

CLUB WOMEN TO BE GUESTS OF THE COLLEGE FRIDAY

SPECIAL ASSEMBLY PLANNED AT TWO O'CLOCK.

Delegates From All Parts of Texas Are Attending Convention in Amarillo This Week.

Two hundred club women, delegates to the annual convention of the Texas Federation of Women's Clubs, will be on the campus Friday afternoon. This year's convention convenes in Amarillo from November 11-14. The women will be guests of the College and will be entertained from 12:00 to 3:00 o'clock.

Amarillo people will furnish transportation for the trip. A delegation of College people will head the party. The cars will bring the women to Cousins Hall about noon, when a luncheon will be served by girls of the Home Economics department. An orchestra of College musicians will furnish the music.

A special assembly of students will be held at 2:30 p. m. in the auditorium. The College band, the Bed Men, and possibly other organizations will have a part in the program. President Hill will make the official address of welcome. Following this meeting, the guests will be conducted through the College plant. Guides will be posted at important points to show the club members the things of interest and to explain each department. At three o'clock the delegates will return to Amarillo.

The visiting delegation will include state and district club officers, delegates from clubs in all parts of the state, and many distinguished visitors. Prominent among the women will be Mrs. John Sherman of Estes Park, president of the National Federation of Women's Clubs, Mrs. Henry Redmond, of Corpus Christi, president of the Texas Federation of Women's Clubs, and Mrs. Reese Tatum of Dalhart, president of the seventh district club.

Only study and civic clubs belong to the Federations. Social groups are not included. Federated clubs have definite programs of activity and in many cases receive college credit for work done. The civic clubs are aligned with progressive community projects.

ROW CROP IS LARGER THIS YEAR THAN FOR PAST TWO

More grain will be handled in Randall county this year from the row crop than was sold on the market during the past two years, according to local grain dealers.

One grain dealer states that he has already bought more grain than he handled in two years, and the market has just opened.

The big yield and the high price is causing the farmers to rush their grain to the market early this year.

YEARLINGS LOST GAME SATURDAY TO GOODWELL TEAM

The College Yearlings lost to the Oklahoma Junior A. & M. Saturday at Goodwell by a score of 14 to 7.

This is the first time that a Goodwell team has defeated any of the College teams.

The Yearlings were within easy reach of touchdowns on three different occasions, but failed to put the ball over.

CLASS MAKES AN INSPECTION TOUR OF AMARILLO INDUSTRIES

Last week the sophomore agriculture class made an inspection tour of Amarillo industrial plants. The trip was made in the College bus by Prof. Phillips and twelve students. The party visited the Amarillo Hatchery and the Swift Packing plant. Several new and interesting features of the poultry industry were discovered by the class. A total of four hours was required to make the rounds of inspection in the two plants. More trips to Amarillo and nearby poultry plants are being planned.

The "dessert" of the trip was an "inspection" of a picture show.

MAYOR AT FORT WORTH

Mayor C. N. Harrison attended the mayors' meeting in Fort Worth this week, and was "shot" by the camera man of the Star-Telegram for Tuesday's edition. Mayor Harrison is pretty much camera shy here at home, but didn't seem to mind it much in Fort Worth, according to the smile on his face.

Aaron Sapiro Will Address Farmers at College Next Wednesday

A breakfast in honor of Aaron Sapiro will be given by the Chamber of Commerce next Wednesday morning at the McCormick Cafe, and farmers are invited to attend. Mr. Sapiro will deliver an address for the public generally at the College auditorium at 9:30 o'clock Wednesday morning.

Introduction to the full text of Aaron Sapiro's address to the business men of Dallas, numbering more than 700 follows. Mr. Sapiro was introduced by Lynn P. Talley, Federal Reserve Bank agent in the Dallas district, who said:

"I deem it a high privilege to have the opportunity to introduce the distinguished speaker of the day; it is appropriate to say to those of you who are members of the Salesmanship Club that the idea of merchandising to be brought to you today leaves nothing to be desired. Many of you no doubt heard Mr. Sapiro when he was in Dallas something more than a year ago. This great gathering, therefore, is quite sufficient evidence that having once heard him it creates an insatiable desire to hear him again.

"It would be indeed difficult for me to describe the qualities of this distinguished man who is to address you today; it would be difficult to find words and phrases to tell you about his great ability as a lawyer, to tell you about his winning personality and it certainly would take up more time than we have to spare here to tell you of his great achievements. Aaron Sapiro has probably done more for agriculture in a business way than any other leading man. If he is an idealist, then I can only point to the fruits of his idealism; if he is a dreamer, then I can only point to the realism of his dreams; if he is mercenary I can only consider the vast profits he has put in the pockets of agriculture in this country."

Aaron Sapiro delivered two addresses at Dallas during the Texas State Fair, one over the Loud Speaker on the fair grounds to a large audience of farmers, and the other at the Salesmanship Club Luncheon to a crowd of more than seven hundred businessmen and farmers who were guests of the Club.

Mr. Sapiro will deliver an address at the College Auditorium next Wednesday, November 19, at 9:30 a. m., at the City Auditorium at Amarillo at 2:00 p. m., and also will address an open meeting of the Kiwanis Club at the Amarillo Hotel at noon the same date. Everyone is urged to hear him at one of the above places. His address will be especially interesting to farmers, bankers and credit merchants.

NEW CASES WILL DISPLAY HISTORICAL MATERIAL AT COLLEGE

A number of new wall cases are being built at the College in which will be displayed materials of the Panhandle-Plains Historical Society. Included in these cases are a number built especially for the display of the collection of guns.

The new cases will be placed in the lower corridor of the main building where they will be seen by the many visitors who frequent the institution.

Mrs. T. V. Reeves, secretary of the Society, states that relics and materials for the Society continue to come in every week.

GIN FIRES NUMEROUS.

The same week that the Canyon gin burned, two other gins were discovered on fire in neighboring towns where gins had just started operation.

The new gin at Spearman caught on fire the same morning the Canyon gin burned, but little damage was done. The fire caught in the overflow pipe.

The new gin at Silverton caught on fire twice that week—once on Monday and the second time on Wednesday.

The ladies of the Methodist church will observe "Week of Prayer" in all day services Tuesday beginning at 11 o'clock to 12 o'clock and from 1:30 till 3:30. All come and bring a dish of something.

Ferguson Lead Now 107,436; 27 Counties are Yet Missing

Complete returns from 221 counties tabulated by the Texas Election Bureau up to 6 p. m. Wednesday, show the following totals: Governor, Butte 288,977; Ferguson, 306,353. Ferguson's majority 107,436.

ARMISTICE DAY IS FITTINGLY CELEBRATED IN CITY

HUNDREDS WITNESS PARADE IN THE MORNING.

General Celebration in Canyon for the Armistice Day—Dr. Caldwell in Pleasing Talk.

Armistice Day was fittingly celebrated in Canyon Tuesday with one of the best programs the American Legion has ever carried out.

The smoker for the ex-service men Monday night was largely attended, and the buddies greatly enjoyed the evening.

The program for Tuesday started early with the dance at the Legion Hall and concluded with another dance in the evening.

The parade at 10:30 o'clock was more than five blocks long, and consisted of a somewhat more varied representation from the community life than parade in past Armistice Day celebrations.

Dr. A. J. Caldwell of Amarillo made a characteristic address of enthusiasm and patriotism. Those who had not been fortunate enough to hear Dr. Caldwell before were highly impressed with his eloquence and earnestness.

COTTON OF DR. R. D. GIST WILL MAKE HALF BALE

Cotton on the Dr. R. D. Gist place 12 miles south of Canyon is estimated to make a half bale according to the way it is picking out. Dr. Gist has 400 acres on this place. He has a large ranch which he is cutting in half-section tracts, and will put a family on every half section. He has just completed three new houses and will build more. Dr. Gist is firmly convinced that Randall county is a good place to raise cotton.

ALL MACHINES ARE THRASHING THE FINE ROW CROP IN COUNTY

Every available thrashing machine is busy on the big row crop that was raised in Randall county this year.

In spite of the big return from the wheat crop this year, it is estimated by the bankers that the cash return from the row crop and the cotton crop in Randall county will be much larger than the return from the wheat crop.

It is stated that more twine was sold in the county this year from row crop than was sold for the big wheat crop. Thousands of acres of the row crop were headed by hand this year, and not bound with twine.

VERNON TIES SANDIES

The Amarillo Sandstorms tied the Vernon Lions Tuesday for championship of Class A schools in Northwest Texas, the score being 3-3. The teams play next Monday at Vernon.

NEW OFFICERS OF FIRST NATIONAL BANK ARE NAMED

SENATOR J. W. REID HEADS THE BANKING HOUSE.

G. E. Nance, Vice President, O. W. H. Cook, Cashier, and Nine Directors Are Named by Stockholders.

Following the announcement recently of the sale of the First National Bank, the stockholders met Saturday and perfected the new organization which will direct the bank's affairs.

The stockholders named the following directors: J. W. Reid, G. E. Nance, C. O. Keiser, Oscar Hunt, E. G. Bryan, J. W. Green, C. W. Warwick, Wallace R. Clark and O. W. H. Cook. The directors have named the following officers:

President—J. W. Reid.
Vice President—G. E. Nance.
Second Vice President—Oscar Hunt.
Cashier—O. W. H. Cook.
Assistant Cashiers—C. D. Lester and W. C. Black.

The First National Bank is among the oldest banking institutions on the Plains. It is counted to be one of the strongest banks in this section.

Agricultural Census Is Being Taken—Hanna in Charge First District

Parker D. Hanna has been appointed supervisor of this district in the taking of the agricultural census. This census is being taken of the entire United States, and will be a summary of all live stock, grains and their value in the nation at this time. Louis F. Hart will have charge of the office work for Mr. Hanna in the district.

Four enumerators will be employed by Mr. Hanna for each country in the district, who will visit each farmer to get the complete information of the farm values.

It is estimated that it will take four months to complete the census.

ESTIMATE COTTON TO MAKE HALF BALE AT CABE PLACE

Several experienced cotton raisers have visited the E. W. Cabe farm north of Canyon, at the Dr. Moody place, and estimate that the cotton crop there will make a half bale to the acre.

In spite of the fact that the worm destroyed a big part of the late cotton, farmers are more enthusiastic over cotton now that picking is going on steadily, than they were a month ago. A large cotton acreage will be planted next year from all indications.

Buy, Build, and Live in Canyon.

Red Cross Roll Call is Being Made by Women Direction Dr. Stewart

At the meeting of the City Federation of Women's Clubs Monday afternoon, Dr. D. M. Stewart, chairman of the Roll Call, outlined the program for the Roll Call, and work was started by the women of the city.

Canyon has been divided into sixteen districts, and between Armistice Day and Thanksgiving the women of the City Federation will call upon all of the citizens for membership in the Red Cross.

It is estimated that fully three hundred people in Canyon will take the annual membership in the Red Cross, as the work is of such great importance, not only in Canyon, but in the world as a whole.

ENGAGEMENT OF MISS PHYLLIS KEISER ANNOUNCED YESTERDAY

Wednesday at one o'clock Mrs. Charles O. Keiser entertained at luncheon, announcing the engagement of her daughter, Miss Phyllis Irene, to H. K. Stanfield of Amarillo.

The guests were seated at a table beautifully decorated with a centerpiece of pink roses, southern smilax and orchid. Individual corsages of pink roses and orchid, sweet peas held a card announcing the engagement and wedding date, December tenth. Bridge was enjoyed during the afternoon in rooms made charming with pink roses, orchid, chrysanthemums and southern smilax.

Those present were Mesdames C. O. Keiser, A. W. Hamill, Wallace R. Clark, C. N. Harrison, I. B. Carruth, Misses Phyllis Keiser, Annadel Guenther, Pauline Brigham, Edith Harrison, Elizabeth Shaw, Corinne Hamill and Erna Guenther.

MARRIAGE LICENSES

James Mabon and Miss Birdie Kuykendall, Nov. 7.
E. L. Curle and Mrs. Mary Etta Dunaway, Nov. 8.

BUFFALOES LOST HARD GAME TO CADETS TUESDAY

SCORE OF 14 TO 13 ENDS EXCITING GAME.

Buffalo Defeat Administered Through Lack of Confidence—Stage Great Come-Back in Second Half.

Clearly outplayed and out-generated in every department of the game by the New Mexico Military Institute during the first quarter and half of the second quarter, the Buffaloes suddenly came to life Tuesday at Buffalo Park and staged one of the snappiest and most effective come-backs the fans have ever witnessed.

Beaten by the score of 14 to 0 before the middle of the second quarter, the Buffaloes got hold of the ball in mid-field, staging a series of line plunges that cost the visitors a touchdown. Goal failed when the ball hit the cross bar, and bounded back into the field. The gun probably saved the Cadets from defeat, as the Buffaloes were on another march across the field, with the ball on the fifteen yard line when the half ended.

The first quarter was a massacre so far as the Buffaloes were concerned. They went onto the field expecting to be defeated, and got what they were looking for in that quarter. The Cadets marched across the field, using a series of short end runs that had the Buffaloes guessing. When this problem was solved in the middle of the second quarter the Cadets ever threatened seriously the Buffalo goal.

During the first quarter the Buffaloes had one chance to carry the ball, and made just three yards.

The Cadets annexed the second touchdown early in the second quarter. That certainly made the Buffalo bunch mad from the way the game changed from that moment. Taking the ball in mid-field, the Buffaloes in just eight plays made the first touchdown. An unfortunate fumble after the kickoff probably cost the Buffaloes another touchdown, as they lacked but a few yards of the touchdown when the gun stopped play, but this fumble had cost them twenty-five yards, and several minutes of precious time.

The third quarter was scoreless, but largely in favor of the Buffaloes. Both team attempted long drop kicks, which failed. The Buffaloes opened up with an attack of forward passes, which proved effective, and the greatest ground gainer for the herd.

It was in the fourth quarter that the play was pulled which brought the bleachers to their feet, and made a howling mad that yelled and hooted and cry as if mad. The ball was on the Buffalo 21 yard line. Burson dropped back almost to the goal line and shot one of his famous long passes which landed safely into the arms of Otus Mitchell near the middle of the field. With Scott as interference, the hottest foot race seen on the Buffalo field this season was staged between the two Buffalo runners and three of the Cadets. Nearing the twenty yard line Scott spilled two Cadets and Mitchell had a clear field for the touchdown, ending the 85 yard pass. Goal was kicked, and the score stood 14 to 13.

The remainder of the game was an even break, with the Cadets fight for time and a chance to keep the Buffaloes out of danger.

The Cadets made first down 18 times and the Buffaloes 14. The Cadets carried the ball 302½ yards, and the Buffaloes 270½.

The Cadets attempted 8 passes, completing 3, with a gain of 34 yards. The Buffaloes attempted 14 passes, completed 5 with a total of 121 yards.

The Cadets were penalized 7 times for 35 yards. The Buffaloes were penalized 3 times for 25 yards.

The Cadets fumbled one time, and the Buffaloes three times. Mitchell suffered a broken nose in

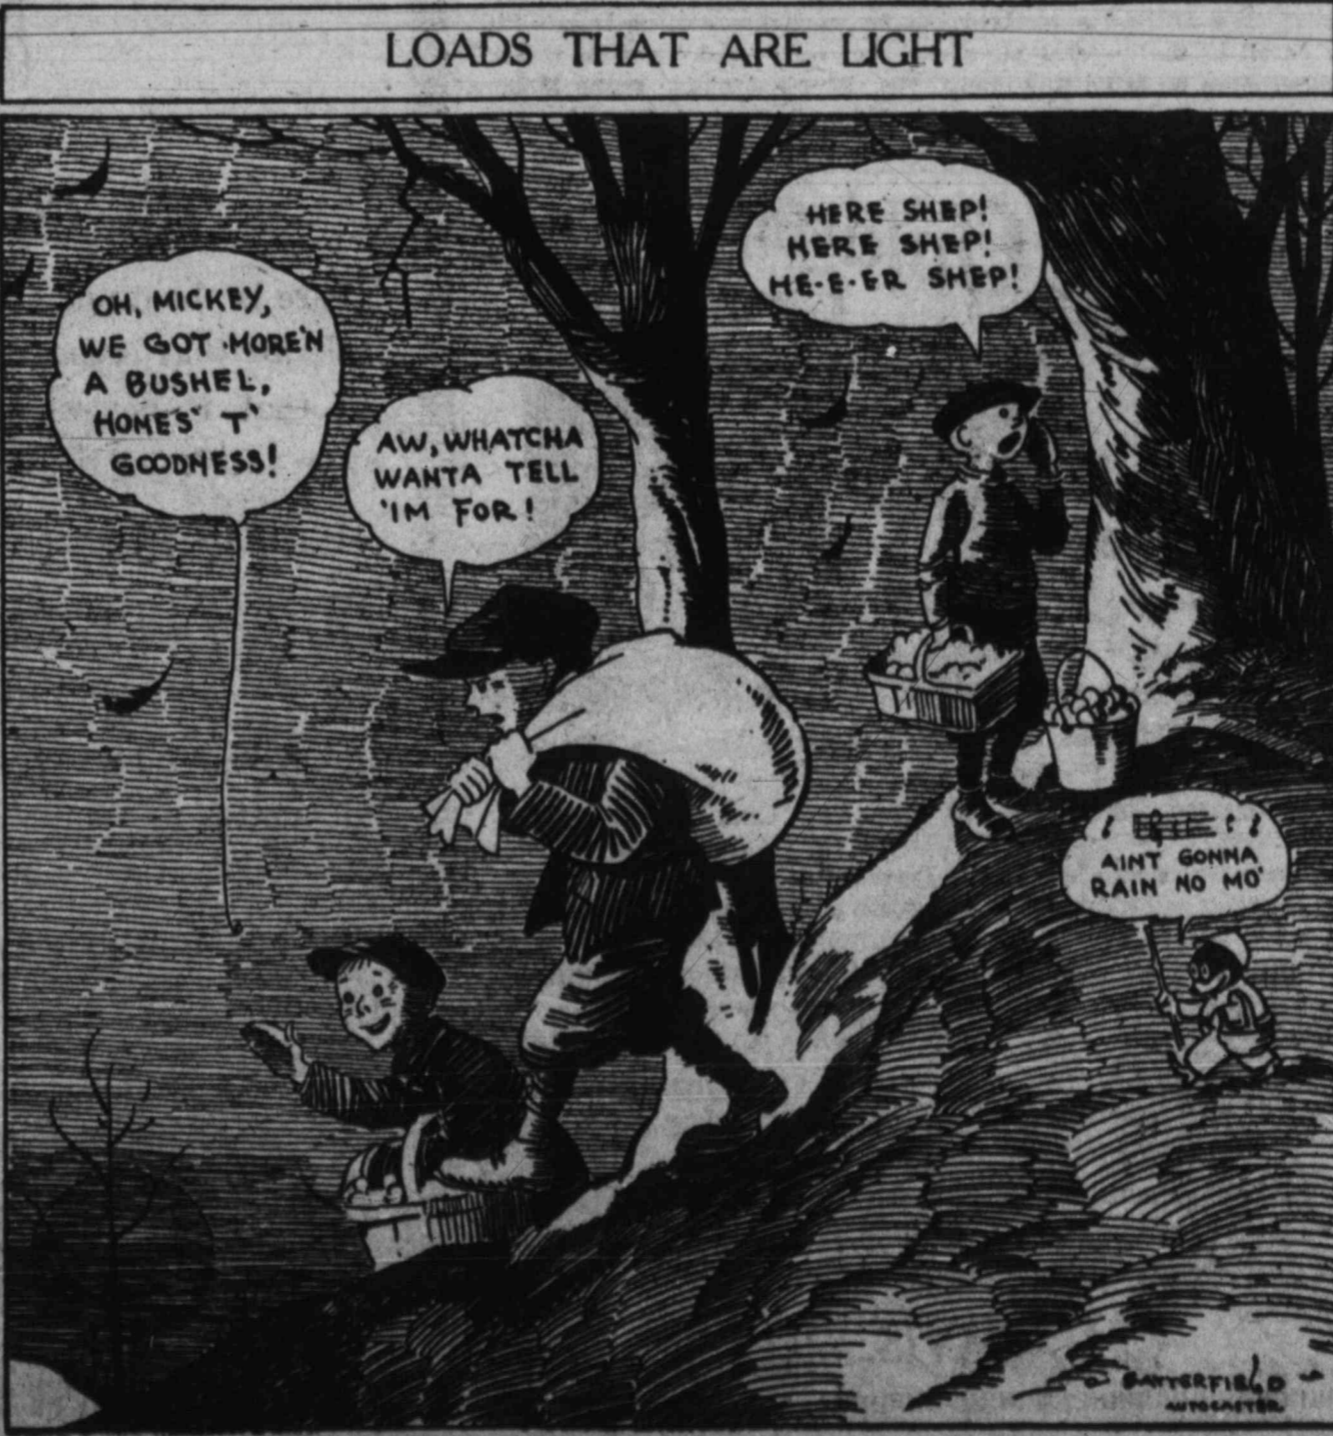

(Continued on last page.)

HOME-COMING GAME FOR 1925.

Coach S. D. Burton has announced the Home-Coming game for next year as being the Denton Eagles game on October 30.

Both the Eagles and the Buffaloes are outstanding contenders in the T. I. A. A. this year, and will play at Denton next Monday.

Coach Burton has a crippled team to take to Denton Friday, but the boys are going confident of a victory, and to add one more T. I. A. A. game to their string of victories this year.

SUBSCRIPTION—\$1.50 PER YEAR

Foreign Advertising Representative THE AMERICAN PRESS ASSOCIATION

Dr. Butte announced Tuesday that he had not conceded the election of Mrs. Miriam A. Ferguson governor of Texas in spite of the fact that the Ferguson majority was at that time nearing the 100,000. Dr. Butte is new in the political game and has a lot to learn about election returns. The day after election Dr. Butte made two serious charges, which show just how little scare of the La Follette sword first charged that the Texas Election Bureau gave out information favorable to Mrs. Ferguson and withheld the vote favorable to himself; second, that the Bureau quit the job before it was finished, and therefore misled the people. Such ignorance is amusing. The News has been handling election news in Texas for fourteen years. During that time this is the first time that the newspapers have been charge with attempting to color election returns. The Texas Election Bureau is operated by the daily and weekly newspapers of Texas who pay thousands of dollars to get the news, which would under other conditions remain hidden until the official count came in two or three weeks after election. To color the election returns would impugn the integrity of the newspapers as a whole, some of whom favor one candidate, and some of whom favor the other candidate. In the second place, the News has observed during the past fourteen years that never a single time has one candidate reached a majority of 30,000 and failed in carrying the election, particularly when these returns were from every part of the state. Mrs. Ferguson reached a majority of 36,000 on the night of the election. Those who knew anything about elections were convinced that the majority would go any way from 75,000 to 100,000 by the time all votes were in. Why then spend thousand of dollars, wasting the money in seeking further returns that would come in as official returns a few days later? Dr. Butte is not such a good sport as we imagined when he went into the campaign, and we are glad we did not support him on account of being such a hard foser.

The Ed S. Hughes Company of Abilene used 12 full pages of advertising in the Abilene Reporter on account of the company's 42nd anniversary. Strange isn't it, that a company 42 years ago should feel the necessity of advertising. We have some business firms in Canyon who feel that since they have been in the city a few short years or months that every one in the county knows them and knows what they have to offer. In fact, no successful firm has ever become too old to escape the need of advertising.

The News printed twenty pages of newspapers last week, with a combined circulation of 4,500—The Randall County News, The Prairie and the Happy Herald. The work was all out on time, in addition to our usual run of job printing. The News plant is one of the largest and best in West Texas. Invest your printing money in Canyon, and see further improvements made on your printing plant.

If you did not join the Red Cross on Armistice Day, do it now. The roll call continues until Thanksgiving Day. There should be at least 300 members of the Red Cross in Randall County.

FOR OVER 200 YEARS

haarlem oil has been a world-wide remedy for kidney, liver and bladder disorders, rheumatism, lumbago and uric acid conditions.

correct internal troubles, stimulate vital organs. Three sizes. All druggists. Insist on the original genuine GOLD MEDAL.

The elections this year have been a stinging rebuke to the radicals who have sought to destroy confidence in constitutional government, and to resort to personal, independent and non-responsible government. England repudiated the labor government and went to the conservative side. The United States either rejected every radical, or came very nearly decapitating the radical candidates. The victory of President Coolidge is not a republican victory so much as a conservative victory. The President as a conservative swept the field, and the little he does know of politics. He proved to be the biggest farce ever perpetrated upon the American people. La Follette carried his own state, but only that by a very slim majority. In the western states where the La Follette vote was reckoned as being very heavy before the election, the President carried by overwhelming majority. Mangus Johnson of Minnesota, a La Follette lieutenant was defeated by a large majority; Bookhat of Iowa, who defied the national ticket and demanded the withdrawal of Dawes from the ticket, was elected by a majority of less than 2,000, whereas the President carried the state by more than 200,000. And so the story reads all over the country. The radical element failed, and failed completely.

We presume that Dr. Knickerbocker has found out that he made a serious mistake two years ago. He was telling the Texas voters that they would be just common liars if they did not vote for Mayfield. This year he discovered they would be liars if they did not bolt the ticket and vote for Butte. That is a great moral standard for a preacher to set up. So far as the News is concerned, we don't consider a man a liar whether he bolted in 1922 or in 1924. He was untrue to his conscience and to his government in either case if he did not vote for the candidate he thought was best for this government.

The bolting democrats sure fixed the republican party of Texas good and plenty. The primary law requires that every party which casts 100,000 votes in the general election shall hold a primary for the following election. This is putting a big expense upon the republicans of Texas.

"Ma" Ferguson is not to be the only woman governor. Wyoming had to "copy cat" Texas by nominating and electing Mrs. Nellie T. Ross, widow of Governor W. B. Ross, who died a few weeks ago. The entire country will watch with interest the administrations of Mrs. Ferguson and Mrs. Ross. Both are good democrats.

The greatest drouth in fifty years extended across the entire United States, according to government statistics. The Panhandle is fortunate. We have had sufficient rain this fall, but another good rain could be used just now for the wheat.

The respectable people of Oklahoma did a good job when they defeated Jack Walton for the senate. They elected a republican; to be sure, but any respectable republican is better than an outlaw democrat.

The main streets of Canyon have an abundant supply of weeds which should be raked up and burned before the seeds are scattered to the four winds.

Wonder if H & M Dawes received a royalty on all of the inverted pipes manufactured since he made this pipe popular?

Groom Booster: When one finds he is out of sympathy with his town, and can only say a word for it coupled with an apology, its time for that guy to move. Many people fall into the unconscious habit of knocking. But it is a miserable habit. Such folk make themselves dead weights, while, of course, they imagine themselves particularly independent. The individual has about all he can do to get under his load, and he wants help and encouragement from those going his way, and who are identified with him in interests. So it is with our city. It has its interests to care for, and the city needs all the pluck and energy, all the co-operation and helpfulness its citizens can provide and bring to it.

The legislature has the choice of either fixing the primary law or repealing it. The primary law is entirely unsatisfactory as it now exists, and the old convention is as good, if not a better system, than the primary law we now have.

Henry Cabot Lodge is dead. His passing marks the going of the leader of the reactionaries who have held up the world peace program for six years.

ALL OUT OF SORTS?

So Was This Canyon Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that headache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Canyon case is one of many: Mrs. I. W. Huber, 1801-3rd Ave., says "A dull hurting across my back bothered me mostly after I had finished my housework at the end of the day. My kidneys acted too freely. Headaches and dizzy spells came over me and little specks came before my eyes. I felt weak and I had that tired, all worn out feeling. I began using Doan's Pills and they soon cured me of the attack." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

THE DRESSES

Women, who like to have their dresses expressive of personality will find just what they have been looking for in cloth and silk—

\$10.00 up to \$49.50

Moore-Poston Co
THE STORE WITH THE GOODS
AMARILLO, TEXAS

A BONIFIDE CLOSING OUT

Sale Opens Saturday Morning, Nov. 15th, at 9 o'clock Sharp.
BE ON TIME!

SALE

Sale Will Continue Until Every Dollars Worth of This Stock Has Been Sold.

SNAP 'EM UP! BUY FAST

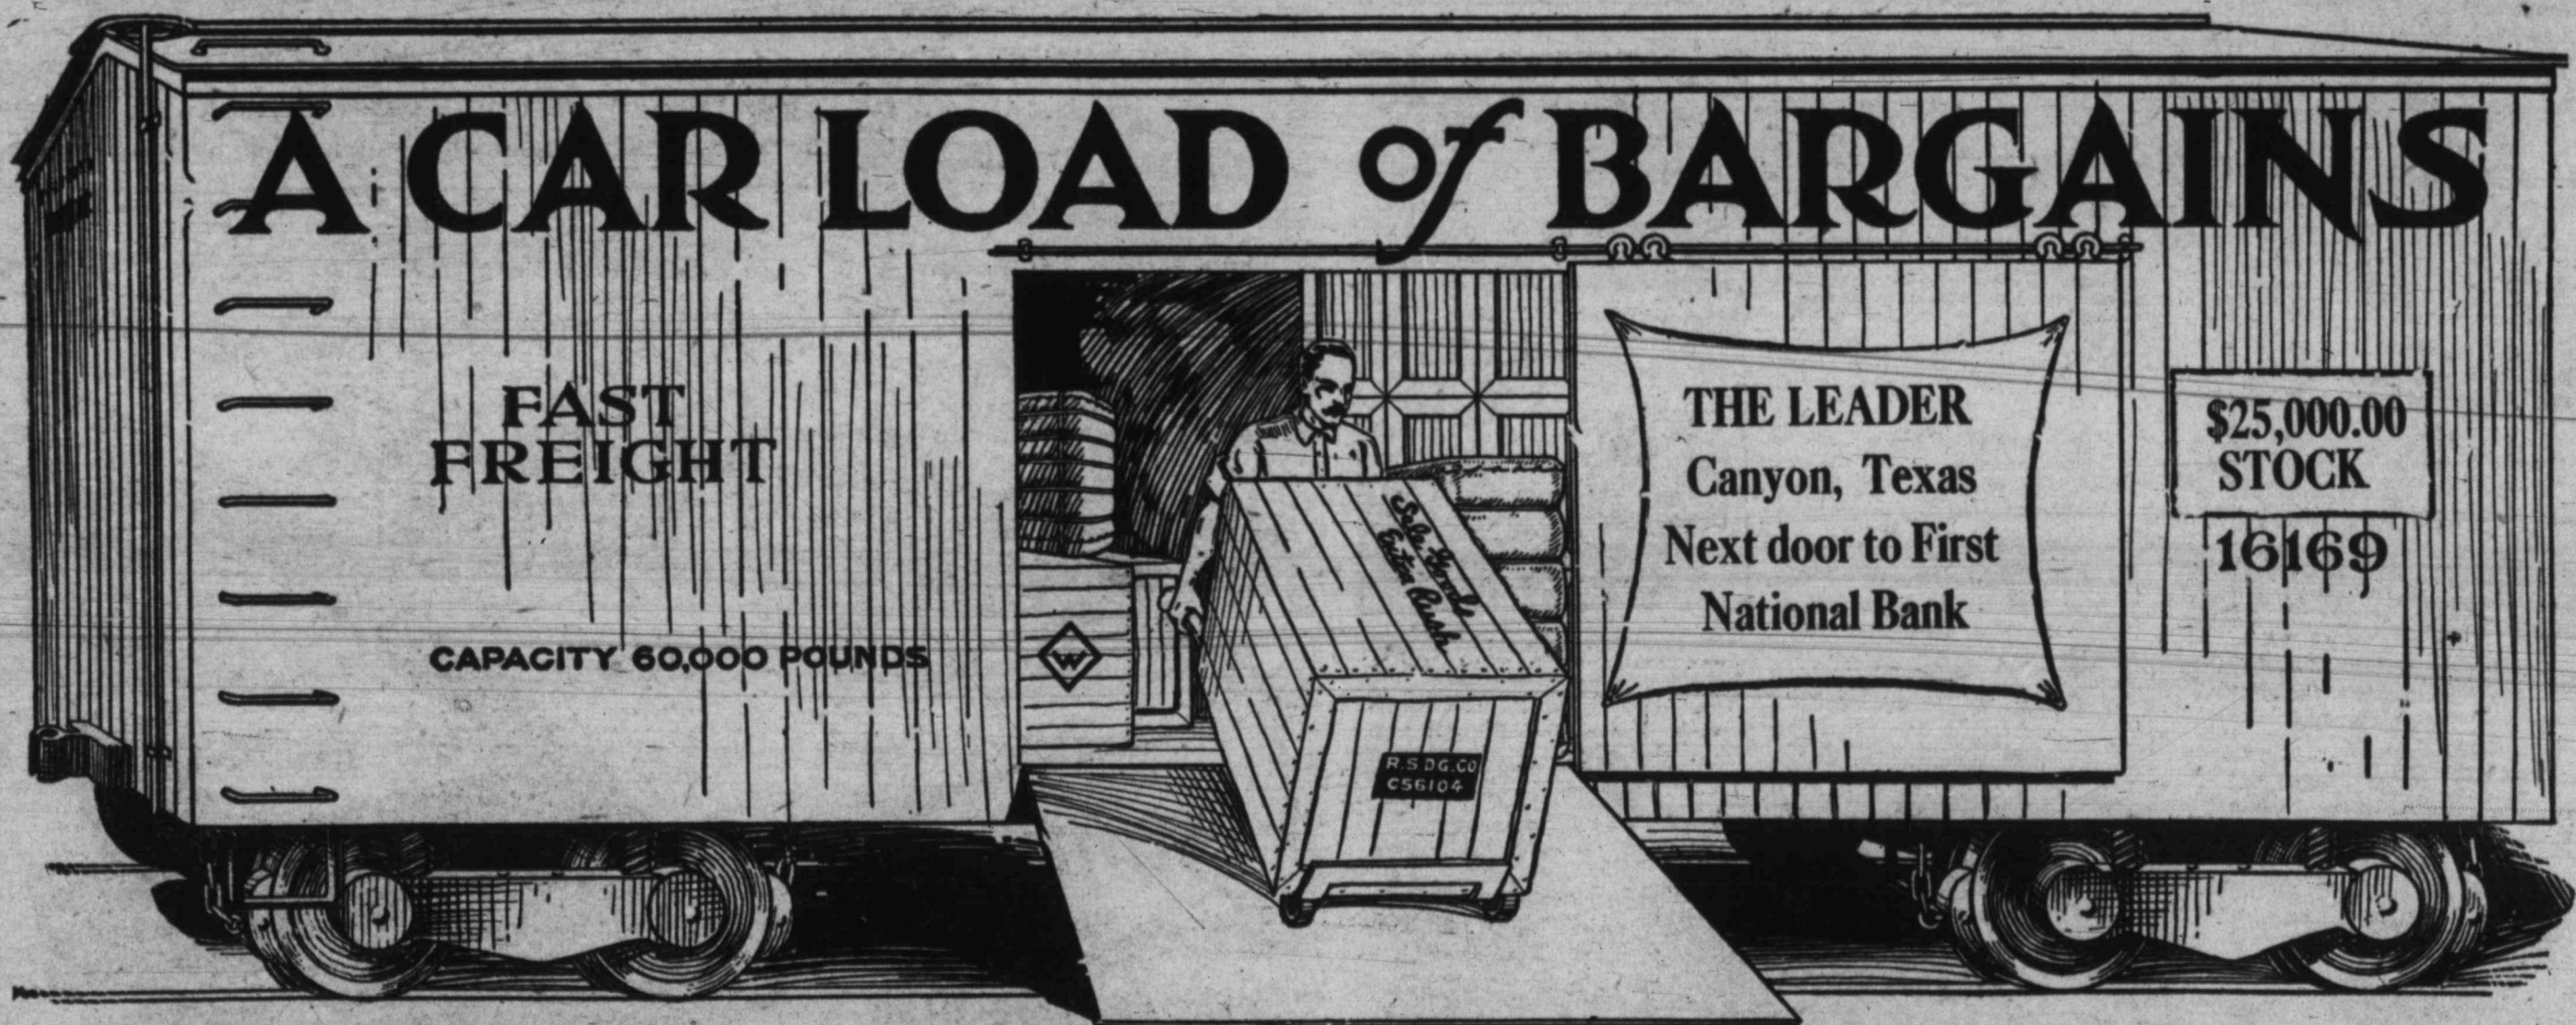

SALE LASTS UNTIL ENTIRE STOCK HAS BEEN SOLD REGARDLESS OF WHAT IT BRINGS.

OUR REASON FOR THIS SALE

Mr. Ed Gerald, proprietor of The Leader, stated to the ad man that the reason he was going to close out his entire stock of Dry Goods, that on January 1st, 1925, he has in mind some very important business changes that he wants to make, and in order to be able to make the changes he has planned, it is absolutely necessary that he closes out his present stock of Dry Goods in order to make the changes in a business way that he has planned and intends to carry out to the letter. Mr. Gerald instructed the ad man to state to the Public that he was going to quit buying any more Dry Goods, and that when any line is sold out it will not be replaced with new goods. So if you want Pick and Choice of Stock we would advise you to come early on Opening Days while stocks are complete and unbroken. Remember, every morning means Pick and Choice of stocks of any and all kinds. Mr. Gerald in closing out this stock stated that he did not expect to realize wholesale cost for this stock as he expects the prices to do the talking. Come early and stay late. **IT'S BARGAIN DAY!**

THOUSANDS OF THRIFTY PEOPLE WILL BE BENEFITTED! If you claim to be Keen, Economical and Shrewd, it will pay you to come to this Great Closing Out Sale and save from one-fourth to one-third on all your Fall and Winter supply's in Dry Goods line.

The American Salvage Company, employed to assist in closing out this stock. Mr. Gerald instructed the Sales Manager to mark 'em down, sell 'em cheap. We do not expect to realize wholesale cost for this stock. Enough said, it must and will be closed out entirely, regardless of what it brings.

NO TAKE BACK, NO REFUNDS, NO CHARGE TICKETS MADE—EVERYTHING FOR SPOT CASH ONLY. EVERY SALE MUST BE FINAL WHEN GOODS ARE WRAPPED AND HANDED TO THE CUSTOMER—IT'S "GOOD-BYE" WHEN SOLD.

Remember this stock consists of all kinds of Dry Goods that you would expect to find in a first class Dry Goods Store. Men's and Boys Suits, Overcoats, Underwear, Hosiery, Sweaters, Shoes, Boots, Hats, Caps, Sox, anything and everything for Men and Boys. What Becomes of Students Who Major In Mathematics Here?

West Texas State Teachers College began issuing degrees in 1919. Three of the four members of the class of 1920 majored in mathematics.

Mr. Ernest Atkins has won three scholarships, has received his master's degree from the University of North Carolina, and has spent two years in "Carnegie Tech." The past year he has been in Johns Hopkins University, from which institution he will soon receive his doctor's degree.

Miss Golda Fern Gruver has her master's degree from Columbia University and is assistant professor of mathematics in West Texas State Teachers College.

Miss Mary Ethel Adams has been a successful teacher of mathematics in Hamlin High School. She did graduate work at the University of Texas last year; but on account of a car accident, she was unable to finish the work for her master's degree.

In the class of 1921, J. J. Powell and Miss Emma Cearley were the Department's representatives. Mr. Powell is instructor in mathematics in this institution. Next year he will do graduate work in Columbia University.

Miss Cearley began work towards a master's degree at the University of Colorado this summer. She has been a successful teacher in Perryton High School and will return to the same position this fall.

The class of 1923 gave to the institution its largest group of mathematics majors: Harper Allen, Alvis Lynch, Bernice Graves, and F. E. Savage. Harper Allen taught in Abilene High School last year, but on account of the persuasive power of a \$700 scholarship, he will assist Dr. Rietz of the University of Iowa in the Department of Mathematics and will take his master's degree.

J. Alvis Lynch did excellent work in the Science Department of Abilene High School last year and will return to Abilene this fall.

Bernice Graves is training the boys in Sul Ross State Teachers College to twirl the ball according to the laws of mathematics.

F. E. Savage was associate professor of mathematics in West Texas State Teachers College 1923-24. He will do graduate work in Peabody next year and will return to his Alma Mater as Head of the Training School.

Zeima Red, Charles Wilson, and F. A. Martin are the mathematics representatives of the class of 1924. Miss Red will teach mathematics in Canyon High School, Mr. Martin expects to teach, and Mr. Wilson will do graduate work at the University of Texas.

Next year promises to be the banner year, for seven students have already planned to take their degrees with mathematics as their major. These students are: Jimmie Webb, Mary Gregory, Winnie Faulkner, Grace Clark, L. W. Blau, Will Anderson, and Will S. Kerr.

POULTRY CLASS STUDIES DEVELOPMENTS OF CHICKS

The girls in the poultry class are carrying out an experiment of unusual interest. They have an incubator running, from which an egg is selected at each class period for the purpose of studying the development of the chick.

It was observed that on the eighth day the little chicken's head was as large as the remainder of the body, and that the eyes were about five times as large as the rudimentary wings.

Another interesting fact brought out in the work is the high percentage of the eggs which proved to be infertile when tested on the seventh day. The eggs will be tested again on the fourteenth day for the purpose of making a check of those thought to be fertile at the time of the previous test.

Many of the girls in this class expect to do home demonstration work in the West Texas counties after completing their college work.

The water is so clear in the fjords of Norway that very small objects can be seen clearly at a depth of 150 feet.

How's Your Health?

Dallas, Texas—"I have used Dr. Pierce's Favorite Prescription for feminine trouble and it has helped me very much, and I have used Dr. Pierce's Golden Medical Discovery as a tonic, to build me up when I was all rundown, and I found it very beneficial. I hope these medicines will help others also."—Mrs. Pauline Lyles, 2016 Cockrell Street.

Obtain Dr. Pierce's remedies now from your dealer in medicine, or send Dr. Pierce, President of the Invalids' Hotel, Buffalo, N. Y., 10c for a trial pkg. of any of his medicines, and write for free medical advice.

When Militia Arrived

State Militia, with machine guns mounted atop buses, arrived at Niles, Ohio, to restore order after twelve had been shot in street fighting between partisans of the Ku Klux Klan, who were trying to parade, and Knights of Flaming Circle.

Girls are Getting Training for Future Membership in Clubs

Girls who are majoring in Home Economics are having much valuable training in club work. They are organized in a Home Economics Club and the club is a member of the Federation of Women's Clubs of the Seventh District.

This club has the distinction, although its membership is small compared with most of the other clubs, of having as a charter member the District Chairman of Kindergarten Work, Miss Ruth Lowes.

The club will send one delegate and possibly two to the Federation meeting in Amarillo this week. The entire membership will be guests of the Federation one day, making the trip in the college bus.

PROF. JARRETT IS HOST TO FACULTY MEN

Thursday evening, Prof. R. P. Jarrett entertained a number of the men of the faculty, together with a few of his town friends, with a forty-two party. There were five tables, where the technique of the game vied with political discussions for supremacy in the consideration of the players. At a late hour sherbet and angel food cake were served, and the guests went away vowing that they had not had a more jolly good time this year than they had at Mr. Jarrett's.

Those present were Plerie, Humphreys, Lockhart, Allen, Shirley, Guenther, Sheffy, Terrill, Cook, Reeves, Bill Black, Roy Wright, J. W. Reid, C. H. Jarrett, Redfean, McCarter, and Dr. Ingham.

FARM ANIMALS SOLD

The College Farm, an important unit of the Teachers College organization here, has recently sold \$150.00 worth of pure bred hogs to a local buyer.

"Joe Boy Hill," one of the best bred Jersey bull calves in this section of the country, was sold this week to G. W. Cox of Happy, Texas. This calf has been a pet of the agriculture students and was named for the younger son of President J. A. Hill.

The consumption of wine reached such a high point about a thousand years before the Christian Era that Lycurgus, King of Thrace, passed a Prohibition Act, the thoroughness of which cannot be questioned. A strict abstainer himself, he forbade the use of wine to his subjects, and rooted up all the vines within his domain.

CHILDREN'S BOOK WEEK TO BE OBSERVED HERE

The sixth annual Children's Book Week will be observed November 9 to 15. Public libraries, schools, churches, book stores, clubs and newspapers the country over recognize the significance of Children's Book Week and will combine their efforts at this time to place before boys and girls the best books obtainable.

The Children's Library has planned two special programs to be given during the week that will be of interest to students who expect to teach in the elementary grades.

The first program will be given Thursday afternoon in Room 105 at 3:30 o'clock. The program follows: Mother Goose in Song—Miss Clark. Books for the Little Children—Miss Haines.

Stories Children Enjoy—Miss Simmons.

On Saturday afternoon at 3:30 o'clock in the auditorium the following program will be given: The Care of Books—Sixth Grade Student.

Poem Uncle John

Accordin' to my notion now, it ain't the time to mourn—when the hills is dressed fer Autumn, and the frost is on the corn,—when we view the ripened apples with their cheeks of ruby-red, drinkin' sweet November sunshine from the glorious overhead. No—it ain't no time fer weepin' at the knell of summer days, when the heart should be rejoicin' in its thankfulness and praise. Let me tune my lyre to emphasize the glory of the land, with the music set before me, that a child can understand. Let the wings of glad October fan the love-flame in the soul, as she wields the vital process that a feller can't control. If it weren't fer blessed ripeness, in the vineyard, sheaf and ear, you would see some hungry figgerin' as to where we'd go from here. All hail, serene November, when the pantry and the bin keeps a-preachin' regular sermons on the goodies stored within: All hail the peace-an'-plenty with a thousand tints embossed, as we banish every shadder with the smiles we put across!

The Judge's Joke

IF ALL THAT FOND PARENTS TELL ABOUT THEIR 'BRIGHT CHILDREN IS TRUE, THE NEXT GENERATION WILL BE WEARING LAMP SHADES AS HATS

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nausealess Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

My Favorite Book—Seventh Grade Student.

My Favorite Book Character—Eighth Grade Student.

Books Boys and Girls Will Want to Read—Miss Richardson.

Friends from Book Land—a play—Training School Children.

The Children's Library will be open each afternoon during the week from 2:30 to 5 o'clock. Students and teachers who are interested should not fail to visit the children's room. It is interesting to note that there are now approximately 2,000 volumes in this department of the library. This number includes biographies, histories, books of science, and fiction, besides books of short stories covering a wide range of subject material for younger children.

OPEN ADVERTISING

"I wonder if this man would dare to say in a newspaper advertisement what he has in this circular," remarked a lady on somebody's list of prospective customers. A significant remark, as was another one made on the same subject—"I have never seen any of this man's advertisements in a newspaper or magazine."

The mere fact that the retailer of certain articles was not a public advertiser cast doubt upon his statements in a private circular. A newspaper advertisement demonstrates the willingness and anxiety of a legitimate business house to "tell the world" what it has and why people should patronize it. The circular, not fortified by newspaper advertising, suggests doubt.

Thus the public press carries the sense of responsibility and truth in business announcements, and an open and unafraid character. That is worth much in a period when so many frauds and impositions are made upon people in private appeals to buy this or that. Almost all kinds of advertising are good when they show a willingness for everybody to see them. This willingness is best displayed by the use of newspapers which creates confidence among buyers everywhere. No crooked business can afford to air itself in a newspaper. On the other hand, every legitimate business is happy to spread its news abroad in the frankest and most public manner.

STOP THAT ITCHING

If you suffer from any form of skin diseases such as Itch, Eczema, Tetter or Cracked Hands, Poison Oak, Ring Worm, Old Sores or Sores on Children. We will sell you a Jar of BLUE STAR REMEDY on a guarantee. It will not stain your clothing and has a pleasant odor. Jarrett Drug Company.

Shirley, Louis Gober, Clyde McElroy, Jim Green, C. O. Keiser, C. W. Warwick, F. P. Guenther, Wallace R. Clark, Henry Gamble, Oscar Gamble, Jim Redfearn, Jack Jones, J. W. McQueen, Travis Shaw, O. W. H. Cook, A. W. Hamill, and Mrs. Brooks. Little favors were given those who won the low and high scores. Mrs. Henry Gamble won low score and Mrs. R. A. Terrill won high score. A salad course was served as refreshments after the entire afternoon was spent playing bridge.

F. K. Williams—Wall Paper and Painting. 141f

Friday afternoon at six o'clock about thirty-five members of the Girls' Athletic Association went for a hike to Wragge's. Chaperones were Misses Elizabeth Dabbs, Grace Cavness, and Ethel Jackson. While some of the girls roasted waffles and made coffee, others climbed to the little knoll overlooking the creek and sang for the encouragement and pleasure of the rest of the party. Mr. Wragge played his accordion for the girls, and later they all ate supper together around a roaring bonfire. The girls returned to town about eight o'clock with all the enthusiasm and exhilaration that comes from two hours of wholesome play in the outdoors.

Mr. and Mrs. C. R. Burrow left Friday for a week's trip to various points on the South Plains, and to visit Mr. Burrow's father at Santa Anna.

Miss Moss Richardson represented the College Tuesday at the Tech College celebration in Lubbock.

Farm Loans 7 1/2%. S. B. McClure.

Mesdames Henry Gamble, George A. Farlow, J. M. Daughtery and Dr. H. A. Brown attended the banquet at the Amarillo Hotel Sunday, November 9, given by the Hanson Post and Auxiliary for the district conference held there. The program beginning at 2 o'clock. Delegates from Post, Lockney, Floydada, Plainview, Canyon, and Amarillo were represented. Each and everyone returned with more determination to make this the best year the Legion has ever had.

The ladies of the Auxiliary of the American Legion entertained with a progressive dinner party Monday evening at 8 o'clock. All assembled at Mrs. Henry Gamble's, going from there to Mrs. Jim Green's where a lovely fruit cocktail was served by Mrs. Green. Mrs. Hud Pritchard and Mrs. Earl Potter. After several minutes of various discussions, we were then asked to make our next stop at Mrs. John S. Humphreys' for the main dinner. Dainty place cards were flagged, designating our places where a delightful chicken dinner was served with cranberry jelly, cream potatoes, gravy and hot biscuits. The hostess being Mesdames Humphreys, Gamble, Overton, Kleinschmidt, and Bishir. The next was an invitation to Mrs. Graves' where Mrs. Hal Smith, Mrs. Rector Lester and Mrs. Jack Jones served a delightful salad course, hence to Mrs. J. Madison Daughtery's where a dainty dish of ice cream and wafers were served by Mesdames Daughtery, Hubert Price and Mary J. Brown. Mrs. Farlow then invited the party to her beautiful new home on Fifth Avenue, asking each one to bring their pillows. When the guests arrived a glowing fire place greeted them. When everyone was comfortably seated, kid fashion in front of the fire place, Mrs. Farlow gave Mrs. Humphreys the corn popper and corn. During this time many interesting stories were told. Then the marshmallow toaster and marshmallows were brought which were greatly enjoyed. The hostess then served coffee and sandwiches. Those attending the party were Mesdames Humphreys, Overton, Daughtery, Lockhart, Lester, Jones, Brown, Farlow, Gamble, Kleinschmidt, Green, Bishir, Smith, Price, Potter, Pritchard and Miss Jewell Greenfield as invited guest.

Quite a number from here attended the football game in Canyon Tuesday between the Buffaloes and Cadets. Among those from here were O. R. Bridges and the football team, Mrs. Bridges, Miss Hancy, Arnel Townsend, Frances and Harold Stephenson, John Toles, F. C. Scott, Mary Elizabeth Lemmons, Ruby Zachry, Miss Alma Wade, Maurice Eickoff, Oscar Fonkin, Clark O'Brien and Mr. and Mrs. J. O. Avery.

The native population of South Africa, which already outnumbers the whites by three to one, is growing at a much more rapid proportionate rate.

Baptist Students Attend Convention Of Student Union

Six delegates of the College Baptist Student Union attended the state convention of Student Unions at Texas University, Austin, from October 31 to November 2. These young people were Lillian Abbott, Louise Simpson, Mabel Holmes, Ira Powell, David Blankenship, and Arless O'Keefe.

The sessions were held in the University Baptist Church auditorium. Six hundred students from 32 Texas schools were present. The local Union was the only Teachers College group which obtained a Standard of Excellence from the state board.

A special train for Panhandle delegates left Amarillo and took delegations from schools enroute. The College group was joined at Plainview by fifteen Wayland students, Simmons College and Howard Payne College each joined the crowd with about forty delegates. On the return trip the W. T. S. T. C. students spent a day in Brownwood, where students of Howard Payne College entertained them in many ways.

The keynote of the convention was: "Christ's Challenge for Christian Conquests." Posters proclaimed everywhere the aim of the Baptist Student Union: "The Aim of the Baptist Student Union is Christian Life and Character Finding Adequate Expression in All of Life's Relationships." Speakers of south-wide reputation brought inspirational messages to the students.

Baylor University will entertain the 1925 convention.

On Friday Governor and Mrs. Pat Neff entertained the delegates with a reception in the governor's mansion.

Banking Interest Is Community Interest

When you deposit your money in the bank, you are not only safeguarding your own funds, but you are helping your community to grow by making it available to others through the medium of the bank.

Banks contribute to the welfare of the community by aiding worth-while industries, which, in turn, help other industries to grow and prosper, bringing prosperity to you and yours.

THE UNIVERSAL CAR.

We wonder if you know just how little money is actually required to get a FORD car? The first payments for FORDS are given below:

Roadster St. Cl.	\$116.75
Touring St. Cl.	\$125.00
Truck Ch.	\$125.00
Coupe	\$173.00
Tudor Sedan	\$191.75
Fordor Sedan	\$218.75

It is surprising how many prefer the TIME PAYMENT to CASH. They find the payments are met and the car is theirs without really missing the money. A telephone call will bring one of the Models for your inspection. You will be under no obligation whatever.

THE PASSING DAY

By Will H. Mayes, Department of Journalism, University of Texas.

Most people, and all candidates except Coolidge, talk too much during political campaigns. In fact over-talking appears to be a national fault, and people who talk too much are likely to say things at times that should not be said. This is especially the case in the heat of a political fight, and as we are not out of one campaign in Texas before we are starting on another, much unnecessary bitterness is created and kept alive. Elections in this State are held too often. There is no good reason why changes should be made in offices about the time the office-holders begin to get acquainted with the duties of their positions. Campaigning for any office has become unduly expensive, and after all, the people have to bear the expense. Aside from the saving in money that would result from fewer elections, there would be a wonderful saving in good feeling among the people.

The recent election may not have gone entirely to suit you, but those who have been elected will be your officers whether your choice or not, and as good citizens it becomes your duty to support them as wholeheartedly as if you voted for them. You can do this without endorsing any wrong-doing on the part of any of them, for good citizenship does not demand that you should support even your closest friend in a wrong act whether it is private or public. But most of us are inclined to be too critical of those whom we have opposed for public position, and in that way render their public service all the harder. The thing for all of us to do is to quit talking and give our newly elected officers, from the highest to the lowest, to understand that we are supporting them and have confidence in them, and then let's expect that confidence to be well placed.

Most people, even office holders themselves, are inclined to over estimate the authority and power placed in those elected to office. They are merely public servants and as such are remarkable at all times to public opinion. Every citizen helps to create and maintain public opinion, which those in office must respect. As a citizen you are equally responsible with your neighbor and with me for that public opinion. Therefore you and your neighbor and I are the real governors and officers, and those whom we have elected are merely representing us temporarily. If their official conduct does not conform to public opinion, at least measurably, public opinion holds them in check. Our duty clearly is to do our full share in maintaining a correct opinion.

From the news reports the triangular territory between Shreveport, La., and Marshall and Carthage, Texas, promises to become the greatest natural gas field in the Southwest under proper development, and if so the wealth of that section will be increased immeasurably. The points adjacent to the territory will profit by the gas field exactly in proportion to the use they make of it. Shreveport is a live, wide-awake place, and is quick to grasp every opportunity for self advancement. Marshall will likely prove a stronger competitor in the utilization of the natural gas taken from Texas territory, even though it is handicapped by having less capital and a smaller population than Shreveport. Other nearby places are favorably located to receive much benefit, if only they have the enterprise and spirit to profit by what nature is doing for them.

The best way to judge a "hick" town is by its newspapers, and the advertisements in the papers are the sources from which opinions are formed. If the merchants are wide awake, progres-

sive dealers, they invariably carry a good amount of advertising in their local papers and show an interest in constantly increasing their trade and trade territory. Where the advertising is lacking, everybody except the merchants themselves, knows that the best trade of the territory is going to the more enterprising neighboring towns and cities, and that the capital of that territory is steadily being drawn from it to other places. This in time reduces it to the "hick" classification. The best of towns can be killed by a non-enterprising set of business men who are merely "store-keepers," and not merchants of a kind that are constantly building up a trade territory through modern methods.

A SAFE RETREAT

First Business Man: "Calvin, there are a couple of creditors close on my heels."

Second Ditto: "Quick, run into the savings bank over there. Nobody will think of looking for you there." "Fools-cap."

EXCEPTIONS TO EVERY RULE

"So you went after the job. I thought you believed that the office should seek the man."

"I do, but this is a fat job, and I was afraid it might get winded before it reached me."—Boston Transcript.

The discovery of the possibilities of gas for illuminating purposes was Philippe L. Lebon, a French engineer of the revolutionary era, who was murdered in 1804, presumably by burglars who had entered his house at Versailles.

The central incinerator of the city of London, England, is to be harnessed to a power station, which will generate electricity for the lighting system and the running of tube railway and surface cars.

The famous Derby race was founded in the eighteenth century by the Earl of Derby, and after 130 years' effort on the part of his descendants, it has at last been won by the present earl.

The British authorities are arranging a fake art exhibition with the object of warning American and other tourists of the difference between the genuine works of art and fake copies.

The black bass guards its young after hatching, and is the only fish distributed by the New York conservation commission known to do this.

In Quebec, Canada's oldest city, taxicabs have just made their first appearance, taking the place of the quaint horse vehicle called the caloche, so familiar to tourists.

Poem
by
Uncle John

My neighbor drives a limousine, an' fusses with his liver,— he finds it mighty hard to keep in trim. He mebbe doesn't realize that, in my little flivver—I wouldn't think of swappin' lots with him. Of course, he's got his velvet an' his fancy rubber tires, which he figgers that he couldn't live without,—but I enjoy the trimmin's that a healthy yap requires, and I never have been pestered with the gout.

Though me and him is human, we have allers got along—an' loved each other—same as neighbors will. . . . His life's the soul of dividends, while mipe's the soul of song—but, we differ some on how to climb the hill. I reckon he is satisfied a-settin' in his bank, enjoyin' little twinges of the gout,—while I have come to realize, I've got the Lord to thank for the many things I've learnt to do without!

SHERIFF'S SALE

THE STATE OF TEXAS,
County of Randall.

By virtue of a certain Order of Sale issued out of the Honorable County Court of Oldham County on the 23rd day of October, 1924, by J. A. Pulliam, Clerk of said Court against J. S. Pope for the sum of Five Hundred Twenty-Six and 62-100 (\$526.62) Dollars, and costs of suit, in cause No. 67 in said Court, styled Oswald Kunze versus J. S. Pope and placed in my hands for service, I, W. C. Black as sheriff of Randall County, Texas, did, on the 8th day of November, 1924, levy on certain personal property situated in Randall County, described as follows, to-wit: Four cows, ages from five to twelve years old; described as follows, One red de-horned cow, one brown cow branded J. S. on right hip, one brown white faced cow, and one red motley faced cow, and levied upon as the property of said J. S. Pope. And on Tuesday, the 25th day of November 1924, at the Court House door of Randall County, in the city of Canyon, Texas, between the hours of ten a. m. and four p. m., I will sell said cows at public

BUILD NOW!

LUMBER

Your Home!

Down through the ages the constant use of wood has proven it to be the best material for home-building. A lumber-built home with wood floors, wood mantles, staircase, window-frames and doors brings kindly memories to most of us because it was in such a home that we were born and raised. Lumber gives that "homey" atmosphere that all other materials lack. Use lumber to build your home. Lumber gives greater home comfort at more reasonable cost. Let us help you in planning and financing your home.

CONSIDER JOE, CHIMPANZEE. EDUCATE THE EDUCATOR. THE SINS OF THE CHILDREN. MEAT EATERS RULE.

Joe, aged chimpanzee, alleged member of a tribe whence sprang the Caucasian race, has known a moment of exaltation. His keeper, as usual, entered the cage to clean it. Joe, just for a change, swung his knotty black hand around and knocked the keeper senseless with ease, went out the open door and walked in the park. He stopped to exchange courtesies with his friend, John Barrett, eighty-three-year-old park employe. Soon he was on his way back to the cage.

Learn that when you admire a prizefighter, you admire only a poor imitation of a chimpanzee, and a worse imitation of a gorilla, that could beat any twenty prizefighters in forty seconds.

Learn also from Joe, the chimpanzee, that freedom depends not on how hard you can HIT, but how well you can THINK. Joe, the chimpanzee rose, knocked down his keeper, and walked out of the cage, but he didn't know what to DO next. "There's the rub."

An "educator" of Minnesota is accused of punishing boys in a high school by causing them to sit in an "electric chair," causing severe burns.

In New York State, another "educator" of the same gorilla type confessed that he had beaten a little negro girl with a rubber hose.

It might cure the man with the rubber hose to let him spend half an hour in a closed room with Willis, the negro fighter, the latter also equipped with a piece of rubber hose.

The Minnesota educator could be enlightened by a brief stay in a real electric chair, but that would be too drastic, even for that kind of stupid brutality.

The Government, which found so many billions for the wars of other people in Europe, ought to find a few dollars for building the canals that this country needs. One canal would unite the Lakes and the Mississippi Valley with the Gulf and the Pacific via Panama. Another canal for ships unite the Lake country with the Atlantic. "Every big American city a seaport" should be our motto.

Within twenty-four hours, a girl of fourteen, scolded by her father shot herself to death. An eighteen-year-old boy, beaten by his father, killed himself by turning on the gas.

Strange that man, said to descend from the "higher apes" or some animal like them, should treat his own children with a brutality of which no gorilla, orange-outang or chimpanzee was ever guilty.

A man that would not allow anybody to beat his young horse or dog for fear of "breaking its spirit" will break the sensitive spirit of his own child.

Modern crime turns an ancient text upside down. In Exodus, 20th chapter, 5th verse, you are told that the iniquity of the fathers is visited upon the children "unto the third and fourth generation."

Now the crime of the child is visited upon the father. Albert Loeb, whose son killed the Franks boy, is dead, killed by sorrow and disgrace. That should satisfy the bloodthirsty that demanded "somebody hanged."

That unfortunate father died a thousand deaths to atone for his son's hideous crime.

Have you noticed how little men seem to think about their souls while they are alive, and how much they think about what will happen to their bodies after they are dead? A corpse left behind is no more important than a pair of wornout shoes thrown aside. Yet men of power, from the Pharaoh that built the first pyramid to millionaires come with his concrete grave, have worried about their bodies.

The question interesting to one thinking of death should be "Where do I go from here?" not "Who is going to steal my body?"

George Bernard Shaw, self-appointed Vice-Ragot of Omnipotence, thinks little of meat eaters. He's wrong. He says: "Animals fed on barley have conquered half the world." Perhaps so, but men that eat meat RULE THE ENTIRE WORLD. DON'T forget that.

Umbarger Notes

Clem Friemel is threshing row crop for Nick Hollenstein this week.

The grasshoppers are doing considerable damage to wheat this year. The damage is noticeable mostly along the edge of the field. Totally destroying big strips of wheat in some fields.

O. J. Podzemney made a business trip to Canyon Friday.

The farmers are busy stacking and threshing row crop. The late wheat needs a good rain.

Clem Friemel and family spent Sunday at the A. Beckman home.

Miss Annie Keeley was a business caller in Amarillo Saturday.

Leo Stocker made a business trip to Canyon Monday.

Ted Irbeck made a business trip to Amarillo Saturday.

THE USUAL PROCEDURE

Nearly five years ago a young fellow who had served with the American forces in France went to the ticket window of the railroad station at Miami, Oklahoma, to secure transportation to a hospital for sick and disabled, suffering from the effects of gas upon his lungs.

The government had sent him an order for passage to Houston, where he might secure treatment in an army hospital. But when he presented this order to the ticket agent at Miami he was ordered out of line and humiliated according to the evidence which he submitted in suing the Frisco railroad for damages.

The lower court awarded him judgment of \$1,500 against the railroad company, but the case was appealed. This week the state supreme court affirmed judgment, and now the war veteran is entitled to collect that sum, provided he is left alive after four years and six months of weary waiting.

The point which was stressed in news dispatches about this decision was that discourtesy is sometimes costly in dollars as well as in prestige and public favor. But it seems to us that the thing which really merits special attention in this rather unusual case is that it required about five years, one-tenth of a life time, for this loyal citizen of our state to secure redress

at the hands of our machinery of justice.

Moreover, that is just about the customary course which the law takes in such cases. There surely is woeful need to reform our civil court system. —Quannah Times.

Russia has again gone into the egg business. Before the war eggs were among the most important of Russia's exports, the 1913 exports amounting to 3,484 millions of eggs, or sixty four per cent of the world export.

In Rock Island County, Illinois, where the Indian took his last stand east of the Mississippi, a memorial park is to be established. The park will cover part of the scene of the Black Hawk wars.

Probably the most curious restaurant in the world is in Buenos Aires. The equipment consists of one large pot about a yard in diameter, and one large fork with which the customers, for the sum of five cents, are allowed a chance of fishing out a chunk of meat.

A kauri tree has recently been discovered in the New Zealand bush which rises to a height of seventy-five feet to the first branch and measures twenty-two feet in diameter or about sixty-six feet in girth. It is estimated to contain more than 195,000 superficial feet of timber.

Get Back Your Grip On Health... or NO COST!

Notice the quick difference in the way you eat, sleep, look and feel—the remarkable improvement in your health, strength and energy, after taking 2 bottles! If not, the Karnak agent will refund your money.

Karnak is sold in Canyon by The City Pharmacy and by leading druggists in every town.

"I want a CALORIC before I clean house again"

The Caloric costs less than stoves necessary to heat same space. Saves 14 to 16 your fuel. Made and guaranteed by The Monitor Stove Co., Cincinnati, O.

CALORIC

THE ORIGINAL PIPELESS FURNACE TRIPLE-CASING PATENT © The M. S. Co.

Hundreds of thousands of women, every spring and fall, must face the drudgery of house-cleaning.

They know that heating stoves and pipe furnaces fill their homes with dirt, and smoke up the curtains and wall paper, and they want to get rid of these out-of-date methods.

The patented Caloric Pipeless Furnace keeps the fuel, kindling and ashes in the basement—and thereby largely eliminates house-cleaning.

We sell the Caloric on the basis of "Satisfaction or money back." A splendid time to get a Caloric is just before you clean house. The next best time is just after you clean house so that your house may stay clean.

See us at once and learn why over 125,000 families in every state in the Union prefer the Caloric to any other method of heating.

Wilford Taylor of Canyon Clerk

Lone Star Flag Presented to the College Saturday at Chapel Period

A Lone Star flag, symbolic of days when the founders of the Texas Republic were struggling to establish a democracy, has become, through the generosity of a daughter of one of these pioneers, the permanent property of the College.

The donor is Mrs. Loretta Lamar Calder of Houston. Mrs. Calder is a daughter of a resident Mirabeau Lamar, who more than any other individual is credited with the establishment of public education in Texas. The flag is given as a memorial to the famous Texan.

Last Saturday morning, President J. A. Hill accepted the gift from Mrs. E. H. J. Andrews of Plainview, who represented her mother at the presentation exercises. Mrs. Andrews, a granddaughter of Lamar, asked that the flag be flown by the College every January 26th—the birthday of the statesman. This request was granted when the entire audience stood in mutual assent.

In opening the exercises, President Hill stated that the occasion grew out of a wish to perpetuate the achievements of one of the founders of Texas. He then introduced Prof. L. F. Sheffy, who sketched in detail the life and service of President Lamar. "Lamar," he said, "lived in an age of strife. He caught up the spirit of his time and became a fighter and expansionist. He was a great statesman of the highest type—unselfish, pure in thought, lofty in ideals, and interested in his fellow men. He builded for the future upon the foundation of an enlightened citizenship." Mr. Sheffy also read at length from the public messages of Lamar.

Mrs. E. H. J. Andrews was introduced by Mrs. T. V. Reeves. "My mother has given this flag in very loving memory of her father," said Mrs. Andrews. "I suggest that you form a habit of flying it one day in the year, in memory of Lamar. . . . No student can thus come in contact with Lamar's ideals without having a higher sense of good citizenship."

"In the name of the Board of Regents, the State of Texas, and the West Texas State Teachers College, with grateful appreciation of the services of Mirabeau Lamar, we accept this flag and re-dedicate ourselves to his lofty ideals of manhood and citizenship," said President Hill in accepting the flag.

"The Eyes of Texas" was sung as a patriotic expression by the assembly at the conclusion of the exercise.

In European countries there are 1800 daily and weekly newspapers published. Berlin with 100 papers, half of which are dailies, leads the list. Vienna, which is second, has 55, including 22 dailies.

The co-operative movement was first introduced in 1844 by flannel weavers in Rochdale, England. It was intended to provide a means of relief from existing unemployment and high prices.

ECZEMA

You will be compelled to admit that the results of S.S.S. are really amazing!

MANY people imagine that eczema or tetter needs only some external application on the skin in order to get relief. This is because the attention of the sufferer is so violently directed to the intense burning and itching which accompanies this disease. Try as they may—permanent relief will never be theirs until the disease laden blood is thoroughly cleansed.

We know there is one thing that stops eczema and that is more red-blood-cells! S.S.S. builds them by the million! You can increase your red-blood-cells to the point where it is practically impossible for eczema to exist. We know that as blood-cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it. Skin eruptions, eczema, with all its fiery, skin digging torture, and its soul-tearing, unreachable itching, pimples, blackheads and boils, they all pack up and go, when the tide of blood-cells begins to roll in! Blood-cells are the fighting giants of Nature! S.S.S. builds them by the million! It has been doing it since 1826.

S.S.S. is one of the greatest blood-cell builders, blood-cleansers and body strengtheners known to us mortals! When you put these facts together, then to continue to have eczema and skin eruptions looks more like a sin than a disease. S.S.S. contains only vegetable medicinal ingredients. Because S.S.S. does build red-blood-cells, it rids eczema, clears the skin, builds firm flesh, fills out hollow cheeks, and gives you that more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

S.S.S. The World's Best Blood Medicine

BUFFALOES LOST HARD GAME TO THE CADETS

(Continued from first page.) the last quarter. He had his nose broken last year, and played the last game with it heavily bandaged.

The line-up:

Buffaloes	Position	Cadets
Mitchell	Right End	Moore
Golden	Right Tackle	Nunnally
Jones	Right Guard	Watson
Thompson	Center	Blair, (c)
Santy	Left Guard	Wall
Brown	Left Tackle	McCalla
Anderson	Left End	Brookshire
Bivens	Guard	Cox
Scott	Left Half	English
Jennings	Right Half	Polindexter
Burson (c)	Full Back	Strickland

Referee, Parcels, Northwestern. Umpire, Cartwright, Texas; Head Linesmen, Dennis, Kansas.

Substitutes: Cadets, Watson for McCalla; Buffaloes, Bark for Scott, Vaughn for Anderson.

FLOYD COUNTY REORGANIZED

Reorganization of the Floyd County Club took place on November 5th. Clem McDonald acted as chairman while the following officers were elected:

Otus Mitchell, president.
Bonner Baker, vice president.
Dot Wilborn, secretary-treasurer.
James Wilson, reporter.
Tate Fry, annual representative.

The purpose of the club is (1) to bring about better acquaintances between students of Floyd county, and (2) to interest high school students in college life and thereby lead them to W. T. S. T. C. Floyd county papers will be furnished news of what the Floyd county students are doing. Further plans will be brought up at another meeting soon.

TO SHOW PICTURES

The College has purchased a motion picture machine which will be used principally to project the films taken by Secretary Travis Shaw. Mr. Shaw has a portable motion picture camera and is making up a film of football scenes and local views. A show will be given when the film becomes long enough.

MASTER MASONS NOTICE

There will be a called communication of Canyon City Lodge, No. 730 A. F. & A. M. on Friday evening, November 14th at 7:30 p. m. Work in the Fellowcraft and Masters Degrees will be conferred by Past Masters.

All Master Masons are cordially invited and we are expecting you.

FIRST CHURCH OF CHRIST SCIENTIST

Services at 11 o'clock. Subject: "Mortals and Immortals." Sunday school at 9:45. All under the age of 20 years are invited to attend Sunday school. Also Wednesday evening 7:00 o'clock, when testimonies and remarks on Christian Science are given. A Reading Room is maintained in this building, where the Bible and all authorized Christian Science literature may be read, purchased or borrowed. The public is cordially invited.

NOTICE OF SHERIFF'S SALE

THE STATE OF TEXAS
County of Randall.
By virtue of an execution and order of sale issued out of the Hon. County Court of Randall County, Texas, on the 27th day of October, A. D. 1924, by the clerk of said Court, in the case of R. A. Bellah vs. L. J. Martin et al, No. 612, and to me as sheriff of Randall County, Texas, directed and delivered, I will proceed to sell, within the hours prescribed by law for sheriff's sales, to-wit: between the hours of 10 o'clock a. m. and 4 o'clock p. m. on the 24th day of November A. D. 1924, at the Building where the said L. J. Martin conducted the Variety Store, being the R. A. Bellah building located at 506 15th St., and being the third door South of the First National Bank in Canyon, Texas, in said Randall County, the following described personal property, to-wit:

All of the Goods, wares, chattels, fixtures, furniture, tools and all other property situated in said Building which said building is located on the north 20 feet of lot No. Four (4) in Block No. 42 of the original town of Canyon City, Randall County, Texas. Said property levied on as the property of L. J. Martin, by virtue of an order of sale mentioned above for the purpose of satisfying a judgment in favor of R. A. Bellah for the sum of \$300.00 and costs of said suit. Said sale will be made for Cash.
Given under my hand this October 27th, A. D. 1924.

W. C. BLACK, Sheriff,
Randall County, Texas.

Wayside Items

Ice cold for a few days. Cloudy and threatening bad weather, no precipitation as yet.

Quite a few enjoyed an outing in the canyons Sunday afternoon, taking lunches and having a good time. Among the number were Mr. and Mrs. W. I. Lane and sons, Irvin and Joyce, H. H. Gillham and family, Charlie Helms and family, J. C. Payne and wife and babe and a number of others.

Stinging at D. L. Adams, Sunday night a week ago, at Frank Walters' last Sunday night. Good crowds at both places and always a good time.

W. J. and M. C. Sluder made a trip to Tulla and Plainview Tuesday.

Mrs. W. R. Franklin has been critically ill for some days. At last report she was improving some. Dr. Webb of Happy is treating her; has given her two serums for blood poison. We trust she may continue to improve.

Mr. and Mrs. W. R. Stockett spent Armistice Day at Wayside with J. R. Stockett and family.

R. L. Grigsby and wife of Abernathy spent Saturday and Sunday with Mr. and Mrs. J. R. Stockett.

Mr. Wade of Concho County, who has purchased the Bowe place, formerly owned by Uncle Reuben Rogers, is moving in this week.

Mr. and Mrs. J. W. McCrerey made a trip to Happy Tuesday.

M. C. Sluder, Mrs. Bonnie Sluder and three children, Thelma, Wayne and Evelyn from above Amarillo, spent Monday night at the parental Sluder home. Tuesday visiting Mrs. Fannie Franklin and her mother, Mrs. Emma Franklin, where she will remain for some days.

Grady Franklin from Chicago, surprised his parents last Thursday by coming in to see them. He left Wayside twelve years ago. He got a job on the Santa Fe at once at Slaton. They are expecting his wife and three little daughters soon.

Mrs. Bessie Lane was quite sick Sunday night and all day Monday.

Mrs. Lily James of Dallas, sister of Aiken Bros., spent Sunday night at Mrs. Bessie Lane's.

W. H. Hamblen is slowly improving. Is taking grain to market at Happy.

ALL SAINTS' EPISCOPAL CHURCH

November 16 (22nd Sunday after Trinity.) Service and sermon by Rev. R. N. MacCallum of Amarillo, 7:30 p. m. All are welcome.

REV. E. H. J. ANDREWS,
Priest in charge.

WED LIKE TO MEET DICK

"Strange, Dick likes Gladys so."
"Why, she's not so bad."
"That's what makes it so strange."
—Brown Jug.

Facts About Child-birth

It has been proven conclusively that much of the suffering, pain and dread experienced during expectant motherhood, as well as child-birth is entirely unnecessary.

An eminent physician, Dr. J. H. Holmes, expert in this science, first produced the great remedy "Mother's Friend," which aids the muscles and tissues to expand more easily, during the constant readjustment, month after month, right up to the climax of child-birth.

"Mother's Friend" is applied externally. Three generations of expectant mothers have used it. "Pains disappeared in two days after using 'Mother's Friend,'" writes a user. "I owe my life to 'Mother's Friend,'" declared another. Use "Mother's Friend" as our mothers and grandmothers did, start today and experience the wonderful comfort it will give you.

FREE BOOKLET.
Write Bradford Regulator Co., Dept. B-A 38, Atlanta, Ga., for free booklet giving many facts every expectant mother should know. "Mother's Friend" is sold at all good drug stores—everywhere.

Guaranteed DRUG Needs

Articles you need from a Drug Store should be, above all else, of the highest quality in every way.

Life often depends upon reliable service rendered, and service is limited by the quality of the items.

We guarantee each article we sell.

College Reaches Many of People Through its Work in Women's Clubs

During the term of 1923-22 the West Texas State Teachers College worked out and offered courses of study for Women's Clubs. These courses were heartily accepted, and in a short time, many club members were taking the various courses offered. When the work of a course is completed by a club, the individual members receive credit for the work done.

Last year the enrollment for courses through different clubs was more than five hundred. This year nineteen clubs with a membership between four and five hundred have already enrolled for work.

Courses for credit are given only to members of clubs in the Seventh District, but courses as a basis for work are furnished to clubs in all parts of Texas, New Mexico, and Kansas.

The College Book Store makes reduced prices on all books for use in clubs. Whenever possible, the College Library will lend books to clubs.
