

Legion Begins Local Drive For Members

"Let it not be said that any eligible veteran in Texas has not been invited to join the American Legion in 1960." These are the words of Donald J. Peters of Houston, immediately following his election to the office of Department Commander of the American Legion of Texas.

Members of the Lockney American Legion Post are this week launching their drive to fill their quota for the year, in cooperation with Mr. Peters suggestion, according to statement from Paul Teuton, post adjutant.

"All eligible veterans are urged to join or renew their membership during this drive," Mr. Teuton said. "Every veteran is reminded that it is his duty as well as his privilege to be a member of The American Legion. He proudly served his country during wartime, and he should be proud to serve it during peacetime, to help perpetuate our religious and democratic freedoms," he continued. "Our national American Legion is a powerful civic organization, and it is constantly urging and offering helpful assistance to our national government that might help preserve our American way of life," Teuton said.

"The local Post is trying to instigate a better civic program for the coming year and your full support is needed and will be appreciated," he continued. "We are already off to a good start, so let's not let up but continue to work for a better American Legion. Again we say, let's go over the top in 1960," Teuton concluded.

Christmas Pageant Planned At C-C Meeting Monday

Plans were laid for a Christmas pageant parade at the monthly breakfast meeting of the Lockney Chamber of Commerce directors Monday morning at Golden's Restaurant. The parade will be on the same order as the one held last year, Chamber officials said. Rev. Temple Lewis, pastor of the Lone Star Baptist Church, has been asked to be chairman of the committee and other pastors of the area will be asked to help plan the parade.

The recent parade last year was well received and appreciated by people of the area. It depicted the life of Christ from his birth to his resurrection, with scenes on floats illustrating various events in His life. The directors discussed the matter of securing a watchman for the fair building in Southeast Lockney and took up other routine matters.

RECEIVES DISCHARGE

David Visage received his discharge from the Air Force last week at Travis Air Force Base in California. He has just recently returned from a tour of duty in the Philippines and on Okinawa, where he spent almost a year.

CALENDAR OF EVENTS

Thursday

7:15 p.m. Wesleyan Service Guild meets at Methodist Church.
7:30 p.m. Rotary Club dinner held at Golden's Restaurant.

Friday

12:05 p.m. Rotary Club meets at Golden's Restaurant.
8:00 p.m. Lockney-Slaton football game at local field.

Saturday

2:00-5:00 p.m. American Legion informal tea at Legion Home.

Monday

2:00 p.m. W. M. U. officer installation and tea at First Baptist Church parlor.
3:00 p.m. W.S.C.S. at Methodist Church.
7:30 p.m. Rebekah Lodge meets at City Auditorium for Memorial program.
7:00 p.m. Lions Club, at Golden's Restaurant.
7:30 p.m. Ace's Bowling League matches at Plains Bowl.
9:00 p.m. Lockney-Plainview Bowling League matches.

Tuesday

7:00 p.m. Parent-Teacher Association meeting at High School.
4:00 p.m. El Progreso Study Club meets in Clyde Applewhite home with Mrs. Jim Postlewaits, resident of Turkey 3 years, showing slides and speaking on her European tour.

Wednesday

9:50 a.m. Ladies Bible Class, Main Street Church of Christ.
7:00 p.m. Intermediate G. A. Baptist Church.
7:00 p.m. Baptist Church S.S. teachers and officers meeting.
7:15 p.m. Methodist Devotional.
7:30 p.m. Prayer Meeting at Baptist Church.
8:00 p.m. Bible Classes for all ages, Main Street Church of Christ.

The Lockney Beacon

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 58

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, OCTOBER 8, 1959

NUMBER 27

BACCUS MOTOR CO. of Lockney will show the new 1960 model Fords today (Thursday). Here is the 1960 Ford Galaxie Town Victoria which shares the all-new styling characteristics of other Ford models. Among the many features of the new Fords is more interior room.

NEW FORD ON DISPLAY AT BACCUS MOTOR THURSDAY

The new 1960 model Fords will go on display at Baccus Motor Company here today (Thursday). Rusty Baccus, local dealer, said that his firm would display three models of the Ford, the Galaxie, the Fairlane, and the Fairlane "500" on display along with one model of Ford's new small car, the Falcon.

The Ford dealer is making a gala affair of the event, is serving coffee and doughnuts all day Thursday and passing out favors to the kiddies. The 1960 Ford represents a styling theme originally created for later use but brought forward because of the spontaneous enthusiasm of company management when they first saw the car in advance studies. J. O. Wright, Ford Motor Company vice president and Ford Division general manager, said the 1960 Ford was redesigned from bumper to bumper because "we wanted to increase passenger space and comfort and improve the roadability and handling ease and performance."

"One of the most important features of the new Ford," Mr. Wright said, "is that it has been 'comfort-engineered'. There is substantially more hip room, shoulder room, leg room and head room in the 1960 Ford than there was in the 1959 model."

Passenger comfort and convenience have been given particular attention in the design of the new Ford cars. New, swept-back windshield pillars have eliminated the troublesome "dog-leg" found in cars with the full-wrap windshield.

Yet, the new model Ford has 17 per cent more windshield area than last year's Ford, provides better visibility over the hood, and has a windshield wiper pattern one-third greater than in 1959.

Ford's "posture-perfect" seats permit the drivers and passengers to sit in comfort on foam padding and at what Ford research has proven to be the most comfortable seating angle.

Adding to the convenience of the new Ford line are such features as a trunk opening that is only 27 inches from the ground, a foot-operated parking brake with the release knob located on the instrument panel, and two-stage door checks.

All standard Ford engines — both "six" and V-8 — are designed to operate on regular grade gasoline, which saves a dollar a tank full. Ford offers four modern, short-stroke engines for 1960, all of which combine efficiency, durability and economy with the added customer savings resulting from quick and easy service. The full-flow oil filter, standard equipment on all Ford engines, permits Ford to recommend an oil change only every 4,000 miles. A new cross-flow radiator, which directs the coolant horizontally, provides improved cooling.

Completing the power train selection are two automatic transmissions and an improved synchromesh manual transmission, which also is available with overdrive. The 1960 two-speed Fordomatic provides better acceleration, smoother operating characteristics and better engine braking qualities, and is available with any Ford engine. The dual-range Cruise-O-Matic, which combines high performance with automatic transmission convenience, is available with the Ford V-8 engines.

Dr. Hewitt Has Surgery Wednesday

Dr. A. E. Hewitt, local chiropractor, underwent a major operation at Plainview Hospital Wednesday at noon. No report on his condition was available at presstime.

OFFICE SUPPLIES at The BEACON OFFICE.

P.T.A. To Hear Ralls Speaker Tuesday Night

Lockney Parent-Teacher Association will hear Mrs. Pauline Watkins of Ralls speak Tuesday evening at 7 o'clock at the High School Auditorium. Her subject will be "Education — Who's Responsibility?"

Rev. Temple Lewis, pastor of Lone Star Baptist Church, will give the devotional, and special music will be given under the direction of George E. Arthur, public school music instructor. Supt. H. H. Nicholas will give "Food for Thought".

Delegates to the state convention will be elected, according to an announcement by Bob Miller, P. T. A. president.

After Game Supper Planned By Baptists

Lockney Baptist Church will be the scene for the after game supper for Lockney High School students again Friday night following the Slaton game. Hosts for the supper will be Lone Star Baptist Church of which Rev. Temple Lewis is pastor.

In charge of arrangements will be Mrs. Bill Crisp, Mrs. Norman Caldwell and Mrs. Bob Merrell.

The menu will include baked ham, potato salad, baked beans, sliced tomatoes, pickles, cookies and tea.

All LHS students are cordially invited, Rev. Lewis states. The place is First Baptist Church, Lockney, the time, immediately following the game.

TRY BEACON CLASSIFIEDS

Farm Bureau Committee Suggests Resolutions For County Convention

The resolutions committee of the Floyd County Farm Bureau has announced nine resolutions, some new, some old, which they will present to the Farm Bureau county convention meeting on October 15th. They invite other members of the organization to be present and suggest additional resolutions to be adopted at the county meeting.

The resolutions committee met Monday evening at the Farm Bureau office in Floydada to prepare the resolutions. Members of the committee present were L. B. Brandes, Jack McIntosh, Robert Lee Smith, Jerry Cooper, Chester Carthel, and Sam Puckett, service officer. County Agent Cecil Lewis was a visitor.

A regular board meeting will be held tonight (Thursday) at 7:30 at Golden's Cafe in Lockney at which final plans for the county and state conventions will be made. All directors, alternates and members are urged to attend, Mr. Puckett said.

The resolutions adopted by the committee are as follows: Recommendation that the present weed control law be amended to enable each county in Texas to form a weed control district if they so desire. Recommend the adoption of a resolution favoring a suitable natural resources tax in order to finance state public schools, or a resolution favoring a general sales tax to finance schools. Recommend a resolution urging continued efforts to obtain more accurate classing of cotton by government classing offices. Also favoring wrapping of baled cotton in cotton bagging and that samples be taken before the bale is wrapped so that it will not be necessary to take additional samples before the bale reaches the

O. M. Cox Will Be Buried Here

Funeral services for O. M. Cox, pioneer of this area, will be held at the First Baptist Church here today (Thursday) at 3 o'clock. Rev. E. S. Weather, pioneer Baptist preacher of Plainview, will conduct services and burial will be in Lockney Cemetery. Carter Funeral Home of Lockney will be in charge of arrangements.

Mr. Cox passed away at Tatum, N. M., at 3:45 p.m. Tuesday after several months illness. He was 73 years of age and had been a resident of Tatum since 1948 when he and his wife moved away from Lockney.

Mr. Cox and his wife were residents of the Lockney area for some 40 years, coming here in 1908. He farmed in the Aiken community.

Survivors include his wife, Mrs. Lucy Cox; two sons, D. M. Cox and Oscar Cox, both of Tatum; two daughters, Mrs. Angie Woods of Tatum and Mrs. Lillian Barrett of Amarillo; two brothers, Bradford and Farmer Cox, both of Plainview; 12 grandchildren and five great grandchildren.

Mrs. J. E. Black To Be Buried Here

Mrs. J. E. Black, wife of a pioneer Church of Christ minister of this area, will be buried in Lockney Cemetery following funeral services at Lemons Funeral Chapel in Plainview at 2 o'clock today (Thursday). Paul Epps will conduct the services.

Mr. and Mrs. Black lived in this community in the early days and he preached many times here at the old Lockney Christian College. They have lived in Plainview in recent years.

She died at noon Tuesday following a two-week illness. She was 81 years of age.

Longhorns Host Slaton Tigers Friday Night

The Lockney Longhorns play their final non-conference encounter Friday night when the Slaton Tigers invade Mitchell-Zimmerman Field. Game time is 8 p.m.

The Horns are idle next week before waging their opening District 2-AA battle at Abernathy.

Slaton brings a one won, two lost, one tied record into the battle while Lockney has won three decisions in five outings. The two teams have met no common foes so there is little way to compare their strength. Slaton, from District 2-AA, dropped a hard-fought contest to highly regarded AA power Canyon, 16-0, in their opener and tied a strong Crosbyton eleven.

The Tigers have a fairly young, but scrappy, club. David Bishop, hard-running fullback, is reported to be one of their key athletes. Slaton is about average in size with two big boys who scale over 200 pounds.

Local coaches felt that the Longhorns lost an exceptionally fine team last Friday night at Floydada. The Whirlwinds have one of the best Class AA clubs in the state. However, the Big Red mentors thought the wet, sloppy field hampered their charges much more than it did the heavier Floydada boys.

Singled out for good showings in the Floydada tilt were Dan Smith, Terry Mosley, Oyama Buchanan, James Davis, Ricky Collis.

Joe Carthel, senior left tackle for the Horns, has dropped from school making the already reserve-schy line situation even more chronic. Sophomore Rickey Collis will replace Carthel.

The Longhorns will not be at full strength against Slaton. Standout fullback Freddie Gant is still sidelined with a cracked rib and quarterback - fullback Bill Mangold has a bruised hip which will probably keep him from seeing action, according to Big Red coaches. Quarterback Jake Wofford also has a slight injury.

Probable starting lineups:

Pos.	Name	Weight
LE	Lewis Eiland	150
LT	Rickey Collis	160
LG	Mickey Mosley	170
C	Wayne Cooper	170
RG	James Davis	160
RT	Dan Smith	195
RE	Oyama Buchanan	160
QB	Kenny Clark	125
	Johnny Belk	150
LH	Terry Carthel	165
	Doyle Freeman	170
RH	Joe Allard	135
FB	Terry Mosley	160
	Terry Clark	165

Pos.	Name	Weight
LE	Jerry Kitten	145
LT	Eddie Cone	205
LG	Jay McSweeney	215
C	Larry Terry	145
RG	Mike Wheeler	145
RT	T. L. Blizard	175
RE	Julian Perez	150
QB	Gary Ward	170
LH	Gibbs Smith	145
RH	Bill Barry	150
FB	David Bishop	175

Cap Carthel Will Work As Deputy

Sheriff Walter Hollums announced this week that he had appointed W. F. (Cap) Carthel of Lockney as a deputy sheriff to assist Deputy Billy Tigert in the Lockney area during the fall. Carthel began his duties October 1st and will probably work until January 1st. Sheriff Hollums said, and maybe longer.

Carthel has served as deputy sheriff on previous occasions and has had considerable experience as a peace officer.

'Horn "B" Gridders Gain Fourth Win

The Longhorn "B" gridders are having another fine season. The locals recorded their fourth victory against no losses when they played host to the Ralls "B" eleven last Thursday night. Lockney came out on the long end of a 28-0 count.

The "B" team doesn't play this week, but the freshman eleven entertains Olton tonight (Thursday). A week from tonight Floydada "B" and frosh squads will engage the local teams on Mitchell-Zimmerman Field.

Pacing the Horn "B" team have been guard Clarence Ansley, halfbacks Jimmy Rushing and Danny McAnally, quarterback Kenny Clark, end Warren Mitchell.

HOME FROM HOSPITAL

J. D. Huggins returned home Wednesday from the Plainview Hospital where he had been under treatment for several days. He is doing fine, relatives said.

W. B. Mullins Is Named Supervisor Of Soil District

W. B. Mullins of Sterley was elected supervisor of zone 1, Floyd County Soil Conservation District, in a meeting at the Lone Star community center Tuesday evening. He replaces Bert Bobbitt of Sterley who had served for 15 years and wanted to retire.

Mullins owns a farm at the edge of Sterley and has lived in this area some 10 years, coming here from Brownfield.

Late Season Hail Damages Crops Friday

A late season hail struck an area north and west of Lockney last Friday afternoon doing some crop damage and bringing a heavy rain in some sectors. Shattered feed was the big damage on most farms with Loyd Widener, Sam Jack and R. E. Brown farms, north of Lockney, probably having the most damage.

The hail storm started in the Aiken area, just northeast of that community, and moved in a northeasterly direction all the way into Briscoe County. The damaged area was not more than two to three miles wide and included the area just south of Lone Star.

In the Aiken area, Wilbur Adams and D. E. Adams had some fine hail but did not think they had any crop damage or very little. Some hail fell at Aiken, according to Charlie Andrews, but no crop damage was felt there.

H. E. Frizzell and G. B. Johnston Jr., living south of Lone Star, both had some feed shattered by the hail but did not feel that their crops were as badly damaged as Widener's. D. J. Phillips had some crop damage but said Wednesday that it was not as bad as he first thought.

Harold Griffith, also in the Lone Star area, had some feed shattered and did Lloyd Read-himer on the Nelson farm in the same area.

Other farms in the area from Aiken to the county line north and east of Lone Star had varying amounts of damage. Rains did as much damage as hail did in some areas. The Beacon was told.

Cotton apparently suffered little if any damage from the hail but the continued rains of the past week and have served to lower the grades, it was said.

E. J. Foster at Prairie Chapel reported he had 2 1/2 inches of rain for the week end while Alvin Nichols near Cedar Hill had 1 1/2 inches.

Total rainfall here was measured at 1.15 inches with rains falling Wednesday, Friday and Friday night. The moisture continues to hamper harvesting operations on both cotton and feed.

October 18th Is Layman's Day At Aiken Church

October 18th will be observed as Layman's Day at the Aiken Methodist Church. Speaker for the morning worship service will be T. Tarwater of Plainview. Special music will add to the program.

Women of the church will be in charge of the Sunday evening program.

TRY BEACON CLASSIFIEDS.

Grain Producers Ass'n To Host United Kingdom Feed Grain Team

The Grain Sorghum Producers Association of the High Plains of Texas will play host next week to six men from England, members of the United Kingdom Feed Grain Team which is in this country to study the production and use of feed grains.

Members of the team are Walter Greenwood, director of Greenwood & Nichols, Liverpool, grain merchants; E. B. Stevenson, managing director of Crossfield & Calthorpe Ltd., Liverpool; Dr. Clare Burgess, directors, Carrs Mills Ltd., Carlisle; W. W. C. Gibson, chief technical adviser of R. & W. Paul Ltd., Ipswich; R. J. Paul of the R. & W. Paul Ltd., Suffolk; and Ian Hughes, chairman of the ministry of Agriculture poultry committee.

The group will arrive in Amarillo on October 12th and spend the entire week on the South Plains, studying grain handling operations, farmer feeder operations, feed mills and other things relating to grain. They will visit at Happy, Hereford, Dimmitt, Hale Center, Lubbock and be in Plainview on the 17th.

Directors Meet
Officers and directors of the

Two Are Injured When Struck By Moving Vehicles

Two local people suffered painful but not serious injuries this week when struck by moving vehicles. Both are receiving treatment in the Nichols Medical & Surgical Hospital here.

M. Childers suffered painful head wounds Monday morning when struck by a pickup on East Locust Street and David Workman, 10-year-old son of Mr. and Mrs. Harey Workman, received four broken ribs, a bad cut on his lower lip, bruises and abrasions and lost four lower teeth when struck by a pickup on Farm Road No. 97 east of town Tuesday afternoon.

Mr. Childers, aged pioneer of this section, was walking to town along the paved street between East 5th and East 6th Streets, and walked into the side of the pickup driven by Mrs. Olivia Rodriguez. He received a bad cut on his forehead and his nose was badly bruised and lacerated. There were no broken bones, relatives said. He was released from the hospital Tuesday afternoon but returned there late Tuesday evening when his condition worsened. City Officer Lowell Bilibrey investigated the case. He gave Mrs. Rodriguez a ticket for driving without a license but no ticket was issued regarding the accident. The vehicle was moving slowly and Mr. Childers walked into the side just back of the front wheel, officers said.

David was struck by a pickup driven by Don Marble of the South Plains community. Members of the Workman family said that David had gone across the highway to retrieve his football and had started back across to his home. He darted from behind a truck parked on the side of the road directly in the path of the pickup which was pulling a trailer load of cotton.

Marble was not traveling fast and skidded his wheels but the heavy load prevented him from stopping in time. David apparently saw the pickup and hesitated just a second in the road. He was wearing football shoes with cleats and these prevented him from moving fast on the pavement. The pickup did not hit him hard enough to knock him out of the way the first time and apparently struck him at least twice before it could be stopped. His bruises and abrasions included a badly bruised right arm and a bruise on his forehead. He was very sore and in pain Wednesday but members of the family said that attending physicians believed he was not seriously injured. Deputy Sheriff Billy Tigert investigated the accident. No charges were filed.

Mrs. Mickey Gilbreath of the brick community was bruised in an auto collision four miles west of Lockney on Highway 70 Tuesday afternoon. She is in Nichols Medical & Surgical Hospital here where she is being observed for possible other injuries. Mrs. Gilbreath was hurt when the car in which she was riding, driven by Jackie Howell, was struck by another car as Howell started to make a left turn onto a farm highway at the J. R. Belt home. The second car was driven by a Latin American, who was charged with passing at an intersection by Highway Patrolman R. C. Dunn, who investigated the accident. Both cars were damaged but the damage was light considering the nature of the accident, investigating officers said. No one else was injured.

Representatives of eight counties attended the meeting. Attending from Floyd County was Director Ewald Quebe.

TEC Report Shows Pulling at \$1.50

The Department of Labor report to the Texas Employment Commission office at Plainview on wage finding in the area shows that the cotton pulling rate in Floyd County is \$1.50 per hundredweight, effective October 1st. The telegram points out, however, that any rate less than \$1.55 is not applicable to Mexican contract workers.

EDITORIAL

Ask, and it shall be given you; seek and ye shall find; knock and it shall be opened unto you.—Matthew 7:7.

FIRE PREVENTION WEEK — that is this week and it brings to mind the fact that fire prevention is a year-round job for all of us. The "it can't happen to me" attitude leads to carelessness in observing proper fire precautions and disaster in some cases. About 11,500 people lose their lives in fires in the United States every year and many thousands more are burned and disfigured. Principal victims are old people and children. The annual total of fires in the United States is 840,000 and the total loss was more than a billion dollars in 1958.

MOST COMMON cause of fires is said to be smoking and matches while heating and cooking equipment failures and electrical causes follow in that order. More than half of the fires start in a home in either the kitchen or living room. Be careful about fires this week and maybe it will become a habit.

DO YOU HAVE a young child who has a tendency to use his left hand more than his right? According to information from those who have made a study of the matter it isn't necessary that anyone be left-handed. The belief that left-handedness is inherited has been proven to be wrong by many outstanding psychiatrists and psychologists, according to H. M. Wiley, president of the Wheel County School Board at Wheeler, Texas, who has decided to do something about the matter. Mr. Wiley has issued information and expressed alarm about left-handedness because, he says, the tendency to be left-handed is rapidly increasing. Studies

show that, whereas our forefathers were from 2 to 3 percent left-handed, the left-handedness increased to 5 percent in the 1920's and has increased rapidly since then, he says. Some surveys in Amarillo have shown that more than 20 percent of the boys in some age groups were left-handed. We note that some of Mr. Wiley's surveys have included Lockney schools. Mr. Wiley expresses alarm about the rate of increase. Maybe parents of young children should look into the matter.

WE CAN LOOK for some early campaigning in Texas next year due to the change in the election laws. Candidates must apply for a place on the ballot not later than February 1st and the first primary election comes off on May 7th, more than 2½ months earlier than in previous years. The second primary follows on June 4. There is no change in the time for general election, of course, since only Texas election laws were changed. The general election in 1960 will be on November 8th.

SPEAKING OF ELECTIONS, the candidacy of prominent people for the presidency is something like West Texas cotton crops. They are won and lost several times before the actual harvest of votes. What chance Senator Lyndon Johnson has for the nomination is not really known. As we remember Windell L. Wilkie and Dwight D. Eisenhower both had no chance according to the political prognosticators but both received the nomination. Some large news magazines are saying that Johnson has little chance while others say differently. We'll probably not know until the Democratic convention.

MANY FACTORS will enter the selection of a candidate for the president of the United States. One thing that will be interesting is what effect the religion of the various men will have on their chances. Of course, most of them have little religion of any kind but still the denomination or sect to which they claim membership will have some bearing. Catholicism will again enter into the picture as it did in 1928 and if the Democratic Party is so foolish as to nominate Kennedy as its candidate, it is our prediction that the Republicans will again win by a landslide. Despite Mr. Nixon's assurance that citizens of this nation have forgotten their "religious prejudice" we know that many people still are aware of the Catholic Church's desire for political power. In this enlightened day no one but a Catholic has the slightest chance of getting elected to any political office in Chicago, New York or Massachusetts. A Protestant never runs for office in those areas because he has no chance. The Catholic Church sees to that. Why give them more power when their religious prejudice tops that of all people of all the world. If you don't believe that, ask the Protestants of Spain.

ONE OUT of every eight adults in this country is now a shareowner in American corporations.

VOICE OF EXPERIENCE

we figured he was lucky; if not, he was just a poor manager.

Mr. Khrushchev, a complete outsider, sees things in an entirely different light. He is amazed at the efficiency of the American farmer. His country can shoot bigger missiles . . . further, but they still have a hard time feeding the people. Remember back, and you will recall pretty much the same expressions from other visitors, too.

Can it be that the American farmer is further ahead of our nation than any other phase of the American way of life? Whether he is or not, this is the one phase that Khrushchev and other foreign visitors most envy. Add the fact that this is probably the only large nation in the world where the people are over-fed, instead of going to bed hungry — and you've got to hand it to the American farmer. He is the one man who seems to be doing the best, most efficient job in the United States today. — Hereford Brand.

Dear Editor:
 I see where Ingrid Bergman is now said to have three legal husbands, good in three different countries, which ought to be a great convenience to a girl who travels a lot.

Some will say this is just a plain case of careless living, but my misgiving neighbor says Miss Bergman is only a little ahead of the times.

Says by the time Congress holds two or three more sessions, a lady will have to keep a stable of at least three husbands just to live sort of middle class. One to make a living, one to pay taxes, and one to push the lawn mower.

D. E. SCOTT
 Crossroads, U.S.A.

With Our EXCHANGES

AMERICAN FARMER LEADS THE WAY

While Premier Khrushchev is learning much about the United States, some of his statements tend to stress facts which we ourselves sometimes fail to recognize. His inspection of U.S. farming methods and the remarks which followed, for instance, pointed out the fact that the average American farmer is further ahead of his Russian counterpart than is probably any other parallel profession within the two nations. Khrushchev declared a hope for improved produc-

tions in Russia, "so our farmers can be released for work in factories."

The other single point in which he has admitted American superiority borders along the same line since it was the diet of the U.S. Worker — and that diet is certainly a result of farm efficiency and ingenuity.

On the contrary, very few native Americans realize that farming is so far ahead of other phases of American life. We read with awe about production methods in giant industries, we see pictures of space missiles being launched, and automobiles on assembly lines — but we have always taken the farmer for granted. He was the boy who planted seed and hoped for rain. If he did well,

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

October 10, 1929

October 18 is the date set for the gala opening of the new Municipal Auditorium, swimming pool and community center. Entertainment including dinner at noon is planned for the entire family during the day-long celebration.

Duane Meriwether, son of Mr. and Mrs. A. R. Meriwether, suffered a broken arm and other minor injuries when the car he was driving hit a truck loaded with a bale of cotton Wednesday. With Duane were Winifred Cooper, Carl Mann and Wayne Davis. They were unhurt. Coy Pinner was driving the truck.

Dr. C. D. Henry, local physician, spoke before the Lubbock Medical Society Tuesday and Wednesday.

Born to Mr. and Mrs. Goree Applewhite, north of Lockney, Oct. 4, a girl; to Mr. and Mrs. T. J. Pemberton, a 12 lb. boy, Oct. 1; to Mr. and Mrs. E. R. Bryant, Sept. 26, a girl; to Mr.

and Mrs. Luther Rhine, Oct. 5, a girl.

October 10, 1947

Petitions have been asking for \$300,000 road vote. A number of paved market roads are on the road paving program.

C. P. McPherson collapsed his car on Main Street a day about noon and died a few minutes. He was 69 years of age. He had been here for 25 years.

First National Bank, Lockney, hit a new high in deposits month according to a statement from the bank Oct. 4. No deposit is \$1,270,543.99, previous high was \$1,254,000. Deposits a year ago \$7,092,815.55.

Lockney Labor Camp is ready for occupancy this month although all the planned improvements have not yet been installed. Sixteen of the four other buildings purchased and the two buildings used as bath houses were moved at a later date.

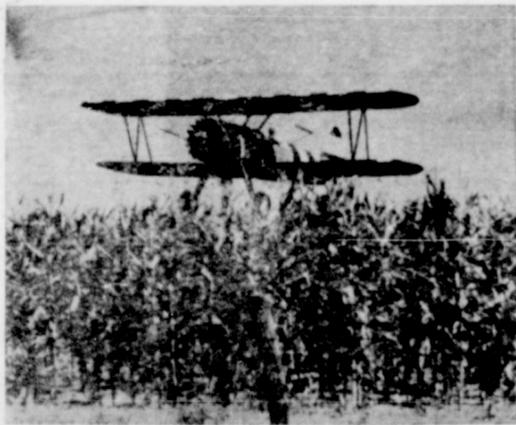

Alvis Fox, 9 year old son of Mr. and Mrs. Opal Fox Portales, and nephew of C. D. Kelley, Lockney, killed instantly Friday when he was struck by a stopped school bus. He was thrown 70 feet by traveling 60 miles an hour.

 the cotton isn't hurt too
 about everyone enjoyed
 the Lubbock fair
 last week. Mr. and Mrs.
 Jackson and Mr. and Mrs.
 Williams enjoyed the parade
 on Monday.
 Mrs. Bill Stringer
 and Mrs. Jeffress were the
 dinner guests in the
 home of Mr. and Mrs. Ed Noel.
 Afternoon Mr. Noel and
 Stringer attended the
 school clinic in Floydada.
 The church
 met at 2 p.m. Brother
 Rainey was in charge
 of the Bible study.
 The G.A. met Monday at 5
 in the home of Mrs. Jess
 with the leader Mrs.
 Swanner in charge. They

presented their program from
 T-E-L-L. Mrs. Starkey served
 refreshments to Mary and
 Elaine Starkey, Beverly Jeffress,
 Norma Sue Hollums, Dianne
 Montgomery, Leatha Bridges,
 Mrs. Swanner and the hostess,
 Mrs. Starkey. The next meeting
 will be Monday, October 19, at
 5 p.m.
 Brotherhood of Sand Hill
 Baptist Church met Monday
 night with the president, Kirk
 Slater in charge. Preparations
 for Layman's Day Sunday were
 completed as follows: M. B.
 Swanner, song leader; speakers,
 Kirk Slater and Ed Noel; special
 music, Stinson Stringer, M. B.
 Swanner, James Jeffress, and
 Frankie Rainey. Teachers will
 be Red Sloan, men's class;
 James Jeffress, women's class;
 young men, Ed Noel; intermed-
 late, Stinson Stringer; juniors,
 Stinson Stringer; primaries, M.
 B. Swanner; beginners, Dale
 Stringer. Refreshments were
 served to all present.
 Dianne Montgomery of Lock-
 ney and Mary Starkey spent
 Monday night visiting in the

Salvation Army, Red Cross, Buddhist relief society, and other charit-
 able organizations help, under supervision of Church World Service, in
 distribution of blankets to masses of destitute, homeless refugees sleep-
 ing in the streets of Hong Kong. Blankets were made from cotton
 donated to CROP, the Christian Rural Overseas Program. Above, small
 boy, one of family of six, looks pleased as relief worker tucks him in
 on the pavement of a Hong Kong alleyway.

**Bailey Farmer
 Joins High Plains
 Water District**

Lubbock. — The High Plains
 Underground Water Conserva-
 tion District is larger by 1,062
 acres of land.
 M. C. Street of Littlefield in
 Lamb County is the first land-
 owner to have land annexed to
 the District that was not origi-
 nally included.

He owns six labors of land in
 southern Bailey County. The
 land adjoins the original Water
 District boundary.
 Mr. Street asked the Board of
 Directors of the Water District,
 by petition, to include his land
 in the District and to levy the
 maintenance tax of 5c on each
 \$100 valuation.
 Because there were no other
 landowners involved in this
 transaction, the District Board
 at their regular meeting Sept.
 4, 1959, did, on their own
 motion, pass a resolution which
 brought Mr. Street's land into
 the District.

Mr. Street has two small irri-
 gation wells that were drilled
 on the land prior to its being
 annexed to the District. The
 wells were drilled in accordance
 with the well spacing rules of
 the High Plains Water District.

Mr. Street states that he
 believes in conserving water
 and that the benefits of the
 High Plains Water District are
 evident, and that he wants to
 become a part of the organiza-
 tion to help foster water con-
 servation and actively support
 efforts designed to maintain
 control of ground water in
 Texas on the local level.

SAUCE SCHEHERAZADE
 Clip stems from 1/2 cup of soft
 dried figs and chop the figs
 very fine. Add 1/4 cup heavy
 cream, 1/2 teaspoon instant
 coffee powder and 1 (8-ounce)
 can butterscotch sundae sauce.
 Stir the mixture well and store
 in the refrigerator a day or two
 before using. Serve this Sauce
 Scheherazade over ice cream,
 blanc mange, rice or tapioca
 pudding.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, OCT. 8, 1959

SCHOOL LUNCH CHOWDER

To prepare an ideal school
 lunch chowder, fry 1/4 pound of
 diced bacon until crisp on the
 "fry" setting of your burner.
 Remove the bacon pieces and
 fry 1/4 cup chopped onion in the
 bacon fat until it appears trans-
 parent. Turn the flame back to
 medium and add a pound can
 of cream style corn 2 pound-
 cans of lima beans and a cup
 of evaporated milk. Season with
 salt and pepper and simmer

about 15 minutes. Add the
 bacon pieces and garnish with
 chopped parsley. Serves 4 to 6
 hungry students.

**Columbus Was A
 Good Navigator**

Columbus MUST have been a
 good navigator to discover
 America and find his way home
 — even if he was seasick much
 of the time.

With none of the modern
 luxuries that almost make
 navigation an electronic breeze,
 he had to rely on "dead reckon-
 ing." This means he figured
 out where he was going on the
 basis of direction, time and
 speed according to The World
 Book Encyclopedia.

Direction was easy to find
 with the good compasses avail-
 able. Time was measured by
 an hourglass, presided over by
 a ship's boy, who turned it over
 the moment all the sand had
 run out and kept a record with
 marks on a slate.

Distance was figured by the
 time traveled. But there was no way
 to measure speed, so Columbus
 estimated it. The records show
 that the "Admiral of the Ocean
 Sea" overestimated his speed
 — but because he was con-
 sistently wrong, the mistake
 didn't prevent him from getting
 back to Spain.

Even with a more reasonable
 estimate, Columbus made good
 time. Ships like the Nina, the
 Pinta and the Santa Maria —
 called "caravels" — usually
 made up to nine knots and
 sometimes hit 12.

Columbus' ships averaged
 about six knots a day for five
 consecutive days on the trip to
 America, and on one day, whiz-
 zed along at eight knots. The
 Nina and the Pinta at times hit
 11 knots on the return trip in
 1493.

Maybe it was this fast clip
 that made Columbus seasick.
 Or maybe that story is just
 another of the legends that
 have grown up around the wool
 weaver's son from Genoa who
 turned Europe into an "Old
 World."

**DISCOLORATION ON
 POTS AND PANS**

Spots on pan bottoms can
 result from leaving grease and
 food particles in careless wash-
 ing. Don't wash pots and pans
 in the same water you use for
 dishes, the Gas Appliance
 Manufacturers Association ad-
 vises. Start with fresh hot water
 and soap or detergent. Then
 rinse well and wipe dry.

**FISH AND CHIPS,
 AMERICAN STYLE**

Heat frozen fish sticks in a
 skillet over the top burner heat
 control on your range set at
 375. Turn frequently for 15 to
 20 minutes so all sides are
 heated. Serve on toasted split
 frankfurter rolls and top with
 tangy tartar sauce. Garnish
 with water cress, radishes and
 potato chips.

A smile will add to your face
 value.

Providence

By Mrs. Wilfred Stoerner

Those visiting in the home of Mr. and Mrs. L. B. Brandes Sunday were Mr. and Mrs. Ben Brandes, Mr. and Mrs. E. M. Quebe and son, Mrs. Charlie Boedeker and Mrs. Ben Quebe.

Attending the funeral of their uncle, Rinehart Buro of Clifton, Texas, were Wilfred and Hubert Stoerner and their families. They were both pallbearers. He was buried near Clifton. The Hubert Stoerners visited with Mr. and Mrs. Dick Boar of Wichita Falls enroute to the funeral.

Mr. and Mrs. Richard Matthews, Arlene and Gladys, and Mr. and Mrs. Don McLaughlin, Danny and Teresa, were guests in the home of the Matthews' son, Mr. and Mrs. Robert Matthews of Plainview Monday night where they celebrated the Richard Matthews wedding anniversary.

Mr. and Mrs. Wilfred Stoerner and family visited Mr. and Mrs. V. D. Ross Jr. of Hale Center Sunday.

Visiting in the home of Mr. and Mrs. Alvin Dietrich Sunday were Mr. and Mrs. Arnold Dietrich and sons, Mr. and Mrs. Virgil Brasher, Mr. and Mrs. Tom Word and family. Special guests were Mr. and Mrs. Karl Pauson of North Dakota.

Providence P. T. A. met Monday afternoon and plans were made for a Halloween party Friday, October 30th, at the school house. The community is urged to attend. The P. T. A. will have something interesting for all ages and food and drinks to sell. They want to make some money for the P. T. A. Support your community activities and be there.

Those attending the Leadership training school for the Luther League from Trinity Lutheran Congregation were Miss Janice Boedeker, Miss Gladys Matthews, Charlie Boedeker and Rev. A. K. Windecker. The meeting was held Sunday afternoon at Posey Lutheran Church.

CARD OF THANKS

I want to express my sincere appreciation for the cards, visits and calls during my recent stay in the hospital. May God bless each of you.

Texas, Oklahoma Gospel Singing To Be At Wellington

The 30th annual Oklahoma and Texas Gospel Singing Convention will be held in the city auditorium at Wellington, Tex., on October 10 and 11, according to announcement made this week by Elmo J. Hudgins of Pampa, president.

First session will be at 2:30 p.m. on Saturday. The second session will be at 7 p.m. the same day. A business session will be held at 9 a.m. Sunday and the singing session will be from 10 a.m. until 4 p.m.

Visitors expected include the Stamps Quartet, and the Stamps Baxter Quartet, Dallas; Peace Makers, Dallas; Gospelaires, Torrance, Calif.; Neely Hamm Family, Fort Worth; Campbell Family, Lubbock; Southern Belles, Lubbock; Sentries Quartet, Oklahoma City, and others.

And I Quote . . .

"Giving up a habit takes half as much effort as you think — and twice as much effort as you want to expend." — Herbert Shelley Good

"A budget is something that tells you two weeks in advance why you are going to be broke in two weeks." — Art Linkletter.

"Hard work is still important in becoming successful—but it runs second to a knowledge of the tax laws." — Mort Lawrence.

"The worst thing about crossing a bridge before you get to it is that it leaves you on this side of the river." — Sunshine Magazine.

" . . . the judgment of the Lord to Adam about sweat has not been repealed." — Herbert Hoover.

A home service expert of the Gas Appliance Manufacturers Association suggests how you can enhance your new pot roast with onion shortcake: Pre-heat the oven to 425 degrees. Mix 2 cups of biscuit mix with 3-4 cup of milk and spread the dough into a greased 8-inch skillet or square baking pan. Slice 4 medium size onions in 1/4 inch slices and saute in 2 tablespoons of butter over a medium gas flame. Spread the sauteed onion slices over the biscuit dough. Mix 1/2 cup sour cream with 1 egg and spread over the onions. Sprinkle poppy seeds over all. Bake 15 minutes in the preheated oven.

State Registration Of Motor Boats Starts Operation

Austin. — The starter button on the state's new motor boat registration law was pressed today as the Texas Highway Department issued the first dealer's license, TX1000AA, to Bill Gaston Boats and Motors in Austin.

State Highway Engineer D. C. Greer urged the estimated 1,700 boat dealers in Texas to apply for the \$25 license right away, in order to get ready for the individual boat-owner registration which will begin about November 1. Both individual and dealer licenses will be good until March 31, 1963.

"By applying for the dealer's license now, Texans in the boat-selling business will have ample time to get their facsimile cardboard tags printed. Dealers should apply to the Motor Vehicle Division, Texas Highway Department, Austin, for a Certificate of Number, which is the boat dealer's license number. The Double A suffix to the license signifies that it is a dealer's license. He can use this number on all of his boats, printing a cardboard facsimile of the number which will be good for ten days after the boat is purchased. The individual boat owner applies for registration during this ten-day period.

"We are using the same process we have used for car registration. When an individual purchases a boat after Nov. 1, he can get a registration blank from the dealer. The owner then mails the application, along with proof of ownership and certified check or money

Dear Editor: I see where some school experts have ruled that the first grade is the best place to start teaching kids a foreign language.

My shook-up neighbor is worried about this development and says it's hard enough to raise younguns without havint somebody all the time thinking up ideas to make it tougher.

Like, he says, how could a one-languaged papa like him tell when he is being sasssed and how much if his kids get to where they can talk back to him in Russian?

D. E. SCOTT
Crossroads, U.S.A.

order, direct to the Motor Vehicle Division, Texas Highway Department, Austin. He will then receive his own specific license number to paint on or attach to his boat. There will be no actual license plate issued. The owner is responsible for seeing that his boat carries the license number on both sides of the bow. On all boats under 26 feet in length, each digit and letter must be a minimum of three inches long.

Greer stated that a registration of more than 212,000 individually owned boats was expected.

GO TO CHURCH SUNDAY.

25 years ago, fewer than 10% of the farms and ranches of Texas had electricity. Farm life was hard indeed and mothers grew old before their time. Then, rural people, working together, built their own electric systems through Electric Cooperatives. It wasn't easy. It took years of hard work and sacrifice, but the Cooperatives did not fail.

Today more than 90% of the farms and ranches of the Lone Star State enjoy the blessings of electricity.

Be proud of the Electric Cooperative serving your area. As a member, you own a part of a great undertaking that is democracy in action and free enterprise at its American best.

Powerful Floydada Downs 'Horns In Rain

The mighty Floydada Whirlwinds flexed their muscles against the Longhorns last night, overpowering the local boys 33-0. Rain, which started falling shortly after the opening kickoff and poured throughout the contest, greatly hampered play. The annual Floyd County battle was fought on Wester Field, Floydada.

Floydada's Don Vickers romped 34 yards to paydirt on the Whirlwinds' first play from scrimmage. This inspired the Whirlwinds who dominated much of the encounter. The win Floydada extended their record of being undefeated and unscored on to five games. Lockney has won three, lost two this season.

The seasoned Whirlwind eleven, led by quarterback Don Vickers, tallied two touchdowns in the first period, added eight points in the second stanza, scored three points in the third period, and tacked on their final touchdown in the fourth quarter. Vickers crossed the goal-line three times. The big Whirlwind back moved around Lockney's ends for continual gains.

Lockney's deepest penetration was to the Floydada 26 in the final play in the first half and late in the third quarter when they again advanced to the Whirlwind 26.

The Longhorns never could get much of a drive against the brilliant Floydada defense. The Horns moved 35 yards after the second half with fullback Terry Allard and halfback Joe Gilliland most of the yardage.

The wet field virtually eliminated the Big Red pass attack after the first half. Lockney hopes were for a severe blow when a major injury kept fullback Gant, a key man in the Horn attack, on the sidelines.

point. Floydada 7 - Lockney 0 with 10:25 to play in the first period.

Mangold picked up the kick on the 7 and returned to the L 29. Mangold ran 2, 3. Floydada covered a fumble on Lockney's 31.

The Whirlwinds gained 1. Clark fell on a fumble on the L 25.

Belt was thrown for an 8-yard loss on an attempted pass. Mangold ran for 4. Floydada intercepted a pass on the L 36.

Rodney Teague passed to Vickers for an 11-yard gain. Lockney was penalized 15 yards, giving Floydada a first on the Big Red 10. The 'Winds gained 1. Vickers trotted 9 yards for another touchdown.

Joe Carthel, Lockney tackle, blocked Shipley's kick. Floydada 13. Lockney 0 with 5:20 remaining in the first period.

Clark ran the kick to Lockney's 29. Mosley gained 2. Mangold made 0. Mangold passed to Clark for 5. Floydada was penalized 15 yards, giving the Horns a first on the Floydada 45. A pass went awry.

Mosley and Mangold each gained 3. Clark punted out of bounds on the F 21.

The 'Winds made 3, were offside, gained 1, passed incomplete, punted to the L 44. Mangold returned to the F 39.

Allard romped for 7, a Mangold-to-Clark pass netted 6 for a first on the F 26. Mangold was dropped for a 6-yard loss on an attempted pass. Clark gained 1. Mangold lost 5. Clark picked up 5 on fourth down.

Floydada was offside on consecutive plays, gained 9, 7, 5, were penalized 5 yards, gained 1, another first on the L 46. The 'Winds made 0, 11, 5, 4. Clark failed to gain. Allard picked up 3. Clark punted to the F 34. Floydada ran the ball back to their 36.

The Whirlwinds gained 2, 8, 0, lost 1, lost 2, the pass to the punter was low so Teague carried for 10. Lockney took over on their 47.

Lockney was given a first

Statistics:

Lockney 7 - Floydada 0

Floydada elected to kick opening the second half. Rolling ran the kick 4 yards to the L 30.

The Longhorns began their best drive of the game. Mosley rammed for 9, a first on the L 43. Allard ran for 4. Mosley gained 5. Allard scooted for another first on the F 42. Clark made 4. Belt lost 1. Mosley plowed for 3, 1.

Floydada took over on their 35. The 'Winds drew a 5-yard penalty, gained 7, 2, end Lewis Elland fell on a loose ball on the F 36.

Mosley drove for 5, Belt kept for 2. Mosley made 1, 2, just inches shy of a first down.

Floydada was offside, a fumble was covered on the line, another fumble lost 1. Vickers scooted around left end for 80 yards and another six points for the south Floyd County boys. Gilliland was stopped short on attempt for two points. Floydada 27. Lockney 0 on the final play of the third quarter.

The Floydada kick was fumbled and the 'Winds owned the ball at Lockney's 31. Floydada was offside, gained 5, 6, James Davis scooped up a fumble on the L 26.

Mosley carried for 0, 2, 4. Clark's punt was blocked on the L 25.

Vickers romped for 20 yards. Teague ran the final 5 yards for Floydada's fifth touchdown. Shipley's kick was wide.

Floydada 33 - Lockney 0 midway in the final period.

Mangold returned the kick from the 26 to L 28. Quarterback Jake Wofford carried for 4. Clark failed to gain. Allard picked up 3. Clark punted to the F 34. Floydada ran the ball back to their 36.

The Whirlwinds gained 2, 8, 0, lost 1, lost 2, the pass to the punter was low so Teague carried for 10. Lockney took over on their 47.

Lockney was given a first

Lockney	Floydada

Announcing! A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS
OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from every Point of Value, worth more from every Point of Value!
2. The 1960 Falcon—The New-size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glowing variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

Society News

Eastern Star Celebrates Birthday

The Order of Eastern Star celebrated its birthday Monday night, October 5, by honoring the Rainbow Girls with a program.

Entitled "Amateur Trip Around the World", the program included a drill by the Rainbow Girls carrying banners. The Rainbow song was sung by Cheryl Rucker, Jane Rhodes, Carolyn Belt and Sandra Smith, accompanied by Mrs. Gene Handley.

Mrs. F. M. Smith, Worthy Matron presented gifts to Mrs. Josie Taylor, Rainbow Mother Advisor, and Miss Carolyn Merrell, Rainbow Worthy Advisor.

Appearing on the program were Meses. Chester Mitchell, Clyde Stowe, R. L. Knox, Dwight Jackson, E. M. Quebe, Lester Carter, Buck Sams, T. B. Mitchell, Herman Huffman, Glen Cooper, Bill McAda, Raymond Rucker, Mr. and Mrs. George Myers, Mr. and Mrs. Joe Foster, Mr. and Mrs. F. M. Smith.

Hosts for the evening were Mr. and Mrs. Bill Thompson, and Meses. Buck Sams, Carl McAdams, Lloyd Readhimer and Luther Fowler.

Approximately 70 were in attendance.

B&PW Observes Business Week

Lockney B&PW Club observed National Business Women's Week this week by attending church in a group Sunday at Main Street Church of Christ, and with a dinner meeting Tuesday.

The dinner meeting was held Tuesday evening at 7:00 o'clock at Golden's Restaurant with Meses. Dorothy Shipp, Loyce Kernickel and Dimple McGavock as hostesses.

Present were Meses. Frances O'Hearn, June Bybee, Elizabeth Riley, Opal Thomas, Irene Lee, Dottie Stansell, Estelle Powers, Betty Griffith, Grace Fowler, Betty Knox, Ada Bailey and the hostesses.

Mrs. R. H. Ford Named President Of W. M. U.

The Spence, Gunter and Bride's circles of the First Baptist Church Women's Missionary Union met together Monday afternoon in the church parlor for a missionary program and election of new officers.

Mrs. R. H. Ford was elected as president. Other officers are: vice president, Mrs. Harmon Handley; secretary - treasurer, Mrs. V. H. Kellison; mission study chairman, Mrs. Ed Whitfill; Y.W.A. director, Mrs. Thomas Marr; Girls Auxiliary director, Mrs. Les Ferguson; Sunbeam director, Mrs. Hilburn Casey; Bible study chairman, Rev. L. A. Blair; prayer chairman, Mrs. Donice Casey; community missions, Mrs. B. B. Vernon; stewardship chairman, Mrs. J. R. Richards; Spence Circle chairman, Mrs. Fred Cooper; Gunter Circle chairman, Mrs. Chester Mitchell; Bride Circle chairman, Mrs. Charles Broadhurst.

Mrs. Hilburn Casey, Mrs. Chester Mitchell, Mrs. Ed Whitfill and Mrs. Leslie Ferguson presented a program on Baptist Education and Ministerial Work in Hong Kong.

Attending the meeting were Meses. Melvin Potts, Guy Sams, Harmon Handley, Donice Casey, R. H. Ford, Les Ferguson, Chester Mitchell, J. R. Richards, B. B. Moody, Fred Cooper, Weldon Latimer, McGuffie, O. C. Bailey, E. A. McLeod, Wiley, Alvin Wilson, Ben McGhee, Ed Whitfill, Bill Tigert, Hilburn Casey and V. H. Kellison.

Girls Auxiliary Elects Officers

The Bertha E. Stanley Junior G.A. met October 5 in the parlor of the First Baptist Church and elected new officers.

Carol Howell was elected president, Carol Collis, vice president, Lauretta Laceywell, secretary, Jo Ann Zavala, program chairman, Linda Abbott, stewardship chairman, and Linda Elliott, prayer chairman. Councilors are Mrs. Harmon Handley and Mrs. Guy Sams.

MISS VIDA VIRGINIA ELLIOTT

Couple Planning Winter Wedding

Mr. and Mrs. David Elliott, 812 Conestee St., Harve de Grace, Maryland, announce the engagement and approaching marriage of their daughter, Vida Virginia, to A-3c Clifton Leroy Williams, son of Mr. and Mrs. Dee Williams of Lockney. Plans are being made for a winter wedding.

The prospective bridegroom who attended Lockney High School has been stationed at Stewart Air Force Base, Newburgh, New York, the past 13 months.

Armor-Howell Nuptials Solemnized

Miss Dorothy Ann Armor of Bokchito, Oklahoma became the bride of Jackie W. Howell of Leonard, Texas in a ceremony performed Monday evening at 8 o'clock in the home of Mr. and Mrs. Frank Messimer, Lockney.

Rev. J. Temple Lewis, pastor of Lone Star Baptist Church, read the impressive service in the presence of a few close friends.

Those in attendance were Mr. and Mrs. Mickey Gilbreath of Irick community, Mr. and Mrs. Frank Messimer, Miss Betty Graves.

The couple plans to establish residence in the county. Refreshments were served following the wedding.

Miss Janis Widener Complimented At Pre-Nuptial Shower

Miss Janis Widener, bride-elect of Ray Dean Fleming of Friona, was complimented with a pre-nuptial shower Thursday, October 1, in the home of Mrs. Bryan Smith. Calling hours were 10 to 11:30 a.m.

Guests were received by Mrs. Smith and presented to the honoree, her mother, Mrs. Loyd Widener, the mother of the bridegroom, Mrs. Raymond Fleming of Friona, and Mrs. L. A. Richards, Memphis, maternal grandmother of the bride-elect. They were presented with corsages of flowers.

The refreshment table was laid with ecru lace over brown and centered with a magnificent arrangement of bronze mums and colorful fall leaves. Favors were small gold wedding bands tied with brown ribbon. Hot spiced punch poured from a silver service was served with dainty tea rolls and pineapple tidbits.

Presiding at the table were Mrs. Jerry Mickey and Mrs. Gail Wilson.

Mrs. David Frizzell presided at the guest book. Approximately 150 guests called or sent gifts.

Out-of-town guests included Mrs. Clifford Jester of Springlake, Mrs. Mock Richards and Mrs. L. A. Richards, Memphis, Mrs. Winn Holcomb and Mrs. Raymond Fleming, Friona.

Hostesses for the courtesy were Meses. Leroy Durham, Hamilton Cammage, R. H. Ford, P. W. Smith, Mondell Mills, Howard Smith, J. R. Belt, R. L. Smith, Frank Brown, Glen Kinard, E. J. Foster, Kenneth Wofford, Clyde Baxter, Forrest Mickey, L. M. Honea, Norman Caldwell, Lloyd Wofford, Leslie Cox, Doyle Harrison, Bob Miller, Connie O'Brien, and Bryan Smith.

Women Attend W.M.U. Workshop

Several members of Lockney Baptist Church attended a W.M.U. Workshop Tuesday at First Baptist Church, Plainview. The meeting began at 2:15 a.m.

Miss Eula Mae Henderson, State W.M.U. secretary-treasurer, was guest speaker for the morning session and Mrs. Clark Estes, Mission Study chairman of District 9, was afternoon speaker.

Mrs. Sid Thomas of Bovina, former Lockney resident, was among those attending. Those from here were Meses. W. B. Cates, R. H. Ford, E. A. McLeod, Harmon Handley, B. B. Vernon, J. R. Richards, V. H. Kellison, Les Ferguson, Fred Cooper, Weldon Latimer, Earl McCready, Guy Sams and Ed Whitfill.

On Monday, October 12, at 2 o'clock Mrs. Russell Poage of Petersburg will meet with the local W.M.U. organization and preside at an installation service.

Plans Made For November Wedding

Mr. and Mrs. M. R. Gallaway, Route 3, Plainview, announce the engagement and approaching marriage of their daughter, Jettie Charline, to Neil Andrew Langley, son of Mrs. J. R. Langley of Lockney.

The couple are planning a November wedding.

Miss Gallaway is employed presently at Jimmie's Cleaners, Plainview, and her fiancé farms near Lockney.

Slumber Party Honors Miss Taylor

Miss Charlotte Taylor was honored with a slumber party Wednesday night marking her 16th birthday. The party took place at the Taylor home with her mother, Mrs. Josie Taylor, as hostess.

The girls enjoyed a supper and various snacks. They called K. O. M. A., Oklahoma City radio station, and requested three songs to be dedicated to the Lockney Longhorns.

Guests included Jackie Frizzell, Carolyn Harris, Mertie Lewis, Kim Mickey, Janice Boedeker, June Caldwell, Ann Brown, Karen Brown, Maxine Vanek, Jane Carol Phillips, the honoree, her mother and Susie.

Lockney H. D. Club Has Tuesday Meet

Mrs. Lavon Johnson was hostess for a meeting of Lockney Home Demonstration Club Tuesday, Sept. 29 at 2:45.

The club was presented \$5.00 prize for its exhibit at the Floyd County Fair.

The council report was given by Mrs. Henry Bollman who also reported on the Carol Lane travel talk Mrs. W. W. Miller gave an interesting demonstration on making plastic flowers.

Attending the meeting were Meses. N. S. Abbott, W. W. Miller, Lavon Johnson, Henry Bollman and two visitors, Mrs. Dee Williams and Mrs. Glen Cooper.

Next meeting will be held in the home of Mrs. Vestal Eiland on Wednesday, Oct. 14 at 2:45 p.m. when Miss Phyllis Roggen-dorff, County Agent, will present a program on "Lighting for Working, Reading, Television."

Rebekahs To Meet For Memorial

Lockney Rebekah Lodge will meet Monday night at 7:30 in the lodge room of the City Auditorium for a memorial program to be given by neighboring lodges.

Guests from Floydada, Petersburg and Plainview will be

here and give the program. All local members are urged to attend and bring a salad to a salad supper, according to an announcement by Mrs. May N. G.

Mr. and Mrs. Don Murphy and children of Bovina spent last weekend here visiting Mr. and Mrs. Glen Cooper and family.

A Word About Your Cotton Defoliants!

DEFOLIATION CAN BE NEAR PERFECT! DEFOLIATION CAN BE UNCERTAIN!

Cotton defoliants can aid an earlier harvest and better grades. Applied prior to a freeze, it will cause some bolls to make white cotton that otherwise would not.

The results will be in direct relation to the maturity of the cotton. If the cotton is ready to defoliate, the percentage of leaf-drop will be high. If the cotton is immature the percentage of leaf-drop will be low.

Let us discuss your cotton defoliants with you.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — This time three years ago nearly every newspaper in the state was writing about "the water problem."

It was a discouraging time. Texas had come through a scorching, dust summer that forced many farmers to leave their stunted crops in the fields and hunt work in town.

Ranchers were equally hard hit. In many cases, due to lack of feed, they sold their breeding

cattle, lost their land or went heavily in debt.

It was the climax of the most widespread drought ever recorded in this region. Average rainfall for the year dwindled to 16.2 inches, second lowest figure since 1888.

Office seekers in the campaign year of 1956 had a good deal to say about how hard they would work to "solve the water problem." Many did work hard.

But three years later the

water problem is still far from "solved."

By the time the Legislature met in 1957, the rains had begun. It rained so much that many people, of necessity, became more interested in flood relief than drought relief.

Three major water measures were passed in 1957, however. These measures:

(1) Set up the Texas Water Development Board with a \$200,000,000 fund to make loans to help pay for local water projects.

(2) Established a planning division in the State Water Board to do research on water needs, but without authority to recommend an overall plan. Approximation was \$900,000 instead of the \$1,200,000 recommended by the governor.

(3) Gave the Water Board authority to contract for water storage space in federal reservoirs, with legislative approval.

Last two of these were passed only after Governor Daniel resubmitted them at a special session. And then they almost went under when a city-farm fight developed on the side issue of whether farmers should be able to dam up small lakes and use them for irrigation.

This year the Legislature inched up the Water Board budget to \$200,000. But the \$2,037,000 appropriation was \$800,000 less than requested by the governor.

As yet, the Water Development Board has made no loans for construction. Engineers in the State Water Board's planning division are working on a statewide report due in 1963, and a federal commission is also making a study. But legislators are skittish about having anything that might be called a definite state plan for fear it will set sectional jealousies aflame.

So dear is water to most Texans' hearts that almost any move to do anything with some of it is sure to be interpreted by a neighbor as "grabbing."

Guadalupe-Blanco River Authority and the City of San Antonio had a long, bitter hassle over the Canyon Dam project.

Right now, the biggest fight is on the Trinity. After months of bickering, the City of Houston and the Trinity River Authority agreed to cooperate in building a dam at Livingston.

Now the San Jacinto River authority is protesting. SJRA officials are telling Houston people that Trinity water is of "poor quality" and that San Jacinto water could be developed at much lower cost.

Amid it all, engineers and business analysis have some sobering reminders:

(1) Drought of the 1950's cost Texans \$3,000,000.

(2) Another drought is coming and when it does, population will be greater and water needs higher.

(3) Water to carry the state through a drought can only be stored up in rainy years, and three of those "good" years have already passed.

WORK CUT OUT? — Gov. Daniel continues to talk like a man who doesn't feel that his work as a public servant has been completed.

Speaking to a school audience, the governor dwelt on "the need for another forward step in providing better schools, including increased salaries for teachers." He said he hoped the Legislature would be ready to do something about it early next year.

In another speech, he called attention to the Legislature's failure this year to pass laws dealing with crime prevention, traffic safety, narcotics and dor-

mant funds.

Some observers feel that if the governor calls a special session and the Legislature fails to take care of all these items — which would be a batch of tough legislation—the governor would feel compelled to file for re-election on Feb. 1 in order to see things through.

NO THANKS — Atty. Gen. Will Wilson has filed a brief with the Atomic Energy Commission giving Texas' reasons for not wanting atomic waste dumped in the Gulf of Mexico.

Industrial Waste Disposal Corporation of Houston is seeking an AEC permit to dump radio-active waste material in concrete lined barrels into 6,000 feet of water 200 miles south of Galveston.

Texas brief expresses fears that the barrels might come apart allowing the materials to be washed ashore by the tides. It says that Texas will remain opposed to the plan "until clear, convincing and positive proof is produced to show that such operation may be conducted with absolute safety to persons using the beaches and waters of the Gulf for any purpose."

SHORT SHORTS — Austin Dist. Judge Charles O. Batts has given approval to the state liquidator to make a stock sale that will bring in some \$615,000 to pay off creditors of the defunct ICT Insurance Company.

Women's Christian Temperance Union, which held its national meeting in Texas, joined other groups asking for legalized tests of persons suspected of driving while intoxicated. Dr. R. C. Garrett, Taylor veterinarian, has been named assistant director of the Texas Animal Health Commission.

State Board of Insurance has announced a plan by which auto insurance rates will be cut for safe drivers and raised for the accident-prone. It will bring as much as a 20 per cent rate reduction for drivers with a record of no accidents or moving traffic violations for the past three years.

Fall and early winter vegetable gardens are off to a good start in South Texas, reports the U. S. Dept. of Agriculture. In other parts of the state, harvesting of cotton, sorghum, corn and rice continued. Watson Wise of Tyler has been appointed by Gov. Daniel as state chairman for United Nations Day in Texas. UN Day has been observed on Oct. 24 each year.

Dear Editor: I see where our Washington world-fixers are aiming to start passing out a stork inhibitor recipe to the people in over-populated countries.

My Republican neighbor says we had better keep some of this information for selective home use, on account of otherwise it looks like we are liable to get overstocked on Democrats.

Says, though, if we have got to wet-nurse the world by our Good Neighbor Policy and our Chump Uncle Policy, it ought to save us money in the long run to equip all possible foreigners with their brakes.

D. E. SCOTT
Crossroads, U. S. A.

Miss Maelynn Cator of Gruver spent Saturday and Sunday here, visiting her sister, Mrs. Charles Broadhurst. She was accompanied home Sunday afternoon by Mrs. Broadhurst and Leslie who will visit this week with her parents in Gruver while Rev. Broadhurst is away in a revival meeting.

Toughest Driver in Town!

Careful Percy McFidget—who would believe that he's harder on his car than anybody in town? Why, he never goes over 35 or takes a trip over 10 miles!

Actually this kind of driving is very hard on a car engine because the engine seldom gets "warmed up" sufficiently. The oil tends to be sluggish. Sludge forms in the crankcase. The way is open for dangerous wear and corrosion.

But there's something you can do about this, to protect your motor. If you have to do a lot of start-and-stop driving at low speeds, as most of us do, use Tropic-Artic Motor Oil. It flows fast... resists sludge formation... helps your car run better, longer. Get Tropic-Artic Motor Oil at any station where you see the Phillips 66 Shield.

you can enjoy the traditional charm of **GAS LIGHTS**

AROUND THE PATIO | BY THE STEPS | ALONG THE DRIVEWAY

This summer, enjoy sumptuous outdoor dinners with a GAS PATIO BROILER. Produces tantalizing charcoal flavor with none of the mess of charcoal! Cooks faster than charcoal, too, and is so simple to operate that even the children can be assistant chefs. Ask about it.

Time hallowed... timeless... timely! Gas Lights, sweeping the country with their mellow glow, are all of these. They bring back the charm of the vanished era that bore their name. Yet they reappear, not as period pieces, but as handsomely functional accessories for any home. And their versatility makes them timely, indeed, as people do more and more outdoor living, by night as well as by day. Gas Lights do not attract bugs... they welcome guests, warn away trespassers. Wherever the moon is not enough, a Gas Light belongs! Get details from Pioneer Natural Gas Company, tomorrow.

fuel for a growing empire **Pioneer Natural Gas Company**

South Plains

by Mrs. Murray Julian

Six days of rain and soupy weather has left soggy cotton and had rural roads here. How good the sun looks after a week of fog and wet weather. School buses ran most of the week off the pavements but Monday parents had to bring their children to school. The rainfall was about two inches. Marc Smitherman celebrated his 4th birthday Friday in the home of his parents, the Philip Smithmans and his cousin, Carla Bean, spent the day with him.

The little house where Mrs. Lena King formerly lived in South Plains caught fire and burned to the ground in minutes about 7:30 Wednesday morning. It was housing bracers at the time, and was owned by the Marble Brothers.

Muddy roads kept many from church Sunday morning and night. Forty-three were counted Sunday morning and 33 that night. New teachers took their places Sunday and the Rev. John Gillispie reminds members that there will be a business meeting Wednesday night at 7:30 with prayer meeting. WMU will meet for Bible study at 2:45 Thursday afternoon.

Mr. and Mrs. George Weast went to Durango, Colorado, for a visit with her brother, Mr. and Mrs. Jim Davis, Thursday and returned Monday. They were accompanied by Mrs. Skeet Thornton who visited her daughter, Mrs. Ray Smith and family. They reported the aspen trees beautiful this time of year, and mountain tops covered with snow. They fished at Durango and Lake Henderson. The Davis family has tourist cabins in Durango, called the Redwood Lodge and the family is formerly of Silverton.

Mr. and Mrs. Lee Pearson arrived home Friday after spending several days last

week in the valley. They were accompanied by her sister, Mr. and Mrs. Mary Scott of Albuquerque. While in McAllen they visited the Bill Harpers, former residents of South Plains.

Mr. and Mrs. Frank McClure left Thursday for Houston to spend about two weeks visiting their son, the Donald McClures. June Calahan's mother, Mrs. Foster of Floydada, went with the McClures to visit her son, the Bruce Foster family in Houston.

We are glad to report that R. H. Adams was well enough to be out at church Sunday morning for the first time since his illness.

Ems Childress, brother of Mrs. Skeet Thornton, was hit by a car Monday morning in Lockney and was taken to the hospital. The extent of his injuries or whose car struck him is unknown to us.

Don Probasco helped move his parents, the Frank Probascos, to their lovely new home in Floydada Saturday and Monday.

Winfred West, son of Mr. and Mrs. John Key West, arrived home from Schweinfurt, Germany, Sunday morning, after two and one half years in the armed forces over there. He returned by boat, and went to Chicago on Friday where he received his discharge.

The Sylvan Kinnibrughs and girls spent Saturday and Sunday at Truscott and Vera with relatives. They report over six inches of rain down there, and fields under water.

The John McCain family of Amarillo spent Saturday night with his sister, Mr. and Mrs. Fred Fortenberry. Sunday they visited her parents, the W. A. Pools at Lone Star. The Fortenberrys accompanied his sister, Mr. and Mrs. Garland Tucker, to Hereford where they went to take Miss Christine Fortenberry back to her home.

The George Weasts were hosts Sunday to Mr. and Mrs. Edwin Davis and family of Silverton. The Weasts have been spending much time the past five weeks at the Lockney Hospital where his cousin, Mrs. Fish, is critically ill.

We offer our sympathy to Mrs. E. E. Joiner and family of Midland whose father, George W. Brumley, passed away last Thursday from a heart attack. He was at the home of his son, Roger, near Hereford. She is formerly of this vicinity.

Mrs. Jones Kinslow and Mrs. Harry Hartman had an all day quilting in the Kinslow home Tuesday. Guests brought dishes to serve for lunch.

Leighton Teepie's mother, Mrs. R. L. Teepie, of Floydada seemed to be a little better Monday. She had regained consciousness. Anita's sister, Dr. and Mrs. R. A. Hill of Ainar, Illinois were Sunday visitors here in the Teepie home and they all visited Mrs. Teepie and Mrs. Lily Luttrell Sunday.

Mrs. Fred Marble was in Lockney Monday and Tuesday having some dental surgery done.

Home from WTSC at Canyon with their folks over the rainy week end were Eugene Beedy, Kendis Julian, Alton Higginbotham and Mr. and Mrs. Ronnie Upton and children.

Don Probasco, who lives north of South Plains on the Silverton Highway, was presented an award by T. L. Holland at the soil tour last Thursday and was named as the best Floyd County Conservation Farmer for the year.

Junior Home Demonstration Club met Thursday morning in the home of Mrs. Fred Marble with Miss Phyllis Roggendorff as guest. The program on "Lighting in the Home," was given by Miss Roggendorff. She brought lamps and showed the right and wrong way of lighting the home. Most homes do not have the right kind of light for reading. Refreshments of cookies and coffee were served to Mrs. Larry McCormick and Becky, Mrs. Don Probasco and Maury, Mrs. Chester Hidalgo,

Home Making Hints

by Phyllis Roggendorff
County Home
Demonstration Agent

I am enjoying meeting the Home Demonstration Clubs this month with my lesson on "Lighting in the Home." I will meet with Harmony Thursday and Homebuilders Friday of this week, Lockney next Wednesday, Sterley, Thursday, and Starkey, Friday.

Have you thought about how much light is reflected by different colors? All colors absorb some light, and also reflect some light. The darker the color, the more light it absorbs, and less is reflected. The lighter the color, the more light it reflects.

For example white reflects 89% of the light. Light ivory reflects 82% and cream reflects 77% of the light. As a contrast example, dark green or dark blue reflects only 10% of the light, or in other words, absorbs 90% of the light.

These examples may influence you in planning color schemes. Pastel colored walls will make a room lighter than darker walls. Also white ceilings will give more money for your lighting dollar by requiring less light, smaller bulbs and fewer lights in the room. Ceilings need not be painted or papered the same as the walls. You will have better light for better sight with white or off-white ceilings.

Two out of three Americans eat too little breakfast. How about you? Studies show that a protein rich breakfast can starve off fatigue hours longer than a breakfast with little protein. Eggs are a good source of protein and can be prepared in many different ways. Give your body the proper fuel to start the day right.

School Menu

October 12 - 16

Monday — Sausage with gravy, buttered rice, green beans, hot rolls, milk, butter cake with lemon sauce.

Tuesday — Green lima beans, frankfurter on bun, tomato slice, chopped relish, milk, peanut butter pie.

Wednesday — Pinecrest pie, potato salad, buttered beets, cheese rice muffins, butter.

Mrs. Fred Marble and Mike, and Miss Roggendorff. The next meeting will be held in the home of Mrs. Larry McCormick on October 15.

Mr. and Mrs. Grigsby Milton and Daria went to Amarillo Wednesday to spend the day with his mother and sister, Mrs. Milton and Linnie.

milk, sweetened cherries, oatmeal cookie.

Thursday — Chicken and spaghetti casserole, buttered corn, lime Jello with pears, bread, butter, milk, peach cobbler.

Friday — Frozen fish with tartar sauce, new potatoes with

Rickover Will Speak At Lubbock

Lubbock — Vice Admiral Hyman G. Rickover, the acknowledged "father of the atomic submarine," will speak before a special convocation of the Texas Tech faculty and student body at 10:00 a.m. Wednesday, December 9.

Admiral Rickover will be introduced by Representative George H. Mahon of Lubbock who was instrumental in arranging his visit.

The colorful Navy hero, long known as "a man apart" because of his outspoken manner and contempt for barnacled tradition, is credited with being largely responsible for construction of Nautilus, the world's first atomic submarine. Another epochal achievement for the non-conformist Admiral was the building of the first all-civilian atomic power plant, located at Shippingport, Pa.

He is one of only three U. S. Navy admirals to have been awarded a special Congressional Gold Medal. The other two were Adm. Richard Byrd, the polar explorer, and Adm. Ernest J. King, the Navy's top officer in World War II.

Rickover has become America's foremost advocate of an educational system that meets the challenge of the atomic era. In various speeches he has maintained that nothing short of complete reorganization of our existing system of education can equip us for winning

Dear Editor: I see where Mr. Khrushchev turned down the opportunity to go to church with Pres. Ike on account of figuring it would be too big a shock to his people back home.

My shifty neighbor says Mr. K's excuse has a kind of self-sacrificing slant and is the best he has run across in a long and inventive career as a church dodger.

Says if he can just adapt this idea to his own use it ought to sound lots better than cold truths such as that his conscience sleeps better at home than in church.

D. E. SCOTT

OFFICE SUPPLIES at The BEACON OFFICE.

the educational race with Russia.

Born January 27, 1900, in Russia, the son of a tailor, Rickover came to this country in 1904 and was reared in New York and Chicago. He was graduated from the Naval Academy at Annapolis in the top quarter of his class.

LOCKNEY - PLAINVIEW LEAGUE

Standings in Lockney-Plainview League changed little Monday night as Hubbard-Warrick Furniture Co. and Baccus Motor Co. maintained first and second place, respectively.

High individual bowler was Frank Garrett of Hubbard-Warrick, 205-529. High team series also went to Hubbard-Warrick, 2299.

Results of Monday night action (number of points won in parenthesis) with high game and series for each team: Plainview Gin (3) James Stair, 180, Jack Isom, 488, over Wallace Claim Service (1), Milton Angerstein, 173, Leo Wallace, 466; Hubbard-Warrick (4), Frank Garrett, 205-529, over Seale Drive In (0), Leonard Finley, 168, Earl Cooper, 477; Furr Food (3), Adams, 165-467, over Hayden-Winkle (1), Wood, 174, Adams, 504; S.I.C. (4), Bill Howie, 193-496, over Golden's Restaurant (0), James Morris, 184-494; First National Bank (3), Carroll Minor, 185, Jr. Lee, 484, over United Elevators, Providence (1), Helmuth Quebe, 149, Ewald Quebe, 419; Baccus Motor Co. (4), Brannon Darnell, 200-519, over United Elevators, Plainview (0).

Standings

Team	Won	Lost
Hubbard-Warrick	14	2
Baccus Motor Co.	13	3
First National Bank	9	7
United Elev. Pro.	9	7
S. I. C.	9	7
Wallace Claims	8	8

NOTICE TO LOCKNEY RESIDENTS:

Due to overloading the trash collectors truck, we must ask that all residents burn their papers, magazines and other burnable trash. Please be sure that everything burnable has been burned in your trash barrel. The trash collector can then pick up the remainder of your refuse and do a good job of it.

When magazines and papers are dumped in the trash barrel to be hauled away it puts too much load on the trash collector and he is unable to do his best.

We will appreciate your co-operation in this matter and assure you that your co-operation will enable him to do a better job for you.

CITY OF LOCKNEY

BAPTISM — WHAT IS IT FOR?

There is much disagreement in the religious world as to the design or purpose of baptism. It is difficult for this writer to see how the question could be misunderstood. Passages dealing with the subject are plain and easily understood. All one needs to do to understand is to read with an open mind.

And he said unto them, go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned, Mark 16:15-16. What could be plainer than baptism is one of the conditions of pardon authorized by the Lord?

Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost, Acts 2:38. Remission means forgiveness. These people are told to "repent and be baptized" for the forgiveness of sins. They had already believed up to that point and were now to repent and be baptized in order that their sins might be forgiven.

WELCOME to the
MAIN STREET CHURCH OF CHRIST
S. A. FREEMAN, Minister

Sparky says:
If Fire Strikes
Your Home...

GET OUT of the house the minute you discover it or smell smoke!
ALWAYS be ready to use different escape routes from any room in your house!
TEST doors before opening. If doors are hot, block them with furniture or wet mattresses to keep out smoke and gases. Get out another way!
NEVER jump from upper-story windows except as a last resort! Wait for firemen.
HOLD your breath if you have to make a dash through smoke and flame!
REMEMBER, the air is usually better near the floor in a smoke-filled room!
CALL the fire department at once! They know how to fight fire. Don't waste your time or your life trying to fight a fire, unless it's so small you're sure you can control it with the right extinguisher.
DON'T ever go back to a burning building for any reason! Smoke and fire gases from even the smallest fire can be deadly.
GET medical treatment at once, if you're burned or exposed to fire and smoke! Seemingly minor burns or smoke inhalation can have fatal results.

DON'T GIVE FIRE A PLACE TO START!

PAY YOUR SCHOOL TAXES EARLY AND SAVE!

Lockney Independent School District offers the following discounts on school taxes:

- If paid in October — 3% discount
- If paid in November — 2% discount
- If paid in December — 1% discount

Penalty will be added to all taxes paid after January 31, 1960

School taxes are to be paid at the office of the school tax collector just inside the main east entrance to the high school building.

LOCKNEY INDEPENDENT SCHOOL DISTRICT
Mrs. Bettie Edwards, Tax Collector

SEASONING FRYPANS
New skillets and griddles will perform more efficiently if properly seasoned before using. Scour the utensils first with soapy steel wool, then wash thoroughly in hot suds, rinse and dry well. Brush the surface with unsalted fat or salad oil and heat slowly over the automatic top burner heat; control on your range, set at 300 degrees. Renew the oil coating after 10 minutes and continue to heat about 10 minutes more. Then turn out the flame and let the pan cool. Wash in sudsy water, rinse and dry thoroughly.

HOMEMAKERS REMEDY FOR MESSY KITCHEN
Most homemakers enjoy cooking but readily admit the clean-up afterward is discouraging. Margaret Spamer, home service editor for the Gas Appliance Manufacturers Association, suggests that a sinkful of hot soapy suds will help to wash or soak cooking utensils as you finish with them. Furthermore, when the meal is served the kitchen will look neat and inviting and make the final clean-up easier to take.

A Move For MEDICO

By Mrs. Kinder Farris

One of the greatest humanitarian movements of our time is MEDICO, its objective being to bring modern medical practice to "all who bear the mark of pain".

The fundamental ideals behind this wonderful move began many years ago when Dr. Albert Schweitzer set up his first clinic in French Equatorial Africa. The inspiration continued when Dr. Gordon Seagrave went to Burma in 1922 and began treating the hill tribe people of North Burma because they "bore the mark of pain" and knew no relief through medical aid.

In 1954, then, a young Navy Medical Corps lieutenant was stationed in Hanoi, North Viet-Nam when over half a million refugees had to be evacuated to the non-communist south Viet-Nam. This young doctor, Thomas A. Dooley, with four enlisted men treated these diseased, filthy, mutilated Asians as best they could. Dr. Dooley could have been discharged from the Navy, but he chose to remain there, for he saw an opportunity for distinct service to mankind. The things he experienced were like "a white light of revelation". He saw simple, tender care transform fear and hatred to friendship and understanding. He witnessed the power of medical aid to reach the hearts and souls of a nation. He saw it translate the brotherhood of man into a reality that plain people could appreciate. Dr. Dooley said "Things were never quite the same after that". He knew he had to remain where he could continue his role of servant to these people. He worked in Viet-Nam, then went into the Kingdom of Laos.

It was while working at the outposts in Laos that Dooley began dreaming of an organization that could sponsor teams of doctors all over the world. He returned to the United States and preached his belief to all who would listen. "Medical aid offered on a people-to-people basis could form lasting friendship between East and West." The result was the organization of MEDICO* with plans to send out medical teams, each able to operate for a year on \$50,000, provided the drug houses would furnish medicines. MEDICO sent Dr. Dooley back to Laos to the village of Muong Sing, just five miles from the Red China border. Dr. Theodore Binder and his wife went to the jungles of Peru; seven topflight surgeons from Johns Hopkins spent five weeks in Arab refugee camps in Lebanon and Jordan; eight eye specialists lectured and demonstrated in seven southeast Asian countries. Under MEDICO, a new hospital was set up in Cambodia, a country with 5,000,000 people and only 10 doctors.

In August of this year, Dr. Dooley returned to the United States again, this time being forced to return because of serious illness. His own fight against cancer, however, he considers "just a skirmish". He continues to talk MEDICO, his dream come true, and to ask all those who believe as he does to support this non-profit, non-sectarian organization. Last year, this one American doctor and his staff treated 36,000 patients at a cost of \$35,000. For less than \$1.00 a year per patient, relief, friendship, and care can be distributed.

If you are interested in helping with this cause, please send any amount, large or small to Mrs. J. H. Barnard or Mrs. Kinder Farris in Floydada or to Mrs. Arthur Barker in Lockney. The money will be sent to Dr. Dooley for MEDICO.

Of all those who associate themselves in spirit with this mission to people who "bear the mark of pain" Dr. Dooley asks only that each give what he can!

* In January, 1958.

OFFICE SUPPLIES at The BEACON OFFICE.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912 AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF THE LOCKNEY BEACON PUBLISHED WEEKLY AT LOCKNEY, TEXAS FOR OCTOBER 8, 1959.

1. The names and addresses of the publisher, editor, managing editor, and business managers are:
Publishers, Edgar R. Hays and Willis Reynolds, Lockney, Texas.
Editor, Edgar R. Hays, Lockney, Texas.

2. The owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a partnership or other unincorporated firm, its name and address, as well as that of each individual member, must be given.)
Edgar R. Hays, Lockney, Texas.
Willis Reynolds, Lockney, Texas.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)
First National Bank, Lockney, Texas.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was: (This information is required from daily, weekly, semiweekly, and triweekly newspapers only.)
1587.

Edgar R. Hays
(Signature of editor, publisher, business manager, or owner. Sworn to and subscribed before me this 25th day of September, 1959.)
J. E. Cox
(My commission expires June 1st, 1961.)
(SEAL)

The first signal book in the U. S. Navy was issued in 1797 by Captain Thomas Truxton. The volume contained approximately 190 signals.

Annual Staff Is Elected

Miss Donna Workman was recently elected editor of the '59-'60 Annual Staff with Jimmy Howell as assistant editor. Both are senior students.

Other annual officers are Business managers, Elaine Baxter, senior, and Nancy Webster, sophomore; Society editors, Janice Boedeker and June Caldwell, juniors; sports editor, Pat Buchanan, senior, and Larry Boedeker, junior; artist, Corrine Sanchez, senior; typists, Dee Dorman and Jody Pate, seniors; class editors, Donna Dorman, senior, and Kim Mickey, junior; Carolyn Harris and Jo Reahimer, staff assistants. The yearbook will be sponsored by J. A. Davidson.

The staff is making plans for a delivery late in July, instead of May as has been the practice in recent years. The later delivery date will enable the annual to be bigger and better, the staff believes, and will carry pictures of the Junior-Senior banquet, senior trip and graduation.

Of the 18 U. S. Navy ships which have disappeared without a trace since 1781, four were lost during the month of September, accounting for 612 men.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, OCT. 8, 1959

More decorations for valor have been awarded, per man, to the submarine service than any other Navy branch.

Congress passed the first U. S. patent law April 10, 1790.

The Impala 2-Door Sport Coupe

SEE IT NOW AND SEE ALL THESE

new and different things

IN THE **1960 Chevy!**

new!
easy loading
luggage compartment

New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

NEW
spaciousness inside

Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

THRIFTIER
!!!new!!!
VS POWER

Under the hood thrift is accented in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET AND COMFORT

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic

valve lifters reduce engine noise to a whisper.

NEW!

refinements for the driver

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

NEAREST TO PERFECTION A LOW-PRICED CAR EVER CAME!

Aged Woman With More Than 100 Descendants Dies Sunday

An estimated 113 descendants are mourning the passing of Mrs. J. M. Jeffcoat, who died at 12:40 a.m. Sunday in Peoples' Hospital at Floydada. Her descendants include three sons, three daughters, 37 grandchildren, 60 great-grandchildren and 10 great-great-grandchildren. The exact number is not known for sure because some of the grandchildren are scattered and have lost contact with local members of the large family, but the 113 figure is very close to correct, members of the family said.

Mrs. Jeffcoat had been ill for some six years and bedfast five years. She spent several weeks in Methodist Hospital at Lubbock but was moved to the Floydada hospital just a few days before her death. She was almost 86 years of age.

Funeral services were held at the First Methodist Church here Monday afternoon at 2 o'clock conducted by the pastor, Rev. Russell McAnally, assisted by Rev. Joe Stone, pastor of the local Assembly of God Church. Burial was in Lockney Cemetery beside the grave of her husband who passed away Nov. 29, 1950. Carter Funeral Home of Lockney was in charge.

Mrs. Jeffcoat was born Dec. 16, 1873, at Greenfield, Tenn. Her family came to Fannin County, Texas, in 1882. She was married to J. M. Jeffcoat at

Blue Ridge, Texas, on July 10, 1890. The couple lived in Collin County until 1943 when they came to Lockney to make their home.

Mrs. Jeffcoat had been a member of the Methodist Church for 76 years. Her maiden name was Ida Bertha Howard.

Survivors include three sons, Cleatis and George Jeffcoat, both of Lockney, and Elijah Jeffcoat of Commerce, Texas; three daughters, Mrs. C. R. Clark of Lockney, Mrs. Katie Rhodes of Paris, Texas, and Mrs. Doelia Huffman of Cookville, Texas. She has eight children deceased, five of whom died in childhood.

Group Will Study New Report Cards

A committee of parents, teachers and school administrators, headed by Supervisor Henry Ford Jr., will make a study of school report cards with the purpose of designing a new card for the Lockney grade school and junior high. The Beacon was told this week.

The final purpose will be to design a report card to be used on a 9-week semester basis, thus conforming the grade school and junior high grading to that of high school, it was said.

NEW CHIEF JUSTICE — James G. Denton was sworn in as new chief justice of the Seventh Court of Civil Appeals Wednesday of this week. The Court serves 46 counties in the Panhandle and South Plains area, including Floyd County. Judge Denton has served as judge of the 99th District Court in Lubbock the past six years. He was named to the new office by Governor Price Daniel last week, replacing Judge E. L. Pitts, who died last month.

C. S. Quisenberrys Married 58 Years

Mr. and Mrs. C. S. Quisenberry observed their 58th wedding anniversary Tuesday, Oct. 6. No special activities were held for the event but many callers wished the couple continued health and happiness.

Claud S. Quisenberry of McKinney and Miss Kathryn Benson of Gainsville were united in marriage, October 6, 1901. They have three sons and one daughter: Charlie of Lockney, Tandy of Canyon, Lonnis (Jelly) of Lockney, and Mrs. J. E. McMeecken of Slaton. A twin brother of Lonnis, Lawrence, was killed in 1942 in a car accident. The couple also have 19 grandchildren and 23 great-grandchildren.

Mr. and Mrs. Quisenberry are one of the oldest couples residing in Lockney. They have lived here 35 years. He engaged in farming and gin work before retiring several years ago. They are both still active and maintain their own home on West College Street.

Annual Teacher Banquet Nov. 20th

The annual Teacher Appreciation Banquet, sponsored by the service clubs of the community, has been set for Nov. 20th. Speaker for the occasion will be Wes Izzard, editor of the Amarillo Daily News.

Mr. and Mrs. Albert Golden Jr. of Pueblo, Colo., visited his sister, Mrs. Luther Fowler, and family last week end. They also visited relatives at Bowie.

FROM THE County Agent's Office

By Cecil Lewis

COTTON HARVESTING

In starting back to harvest cotton it will pay us to wait until we are sure we can still produce a good grade of cotton. Cotton defoliants or dessicants will need spaced up maturity if the cotton is still immature. They should be applied with care. True defoliants should be used when 50 to 60% of the cotton is open and dessicants when 80 to 90% open.

FIRE PREVENTION

This is fire prevention week and it should be the job of each one of us to check on the fire hazards around the home. You can think of many instances that lives, homes, and injury have happened to neighbors or friends.

Fire losses increased about 2 1/2% this past year and have increased more than 50% since 1950. Some of the most important causes of fire are defective heating equipment, defective and overloaded wiring systems, and matches and smoking. Have you checked these important points lately?

4-H CLUB WORK

Several 4-H members are getting ready to exhibit animals at the state fair October 19 to 24. Boys exhibiting lambs are Kenneth O'Neal, Floydada, Billy Colston, Dougherty, Ricky Kellison, Lone Star, and Bob Krapp, Lockney. Boys who have

barrows entered are Ronnie Hopper, Harmony, Duane Webb, South Plains, Billy Colston, Dougherty, Ronnie Laceywell, Steve Belt, Jerry Billington, and Neil and Warren Mitchell, Lockney, and Tim Hartman and Johnny Lewis, Lone Star.

It's A Girl For The L. P. Reccers

Mr. and Mrs. Lloyd Paul Reccer, Midland, are parents of a baby daughter who arrived Wednesday morning at 10:30 in West Texas Hospital, Lubbock. The young lady who tipped the scales at 6 lbs., 2 ozs., had not been named at press time Wednesday. She is the first girl born into the L. P. Reccer family in 30 years and her prospects for being someone very special are most promising, according to her grandparents, Mr. and Mrs. Loran L. Reccer, and great-grandfather, J. B. Reccer, Lockney. The maternal grandmother is Mrs. Forest Jacobs, Plainview. The baby has two brothers, Randy, 10, and Cris, 6.

Horton Kennady Is Appointed Ranger

Horton Kennady, son of Mrs. A. B. Kennady of Lockney, has received an appointment as a Texas Ranger, and will be stationed at Big Springs. Mrs. Kennady said Wednesday. Horton has been connected with a burglar alarm installation and repair firm and is taking special training now at Midland. Mrs. Johnna Joy Bibbey and Miss Peggy Hulsey drove down to Midland last Friday to visit Horton and his family and the

four started on to Villa Cuna, Old Mexico, to attend the bull-fights. They were delayed by high water and missed the bull-fights but did enjoy the sight-seeing and shopping tour. The two ladies returned to Lockney Monday.

Miss Grace Marshall returned last week from Houston where she underwent a medical operation at M. D. Anderson Hospital. Be careful what you are doing when you try to stop smoking.
