

Consumers Fuel Gross Sales Are Down Slightly

Gross sales at the Consumers Fuel Associations' two stations, Lockney and Lone Star, were down slightly in 1957 in the 1956 calendar year, according to the auditor's report made at the annual membership meeting Wednesday. The report was given by Harold J. Iglesias of the firm of Merrin, Douglas and Abbe.

Dimmitt Man On State ASC Committee

Allen Webb, of Dimmitt, Castro County, was named a member of the State ASC Committee Jan. 7.

Record Crowd Expected At Annual C-C Banquet

The Lockney Chamber of Commerce annual banquet is set for Friday evening and ticket sales were zooming Wednesday. Oscar Golden, chairman of the ticket committee, reported that sales had passed the 200 mark and it appeared that the banquet would have to be moved to the high school gym from the cafeteria since the cafeteria will hold only 200 persons.

Fire Dept. Gets Receiving Set For Storm Warnings

The Lockney Volunteer Fire Department has purchased a short wave radio set on which they will receive storm warnings, Fire Chief Audie Barnett said Wednesday. The set, the antenna and other accessories will cost the department around \$100.

Band Parents Will Sponsor Easter Parade April 4

An event that promises to be a great hit is an Easter Parade being planned by Longhorn Band Parents Club. The affair will take place on Friday, April 4, before Easter Sunday, April 6.

Revival Begins Next Wednesday At Aiken Church

A five-day revival meeting will begin next Wednesday, March 26, at the Aiken Baptist Church. The meeting will continue through Sunday, March 30, with services each evening at 7:30.

Hoyette Hodges Named Manager Of Hi-Plains Gin

Hoyette Hodges has been employed as manager of the Hi-Plains Gin in Lockney. It was announced this week by the owners. Mr. Hodges is well known in this area, having served as manager of the Farmers Gin at Lone Star for five years and one year as manager of the Farmers Gin at Hale County.

Floyd People At Farmers Union Meet

A group of Floyd County people are attending the annual Farmers Union National Convention in Denver this week. They left Sunday and are expected to return home Wednesday. Attending from Lockney are R. H. Ford, Kenneth Wofford, Conrad Henderson, Bob Jarrett, J. D. Copeland, and from Floydada Watson Jones and Junior Simpson.

FRIZZELL GETS SETTLEMENT ON \$42,149.92 "HOT CHECK"

Hubert E. Frizzell of Lone Star will get full restitution on a \$42,149.92 "hot" check given him a year ago after a civil suit was settled in a conference of attorneys Monday at Lubbock.

ALLEN WEBB

The settlement came after Judge Victor H. Lindsey of 72nd District Court informed the attorneys for the various participants that he had read the briefs and in his opinion, before the case was tried, the title of the 2,056 head of lambs still remained with Frizzell. The conference followed in which the settlement was agreed upon.

In the agreement Frizzell will receive \$38,170.83 in cash, and L. E. Lincoln, who issued the check, had agreed to make a note to Frizzell for the remainder of the total amount plus some \$2400 in interest on the money for the past year. Thus Lincoln's note will be approximately \$6,000. Frizzell has agreed not to press criminal charges against Lincoln if Lincoln pays the note as agreed.

In spite of receiving full restitution for the "hot" check plus interest on the money, Frizzell still stands to lose approximately \$10,000 which he has paid out in attorney's fees. The law provides no recourse in a suit such as this to recover attorney's fees, it was said. However the defendants in the case agreed to pay all court costs.

Some \$26,000 of the money paid for the sheep by various firms and individuals was tied up by the court and has been in escrow for the past year. The difference between this amount and the cash received by Frizzell was paid by the various defendants in the case which included Lincoln, the L&H Sheep Co., Odell C. Herman, Mrs. Edna L. Lincoln, Armour & Company, Andy Taylor Trucking Co., Mrs. Mary Daggett, the Lubbock National Bank.

In the agreement, however, others will receive some money out of the affair. The Hockley County Fair Association will receive \$250, because Lincoln also bought sheep at the fair which were involved in the sale; Andy Taylor will receive \$550 for a feed bill, and the Panhandle South Plains Fair Association will receive \$300, also for some lambs bought by Lincoln.

A summary judgment asked by Frizzell against Odell C. Herman, a partner in the sheep firm, was granted last Friday but the settlement on Monday superceded the judgment, it was said.

Cross actions were filed by the Panhandle South Plains Fair Association against Lincoln, Herman and Frizzell. Eleven law firms were engaged in the various suits involving the affair.

Expect Word Soon On More Soil Bank Money For Cotton

Tom Hutchins, Floyd County ASC office manager, said Wednesday that his office expected word soon on whether or not Floyd County would receive additional money for placing cotton acreage in the soil bank. A bill allocating an additional \$250 million for the soil bank has passed both House and Senate.

Mr. Hutchins said that Floyd County's original allotment of \$268,000 was used up long ago and additional applications totaling \$400,000 are on hand in his office. These, of course, cannot be processed unless more money is forthcoming.

Reversing last year's trend, 90 per cent of the cotton acreage in the soil bank this year comes from the irrigated section of the country, much of it around Lockney, Mr. Hutchins said. Last year most of it came from the dry land area. He explained this by the excellent moisture conditions in the dry land and the fact that many irrigation farmers had very bad luck with their cotton crop last year.

The original allotment of \$268,000 brought around 4500 acres into the soil bank, he said, and estimated that if the additional \$400,000 in applications were allowed it would bring at least another 6000 acres into the soil bank. The rate of pay for cotton acreage in the soil bank in Floyd County ranges from \$21 to \$74 per acre with irrigated acreage bringing the higher amounts. The ASC office has also signed

Vegetable Men Discuss Cannery Contracts Tues.

A group of Floyd County vegetable growers and other interested persons met with Leroy Deardorff of Deardorff & Co., vegetable brokers of Lubbock, Tuesday evening to discuss a plan for securing some cannery contracts. The meeting was held in the private dining room at Golden's Cafe.

Also present for the meeting was Joe Cole of Lubbock, a vegetable marketing specialist with the Extension Service.

Deardorff, in speaking to the group, emphasized that this area is new in the vegetable growing business and therefore must establish a "performance record" before canneries, frozen food firms and the like will come into the area. His plan was to secure grower contracts with canneries and frozen food plants located in the Arkansas River valley around Fort Smith, Ark. He told the men that he had visited the area recently and felt sure that he could secure contracts for local growers if they were interested.

Under the contracts, the grower is given a guaranteed price for a certain quality vegetable, Mr. Deardorff said, but the grower must harvest it and deliver to the cannery.

He said that the only way the vegetable business could be established in this area is through "cooperation and hard work," and stated that he was ready to do his part if local growers were ready to do theirs. He commented on the progressiveness and the tremendous potential of the area.

Deardorff said that he was not interested in pushing the growers to grow for the fresh market since that was a gamble any year, but that growing for canneries and frozen food plants is the safer way to get into the vegetable business. He did say his firm would agree to try to sell anything grown here on the fresh market, charging five per cent commission.

He continually emphasized that the quality of the vegetable was of prime importance and urged farmers to hold their acreage to a quantity they could work well.

Deardorff asked for a fee of \$10,000 for his services in securing contracts for local growers but reduced his request to a lesser amount after some discussion with the growers. The group took the matter under advisement and will reach a decision at a later date. The Beacon was told.

Attending the meeting, in addition to Deardorff and Cole, were Elmer Thornton, J. B. Seale, Ted and Hershel Carthel, Hugh Marble, Dick Whiteley, Claude Brown, Ray Sissney, R. C. Kellison, Burl Holt, Dick Whiteley, Bruce and Bill Whitlock, Gene Belt, Howard Cooper, Fred Byrd, Chester Carthel, J. R. Belt, Gene Gilley and Edgar R. Hays.

Baby Dianne Brewer Feted As 900 Baby

Feted Miss Dianne Brewer, baby girl born to Mr. and Mrs. Dowell. Brewer of Lockney Tuesday night at 9 o'clock in Lockney General Hospital has been named KFLD 900 Baby.

The little miss received this honor by arriving on the hour of 9:00 o'clock, requirement set forth by Radio Station KFLD, Floydada, who sponsored the event which brought numerous gifts to the lucky child from businesses in Lockney as well as Floydada.

Dianne is the first child for the Brewers and tipped the scales at 6 lbs., 3 ozs. Grandparents are Mrs. Lena Colvin, Lockney, and Mr. and Mrs. Posey Brewer of Sunset. Mr. Brewer is employed with Bell Telephone Company here.

Morris Meriwether Graduates At NTC

San Diego, Calif. (FHTNC) — Morris G. Meriwether, son of Mr. and Mrs. Raymond Meriwether of Lockney, graduated from recruit training March 7 at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

Record Crowd Expected At Annual C-C Banquet

RAYMOND RHODES

Rhodes Market Celebrating 6th Anniversary Here

The Rhodes Super Market is celebrating its sixth anniversary in Lockney this week with a gigantic food sale and also giving away many valuable prizes. Complete details concerning the event will be found elsewhere in this issue of The Beacon.

Raymond Rhodes established the market here in 1952 in another location but outgrew that building and three years ago moved into his own building, a spacious, modern store on North Main. The business has continued to grow each year until now Rhodes Super Market is one of the largest stores in the area.

Saturday at 1 p. m. is the time set for the giving away of a number of prizes and people of the area are invited to come in and register for the prizes any time. There is no obligation to purchase merchandise when you register.

To be given away Saturday are \$500 worth of S&H Green Stamps, two Presto Cookers, a Presto Electric Skillet, Presto 5-Quart Dutch Oven, Presto 9-inch Fry Pan, Presto Stainless Steel Cooker, 5-Piece set of Buckeye Aluminum, a West Bend Bean Pot, and a Dorneyer Mix Maid Food Mixer.

In addition gifts for the kiddies as well as adults will be distributed, and Snow Cones will be given away at the Rhodes Dixie Dog next door to the store. The Cloverlake Merry-Go-Round will be at the store all day Saturday offering free rides for the kiddies.

Personnel of the store in addition to Mr. and Mrs. Raymond Rhodes are Raymond Parker, Mr. and Mrs. Clyde Wood, Odie Smith, the butcher, Desmond Ryan, Jim Ryan, Beth McLaughlin, Mrs. Bill Watson and Aubrey Green.

Mitchell's Barrows Win At Lubbock

Three Chester White barrows belonging to David Mitchell, Floyd County 4-H Club boy, won first places in the South Plains Junior Fat Stock Show at Lubbock the first of this week.

David's barrows won first places in each of the three Chester White classes, light, medium and heavy, and the medium weight barrow was named champion of the Chester White division. A Hampshire was named grand champion of the show.

The champion Chester White was sold for 45 cents per pound to the Citizens National Bank of Lubbock in the auction Wednesday.

Mike Shurbet of Allmon, in Southwestern Floyd County, showed the reserve grand champion calf in the show. It was an Angus which he also showed in the Floyd County show last week.

Warren Mitchell, another Floyd County boy, showed a Chester White which won fourth place in the medium class and his brother, Neil, showed two Poland China barrows which won fourth and sixth places in their classes.

David also showed two lambs but neither placed in the show.

New Yorkers Are Returning Home This Week End

Mr. and Mrs. Jimmy Fletcher, New Yorkers who have been vacationing on High Plains of Texas, will be returning home this week end. They have spent two weeks in this area visiting his sister, Mrs. Jack Frizzell of the Lone Star community, north of Lockney, and his father, J. C. Fletcher of Petersburg.

Fletcher is an executive with the Midnight Sun Broadcasting Co., of New York City and has been in the big city for eight years. He was reared in Floyd and Hale Counties and attended the Lockney schools one term though he later graduated from Plainview High School.

Mrs. Fletcher is a native of Detroit, Mich., but she too, likes the High Plains country. Lockney and Plainview received some nationwide publicity recently as a result of the Fletchers visit to the Plains. The visit was mentioned on Dave Garroway's NBC television broadcast, "Today," the comment mentioning Lockney, Plainview and the Frizzells.

Fletcher was helpful to the five local women who recently toured New York and Washington in securing for them tickets to various New York shows, Mrs. Bernice Miller reports.

Fire Dept. Gets Receiving Set For Storm Warnings

The Lockney Volunteer Fire Department has purchased a short wave radio set on which they will receive storm warnings, Fire Chief Audie Barnett said Wednesday. The set, the antenna and other accessories will cost the department around \$100.

The receiving set will be installed at the fire station and a member of the department will be on hand to operate it when the weather is threatening, Chief Barnett said.

Band Parents Will Sponsor Easter Parade April 4

An event that promises to be a great hit is an Easter Parade being planned by Longhorn Band Parents Club. The affair will take place on Friday, April 4, before Easter Sunday, April 6.

All school students and preschool children are urged to make plans to be in the parade, according to Mrs. Geo. Webster Jr., chairman of the committee. The children will parade in their Easter attire and be accompanied by a narrator. The parade will be punctuated with musical numbers.

Those who wish to take part are requested to contact one of the following women as soon as possible: Mmes. Geo. Webster Jr., Edgar Hays, Lester Carter, G. A. McClelland or Bob Miller.

Proceeds from the show will go toward the band suit fund.

Revival Begins Next Wednesday At Aiken Church

A five-day revival meeting will begin next Wednesday, March 26, at the Aiken Baptist Church. The meeting will continue through Sunday, March 30, with services each evening at 7:30.

The evangelist for the revival will be Rev. Clyde Spann, pastor of the Calvary Baptist Church at Floydada. Connie O'Brien will lead the singing.

The public is cordially invited to attend each service, according to Rev. E. O. Adams, pastor of the church.

Hale-Aiken Group To Meet Tonight

The Floyd County Hale-Aiken Committee will meet tonight (Thursday) at 8 p.m. in the county court room at Floydada, according to Chairman H. H. Nicholas.

All members of the committee are urged to attend.

New Yorkers Are Returning Home This Week End

EDITORIAL

God's free gift is the Life of the Ages, bestowed upon us in Christ Jesus our Lord. — Acts 6:23

THE EXPERTS say that the constant freezing and thawing, the abundance of moisture and the cold weather of this winter is putting the ground into excellent shape for farming and that farmers should be able to make a "cheap" crop this year. However the same kind of weather is playing havoc with a lot of paving around the country. The City Fathers as well as a lot of individuals will have some repair work to do on paving when and if it clears and dries up. Especially it seems the asphalt paving is suffering. Holes are appearing where they never appeared before and city streets now have many bad places in them, particularly at inter-

—oO—

THE FEDERAL GOVERNMENT does its best to be helpful to its citizens in many ways and one of these ways is the issuance of innumerable pamphlets on various subjects. Of course some of these pamphlets are useful and some perhaps are of little value. Recently we read of one that contained perhaps the most profound statement that has come out of Washington in many years. The pamphlet had to do with "Tools for Food Preparation and Dishwashing" and the profound statement was this, "Dishpans should be large enough to hold the dishes but not too large for the sink."

—oO—

SOME COMFORT can be had from a statement by an "old timer" around Lockney that "I've never seen a winter when we had too much rain." We presume that his statement meant to include snow and other forms of moisture. And he is certainly right in that we haven't had too much rain or snow thus far though some of you eager beaver farmers would probably like to get the stalks cut before you start putting seed into the ground. But the point we're trying to make is that it is about time for the moisture business to let up if the ground is wet as deep as some people say. Most people like to plant cotton around May 1 and that isn't far off.

—oO—

"WORKING TOGETHER to build a Community" is the slogan of the Lockney Chamber of Commerce and the annual banquet Friday evening of this week will be a milestone in the life of the local organization. A good program has been prepared, good food will be served and an excellent time is anticipated. It is the highlight of the year from the Chamber's standpoint.

—oO—

CONGRATULATIONS to all the Lockney area boys who made such a fine showing in the Floyd County Junior Livestock Show last week. The quality was excellent, the experts say, and the boys who worked hard are due a lot of credit. It was one of the best shows in many years and the sale prices were better than any in history, they tell us. Lockney business men who bid the animals in at such good prices are also due a vote of thanks from the boys.

—oO—

BETWEEN 1932 and 1956 the federal government's tax collection increased from less than \$2 billion to more than 72 billion. At the same time, Citizens Public Expenditure Survey, Inc., points out, the government extended the application of its taxes to almost every kind of tax resource, the only major exceptions being the property tax and general sales tax.

—oO—

A HOUSE SUBCOMMITTEE has totaled up more than 100 commercial activities in which government-owned or operated business competes with private business.

Reduce Delinquency

XI STRIKING A BALANCE

(A distinguished Texas judge offers pointers on combating our rapidly increasing juvenile delinquency problem.)

By JUDGE SARAH T. HUGHES

JUDGE HUGHES

Teen-agers want independence in making decisions about clothes, their spending money, their choice of friends, and yet they want to maintain the security of home and happy family relationships.

"It takes a lot of patience and understanding to cope with us, I know," one girl said. "Most parents don't want to try to do this. They give us lectures instead."

Independence Vs. Firm Guidance

Parental responsibility is to maintain a balance of giving boys and girls a certain latitude to try out and gain further independence, at the same time providing firm guidance when it is so often needed.

Despite the desire of youngsters to have greater opportunity for making decisions, 90% in a poll said they thought families should get together and discuss each other's problems.

Not Before They Can Swim

Our job is to teach them to swim on their own, certainly—but not to throw them into the very deep water of our complex modern life before they have learned well. We must BE THERE and feel our way on when to give the helping hand.

In my long experience trying juvenile cases I have found that in cases of delinquency the mother and father are usually missing—wholly or partially—from the life of the child. Good relationships, love, and understanding are basic in the child's development.

With Our EXCHANGES

TOO MUCH SUCCESS

Commenting on the growing antipathy to Texas which seems to have developed in many States, the Dallas News lists three reasons why so many apparently are looking down their noses at the Lone Star State.

"Texas is a have-State," says the Dallas paper. "Texans have too much money, which means that Texans have been taking the money away from somebody else—from poor, but honest Michiganders, Rhode Islanders and Flatbushmen from Brooklyn."

"In the second place, Texas worked some sort of shenanigan on Providence so that Texas has more oil underground and offshore than any other State. That in itself establishes the wickedness of Texas, Texas oil and Texas oil men."

"In the third place, Texas has the Speaker of the House, the Senate Majority Leader, the Secretary of the Treasurer and the President of the United States, besides a military school that turns out more Army officers than West Point ever has. So—down with Texas. That seems to be the idea. It is a prevalent idea now."

In other words, Texas is suffering from a surfeit of success. Maybe it should plead poverty for a while to get back in the good graces of its less affluent critics. — Lubbock Avalanche.

DIDN'T HAVE TIME

I got up early one morning and rushed right into the day. I had so much to accomplish That I didn't have time to pray.

Problems just came tumbling about. And heavier came each task.

Why doesn't God help me, I wonder. He answered, You didn't ask."

I wanted to see joy and beauty But the day tolled on, grey and bleak.

I wonder why God didn't show me. He said, "But you didn't seek."

I tried to come into God's presence; I used all my keys to the lock.

God gently and lovingly chided, "My child, you didn't knock."

I woke up early this morning And paused before entering the day.

I had so much to accomplish That I had to take time to pray.

— P. J. in Lynn County (Tahoka) News.

PROCRASTINATION

Procrastination has always ridden behind my saddle with hands ever willing to draw back on the reins. Time has taught me a system, however, that is partially efficient. While avoiding a direct attack on the work that should receive my immediate attention, I have been able to accomplish many lesser things. Eventually the important work becomes lesser and receives attention while new work of importance is avoided. — Douglas Meador in Matador Tribune.

IT'S AN ART

The following was brought by New Home's character, Joe D. Unfred, who has served on his school board, and is speaking from experience rather than as a critical bystander:

Being on the school board or City Council, etc.

Is the art of looking for trouble.

Finding it everywhere. Diagnosing it wrongly and then applying unsuitable remedies. — P. J. in Lynn County (Tahoka) News.

SALES TOTAL \$24,296.50

total sales from the Floyd County Junior Fat Stock Show week at Floydada were \$24,296.50, according to figures released Tuesday by O. M. Watson, Floydada Chamber of Commerce manager. This is believed to be a record for the county show sales. The total number in the sales amounted to approximately \$10,000.00.

Mr. Watson said that a total of 35 animals were sold through the auction ring, including steers, 66 swine and 63 sheep. These brought a total of \$46,333. Sifted animals were sold for \$3,430.17 and an extra \$10 premium brought the sales to \$24,296.50.

Following is a list of the winners in each division, the name of the exhibitor, his organization, the sale price if through the auction ring, the buyer:

HEAVY MILK FIED STEERS — 1. (Reserve Grand Champion) Mike Shurbet, 4-H, Coop Grain and First State Bank, Petersburg, 59c; 2. James McNeill, 4-H, Poole Grain, 46c; 3. HOME FROM HOSPITAL
Mrs. L. A. Blair was able to return to her home Monday from Plainview where she underwent surgery. She spent two weeks with her daughter, Mrs. Wendell Green in Plainview after leaving the hospital. She will remain in bed for some time but is happy to be at home. Her sister, Mrs. B. A. Bryant of Long Beach, Calif., is here with her. Rev. Blair became ill Friday and was taken to Lockney General Hospital. His sister, Mrs. K. C. Lee of Clovis, New Mexico, is here to visit until he is better.

TO CALIFORNIA

Mr. and Mrs. Alex Deavenport of Boulder, Colo., are here this week visiting her mother, Mrs. Alice Baker and other relatives.

Texas has averaged 14 tornadoes a year since 1916. One out of every 10 tornadoes in the U. S. hits Texas.

It's Easter Parade Time!

SWEDISH EXCHANGE STUDENT TALKS TO LOCKNEY ROTARIANS

Miss Margareta Sundstrom, a Swedish exchange student, spoke at the Lockney Rotary Club last Friday noon, telling Rotarians many things concerning her home country. She is a student in Ralls High School.

Miss Sundstrom was brought to this country by the American Field Service of the International Exchange Program. She is sponsored here by the Future Home Makers of America chapter of Ralls High School, which organization raised more than \$600 to pay a part of her expenses. The 16-year-old Swedish girl is spending one year in America, coming to this country in August of 1957. Her home is in Huson, Sweden, and her father is a physician.

Miss Sundstrom first told the Rotarians of her family and home town. Huson is located on the east coast of Sweden, about the central part and in a lumber area. She described her two younger sisters and one 7-year-old brother, describing the latter as being "cute at times but sometimes I wish I didn't have him."

Although she has more than 20 "solid subjects" to her credit thus far she is classified as a freshman in high school in Sweden and must complete three more years of school before graduating from high school. However, she said that high school there was equivalent to the latter two years of high school and junior college in America.

Miss Sundstrom showed the

Rotarians a chart listing subjects taught in her school and the amount of time spent on each. Students in Sweden spend six days each week at school but the time varies from six to eight hours per day. She pointed out that they do not go to school the same time each day. She also said that her school did not have as many extracurricular activities as in America.

The Swedish girl said that we had no winters in this country compared to winters in her homeland. Snow remains on the ground there most all winter and the temperature gets "rather cold" but still it is warm enough in the summer for swimming. She described the various sports in Sweden, listing skiing, skating and ice hockey as major winter sports.

She said that her country had several different religious denominations, listing several that are well known in this country.

In speaking of transportation, she said that most families in her country owned a car but that very few owned more than one. People of Sweden use more bicycles, busses and trains for transportation than in this area, she said.

She told of the various political parties in Sweden, saying that the Socialist Democrats were the most powerful. She said that the Communist Party in Sweden was very small and powerless.

She told of an election in her country to decide which side of

The road motor vehicles were to be driven upon, since there was a controversy over the matter. After a hot election, the majority voted to continue with driving on the left side of the road. In response to questions she said that she was impressed by the friendliness of Texas people and she certainly liked this country. She was also impressed by the "flat" country in West Texas.

Miss Sundstrom gained the appointment to come to this country by taking an examination and securing a number of recommendations. She is making her home with Mr. and Mrs. Tommy Lyle of Ralls. She will leave in June to return to Sweden.

She was accompanied to Lockney by Supt. John Morris of Ralls School System and Miss Judy Smith, president of the Ralls High School F. R. A. chapter.

Sterley News

By Mrs. Virgil Adams

Sterley Community had a round six inches of snow last week.

Sterley Home Demonstration Club will meet Thursday, March 20, at 2:30 in the home of Mrs. Bruce Whitlock. (If we don't have rain or snow again). The program is "Sewing Machine Clinic". Someone from Singer House at Plainview will demonstrate how to use the attachments. Anyone interested is invited to attend.

Mrs. Virgil Adams attended council at Floydada Saturday.

A. D. Schaffner went to Amarillo to the Veterans' Hospital Monday for a check up. Mrs. Schaffner and Elmo accompanied him but they returned home Monday afternoon. They didn't know how long Mr. Schaffner would have to stay. We hope he has good reports.

Mrs. Elmo Reeves, Mr. and Mrs. Charles W. and Dwayne left Monday night and returned Friday night. They spent one night with Mrs. G. W. Reeves of Stamford and visited Mrs. D. L. Wright, who is still in a Tenyle hospital after having surgery some time ago. She was reported doing as well as possible. They went to John Wealy Hospital at Galveston for Dwayne Wright's check up where he was reported improved more than expected.

Mrs. A. P. Sanders and Eulalia attended the singing at Lone Star Sunday.

Mrs. G. P. Nelson has been sick with the flu, but is feeling better now.

Mr. and Mrs. Amos Nelson and family spent Sunday night with Mr. and Mrs. G. P. Nelson.

Mrs. G. A. McAda has had the flu too.

Rev. and Mrs. Richard Brewster and Dorothy were supper guests in the A. P. Sanders home Tuesday night.

Callers Sunday afternoon in the Duard Reeves home were her parents, Mr. and Mrs. R. E. Hopper of Lorenzo; Mr. and Mrs. Roy Lyles and boys of Canyon; Mr. and Mrs. Glen Ramsey of Quitaque; Mr. and Mrs. James Taylor and boys of Lockney.

E. A. McLeod has the flu now and Mrs. E. A. McLeod is still sick as results of the flu which she had about three months ago.

Mr. and Mrs. Guy Sams went to Plainview Saturday to stay with their daughter Mrs. G. T. Meriwether who was sick.

Mrs. Elmo Schaffner is still in Midland with her mother. She is expected home sometime this week end. Elmo and the two little girls who are in school came home Saturday. Our greatest sympathy goes out to the Schaffner families.

Mr. and Mrs. M. A. Boone

spent the week end visiting Mr. and Mrs. M. L. Boone and Paulina of Childress.

Bryan Smith is to have surgery Tuesday, March 18, at the Lockney General Hospital. We wish him a speedy recovery.

Mrs. A. B. Blount and Opal of Plainview, Miss Mildred Thomas and Aunt Fannie Brown of Lockney visited in the B. A. Howell home Sunday.

HERE FOR FUNERAL

Mr. and Mrs. R. B. Marr and Kathy of Van Nuys, Calif., returned home last Tuesday after spending the week end here and in Hale Center. They were here to attend funeral services of Mrs. Marr's father, J. F. Graves, Plainview, which were held Monday. Interment was in Plainview Cemetery.

John Alden, husband of Priscilla Mullens, outlived all other male passengers of the Mayflower.

LETTERS TO THE EDITOR

Marysville, Calif. 1131 E. 19th St. March 13, 1958

Mr. Edgar Hays Lockney, Texas Dear Edgar,

How are you? We moved here the last of January and it has rained here much of the time since. Three of my brothers have been by to see us since we moved to Marysville. We bought a three bed room house, carpet floor, nice back yard, etc., a dream house for us! We just got our hide-a-bed divan, so we are ready for company! The house is eighteen months old, 1378 sq. ft. and in the new addition of northeast Marysville.

We haven't gotten started in our Mission yet but will by summer, probably just after V. B. S. Our sponsoring church will be our Southern Baptist Church in Yuba City, just across the river from Marysville. It is a very unique Baptist Church and we are glad they will be our mother church. Their average Sunday School attendance last month was 157. The forward program of church finance was completed last month and 121 signed cards to tithe and 61 signed cards pledging so much and the budget of \$336.00 each week has been easily reached the last three Sundays. They have five weeks orientation course for all new converts as well as new members which gets them acquainted with the church program and church responsibility.

Our children are surely growing. I am sure Bill is. I wrote you last month and I sent it and another card by Charlotte to mail and when she got back she said one of the cards was missing when she got to the mail box, so I guess that must have been the one for you. Enclosed is a check for The Beacon for a year. We enjoy The Beacon so much as it keeps us up to date with the church and people who have meant so much to our lives.

Sincerely, Raymond Spence

An estimated 362 million acre feet of water falls on Texas in an average year.

L. B. Cosby Rites Held In Floydada

Floydada — Funeral services for L. B. Cosby, 65, retired Floyd County farmer, were conducted at 3 p.m. Saturday at the First Baptist Church here.

The Rev. Ed Boles, pastor, officiated and was assisted by the Rev. Albert Hinkly, Plainview. Burial was in Floydada Cemetery under the direction of Harmco Funeral Home.

Cosby died at his home here

at 8:45 a.m. Friday. He had been a resident of Floydada for 40 years.

Survivors include Stella, a son, L. B. Cosby, Jr., of Floydada; four daughters, Reeves, Plainview; Perry and Mrs. Elmer Branson, Lubbock; Mrs. Alice Blair, grandchild.

THE LOCKNEY BEACON

How to Keep a Free Press FREE

SELDOM does Freedom of the Press disappear in one annihilating blow.

In countries where the Press has been chained, there was first a period when it failed to realize and resist the beginnings of its end — the first encroachments on its freedom. There were powerful interests which wanted certain facts "kept out of the newspapers." There was pressure here and pressure there to have the truth withheld.

Before the Press of any nation succumbs to tyranny, there always has been a period of failure to speak out.

Here in America there is only the limitation of national security — the necessity to protect and preserve confidential military and scientific information — which can be accepted by a Press that is determined to stay free. America's newspapers have made, and will continue to make, a conscientious effort to protect that security — at the same time keeping the people informed as fully as possible on all matters concerning their welfare. As long as American newspapers pursue this policy fearlessly, our Press, our people and our country shall remain free of tyranny.

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

Austin, Texas. — Two super-charged issues — taxation and recession — like two strands of high-voltage electric fence, seem to be twined through every area of Texas government.
Recession, though considered old and temporary, is here now. New taxation, in the light of official estimates, will be practically unavoidable next year.
Even though the recession is labeled "minor" and new states see the inevitable result of positive growth, having both comes up at the same time makes each seem worse. In tax talk, never popular, even less so with people shivering the chill wind of a cut income.
Barring an unexpectedly lift upturn in the economy, twin issues will break through the middle of next year's political campaigns. It will be particularly rough campaigning for those who have to get on one side or the other of the taxation fence.
Some legislative candidates are already being asked, "If there has to be a new tax, what kind will you vote for?" Some say they haven't decided what they'd vote for, but will say what they'd vote against. Others say they're making no decision until after the State Tax Study Commission completes its reports.
LOWER, BUT GROWING — Latest report by the Tax Study Commission shows some of the possible directions in which Texas may have to move to get additional tax money.
It notes that: Besides Texas only two other states are without either a general sales tax, personal income tax or corporate income tax.
Texans in 1956 paid lower state and local taxes than the average for other states—\$129.50 per capita for Texas compared with \$157.50 per capita national average.

Rate of tax increase for Texas has been much faster than U. S. average. Texas rate of increase from 1953-56 was 23.4 per cent; national average, 19.4 per cent.
Commission's next report will deal with future spending needs, says Sen. William S. Fly, chairman.
UNEMPLOYMENT UP AGAIN — Texas Employment Commission reports claims for unemployment compensation at a new high.
There had been a slight drop for the previous week. But latest weekly tabulations showed TEC paid out \$1,435,448, compared to \$696,464 for the same week a year ago. Number of persons filing claims was 82,576, almost double the 42,705 who filed a year ago.
Even so, most recent nationwide figures show Texas to be a highly favored area. Labor Department's Bureau of Employment Security says that Texas has the lowest rate of unemployment of insured workers of any state in the nation — 3.6 per cent compared to 7.9 per cent nationally.
ON PLUS SIDE — Other business barometers tend to bolster the view that Texas' economy is weathering the squally weather well.
First 1958 reports from the Bureau of Business Research on overall business activity showed the January index up eight per cent from December, one per cent from January, 1957.
Texas Banking Commission's spring call for condition of Texas banks brought reports of hefty increases in money on deposit. Some cities showed drops in bank deposits, but in general they were up with some cities setting records or near records.
BBR's report notes that "although evidence of recession is plain, the strength of the state's economy is shown by its stubborn resistance to further decline."
A small increase in building activity in early 1958 may be the forerunner of a general revival of the home building industry this year, says BBR.
On the state's No. 1 economic headache — sagging oil production — a BBR spokesman says competition of cheap foreign oil could "flatten out" Texas' growth curve. Suggested antidote: bring in other industries with strong growth potential to "fill in the gap."
GOVERNOR TO BATTLE IMPORTS — Gov. Price Daniel has asked Washington to reduce oil imports.
He has presented evidence gathered by the state oil imports study commission on how Texas economy is hurt by cutbacks in oil production. Governors of other oil-producing states have joined him in asking that imports be limited to the 1954 level.
Though many economists predict that the problem of foreign oil is here to stay, Texas officials hope to gain at least enough relief to get the stymied domestic industry going again.

HAPPY BIRTHDAY

Young hostess wears party dress designed by Joseph Love in Avondale's combat Perma-Pressed cotton. Dress also can be made with a McCall's pattern.

Billy Chandler On Duty in Europe

U. S. Forces, Germany (AHTNC) — Army PFC Billy L. Chandler, whose wife, Janey, and parents, Mr. and Mrs. Denver M. Chandler, live in Lockney, recently participated in a field training exercise with the 8th Infantry Division in Germany.
Chandler, assigned to Battery B of the division's 28th Artillery, entered the Army last

Like a Housewife Hates Dust on the Furniture

Phillips 66 Dealers take a lot of pride in being good housekeepers. They have a housewife's hatred of untidiness. They keep their stations clean, including those all-important rest rooms.
They'll go all out to keep your car clean, too. "Whiskbrooming" the interior of your car is one of those extra little services your Phillips 66 Dealer is glad to perform. And he'll clean the windows for you... all the way around.
This obsession with cleanliness is part and parcel of our policy of "Hospitality on the Highway." You benefit from it at any station which displays the famous orange and black Phillips 66 Shield.

JUVENILE IMMUNITY CITED — A proposal to allow criminal court trials of teen-agers who commit serious crimes may come before the next Legislature.
Dr. James A. Turman, director of the Texas Youth Council, suggested a study in this area at the joint Austin meetings of the Attorney General's Law Enforcement Conference and Texas Law Enforcement Foundation.
Turman said he felt that in some cases "chronic and serious" juvenile offenders were being over-protected by the law at the expense of society. Under present law boys under 17 and girls under 18 cannot be tried in criminal court. One "serious offender," related Turman, told officers, "You can't

GOVERNOR DANIEL DESIGNATED MARCH AS NEPHROSIS MONTH and urged Texans to give financial support to research studies to determine the causes and seek cures for diseases of the kidney.
ANTI-ACCIDENT STUDY — A brand new commission is at work to find ways to prevent needless deaths of industrial workers.
It is the Industrial and Occupational Safety Commission set up by the last Legislature. Former Civil Appeals Judge Mallory B. Blair of Austin is chairman.
Governor Daniel told members that Texas presently has 600 to 700 deaths yearly from industrial accidents. He said 98 per cent are considered preventable.

Plains Cotton Growers, Inc.

OCEAN TO OCEAN ACROSS SOUTH AMERICA—AND BACK—IN 41 HOURS!
CHEVY'S NEW V8 LEVELS THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.
So the run began — across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!

*Extra-cost option.

Joyce Pope Weds Bob Bartholomew

The Bynumville Union Church in Bynumville, Arkansas was the scene of the candle-light wedding ceremony of Miss Joyce Katherine Pope, daughter of Mr. and Mrs. R. L. Pope of Bynumville and Bob Bartholomew, son of Claud Bartholomew of Bynumville and Mrs. Thomas Rogers of Wellington, Kansas Sunday afternoon at two o'clock. The Pope family lived near Lockney prior to moving to Arkansas.

Rev. Ray Espey performed the double-ring service before an altar flanked by baskets of white stock and pom poms and candelabra holding white tapers.

Miss Leora Hepworth, pianist, played the wedding music and accompanied Miss Joan Ramsey who sang.

The bride, given in marriage by her father, wore a floor-length gown of white nylon net over taffeta. The fitted bodice was fashioned with scalloped lace forming the neckline which was flecked with iridescent sequins. The small cap sleeves were also of scalloped lace. The bouffant skirt was accented with scalloped lace and her mitts were of net and lace. Her veil fell from a headpiece of nylon net and lace accented with seed pearls. She carried a white Bible topped with red roses.

Mrs. Ernest Duncan of Kansas City, sister of the bride, was matron of honor. Miss Mildred Bartholomew, sister of the bridegroom, was bridesmaid. They were dressed identically in pink gowns and mitts. Both carried bouquets of white carnations.

Miss Carol Bartholomew, sister of the bridegroom and Miss Judy Sears, lighted the tapers. They were dressed in blue.

William Hulet was best man and Herschel Sears was groomsmen.

Ushers were Lee Wayne Pope, brother of the bride, and Donald Hinkle.

A reception was held following the ceremony. The bride is a graduate of New Cambria High School and until her marriage was employed at the Plaza Bank of Commerce in Kansas City. The bridegroom is a graduate of

WSCS Meets In Methodist Church

The W. S. C. S. of the Methodist Church concluded Bible study of the book of Mark Monday night by Mrs. Herman Huffman. Attendance was excellent despite the weather, according to Mrs. Lee Stanford, wife of the pastor.

Mrs. Joe Foster and Mrs. W. L. Thomas Sr., were elected delegates to the WSCS Conference at Hereford Tuesday to Thursday of this week. Others are expected to attend Wednesday.

"The Day Apart" will be observed by the WSCS Circle and Wesleyan Service Guild Monday evening at 7:15 in Fellowship Hall. Each woman is to bring a covered dish for lunch.

Dresden Painting Party Held Tuesday

Mrs. V. H. Kellison was hostess for a Dresden Painting Party in her home Tuesday beginning at 10 a.m. Guests were members of Aiken Friendship Club and Irick Jolly Stickers. Mrs. Lewis Juarez, Plainview, gave painting instructions.

At noon a pot luck dinner was served to Mrs. Martin Bradley, Dale Hunt, Lloyd Collins, Randall Collins, Frank Jameson, R. R. Kellison, Dowell Colson, Melvin Potts, Fred Duvall, Dutch Landfeldt, V. H. Kellison and Miss Anna Schacht.

O. E. S. Practice And Study Set Tuesday

Tuesday, March 25, is the date set for the local chapter of the Order of Eastern Star to meet for practice and study.

Officers are asked to meet at 1:30 p.m. in the lodge hall to practice for a memorial program. At 2 p.m. all members are urged to be present for a study session.

OFFICE SUPPLIES AT THE BEACON OFFICE.

Bynum High School and served three years in the Army, two of which were spent in Germany.

After a wedding trip to Florida the couple will reside at Fort Leonard Wood, where he has re-enlisted in the army.

SEW IT YOURSELF

White cotton bags, which once contained staple farm products, were used in this gown dress. The tiered skirt and open-necked blouse are trimmed with rows of metallic braid and rick rack.

Auxiliary To Honor American Legion On Birthday

The Women's Auxiliary will honor members of the American Legion with a dinner at the Legion Home Thursday at 7:30. The occasion marks the 39th birthday of the American Legion.

The local event is a part of a coast-to-coast chain of post celebrations. The American Legion has 17,000 posts, most of which are making elaborate plans for birthday celebrations.

Mrs. Jimmie Rhodes is president of the Legion Auxiliary and Jimmy Hodel is the local post commander.

WMS Circles Meet For Mission Study

The Lorene Gunter Circle of the Baptist Missionary Society met Monday afternoon at 3 o'clock for the completion of a mission study book Mrs. Chester Mitchell reviewed the book "The Long, Long Bridge." Attending were Mmes. Leslie Ferguson, Harmon Handley, E. Rodgers, V. H. Kellison, Thomas Marr and Mrs. Mitchell.

The Science Circle met Tuesday morning at the church for a mission study conducted by Mrs. W. H. Martin. A covered dish luncheon was served at noon to Mmes. C. E. Johnson, John A. Dunn, W. H. Martin, J. R. Richards, Lula Woodburn, Tom Word and F. M. Smith.

Tuesday night the Hughes Circle met in the home of Mrs. Claude Brown for a missionary program led by Mrs. Sid Thomas. At the close of the meeting Mrs. Brown served refreshments to Mmes. Walter Morrell, Howard Cooper, Sid Thomas, Edgard Hays, Marvin Cox, B. B. Vernon, C. D. McCandless, Raymond Watson and W. C. Mercer. Plans were made for an Associational BWC meeting to be held here Monday night, March 31. The Hughes Circle will be hostess for supper and a program which will feature a well-known former State Young People's Leader. All members of the WMS are urged to bring a salad and attend the meeting.

Refreshments were served to Mmes. A. P. Barker, N. E. Greer, Theo Griffith, Harmon Handley, L. M. Honea, Horton Howley, Carl McAdams, R. E. Patterson, Ewald Quebe, Frank Roberson, R. W. Smith and the hostess.

Shaw Home Is Scene Of Club Meet

Mrs. Kelton Shaw was hostess for a meeting of Lockney Garden Club Friday, March 7, at 3 p.m.

Roll call was answered with Suggestions for Club Project.

Mrs. Frank Roberson was leader for the program, "Day Lilies for Easy Up-Keep" was discussed by Mrs. E. E. Patterson and Mrs. A. P. Barker. R. E. Dutch Landfeldt, V. H. Kellison and Miss Anna Schacht.

Floyd HD Council Has Sat. Meeting

Floyd County Home Demonstration Council met Saturday, March 15, at 2:30 in the Council room with Mrs. J. T. Spears, Chairman presiding. Nine clubs were represented with 21 in attendance. Mrs. Arlon Miller was re-elected THDA chairman. Presidents and chairmen from each club gave reports including one from Mrs. Monroe Schultz who stated that bulletins on civil defense may be obtained at the library and that Mr. Glenn Amburn would be glad to speak on Civil Defense at club meetings.

Mrs. R. G. Dunlap was guest speaker. She gave an interesting report of her trip to Longhorn Recreation Laboratory at Glen Rose, Texas.

Mrs. James Backus of the Starkey Club made an exhibit on baking.

The next council meeting has been changed to April 12.

Officers present were Mrs. J. T. Spears, Chairman; Mrs. Johnnie Cates, Secretary - Treasurer; Mrs. E. G. Norrel, Vice Chairman; Mrs. Arlon Miller, THDA Chairman; Mrs. Sherwood Ramsey, County 4-H Adult Leader.

Members present were Mmes. Monroe Schultz, Glenn Poole, Harmony; W. W. Trapp, O. G. Mayfield, Homebuilders; Earl Edwards, Lakeview; Henry Bollman, Lockney; E. O. Barrett, W. D. Nance, Lone Star; Lynn Miller, R. L. Bullock, Sandhill; John Fowler, Starkey; Virgil Adams, Sterley.

Visitors included Mmes. James Backus, C. B. Carmack, James Jefferies, R. G. Dunlap.

Wesleyan Guild Schedules Study

Mrs. Henry Hodel will teach the second in a series of studies from the book of Mark to members of the Wesleyan Service Guild Thursday night. The meeting will begin at 7:15 at the Methodist Church.

Scriptures to be studied are Mark 3:7 to Mark 7:23, according to Mrs. Claud Hammond, Missionary Education Chairman.

Mr. and Mrs. Jay McPherson and girls, accompanied by Mrs. McPherson's mother, Mrs. Olive Myers, spent several days last week in Lubbock visiting the Jackie Myers family. They went Thursday night and the McPhersons returned home Saturday. Mrs. Myers came home Sunday.

CARD OF THANKS

I would like to say thanks a million to each one who remembered me on my birthday with cards and gifts. Friends are my greatest treasure and you have brought great joy to me. May God bless each of you is my prayer.

Mrs. M. P. Fulkerson

Carmen's Beauty Shop To Open Fri.

Mrs. Weldon Dodson will open a new beauty shop here next Friday in the former Griffith home, first house south of high school. The business will be known as "Carmen's Beauty Shop."

Mrs. Dodson will specialize in all good brands of permanents, hair tinting and bleaching, hair styling, shampoos, sets and manures.

She invites all women and girls to come by now and register for a \$25.00 permanent to be given away free of charge Saturday, March 29.

Carmen is a graduate of Isabel Beauty School, Lubbock, and is an experienced operator having worked in a number of shops here during the past few months.

Appreciation Dinner For Rodgers Mar. 31

A district-wide appreciation dinner and program for State Senator Andy Rodgers will be held March 31 at Tulia.

The announcement of the affair, which is for the entire citizenship of the 30th Senatorial District, was made by Joe Cowen, mayor of Dimmitt and a member of the State Democratic Executive Committee.

The dinner will be held at the Tulia High School cafeteria and the program will be held at the High School Auditorium. Dinner is set for 7:30 p.m., with the program following immediately.

Due to the seating capacity in the cafeteria, tickets to the dinner will be limited but there will be no limit to the number who may wish to hear the program.

John Stapleton, District Attorney who lives at Floydada, will be Master of Ceremonies and Jimmy Willson, Jr., mayor of Floydada, is in charge of arrangements and the program.

Rogers, who lives at Childress, has served the district for the past two and a half terms. The district is composed of 15 West Texas counties in the upper South Plains and Lower Panhandle area.

Error In Story On Bank Statement

The Beacon made an error in one figure in the story on the statement of condition of the First National Bank as published in last week's paper.

Net loans and discounts, after deduction of Commodity Credit loans, should have read \$1,353,367.78 at the close of business on March 4th this year. This compares with \$1,734,967.54 on March 14, 1957, and \$1,709,664.81 at the close of business December 31, 1957.

Red Cross Funds Are More Supportive

"We can succeed where others fail," said Alfred M. Gray, president of the American Red Cross. The job is to get more than a campaign. It is the Red Cross and it is up to us to get the job done throughout the year. Red Cross is just the support you need after two terrible months. The situation in Florida is a disaster. Funds available for the disaster are \$1,000,000 which depleted the Red Cross's resources. This year Florida has fallen short of the goal. Urged to make plans, in any case, to get the disaster relief fund at first National Bank and Trust Co. in Lockney, or by Mrs. Virgie Shaw, Treasurer, Florida Red Cross, Lockney, Texas. JOHN AND JOE

C. L. Kay Speaks To Students

C. L. Kay, dean of the Lubbock Christian College, was guest speaker at the program Monday at the subject was "America's Great Future." "Despite the fact that the first satellite was said Mr. Kay, "that America is in a nation in the world. The fact that the big country, big and and out look. In closing Mr. Kay said "We do a good citizenship or youth and training, except the challenge of a little over 20 enrolled in Lubbock College for the year. Next year the enrollment is expected to reach 400." An estimated 150 vicemen trained during World War II.

E. L. Burlison Makes Statement To The Voters

To the People of Precinct Two: Elmer L. Burlison is asking the people of precinct two to make him their next commissioner. I am making my campaign now, and expect to see each of you soon. I know you farmers will be busy as soon as the ground dries, and I won't bother talking to you, so I want to express myself now. You know the commissioners office belongs to you. I will be working for you and I will make you the best hand you ever hired if you risk me with that public trust. Ask your banker, lawyer, your merchant, any business man in your town, if Elmer L. Burlison is worthy of that public trust. Stop a moment and think what a public trust is. Think what an obligation I will have to fill with you. Just good enough won't do. It will take the best, and that is what you will get. I know the duties of the commissioner in the field, and I know what you people expect — service, and that is what you will get. I will not be obligated in any way, only to you. All my time will be given to your precinct. Take the weed control law. What has been done about it. Not a thing. A law that costs hundreds of dollars. We will put that law to work for you. Your problems will be my problems and your interest will be my interest, and I will cooperate with you and with your neighbor, and with the County Judge, and we will get the job done as never before. I will take care of your tax dollars. I will make them work for you and keep your county out of the red at the same time.

Now, if you people want a man that will give you service that you expect, and service economically, fair, honest, and impartial, and ability. Ability means one thing, and that is to grow with the job.

Vote for Elmer L. Burlison July 26th for your next county commissioner of Precinct Two and I will never let you down. Build your future right, for you will live in it the rest of your life.

Vote for Elmer L. Burlison for your next commissioner of Precinct Two.

Thank You, Elmer L. Burlison (Political Advertisement)

R. M. (Ole) Olsen Honored Mon. For 20 Years Service

Southwestern Bell Telephone Company honored R. M. (Ole) Olsen at a dinner Monday at noon in Golden's Cafe in Lockney. The occasion marked the completion of 20 years service for commination man, Olsen with the Bell Company.

Following the meal served in the private dining room of the cafe, H. R. Storch, Wire Chief, acted as master of ceremonies. The other men in attendance made complimentary talks. Mr. Olsen was presented a 20-year service medal attached to an attractive tie clasp. Four gold stars each represent five years of service. A bell centers the medal representing Bell Telephone Company with whom he began working in 1938 in Iowa. Olsen worked in Nebraska before moving to the Texas Panhandle in 1940. He helped set up telephone installations at air bases, camps and etc. during the war. For the past nine years he has lived in Lockney and he says he can truly say he has enjoyed living here better than any place he's ever been. During the 20 years Mr. Olsen has not suffered a single accident.

Attending and taking part in the presentation program were W. A. Bray, Dist. Plant Supt.; Glen Scott, Lecturer - Demonstrator of the State of Texas; Larry Pease, Division Transmission Inspector; J. C. Oakley, Manager; J. E. Blackshear, Chief Switchman; H. R. Storch, Wire Chief; C. R. King, Installer Repairman; Dowell Brewer, Installer Repairman, and the honoree.

I.O.O.F. Lodge Active In Securing Blood

Lockney I.O.O.F. Lodge No. 93 has been active in securing blood donors on many occasions during the past few months.

The lodge has a list of available blood donors which they call "Walking Blood Bank" and have been responsible for securing donations of more than 100 pints of blood in less than a year's time, according to Gene Hammit, District Deputy Grand Master.

Many citizens who have freely given blood are not members of the lodge but respond readily when they learn of a need. Connie Reed has handled many of the arrangements for securing blood and he joins Mr. Hammit in behalf of the I.O.O.F. Lodge in thanking publicly all those who have contributed to this public service.

Names of all donors are not available but recent gifts have been from Raymond Watson, O. E. Durham, Bill Dubois and Joe Brown who responded to the need of Mrs. E. W. Newkirk last week. Among those giving blood for Tom Rankin recently were Warren Graham, Richard Patterson and Gene Hammit, Raymond Rucker, Willis Hayes, Frank Hardy and Carl Turner were donors for Mrs. A. H. Turner.

Mrs. A. Brown In Hospital

Mrs. Arthur Brown was taken to Lockney General Hospital Wednesday after becoming suddenly ill with a severe headache about 8:30 a. m. Tests are being made to determine the cause of her illness.

Mr. Brown said his wife was feeling all right when he left for work but she later called Oliver Jewelry and told Mrs. Ted Oliver she would be a little late to work. Before hanging up the receiver, Mrs. Oliver heard Mrs. Brown scream and she notified Mr. Brown at his service station. He found his wife lying on the floor, conscious, but unable to get to the divan. She complained of an unbearable headache. She was resting well at the hospital Wednesday afternoon.

FROM THE County Agent's Office

By Cecil Lewis and Harold W. Ellison

David Mitchell, 4-H Club Boy of Lockney, showed the first place barrow in the light, medium and heavy weight classes of the Chester White Division. David's medium weight Chester White barrow was chosen Champion Chester White. Breeder of the barrows was R. C. Mitchell, Lockney.

Warren Mitchell, FFA, exhibited the 3rd place barrow in the medium weight Chester White Division. Neil Mitchell won 10th place in the light weight and 6th place in the medium weight Poland China Division. Warren and Neil are the sons of Mr. and Mrs. Chester Mitchell of Lockney.

Floyd County entered barrows in the Lubbock Show and received placings for all.

Winter Testing Hybrid Grain Sorghums in Mexico:

Winter Testing of hybrid Grain Sorghum seed in Mexico is one method used to find out exactly what to expect from seed planted on Texas soil.

Some 450 samples of seed were planted near Tampico, Mexico, for testing during the past year. Each sample consisted of enough seed to plant a one-eighth acre plot. The Fountain Seed Section of Agronomy Department of A&M College of Texas supervised the planting and the cost of conducting the tests was paid by the seed producers.

"Most lots of seed were considerably improved over those of the past year. However, several lots still had many tall off type plants," reports Dr. Lee Coffey, Extension Agronomist in charge of the winter testing program.

Farmers should insist that their seedmen purchase seed of sorghums which have been winter tested seed from a reliable seed producer should have a good product for sale to his customers.

WASHDAY RULE-OF-THUMB

Home economists say never twist or wring wash and wear fabrics because such action sets wrinkles. Instead, hang them dripping wet so that the weight of the water will help to pull the fabric straight. Fingerpress seams, collars, and trimming while still damp.

Press-Wheel Use Gives Better Stand

College Station — You can save yourself one complete trip over the field at cotton-planting time by following advice of researchers of the Texas A. & M. College System.

Lambert Wilkes, who specializes in mechanization problems in the Department of Agricultural Engineering, says a rubber flap surface press - wheel used on the planter, in conjunction with a modified planting shoe, gave significantly higher numbers of plants in test areas during the past two or three years.

Most farmers now make a separate operation of the pressing process because most packing wheels clog with mud and don't give good results when used on the planter, Wilkes says.

Although Wilkes and others in the department made a special wooden wheel for their tests, he says the standard steel wheel also should take the rubber - flap modification with good results.

The scientists used 15-inch flaps wide enough to fit the wheel, which they cut from an old tractor inner tube. These flaps are attached to the wheel for the first five inches, leaving 10 inches of the trailing end to overlap the next flap, and to fall freely to the ground ahead of the rolling wheel.

They modified the planter shoe by lengthening it, squeezing it down to about one-inch outside width at the seed-trough to give a more conventional V-shape to the seed-trough.

Use of these two modifications, both of which can be performed easily in the farm shop, gave nearly perfect stands in test areas of 100,000 plants per acre.

CALORIE CONTROL FOR DOUGHNUTS

To a certain extent you can reduce the number of calories in the doughnuts you make. How? By keeping a watchful eye on the temperature of the shortening you fry them in. If the temperature drops when the doughnuts are added and your range doesn't throttle up fast enough to get more heat into the oil, the doughnut cooks very slowly and soaks up fat. Each doughnut may well have twice as many calories as it should. When you want to fry in deep fat, turn the dial to 375 degrees. Doughnuts will cook fast without soaking up fat. You can use the same frying shortening again and again because the constant temperature eliminates absorption of odors and flavors.

Dear Editor:

I see where the country of Jordan found a little deficit in their budget here the other day and rushed to report same to Washington.

And their faith was well founded. Before you could say "April 15" there was a \$5 million check in the mail for them from our foreign vet nursing department.

My stressed neighbor says his business came out in the hole one year, too, but all Washington did for him was to send a sharp figurer down here to accuse him of not paying enough taxes on his deficit.

D. E. SCOTT Crossroads, U. S. A.

CROSSROADS REPORT

More than 4,706,017 acres of Texas land are under irrigation.

An acre foot of water is 325,851 gallons — the amount required to cover an acre to the depth of one foot.

Dr. Hewitt Named Correct Posture Week Chairman

Appointment of Dr. A. E. Hewitt of Lockney as city-county Correct Posture Week chairman of this area was announced today.

His appointment was made by Dr. J. C. Willmon of Level-land, regional chairman for this area.

He is one of several hundred chairmen who have been named to direct Posture Week activities, May 1-7, in nearly 300 Texas cities and towns.

This will make the seventh straight year that the Texas State Chiropractic Association has sponsored the observance of Posture Week in Texas.

The purpose of Correct Posture Week, the sponsors said, was to stress to the public the importance of good posture and good health and the relationship of the spine to good posture.

A survey recently completed shows that at least 75 per cent of the people have imperfect distribution of weight between the right and left sides, the regional chairman said.

Imperfect body balance is conducive to many nerve irritations and strains," he said. "For correct body balance the spinal column must be a straight line between the base of the skull and the pelvis, and true body balance must be preserved in order to avoid unnecessary nerve irritations."

Judge Joe Greenhill Visits Floyd County

Judge Joe Greenhill, an associate justice of the state Supreme Court, met with a number of Floyd County citizens in the county court room at Floydada last Friday afternoon. Judge Greenhill was appointed to the court last year for an unexpired term and is seeking reelection this year.

Marvin Shubert of Allmon told the group of Judge Greenhill's help for high plains farmers in the fight for control of underground water. He also spoke of the present suit seeking a depletion allowance for underground water, which was instigated by Judge Greenhill while in private practice.

Previous to being appointed to the court Judge Greenhill served as an assistant attorney general and is a veteran of World War II.

More than 225 different tree types, 600 species of grasses and 4,000 species of wild flowers grow in Texas.

Abernathy Girls Capture State AA Championship

Undefeated Antelopes Down Brewer 64-53 For AA Title

District 2-AA has a state champion! Abernathy Antelopes finished a perfect season last Saturday by copping a 64-53 win over Brewer of Fort Worth in the finals of the Class AA Division of the annual Girls' State Basketball Tournament.

The victory ran Abernathy's winning skein to 39 straight against no losses this season. The 2-AA Region I, and state champs were the only undefeated girls' unit in Texas. Abernathy's state championship was the first in the history of the school.

Brewer held the South Plains sextet to a 15-15 tie as time ran out in the first stanza, but the Antelopes built up a 31-24 lead at halftime. The Abernathy crew had upped their lead to 43-33 as play started in the final quarter.

Abernathy's fine trio forwards — Margie Guinn, Brenda Shipman, Jody Phillips — sank 11 of 19 shots in the first half and 13 of 24 in the second half, winding up with a good 55.8 per cent for the game. The defensive unit composed of Billie Vance Houston, Lera Johnson and Lenora Manley held the

Brewettes to 32.7 per cent. Miss Guinn led Abernathy scoring with 33 points. Miss Shipman added 19 for the winners and Miss Phillips pushed 12 points through the hoop.

In winning the championship, Abernathy kept the South Plains and Region I records intact. Since the tourney started back in 1951, Region teams have won state championships every year except 1955 with last year's squads capturing two of the titles.

Pete Wilson, Abernathy coach, will have three starters,

forward Margie Guinn and guards Billie Houston and Lenora Manley, returning on next year's sextet. Among the list of graduates is Jody Phillips who was described as the best dribbler in the state tourney and her playmaker role was a key factor in the Antelopes racking up the school's first state championship.

Lockney will be in the same district as Abernathy again next season. The Longhornettes were beaten by the classy Antelopes this year.

Jr. High Girls Win Basketball Honors

Cheryl Rucker was voted Most Valuable Player on the Jr. High girls' basketball team recently by members of the squad.

Jane Reynolds was winner of a free throw contest among the Jr. High girls. In a run-off with Janie Rhodes and Nancy Webster, she sank 12 of 30 tosses to claim the title.

A red and white game was held between members of the team at season's end. The game was won, 21-12, by the "A" team composed of Jo Readhimer, Paulette Kropp, Arlene Purcell, Coralus Sandlin, Cheryl Rucker, and Joy Morrison. Members of the losing team were Sue Gilbert, Janie Rhodes, Jane Reynolds, Juanel Potts, Sandy Smith, and Judy Thomas.

Misses Readhimer, Kropp, Purcell, Morrison, and Thomas will graduate into high school this spring. The other girls return to form next year's Jr. High team.

Mrs. Glenda Rhoten is coach of the team.

IN OKLAHOMA CITY
Mr. and Mrs. Owen Thornton left Sunday for Oklahoma City where Mrs. Thornton will go through an allergy clinic. Mr. and Mrs. Hestand Bennett of Decatur are here staying with the Thornton children.

Jerry Williams Sparkles at Seminole Meet

Longhorns Scheduled To Enter Three Track Meets This Week

A busy week is on tap for the Lockney Longhorn track team. Saturday the team will divide and enter both the Crosbyton Relays and Odessa meet. The Longhorns are scheduled to enter the North Texas Relays at Denton Tuesday.

Jerry Williams, mercury-heeled sprinter, is continuing his winning way this year. The little speedster took first place honors in his favorite race, the 100-yard dash, last Saturday in the Seminole Relays.

Williams set a new 100-yard dash record for the Seminole meet with a 9.9 performance. The old record was 10.1 timing set by Willis of Abernathy in 1955. Williams' best time was a sensational 9.7 at the Crosbyton Relays last spring.

The Longhorn team picked up nine points in the Seminole meet, their first of the year. Bill Musser, mile run specialist, finished third in that event and Nelson Wofford ran fourth in the 220-yard dash. Lockney's 440-yard relay team — Williams, Wofford, Cliff Hardy, and Dickie Barton — came in fourth.

Brownfield took home the team title with a total of 21 points. Crane followed closely with 19½ points and McCarney, Monahan, Fort Stockton, Kermit and Seminole each racked up at least 15 points. Competition was stiff in all events and 12 to 14 meet records were shattered.

Records were broken in the following events: 120-yard high hurdles, 100-yard dash, 440-yard dash, 180-yard high hurdles, 440-yard relay, 880-yard run, 220-yard dash, pole vault, high jump, broad jump, shot put, and discus. The mile relay mark was tied.

Old Man Weather has been against the Longhorn track team this year. The team has not been able to work out on their track in two weeks, according to Coaches Rudy Haile and Elvin Lyon. The boys have been working out in the gym and running on the pavement.

Sportswriter George Wallace, in his column "Avalanche of Sports" appearing in the Tuesday morning edition of the Lubbock Avalanche-Journal, said of Lockney's fine sprinter Jerry Williams:

"Williams' fine time (in the

SPORTS

Seminole meet) was surprising since the Lockney team hadn't held an outside practice in two weeks. Williams, one of the top sprinters on the South Plains last season, is expected to be even better this season.

"His best time for the 100 last year was 9.75 in the Crosbyton Relays; however, a strong wind helped push him to this time. The little runner was consistent at 10 flat last year, dipping to 9.8 twice on windless days.

"He's a lot stronger this year," Lockney Coach Rudy Haile said of Williams Monday. "On warm days," Haile said, "I think he'll be consistent from 9.9 on down."

Students Honored At Texas Tech

Jerry D. Holmes and Jack B. Johnson, Texas Tech senior electrical engineering majors from Lockney were given Class Honors and Mrs. Carol M. Carthel, wife of James Carthel, Lockney graduate, received School Honors during the 12th Annual All-College Recognition Service Sunday at 2 p.m. in Lubbock Municipal Auditorium.

Dr. E. N. Jones, Tech president, paid tribute to more than 300 top undergraduates as principal speaker. Those receiving scholarship recognition were those in the upper three percent of their School in either the previous spring or fall semester. This is Jerry's second consecutive year to receive Class Honors. His first year he received a scholarship.

Mrs. Carthel was cited for School honors since this is the third consecutive year she has been recognized. Mrs. Carthel is the daughter of Mr. and Mrs. Kenneth Schultz of Amarillo. Her husband received his degree from Tech last year and is now a teacher at Atkins Junior High in Lubbock. Mrs. Carthel will graduate from Tech in June.

Mr. and Mrs. Oliver Holmes and Rex attended the services Sunday. The John T. Carthels, parents of James, were unable to attend because of illness.

MONDELL MILLS, Mgr.
Phone OL 4-3394

Dear Editor:
Seems like the country's economical experts are kind of confused about what has brought on this rash of unemployment and Republican pessimism.

But what else can you expect when half of our population is farmers, and farm-town people who live off farmers with Bonanzoid incomes, so they all have to keep on driving their old droopy-tailed cars.

These economists are like my hare-brained neighbor who stewed one of his two old hens and now wonders why he don't get two eggs a day any more.

Friday — Salmon loaf, buttered potatoes, green beans, milk, golden glow salad, hot rolls, butter, jelly cup.

There are some 511 lakes and reservoirs in Texas with a capacity of 100 acre feet or more.

South Plains

By Mrs. Murray Julian

There was no school at South Plains Wednesday due to the snow Tuesday night, but school resumed Thursday. Clarence Foster, school bus driver, got as far as the Grigsby Milton place Thursday before getting stuck. Others took him and the children to South Plains.

Snow fell around six inches here. Cold weather Sunday night is reminding us Old Man Winter is still with us. Sunday school and church visitors at South Plains Baptist Church were Edith and Connie Blanton with Don Probasco, Mr. and Mrs. Park, Ricky and Steve, James Teague and Fleeta Carter, from Floydada.

Home Demonstration Club cancelled the meeting March 13. The next meeting will be Wednesday, March 26, in the home of Mrs. John Wilson with co-hostess, Mrs. Johnnie Wilson.

Captain Armand Milton of Lowry Airfield, Denver, Colo., visited here Thursday night in the home of his brother, Grigsby Milton and family. He had just come from Alaska where he has been stationed for many months.

The Floyd County Farm Bureau banquet with 205 persons attending was held for the exhibitors of the stock show, judges, officials and special guests Tuesday night at Floydada High School. One of the main speakers was "Cotton John" from Amarillo and part of the program with Bill Beedy, who was broadcast over KGNC Wednesday noon. Present from here were Messrs. and Misses, L. T. Wood and Juanell; Loyd Deavenport, Dennis and Newton; Bryant Higginbotham and Bud; I. H. Parks, Eddie and J. Frank; Grigsby Milton; R. G. Donlap; John Key West and Dale; Jimmie Pritchett; Eugene Beedy; Mr. and Mrs. Bill Beedy, who was president of the Jr. Fat Stock Show.

Mr. and Mrs. Fred Fortenberry went to Amarillo Tuesday and spent the day with her brother, Mr. and Mrs. Larnce McCain. Fred had sent a load of cattle to the Amarillo Sales Ring by truck Tuesday morning.

We offer sympathy to the family of Mrs. Jess Covington, who passed away Tuesday and was laid to rest Thursday in Floydada. Many of our community knew her thought the years, as she was at South Plains many times in her work.

Mr. and Mrs. Bill Hopper are proud parents of their first son, who was born last week end at Lamesa, where she has been staying with her folks. The new son is named David Eugene. Grandparents who formerly lived here, and reside at Barwise, are Mr. and Mrs. Gene Hopper. We add our congratulations to that of the neighbors to the Hoppers. They have another child, a daughter.

Mr. and Mrs. Sylvin Kinnibrugh and girls were visitors in Fairview Sunday night where they spent the evening in the home of Mr. and Mrs. Therman Perry and Jan.

Mr. and Mrs. Charles Beedy and children of Stinnett were visiting here last week while Charles was working with jud-

ging at the Junior Fat Stock Show in Floydada and they visited friends and his folks, Mr. and Mrs. Bill Beedy and Eugene.

Rev. L. H. Faus attended funeral services for L. B. Cozby in Floydada Saturday at the First Baptist Church.

Many from our area attended the 1958 Study Club Show in Floydada Monday night. Mrs. J. D. Webb from here is a member and has spent many hours helping make the style show a success. Among those modeling fashions from South Plains were Miss June Marble for Haggood's, Miss Juanell Wood for Hale's, and Buttons Beedy for the Wagon Wheel.

Mr. and Mrs. Fred Fortenberry left at 7 Sunday morning to go to Big Spring. They attended Sunday School and Church at the Forsan Methodist Church where Rev. J. J. Futch, former Sterley minister, is situated now. They enjoyed dinner and the afternoon in the Futch home at Forsan, which is nine miles south of Big Spring.

Mr. and Mrs. Lando Newman, Amarillo, were luncheon guests with his cousin, Mrs. Frank McClure and husband Monday. They were enroute home from Arlington where they had visited their daughter and family.

Mr. and Mrs. R. G. Dunlap, Becky and John went to Sandhill Sunday afternoon to visit Mr. and Mrs. Fred Jackson and children.

Frank McClure, Sylvin Kinnibrugh and Donald McClure spent last Thursday in Lubbock on business. Mr. and Mrs. Donald McClure, Regina and Frank Wayne then left Thursday evening with the Frank McClures for Snyder where they caught the train for their home in Houston. They had been visiting here since last Wednesday in the McClure home with their parents.

Mr. and Mrs. Fred Fortenberry went to Tulsa Saturday to take her mother, Mrs. N. C. McCain home. She had been visiting here since Thursday a week ago Saturday evening the Fortenberrys visited in Cedar Hill with his parents, Mr. and Mrs. John Fortenberry.

Mr. and Mrs. Fred Marble are working on their new house which came in last Tuesday from Lubbock. The weather has been so bad it has been hard for carpenters or other workers to do anything in the new homes of the Roy Bledsoes and the Fred Marbles.

Mrs. J. R. Spivey came to Lubbock from Odessa Saturday. Her daughter, Mr. and Mrs. S. D. Kinnibrugh and girls met her and she is visiting them here this week. They had dinner Sunday in Lockney with Mrs. Spivey's daughter, Mrs. Edith Cox.

Mrs. Terry Julian arrived in Roscoe from Georgia by plane Saturday evening and plans to be in South Plains with the Murray Julians the coming week end.

We are proud of all the boys and girls who showed animals in the Junior Fat Stock Show last week in Floydada. Among those who were winners were Buttons Beedy, Ronald Taylor, Juanell Wood, Roy Hartman, Bud Higginbotham, Eddie Parks, Dale West, J. Frank Parks, Larry Adams, and Dennis Deavenport.

We are sorry to hear that Mrs. Zach Cummings of Lockney is in the hospital there with pneumonia and we hope she gets to go home soon.

Alton Higginbotham from WTSC at Canyon spent the week end in Dumas with Don Eppinette. Kendis Julian was here with his folks Thursday to Sunday.

Library News

New in the library is the 1958 Britannica Book of the year, an annual encyclopedia covering principal events of the past year through 1,000 significant articles; more than 1,000,000 words and more than 500 dramatic photographs, charts, maps and cartoons; and edited under the direction of Walter Yust.

Some of the notable contributions to the 1958 Britannica Book of the year are: Richard H. Amberg, Publisher, St. Louis Globe-Democrat; Richardson Dilworth, Mayor of Philadelphia; Laurence M. Gould, President, Carleton College; Leo A. Hoegh, Civil Defense Administration; F. K. Stewart, Executive Secretary, Canadian Education Association.

March 16 - 22 is National Library Week.

Book circulation for February — Lockney 1036, Floydada 1843, total 2,879.

Charles K. Williams Training in Europe

U. S. Forces, Germany (AHTNC) — Army Specialist Third Class Charles K. Williams, son of Mrs. Mary M. McAda of Lockney recently participated in a field training exercise with the 11th Airborne Division in Germany.

Specialist Williams, assigned to the division's 11th Aviation Company, entered the Army in January 1956 and arrived in Germany in November 1956.

The 19-year-old soldier attended Lockney High School.

IN AMARILLO HOSPITAL

J. T. "Boots" Strickland, Cedar Hill resident, is seriously ill in the Veterans Hospital at Amarillo. Mr. Strickland underwent an operation there last Thursday and his condition has not improved much since that time. He is the father of Leonard Strickland of Lockney.

IS SERIOUSLY ILL

Tom Jernigan, father of Mrs. Leonard Finley, is seriously ill at his home in Floydada. Mr. Jernigan suffered a stroke some three weeks ago and has shown only a little improvement since. Mrs. Finley is spending most of the time with her father.

FOUNDATIONS

You have to go down if you want to go up! That sounds like foolishness, but it isn't.

If you plan to build a garage, you don't need to dig very much before you lay the foundation. But if you plan to rival a modern skyscraper, you must start deep below the earth's surface.

Foundations of great buildings must go down until they rest on bed rock. Not until then is it safe to start going up.

So the next time you look up at a building which rises far above you, don't forget the foundation that makes it possible.

Our lives need such foundations, too. In the building of our lives, and those of our children, we are too often governed by what other people think or by our temporary wants and desires.

But when life's storms come and its testing moments are upon us, it is the foundation that keeps us secure, or the lack of it that permits collapse. Only a life foundation that rests solidly upon faith in the eternal God is really adequate for the kind of character building we must do if we want our lives to be happy and successful.

You've got to go as deep as that, if you want to go up.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Jarman
SHOES FOR MEN

18.85

Jarman
REX-FLEX

"Easily the most comfortable shoe I have ever worn"

That is the gist of what every man exclaims when he samples the supreme comfort of a Jarman Rex-Flex shoe. No shoe at any price offers you such softness and flexibility. After years of work, Jarman designers came up with this "perfect" shoe, whose scientific construction takes full advantage of a heel-toe cushion insole and other special features. Come in and try a pair (of premium smooth calfskin). You'll quickly know that here indeed is the "perfect" shoe.

Also the JARMAN PILLOW-FLEX at \$12.95
Other Jarman Styles at \$10.95 and \$14.95

MEN'S HOUSE SHOES
by Jarman. Sponge sole, leather uppers, real quality house shoes, complete range of sizes from 7 to 11, black or brown—

USDA Specialist On Fruit, Vegetables To Speak Friday

Joseph E. Ward, specialist in regulatory work, fruit and vegetable division, U. S. Department of Agriculture, will speak to vegetable growers of this area Friday of this week in the district court room at Floydada. The meeting gets underway at 2:30 p.m.

Mr. Ward will talk on "The Perishable Agricultural Commodities Act and You." The act affects all vegetable growers in their business relations with dealers, commission merchants and brokers, truckers, large retailers and processors. It was pointed out.

He is coming here at the invitation of Floyd County Vegetable Producers and Dr. John W. Kimble is chairman of the committee. Dr. Kimble stated that the information Mr. Ward has can help save Floyd County producers thousands of dollars this summer.

Henry Stalcup Dies At Dimmitt Friday

Henry A. Stalcup, brother to John Stalcup of Lockney, died in a Dimmitt hospital Friday night following a heart attack earlier the same day. He had been in ill health since last December when he suffered his first attack.

Funeral services were held at the Dimmitt Church of Christ Sunday afternoon. Burial was in the Dimmitt Cemetery. John Stalcup and Ernest Fowler attended from Lockney.

Mr. Stalcup lived here as a boy and attended Lockney schools. He moved to Dimmitt about 30 years ago where he erected the first gin in that city. He later went into the lumber business and was active in that business until he became ill.

Mr. Stalcup married Miss Bill Thomas, daughter of the late D. M. and Mrs. Thomas of Plainview.

Survivors include his wife, two daughters, Mrs. Bob Killough of Dimmitt and Miss Shirley Stalcup of the home; his father, R. A. Stalcup of Plainview; two brothers, John of Lockney and Elmer of Odessa; three sisters, Mrs. Stella Baker of Lubbock, Mrs. Roy Griffith of Plainview, Mrs. Lela Simpson of Amarillo.

Texas' 1955 population was estimated 67.3 per cent urban and 32.7 rural.

Seed Men Are Here Wednesday

Dave Barrett of New Haven, Corn., sales manager for the Associated Seed Growers, Inc., and Bob Brooks, salesman for the same firm from Clovis, N. M., visited with Dick Whiteley, local representative of the company Wednesday.

TO GALVESTON CLINIC

Mrs. A. H. Turner plans to leave Sunday for Galveston where she will go through a clinic at John Sealey Hospital. She has an appointment for Monday morning. She will be accompanied by one of her sons, Clifford E. Turner of Amarillo and her husband.

VISITS HERE

Gene Hewitt, son of Dr. and Mrs. E. A. Hewitt, who is attending St. Gregory Academy in San Antonio, spent from Sunday until Wednesday night visiting here. He plans to spend some time here next summer. Gene attended Lockney schools before going to the academy.

PIE CRUST IS TRICKY

Pie crust recipes call for only four ingredients. Yet this simple recipe has created havoc in many kitchens. It is important to combine the shortening and flour just right. The amount of water must be kept as low as possible. Rolling out the crust must be done with a light touch. But all the effort you put into measuring, mixing and rolling will be wasted if the oven temperature is not right. The oven should be preheated to 425 degrees before baking is started. High temperatures permit steam air to separate the layers of crust to produce the flakiness one associates with superb pies.

Tractor Damaged By Fire Wednesday

A John Deere tractor belonging to Durrel Fortenberry was badly damaged by fire Wednesday afternoon when it caught fire on Farm Highway 135 at the east edge of Lockney. A mechanic was working on the tractor when escaping butane caught fire, it was reported.

The Lockney Volunteer Fire Department answered the call and extinguished the flames.

John A. Thompson Not Improved

The condition of John A. Thompson is not improved, relatives said this week. Mr. Thompson became seriously ill some two weeks ago and has been in Lockney General Hospital since that time. He is the father of Mrs. Lena Fae Sweatt, with whom he makes his home, and Mrs. O. V. Pylant.

Jim Cater Better After Heart Attack

Jim Cater, father of Mrs. Charles Broadhurst, Lockney, suffered a heart attack Friday afternoon and has been seriously ill in a Perryton hospital since that time. Mr. Cater, whose home is in Gruver, was improved enough Tuesday afternoon to be removed from the oxygen tent. Rev. and Mrs. Broadhurst returned late Tuesday after being at his bedside several days. He is expected to remain in the hospital at least three weeks.

F. O. Conner Operation Moved To Lubbock County

The trial of Glynn H. Bunch, vocational agriculturist, after being transferred to Lubbock County, after efforts to have a jury in Briscoe County this week failed. Bunch was charged with the murder of his brother-in-law, Benjamin Bearden on October 19 of last year.

Local IOOF Officers

Lockney IOOF Lodge conducted the burial of the late F. O. Conner on Monday. The funeral was held at the home of the family. Don Brown, local IOOF officer, presided at the funeral.

Equipment Moved

Equipment belonging to the late F. O. Conner was moved to the home of his wife, Mrs. Lena Fae Sweatt, on Monday. The equipment included a car and a refrigerator.

Thompson Funeral Rites Held Wed.

Funeral services for John A. Thompson, 83, were held Wednesday morning at 10:30 a.m. at the Main Street Church of Christ in Lockney. Rev. Paul Epps officiated. The body was carried to Lubbock, Texas, near Cololito, where interment was Wednesday afternoon. He died at the home of his wife on November 25, 1946.

Thompson's Health

John A. Thompson was born in Texas, on September 1874 and was reared in one County. He was married to Miss Lena Dee of Thornton, Limestone County, on September 5, 1895. The couple moved to Colorado and made their home in Lubbock where they reared their family.

Thompson's Family

Thompson was engaged in the wholesale feed and business for many years and in later life operated a feed store. After his wife's death, he came to Lockney in 1948, and had made his home here with his daughter, Lena Fae Sweatt since 1952. Thompson managed the Labor Camp here for many years when it was first established.

Thompson's Children

Thompson and his wife had six daughters: Mrs. Lena Fae Sweatt of Lubbock; Mrs. Jess Wright of City; Mrs. H. P. Ausos, Texas; one brother, Tompson of Lufkin; one son, Minnie Cheatham of Lubbock. Sixteen grandchildren, 24 great-grandchildren and five predeceasing him in life. He was survived by two sons, Paul A. and in May of 1955 and son who died in 1908. He was 82 years of age at the time of his death. His sons were pallbearers at the funeral home of which he was in charge of arrangements.

Progressing Easter Parade

The Easter Parade is progressing this year. The parade is scheduled for Friday night, April 11, at the high school auditorium, the parade will start at 7:30. The parade will feature a band, floats, and a kiddy ride. The parade is being sponsored by the Band Parents Club. The parade is expected to be a very successful one.
