Whom Shall We Elect?

The White House now has a four-year occupant, and voters have ceased waging verbal wars against Herbert Hoover or Al Smith. Congressional seats have new or re-elected occupants for two or four or six years, and the nation's law makers go on with their harangues and routine business with little thought, for the moment, of keeping their political hats unsoiled.

Down in Austin, where the Colorado rolls not far from the steps of the domed state capitol, the legislators are plying along in the even tenor of their way; some of them may even be stealing away to the happy river to cast their hooks for a catfish or a trout.

Over in Hamilton, leaning over their records or carrying on the courts of justice or enforcing the laws of the land, the county and district officers are safe for almost one year or almost two. Most of them are faithful workers; and the voters forget they have officers, forget they have laws, and say, "Let the officers we have elected worry about law enforcement—that is none of our ours."

That attitude of voters is one of the chief reasons why there is graft and inefficiency in our government. It requires more than a pre-election argument over a candidate's religion or his wetness for the average citizen to fulfill the duties of his franchise privileges.

Not only do the voters pay little attention to the officers in whom they have placed the reins of law creation and enforcement, but they almost forget the so-called "minor officers" of their town and their school district.

School trustees are to be elected in Hamilton county the first week in April. On them will largely rest the burden of making county schools successful or unsuccessful. They are only lay citizens, yet at the infrequent meetings they hold are determined the policies that may mean

education or ignorance for a boy or girl, encouragement or discouragement for uninterested parents who do not care whether their children go to school or not.

In Hico, four municipal officers are to be elected early in April. Here, again, are important duties placed on the shoulders of lay citizens. It will be a sacrilege against good government and a black eye for Hico if only a scattering handful vote for those four officers.

It will be well for citizens throughout the county to consider carefully the men or women they shall elect as school trustees. It will be well for citizens of Hico to consider carefully the four they shall place in office in their home town.

Washington, Austin and Hamilton are not the only capitals that determine our welfare and that of our children. The community and the home town are vital factors in the body politic.

News From Hico Schools

TAKEN FROM "THE MIRROR," HIGH SCHOOL PUBLICATION

Senior Class to Give One-Act Plays Soon

The Senior class will offer to the public a group of one-act plays this spring in the Hico High School auditorium. These plays will be selected from a number of prominent and popular productions that have met with universal success on the legitimate stage. Such plays as "The Flattering Word," "The Exchange," "The Beau of Bath," "Three Pills in a Bottle," and others are being carefully read and an early selection of the casts will be made. The casts will be carefully selected from the viewpoints of accurate and efficient interpretation. A manager, publicity agent and costume and property directors will be appointed, and the plays will be presented to the public at a fixed rate of admission. Tickets and programs will be printed for patrons. Rehearsals will begin in the near future. The Seniors feel that they have some thing worth while and entertaining to offer their school mates and friends.

Former Instructor of Philipinos Lectures

We were surprised Monday morning when we were summoned to the auditorium during classes. We assure you it did not grieve us in the least to miss our lessons, though. Mr. Shelton, who is a former teacher of the Philippine Islands, gave us a short talk on the natives, life and customs of the Philipinos. One phase he expressed was the rarity of public schools. He also told us the importance of bamboo in the islands. He ended his talk by telling us of a party he attended, where a boy with a bamboo hat on came after him in a bamboo carriage and they rode over bamboo bridges to a bamboo house surrounded by a bamboo fence, and he went in and sat in a bamboo chair at a bamboo table and ate bamboo salad. He also gave us a long talk Thursday, showing us many articles and costumes of the Philipinos.

INTERSCHOLASTIC SUPPORT

Wake up, Hico Hi! Let's make these surrounding towns take notice of the fact that we are not asleep when it comes to genuine school support and interest. It is nearly time for the annual interscholastic league meet, and we will have a chance to prove to our neighbors what we are capable of doing. Students everywhere have formed the habit of depending on the other fellow to enter into school activities when they are perfectly able to do so themselves. It is not doing the teacher a favor when you enter into something when requested to do so. Rather, it is a benefit to you personally, as well as an evidence of loyalty to your school.

We have often heard a student say, "Oh, I can't do that at all; let someone else," when the teacher asks him to try essay writing, declamation, or some sport. Well, suppose all of us said that—where would this school be? Nowhere at all. It is up to each of us to do our part, and to do that with the very best of our ability.

The question may arise in our minds, "What is the use of Interscholastic Leagues?" In the first place, it is excellent training for us individually, both mentally and physically. Second, if we are victorious (and we can be, as easily as anyone else), it raises the record of our school, and in that way it is a boost to the whole town in general.

There is an old saying, "Nothing attempted, nothing done," and it can certainly apply to Hico High. Come on, let's not sit on the fence nonchalantly, when we can be right in the center of these activities and carrying off honors by the dozen.

JUNIOR ENTRIES RED HOT DURING PRACTICE

If you should suddenly walk to the athletic field and see a group of girls doing strange things in a strange way—it's baseball. It's a shame that the big leagues won't let girls play, because some of these hard-hitting delicate players can knock the old pill over the park fence. They have their eyes on the first place at Hamilton. Shift your eyes in another direction, and you'll see the junior boys' team. Both of them play a flashy type of ball and are out for sure enough scalps.

There are also some speedy entries for the straight-away, and they have their racing blood keyed for the big event at Hamilton, March 22 and 23.

STARS BEING ROUNDED INTO SHAPE BY COACH

Coach Freeman is wearing a great big smile, and even if it is nobody's business, he has something under his hat. The secret is: "He is finding some red-hot flying Mercuries in the track material." Taft Holloway, Herman Segrest, Harold Boone, Leon Rainwater, Weldon Leach, and others are showing up well on the long dirt track.

On the flying, short flights W. H. Gandy, F. M. Richbourg, L. E. Williams are trying for county honors. Orien Graves seems to be the leaping Lena with all the grace of a flying fish. F. M. Richbourg and George Evans make up the hot tennis team for the boys.

PERSONALS

The Misses Elta Gandy and Lois Segrest visited relatives and friends in Stephenville the past week-end.

The Misses Laurel and Mildred Persons and Katherine Smith were guests of Mildred Hooker in Stephenville the past week-end.

Miss Charlotte Mingus visited her parents, Mr. and Mrs. F. M. Mingus, during the week-end.

Miss Avis Graves, ex-student of Hico High, visited the school Wednesday morning.

Harold, Ralph and Lois Boone attended the Fat Stock Show at Fort Worth during the week-end.

Edwin Campbell, who withdrew from school not long ago, is here again. The Juniors are glad to have him back again, and they hope he will stay this time.

Mary Annette Gleason was in Waco shopping last Saturday.

Orien Graves spent the week-end with his mother and father, Mr. and Mrs. L. B. Graves, at Fairy.

Among those who attended the fat stock show at Fort Worth last week-end were: Taft Holloway, J. D. Patterson, Lois Segrest, Johnnie Copeland, and W. H. and Elta Gandy.

GRADE NEWS

FIRST GRADE

The first grade ought to be clean. Small samples of soap have been passed around and pledges to keep clear have been signed. Posters, put out by the Palmolive Company, are hanging on all the walls representing different forms of cleanliness. Great work is being done by these youngsters.

SECOND GRADE

The following made 100 in spelling during the month of February: Marie Lynch, Charles McDonell, Rolene Foxy and Joe Powers.

Jane and Jean Wolfe received certificates of citizenship at the end of the first school term. O. W. Hefner and Joe Powers received certificates of reward.

Jane and Jean Wolfe spent the week-end visiting in Groesbeck. Peggy Pirtle went to Stephenville Thursday.

Charles McDonell spent the week-end in Cottonwood.

O. W. Hefner spent Sunday in Stephenville.

Annalee Persons spent Sunday at Lynch's cap and at Hamilton.

SIXTH GRADE

Two new pupils in the sixth grade are Tommie and Oscar Hargus, who came from Jayton, Texas.

Rosalie Bunn has moved to Slayton.

Euth Howerton has moved to the country.

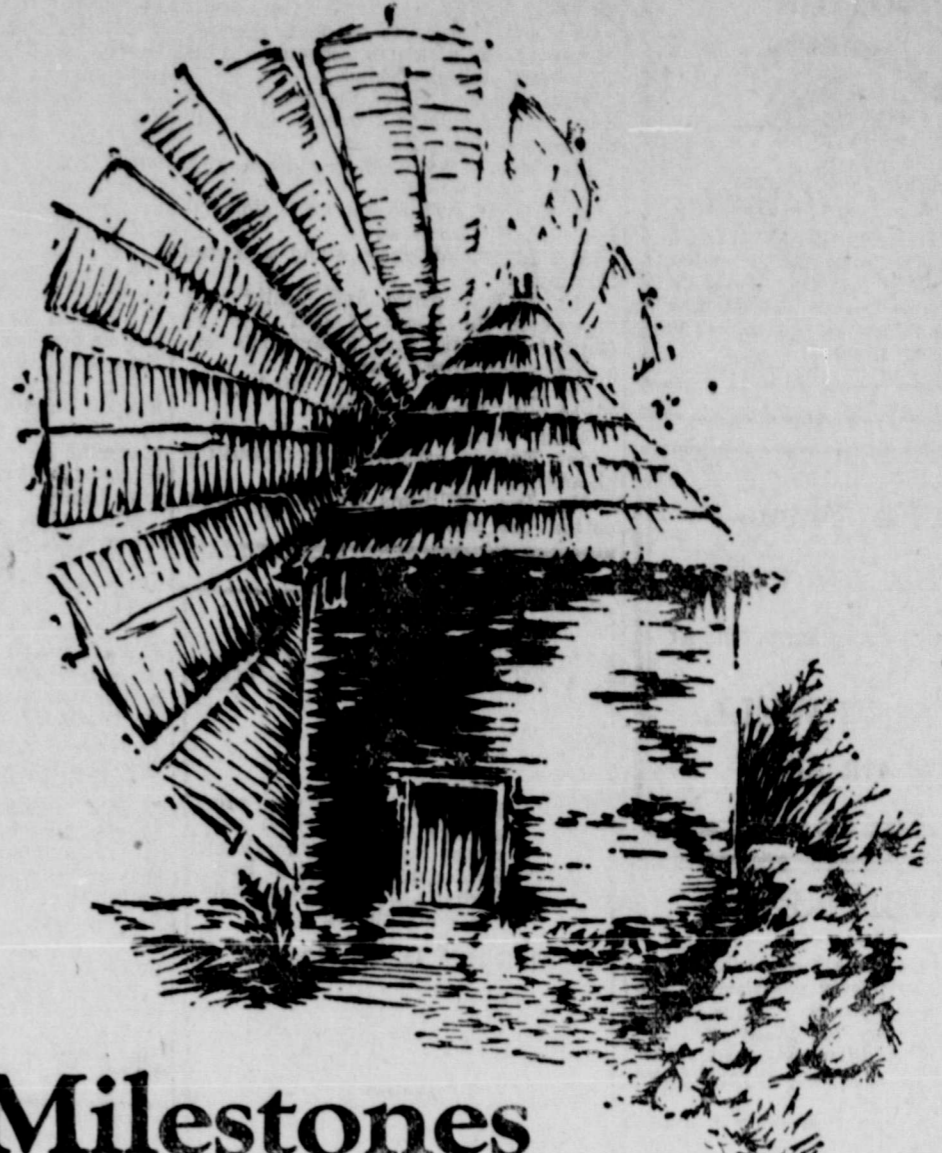

We wonder what is happening to the rest of the grammar school. They don't seem to like having their names in the paper.

DECLAIMERS SELECTED FOR MEET AT HAMILTON

Declaimers to represent the Senior section and Junior section in the Interscholastic League meet were chosen in an elimination contest Monday morning, March 11. The following judges rendered their decisions: Rev. Paul W. Evans, E. H. Persons, and Mayor J. C. Barrow. Dorriece Pirtle was selected to represent the Senior girls' division, while Paul Holladay will represent the Senior boys' division. Mattie Neal and Martha Porter were chosen as representatives in the Junior class for girls. The former will be Hico's entry. Carrol Smith was selected as the Junior boys' representative.

These pre-contest speeches before an audience served in a two-fold capacity. They serve to eliminate errors and they establish poise and enthusiasm.

She: "Are you from Fort Worth?"
 He: "Nope, I just bummed a ride on a cattle car."

Milestones

NOWADAYS, the ancient windmill is no more than a quaint reminder of bygone times. The huge sails of these machines are still creaking slowly in many out-of-the-way spots of the earth, but modern man sees the windmill as one of the crude efforts of his ancestors to harness the forces of nature to his use. And how much more efficiently is that done now! Electricity tamed by man can do in a few hours what the old time windmill would take weeks to accomplish.

Don't be an ancestor! Use electrical appliances wherever possible in your home to save labor, time and energy. Electric current is a cheap and reliable servant.

Do you long for the comforts of a well furnished home?

Do you sigh for the nice things Mrs. Doe has, after you've been in her home?

Do you have the forlorn hope of thousands that next year or later you will have plenty to buy furniture with?

Do you know that only one out of every hundred realizes this ambition to have what they want at one time?

Can you afford to stand by without making a desperate effort to make your home what it should be?

Now is the time to act. Don't wait and want! If you do, you will ever be wanting.

By setting aside a definite sum each week, this plan enables you to buy one piece of furniture or one suite of furniture. You can carry this program right on through until you have your home furnished in an up-to-date manner.

DON'T BREAK THE CHAIN OF PRODUCTION AND PROFITS

SUPERIOR EGG MASH
 —fed to laying hens, produces more and better eggs and increases the profits of the commercial egg producer. Fed to breeding stock, it yields eggs of greater fertility—which means larger hatches of stronger, more profitable chicks.

SUPERIOR CHICK STARTER
 —carries baby chicks safely thru the first six weeks. During this critical period, it is life insurance for baby chicks—reducing losses to a minimum and producing health, vitality and rapid development.

SUPERIOR GROWING MASH
 (With Orange Peel and Cod Liver Meal)
 —promotes greatest growth. It carries the chick from six weeks to maturity, completing the chain of production and bringing the young birds to the point where they become profitable producers—on SUPERIOR Egg Mash.

WHAT'S DOING IN WESTERN TEXAS

Within the next six months Merkel will have a four story modern hotel to cost \$25,000. On the first floor will be a commodious lobby, office, cigar stand, drug store, coffee shop, with banquet hall adjoining, and five store buildings. The upper three floors are to have 44 guest rooms.

Cow testing in the Association in Deaf Smith County reveals that in one herd one cow made a net profit of \$16.62 in five months, while another made a profit of \$69.50. Six herds are under test and ten "boarder" cows have already been sold off because of poor performance, according to reports from Hereford.

Plans have been completed for a new two story, fifty by eighty foot Masonic Hall for Perryton. It is planned to put a basement under the building with provision for the installation of a heating plant, which will be used only if Perryton fails to get natural gas soon.

Kermit now has, in addition to numerous important improvements, an \$18,000 railroad station being completed, a new \$150,000 court house, a school house just starting costing \$125,000 and a contract of \$189,000 has recently been awarded by the State for a Highway.

The Brady Building and Loan Ass'n. has announced that it will lend money to Brady citizens, enabling them to pave streets, adjoining their premises at \$1.58 per month on every \$100 loaned. Forty blocks of resident paving have been completed and more contracted for.

R. L. Caskey, Boy Scout Manager at Guyton, is planning to secure a plot of ground to be used as a nursery for shade trees, with the boy scouts to be drilled in the care of the plants. He will help with the seedling and care of ground around the courthouse.

Seventy-five new uniforms with which to dress up Plainviews two municipal bands have been ordered by the Board of City Development. This includes 35 mens uniforms and 40 scarlet caps and capes for the younger band.

Work is drawing to a close on the new two-story Lockney Hotel. It will have fifteen guest rooms, a dining room, coffee shop, lobby, barber shop and some store on the ground floor. It may be decided to put another of fifteen rooms on the building.

Thirty five planes have landed at the Ranger Airport since its opening last Armistice day, when in two days forty-five planes attended the celebration. The daily average income of the well equipped airport is \$2.60 from gasoline and oil and hangar service.

The following guests were present and a list of prices each one received from the birthday cake: Jean Wolfe, old shoe; Jane Wolfe, penny; Catherine Leach, thimble; Margaret Leach, penny; Joseph Paul Rodgers, trowel; Priscilla Rodgers, penny; Ava Lee Pirtle, boot; Billy Gene Pirtle, baby; Alvis Irl Pirtle, penny; June Malone, Bible; Mary Ella McCullough, hammer; Betty Baldwin, penny; Margaret Ann Morton, cat; Gene Tinkle violin; A. T. McFadden, double heart; Helen Louise Gamble, wedding ring; Pat Chandler, owl.

Play Presented by Epworth Juniors

On the night of March 3 the Epworth Juniors presented a mission play called "We Never Knew." Several children representing various foreign countries and told of unspeakable conditions in heathen lands. Two little children, Erna Ruth Leeth and Alta Julia Evans, gave readings appropriate to the subject. Miss Eakin's gave a pretty piano solo and a trio of little girls, Marianna, Alta Julia and Mary Eloise, presented "Jesus Loves Me," the two first singing and the last playing the cornet.

Then the "foreign nations" were brought back with a song, "Coming," by Rev. Paul W. Evans. All together they sang "Jesus Loves Even Me," after which the whole audience joined in singing "All Hail the Power of Jesus' name." A collection for missions was taken.

Miss Livingston Hostess to Cinderella Club

Miss Gertrude Livingston was hostess to the Cinderella Bridge Club at the country home of her aunt, Mrs. V. H. Bird, just southeast of town, last Thursday evening, when invited guests were Misses Margaret Shipp and Pauline Driskell.

Victrola music was furnished during the games. The St. Patrick suggestions were carried out in the decorations. The St. Patrick score pads were used and little four-leaf clovers given for favors.

A refreshment plate of frozen salad, pimento cheese sandwiches, potato chips, pickles, devil's food cake and hot tea was served. The trays were centered with small baskets of yellow cut flowers. Miss Margaret Shipp and Mrs. V. H. Bird assisted the hostess in serving.

Miss Crist Married to Mr. Will Jones Sunday

The marriage of Miss Rhoda Crist to Mr. Will Jones occurred Sunday morning at Iredell, and immediately they went on to Fort Worth to spend a few days attending the Stock Show and visiting her sister, Mrs. Addie Warren who resides there. The bride is a daughter of G. W. Crist, of Hico, and is well known here. The groom is a prominent farmer of the Fairy community, where they are making their home.

Let's Cooperate!

News Review subscribers are asked to cooperate with the paper during the remainder of March and during April and May, in keeping subscription records straight. It will be remembered that a subscription campaign was carried on last year at this time, and that hundreds of new names were added to the list. A number of these have expired already, and still larger numbers will expire next month and in May.

As it is impossible to send expiration notices to all, this method is being used for informing contest subscribers that their paper may be out within a week or two. If you will send in your name, address, and the

proper amount for the paper, your time will be extended from the time it expires.

Those who renew now will be assured of receiving every issue of Hico's home town paper.

Subscribers are also asked to remember that their time might have been expired before the contest last year, but the paper continued to come. In that case, their paper may have been cut off some time ago, or may be cut off before the time of renewal last year.

In any case, we want the cooperation of subscribers in keeping the News Review coming to the right place at the right time—all the time. Let's Cooperate!
Thank you!
