total of \$2721.57. A few more reports are yet to be made, Mr. Patterson said.

Reagan Infant Buried Here

The 20-ounce infant daughter of Mr. and Mrs. Kenneth Reagan, born prematurely last Thursday about 4 p. m. at Lockney General Hospital died Friday about 6 p. m. The infant was named Mollie Ann.

Funeral services were held at afternoon at 3 o'clock with Paul Epps, minister of Main Street Church of Christ, officiating. Burial was in the local cemetery.

Survivors are the parents, a brother, Douglas; and grandparents, Mrs. Pauline Reagan, Lockney, and Mr. and Mrs. Bill Manke of Colorado.

HAS SURGERY

Mrs. L. A. Blair underwent surgery at Plainview Hospital Tuesday morning at 8:00 a. m. She is reported resting satisfactorily.

PUBLIC SCHOOLS WEEK WILL BE OBSERVED HERE NEXT WEEK

Two File, One Plans To, For City Alderman

The three present incumbents will be seeking re-election to the City Council in the April election, it appeared Wednesday. With the deadline for filing next Saturday at noon, two had filed by late Wednesday and one planned to file, The Beacon was told.

Charles Baxter and Claude Brown have filed for re-election and Lloyd Wofford plans to file before the deadline. No one else had filed for a place on the ballot up to Wednesday afternoon.

Ask Nomination For Outstanding Citizen Award

Fred Byrd, chairman of the Lockney Chamber of Commerce committee to select the community's outstanding citizen for 1957, this week asked those wishing to nominate someone for the honor to leave the name of the person along with a list of his or her accomplishments or reason for the nomination at the Byrd Pharmacy. All nominations should be turned in not later than March 10. The annual Chamber of Commerce banquet at which the award will be made is set for March 21.

Assisting Mr. Byrd on the committee will be Leon Wofford of the Chamber of Commerce, and a representative from each of these clubs or organizations: Lions Club, Rotary Club, B&PW Club, Lockney Jaycees, Fire Department, American Legion, El Progreso Study Club, Lockney Garden Club, plus a member of the city and possibly another club representative or two.

Rev. Leon Hill, noted humorist will be the speaker of the evening at the annual banquet which will be held in the high school cafeteria.

Donkey Ball Game Set For Tonight

A donkey ball game will be played tonight (Thursday) in the Lockney High gymnasium matching members of the Lockney Fire Department and the Longhorn basketball team. The event is sponsored by The Honor Society and the Future Association.

The big game starts at 7:30 p.m. and other attractions will be offered to make the evening complete. Advance tickets are 25c and 50c. At the gate admission will be 35c and 60c.

Strong Lockney Longhorn Track Team Prepares For Spring Meets

Lockney Longhorn track team — led by three boys who participated in the 1957 state meet — has started workouts for the 1958 season. Workouts are held daily after school.

At the state meet in Austin last May, Lockney's 440 yard relay team composed of Jerry Williams, Nelson Wofford, Cliff Hardy, and Gene Handley finished sixth in the finals. Handley was a 1957 graduate but the other three boys return this year. The speedy Williams, District 2-AA and Region I winner in the 100 yard dash, and Wofford, 220 yard specialist, failed to place in the Austin meet last spring.

Boys working out under the direction of coaches Rudy Haile and Elvin Lyon include: (Events to be entered follow names.) Jerry Williams, 100 yard dash, relay; Nelson Wofford, 220 yard dash, relay; Cliff Hardy, 100 yard dash, low hurdles, broad jump, relay; Jake Wofford, relay; Dickie Barton, relay; Bill Musser, mile run; Larry Hammit, 880 yard run, discuss; John Hanst, discuss, shot; Coy Kidd, 880 yard run. Several other boys have been working out and may enter some events.

The Longhorn team probably won't win as many meets as last year because they are entered against much stronger competition this year. But participating against stiffer competition should help the local boys in the district, regional, and state meets. The team is entered in some of the most rugged matches in West Texas.

Meets scheduled for the local team are: "Possum Kingdom Relays" at Graham, March 8; Crosbyton Relays, March 15; Odessa meet, March 21-22; "North Texas Relays" at Denton, March 25; "Sandie Relays" at Amarillo, March 28-29; District 2-AA meet (Texas Tech field, Lubbock), April 4; Panhandle meet, April 11-12; Region I meet (Texas Tech field, Lubbock), April 19; Red Raider meet at Lubbock, April 26; State meet at Austin, May 1-2-3. Boys must qualify in the district meet to enter the regional meet and must qualify in the regional to enter the state meet.

The Longhorn Relays held here last year have not been re-scheduled this season. Lockney's team has a full schedule and would have to miss a good meet in order to have an open date for the local meet. Lockney was entered in The Commanche Relays at Fort Stockton this Saturday but will not attend the meet because several of the boys have animals to show in the Lockney Junior Fat Stock Show here Saturday.

Public Schools Week, March 3 to 7, will be observed in the Lockney Schools and patrons are invited and urged to participate, it was announced this week by school officials.

The week's schedule will include special programs, plays and an invitation to local people to eat at one of the school cafeterias, and to visit the schools.

The programs include these: On Tuesday, March 4, the grade school will hold open house from 7 to 8 p.m., as they have in the past. Refreshments will be served and patrons of the school are cordially invited to attend.

The Future Teachers Association will present a program in the high school auditorium on Thursday morning from 10 until 11 o'clock commemorating school week.

On Wednesday, March 5, at 2:30 p.m. the Junior High School will present two plays in the high school auditorium. Mrs. Aubrey Holt's 8-1 students will present the Texarama of Texas Education from 1857 to the present. The second play will be "Blue Bell Blooms Again," depicting modern day education. The Junior High students will also furnish some special musical numbers.

The public is invited to attend these programs. The schedule for the various clubs to eat lunch at the cafeterias has been announced by Principal F. M. Smith of the high school. A special invitation is being extended to each organization to eat lunch on the day designated for their group but each one should call the school the morning they wish to come and make reservations, he said.

Anyone else who wishes to eat lunch at the school cafeterias are invited to do so but are also asked to call and make reservation.

Here is the schedule: Monday, March 3 — B. & P. W. at high school, Rebekah Lodge at grade school. Tuesday, March 4 — Masonic Lodge at high school, I. O. O. F. Lodge and Lone Star Home Demonstration Club at grade school. Wednesday, March 5 — Eastern Star at high school, Toastmasters Club at grade school. Thursday, March 6 — Rotary Club at high school, Lions Club at grade school.

There will be no school on Friday, March 7, which is the date for the District IV meeting of the Texas State Teachers Association at Odessa.

Give thanks unto the Lord, for he is good, because his mercies endure forever.—Psalm 136:1

WEST HIGH PLAINS communities are planning vegetable planting programs or are in the concluding stage of doing so. The Lockney area has been at it longer than most of the High Plains, Summit, Littlefield, Friona and other communities near the New Mexico border have joined with Lockney, Floydada and Plainsview in helping the local community grow vegetables. There is some concern at Friona that they will have more trouble marketing their vegetables since a number of other communities have gotten into the business. However, it seems to us that it might work out for the good of all. Why? Because the High Plains area might develop into one of the major vegetable producing areas in the nation. This vegetable business could be a deep breath. The doctor looked him over carefully, then put a drop of oil on the pulley of his suspender.

THE SENSITIZING of Dave Beck Jr. recently is some consolation to those who feel that labor racketeers have about taken over the country. The antics of some of these labor bosses would be comical if the situation wasn't so tragic, especially when appearing before the Congressional investigating committee. Probably the rope in all answers was given by Dave Beck Jr. when he appeared before a Senate committee

THE SPOCK SHOWS are almost here. The Lockney Show this week end and the Floyd County show within another 10 days. Many fine animals are scheduled to be shown and the competition will be keen. This is another enterprise in which more of us should take an interest. Take time to visit the shows and give them your support.

some time ago. He was asked to give the name of his father instead of doing so he told the fifth amendment, saying it so many words that to answer the question would tend to incriminate him. Some father's name son!

NEXT WEEK, March 27, has been designated Public Schools Week and is one "special week" that all of us should take time to observe. The local schools are scheduling special events and times for your participation. We urge you to note these and to co-operate with them. Public schools, we believe are vital to the democratic way of life and they remain public and free only as long as we citizens take an active interest in them. Encouraging interest is the interest being taken in the Fair-Allen committee in the various counties. It is also encouraging that the powers that be in the State Education Agency as well as the State Legislature want the opinion and advice of "grass-roots" people. It is a good thing all the way around.

OUR TEXAS public schools were created 86 years ago. In 1874 the first law was passed establishing the public school. They have grown and multiplied until today a fully accredited high school as well as grade school is within easy reach of most every student in the state. The cost of having an attendance school has increased tremendously and will continue to increase but it is probably the best money spent in Texas for the future — and that's an important investment in anything worthwhile.

WORMS is a chronic thing we suppose. The many people worry about things that are not worth worrying over and often worry about things when there is no need to worry. The high rate of heart disease and high blood pressure in the nation indicates that there is too much worrying going on. Reminds us of the story we read about the man who went to his doctor and complained that his heart quaked every time he took a deep breath. The doctor looked him over carefully, then put a drop of oil on the pulley of his suspender.

THE SPOCK SHOWS are almost here. The Lockney Show this week end and the Floyd County show within another 10 days. Many fine animals are scheduled to be shown and the competition will be keen. This is another enterprise in which more of us should take an interest. Take time to visit the shows and give them your support.

ACCORDING to a late Texas News item, American parents believe higher pay for teachers is more important than improved buildings and facilities.

Reduce Delinquency

THE BIGGEST FACTOR

(A distinguished Texas judge offers pointers on combating our rapidly increasing juvenile delinquency problem.)

by JUDGE SARAH T. HUGHES

What is the biggest factor in juvenile delinquency?

Every person, adult or child, needs most of all a sense of his own significance. His own individuality. An adult wants to be recognized in his home, his court, or his club or in his interest.

POSTAL INCREASE

The Senate Post Office Committee's recommendations of a 10% increase in postage rates is certain to precipitate a bitter battle when the full Senate tackles the matter.

The Committee voted to increase ordinary out-of-town letter rates from three to 3 1/2 cents and air mail from six to eight cents. Local letters would cost four cents.

If the people were convinced such an increase would wipe out the Post Office deficit and improve postal service, they might be willing to accept it reluctantly. But past experience indicates that it would do neither. Despite several postal rate hikes in the past, the Post Office deficit remains and service has been curtailed rather than improved. — Lambert

WALK FRIENDS The meeting in Lubbock Friday of Commodity groups brought approval from the cotton group for the plan of the Plains Cotton Growers. The plan is not perfect — at least I won't please everybody but there was not a vote against it in the two hundred odd producers who heard it discussed for more than an hour. I propose procedure similar to the "vote plan" which is the only agricultural plan that can be called successful in this imperfect administration. Under it, cotton would be sold at world price, competitive. That is, and compensatory payments would be made to eligible producers — and any producer could make himself eligible. The cost would be \$150 million less than the present plan and even the present plan is a success. I am sure government could adopt the plan approved by local farmers and save \$150 million. It might make friends and influence people — that is the judge in Christian review.

WHERE ARE THE TROOPS? Murders, rapes, robberies, kidnappings and other "minor" infractions of the law are taking place in the schools at New York but no republican candidate has been ordered there. Little Rock is the only place where the schools are so malicious that federal troops are needed to keep the peace.

THE STATE OF OREGON produced overall income of slightly more than \$2 billion last year. Of that sum, the Oregon State reports \$1,350,000,000 was absorbed in direct taxes, fees, licenses, contributions and other forms of compulsory or mandatory assessments, not including indirect taxes.

A Negro girl gets a bowl of soup splashed over her head in Little Rock and it makes headlines across the country. Rapes and murders in the New York schools are played down as slight infractions by juvenile delinquents. We are being asked to believe that race-mixing by the supreme court and its god-men have nothing whatever to do with the outbreak of lawlessness. Segregation has been practiced more rigidly in New York than any other section in the country but only the south is considered the "heart" of intolerance.

Now the north is beginning to realize what the south has always known, you cannot suddenly integrate different social groups without disaster to the social groups white or black will explode when forced together.

One newspaper report stated, "But two years ago something happened abruptly. No one is quite sure of the cause, but juvenile crime mounted swiftly."

As long as they keep their heads buried in social sand they will never know — Cecil Wagoner in Chicago News.

Sgt. Smith Is Supervisor At Kirtland AFB

Kirtland AFB, N. M. — Staff Sergeant Ernest D. Smith, USAF, husband of the former Miss Veda M. Eiland of Box 766, Lockney, Tex., is supervising maintenance of bomb-navigational systems in the Air Force program of nuclear research and development at Kirtland AFB, New Mexico.

The Air Force Special Weapons Center at Kirtland (part of Air Research and Development Command) coordinates research, development, and testing to provide nuclear-carrying capability for USAF bombers, fighters, rockets, and missiles. Largely through the Center's work, nearly all front-line USAF air vehicles can deliver weapons to defend the U. S. against aggression. AFSWC also evaluates personnel hazards involved in development, test, and use of nuclear weapons, and it provides support to the Atomic Energy Commission in continental and overseas nuclear tests. The Kirtland Center also coordinates research to design structures to withstand nuclear blasts.

Sergeant Smith is assigned to the 4924th Armament and Electronics Squadron, which provides ground and air communications and electronic support for aircraft that fly AFSWC test missions. The Squadron's specialists also maintain fighter and bomber systems, fuzing and firing elements, and automatic pilot units. The 4924th team also performs handling, storage, and loadings of all special weapons in the AFSWC test program. Smith's squadron operates under the 4925th Test Group

(Atomic), which conducts tests, fly-arounds, and drops to determine ideal nuclear weapons shapes and compatibility of special weapons with Air Force systems of delivery.

He originally joined the Air Force in March, 1954, and re-enlisted in October, 1956. He has completed USAF's school of electronics fundamentals at Lowry AFB, Colo.

Miss Sally Cox spent last week end in Lubbock visiting her brother Aubrey Cox and family at 3007, East Second Place.

Lone Star 4-H'ers Rate Honors

Four Texas 4-H Club members are off to a good start in 1958 richer by practical experience and material rewards. They were judged best in the state for their 1957 project work, and each received a valuable award. Their overall 4-H records were reviewed by the State Extension Service which directs the 4-H programs in cooperation with the U. S. Department of Agriculture.

Clifford Smith Keith Lowery Raby Beakley David Kuperman

Clifford Smith, 17, of Willacy county, is a boy who believes that livestock is both fun and fundamental to an all-round farm. Named state winner in the 4-H Meat Animal program Smith received a smart pen and pencil set in recognition of his selection, the gift of Thos. E. Wilson, donor of awards.

After six years Smith's beef project has reaped big dividends. He handled \$1 head of cattle. His herd bull, valued at \$11,000, is responsible for 42 award ribbons and trophies.

Smith is plowing back cash prizes and profits into his project to build up his herd of Herefords. He has made three trips to the Texas 4-H Round-Up, and was president and junior leader of his 4-H Club.

A boy who has no trouble seeing the forest for the trees is Keith Lowery, 16, of Nacogdoches county. He was named winner of the state 4-H Forestry award and received a handsome pen and pencil set from American Forest Products Industries.

For his tireless efforts in five years of 4-H forestry, Lowery owns over 40 acres of timber. Earnings from pulpwood sales will help finance his college education, he says.

This energetic lad cleared, pruned, measured and ringed trees in his father's 700 acres of woodland. He helped set out

30,000 slash seedlings. Also he built and repaired the fences to protect them.

Lowery has won 4-H awards for his poultry project, and was active in judging poultry, livestock and soils.

A friendly smile and a silver tongue paid off in top state 4-H honors for Raby Jean Beakley, 17, of Brown county, and David Kuperman, 16, of Stephens county. The pair were named winners in the 4-H Public Speaking program, and their persuasive oratory was rewarded by The Pure Oil Company.

Miss Beakley was presented with a certificate of honor and a beautiful set of silverware. Her firm belief in the joys of rural living was the foundation of her winning speech, "Fun on the Farm."

During her nine years of 4-H Club work, Miss Beakley gave 28 speeches to audiences of close to 2,400 people. In addition, she appeared on radio and TV programs.

Kuperman also received a certificate plus a handsome 19-jewel wrist watch. An eloquent explanation of what 4-H leadership training means to America's future was the basis of his award-winning talk.

Several 4-H talent-night and radio speeches rounded out this talented youth's six years of 4-H Club work.

Mr. and Mrs. B. B. Vernon and boys spent Friday in Lubbock visiting their children. Mr. and Mrs. Royce Vernon and family, Mr. and Mrs. Melton White. The occasion marked the birthday of Royce Vernon, a medical student at Texas Tech, and an employee of Lubbock Avalanche.

Visitors during last week end in the homes of Mrs. Gilbert Huls and her daughter, Mrs. Bernice Miller, were Mrs. Huls three sons and daughters-in-law. They are Mr. and Mrs. Lloyd Huls, Mr. and Mrs. Phil Huls, all of Eufaula, Okla., Mr. and Mrs. Glen Huls of Lubbock.

FROM THE County Agent's Office
By Cecil Lewis and Lynn Pittard

Plans are well underway for the Lockney Community Fat Stock Show to be held Saturday, March 1, at the Oil Mill Building. All animals have to be in by 9 o'clock Saturday morning.

This is a good opportunity to see some of the things the boys and girls have been doing in 4-H and FFA work. Plan on attending and encouraging them in their activities.

With these spring like days everyone begins to think of planting their gardens. Here are a few points to make your garden more successful.

Always plan your garden first, deciding where and when you are going to plant the different vegetables.

Usually, a small garden taken care of will produce more than a large one. Weeds can be controlled easier and you can take more pains in the producing plants.

Make a succession of planting to assume a continuous supply of fresh vegetables. Radishes, mustard, green bush beans, squash, and sweet corn may be planted at least two or three times during the season.

For a well balanced garden between leafy, root, and fruit vegetables you should have, at least 10 to 12 vegetables in your garden. Another point is to try a new vegetable each year, you may find another favorite vegetable.

Always plant proven varieties of vegetables for best results. The use of commercial and barnyard manure fertilizers can increase both quality and quantity of vegetables produced.

Some good varieties of tomatoes to use are Homestead, Rutgers, and for a novelty and early production the small Porter tomatoes are excellent.

Available in the County Agent's office is a good bulletin on vegetable gardening. It includes varieties of planting dates and other information on gardening.

Mr. and Mrs. Bill Crader and children, Jimmy, 12, Sue, 9, and Kathy, 4, plan to move into Lockney Saturday. They have lived at Sterley the past seven years where he is employed with the Fort Worth & Denver Railroad.

YESTERDAY'S LUXURIES TODAY'S NECESSITIES

A few years ago, oranges and grapefruit were occasional luxuries — an inevitable must for the Christmas stocking. Today, they are year around regulars, which home economists include in their demonstrations regularly. When buying citrus fruits, the home economists say that firmness and weight are the most important guides. Outside color is not a reliable guide. Maturity is indicated by the percentage of sugar content. There are laws that require the fruit to be mature when it is marketed, so con-

sumers are assured mature fruit.

Highway Film To Show At Seale

"Jonah and the Highway," a 27-minute film dedicated to the highway engineer as a public service by United States Steel Corporation, will be shown Feb. 28 - March 1 at the Seale Drive Theatre in Lockney.

To bring the story of the men and professions behind the nation's projected highway network program to widest public attention, U. S. Steel turned to Hollywood to produce the film for wide-screen theatrical projection. The cast includes Craig Stevens as Bill White, a competent highway engineer faced with a run of hard luck; Lola Albright as Bill's wife Mary; Alan Hale as a government engineer; Robert Armstrong in the role of a hard-bitten contractor and Hal Stalmaster as a young highway engineer on his first job.

"It's a pity that people can't exchange problems. Everyone knows how to solve the other fellow's."

cafe in Austin to a garment factory in Denton. Dallas got the lion's share—15 new firms. Immediate effect: 910 new jobs for Texans.

IAB CALLED "MODEL T" — Texas had better streamline its industrial accident system before Washington steps in warns H. C. Pittman.

"It's a Model-T operation in a jet age," says Pittman, who is chairman of the Industrial Accident Board. Result is that Texas employers pay more and Texas employees get less than in almost any other state. "I'm ashamed of it," said the board's chairman. He blamed the creaky operation on out-of-date laws (system was set up in 1913) and public indifference.

IAB is the state agency that processes, supervises and keeps records on payment of claims arising from industrial accidents. Its work has increased substantially in recent years.

Pittman spoke at the annual safety clinic of the Texas Highway-Heavy Branch, Associated General Contractors. Clinic is climax of year-long effort to reduce accidents in construction.

Gov. Price Daniel presented awards to companies with the best safety records for the past year.

MASS SIGN-UP BEGINS — Most state departments now have registration forms for those who come in asking for something for someone else.

Forms were put out as the new "representation before state agencies" law, passed in the first special session last fall went into effect. Law was designed to keep a check on those paid to seek help or favor from state officials.

There are numerous exceptions — telephone calls, visits for a public hearing, visits for information only and contacts at some places other than the state office.

But businessmen are being advised, "when in doubt, register." Penalties are up to six months in jail, \$500 fine.

NATUROPATHS' ILLS MOUNT — Texas Supreme Court pushed naturopathy outside the realm of legal practice and slammed shut the door. High court upheld a lower

court injunction which barred a naturopath in Midland from doing business. Naturopaths had contested the prohibition on grounds it deprived them of constitutional rights by allowing medical doctors, dentists, chiropractors, etc., to practice, but not naturopaths. Court's ruling pointed out that law permits these other groups to practice only after meeting certain qualifications and obtaining licenses. Naturopaths' licensing law was declared valid some time ago, and no new one has been passed.

Effect of the ruling is to require a naturopath to qualify as a full-fledged medical doctor.

COEDS AT AGGIELAND? — One of the touchier issues confronting the Commission on Higher Education is whether to recommend that Texas A & M admit women students.

It is known to be under considerable pressure from both directions.

Created by the Legislature in 1955, the Commission has responsibility to study and make recommendations for development and improvement of the programs in all Texas state-supported colleges and universities. To date, most time has been spent in study, but recommendation phase is coming up.

Dr. Ralph T. Green, executive director, is to report to the 15-member Commission on the A&M issue at a meeting April 14. Commission will then decide what course to suggest to the college officials.

However, the Commission cannot force the college to accept its decision. Chances are the question will be argued in the courts and the Legislature for some time to come.

A suit already has been filed in Brazos County in behalf of would-be women Aggies.

CLIMB IN CRIME — Newly-organized Law Enforcement Commission is beginning its work with a depressing array of statistics outlining its task.

John H. Crooker Sr., Houston lawyer, is chairman of the nine-member panel. Group is to study ways to combat crime and report ten months hence to the 56th Legislature.

Defining the problem are these facts that were dumped in the Commission's lap:

1. Major crimes in Texas are increasing faster than the national average — 92 per cent here as compared to 72 per cent nationally.

2. Of some 154,000 major crimes committed in Texas last year, an estimated 50 per cent were by juveniles. Governor Daniel has asked the Commission to give top priority to study of juvenile crime.

3. State correctional schools for youths are not equipped to handle the swelling tide of offenders, according to the Texas Youth Council. Gatesville school, with capacity of 650, has population of 898.

STATE CAPITAL Highlights AND Sidelights
 by Vern Sanford
 TEXAS PRESS ASSOCIATION

AUSTIN, TEX. — "How's business?"
 Whenever two men stop to talk, this question is almost sure to pop up. With state and nationwide interest focused on the slackening of the economy, there's much searching for answers. It means trying to decipher the economic analysts' riddle about "downward plateau" and "rolling adjustments." It also means watching whether the neighbors are buying new clothes or patching in old ones.
 On the state level, the spotlight is on the Texas Employment Commission. Its weekly tabulations on the number of people making unemployment claims was for years regarded as the most routine of routine reports.

Shower Honors Recent Bride

Mrs. Curtis O. Lemons, the former Marjorie Kidd, was honored at a bridal shower Saturday afternoon from 2 to 4 o'clock in the home of Mrs. J. L. Davis.

Guests were met at the door by Mrs. Davis and presented to the honoree and her mother, Mrs. J. W. Kidd of Aiken, who wore corsages of white carnations.

Mrs. R. L. Ellison presided at the register.

The dining table was covered with a white linen cloth and centered with a miniature bride, dressed in white satin and glitter net, standing before an arch of white satin accented with pink apple blossoms, rhinestones and silver bells. An arrangement of pink carnations banked the arch and surrounded the bride. Cake squares and punch were served.

Hostesses for the event were Mrs. J. C. Bailey and Mrs. R. L. Ellison, of Aiken, Mrs. Dick Morgan of Littlefield, Mrs. Clyde Stapp, Mrs. Gerald Nobilett and Mrs. J. L. Davis, Lockney.

Lone Star H. D. Club To Meet Tues.

The Lone Star Home Demonstration Club will meet next Tuesday, March 4, at the home of Mrs. Albert King in an all-day meeting. It was announced this week the group will eat lunch at the grade school cafeteria in Lockney in observance of Public Schools Week.

The club held its regular meeting Tuesday, Feb. 18, entertaining their husbands and other guests with a chili supper at the community center. Following the supper the husbands and guests played "42" while the club members held their regular club meeting. Forty-nine were present for the occasion.

Birthday Party Honors 6-Year-Olds

Mrs. J. W. Smith, mother of Hershel Smith, and Mrs. Verner Hodel, mother of Doug Hodel, honored their sons with a party on their sixth birthday Wednesday morning at Mother Goose School which they attended.

Individual cakes topped with candles were served with cold drinks to the children. Favors were miniature straw Mexican hats. Coffee was served to the mothers and Mrs. Wood, teacher.

Fifteen Mother Goose pupils and the following visitors enjoyed the party: Cheri Smith, Mike Hodel, Sandy Riley, Ronnie Gammage and Gordon Moore.

\$1.31 was turned in for the polio fund in honor of the two boys.

Mrs. Williams Is Hostess At Party

Mrs. Ninalie Williams was hostess at an enchilada supper Tuesday evening at her home here. Guests for the occasion were members of the Young Married People's Sunday School Class of the Lone Star Baptist Church.

Enchiladas and all the trimmings were cooked by Rev. Temple Lewis, pastor of the church, and served to the group.

Enjoying the occasion were Rev. and Mrs. Temple Lewis, Mrs. Homer Sissney, Mr. and Mrs. Joe Nance, Mr. and Mrs. Jack Dickens, Mr. and Mrs. Wayne Bramlet, Mr. and Mrs. A. O. Foster and Barbara, Mr. and Mrs. Buck Lancaster, all of Lone Star.

Wofford Honored At FFA Banquet

Leon Wofford, local lumber dealer was awarded an honorary chapter farmer degree at the annual Lockney Future Farmer Parents and Son banquet last Friday evening. The award is given those in the community who are especially helpful to the chapter in reaching its goals.

The film, "Seven Lean Years That Waxed Fat" was shown to the group of some 125 persons. The film depicted the change in West Texas from a dry, barren country to a productive area in a seven year period. It was shown courtesy of KCNC-TV and Radio of Amarillo. Burl McClelland of Amarillo brought the film here and was a guest at the banquet.

Rosnie Harris, president, presided over the meeting. Special vocal numbers were presented by Elaine Cooper accompanied by Janice Hays. Honorary chapter farmers of previous years along with parents of the members were special guests.

Legion Auxiliary Hears Trip Report, Makes Plans

The American Legion Auxiliary, Post 141, met Feb. 21 at the Plains Hotel for a business session, followed by a report from Jean Wofford on her trip to Girls State, which was sponsored by the Lockney Unit. President Jimmie Rhodes called the meeting to order, after which members heard a report from Secretary Lozell Graham.

Members were named as chairmen for various committees. Mrs. Louise Hodel will serve as chairman for the membership committee. Mrs. Viola Moody will lead the Poppy Drive, while Mrs. Vonciel Casey will be in charge of the committee for the trip to Girls State.

President Rhodes introduced Mrs. Dorothy Thomas, past-president, who in turn introduced Jean Wofford, guest speaker.

Jean, who is the daughter of Mr. and Mrs. Kenneth Wofford of Lockney, made the trip to Girls State under the sponsorship of Unit 141 in June, 1957. The girl chosen for the trip must be a junior in high school, and are judged on a basis of grades, poise, personality, character and compatibility with others.

Jean gave a very interesting report on her trip, showing a scrapbook which began with her notification that she had been chosen. Her story unfolded from the pages of her scrapbook, in which she had placed her schedules, official papers, pictures, and other tokens. Jean served her "city" as reporter and City Councilman. Officials of each group met, worked studied, and made and passed resolutions as is done in state and city government.

Jean won first place in a talent show, doing her fire baton twirling routine. Her reward was a miniature baton and a medal.

Jean's report had been delayed by conflicting dates, as well as other things. At this meeting, plans were laid for the annual Legion party, given by Auxiliary members for Legionnaires. The date has been set for March 20.

Refreshments of pie and coffee were served to guests Jean Wofford, and Mr. and Mrs. Kenneth Wofford, and members of the Auxiliary.

The next meeting of the Auxiliary will be on March 6, at 7:30 p.m. at the Legion Home.

Methodist Will Start Visitation Campaign Sunday

Members of the Lockney Methodist Church will begin work Sunday on a campaign to find every unchurched and inactive Methodist family in the community, according to Rev. E. Lee Stanford, the pastor. It is part of a state-wide visitation campaign and is designed to win the unchurched Methodist families to active church participation.

The campaign is in preparation for the Spring revival at the Lockney Methodist Church April 13-20. Rev. Ray Neil Johnson of Abilene will be the evangelist for the meeting and Bob McDonald of Plainview will lead the singing.

MOVING TO IDAHO

Mr. and Mrs. Marlin Anderson and daughters, plan to leave about the middle of next week for Idaho Falls, Idaho to make their home. Mr. Anderson will be employed with an atomic plant and Mrs. Anderson plans to operate a beauty shop. They have sold their house to Miss Bobbye Lu Casey, school secretary. While here Mr. Anderson was engaged in farming.

Good Crowd At Soil Day Here

A good crowd, estimated at 175 or more farmers of the area, attended the annual Soil Fertility Day event here last Friday. The affair was held at Plains Theatre with the free barbecue at the noon hour served at the American Legion home.

An interesting program filled the day with the feature talk being by Vic N. Johnson, vice-president of the Federal Land Bank at Houston, who spoke on "What To Expect in Agricultural Financing." Mr. Johnson dealt mostly with "contract farming," which he described as one way to hold the farmers need for financing to a minimum.

Others on the program included Mayor J. E. Cox, who gave the welcome; Macey Orman, agricultural agent for the FW&D railway; Jack Barton of College Station, conservation specialist; Dr. T. C. Longnecker of the High Plains Station at Halfway; D. W. Sherrill of Lubbock, irrigation specialist; W. L. Broadhurst of Lubbock, with the High Plains Water District; Harvey Walker of Lubbock, agronomist, and three local farmers who appeared on a panel, Jerry Cooper, Eddie Fortenberry and Robert Lee Smith.

Earl Edwards Jr. was morning chairman and R. C. Mitchell afternoon chairman for the meeting.

The barbecue lunch was praised by those attending. It was furnished by the First National Bank of Lockney with

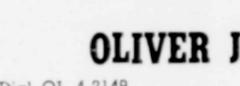

the plans by the Chamber of Commerce committee.

Tahoka Claims District 2-AA, Bi-District Honors

Tahoka's hustling Bulldogs became District 2-AA champs Saturday evening when they squeaked past the rugged Floydada Whirlwinds, 55-51, in an overtime battle. The game played at Idalou, was the final contest in a best of three play-off series for the conference title.

Tahoka won the first game in the series Thursday evening on their home court. The taller Whirlwinds came back to take an easy, 66-44, win over the Bulldogs at Floydada Friday night. The two schools ended the season in a dead-heat for first place in 2-AA standings with 10-2 records.

Floydada led most of the way in the Saturday game but the Bulldogs came back in the last three minutes to knot the count, 51-51, as time ran out. Tahoka managed four points in the overtime period and held the Whirlwinds scoreless.

Jerry Brown was the big man in the Tahoka attack with 22 points. Jay Gurlay added 15 for the winners. Floydada scoring was well distributed as Bill Patterson and Wayland Richardson had 12, Ronnie Downing sank 11, and Ranny Vickers pushed 10 points through the hoop.

Tahoka Takes Bi-District Win

The battling Tahoka quintet upset a strong Dimmitt Bobcat team, 63-50, Tuesday night in a bi-district contest at Plainview.

Dimmitt capitalized on Tahoka mistakes to command a 15-10 lead at the end of the first stanza and held a 31-24 advantage at halftime. But — behind the torrid shooting of Brown — the Bulldogs closed the gap in the third period and the game was tied, 38-38, as the quarter ended. The 2-AA champs scored 25 points in the final period to 12 points for the 1-AA titleholders.

Dimmitt was very cold and hit only 28.8 per cent of their shots from the field. Keith Lowe, who entered the game with a 23 point-per-game average, was held to 15. Brown, of Tahoka, was high point man in the game with 27. Hal Ratcliff made 16 points for the Bobcats.

The victory put the scrappy Bulldogs into the Region I Meet at Lubbock Friday and Saturday. Tahoka will play Childress at 11 a.m. Friday in the semifinals. The winner will meet the victor of the Seminole-Coleman match at 9 p.m. Friday in the finals. Region I champ will enter the state meet.

Tahoka gained its 24th win of the season against eight defeats in the bi-district tussle.

Attends Music Convention

Clyde Seaman, Lockney Longhorn Band Director, returned home Sunday from the annual Texas Music Educators Association Convention in Galveston.

The three-day program was presented by the all-state band, all-state symphony orchestra, and all-state choir.

Mr. Seaman made the trip by plane and stayed at the Sea Horse Hotel on the bay.

Hoad And Gonzales To Play At Lubbock

Lew Hoad and Pancho Gonzales will bring their world championship professional tennis tour to Lubbock tonight (Thursday) playing in Lubbock's new Municipal Coliseum starting at 7:30 p. m.

Tickets are \$3.00 for reserved seats, \$2.00 for general admission and 90 cents for students.

Hoad is leading Gonzales at the present 16 to 9 sets. Gonzales is the present champion but it appears Hoad may upset him.

HOW TO BROWN MEATS COOKED AT LOW TEMPERATURES

The advantages of low temperature meat cookery appeal to efficiency minded homemakers, says Margaret Spader, home service editor of the Gas Appliance Manufacturers Association. Turning the gas low during roasting or broiling insures juicier meat and less shrinkage. To achieve the brown crust that's so popular with meat connoisseurs, Miss Spader recommends brushing the meat with a sauce like Kitchen Bouquet, or a glaze or barbecue sauce. Dark, pungent sauces help produce an attractive, crisp, deep-brown crusty exterior for your meat dishes.

CRUMB CRUST FOR CHIFFON PIE

Regular pie crust is best when it does not have to be chilled. That's why a crumb crust is so perfect for pies, like chiffon, that must be refrigerated. This recipe is made with rice cereal crumbs and is baked in oven for 10 minutes which keeps it from crumbling during serving. Pre-heat the oven to 350 degrees. Roll 3 cups of Rice Chex into fine crumbs and add 1/4 cup sugar, 1/3 cup soft butter and 2 teaspoons hot water. Blend the ingredients well. Press the crumbs onto bottom and sides of an 8-inch pie pan. Bake 10 minutes and cool thoroughly before filling.

PINK ANGEL ROLL

Use the L'Al Angel Food Mix (a half-size package) and fold 1/4 cup finely cut chopped maraschino cherries and 1/4 cup chopped nuts into the batter. Pour the batter into a shiny, ungreased jelly roll pan and spread it evenly to all sides. Preheat the oven to 375 degrees and bake the roll about 15 minutes, or until very delicately browned. Place four jar lids on the counter and invert the pan on these while the cake cools. (This keeps the texture of the roll nice and light.) Sift confectioner's sugar over a clean tea towel and turn the cooled roll onto the sugared towel. Spread with softened ice cream, roll loosely making 1 1/2 turns. Wrap the roll in aluminum foil and place in the freezing compartment of the refrigerator. Before serving frost with sweetened whipped cream and garnish with candied violets. Serves 6-8.

WE APPRECIATE YOUR BUSINESS

TRADE

is a Builder

(Does your trade build for you?)

Trade built this community . . . its homes, its churches, its schools, its business houses, its jobs, its pleasant way of life. Without Trade . . . the exchange between neighbors of labor's fruits for goods and services . . . none of these would — nor could — exist here.

Quite naturally . . . more trade builds better communities. Every single additional dollar that is spent here at home does its bit to bring greater prosperity for you and for all of us who live here.

As a matter of fact, Trade builds wherever it exists. Spend your money at home, the trade it creates builds here. Spend it in the city, the building takes place there.

There is contentment, security and opportunity in a grow-

ing community. These are the most important things that your trade dollar buys . . . but they can't be wrapped up and taken home with you from a city store.

The dollar you spend in another town or city buys real benefits for somebody else than it does for you. You get a bit of goods; the folks who live there get more prosperity . . . paid for by your money.

4-H Girls Study Food, Sewing Hints

The sixth grade 4-H girls had a meeting Thursday, Feb. 20, at 1:45 in room 101. President Karen Ashton called the meeting to order and led the group in saying the 4-H Prayer and Motto. Judy Roberts was welcomed as a new member. Roll call was answered with "My Favorite Dairy Foods". The secretary Mona Kaye O'Heam, read the minutes of the last meeting and they were approved.

Committees to give demonstrations on dairy foods and vegetable salads were appointed. At the next meeting Sue Stansell, Joan Falls, Linda Mae Elam and Betonia Barnett will give demonstrations on dairy foods. Judy Roberts and Sharon Edwards will make a vegetable salad.

Sue Stansell introduced Mrs. Henry Bollman who gave a demonstration on "Simple Sewing Hints". Mrs. Milton Ashton, adult leader, gave each girl a pattern for an oven mitt and each girl is to start making either a pot holder or an apron.

Sharon Edwards led the group in singing several songs and Joan Falls directed games. The meeting adjourned with the 4-H Prayer. Betonia Barnett, reporter

Vegetable Growers Of Five Counties To Meet In Dimmitt

Littlefield — Vegetable growers from five counties will meet in Dimmitt on March 6 to work out problems common to this area. Plans were laid when the group met in Littlefield recently.

The five-county group dropped any immediate move to form an association, but did approve a plan to work with growers through an advisory organization. Each of the five counties — Lamb, Hale, Floyd, Castro and Bailey, will be represented by four members.

Members of the five-county committee will work with growers on the number of acres to plant in an effort to keep a healthy market in the area.

The members will work toward planned production in the area, whereby vegetables would be harvested over a longer period to help market demands throughout the entire harvest season. The committee plans to check on processors who wish to come into the area.

Car Inspection Now Urged By Garrison

With less than two months left in which to have motor vehicles inspected, Col. Homer Garrison Jr., director of the Texas Department of Public Safety, urged motorists to obtain their 1958 inspection stickers immediately. In doing so, he said that 64 per cent of the registered vehicles in Texas have not been inspected for the current year.

"At the present rate of inspection it looks as though the usual ten per cent who wait until the deadline for inspections will be waiting in line on April 15. With crowded inspection stations on this deadline date immediate service cannot be rendered and car owners will suffer an unex-

pected loss of time and inconvenience." Nearly half of the vehicles already inspected have required some adjustments or repairs which require more time for both the owner and the inspection station and can be handled better when not rushed.

The state police director said much time can be saved if car owners obtain their 1958 inspection stickers early.

FRANK PERKINS ON TRIP

Mr. and Mrs. Frank Perkins are on an extended trip to New Orleans, Mobile, Alabama, and Miami, Florida. They left several days ago, visiting first with their son, Terry, at New Orleans. They expect to be gone about three weeks.

Dear Editor:

I see where some military experts say the U. S. could wipe Russia off the map if this seemed like a good idea, and other experts say it's Russia who could abolish us.

But my non-expert neighbor says he is not worried about who is right about this, on account of he stands to win whichever way the ball bounces.

If Russia was to get pulled and voided, this would likely save him from the draft. And if the U. S. was struck out he could quit worrying about his jobs and about how his kids will turn out.

What's In It For Me?

Farmers Union Fights For Its Members On All Legislative Fronts!

FARMERS UNION stands for:

- BETTER SCHOOLS
- ADEQUATE FARM CREDIT
- SOUND SOIL CONSERVATION
- ADEQUATE SUPPLY OF LOW COST ELECTRICAL POWER
- BETTER MARKETING OF FARM PRODUCTS AT HOME AND ABROAD
- FAIR PRICES FOR ALL FOOD AND FIBER GROWN BY NATION'S FARMERS.

FARMERS UNION is an organization of family farmers which seeks to improve the income and welfare of the family farmer consistent with the well being of the greater number of American Citizens.

Since 1952 Farmers have lost 17 billion in Farm Income. Small business men have lost because of the loss of Farmers Purchasing Power.

Increase the income of every Farmer in Floyd County and what happens? Every cent of this increase will find its way to some retail store, debts will be paid, new cars and refrigerators will be purchased. In some instances the money will circulate not once but several times within the county before it finds its way to the wholesale market and ultimately to the factory. Men will be put to work again, money will be put into circulation to buy beef steaks and cotton clothing that may be products of Floyd County. Sure, some of the money will find its way into the coffers of big business, causing industrial prosperity, perhaps expansion and employment of more workers.

Give this same amount of money increase to the wealthiest men in Floyd County and what Happens? Nothing!

FARMERS UNION does not believe in the 'trickle-down' theory of prosperity. That is not a good fundamental principle of economics.

FARMERS UNION believes that family farmers deserve more than a few crumbs from the family table. This can be done without extra cost to the consumer through a sound farm program to bring farmers closer to parity with other groups of the nation's economy.

FARMERS UNION exists so that American Farm families can do this and do it well.

He suggests that the best
protection for trees and shrubs
is a close watch for the small
brown worm which begins to
hatch about May 10. When the
first to hatch get about as long
as a match head then spray
your plants.

Early steps to protect shrub-
bery may be taken now by
pulling the bags off the bran-
ches and burning them. Ash-
down said that spraying too
early may be ineffective be-
cause of spring rains. But in
any case it is best to spray be-
fore the worm matures.

NEW SAFETY CHIEF—Gov. Price Daniel has named Brad Smith (above) of Waco, Texas, as state traffic safety director. Smith assumed his duties in the governor's office on Feb. 1. His job is to coordinate safety activities of state agencies. He will head the newly created Texas Traffic Safety Council authorized by the 55th Legislature. Smith, who is a past president of the Texas Press Association, has been in newspaper, radio and television work. In these posts he has done much public information work on traffic safety.

South Plains

By Mrs. Murray Julian

The sunshine is very wonder-
ful after so many days and
weeks of foggy, drizzly weath-
er. Every day last week was
foggy, and yet, very little mois-
ture fell. This Monday the
farmers can get back into most
of their field work.

Mr. and Mrs. Shelby Calahan
and children will have their
new home completed this
Spring. We congratulate them
on their house, which is right
west of the L. T. Wood place,
on the former Raymond Upton
farm.

Many neighbors and friends
attended the services for Mrs.
J. T. Myrick in Floydada Wed-
nesday afternoon at the City
Park Church of Christ.

Good attendance was attain-
ed at church Sunday. Everyone
should remember to come hear
Rev. Frank Nix of Lubbock
next Sunday. Bring a basket
lunch for the noon meal after
services.

Mrs. Douglas Meriwether and
new son, Montgomery Wayne,
were able to come home from
the hospital last Thursday.

Many farmers and others
from here attended the 11th
Annual Soil Fertility Day in
Lockney Friday at the Plains
Theatre.

Visiting Mrs. Murray Julian
Friday were Mrs. R. G. Dunlap
and Mrs. Bryant Higginbotham.
Saturday visitors included Mrs.
John Wilson, and Sunday af-
ternoon visitors in the Julian
home were Mr. and Mrs. Arby
Mulder, Nathan and Kathy.
Mrs. Julian has been confined
to her home with illness the
past week.

Mr. and Mrs. Don McClure
and girls of Crosbyton spent
Wednesday night as guests of
her folks, the Frank McClures.
Mrs. Margaret Henderson,
Stockton, Calif., was visiting
her sister, Mrs. Rufus Young
and family in Floydada last
week and on Wednesday night
they were all guests here in
the home of Mr. and Mrs. Grig-
shy Milton and girls.

Mr. and Mrs. Earl Willmon of
Clovis, N. M., spent Thursday
visiting here in the home of
Mr. and Mrs. Fred Fortenberry.
She is the cousin of Mrs. For-
tenberry.

Raymond Upton spent Thurs-
day and Friday in Lubbock
where he went through the
clinic.

Bryant Higginbotham got
back from Tyler, Tex., Wednes-
day night after visiting since
Saturday with relatives.

E. P. Pritchett has been ill at
his home since Saturday.

Mr. and Mrs. Sylvin Kinni-
brugh and girls, and Mrs. Edith
Cox of Lockney spent Saturday
and Sunday at Truscott and
Vera. They were accompanied
by Mr. and Mrs. W. H. Sim-

mons of Truscott, who had
been visiting here.

We are sorry to hear of the
passing of Mrs. Weast, 86,
mother of George Weast, who
had been ill a short time. She
passed away at 4 o'clock Sat-
urday morning in Garden City,
Kan. The Weasts left immedi-
ately upon receiving word. We
offer our sincere sympathy to
the bereaved family.

Mrs. John Wilson was honor-

**Tuition-Free
Science Studies
Are Offered**

Lubbock — High school jun-
iors who show exceptional pro-
mise in science have an oppor-
tunity to apply for special tun-
tion-free study at one of five
Texas institutions this summer.

More than 100 Texas high
school students will be named
to participate in institutes to
be held on the campuses of
Texas Tech, Southern Metho-
dist, Rice Institute, University
of Texas and Texas A&M.

Students must apply through
the office of their high school
principal or superintendent be-
fore March 30. Final selection
of students will be made by
the Institutes' Directors April
14, according to J. W. Day, Tech
associate professor of physics
and a director.

The special institutes are
sponsored by the Texas Educa-
tion Agency and high schools
under a fund for the Advance-
ment of Education grant.

Each participating institu-
tion will give approximately 25
students an intensive five-
week enrichment course in
mathematics or science. Out-
standing faculty members and
laboratory facilities are provid-
ed by the colleges and univer-
sities for the Science Institutes.

BREAKFAST BRACERS

Add a little variety in the
cereal sweetening department
by using marmalade, honey,
molasses or brown sugar occa-
sionally. Cereal cooked in milk
instead of water is very nutriti-
ous. (Remember to use a low
flame or a double boiler to pre-
vent scorching when you cook
with milk.) Children may like
eggnog or chocolate milk serv-
ed over cereal. Hot soup, egg,
bacon or ham sandwiches are
worth a try, too, for adding in-
terest to the first meal of the
day.

9 a.m. — Baby beef judging.

1 p.m. — Auction sale.

Prizes being offered are \$5 for first place, \$3 each for second and third places, \$2 each for fourth and fifth places in each class with the grand

champion swine and steer each receiving an additional \$5 and banner and the reserve champion in each class getting \$3 and a banner.

Banners will also be given to the buyers of the grand and reserve champion animals this year, show officials say.

In addition trophies will be given the owners of the grand champion steer, the grand champion hog, the champion fine wool lamb, the champion medium wool lamb, and the champion Southdown lamb.

These trophies are given by OK Rubber Welders, Goetz Drug, Charlie Boedecker, Connie O'Brien and Robin Fortenberry, respectively.

Wagon Wheel Western Wear at Floydada will give showmanship trophies in each division. Ribbons are provided by Fuqua Farm Supply and Banners by Barwise Gin.

Special prizes are being offered by various swine associations, including Berkshire, Duroc, Chester White, Poland

China and Hampshire, provided the winning barrow is registered with either of the associations.

Officers of the association are Bill Beedy, president; Chester Mitchell, vice-president; R. L. Knox, secretary-treasurer; R. C. Mitchell, general show superintendent; Cecil Lewis, show manager; Lynn Pittard, assistant show manager.

Superintendents are: Beef Division, Lloyd Cook; beef steer supt., Troy Lee McNeill, assisted by Billy Don Colston, Don Vickers, Ronnie Harris; baby beef calves supt., Gerald Lackey.

Swine division superintendent, M. L. Brewer; fat barrows (light) supt., Vernon Witkowski, Charlie Boedecker, Warren Mitchell, Joe Cunyus; fat barrows (heavy) superintendent, E. L. Thomas, Robin Fortenberry, Vaughn Ginn, Jerry Williams.

Sheep division superintendent, Henry Barber; fine wool wether lambs supt., Bill Colston, Cliff Hardy; medium wool wether lambs supt., Al Kennamer, Steve Handley; Southdown and Southdown crosses supt., Eldon Fortenberry, Dan Smith.

Judges will be Casey Fine, head of the animal husbandry

department at Texas Technological College, Lubbock, and Charles Beedy, county agricultural agent at Stinnett.

The sifting committee will be composed of Ollie Limer and Gene Barnett, both of Plainview.

Auctioneer will be Kenneth Bozeman and show veterinarian will be Fess Whitfill.

Official weighers will be Charles Baxter and Roe Jones. The committee in charge of bids in the ring will be H. B. Thornton, Harmon Handley, Charlie Spence and Olin Bryant.

Sales clerks will be Olin Watson Jr., Jake Watson, Tom Hutchins, Dan Hagood. The sales committee is Olin Watson Jr. and Dick Whiteley.

The show is sponsored by the Floyd County Junior Fat Stock Show Association, the Floydada Chamber of Commerce, the vocational agricultural departments of the county and the Extension Service.

Farm Bureau To Hear Dennis Taylor

Dennis Taylor, president of Crosby County Farm Bureau, will be the speaker at a membership kick-off meeting of the Farm Bureau Thursday night at 7:30 at the C. N. Townsend Elementary School cafeteria.

The public is invited to attend the meeting, it was announced by John T. Carthel.

Legion Skating Rink To Open Saturday

The American Legion skating rink, located in the Legion Hall on North Main Street, will be open Saturday afternoon at 2:30 and also Saturday night and Sunday afternoon. The rink has been closed for several weeks.

OVER THE NEW YEAR holiday, traffic fatalities in this country established a postwar record, and the total of 160 was well above predictions. An outstanding exception to the general rule was provided by Connecticut, where there was no traffic death. The state has been waging a tough war against speeders. Licenses are suspended for 30 days on the first conviction; 60 days on the second, and indefinitely on the third.
