

South Plains

By Mrs. Murray Julian

Snow began Tuesday and we had a fall of around 8 inches. Monday it was again rainy and foggy, with the fields still wet from the big rain before Christmas. There will be no field work for some time.

Snow and zero weather cancelled several meetings last week, such as prayer meeting, WMU meeting, and school for the children on Wednesday.

Mrs. Albert Stewart is still in the Lockney Hospital with a broken foot. She fell Christmas eve in Lockney at the home of her daughter, Mrs. Wayne Greer. Mrs. Esley Yeary, Mrs. Dock Jones and Mrs. Harry Hartman have been working at the South Plains school lunch room since the illness of Mrs. Stewart, and we all hope she can be home soon.

Mr. and Mrs. Ernest Smitherman visited in Floydada Sunday with Mr. and Mrs. Everett Collier.

Mr. and Mrs. James Huckaby and son moved this week to Stephenville, Texas where they plan to take up ranching. We are sorry to lose the young couple from our midst.

Mrs. F. L. Marble of Lockney spent from Monday through Wednesday night here in the home of her son, Mr. and Mrs. H. L. Marble.

Among those from here who attended the Tye-Fruitt wedding in Floydada Sunday afternoon were Mr. and Mrs. Bill Beedy, Mr. and Mrs. Fred Marble, Mr. and Mrs. James Teague, Mr. and Mrs. Marvin Wells, Mr. and Mrs. H. L. Marble and Eugene Beedy from Canyon. Carolyn Marble was bridesmaid at the wedding, and Eugene acted as groomsmen.

The Chester Hidalgoes, Mike and Leroy spent Saturday in Canyon and visited at the home of the Joe Giddens, formerly of Floydada.

Saturday afternoon the Frank McClures visited in the Lockney Hospital with Mrs. Willie Weast of Silverton and Mrs. Albert Stewart.

Visitors at morning services in the Baptist Church Sunday were Mr. and Mrs. Ed Noel and boys who are living on the farm formerly occupied by the Hamiltons.

The H. L. Marbles visited last week end in Strong City, Oklahoma with her aunt, Mrs. Mollie Rose and family.

R. A. Boys of the Baptist Church with Rev. Gillispie went to Wayland College Saturday night to see the Hutchinson Flying Queens play basketball. Those going were Nathan Mulder, Bill Bledsoe, Gary Morrison and Dennis Deavenport.

Corvaire coupes now in production

Chevrolet has added a new 2-door coupe to its Corvaire line and shipments to dealers are now under way. The new model of the rear-engine compact car has the same basic dimensions as the 4-door Corvaire sedan, but has its own distinct sporty styling motif. This is accentuated by a split front seat and a new roof design which features a large sloping rear window.

The Arlis Powells of Lubbock were church visitors here Sunday and went home with her folks, the Grigsby Miltons.

Saturday night visitors were members of the Sterley Methodist Church who enjoyed games of 42 at a party given in the home of Mr. and Mrs. Elmo Fortenberry. Attending were Messrs. and Mmes. Hansel Sanders, Douglas Reeves, Don Bean and Gordon McAda and Raney Varner.

Mrs. Skeet Thornton was in Lockney Hospital with a bad cold from Wednesday to Friday of last week. The McClures visited her at her home Sunday evening and report her better.

We are sorry to report the Thomas Pierce family is moving to Sand Hill very soon. They will farm the Hoffman place, and live in the J. M. Williams home. The children will attend school in Floydada. We will all miss the young families moving away.

The Johnnie Wilsons and son arrived home Thursday after spending two nights in Bonham with the Paul Snodgrass family on their way home from Louisiana, where they have been visiting since Christmas.

Mr. and Mrs. Bradford Beedy and sons of Lubbock and Mrs. Charles Beedy and children, Stinnett came for the wedding Sunday of Miss Jane Tye and Weldon Pruitt. They were all guests in the Bill Beedy home. Mr. and Mrs. Sim Reeves spent Saturday in Lubbock. Sunday they visited Mr. and Mrs. Ted Bell.

Boys from here who attended the Floydada football banquet Friday night were Eddie Parks, Allan Adams, Gary Morrison, Bill Bledsoe and Bud Higginbotham.

The H. L. Marble family and Russell King of Floydada attended funeral services in Quanah Thursday for a cousin, Mrs. Dick Dickinson.

P.T.A. members and friends enjoyed a book review Friday afternoon with Mrs. Roy Bledsoe speaking on "Preachers Kids."

The Sylvan Kinnibrughs and girls went to Fairview Friday night for a farwell party honoring Mr. and Mrs. Chil McClure, who have recently moved to Plainview. The party was held in the home of Mr. and Mrs. Shirley Irwin.

Mr. and Mrs. Murray Julian spent Friday in Post with Mr. and Mrs. Dick Althof of Roscoe. The Althofs are planning a trip to Germany in February where they will visit Mr. and Mrs. Terry Julian and Dee, Mr. and Mrs. G. A. McAda of Lockney spent Saturday night with the Fred Fortenberry family.

Mr. and Mrs. Philip Smitherman and Mark had Sunday dinner in Silverton with her folks, the J. K. Beans. They visited that night with the Joe Lee Bomers of Silverton.

Dr. Edward McMillan of Wayland was the guest speaker at worship services here Sunday morning on behalf of the Texas Alcohol-Narcotics Educational program. 90 were in attendance at church.

The Frank McClures entertained with a post Christmas and birthday dinner Sunday at noon for guests Mr. and Mrs. Don McClure and children of Crosbyton, and his parents, the W. W. McClures of Hillsboro. The turkey, ham, fruit cake and all the trimmings were in honor of their daughter, Jean, whose birthday it was.

The George Weasts spent Friday in Lubbock, and Sunday they went to Amarillo to spend the day and Monday with Mr. and Mrs. E. T. Evans and family. She had an appointment at her doctors this Monday.

Mr. and Mrs. Grigsby Milton Jr. were called to Amarillo this Sunday night by the extreme illness of his mother, Mrs. Grigsby Milton Sr. At this time we do not know the extent of her illness, but she has been in the hospital for some time and is suffering circulating stenosis.

CONDITION IMPROVES
Doyle Greer of Gorman, Texas who has been ill since November, is gradually improving at his home now. His mother, Mrs. N. E. Greer has recently returned home after being with him during a two weeks stay in a Gorman Hospital from which he was released on Christmas Eve. Greer suffered numerous complications from an attack of flu and strep throat. He began to show some improvement after receiving two blood transfusions, Mrs. Greer states.

Scots Started Leap Year Fad

It's Leap Year again... and you can blame the Scots for declaring it open season on bachelors.

They probably saw the custom of letting a woman pop the question as a way to put money in the treasury and take spinsters off the welfare rolls.

According to the research of World Book Encyclopedia, Scotland is said to have decreed in 1288 that ladies "of bothe highe and lowe estate" shall have the privilege of proposing during leap year.

If a man refused the offer, he was fined as much as one pound... unless he could show that another woman had a prior claim on his affections.

The ladies, however, had to give fair warning that they were out to catch a man. If the edge of a scarlet flannel petticoat wasn't clearly visible, a man was absolved from paying the forfeit.

France reportedly passed a similar law, and the ladies of Florence and Genoa are said to have been given the privilege before Columbus sailed to America.

The gallant English supposedly didn't need a law to make them give the fair but single sex a break. But they backed up the custom by depriving a man of benefit of clergy if he scoffed at a leap year proposal.

Even if he didn't hurt the lady's feelings, he was obligated to present her with a

silk gown... as a consolation prize.

CARD OF THANKS

We gratefully acknowledge the many deeds of kindness and concern extended to us during the illness in our family. We deeply appreciate your thoughtfulness. May God richly bless each of you.

Mr. and Mrs. W. A. Taylor.

HOME FROM TRIP

Mr. and Mrs. Voy Dellahunty, accompanied by her daughter, Mrs. W. R. Churchwell and family of Plainview, returned Friday after a two weeks trip to Arkansas, Missouri and through parts of Texas. At Bentonville, Ark., they visited Churchwell's sister, Mrs. Wayne McLain and family, former Lockney residents.

Sand Hill News

By Mrs. James Jeffress

The snow has melted but more fog and drizzle blanketed the community this week. We are thankful for the fine season and many farmers are anxious to get back into the fields.

Sand Hill Home Demonstration Club met Friday afternoon in the club room with the new president, Mrs. Orlon Miller in charge. The following committees were appointed: program and year books, Mrs. Jim Holmes, Mrs. T. C. Hollums, exhibit, Mrs. J. T. Myrick, Mrs. H. F. Jackson; education and expansion, Mrs. T. C. Hollums, Mrs. Wayne Billington; consumer education, Mrs. Orba Miller, Mrs. Kirk Slater; recreation, Mrs. Lynn Miller, Mrs. Walter Knight; civil defense, health and safety, Mrs. H. F. Jackson, Mrs. Jim Holmes; finance, Mrs. James Jeffress, Mrs. Hollis McLain, Mrs. R. L. Bullock, Mrs. Bill Stringer, Mrs. Orba Miller; citizenship, Mrs. Marvin Swanner, Mrs. R. L. Bullock; parliamentarian, Mrs. Lynn Miller; reporter, Mrs. James Jeffress; Sunshine committee, Mrs. C. B. Carmack. Names were drawn for secret pairs and plans were made to serve dinner at the Rafe Ferguson farm sale Jan. 26. Mmes. Carmack, Bullock, and McLain will plan the food sale. Mrs. Orlon Miller, hostess served refreshments.

Mrs. Walter Knight and Mrs. H. F. Jackson attended a training meeting Monday at Floydada.

Miss Judy Yandell of Floydada spent Monday in the home of Miss Jenice Miller.

Mrs. Jackie Myrick and Tom of Lubbock visited Sunday in the home of her parents, Mr. and Mrs. Fred Jackson.

Keith Hollums of Lubbock spent the week end here with his parents, Mr. and Mrs. T. C. Hollums and Norma Sue.

Mr. and Mrs. Jess Starkey spent Sunday visiting his brother, Charlie Starkey and family.

Mrs. Lynn Miller was hostess to a party in her home Monday morning. Attending were Mmes. Hollis McLain, James Jeffress, Orlon Miller and the agent. Coffee, fruit cake and lemonade were served.

Sand Hill 4-H Club met Monday night with Bobby Holt, president presiding. Judy Yandell led the 4-H pledge and

motto. Norma Hollums gave the devotional. Mrs. Lynn Miller and Marilyn McLain led group singing. Roll call was answered with "How I spent the Holidays." Warren Mitchell and Bobby Holt gave the council report. Beverly Jeffress and Mary Starkey presented the program on "Manners," followed by a discussion by Cecil Lewis on Club Projects. He named good beginner projects as electric, safety, poultry, gardening, livestock and a picture story should be made of each project. Mr. Lewis presented members a 4-H calendar. Adult leaders elected were: Lynn Miller, Hollis McLain. Food leader is Mrs. R. L. Bullock.

Food leader was elected. She is Mrs. R. L. Bullock. Mrs. Jeffress and Mrs. McLain served refreshments to Gene Bloys, Hollis McLain, James Jeffress, Cecil Lewis, Mrs. Lynn Miller, Mrs. Orlon Miller, Mary Starkey, Beverly and Jimmy Jeffress, David Mitchell, Judy Yandell, Norma Hollums, Nancy Miller, Marilyn McLain, Becky and Trudy Miller, David Bloys, Harold Starkey, Neil and Warren Mitchell, Rex Pope, Danny Watts, Jimmy Huckaby, Cecil Jackson, Janice Miller, Bobby Holt. The next meeting will be February 8. The program will be on Citizenship.

Church attendance was up Sunday and we all received a blessing from being there. Lets all try to attend the church of our choice each Sunday.

WEED CONTROL IN WHEAT

The best time to use chemical weed control on wheat is after the wheat has fully jointed and before it reaches boot stage. The most susceptible time for 2,4-D damage to wheat is boot and heading stages. 2,4-D, applied during these times can seriously reduce yields. One-half pound of 2,4-D per acre is the basic recommendation for annual weed control in wheat. Care should always be used in applying and using 2,4-D.

WHEAT FERTILIZATION

With a good season for wheat prospects and where irrigation assures adequate supplies of water for late irrigation the addition of nitrogen fertilizer may bring about increased yields and returns. Some fertilizer trails on time of application have shown that a top dress of nitrogen in February is as good as applying it before planting. Sixty to one hundred pounds of nitrogen as a top dress has given yield increases from 15 to 28 bushels of wheat per acre. The form of nitrogen, whether liquid or dry, has not made any difference in the final results.

SOIL FERTILITY DAY

The first planning meeting on Soil Fertility is being held today. Those serving on the committee are Edgar Hays, Hershel Carthel, Fred Byrd, Lockney; Horton Howell, W. B.

Mullins, Sterley; Gilbert Fawver, Baker; Fred Jackson, Sandhill; Earl Edwards, Jr., Lakeview; R. G. Dunlap, Kenneth Rimmer, Floydada; J. K. West, South Plains.

HOT DESSERT FOR A COLD DAY

Preheat the oven to 450 degrees. Beat 1 egg slightly and add 1/2 teaspoon salt to the egg. Peel 4 bananas and cut crosswise into halves. Dip the halves into the beaten egg, then roll in crushed cornflakes. It will take about 1/2 cup of crushed corn flakes for 4 bananas. Place the coated bananas in a buttered baking dish and brush them with melted butter. Bake in a hot oven set at 450 degrees for 10 to 12 minutes. Serve with sweetened whipped cream and ginger cookies.

Playing cards were the first paper money used in North America. World Book Encyclopedia says that in 1685 the French colonial governor of Canada failed to receive money from France to pay his troops. When the soldiers threatened to desert, the governor seized all playing cards and declared that they were to be honored as currency when bearing his signature.

The carat used in weighing diamonds was originally based upon the weight of the seed of the carob, a tree of the Mediterranean region, according to World Book Encyclopedia.

Dear Editor: I see where the government has decided to raise the price of steel by cahooting with the union for a billion dollar wage boost.

But my fretless neighbor says the steel companies can keep their prices down in spite of this additional expense if they will just hire the nearest farmer to manage their affairs.

On account of anybody who is still farming in 1960 obviously knows how to stay in business with costs going up and income coming down.

Biologists Ask Information On Kill Of Ducks

Austin — Some 4,500 Texas duck hunters will have an opportunity to provide information which will be helpful in setting up seasons and bag limits on waterfowl, according to the Director of Wildlife Restoration of the Texas Game and Fish Commission.

A random sample of 4,500 license-buying hunters have been sent a questionnaire designed to help the Commission regulate the annual game harvest, at peak efficiency.

This fact gathering questionnaire will provide grass-roots information on the yearly kill from the only people who can supply it — the hunters. This information, coupled with game population counts and habitat information, forms the foundation for a sound state-wide wildlife conservation program.

Hunters who receive the questionnaire are asked to fill out the card and return it to the Texas Game and Fish Commission in the Walton State Building, Austin, as soon as possible.

Newtons, Daniels See Mexico City

Mr. and Mrs. Arvie Newton and Mr. and Mrs. Robert Daniels returned home Friday night, January 1, from a vacation to Mexico City. They left Christmas morning and arrived in the world's second largest city on Sunday. During their three-day stay in the city they were guests in the Del Padre Hotel, a 12-story building covering an entire city block.

Among the many interesting places they visited within the city's 800 square miles was an ancient magnificent cathedral begun in 1500 and completed in the year 1800, the University of Mexico where 26,000 students are enrolled, and the ancient castle which still holds the possessions of Mexico's early governor. They also enjoyed tours of the beautiful parks with their floating gardens; museums, theatres, mansions of the country's movie stars, and many fruit groves.

The local travelers visited Monterrey during the return trip. This city of 30,000 residents embodies 500 factories, some of which were visited by the Newtons and Daniels.

"It was the most interesting trip we have ever taken," was the comment from Mrs. Newton.

S. S. Requirements For Farm Employees Are Listed

Farmer and rancher-employers with one or more employees are being asked two questions by John J. Sloan, Administrative Officer, of Internal Revenue Service, Plainview.

"Have you paid an employee \$150 or more in cash wages during 1959, or has the employee performed agricultural labor for you on 20 or more days during 1959 for cash wages figured on a time basis?"

If your employees meet either of these two tests you must withhold social security tax from the cash wages paid to these employees at the rate of 2 1/2 per cent of such cash wages. This 2 1/2 per cent, together with another 2 1/2 per cent representing your share as the employer, must be sent to the IRS district director in Dallas.

Mr. Sloan says that farmers and ranchers subject to this tax are required to file a return, Form 943, with their district director of Internal Revenue before January 31 of the year following the year covered by the return.

IRS recommends Circular A for non-technical explanation of Uncle Sam's tax rules for withholding of social security tax from farm employees' wages. It's available free at Internal Revenue's office, 118 East Seventh, Plainview.

Mr. and Mrs. Roy Teague of Lubbock spent Saturday night and Sunday visiting her grandparents, Mr. and Mrs. C. L. Callaway. Mrs. Teague is the former Bette Jefferson. Mr. Teague is employed with an auto parts company in Lubbock.

Rear Admiral Alfred T. Mahan, whose books did much to bring about a public awareness of U.S. sea power, died on Dec. 1, 1914.

Dear Editor: I see where a Texas citizen can now make one slight traffic bobble and get his personal auto insurance rate upped 20 per cent for three years; two bobbles, 40 per cent, etc.

My calculating neighbor figures under this system each ticket a Texas traffic officer writes is worth around \$60 in cash to some insurance company.

Which he says makes each hard-working ticket dispenser a rich asset to the under-writing business, and ought to entitle him at least to an honorary vice presidency in some good insurance money mine.

The year 46 B. C. was known as the "year of confusion," because the calendar was three months ahead of the seasons. World Book Encyclopedia explains that the Roman calendar was changed at the whim of politicians. To adjust the calendar to the seasons, the year 46 B. C. was given 15 months.

Legion Auxiliary Views '60 Goals

Mrs. Wilfred Stoerner, 19th District President, spoke to the American Legion Auxiliary Thursday night on the organization's goals for 1960.

Mrs. Stoerner urged members to work toward more and larger Veterans Hospitals since the present facilities are inadequate to meet the needs now prevailing.

The auxiliary in Lockney is much larger than it has ever been and is now able to do more and better community service. Members are urged to bring good used clothing to be placed in stock to help those needing the items.

The organization is also prepared to help any veteran's family with funds from the poppy sale. Needy families not eligible through a veteran, may be helped through the auxiliary's general fund, officers state. Anyone knowing of such cases are asked to contact the Auxiliary.

The January "42" Party will be held Friday night, January 15, at 7:30 at the American Legion home. Those wishing to play bridge or canasta are also urged to attend. A large crowd is expected to begin the activities of the new year.

Newcomers Club To Hear Program On Charm

Mrs. Wynona Allison will be the guest speaker for a meeting of the Newcomers Club Wednesday, January 20, in the home of Mrs. J. M. Tye. The meeting will begin at 3 o'clock. "Beauty Hints and Charm" is the subject Mrs. Allison, beauty culturist, will discuss.

The year books will be ready for distribution to all paid members.

Mrs. Hall Ferguson Honored on Birthday

Mrs. Hall Ferguson was honored with a surprise gathering of her neighbors Wednesday morning on the occasion of her birthday and to see the Ferguson's beautiful new home.

The friends arrived at 10 o'clock bearing refreshments and gifts.

Cinnamon rolls, doughnuts and coffee were served to Mmes. Johns Cox, Mondell Mills, Harmon Handley, R. C. Mitchell, Chester Mitchell, Ray Aston, Bob Muncy, Alton Noland, Weldon Smith, Elmer Biggs, L. C. Pruitt, Alvin Wilson and Carl Ferguson.

NEW ARRIVAL

Mona Beth is the name Mr. and Mrs. Deanie Henderson of Lone Star Community have given their baby daughter who was born Saturday morning at Plainview Hospital and Clinic. The baby who weighed seven pounds, five ounces, has a three-year-old sister, named Ginger Kay. Her father is a farmer. Grandparents are Mr. and Mrs. G. E. Kellison and Mr. and Mrs. Bailey Henderson, Lockney.

MOVE TO LUBBOCK

Mr. and Mrs. Donald Allison moved Saturday to Lubbock where he is employed with the McCormick Steel Company. Donald recently received his discharge from the armed services and returned Christmas Eve from a seven-month stay in Hawaii. The couple is at home at Midway Apartments, Apt. 2, 1809 Broadway. Donald is a graduate of Texas Tech.

District Scout Banquet Set For Monday Night

At the Haynes Boy Scout District Annual Banquet Jan. 18th awards and special recognition will be given to those achieving them during the year. The banquet is for recognition of units and unit leaders in Scouting doing an outstanding job during the past year.

Special awards will be given to District Scouters who have done outstanding jobs throughout the District.

Jim Word of Floydada served as chairman of the awards committee and will present the awards at the banquet.

The new officers for 1960 will be installed by the South Plains Council President.

Arrangements for the Estacado Junior High School cafeteria and the meal to be served by the ladies of the school were made by Dan Brown. The Banquet will begin at 7:30 p.m. in Plainview.

All Scouters are invited to come and bring their families. An interesting program has been planned for everyone.

E. E. Dyer Dies At Muleshoe

E. E. Dyer, a former Lockney business man, died in West Plains Hospital at Muleshoe last Friday morning. Mr. Dyer had been critically ill for several days. He was 79 years of age.

Funeral services were held at the First Baptist Church in Muleshoe Saturday at 2 o'clock. The pastor, Rev. E. K. Shepherd, officiated and burial was in Plainview Memorial Park.

Attending the services at Muleshoe were Mr. and Mrs. Floyd Barber, C. F. Barber, Mrs. Sallie Griffith, Mrs. Payton Powers, Mr. and Mrs. Marvin Sams and Mrs. Buck Sams. Quite a number of others from Lockney went to Plainview for the interment.

Mr. Dyer was born in Breckenridge, Texas, but the family moved to Plainview when he was young. He was married in 1909 at Globe, Arizona, and the couple came to Floyd County in 1911. He was in the oil and gas business here for a time, selling his business to the Lockney Consumers Fuel Association when it was organized. Later he had an auto agency and then went into the hardware and furniture business. The family left here in 1939, moving to Muleshoe where he entered the furniture business. He had retired in recent years.

Mr. Dyer was a member of the Muleshoe First Baptist Church and the Masonic Lodge. Survivors include his wife; one son, Roy of Muleshoe; a daughter, Mrs. Howard Cox, also of Muleshoe; a sister, Mrs. Henry Slaton of Muleshoe; and one grandchild.

Income Tax Evasions

By Jake Wofford
Our national income tax collecting is as full of holes as a fishing net. If it was not for some of the dishonest people of the United States evading their income tax the honest people would not be enforced to pay such a great amount. For about ten years both honest and dishonest people would have to pay large amounts but after the national debt is paid every person's income tax would be cut from one tenth to one fourth per cent.

If everyone would stop and think what you are buying and not just giving your money away; people would not argue about paying but be glad to pay. Other people say that they would not like to make more money because the rate goes up, but if they stop to think the more money they pay the more money they make. The people of the world would pay more than we do for freedom.

Thousands of young men and women have bought freedom for us with their lives and now we gripe because we have to pay a few dollars. Almost everyone who gripes the most was at one time or the other touched by the wars of our nation then they were glad to pay.

Stop!
Think!
Reason!
See if your money is not well spent.

By Jane Carol Phillips
Cheating on one's income tax is being unfair to the Federal Government and also to other citizens. The treasury is composed mostly of the money received from income taxes and through this, citizens are protected, for the Federal Government provides for the general welfare and promotes the common defense of our country.

When one cheats on his income tax he is keeping money that is unfairly his and in the long run he is harming himself. He is also lowering his standard for in a way he is stealing and this is a crime and wrong. So to better yourself and to keep your standards on the same level they were, don't cheat on your income tax.

By Oyama Buchanan
Is it terrible to cheat on your income tax? Some people say yes and some naturally say no. However, if a person is allowed to get away with it then he is a lot luckier than some people I know. If he cheats only a small amount, he will more than likely not be condemned. If the amount is very high, the person had better head for the hills. Of course it is not alright to cheat, but I say, since our taxes are so high anyway, if you do not feel guilty about it, put down your married daughter or brother's kids for dependents and think no more about it. However, here is where the rub comes in. The people who do have a conscience will soon be discouraged when they see how much their neighbors are profiting by cheating. So, when you cheat on your income tax remember; you're not only hurting your own self, reputation-wise, but you are also harming your neighbor, who happens to have high moral standards,

Farm Facts

We have never been so well fed for so little despite more people in the U.S. and fewer farmers to feed them.

By letting him see you cheat and profit. So, for best results, do not cheat yourself, your neighbors, or your country; do not cheat on your income tax.

By Eleanore Boxter
The T-men will begin working again on those who have escaped paying income tax. Dishonesty is dishonesty where ever it is, in school, in business or in income tax paying.

People may not realize it but when they do not pay their income tax they may be helping themselves in some ways, but they are really hindering themselves while hindering their country.

The national debt probably would not be so big if every one was honest and paid their income taxes.

Are you one that is working against your country in this way? Is your income over \$600 per year? Do you see little T-men chasing you in your dreams at night?

By Jack Ford
There are many people that are caught each year that are charged with income tax evasion. There are many people that are not caught. Some people cheat the government of several thousand dollars and some for only a few dollars but either way if you get caught you are punished just the same. When a person is caught for not paying income tax the punishment can be a fine, imprisonment or 50% of the money he did not pay income tax on can be taken and your punishment can be all three.

There are many ways of decreasing your income tax legally. Some people lessen their taxes by placing their property in a corporation, by declaring their parents as dependents, giving their children money and many other ways.

By Donna Baughman
Our taxes today seem to be getting higher every year and it's also becoming harder to pay them each time. However, people who evade paying their taxes are, actually, cheating no

one but themselves. Constantly, people are talking about the government using their money foolishly and too freely. I think that if people would stop and think that they are the government and that the money is going to themselves, they would understand better the money's use. If the citizens do not like the way in which their money is spent, they should say so instead of sitting around and talking about it. I just wish people would remember that in this country they are the rulers and when they pay taxes they are paying for their own services and protection. So please, pay your taxes and if you don't approve of our government, say so. It's yours.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Most important date for the Texas voter is Jan. 31.

After that it will be too late to get a poll tax receipt that will enable him to participate in this year's merry-go-round of political events.

Since 1960 is a presidential election year, lines will probably be long on the night of the 31st. Safest course is to do it now.

This year's poll tax receipts, for the first time, have a place for the owner's party affiliation to be stamped. But the voter doesn't have to decide this when he pays the tax.

Decision is made when he casts his primary vote. A person who votes in the Democratic primary will have his receipt stamped "Democrat." That means he can't go to a Republican convention that evening.

Also, if he fails to go to the Democratic primary to vote and doesn't have his receipt stamp-

ed at all, he can't get into a Democratic precinct convention.

As far as the general election in November is concerned, the new party registration law apparently makes little difference. There would be no way for anyone to know whether the holder of a receipt stamped for one party voted that party's straight ticket in the general election.

BLANKETS STATE — First goal of the Johnson-for-President organization in Texas has been reached.

Clubs have been organized in all 254 counties in the state, according to Director Larry Blackmon.

Goal was reached just about a month after the state headquarters was set up in Austin. In addition, there are about six other clubs in Texas and several out of state.

Supporters of Sen. Lyndon Johnson are expected to keep the state lively during the coming months.

RELOCATION PAYMENTS UPHELD — City officials and private utilities are joyful over a State Supreme Court's decision that will save the cities and companies some \$28,000,000.

High court ruled constitutional the law that provides for the state to reimburse cities and companies for the expense of moving utilities for interstate highway building projects.

Law was passed by the Legislature in 1957. It was challenged by the Attorney General's Department for the

ing months. Highway Department on grounds it violated the constitutional prohibition of "donating" public funds to private firms.

Austin, Dallas and four utility companies were combined in the test case. Their attorneys contended the reimbursement was simply payment for work done for the state.

Austin city officials called the decision "a lifesaver." It will save the city \$300,000 on one project. Dallas County will save an estimated \$9,000,000.

Ninety per cent of the money the state spends on the interstate highway system comes from the federal government.

AUTO RATES BECOME ISSUE — Pros and cons of the new merit rating system for auto insurance are expected to be at issue in the 1960 campaigns.

Some legislators have been highly critical of the plan to make drivers with accident and violation records pay more for insurance. Other lawmakers have defended it.

Gov. Price Daniel says he favors correction of any inequities that may exist in the program.

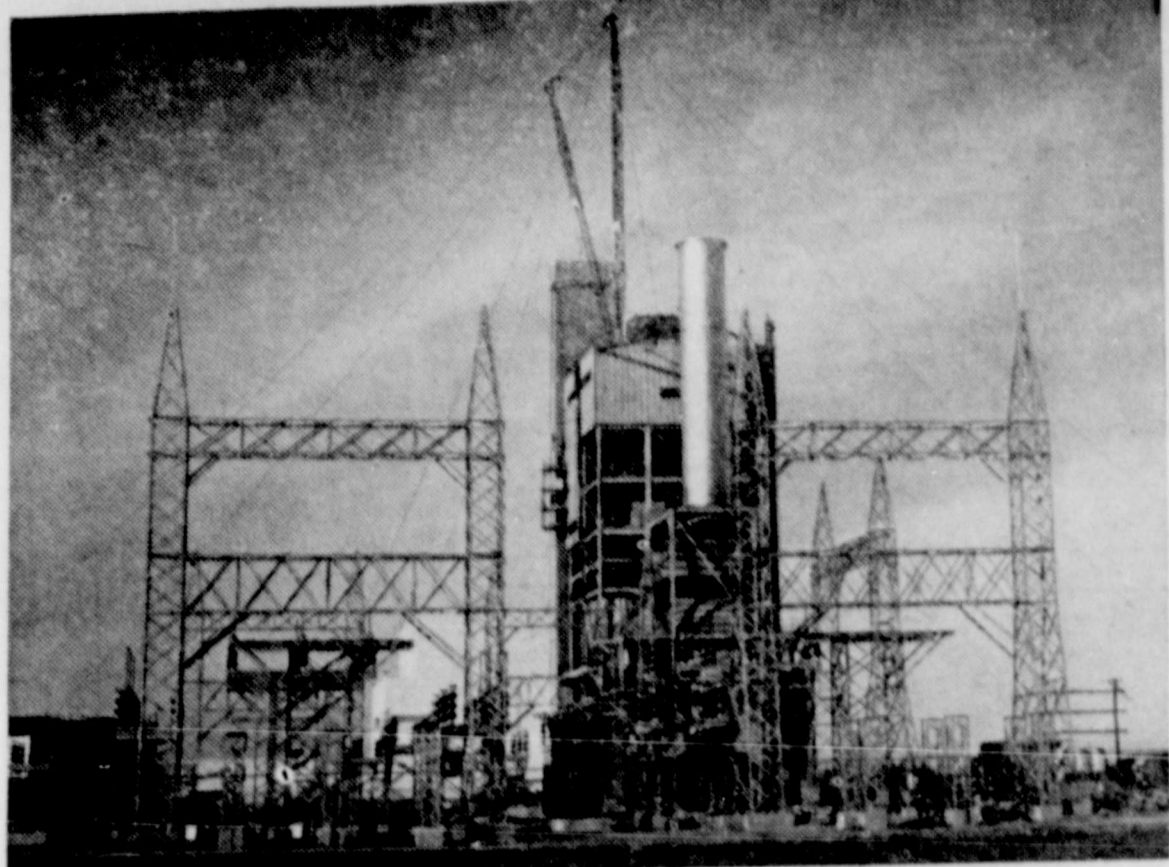

Industry is divided. A spokesman for the National Association of Independent Insurers has announced that his group will try to get the Insurance Board's plan replaced with a flexible rating law. Legislature has twice turned down flexible rating, which allows companies to set their own rates.

Other industry groups have endorsed the merit plan, some with statements that it may need adjustments, but should be given a fair trial.

THERMOMETERS "LEGALIZED" — All the people who have been unknowingly breaking the law in regard to possession of mercury are off the hook.

Court of Criminal Appeals has declared void an old, forgotten section of a law making it a felony offense to have mercury without a bill of sale or proof of legal ownership.

Law was aimed at preventing the stealing of mercury from pipeline meters. Uncounted thousands of housewives and doctors have flaunted it by buying thermometers and medicines containing mercury and throwing away the bill of sale.

Part of \$18,325,000.00 Southwestern Public Service Company 1960 construction budget will go to build second unit in this giant new electric generating station, north of Amarillo. So fast is growth of area served by company that construction, doubling size of station, will begin before first unit starts producing electricity in June.

ability of a new Trinity River Dam near Houston is still a point of controversy before the State Water Board.

Hearing began in November, recessed for the holidays, then began again with all participants swinging hard.

Houston and the Trinity River Authority are asking a permit to build a dam and a salt water barrier. Project would supply an estimated 1,200,000,000 gallons of water daily, the better part to be used by Houston.

San Jacinto River Authority is opposing the dam. Its spokesmen contend Houston should develop the San Jacinto and leave Trinity water to the Trinity basin.

SHORT SNORTS — State cigarette taxes for December totaled \$6,738,896, almost a 50 per cent increase from a year ago. Liquor tax collections also were up, said the state treasurer's office, from \$900,318 in December, 1958, to \$1,154,041 this year. . . . A statewide survey of the problems of Texas oldsters is planned by the governor's committee on aging.

Sen. Crawford Martin of Hillboro is chairman of the committee which is to hold a state conference next fall.

TRAFFIC TOLL CUT—Texans were more careful than expected in their year-end travel. Department of Public Safety predicted that 111 would be killed on the roads during the Christmas - New Year period. Tentative total is only 91. There may be more if some of those seriously injured do not recover. Col. Homer Garrison Jr., DPS director, thanked all the news organizations, official agencies and law enforcement officers who worked to make Texans safety conscious.

Legion Urges Return To Americanism And Spiritualism

By Paul Teuton, Adjutant

The National American Legion is urging a "Back To God" movement within all local posts during the current year 1960. At the same time, they are making an appeal to their members and the American people in general to become more conscious of their "American Heritage". The following article is the first of a series that will be published in the ensuing months by the local American Legion, Landrum Post No. 141.

The American Legion cherishes four great principles: Justice, Freedom, Democracy and Loyalty. Its pledge is service to the disabled, the distressed, the widowed and the orphaned. The cause of service to community, state and nation is jealously guarded and opportunity to serve is offered to all its members.

Justice is one of the noblest concepts of the human heart. True justice makes no distinction of persons. It recognizes neither high nor low, neither rich nor poor, neither the classes nor the masses. Justice is the guiding star of life and

upon it rests the future of our nation. It transcends all boundaries of race and creed. Justice lights the way of friends and comrades. To our sick and disabled comrades, justice has been and always will be the first concern of the American Legion. The rehabilitation of those men and women who have so bravely offered their all to their country, the relief of those who have suffered by that sacrifice is our hallowed duty. Vigilance must ever be the watchword, that none shall feel the injustice of work undone. The American Legion is ever mindful of its duty to the nation, and of the duty of the nation to those who answered its call in time of war.

FREEDOM is, among all the rights of mankind, held most dear. Freedom is an ideal of surpassing strength, for which our people throughout the years willingly have fought and died. It is the power of self-determination. In the War of the Revolution, Freedom was won for the people of the United States; and in the World Wars, the torch of Freedom led and in-

Nation Salutes Texas Champions

Santa Claus arrived early for six Lone Star 4-H'ers who were honored with 181 other national winners at the recent 4-H Club Congress in Chicago.

The five lucky ones who received \$400 scholarships are: (back row from left) Judy Andert, Bryan, clothing program—Coats & Clark award; Herky Killingsworth, Paducah, entomology—Hercules Powder Co.; Ada Lou Hartman, Corpus Christi, food preparation—Betsy Crocker of General Mills; Anthony Dresser, Gainesville, tractor—Humble Oil and Refining Co.

Also front from left: Roy Dee Greg, Plainview, boys' agricultural—International Harvester; Jerry Barta, of Marlon, who excelled in beautification of home grounds, an expense-paid trip to the congress and 19-jewel wrist watch from Mrs. Charles Walgreen, Chicago.

Nearly 2,000 club members, leaders and guests from 50 states and Puerto Rico attended the congress, and saluted the 187 national winners introduced at the grande finale banquet. The Cooperative Extension Service selected the winners.

spired the American forces through the darkness of conflict. The American Legion is a free organization of free men and women, faithful to the ideals that made it possible. Our duty is to see that nothing is done by any man or men to curtail the freedom of the people of the United States, whose foundation is the rock of liberty. Our American Legion has interested itself in freedom from injustice to the children of our nation. No nation can long endure that fails to care for its future citizens. No greater assurance for the future can be offered America than that promised by education and care of the children. The American Legion has taken a lead in the child welfare work of our country, and it labors toward the end that the youth of our nation may know that freedom from want, ignorance and tyranny are God-given rights and

Fertilizer Not Profitable On Soy Beans

For the third year, fertilizer used on soybeans did not increase the yield enough to pay the cost of fertilizing at the High Plains Research Foundation at Halfway, Delbert Langford, Assistant Agronomist, reported today.

The 1959 fertilizer applications used on the Lee variety of soybeans included nitrogen, phosphorus and potash. The form of nitrogen used was anhydrous ammonia (82% nitrogen), phosphorus was phosphoric acid (37% P₂O₅) and potash was muriate of potash (60% K₂O).

Rates of application were forty pounds of nitrogen, eighty pounds of phosphorus and eighty pounds of potash. Each of these were applied alone and in all combinations. Forty pounds of nitrogen alone increase the yield only 13 bushels per acre, forty pounds of nitrogen and eighty pounds of phosphorus gave an increase of only 54 bushels. The highest increase was obtained with the application of forty pounds of nitrogen and eighty pounds of potash, which gave an increase

of 231 bushels per acre above the non-fertilized plots. The value of the increased yield on this test at current prices was \$4.50 per acre, but the fertilizer cost amounted to \$6.70.

In reporting these results Mr. Langford pointed out that chemical analysis of the soil upon which these tests were conducted, show an ample supply of phosphate and potash. Nitrogen, though not in ample supply in the soil, is produced by the micro-organisms growing on the roots of the inoculated soybeans.

Sterley News

Mrs. Virgil Adams

Mr. and Mrs. G. P. Nelson are planning to celebrate their Golden Wedding Anniversary Sunday, Jan. 31, with open house at their home in Sterley Community with calling hours from 1 until 5 p.m.

Beulah Angerson and G. P. Nelson were married Jan. 31, 1910, at Alexander City, Alabama, by Justice of the Peace Ebb Vernein. They moved to Quanah, Tex., in 1925 and came to Floyd County in 1947 and starting the Sterley filling station and laundry. They closed the laundry about three years ago, but still operate the station.

The Nelsons have four sons, Amos and Clarence Nelson of Abernathy, Earl Nelson of Quannah, Jodie Nelson of Elmore, Ohio; 17 grandchildren; 12 great grandchildren. They wish to invite all their friends and neighbors to help them celebrate.

Duward Reeves is still receiving treatment at Lockney General Hospital.

Mr. and Mrs. R. E. Hopper of Lorenzo spent Saturday night and Sunday in the Duward Reeves home.

Young people of Sterley Methodist Church enjoyed a 42 party in the home of Mr. and Mrs. Elmo Fortenberry Saturday night. Refreshments of cake, cookies, coffee and cocoa were served to Mr. and Mrs. Doug Reeves, Mr. and Mrs. Hansel Sanders, Mr. and Mrs. Don Bean and son, and Ranie Barner.

Mrs. Joe Reeves, who has been receiving treatment at Lubbock Methodist Hospital, got to come home Saturday and is feeling fine. We hope she will continue to improve and be out again real soon.

Mr. and Mrs. G. P. Nelson attended church at Tahoka Sunday.

Mr. and Mrs. Dean Puckett visited in the Bob Lane home Friday afternoon. He has just returned from serving about two years in service. His wife had been with him, but returned about a month ago. The Pucketts were living in Lubbock when he was called for service and will probably return there. Mrs. Puckett is a sister of Bob Lane.

NEW ARRIVAL

Mr. and Mrs. Bobby Davis of Lockney are parents of a son born Saturday, January 9, at 8:30 a.m. in Lockney General Hospital. The young man weighed seven pounds, two ounces, and was named Bradley Wyman. The father is a teacher and coach in Lockney Junior High. Grandparents are Mr. and Mrs. S. A. Davis, Brownwood, Mr. and Mrs. D. W. Duncan, Plainview.

LEAVE FOR VALLEY

Mr. and Mrs. T. B. Mitchell left Sunday afternoon for Port Isabel where they will spend the remainder of the winter. Enroute they will visit in Breckenridge and Mineral Wells.

of 231 bushels per acre above the non-fertilized plots. The value of the increased yield on this test at current prices was \$4.50 per acre, but the fertilizer cost amounted to \$6.70.

In reporting these results Mr. Langford pointed out that chemical analysis of the soil upon which these tests were conducted, show an ample supply of phosphate and potash. REMEMBER HIM ALL YEAR ROUND!

OLD KING COTTON shouldn't be neglected at any time of the year by the people of the High Plains of Texas. We should keep him in mind the year round — especially when we are buying clothing! Since we derive a large portion of our livelihood from cotton it is only good judgment to insist on cotton when we are buying clothing — either for work, play or dress.

YOU'LL PROFIT both ways when you buy cotton — not only are you patronizing yourself but you are getting the most comfortable, most versatile, most durable type of wearing apparel.

Let's Talk about Money

...it's a fascinating subject

Buy . . . where your trade has a chance to improve your own economy

Money is very beautiful stuff to look at . . . not so much, perhaps, because of its artistic design as because the sight of it reminds us of the many pleasing and necessary things it can do for us.

. . . Yet . . . if we're not careful about how we handle it, we may thoughtlessly cheat ourselves out of some of the finer things our money can bring us.

. . . Because only a part of each dollar we spend puts actual goods and services into our hands. Whether we like it or not . . . some of that dollar also goes to-

ward the upbuilding and support of the community in which it is spent . . . to pay for the schools and churches, the roads and streets, the police and fire protection and other social facilities that make up modern living . . . and to make stronger that community's economy.

. . . If the area benefitting from our trade is that in which we live, then we get for ourselves all that our hard-earned money pays for . . . and often many times over . . . in better business, better jobs, better living among more good and useful neighbors.

It Pays to Buy where you Live

YOU get everything that your money pays for . . . merchandise **AND** a trade-invigorated community to live in . . . when you buy from your home town merchants . . .

DeJuan Strickland Is Honored

DeJuan Strickland, who operates a ranch in South Dakota, was honored at open house in the home of his parents, Mr. and Mrs. W. C. Strickland in Plainview last Sunday afternoon. He was in Plainview for a holiday visit.

BROTHER PASSES

J. Frank Hand, 77, brother of Mrs. Willie M. Anderson of Lockney, passed away at his home in Missouri Valley, Iowa, on January 4, 1960. He had been ill about a month with pneumonia and other complications. Survivors include six children and a host of grandchildren.

FOUND — White Pekinese dog with red harness. Owner call Robert Lee Smith.

Don Hatch Resigns Position Here

Don Hatch has resigned his position as assistant manager of the Lockney Co-op Elevator effective last Saturday, January 9th. He had been associated with the elevator for some five years, working first for his father-in-law, Charles Baxter. Harold Ellison has been promoted to assistant manager of the elevator, according to Mondell Mills, manager. Plans of Mr. and Mrs. Hatch are indefinite at this time, he

said Monday, but they will continue to live here for the present.

LEAVES FOR COAST

Mrs. Lois Benefield plans to leave Friday, January 15 for San Diego, California where she will visit with her son, J. W. Paschal for several days. She will make the round trip via plane. J. W. has recently returned from an eight months tour of duty with the U. S. Navy in Japan and will have a 72 hour leave during his mother's visit.

Floydada Bowling Alley To Open

The Cotton Bowl Lanes, a new bowling alley at Floydada, will open its doors tonight (Thursday) for the first time to the public. Eight lanes and modern equipment, the new recreation plant is located in the northwest edge of Floydada on the Lockney highway. Formal opening will be held Saturday of this week. League play will start soon and several leagues will be organized, according to Pat Young, manager.

CUB PACK MEETING SET FOR JANUARY 21

Cub Pack Number 59 will meet Thursday, January 21, at 7:30 at the Grade School Cafeteria. Robert McDonald is the new Cub Master and he is anxious that all pack members and their parents as well as other interested boys and parents be in attendance for reorganization and to renew the charter. All boys age 8 to 11 are eligible to belong and new packs are to be organized, Mr. McDonald states.

AT AMARILLO AIR

Mr. and Mrs. Elmer and children visited the son, Larry, now stationed at Amarillo Air Force Base recently completed training at Lackland, San Antonio and will attend technical school at soon.
