MOD Fund Drive Totals \$3,242.17 in Floyd County

A final report on the March Dimes fund drive for the National Foundation for Infantile Paralysis shows a total of \$3,242.17 collected in Floyd county, according to a report on Glen Amburn, drive chairman.

On deposit in the First National Bank here is \$1206.28 from the communities in the north half of the county. Jackie Rizzell of Lone Star, a student at Lockney High School, handled the drive for this part of the county.

At the Floydada bank a total of \$2,035.89 is on deposit. The report by communities is as follows:

- Lockney — \$206.81
- Lockney Mother's March — \$3.85
- Providence — \$93.50
- Lone Star — \$149.28
- Prairie Chapel — \$44.72
- Lockney schools — \$59.48
- Aiken — \$74.25
- Sterley — \$152.11
- Muncy — \$13.50
- Pleasant Valley — \$60.00
- Trick — \$138.28
- South Plains — \$150.50
- Floydada Mothers March — \$2.14
- Dougherty — \$317.21
- Floydada business district — \$25.20
- Floydada Fire Department — \$73.30
- Shandhill and Barwise — \$18.92
- Floydada schools — \$106.42
- Cedar Hill — \$102.70.

Mrs. George King Dies At Floydada

Mrs. George E. King, mother of Mrs. Ralph McGhee of Lockney, passed away at her home in Floydada early last Thursday morning. She had been ill a long time.

Funeral services were held at the First Baptist Church in Floydada at 10:30 a. m. Friday, conducted by Rev. Joe Wilson, pastor. Burial was in the Lone Star Baptist cemetery, assisted by Rev. Ed Bowles, the pastor. Burial was in the Lone Star Baptist cemetery under the direction of Harmon Funeral home. A number of Lockney people attended the services. Mrs. King was born in 1873, being 86 years of age at her death.

Survivors include her husband; one son, Eddie King of Floydada; three daughters, Mrs. Essie McGhee of Lockney, Mrs. Myce Ellis of Idalou and Mrs. Ruth Dutton of Floydada; five grandchildren and six great-grandchildren.

Revival At Mexican Baptist Church

A revival meeting will begin at the Mexican Baptist Church, South Lockney, next Sunday, March 22. It was announced this week by Rev. Paul Menzies, pastor. The meeting will continue one week with services at 7:30 p. m. each evening. Sunday morning services will be at the usual hour on March 29, but on Easter Sunday, March 29, services will be held at 6 p. m. with a special Easter program. Sunday School will be at 9:45 as usual.

 - 7:30 p. m. Prayer Meeting at Baptist Church.

Knox Buys Out Darnell, Will Move There

Knox Grocery & Market, owned by Bob Knox and his son, R. L. Knox Jr., have purchased the Darnell Grocery here from Mr. and Mrs. W. R. "Pont" Darnell and will move to the Darnell location as soon as work of adding on to and remodeling the building is completed.

The deal is effective April 1, and the Darnells will continue to operate in their present location until that time. R. L. Knox Jr. said this week that they were hoping to move to their new location between April 15 and May 1.

The building occupied by the Darnell Grocery is owned by Mrs. Wanda Baker. She will add 40 feet on to the rear of the building, will cover the exterior with roman brick, will put a new front on the building and renovate the interior. The Knox firm will add considerable new fixtures and equipment when they move to the building. The Beacon was told. One new piece of equipment will be a refrigerated egg display case, one of the first in this part of the state.

The Darnells will continue to live here for the present but may move away a little later if plans work out, Mr. Darnell said. They have lived here since 1924.

Panhandle High School Press Ass'n To Meet Tuesday

The Panhandle High School Press Association will meet Tuesday, March 24, on the campus of West Texas State College, Canyon. Miss Janice Hays, Lockney High senior, secretary of the association, met with the executive committee and their sponsors in Pampa the first of February to plan the program.

During the annual meeting last year Lockney High School received first place award for their year book publication, "Representing the Round." Up staff Miss Debra Ferguson, editor of this year's edition, will take part in a panel discussion concerning year book copy.

Other schools taking part in the discussion will be Plainview, Tulia, Amarillo, Lefors and Canyon.

Thirty-two journalism students and a sponsor will attend the Tuesday meeting.

Several of these students who are in the Speech play, "Shadow of a Dream" will leave the meeting at noon in order to enter their play in the Speech Play interscholastic League at Olton Tuesday afternoon.

Prairie Chapel Meeting Begins Friday Night

A meeting at the Prairie Chapel Church of Christ will begin Friday evening of this week and continue through Sunday, March 29. Services will be held at 7:30 p. m. on week days and at 10:30 a. m. and 6 p. m. on Sundays.

Earl Cantwell of Silvertown will do the preaching. Everyone is invited to attend, members of the church said.

Stamps Quartet Is Coming To Lone Star

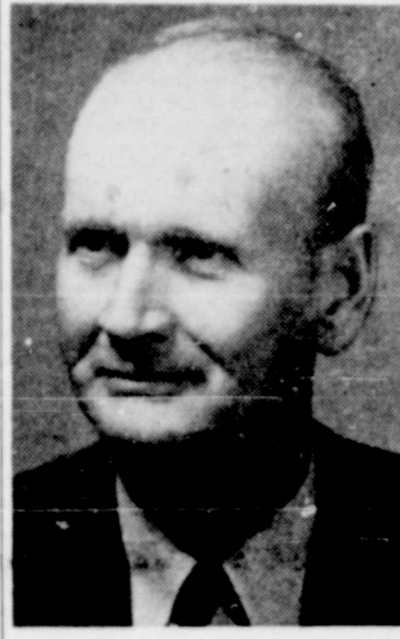

The Stamps Quartet will present a program at the Lone Star Community Center Monday evening of next week, March 23. The program will start at 8 o'clock.

No admission charge will be made since the quartet is appearing with the compliments of Northern Star Cotton Seed Farm at O'Brien, Texas.

The Lone Star Home Demonstration Club will sell refreshments at the meeting.

Consumers Present Food Mixer To FHA

Lockney Consumers Fuel Association presented a large Sunbeam food mixer to the Future Homemakers Department of the high school in appreciation for the girls serving a dinner the Association held recently.

H. H. NICHOLAS

Nicholas Named President Of Lockney Rotary

H. H. Nicholas, superintendent of schools here, was elected president of the Lockney Rotary Club in voting last Friday. His term of office begins July 1. The election of officers for the coming fiscal year was held at the regular noon meeting of the club at Golden's Cafe.

Other officers named were Henry Ford Jr., vice-president; Howard Smith, secretary-treasurer; Lloyd Wofford, sergeant-at-arms; J. D. Copeland, Leroy Durham and Harold Duval, directors.

Nicholas will succeed Wilson P. Kermickel, who is currently serving the club as president. The president-elect has been a Rotarian since 1933 except for intervals when he lived in places that had no Rotary Club, and has been a member of the Lockney Club for 3 1/2 years.

Sgt. L. D. Cooper of the State Department of Public Safety gave a sharp-shooting exhibition at the club Friday, hitting targets in various positions with several different types of pistols.

Mrs. Skelton Dies Wednesday

Mrs. Pearl Skelton, a former resident of Lockney, died at M. D. Anderson Hospital in Houston Wednesday of last week. She had been ill for several months.

Funeral services were held at the Dennis Memorial Chapel in Dimmitt Sunday afternoon at 4 o'clock. Burial was in Castro Memorial Gardens.

The Skelton family lived here for about three years, moving back to Dimmitt, their former home, about 18 months ago. Mrs. Skelton was a member of the First Baptist Church here during her residence in Lockney.

Survivors include her husband, Felix Skelton; four sons, James, Thomas, Bobby Glynn and Felix Lynn, all of Dimmitt; four daughters, Mrs. Mary Alice Ashford of Amarillo, and Dorothy Jean, Ellen and Stella Kay, of Dimmitt; her parents, five sisters and four brothers, all of Athens, Tenn., and three grandchildren.

Attending the services Sunday from Lockney were Mr. and Mrs. Frank Messimer and grandson, Ricky Mangum; Murray and Jimmy Scott, Mrs. Lee Rivers, Mr. and Mrs. J. W. Leach.

Senate Approves Marvin Shurbet's Appointment

The appointment of Marvin Shurbet, Petersburg farmer, to the State Water Development Board by Governor Price Daniel has recently been confirmed by the State Senate. Mr. Shurbet's confirmation was recommended by Senator Andy Rogers of Childress.

The six-man Board of the State Water Development Fund is the administering body that handles financial loans to political sub-divisions of Texas. Money loaned by the Board is made available through the sale of State bonds and repaid by the recipient with interest.

Mr. Shurbet represents the interests of West Texas on the Board and has served in this capacity since December 30, 1957. His present term of office will expire December 30, 1961.

Local Masons Buy Land, Will Build New Hall

A committee from Lockney Lodge No. 897, A. F. & A. M., agreed Wednesday to purchase a quarter of a block of land at the corner of East Spruce and Southwest First Street as a location for a new Masonic Lodge hall. The location is the northeast corner of the block on which Cooper Conoco Station and Modern Radio Service are located. The purchase was from T. A. Dillard.

Although all plans for the construction of a new Lodge hall must be approved by the Grand Lodge of Texas, tentative plans call for the construction of a brick building, steel reinforced, with approximately 4,000 square feet of floor space. The building will be completely air-conditioned and will be located away from the street to allow front parking. The Beacon was told.

Masonic organizations who will occupy the new hall include the Blue Lodge, Royal Arch Masons, the Council of Royal and Select Masters, the Order of the Eastern Star and the Order of Rainbow for girls.

The Lockney I.O.O.F. Lodge has made a bid for the local Masonic Hall, located over Jack & June Shop here, and the lodge hall will probably be sold to the Odd Fellows unless some hitch develops, members of the Masonic Lodge said.

Members of the building committee are Marvin Cox, Leon Wofford, J. E. Cox, George Myers and Bill Whitfill. Officers of the local lodge are Connie O'Brien, worshipful master; John L. Hooten, senior warden; Dillion Patterson, junior warden and Buck Latimer, secretary.

Ben F. Smith Dies Wednesday

Ben F. Smith, pioneer Plainview business man, died at 10 a. m. Wednesday in a Houston hospital where he had been under treatment for several weeks. He was 69 years of age.

Mr. Smith at one time held an interest in the Baxter & Smith Grain Co. here, which still bears his name. He owned the elevator with Charles Baxter from 1949 until 1956 at which time Mr. Baxter bought his interest but did not change the name of the grain company. Recently Mr. Smith disposed of his elevator interests at Plainview and Providence but retained an interest in one at Olton.

Funeral arrangements were pending the arrival of the family late Wednesday.

Bennett Out On Bond, Appeals Murder Verdict

Medford Bennett, Lockney colored cafe owner and bootlegger, is out of jail on a \$10,000 bond after appealing a jury verdict last week convicting him of murder with malice. The jury assessed his punishment at five years in the penitentiary.

Bennett's attorneys gave notice of appeal Friday and he was released on bond at that time. The appeal will be filed with the Court of Criminal Appeals at Austin within 60 days.

Going on the bond for Bennett were his father and another colored man from Henderson, Texas, local officials said.

Cub Scout Blue And Gold Banquet Set Tonight

The annual Blue and Gold banquet for the Lockney Cub Scouts will be held tonight (Thursday) at 7 p. m. at the grade school cafeteria. Cub Scouts, parents, Scout officials will attend the meeting at which special awards and badges will be presented by Cub Master Buck Latimer.

Mr. Latimer will welcome the group and introduce the leaders and guests.

Group singing will be led by Mrs. Richard Patterson.

Scout Field Executive Ray Howard will be present for the meeting also.

Farm Management Short Course 'Good'

The Farm Management Short Course, underway at the Lockney High School agricultural department this week, is "very good" reports say and the attendance has been excellent. A limit of 20 was set on enrollment and 15 have been attending regularly, according to M. L. Brewer who made arrangements for the school. In addition some visitors have attended.

Lockney Loses 5% Credit On Fire Insurance

Lockney will lose 5% of its 15% good fire record credit on insurance premiums come April 1st. The city has had a 15% credit during the past fiscal year but the credit will drop to 10% on April 1st.

Local insurance agents say that the fire record credit is figured on a five-year average with the amount of premiums paid balanced against the fire losses. Lockney's good fire record credit has been dropping for the past three years. It once stood at 25% credit.

Dept. Won't Release Number Of 'B' Signers

The Department of Agriculture at Washington has instructed local ASC officials not to release the final number of "B" cotton acreage signers, according to Thos. J. Hutchins, Floyd County ASC office manager. The Beacon contacted the county ASC office Wednesday in an effort to get this information but was unable to do so.

Hutchins said that the number of "B" acreage signers up to March 6 in this county was 113 but that this is not a representative figure because most farmers waited until after that date to make up their minds. There is a total of 1440 farmers in the county.

Last Monday, March 16, was the deadline for signing for "B" acreage cotton. Those who choose "A" do not have to sign since they are automatically given "A" plan if they do not sign.

Hutchins said that the information concerning the number of "B" signers and amount of acreage involved in this county may be available next week.

The "B" plan gives the farmer 40 per cent additional cotton acreage quota over his regular allotment, but he must take only a 65 per cent of parity support price while "A" plan cotton growers get 80 per cent of parity.

On a national basis as of March 6, 34,034 farms had signed for the "B" plan representing 1,392,354 acres including the 40 per cent increase. In Texas on the same date 9,591 farmers had signed for "B" plan representing 548,150 acres of cotton.

Red Cross Drive In Residential Area Tuesday

The Red Cross fund drive will be made in the Lockney residential area next Tuesday evening, according to Mrs. Wilson P. Kermickel. The newcomers Club of Lockney has accepted the responsibility for this part of the Red Cross drive and will start their work at 6:30 p. m. on that day, Mrs. Kermickel said.

Approximately \$700 has been turned in thus far in the drive in the north part of the county, according to Clyde Briley, drive chairman. Several communities have not reported as yet and the Lockney drive is incomplete, he said.

Communities reporting and the amounts are: Providence, \$82.30; Ramsey, \$11.00; Prairie Chapel, \$73.83; Pleasant Valley, \$48.00; Lone Star, \$101.00. Goal for the county is \$3200. The drive is to be completed during the month of March.

Miss Patsy Ragle of Plainview spent last week end here visiting her grandmother, Mrs. M. H. Bagle.

CURTIS DAVIS, Lockney sailor, prepares ammunition hoist for gunnery drills at sea in this recent picture. He is the son of Mrs. Everett Cole of Lockney. Davis is stationed aboard the radar picket destroyer USS Tucker, serving in the Western Pacific.

300 EXPECTED AT ANNUAL C. OF C. BANQUET FRIDAY

A minimum attendance of 300 at the annual membership meeting and banquet of the Lockney Chamber of Commerce and Board of Development is expected Friday evening. A count Tuesday night showed a total of 268 tickets sold with the total expected to pass 300 before the deadline, Friday noon, according to Willis Reynolds of the ticket committee.

Deposits Up, Loans Down At First National

The current statement of condition of the First National Bank in Lockney reveals that deposits are up and loans down from a year ago. Improvement in local economic conditions is reflected in the report which was made at the close of business on March 12.

The current report shows demand deposits at \$3,981,017.98 compared to \$3,609,464.97 a year ago, an increase of \$371,553.01. Total deposits increased even more with current total deposits listed at \$5,215,364.65 compared to \$4,595,342.66 in March of 1958, an increase of \$620,021.99.

Loans and discounts are now carried at \$3,625,676.68 less the commodity credit paper, making net loans \$1,337,702.06 compared to net loans a year ago of \$1,353,267.78.

Total capital accounts are \$467,488.50 which include \$217,488.50 undivided profits, \$150,000.00 surplus and \$100,000.00 common stock. The total capital accounts a year ago were \$436,507.87 with undivided profits listed at \$186,507.87.

Demand deposits are down \$409,967.20 from the high at the last report on December 31, 1958. Total deposits are also down, the decrease in this item being \$204,451.79.

Floyd County Boys Win At Lubbock Show

Several Floyd County boys exhibited barrows in the South Plains Junior Fat Stock Show at Lubbock this week. Warren Mitchell won first place in the medium weight Chester White class with his barrow and Gene Handley won fourth in the heavyweight class of the same breed. Champion Chester White was shown by James White of O'Donell.

In the Poland China division, Neil Mitchell showed his barrow to second place in the medium weight class. Warren showed two Chester Whites, Neil showed two Poland China barrows, Gene showed three Chester Whites, Randy Lacey showed three Chester Whites, Byron Brock showed two Poland China barrows and Billy Don Colston showed two Poland China barrows in the Lubbock show. Warren, Gene and Byron are members of the Lockney FFA. The other boys are 4-H club members.

Spring Style Show Set For Saturday By B&PW Club

Lockney Business & Professional Women's Club will sponsor a Spring Style Show at the High School Cafeteria Saturday at 2 p. m. Jack & June Shop is furnishing the garments and they will be modeled by local women. Mrs. Robert Lee Smith will be narrator.

Refreshments will be served and those who wish may stay for games of Bridge and Forty-Two following the show.

Those modeling the spring fashions will be Mrs. Cleon Wylie and Jackie Kay, Richard Patterson, Bob Davis, Bobby McCormick, Gene Handley, Howard Mosley, Forrest Mickey, E. B. Babitzke, R. L. Rhoten, Guy Sams, Gene Belt, Fred Dorman, W. J. Mangold, Payton Powers, Art Barker Jr., and Bob Miller.

County Stock Show Meeting Monday

A meeting of the board of directors of the Floyd County Junior Livestock Show Association and other persons who are interested in the county show will be held Monday evening, March 23, in the county court room at Floydada. Time of the meeting is 7:30 p. m.

All who are interested in the show are invited and urged to attend.

Burlesons Are At Rankin

Mr. and Mrs. Elmer Burleson have an interest in and are managers of the Yates Hotel at Rankin, Texas, according to a note from Mr. Burleson this week. They are also managers of the Panhandle Hotel at Panhandle. They have until recently made their home in West Lockney. Their son, Omar, is still living here.

Speech Plays Will Be Given Tonight, Curtain Time 8 P.M.

"Shadow of a Dream," a drama in one act, by Roland Fernandez, will be presented by the LHS Speech Class Thursday (tonight) March 19, at the High School Auditorium. The play will also be presented at the Annual Interscholastic League at Olton Tuesday, March 24. A second play on tonight's program given by the class is a comedy in one act entitled "Quiet Please." The class has been busy the past three weeks on the production and a large crowd is expected to attend the performance. Curtain time is 8 p. m.

Cast of Characters for "Shadow of a Dream" are: Robert Owens, State's Attorney, Leslie Wilkes; Dorothy Owens, his wife, Janice Hays; Hattie, the housekeeper, Jody Pate; Williams, the chauffeur, Milton Mickey; Estelle Durand, a witness, Eulalia Sanders.

Appearing on "Quiet Please" by Howard Buermann are: Jeff, a farmer, Jackie Don Calahan; Judd, his brother, Joe Mack Holmes; Mattie, Linda Kidd; Rev. Andrews, Kenneth Callaway; Jessica, Doris Eiland; Josie, Pat Anderson; Catherine, a stranger, Pat Buchanan.

Mrs. Pearl Hughes and Mrs. Ina Thornton are directing the presentations.

Admission tickets are 50 cents for adults, 25 cents for students.

Lockney Soldier Given Promotion

Goppingen, Germany (AHT-NC) — Gaines W. Miller, son of Mr. and Mrs. Jessie J. Miller, Route F, Lockney, recently was promoted to specialist four in Germany, where he is a member of the 4th Armored Division.

Specialist Miller, assigned to Company A of the division's 4th Quartermaster Battalion, entered the Army in April 1957. He arrived in Europe in November 1957.

The 22-year-old soldier attended Coleman High School. His wife, Patsy, is with him in Germany.

EDITORIAL

My voice shalt Thou hear in the morning O Lord; in the morning I will direct my prayer unto Thee.—Psalm 5:3.

HIGHLIGHT of the year for the Lockney Chamber of Commerce is the annual banquet. It is to be held Friday evening of this week at the high school starting at 7:30 p. m. If you don't have tickets you must get them by noon today (Thursday). Everyone ought to attend. If you miss it, you'll be sorry.

A GOOD PROJECT for the Chamber of Commerce along with the local Farmers Union and all the rest of us to try to secure the Safflower plant for Lockney. This type plant won't be located at Lockney accidentally. It is something that we all must work on. Farmers must be encouraged to plant the crop. A meeting here in the near future will give the farmer opportunity to hear all the details concerning the plant and its possibilities. Other inducements should be offered. Farmers Union and the Safflower company to locate the plant here. Perhaps some land, perhaps some tax concessions, perhaps some help in locating it in the right place. It's a big thing and if we're to have a chance of getting it we must do something about it. Olton, Tulia, Plainview, and possibly other cities are working on the thing. Let's get busy. Let's get some committees named and make some plans.

ALTHOUGH no official information has been released when this is written, it looks

from here as if Floyd County will have quite a lot of "B" plan cotton come planting time. The low, low price on maize has pushed a lot of farmers into planting the low support price cotton acreage which is probably what the Secretary of Agriculture had in mind all the while. Not that he wants more cotton but he feels that "B" cotton will have a good chance of being sold in the open market and thus this plan relieves the government of some support on both cotton and maize.

THE FBI warns of the plague of fraudulent check passers which is pestering the country at this time. We're not speaking of "hot checks" in which the account is overdrawn but in the purely a fraudulent check, passed by a professional check passer, on a non-existent bank account. Much of this is due to carelessness on the part of the store owner or one of his clerks. Instances have been recorded in which checks signed "U. R. Stuck" have been cashed and one was passed drawn on the "East Bank of the Mississippi." Prosperous times leads to carelessness on the part of store owners and thus encourages the criminal to ply his trade. One nation-wide chain store lost \$700,000 last year to bad checks which shows that the small town store owner is not the only victim of this kind of business. The FBI urges that proper identification be required before a check is cashed.

COTTON INDUSTRY officials are urging all farmers to plant every allotted acre of cotton in order to keep the history high—and if for some reason you can't plant your allotment they urge you to release the part you cannot plant back to the ASC committee so that it can be passed on to others. Make sure your county keeps its acreage.

FROM LIFE magazine: "Neither the Red army nor straight Marxist propaganda, with all their power, could alone have created student riots in Venezuela, frustrated the parliamentary system of Italy, won an election in the most literate state in India (Kerala), retained key footholds in the British and American labor movements, ridden the street whirlwinds of Baghdad to the edge of power, dazzled the opening mind of Africa, or poisoned strategic corners of press and university opinion from Paris to Tokyo. There are organizational successes, the fruit of long and rigorous training of dedicated individuals in a conspiratorial technique."

ACCORDING TO the American Medical Association News, there were 3,505,000 births in this county during the first 10 months of last year — 13% fewer than in the same months of 1957. There were 1,203,000 marriages — also slightly less than in the corresponding 1957 period.

HOW TO BUILD A GHOST TOWN

A recent report from the Colorado Springs, (Colo.), Chamber of Commerce tells how to have a ghost town. It is an "interesting tongue-in-cheek report that will hold just as true in our town as it does in that town."

It went as follows:

Results are certain for those working to create more "Ghost Towns" if these simple directions are followed either by accident or design. Hundreds of former thriving communities which are now silent towns prove there is more truth than poetry to the simple statement, "It Could Happen Here."

Here are methods proved by experience to guarantee bankruptcy, insolvency, disappointment, suicides — all by-products of ghost towns.

1. Tell everyone you meet that you never buy anything at home; the merchants are a bunch of crooks, robbers and cheats.
2. Belittle all efforts for community betterment — the people trying to do these things are secretly making a lot of money, want to "run things" and their way of doing things is all wrong anyway.
3. Never waste money by advertising or waste time trying to attract trade to the town — nobody reads the ads, there is never anything in the paper,

it's always true, and why should anyone want to come to town — it's a dead place.

4. Turn down all appeals for contributions; and do it in a nasty way so you won't be bothered again, because the money collected is eventually stolen by some "higher-ups" anyway.

5. Refuse to serve on all committees, have nothing to do with civic organizations — the Chamber of Commerce never does anything and is run by a bunch of dimwits who want only to get their names before the public. All the city officials are in office to get a share of the graft.

There you have it — five simple directions for producing a ghost town. It's hard for one person to do it, but if you keep at it, eventually you'll get some converts, and a Ghost Town. — Tombstone (Arizona) Epitaph.

A DISTURBING GAP

Addressing fellows of the American Bar Association in Chicago recently, Sen. Hugh Scott, Pennsylvania Republican, called for a "drastic overhaul" of American education "before patriotism goes out of style."

The Senator said the lack of patriotic indoctrination in the schools is "an infinitely more dangerous gap than lack of missiles in America's long-range national security planning."

Maj. William E. Mayer, U. S. Army psychiatrist, who studied the returnees among the one third of American soldiers captured in Korea who succumbed to brainwashing by the enemy,

blamed our system of education for failing to give American youth the fundamental facts enduring principles which would have enabled them to resist brainwashing. He found that the quality they had been especially missing in their education was a sense of patriotism, a love of country.

Commenting on Senator Scott's statement and Major Mayer's report, the Houston Chronicle said:

"We can toughen up the curriculum, drop many of the frills, encourage more students to take mathematics and science, and still lose the cold war. We can train an extra million scientists but if they have no understanding of this nation's history, if they are given warped ideas of Americanism, if they consider themselves citizens of the world and think patriotism narrow, provincial or chauvinistic, we will have a million potential Alger Hisses and Rosenbergs."

Absence of indoctrination in patriotism represents a disturbing gap in American education. This does not apply to all schools, of course. Some are teaching patriotism and stressing the value of the American way of life. But all too many are using textbooks which are so written as to make youngsters ashamed of patriotism and Americanism. This could prove a fatal defect in our national armor. — Lubbock Avalanche.

Dear Editor:

I see where, while Berlin boils, the U. S. Senate has been fiddling with the problem of naming us a national flower.

My hayfeverish neighbor says they ought to pick the poison ivy as our floral symbol, and rig up a foreign policy to match it.

But says if they want a horticultural emblem for the country as a whole, they couldn't find one more fitting than the milk weed, in honor of what is happening to taxpayers.

"... next to me I like blankets dried **ELECTRICALLY!**"

"I'm really a great guy — I can tell the way Mommy and Daddy gurgled over me — and the way their eyes sort of get misty when they pick me up and hold me. Of course, I have to give some credit to my blankets — they're dried in an electric dryer — which means they're so soft and fluffy that they don't scratch me. Makes a big difference in a baby's comfort and disposition. Makes me a really great guy!"

GRAND CHAMPION BARROW at the Floyd County Junior Livestock Show was shown by Johnny Lewis, Lone Star 4-H club boy and son of Rev. and Mrs. Temple Lewis. The barrow was a light weight Poland China. Buyer was Charles Duran of the First National Bank, pictured above with the winners. The bank paid \$1.05 per pound for the barrow, the total price being \$208.95. — Photo by Cecil Lewis

\$2 1/2 Million Now Obligated Under Plains Program

College Station — Over two and one-half million dollars have now been obligated to landowners in the Plains area of Texas through the Great Plains Conservation Program, reports Lynn Pittard, extension assistant soil and water conservation specialist.

This voluntary program applies to 98 counties in the Great Plains area and provides cost-share assistance for almost any soil and water conservation practice, explained Pittard. Operators may receive up to 80 per cent assistance, depending on the practice. Contracts are signed for 3 to 10 years duration.

"Since the program was started around the first of last year, 546 contracts covering 1,012,488 acres have been entered into agreement with the United States Department of Agriculture," Pittard said. "Sixty-five counties are now participating, and assistance is now available to 11 additional counties which have recently been added to the list."

Pittard pointed out that the program has several advantages. It is flexible and can be modified to meet the particular individuals' needs. There is no limitation on assistance except on irrigation. Crop allotments are not affected during contract and the program may be used in combination with other government cost-share plans.

For a more thorough explanation of the program, Pittard advises obtaining L-410, "The

Dear Editor:

I see where a little girl in Florida heard about what a hard-up shape the government is in and offered Uncle Sam her \$61 savings to help out.

My melancholy neighbor says this proves the sad despondence of our educational system, where a junior citizen can get to be 11 years old without learning the first principle of American get-along.

Says a properly informed young lady would have known better than to let the internal revenue hunters find out she has got \$61 they overlooked somehow.

D. E. SCOTT
Crossroads, U.S.A.

According to Margaret Spader, home service editor for the Gas Appliance Manufacturers Association, sour milk can be made instantly from dry milk, evaporated or fresh milk. If using evaporated or dry milk solid, liquidify the milk according to the directions on the can or package. For each cup of milk, add 1 tablespoon vinegar or lemon juice. Most recipes using sour milk call for soda, 1/2 teaspoon for each cup of milk is the usual measure.

In 1956 the Navy established radio stations in the Antarctic at Little America (KCAUSA), McMurdo Sound (KCAUSV), and Marie Byrd Land (KCAUSB). The latter is the first radio station in history to be at the South Pole.

The Life-Giving Word

"A mirror reveals the dirt on one's body, but does not cleanse him of it. No one would think of trying to wash his face in a mirror. The law of God is like a mirror. It only shows us our sins but does not cleanse us."

The above statements were recently made on a national TV program by a famous preacher. They are misleading and confusing to many in that they do not go far enough and reveal the whole truth.

It is true that no law by itself will take away sin. Christ's law, the gospel, has connected with it the blood of Christ. (Matt. 26:28; Heb. 10:10.) Sinners are redeemed, washed from their sins in Christ's blood. (Col. 1:14; Rev. 1:5.) The gospel serves not only as a mirror to show us our guilt but also as a light to instruct us how to be cleansed in the blood. (II Cor. 4:4; II Tim. 1:10.) The gospel is God's power to save. (Rom. 1:16.) Obedience to it makes the guilty free from sin. (Rom. 6:17-18.) Souls stained with sin are purified by obeying the truth. (I Pet. 1:22.) The gospel is the word of truth. (Eph. 1:13.) Sinners are born again by God's word. (I Pet. 1:23.) They who obey not the gospel will be lost. (II Thes. 1:7-9.) We must do his commands to go to heaven. (Rev. 22:14.)

THE LOCKNEY BEACON

Tech Group Studies Methods of Recharging

Lubbock — New efforts are under way at Texas Tech to reap one of the world's large storage tanks and pour in a million gallons of surface water. The tank is the famed Caprock, a high plains geologic formation which holds underground water near the earth's surface where it may be tapped easily for irrigation. Each year hundreds of installations in the generally flat upland of the Caprock trap rain water. In most instances it evaporates because attempts to bore it underground are stymied by silt. The loose topsoil of the Caprock mixes with the water and clogs recharge wells to the point that their operation is uneconomical. If this problem is solved, several hundred thousands of acre-feet of water can be saved and stored in a year of normal rainfall — much more in above-average years, water experts estimate. The experts also say successful recharging would free close to one million acres of farmland now covered with water after rains.

Texas Tech agricultural engineers, supervised by Bill Schwiesow, say they may have an answer to the problem — lines of subsurface filters stretching underneath a high plains pond and connecting to a mainline leading to a recharge well. A frame of 16 different types of filter lines has been constructed underneath a pond on the Tech Farms at Lubbock. Four of the lines are built with plastic pipe, another four with clay tile. Bituminous pipe is used in four of the lines, while the final quarter of the system is built with transite (cement-asbestos) pipe. Four types of fillings are used above the filter pipes; natural soil of the pond bed, or cotton burrs, corn cobs or gravel plus soil. Water is expected to filter through the variously created pond-beds, into the filter pipes, and from there to the mainline which is expected to feed relatively clear water into the recharge well. Tech engineers will attempt to measure the rate of flow for each experimental line and the amount of silt carried through each. The results should indicate which type of filtration is most feasible, the length of lines needed for a certain flow of water, and — after a time — proper treatment of a lake area for recharging, they reported. Schwiesow said preliminary data should be available in a year after the system is completed this spring. Other usable statistics should be collected in five year intervals unless definite indications of failure appear earlier.

Requirements For Permit To Drill Well Listed By Officials

Do you plan to drill an irrigation or commercial water well? If you do, and you expect to produce more than 69 gallons per minute from the well, you should read the following paragraphs. The rules of the High Plains Underground Water Conservation District provide that wells drilled within its bounds of jurisdiction and produce in excess of 69 gallons per minute be spaced certain minimum distances from wells in the immediate vicinity. 4-inch well must be a minimum distance of 200 yards from the nearest well. 5-inch well must be a minimum distance of 250 yards from the nearest well. 6-inch well must be a minimum distance of 300 yards from the nearest well. 8-inch well must be a minimum distance of 400 yards from the nearest well. 10-inch well must be a minimum distance of 440 yards from the nearest well. The District's rules further provide that a person who desires to drill a well must first obtain a well drilling permit. To assist either the landowner or his agent in filing an application for a well drilling permit, each county has an office and a Secretary. Before contacting his local County Secretary, the well drilling applicant will need the following information:

1. Name and mailing address of the owner of the land on which the well will be drilled.
2. The legal description of the land.
3. The measured distance from the proposed drilling site to the two nearest property lines or quarter-section lines. (Shown as lines "A" on drawing.)
4. The measured distance from the proposed drilling site to the three nearest wells. Distances to wells that are over 440 yards from the proposed drilling site are not required. (Shown as lines "B" on drawing.)

When the above information has been determined by the applicant, he is then prepared to contact his local county secretary and file his drilling permit application. A deposit of \$10 is required with the filing of each application. When the application form is filled out completely and correctly, the applicant must then make certain that it is signed by three members of the local County Committee. This is most important, and it must be done before drilling operations are commenced. When signed by the Committee, the permit is valid for the drilling of one well only, and it only at the location specified on the permit. The drilling permit is valid for a period of 4 months from the date of filing. When the well is completed and the log of the underground formations is supplied to the county office on forms furnished by the District, the \$10 deposit will be refunded in full. The landowner is responsible for this information. The U.S. Navy Department was established on March 27, 1794.

LOCKNEY BOWLING LEAGUE (Men)

First National Bank gained the lead in Lockney Bowling League Monday night by winning three games from Lockney Lumber & Supply. Rowland-Gordon Oil Co. knocked off Seale Drive In in two of three games, dropping the Seale team into second place. Flash-O-Gas maintained their hold on third place by winning two of three from United Elevators, Providence, Brown's Dept. Store moved into fourth, knocking off Crume Gin, Providence, in three games. Jr. Lee of First National Bank again had high game and series — 208-578. High game and high series for the other teams: Brown's Dept. Store, Joe Keeter, 177-490; Crume Gin, Jack Favor, 154-396; Lockney Lumber, Jim Roberts, 174-461; Rowland-Gordon, Audvie Barnett, 174-464; Seale Drive In, Gail Wilson, 203, Earl Cooper, 426; Flash-O-Gas, Brannon Darnell, 204-477; United Elevators, Albert Scheele, 170-393. The Bank had team high — 2375.

Schedule for Monday, March 23 (Lane numbers in parenthesis): Crume Gin vs. First National Bank (13-14); Brown's Dept. Store vs. Lockney Lumber & Supply (15-16); Flash-O-Gas vs. Rowland-Gordon Oil Co. (17-18); United Elevators vs. Seale Drive In (19-20).

Standings:

| Team | Won | Lost | GB |
|----------------|-----|------|----|
| Bank | 8 | 1 | |
| Seale Drive-In | 7 | 2 | 1 |
| Flash-O-Gas | 6 | 3 | 2 |
| Brown's Dept. | 5 | 4 | 3 |
| Rowland-Gordon | 4 | 5 | 4 |
| United Elev. | 4 | 5 | 4 |
| Lockney Lumber | 1 | 8 | 7 |
| Crume Gin | 1 | 8 | 7 |

LUCKY STRIKE LEAGUE (Women)

Jack & June Shop remained top team by winning two games from Keeter Grocery & Market. Dixie Cafe moved into a tie with Keeter Grocery for second by downing First National Bank in two of three games. High game and series were rolled by Irene Lee of Dixie Cafe, 166-424. Other team highs: Sybil Childers, 155-329, First National Bank; Dorothy Thomas, 128-345, Keeter Grocery; Caroline Wilson, 129, and Betty Wylie, 365, Jack & June Shop. Jack & June Shop will take on First National Bank and Dixie Cafe will meet Keeter Grocery Monday, March 23.

Standings:

| Team | Won | Lost | GB |
|----------------|-----|------|----|
| Jack & June | 7 | 2 | |
| Dixie Cafe | 4 | 5 | 3 |
| Keeter Grocery | 4 | 5 | 3 |
| Bank | 3 | 6 | 4 |

PERFECT SCALLOPED OYSTERS

Fast, fast cooking, short time — that's the secret for tender, flavorful oysters. Set the oven heat control at 450 degrees. Grease the bottom and sides of a shallow baking dish generously with butter. Sprinkle about 1/2 cup of crackers crumbs over the bottom of the dish. Arrange a layer of 12 to 15 oysters over the crumbs, season with salt, pepper and nutmeg. Cover the oysters with more cracker crumbs and drizzle 1 cup of cream over all. Bake for 10 minutes or until brown on top. Serves 3 to 4.

Allen Ray Pinner With Armored Div. In Germany

3rd Armored Div., Germany (AHTNC) — Army PFC Allen R. Pinner, whose wife, Neida, lives on Route 3, Waldo, Ark., is participating with the 3rd Armored Division in a large-scale field training exercise in Germany. The six-week exercise is scheduled to end March 26. During the training, Pinner is gaining an invaluable insight into the performance of his job as a driver in Company A of the division's 52nd Infantry under simulated combat conditions. The exercise will be climaxed by a mock war in which tanks, artillery, aircraft and infantry troops of the division will be matched against a simulated aggressor force. This training period is the major field exercise of the year for the division, a part of the NATO shield of defense in Europe. The 23-year-old soldier, son of Mr. and Mrs. Cecil Pinner,

Lockney, entered the Army in February 1958 and was stationed at Fort Hood before arriving in Europe in August 1958. He was graduated from Lockney High School in 1954 and was employed by Workman Plumbing and Heating, Lockney, before entering the Army. Alaska has the highest birth rate and the lowest death rate of any state, according to the 1959 Annual Supplement of The World Book Encyclopedia.

WMU Circle Has Program, Luncheon

The Spence Circle of the Baptist W.M.U. enjoyed a mission program Tuesday morning at the church, followed by a covered dish luncheon at noon.

Mrs. C. E. Johnson, from Whitharrel, a former member, was a guest.

Present for the occasion were Meses. Irene Dunn, Ollie Visage, Jimmie Smith, Ted Cooper, Lula Woodburn, Inez Rodgers, Eldee Martin, J. R. Richards, Ella Casey, Ethel Mitchell, Eunice Shearer and Kitty Taylor.

Next meeting will be at the church Monday afternoon with other circles for business and social.

Visitors in the home of Mr. and Mrs. Johns Cox Sunday were Mr. and Mrs. E. W. Garrison of Lubbock, Mr. and Mrs. Max Marble.

El Progreso Club Hears Program On Public Schools

Superintendent H. H. Nicholas was guest speaker at a meeting of El Progreso Study Club held Wednesday, March 11 in the Clyde Briley home. His topic was "Education in Our Times."

Mrs. Leslie Ferguson introduced the speaker. Mr. Nicholas explained the 11 provisions of the Hale-Aiken Bill now pending before the Texas 56th Legislature.

Roll call was answered with "A Change I Would Like to See in Our Schools." The club voted to help in the Cancer Crusade next month, taking the residential area west of Main Street to canvass.

Refreshments were served to Meses. Milton Ashton, Hershel Carthel, Dee Copeland, Jess Cox, Leslie Ferguson, Bill Hodel, L. M. Honea, Chester Mitchell, T. B. Mitchell, E. M. Quebe, Guy Sams, Henry Schacht, Howard Smith, Jo Taylor, the hostess and Mr. Nicholas.

Next meeting will be March 25 in the home of Mrs. Jess Cox.

Lockney HD Club Has Program On "Meal Planning"

Miss Phyllis Roggendoff, agent, presented a program on "Meal Planning" at a meeting of Lockney Home Demonstration Club Wednesday, March 11, in the home of Mrs. Thomas Marr. Mrs. N. S. Abbott assisted Mrs. Marr as hostess.

The president, Mrs. Ross Cooper, was in charge of the meeting and Mrs. E. M. Whorton read the devotional from Ruth 2:4. Roll call was answered with something about a foreign country. Mrs. Keed read the minutes.

Miss Roggendoff showed the "Texas Food Standard" which estimates what food we need daily. She emphasized saving food dollars by making menus for the week and watching for grocery specials.

The meeting closed with group singing "Ever Onward", the national Home Demonstration Council song.

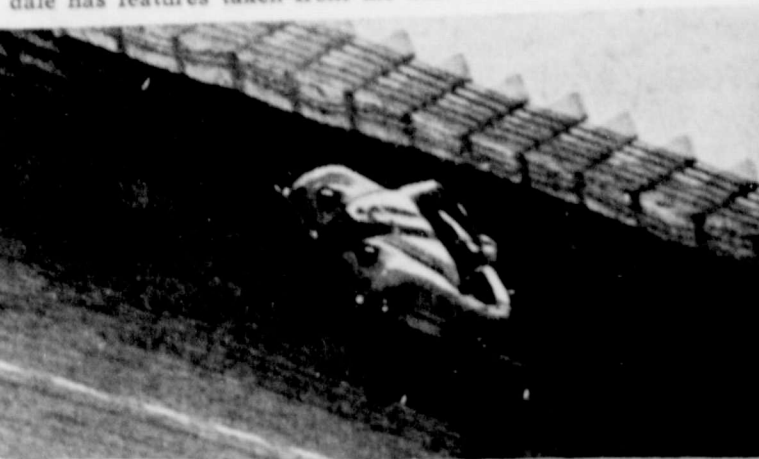

Those attending were Meses. E. M. Whorton, H. Cunningham, Vostal Elland, Connie Reed, Lavon Johnson, W. T. Cooper, Thomas Marr, Ross Cooper, Henry Boliman, and N. S. Abbott.

Next meeting will be March 25 at 2:45 with Mrs. H. Cunningham. Mrs. C. C. Reed will be co-hostess.

The man of the house doesn't have to worry about paying for his wife's new Easter bonnet in Sikkim, India. The World Book Encyclopedia says a Sikkim woman wears her fancy hat all her life . . . and then passes it on to her daughter.

A Run On The Bank

WORLD'S STEEPEST RACING CURVE, the "Monza Wall," is a feature of new Meadowdale Raceways at Carpentersville, Ill. Banked at a 45-degree angle, curve can be negotiated without steering at 130 to 140 mph, say track engineers. Pulls of gravity and centrifugal force equalize each other at such speeds. A 3.7-mile stretch of sharply twisting and dipping asphalt, Meadowdale has features taken from the best tracks around the world.

SPORTS CAR RACING officially opened the speedway. One-two finishers in feature event of the day were Chuck Daigh (left) and Lance Reventlow, heir to dime store millions. Both drove "Scarbbs," an American sports car made by a company that Reventlow owns.

CARS LINE UP on "grid" in front of the track "pagoda" or tower for a standing start. A crowd estimated at 150,000 was on hand for the opening day.

RECORDING EVENTS at the opening were photographers transported by the official camera vehicle, an International Travelall. Tailgate platform held cameramen. The antique cars toured the track just for fun between the regular races.

Party Honors Couple On 7th Anniversary

Friends and relatives of Mr. and Mrs. Freddie Ivy surprised them with an anniversary party in their home in Plainview Friday night, March 13. The occasion marked the honorees' seventh wedding anniversary.

Gifts were presented and refreshments were served to Messrs. and Meses. T. J. Hartwell, Jimmy Hartley and Ronnie, Q. B. Spencer, L. A. Greenfield and Larry, Jimmy Wardlow, Jerry and Mike, Pepper Martin, Bruce and Charlotte, Johns Cox, Max Marble, Mrs. W. C. Wardlow, Mrs. R. C. Ivy and Erwin Price, the honorees and their two children, Sheila, 5, and Ricky, 4.

Hostesses for the occasion were Mrs. Hartley and Mrs. Martin.

On March 4, 1776, the newly-formed Marine Corps saw its first combat when 300 Marines landed and captured the British port of New Providence, Bahamas.

Rebekahs Sponsor 42 Party Benefit For Cancer Drive

Lockney Rebekah Lodge will sponsor a public "42 Party" Tuesday night, March 24, at 8 o'clock at the City Auditorium. The party is free to everyone. Those who wish to may give a donation for benefit of the American Cancer Crusade. Refreshments will be served.

STANLEY G.A. MEETS

The Bertha E. Stanley G.A. met Monday afternoon at 4 o'clock at the First Baptist Church for a mission program entitled "Shining for Christ". The girls signed a get-well card to be sent to one of their counselors, Mrs. Harmon Handley, who is in the hospital. Gail Sherrill read the scripture. Refreshments were served to Carol Cooper, Carol Collis, Janita Ferguson, Gail Sherrill and Mrs. Guy Sams, counselor. The girls voted to send a pillow corsage to Mrs. Handley.

GO TO CHURCH SUNDAY.

Lone Star HD Club Hears Defense Notes

Lone Star Home Demonstration Club heard a program on Civil Defense at a meeting held Tuesday afternoon in the home of Mrs. C. L. King.

The devotional was read by Mrs. King and roll call was answered with a fact about a foreign country. Mrs. Melvin Brock talked on "Home Fire Prevention", followed by "Fire Fighting" given by Mrs. Albert King.

The club voted to sell refreshments for the Northern Star program Monday night featuring the Stamps Quartet. The program begins at 8 p.m. at Lone Star Community Center. Club members met the Bookmobile at the community store and checked out a number of books.

Present were Meses. J. L. Lovvorn, Melvin Brock, Bailey Henderson, Wiley Nance, Clay Mercer, H. G. Hodges, A. O. Barrett, Rex Holt, Jim Nance, Buckner, Albert King, C. L. King, Ruby Merrick and Raymond Teeple.

Aiken Friendship Club Does Painting

Mrs. Dale Hunt was hostess for an all day meeting of the Aiken Friendship Club Tuesday, March 17.

Members present for the day of tube painting were Mrs. Lloyd Collis, Mrs. Arnold Langfeldt, Mrs. Martin Bradley and Mrs. Hunt.

The next meeting will be in the home of Mrs. Martin Bradley the third Tuesday in April.

Legion Auxiliary To Meet At Golden's

The American Legion Auxiliary will have a business and social meeting at Golden's Restaurant Thursday evening at 7:30.

Mrs. Temp Phillips and Mrs. Jackie Emert will be hostesses.

NEW RESIDENTS

Mr. and Mrs. C. B. Sherrill and family are new residents of Lockney. They moved here recently from Cotton Center and are now at home a mile east of the city limits. Mr. and Mrs. Sherrill have 14 children, 10 of whom are still at home. Favorite of the entire family is the youngest, a three-year-old adopted boy whom the Sherrills took into their home when he was three months of age. The Sherrills are members of the Baptist Church. Visitors in their home Sunday were their daughter and family, Mr. and Mrs. James Moore and four sons from Hollis, Oklahoma; another daughter, Juanita Yeager and Attie Moon of Lubbock.

LAST YEAR total cash dividends paid on common stocks listed on the New York Stock Exchange came to \$3,711,482,860. This was the second highest figure on record, and was but one per cent below the all-time high established in 1957.

There are more people of Irish descent in the U.S. than there are in Ireland. The World Book Encyclopedia says New York City has the largest Irish population of any city in the world.

IN APPRECIATION

We want to express our gratitude to the friends and neighbors who rendered assistance to our ranch Thursday.

Had it not been for the friends and neighbors, byton, Floyd, and Mat, gherly and Mat, able that the entire ranch on the entire ranch had been destroyed.

Please know grateful in any manner aided in any manner.

H. H. Campbell

CARD OF THANKS

I want to express my thanks to all those who remembered me with cards, flowers, and acts of kindness when I was laid up.

Farm Housing Program Expanded

The Farmers Home Administration Farm Housing Program is designed to help more farmers with their farm building needs.

Now an owner of a farm in agricultural production and on which the operator plans to produce at least \$400 worth of farm commodities for sale or home use may qualify for the four per cent long-term housing loan provided that he meets other standard eligibility requirements.

Formerly an eligible applicant had to own a farm that produced a more substantial part of the operator's annual cash income.

Loans may be made to build, improve, or repair farm houses or other essential farm buildings, and to provide water for farmstead and household use.

Mr. Jack Kassahn, local county supervisor, said that in addition to financing major construction, the loan funds can help meet many other needs for farm and farm home modernization such as adding bathrooms, utility rooms, better kitchens, and many other improvements of the home as well as to farm service buildings.

While tenants and farm laborers are not eligible, the owner may borrow to do the construction work or make improvements for them.

The loans are made to farm owners who need credit to finance building improvements or repairs, but find that adequate credit is not available through bank or other regular credit channel. The interest rate is four per cent and loans may be amortized over periods up to 33 years.

Eligibility for loan assistance is determined by the three-member county Farmers Home Administration committee, and applications are now being accepted in FHA county offices.

Office Supplies at the BEACON OFFICE.

Home Making Hints
by Phyllis Roggendorff
County Home Demonstration Agent

The Stock Show kept everyone so busy last week that we didn't have time to write a news article.

We don't know yet how much money the concession stand made for the 4-H Clubs but think it will help a lot in paying expenses for the Achievement Banquet.

We really appreciate the help given by 4-H leaders and parents on running the concession stand. Our thanks especially to Mrs. Tom Porter, Mrs. Bill Colston, Mrs. Doyle Mount, and Mrs. Chester Mitchell who worked as a committee to plan and secure the food for the stand. Others who helped run the stand were: Mmes. Bill McNeil, Howe Hines, Ruth Daniel, Roy Bledsoe, James Jeffress, Zant Scott, Glen Poole, and Henry Ballman. Thanks also to all 12 Home Demonstration Clubs who provided home made pies to sell.

Either a high heel or mid-high heel should be selected.

For casual and spectator sports, choose a medium high or low heel. The height and shape of the heel may depend upon the individual, occasion, and the costume to be worn.

Shoes for informal parties and after five occasions are high heels, in pumps or sandals. For the person who can not wear high heels, the mid-heels may be worn.

It is important that your health and disposition that your shoes fit well. Each time you buy shoes, have your feet measured for both length and width. Test the shoe by standing and walking in them.

Next week — hand bags.

On March 1, 1899, Rear Admiral George F. Dewey, Spanish-American war hero, became the first Naval officer to receive the newly created rank of Admiral.

Marine Corps pilots landed on Guam March 17, 1921, marking the first time Marine aviation had been deployed outside the continental limits of the U.S.

SHOES

Although the pointed toe continues to predominate, the news in shoes is the oval toe. This shoe is slender in profile and gently rounded at the toe. In general toes are tapered but not needle-pointed. One manufacturer has developed a new squared off toe. This shoe is slim with the very tip of the toe squared off.

Heels are slender high and mid-high. Patent leather is still a spring and summer favorite. A new crack-resistant finish for patent leather has been developed. This improved leather has a deeper luster and can be washed with soap and water without harmful effect.

Before you go shopping, decide the purpose of the shoe you are to buy and stick to your plan. There are lots of beautiful colors in shoes this spring but decide before you buy if colored shoes will be practical for you. Shop for a shoe that is correct in fabric and color for the dresses or suits you will wear them with.

The street, travel or business shoe should be tailored and of a durable material. Select a mid-high heel in a pump, one strap or dress oxford. The material may be polished calf, kid, reptile or patent.

Shoes for church and afternoon wear can be a little more dressy than those for street, travel and business. Kid, patent, or fabric may be worn.

Opportunity

For ambitious men, ages 17 to 50, from Northwest Texas area, in Industrial Electronics and Guided Missile Field

No previous experience needed.

Must be willing to spend one hour a day, four days a week, on short, practical industrial training using actual equipment under the guidance of our engineers. Arrangements will be made for those accepted so that training will not interfere with present employment. Positions for which this training will qualify you currently pay from \$90 to \$140 per week. If you have a sincere desire to better yourself with a steady job and income, we will be glad to discuss these opportunities with you. No obligation for strictly confidential interview with our bonded personnel man.

Please write UNITED ELECTRONICS LABORATORIES, Box A, c/o Lockney Beacon, giving age, address, working hours at present; also phone number if you can be reached by phone.

Representative H. G. Wells Wants To Hear From The Folks At Home

TO THE PEOPLE OF THE 89TH LEGISLATIVE DISTRICT:

In Austin there seems to be a lobbyist everywhere one looks. Perhaps this session there are more than usual as the tax talk this time dominates almost every political discussion. The natural gas industry, the breweries, the teachers, the Association for the Prevention of Cruelty to Dumb Animals — it seems that in our society everyone has organized and has stationed a representative of their organization in Austin to keep the lawmakers informed and to keep the organization members informed on those matters affecting them. Indeed last week I met a lobbyist for the Perpetual Care Cemetery Association and also the executive secretary of the Executive Secretaries Association.

It may be that one-half or maybe three-fourths of our electorate are represented in Austin by at least one person

whose job it is to look out for legislation that might affect a particular segment of the population. Of course this situation is healthy in some respects — and it could partially be explained as a natural outgrowth of our highly organized society, our complex government, and the hurried pace in which we live. These things create a tendency to delegate to others the responsibility of informing ourselves and our representatives on legislative matters.

But there is certainly a danger of "over-delegating" our responsibility. Organizations can become too large for one person to effectively speak for all the members of that organization. Last week I was informed by a constituent that a lobbyist for his organization in stating the organization's viewpoint on certain legislation did not speak for those members within the 89th legislative

WHAT DO YOU WANT LEGISLATORS TO DO? GIVE YOUR VIEWS: State Representative H. G. Wells thinks individual citizens of District 89 should tell the legislature what they'd like done — and not done — during the current session in Austin. Herewith is every citizen's opportunity to be heard, just as the pressure groups and special interests people are heard through their lobbyists. Residents who do not live within Representative Wells' District are invited to send him their views, just as citizens of the District. After he studies and correlates them, he will turn them over to the Representatives of the people living outside the District.

district. Lobbyist may in some instances fail to carry out their job to the best of their abilities. And there is the possibility of their placing other interests above those of the organization they represent. Lobbyist views are generally taken by legislators as biased views — they are looking out for the interest of a special interest group in most instances.

For these reasons, it is always much more welcome to hear directly from the people back home — with no middle man to muddle up the views.

And, after all, there are still a multitude of the electorate who have no lobbyist to speak for them.

For these reasons, and for others, I have asked that this paper carry a poll which I hope that you will find time to answer. You can be assured that they will be read and studied carefully and will be considered thoroughly before reaching a decision on how I should vote. And if you are interested in other matters, send them in. I'm looking forward to hearing from you.

Very sincerely,
H. G. Wells

HOW TO CLEAN ALUMINUM PANS

Darkened aluminum pans will smile and shine after this treatment: Dissolve 2 table-spoons cream of tartar in one quart of boiling water in the dark pan. Place it over a high flame and boil rapidly for ten minutes. Then touch it up lightly with a soapy steel wool pad.

Dear Editor:
I see where there is a considerable crop of civil rights bills now being run through the legislative confusion in Washington.

My civil righteous neighbor says one or more will likely pass, now that voting against anything called civil rights is nearly as unconstitutional as voting against appropriations or unions.

Says whatever bill is passed, he hopes it will put a stop to the rank discrimination now being practiced by our local stores between him and the people who pay their bills.

D. E. SCOTT
Crossroads, U.S.A.

THE STATE OF TEXAS
TO: FRANK J. LONG, MRS. FRANK J. LONG, L. S. LONG, MRS. L. S. LONG, T. J. LONG, MRS. T. J. LONG, the unknown heirs of any of such persons who may now be deceased, their unknown heirs and legal representatives, and the unknown heirs of any of such unknown heirs who may now be deceased, their unknown heirs and legal representatives.

GREETING:
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 6th day of April, A. D. 1959, at or before 10 o'clock A. M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 18th day of February, 1959.

The file number of said suit being No. 4575.

The names of the parties in said suit are: R. M. BATTEY and wife, EULA E. BATTEY, as Plaintiffs, and the persons first named, described and designated in this Writ, and to whom this Writ is directed, as Defendants.

The nature of said suit being substantially as follows, to wit: Suit in trespass to try title, for the title and possession of the following described real property situated in Floyd County, Texas; Lot Number Six (6), in Block Number Sixty-six (66), in the Town of Floydada (Floyd City), in Floyd County, Texas, as shown by the Plat of such town of record in Vol. 2-F, Page 294, Deed Records of Floyd County, Texas; — Plaintiffs pleading fee simple ownership thereof, and specially pleading the three, five and ten year statutes of limitation as to such real property, and praying judgment for title and possession thereof.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 18th day of February A. D. 1959.

Given under my hand and seal of said Court, at office in Floydada, Texas, this the 18th day of February A. D. 1959.

Mary L. McPherson, Clerk
District Court
Floyd County, Texas

School Menu

March 23 - 27

Monday — Oven baked pork patties, buttered carrots, creamed potatoes, gravy, celery stick, hot rolls, butter, milk, stewed fruit.

Tuesday — Dish of eggs, buttered corn, English pea salad, lettuce wedge, orange and grapefruit sections, milk, crackers and peanut butter.

Wednesday — Creamed chicken on dressing, sweet potatoes, green beans, orange Jello with cottage cheese, enriched bread, milk, gingerbread, applesauce.

Thursday — Beef and bean casserole, cabbage, onion and pepper salad, buttered hominy, chilled tomato, cornbread, milk, chocolate pudding.

Friday — Frozen fish with catsup, new whole potatoes, buttered broccoli, Harvard beans, cheese biscuits, milk, cookies and fruit.

ROASTED AND TOASTED FRANKFURTER

To produce mouth-watering "franks" preheat the oven to 450 degrees. Remove crusts from slices of soft bread, spread the bread with mustard and wrap it around a slim frankfurter that has been heated in boiling water. Secure the bread with a wooden pick, top with a half slice of American cheese. Toast in the oven for about 10 minutes.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, TEX. — A possible shaft of light has pierced the murky tunnels of legislative tax study in the form of an "in-between" type money raising bill.

An omnibus tax measure introduced by Reps. R. L. Strickland of San Antonio and Wesley Roberts of Lamesa would tax a raft of things not previously hit, but avoid the "label" "general sales tax." It is regarded as a possible compromise between Gov. Price Daniel's tax program and Rep. Frates Seeligson's general sales tax, neither of which have attracted widespread support.

Strickland and Roberts estimate their proposal would raise from \$200,000,000 to \$300,000,000 an impressive sum even in the face of current huge needs.

Next tax sources it would include sales of real estate,

bonds, debentures, corporate stocks, transportation of persons and commodities, occupancy of a retail establishment, hotel and motel use, and trading stamps. It would increase the natural gas production tax, raise sales taxes on new cars, cosmetics, playing cards, radios and TV sets and raise taxes on telephone and telegraph companies.

"Strings" attached to the bill are that after the state deficit is paid off, the money raised could be used to provide school teachers a \$600 a year raise, add \$13,000,000 to higher education programs and \$2,250,000 to the hospital program.

NO HURRY — In terms of decisions, the tax program has made no dramatic forward strides.

Rep. Frates Seeligson of San Antonio, introduced his 1.5 per cent general sales tax measure. It would raise an estimated \$67,000,000 annually earmarked for the school foundation program. Informal surveys indicate a majority of lawmakers pledged opposition to a general sales tax in their campaigns last summer.

Despite urging from Gov. Daniel, the House Tax Committee showed itself in no hurry to get out the bill that would raise corporation franchise taxes. Committee declined, on a 15-2 vote, to order a report from the subcommittee which holds the bill.

Part of the governor's plan was to get this bill passed in time to take effect May 1 so the added revenue from it could help offset this year's deficit.

Committee also agreed to allow more time to hear groups wishing to oppose a proposed trading stamp tax.

FIRST HURDLE CLEARED — Texas public school teachers won the first round in their campaign for an \$80 a year pay raise.

Senate Committee voted favorably on the \$107,800,000 public school improvement program recommended by the Hale-Aiken Committee. Teachers' raises would account for a bulk of the cost, about \$80,000,000. Other items would include lengthening the school year to 180 days, increasing transportation allowances, programs for the academically gifted and for non-English speaking children, driver education, etc.

Some 3,000 teachers, plus many citizens from other walks of life, came to the Capitol in behalf of the bill.

WARM ISSUE — Another crowd-getter was the Senate hearing on the bill to reduce maximum working hours of firemen and policemen.

With feelings running high, the committee voted to send the bill to sub-committee for a week's study. Same bill was voted out favorably by the House Committee.

Texas Municipal League is strongly opposed to the measure which they say is about as palatable as having the federal government set wages and hours for Texas Highway Patrolmen. League's counter-measure would abolish state regulation of city firemen and policemen.

NO PEACE ON THE TRINITY

State Board of Water Engineers is caught in the middle of a king-sized struggle over Trinity River water.

Houston asked the Board for a permit to construct a dam at Livingston and impound some 1,750,000 acre feet of water.

Trinity River Authority was joined by Dallas, Fort Worth and other Upper Trinity towns in howls of protest over Houston's "water grabbing." TR Authority's application asking that Houston's application be dismissed and also filed an application for the same permit Houston is seeking.

A hearing on Houston's application had been set for April 6, but the North Texans are asking for delay. Indications are that such a set-to-between Texas' major cities probably cannot be settled for some time.

HIGHER TUITION ASKED — Commission on Higher Education is recommending the Legislature adopt a new system of automatic tuition increases for state-supported colleges.

By the Commission's formula, tuition would be in proportion to the college's spending. If legislative appropriations to the college went up, so would tuition.

It was estimated the formula would raise present tuition for in-state students from \$100 a year to about \$125 to \$137.50.

Many students protested that the hike would be an undue hardship on the 65 per cent who earn part or all their college expenses.

DON'T STOP NOW — Gov. Daniel's Statewide Water Committee is asking the Legislature to restore proposed cuts in the Water Board budget.

Governor Daniel held a meeting of the statewide water group that water development in Texas needs all the \$1,700,000 asked by the Water Board. Legislative Budget Board recommended only \$900,000.

Daniel said he felt more water planning had been accomplished in the past two years than ever before in the state's history. To cut back now, he said, would amount to "complete surrender" to federal control.

HANDS OFF LADIES' BILL — Atty. Gen. Will Wilson nimble sidestepped efforts to get him to rule on the proposed equal rights for women amendment. Senators had dodged the issue by asking for an attorney general's opinion on how the amendment would affect existing legislation concerning women. Wilson said the question was too general and that he didn't feel he should tell the Legislature what it should do.

Corn Research Underway At High Plains

One hundred and forty-seven varieties of white and yellow corn hybrids were included in the 1958 corn research program at the High Plains Station of the Texas Research Foundation at Halfway. The tests were under the supervision of Lawrence Gundy, corn breeder from the Texas Research Foundation.

Three hybrid corn yield tests, each containing 49 entries, were conducted. The average yields on these tests were 77 to 97 bushels per acre while individual entries ranged from 56 to 135 bushels per acre. The tests included hybrids now available in the High Plains plus a number of midseason and early commercial and experimental hybrids.

Nine yellow hybrids out of 50 tested produced yields above the test average of 97 bushels per acre. The top yielding yellow hybrids were: Texas 28, 134.8 bu.; Asgrow 104, 122.4 bu.; Watson III, 121.6 bu.; Conrad 3, 121.3 bu.; Texas 30, 116.3 bu.; Texas 26, 116.1 bu. and Conrad No. 1, 115.5 bu.

The high yielding white corn hybrids were: G779w, 132.9 bu.; Asgrow 105w, 121.3 bu.; Asgrow 101w, 114.2 bu.; TRF 9w, 105.2 bu.; Asgrow 107w, 102.3 bu. and P. A. G. 633w, 101.4 bu. White corn buyers discovered that the Angoumois grain moth, a serious problem for corn in storage in the corn belt, has not yet heavily infested corn storage in this area. This has increased the market for white corn especially in the Muleshoe area.

The variety tests were planted April 25 with 26 pounds of nitrogen and 78 pounds of phosphorus applied in bands at planting time. This was followed by 150 pounds of nitrogen applied as a side dressing on May 5.

GO TO CHURCH SUNDAY.

Pork Supplies Up Sharply, Recent Survey Shows

The Texas 1958 pig crop totaled 1,777,000 head the Texas Crop and Livestock Reporting Service advised Postmaster Jeff M. Griffith. This is based on livestock surveys cooperatively made by the Post Office and Agriculture Departments. A pig crop of this size will boost potential pork production on Texas farms and ranches 24 per cent above last year, but is still below the 10-year annual average of 1,867,000 pigs. Fall farrowing, estimated at 127,000 sows, was 27 per cent above farrowing a year earlier. Fall litters averaged 7.0 pigs, which is a new record. Bulk of these fall pigs will reach slaughter weight during the spring of 1959.

Postmaster Griffith pointed out this information on prospective pork supplies was made possible by voluntary reports from farmers and ranchmen along mail routes served by A. L. Nigh, Route 1; T. L. Marr, Route 2; Mrs. Clyde Stowe, Route F; Vesta Elland, Route M; Cliff Gilly, Route Q, combined with other reports from all parts of Texas and the Nation.

The Nation's 1958 pig crop totaled 94.8 million head — eight per cent larger than the 1957 crop of 88.0 million. Reports on breeding intentions indicate 8.3 million sows to farrow in the spring of 1959. This

MEAL IN A SQUASH

Cut 3 acorn squashes in half, remove seeds and brush the inside with melted butter. Mix 1½ cups ground ham, 1 cup chopped tart apple, 2 tablespoons each chopped onion and melted butter, 1½ teaspoons prepared mustard, ½ teaspoon salt and 1 egg slightly beaten together. Fill the squash cavities with the above filling, then bake in an oven preheated to 375 degrees for 30 to 40 minutes. Serve with citrus fruit salad, raisin pie and milk.

TIP ON HOME FREEZING

Freezing foods in the freezing compartment of the refrigerator is a practical plan for the average household. A system of turnover is an important factor as home frozen foods should be used within three weeks. It is a good idea to date and label every package so constant turnover can be achieved.

WHILE SHE READS THE NEWS... YOU CAN BET...

She reads the Ads

According to the U. S. Bureau of Advertising, ADVERTISING ranks first with women, over all other newspaper content, for interest and readership! Women actually read ads in preference to anything else in the newspaper. (For that matter, ads rank third with men for readership!) And reading the newspaper is a favorite habit with American women.

So, if you have a product to sell — display it in an ad in your local newspaper. If it's for the home, write it to the housewife's point of view. For, more than anyone else, she'll read it. And, more than anyone else, she's the one who does the buying for the family!

Mrs. Housewife is your NUMBER 1 Prospective Customer... and she LIKES to read newspaper ads.

BUILT ON SAND?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Day | Book | Chapter | Verses |
|-----------|---------|---------|--------|
| Sunday | Matthew | 25 | 31-46 |
| Monday | Matthew | 12 | 22-50 |
| Tuesday | Matthew | 13 | 1-23 |
| Wednesday | Matthew | 13 | 24-52 |
| Thursday | Mark | 5 | 1-20 |
| Friday | Mark | 5 | 21-43 |
| Saturday | Mark | 6 | 1-13 |

Is this lighthouse built on sand? Seemingly so! All you can see at its base is sand.

Actually this towering structure is built on rock. Underneath these dunes of sand is a rocky ledge, firm and enduring. The sand may be carried away by sea or wind, but this lighthouse will stand secure. There's a rock, a firm foundation, underneath!

Some people look at the Church and see only sand. They see the shifting sands—of custom—and fashion—and passing personalities pile up and wash away around the Church. "Why is it still standing?" they ask—for they see only sand.

The Church would have fallen long ago were it built on anything so fickle as fashion, so casual as custom, so impermanent as mere people. The Church is built on rock, firm and enduring. It will stand secure for all ages, shedding light and imparting strength to all who are guided by it. It stands on the "Rock of Ages," the divine personality of Jesus Christ and His message of hope for all mankind.

Faculty Wins Over Townsman In Friday Basketball Game

A good crowd watched a team of faculty members down the townsman squad, 55-52, last Friday night in the local gym. The contest was close all the way with the townsman holding the lead at half.

High point men for the faculty were Don Beck and R. L. Rhoten. Joe Cunyus and Carroll Minor sparked the townsman.

The Freshmen white team downed the red unit, 9-6, in a boxing basketball game prior to the faculty townsman clash. The fresh boys were divided into equal teams and wore boxing gloves during the encounter. The boxing basketball tilt proved to be a crowd-pleaser.

All proceeds went to the Freshmen class.

BRUNNIER DUE HOME WEDNESDAY

C. M. "Bud" Brunnier, who has been in Methodist Hospital at Houston for several weeks and undergone two operations, was due to arrive home Wednesday by Carter Ambulance. The ambulance, driven by Ben Wood, left Tuesday afternoon for Houston.

AT GRAND LODGE

Truett Bilibrey, Gene Hammit and Leonard Strickland spent the week end and the first of the week in Waco attending the I.O.O.F. Grand Lodge as representatives of the Lockney Lodge. They were due to return home Wednesday.

IN FLOYDADA MEET

The Lockney Jr. High Short-horns track team will see their first action of the year Saturday when they enter an invitational meet at Floydada. Coach R. L. Rhoten plans to have 10-12 athletes in the meet.

Jackson Family Has Reunion Sunday

The Dwight Jackson home was the site for a Jackson family reunion here Sunday. The group had lunch in the dining room at Golden Restaurant and spent the remainder of the day in the Jackson home.

Present for the occasion were F. H. Jackson, Houston; Mr. and Mrs. Carl Jackson, Mrs. V. D. McLaughlin and Mary Ann, all of Plainview; Mr. and Mrs. D. W. Carpenter, Farwell; Mr. and Mrs. Bob Loudder and Bob Ann, Happy; E. M. Jackson and Lynn, Floydada; Mrs. J. W. Jackson, Mr. and Mrs. Dwight Jackson and Keith, Mr. and Mrs. Guy Jackson, Mr. and Mrs. Floyd Jackson, Mr. and Mrs. Cleon Wylie and Jackie Kay, Mrs. Hazel Wofford and Jake, Mr. and Mrs. Willis Reynolds and Jane, Mr. and Mrs. Jim Reynolds.

Preaches Sunday At Lone Star

David Hartman, ministerial student at Hardin - Simmons University, preached at Lone Star Baptist Church at both morning and evening services Sunday. David is the son of Mr. and Mrs. M. W. Hartman of Lone Star. His wife is the former Frankie Sparkman, daughter of Mr. and Mrs. H. B. Sparkman, Lockney. Both are graduates of Lockney High School.

TO SANTA FE

Mr. and Mrs. Ray Cahon left Wednesday to visit their son, Bill Cahon, who is in a Santa Fe, New Mexico, hospital.

NAMED HONOREES

Kathy Briley and Terry Huggins have been named honor students at Story Book School for the fifth term, according to Mrs. Ted Carthel, teacher. Kathy is the daughter of Mr. and Mrs. Clyde Briley and Terry is the son of Mr. and Mrs. Fred Huggins.

TEXAS' Betty Crocker Home-maker of Tomorrow is 17-year-old Grace Rose of Gladewater. She will receive a \$1,500 scholarship from General Mills for gaining the highest score in the state in a written homemaking examination.

Boy Scout Executive Going To Oklahoma

Ray Howard, Boy Scout executive for the Haynes District since May, 1949, is resigning his position to accept a promotion as Scout executive in Oklahoma City.

The Howards will leave Plainview March 27. His work in Oklahoma begins April 1. Howard will assume command of the Eagle District, one of the largest of Oklahoma City's ten Scout districts.

When he came to Plainview in 1948, Howard took over an organization serving 400 boys. Now the membership of the District is more than 1,600 with 600 additional adult volunteer workers. There are 78 Scouting units in the Haynes District.

TRY BEACON CLASSIFIEDS.

RETURN HOME

Mrs. Glenn McLeod and sons, Mike, Gary, David and James Ray were accompanied back to their home in Denver, Colo., by her father, Carl Wilson and brother, Dwayne last week end. She came to be with her mother during her illness. Mrs. McLeod and boys will join her husband in Okinawa in May.

CARD OF THANKS

I wish to express thanks to my friends for their many kindnesses, the prayers, the pretty flowers and cards while in the hospital. Especially do I thank the Primary Department of the Baptist Sunday School for the nice house apartment. May God bless each of you.

Mrs. Carl Wilson

TO AUSTIN

M. L. Brewer, agriculture instructor of Lockney High School, will leave Thursday for Austin where he will attend a meeting of the directors of the Texas Vocational Agriculture Teachers Association.

The meeting will be held Friday and Saturday. Mr. Brewer has been a director of the state association since last year.

Alaska's flag was designed by a 13-year-old schoolboy, according to The World Book Encyclopedia. When the Christians adopted the custom, eggs were decorated primarily in red, to symbolize the blood of Christ.

Children have been rolling Easter eggs down the White House lawn since 1888. According to The World Book Encyclopedia, President Rutherford B. Hayes started the custom.

Dear Editor:

I see where Texas Congressman Alger wants to pass a law saying a farmer can forget acreage restrictions and produce as much as he wants for his own use, without the government taking him for a fat fine.

My ex-farmer neighbor says if this bill passes, he will study about going back to the farm himself.

Says a man might make a living on the land under this regulation, if he got a printing press attachment for his tractor, between harvest and spring plowing, produced a few \$10 bills just for his own use.

D. E. SCOTT
Crossroads, U.S.A.

The original purpose of coloring Easter eggs probably was to imitate the bright colors of spring, according to research experts with the World Book Encyclopedia. When the Christians adopted the custom, eggs were decorated primarily in red, to symbolize the blood of Christ.

Children have been rolling Easter eggs down the White House lawn since 1888. According to The World Book Encyclopedia, President Rutherford B. Hayes started the custom.
