Couple Will Observe 57th Anniversary

Mr. and Mrs. S. C. Quisenberry of Lockney will observe their 57th wedding anniversary quietly at their home Sunday, October 5. They expect to have their children and grandchildren with them for the occasion. Mr. and Mrs. Quisenberry were married on October 6, 1901 at Gainesville, Texas and have made their home in Lockney since 1924. They have four living children, Tandy, Charles and Lanuis Quisenberry, sons, and a daughter, Mrs. J. E. McMeekan. They also have a number of grandchildren and great-grandchildren. The family doesn't plan a public observance but they are looking forward to having members of the family together for the occasion. Mrs. Quisenberry is 85 years of age and "Colonel" Quisenberry, as he is locally known, is 82.

Six Will Receive Vocational Nurses Diplomas Tonight

The first group of graduates from Lockney General Hospital's School of Vocational Nursing will receive diplomas in exercises tonight at 8 o'clock at the High School Auditorium. The six graduates are Mrs. Maudie Wisdom, Mrs. Martha Mae Smith and Mrs. Bonnie Pigg, all of Lockney, Mrs. Ruby Johnson of Muncie community, Mrs. Elizabeth Deavenport of South Plains and Mrs. Dorothy Edmonds of Floydada. Speaker for the occasion will be H. H. Nicholas, superintendent of Lockney Schools. Dr. Pat Williams, a member of the hospital staff, will give the invocation and Dr. W. J. Mangold, chief of staff, will present the diplomas. Mrs. Wynona Lusk, R. N., and head of the school, will present pins to the graduates followed by the Florence Nightingale Pledge. Benediction will be given by Rev. Charles Broadhurst, local Baptist pastor. The graduates will be eligible to take the state examination for vocational nurses and become licensed if they desire. They have been attending school for 12 months, a part of that class room work and part practical training.

Story Book School To Open Oct. 8

Story Book School is the name of the new kindergarten to be opened here Wednesday, October 8, by Mrs. Ted Carthel. The school is located in the building formerly used by Mrs. J. D. Wood as Mother Goose School on Southwestern Second Street. Registration will begin at 8:30 Wednesday and school will be held daily, Monday through Friday each week. Mrs. Carthel says.

Weather Slows Harvest, Hands Still Scarce

The damp weather of the past week plus a continuing shortage of hands has made the harvest of cotton and grain a slow process in this area. Although no heavy rains have fallen this week as happened last week, showers and drizzly skies keep the ground wet. Rains last Friday totaled .40 of an inch here and another shower fell first of the week. Most every day has been cloudy, damp weather. A norther blowing in Tuesday morning dropped temperatures to a low of 42 degrees Wednesday morning but the weather man's prediction of a possible light frost failed to materialize. The norther helped to dry out the ground somewhat and cotton was coming to the gin at a much faster rate Wednesday.

A shortage of hands still plagues Floyd County also. One ginner at Lone Star said that at least 1,000 hands were needed in that community alone and other areas are in about the same shape. An early crop here plus good picking in Central Texas and the area below the Caprock has served to make a severe shortage of hands for the High Plains. The shortage is causing some farmers to consider defoliating and stripping.

The rains are expected to lower the cotton quality by at least one grade, gin men say, possibly two grades in some instances.

A survey by The Beacon Wednesday showed a total of 2564 bales ginned in this area this year. The survey covered gins at Lockney, Lone Star, Aiken and Sterley and revealed an increase of 1440 bales over the number of bales ginned at the same time last week. The four gins in Lockney have ginned a total of 1647 bales, an increase of 663 over last week.

Grain Harvest Slow

Elevator men report that much grain is ripe but the damp weather keeps the moisture content too high for harvest. Moisture is running from 16 to 19 per cent in most fields and most farmers are waiting for dry weather to avoid the penalty on wet grain. Probably less than 10 per cent of the grain has been cut. The Beacon was told.

County Exhibits At Area Fairs Are Outstanding

Floyd County has had outstanding exhibits at both the Tri-State Fair at Amarillo and the Panhandle - South Plains Fair at Lubbock. County Agents Cecil Lewis and Harold Ellison have been in charge of arranging the booths.

The exhibits in the booths are judged on an individual basis and at the Amarillo Fair County entries won 25 blue ribbons, 9 second places, 2 third places and 5 fourth places. Judging at the Lubbock Fair was not complete Wednesday.

Harper Infant Funeral Held

Graveside services for Vance Reddy Harper, day-old son of Mr. and Mrs. L. V. Harper, Plainview, were conducted Tuesday afternoon at 3 o'clock in Memorial Park Babyland, Plainview.

The infant who died at 9 o'clock Monday night in a Plainview hospital, was a grandson of Mr. and Mrs. S. A. Thornton, Lockney, and Mrs. Clarence Reddy, Floydada.

Survivors include the parents, one sister, Derinda; and the grandparents.

See New Chevrolet Models Monday

Arthur Barker Jr. and Barry Barker of Lockney Auto Company were in Oklahoma City Monday where they viewed the 1959 model Chevrolets. The new models will have many improvements both in appearance and performance, the local dealers say.

The 1959 Chevrolet will be shown in the local showroom on October 16th.

Lockney Dollar Days Are Set This Week End

Lockney Dollar Days are being observed this week end - Friday, Saturday and Monday - and a number of Lockney merchants are again offering many special prices on quality merchandise.

A look through this issue of The Beacon will reveal that you can buy nationally-advertised merchandise in Lockney at prices that will compare with or better those in the larger cities.

Check The Beacon this week and spend your money with your home-town merchant. He stands behind his merchandise and he'll treat you right.

Lettuce Price Holding, Yield Is Excellent

The lettuce price was holding at \$1.75 and \$2.00 Wednesday despite California growers dumping on the market. The yield on local crops continues good as does the quality.

After heavy rains last week the crews resumed harvest operations for Trautmann Bros. Sunday and were still going strong Wednesday. They have about 100 acres of lettuce on the Leslie Ferguson farm five miles north of town. This crop is some earlier than other crops and was damaged considerably by the wet weather. Field Foreman Boyd Martin said, Trautmann Bros. have shipped 16 cars from their crop thus far.

At the Lockney Vegetable Growers shed, seven cars have been shipped from Loyd Reddimer's crop. Harvest operations started there Monday morning. Bill Collier, manager of the shed, said that U. S. No. 1 lettuce was going at \$2.00 but that about 85 per cent of the lettuce was selling for \$1.75. The market Wednesday was described as "easy."

Yields are still running around 500 crates per acre and the quality is excellent except where rain has damaged the crop.

Sheriff's Dept. Has Busy Week

The Floyd County Sheriff's Department has had a busy week, returning two men to this county for trial, recovering two stolen cars and handling other matters.

Sheriff Walter Hollums went to Garland, Texas, early this week and returned Billy Gillespie to this county for trial. He is charged with theft over \$50 and is in jail at Floydada now.

Sheriff Hollums went to Panhandle, Texas, Tuesday where he took charge of M. L. Rummage, charged with burglary of Clark's Cleaners in Floydada. He is also in the Floyd County jail.

Officers report that the office of Southwestern Public Service Co. at Floydada was broken into Tuesday night and between \$150 and \$200 stolen. No arrests have been made.

A 1955 Buick car, stolen at Hobbs, N. M., was recovered by members of the Sheriff's Department Monday morning on a country road near Floydada. A 1953 model Oldsmobile, stolen in California, was recovered near Floydada Friday.

Pablo Valdez Salazar of Crosby County was arrested Saturday night at the Mexican dance here and charged with bootlegging. Officers confiscated five cases of beer. He pleaded guilty Monday morning in County Court and Judge J. D. McBrien set his fine at \$300 and costs.

Mrs. Bill Hodel and Mike are spending this week in Irving, Texas, visiting her sister, Mrs. Mike Thornberry, who is convalescing from recent surgery. Mr. Hodel accompanied them and returned home the first of the week.

The traditional battle between Lockney's Longhorns and Floydada's Whirlwinds for the Floyd County championship will be staged Friday evening at 8 o'clock on Mitchell-Zimmerman Field.

Floydada, boasting a record of four wins and no losses this season, will be a solid favorite to whip their ancient rivals. The two Floyd schools have met only once common foe - Floydada down Ralls, 8-6, two weeks ago and Ralls toppled Lockney, 15-0, last Friday. The Whirlwinds have also knocked off Wellington, Olton and Paducah.

Lockney has posted a two won, two lost record. The red and white have won over Hale Center and Tullia while losing to Dimmitt and Ralls.

There will be no district title at stake this year as in 1957. Floydada is in District 3-AA and the Longhorns play in District 2-AA.

The south Floyd County boys are strong on both offense and defense. Quarterback Don Vickers and halfback Bill Patterson, an all district end last season and one of the area's best all-around athletes, lead the Whirlwind attack. Bill Shipley and Bill Gilliland are defensive stalwarts.

The Whirlwinds have probably the largest club faced by Lockney this season. They are, as usual, a deadly passing club and have a good running attack.

Floydada was hit hard by graduation in 1957 and was predicted to have only an average team. The Whirlwinds have surprised everyone this season, now being ranked as one of the top AA squads in the area. Patterson, Vickers, Gilliland, Shipley, and several others on the team are juniors.

Coach Preston Watson's Whirlwinds will probably be without the services of Vickers as a quarterback this week. Vickers who has been the team's sparkplug, suffered a broken wrist in the Paducah game last week. He may be able to play another position. Several other Floydada boys are reported to be down with flu, but all will probably be ready for Lockney, according to a report from Floydada.

Injuries have also taken their toll in the Longhorn camp. Right halfback Jackie Don Calahan suffered a broken collar bone against Ralls and will be out most of the season. Calahan, who called signals and was one of the main cogs in Lockney's attack, will be sorely missed. He doubled as a linebacker on defense. Bill Race suffered a bruised hip against Ralls but will be ready to go.

In the past ten years, Lockney has won six games and Floydada has claimed four wins. Following are the scores: 1957 - Lockney 20, Floydada 14; 1956 - Lockney 33, Floydada 21; 1955 - Floydada 38, Lockney 0; 1954 - Floydada 33, Lockney 0; 1953 - Floydada 33, Lockney 6; 1952 - Floydada 32, Lockney 0; 1951 - Lockney 6, Floydada 0; 1950 - Lockney 21, Floydada 12; 1949 - Lockney 38, Floydada 13; 1948 - Lockney 15, Floydada 12.

While discussing the Ralls battle, the coaching staff cited several boys for their performances. The Big Red line, one of the best in the area, did another good job. Linemen singled out were Duane Griffith, who especially stood out on defense, Steve Handley, Byron Brock and David Roberson. The Longhorn coaches were well pleased with the running of Alvin Hayes, Lewis Eiland drew praise for his showing at outside linebacker.

The coaching staff thought their boys should have downed Ralls. Losing two boys to injuries in the first half kept the Longhorn attack from clicking.

SW Bell Asks Higher Rates At Floydada

Southwestern Bell Telephone Co. has filed a request with the City Council at Floydada asking permission to raise telephone rates in that city.

The request seeks to raise business telephone rates from \$9.00 per month to \$11.00 per month, one-party residence phones from \$5.00 to \$5.75 and two-party residence phones from \$4.00 to \$4.25.

The telephone company states in their request that they are losing money in operations at Floydada and the raise is necessary for them to show any profit on Floydada operations. By comparison telephone rates in Lockney are \$10.00 per month for business, \$5.60 for one-party residence and \$4.25 for two-party residence.

Infant Daughter Dies Saturday

Graveside rites were conducted Monday at Memorial Park Cemetery in Amarillo for Carolyn Ann Word, infant daughter of Mr. and Mrs. Melvin L. Word. Rev. Harold Elliott of the Friendship Baptist Church officiated.

The infant died Saturday at 8:15 p. m. at Northwest Texas Hospital in Amarillo. Survivors include the parents, one brother, Leon Word; the grandparents, Mr. and Mrs. W. T. Phillips of Amarillo and Mr. and Mrs. Herman Word of Lockney. T. J. Word of Lockney is the great-grandfather of the infant.

Bank Deposits Up From 1957

Demand deposits in the First National Bank are up more than a quarter million dollars over a similar period in 1957, according to the bank's statement of condition published in this issue of The Beacon. The bank's demand deposits are quoted as \$2,573,553.06 at the close of business on September 24 this year compared to \$2,295,399.92 at the close of business on October 11, 1957, an increase of \$278,153.14.

Total deposits have shown an increase also, though not as much as demand deposits. The present statement quote these at \$3,624,088.97 compared to \$3,469,625.19 in October of 1957.

Cash on hand is up some \$200,000 this year over the same period last year, the statement reveals. This item is quoted as \$702,467.00 in the current statement compared to \$504,139.20 a year ago.

Loans and discounts are more than a half million dollars less in the current statement than a year ago. The September 24 statement quote these at \$2,243,545.29 compared to \$2,869,006.32 a year ago. Both items include a small amount of CCC loans.

Compared to the bank's last statement, issued at the close of business on June 23, this year, all items on the current statement are lower. Cash on hand is less by approximately \$130,000 than June 23. Loans are some \$900,000 less. Both demand and total deposits are lower at present by about \$500,000 than on June 23.

"YOUR NEWSPAPER Guards Your Freedoms" is the theme for National Newspaper Week, October 1-8. American newspapers, by keeping their readers constantly informed with factual and objective information about the important internal and external problems our country faces, play a vital part in preserving Democracy. Only when you know the truth can you support what is good and condemn what is bad. Your newspaper bathes relentlessly to defend your right to know.

EVEN IN our community there are times when the newspaper finds it hard to get the facts concerning matters that are of public interest and concern the public welfare. Yet the newspapers part in informing the citizenship has done more to right wrong, correct abuses and bring about good government than any other one thing. The people have a right to know about affairs that concern them. To deny them that

right is the first step toward dictatorship.

NATIONAL NEWSPAPER WEEK is set apart that American people might give some thought to the part newspapers play in the American way of life. It is an important part. Newspapers everywhere deserve the co-operation and patronage of the people of their community.

IS THERE no end to the growth of the national budget? Is there no escape from the socialistic trend that will eventually bankrupt this nation and possibly lead to the end of the American way of life? The Federal Government anticipates a deficit of 12 billion dollars for 1959, most of which comes from the spending spree by the last Congress. Business Week magazine points out that most of the spending is NOT for defense but for pork barrel type spending. Election year has taken its toll on the American tax payers pocketbook.

TAX-MAN SAM SEZ: Travel and transportation expenses have been a big subject of conversation between tax men and business travelers during the past year. The Internal Revenue Service has always made thousands of audits of traveling men's expenses each year. The Service takes a dim view of personal vacations and non-business travel being charged off of the taxpayer's income tax as a business expense. If you have business travel expenses you should keep a careful record of your expenses. This record may come in handy for discussion purposes when the Internal Revenue Agent calls.

SINCE A MONTHLY investment plan for buying corporation stocks was offered to the public in January, 1954, investors have bought 2,397,756 shares with a value of \$93.8 million in this manner.

WHY THEY VOTED

After raising hoop-la over the Johnson-Yarborough vote on the Supreme Court bills, I ran across this bit of explaining of why they voted as they did:

Anthony Lewis in the New York Times, said Johnson showed "mastery" in defeating the court bills and was "largely responsible" for the result. Lewis indicated the interpretation Johnson's aids also voted that Sen. Paul Douglas's amendment to one of the court-limiting bills to "approve the Supreme Court integration decision" led to an extended brouhaha resulting in the defeat of the motion to table the bill, 46-39.

Johnson then went to work on the floor and in the cloak-rooms, lining up the votes to recommend the bill. Douglas' amendment never came to a vote. The bill was recommitted 41-40, Johnson and Yarborough voting to recommit.

Robert E. Baskin, writing in the Dallas News, put a different aspect on the situation. The liberals had "perhaps their greatest triumph" with this outcome, he said: "Johnson had a minor victory," escaping from his "worst dilemma" of the year.

While most Republican senators were preparing to support courtcurbing measures, Baskin said, they also were ready to vote for the Douglas amendment. They would limit the court but affirm its integration decision.

"Surveying this dangerous situation," Baskin said, "Johnson concluded that there was only one thing to do—send the measure back to committee."

Associates say he was convinced that the Douglas amendment would be tacked on to any court legislation that was passed. This would have amounted to a disastrous blow to southern conservatives and moderates.

Lewis said the liberals had not known the Douglas amendment was coming. Baskin said the liberals were prepared to back it solidly and could count on a lot of GOP support. It was always in the background on all the bills, he said. It was "regarded as one of the most successful stratagems to emerge at this session."

From the above it becomes quite clear that we no longer have a Democratic and a Republican Party. We have conservatives and liberals fighting it out and the middle-man has no place to go.

The liberal thinks he wants a dictatorial, centralized government. The conservatives, at least, is attempting to maintain the status quo. Where we go from here will be anyone's guess. — Cecil Waggoner in Claude News.

BENSON GAINING

Agricultural Secretary Benson who has been very unpopular with farmers of the south and to a great extent with farmers of the north and middle west, seems to be gaining in popularity these days. All of this has come about by the Senate passing a farm bill that featured Benson's philosophy that the federal government should back off from the fields of farm controls. Some of the Republican politicians are even suggesting that he would be a good Vice-President selection for 1960. One of the main things that has tipped the political scales in his favor is that they have begun to find out

that he has a strong following in the consumer areas of the larger cities where a tremendous load of votes are located, and that this vote is rising in importance and the farm vote is declining. There is no doubt but what the farm vote is dwindling. Farmers do not have the voting power they had a few years back. This has come about by some small farms being consolidated under one operation and former owners and renters moving to town and seeking employment. The agricultural areas had better be on their toes or they are going to soon be recognized as "has beens" when it comes to having a say so in farm laws. Big city folks believe the farmer is being kept in the high income bracket by subsidies from the government at their expense as tax payers and that is why their grocery bill is so high, down at the food market and other places where they buy supplies. There is an argument for both sides of the question, but the city folks are backing up their argument with votes. People are really flocking to town these days to live, or exist. — J. L. Suits in Petersburg Journal.

TRUE PLEASURE

Life has many rich adventures that endure through the medium of memory after the filling of the pie has been exhausted. As a boy I used to enjoy riding in a wagon with bare feet dangling from the end of the wagon box. True pleasure is seldom expensive. — Douglas Meador in Matador Tribune.

Dear Editor: I see where Vice President Nixon is a very prominent member of the NAACP, but sends his own kids to an all-white school, and some non-reverent individuals are saying this borders on insincerity.

My domesticated neighbor says it is not fair to Mr. Nixon to criticize him for failing to practice what he preaches in this case.

After all, this is a matter in which his own children are involved, and he likely forgot to ask his wife about it before he won on record.

Lost None Of Its Importance

College Station — Almost two out of every five Texans are engaged in agricultural production or in supplying machinery and other farm and ranch needs or in processing and distributing farm and ranch products. This amounts, says John McHaney, extension economist, to approximately 40 per cent of the State's population.

It is true, he points out, that 34 per cent of all Texans lived on farms in 1940 compared with only 11 per cent today, but this in no way means that agriculture is of less importance. Today 11 per cent of those engaged in agriculture are classed as suppliers as compared to four per cent in 1940 and 18 per cent process and distribute farm products compared with only seven per cent in 1940. This shift is of great importance, he means that others are now doing jobs which once were performed in a large measure by the producer. It has added efficiency to the industry and permitted the producer to concentrate on production.

In 1940 the average farm in Texas consisted of 367 acres. Today's farm contains over 500 acres and is highly commercialized with thousands of dollars invested in capital operations. Farmers are buying more items in town and marketing more agricultural products than ever before in history but it must also be remembered, says McHaney, that costs of operation are also much higher.

The self-sufficient farm is no more. Texas farmers and ranchmen annually go to the market place for about \$59,000,000 worth of machinery; \$106,000,000 worth of petroleum products; spend \$4,000,000 for construction materials; \$18,000,000 for pesticides; \$31,000,000 for lime and commercial fertilizers; \$221,000,000 for feed

At Lubbock Christian College

The Second Annual Biblical Lectureship of Lubbock Christian College will begin Sunday night, October 5, with a great mass meeting at the Lubbock Municipal Auditorium and continue through Wednesday, Oct. 8. Dr. George S. Benson, President of Harding College, Searcy, Arkansas, and a well-known lecturer, will be key-note speaker at the opening meeting. His topic will be "God Calls us to Great Service."

On Monday morning the program will shift to the new Administration building of Lubbock Christian College, with classes beginning daily at 8 a.m. Eight classes, covering a wide range of church activities, will be offered by teachers and ministers of Lubbock and vicinity. A chapel program for students and visitors will be conducted each morning at 10, followed by missionary reports at 11 o'clock.

Panel discussions, lectures, and a second short series of classes will follow the afternoon program. Six classes will be offered at 4:15 daily.

John H. Banister, evangelist and television preacher of the Skillman Avenue Church of Christ, Dallas, will speak Monday evening on "It is God Who Worketh in You." Dr. Frank Pack, Professor of Bible, Abilene Christian College, will bring the address Tuesday night on "The Relation of Faith and Works." The final evening program, Wednesday, October 8, will present one of the great colored evangelists of America, Marshall Keeble, former President of Nashville Christian Institute, Nashville, Tennessee, speaking on "Training for God's Service." All evening programs will be held at the municipal auditorium.

State FB Board To Meet At Lubbock Oct. 9

Lubbock. — All Farm Bureau members in the South Plains area are invited to attend a banquet at 7 p. m. Oct. 9 at the Lubbock Hotel, according to H. L. King, Brownfield, District 2 Farm Bureau director.

The banquet will be held at the conclusion of a three-day meeting of the board of directors of the Texas Farm Bureau. This will mark the first time for the TFB board to hold a meeting in Lubbock. J. H. West, Bishop, president of the state farm organization, will be principal speaker at the dinner meeting.

Tickets will be sold at the door of the banquet meeting room.

The TFB board adopted a policy in July of holding its regular quarterly meetings in various cities of Texas so that board members might become better acquainted with agricultural conditions in different sections of the state.

The regular October meeting of the board will get underway Tuesday, Oct. 7 at the hotel. Members of the board include D. M. Womble, Morse, Dist. 1; King, Dist. 2; Loys D. Barbour, Iowa Park, Dist. 3; J. T. Woodson, Gober, Dist. 4; Edwin Sanderson, Paris, Dist. 5 director and TFB secretary-treasurer; C. H. DeVaney, Coahoma, Dist. 6 director and TFB vice-president; B. J. Gist, Abilene, Dist. 7; S. W. McClaren Jr., Cameron, Dist. 8; Glen Mettauer, Chireno, Dist. 9; H. C. Brinkceter, Beeville, Dist. 10; A. C. Machemehl, Bellville, Dist. 11; Richard C. Miller, Orange Grove, Dist. 12; and Glenn G. White, Donna, Dist. 13.

CARD OF THANKS

We want to express our sincere appreciation for the many expressions of kindness and sympathy shown us during our bereavement. The flowers, food, and every word of comfort were appreciated more than words can express. May the Lord bless and keep you.

Slide Church Wins Achievement Award

Dallas—The Little Slide Baptist Church near Lubbock was named winner this week of the District 9 Church Achievement Award sponsored by the Baptist General Convention of Texas.

District missions secretary Franklin E. Swanner of Plainview said the church conducted an extensive church improvement program to win the coveted award. A new \$8,500 educational building was completed with members volunteering nearly all the labor.

Other educational classrooms were remodeled, the new unit was air conditioned, the pastor's study and church auditorium were painted and church grounds were landscaped during the year.

Of 110 goals outlined for the program last fall, all but one was completed. It involved having a standard men's brotherhood organization and this

Longhorns Lack Scoring Touch, Lose In Last Half

Lockney scoring punch meant defeat for the Lockney Longhorns Friday evening as they lost a hard-fought, 15-0, game to the Rabbits Jackrabbits. The game was played at Jackrabbit Stadium before approximately 1,200 fans.

Lockney completely dominated the first half, having a rushing attack that kept the Rabbits' defense from stopping short of the end zone. The game's complexion changed shortly after intermission with the Rabbits scoring on a 34 yard pass play and a 30 yard

Longhorn attack bogged down the last two quarters. The Longhorns had eliminated halfback Jackie Don Calahan from the game. Calahan, who has been plagued by a collar bone and will probably be out of action until the season, Race suffered a bruised hip.

The highly-touted line was held around, especially in the first two quarters, by the Big Red forward wall. Griffith, Byron Brock, Smith all played a tremendous game as did David Mason, Ricky Davall, Milton Brown, Mickey, Steve Handley, Mike Harris, Lewis Eiland, Mangold, Wayne Cooper and up well on the defense.

Alvin Hayes stood in the Longhorn backfield. Hayes played halfback as Race went out, then moved to fullback. On the last play, Alvin grabbed two

The home team gained 6, passed incomplete as the third quarter came to an end.

Ralls made a first down on the Longhorn 21 as the third quarter opened. They made 4, 3, before Griffith dropped the ball carrier for a 3 yard loss. Clark covered a loose ball on Lockney's 1 yard line.

Hayes gained 1. Thornton went for 5. Thornton lost 2. Minter punted to Lockney's 48.

The Rabbits gained 5, 2, passed for a first on the 30. Boydston ran 30 yards to add six points to Ralls' score. Boydston kicked the extra point. Score: Ralls 15, Lockney 0.

Hayes, on a nice runback, returned the kickoff from the 11 to Lockney's 37. A pass went incomplete. Wheeler picked off a Longhorn aerial on Ralls' 44 and ran back to Lockney's 36.

The Rabbits were charged with holding, pass incomplete. Hayes pulled the Big Red out of a hole by intercepting a pass on Lockney's 23 and moving back to Ralls' 48.

Minter was trapped for a 12 yard loss on an attempted pass. Hayes made 2. Minter passed to Roberson for 17. Clark gained 3 but was just shy of a first down on Ralls' 38.

The Jackrabbits gained 4 before Harris covered a fumble on the home team's 48.

Minter kept for 8, a 15 yard illegal holding penalty nullified a nice gain by Minter. Minter slipped and lost 9 on an attempted pass. Minter punted to the Ralls 41.

The Rabbits ran the clock out with ground gains of 4 and 2.

Homecoming At WT October 11

Canyon. — Preparations are underway for West Texas State College's annual Homecoming celebration, which will be observed here Saturday, Oct. 11. Most events will be similar to those held for the past few years at WT homecomings, with only a few changes in the calendar. The football game between WT's Buffaloes and the Texas Western Mines will climax the day's events at 8 p. m.

Planned this year are departmental open houses from 2 until 4 p. m., club and organization teas and smokers from 4 until 6 p. m., and a dance following the game, from 10:30 p. m. until 1 a. m. Silver anniversary reunion of the Class of 1933 will be observed, with a special program for the class planned during the morning. An open house for class members is scheduled at 7:30 p. m. Oct. 10 at the Houston Bright home, with the reunion to be held in the Fine Arts Hall of the Panhandle-urday morning. Ex-students will begin registering during the morning with the first affair at 11:40 a. m., when a business meeting of the WT Ex-Students Association will be held.

WT's barbecue, long a part of the traditional Homecoming program, will give way this year to meals in the college cafeteria, where a special Homecoming menu will be served from 11 a. m. until 6 p. m. Cafeteria manager Bob Clark plans chicken and ham.

CHOCOLATE LEAVES

Wash and dry 15 to 20 thick leaves, such as ivy, laurel or philodendron. Melt four squares of unsweetened chocolate over a low flame, stirring it constantly until completely melted. Turn off the flame and spread the chocolate on the undersides of the leaves in a smooth, thick coat. Chill in the refrigerator until firm. Insert the point of a knife at the tip of the leaf and gently remove the chocolate leaf from the real leaf. Use as a garnish on cake, chiffon pie or ice cream.

Tech Registration Reaches 8602

Lubbock — Texas Tech has a fall semester registration of 8,602 students—a new all-time record.

However, 9,000 or more students had been expected. Admissions Dean Floyd Boze said earlier estimates probably were off because more students than usual turned in entrance applications early.

Applications through the summer ran 10 per cent or more ahead of last year, he explained. In the past, that has indicated a considerable increase in students.

Mrs. E. Joe Foster Honored At Shower

Mrs. Eddie Joe Foster was named honoree at a Layette Shower given Tuesday afternoon in the home of Mrs. Ted Carthel.

Mrs. Carthel met the guests and presented them to the honoree, her mother, Mrs. J. R. Belt, and Mrs. E. J. Foster.

The refreshment table was laid with lace over green and centered with a cloud and a white tree hung with egg shell bassinets holding tiny baby dolls. The colors of green and yellow were predominate in the decorations. Punch, cookies and mints were served.

Hostesses were Mmes. Warren Mathis, Delton Jack, Harold Duvall, C. H. Farish, Denny Quisenberry, Hershel Carthel and Ted Carthel. Their gift was a travel bed.

Mr. and Mrs. Eddie Joe Foster are moving to Wichita Falls where he will attend accounting school at Sheppard Air Force Base. They are both recent graduates of Texas Technological College.

Mrs. Joe Taylor Shower Honoree

Mrs. Joe Taylor was honored at a Layette Shower Thursday, Sept. 23 from 7:30 to 9:00 p.m. in the home of Mrs. Raymond Meriwether.

Guests were received by Mrs. Meriwether, the honoree and her mother, Mrs. J. P. Taylor of Cedar Hill and Joe's mother, Mrs. C. J. Taylor, Lockney.

The refreshment table carried out the colors of green and pink. Covered with a pink linen cloth the table was centered with a crystal punch bowl holding green punch and surrounded with pink carnations. Plate favors were tiny pacifiers designed of life savers and jelly beans.

Hostesses were Mrs. Donald Reecer, Mrs. Raymond Meriwether, Mrs. Bill Sherman, Mrs. Carroll Minor, Mrs. Raymond Meriwether and Mrs. Troy Stafford. Their gift was a gown and bed jacket.

Approximately 45 guests called or sent gifts. Scripture: "Seek ye first the kingdom of God and his righteousness, and all these things shall be added unto you." Mat. 6:33. Her motto is found in 2 Tim. 2:15; "Study to show thyself approved unto God, a workman that needeth not to be ashamed rightly dividing the word of truth".

For a reception which followed the service, the refreshment table was laid with lace over pink and centered with an arrangement of pink mums and fern accented with a pink satin bow and backed with foliage of white flowers. In front of the flower arrangement was a white Bible opened to the Worthy Advisor's chosen scripture and marked with a spray of rainbow colored streamers. Spiced tea, poured from a silver service, was served by Miss Ann Griffith. Miss Lawana Taylor served cake squares iced in white and topped with a pink "J".

MISS HARLEEN WORKMAN

Couple Planning December Wedding

Mr. and Mrs. John Harley Workman of Lockney announce the engagement and approaching marriage of their daughter, Harleen, to William M. McAda, son of W. V. McAda, also of Lockney.

The wedding is scheduled to take place at 4 p.m. on Sunday, December 14, at the First Methodist Church in Lockney.

Both are 1954 graduates of Lockney High School. Miss Workman is also a graduate of Texas Woman's University at Denton. McAda is a senior mechanical engineering student at Texas Tech, Lubbock.

Named Officers In BWC Federation

Mrs. Howard Cooper was named president of the Associational Business Women's Federation in a meeting held Monday night at First Baptist Church in Floydada. Mrs. Claude Brown, also of Lockney, was elected as secretary of the organization to serve with Mrs. Cooper for a two-year term.

Other officers elected at the dinner meeting were Mrs. Roy Brown of Silverton, 1st vice-president; Mrs. W. R. Puckett, Floydada, 2nd vice-president.

The table and dining room were beautifully decorated in fall colors depicting the harvest season.

The program included two vocal duets, a reading by Helen Foster and an inspiring devotional by Mrs. J. D. Simpson, all of Floydada. Jo V. Bingham, president of Floydada B.W.C., gave the welcome and introduced the program.

Among the approximate 45 guests from Matador, Lockney and Floydada were Mmes. Sid Thomas, Hilburn Casey, Claude Brown, Edgar Hays, Dub Mercer, Marvin Cox and Howard Cooper from Lockney.

More Than 200 Attend Fall Fashion Show

More than 200 guests attended the Fall Fashion Show sponsored by El Progreso Study Club for the benefit of the American Cancer Society and presented by Mrs. Floyd W. Jackson of Jack & June Shop Saturday afternoon in the High School Auditorium.

Enhanced with beautiful floral arrangements and fall decorations furnished by Plains Floral Shop, the atmosphere of autumn prevailed as colorful fashions were modeled. Wearing apparel for all occasions for infants and students of grade school, junior high, high school, college, and adults were shown. The styles varied from the conventional dress to the extreme trend of the '20's. Seventy-one models took part in the show.

Mrs. Robert Lee Smith was narrator and Mrs. C. L. Record furnished the musical background with selections played on an organ furnished through the courtesy of Hammond Organ Company, Lubbock.

Mrs. Chester Mitchell, president of El Progreso Study Club, welcomed the guests and expressed special appreciation to those who helped in any way to make the program a success. In addition to those already mentioned as contributing to the show, special thanks was expressed to Brunner Lumber Company, Parker Furniture Company, M. L. Brewer and the Ag boys for their help.

Mrs. Frank Brown won the door prize which was a Bobbie Brooks sweater.

Mrs. Henry Hodel and Mrs. Clyde Applewhite greeted the

guests and Mrs. C. J. Taylor presided at the register. Mrs. Clyde Briley, assisted by Mrs. Barry Barker and Mrs. E. M. Quebe, served refreshments from a beautifully appointed table.

Ushers, Debra Ferguson and Shirley Mitchell, handed out attractive folder programs emphasizing the program theme of "Mirror, Mirror on the Wall, What Will I Wear This Fall?"

Out-of-town guests included Mmes. W. S. Tannahill, Ft. Worth; Sophia Heinz, Fowler, Kansas; O. S. Beebe, Montezuma, N. M.; Mayme Lee Collins, Lottie Russell, and Gusta Davis, all of Crowell; E. R. Bryant, Fountain, Colo.; Hestand Bennett, Decatur; Bill McCarter and Barney Manning, Wichita Falls.

Registering from Floydada were Mmes. Jack Stansell, J. B. Smitherman, T. R. Assiter, B. A. Roberson, Dean Davis and Frank Webb.

From Plainview were Mmes. Virginia Williams, Doris Meriwether and Susan, Jewell Snodgrass, V. D. McLaughlin and Mary Ann, Carl Jackson and

South Plains

By Mrs. Murray Julian

Cloudy, damp weather prevails here since last week's rains which brought 2½ inches rain at Shelby Calahans, 1.65 at Bryant Higginbotham, around an inch in western areas, and about .85 in the eastern parts of South Plains. Cedar Hill had no rain and farmers were pulling cotton there. Many combines are standing ready to cut the grain when the weather dries.

There was no school at South Plains Monday. J. M. Williams took pupils of the 6, 7, and 8th grades to Lubbock for opening day of the South Plains Fair. H. S. Calahan Jr. drove the bus.

Mr. and Mrs. Arby Mulder spent Thursday in Amarillo where they attended the Tri State Fair. Monday they went to the Lubbock Fair.

Mrs. E. L. Morrison went to Lubbock Friday for a medical check and brought Donita Milton home for the week end.

Mr. and Mrs. Frank McClure visited their children, the Don McClures Thursday night.

College youngsters home during the week end were Alton Higginbotham, Kendis Julian and Eugene from West Texas at Canyon and Donita Milton from Lubbock.

Mrs. George West and Mrs. Frank McClure were among those from here who went to Lockney Saturday afternoon to attend the style show. Mrs. Don Marble from here was one of the pretty models in the style show.

New Water Study Program At High Plains Station

A new water study program will be included in the 1959 Research Program at the High Plains Station of the Texas Research Foundation at Halfway. This program proposed at the June meeting of the Advisory Council received the final approval at their Fall meeting during the second Annual Field Day, Wednesday, September 17th. A new staff member, to be added January 1st, will have charge of the research on irrigation, the recharge well, saving of surface water by use of a centrifugal pump for irrigation or recharge, conservation of tall water and relationship of irrigation to fertilizer and to crop quality and yield. Some of these projects, already in operation, will receive more intensive study with the employment of the new staff member.

1959 and the budget to make the program possible were established at the Council meeting. C. H. Janeway, Field Representative, who has been on temporary assignment at the High Plains Station from the Texas Research Foundation was made a full time member of the High Plains Staff by action of the Advisory Council and Dr. C. L. Lundell, Director of the Texas Research Foundation.

TO HAVE OPERATION

Ewald Quebe will undergo ear surgery Friday at Methodist Hospital, Lubbock. A new method of operation is hoped to correct a defect in the ear which occurred with an illness some 25 years ago. Mr. Quebe states, He will enter the hospital Thursday and expects to be released Wednesday of next week.

The man who tries to please everybody shows little respect for his own way of thinking.

☆☆☆ National ☆☆☆ NEWSPAPER WEEK

State Health Dept. Warns Of Cigarette Danger

It all started with Sir Walter Raleigh and a Y-shaped pipe. The pipe was a gift to Raleigh from Sir Francis Drake—a souvenir from the West Indies, where natives put the pipe prongs in their nostrils and inhaled the smoke of a smoldering substance they called "tobacco."

Raleigh apparently set the style of his day, for when he took up smoking the practice soon became fashionable. All this happened nearly 400 years ago—in 1586. Since then smoking has become the most deeply ingrained habit of humanity.

Today in the United States alone, more than half the men and a fourth of the women smoke cigarettes daily, and additional millions smoke pipes and cigars. Altogether it adds up to almost 40,000,000 smokers—26,000,000 men and 14,000,000 women—out of an adult population of approximately 90,000,000.

The seriousness of the smoking habit has been made clear in a recently finished study by the National Institutes of Health. Results of the study, already widely publicized, indicate a strong and undeniable relationship between cigarette smoking and increased death rates from lung cancer and heart disease.

The studies reveal a death rate among cigarette smokers 58 per cent greater than the rate for non-smokers. Moreover, it shows that heavy smokers die off quicker than light smokers.

In addition to lung cancer and heart diseases, smokers run a much greater risk of dying from such diseases as bronchitis, pleurisy, ulcers, and cirrhosis of the liver.

The connection between cigarette smoking and high death rates has been so definitely proved that cigarettes would probably be banned for public sale if introduced as a new product on today's market.

The British Ministry of Health for some time has been warning about the hazards of smoking. Now the U. S. Public Health Service has begun a similar campaign.

The Texas State Department of Health will support such a drive to the fullest.

The late Dr. William Mayo used to say that cigarettes, cigars and pipes were nothing more nor less than "adult pacifiers," something for idle hands to play with. If true, breaking the smoking habit probably isn't as hard as it is supposed to be.

Should you, personally, make the effort? That's your decision. But while you're making it, keep in mind that the best research talent in the world is convinced that heavy smoking shortens life.

CROSS ROADS REPORT

Dear Editor:
I see where it says in the papers that Paris has left many a dress factory holding the sack, as it were, by calling off the drive to barrelize women.

But my hard neighbor says likely the dress makers will squirm out of this dilemma somehow and escape what they have coming to them.

He figures they will still make lots of sales to style laggards who haven't yet got around to getting their sacks, and what's left in the stores can probably be sold out as slip-covers for camels.

Market Hogs At Correct Weight For Top Income

College Station — Hog producers can help the marketing situation by going to town with animals when they reach the top weight of 200 to 225 pounds. E. M. Regenbrecht, extension swine husbandman, advises hog feeders against marketing overweight animals. No practice, he says, has a worse record for weakening the market.

If hogs are fed beyond the top weight of 200 to 225 pounds, more than two-thirds of the additional gain will be fat. Too, points out the specialist, more feed will be required to make each pound of gain to say nothing about market penalties for the extra fat.

The problem of dealing with overfinished hogs doesn't end at the market. The packer must trim and merchandise the fat which is already a burdensome surplus. Too, many times the retailer must do more trimming on the cut to make it acceptable to the consumer.

By marketing hogs at the correct weight, Regenbrecht says the overall marketing situation will be improved which includes the maintenance of top prices.

To take the guess work out of knowing when hogs reach the top market weight, the specialist suggests that hog feeders install a set of scales. They are not only needed for determining accurate weights but will more than pay for themselves by making available to the feeder valuable information on gain weights and feed efficiency and will permit the grower to check litter and weaning weights.

And I Quote . . .

"The secret of life is not to do what one likes, but to try to do what one has to do." — Dinah Muloch Craik.

"Conformity in behavior is a human necessity; conformity in patterns of thought a human danger." — Crawford H. Greenwalt.

"The best time for parents to put the children to bed is while they still have the strength." — Homer Phillips.

"If you have a philosophy that life must be kind to you, you're licked before you start." — Universalist Leader.

WHICH PIZZA FOR YOU?

American ingenuity applied to an Italian food specialty gives the cook a choice of four methods for making pizza pie, methods that vary from 15 minutes to two hours for completing. You can start from scratch. Make a yeast dough like the authentic version that is made in Naples. Or, start with the packaged pizza pie mix that saves measuring the ingredients. Biscuit mixes and packaged refrigerator biscuits require much less preparation time as rising periods are eliminated. Starting with English muffins takes the least time of all. One step all methods have in common is that they must be baked in a hot oven, 400-500 degrees, for at least 10 minutes.

RULE-OF-THUMB MEASUREMENTS

Measuring spoons and cups and thermostatically controlled ranges have reduced much of the guess work and rule-of-thumb measurements that grandma had to use. For the puzzled bride, who is trying to interpret "his" mother's special recipes, here are a few tips from the home economists: Butter "the size of a walnut" is about 1 tablespoon, "a pinch of salt" is about 1/4 of a 1/4 of a teaspoon, a handful of flour is approximately 1/4 of a cup and a pound of spaghetti is close to the amount you can hold in your hand when your thumb and forefinger meet.

It'll pay you to remember that the cost of experience has gone up like everything else.

T. B. Cox of Hart was hurt recently when the horse he was riding reared up and fell with him. Mr. Cox was working on his ranch near Portales, New Mexico, when the accident occurred. He received a deep cut on his leg. It took 42 stitches to close the wound.

Mr. Cox was four miles from the ranch house and he rode the horse back to the house. He passed out once trying to reach help. When he finally reached the ranch house Mrs. Cox then carried him 12 miles to the hospital.

Mr. Cox is reported to be improving at his home now. He is a former resident of this community and has a number of relatives here.

Pioneer Natural Gas Co. laid 380 feet of line in south Lockney. The line is along the Lockney Loop lines. The work was done early this week.

Adventures in ADVERTISING

Mark Twain's Story OF THE READING SPIDER

Twain wrote: "Finding a spider in your newspaper is neither good luck nor bad. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward."

You will find no spider webs across the doors of the merchants who advertise in your local newspaper.

To: Bobby's Church School Teacher
From: Bobby's Parents

"You're O.K."

That's the highest praise in our Bobby's vocabulary! You must be as busy as we are . . . keeping house, raising a family, meeting all the challenges of parenthood.

Yet you volunteered to teach a dozen boisterous boys the great truths of Christianity.

You sacrifice hours every week . . . in preparation, in prayer, in patience.

But, because you are part of the Church—the one institution which lives to serve God and man—we have taken you for granted.

We'll be at worship next Sunday. Bobby wants us there. And seeing what the Church means to him, we want the same spiritual foundation for our own lives.

Thank you! We marvel at all you have done for Bobby without our help and example. How much more we will accomplish together . . . Bobby's parents, Bobby's teacher, and OUR God.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Lockney Band In Fair Parade

MRS. GILBERT HULS

Mrs. Huls Is Honored On 88th Birthday

greeting cards received by Mrs. Huls expressed the general opinion of all who know this gracious lady. The card reads: "To One Who Will Always be Young".

Mrs. Huls' beauty of character radiates her very being and her 88 years of living has served only to deepen these qualities. She is still young in spirit and enjoys traveling as a special hobby. She is looking forward to making an annual trip this month with her daughter, Mrs. Miller, to Kansas where she grew up, and to points in Oklahoma where she reared her family. Four of Mrs. Huls' six children still live in Oklahoma. They are Leslie Huls of Perkins; Lloyd and Phil Huls, Eufaula; and Mrs. Marie McLain, Oklahoma City. Glen Huls lives in Bentonville, Ark.

Mrs. Huls has 10 grandchildren, 12 great-grandchildren and five great-great-grandchildren, Bobby and Debra Miller, children of Mr. and Mrs. Bob Miller, Lockney, helped in the birthday celebration.

Mrs. Huls moved to Lockney in 1927 with her husband who was in the drug business here until his death in 1951.

The Lockney Longhorn Band was one of the 28 high school bands of this area which marched in the parade of bands at the Panhandle South Plains Fair at Lubbock Monday. Thousands lined the streets to see the parade, among them many Lockney folk.

The Floydada Whirlwind Band won first place in the Class AA division and Abernathy won second place. Hale Center won first in the Class A division and Crosbyton won second. Olton won first in Class B and New Deal second. First prize was \$100 and second was \$50 in each division.

The Floydada Band won without the services of their director, Maurice Jones, who was away due to the death of his father at Colorado Springs, Colo.

Dayley Apartment House Is Sold

Mrs. Della Dayley has sold the large apartment house at the east end of College Avenue to Mr. and Mrs. W. A. Rushing. Mr. and Mrs. Rushing moved into the house Sunday and have been busy cleaning, painting and fixing it up. They have some apartments available now, Mrs. Dayley said Wednesday.

Raymond Rucker Is Re-Elected President Of Loan Association

Raymond Rucker of near Lockney was re-elected president of the Floydada National Farm Loan Association at its annual meeting recently at Floydada. Other directors of the association named at the meeting were J. T. Persons, Carroll Garrison, Edgar Lee, Menard Fields, John C. Irwin and Tate Jones.

Jake Watson is secretary-treasurer and Jo V. Bingham assistant.

Membership of the association now includes those in Floyd, Motley and Briscoe Counties and Precinct 4 of Hall County.

INJURED IN FALL
W. W. Miller received a deep and painful cut on one of his legs Wednesday night of last week when he slipped and fell from a tractor. He spent from Wednesday night until Friday in Medical & Surgical Hospital receiving treatment. The cut required some twenty stitches to close the wound. Mr. Miller is recuperating nicely.

OFFICIAL PROCLAMATION OF NATIONAL BUSINESS WOMEN'S WEEK

I, J. E. Cox, Mayor of the city of Lockney, Texas, do hereby proclaim October 5, 1958, through October 11, 1958, to be

NATIONAL BUSINESS WOMEN'S WEEK

This annual Week, sponsored throughout the United States by The National Federation of Business and Professional Women's Clubs, Inc. is set aside to pay tribute to women in business and the professions, and the contribution they make to the nation. The theme of 1958 "National Business Women's Week" is "More Power with Womanpower".

SOFT SOAP

It's easy to acquire a reputation for wisdom just by applauding the opinions of your friends.

Dear Editor:
I note a statistic which says the people in Washington, D. C. average drinking 6.7 gallons of liquor per year.

My sober neighbor says maybe this accounts for Congress spending money, as the saying goes, like a drunk sailor.

But says this news of high alcoholic intake among our leadership can at least give us some hope that the shape we are in is not due to inherit stupidity as much as to a remediable condition like cocktail fog.

WHEN YOU BUY HOUSEWARES

If you need a new stapula or pancake turner, look for flexible metal with smooth finishes so food won't stick to them. Handles should be long enough to keep your hands away from the heat. Kitchen forks should have long tapered tines with a smooth finish so foods can be pierced without tearing. Pouring lips on pans and ladles should be on two sides and have loops or perforations so they can be hung.

HOW MUCH TO COOK

Inexperienced cooks usually surprised to discover how much some foods swell when cooking. For instance, three cups of raw rice or beans will swell to about six cups when cooked. Hetti and macaroni do the same. Home economists with the Gas Appliance Manufacturers Association that beginning cooks when learning to cook are many new methods. Changes in the amount of water and cooking time. These changes on food packages make this, sometimes years, they get into recipe books.
