## Local Gridders Travel To Tullia For Friday Game

The scrappy Longhorn eleven will be after their second victory of the young season Friday night at 8 o'clock when they travel to Tullia. The locals now sport a one win, one lost record.

Lockney's Big Red will play Friday night without the services of at least one player. Fullback-quarterback Bill Mangold will probably be out of action due to a knee injury. Quarterback Johnny Belt suffered a jaw injury in practice Tuesday afternoon but Belt will probably be in the lineup against Tullia. Belt's jaw was not broken.

Tullia's Hornets are undefeated in their two contests. They lost heavily by last year's graduation and weren't figured to be too strong this season.

However the Hornets have looked better than expected, routing Memphis in their opener and edging past Abernathy last Friday. Tullia is ranked as the No. 4 team in the Panhandle area in the Amarillo Daily News weekly report. Lockney is 9th.

Friday night Lockney will be facing two of the fastest backs they will oppose all season. Tullia's one-two punch — fullback Buzzy Poage and Negro halfback Billy Dick — are reputed to be two of the area's speediest.

Bill Henry is new coach at Tullia this year after spending several highly successful seasons at Spur.

Local coaches were pleased with their charges against the extra-tough Dimmitt Bobcats last Friday. They were especially proud of the way the Horn defense contained the Bobcats' hard-charging Negro fullback Junior Coffey.

Cited for outstanding performances were Wayne Cooper, James Davis, Dan Smith, Oyama Buchanan, Ricky Collins, Terry Clark, Bill Mangold, Doyle Freeman. The mentors said Cooper was the outstanding lineman on the field.

Probable starting offensive lineups:

Lockney	Tullia
Filand, 150	LE Mitchell, 160
Carthel, 160	LT Dallage, 190
Mosley, 170	LG Bales, 180
Cooper, 170	C Tuttle, 190
Davis, 160	RG Davis, 160
Smith, 195	RT Hoelschel, 180
Buchanan, 160	RE Mars, 170
Belt, 150	QB Vandergriff, 140
Alkard, 135	LH Dick, 141
Freeman, 160	RH Bales, 155
or Clark, 165	
Gant, 150	FB Poage, 190
or Clark, 165	

## National Farmers Union President To Speak Tuesday

James G. Patton, president of National Farmers Union, will address West Texas farmers in a meeting at the new cafeteria at Ralls Tuesday evening of next week. The meeting starts at 7 p.m.

Mr. Patton is also president of the International Federation of Agriculture Producers which is the Free World's organization of Farmers with about 37 million members all over the world. In his capacity Mr. Patton has traveled all over the free world in the past six months.

A separate meeting will be held on Wednesday at the Caprock Hotel at 10 a.m. Mel Cherry, president of the Crosby County Farmers Union, will preside and Alex Dickie Jr., president of the State Farmers Union, will introduce Mr. Patton.

## Library Bookmobile Stops Scheduled

Miss Mary Vines, Librarian, announces the following schedule of stops for the Texas State Library Bookmobile for Tuesday, September 22:

South Plains, Upton Grocery, 9:10-9:50 a.m.  
Cedar Hill, Eugene Gilly home, 10:10-10:50 a.m.  
Alken, Paymaster Gin, 11:20-12:00.  
Providence, Lutheran Church, 1:10-1:50 p.m.  
Lone Star, Lone Star Grocery, 1:00-2:45.  
Lockney Public Library, (Book Deposits) 3:00-4:00.

## Farm Bureau Makes Plans For Fall Work

Floyd County Farm Bureau officials have been in session recently making plans for the fall membership campaign, the county convention and other activities relating to Farm Bureau.

Thursday of last week, officials of the county organization met with O. K. Hoyle of Seymour, state field organization representative, at Rogers Cafe in Floydada to discuss plans for the membership roundup and the county convention to be held soon. Representing this county at the meeting were President L. B. Brandes, Vice-President Sterling Cummings, Membership Chairman Chester Carthel and County Service Agent W. R. Puckett.

On Thursday of this week, Cummings and his committee will spend the day canvassing the various communities for information on what members desire as to resolutions, and also will seek to enlist help in the fall membership roundup.

On Thursday, Sept. 24, Millard Shivers, Texas Farm Bureau organization director, will be in the county to speak at Paymaster Farm to the group attending the annual soil district field day. All Farm Bureau directors, alternates and membership workers will meet with Mr. Shivers at 3:30 that afternoon at the home of L. B. Brandes for a membership kick-off meeting. Refreshments will be served. County membership goal is 625 and the state goal is 80,000.

The annual Farm Bureau County Convention will be held on Thursday, October 15th, but the time and place will be announced later. Any member wishing to present resolutions for adoption from local to national level is invited to turn them in at the local office or to directors or resolutions committee members who are L. B. Brandes, Sterling K. Cummings, Elmer Biggs, L. T. Wood, David Batey Jr., Wayne Batey, Malvin Jarboe, Shirley Irwin, Robt. L. Smith, Jerry Cooper and S. J. McIntosh.

An advertisement, published elsewhere in this issue of The Beacon, tells what Farm Bureau is, some of its accomplishments on the county, state and national levels, and some plans for future accomplishments.

## Lone Star Singing Set For Sunday

The regular monthly singing will take place at Lone Star Baptist Church next Sunday, Sept. 20, at 2:00 p.m.

Young people of the area are showing increasing interest in the event and a special invitation is extended to them to be on hand to help make this singing the best ever. Singers are expected from Amarillo, Plainview and other places in the area.

## Lettuce Harvest Will Begin Here In Three Weeks

Leon C. Clapp, owner of the Leon C. Clapp Produce Co., said Monday that lettuce harvest would probably begin here about October 5th. He is already moving machinery into the Lockney Vegetable Shed and preparing for the harvest.

The lettuce in this area is looking fine, Mr. Clapp said. He has an interest in some 300 acres of lettuce in the Lockney area. He said that local lettuce has a good color and he thinks it will be a good size by harvest time.

Right now the price is very favorable, Mr. Clapp said. He closed out last week in Colorado at \$3.50 per carton. However his average price during the harvest is that area was from \$2.00 to \$2.25 per carton.

## Mrs. Z. T. Riley Is Buried Here

Mrs. Z. T. Riley, age 85 years, was buried Wednesday in Lockney Cemetery beside the grave of her husband. Graveside services were held at 3:30 p.m. The funeral services were held at the Mary Ellen and Harvest Church of Christ in Pampa at 10:30 a.m. Wednesday with Jon Jones, Church of Christ minister, officiating.

Mrs. Riley, a pioneer resident of Lockney, died at Highland General Hospital in Pampa at 2:10 p.m. Monday. She had been in ill health for several months but seriously ill only one week. She was the mother of John L. Riley of Lockney.

Mrs. Riley was born Nov. 12, 1874, in Bosque County, near McGregor. She was married to Zach Thomas Riley at McGregor on December 8, 1892. The couple moved to Lockney to make their home in 1906 and lived here until 1945 when they moved to Kampa to live. He died on December 27, 1951.

Mrs. Riley was a member of the Church of Christ. Survivors include two sons, John L. of Lockney and Cullen of Harlingen; three daughters, Mrs. G. H. Brewster of Dalhart, Mrs. J. O. Harris of Pampa, and Miss Roy Riley of 317 North Frost, Pampa, where she made her home. Also surviving are 12 grandchildren and 21 great-grandchildren, and 12 great-great-grandchildren.

## Lions Club Broom Sale Here Saturday

The Lockney Lions Club is sponsoring the sale of brooms, mops and other household items from the Texas Blind Shops Caravan here Saturday.

The big van with the merchandise will be parked in front of the First National Bank all day and members of the local club will be out selling.

The van will carry ironing board covers and pad combinations, warehouse brooms, house brooms, whisk brooms, door mats, mops and many other items commonly used in the home or office.

All these items offered for sale are made by blind people at the Texas Blind Shops. These blind people are first taken to the Lions Clubs Cripple Children Camp at Kerrville and trained in the art of working in the shops. Then they are given employment in the shops thus affording them an opportunity to make their own living.

Local Lions are asking that everyone check their needs along this line and make plans to buy Saturday from the caravan, thus helping the blind and at the same time getting good quality merchandise at competitive prices.

## Booster Club Elects Officers

The Longhorn Booster Club met Tuesday evening at Golden's Cafe and elected officers for the year. Weldon Smith was named president and G. B. Johnston was elected secretary-treasurer.

The group viewed a film of the Lockney-Dimmitt game last Friday night, and will see a film of the previous weeks game as they meet each Tuesday night, officers said.

The club sponsors the printing of the football program for each home game. Discussion on the purchasing of a camera with which to film the Longhorn games was heard at the last meeting.

All members are urged to attend the meetings each Tuesday night.

**MOVE TO TOWN**  
Mr. and Mrs. Floyd Dorman and children, Donna, Lesca Dee and Roger, are moving into town this week from Lone Star where they have resided for several years. They have rented a house in Southwest Lockney.

Floyd A. Hemphill

## Rotary District Governor Here

Floyd A. Hemphill, District Governor, Rotary District No. 573, will make his official visit to the Lockney Rotary Club Thursday evening and Friday of this week. Mr. Hemphill lives at Amarillo and is a school administrator.

President H. H. Nicholas has announced that committee chairmen of the local club will meet with Mr. Hemphill at 8 p.m. Thursday at Golden's Restaurant for a dinner meeting. All committee reports should be in before that time.

Governor Hemphill will speak to the local club at the regular luncheon meeting Friday noon at Golden's.

## Soil Tour Set For Sept. 24

The Floyd County Soil Conservation District soil tour will be held on Thursday, Sept. 24, ending with a barbecue and program at Paymaster Farm at which the outstanding conservation farmer of Floyd County for the year will be named.

The Floydada Lions Club will award a plaque to the county's outstanding conservation farmer; and the guest speaker for the occasion will be Millard Shivers, a representative of the Texas Farm Bureau. Following will be a tour of Paymaster Farm.

The tour will start at 9 a.m. from the agricultural building on the southeast corner of the square in Floydada and the following farms will be visited: Bindweed control demonstration, rates and types of soil sterilants, just at the edge of Floydada.

Grain sorghum variety demonstration, five varieties of hybrids, Kenneth Bean farm. Cotton variety demonstration, Brightmaster, Gregg, Paymaster, 101L and Lankart, Albert Bean farm.

Cotton-Rex variety (a new variety with high angular leaf spot resistance); Rex Smitherman farm.

Cotton following vegetables, Leslie Ferguson farm.

Cattle feeding operation, G. E. Tannahill farm.

Grain sorghum variety demonstration, seven varieties, L. B. Brandes farm.

The barbecue will be sponsored by the Floydada Chamber of Commerce and Paymaster Farm. The farm tour will be over in plenty of time to attend the tour at High Plains Station, Halfway according to soil district officials.

## County Will Have Exhibits At Amarillo And Lubbock Fairs

County Agent Cecil Lewis said Tuesday that he would set up a Floyd County exhibit at both the Amarillo and Lubbock fairs this year. The Amarillo fair starts next week and the Lubbock fair opens on Sept. 28th.

Mr. Lewis has selected the best of the products as exhibited in the community exhibits at the Floyd County fair and secured other products from individuals to fill the exhibit booth.

Individuals who have products in the booth will be recognized and given points at both the fairs, he said.

## Bill Race Gets WT Scholarship

Bill Race, son of Mr. and Mrs. Johnny Race and a 1959 graduate of Lockney High School, has earned a football scholarship at West Texas State College, his parents were informed this week. Bill started workouts with the WT Buffalo team last week with the promise that he would be considered for a scholarship.

Bill was a star player at quarterback and fullback on the Longhorn team for three years. He is playing fullback at West Texas.

## County Fair Is Very Good One

The sixth annual Floyd County Fair is over and most everyone is well satisfied with the results. The paid attendance was slightly higher than last year with this total standing at 4,761, according to Sam Puckett, secretary-treasurer of the Fair Board. The number of entries in the various departments was slightly below last year but in the women's departments the quality was better, according to Mrs. R. H. Tinsley, director.

Total prize money paid out amounted to almost \$1500. Mr. Puckett said. The fair officials had upped most of the prizes from last year. The secretary-treasurer said Monday that he wouldn't know exactly how the Fair came out financially for several days.

**Aiken Wins**  
Aiken community, for the fourth straight year, won the Community Exhibits first place award. They scored a total of 929 points out of a possible 1,000. Sterley community came in second place only 10 points behind the winner and Sandhill community won third with a total of 900 points. Dougherty and South Plains communities had exhibits that graded high, the lowest being 889 points.

In the Home Demonstration Club educational exhibits, the competition was very keen with most every club in the county preparing an exhibit. Sandhill Club won first place with a theme "Story of a Tray", which dealt with the making of an aluminum tray. Lone Star club was second, their theme being "Leisure Time Can Be Profitable." Third place went to Sterley Club, with the theme "Home-made Games."

In addition, points were given each home demonstration club when one of its members won either first, second, or third with an entry in one of the women's departments. Lone Star Club members took the most points in this with a total of 128. Dougherty Club members garnered 118 points and Sterley members totaled 67 points.

Miss Carla Lemons, daughter of Mr. and Mrs. Carl Lemons, won the clock offered in the women's department for guessing closest to the number of paid attendance at the fair.

In commercial exhibits, Sportsman of Floydada won first place and Brown's Dept. Store of Lockney won second.

Women's sweepstakes winner was Mrs. J. H. Buchanan of Floydada, who won the title for the third consecutive year. W. Holloway of Petersburg won the livestock sweepstakes title and Billy Don Colston of Dougherty won his second agricultural department sweepstakes title.

**Tractor Driving Contest**  
The tractor driving contest on Saturday afternoon attracted a large crowd of spectators and a good number of entries. In the junior division, under 13 years of age, Clar Schacht of Lockney won first place, David Scheele of Providence won second and Don Henderson of Lockney took third.

In the senior division, aged 14 to 19, Billy Don Colston of Dougherty won first, Warren Mitchell of Lockney won second, and Johnny Tannahill of Lockney won third.

The adult division, over 19, was won by Shirley Irwin of Floydada with Chester Mitchell of Lockney winning second and Byron Brock and Weldon Smith of Lockney tying for third.

**Talent Contest**  
A trio of housewives, the Harmonettes from the Dougherty community, won first prize in the talent contest on Friday evening. They were Mrs. Joy Ward, Mrs. Travis Jones and Mrs. Ned Bradley accompanied by Mrs. John McIntosh.

Second place went to a girls quartet from the 9th grade in

## New Assistant Teacher Is Employed Here

Berry Swarts has been employed as assistant agriculture teacher in Lockney High School replacing Melvin Burks, who resigned last week. Mr. Swarts came here from Pampa where he taught the previous three years at Mobeetie. He and his wife have three children. They will move here this week.

## Muncy Elevator Is Sold To Grahams

A deal was consummated last week in which the Bob Muncy Elevator, located at Muncy, five miles southeast of Lockney, was sold to Erwin and Herman Graham of Hale Center and Kinnew. The deal was made effective Sept. 1 and subject to approval of the Graham Bros. Commodity Credit Corporation and the State Department of Agriculture. That approval was given last week.

The Graham Bros. own the Plant Elevator between Plainview and Hale Center and Kinnew in other elevators. Norman Muncy, son of Bob Muncy, will operate the Muncy Elevator this fall.

Bob did not sell his home, located near the elevator, and Mrs. Muncy will continue to live there at the present time. He has been ill for some months but his condition is much better at this time and he is able to be out some.

Mr. Muncy began working as an employee at the Muncy Elevator in 1919 as a young man. In 1927 he built his own elevator there and has been operating it since — some 32 years. The present facilities have a capacity of 240,000 bushels.

## EDITORIAL

Forgetting those things which are behind and reaching forth unto those things which are before, I press toward the mark. — Phil. 3:13-14.

**THE 1959 FLOYD COUNTY FAIR** is history now and it was a good one. Most of us, however, never realize the tremendous amount of work done by a comparatively few people to get this annual event going. Members of the board of directors and a few other people, most of them former fair directors, spend many long hours planning and preparing for the fair. Much of this work is hard physical labor. We don't exactly know how to go about it, but somehow the work of the fair should be spread out a little more with more people taking an interest and a part in the work. Perhaps if Lockney business men were approached with a plan, they would furnish a hand for a day to help make the necessary preparations. Perhaps some other plan could be worked out. We do appreciate the hard work of those who put over the Fair. As we said at the beginning — it was a good one.

**THE EXPERTS** are saying that Floyd County will gin 104,000 bales of cotton from the 1959 crop. Of course some of this will be "B" plan cotton and will not command the loan price that the "A" cotton will get. But at that it will be among the biggest yields this county has ever had. Last year's 112,000 bales was the record as far as The Beacon is concerned. We don't believe the county ever before matched or topped that one. But we do remember years past when the county ginned 108,000 and maybe 105,000 bales. But we will settle for the 104,000 bales this year and be glad to get it. After all we have lived through twice this far—once to a sand and electrical storm and the other time to weeds. So to come out with 104,000 bales after all is pretty good in our books.

**SPEAKING** of predictions, remember early last November The Beacon and the Hesperian made a survey of the cotton ginnings in the county and came up with a prediction that Floyd County would gin 113,000 bales of cotton. Some people

thought that was about 10,000 bales too high and discounted the prediction but the final total showed that our prediction was only 1,000 bales off. Of course, it wasn't the newspapers who were doing the guessing. We merely used figures given us by the ginners of the county and compiled these figures. We have found that ginners usually know pretty well what is going on in the cotton business in their home county.

**SEPT. 20-26** is Texas School Traffic Safety Week. Governor Price Daniel has set aside this week with the request that all auto drivers use extreme caution and practice good driving habits, especially around school grounds. The annual report of the Department of Public Safety shows that 24 per cent of the drivers who died in Texas traffic accidents in 1958 were between the ages of 15 and 24, while this group included only 18 per cent of all the licensed drivers. Programs to emphasize good driving will be put on in many schools.

**MOST AUTHORITIES** seem to think that the labor bill which passed the national congress recently and has been approved by the President, was as good a law as could be passed at this time. It corrects many union abuses, and will end some of the corruption that has been plaguing unions although it is not as strong as many thought it should be. This is the first major labor legislation that has passed congress since the Taft-Hartley law. Among other things the new law bans secondary boycotts and secondary picketing and requires secret elections of union officers at regular intervals. Still the new law doesn't chase the crooks out of the unions—that is left up to the unions themselves.

**THE NEW LABOR LAW** is mild by most standards, and leaves undone many things that should be done to really clean up organized labor and get it back into the hands of the members. But that's not everyone's opinion. Senator Ralph Yarborough of Texas thinks the law is too strong, that it went too far and says that it will be amended plenty at the next session of Congress. At least that's what he is saying in his many speeches to organized labor around over the state. Can't please everybody, looks like.

**WE OFTEN** read about a car going out of control. A traffic safety authority says that this is a misstatement—a car doesn't and can't go out of control unless its driver allows it to do so.

## With Our EXCHANGES

**IN SOUTHERN SCHOOLS—2,000 NEW YORK NEGROES**

Negro parents in New York City are sending 2,000 children to the South this year to be educated in segregated schools.

One Negro father said he had sent his son to high school in Florida because, "New York has just too much juvenile delinquency and racial tension. New York City is not a place to bring Negro kids up."

These reports from the Associated Press were discussed in the Senate floor August 31 by Senator Olin D. Johnston (Dem.) of South Carolina. Said the Senator:

"I sympathize with the Negro parents who are undertaking the expense of sending their children to segregated schools in the South, for I know they want their children to be well educated, and that they know the best education can be obtained in their children at the many fine segregated schools in the South."

"Obviously, integrated schools are not providing the so-called better education for

Negro children, as was alleged in the 1954 Supreme Court ruling."—U. S. News & World Report.

## STILL MYSTERY

One of the mysteries science so far has been unable to solve is how and where life originated.

It generally is supposed to have originated in the sea, but now that theory is being challenged.

Two leading scientists said recently that life very well may have begun ashore, rather than at sea.

Prof. J. D. Bernal, physicist at the University of London, told the International Oceanographic Congress, meeting at the United Nations headquarters in New York, that the most likely place was the mud of tidal estuaries. The early steps took place, he said, at one of the earliest stages of the earth's history, when the seas were still hot, both in temperature and radioactivity.

Prof. G. Evelyn Hutchinson

of Yale University said he favored shallow pools of fresh water ashore as a likely place for life's birth.

The theories are interesting, but they are, after all, only scientific guesses. The mystery of life's origin still remains unsolved.

Men have sought in vain to create life artificially, but so far they have failed to do so. The principle still holds true that life comes from life and there seems to be no way of altering the process.

While the scientists are experimenting, attempting to find the place where life originated, most of us will be content to believe that it came from God, the source of all life and the Creator of the universe. And in this case, faith is more reassuring than all the postulates of science. —Lubbock Avalanche

 D. E. SCOTT

Dear Editor:  
 I see where one day a while back the Treasury had \$2 billion worth of notes come due and had to borrow money to pay them off, and on the same day Congress voted to give away \$3.5 billion to foreign countries.

My tax-frazzled neighbor says if some individual was acting in this slap-happy manner, he would be put away somewhere to jail. But he reckons we will have free-wheeling money disposal in Washington for a long time, on account of it seems the climate here is hard on thrift and the place must be crawling with squander itch germs.

## Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

Sept. 19, 1929

At a recent meeting of the Chamber of Commerce, committees were appointed to make plans for the dedication of the new city auditorium and park. The event is planned for Oct. 18.

John Harve Phillips, age 37, died at his home 10 miles north of Lockney Friday afternoon. He was the father of four girls and one son. He is survived by one adopted daughter, his wife, the previously mentioned children and a number of brothers and sisters.

R. L. Knox and his sister, Mrs. W. M. Day went to Way-side, Texas, Thursday for the funeral of their brother, T. S. Knox, who died at Hot Springs, Ark.

W. M. Ferguson is showing at the fair some fine apples, some measuring 1 1/2 inches around and resembling a Delicious apple. They are the finest

J. W. Jennings is the new manager of Lockview Farm.

The People's Store, owned and operated by P. W. Price, located in the new building just north of the Beacon Office, will open for business Saturday morning. He has a nice line of ready-to-wear for all members of the family.

Sept. 19, 1947

A total of 169 students enrolled in Lockney High School this week, a total increase of 9 over last year.

After an illness of five days, Mrs. Charles Simpson passed away at the Plainview Sanitarium early Sunday morning. She was born Norma Iwana Thomas in Lockney on April 9, 1900. She was the third daughter of the late Dr. and Mrs. D. L. Thomas, pioneer residents of Lockney.

Oscar Jetton was seriously injured Thursday morning when he fell from a load of hay.

Funeral services for James Forest Dollar, a pioneer of West Texas and Floyd County, were held at Lockney Baptist Church Tuesday afternoon at 3 o'clock. He was 82 years of age. Survivors include his wife and 12 children, also 26 grandchildren and 17 great-grandchildren.

## TRUCKS THAT DO THE NEXT BEST THING TO PAVING EVERY ROAD IN AMERICA!

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.

### South Plains

by Mrs. Murray Julian

Fifteen bales of cotton were ginned at South Plains Gin last week according to E. L. Morrison, and grain is slow coming into the elevators as reported by Red Bledsoe of the Clubb Elevator. Walter Hickert from Lenora, Kansas, custom cutter, who comes every year, is expected to be here within the coming two weeks.

Eighty were present at church services Sunday morning at the South Plains Baptist Church. Several from here attended the all-day Associational meeting at Lockney Baptist Church on Tuesday.

Remember the W.M.U. Week

Prayer will be held at the church on Thursday afternoon at 2:45, and a good crowd is expected to attend.

Mr. and Mrs. Sylvin Kinnibrugh, Marilyn and Beth, and Per sister, Mrs. Hugh Griffith of Lockney, spent the weekend at Truscott and Vera.

Mr. and Mrs. John Key West and Dale, Mr. and Mrs. C. G. Sibley Milton and girls were among those who went from here to the football game in Olton Friday night. The Miltons had supper with old friends, Mr. and Mrs. Albert Scribner.

Gregg Taylor of Lockney spent Friday night with his grandparents, Mr. and Mrs. J. P. Taylor.

Mrs. Sim Reeves and daughter, Mrs. Ted Bell, spent the

day Friday visiting the Bob Reeves in Lubbock.

The Ernest Smitherman family returned Sunday from Denver, Colo., after taking Larry back to the Art Institute Saturday.

Kendis Jullian and Eugene Beedy left Sunday morning for West Texas State College at Canyon to resume their studies.

Mr. and Mrs. Ronnie Upton and children left Tuesday for Canyon where Ronnie is a senior at WT. He has not had a vacation even during the summer months since he started to college. He will graduate in January. He has been helping his parents, the Raymond Uptons in the Upton Grocery over the week ends the past few weeks.

4-H Club members, parents and leaders will meet Thursday night at the school house at 7:30 to elect new officers. Mrs. Sylvin Kinnibrugh and Mrs. John Key West will serve refreshments. Everyone come to help make plans for the coming year.

Many families from here attended the Thursday night football game in Floydada between Lockney and Floydada boys. Among those present were Messrs. and Mmes. E. J. Kinslow, Gene Morrison, Murray Julian, Wayne Adams, and Roy Bledsoe.

Present at the home of Mrs. Don Probasco for coffee Tuesday morning were Mmes. Don Marble, Marvin Wells, Chester Hidalgo, Sterling Cummings, Larry McCormick, Philip Smitherman and Fred Marble who finished the drapes for the fair. Mrs. Probasco worked Thursday, Friday and every night of the fair representing the Junior Home Demonstration Club.

Mrs. Murray Julian went to the Floyd County Library meeting in Floydada Thursday morning. Members are hoping and working toward a new library home in Lockney, as their space now is too limited. New encyclopedias are being studied for the libraries, among other projects.

Don Marble and Mac Smitherman went to Possum Kingdom Dam near Mineral Wells last Thursday to spend a few days fishing. They returned Sunday with a nice catch, including channel catfish. They stayed at the Chuck Holmes boat house near the lake. Mrs. Marble and Donette stayed with her folks, the R. L. Hollands, in Lockney while they were gone.

Floyd County Fair was attended by almost everyone in our community. Saturday afternoon several from here won door prizes, including Mrs. John Wilson, Barbara Milton, Mrs. J. K. West and Sue Wilson. Many took home prizes for their exhibits. Working with the exhibit booths were Mrs. L. H. Parks, Mrs. Leighton Teepie, and Mrs. Don Probasco from

### Home Making Hints

by Phyllis Roggendorff  
County Home  
Demonstration Agent

The fair was nice this year. I hope you were there. I was real proud of the Home Demonstration Club educational booths. They were all good, I thought, and the judge liked them also.

Gina Brazeale, Assistant Home Demonstration Agent of Plainview, judged the educational booths and the clothing and Clara Pratt, HD Agent of Lubbock judged the foods. Mrs. Pratt said the foods exhibits had improved this year, though I don't believe we had quite so many.

Have you heard which clubs scored highest on the exhibits by individual club members? Lone Star Sr. HD Club, 1st; Dougherty HD Club, 2nd; and Sterley HD Club, 3rd. Let's give them more competition next year.

#### State THDA Meeting

Three delegates and the council chairman left early Tuesday morning for the State Texas Home Demonstration Association meeting in Galveston. Those going were: Mrs. Zant W. Smith, Dougherty; Mrs. Zant Scott, Harmony; Mrs. Sam Jones, Providence; and Mrs. Elmer Norrell, Floydada. They went on a chartered bus from Lubbock with other women from this district. They will return Friday night and will give their report from the meeting at the Home Demonstration Council meeting Saturday afternoon. Come if you can.

#### Homestead Improvement Workshop

I plan to attend a homestead improvement workshop at Jayton the 22 and 23 of this month. The program will include information on soil conservation, patios and walks, bugs, plant diseases, designing home grounds and hardy shrubs and trees for North Texas.

If you are interested in attending these workshops, please call me.

#### Eat More Vegetables

Many Texans are not eating enough vegetables daily. This was shown in a recent survey made by home demonstration club women. Vegetables are necessary to complete a well rounded diet because they furnish important vitamins and minerals.

Here in Floyd County we have little excuse for not getting enough vegetables. According to the Texas Food Standard, each person should eat a serving of green or yellow vegetables, a serving of another vegetable and a serving of potatoes each day.

There are many varieties of vegetables and many different ways they can be served. If you are looking for some new or different recipes for vegetables you may like a copy of the new bulletin entitled "Vegetables, Selection, Care, Cooking". Come by or call for your copy.

#### AUTOMATIC MEAT BASTER

The ultimate in carefree cooking this year comes in a range with an automatic baster. It attaches to the rotisserie spit. With each turn of the rotisserie, the baster dips up barbecue sauce from the pan below and spreads it evenly over the meat. Continuous basting makes less tender cuts of meat more palatable. Lean meats keep more moist and the flavor of the sauce penetrates well into the meat.

#### South Plains

Mr. and Mrs. Frank McClure left here Wednesday morning for Salina, Calif., where they will first visit her uncle, Charley Brannon and family. Meeting them there will be her brother, Mr. and Mrs. R. O. Newman of Paulsbo, Wash., and a sister, Mr. and Mrs. C. J. Griffin of La Puente, Calif.; and her mother, Mrs. E. W. Newman of Snyder, Tex., who has been in Washington visiting the past weeks. The whole family planned to go on to Los Angeles to visit the Griffins for another week. The McClures plan to be gone two weeks.

Mr. and Mrs. Fred Fortenberry went to Tulsa Sunday to have dinner with her sister, Mr. and Mrs. Elvin Hutson and family.

The Home Demonstration Clubs of the county took their separate turns at a food booth at the Floyd County Fair Thursday through Saturday night, with proceeds going to the council. South Plains Senior Club served hot dogs, hamburgers, cokes, coffee and pie Saturday afternoon. Working at the booth were Mmes. John Key West, Grigsby Milton, Fred Fortenberry, Leighton Teepie, Jones Kinslow and Arby Mulder.

Senior Home Demonstration Club met in the home of Mrs. Arby Mulder Wednesday at 2:30 with Mrs. Grigsby Milton presiding. Members brought articles for the fair, and Mrs. E. J. Kinslow as head of the exhibits for the fair, worked on the community booth. Bringing interesting reports on Adolescence were Mrs. Fortenberry, Mrs. West and Mrs. Teepie. Mrs. Mulder served sandwiches, cokes, and chocolate cake to Mmes. John Key West, Fred Fortenberry, George West, Harry Hartman, Horace Marble, Jones Kinslow, Leighton Teepie, and Grigsby Milton.

### Sterley News

By Mrs. Virgil Adams

Sterley Home Demonstration Club and Community Club wishes to thank everyone who helped in any way with the exhibit for the Floyd County Fair. The community place, and the Home Demonstration Club's booth with home made games won third place.

Home Demonstration Club also received third in winning points and ribbons throughout the women's exhibits. We are proud of these but if more ladies entered an exhibit we may have done better. We hope next year each lady will enter at least one item.

We wish to thank the Fair Board who worked so hard planning the Fair.

Sterley Home Demonstration Club will meet Thursday, Sept. 17, at Sterley club house at 2:30. The program will be crafts. All ladies are invited to attend.

The community club will meet Friday night, Sept. 25, at the club house. It will be Family Night and each family in the community is invited.

The Virgil Adams children and Mrs. W. G. Archer and children attended the J. M. Tucker family reunion at Siletton Sunday. All seven of the Tucker children were present with part of their family. There were 127 present in all.

Mr. and Mrs. Joe Huffman and family visited his parents, Mr. and Mrs. Herman Huffman Sunday. Joe returned to the Methodist Hospital at Lubbock where he has been receiving treatment. We hope he will soon be able to return home. He would be glad to receive cards from his friends and neighbors.

Janet Huffman of Lubbock spent last weekend with her family, Mr. and Mrs. Herman Huffman.

Jimmy Sams of Dallas is spending this week with his parents, Mr. and Mrs. Guy Sams.

Mrs. A. D. Schaffner and Mrs. Mac Howard attended the WMF Clinic at the Lutheran Church in Odessa Tuesday.

Mr. and Mrs. Paul Hrbacek and Ricky visited relatives in Oklahoma last week.

#### Floydada Soldiers In Missile Training

Fort Sill, Okla. (AHTNC) — Army Privates James H. Hartline, 19, and Dale V. Brown, 18, of Floydada, completed eight weeks of advanced individual missile training Sept. 11 at The Artillery and Missile Center, Fort Sill, Okla.

They were trained as crewmen on the Army's Corporal surface-to-surface missile.

Hartline, son of Mr. and Mrs. William L. Hartline, Floydada, attended Floydada High School and worked at the Amburn "66" Service Station before entering the Army.

Brown is the grandson of Mr. and Mrs. Fred Brown, 500 S. First. The former Floydada High School student was engaged in farming prior to entering the Army.

They both entered the Army in April of this year and completed basic training at Fort Hood.

The beginning of midshipmen in the Navy is traced to the early days when each warship carried a number of young lads who acted as messengers, rushing orders from the officers aft to the men up forward. Generally, a midshipman was regarded as an officer candidate.

Mix 1/2 cup of brown sugar, 1 tablespoon mustard and 1 can of cranberry sauce. Spread the glaze over a baked ham and place in oven heated to 400 degrees. Bake until the surface is shiny. Occasionally spoon up glaze to cover spots that have not browned. For canned ham (325 degrees) 10 minutes per pound. Then raise temperature to 400 degrees for glazing.

## A Word About Your Cotton Defoliant!

DEFOLIATION CAN BE NEAR PERFECT!  
DEFOLIATION CAN BE UNCERTAIN!

Cotton defoliant can aid an earlier harvest and better grades. Applied prior to a freeze, it will cause some bolls to make white cotton that otherwise would not.

The results will be in direct relation to the maturity of the cotton. If the cotton is ready to defoliate, the percentage of leaf-drop will be high. If the cotton is immature the percentage of leaf-drop will be low.

Let us discuss your cotton defoliant with you.

## Lingerie Shower Honors Jan Widener

A lingerie shower given Saturday from 9:00 to 10:30 a.m. in the home of Mrs. David Frizzell, complimented Miss Jan Widener, bride-elect of Ray Dean Fleming, Friona.

Assisting Mrs. Frizzell as hostesses were Mrs. Jerry Mickey and Misses Kay Golden, Virginia Caldwell and Kim Mickey.

The dining table was centered with a diary surrounded by small dolls representing important events in the life of the honoree, including football queen. Refreshments were frosted grapes, cantaloupe balls, dainty pieces of cinnamon toast and hot tea.

Those attending or sending gifts were Misses Charlyne Brown, Hope Cox, Anita Durham, Gayle Rucker, June Caldwell, Jackie Frizzell, Mrs. Gail Wilson, Mrs. Jim Reynolds, Mrs. Gene Handley, Mrs. Larry McCormick, the honoree and her mother, Mrs. Loyd Widener.

## Rebekahs Reach Project Goal

Mrs. Omega May, N. G., of Lockney Rebekah Lodge, was pleased to report at the Monday night meeting that her project for the term has been completed. She was able to clear enough from the lodge's booth at the County Fair to pay for the new 12 foot refrigerator and stove. She expressed her appreciation for the cooperation from members and friends.

Mrs. Elizabeth Wall of Dallas was a visitor at the Monday meeting.

An invitation was read for all Oddfellows and Rebekahs to visit the State Fair in DaHas Sunday, October 18.

In celebration of the 108th anniversary of the two lodges Vera Jo Bybee gave an interesting reading of their history. Beth Widener gave "Food for Thought" on the Rebekah Degree.

Concluding the meeting a social was enjoyed in the new lodge home located in the newly redecorated north side section of the City Auditorium.

## Wedding Shower Honors Couple

Mr. and Mrs. Donald Ray Wigington were honored with a wedding shower Friday night, September 4, in the new home of Mr. and Mrs. Robin Fortenberry, Cedar Hill Community.

Parents of the couple are Mrs. Ollie Mae Williams of Ralls, and Mr. and Mrs. J. B. Wigington, Cedar Hill.

The serving table was laid with lace over pink and centered with a bride doll standing beneath wedding bells. Pink candies and crystal appointments were used. Delaware punch with floating orange slices and nuts, Napkins, stamped in silver, bore the names of the honored couple.

Approximately 50 guests registered or sent gifts.

Hostesses for the occasion were Messrs. and Mmes. Robin Fortenberry, J. B. Whitehead, Leighton Teagle, Eldon Fortenberry, Gene Gilly, Ernest Wells, Alvin Nichols, Weldon McCormick, Durrell Fortenberry and Carl Lemons. Their gift was an electric hand mixer and chumbe canister set.

The couple is at home in Waxahachie where they will attend Southwestern Bible Institute this semester.

## TELEPHONE TALK

### AUTOMOBILE SAFETY

I don't believe enough can be said on the subject of automobile safety. Safety is everybody's business, and I feel that when we hear of a serious accident it must be a matter of deep concern for all of us.

Whether we are pedestrians, operate cars and trucks in our businesses, or take our families on short or long trips in our cars, we are potential accident statistics.

The automobile contributes to the safety of modern day living, as an ambulance, fire apparatus, police vehicle, and other ways contributes greatly to the safety of modern living.

In the hands of unskilled, irresponsible people the automobile becomes a menace. We seem to forget that the automobile is an inanimate machine. It has never collided with another object. Only through human beings does it become an instrument of destruction.

If we accept the basic premise that no vehicle is safer than its driver, we can come only to the belief that driver education is the sole solution to the problem of death on the highways.

It may interest you to know that one third of all high schools are offering courses on the elements of safe driving. These courses combine theory and practice together with discussions of the social aspects of safe driving.

The next time you or I climb into our automobile, remember one thing, respect the rights of others, both motorists and pedestrians.

### PICK THE ROOM—THEN THE COLOR

The other day, I was reading over a study made by the telephone company which showed that the kitchen and bedroom were the most popular locations for extension telephones.

It doesn't surprise me because a good number of our customers here in Lockney have ordered telephones for those particular rooms in their homes.

But perhaps you'd like additional phones in other rooms — the workshop, maybe, or the family room. All you have to do is pick the room where you want an extension, and then call the business office.

We'll be happy to help you select the color that fits the room — and within a few days you'll have a color extension to brighten your home and help you get more out of life.

### THE OLD "COLLEGE TRY"

In the coming months, Saturday afternoons on college campuses will mean lively football games with teams giving it the old "college try."

But Sunday afternoon — minus the excitement of the winning touchdown — can be lonely for sons or daughters away at college.

There's an easy remedy for this, however. Just ask them to make the old "college try" at remembering to call you collect every other Sunday.

Who knows? They may even surprise you some Sunday by paying for the call themselves with the dollar or two they've saved from allowance or an extra job they've picked up at college.

Call by number. It's twice as fast.

## ATTENTION FARMERS

Fall sowing of alfalfa should be done very soon and we are frantically urging the planting of more acres of alfalfa for the economy of this area in a crop rotation plan. More acres of alfalfa are needed locally for use in dehydrating and National Alfalfa will be in the market for sun cured bale next season as a supplement to dehydrating operations. We will be pleased to have you come in and discuss with us the potentials to be realized through a planned rotation program with alfalfa as the base in your soil building program.

# Mighty Dimmitt Downs 'Horns

The mighty Dimmitt Bobcats, showing the form which has made them rated as the top Class AA outfit in the Panhandle, dropped the fiery Lockney Longhorns, 24-6, on Friday night. However, the Bobcats did not win without a real struggle from the 'Horns.

Dimmitt quarterback Carlos Barnes led the Bobcats to a well-balanced attack in the first period, passing for 184 yards and three touchdowns. Barnes also ran for 58 yards and a touchdown. Hyatt crashed through the line for 37 yards and a touchdown. Dimmitt's defense was led by the Longhorns' tackle, Clark, who intercepted a pass and returned it for a touchdown. The game was a close one, with Dimmitt leading 14-0 at the end of the first quarter. Lockney drove to within 10-0 at the end of the second quarter, but Dimmitt's defense held them back. In the third quarter, Dimmitt drove to within 14-6, but Lockney's defense held them back. In the fourth quarter, Dimmitt drove to within 24-6, but Lockney's defense held them back.

Smith, Wayne Cooper, Mickey Mosley, Freddie Gant, James Davis, Clark, and Buchanan. The Big Red defenders did a particularly good job in holding down the highly-touted Coffey.

Mosley and Collis each covered two Dimmitt fumbles.

**Summary of the Contest:**

Dimmitt won the toss and elected to receive. Smith's first kick went out of bounds, and after a 5-yard penalty, his second boot went to the 'Cat 21. The runback netted 15 yards.

The visitors gained 4, 9, 3, passed incomplete, ran for 4, Coffey punted from the Lockney 45 to the 14. The Longhorn receiver signaled a fair catch but ran with the ball, giving Lockney a 5-yard penalty.

Halfback Doyle Freeman gained 0, Clark lost 2, Freeman quick-kicked 35 yards to the L 42. Barnes made 6 on the return.

The Bobcat attack moved as they gained 2, 1, lost 6, made a first on the L 15. The white-clad visitors gained 5, 2, 4, lost 2, Coffey ran over for the tally. The Barnes-to-Hyatt pass worked for the PATs. Dimmitt 8, Lockney 0 with 4:19 remaining in the first quarter.

Bill Mangold returned Ratcliff's kick from the 10 to Lockney's 33.

Barnes grabbed Mangold's pass on the Dimmitt 42.

The 'Cat quarterback lost 2, the Bobcats gained 4, 6, punted 37 yards to the L 13. Halfback Joe Allard made a nice return to the L 24.

Mangold, running at fullback, gained a first on the L 37. Clark made 1, Mangold ran for 5, Freeman moved for 6 as the first period ended.

Mangold gained 2, a pass fell incomplete, another play gained 0, Freeman's punt rolled out of bounds on the Dimmitt 36.

Dimmitt went for 3, 3, 3, before Hyatt broke loose with his 46-yard scamper. Collis covered a fumble on the next play at the L 18.

Mangold again moved for 8, a pass fell incomplete, Mangold gained a first on Lockney's 30. Freeman ran for 2, a pass was no good, Gant gained 3, Clark punted 43 yards to the D 22.

A 2-yard loss resulted on the runback.

The 'Cats gained 4, 4, 0, and punted 27 yards to the Lockney 41. The ball was returned to Dimmitt's 38.

Gant rolled for 3, Belt kept for 4, the Big Red were offside, a Belt-to-Freeman pass netted a first on D 24. After two incomplete passes, Lockney was assessed a 15-yard penalty. A pass was then intercepted on the D 21.

Dimmitt gained 4, 2, passed for a first on their 38. They gained 0, 11, and 5, between two incomplete passes. Coffey punted 33 yards to the L 13 and Clark returned 2 as the first half ended.

**Second Half**

Freeman returned the kick from the 3 to Lockney's 27. Cooper covered a fumble for a 4-yard gain, Gant made 0, Clark went for 3, Freeman punted to the D 47.

The strong Dimmitt attack again showed spark as they gained 5, passed for a first on the L 41. The ground attack moved for 3, 7, 2, 4, 5, 11, 5, 1. Hyatt scored from the 1. Barnes threw to Ratcliff for the PATs. Dimmitt 16 - Lockney 0 with 5:15 to play in the third period.

Ratcliff's kick was returned from the L 7 to their 28 by Freeman. Belt's pass went incomplete, Mangold gained 3, a Belt-to-Clark pass appeared to be good but was ruled incom-

Dimmitt gained 5 and 8 before Mosley fell on a loose ball at the D 36.

Belt kept for 1, Freeman made 5, Freeman lost 1, Belt hit Buchanan in the end zone for Lockney's six points.

Buchanan's catch was probably the finest of the season as he grabbed the pigskin off his fingertips on the run one step ahead of the Dimmitt defender. Clark failed to run over the PATs. Dimmitt 16 - Lockney 6 with :30 remaining in the third period.

Smith's kick was returned 5 yards to the D 28 by Hyatt. Coffey made 1 as time ran out in the period.

A Dimmitt aerial worked for 13, a running play gained 5, the Bobcats were offside and gained 0 before Barnes pitched to Ratcliff who raced over in a 58-yard scoring maneuver. The Barnes - to-Ratcliff combination worked for the extra points. Dimmitt 24, Lockney 6 with 10:15 remaining.

The first Dimmitt kick went out of bounds. After a 5-yard penalty Ratcliff's boot was returned from the 18 to L 36 by Keith Carthel. Halfback Joe Allard lost 1, Freeman gained 3, a Belt-to-Freeman pass went for a first on the L 48. Following incompletions, Dimmitt intercepted on their 32.

Collis gobbled up another fumble on the D 31.

Three Longhorn aerals went astray, including the apparent touchdown from Belt-to-Buchanan which was ruled out of bounds, the Bobcats pulled in a Big Red pass on their 31.

Following a 4-yard gainer Mosley pulled in a loose football on the D 34.

Mangold lost 1, Belt passed to Clark for a first on the D 23. Mangold failed to gain, two aerals went awry, Mangold passed to Freeman for 5 but the ball went over to Dimmitt.

The 'Cats ran for 3, passed for 14, gained 1, passed incomplete, ran for 17, 3, 3, Donnie Hanst covered a fumble on the Longhorn 41.

Belt tossed to Clark for 4, Mangold failed to gain as the clock ran out.

## Army Exhibit At Tri-State Fair

Cameron Station, Alexandria, Va.—The U.S. Army's Strategic Army Corps — more popularly known as "STRAC" — will be unveiled to area residents for the first time in an official exhibit to be displayed at the Tri-State Fair, Amarillo, Sept. 21-26, it was announced today. Coming to Amarillo by motorcade from Washington, D. C., the huge exhibit shows the Army's ability to cope with small, limited conflicts as well as all-out atomic war and forecasts weapons of the future projected to the year 1975.

Spanning the historical and technological evolution of weaponry from man's earliest attempts to defend himself in the Stone Age to the present-time, the exhibit points up Army success in meeting the challenge of the atomic-electronic-missile era. The operational weapons of today, shown in one area of the exhibit, form the basis for futuristic weapons predictions of two decades hence shown along an opposite wall.

### CARD OF THANKS

Lockney Rebekah Lodge wishes to thank everyone who assisted us at the Fair booth. Our project was to buy a 12' Kelvinator refrigerator and stove, which, thanks to you, we were able to do and also pay all expenses. Especially do we thank all those out-of-town people for their donations and other help, as well as all our local people and members. Omega May

WEST TEXAS STATE'S BUFFALOES will christen a modern 20,000-seat football stadium this fall with the area's first "major" schedule. The Buffs will meet Arizona, Mississippi Southern, Hardin-Simmons, Drake and Virginia Tech in that order in the new plant, which is located two miles north of Canyon and 13 miles south of Amarillo on the E-way. Above is a close-up of the west stands and the inset shows an aerial view looking from the East. An open house at the stadium is scheduled from 4 to 6 p.m., Sunday, September 13.

Hill Baptist Church enjoyed an outing at Burson Lake near Silverton Friday and Saturday. Reports were that all the big ones got away but they enjoyed the swimming, eating and fellowship. Those making the trip were M. B. Swanner, Kirk Slater, Ed Noel, James Jeffress, Jim Cavez, Frankie Rainey, Red Sloan and Bill and Stinson Stringer.

Mary Starkey and Carla Lemons of Lockney spent Friday night and Saturday visiting in the home of Beverly Jeffress.

Everyone enjoyed the Fair and quite a number brought home ribbons and cash prizes. We were proud of our Educational Exhibit winning first place and our Community Exhibit winning third.

Our thanks to Mr. and Mrs. Ed Noel, Mr. and Mrs. H. F. Jackson, Mr. and Mrs. Lynn Miller, Mr. and Mrs. Walter Knight, Mrs. R. F. Bullock, Mrs. Orion Miller and others helping with the Community Exhibit. Also a special thanks to all those that helped with the Council food booth.

Miss Sarah Carey left this week for Denton where she is enrolled in College. Her parents took her down and helped get her settled.

Ed Noel was ordained Sunday afternoon at 3 p.m. as a deacon in Sand Hill Baptist Church. Bro. Jack Gillispie of South Plains was the speaker.

The Junior Training Union has planned a weiner roast and skating party Friday evening beginning at 6 p.m. in Plainview. All the juniors are asked to meet at the home of Mrs. James Jeffress at this time.

WMU of Sand Hill Baptist Church met Monday at 2 p.m. with the new president, Mrs. Bill Stringer, calling the meeting to order. Other officers elected were Mrs. Frankie Rainey, vice chairman; Mrs. M. E. Swanner, secretary; Mrs. Ed Noel, program chairman. WMU will meet each Monday at 2 p.m.

Sand Hill 4-H Club met Monday night with Jimmy Huckelby in charge. Norma Hollums led the 4-H motto and prayer. Mary Starkey led in group singing. New officers were elected: Bobby Holt, president; Jimmy Huckelby, vice president; Dianne Montgomery, secretary; Beverly Jeffress, reporter; recreation, Joe Ed Noel; Council delegate, Warren Mitchell, and parliamentarian, Janice Miller. Miss Roggenhoff showed a film on 4-H work. Joe Ed Noel and Warren Mitchell served refreshments to Mrs. Ed Noel, James Jeffress and Miss Roggenhoff. ## Sand Hill News

By Mrs. James Jeffress

A few bales of cotton have been pulled this week. Harvest should be in full swing in a few weeks. A touch of fall seems to be in the air and with the cool nights and warm days the cotton should start opening pretty fast now.

Fred Jackson has been in Lockney General Hospital this week with a slipped disc in his back.

Mr. and Mrs. Roy Slater from Brownfield and formerly of this community spent the weekend visiting Mr. and Mrs. Jim Holmes, Mr. and Mrs. William Mayo, Mr. and Mrs. Slater, Mr. and Mrs. Jim Holmes attended the Texas Hybrid feed field day in Tulla Friday.

Mr. and Mrs. Jim Holmes entertained with a domino party Thursday night. Enjoying the party were Mr. and Mrs. W. R. Billington, Mr. and Mrs. Roy Slater and Mr. and Mrs. William Mayo.

The monthly business meeting at Sand Hill Baptist Church was held Wednesday night. It was announced that the associational meeting would be held at the church in Lockney Tuesday, Sept. 15. Messengers appointed were Rev. and Mrs. Frankie Rainey, Mr. and Mrs. M. B. Swanner and Bill Stringer. Alternates were Mrs. Bill Stringer, Mr. and Mrs. Red Sloan and Mr. and Mrs. Tom Thomas.

Election of officers for the coming year was held. They are: Sunday School Superintendent, Kirk Slater Jr.; treasurer, James Jeffress; church clerk, Jo Ann Slater; secretary, June Jeffress; teacher men's class, Red Sloan, James Jeffress, assistant; women, Mrs. Red Sloan; young men, M. B. Swanner, Stinson Stringer, assistant; young women, Molly Stringer, Mrs. Tom Thomas, assistant; intermediates, Mrs. Frankie Rainey; Mrs. T. C. Hollums, assistant; juniors, Nancy Mayo, Mrs. Fred Jackson, assistant; Primaries, Mrs. M. B. Swanner, and Beginner, Mrs. Dale Stringer and Mrs. William Mayo.

Training Union directors, Red Sloan; Secretary, Bill Stringer; Young People, Frankie and Sue

**THE CHURCH FOR ALL . . .  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	34	1-4
Monday	John	14	1-3
Tuesday	Habakkuk	3	18-19
Wednesday	Luke	10	25-27
Thursday	Matthew	13	18-23
Friday	II Thessalonians	1	3-2
Saturday	Isaiah	68	1-2

# Through All Of Life ...

Perhaps you see no significance to the hourglass superimposed on the Bible. But to the believer, it means that all of life is sustained by God's promises. Every day, every hour, He gives strength and help to His followers. The light of His Word shines steadily through the passing of time. The more you read, the deeper will be your understanding, the greater will be your joy. By entering wholeheartedly into the work of the Church, by giving it your support, you increase the value of your own life, and help others to see the light shining through each day's experience.

Throughout life's entire span, the Church will help us, the Bible will speak to us of God. Does the picture mean that to you? It will, if you look at it through believing eyes.

### PTA Membership Contest Starts

Class rooms in the school system will begin a contest Thursday for Parent-Teacher Association memberships. Three prizes, \$7.50 each, will be given. One will go to the room having the most paid memberships from each of the three schools, Junior High, High School and High School.

Mrs. Don Hatch is PTA membership chairman and will be in charge of the contest. Slips explaining the event will be sent home by all students Thursday. She expects most of the memberships to be in by Friday. Price of each membership is 50 cents and everyone is eligible whether a parent or not. The class room from each school turning in the most money will receive \$7.50 award. All students are expected to take part.

### Ag Chapter To Sell Rat Poison

The Lockney Chapter, Future Farmers of America, will sponsor a rat and mice poisoning campaign again this year, according to M. L. Brewer, chapter advisor. Orders should be called to OL 4-3811 during school hours.

The Chapter will spend two weeks in collecting orders for the poison and expect to make delivery about the middle of October. The poison will sell for 30 cents per pound, Mr. Brewer said.

### Carthel Reunion Set For Sunday

The Carthel Reunion will be held at the Plainview Park Shelter House, next Sunday, September 20th.

All relatives are urged to attend and friends are invited. Church services will be held at 11:00 a.m. with lunch being spread at 1:00 or 1:30 p.m.

### HOME ON LEAVE

E-3 Derrel Waldroupe, who is working at the Naval Hospital in Philadelphia, is home on leave visiting his parents, Mr. and Mrs. A. N. Waldroupe. He arrived Saturday and will be here two weeks.

### Roy Billington Rites Are Held

Funeral services for Roy W. Billington, 63, of Bluebonnet Drive in Pleasant Valley, near Amarillo, were held Tuesday at 2 p.m. in the West Amarillo Church of Christ.

Mr. Billington was the brother of Mrs. Lura Buckner, Lockney, Wayne Billington of Sand Hill, Harry Billington, Middleton, Texas; and Hayden Billington, Lubbock.

Other survivors include his wife, three sons, a daughter, and eight grandchildren.

### HERE FROM VEGA

Mr. and Mrs. Charles Crawford and children, Danny and Kay of Vega visited with Mr. and Mrs. J. T. Griffin, Mr. and Mrs. Johnny B. Griffin and baby daughter, Johnnie Lynn, at Lone Star Friday. Mrs. Crawford, a 1953 graduate of Lockney High School, is the daughter of Mr. and Mrs. Thurston Rankin of Eudora, Ark., former Lone Star residents. Mr. Crawford is employed as a highway patrolman.

Charles Vaughn of Hubbard was in Lockney Wednesday enroute to Canyon where he is attending West Texas as a senior. Following graduation Charles plans to enter law school. He is a graduate of Lockney High School.

### Tots Enroll In Story Book School

Students who have enrolled in Story Book School this fall, according to Mrs. Ted Carthel, teacher, are:

David Widener, son of Mr. and Mrs. J. C. Widener; Dianne Davidson, daughter of Mr. and Mrs. J. A. Davidson; Joe Wisdom, son of Mr. and Mrs. Bill Wisdom; Harold Wesley Carey, son of Mr. and Mrs. Sherman Carey; Leonard Thompson, son of Mr. and Mrs. L. L. Thompson; Sherry Smith, daughter of Mr. and Mrs. J. W. Smith; Gail Bradley, daughter of Mr. and Mrs. Marten Bradley; Cindy Hunt, daughter of Mr. and Mrs. Dale Hunt; Danny Smith, son of Mr. and Mrs. Bryan Smith; Scotty Duvall, son of Mr. and Mrs. Harold Duvall; Victor Rodriguez, son of Mr. and Mrs. V. #### Cotton Defoliation

The use of defoliant can be a good aid to cotton harvest if used properly. True defoliant can be safely applied when 50 to 60 per cent of the bolls are open. Dessicants can be used when at least 80 per cent of the cotton is open. Harvest aid chemicals if applied too early will tend to run staple length. The staple length is made in the first 30 days of the bolls growth. For further information on harvest aid chemicals pick up a Cotton Defoliation guide in the County Agent's office.

#### Cotton Quality

Cotton quality may be improved by proper harvesting procedures. Cotton harvested too wet always lowers your grade. A bale of cotton with about 7 1/2 per cent moisture is the best moisture content. A ginner can do a better job of ginning at this moisture content than at a higher moisture content. The hours of 9:00 a.m. to 6:00 p.m. are the best times to harvest in most cases. The tramping and crushing of seed cotton in trailers tends to lower the grade. Try to leave the cotton loose when hauling to the gin.

### TO SHREVEPORT

Mr. and Mrs. Bob Miller, Lockney, accompanied Mrs. Mrs. James Miller, Pleasanton, La., over the weekend. Orange they attended the State Aviation Association meeting. They made the trip via air, returning home Saturday.
