Little League Season Off to Fast Start

The fast and furious in Little League as the season enters the second week. The contests are played in the Little League park in Lockney every week.

The season opener last week the Yankees scored in a fifth inning up-down the Cards, 12-10. Montandon was the starting pitcher and he was the first Card

to pitch. The Sox overcame a big lead last Thursday and to win an exciting 12-11. Stapp and Ronnie were Red Sox mounds-

men. Pitchers included Decker, Russell Smith, and Smith.

The wild scoring contest the Indians outlasted the Sox, 30-9. The winners were Dale Galloway and Smith hurled for the Sox and Neil Mitchell and Webster did the Giant

pitching. In another free scoring game the final score was 15-10. Bobby Webster and Shell were Giant pitching for the Dodgers.

Smith, Buck Merlin Boedecker, and Jackie Mickey and were on the mound for the Sox hurled for Stapp and Ronnie

in the Wednesday game between the Yankees and Sox was not available at the time of this week's contest.

Friday — Giants vs. Cards. Saturday — Red Sox vs. Yankees. Sunday — Dodgers vs. Yankees.

Monday — Cards vs. Giants. Tuesday — Yankees vs. Indians. Wednesday — Giants vs. Red Sox.

Thursday — Through Tuesday

City Well Good One

The new city well in South Heights addition is a "one" the engineer has completed as yet but it will be finished within a few days.

The city will construct a storage and set-back on the site of the well and connect it onto the main line.

Men's Beauty Shop Moves

Men's Beauty Shop, owned by Mrs. Weidon Dodson, has moved from the old location on the street from the high school building to a new building completed at 318 West Third Street. The shop will open in its new location (Thursday) morning.

CALENDAR OF EVENTS

Thursday

7 p.m. Sterley HD Club in home of Mrs. Elmo Schaffner.
8 p.m. M.Y.F. swimming.

Friday

10 noon Rotary meets at Elmer's Restaurant.
8 p.m. Class of '59 party at home of Mrs. E. C. Cope.

Monday

10 a.m. Clothing workshops for girls of Lockney and vicinity begin in high school gymnasium.
8 p.m. W.S.C.S. at Methodist Church.
10 p.m. Junior and Intermediate G.A. Baptist Church.
8 p.m. Lions Club, at Elmer's Restaurant.
10 p.m. Rebekah Lodge at Elmer's Restaurant.

Wednesday

10 a.m. Ladies Bible Class, at Street Church of Christ.
8 p.m. Baptist Church S.S. and officers meeting.
8 p.m. Methodist Devotional.

8 p.m. Prayer Meeting at Street Church.
8 p.m. Bible Classes for all ages at Street Church of Christ.

"FLY-UP" CEREMONY — Pictured here are the Girl Scouts and Brownies who participated in the recent "fly-up" ceremony in which the Brownies became Girl Scouts. They are, left to right, Jenny Adams, Pam McPherson, Linda Abbott, Dinah Hodel, Jeanette Dodson, Sandra Huggins, Carol Howell, Gayle Williams, Debra Brandes, Irene Bean, Cheri Chatham, Mary Sue Crader, Judy Whitfill, Trudy Jarrett, Pat Schaffner, Diane Mooney, Sharon Colson, Donna Lynn Hatch, Judy Smith, Janet Edwards, Carla Smith, Mary Amber Frizzell, Celia Ann Copeland, Kathy Brotherton, Connie Luene Reed.

GIRL SCOUT ORGANIZATION NEEDS MORE LOCAL SUPPORT

The Lockney Girl Scout organization must have more local support, both in finances and in service, if it is to become a part of the Plainview Girl Scout Council and operate on a firm basis. This is the conclusion of several mothers who have been working with the Girl Scouts and Brownies here for the past year and whose faithfulness to the cause has provided the present local organization.

Some 71 girls are now a part of the two Girl Scout troops and the three Brownie troops in Lockney. Thirteen local women are working with the troops, all of which have girls in Scouting. But many more girls are anxious to join and more troops are planned for this year provided the additional workers can be secured and financial support is forthcoming.

The group of workers met this week, laid plans for the organization of two more troops and drew up a minimum budget for the year totaling only \$208.70. Usually the financial support is provided by individuals, who are called "Friends of Scouting," who agree to give \$1.00 per month through a bank draft to the movement. When questioned about the smallness of the budget the leaders stated that this was the very minimum amount and if more money is provided, the troops could have a better program of work.

It is imperative that we become a part of the Plainview Council if the local troops are to operate on a firm basis, one mother said. "We have the opportunity now to be become a part of that Council if we can get enough local support. If we do not we probably will not have the opportunity again."

The workers were sorely disappointed in the crowd at the meeting last Friday evening at the high school cafeteria. After contacting some 200 people urging their attendance only a handful attended. But they are not discouraged and will continue to seek local help, especially from mothers of girls in the troops and those who are eligible to join.

At the meeting Friday evening two temporary officers were named. They are Mrs. Boyce Mosley, temporary neighborhood chairman and Mrs. Tommy Montandon, temporary publicity chairman. Speaking at the meeting was Mrs. Thelma Vestal, executive director of Girl Scouting in Plainview. She has already been of considerable help to the local troops and, if the local troops become a part of the Plainview Council, her assistance and guidance will be available at all times to Lockney Scouting.

Needed for a permanent local organization are these: neighborhood chairman, troop organizer, troop consultant, a meeting place for the troops and more workers. The Scouts also need sponsorship by local organizations. Anyone interested in helping should contact one of the women now working with the Scouts.

Explaining the organization, The Beacon was told that there are three years of Brownies, third and fourth grades in school, intermediate Scouts, fifth, sixth and seventh grades and then a Junior High troop. Provisions are also made for Girl Scouts in high school grades, these delving into career projects and like subjects.

The girls are Tenderfoot Scouts when they "fly-up" from Brownies to Scouts. Then they

Court Awards Byars \$750 In Land Suit

Floydada.—The Floyd County Court Friday adopted as its own judgment the report of a special commission allowing Baylor Byars \$750 for 46-hundredths of an acre of land asked for in a condemnation suit by Light House Electric Company for the location of a power sub-station.

The electric cooperative sub-station on Highway 70 near the Lockney-Irick road is having to be moved to give way to the widening of the pavement there. The new site for the sub-station is in the west central part of Survey No. 47 in Block D-6, D & P Railway Survey, south of the present sub-station site.

It is adjacent to Lockney-Irick pavement and takes in 200 feet of ground east and west, 100 feet north and south.

The land owner and the electric cooperative, had been unable to agree on a price for the new site.

Application to the court to proceed with condemnation was filed on April 8. The commission named to assess the damage and make report to the court was composed of Paul Cooper, W. G. Hodel, and H. O. Cline. Their hearing was held on May 25 at Floydada.

Mrs. C. L. Busby Buried Friday

Mrs. Viola Mae Busby, widow of the late C. L. "Uncle Charlie" Busby, died Wednesday of last week at the home of a son, Clint Busby in Amarillo. She was 89 years of age.

Funeral services were held at the Carter Funeral Chapel in Lockney Friday at 2 p.m. conducted by a grandson of the deceased, Derrel Wayne Shaw, minister of the Church of Christ in Eldorado, Kansas, assisted by Ross Blasingame, of the Wildorado Church of Christ.

Burial was in the Lockney Cemetery beside the grave of her husband.

Mrs. Busby's maiden name was Viola Mae Kearnes and she was born in Fulton, Ohio, on April 15, 1870. She was married to Charles L. Busby in Lawrenceburg, Tenn., in 1886. The family moved to Gunter, Grayson County, Texas, and then came to Lockney in 1905.

Mrs. Busby and her late husband were pioneer residents of this community, he being a farmer by profession. Their children were reared here and attended Lockney schools. He died in 1913 and Mrs. Busby moved to Amarillo to make her home.

Survivors are four sons, Lewis Busby of Lockney, Frank Busby of Lamesa, Dawson Busby of Rio, Calif., and Clint Busby of Amarillo; five daughters, Mrs. T. R. Rigdon, Mrs. J. L. Shaw and Mrs. M. G. O'Neill, all of Amarillo; Mrs. J. W. Jenson, Albuquerque, and Mrs. E. O. Baker of Muleshoe. She is also survived by 32 grandchildren, 49 great-grandchildren and two great-great-grandchildren.

Grandsons of the deceased served as pallbearers. Carter Funeral Home of Lockney was in charge of arrangements.

FROM ARIZONA

Mr. and Mrs. Claude Workman and children, Ruth and Mark of Wickenburg, Arizona, visited briefly here last week end with his parents, Mr. and Mrs. W. H. Workman and other relatives. They were enroute home from a visit with Mrs. Workman's parents and other relatives in Iowa and Illinois.

Wheat Harvest Going Good, About Half Cut

The wheat harvest in this part of Floyd County is going along good (late Wednesday) and a good half of the wheat has already reached the elevator. This is the opinion of local elevator men. If pretty weather holds this week will see most of the wheat cut except for late varieties.

Yields are also excellent on irrigated wheat. Highest yield heard of at The Beacon office was 64 bushels per acre on a 15-acre plot belonging to Bill Whitlock, living northeast of Lockney. Chester Carthel made a good 50 bushels per acre on a plot at his farm and Verner Hodel, who farms west of Lockney, had a farm average of 57.77 bushels per acre on his 58 1/2 acres of wheat. The Beacon was told by elevator men.

E. A. Noland of the Muncy community had a 45 bushel average on some fields and has a good yield on all his 250 acres of wheat, the report said.

L. M. Honea of Lockney was reported to have made a good yield for dry land on some summer-tilled land northeast of Lockney.

Moist irrigated wheat is averaging 40 bushels or better and it is good heavy grain, testing 62 and 63 pounds. The moisture is low enough on most of it, though some patches are being rushed a little.

Linda Carter Has Appendectomy

Linda Carter, daughter of Mr. and Mrs. Lester Carter, underwent an emergency appendectomy at the Lubbock Methodist Hospital, Friday evening at 6 o'clock.

Linda had been visiting Mrs. Carter's sister in Brownfield when she became ill. Mr. and Mrs. Carter were bringing her home when she became so sick they stopped at the Methodist Hospital in Lubbock. There Linda was operated on immediately.

She was able to come home Tuesday and is doing fine. Linda was scheduled to leave for a girl's camp on Monday. Her trip will be delayed one week.

Pat Reeves Enters Galveston Hospital

Miss Patsy Reeves, daughter of Dolly Reeves of Lockney, left Tuesday for Galveston where she will spend a few days visiting before entering John Sealy Hospital in Galveston on June 23. There she will have plastic surgery for burns she received at the age of 5. Patsy has been receiving treatment in late August so that the old scars every summer since she was burned. She is a 1959 graduate of Lockney High School.

LOCAL FAMILY TO BE FEATURED IN LADIES HOME JOURNAL

The Raymond Wisdom family of Lockney will be the subject of a feature story in Ladies Home Journal, to be published probably in the summer of 1960. A representative of the magazine, Miss Ruth Matthews of New York City, recently spent several days here visiting the Wisdom family, interviewing them and making pictures.

The journal carries a feature titled "How America Lives" and the Wisdom family's story of how they make the wheat harvest every year, doing custom combining all the way from the Paducah area to an area near the Canadian border in Montana, will be the subject of the article.

Mrs. Wisdom read the Journal feature concerning another family. She wrote to the magazine, telling of her family's experiences on their trips and the magazine quickly responded expressing an interest. After several long distance telephone calls from New York, Miss Matthews arrived here on May 13 staying until May 16.

The magazine will send a representative to meet the family while they are away this summer, possibly at Albin, Wyoming, to get more pictures of the family life in their trailer house and of the combines at work in the field. The Journal works eight and nine months ahead of their feature articles, Mrs. Wisdom was told, and this type story must be published in the summertime, thus the delay in publishing the feature until next summer.

While away in the harvest, Mrs. Wisdom usually cooks for 10 men and her family. Not only that but two of the meals must be carried to the fields where the men are working so that they may eat with a minimum loss of time.

The Wisdoms follow a certain route each year and know

SCHOOL BOARD VOIDS BOND ISSUE VOTE, UPS VALUATIONS

The trustees of Lockney Independent School District, in their meeting Monday night, voted to void a motion passed last March 23 to vote a bond issue for school buildings and decided to set the tax valuations for the next fiscal year at 50 per cent of valuations instead of the present 40 per cent. The additional tax money coming from this raise in valuation rate will be used for school building purposes, The Beacon was told.

Although School Superintendent H. H. Nicholas wasn't available for comment Wednesday, a member of the school board said that the board had definitely decided to build by the unit system and the new units will be built on land purchased last year by the school board for new buildings. The board hopes to get started on the first unit by late summer and may have it ready by mid-term of next school year, it was said.

A re-valuation program now underway is expected to also result in some increase in valuation. An expert tax appraiser is going over property in the district with the purpose of trying to equalize all valuations. His recommendations will be presented to the equalization board which meets in July for final action.

Raising the valuation rate from 40 per cent to 50 per cent of the actual valuations will bring an estimated additional \$50,000 per year of local money into the school building fund, the board member said. Money coming in before it is needed will be put on time deposit until needed, according to minutes of the board.

Meeting with the board Monday night was Mayor J. E. Cox and Councilman Claude Brown who asked the board to allow the City to use the valuation figures for city property when the tax expert is finished with the understanding that the City would pay a part of the fee. The board agreed to this.

Brother-In-Law Dies At Amarillo

Roy Thomas Perry, 56 of Amarillo, died in Saint Anthony Hospital Thursday of last week after a long illness. He was a brother-in-law of Joe Foster of Lockney and a former resident of Lockney. Mr. and Mrs. Foster went to Amarillo Friday to attend the services, returning home Monday.

Funeral services were held Monday at the Polk Street Methodist Church Chapel in Amarillo and burial was there. He was a member of the Polk Street Church and the Elks Lodge.

Mr. Perry was born August 7, 1902, in Palestine, Texas, and lived in Lockney for a time, moving from here to Amarillo in 1931.

Survivors include his wife, Elva of Amarillo; a son, Harold Joe (Sonny) Perry of Amarillo; and a daughter, Mrs. George Milford of Farmington, N. M.; two sisters, Mrs. Dalton Denton of Albuquerque, N. M., and Mrs. Fay Weaver of Casper, Wyoming; and two grandchildren.

One Injured In Pick-up Collision

W. R. Kirkpatrick of the Irick Community was injured last Saturday morning when the Chevrolet pick-up he was driving collided with the rear of a trailer on Farm Highway 508 4 1/2 miles north of Lockney.

Kirkpatrick is under treatment at Lockney General Hospital where he is reported to have some cracked ribs and bruises. His injuries are not considered serious, members of the family said, and he may be released this week end.

The trailer was loaded with castor beans and belonged to Jim Bert Bobbitt. Bobbitt had a flat on his pick-up and pulled the pick-up and trailer off the highway to fix it. When he was ready to go he started up and started to pull on the highway but heard the other vehicle and pulled back off to let it pass. The Beacon was told, Kirkpatrick's pick-up struck the rear of the trailer. The pick-up was badly damaged in the front and the trailer was damaged to a lesser degree. Bobbitt was not injured.

Kirkpatrick was rushed to Lockney General Hospital in a Carter ambulance. The accident happened almost in front of the H. D. Griffith farm home. Both vehicles were traveling north.

Driving Classes Begin Monday

Practice driving began Monday for the summer Driver's Education classes taught by Henry Ford, Jr. Students took the rules and signs tests at Floydada Friday and received Beginner's licenses. They will be ready to take the driving tests about July 10, Mr. Ford said.

Enrolled in the classes are Anita Cooper, Jane Reynolds, Joe Frank Hawkins, Priscilla Carthel, Jo Readhimer, Jimmy Whitfill, Terry Mosley, Jane Rhodes, Carolyn Belt, Linda Harris, Paulette Kropp, Bobby Holt, James Roy Wofford, John M. Tye, David Cates and Juanel Potts.

ATTENDING WORKSHOP

Mrs. Olive Myers is spending the week in Lubbock with her son, Jackie and family. While there she is attending a school workshop for luncheon workers.

EDITORIAL

Let not your heart be troubled; ye believe in God, believe also in me.—John 14:1.

IN THE LONG run and in the final accounting, a state or a nation must be able to pay its bills or go broke just like a firm or an individual. The idea of some that public money can be spent freely on any kind of "welfare" project with no thought for repayment is as false as it can be. Take a look at the state of Michigan. It is a wealthy state by most standards with more industry than most any other state. But, under the administration of Governor G. Mennen Williams, it has been the leading "welfare" state, spending money lavishly on all kinds of programs to assure full employment and economic

growth. Now the state is practically broke, has been operating on credit, and is behind with many of its bills and current expenses. A state, as well as an individual, must live within its means. We take it this would apply to a nation as well.

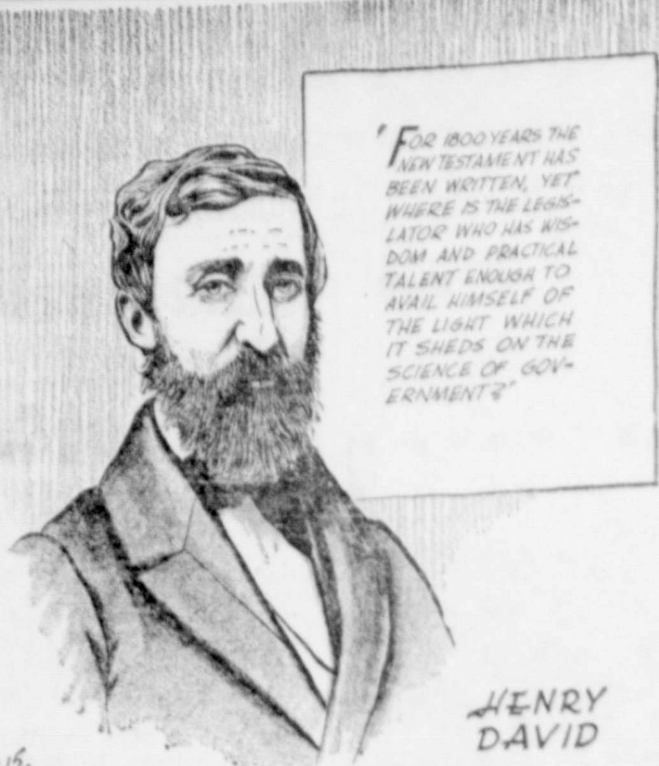

—O—O—
THERE WILL BE a lot of changes in the Democratic primary elections and conventions in 1960, after the Legislature passed a bill moving the dates up considerably. For instance the first Democratic primary will be held next year on Saturday, May 7, and the second primary on Saturday, June 4, both dates almost three months earlier than in previous years. Filing deadline for candidates will be February 1st, compared to May 5 for previous years. This means that those who are considering becoming a candidate will have to make up their minds earlier, and get their names on the dotted line much earlier than in previous years.

—O—O—
IT IS DISTURBING to read about the rivalry between the various branches of the armed forces in the development of missiles and other phases of rocket warfare. Because of this rivalry apparently the missile program has been delayed, much money has been wasted by duplicate experimentation, and the welfare of the country as a whole has not been served. Isn't Congress big enough, or is the administration too timid to set these ambitious military boys down and tell them what's what? Why not set up a different branch altogether for the development of the missile program? Seems to us that the matters should be settled before the Russians get so far ahead of us that they'll be telling us all what to do.

—O—O—
THE GIRL SCOUT program in Lockney should be important to a lot of local citizens. Yet very few exhibited an interest last Friday evening when a meeting was held at the high school building. The Boy Scout program has also suffered for lack of adult interest as has other youth programs. We do not have a pony baseball league for 13 and 14 year old boys because of lack of adult interest. Are the adults of this community not interested in the activities of their youth? It seems to us that parents of these youngsters should take an interest in youth activities and help in every way possible. All of us have some time to spare.

—O—O—
BECAUSE ALASKA "has the beginnings, but only the bare beginnings" of an oil industry, legislation is needed to increase the amount of public land acreage which may be held under lease or option, according to Senator Ernest Gruening. He, in company with Senator Bartlett, have introduced a bill to raise the limitation from a total of 300,000 acres to 1 million.

THE AMERICAN WAY

"FOR 1800 YEARS THE NEW TESTAMENT HAS BEEN WRITTEN, YET WHERE IS THE LEGISLATOR WHO HAS WISDOM AND PRACTICAL TALENT ENOUGH TO AVAIL HIMSELF OF THE LIGHT WHICH IT SHEDS ON THE SCIENCE OF GOVERNMENT?"

HENRY DAVID

THOREAU (1817-1862)

New Testament Teaches Science of Government

With Our EXCHANGES

GREAT UNREAD BOOK

Noticed last week the sale of the Bible broke its own record. It has stood for years as the best seller of all known books. It is also the least read of all great books. I have also observed that the greatest critics of the Bible are the ones who superstitiously refuse to read any part of it. They have good reason to be afraid.

Our day has become the most critical in the history of the world. All things have been twisted out of proportion to the old standards. It is no longer honorable to earn our living by the sweat of our brow. It is no longer right to demand righteous dissemination by those who serve in official capacities. The old is gone, the new is yet to come and we stand suspended in the transition period. But the Godly people of this age are not left without signs along the way. They are told of the events of transpire and the eventual outcome of history and God's dealing with man. Within your life time you will see the termination of many of these guide posts as they pass back into history.

You are living in the most perilous age of time and one of the most glorious. Confusion, bitterness and hate will mount. Virtually every nation in the world will eventually turn against the Anglo-Saxon, Celt

people, but you have a source of peace and strength of which the world knows not. — Cecil Waggoner in Claude News.

SECOND THOUGHTS

Apparently even the august U.S. Supreme Court can be reached by public opinion.

The outcry during the last two or three years over the court's pre-emption of states' rights, and gathering opposition within the American bar, itself, may have been responsible for the tone of a series of decisions handed down yesterday:

The court:
1. — Declared that its 1956 Smith Act decision does not bar prosecution under state sedition

laws. This statement came in a ruling upholding the contempt conviction of Dr. Willard Uphaus for refusing to give authorities the membership list of an organization known as World Fellowship Center. Vote 5 to 4.

2. — Upheld the contempt conviction of Lloyd Barenblatt, former instructor at Vassar and the University of Michigan, for defying the House Committee on Un-American Activities five years ago. Vote 5 to 4.

3. — Overruled a lower court decision that three Virginia state laws directed at the NAACP were unconstitutional. Vote 6 to 3.

4. — Unanimously upheld a North Carolina requirement that respective voters must be able to read and write any section of the state constitution.

It does do some good for ordinary American citizens to express themselves on public issues. It may take time, but if the sovereign power of this republic — the people — don't become discouraged, and keep alert and keep fighting, they can eventually make their power felt. — Wes Izzard in Amarillo Daily News.

Dear Editor:
I see where some church ramrods have noticed you can't hardly tell a Christian from a non-Christian by the way he acts these days.

My modified Christian neighbor says he can see why the preachers would be worrying about this situation, on account of it's likely to cost them lots of wasted time.

Says not being able to tell Christians from prospects, a minister could spin his wheels considerably trying to convert say, a Sunday fisherman, when the fellow was already head deacon in some other preacher's church.

No rest for this Chevy... round the clock the engine never stops!

At Washington's bustling National Airport, Allied Aviation Fueling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thrift-master 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action.

The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability—in any weight class—at any price.

No job's too tough for a Chevrolet truck!

Home Making Hints

by Phyllis Roggendorff
County Home
Demonstration Agent

The way you decorate and furnish your home may affect your family's health. A group of patients on the tuberculosis ward of a mental hospital all began to gain weight at the same time. The surprised hospital staff investigated and found the weight gains began shortly after the patients were transferred from an old building into a tastefully furnished new ward with a cheerful color scheme. Other factors such as food, staff and medication had remained unchanged.

I don't think anyone would advise that you live in dark drab surroundings if you want to lose weight, but this example helps prove that colors and atmosphere are important in furnishing your home. The warm colors — red, orange, yellow — give a lively atmosphere. The cool colors — blue, green, purple — make the atmosphere of the room more restful. You may want to consider this when planning color schemes for rooms with different activities.

4-H Round-Up

The three girls that went to 4-H Round-up at College Station last week represented Floyd County very well. Though none of them placed in the first three places they gave good demon-

strations. Melda Jo Ramsey with a team mate of the Harmony Community 4-H Club participated in the safety demonstration and Yvonne Karr and Sue Wilson of the South Plains Community 4-H Club participated in the Vegetable Preparation and Use demonstration. Mrs. Roy Biedsoe, organization leader of South Plains also went with us and added life to our party. We needed it in those wee hours of the morning when we had to crawl out.

Sue and Yvonne demonstrated a tasty dish called "Chicken in a Garden." Many that saw their demonstration or sampled the results wanted the recipe. I thought you might like it too and as the girls brought out in their demonstration, it is easy to prepare, economical, and very tasty. The recipe is as follows:
On a 20" piece of heavy duty

aluminum foil (or 40" doubled of regular weight) place to one side
2 pieces of a cut up fryer
1 medium sized potato
1 carrot
1 onion
2 slices green pepper
2 tablespoons precooked rice
3-4 tablespoon Worcestershire sauce
1 teaspoon salt
dash of paprika
dash of pepper
dots of butter
Fold the aluminum foil over and seal the 3 sides with folds. Place it in a shallow pan.
Bake in 350 degree F oven for 1 1/2 hours turning about every 25 minutes. This may also be cooked outdoors over hot coals.
It's delicious! Try it.

4-H Clothing Workshop

There were nine 4-H girls at the first clothing workshop at Floydada plus several mothers and the leaders, Mrs. W. W. Trapp, Mrs. O. G. Mayfield and Mrs. Tom Porter. The meeting will be Thursday when the girls are to bring their pattern, material and sewing tools with them. We will work in the high school cafeteria from 9-11. The Lockney workshops will begin next Monday with a meeting in the high school home economic room from 9:30 to 10:30. The second meeting will be Thursday, June 25, from 9-11 a.m. All school club girls from Lockney and Providence who are taking clothing should attend. We would like for the mothers to come also — to the first meeting at least.

All of the school club 4-H girls enrolled in clothing are urged to attend so that a garment can be completed to wear at the dress revue on July 15.

Been To Worship But Wrong

Acts 8:26-40 contains the story of a certain Ethiopian nobleman who had been to Jerusalem to worship and who, on his way home, met a gospel preacher who taught him about Jesus.

This nobleman loved God's Word. Of course all he had at that time was the Old Testament but he was reading it anxiously to learn. Fear of being mistaken apparently never entered his mind. Upon meeting the preacher, the nobleman invited him to join him and asked a Bible question. As they rode along the preacher taught him about Jesus beginning with a prophecy and explaining how Jesus was the fulfillment of prophecy. In preaching Christ he necessarily told him who Christ was, what Christ did and what men must do to obey Christ.

Presently the nobleman asked, "Here is written what doth hinder me to be baptized?" Phillip replied, "If thou believest with all thine heart, thou mayest." And the nobleman was baptized after making his confession. In doing so he obeyed Jesus. Without being on probation, without calling on a church for approval, without being asked to relate an "experience" or being told to pray he made the confession of faith and was baptized immediately.

He had been religious but mistaken, sincere but misinformed. He had been to worship but wrong. He had been worshipping God according to the Old Testament after it had led to Christ (Gal. 3:24.) Now he and all others must obey the gospel of Christ (Mk. 16:15, 16; 2 Thess. 1:7-9). When he obeyed he became a member of no denomination on earth. He was a member of the New Testament church (Acts 2:47) but he was without sectarian belief or party name.

We believe that obeying as the nobleman obeyed will make Christians and Christians only and that those who obey as he did make up the New Testament church which is non-denominational and non-sectarian. We believe the nobleman's conversion is a divinely approved example of the obedience that Jesus and the apostles commanded. (Mk. 16:16; Acts 2:38)

Split Grades Will Bring More Money To High Plains Farmers

Light spotted cotton on the High Plains is going to worth several million dollars to farmers this year. Separate price support rates for split grades are a feature of the 1959 cotton law and represent attainment of one of the major goals of the Plains Cotton Growers, Inc. Just recognition for light spots is one of the first goals adopted by officers and staff members of the PCG more than two years ago. "It took nearly years of hard work negotiating with the U.S. Department of Agriculture, other producer organizations, and leadership throughout the cotton industry as well as with Congress and Senators before the PCG saw light spotted cotton recognized for its true value," O. Fortenberry, President.

Records show that the Texas High Plains crop sometimes averages as much as 50 per cent light spot during the crop year. Previously the Commodity

Credit Corporation did not recognize light spots as a separate grade. A producer putting light spotted cotton into the government loan received only the value for full or heavy spotted cotton. The cotton trade has at times given substantial premiums for light spots over the full spot, which accounted for the fact that light spotted cotton was nearly always the first cotton from the Plains to move into trade channels. However, the producer had no real price protection on light spots other than the full spotted loan.

"The loan difference between spotted and white cotton has been widening rapidly the past several years. In 1956 the difference between a bale of Middling inch white cotton and a Middling inch spotted or light spotted bale was 440 points or \$22 per bale. In 1957 this difference had widened to 575 points or \$28.75 per bale, and in 1958 had widened still further to 725 points or \$36.25 per bale," according to George W. Pfeiffenberger, Executive Vice President of the PCG.

"Since all spinning records and experience show that light spotted cotton is practically equal to white cotton in value and the physical difference in classing is often quite small, this difference of \$36.25 per bale has become ridiculous," Pfeiffenberger stressed.

Recognition of light spots in the government loan this year guarantees the farmer a loan on light spotted cotton 355 points above the spotted loan price. This would be the same premium of 355 points for his light spotted cotton this year, whereas last year he had no guarantee in the loan and his actual sales depended on what the market was at the time the cotton was sold.

An indication of how much actual money this might mean

The civil jet age arrives in Texas on July 12, when American Airlines begins daily round-trip service between Dallas and New York with one of these sleek, 585 m.p.h. 707 Jet Flagships. This will be the first pure jet service in the Southwest.

to the High Plains area can be obtained by considering the amount of light spots in production during previous years. For example in 1956 light spotted cotton accounted for 47 per cent of the High Plains crop, in 1957 light spots accounted for 50 per cent of the crop. Last year, 1958, there were about 500,000 bales or 25 per cent of the crop that was light spotted. Middling 31-32 inch cotton last year was worth 26.81 cents a pound in the loan if it was light spot or spotted, whereas Middling 31-32 inch white cotton brought 34.06 in the loan.

This year Middling 31-32 inch light spotted cotton is worth 25.48 cents a pound to the "A" farmer, a difference of 2.67 cents per pound above 1958. This is about \$13.35 a bale and multiplied times 500,000 bales — the amount of light spotted cotton produced last year — equals approximately \$6,675,000.

Cotton mills have found that light spotted cotton is practically identical with white cotton for most purposes and since it will still be considerably cheaper than white cotton, it has every opportunity for sale in the market.

A further advantage in getting a separate loan base for light spotted cotton is that the farmer can put light spots in the loan for purely orderly marketing purposes and then sell it out later if the market advances. He could do this last year, of course, but he had to take the full spotted loan price for it, which greatly discouraged his use of the loan for marketing purposes.

One of the original purposes of the government loan for cotton was to stabilize the market, and to prevent prices from falling when a large quantity was available at one time. This loan for light spots should accomplish such a purpose, Pfeiffenberger said.

While the Plains Cotton Growers, Inc. led the fight for recognition of light spots, other producer groups elsewhere assisted in the struggle. Congressmen George Mahon, Walter Rogers of Pampa and W. R. Poage of Waco also played vital roles in securing passage of this part of the new cotton bill.

"This is another example of what can be done through organized effort through an Association such as the Plains Cotton Growers, Inc.," Pfeiffenberger concluded. "The passage of this act alone will repay High Plains farmers many many times for the 15 cents a bale dues to this organization."

Twirling School Set At Matador

Matador. — A baton twirling school will be conducted here the week of June 22, by Shirley Hagan of Pharr, Texas, national baton twirling teacher.

Tuition for two lessons per day will be \$18.50 for intermediates (those who have had previous instruction) and \$9.50 for beginners. No age limit was set for beginners, and younger children in the lower grades will be welcome to attend as well as those in high school.

Classes will begin at 9 a. m. at the Matador High School, Monday, June 22 and continue through Saturday the 27th. Lessons will close with a twirling contest.

The school will be sponsored here by the Matador Drum and Bugle Corps, and anyone interested may contact Mrs. Bill Waybourn, Matador.

WASH-DAY TIP

Hot weather brings an increase in the items to be starched. It is a good idea to accumulate the clothes to be starched so you'll have a good-sized load for the clothes dryer. If the load is too small, much of the starch will be tossed out of the clothes. The Gas Appliance Manufacturers Association advises that starch will transfer if you add laundry that has not been starched to the same load. Remember to preheat your dryer before putting starched clothes in it. This will lessen the amount of starch that adheres to the dryer drum.

"A taxpayer is a person who does not have to pass a civil service examination to work for the government." — National Safety News.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: NELS NELSON, MRS. NELS NELSON, the unknown heirs of either of such persons who may now be deceased, their unknown heirs and legal representatives, and the unknown heirs of any of such unknown heirs who may now be deceased, their unknown heirs and legal representatives, GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 6th day of July, A. D., 1959, at or before 10 o'clock A. M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 20th day of May, 1959.

The file number of said suit being No. 4607.

The names of the parties in said suit are: R. M. BATTY, as Plaintiff, and the persons first named, described and designated in this Writ, and to whom this Writ is directed, as Defendants.

The nature of said suit being substantially as follows, to wit: Suit in trespass to try title, for the title and possession of the following described real property situated in Floyd County, Texas:

149.8 acres of land, being all of Survey No. 87, in Block D-3, Georgetown Ry. Co., Certificate 120, Abstract 349, patented to George W. Palmer, Assignee, by patent No. 499, Vol. 27-A, dated November 24, 1925, recorded Vol. 3, page 444, Patent Records of Floyd County, Texas; — Plaintiff pleading, fee simple ownership thereof, and specially pleading the three, five, ten and both twenty-five year Statutes of Limitation as to such real property, and praying judgment for title and possession thereof.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 20th day of May, A. D., 1959. Given under my hand and seal of said Court, at office in Floydada, Texas, this 20th day of May, A. D., 1959.

NANCY NIX

Engaged

Mr. and Mrs. F. E. Nix of Tullia are announcing the engagement and approaching marriage of their daughter, Nancy, to Lonell Hays, son of Mrs. Arvie Newton of Lockney and Emer Hays of Plainview. The wedding will take place August 21 in the home of the bride's parents.

Bette Jefferson Is Honored At Shower

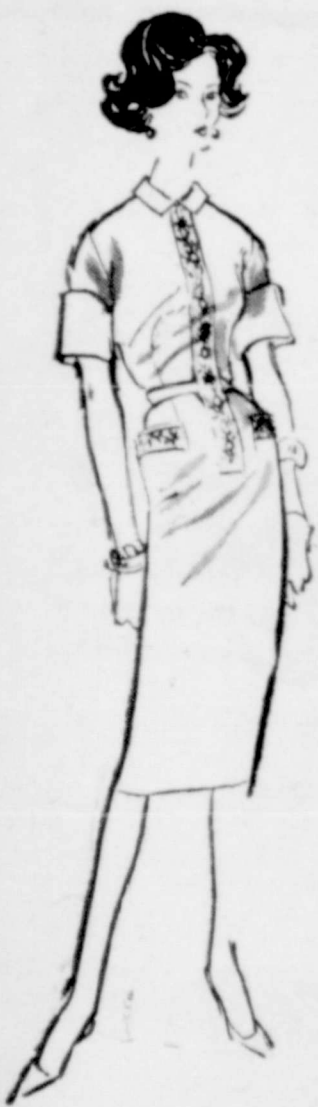

Miss Bette Jefferson was honored at a bridal shower June 11 from 2 to 4 at the home of Miss Laveta Jones.

Hostesses for the occasion were Misses Jones, Margaret Schacht, Myrre Hays, Frances Stapp, Kay Martin, Sandra Thompson, Barbara Rigby, and Gay Lynn Roberson.

Lavender and white snap dragons centered the table laid with a white cutwork cloth. A miniature bride and groom accented the table arrangement. Hostesses served cake and punch.

Sterley HD Club To Meet Thursday

The Sterley Home Demonstration Club will meet Thursday, June 18 at 3:30 in the home of Mrs. Elmo Schaffner. 4-H Club girls from Lockney will give a food demonstration.

Ninalie Williams Is Bride Of Dan Teuton

Mrs. Ninalie Williams became the bride of Dan Teuton in a double ring ceremony at her home on June 14, at 3 p.m. Rev. Temple Lewis of the Lone Star Baptist Church conducted the exchange of vows before members of the families.

The bride wore a pink linen lace dress with matching pink gloves and a white corsage. Mrs. Robert Daniels, matron of honor, wore a blue dress with matching gloves and also wore a corsage of white carnations. Mrs. A. O. Foster, mother of the bride, wore a pink cotton dress, and Mrs. Ed Teuton, mother of the bridegroom, wore a dress of pink lace.

Barry Thompson served the bridegroom as best man.

Miss Barbara Foster of Lockney, and Mrs. Fred Huffman of Lubbock, sisters of the bride, served at the reception following the ceremony.

After a weeks wedding trip to Abilene and Santa Fe, the couple will return to Amarillo to make their home where he is employed as a mechanic.

B. & P. W. Club Installs Officers

New officers of the B. and P. W. Club were installed at a dinner at Golden's Restaurant Tuesday evening at 7:30. Mrs. Joe Foster was in charge of the installation.

Officers are Mrs. Frances O'Hearn, President; Mrs. Bettye Knox, First Vice-President; Mrs. Dorothy Stansell, Second Vice-President; Mrs. Irene Lee, Third Vice-President; Mrs. Zora Jones, Treasurer; and Mrs. Loyce Kermickel, Secretary.

Mrs. G. C. Applewhite presented a talk on several Broadway plays she had seen recently. Then Mrs. Jeffie Griffith, outgoing President, was presented with a President's pin by Mrs. Ada Bailey who also gave a report on the State Convention at Tyler.

Attending were Mmes. Joe Foster and G. C. Applewhite, visitors, and Mmes. Beth Widener, Opal Thompson, Elizabeth Riley, Dimple McGavock, Estell Powers, Ada Bailey, Bettye Knox, Ruby Merrick, Frances O'Hearn, Jeffie Griffith, Loyce Kermickel, Zora Jones, and Dorothy Shipp.

Lockney HD Club Meets Wednesday

The Lockney Home Demonstration Club met Wednesday, June 10, in the home of Mrs. Henry Bollman at 3 o'clock.

The devotional was given by Mrs. Raymond Watson and the council report by Mrs. Henry Bollman. Mrs. Lavon Johnson was elected nominee for the Texas HD meeting in Houston in September. Jennie Adams and Jeanette Dodson, 4-H Club girls, gave a vegetable salad demonstration.

Present were Mmes. W. T. Cooper, Lavon Johnson, W. W. Miller, Vestal Elland, Henry Bollman, and visitors, Mrs. Raymond Watson, Jennie Adams and Jeanette Dodson.

The club will meet June 24 for an all day craft meeting at the home of Mrs. Lavon Johnson. Covered dishes will be brought for luncheon.

Bride-Elect Is Shower Honoree

A bridal shower in the home of Mrs. Jack Frizzell honored Miss Sandra Lawson Thursday, June 11 from 3 to 5.

Receiving the guests were Mrs. Frizzell, the honoree, her mother, Mrs. Reed Lawson, and the mother of the bridegroom-elect, Mrs. C. W. Hammitt. They each wore a corsage of pink carnations.

Hostesses were Mmes. Frizzell, Johns Cox, Earl Kellison, Floyd Dorman, Forrest Smith, Oscar Golden, Lowell Jarrett, Alton Nolen, R. H. Ford, Weldon Smith, Clyde Farrish, Harold Griffith, Howard Mosley, Kenneth Wofford, Doyle Harrison, A. T. Frizzell, Raymond Smith, Bob Merrell and W. A. Johnson.

Miss Loy O'Brien presided at the register. Assisting the hostesses were Misses Kay Golden, Gayle Rucker, Jean Wolf, Betty Graham, Anita Durham, and Misses Carolyn Bardeman and Jorgia Blackman of Sweetwater.

The centerpiece featured a miniature bride on an enclosed staircase surrounded by a bouquet of pink carnations and mock orange blossoms with tall pink tapers. Favors were miniature brides veils. Punch and cookies were served and silver appointments completed the table.

Approximately 125 called or sent gifts.

Methodist WSCS Meets Monday

The Campbell Circle of the Women's Society of Christian Service met in the home of Mrs. Arthur Barker, Sr., Monday afternoon at 4 o'clock to study about India.

Attending were Mmes. Henry Ford, Sr., Jo Taylor, Ernest Tannahill, Paul Cooper, Melvin Brock, F. L. Brown, Raymond Parker, W. H. Workman, and the hostess, Mrs. Barker.

MRS. DONNIE MCGOWEN

Vandiver-McGowen Vows Exchanged

Miss Carol Vandiver, daughter of Mr. and Mrs. S. R. Vandiver of Clayton, New Mexico, and Donnie McGowen, son of Mr. and Mrs. Bud McGowen of Lockney, exchanged wedding vows in First Baptist Church at Sedan, New Mexico, Friday June 12 at 7:30. Immediately after the ceremony the couple left for Stockton, California, where the bridegroom is stationed with the United States Army.

Mrs. McGowen is a graduate of Clayton High School and has attended Draughon's Business College in Amarillo. Donnie is a graduate of Lockney High School and attended West Texas State College in Canyon.

Members of the class of 1959 will be entertained with a party at the home of Mrs. E. C. Cope in Plainview Friday night, June 19, at 7:30. Pictures of the graduation and Senior trip will be shown.

TRY BEACON CLASSIFIEDS

Coffe Given For Former Resident

Mrs. Grace Byars and Mrs. Payton Powers were hostesses to a coffee Tuesday morning in the Powers home honoring Mrs. Mary Balou of Chicago, Ill. Mrs. Balou, formerly of Lockney, is the sister of Mrs. Tom Rankin and G. C. Applewhite.

Present were the honoree, Miss Felecia Applewhite, and Mmes. Tom Rankin, Goree Applewhite, Mable Baker, Floyd Barber, Arthur Barker, Hugh Counts, Henry Hodel, N. E. Greer, Ruby Merrick, Henry Ford, Sr., Jeffie Griffith, Sam Jack, Albert King, Addie Merritt, Lula Woodburn, Carl McAdams, Glenna Norris, Robt. W. Smith, of Lockney, Mrs. Bill W. Smith, of Plainview, and Mrs. Floyd Jackson and Mrs. Raymond Meriwether, Lockney, who served.

South Plains 4-H Club To Meet

The South Plains Community 4-H Club will have a guest speaker on their regular monthly program on Thursday night, June 18. The meeting will be held in the South Plains School Auditorium at 7:30 p. m.

Weldon Fromm, State Game and Fish Warden will present a program on "Hunting and Fishing" to the 4-H Club members.

The club will also hear reports from members who attended District II 4-H Leadership and the 1959 4-H Club round-up.

All club members, their parents, and all interested are cordially invited to attend.

Legion Auxiliary To Meet Tonight

The Lockney American Legion Auxiliary will meet in the home of Mrs. Temp Phillips tonight (Thursday) at 8 o'clock, according to announcement.

Bride-Elect Is Honored At Dinner

Miss Betty Graham was honored Saturday evening at 6:30 by Miss Virginia Caldwell with a dinner party at Golden's Cafe.

The bride-elect presented gifts to Miss Caldwell, her mother of honor, and other members of the wedding party. She wore a corsage of green and white carnations which blended with those used in the table decorations. Present were the honoree, her mother, Mrs. Glen Kinard, Mrs. Forest Mickey, and Kim, bridegroom-elect's mother and sister, Mmes. Jean Blyss, Gene Handley, David Frizzell, Larry McCormick, and Misses Jatta Widener, Charlyne Brown, Hope Cox, Kay Golden, Jean Wofford, Gayle Rucker, Anita Durham, Sunny Lawson, and the hostess.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

Austin, Tex. — When tax bills finally were passed by both the Texas House and the Senate, it was not dollars, but ideas that delayed agreement. House bill was designed to raise about \$150,000,000 over the next two years; Senate bill, about \$160,000,000. Big difference was in where the money would come from. House bill was divided evenly between selective sales taxes and taxes on natural resources and corporation franchises.

Senate, which heard a long string of witnesses on the dangers of shutting prosperity-making industries out of Texas, changed the ratio. In its version, natural gas and corporations pay about 18 per cent of the tab; selective sales taxes, 82 per cent.

Senate voted a 15-15 tie on its bill with Lt. Gov. Ben Ramsey breaking the tie in favor of the bill.

Named to a free conference committee to adjust differences were Sens. E. A. Weinert, Seguin; Dorsey Hardeman, San Angelo; Charles F. Herring, Austin; Jimmy Phillips, Angleton; Bruce Reagan, Corpus Christi. Also Reps. V. L. Ramsey, Beckville; W. T. Oliver, Port Neches; Don Kennard, Fort Worth; Alonzo Jamison, Denton; George Cook, Odessa.

HOW THEY STACK — These items were hit, in varying degrees, by the House and Senate bills that went to conference committee:

CORPORATIONS — Senate, raise \$10,800,000 by hiking the franchise tax from \$2.25 to \$2.75 per \$1,000 capitalization. House, raise \$12,000 by a new two-factor tax on interstate corpora-

tions.

NATURAL GAS — Senate, raise \$8,000,000 by increasing the production tax from 7 to 8 per cent. House, raise \$36,500,000 by lowering production tax to 5 per cent and adding a 5 per cent severance beneficiary tax.

MOTOR VEHICLE SALES — Both houses agreed on increasing sales tax from 1.1 to 1.5 per cent to bring in an additional \$7,000,000 to \$8,000,000.

CIGARETTES — Senate, raise \$31,500,000 by boosting tax 3 cents a pack. House, raise \$10,500,000 (estimated) by a 1 cent a pack increase.

UTILITIES — Senate, increase the tax on water, gas and electric utilities by 20 per cent, for an estimated \$2,600,000. House, increase all other utilities to the telephone company rate of 2.3 per cent, for an estimated \$8,000,000.

ALCOHOLIC BEVERAGES — Senate, increase liquor tax from \$1.40 to \$1.65 a gallon, to raise \$2,000,000. House, increase it to \$2.25 a gallon for \$7,000,000.

Wine, Senate increase tax by 20 per cent, for \$201,000. House doubled it for \$1,000,000.

Senate also tripled fees for selling beer and wine, doubled permits for liquor selling, for an estimated \$1,600,000. House bill does not include this.

TOBACCO PRODUCTS — Senate, would tax all such products, except snuff, by 12.5 per cent, to raise \$5,400,000. House tax is twice this.

SULPHUR — Senate voted to retain present rate. House would reduce from \$1.40 to \$1.03 per ton. There is disagreement as to whether production increase would offset the tax increase in total revenue received.

THEATRE ADMISSIONS — Both Senate and House lopped this by about \$120,000 a year.

SOUND EQUIPMENT — Senate added a 2.2 per cent sales tax on radios, televisions, hi-fi and stereophonic sets for an estimated \$3,200,000.

BOATS — Senate added 1.5 per cent sales tax on boats and motors for an estimated \$5,000,000.

PROPERTY BILL NIXED — For the second time this year, the House of Representatives has refused to sweep unclaimed

property into the State Treasury. The vote of 66-66 killed efforts in the Special Session. Vote that killed the bill earlier in the regular session was almost as close.

Gov. Price Daniel had urged the measure as a means of raising an estimated \$25,000,000 for the State's ailing general fund. It would have required banks, oil and gas companies, insurance companies and others to turn over to the state any property belonging to persons who have been missing for more than seven years.

Bank lobbyists were blamed by Daniel for defeat of the bill. He said they must accept responsibility for the state's having to raise through new taxes, the \$25,000,000 the bill would have produced.

Bankers have contended the escheat procedure would undermine depositors' confidence in the safety of their deposits.

LICENSE PLAN STUDIED — Economy forces are taking a good look at whether or not the state's licensing practices might be unnecessarily expensive.

Historically the state has issued licenses annually. There's now some thinking that a lot of the licenses could just as easily be issued permanently, subject to cancellation for cause. Fees would still be collected annually but a lot of time and money possibly could be saved by not having to type out and mail a new document each year.

Such a procedure was authorized by the Legislature in regular session for insurance companies.

Some licenses probably could not be adapted to the permanent policy. Among these would be drivers licenses, hunting and fishing licenses, and auto inspection stickers.

SEVEN RUN FOR SPEAKER — Now the count is up to seven in the House speakership race. Seventh man in the lineup is Rep. Frank B. McGregor of Waco. His announcement was made at a luncheon sponsored by the Waco Chamber of Commerce.

Six already in the race are Reps. Ben Glusing of Kingsville, Wade Spilman of McAllen, W. T. Oliver of Port Neches, L. DeWitt Hale of Corpus Christi, Jerry Sadler of Palestine and James A. Turman of Gober.

SHORT SNORTS — Radar traps must be test-checked for accuracy before a speeding ticket is valid, the Court of Criminal Appeals has held. Expert testimony in the case before the court had contended that as much as a 20 per cent error can occur if the radar machine is not set up properly.

Lt. Gov. and Mrs. Ben Ramsey's new daughter, Mari-ben, born June 8, officially became "princess of the senate" in record time. By unanimous vote the honor was bestowed when she was just one day old.

Water District Works On Silt Problem In Artificial Recharge

Lubbock. — A major problem in using wet-weather lake water for artificial recharge results from the high percentage of clay and silt particles suspended in the water. When raw lake water is drained into a well and subsequently into the underground aquifer, the coarse-grained suspended particles are filtered from the water by the sand and gravel but the fine-grained particles move with the water into the underground formations.

Periodic pumping of the recharge well for an hour during a recharge cycle recovers a large percentage of the coarse particles but only a small percentage of the fines. Consequently, it may be assumed that permanent clogging ultimately might be the outcome.

In an attempt to overcome this major recharge problem, the High Plains Underground Water Conservation District is presently conducting tests at several southern High Plains lakes to determine the practicability of various distribution methods used in introducing a flocculating chemical to the water in the lake before recharge. The chemical when properly mixed with the lake water causes the ever present suspended clay and silt particles to adhere to each other and the large masses drop to the lake bed. In a relatively brief time, normally about twenty-four to forty-eight hours, approximately 85 per cent to 90 per cent of the particles originally suspended in the water have combined and dropped to the bottom of the lake, leaving the water in a more desirable condition that it was originally for recharge into underground storage.

Methods of application that are being used to introduce the chemical to the lake water are:

1. Dusting the chemical onto the lake surface by airplane.
2. Dusting the chemical onto the lake surface, using a mechanical hand broadcast spreader, while walking in shallow water, and while riding in a boat.

Extensive experimentation has been carried on in Castro County by the Water District under the direction of W. L. Broadhurst, Chief Hydrologist. This work has centered on the Bill Sutton farm near Dimmitt. The same flocculating chemical was used in these tests except in solution. Although diluted to one-half per cent strength the solution was exceedingly thick like honey. The chemical was pumped in varying proportions to a point in the lake where the water entered a concrete pipeline and flowed into a lar-

ge earthen settling pit. The chemical commingled with the lake water before reaching the pit; however, no flocculating action took place until the water reached the pit and slowed in velocity. From the pit, the water, relatively free from silt and clay, then moved on into the recharge well.

Continuous sampling of the raw and of the treated lake water at the Sutton lake was maintained to determine the results obtained through treatment.

Results from various methods of treatment together with the costs involved will be released by the Water District when all data have been compiled and analyzed.

The flocculating chemical, called Separan AP-30, is being contributed to the Water District by the Dow Chemical Company. Many other comp-

anies and individuals have contributed their time, machinery, or both, to this experimental recharge work. If more people drove right, more people would be left. GO TO CHURCH SUNDAY.

Shower Honors Bette Jefferson

Miss Bette Jefferson was honored with a bridal shower in the home of Mrs. Bob Dillard, Wednesday, June 10, from 3 to 5.

Hostesses for the occasion were Meses. Bob Dillard, Ray Hardin, O. V. Pylant, Edgar Hays, John Chandler, Melvin Cooper, Charlie Childress, Mary Johnson, Bert Vernon, Dick Rigby, Mary Simmons, Lena Frances White, Hilburn Casey, Edward Babitzke, Lena Fae Sweatt, and C. D. McCandless.

The table, laid with a red cloth edged in white, was centered with a miniature bride and groom under a red arch, flanked by an arrangement of red roses. Red streamers lettered in silver read, "Bette and Royce, June 18." Red punch, coffee, and white cake were served from a silver tea service and crystal bowl by Donna and LaHounda Burchfield, cousins of the bride-elect.

GO TO CHURCH SUNDAY.

COTTON GOES DANCING—Malinda Berry, 1959 Maid of Cotton, models an elegant ball gown in a striking printed Everglaze cotton satin. The gown, designed for her by Claire Schaffel, features a draped skirt gathered at the high-riding waistline.

Jerry Lee Wofford And Miss Flake Are Married

Jerry Lee Wofford, son of Mr. and Mrs. Jesse Wofford, Plainview, and Miss Alvaretta Flake, daughter of Mr. and Mrs. W. A. Flake, Hale Center, were married in a double ring ceremony performed at three o'clock Sunday in the First Baptist Church of Hale Center by Rev. Charles Gates of the First Methodist Church. The bridegroom is the grandson of Mr. and Mrs. V. D. Harris of Lockney.

Baskets of white mums and stock on either side of a central arch entwined with greenery, white tapers in an arrangement of candelabras against a background of palm greenery, and a white satin draped altar rail formed the altar decorations.

Mrs. Troy Neeley of Plainview attended her sister as matron of honor. Bridesmaids were Barbara Flake, sister of the bride, Jerry Ann Wofford, and Karen Parker, Hale Center, and Judy Wofford, sister of the bridegroom, Plainview. Teresa Flake, Hale Center, and Diane Ford, Lockney, cousins of the bride and bridegroom were flower girls. Tony Ford, Lockney, and Monte Flake, Hale Center, served as ring bearers. Tony Flake, Hale Center, lighted the candles.

Best man was Larry Rogers, Plainview and serving as ushers and groomsmen were the bridegroom's brother, Jimmy Wofford, Troy Neeley, Aubrey Terrell, and Lowell Whitlock, all of Plainview.

Mrs. J. W. King, Jr., Plainview, played the organ prelude and wedding marches. She also accompanied Miss Kay Hobbs, Hale Center, who sang "Whither Thou Goest" and "The Lord's Prayer."

The wedding reception was held in the church Fellowship Hall. Mrs. Roy Borchardt was in charge of the register, and Carol Foster, Hale Center, and Jean Wofford, Lockney, served.

Following a wedding trip to New Mexico and Colorado, the couple will return about June 22 and make their home in Plainview.

Eubank-Baker Wed In Idalou

The Idalou Church of Christ was the scene Friday night at 8 p.m. for the double ring wedding ceremony of Miss Donna Frances Eubank and Deon Baker. Harvie Pruitt officiated.

The bride is the daughter of Mr. and Mrs. Glenn G. Eubank of Idalou. The bridegroom is the son of Mrs. Oren H. Ferguson of Glendale, California, and the late Larry Baker of Lubbock. He is also the grandson of Mrs. Alice Baker of Lockney.

Mrs. Baker is a graduate of Idalou High School and Abilene Christian College with a business education major. Her husband is a graduate of Abilene Christian College and is a sophomore student at Southwestern Medical School in Dallas.

Among the relatives attending were Mr. and Mrs. L. M. Honea, Lockney, their daughter, Mrs. Hermon Dean of Borger, France Baker, Lubbock, Mr. and Mrs. Robin Baker, Plainview, Mrs. Lee Seaman, Mrs. Dorsey Baker and Mrs. Dimple McGavock, of Lockney.

Coke Party Honors Mrs. Hope Glenn

Mrs. Hope Glenn, wife of Dr. Thomas L. Glenn, of Lockney General Hospital, was honored with a Coke party at the W. J. Mangold home Wednesday afternoon, June 10, from 3 to 5 o'clock.

Hostesses for the event were Meses. Mangold, Fay Williams, Jimmy Stennett, Clyde Briley, and Fred Byrd.

Mrs. Glenn, a native of Greenville, Texas, is a registered nurse and graduated from Parkland Hospital School of Nursing at Dallas.

Dr. and Mrs. Glenn recently moved here from Florida. They have two children, Debbie, 3, and Tommy, 16 months. Approximately 135 guests called.

Dear Editor:

I see where a college dean says the U.S. is going to run short of mathematicians by 1965 on account of not enough students are bending their brains in this direction.

My round-figured neighbor says there is already considerable sign of a shortage in this field, especially in Washington.

Says it seems that nobody in the capital got enough schooling in arithmetic to see where it's mathematically possible to balance a budget by cutting expenses, as well as by putting more bite on taxpayers.

Judy Whitfill Is Birthday Honoree

Judy Whitfill, daughter of Mr. and Mrs. Bill Whitfill, was honored by her mother with a party on her eleventh birthday, June 11 from 4:30 to 6:30 at her home.

After indoor and outdoor games, the guests enjoyed a cookout featuring hamburgers, hotdogs, potato chips, punch and birthday cake. They were Debra Brundes, Carol Howell, Karla Smith, Cheri Chatham, Sharell and Shirley Harris, Judy Smith, Donna Jean Latimer, Janette Dodson, Jennie Adams, Celia Copeland, Jane and ole Whitfill and the honoree.

Rebekah Lodge Meets Monday

The Lockney Rebekah Lodge met Monday evening at the city auditorium with all officers at their stations. Mrs. Hallie King, Noble Grand, presided.

Mrs. Pauline Reagan reported on the bake sale held Saturday at Parker Super Market. The bake sale was a success. Mrs. Reagan said, and the lodge plans to hold others in the future.

"We wish to publicly thank Mr. Parker for his courtesy in giving us space in his store for our bake sale," Mrs. King said this week. "Thanks also to each one that helped and contributed food for the sale."

Mrs. Essie Conner conducted the Obligation Ceremony and Mrs. Flois Reed read the con-

stitution and by-laws. The event will honor the Past Noble Grands. All members are expected to be present, Mrs. King said.

ACE'S BOWLING CLUB (Women's Summer League)

Panhandle Popcorn moved into sold possession of first place with Byrd's Pharmacy and Seale Drive in tied for second.

Shirley Young bowled high game, 176, in league and Verna Newton and Carolyn Wilson had high series last Wednesday night with 447.

High game and series for each team — Panhandle Popcorn, Dean Birdsong, 169-411; Byrd Pharmacy, Claude Belt, 166-401; Seale Drive In, Verna Newton, 150-447; Jack & June Shop, Betty Wylie, 158; Carolyn Wilson, 447; Golden's Cafe, Focine Carthel, 131-363; McIlroys, Shirley Young, 176-424.

LOCKNEY SUMMER LEAGUE (Men's)

First National Bank holds a three game lead in Lockney Summer Bowling League as teams roll into the fourth week of action. Last week the Bank downed Seale Drive in in three games. In other contests last Wednesday, Emmett White & Son won three from Flash-O-Gas, Lockney Co-op took two of three over United Elevators, Brown's Dept. Store gained two victories over Hubbard-Warrick, Lockney Lumber edged Golden's Restaurant two games to one, Wellace Claim Service squeezed by Rowland-Gordon Oil Co. in two of three.

Team highs — United Elevators, Jerry Harder, 182-407; Lockney Co-op Gin, Mondell Mills, 155-409; Hubbard-Warrick, Burl Sheppard, 193-493; Brown's Dept. Store, Doyle McAda, 147; Ewald Quebe, 404; Flash-O-Gas, Warren Graham, 139-351; Emmett White & Son, Dub Thredgill, 201-529; Golden's Restaurant, James Morris, 167-445; Lockney Lumber, Jerry Wofford, 157-409; Seale Drive In, Earl Cooper, 169-463; First National Bank, Jr. Lee, 200-537; Rowland-Gordon, Conrad Henderson, 178; Bob Davis, 451; Wallace Claim Service, Ray Sanders, 220; Milton Angerstein, 500.

If You've Passed A Certain Birthday —Better Slow Down

It's fine to be bounding with energy and get-up-and-go, of course. But there is such a thing as overdoing it, especially if you've passed certain birthdays. And particularly during the hot summer months. Summer or winter, regular exercises is a good thing, but when it's really warm, here are some do's and don't's to bear in mind: DON'T play vigorously at tennis and such sports for long periods under a hot sun. DO get all the sleep you should have. DON'T exercise to exhaustion or until you are badly out of breath. DO eat the foods you need, including "solid" protein foods even on a hot day—without overdoing it, of course. DON'T try to prove your en-

Jack & June Is Lucky Strike League Champ

Jack & June Shop downed Keeter Grocery three games as they won the Lucky Strike League title Monday evening. First National Bank claimed wins over Dixie Cafe in two of three games to end the season in second place.

Teams highs: Keeter Grocery, Marty Smith, 171-418; Jack & June, Betty Wylie, 158-396; Dixie Cafe, Verna Newton, 140-395; First National Bank, Ann Minor, 137-382.

Final Standings
Team Won Lost GB
Jack & June 29 16 -
Bank 23 22 6
Keeter Grocery 21 24 8
Dixie Cafe 17 28 12

A dinner party will be held Friday evening at 8 o'clock at Golden's Restaurant. The following trophies will be awarded at the dinner party — Jack & June team will receive sponsors trophy for winning first, each member of the Jack & June team will be presented a trophy, Verna Newton will receive a trophy for bowling high game (208), and Marty Smith will be awarded a trophy for having high series (467).

EASY CHOCOLATE MOUSSE

Melt 1/2 cup chocolate chips over a very low flame. If you have an automatic top burner heat control set it at the lowest setting. When the chocolate is melted, turn out the burner. Add 1 cup sour cream, 1-3 cup powdered sugar, a pinch of salt, and 1 cup crumbled macaroons. Spoon into individual paper cups or souffle dishes and store in the freezing compartment of the refrigerator.

U. S. Farmers make up less than one per cent of the world's population but produce from 2-5 to 1/2 of the world's eggs, red meat and milk.

duration by staying behind a steering wheel for hundreds of miles all in one day. DO plan for the relaxing pastimes, such as reading and fishing, as part of your summer activity.

DON'T let things or people excite you or "heat up" your blood. DO learn to "take it easy," for better health in mind and body.

Whatever your age and whatever the season, let your program of exercise fit your body — both its needs and abilities. And plan at some time during the year — around your birthday would be appropriate, wouldn't it? — to get an annual physical check up.

A test for TB should be included on that occasion, too. TB is one of the major ailments that people may have without realizing it, because they may not feel sick. Yet the TB germs may be there and may be doing damage.

Dear Editor:

I see where Mr. Castro of Cuba, a newcomer in the taxing business, found a new item to tax.

He figured to levy on the newspapers \$1 for each society story plus \$1 for each adjective used therein, but seems he didn't shoot enough women while purifying the country and they have talked him out of this tax.

Which my dim view neighbor says likely won't keep U.S. tax finders from latching onto the idea and maybe adapting it to cover sports stories, too, which often contain adjectives it ought to cost a writer \$10 to use.

Crossroads, U.S.A.

GO ON A BERRY BINGE

Don't ever pass up a bargain on fresh berries. Serve them with hot biscuits for breakfast. Use your favorite biscuit recipe for shortcake—add an egg and 2 teaspoons of sugar to the recipe. For a deep-dish pie, add 1/2 cup of sugar to the biscuit dough and sweeten the berries underneath. Biscuits, short-cakes and deep-dish pies are baked in a hot oven at 425 degrees. For a flaky texture and crisp crust, preheat the oven 10 minutes before baking.

A lot of blade—and a low, low price!

Here's a utility blade priced within the reach of anyone who owns a light tractor. We state flatly, this will be the largest selling light blade in the country, because it is the greatest value. All welded, sturdy, 240 lb. construction. 13" mouldboard plus 6" replaceable cutting edge of 1/2" grader-blade steel. 8 adjustments for angling and reversing.

If you need a larger, more versatile blade for specialized ditching and terracing work, Servis makes big tough ones that tilt, angle, and pitch in more directions than the average man can think of. But for simple utility work, this Lone Star blade is it!

BILLIE HARRIS, Notary Public.
My commission expires June 1, 1961.

The Happy Fisherman

There was a fellow at the plant who was always asking me to go with him to church.

In a way this picture portrays his zeal. For there was something boyishly enthusiastic about his eagerness; something joyously genuine in his confidence.

And his fervor reminded one of the disciples of old who became "fishers of men."

Well, he brought my family to church. Not because he was a salesman or a saint. Simply because he encouraged us to seek the convictions he was so eager to share.

Betty and I, and little Ricky, really owe our cherished faith to the moment that fellow at the plant said, "I'LL STOP BY YOUR PLACE ON SUNDAY MORNING."

Now, we too, find happiness in bringing our friends and neighbors to church.

Copyright 1959, Keister Adv. Service, Strasburg, Va.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Veteran School Division Moved To Dallas Office

Effective with the close of business June 26, the Vocational Rehabilitation and Education Division of the Veterans Administration will be transferred to the jurisdiction of the Dallas regional office. Actual merger of the services will be effective June 29.

All correspondence and documents concerning education and training matters should be addressed to: Veterans Administration, Regional Office, 511 North Akard Street, Dallas 1, Texas.

This change will include VA Forms 22-1996A and 22-1996B, attendance reports for the month of June. It is very important that those veterans taking various education courses approved by Veterans Administration, that the report forms be forwarded as promptly as possible, since the VA Regional Office, Dallas, will assume the responsibility for payment of the education and training allowance for June attendance, and all months thereafter.

All enrollment documents, changes in training load, changes in place of training, and changes of address, and other required reports should be addressed to the office shown above.

This change only affects Vocational Rehabilitation and Education. All other services will remain intact at the VA Regional Office, 1612-20 Nineteenth Street, Lubbock.

RETURN FROM ARIZONA

Mr. and Mrs. Charlie Cottrell have returned home from Morenci, Arizona, where they spent 12 days visiting their daughter and family, Mr. and Mrs. David Jackson, David Ray and Donnie, formerly of Lockney. David Ray underwent eye surgery June 5th but is reported at home and doing well now. Donnie returned with the Cottrells for a visit here.

Mrs. G. H. Pigg Dies Wednesday

Mrs. G. H. Pigg of Quitaque died early Wednesday morning at the Plainview Hospital. She was 63 years of age and had been in ill health for some time. She was the mother of John and Wayne Pigg of the Francis community, north of Lockney. Funeral services will be held at the Fairmount Baptist Church, in the northeastern edge of Floyd County, today (Thursday) at 3 o'clock. Rev. Neil Record, Baptist pastor of Tulla, will officiate. Burial will be in the Elgin Cemetery. Carter Funeral Home is in charge.

Mrs. Pigg's maiden name was Cora Glow Estes and she was born February 3, 1896, at Milsap, in Parker County. She was married to G. H. Pigg on October 13, 1913, in Palo Pinto County and the family moved to a farm near Quitaque in 1921.

Survivors include her husband, G. H. Pigg; four sons, John and Wayne of Francis community, Jack of Quitaque and Bennie of Plainview; four daughters, Mrs. O. V. Hodges and Mrs. Woodrow Cobb of Quitaque; Mrs. Bob McCarver of Hale Center and Mrs. Alton Schrandt of Madrid, Spain; one brother, Ben Estes of Sweetwater; three sisters, Mrs. Dwight Strain, Muleshoe; Mrs. Mattie Long of Bakersfield, Calif., and Mrs. Cassie Gaines of Littlefield. Sixteen grandchildren also survive.

OLD TIMERS HERE

Mr. and Mrs. W. B. Hatchett of Stephenville, Texas, have been here visiting their daughter, Mrs. Bascom Baxter, Mr. Baxter and children for several days. The Hatchetts lived in the Lone Star community for some 40 years but he retired and they moved away 11 years ago. They still call this community "home," Mr. Hatchett says.

GO TO CHURCH SUNDAY.

Dear Editor: I see where a high union official says the labor bill Congress is now working on is unacceptable to his union.

My loophole-hunter neighbor says he hopes this is some new civil right that has been invented, whereby citizens may decide they want to accept a law when congress passes same.

Says he will watch this development, and maybe by next T-Day he can tell the internal revenue he finds the income tax law unacceptable.

D. E. SCOTT
Crossroads, U.S.A.

Bob Muncy In Plainview Hospital

Bob Muncy of the Muncy community is in Plainview Hospital for treatment. He became seriously ill at his home last Friday and was rushed to Plainview Hospital in Carter ambulance. Members of the family said they have not been told the exact nature of his illness but attending physicians have assured them it was not a heart attack. He was reported to be much improved Wednesday of this week and able to walk around his hospital room.

HAS SURGERY

Mrs. Tom Wells of Lockney underwent major surgery last Saturday at Plainview Hospital & Clinic. She was reported to be doing fine Wednesday by relatives.

MRS. L. A. WOFFORD HOME

Mrs. L. A. Wofford was able to return home from the Lubbock Methodist Hospital Friday after undergoing major surgery on June 5. She was reported to be doing fine by members of the family.

Weeds And Grass In Cotton Can Be Controlled

College Station. — Favorable moisture for cotton production also calls for a close look at good mechanical and chemical weed and grass control practices reduce or eliminate costly hand hoeing. Of the numerous weed control choices available, three are outstanding, says Fred Elliott, extension cotton specialist.

These include the rotary hoe, lateral oiling of grass and weeds in young cotton and spot spraying with oils and fortified oils or spot spraying of grass with sodium dalapon in water. The rotary hoe has been and still is the key weed control practice. In 1958, 44,496 rotary hoe equipped tractors were operated in 137 countries, resulting in a saving of over \$13 million. The pull-behind or broadcast types proved very popular and easy to operate at the required high speeds. Rotary hoeing alone, not in combination with sweep cultivation, permits fast coverage and getting into fields quicker after repeated rains, Elliott said.

If continued rains prevent getting into the field with the rotary hoe and cause heavy growth of annual grasses and weeds, lateral oiler or post emergence oiling with unfertilized naphtha is an excellent way to get out of the grass for about \$1.00 to \$1.50 for the five gallons of oil needed per acre. This practice was carried out in 47 countries in 1958.

The naphtha is applied with parallel action oiling shoes at 15 to 25 pounds pressure, with 2 fan-type, horizontal nozzles, staggered and placed 10 inches apart—one nozzle on each side of the row. Direct the spray pattern at the low 1 to 1 and 1/2 inches of the cotton stem, below the leaves, advises Elliott. Natural wax on young cotton stalks shed the naphtha without injury to the cotton until bark roughens and cracks. Annual grasses up to 3 to 5

inches tall can be controlled, he said.

Spot spraying established Johnsongrass is faster, easier and cheaper than hand hoeing and Johnsongrass can be eradicated in one year. Use the jet-gun sprayer. Apply the oils in small amounts to the stem of the grass at the ground line. Keros fortified with C-56, 1/2 gallon to 100 gallons oil, does an excellent job, Elliott said.

Sodium dalapon in water is a systemic foliage spray and the leaves of the grass must be wet. Again the jet-gun sprayer is ideal equipment for the job. The specialist suggests that you ask your county agent for Bulletin 902, "Spot Spraying Johnsongrass," and for other

information on how to fight weeds and grass with machines and chemicals.

TO GONZALES

G. C. Applewhite and daughter, Felicia Louise, returned Saturday from Gonzales Warm Springs Foundation where Felicia Louise had a check up and some new braces made.

IN SOUTH CAROLINA

Mrs. Jim Brown, Charlotte and Steve have been spending the past two weeks visiting Mrs. Brown's parents, Mr. and Mrs. A. F. Feagan at Landrum, South Carolina. They plan to be home next week some time.

GO TO CHURCH SUNDAY.

TO COLORADO

Mr. and Mrs. Hall Ferguson and Marjorie Lacy returned home Saturday from Denver, Colo., where the Ferguson family, James Hall, is attending the National Electronics Institute. Mrs. Ferguson, James and Miss Lacy went to Denver some two weeks ago and they began school there on Monday, June 8. Mr. Ferguson returned to Denver last Thursday and is a 1959 graduate of Lockney High School.

The average \$4,500-a-year employee must work more than a week (five eight-hour days) every month to pay for his taxes, says Tax Foundation.
