Band Boosters Make Fall Plans
 C. L. Record, president, was in charge of a meeting of Lockney Band Boosters Club Tuesday night at the band hall.

The treasurer reported only 24 band boosters have paid their dues for the year. The dues are \$1 each and other parents of band members are urged to bring their dues to Mrs. Henry Williams, treasurer. A special convassing board was extended to Charlie Boedecker who donated \$25 to the band boosters club.

Mrs. Fritz Schacht was placed in charge of arrangements for the concert and which will be operated by Band Boosters during the Lockney-Muleshoe football game Friday, November 4, the home game.

The band is sponsoring the sale of Christmas cards and they are now on display at Lena Fawver's. Patrons are urged to see them and place their orders so band members will not have to make door to door calls.

Orders may be placed by calling Mrs. Lavern Carthel or Mrs. John Carthel. A 21-card box sells for only \$1. Also available are no-dollar packages of chocolate covered almonds in plastic boxes for gifts.

Walt Burkhalter insisted that the children be in at least 15 minutes of practice on their instruments each day. This will keep them up with the other band members as a unit.

Burkhalter showed films of the band at the Levelland contest and several of game half-time performances, one included the playing of the band king and

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 59

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, OCTOBER 27, 1960

NUMBER 29

MRS. ALMA DUTTON receives a pin recognizing 15 years of service to Lockney schools from Kenneth Wofford, president of the Lockney school board.

"Teach 'Em To Mind," Farley Tells Audience

"The most important thing in the rearing of children is to teach them to mind," Cal Farley, founder of Boys Ranch told an audience of 200 attending the annual Teacher Appreciation Banquet here last Thursday night.

"Children must be taught to obey and to respect other people if they are to be the right kind of citizens and stay out of trouble," Farley said.

Farley described the growth of the Boys Ranch home and of the many problems which confronted the builders during the years. He said that most boys at the Ranch had not been in trouble, they were just homeless boys who needed a home.

"We have five boys who have killed, a good number who have stolen cars, but here we try to rehabilitate the boy and make a good citizen of him," Farley continued.

He said that most of the boys who give trouble at the home have a very high IQ. Some they have not been able to save and they wound up in reform schools but most have been turned into good citizens.

Farley in a 45 minute speech sold the audience on the worthwhileness of Boys Ranch and the wonderful work it is doing in helping boys.

Previous to Farley's talk, service pins had been presented to 12 school teachers and employees by Kenneth Wofford, president of the school board.

Mrs. Alma Dutton, grade school principal, was presented with a pin for 15 years service to the local system. Receiving 10 year pins were Mrs. Lou Brewer, Mrs. Viola Conner, Mrs. McClee Brewer, Eunice Coleman, and Polly Gilbert.

Five year pins were given to Mrs. Essie Nicholas, Mrs. Leona Watson, Mrs. Lena Sue Babitzke, Troy Lemley, Henry Ford Jr., Mrs. Alice Ford, Supt. H. H. Nicholas introduced the school board and administrative staff and the principals introduced the teachers in their respective schools.

R. C. Mitchell was master of ceremonies and Bob Miller arranged the program and introduced the speaker. Rev. Temple Lewis gave the invocation. Miss Eulalia Sanders furnished background music for the occasion.

The tables were laid with white, with a brown streamer down the center. The head table was centered with a large pumpkin filled with an arrangement of orange, bronze and yellow chrysanthemums and colored leaves.

Fall berries and leaves decorated the base of the pumpkin. Smaller pumpkins and flower arrangements placed at intervals along the tables were interspersed with slates bearing notes of thanks and love to the teacher. A large paper slate with a "Thank You" note was placed on the wall back of the speaker's table.

The menu also carried out the fall colors with turkey, dressing, giblet gravy, buttered carrots, lime Jello with cottage cheese and pineapple, hot rolls, butter, iced tea, pumpkin pie with whipped cream.

Student Council Plan Western Week
 The Student Council of LHS met Tuesday morning at 8 o'clock to discuss plans for Western Week but no definite date was set.

Bill Mangold, president, was in charge, and reported that the wood not used at the Homecoming bonfire would be burned at a pep rally before the Muleshoe game next week.

Other matters of business included plans for Twirp Week and the problem of the stairways.

LaVeta Jones And Doyle Freeman Are Band Royalty

Miss LaVeta Jones and Doyle Freeman were crowned as Lockney Longhorn Band royalty in ceremonies at half time during the Friday-Abernathy football game last night.

Runners-up for queen were Carolyn Harris and Janis Carthel.

Runners-up for king were Joe Frank Hawkins and Clar Schacht.

At the half-time ceremony the band marched onto the field and formed a heart and played "Let Me Call You Sweetheart."

C. L. Record, president of the Band Boosters Club, placed the crowns and robes on the royal pair and presented each a sterling silver disc engraved with their names and their royal title.

The queen also received a bouquet of mums.

Floyd 4-H'ers Win At Dallas

A number of Floyd County 4-H club members won places with their livestock at the State Fair of Texas, Dallas, last week.

A hasty survey by The Beacon showed the winners in the Lockney community:

Bob Kropf's Hampshire lamb won first place in this division and Jim Kropf had a lamb which placed 19th in the Southdown division. Paulette Kropf's lamb won 10th, Bob's won 13th and Jim's won 15th.

In the Chester White swine division, Jim Kropf showed a barrow to 5th place in the light division, Paulette showed the 4th place medium weight and Bob showed the 5th place heavy weight.

In addition Bob was selected as one of the top six 4-H members to compete for the showmanship award in the lamb division.

Also showing in the Chester White swine division were Randy and Lauretta Lacey. Randy showed a barrow to 2nd place in the light weight class and another to 6th place in the medium weight class. Lauretta showed the second place heavy weight, 3rd place medium weight and 4th place light weight.

Randy was also chosen to compete for showmanship in the swine division.

Stanley Abbott showed two Hampshire barrows in the swine show, but placed low. Steve Belt showed two Hampshire barrows which placed 6th and 12th in the heavy weight class.

Longhorns Face Mighty Olton Mustangs Friday

The Longhorns will face probably their toughest opponent of the season Friday night when they journey to Olton to test the revenge-hungry Mustangs. Game time will be 8 o'clock.

Last season the scrappy Lockney lads were the lone 2-AA outfit to stop the Olton eleven. Friday night the Mustangs will be seeking revenge for that 8-6 loss.

Olton will field virtually the same unit which copped the District 2-AA crown last season and appears well on the road to another district title.

The Mustangs have huddled seven foes this season without suffering a loss.

In 2-AA action they downed Muleshoe 35-22 and outscored Morton 38-22. The Morton tilt was played last Friday.

Lockney, rated one of the district toughies, will be trying to get back on the victory trail this week after dropping their first two 2-AA tussles to Floydada and Abernathy.

For the past two seasons the local eleven has upset the district champion, and Olton appears to be the class of the district this season.

The Longhorns will carry a 3-3-1 mark into the contest.

Coach Walter "Jo Jo" Bryan is in his first season as head man of the Mustangs after serving as an assistant at Plainview High for the past few seasons.

He replaces Joe Turner, one of the most respected coaches in the area and long-time mentor at Olton.

Coach Bryan will field a team composed of eight seniors and three juniors Friday night. The Mustangs have experience aplenty with eight starters from the 1959 club.

Among those returning are the one-two backfield punch of fullback Robert Priest and halfback Randoe Buchenau.

Priest is a big, fast boy who runs very hard. He has been compared with Dimmitt's Junior Coffey this season. Buchenau is a speed demon and good broken field runner.

Rounding out the backfield are quarterback Johnny Schenk and halfback Miller, both small but fine athletes.

The Mustangs also boast a rough and ready line, spearheaded by tackle Robert Hooper. Hooper, a 200 pounder, was All-District and All-South Plains last season.

Other standouts are center Robert Duncan, blocking back last season, and tackle Bobby Brown, an end last season. Both guards are also rough customers.

End Fred Riney is another starter from last year's rugged eleven.

Charles Burrus, a corner man on defense, is the only boy under junior classification to see much action for the Mustangs.

He is a sophomore. Rogers, a senior, is inserted at middle guard at times.

The defending district champions rely primarily on their powerful running attack. But they can fall back on a reliable passing game when necessary.

Coach R. L. Rhoten indicated Tuesday that, barring practice injury, his forces should be at full strength for the Olton tilt.

Mrs. Badgett Is Welfare Worker

Mrs. Gladys R. Badgett, a resident of Floydada, is in training at Austin at the present and will take over management of the State Department of Public Welfare office at Floydada on Wednesday, Nov. 9.

It was announced this week by County Judge J. D. McBrien.

Mrs. Badgett will be in charge of welfare work in Floyd and Briscoe Counties.

The local welfare office has been without a worker for several weeks.

Death Claims J. Becton Potts Wednesday

Joe Becton Potts, age 69 years, died at 11 a.m. Wednesday in the Plainview Hospital & Clinic where he had been a patient for several weeks.

He had been in ill health for some three years. He lived six miles north of Lockney on Farm Road No. 378.

Funeral services will be held Friday afternoon at 3:30 in the First Baptist Church here conducted by the pastor, Rev. Charles Broadhurst.

Burial will be in Plainview Memorial Park under the direction of Carter Funeral Home of Lockney. Lockney Masonic Lodge No. 867 will be in charge of a graveside service.

Mr. Potts had been a resident of this community for 55 years. He was born March 22, 1891, at Quanah, Texas, and moved to Floyd County in 1905.

He was married to Miss Margery Sutton on December 1, 1912, here.

Mr. Potts had farmed most of his life but had also worked as a carpenter. He was a member of the First Baptist Church of Aiken and of the Lockney Masonic Lodge.

Survivors include his wife, Mrs. Margery Potts; two sons, Melvin Potts of Lockney and Joe Becton Potts Jr. of Wichita Falls; two daughters, Mrs. George W. Hay of Lubbock and Mrs. T. J. Robertson of Olton; his mother, Mrs. G. S. Potts of Plainview; and a sister, Mrs. Harry Whitfill, also of Plainview.

Ten grandchildren and one great-grandchild also survive.

Pallbearers will be Gene Belt, Paul Cooper, Leon Wofford, Chester Mitchell, Joe Handley and Dale Lacey. Honorary pallbearers are T. B. Mitchell, R. C. Mitchell, Melvin Brock, D. L. Handley, W. B. Mullins, Hubert Frizzell, Clyde Stapp, Oliver Holmes, John Holmes, Oscar Lucas.

Absent Ballots Indicate Heavy Voting Nov. 8th

The number of absentee ballots cast thus far in the general election indicate that voting will be very heavy.

County Clerk Margaret Collier said Wednesday that she had 20 ballots already cast in her office and 30 more mailed out for a total of 50, with absentee voting only a week old.

Miss Collier said that the demand for absentee ballots was much heavier than she had anticipated and heavier than any previous recent year.

Major interest in the election of course centers around the presidential race which is expected to be very close not only nationally but in Texas as well.

Democratic Presidential candidate John F. Kennedy and his running mate, Senator Lyndon B. Johnson, are having the fight of their lives to carry Johnson's home state, the political experts say.

FLOYD FARMERS FORM SUGAR BEET ASS'N TUESDAY EVENING

Between 250 and 300 Floyd County farmers attended a sugar beet meeting at the Floydada High School auditorium Tuesday night, formed a county organization and put up nearly \$1500 to help the state organization fight the battle for sugar beet acreage in the national congress.

Named president of the Floyd County Sugar Beet Association was Richard F. Stovall of Floydada, who was chairman of the Floydada Chamber of Commerce committee which arranged the meeting.

He is an attorney and farms considerable acreage in this county. Owen Thornton, president of Lockney Chamber of Commerce and a farmer, was named vice-president and John Reue, manager of the Floydada Chamber of Commerce was named secretary-treasurer.

The group adopted a constitution and by-laws calling for the naming of eight other directors and setting membership at a minimum of \$10 per farmer.

A total of \$1485 was collected in membership fees Tuesday night and many farmers took membership card applications to give to their neighbors.

Officers hope that the county will raise at least \$3,000 for the cause. The \$1485 represented membership of some 108 farmers, who indicated a desire to plant 6386 acres of sugar beets.

The constitution and by-laws call for the officers and directors of the Floydada Chamber of Commerce to name two directors of the county sugar beet association, the officers and directors of the Lockney Chamber to name two and then the existing directors of the organization select one director from each commissioner's precinct in the county.

The three officers elected Tuesday night will, of course, be directors making a total of 11 directors.

The county association will join with the Sugar Beet Association of Texas with headquarters at Hereford in attempting to get the present national sugar act amended to allow additional sugar beet acreage.

The association's bill passed the House of Representatives last year without a dissenting vote but is stalled in the Senate at the present time.

Lon Davis Jr., president of the Floydada Chamber of Commerce, welcomed and recognized special guests. Mr. Stovall then called on Jim Witherspoon, a Hereford attorney, who has worked on sugar beet legislation for the past year.

Mr. Witherspoon explained the sugar act, and how it was impossible under the present law to get additional sugar beet acreage.

He said that a group of sugar beet growers had been shipping beets to Rocky Ford, Colo., for the past 16 years and they decided that Texas needed a sugar beet refinery.

They began to look into the sugar act and found how unfair it was and what a monopoly it gave to the sugar refiners. They decided to act on the matter, and the present movement came out of that.

Last year Texas had 1900 acres of sugar beets and New Mexico had 1200 acres, Mr. Witherspoon said. He stated the need for an organization to get the law changed and give more farmers beet acreage.

The Hereford group has made several trips to Washington, and has employed a legislative representative, commonly called a lobbyist, to handle their interests in the nation's capitol.

He is paid \$1,000 per month, which is a low wage for a competent lobbyist, the lawyer said.

Mr. Witherspoon went into detail as to the possibilities of sugar beet acreage, the building of refineries and the securing of additional acreage. He touched on the Cuban situation and mentioned that should help to bring about the planting of additional sugar beets in the continental United States.

It was brought out that 20 tons per acre is the average yield for sugar beets, that the grower is

Workmans Home From Bermuda

Mr. and Mrs. Harley Workman returned home Monday after spending a week's vacation in Bermuda.

Mr. Workman won the all-expense paid trip through the sales of General Electric heating and air conditioning equipment for which he is distributor in this community.

The Workmans made the trip via plane, some of it by jet. Mrs. Workman said she especially enjoyed her first experience in flying and was perfectly at ease but Mr. Workman doesn't care so much for air travel and he stated that he "certainly got tired holding that plane up".

They were both glad to get back home again after a marvelous trip.

There were 92 in the group the Workmans traveled with. They were from Texas, New Mexico and Tennessee. A total of 690 General Electric dealers made the trip some time during a three-week period but were never there all at the same time.

Cub Pack Will Stage Get-Out-The-Vote Move

Lockney Cub Pack No. 59, under the direction of Cub Master Robert McDonald, will stage a get-out-the-vote campaign Saturday afternoon by hanging Liberty Bell placards with imprinted reminders to vote on the door knobs of every house in Lockney.

This is part of a nation-wide movement by Cub and Boy Scouts, is nonpartisan and is done as a 1960 national good turn, officials say.

Some 8,000 Scouts, Cubs, Explorers and their leaders are expected to take part in the campaign on the South Plains and nationally about five million Scouts are expected to participate.

The message on the Liberty Bell doorhangers reads: "Heed Youth's Call! Ring the bell for freedom. Vote as you please, but vote."

VOTERS in the General Election on Tuesday, November 8th, should be careful in the marking of their ballot if they want their vote to count, say election officials. Instructions are plainly printed on the big ballot but most of us do not take time to read all the fine print. The ballot is big this year, about "half saddle-blanket size," but not as big as it has been in some past general elections. It has six columns, with these headings: Democratic, Republican, Constitution, Prohibition, Independent and Write-In. The Democratic Party has a full slate of officers listed, of course, and the Republican and Constitution Parties have candidates slated for most of the state offices. The Constitution Party has a candidate opposing Congressman George Mahon in the 19th District.

THE PROHIBITION PARTY has only the candidates for President and Vice-President on the ballot. Of course there are no names under the "Write-In" heading. The critical point is this: You must mark out or scratch out all names on the ballot except the ones for which you wish to vote. If you vote a straight Democratic ticket you

EXPENSIVE HEADACHE BUILDING UP

On the threshold of multiplying itself into a million-dollar headache are the frauds being perpetrated against the unemployment program in Texas.

Over 50,000 persons are drawing approximately one million dollars a week in unemployment compensation in Texas and investigations have disclosed numerous fraudulent claims.

Charges already have been filed in several Texas cities, and investigation is under way statewide.

It is a racket that should be stopped even if takes expansion and acceleration of the already broad system of fraud detection and prevention.

Hardly an employer who hires four or more persons hasn't been involved with one or more former employees who have misused the program.

There are some, says a veteran Texas Employment Commission employee, who take the attitude: "I've earned it. Now I want to collect it." In other words, after they have been working long enough and earned enough to qualify for unemployment compensation, they feel they're entitled to quit work and collect it.

That is not the way the program is set up under the law. Here, briefly, are some of the requirements:

1. You must have built up a certain amount of work credits

during the 15 months preceding application, with an employer who hires four or more persons.
 2. You must have lost your job through no fault of your own.
 3. You must make application with TEC for another job.
 4. You must be able and available to accept another suitable job.
 5. You must visit your local TEC office once a week to report your availability for work, or if you have done any work, report your earnings.

To make a long story short, this unemployment compensation fund, designed as a cushion against depression-type breadlines, can serve its purpose only if it is not abused. It is meant as insurance, TEC officials explain, not as a dole, and not to pay for vacations for those who are tired of working. — Post Dispatch.

come. If disastrous war should sweep our commerce from the ocean, another generation may renew it; if it exhausts our treasury, future industry may replenish it; if it desolate and lay waste our fields, still, under a new cultivation they will grow green again, and ripen to future harvests. It were but a trifle if the walls of yonder capitol were to crumble, if its lofty pillars should fall, and its gorgeous decorations be all covered by the dust of the valley; all these might be rebuilt. But who shall reconstruct the fabric of demolished government? Who shall rear again the well proportioned columns of constitutional liberty? Who shall frame together the skillful architecture which unites national sovereignty with State rights, individual security, and public prosperity? No, gentlemen, if these columns fall they will be raised not again. Like the Coliseum and the Parthenon they will be destined to a mournful, a melancholy immortality. Bitter tears, however, will flow over them than were ever shed over the monuments of Roman or Grecian art; for they will be the remnants of a more glorious edifice than Greece or Rome ever saw, the edifice of constitutional American liberty. — Cecil Waggoner in Claude News.

Dear Editor:

I see where our two ambitious young Presidential candidates are bickering over the question of how many U.S. citizens go to bed hungry every night.

My overduped neighbor says this is a serious matter, all right, but he sort of doubts the figure is 17 million, like one of these un-mere mortals claims.

On account of he just don't believe there are that many people in the U.S. with will power enough to stay out of the refrigerator between a low-calorie supper and bedtime.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

November 1, 1918

Last Saturday Lockney people witnessed the first snow of the season. Saturday night a light freeze took place but it was not severe enough to kill vegetation. Plains people are very optimistic about the crop outlook.

Friday night severe hail fell north and east of town. No considerable damage was done as far as we have heard. The hail stones were exceptionally large in the Bobbitt community but the heavy rain which followed added a splendid season.

Will Duke, proprietor of the Red Cross Drug Store, has been accumulating talking machine records to be sent to our boys in training camps and overseas.

Ira Simpson, who lives south of town, reports that lightning struck his residence Friday night destroying a flue, but otherwise the house escaped serious damage.

Mr. and Mrs. Buck Sams and children have been suffering with the flu this week but are much improved. Schools resumed this week after being out because of the flu epidemic.

George Applewhite, now training at San Diego came Sunday for a visit with his parents, Mr. and Mrs. C. Applewhite of Lone Star community.

Girl Scout Leaders Needed

There are four troops of Girl Scouts in Lockney and 30 more are wanted to join and help because of the lack of leadership. The Beacon was recently notified by Mrs. Leo G. Spofford of Dallas, president of the National Field Council of the Girl Scouts, that for Friday, talking with Boyce Mosley, local director, other workers and presented facts to the Beacon. She was accompanied by Mrs. Tom Spofford, the executive of the Plainview Council. Vestal has offered her home to the local Girl Scout troop and additional workers are sought, it was said. The Girl Scout activities for the coming year, among them the 100th anniversary of the birth of the founder, Juliette Low, Mrs. Lowe born in Savannah, Ga., on Oct. 30, 1880. The Girl Scout Council will be 50 years old in 1960 and the observance of this important date will start soon, Spofford said.

Average elevation of all areas in the United States is 2,500 feet. Lockney is the 'lowest' state, at 60 feet above sea level. The highest, average elevation is 6,800 feet.

LaVentana Club Has Luncheon In Baxter Home

Mrs. A. E. Boyd of Plainview, president of the Caprock District of Texas Federation Women's Clubs, was guest speaker for a meeting of LaVentana Study Club Tuesday. The program followed a salad luncheon in the home of Mrs. Clyde Baxter at 12:30.

Mrs. C. L. King, president of the LaVentana Study Club presided and Mrs. Joe Foster was program leader. Federation News was brought by Mrs. R. W. Smith and Mrs. Roy Yoakum gave the devotional. Roll call was answered with "Highlights of India". Mrs. Boyd spoke on the program theme, "New Dimensions and Woman's Responsibility in a Free Society".

Assisting Mrs. Baxter as hostesses were Mrs. Bailey Henderson and Mrs. W. D. Nance.

The tables and entertaining rooms were decorated with arrangements of fall flowers. Places were laid for three guests, Mrs. Boyd, Mrs. Hazel Smith and Mrs. W. H. Johnson, all of Plainview, Mrs. G. C. Applegate, Lockney, and the following members: Mrs. F. T. Drake, E. J. Foster, H. E. Frizzell, J. T. Griffin, M. S. Johnson, Albert King, C. L. King, Charlie Merrick, R. W. Smith, Raymond Teeple, Roy Yoakum, Bailey Henderson, W. D. Nance and Clyde Baxter.

TO ARKANSAS
Mr. and Mrs. Jewell Rexrode and Joe Neil spent from Tuesday until Sunday visiting her brother, Ray Pinner and wife of Bentonville, Arkansas. Mrs. Ray Pinner underwent major surgery at St. Louis, Missouri, Wednesday. She was getting along fine when the Rexrodes left.

Mrs. Virga Pinner spent from Tuesday until Sunday visiting her son, Fay Pinner and wife at Dimmitt.

Host Of Friends Honor Paynes On Anniversary

A host of friends were on hand to honor Mr. and Mrs. F. U. Payne on the occasion of their Golden Wedding anniversary Sunday afternoon at open house in their home five miles south of town. Calling hours were two to five o'clock.

Hostesses for the delightful occasion were Mrs. Ed Kenshalo, sister of Mrs. Payne and Mrs. Kenshalo's daughter, Mrs. Iva Lee Mitchell, both of Chillicothe, and Mrs. Ben McGhee, J. E. Rexrode, Hall Ferguson, Weldon Smith, Bill Fewell, Sid Thomas, R. C. Mitchell, W. J. Cox, J. A. Noland, Ray Aston, Albert King and V. H. Kellison, all of Lockney, and Mrs. Beth Mitchell, Plainview.

Mr. and Mrs. Payne, residents of Lockney 43 years, was assisted in receiving by her sister, Mrs. Kenshalo and Mrs. Ben McGhee. Presiding at the guest book were Mrs. Hall Ferguson and Mrs. Chester Mitchell. Approximately 170 sent or brought gifts and the couple received approximately 60 greeting cards in addition to these.

The refreshment table was laid with white bridal satin and net. Gold satin roping was draped around the sides and caught at intervals with clusters of gold ornamental grapes. Centering the table was a four-tiered wedding cake iced in white and decorated with gold rose buds and white swans. Topping the cake was an arch of flowers and gold leaves with a white wedding bell filled in with gold "50." The cake was baked and given as a gift by Mrs. Bill Fewell. Flanking the cake was a four-branched candelabrum holding gold tapers and an arrangement of yellow roses, carnations and mums accented with yellow satin streamers lettered in gold with "1910" and "1960." Coffee and hot spiced tea were served from a silver service with cake, nuts and mints. Alternating at the table were Mrs. Max Marble, R. C. Mitchell, Beth Mitchell and Sid Thomas.

Gold and bronze mums and yellow roses decorated the entertaining rooms. Mrs. Payne wore a corsage of yellow roses.

Rev. Charles Broadhurst, pastor of the First Baptist Church, Lockney, gave a short talk and offered prayer. Miss Carolyn Merrell sang, "Silver Threads Among the Gold" and "When You and I were Young." She was accompanied at the piano by Mrs. James Ferguson.

An array of gifts were displayed in two bedrooms. The couple has no children but their countless number of friends joined in the hospitalities which made the day a memorable and happy occasion for the congenial pair.

Out of town guests registering from Plainview were Mr. and Mrs. J. D. Wood and daughter, Kathryn, Mrs. A. S. Mires, Bernice McCoy, Mrs. Beth Mitchell and Sandra, Mr. and Mrs. A. R. Bloxom, Fay Lewis, Mr. and Mrs. R. C. Yarbrough, Mrs. Jessie Harris, Mr. and Mrs. Gary Sides, Britt and Valorie, Mr. and Mrs. O. D. Wofford, Mr. and Mrs. G. E. Allen, Mr. and Mrs. Leroy Durham.

Other guests from out-of-town included Mr. and Mrs. Frank Rennels, Abilene; Vera Meredith, Floydada; Mr. and Mrs. S. L. Holmes Sr., McCoy; Mr. and Mrs. C. M. Perry, Floydada; Mr. and Mrs. L. E. GOP MONKEY BUSINESS

Hear no evil, see no evil, speak no evil of GOP blunderings at home and abroad... says the GOP. It might give aid and comfort to our enemies.

Is there comfort at home in closing our eyes to world turmoil from Cuba to the Congo?

Is there comfort in closing our ears to jeers of insolent mobs in countries where our Vice President is stoned and our President denied entry?

Is there comfort in closing our mouths when 25 million American mouths are open in hunger — by Secretary Benson's own figures?

It's time for a change in leadership!

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — City officials of Texas are serving notice on the next Legislature that "something's got to give."
"Three-fourths of the people live in cities, and they should have three-fourths of the vote," said Deer Park Mayor Jimmie Walker after being elected president of the Texas Municipal

League Mayors, Councilmen and Commissioners Association.
Walker referred to votes in the Legislature, due for re-districting since the 1960 census. In the past 10 years Texas has had a sharp population shift from rural to urban which is not reflected in the make-up of the present Legislature.

Given representation according to their populations, the city officials believe they can "cure many inequities."

One of the first things they would like to have is broader taxing powers. State law now restricts cities to the property tax.

Many city officials believe that the pyramiding growth and expenses of urban areas make new revenue sources necessary.

ACCIDENTAL DEATH UPHELD — State Supreme Court has reaffirmed its own earlier ruling of "accidental death" in the case of a man who died from a blood clot on his brain after watching his office records burn.

This means two insurance companies must pay double for policies on the man's life, which provided for double indemnity in case of accidental death.

Decision was 5 to 4 by the court.

Majority opinion said that the "viewing of the fire produced a wholly unexpected, unusual and unforeseen catastrophe."

Dissenting opinion said that the case would bring up all sorts of confusion, such as whether a heart attack caused by excitement from watching a football game or TV show was "accidental death."

ANOTHER CHANCE FOR SA — Supreme Court ruled that the City of San Antonio has the right to make another try in court for water from the Canyon Dam Reservoir.

San Antonio's effort to get some water from the dam being built by the Guadalupe-Blanco River Authority has been going on for years.

State Water Board turned down the city's request which is vigorously opposed by GBRA. San Antonio appealed the Water Board decision to district court which rejected the appeal, saying, in effect, that it was too

late since construction of the dam already had begun.

Supreme Court held that San Antonio was entitled to a trial of the case on its merits in district court. If the district court should decide that the city should get some of the Canyon Dam Water, the case will go back to the Water Board to decide how much it should get.

"SALOON CLUBS" UNDER FIRE — State Liquor Board has set a hearing October 24 on proposed new regulations for private clubs selling liquor by the drink.

Bona-fide private, non-profit clubs are not the target of the proposed new rules, said Liquor Board Administrator Coke Stevenson Jr.

It's aimed, he said, at "fly-by-night operators" who give away membership cards or have only the flimsiest sort of organizational set-up as an excuse for selling liquor by the drink.

New rule would require all clubs to have a private club registration permit, to be renewed annually. To get the permit, the club would have to have dues or fees, exclusive of liquor charges, sufficient to pay rental, insurance, taxes, repairs, etc., on its premises.

Liquor dealers would be forbidden to deliver liquor to any club without a permit.

Stevenson said there are probably more than 1,000 clubs providing liquor by the drink in Texas.

TEXTBOOKS CHALLENGED — "As the twig is bent, the tree's inclined" — which led a group of citizens from over the state to come to Austin to challenge proposed public school textbooks they felt might incline youngsters the wrong way.

J. Evetts Haley of Canyon headed the group called the Texans' Committee for Education which appeared before the State Textbook Committee. Haley, an arch-conservative, ran for governor in 1956.

Haley's committee objected to references in the proposed texts to persons they regarded as "subversive" and to what they called "left-wing comment." Some books, they said, encouraged "government doles" by picturing farm subsidies in a favorable light.

Members of the State Textbook Committee, made up of teachers, said that any favorable reference to proven subversives would be taken out of any books recommended for state adoption.

TEXAS-ALASKA AGREEMENT — Texas and Alaska, the big two of the United States, have worked out a "visiting privileges" agreement for motorists from the two states.

Texas vehicles can operate in Alaska up to 90 days without additional registration charges, and Alaskan cars, trucks and buses may do the same in Texas.

State Highway Engineer DeWitt C. Greer announced the agreement. He said Texas now has reciprocal passenger car agreements with all other states and truck and bus agreements with all but six states.

SHORT SNORTS — Governor's Advisory Committee on Finance knocked down one of the favorite themes of the optimistic-

that the state has enough money in special funds to offset the shortage in the general revenue fund. Month by month, the balances in the statutory special funds would not cover the general revenue fund deficit, said a commission report.

Land Commissioner Bill Allcorn has announced the appointment of Jack Giberson as chief clerk of the General Land Office. Giberson was serving as legal counsel for the land office.

Howard L. Arno will become engineer of secondary roads for the State Highway Department beginning Oct. 15. He succeeds Percy S. Bailey who is retiring after 36 years with the Highway Department.

TEXAS EMPLOYMENT Commission notes a drop both in job holders and job seekers. Nonemployment dropped by 3,800 to a 176,700 total, says TEC, while total employment slipped by 23,600 to 3,504,100.

Sterley News

By Mrs. Virgil Adams

Sterley Home Demonstration Club met Thursday in the home of Mrs. Bruce Whitlock for a program on accessories for the home. Miss Phyllis Roggendorff, agent, gave the demonstration and showed slides of poor and good accessories. It was interesting to see how poor accessories could be changed a little to make good accessories. Pumpkin pie with whipped cream was served to Mmes. Guy Sams, Delton Jack, Kenneth Brose, R. H. Tinsley, Red Archer, Johnny Adams, Virgil Adams, Miss Roggendorff and several children. Muddy roads and sickness kept many from attending but more are expected for the next meeting which will be Nov. 3 in the home of Mrs. Elmo Reeves. The program will be the selection and care of hard surfaced floors and selection and care of carpets.

B. A. Howell is in St. Anthony's Hospital, Amarillo where he had eye surgery last Thursday. He is reported improving but will remain another 10 days.

Mrs. Virgil Adams and children, Mr. and Mrs. Red Archer and children went to Amarillo Sunday to be with the A. W. Seaton family. Mr. Seaton passed away Friday night. Ferris Seaton is a brother-in-law of Mrs. Adams. The local group went by Turkey to notify relatives of the funeral arrangements set for Monday at 2 p.m.

Marvin Christy, son of Mr. and Mrs. W. E. Christy, returned to San Antonio military base Saturday.

Mr. and Mrs. Elmo Schaffner attended the American Legion convention at Levelland Saturday and Sunday.

Mr. and Mrs. A. D. Schaffner and Mrs. Buddy Brieger and son of Wilson attended the golden wedding anniversary celebration of Mr. Schaffner's brother and wife at Cuero during the week end.

Mr. and Mrs. Henry Rowell opened their cafe next door to Sterley Grocery Monday morning.

Mr. and Mrs. J. B. Webster and family spent last weekend in Amarillo and visited with Mr. and Mrs. A. B. Howell at St. Anthony's Hospital.

Mrs. Paul Hrbacek and children spent last week with her parents, Mr. and Mrs. R. L. Findley in Plainview. Mr. Hrbacek and Paul Wiese of Vera spent the weekend on a hunting trip in Colorado.

Who's going to help the farmers?

America's farmers are having a rough time in the midst of Republican "prosperity." Low prices—high costs. Big overhead—small profit. Costly investment—staggering bills and debts.

Who's to blame? It isn't just Ezra Taft Benson. The Republican administration that appointed Benson and for eight years praised his policies is equally to blame. The "experienced" Mr. Nixon has called Benson "one of the greatest Secretaries of Agriculture in our history."

The best way to get sympathetic action for farmers' problems is to elect Democratic leadership to the White House.

State Baptist Convention To Meet At Lubbock

Lubbock. — A complete roster of speakers have been confirmed for the diamond anniversary meeting of the Baptist General Convention of Texas here Oct. 31—Nov. 2.

More than 7,500 Baptists from throughout the state are expected to attend the 75th annual meeting of the 1½ million-member Convention.

Theme for the three-day gathering will be "Found Faithful," said the Rev. J. Carroll Chad-wick of Center, Texas, chairman of the Convention's committee on order of business.

Opening session will pay tribute to Dr. Forrest C. Feezor, Texas Baptist executive secretary who retires Dec. 31 after seven years in the state's top Baptist post.

Three of the six general sessions will outline programs of three major Commissions of the Texas Baptist Convention—State Missions, Human Welfare, and Christian Education.

Topping the list of principal speakers will be the president of the 9 million-member Southern Baptist Convention, Dr. Ramsey Pollard, pastor of Bellevue Baptist Church, Memphis, Tenn. Dr. Gordon Clinard, professor at Southwestern Baptist Theological Seminary will bring the annual Convention sermon.

IH Dealer Goes To Madri Gras In New Orleans

Fred Martin, local International Harvester Company dealer, was among 617 dealers from throughout the nation who won five expense-free days in New Orleans through the company's "Sell-Sell-Go" retail tractor sales campaign.

Fred and his wife, Katharine, were treated to the International Madri Gras from Oct. 17-21 when they enjoyed French, Spanish, and Creole cuisine in establishments frequented by European royalty and noted for their respective kinds of food. They enjoyed an old-time Mississippi riverboat and saw fabulous minstrel show with a Bourbon street cast. The last night featured the "Nite at the Madri Gras Party" where all were costumed and enjoyed an evening of dancing to the tunes of a Dixie land jazz band.

The largest farm in the United States is the King Ranch of Texas, covering about one million acres.

More books have been written about the American Civil War than about any other subject except religion, says the Library of Congress.

Miss Rita Johnson Becomes Bride Of Ohmer J. Burleson

Miss Rita Sue Johnson, daughter of Mr. and Mrs. Ike Johnson of Lockney, became the bride of Ohmer J. Burleson, son of Mr. and Mrs. Elmer Burleson, also of Lockney, in a single ring ceremony performed Friday evening at 8 o'clock. The wedding took place at a Church of Christ in Lawton, Oklahoma, with the minister of the church officiating.

The bride was attractive in a brown wool suit with matching accessories.

After a wedding trip to Dallas and Abilene the bride returned to McMurry College, Abilene, where she is a freshman student. She attended Lockney High School and received her diploma from San Marcos Academy, San Marcos, last spring. Her husband attended Lockney High School before entering the U.S. Army. He returned Sunday to Fort Sill, Oklahoma, where he is stationed.

Friendship Night Held By Rebekahs

Lockney Rebekah Lodge entertained guests from Plainview, Floydada and Petersburg at an annual Friendship Night Monday, October 24.

Each local officer invited an officer from another lodge to be her guest for the evening and presented her with a gift or token of friendship.

The lodge hall was decorated with arrangements of yellow chrysanthemums and accented with witches, goblins and black and orange paper to carry out the Halloween motif.

A dinner consisting of ham, beans, potatoes, fruit salad and fried pies was served.

Working on the arrangement committees were Mrs. Pauline Reagan, Mrs. Hallie King, Mrs. Vera Rogers and Mrs. Vera Jo Bybee.

Friendship PNG Meets Thursday

The Friendship P.N.G. Club met at the home of Mrs. Fred Reeves Thursday night, October 13.

Mrs. Omega May, Lockney, was elected secretary to fill out the unexpired term of Mrs. Beth McCollum.

Attending were Mrs. Lona Sparks, president; Mrs. Essie Conner, vice president; Mrs. Ora King, Mrs. Ethel Sawyer, Mrs. Jewell Reeves, Mrs. Dimpie McGavock, Mrs. Omega May and Mrs. Artie Webb.

Refreshments were served. The next meeting night will be Thursday, November 3 in the home of Mrs. Jewell Reeves.

TFWC Directors Meeting And Workshop Set

The first annual meeting of the board of directors and workshop for the Caprock District, Texas Federation of Women's Clubs, will be held at the Floydada High School building on Saturday of this week, October 29, it was announced this week.

Registration begins at 8:30 a.m. and the executive committee meeting starts at 9 o'clock. The program begins at 9:30.

Luncheon will be served in the high school cafeteria and the program will continue through 3 p.m.

General chairman is Mrs. Hollis R. Bond and the hostess clubs of Floydada are the 1922 Study Club, 1929 Study Club, 1934 Study Club, 1950 Study Club, and the 1956 Study Club.

District WSCS Marks Anniversary

The fall meeting of Plainview District Woman's Society of Christian Service was held in Petersburg on Thursday, October 20. This marked the 20th anniversary of the organization and the program was based on "Our Heritage and Destiny".

Before 1947 Plainview District officers consisted of only a district secretary and later a president and corresponding secretary were added. In 1947 Mrs. J. B. (Melba) Harper, Lockney, now of Plainview, and Mrs. F. L. Brown, Lockney, were elected to serve on the first full staff of district officers. Mrs. Harper was president and Mrs. Brown was missionary personnel. A special offering for conference daughters was dedicated in honor of all past officers.

Attending the Thursday meeting from Lockney were Mmes. Paul Cooper, Joe Foster, Arthur Barker Sr., Clark Harris and Fritz Schacht.

Garden Club Will Meet November 4

Lockney Garden Club will meet Friday, November 4 in the home of Mrs. T. B. Mitchell. Mrs. R. E. Patterson will present a program on dried arrangements.

Members of the club took part in two area events this week. On Saturday and Sunday the following club members and their guests attended the Horticulture Fall Festival at Texas Tech, Lubbock:

Mmes. S. A. Freeman, Clyde Baxter, Dale Lacey, T. B. Mitchell, L. M. Honea, Harmon Handley, Austin Meriwether, Ewald Quebe, Clyde Briley, R. C. Mitchell, R. W. Smith, Lloyd Wofford, W. R. Darnell and Frank Brown.

On Tuesday Mrs. Austin Meriwether, club president, and two other members, Mrs. Ewald Quebe and Mrs. Dale Lacey attended the District I Convention at Brownfield.

TRIO OF TEAMS SHARE DISTRICT LEAD

FLOYDADA-ABERNATHY CLASH TOP TILT IN 2-AA THIS FRIDAY

Two of District 2-AA's leading clubs clash headon Friday night in the district's feature game. Something's got to give when the Abernathy Antelopes play host to the Floydada Whirlwinds. Both teams are undefeated in two outings in district action.

In other games Friday night the Lockney Longhorns play the other 2-AA leader, Olton, and the Morton eleven tests Muleshoe in what could be a battle for the cellar.

Last week the rich got richer and the poor got poorer. Olton, Floydada, and Abernathy continued to maintain their lead. However, Floydada was hard-pressed to nose out Muleshoe. The Mules fumbled away a chance to win when they lost the ball on Floydada's one yard line with less than a minute remaining in the tilt.

Olton rolled over Morton 38-33 in a free scoring affair. Abernathy routed Lockney 34-6 in a contest which everyone figured the Longhorns to win.

Lockney, Muleshoe, and Morton were eliminated from the title chase.

2-AA Standings

Team	District	Won	Lost	Tied
Olton	2	0	0	0
Floydada	2	0	0	0
Abernathy	2	0	0	0
Muleshoe	0	2	0	0
Morton	0	2	0	0
Lockney	0	2	0	0

Team	Season	Won	Lost	Tied
Olton	7	0	0	0
Floydada	7	0	0	0
Lockney	3	3	1	1
Abernathy	2	4	1	1
Muleshoe	1	4	2	1
Morton	1	6	0	0

"B" And Jr. High Squads Near End Of Grid Slates

The Longhorn "B" eleven will play their final scheduled game here Thursday night (tonight) against the Abernathy Antelopes "B" squad.

Lockney and Floydada's "B" elevens hooked up in a rugged game here Tuesday afternoon. When the dust had cleared the visitors had earned a 12-6 win.

Both teams scored in the first half but neither team could add the extra points. Late in the third period the Longhorns drove deep into Floydada territory before losing the ball on downs. The Whirlwinds came back on the offensive and drove down the field. The local lads starved off that drive deep in "Horn territory.

Here Lady Luck frowned on the "Horns. Floydada intercepted a first down pass and ran all the way to paydirt. With less than two minutes to play another interception killed Lockney's last hope.

Jr. High To Abernathy

Next Tuesday the 7th and 8th grade teams from Lockney Junior High will battle the Abernathy Junior High boys there. Both local teams fell before the Abernathy squads here earlier.

No junior high games were played this week due to tests.

NEW ARRIVAL

Mr. and Mrs. Jesse Savage are parents of a new daughter, born Saturday at Lockney General Hospital. The little miss weighed 6 pounds, 8 ounces and was named Susan Diane. The Savages have two other girls and one son. Grandparents are Mr. and Mrs. E. E. Savage of Lockney and Mr. and Mrs. B. J. Briggs of Greenville. The child has five great-grandparents.

PREDICTIONS

District 2-AA

Olton* over Lockney . . . We can't see any 2-AA team stopping the mighty Mustangs.

Muleshoe* over Morton

Mules looked good against Floydada.

Floydada over Abernathy*

Might get some argument on this one. Whirlwinds better not let their guard down.

Lubbock* over Plainview.

Dalhart* over Friona.

Dimmitt* over Tulia. (This is

for the 1-AA championship.)

Levelland* over Canyon.

Sudan* over Kress.

Hale Center* over Springlake.

Idalou* over Petersburg.

Ralls* over Matador.

Silvertown* over Crosbyton.

Rice over Texas Tech. (May be closer than expected).

* West Texas over Arizona.

* Home team.

Last week we hit nine of 10, missing the Lockney-Abernathy game. For the season we have gotten 41 right, missed five, and had two ties, for an 85.3 average.

THE ELECTRIC CO-OP

Owned by Those we Serve

Most of us borrow money at interest to buy homes and we pay off our mortgage over a period of years. So long as we keep up these payments we "own" our homes. If we fail to make our payments, the lending institution can foreclose.

The Electric Cooperatives of Texas were built in exactly the same fashion. Members borrowed money at interest to build their own electric systems and they are paying back principle and interest while enjoying the blessings of electricity. There isn't a single cooperative in the state in arrears on its payments. Many of them have made payments in advance.

The Electric Cooperatives are owned by the people who borrowed the money and who are paying back their loans with interest.

That is why these member-owners can proudly say the Electric Cooperatives are OWNED BY THOSE WE SERVE.

Lockney Schools In American Heritage Study

Plainview—Eleven area public schools will participate in the Plains American Heritage Program sponsored by Wayland Baptist College's American Studies Division under the direction of Dr. Edward McMillan. Included are Plainview, Hale Center, Cotton Center, Abernathy, Petersburg, Olton, Hart, Dimmitt, Kress, Lockney, and Tulia.

To launch the program some 60 school administrators attended the kickoff dinner at Estacado Junior High School, Plainview, on Oct. 18 at which Dr. Charles F. Mathews, Plainview superintendent, and Mrs. Eleanor Griffin, Cotton Center teacher, spoke on the benefits derived from last year's pilot program.

Both speakers commended Wayland highly for projecting this program to awaken interest in the American Heritage on the part of school children. Dr. Mathews said, "There is definitely a need to give students greater insight into basic principles that made this nation great. We have tended to take this too much for granted in recent years. Teachers will help determine the leaders of future world powers."

Mrs. Griffin listed 12 values that last year she observed were the result of student participation in the American Heritage Program. One of her students, Catherine Payne, Cotton Center, placed first in the county-wide essay contest.

On Nov. 7 at a dinner meeting at McGrath's in Plainview, the newly appointed steering committee of 11, with 15 alternates, will set criteria for the poster and essay contests which will again be conducted and decide on other types of participation which may be desirable, according to Dr. McMillan. Plans will also be completed for a meeting of some 100 teachers of the area in late November.

Among those accepting appointment to the steering committee were Mrs. Polly Gilbert and Ray Murphy of the Lockney school system. Others who attended the kickoff dinner from Lockney schools were Troy Lemley, R. L. Rhoten, Bobby Davis, Mr. and Mrs. Henry Ford Jr., Mr. and Mrs. George Arthur and Junior High Principal C. H. Cheves.

Dear Editor:

I see where ex-President Truman says anybody who votes Republican this year ought to go to hell.

Which my shockproof neighbor says is just another case of integrating religion and politics, on account of the brimstone sinner-disposal is basically a religious convenience.

Says he is not worried, though, because if he does get sent below for voting wrong, he expects that Washington will soon get around to sending a few billion dollars to improve the living standards down there.

Congressmen To Speak At Hale Center Rally

Two Texas Congressmen will speak at a Democratic Rally at Hale Center, Thursday night, October 27th.

Voters in the Panhandle area will have an opportunity to hear the farm problem discussed by a member of the House Agricultural Committee when Congressman Bob Poage of Waco speaks at the Hale Center rally. Representative George Mahon will make the first talk, with Poage the main speaker.

The meeting will be at 7:00 p.m. in the Hale Center High School Auditorium.

It is sponsored by the Hale County Democrats. Several hundred persons from a dozen West Texas counties are expected to attend.

Poage is considered the leading Texas Legislative authority on farm problems and farm legislation. He has been a member of the Agriculture Committee in Washington for more than 20 years. Farm leaders say he knows the problems of farmers over the entire state.

Hobby Thomas is in charge of the arrangements at Hale Center.

Cotton Acreage Increased, Date Set For Voting

College Station — A national marketing quota of 15,562,000 bales and a national acreage allotment of 18,358,424 acres have been proclaimed by Secretary of Agriculture Ezra T. Benson for the 1961 crop of upland cotton. Both are increases over those for 1960.

The Secretary also set Dec. 13 as the date for the referendum on 1961 upland cotton marketing quotas. A two-thirds favorable vote will be required to keep marketing quotas in effect for another year.

The United States is currently seeking to maintain and improve the position of cotton both at home and elsewhere in the face of rising competition from synthetic fibers and foreign-grown cotton. In order to maintain adequate cotton stocks, an increase in the national quota was needed. To produce this quota, based on the average yield of 406 pounds per planted acre for the 1956-59 period, the acreage allotment was set.

The national allotment for upland cotton will be apportioned to the States, the State allotments to counties and the county allotment to farms according to the provisions of law. Individual farm allotments will be made available to producers prior to the Dec. 13 referendum.

If producers approve marketing quotas for the 1961 crop in the referendum, price support will be available to those who comply with their farm allotment at a level within the range of 70 to 90 percent of parity. The exact level will be determined at a later date.

Local Scouters At Annual Banquet

A number of Scouters and Den Mothers from Lockney attended the annual banquet for the Haynes district at Estacado Junior High School in Plainview Monday night. Awards and achievements by various Scout and Cub leaders over the district were recognized during the program. Cub Master Robert McDonald of Lockney was among those who were presented with an award for maintaining a summer Cub program. He also participated in the opening ceremony.

Tut Tawwater, president of the district committee, presided at the meeting. New officers of the district were installed by Cliff Cummings of Lubbock, president of the South Plains Council. Charles Stimson of Plainview, newly elected president of the Haynes District committee, presented the awards.

Speaker for the evening was Rev. James Botwell, a Plainview Methodist pastor. An invocation was given by Rev. Botwell.

Attending from Lockney were Cub Master and Mrs. Robert McDonald, Mr. and Mrs. Herman King, Mr. and Mrs. J. M. Tye, Mrs. Henry Bollman, Mrs. Jimmy Hodel, J. E. Huggins, Fred Huggins, Edgar R. Hays and Howard Smith.

Harvest Slowly Starting Again

Following 10 days "holiday" due to extremely wet weather, harvest operations in this area were slowly starting again this week. Some combines were running, though not many. Elevator men said that most fields were still too wet to hold up the machines and that most of the grain was still too high in moisture content.

Some cotton hand pulling is going on but if the sunshine continues strippers are due to take to the fields next week and the cotton harvest will then get into high gear. Grain turned out 19 bales Tuesday and 25 Wednesday, all hand pulled.

The sun has shone most of this week and farmers are hoping for a continuation of the same.

"Trick Or Treat" To Benefit UNICEF

The Women's Society of Christian Service and Wesleyan Service Guild of the Methodist Church are sponsoring a "Trick or Treat" Sunday night, October 30, after church services to benefit UNICEF (United Nations International Children's Emergency Fund). Mrs. Barry Barker is in charge of the arrangements.

All youth of the local churches are invited to meet at the Methodist Church at 8 p.m. and join in the drive. The town has been blocked off and certain groups will be assigned to knock on doors in a particular section and take donations for UNICEF. The young people will be wearing a UNICEF badge to identify them. City residents are urged to turn on their porch lights. At 9:30 the group will return to the church for refreshments and fellowship.

Chief mission of UNICEF is to provide medical care to guard children against disease and also to help teach and train mothers in hygiene and first aid. It also provides basic means for self help such as milk, food and clothing.

Donations for this cause will greatly help raise standards of living and health conditions of children throughout the world and contributions will be appreciated by those calling at homes Sunday night.

Lewis Eiland In College Track Meet

Lewis Eiland, son of Mr. and Mrs. Vestal Eiland and a student at Hardin - Simmons University, will be among seven trackmen from H-SU who will participate in the University of Texas Invitational Cross-Country track meet in Austin Saturday of this week. Lewis is a freshman at H-SU and a 1960 graduate of Lockney High.

Part-Time Farmers May Get FHA Loan

Farmers who have regular off-farm employment, if otherwise eligible, may obtain farm operating and development loans from the Farmers Home Administration, under the recently revised regulations of the agency.

Joe T. Boone, Farmers Home Administration county supervisor for Floyd County, said the new regulation is now in effect. Previously, except in rural development counties, a farmer had to spend most of his time farming in order to qualify for a loan.

Experience gained in rural development counties has shown that many farmers who are regularly employed off the farm can profitably use the Farmers Home Administration's credit facilities to increase the farm portions of their total incomes. The regulation, which had limited credit assistance to farmers who spend most of their time farming, prevented some from obtaining the maximum income from their farms and from taking advantage of opportunities for industrial and other off-farm employment.

Other eligibility requirements remain unchanged. Applicants must have sufficient farm experience to carry on sound farm operations, must need credit, and be unable to obtain financial assistance from other sources. As in the past, credit will be extended only to operators of farms that are family-type size or smaller. No loan will be made unless a plan for the coming year's farming operations shows that income from the farm and other sources will be large enough to enable the farm family to have a reasonable standard of living, pay debts, and have an adequate reserve for emergencies.

Loan funds may be used to pay farm operating costs, purchase equipment and livestock, pay farm development costs, and refinance certain debts. The interest rate is five percent. Repayment schedules depend upon the purposes for which funds are advanced and upon the estimated income from the farms. Usually, loans made for real estate purposes will be from funds advanced by private lenders and insured by the agency.

Technical farm and money management assistance is supplied to each borrower to the extent necessary.

The Farmers Home Administration office serving Floyd County is located in Room 202, Bishop Building, Floydada. The agency also supplies credit for farm housing and soil and water conservation.

NOTICE TO LOCKNEY RESIDENTS!

It has come to the attention of City Officials that some local residents are piling old newspapers and magazines in their trash barrels, not burning them and thus adding to the burden of the trash haulers and at times allowing the papers to be scattered over the alley.

PLEASE BURN YOUR PAPERS!

This is important because the trash hauler is not paid to haul off newspapers. Do your part to keep your alley clean and sanitary.

Sand Hill News

By Mrs. James Jeffress

Some are still wondering just what the hail has done to the crops. The fields haven't even crusted over enough to get in and when the fog moved in Monday morning, everyone began to worry again. One thing we don't need right now is more moisture. Fields that frost has already hit them, but still it didn't get down to freezing. Guess the hard rain and hail caused the leaves to turn dark.

Sand Hill Baptist Church homecoming is Nov. 6th. We want all former members to come. Everyone is extended a special invitation. Come spend the day with us. Dinner will be served at noon and singing in the afternoon.

Dr. A. Hope Owen, President of Wayland College, Plainview, will be guest speaker. Dr. Owens is a graduate of O.B.U. and attended Southwestern Baptist Seminary. He has been pastor at Albuquerque and Santa Fe, N.M., Quanah, Tex., and Muskogee and Clinton, Okla.

Mrs. J. T. Huckabay and Jimmy spent Sunday in Lubbock visiting her daughter, Jo Ann, and enjoying her grandchildren.

Mr. and Mrs. James Jeffress and sons spent Sunday visiting in the home of Mr. and Mrs. Ed Noel, Joe Ed and Johnny in South Plains community.

Our deepest sympathy goes out to the J. T. Huckabay family. Mrs. Huckabay's mother passed away suddenly in the state of Washington. Relatives had called Mrs. Huckabay telling her that her mother was in a coma and she left immediately by plane but her mother had passed away before she arrived. May God be with them in their hour of sorrow.

We are all looking forward to having Mr. and Mrs. Joe Earp of Munday here for homecoming. He will be in charge of the singing for homecoming.

Mrs. C. P. Carey said Sunday that her son, Jim, is enjoying his stay at the Veterans' Hospital at Big Spring. Jim was taken there a few weeks ago when his condition didn't seem to be improving. Mrs. Carey says he seems much happier there and he hopes to get his new legs before long.

Mrs. Pace, mother of Mrs. Walter Knight isn't doing very well.

Sand Hill Home Demonstration Club met Wednesday afternoon with Mrs. Gene Bloys as hostess. Miss Phyllis Roggendorff presented the program. Mrs. Lynn Miller acted as president in the absence of Mrs. Orion Miller. Mrs. Bloys served refreshments to Mmes. J. T. Myrick, H. F. Jackson, Walter Knight, Glenn Kinard, Lynn Miller and Miss Roggendorff. The next meeting will be November 2 with Mrs. M. B. Swanner as hostess.

SAM HOUSTON

San Houston was converted and baptized in Rocky Creek in 1854, 18 years before they built the Old Baptist Church that now stands at Independence, in Central Texas.

A monument stone on the bell tower by the church reads, "She sleeps within its sound." Reference is to Mrs. Nancy Lea, mother of Houston's wife. She donated her silver service to be melted into the bell.

The tower was erected with stones from the ruins of the original Baylor building. Judge Baylor's hearthstone is said to be included in the tower.

Keep Cotton Dry, Loose And Clean

College Station. — The final grade of lint in a bale of cotton is determined by the condition of the seed cotton when it reaches the gin. For this reason, cotton should be produced, harvested and handled so that it reaches the gin as dry, loose and clean as possible, says Fred Elliott, extension cotton work specialist.

Picking early in the morning or late in the afternoon, when the cotton is very moist should be avoided. Loss of local associated with delay in ginning of high-

moisture seed cotton accounts for a large part of grade difference between cotton harvested during high-moisture periods and dry periods. To get the best possible prices for cotton, the farmer should harvest it dry and keep it dry, the specialist points out.

Small capacity transport vehicles have no place in the cotton field, Elliott continues. Four-wheel, large-capacity, wood-slat or wire-sided trailers are recommended.

Another quality reducer, which is closely associated with small transports, is tramping the seed cotton in the trailer. Even the most elaborate and expensive ginning systems cannot re-

Livestock Feeding Tour

A livestock feeding tour has been announced for November 26-December 1. This tour is sponsored by the West Texas Chamber of Commerce in cooperation with the A&M College of Texas and Texas Tech.

Plans are made to visit Corn-belt feeding operations in Iowa and to visit the International Livestock Exposition in Chicago. Livestock feeding specialists and farmers will conduct the tour of cattle, hogs, and lamb feeding operations in the Des Moines and Ames areas.

The tour cost for one person will be \$165.00. Four of the meals are planned and the others will be borne by the individual on the tour.

Reservations can be made to the: Agriculture and Livestock Department, West Texas Chamber of Commerce, P. O. Box 1561, Abilene, Texas.

The deadline for making reservations is November 1. If you need more information contact us at the County Agent's office.

move all of the small "pin and pepper" trash that is ground into the cotton by tramping.

Seed cotton should be harvested as clean as possible to permit the use of less gin machinery in obtaining a good grade. Pickers should be cautioned not to allow green leaves, excessive trash, dirt, colored rags, grass and other foreign objects to be mixed in seed cotton.

"Remember," Elliott concludes, "You can help maintain quality in cotton by harvesting seed cotton when it is dry and by keeping it loose and clean."

Catholicism, Protestantism or Christianity — Which?

Catholicism developed gradually over a period of several generations and came into being by a gradual but constant departure from the word of God. It finally developed to be a political as well as religious institution, advocating and practicing UNION OF CHURCH AND STATE when and where possible. It is a POLITICO-RELIGIOUS institution. It has never been the religion of Jesus Christ, but is an apostate Church.

Protestantism

Protestantism is that which sprang into being through protests against abuses and evils of Catholicism. People became tired of being held in political and religious slavery by the power of Papal Rome and rose in protest. Priests came out of the Roman Church and led many people in efforts to reform. It was out of these efforts that modern denominations came into being. They are called "PROTESTANT" because they originated through protesting Catholicism. Creeds, manuals and confessions of faith were formulated by the various protestant groups and became their governing rule of faith and practice. These creeds contained some Bible mixed with many doctrines and commandments of men. Many of these doctrines are borrowed from the Roman Church from which these protestant bodies sprang either directly or indirectly. These reformers did not return to the word of God in its purity as set forth in the Bible, but established denominations not found in the word of God.

Christianity

Christianity of the New Testament was in the first century and is now produced by planting in the human heart the "seed", which is the word of God, Luke 8:11. A number of men set out to preach the word of God in its purity, unmingled with human opinions and doctrines of men. They rejected all human creeds and accepted no rule of faith and practice except the word of God. They said, "we speak where the Bible speaks and are silent where the Bible is silent." By planting the pure word of God as revealed by the apostles in the first century caused New Testament Christians to be produced. The word of God in any age, when preached in its purity, will make Christians only and only Christians. When people obey the word of God only, no human theories added, they have the same name, worship, doctrine and practice as we read about in the New Testament.

TRUE CHRISTIANITY IS NEITHER CATHOLIC NOR PROTESTANT, BUT IS THE PURE RELIGION ESTABLISHED BY CHRIST AND REVEALED BY THE HOLY SPIRIT IN GOD'S DIVINE BOOK, THE BIBLE.

WHICH IS BETTER? To Save 79c per bale on Original Compress Charges OR to Get A Partial Rebate Later?

In these times of narrow profit margins on farm products, farmers must save every way possible. We suggest that you can save money by instructing your ginner to send your cotton to the Panhandle Compress & Warehouse Co. for storage and handling. Here's why:

Our Charges for Handling Your Cotton are:

Receiving, per bale (includes weighing and sampling on arrival)	25c
Storage per month or fraction thereof	46c
No charge for executing Loan Notes or Sales Agreements	00c
TOTAL CHARGES PER BALE	71c

IF YOU WILL CHECK YOUR PAPERS you will find that this is 79c per bale LESS than charges made by some Lubbock and Plainview Compresses.

We are proud to be a part of Lockney and Floyd County, and are interested in its growth and welfare. We pay local taxes and support all civic projects. Our payroll for the past year exceeded \$80,000 and approximately 90 percent of this money is spent with merchants of Lockney and this county.

We will appreciate your business and will render you satisfactory service in every way.

FRANK HAWKINS, Superintendent

South Plains

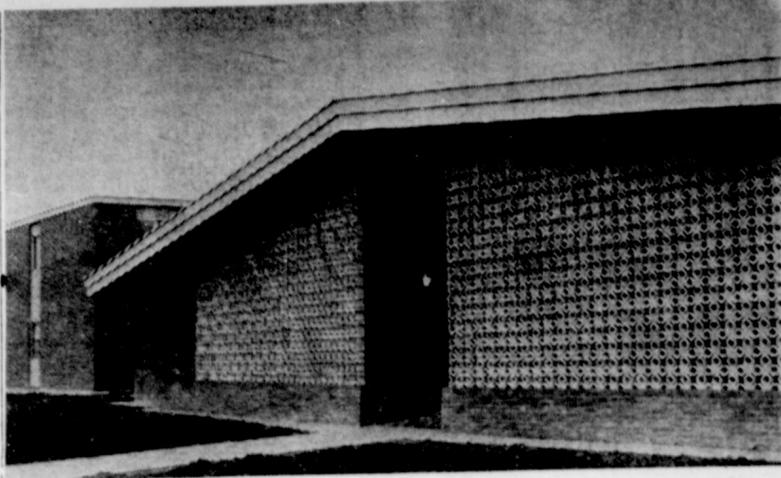

By Mrs. Murray Julian
Most people here had between four and seven inches of rain Saturday through Monday night and lakes have virtually marooned some homes. Cotton gins and grain elevators have been idle the past week, but this week some fields will be dry enough for cotton pullers. School buses are beginning to make their rounds again, and rural mail carriers can get to their boxes. Frost was fairly heavy here Thursday morning with a low of 36 degrees.
Mr. and Mrs. Grigsby Milton and Darla spent Tuesday in Lubbock where they visited their daughter, Mr. and Mrs. Arlis Powell and son.
Mr. and Mrs. George West spent Wednesday in Lubbock. They saw Mr. and Mrs. Bill

Harper there who were visiting Mr. and Mrs. Frank Jackson.
We extend congratulations to Mr. and Mrs. Don Marble who are parents of their first son, born Tuesday night at 10:30, Oct. 18 at Lockney General Hospital. He weighed eight pounds, one and one-half ounces, and was named Brett Evan. Brett has an older sister, Donette, who is three. Grandparents here are Mr. and Mrs. H. L. Marble, and in Lockney, maternal grandparents are Mr. and Mrs. R. L. Holland. Rev. and Mrs. John Gillispie, Beverly and Jacque, went to Alton for the Caprock Baptist Church Association meeting Tuesday afternoon at five. Darlene stayed with Yvonne Karr. Rev. Gillispie went to Plainview Monday morning to attend the Wilson Lectures at Wayland College.
Mr. and Mrs. Fred Marble and Mike attended church at South Plains Sunday morning and spent the day with his folks, Mr. and Mrs. H. L. Marble.
Mr. and Mrs. L. T. Wood left Friday evening to stay until this Monday at Whitney, Texas, with his sister, Mr. and Mrs. Jack McCown.

Mrs. Don Marble and baby son, Brett, are expected home this Tuesday and while she has been gone the past week, Mr. and Mrs. Marvin Wells have kept their daughter, Donette.
The Fields Enterprises Banquet, an annual party given by the World Book and Child Craft Company for their employees, was held Saturday night in Lubbock at the Chicken Village, in their banquet room. Mrs. John Wilson from South Plains and Mrs. A. H. Robertson, from Floydada, attended the banquet together. They were the only ones in the district to receive an invitation. Awards were given and Mrs. Robertson, third place winner, was given a beautiful diamond ring. Mrs. Wilson, as tenth place winner, received an award of a portable mixer.
Mr. and Mrs. Fred Fortenberry spent Thursday and Friday visiting with her relatives in Amarillo.

Alton Higginbotham and Price Pritchett, students at West Texas State in Canyon were home over the weekend.
Mrs. Oleta Bottoroff of Plainview was speaker at a Youth Meeting at the Baptist Church here Sunday at 2:45. Rev. John Gillispie, and Mrs. Arby Mulder, Youth Leader, met with the young folks of the church for the interesting talk. Mrs. Shelby Calahan and Mrs. R. H. Adams served Hallowe'en refreshments of cookies and fruit punch. Present were Yvonne Karr, Bill Bledsoe, JoAnn Newton, Frank Jones, Jay Ronald Taylor, Allan Adams, Bruce Julian, Sue Wilson, Beth Calahan, Bud Higginbotham, Kathie Mulder, Nathan Mulder, Marilyn Kinnibrugh, Darlene Gillispie, Barbara Milton, and Keith Holiday of Floydada.

Casey Hidalgo celebrated his fifth birthday Tuesday, Oct. 18, in the home of his folks, Mr. and Mrs. Chester Hidalgo. Mr. and Mrs. Ernest Smitherman and Mr. and Mrs. Philip Smitherman and Marc spent Tuesday night in the Hidalgo home and helped Casey celebrate with birthday cake and ice cream.
Honored At Party
Mrs. Bill Beedy was honored at a morning party in the home of Mrs. J. P. Taylor Friday morning, Oct. 21, from 9:30 to 11:30. The occasion was a going away gesture by her friends, and it was also her birthday. Mrs. Arby Mulder greeted the guests, and Mrs. Murray Julian registered them in a birthday card book. The serving table was laid with a white linen cloth and centered with bright yellow chrysanthemums in a crystal bowl. The flowers were from Mrs. L. T. Wood's garden. Coffee and German chocolate, strawberry and plain pound cake were served from a silver service. Gifts were presented to Mrs. Beedy. Hostesses for the party were Mmes. J. P. Taylor, Bryant Higginbotham, Arby Mulder, Carl Huckaby, E. J. Kinslow, Grigsby Milton, Walter Wood, Murray Julian, John Smitherman, L. T. Wood, and Mrs. Bryan Karr. Their gift was a gown and negligee set. Present were Mmes. I. H. Parks, Sterling Cummings, Kendall Cummings, Dan Brown.

DEDICATION OF TWO new dormitories and the new addition to the student union building at West Texas State College was held on "Mom and Dad's Day" Oct. 15. On that day WT students parents were guests at the service, dinner and a football game with North Texas State. The new dormitories were named for two of the original faculty members of the college, Ferdinand Guenther and Mary E. Hudspeth. Shown above is a shot of the entrance to the new Guenther hall for men.

NEWS from the High Plains
Research Foundation

One hundred seventy-two bushels of corn per acre was the top yield in the 1960 Corn Variety Test at the High Plains Research Foundation. The low yield in the 16 variety test was 138 bushels per acre. Dr. Earl H. Collister, chief agronomist, announced.

These 16 varieties were planted April 21 and were sidedressed with 120 pounds of actual nitrogen (Uran) on May 23. They were harvested September 21. The corn was irrigated three times plus a preplant irrigation totaling 12½ inches, with far above average rainfall during the growing season.

The percent of stalk breakage (lodging) ranged from 1.84 to 15.94 percent in the 16 varieties. Most varieties stood well until harvest with no root lodging. Early vigor ranged from good to poor. There was no significant difference between yields of the first seven varieties in the test.

All grain yields were calculated at a uniform moisture level of 14%. The yields in order were PAG 485-172.01 bushels; Funks G711AA-171.30; Texas 28-167.52; Asgrow XP 2867-166.20; Watson 124-A - 165.49; PAG 454-161.47; Texas 30-159.55; PAG 633W - 155.63; Texas 36-155.28; Asgrow 105W-155.21; Asgrow XP 2890-146.64; Texas 17W-145.31; Watson III-143.94; PAG 434-140.31; Texas 26-138.62; and Texas 34-138.09.

My slothsome neighbor says prospects look mighty promising these days for citizens wishing to live a full life without being bothered about filling it.

Says he notes that both party platforms promise better houses, higher pay, free doctoring, etc., and one of them is even in favor of a positive food and nutrition policy for everybody.

But he is a little doubtful about this government forced feeding program, on account of they might carry it too far, and he kind of prefers to do his own chewing and swallowing.

Every one of Texas' 21 Democratic Congressmen and U.S. Senator Ralph Yarborough are supporting the Democratic ticket of Kennedy and Johnson.

Every one of Texas' top elected state officials are supporting the Kennedy-Johnson ticket.

Their greatest effectiveness in serving you, our state and our nation will come in working with a DEMOCRATIC administration — Kennedy and Johnson.

Any other way, it will be a lonesome time in Texas.

COTTON ...

The Miracle Fiber Only Nature Could Have Created!

Cotton is a natural in numerous ways. A natural muscleman — strong as steel... a natural pacesetter — in front of the fashion parade... a natural performer — in the home or office at work or play... it's in a class by itself... a natural air conditioner... a pleasure to wear... the fiber with the built-in cooling system... a natural bathing beauty — it likes a good soap and water bath to restore its fresh, comfortable feel.

When you buy cotton you patronize yourself... put money into circulation in your own community and help share the wealth with every dollar you spend on cotton products.
