VOLUME 57

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 4, 1958

NUMBER 22

THE WILLS FAMILY Quartet will present a concert at the Floyd County Fair here on Friday evening, Sept. 12. They are, back row, left to right, Bobby, Bill and Calvin; center, Norman Jr.; front, left to right, Lou and Betty.

Wills Family Quartet Will Sing At Fair

The Wills Family Quartet (actually there are six of them) will appear in a concert of songs at the Floyd County Fair Friday evening, Sept. 12. The concert will be free although it will be necessary to pay admission to the fair grounds. The Fair Association is paying the group to appear at the Fair. The group are all real brothers and sisters, and they, with their parents, have been singing for many years. Reports say that Mr. Abe Wills, the father, once lived in the Muncy Community in this county.

The "quartet" is made up of three brothers and three sisters. The girls all play the piano and one boy plays the guitar. Calvin, the oldest, is manager of the group and sings bass. Lou, one of the sisters, sings tenor and handles correspondence and details for personal appearances. Bill plays the guitar and sings on some of the arrangements. Bobby and Betty are twins, 19 years of age, sing the lead and alto. Norma Jo, the youngest, is 16. She plays the piano and sometimes adds a fifth part to the arrangements.

The group lives at Arlington, Texas, where they have a music store. They sell everything including sheet music, books, records, etc. They will have sheet music, records, etc. with them here and will sell them during intermission. The Wills Family attend all the music conventions in Texas and adjoining states, have a regular radio and TV program and are very popular entertainers.

Clean-Up Project Is Extended

"We got some good response from the residential areas but the business district didn't do hardly anything," J. D. Copeland said Wednesday in speaking of the clean up campaign previous to the Golden Anniversary barbecue here Thursday, Sept. 11. "We'll continue the campaign for a few days and give the business people an opportunity to get their premises cleaned up," Mr. Copeland said.

RETURNS TO H-S U

Miss Jovonne Taylor plans to leave Saturday to return to Abilene where she will be a senior at Hardin-Simmons University this fall. She is majoring in elementary education. She has spent the summer with her parents, Mr. and Mrs. W. A. Taylor.

VISITING PARENTS

Miss Rosemary McDonald came Monday to visit with her parents a few weeks before returning to Amarillo to work. Miss McDonald completed her degree at WTSC, Canyon, last spring and spent the summer months working in the business office of Neblitt Hospital in Canyon.

Exhibit Space Sold At Fair, Rides Coming

Most of the space in the big commercial exhibit room at the Floyd County Fair has been sold, Sam Puckett, secretary, said this week. Also some exhibit spaces outside have been sold and commercial exhibits this year are expected to be as good or better than last year. Department superintendents are anxiously awaiting opening day hoping that their departments will have more and better individual entries than in previous years. The agriculture department is expected to be better than last year due to better crops this year. Other departments are also expecting more entries.

Change in Rules

One slight change in rules concerning community exhibits was announced this week following a meeting of the fair directors last Friday evening. Each community must show 20 or more different kinds of agricultural crops on their exhibit, the number being reduced from 25. Wire panels will be built in front of the booths to prevent loss of products, it was said.

Booster Trips Planned

Booster trips for the fair will be made next Monday and Tuesday, the directors decided. The Lockney group will go Monday, making the northern circle and the Floydada group will go Tuesday to the south. Also Tuesday has been designated as work day at the grounds.

Rides Coming

The Lone Star Amusement Co. of Amarillo will furnish the rides for the fair. They have several adult rides and an equal number of kiddie rides. The Beacon was told. The rides are very good and are expected to add quite a bit to the fair. The rides will be set up Monday and will operate all the week.

Local groups and organizations will have concession stands at the fair of various kinds, but a list of these was unavailable Wednesday.

Joe Reeves continues to receive acceptances to the big singing Thursday night under the tent. The old time singing is due to be a big hit again this year and many noted singers and groups are coming. Among these will be:

The "Southern Belle Trio" of Lubbock, a very popular group.

I. V. Jackson and his group from El Paso. He is chairman of the West Texas-Eastern New Mexico Convention, which meets at Cloudford, N. M., in the late summer each year.

The "Gospel Way Trio" of Hobbs will be here one night, perhaps on Friday night. If so, they will be worked into the concert program.

The Campbell Mixed Quartet of Lubbock and Levelland, made a hit last year with the song "Lord, I've Been A Hard Working Pilgrim." They have promised to come again and sing it again along with other numbers.

The Murrell Conn Trio of Childress will attend. Mrs. Conn is a fine piano player and the family group sings.

Lee Deavenport of Silverton, known to all the old timers here, will be present with his guitar.

The "Friendly Five" quartet from Vernon will be present. They are very popular, especially in the Texas-Oklahoma area.

Mrs. R. C. Smith of Dumont will attend. She has a good alto voice and plays the piano. Other acceptances are being received daily by Mr. Reeves.

Arrangements for the concert on Friday night by the "Wills Family Quartet" of Arlington have been completed and this is expected to be another enjoyable program for those who love singing.

RUEL COOK

Evangelist For Local Meeting Grew Up Here

Rev. Ruel Cook, who will preach in a revival meeting at the First Baptist Church here starting September 14, is a former resident of Lockney. He grew up here and is a graduate of Lockney High School.

Rev. Cook is the son of H. Cook of Canyon, who lived here for a number of years, and a brother to Mrs. Leslie Ferguson of Lockney. He is now serving as pastoral missionary in the First Southern Baptist Church of Fargo, North Dakota.

Rev. Cook was born at Sanger, Texas, but the family moved here when he was a boy. He played football on the Longhorn team and graduated from Lockney High School in 1931. He took his BS degree from Sul Ross College at Alpine and attended Colorado A&M and West Texas State College, Canyon working on his masters degree.

He worked for a number of years with the Atomic Energy Commission at Los Alamos, N. M., and worked up to a high position in that plant. But in 1951 he decided that God wanted him to preach so he gave up his job and went to Berkeley, Calif., where he entered the Golden Gate Baptist Seminary. He became pastor of the First Southern Baptist Church at Livermore, Calif., where he served three years and then spent 2 1/2 years at Stockton, Calif., as pastor of the church there.

In February of this year he resigned at Stockton to take the position of pastoral missionary at Fargo and began the work of building a church there. He and Mrs. Cook have two children, Cheryl, age 16, and Harvey, age 12.

Rev. Cook has three brothers, S. L. of Amarillo, Carleton of Hobbs, and Norvel of Abilene. He has one sister other than Mrs. Ferguson, that being Mrs. James Miller of Plainview. The entire family will gather at the Ferguson home here for a family reunion on the first Sunday of the meeting, Sept. 14.

"27 Lean Years" To Be Shown Here

The film "The Seven Lean Years That Waxed Fat", produced by the Amarillo Daily News and The American National Bank of Amarillo, will be shown at the Lockney Rotary Club here Friday night. It was announced by Leslie Ferguson, program chairman.

The film has been shown at a number of places over West Texas and has attracted considerable attention. It deals with the drought condition in West Texas and the changes that came about with the return of good moisture conditions.

Star Telegram Bargain Rates On

The Fort Worth Star Telegram have announced their fall bargain rates but say they are good for the month of September only. You can now renew your subscription to the Star Telegram at The Beacon office for \$13.95 daily and Sunday or \$12.60 daily only. The rate is void after October 1. You may renew your subscription to The Beacon at the same time by adding \$1.50 to the above rates for a combination offer.

LONGHORNS OPEN GRID SEASON AGAINST HALE CENTER FRIDAY

Enrollment Is Down Slightly In Local School

First day enrollment in the Lockney schools was slightly below the same date last year, according to a report Wednesday morning from the office of Supt. H. H. Nicholas.

The total enrollment from all four schools stood at 942 Tuesday night compared to 971 the same date last year. The enrollment and comparisons are as follows:

High school, 227 this year, 245 last year.
Junior High (2 grades), 130 this year, last year (3 grades) 200.

Grade school, (6 grades) 525 this year, last year (5 grades) 469.

Colored school, 60 this year, 56 last year.

The enrollment is expected to continue to increase for some time, school officials said, and may eventually compare with last year's.

School started Tuesday morning with a full schedule. One last-minute teacher change was necessitated by the resignation of Mrs. Marsh Watson of Plainview. Employed to replace her was Mrs. R. L. Thornton of Plainview, who will teach home economics and science.

Parents were reminded Wednesday to fill out and return to the school office immediately the census registration cards distributed to pupils Tuesday. This card is necessary for State Education Agency records.

A traffic jam at the grade school building Tuesday afternoon caused some delay to school buses as well as school patrons. Parents who come for their children are requested to park on a side street and avoid blocking the street in front of the building.

\$50 In Prizes Offered For Parade Entries

The Lockney Chamber of Commerce is offering \$50 in prizes for entries in the parade opening the Floyd County Fair on Thursday afternoon, Sept. 11. President Claude Brown said this week.

The parade is slated for 3 p.m. Thursday following the big barbecue dinner celebrating Lockney's 50th anniversary as an incorporated city.

A prize of \$20 will be given the best float entered by an organization, such as a club or church. Another \$20 prize will be given for the best commercial float. A first prize of \$7.50 will be given for the best novelty entry by a youngster less than 16 years of age and a second prize of \$2.50 will be given for a kiddie entry.

R. M. Olsen, chairman of the parade committee said that he had secured commitments on a large number of entries in the parade.

Lockney business people will be asked to close Thursday from 12 noon until 4 p.m. so that they may attend the barbecue and also participate in the parade.

Barbecue Tickets Ready

Tickets to the big barbecue on Thursday are ready. Local business people will provide free tickets to those who have lived in the community 30 years or longer. These people will register as they line up for the barbecue and will be given tickets at that time. The First National Bank will distribute an additional 500 tickets to the barbecue.

Bank Observance

The First National Bank will hold open house all day Thursday also observing their Golden Anniversary. They will transact no business that day but will be open to visitors from 9 a.m. to 3 p.m. Some 1500 invitations have been mailed out inviting people of the area to attend the open house.

Mr. and Mrs. W. P. Kernickel spent last week visiting her brother, Lt. David Tudor and Mrs. Tudor at Colorado Springs, Colo.

The Lockney Longhorns open their 1958 grid season Friday evening when the Hale Center Owls invade Mitchell-Zimmerman Field. Game time is 8 o'clock.

Elvin Lyon, line coach here for several years, will be in his first season as Longhorn head coach. He succeeds Rudy Hale. Don Beck, a recent graduate of West Texas State College, is the new backfield mentor. Other coaches are Troy Lemley and R. L. Rhoten.

Supt. H. H. Nicholas said Wednesday that only one ticket booth would operate Friday night and that would be located just outside the fence near the south end of the home stadium. Likewise the gate at this location will be the only entry into the field. At the end of the game all gates will be opened. The ticket booth will open at 7 p.m.

Admission this year is \$1.00 for adults and 50 cents for students. Also an additional charge of \$1.00 will be made for parking a car inside the field at the south end.

Since this is the first game of the season for each club, little is known about Hale Center. The Owls are reported to have a young club. They have a fine fullback and will probably be strong in the line.

Lockney traveled to Idalou last Saturday evening and scrimmaged with Idalou and Tahoka. The Longhorns' defense showed up well and the offense looked some better, according to the local coaching staff. Many mistakes were discovered in the offense and they are being worked on this week. Tahoka is picked to fight it out with Slaton and Floydada for the District 2-AA crown. Idalou is in District 4-A.

The coaches cited several boys for fine performances in the scrimmage. They are Stephen Handley, Jackie Calahan, Jimmy Minter, Bill Race, Duane Griffith, and Dan Smith.

Several of the Longhorns are nursing injuries this week. Halfback Ronnie Thornton has a bad ankle and Calahan is slowed up by a knee injury. Reserve guard Larry Elam was struck with encephalitis this week and will be out of action indefinitely.

Byron Brock, Griffith, and Race will act as captains in the Longhorns' first game. The boys showing the most leadership and fight against Hale Center will act as captains against Dimmitt next week.

Probable starting lineup:
End Milton Mickey
E David Roberson
T Stephen Handley
T Ricky Duvall
or Dan Smith
G Byron Brock
G Ronnie Harris
C Duane Griffith
QB Jimmy Minter
HB Jackie Calahan
HB Terry Clark
FB Bill Race

The probable defensive lineup includes: Ends, Brock and Mickey; Tackles, Handley and Duvall; Guard, Griffith; Linebackers, Smith, Harris, Calahan, Race; Halfbacks, Minter and Clark.

Cotton Opening Fast In Area

Cotton is opening rapidly in this area and pulling will be in full swing in a week or 10 days if hands are available. The Beacon was told this week.

A dozen or so bales have been ginned at gins in this part of the county. Paymaster Gin at Aiken ginned a bale last Saturday for Martin Bradley, their first of the season. They have ginned a total of five bales. They ginned the cotton free and paid Mr. Bradley 50 cents per pound for it.

On Monday Hi-Plains Gin of Lockney ginned the first bale for J. L. Withrow. They also ginned the bale free and bought it for 50 cents per pound.

Lockney Co-operative Gin ginned their first bale Wednesday for Raymond Rucker. They bought the lint for 50 cents per pound and ginned the bale free.

South Plains Gin at Sterley was expecting a bale late Wednesday from the Owen Thornton farm. First bale of the season for the Lockney area came in to the Lockney Gin Tuesday of last week from the L. P. Harston farm.

EDITORIAL

Whosoever therefore shall confess Me before men, him will I confess also before My Father which is in Heaven.— Matt. 10:32.

NO DOUBT but the Plains Cotton Growers, Inc., is doing a lot of good for Plains cotton farmers. The high plains organization hasn't been able to get the kind of cotton legislation that most farmers would like, but some good has been done legislative-wise and the organization is wide-awake and alert to cotton conditions. We're glad to see that all gins in Lockney and most other gins in this part of Floyd County as well as the farmers of the area are supporting the PCG organization.

SCHOOL TIME is here and things will be settling down to the usual routine for most of us. Probably most students do not take their school opportunities quite seriously enough and most adults would like the opportunity to go back to school and work a little harder at the task of gaining knowledge. But one must learn most lessons for oneself, and thus it will ever be. So our advice to the students is to get knowledge while the opportunity avails itself.

will probably go unheeded but there it is anyway.

—oOo—
OPENING of school brings to mind that the Lockney school district still has that building problem that was haunting school officials last Spring. True an architect has been employed and some preliminary plans have been drawn up, but as far as The Beacon knows no decision as to the amount of building or the size of the bond issue has been reached.

—oOo—
FERTILIZER is paying off for Floyd County farmers in many crops, so the talk is. The ag experts say that there is no cure or remedy for the present bacterial blight that is affecting cotton in this area but we hear farmers say that the blight is much less on land that was fertilized last year. The heavy fertilizing program on lands planted in vegetables has revealed some definite follow-up benefits. As a result some farmers are planning to fertilize all of their land next year.

—oOo—
RATS are taking the state, so news reports say. Obviously there is an increase in the rat population in this community. City officials have a rat poisoning campaign on at the city dump grounds. Rats and mice breed better where there is dense vegetation. Apparently the heavy rainfall this year has helped to bring about the increase in rats. Rats also breed under piles of lumber or in old outhouses and similar places. During the city's clean-up campaign it might be good to remove probable breeding places. The bite of a rodent could mean trouble for humans or even for dogs and cats. They also carry disease. Everyone of us should join in the city's rat extermination campaign by cleaning up our own premises.

FAIR PREPARATIONS are going ahead in good shape. But it will take more than the efforts of the fair directors, superintendents and other officials to have a good fair. It will take co-operation from those who produce, those who sew, those who can, those who grow livestock, business people, and others. All of us have something we can add to make the fair a better one. Let's co-operate with fair officials. Let's do our part.

MR. WAGGONER DISCUSSES WORLD AFFAIRS

Like the four horsemen of the Apocalypse, we press on toward oblivion.

Is Iraq important to us? Dictator Nasser, as a stooge of Russia, is being pressured into three catastrophic events in world history; to push Israel into the sea; to force the total withdrawal of Western influence in the Middle East; and to create a bloc from Teheran to Casablanca.

Russia knows that such a bloc would, under her control, force Europe to come to terms with her for Middle Eastern oil. These terms would include a reunited Germany under East German influence, stry Europe and Africa of all NATO bases; and force complete withdrawal of England and the United States from the European continent.

This control of the Middle East could also force England to withdraw from Aden and Malta and hand Cyprus over to Greece. At the same time Red China would press for unification of Korea on Communist terms; force the withdrawal of England from Hong Kong and the United States from Form-

osa and Japan as well as force us to stop aid to Indonesia.

Once the communist gain control of the Middle Eastern oil, Britain and France will face economic ruin and the United States will be isolated. With South America hostile toward her on the south and the Russians pitted against her on the north via the Arctic Circle the whole fiasco indicates that something quite serious is happening to a once favored people. Has our belief that "right will out" failed?

This catastrophe was partly caused by our timidity when France and England invaded the Suez; but the true reason runs much deeper.

When was the last time West won a real victory in world affairs?

Check back, back to the year 1944. In that year we ceased to trust in the heritage that has been ours for hundreds of years and allied ourselves, a professed Christian Nation, with a professed Godless Nation. After the signing of the United Nations Charter and the ending of World War II we have not won a war or a diplomatic victory. England started her decline following her dependence upon the League of Nations.

We have been too concerned with what our enemies think of us and too ready to sign treaties with men reared under philosophies foreign to us for

the sake of peace when Christ, long ago, said, "I am the prince of peace."

What does the future hold? More of the same.

Christian people will be forced out of every country in the world. Our military might will fade before our eyes. Our famed monetary system will collapse. We will be standing alone, isolated in a world bent on destroying us!

Is there no hope?

There is only one hope: return to trusting in the God of our forefathers, and renew, through prayer and meditation, the alliance they had with Him. Only He can overcome the world now.

If this sounds facetious to you then there is no hope! — Cecil Waggoner in Claude News.

4c LETTERS

Have you become accustomed yet to the new 4-cent letter rate? Well don't get all set to pay that amount for mailing a letter in the future for Postmaster General Arthur Summerfield is already laying plans to ask Congress next year to boost it to 5 cents. He is now busy preparing a lot of charts to show how recent postal employees pay boosts are being used up most of the increase in postal rates, and of course, as always, leaving the Post Office still in the red. — J. L. Suits in Petersburg Journal.

Dear Editor:

I see in the papers where a young man got put in jail for car stealing and explained that he is a victim of circumstances.

Said his father and mother had cars, but they wouldn't buy one for him, so the only way out of this predicament was to steal one.

My understanding neighbor says modern society will have to take the blame for this. And if it doesn't like the boy's method of solving his problem, it is up to Congress to vote funds for carless citizen relief.

Old before its time?

Just like people, a tire can get old before its time. For example, the life of a tire may be shortened as much as 25% merely as a result of chronic under-inflation. Over-inflation is bad, too.

Best way to avoid premature aging of your tires is to let your Phillips 66 Dealer take care of them for you. He'll check them frequently, make sure they're properly inflated, and repair them if necessary. And, if a tire becomes unsafe, he can provide a new and dependable Phillips 66 Action-Tread Tubeless Tire.

a fitted bodice which terminated in points at center front and back. The v-shaped neckline was accented with scalloped lace and self-covered buttons formed the back fastening which extended to the waistline. The long sleeves ended in points over the hand. Scallops outlined the bouffant skirt. Her elbow length veil imported French illusion fell from a small hat designed of matching lace and net flecked with iridescent sequins. She carried a white pearl-covered Bible topped with a bouquet of white gardenias and white pom mums arranged in white net, blue ribbon and showered with white bridal satin streamers. The Bible, belonging to the matron of honor, was something old, new was her dress, borrowed and blue was a garter. Mrs. Marion Cross of Petersburg, the former Darla Allison, Lockney, attended as matron of honor. She wore a ballerina length dress of blue embroidered crystalene fashioned with a sleeveless fitted bodice and full skirt. Her head piece was of blue velvet and she carried a colonial nosegay of white carnations. Elton Kelley, Lubbock, brother of the bridegroom, served as best man. Miss Debra Summers, Dimmitt, niece of the bride, lighted the candles. She wore a frock fashioned of white nylon trimmed with rhinestones and lace featuring short puffed sleeves and a full accordion pleated skirt with a satin sash. She wore a wristlet of white carnations tied with blue satin ribbon.

Home Ceremony Unites Couple At South Plains

Miss Dorothy Maurine Newton of Joplin, Missouri, became the bride of Leonard Charles Moore, also of Joplin, Missouri, in a double ring ceremony performed in the home of the bride's parents Saturday, August 30, at 8 p.m. Parents of the bride are Mr. and Mrs. E. W. Newton of South Plains. The bridegroom is the son of Mrs. Charles A. Moore and the late Mr. Moore of Purdy, Mo. Rev. John Gillespie, pastor of South Plains Baptist Church, read the vows as the couple stood before an improvised altar decorated with tall baskets of white gladioli and palm leaves. Miss Jo Ann Newton, sister of the bride, was organist. She played "Wonderful, Wonderful", "Love Me Tender" and "O Promise Me". Escorted to the altar and given in marriage by her father, the bride was attired in a street length dress of blue lace over taffeta. The fitted bodice was designed with a scoop neck and the full skirt was flared. Her corsage was of gardenias. For something old and borrowed she wore a bracelet belonging to her mother. Something new and blue was her wedding dress and she wore the traditional penny in her shoe for luck. Miss Lajuana Newton of Midland, Texas, attended her sister as maid of honor. She wore a dress of blue chiffon and taffeta designed with a square neck and a flaring skirt. Her corsage was of white carnations. Best man was Keith Hollums, Floydada, cousin of the bride. A reception was held in the home immediately following the ceremony. The table was laid with lace over blue and centered with an arrangement of pink roses. The three tiered wedding cake was iced in white accented with blue, and was topped with a miniature bride and groom. Punch and coffee were served by Miss Ann Duncan, Plainview, and Mrs. Collie Roland, Floydada, cousin of the bride. Case friends and relatives attended.

Gift Tea Honors Mrs. Bill Reagan

Mrs. Bill Reagan, the former Mary Jean Catlin, was honored with a bridal shower Thursday afternoon in the home of Mrs. Glen Cooper. Guests called between the hours of 3 to 5 o'clock. The honoree, her mother, Mrs. Lawrence Catlin, Mrs. Billy Reagan, mother of the bridegroom, and his grandmother, Mrs. C. S. Keeter, received the guests as presented by Mrs. Cooper. They wore corsages of orchid asters. Laid with an imported Damask cloth, the refreshment table was centered with a miniature bride and groom in a garden scene topped with a bride's Bible flanked by a bridal bouquet showered with orchid satin streamers. COTTON IS MOVING!

Cotton is moving to the gins again and it reminds us of the great benefit this crop is to our immediate section of the state. Few of us realize how much we depend upon cotton, not only for a money crop, but for comfortable clothing, every day necessities, etc. When you go to buy wearing apparel insist on cotton. You'll benefit both from wearing comfort and from the consumption of cotton.

Faraway Places...

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Luke	17	20-21
Monday	Mark	5	21-25
Tuesday	John	1	35-42
Wednesday	John	1	43-51
Thursday	Acts	8	26-39
Friday	Acts	10	19-33
Saturday	Acts	16	9-16

I've never seen the Taj Mahal. Nor have I looked up at the Leaning Tower of Pisa, or out across the broad Sahara to the Pyramids and the Sphinx.

Most of my life, as a matter of fact, has been spent right here in my own town. Not because I don't want to travel. To visit these faraway places is one of my big desires—and, one day, I hope to do it.

But I know, deep in my heart, that even if I never leave my home town I'll have more to do than I can hope to accomplish. Because God is just as much here as he is anywhere. Our minister used that thought in his sermon last Sunday, and he told us how much there is for all of us to do in our own particular place—and how much remains undone!

If we'd bring just one other person to church with us on Sunday, we'd really be doing something, he told us. And, as I thought it over, I knew how true that was.

That's why I'm asking you.

35 LATIN-AMERICAN children received first holy communion at the Catholic mission here recently.

35 Latin-American Children Receive Communion Here

Thirty-five Latin-American children of this community received first holy communion Sunday afternoon, August 17th, at the Catholic Mission, being held week in the American Legion Hall here, according to information from local Catholics just released. A large number of adults were present for the occasion.

Mass was celebrated by Rev. Jesus Quintero, a Spanish priest serving the Catholic Diocese of Amarillo who addressed the group and distributed communion to the young group. Present also were Sisters Mary Michael, Mary Angelica and Mary Conrad, members of the Mercy Order of Slaton. These had conducted a vocational catechetical school in our Lady of Guadalupe Church at Plainview the previous two weeks.

Also a group of young women of this community have been indoctrinating these children in classes held at the residence of Urban Sanchez here.

The pastor, Rev. George Buckley, expressed his thanks to these young people and others who have helped and special thanks to the American Legion of Lockney for their courtesy and friendship.

Baileys Entertain With Open House

Mr. and Mrs. O. C. Bailey were hosts for open house in their new home at 516 South-west Sixth Street Sunday afternoon. A large number of friends called between the hours of 2 to 5 o'clock.

The Baileys moved into the new six-room brick veneer in July. Mr. Bailey is a pioneer resident of Lockney, having moved here in 1913. Mrs. Bailey came in 1944 and is a former County Welfare worker and school teacher.

An array of floral gifts decorated the house and other personal gifts were evident.

In the houseparty were Mrs. Pearl Bailey, who secured names for the register, Mr. and Mrs. J. D. Wood and Mrs. Payton Powers.

Sunday guests and those calling previously to see the house registered from Port Lavaca, Peecos, Mineral Wells, Corpus Christi, Lovell, Amarillo, Slaton, Borger, Kress, Hereford, Floydada, Morton, Memphis, Plainview, Lubbock, Hobbs, New Mexico, and Lockney. They numbered approximately 117.

NEW ARRIVAL

Mr. and Mrs. Teddy Carthel of Lockney are parents of a baby daughter born Wednesday, August 27, at Methodist Hospital, Lubbock. The baby weighed 8 lbs., 14 ozs. and has been named Catherine Sue. Grandparents are Mr. and Mrs. Hershel Carthel, Lockney, Mrs. Sally Miller, Gonzales, Texas, and Lewis Miller of Nixon, Texas. Great-grandparents include Mr. and Mrs. Francis Carthel, Lockney, Mrs. Charles Lederhos of Annapolis, Maryland, and Mrs. W. T. Miller of Gonzales.

Mr. and Mrs. Bucky McCready spent the week end visiting relatives in Cherokee, Okla. Their son, Tom, who had spent a week there visiting, returned home with them.

was admitted 9-2 for medical care.

Miss Gloria Gonzales, Lockney, was admitted 9-3 for surgery.

J. C. Austin, Lockney, was admitted 9-3 for medical care.

New Arrivals

Mr. and Mrs. Martin Garza, Floydada, are parents of a baby girl born 8-29. She weighed 8 lbs., 4 ozs., and was named Olivia.

Mr. and Mrs. David Weise, Tuscon, Arizona, are parents of a baby girl born 8-31. She weighed 6 lbs., 10 ozs., and was named Deborah Lynne.

Return From Luther League Meeting

Janice and Larry Boedeker of Providence, Barbara and Elbert Sammann of Plainview returned Friday night from the 13th International Luther League Convention at Cornell University, Ithaca, N. Y. The young people made the trip by chartered bus and enroute home took side tours through New York City, Washington, D. C., and New Orleans. The trip lasted two weeks.

Miss Sammann was the delegate from the Providence Lutheran Church.

It was one of the chartered buses on this trip that caught fire and burned enroute to New York, destroying much luggage and personal effects of the passengers. However none of the young people of this area were riding that bus.

Mr. and Mrs. V. H. Kellison spent Sunday in Hollis, Okla., where they attended the 60th wedding anniversary of Mr. and Mrs. B. F. Sanford.

Attend Farm Bureau Policy Meeting

Several Floyd County men attended the Farm Bureau Leadership and policy development meeting at Lubbock Tuesday. Attending from this county were David Battey, Chester Mitchell, J. R. Turner, L. B. Brandes, John T. Carthel, Chester Carthel and Sam Puckett.

Vaughn House Damaged By Fire

The home of C. E. Vaughn, just south of Lockney, was damaged by fire last Friday evening. The fire started in a closet on a back porch and destroyed some winter clothing. Interior of the house was not damaged. The house belongs to Fred Cooper and is next door to his home. The Lockney Volunteer Fire Department quickly extinguished the fire with water from their tank truck.

Mr. and Mrs. Dub Mercer and Tim, Mr. and Mrs. Donice Casey spent from Saturday until Monday vacationing at Ruidoso, New Mexico.

Mr. And Mrs. J. W. Lloyd Observe Golden Wedding

Mr. and Mrs. J. W. Lloyd celebrated their Golden Wedding Anniversary on Sunday, August 24, at their home one mile west and one mile north of Lockney. Calling hours were from 3 p.m. to 5 p.m.

Children of the couple are Mrs. Fred Dorman, Lockney; Mrs. Clarence Brandes, Vega; and Mrs. C. R. Brown, Rock River, Wyoming. All were present for the days celebration.

The honored couple have seven grandchildren and ten great-grandchildren.

A granddaughter, Mrs. Jake Jones of Kress, and Mrs. John A. Dorman, a granddaughter, by marriage, greeted the guests and presented them to Mr. and Mrs. Lloyd.

Mrs. Dorman also registered the guests at a writing stand, which was surrounded by a striking standing arrangement made of styrofoam, fashioned in the shape of a black buggy drawn by a roan horse. A floral arrangement of yellow chrysanthemums was entwined with gold satin ribbon which carried the legend of "50th", completed the design. The piece was a gift from Mr. and Mrs. J. S. Marshall of Plainview.

The receiving rooms and gift rooms were decorated with gold and maroon chrysanthemums.

The table was covered with a white cut-work cloth over yellow embossed cotton. A large jeweled golden oblong vessel held white chrysanthemums tied with yellow satin streamers to form a beautiful centerpiece. The floral decoration was flanked by white tapers placed in golden holders.

The anniversary cake was designed and executed by Mr. and Mrs. Lloyd's granddaughter, Mrs. Jake Jones. The cake was white and of four tiers, each tier being encircled with yellow roses. Placed on top of the cake was a golden "50th" in numerals, over which stood a white arch, from which hung a tiny golden wedding bell.

Golden punch and anniversary cake were served to guests by granddaughters, Mrs. Luther Brandes and Mrs. Jim Jones.

Crystal and silver complemented the table arrangement, which was completed by white napkins printed with a golden "50". White satin ribbon bows, imprinted with golden letters of "1908-1958" were presented to each guest as a remembrance of the day.

Sue Brandes, of Vega, a granddaughter, assisted the honorees in the opening and arrangement of the gifts.

Mr. and Mrs. Lloyd started their great day of celebration with their attendance at the

First Methodist Church in Lockney with some thirty-five members of their immediate family. A section of seats in the church was reserved for them, gold ribbon streamers showing the places of the honored family.

After church, the family met in the dining room of the Plains Hotel and Cafe for a family dinner. This, too, was an event, in that the grandchildren of the honored couple presented them with matching gold wedding bands during the meal.

Mr. Lloyd was born in Collin County on Nov. 7, 1882. Mrs. Lloyd was born Myrtle Hill on Oct. 18, 1888. The couple were married at Vernon, Texas, on August 22, 1908, in the home of Mr. and Mrs. J. A. Cartwright, sister of Mr. Lloyd.

Two members of that wedding party of fifty years ago were present for the celebration. They were Mrs. Ella Fink-leaf, Plainview, sister of Mrs. Lloyd, and Mrs. Cartwright.

Mr. and Mrs. Lloyd came to Floyd County in 1924, settling in the Aiken Community. They have farmed in the Floyd-Hale County area until Mr. Lloyd's retirement in 1948.

Approximately 100 guests attended or sent gifts for the occasion.

Out-of-town guests who registered were Mrs. Lucy Cartwright, Wichita Falls, and Mrs. Inez Barnett, Sherman, sisters of Mr. Lloyd; Mrs. Ella Fink-leaf, Plainview, and Charlie Hill, Wichita Falls, sister and brother of Mrs. Lloyd; Mr. and Mrs. Arnold Shires and son, Mrs. Don Weatherby, Louise Hilley, Keith Dilbeck and Mr. and Mrs. Bob Lyons, all of Wichita Falls; Hershel Hilley, Electra; Mr. and Mrs. Q. T. Brian and family, Abilene; Mr. and Mrs. L. C. Dorman and children, Cotton Center;

Mrs. Howard Hoosier, Mr. and Mrs. H. L. Stowe, Mrs. J. S. Marshall, Mr. and Mrs. R. J. Parks, and Mr. and Mrs. J. A. Glenn, all of Plainview;

Mr. and Mrs. Jake Jones and family, Kress; Mr. and Mrs. Jim Jones and daughter, Amarillo; Mr. and Mrs. John A. Dorman and daughter, Lubbock; Mr. and Mrs. Luther Brandes and family, Vega; Don Moore, Brownfield; and Lloyd and Sue Brandes, Vega.

Co-hosts and -hostesses for the occasion were the grandchildren of the honored couple, Mrs. Jake Jones, Mrs. Jim Jones, John A. Dorman, Luther Brandes, Don Moore, and Lloyd and Sue Brandes.

\$318,070 SS Payments Each Year In County

Old-age, survivors, and disability insurance benefits are being paid in the South Plains at the rate of \$6,520,860 a year, according to John G. Hutton, manager of the Lubbock social security district office.

"This is an increase of about 45% over last year," Hutton said. The increase for Floyd County was 63%.

"Our studies have shown that many of these aged people, widows, and orphans have little or no other resources," he pointed out. "For something like 9% social security benefits, received as an earned right, are the only cash income."

Hutton also stressed that while the benefits are intended primarily as basis for individual economic security, the payment of social security benefits at the rate of \$318,070 a year in Floyd County helps business generally because most of the money is spent immediately on food, clothing, and other necessities.

"This is especially important in a time of economic recession," he said. "Social security benefits are being paid nationally at a rate of more than 8 billion dollars annually."

Payments to a retired worker average about \$65 per month, Hutton said. The average for a widow with two young children is \$145. The maximum payment for a retired couple is \$162.80 a month, and the maximum for a family is \$200.

"There were several reasons for the increase in benefits over last year," Hutton said. One

was the payment of benefits to people who were brought under the law for the first time in recent years — self-employed farmers, for example. Other reasons for the increase were the reduction in the retirement age to 62 for women and the starting of disability insurance benefits to disabled people 50 or over.

Hutton agreed that one factor in the increase may be the business recession. "I'm sure some older people who would have preferred to keep on working have been forced to retire because of the general business conditions," Hutton said. "Also some mothers may be getting survivors insurance benefits for themselves as well as their children because they have lost jobs as a result of the recession."

"Many of these people would have been forced to turn to public assistance as soon as they exhausted their unemployment insurance rights," Hutton said. "The result would have been a further increase in public welfare costs, costs which are paid out of a general taxation."

Young Texas men between 21 and 35 years of age now have the opportunity to join the Texas Department of Public Safety as patrolmen. Write to the DPS in Austin for complete information.

ANNOUNCING

Payne's—

New Charge Account Plan

WE KNOW WOMEN IN THE PLAINVIEW AREA WILL WELCOME THE MODERN CHARGE PLAN . . .

In the simplest term it "revolves, renews, cycles, or extends itself at your option. In other words you pay as you purchase.

This is the newest form of charge account as adopted by leading department and specialty stores all over the country. Payne's will be the first in our area to offer it to you in Plainview. It has all the advantages of a 30 day account such as you now have with the option of extended terms. You may pay full the 10th of each month as you are now accustomed, or you may pay "half," "one third," or as little as "one fourth" of the current amount and tend the balance with a small carrying charge (only about one per cent) the remaining.

For example if your account this month is \$45.00 and you choose to pay \$15 and extend the balance, a carrying charge of 35c will apply to the \$30 balance.

You may use your regular account one month, and the extended special terms the next month, and back to your regular account as it suits your convenience.

You may add additional purchases and continue to exercise your privilege of paying a portion of the account each month.

No special arrangements have to be made. If you have an established account you signify your choice of extended uniform payments merely by paying one fourth to one half of the billed amount in the first payment.

The management will welcome an opportunity to further explain to old and new accounts by having you call at our office.

Enjoy 30 Day Account Convenience . . . And extended Term Privileges . . . The Modern Way To Enjoy Shopping.

RESULTS ARE TABULATED ON ONION FERTILIZATION TESTS

An onion fertilizing demonstration this season on the Lane Decker farm was carried on by County Agent Cecil Lewis and the crop was harvested in the latter part of July.

Reporting on the demonstration Lewis had the plots arranged in eight rows.

The No. 1 plot was fertilized in the proportion of 50-50-0, the second row 50-100-0, third plot 100-50-0 the fourth 100-100-0 the fifth 100-150-0; the sixth 100-100-100, the seventh, (as a check) 0-0-0.

On the eighth plot fertilizer was used 400 pounds 16-20-0; 100 pounds vitrea (45 per cent nitrogen) side dress, 50 pounds anhydrous ammonia side dress.

The fertilizer was applied before setting the onions with Nitrogen being in the form of ammonium Nitrate, Phosphorous as Super Phosphate (0-45-0) and Potash as muriate of Potash.

These rows were observed all during the growing season with the rows containing 100-100-0 and 100-150-0 showing the best top growth development. The row with the fertilized rate of 100-100-100 was yellow in color which could have been from too much salt.

Poor stands were noted in the test block as well as the whole field on onions which affected yields.

The No. 8 plot was the farmers regular fertilizing program. He applied 400 pounds of 16-20-0 before transplanting and side dressed twice with applications of 100 pounds of Vitrea (45%) and 50 pounds of Anhydrous ammonia (82%). His yields are included.

Three replications of 298 feet of row space were harvested through the field. These onions were then graded through the onion shed and the chart shows Jumbo, Medium and Culls.

Appreciation for making this demonstration successful goes to Lane Decker who furnished the land and plants and Harry Morckel, Morckel Chemical Company, who furnished the fertilizer.

Results were as follows:
 Row 1: 490 bags jumbos, 115 bags mediums, 77 bags culls, total 605 jumbos and mediums;
 Row No. 2: 503.3 bags jumbos, 96 bags mediums, 44 bags culls; total jumbos and medi-

ums, 599.3 bags;
 Row No. 3: 470.6 bags jumbos, 93.3 bags mediums, 55 bags culls; total 569.9 bags jumbos and mediums;
 Row No. 4: 685 bags jumbos, 66.3 bags mediums, 50.6 bags culls; total bags jumbos and mediums 751.3;
 Row No. 5: 561.6 bags jumbos, 115 bags mediums, 60 bags culls; total 676.6 bags jumbos and mediums;
 Row No. 6: 470 bags jumbos, 54 bags mediums, 67.3 bags culls; total 524 bags jumbos and mediums;
 Row No. 7: 345 bags jumbos, 109.6 bags mediums, 43 bags culls; total 454.6 bags jumbos and medium;
 Row No. 8: 435.6 pounds jumbos, 57.3 pounds mediums, 48.3 pounds culls, total 525.6 pounds jumbos and mediums.

VISIT SAN ANTONIO

Mr. and Mrs. Dee Williams, Lockney, accompanied by Misses Thelma and Alta Williams, Amarillo, spent Saturday and Sunday visiting with Clifton Williams in San Antonio. Clifton is in boot training at Lackland Air Force Base and enjoyed sightseeing during his guests visit in San Antonio. He has been at Lackland the past four weeks. The Williams returned home Monday night. They especially enjoyed seeing the historic Alamo, the missions and the Sunken Garden in Breckenridge Park.

Mrs. Margaret Turpin and little sons, Danny and David, of Dalhart, visited last week in the home of her parents, Mr. and Mrs. Clayton Weathers here.

Beef Calf Tour
 Wednesday, August 27 was inspection day for a portion of the Beef Steers being fed and fitted for the County Livestock Show.

The group met at the Agricultural Building in Floydada to begin the tour. The 4-H club members visited were Billy Don Colston, Darlene Mount, Warren and Neil Mitchell, and Francis and Mark Montandon.

Billy Don gave a demonstration on clipping a beef calf and Warren gave a demonstration on washing. Approximately 35 people attended the tour.

Visiting in the home of Mr. and Mrs. M. D. Lynn over the week end were Major and Mrs. Jess Schmidt, Pamela and Kennedy of Reese Air Force Base, Lubbock, and Mrs. Alva McCraw and son of Ralls.

Mr. Cotton Farmer!

At the end of last ginning season the Board of Directors of the Lockney Cooperative Gin made a careful study of our first year of operations. Considering the poor crop year, our record was not too bad. We believe that our ginning, our turnouts and samples were about as good as any in the Lockney area. However, your Board of Directors, being farmers and West Texans just as you, felt that being able to do a job "about as good" was not enough. Believing that every member of the Lockney Cooperative Gin felt the same, they accepted the challenge to give you the best ginning in the Lockney area.

They authorized the installation of a second Moss Lint Cleaner. This now gives us three stages of lint cleaning.

They also felt that the overhead cleaning and drying equipment could be improved. A new stick and burr machine has been installed, the capacity of the incline cleaner increased, and stacked the tower dryer. They repaired and generally reconditioned all other machinery.

We feel that we now have a FIRST CLASS GIN, a Gin that will give us a better turnout, a better sample and a Gin that all of the members can appreciate and patronize.

We would like to have you come by the gin whenever you can and look it over.

South Plains

By Mrs. Murray Julian

Revival services began Sunday morning at South Plains Baptist Church, and will go through Sept. 7. Rev. John Gillespie is evangelist, E. O. Adams, singer, and Donita Milton, pianist. Among visitors noted Sunday morning were Mr. and Mrs. Bob Reeves and children from Kingsville, Tex.

Thursday Pansy Baptist Church was host for an Associational WMU meeting, WMU president, Mrs. L. T. Wood, attended from here.

Alton Higginbotham, Kendis Julian and Eugene Beedy spent Wednesday in Canyon hunting places to stay this winter to attend West Texas State College.

Mr. and Mrs. Sylvan Kinnibrugh and girls attended funeral services Tuesday of J. C. Crabtree, 70, who lived in Lubbock, as a retired farmer. Services were held in Floydada. He was the father of Mrs. Chli McClure.

Mr. and Mrs. Jones Kinslow and boys have had her mother, Mrs. J. T. Scott of Lubbock, staying with them during the summer months. She is 82 years of age.

P. M. Smitherman is due here September 1 from Edmonton, Alberta, Canada, where he has been staying with his daughter, Mrs. J. Fred Cox and family since last April.

Mr. and Mrs. Shelby Calahan, Jerry, Beth, Randy and Johnnie left Friday with her brother, Mr. and Mrs. Billy Bean and children of Winters, Tex., who have been here visiting the Gilbert Beans and the Shelby Calahans since the first of the week. They came home Saturday night.

Mr. and Mrs. J. A. Kinnibrugh of Truscot spent Thursday with their son, the Sylvan Kinnibrugh.

Mr. and Mrs. George Weast left Friday for their cabin in Ruidoso, New Mexico, where they planned to spend the week end. Guests accompanying them were Mr. and Mrs. George Beedy of Plainview.

Mr. and Mrs. Frank McClure left early Sunday morning for Old Glory, Texas, where they were to attend a reunion of old class mates and all who went to school there in the past years. There were around 1000 who attended the reunion. The McClures spent the night at home and left early Monday morning for Houston where they will spend the coming week with their son, Mr. and Mrs. Donald McClure and children.

Mr. and Mrs. Dee Leach of Bakersfield, California, were visiting friends, Mr. and Mrs. Ernest Smitherman and Larry Thursday. He used to live with his family where the Stanfords now reside.

Mr. and Mrs. Grigsby Milton and Donita spent Saturday in Lubbock preparing an apartment where Donita will live as she begins business school next week.

Mr. and Mrs. Fred Fortenberry had as dinner guests Friday Rev. and Mrs. D. C. Read and three children of Willmon, Tex. (He was holding the Sterley Methodist revival of last week.) and Rev. and Mrs. J. W. Read, parents of Rev. D. C. Read.

Larry Smitherman and Kendis Julian spent Thursday at Roaring Springs where they attended the rodeo and did some swimming.

Elton Karr spoke at prayer meeting Wednesday evening and told among other things of the great need for missionaries to go to Oregon where he spent the past summer months. He will go to Wayland College, Plainview, this fall.

Mr. and Mrs. Richard E. Althof of Roscoe came Wednesday to visit their son-in-law's parents, Mr. and Mrs. Murray Julian, Kendis and Bruce, staying the night with them. They left Thursday. The Althofs and Julians plan a trip to Corpus Christi on September 8 where they will fish.

The first load of grain of the 1958 season was brought to the Clubb Elevator Friday, August 21, from the Fred and Elmo Fortenberry place.

The home of Mrs. Fred Fortenberry was the scene of a bridal shower at 2 p.m. Thursday honoring Miss Dorothy Newton and Leonard Moore who exchanged wedding vows Saturday night at the home of the bride's parents, Mr. and Mrs. E. W. Newton.

Containers of beautiful dahlias and canna lilies served as the table decor where Mrs. Wilson served pink punch, blue tinted cookies, and mints from a hand painted china service. Mrs. Pritchett registered guests in a white brides book, a gift of the hostess.

Presenting gifts were Mmes. George Weast, Horace Marble,

MRS. DANE CLARK
Mrs. Dane Clark Is McMurry Graduate

Mrs. Dane Clark, the former Joan Harris, daughter of Mr. and Mrs. Clark Harris, Lockney, received her BBA degree Thursday night, August 28, from McMurry College. The exercises were held in the Radford Memorial Student Life Center on the college campus.

Mrs. Clark was a member of the Spanish Club, served on the Intermural Council and Dormitory Council. She was an officer in Gamma Sigma Social Club and a member of Alpha Chi National Honor Society. She also served as an officer of Wah Wahayayce Service Club and was a Totem Yearbook beauty '57-'58.

Those attending the graduation included Mr. and Mrs. Clark Harris and Carolyn, her grandmother, Mrs. Jesse Harris, Plainview; Mr. and Mrs. E. Tannahill, Mr. and Mrs. C. L. Record, Lockney; Mr. and Mrs. L. L. Clark, Floydada.

Mr. and Mrs. Dane Clark are here this week visiting her parents and in Floydada with his parents. They will leave Saturday for Denver, Colorado, where he will further his career by studying at Colorado Institute of Arts. He completed his BBA degree at McMurry last spring.

Arby Mulder, Bill Beedy, Bryant Higginbotham, John Wilson, Grigsby Milton, John West, Sylvan Kinnibrugh, Thomas Pierce, Frank McClure, Early Pritchett, Elmo Fortenberry, Marilyn Kinnibrugh and Kathy Mulder, from here, Mrs. Walter Hollums, Mrs. Collis Roland and Mrs. Louella Roland from Floydada, and from Sterley, Mmes. Lewis Harston, H. B. Foster, G. A. McAda, Jim Colston, Hansel Sanders, Douglas Reves, and the honoree, her sisters, La Juana and Joann, and mother, Mrs. Ernest Newton were present.

Mr. and Mrs. Fred Fortenberry were in Tulla Wednesday to bring her mother, Mrs. N. C. McCain, here for a few days visit.

We are sorry to learn of the accident to Raymond Upton, South Plains grocer, who is in a Lockney hospital suffering a broken vertebrae in his back. Reports are he will be in the hospital for two weeks. He fell Sunday morning and was taken to the hospital in an ambulance.

Mr. and Mrs. Karl Craig of Halfway are working at the store and Karl is helping with farm work while Raymond is in the hospital. They will go to school at West Texas State for the fall term. Mr. and Mrs. Ronnie Upton and baby spent Sunday with his parents, Mr. and Mrs. Raymond Upton. They

left Tuesday to go back to Canyon where he is employed, and where he is in college at WTSC. School began Monday, Sept. 1, at South Plains, with J. M. Williams, principal; Mrs. Mary Vardeman and Mrs. Oscar Hewitt, teachers. New desks, new windows, natural gas in the building, concrete slab for tennis, basketball, and other games, new curtains in the auditorium, and new fixtures everywhere make for a beautiful school for the children to enjoy. All of the building has been repainted and new slides, hedge and grass with nice walks all around are just some of the projects which the school trustees have carried out this summer. The teacherage has been sold to the Marble Brothers.

Mr. and Mrs. Leighton Teeple had as week end guests Don O. Teeple of Waco and Sunday at dinner they had Rev. and Mrs. R. P. Barnard, and Mr. and Mrs. Gene Gilley as guests.

Mrs. John Wilson and Sue, Mrs. Rene Yeary and Jaqueline went to Petersburg for the singing Saturday night. Sue spent the night with Linda Elford and Mr. and Mrs. Wilson went to the Sunday afternoon singing in Petersburg and brought her home.

Miss Dorothy Newton and Leonard Moore of Joplin, Missouri, were united in marriage at the home of the bride's parents, Mr. and Mrs. Ernest Newton Saturday with Rev. John Gillespie performing the ceremony. The newly married couple will make their home in Joplin. They plan to go back there this Tuesday accompanied by Mr. and Mrs. Newton, Joann and La Juana.

Mr. and Mrs. Sim Reeves have had their son, Mr. and Mrs. Bob Reeves, Jean and Sandy with them since Monday of last week. Sunday guests included Mr. and Mrs. Raymond Reeves and Carol Ann, Mr. and Mrs. Walton Wilson and Judy of Fairview.

Harold Ellison has asked for

all 4-H boys and girls of the community or those interested in joining and their parents to come to an important 4-H meeting at the South Plains school house at 8 o'clock Monday night, Sept. 8.

Day At Plains Set

September 17, will be a big day for the Agricultural Plains. Preparations are being made for the annual Field Day at the Plains Station of the Texas Foundation at Lockney, Texas.

The tour will start at 8 a. m. and continue until 6:00 p. m. Eight stops will be made at various points along the route. Members of the Foundation and the tractor drawn by the visitors will carry the visitors to a quarter mile and a quarter mile who accompanied will be professional personnel from the Conservation District and Voluntary Agents and Agricultural Instructors in the High Plains area.

Signifying the crop conservation program, the soil conservation projects will be placed throughout the tour route.

Chambers of Commerce, Civic Clubs and Farm Organizations have offered to assist in conducting the Field Day by assisting as greeters, registrars, hosts, in parking cars and serving the barbecue.

The Farm Implement exhibit, so popular last year, will be larger this year, according to information received from company representatives.

Members of the Advisory Council and Investors in the Station are extending personal invitations in their neighborhoods. Some communities are organizing car caravans to bring their neighbors to Field Day.

Two Governors To Speak At Meeting

College Station — Governors of two states will tackle a common problem — water — at the fourth Water for Texas Conference Sept. 15-17 at Texas A&M College.

Gov. Price Daniel of Texas and Gov. George D. Clyde of Utah will address the opening session of the conference Tuesday morning, Sept. 16. Gov. Daniel will speak on "Texas Attacks Its Water Problems" and Gov. Clyde will discuss "Water — A National Problem."

Other speakers on the three-day annual conference will discuss such topics as plans for the overall development of Texas Water resources, soil properties in artificial recharge and storage and modifying water quality. Another phase of the program will deal with the water research needs of industry, of municipalities and of agriculture.

The conference, devoted this year largely to the agricultural aspects of water use, seeks to find ways through a united effort to meet the state's skyrocketing demands for water — in the city, in industry and on the farm.

Theme of the conference which is sponsored by Texas A&M is Watershed Management and Our Water Supply.

SCHOOL BUILDING COSTS ARE ESTIMATED AS HIGH AS \$600,000

The cost of building adequate housing for Lockney school students was estimated as high as \$600,000 in a meeting of the school board, architects and bondsmen Tuesday evening. Also meeting with the group was the citizens school committee which studied the building problem last Spring.

Architects offered the school three alternatives as follows:

1. Addition to the present high school building of home making and science departments, a band room and other needed rooms plus addition of a new cafeteria at grade school building, plus some remodeling in the present high school building, estimated cost \$380,000.

2. Construction of a new high school building on the land recently purchased by the school board from Mrs. Frank Dodson, including all needed classrooms, science and home-making departments, agriculture shop, a practice gymnasium and a cafeteria (combination auditorium and cafeteria), total cost estimated at \$528,000.

3. Same as No. 2 with the exception the cafeteria would be separate and a new auditorium to seat some 700 people would be added, total cost \$600,000.

Bond men present told the group of a soaring bond market at present and estimated that bonds sold now would require an interest rate of between 4 and 5 per cent. They further estimated that the required new bond issue added to the present bonded indebtedness would require a tax levy of around 70 cents per \$100 valuation to take care of interest and retirement. This coupled with the tax levy necessary for maintenance would require an increase in school taxes of possibly 30 to 40 per cent.

School board members were apparently cool to all the propositions and made no decision Tuesday night as to what course they may take. They will meet later to further discuss the matter. Supt. H. H. Nicholas said.

Present for the meeting in addition to the superintendent, members of the school board and members of the citizen committee were Marvin F. Stiles and Evan Roberts, of the architectural firm of Stiles, Roberts, Gee & Messersmith, Lubbock; Bill Smith of Plainview and Joe Smith of Lubbock of the firm of First Southwest Co.; Bob Davis of Amarillo, representing Columbian Securities; Howard Kenyon of Lubbock representing Rausher-Pierce Co.; Ransom Galloway of Lubbock representing Municipal Securities Corp.

School Class Officers Named

Class officers of the four classes in Lockney High School were elected Tuesday. Principal F. M. Smith announced the following officers:

Corinne Sanchez Named Lockney Fiesta Queen

Miss Corinne Sanchez, daughter of Mr. and Mrs. Urban Sanchez of Lockney, won the nomination for Spanish Fiesta Queen with a total of 28,049 votes from the Lockney area. Voting was by penny-a-vote. Miss Sanchez will be an attendant to the Fiesta Queen Ransom De Leon of Plainview during festivities scheduled to celebrate Mexico's declaration of Independence from Spain. She will wear the title of "Miss Lockney". The event will be held five big days, September 12 through 16 with a gala parade Saturday the 13th.

Other Lockney girls taking part in the queen's court will be Miss Rose Lee Gomez and Miss Bertha Amaya. They will ride on a float with "Miss Lockney" during the colorful parade headed by two Plainview bands. Crowning of the Queen will take place on the 16th.

Mrs. Battle's Brother Dies

Jim Bailey, brother of Mrs. R. J. Battle, Lockney, passed away Wednesday, August 27, at Wilton, Oklahoma, at the age of 65. Funeral services were held at Wilton Friday. Mr. Bailey was preceded in death by his wife who passed away July 18, 1958. Accompanying Mr. and Mrs. Battle to the funeral was their daughter, Mrs. A. S. Jones of Sterley.

Sept. 26 Deadline For Filing Soil Bank Request

College Station — Texas farmers have until Sept. 26 to file a request with their county Agricultural Stabilization and Conservation Committee for a maximum rate for their farm under the 1959 conservation reserve phase of the Soil Bank program.

Then, after the maximum farm rate is determined, farmers have until Oct. 17, 1958, to apply for a conservation reserve contract, according to I. H. Lloyd, who has charge of the Soil Bank program in the State ASC office. Lloyd and the State ASC Committee emphasize that under present legislation, there will be no acreage reserve program in 1959, and they urge farmers to become familiar with the conservation reserve.

Lloyd said 15 meetings were held in Texas during the week of August 11-15 for the purpose of training county ASC personnel in handling the 1959 program. Since these meetings have been completed, county offices are ready to accept applications from farmers for establishing the maximum conservation reserve rates for their farms. Rates will average \$12 per acre in Texas.
