NUMBER 43

Library Election Is Called

Commissioners Call Election For November 13

County libraries for Plains and Denver City will be decided Nov. 13th. Commissioners Court, Monday morning ordered the bond election for that date after being informed there were 145 names on petitions asking the election.

The proposition asks that bonds in the amount of \$90,000 be issued for the purpose of "purchasing, constructing, equipping and improving buildings and other permanent improvements to be used for County Library purposes."

Also the bond election order sets out that the Commissioners Court would levy sufficient tax for the purpose of paying off such indebtedness. The bonds would mature serially within any given number of years not to exceed 10 years and would bear interest not to exceed three per cent.

The November 13 date was set to coincide with the special state constitutional amendment election date in order to save the county lots of expense in holding the election.

About a month ago petitions were presented various groups to secure signers. The Tea Mo Ga Club of Plains turned their petition back to the Commissioners Court unsigned because they "did not want to go on record of endorsing the plans submitted for the Plains plant," according to one member.

Plans for the libraries were drawn earlier this year and have been in County Judge H. K. Benton's office.

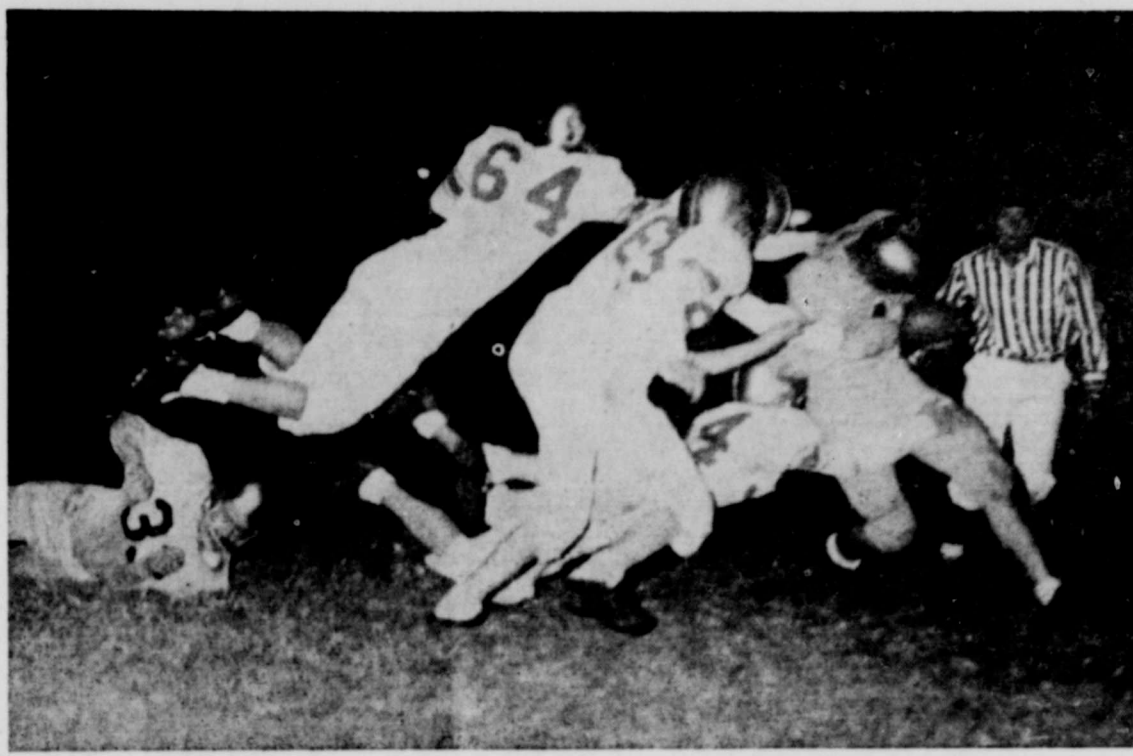

The petitions, as presented to the court Monday, were signed by 145 qualified signers.

Of the \$90,000 asked in the petition it is expected that not more than \$25,000 will be expended in Plains. The Plains plant would be 30 by 40 feet and include a reading room, men's and women's rest rooms, office and one storage room. That is the point of difference between the study club and the proponents of the library. At an earlier meeting of the court the club was promised new plans for a larger building would be drawn.

The Denver City building would be 64 by 72 feet, and include a 20 by 30 meeting room, clinic, 30 by 40 library room, two offices, two rest rooms, three storage rooms and space for the tax assessor-collector's which is presently in the county jail building in Denver City.

It is expected that some \$50,000 to \$70,000 will be expended in the Denver City plant.

The Plains library would be constructed on the courthouse yard and if close to the old courthouse would be of the same materials to blend and if nearer to the new courthouse would be built of that

FOUR AGAINST ONE — Four Frenship Tigers pounce on Plains Halfback Gean James in a crucial moment during the homecoming game Friday night. Already out of play, on the ground is Kenneth Blount. The Tigers won the 31-26 in a hard fought game to keep Plains Homecoming game intact. —Review Photo

TOUCHDOWN NUMBER THREE — Jackie Bass, ball carrying threat for the Plains Cowboys, crosses the line for the third Plains touchdown in the Plains-Frenship homecoming game, on a one-yard run around end. Dwain Rowland's extra point boot made the score at this point Plains 19, Frenship 12. The exciting fourth-quarter, however, told the tale and Frenship took home a 31-26 victory and is now the only undefeated team in District 5-A. —Review Photo

Cowboys Bow to Frenship

The Plains Cowboys, still smarting from their first defeat of the year, last Friday night, at the hands of the Frenship Tigers, 31-26, take off for O'Donnell this Friday night, trying to bring their District 5-A rating up to a respectable 5.00.

The Eagles will be ready for the Cowboys, and the O'Donnell lads may well play one of their better games of the year this week. Plains coach Ed Robertson came here from O'Donnell, and there is nothing the Eagles would like to do better than whip the local eleven.

The Plains homecoming jinx held forth last week when the Cowboys played the Frenship team. The Cowboys have still never won a homecoming grid contest. But it was more than a jinx that beat Plains last week. It was a small, but quick and hard hitting group of boys from Frenship who were fired up enough to come back and score three final period touchdowns to win when Plains seemed to have victory in the grasp.

Frenship started fast, scoring twice in the first stanza, and Plains came back to slice the lead to one touchdown at halftime. The Cowboys forged ahead with a pair of TD's in the third quarter, but three fast scores by the visiting Tigers in the final period gave them the victory.

Monte Fowler went off tackle 31 yards early in the game for Frenship's first score, and after the Tigers forced the Plains team to punt, they counted again, with Richard Baker crashing through from the 2 yard stripe.

Plains finally found themselves in the second canto, and marched 81 yards for their first score, with Kenneth Blount crossing the double chalk from the one yard stripe.

The Cowboys took the lead with a pair of tallies in the third. Gean James went over from the two on an end sweep, and a very short time water, Jackie Bass scored from the one yard line after a

Students To Hold Annual Carnival Saturday Night

Plains High School's annual Halloween Carnival will be held Saturday night in the county livestock barns. This affair is one of the biggest during the school year and is primarily a fund raising project for various organizations and classes.

Highlight of the evening will come with the coronation of the Halloween Carnival Queen. Her identity will not be known until 10 p. m. at which time she will be crowned. Voting for the queen is currently underway and each vote is one cent. Counting of the votes will be at 9 p. m.

Candidates for queen are: Judy Palmer, freshman class; Sheila Smith, sophomore class; Darlene Snodgrass, junior class and Willie Mae Addison, senior class. There will also be candidates from the junior high school but they were not named earlier this week.

The county barns will be in much the same order as in past years. There will be a bingo concession operated by the senior class, concession stand run by the juniors, cake walk sponsored by the pep squad, dart throw by sophomores, freshmen will operate the marriage booth and the FFA boys will have a raffle. There are many other games and booths planned by school organizations.

One half of all money taken in at this program will be given to the senior class.

The carnival gets underway at 7 p. m.

County's Harvest Still Shows Good Returns For Farmer

Yoakum County's farm situation is still holding the fast pace set in the earlier weeks of harvest. The cotton grade is holding up and the rains of last week apparently did little or no damage. It is expected that about 13,000 of the 19,000 bale crop is ginned.

Following last week's almost general 1.75 inch rain over this part of the county only light spots showed up in cotton grade cards. Not enough, according to one ginner, to make any difference to the farmer.

On the grain front, about eight million pounds of grain have been bought and shipped from the county. Winkles Bros., operating on the D. C. Newsom gin yard reported Wednesday they shipped 5,361,905 pounds of grain as of October 12. At that time there were about about a half million pounds on their lot awaiting shipment.

Tri-County feed and Implement reported they had shipped about two million pounds and they placed the present price at \$1.85 per hundred weight.

4 Wildcats Active In Yoakum County

Three of the four active wildcat projects in Yoakum County were making hole on last report, with the fourth preparing for a drill-stem test.

Shell Oil Company No. 1 Googins, Devonian wildcat 11 miles northwest of Plains in Northwest Yoakum County, was bottomed at 12,535 feet in lime, taking the drill-stem test.

This project, which has not shown for commercial production as yet, is 670 feet from south and 1,980 feet from west line of section 217, block D, John H. Gibson survey.

Among the wildcat operations which were grinding out new hole toward contract depths on last report, were The Texas Company No. 1 Brownfield; Hunt Oil Company No. 1 Neal and Frontier Drilling Company No. 1 Googins, Texaco No. 1 Brownfield, wildcat operation scheduled for a 13,400 foot bottom in Southeast Yoakum County, was progressing

MRS. JACK MANCIL PALMER
nee Miss Martha Fitzgerald

Miss Martha Fitzgerald Is Married To Jack Palmer In Church Ceremony

Standing before arrangements of white gladioli backed by woodwardia palms, Miss Martha Fitzgerald became the bride of Jack Mancil Palmer at 4 o'clock Sunday afternoon in the First Baptist Church at Plains. White tapers completed the setting.

Parents of the couple are Mr. and Mrs. John E. Fitzgerald and Mr. and Mrs. Raymond Palmer, all of Plains.

The Rev. Howard Smith of Brownfield read a double ring service and Mrs. Roland Johnson, organist, played traditional wedding music. The latter also accompanied Miss Linda Fitzgerald as she sang "I Love You Truly" and "At Dawning".

The bride was escorted by her father down the aisle marked with small satin bows and lighted candles. She wore a white satin gown of imported Chantilly-type lace and nylon tulle over net and satin. Designed with a high neckline and framed by a Queen's collar, the fitted lace bodice had a sheer yoke enhanced by lace applique and long petal-point sleeves. Stemming from a pointed waistline, the waltz-length skirt of fully shirred tulle was encircled by a wide band of lace at the lower hipline that held a ruffle outlining the bottom edge.

Her veil of silk illusion was joined to a tiara of iridescent sequins and seed pearls. The bride carried a snow-white orchid bouquet atop a white pearl Bible.

Bridal Attendants

Mrs. Bob Loe attended her sister as matron of honor and Miss Kittie Parks of Brownwood, Miss LaVerl Caldwell of Lubbock and Mrs. Charles Eaks of La Cruces N. M., were bridesmaids. Miss Linda Fitzgerald and Miss Judy Palmer lighted the candles.

The attendants wore identical princess-style dresses of pink crystallene over taffeta fashioned with scalloped necklines. They wore matching headbands and carried bouquets of darker pink carnations.

Flower girl was Dianne Fitzgerald and Mike Loe carried the rings.

Jim Palmer served as his brother's best man and Charles Eaks of La Cruces, N. M., Melvin Fitzgerald of Portales, N. M., Bob Loe and Johnnie Fitzgerald ushered.

At a reception which followed in the home of the bride's parents the serving table was laid with a lace cloth and held the attendants' bouquets and a three-tiered wedding cake flanked by white tapers in crystal candelabra. Arrangements of white gladioli were used throughout the receiving rooms.

Assisting in hospitalities were Mrs. Bennie Green, Mrs. Pearl Loe, Mrs. Melvin Fitzgerald and Mrs. Johnnie Fitzgerald.

For traveling, the bride selected a gray wool suit with black velvet trim. Her accessories were in winter white and she wore an orchid corsage.

After Friday, the couple will be at home in Plains, where the bridegroom is engaged in farming. Both are graduates of Plains High School.

In Hospital

County Sheriff Robert Chambliss, under medical treatment at Yoakum County Hospital, was reported Thursday morning as improving but it is expected he will have to remain at the hospital for several days. His many friends wish him a speedy recovery.

REFUND IS SET

County Democratic Chairman A. B. Carpenter announced this week there was a surplus of approximately \$500 from the filing fee fund of Yoakum County democratic nominees and that there would be a refund of about \$50 to each of the candidates this year.

OUR COMMENT
still have that homecoming football game jinx us. Let's hope the school officials use a pushover for next Surely Frenship would have been defeated had it been homecoming, because our team is good.

Scratchpad

JOHNNY MYERS
question that will probably be answered: Why did a matter of a week or report the eligibility of any petitions and months the fate of the Plains petition?

There are many logical answers that can be offered but don't hold water with me, only since there were so more names on the lists and so many more needed for the clinic well . . .

Scratchpad-
was sure some fire hazard inspection they conducted Tuesday morning . . . I tried the inspectors through school plant and they stones unturned. Principal Taylor held a fire the occasion and the pool building was cleared than 50 seconds. Was out they visited the Review of this place must really be up. They put red tags on and back doors and let that.

Scratchpad-
Plains Volunteer Fire Dept. is sponsoring a drive to funds here to further the fight muscular dystrophy. Here apparently are no this malady here, it is affliction and it is needed. It is a good what you can.

Scratchpad-
is a security leak in the system, and it should be immediately. We the contracts on school building will Nov. 8. It's a far cry from when the powers that anxious to get the bond at our ears for an hour asking that we sponsor election. As we said Oh well . . .

Scratchpad-
from the family, that Joe Plains' polio victim Hamview hospital, is in to the extent that he can his left leg. Doctors on him Wednesday and the opinion that his should be complete. That the news to all of us, es the family.

Scratchpad-
acted: Plains will beat O by at least 12 points. City to be beat by 30 Texas A&M over Baylor Rice over Texas by 18 U and West Texas State over Open. That all the this year and wouldn't them except for the of Plains Quarterback Smith that I stick out my

LEGAL NOTICE

Notice is hereby given that an election will be held in Yoakum County on November 13th, 1956, submitting the following proposition to the resident qualified property taxing voters of said county who own taxable property in said county and who have duly rendered the same for taxation for their action thereupon.

PROPOSITION:

"SHALL the Commissioners' Court of Yoakum County, Texas, be authorized to issue the bonds of said County in the principal sum of Ninety Thousand and No/100 Dollars (\$90,000.00), to mature serially within any given number of years not to exceed ten (10) years from date thereof, to bear interest at a rate not to exceed Three Per Centum (3%) per annum, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity for the purpose of purchasing, constructing, equipping and improving buildings and other permanent improvements to be used for County Library purposes, pursuant to authority conferred by the Constitution and laws of the State of Texas, particularly Chapters 1 and 2, Title 22, Revised Civil Statutes of 1925, and Senate Bill 253, Chapter 194, passed at the regular session, 54th Legislature, 1955." One Library located at Plains, Texas, and one located at Denver City, Texas.

J. W. O. Alldredge,
County Clerk.

Published in the Yoakum County Review, October 25 and November 1, 1956.

PUBLISHER HERE — Yoakum County Review Publisher H. C. Snyder is in the county for a visit and this week was in the shop early to help produce this issue of The Review. Mr. Snyder's home is in Lodi, Calif., and he and Mrs. Snyder have just completed a swing through the Middle West states for visits with old friends in towns where he previously published newspapers. He is the father of Cal and Gene Snyder, publishers of the Denver City Press. —Review Photo

Turned HD Club Holds Annual Tour To Members Homes

Thursday was tour day for the Stanford Valley Home Demonstration Club.

Club members visited the homes of Mrs. Charles Williams, Mrs. Jesse Murphy, Mrs. Don Powell and the trailer home of Mr. K. O. Hendrick.

The tour ended at the county club room and Mrs. Bruce White, president, opened the business meeting by leading the group in "The Lord's Prayer". Refreshments were served to 12 members and Miss La Rue Gilmore, the HD agent, by Mrs. Bill Gray, the hostess.

The next meeting of the club will be Nov. 9.

POST OFFICE CLOSSES

Postmistress Verda Lee Robertson has announced that the Post Office Department has closed the post office in Gladiola, N. M. She stated that all mail formerly addressed to Gladiola should now be addressed to Tatum, N. M.

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. I must be tough to face life with their attitude."

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators."

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right."

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill."

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Yours Truly,
Jex

**STRONG...FLEXIBLE,
STRAIGHT-TRAILING**

JOHN DEERE "BIG 3" WAGONS

Here are farm wagons that have what it takes to match the pace of modern power farming. Strong and flexible for rough fields and rutted lanes, yet straight-trailing and light-running for fast transport on the road, John Deere Wagons offer years of convenient, low-cost hauling.

There's no "tail-wagging" when you go down the road with a John Deere Wagon. The short-turning automotive-type steering linkage and adjustable tubular reach are snugly coupled to prevent whipping and weaving.

John Deere Wagons are low-built for stability and easy loading. There's a type to suit your need—standard, economy, or heavy-duty, with utility or flare box. Stop in—see for yourself why John Deere Wagons are first choice with so many farmers.

ENROLLMENT figures for Muleshoe Elementary School were released last week by Prin-

cipal Frank D. Ford. The first five grades have a total enrollment of 841 pupils with grade totals as follows: first grade 182, second 169, third 178, fourth 162 and fifth grade 150 pupils.

—The Muleshoe Journal
SEVERAL DEMOCRATS of Prec. 9 have conducted a drive for the Stevenson-Kefauver campaign fund and have collected \$353.50. This was forwarded on Dollars For Democratic Day. Announcement of the donors names will be made next week the precinct chairman, G. M. (Pappy) Carr.

—Abernathy Weekly Review
THE CITY of Seagraves has assumed the responsibility of lighting the business section for Christmas, according to an announcement last week by Mayor John Pillow. Previously Christmas lights have been under the sponsorship of the chamber of commerce in cooperation with the Southwestern Public Service Co.

—Gaines County News
A TOTAL of 43,437 bales of Terry County's cotton harvest had been gin late last week. The total was released by Aubrey T. Jones of the Texas Employment Commission and represents about 58 per cent of the estimated yield.

—Brownfield News

Mr. and Mrs. Frank Smith of Lubbock were Sunday guest in the home of Mr. and Mrs. D. C. Newson.

Mr. and Mrs. A. B. Carpenter are in El Paso this week.

F. M. Cox of Missouri was in Plains for the homecoming Friday.

Motor Vehicle Inspection Program Reported Lagging

Texas motorists are exercising the old American custom of putting off until tomorrow what ought to be done today and Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety has expressed some concern that the practice is responsible for considerable lagging in the State's motor vehicle inspection program.

The first month of the new inspection period ended on October 15 and Garrison noted that only 4 per cent of the registered vehicles have been inspected. The period runs through April 15, 1957.

"The inspection period embraces a full seven-months," Garrison said, "and that means that a minimum of 14 per cent of the cars must be checked each month in order to avoid unnecessary rushes on the inspection stations in the final weeks of the period." Here in Denver City, the inspections may be made at Baxter Garage, D. C. Motors, or Allsup Chevrolet Co.

Meanwhile, George W. Busby, DPS Motor Vehicle Inspection Division Chief, reported that a total of 3,662,000 cars were inspected during the year which ended last September 14. Of these, slightly more than 1 1/2 million, or 41 per cent needed some adjustment or repair before meeting the approved standards. Average cost for such services was eighty-eight cents.

The most common defect found by the State's more than 4,200 licensed inspection stations during the year was in 29 per cent of the cars which needed headlights adjusted or repaired, Busby announced.

He said that the second most frequent mechanical deficiency was the 10 per cent of cars which required adjustments or repairs of foot brakes.

IT'S THE LAW in Texas
A public service feature of the State Bar of Texas

WHO HAS THE "RIGHT OF WAY?"

Possibly the most mystifying of all traffic rules to the average driver are those relating to "Right of Way" at an intersection. In reality, however, these rules are quite simple.

In trying to understand the laws regulating intersection traffic, it is best to start off with the premise that all streets are of equal dignity, legally speaking. Traffic signs and signals may vary this rule somewhat, but when in doubt it is safest to assume that all drivers crossing your path have a claim to the right of way equal to your own.

Obviously, however, in many cases one driver or the other will be legally entitled to the right of way. When it becomes necessary to determine right of way in a particular situation, the driver who reaches the intersection first or who is going to get there first, is ordinarily favored.

But when two automobiles are an equal distance from the intersection, that one approaching from the other driver's right normally has the right of way.

Some intersections are known as "courtesy corners", having a stop sign or a flashing red signal facing each direction of approach. The first driver reaching the corner and coming to a complete stop will normally have the right of way over the other vehicles. However, don't depend too much on the other fellow's courtesy, and be sure to keep a proper lookout and your car under "proper control", as explained in a previous column.

At intersections involving one through street having a stop sign, a driver approaching the stop sign and coming to a full stop is ordinarily said to have the right of way over vehicles approaching on the through street but not already in the intersection.

However, this last rule must be qualified by saying that you should not proceed, cross or turn onto the through street until you can do so without interfering with oncoming traffic. In other words, if an approaching car will arrive within the intersection before you are completely clear, wait just a little longer. The same rules apply to entering a highway from a side road containing a stop sign.

Many drivers violate the rules of right of way covering left-hand turn at intersections. When turning left, you should always be on the inside (or center) lane, displaying the proper hand signal. You must allow all cars com-

PRESCRIPTIONS

are a "Dollar for Dollar" Value

**5 HOURS . . .
NOT 3 MONTHS!**

Two decades ago it took an average of 3 months wages to pay the hospital bills resulting from a case of pneumonia. Today a case of pneumonia is cured at home . . . with Drugs that cost only 5 hours' wages. That's just one of the many facts that prove that . . .

TODAY'S PRESCRIPTION IS THE BIGGEST BARGAIN IN HISTORY!

Palace Drug Store

Your FRIENDLY Druggist

VACATION SPECIAL

Shoulders are bared to the sun by white cotton pique bodice, the top of a striking vacation costume by Jacques Heim. The Parisian designer has used black and white striped cotton in the tapered ankle-length pants.

Stay in the inside lane until your left-hand turn is entirely completed, and only then move gradually over to the right-hand lane if you wish. When turning right, stay in the right-hand lane at all times. Do not swing wide into center lane, as to do so is unnecessary, unlawful and dangerous.

Many detailed rules and suggestions for safe driving are included in the official "Texas Driving Handbook" which is available to any person requesting same from the Texas Department of Public Safety, Drivers License Division, Austin, Texas.

This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.

MARCHERS — The Plains Cowboy band followed the football players in the parade afternoon to the courthouse where they provided music for the public pep rally previous to the Frenship homecoming game. The band is under the direction of John Shaw. —Review Photo

Riggs, James Overton, Riggs and Kay Smith were at Carlsbad Caverns Sunday returned to Plains by Kermit where they spent with Jimmy's parents, Mrs. Floyd Williams.

Wilson was home from where she is attending over the past weekend.

ACROSS THE CATTLE GUARD
By LEO W. WHITE
County Agent

The State Fair is over and everyone finally got back home but not without a little trailer trouble. Rusty McGinty got his trailer disconnected from his car while coming through Post and the White family left Pete Bryson's trailer just this side of Clairmont with the frame sprung and a tire ruined.

The livestock got to Dallas in good condition. Cool and cloudy weather prevailed on the way down and October 14 was a good day to haul stock. Travis Been, Pat Henard, and D'Lois McGinty hauled seven calves from Plains to Lamesa in Rusty's truck and Wallace Randolph hauled three calves to Lamesa in a trailer. The 10 calves were then loaded on a large truck with the Dawson County livestock for the rest of trip.

Rusty McGinty hauled five pigs and two lambs from Plains to Dallas in his trailer. Jay Bryson and Billy McGee rode with Rusty. Mr. and Mrs. Dick McGinty, Kenneth and Sylvia were in a small ranch wagon followed by a small house trailer. Mr. and Mrs. Robert Henard and Margaret drove down in their car and Mr. and Mrs.

Leo White and Marsha were in their pickup with a trailer loaded with show equipment and feed.

All these folks arrived in Dallas some three hours before the calves got there Sunday night. Mr. and Mrs. Sam Richardson came in with Henry May Jr. about noon on Monday. Mr. and Mrs. Earl Bryson, and Dana. Mrs. Rusty McGinty, D'Lois and L'Lynn all came down Tuesday and got there for part of the sifting.

The calves all had to be bathed on Monday to get ready for the sifting the next day and several of the calves were bathed three times during the week.

Of the 10 calves, five pigs and two lambs that went to the Fair from Yoakum County, only two pigs failed to get by the sifting committee. D'Lois and D'Lynn McGinty each had Hampshire barrows that were too fat to suit the men doing the sifting.

The fat steer show started Wednesday and Marsha White placed ninth with her steer in the heavy Aberdeen Angus class with 17 entries. Billy McGee placed 20th in the medium weight Hereford class and D'Lois McGinty also placed 20th in the light weight Hereford class.

The other seven calves were entered in the Market Steer Show which was held on Thursday. The Market steers were graded into groups of prime or choice instead of being placed. Kenneth McGinty and Dana Bryson each had calves that graded prime. Jay Bryson, Margaret Henard, Henry May Jr., D'Lynn McGinty and Sylvia McGinty placed their calves in the choice group.

The lambs were judged on Wednesday and Margaret Henard's two lambs failed to place in the top 35. There was 116 animals in the class. The pig judging was held on Thursday and one of Jay Bryson's barrows was placed 24th in the medium weight Hampshire class. Jays other barrow and Dana's barrow failed to place.

On Friday they held the calf sale and 516 calves were led through the ring. The Yoakum County calves brought from \$26.50 to \$34. The Fair Association will add some to the price and make all prime steers bring \$36 and the choice steers will bring \$34. The lambs sold for 21 cents a pound and the pigs had not sold when we left Saturday.

The Yoakum County kids will get in the neighborhood of \$3,500 for the livestock they took to the Fair.

TIMELY TIPS

By LA RUE GILMORE
County Home Demonstration Agent

On winter evenings Mexican food is served frequently and Italy is another country which has excellent food. Pizza (pronounced pete-sa) is one of these foods. To make a good pizza you will need a hot oven and a rich tomato sauce.

PIZZA PIE

- Pizza Dough**
- 1 package active dry yeast
 - 1 1/4 cup warm water
 - 2 tablespoons cooking oil
 - 4 cup flour
 - 1 teaspoon salt

Dissolve yeast in water. Stir in oil. Sift flour and salt together; stir into oil water mixture. Knead vigorously on cloth or board until smooth and elastic; about 15 minutes. Shape into ball; place in greased bowl... brush with oil; cover with damp cloth. Let rise until double in bulk, about 2 hours from again into ball. Makes enough dough for 4 pizzas. Then make the filling.

Pizza Filling

- 1 recipe Pizza dough
- 1 six ounce can tomato paste
- 1-3 cup hot water
- 1 teaspoon salt
- 1-2 teaspoon oregano
- 1-8 teaspoon black pepper
- 1 pound Mozzarella cheese, sliced thin

Cut dough into four pieces. Roll each into 9-10 inch circle; fit into four pie tins; brush with cooking oil. Mix all ingredients except cheese together and spread over dough. Top with cheese. Bake in a very hot oven 550 degrees 12-15 minutes or until dough is brown and crisp. Makes four pizzas.

For variety use anchovies, mushrooms, onions, and sausage or a combination of these for toppings. Try pizza, it's delicious.

RAVIOLI

Filling:

- 1/2 pound ground pork
- 1 cup cooked spinach
- 2 tablespoons grated Parmesan cheese
- 1 egg yolk
- 1 can (2 1/4 oz.) deviled ham
- 1 teaspoon sherry
- 1-4 teaspoon pepper
- dash nutmeg
- 2 cans (8 oz. size) tomato sauce

Dough:

- 3 cups sifted all-purpose flour
- four egg yolks
- 1-2 teaspoon salt

Make the filling first. Fry ground pork over a moderate heat for about 10 minutes. Chop spinach rather fine, then mix with pork along with remaining filling ingredients (all except tomato sauce and set aside for a moment.)

To make dough, sift flour in a pile directly on the breadboard. Dig a little well in center of flour and drop in unbeaten egg yolks and salt. Start mixing with your hands, and add water, a tablespoon at a time, until you have a stiff, workable dough. Knead hard until dough is very smooth and slightly elastic. Dust a thin coating of flour over board, divide dough in half and roll both sections (one at a time) into thin neat rectangular sheets—no thicker than 1-16 of an inch. Dough dries quickly so work fast. On one sheet drop the filling, a teaspoon at a time, about 2 inches apart. Brush one side of second sheet with water and place damp side down on filling mounds. Try to make edges of the rectangles come out even. Press dough in between mounds of filling with your fingers

ABOUT FOLKS YOU KNOW . . .

Mr. and Mrs. J. W. Young and Mrs. Mae Lewis of Grassland were guests of Mr. and Mrs. J. David Taylor over the past weekend. Mr. Young and Mr. Taylor went fishing while the group was here and caught a 19 pound catfish out of Twin Lakes.

Mrs. W. C. Payne of Andrews was here for the homecoming game Friday.

The Rev. and Mrs. C. E. Strickland of Ropesville were guests last Saturday of Mr. and Mrs. W. E. Smith.

Mr. and Mrs. Floyd Williams and Beverly of Kermit were here for the homecoming game Friday.

Mrs. J. E. Young and children, Daleta and Junior, Mrs. James Young of Midland were guests Friday night of Mr. and Mrs. W. M. Overton.

Mrs. D. B. Lamance of Odessa is here visiting her mother, Mrs. J. H. Morris.

Mrs. Mabel Camp was visiting her father J. H. Morris in Lubbock Saturday. He is in the hospital there.

Mrs. Dee Ikey of Tatum visited Mrs. S. McConnell Monday night.

Mrs. J. H. Morris returned home Sunday after spending last week in a Brownfield hospital recovering from a relapse of pneumonia.

Mr. and Mrs. Arlin Coke of Tatum were in Plains Friday night for the football game.

Mr. and Mrs. D. Woodruff of Seminole were guests last weekend of Mr. and Mrs. T. E. Coke.

Mr. and Mrs. M. W. Luna were in Lamesa Thursday visiting Jack Estes who is in the hospital.

Mr. and Mrs. Pierce of Amarillo were guests last weekend of the Jock Pierces.

Mr. and Mrs. Auvie Johnson of Abernathy were in Plains for the homecoming Friday.

Turner HD Members Tour Club Homes

The Turner Home Demonstration Club met October 17 for their community tour program and the club began by visiting the home of Mrs. Carl Lowery and viewed improvements to her homestead which included planting six trees and applying fertilizer to the lawn grass.

Next the club visited Mrs. Weldon Spencer's trailer home and on to Mrs. Allen Rollins where living room improvements were noted.

The business meeting was held in the Rollins home, with the roll being answered by "One thing I learned from the tour."

Members attending were: Mesdames T. A. Elmore, B. Forehand, Ray Jones, Carl Lowery, Reg Martin, Allen Rollins, I. L. Smith, Hugh Snodgrass, Jesse Snodgrass, Weldon Spencer, Homer Suddreth and Miss La Rue Gilmore, the county home demonstration agent.

To seal, then cut dough in little squares with a sharp knife or pastry wheel keeping filing mounds in center of squares.

Drop squares in a kettle of simmering (not boiling) salted water and cook for twenty minutes. Drain and serve while hot with heated tomato sauce on top. Most people like additional grated Parmesan cheese sprinkled over the sauce. Serves 6.

To keep spaghetti from clinging together add a few drops of salad oil or live oil to the cooking water.

Mrs. Odus Lusk was in Big Spring last weekend.

Mr. and Mrs. Clayton Lovelass of Lubbock attended the homecoming game Friday night.

Bobby Chambliss, WSTC student, was home over the weekend.

Mr. and Mrs. Tom Hogan of Fort Worth are guests this week of all the McGinty families.

Mr. and Mrs. W. B. McAlister and children of Portales, N. M. were guests Friday night in the home of Mr. and Mrs. A. E. McGinty.

Mrs. Johnny Alman and children of Hobbs, N. M. were guests last weekend of Mrs. John McKee.

Mr. and Mrs. J. H. Jost were in Lubbock Saturday.

Mrs. Elias Ivey of Denver City and Mrs. Ethel Richardson of Seagraves were guests Sunday of Mr. and Mrs. Johnnie Robertson.

Mr. and Mrs. C. F. McCargo attended the Oil Show in Odessa last weekend.

Mr. and Mrs. Garland Swann and family, were in Slayton Sunday visiting Mr. and Mrs. J. R. Thompson and Mr. and Mrs. Jack Thompson and family who are there from Topeka Kan.

Maureen Lowe was home for the weekend from Texas Tech, where she is attending school.

Bettie Jackson was home from Canyon this past weekend. She is attending WTSC.

Plains Group Takes Part In Muleshoe Church Program

Mr. and Mrs. Chesley Bedford and son Tommy, Marcia Spencer, Margaret Crawford, Mrs. M. L. McClellan, John Anderson and James Todd of the Plains Christian Church attended the convention of District II Christian Churches in Muleshoe, Sunday afternoon and evening.

Miss Spencer is one of eight Life Recruits in District II who participated in the evening worship service, by forming a cross, while all lights were turned off. She is a pledge to religious journalism and will enter Texas Christian University following her graduation from Plains High School.

The group participating in the service Sunday evening was headed by Don Elliott, a missionary candidate who was accepted as a medical missionary this year. He is a senior at Texas Tech and preaches each Sunday for the Christian Church in Morton.

The sermon at this service was preached by the Rev. Clarence Fuqua, former missionary to Mexico, and now director of evangelism for the First Christian Church in Lubbock.

CARD OF THANKS

Thanks to: The Plains Senior Class and the sponsor, Miss Leit-hauser, for the work they did and the good food they prepared. To Melvin Walser and all who helped plan the get-together after the ball game, to Lucia Walser and Latrell McDonnell and others for the work they did getting letters mailed and to Dannie McClellan, Dwain Rowland, Jackie Bass, Jim Barron and Henry Cantu for music at the Legion Hall.

Plains Ex-Students.

PLAINS 1956 HOMECOMING IS TREMENDOUS SUCCESS

FEEDING EXES — Members of the Senior Class had charge of feeding arrangements for the ex-students banquet Friday night in the school cafeteria. Here being served is Mr. and Mrs. Bill Powell.

The Review Camera Attends Plains Homecoming

CHEERING CROWD — All students in the Plains schools turned out for the homecoming pep and pep rally held on the courthouse lawn. Here the Plains cheer leaders lead the group in school yell. The Cowboy band provided music for the rally that tied up downtown traffic about 15 minutes.

EX-STUDENT OFFICERS — Seated in the front row are officers of the Plains Ex-Students Assn. who were elected to serve for the coming year last Friday night. They are, left to right: Melvin Walsler, president; Mrs. Melvin Walsler, treasurer; Mrs. Bill Gray, vice president; Mrs. Duane McDonnell, secretary; Mrs. Hank Goehry, reporter; Mrs. Polly Rushing, historian. In the back row are out-going officers Johnnie L. Fitzgerald, C. C. Copeland, Jr., and Mrs. Preston Murphey.

FOOTBALL ROYALTY — Queen Beth Allison is escorted from the football field after being crowned by Harry White as football queen during half-time ceremonies at the Plains-Frenship football game Friday night. Her attendants were Kay Smith and Willie Mae Addison.

TIED UP GAME — Plains Back Gen James totes over the second Plains touchdown in the Plains-Frenship game Friday night to tie up the score at 12-12 in the third quarter. The extra point was from two yards out, Dwain Rowland missed the extra point.

THE YOAKUM COUNTY REVIEW
Plains, Texas, Thursday, October 25, 1956

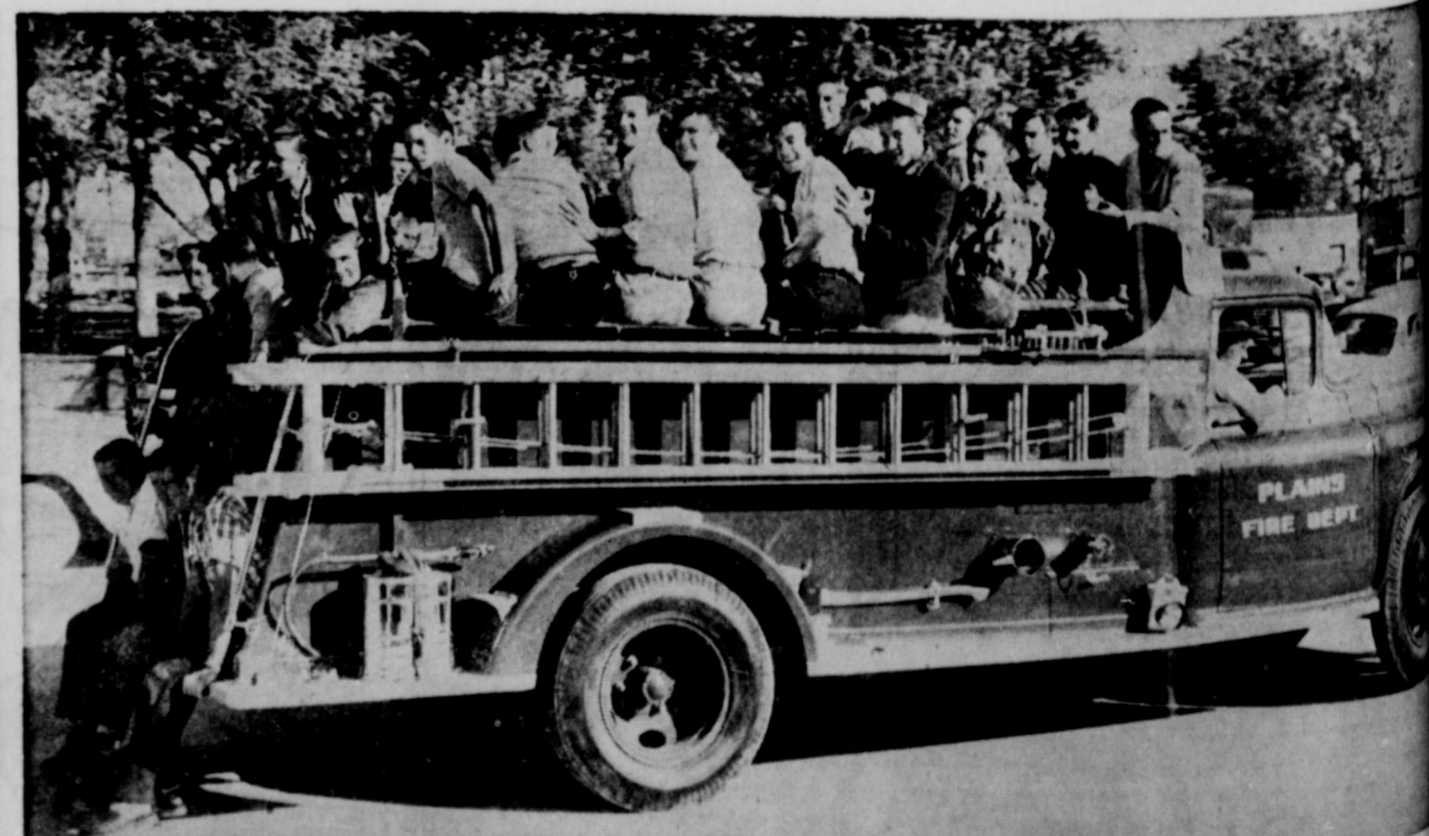

YOUNG PARADE MARCHERS — Youngsters in the lower grades of the Plains school system also turned out to march in the homecoming parade last Friday afternoon. They joined students in the higher grades, the band, pep squad, cheerleaders, football squad and exes in parading to the courthouse for a pep rally.

EX-STUDENTS EAT — Approximately 80 ex-students of the Plains schools attended the banquet in the school cafeteria Friday evening. From as far away as Missouri they came to participate in homecoming activities and to watch the Plains Cowboys and Frenship Tigers (both undefeated) tangle in an exciting game which saw the Tigers emerge a 31-26 victor. Members of the current senior class had charge of feeding the group.

FOOTBALL QUEEN AND ATTENDANTS — Football Queen Beth Allison was crowned during half-time ceremonies at the Frenship-Plains football game Friday night. She was crowned by Harry White, representing the Plains Cowboy football squad. The queen and her attendants are, left to right: Kay Smith and Glen Lewis, Queen Beth and White and Willie Mae Addison and Jimmy Warren.

FOOTBALLERS AND THE FIRE TRUCK — The Plains Cowboys and coaches rode in the homecoming parade aboard the City of Plains fire truck. The coaches took seats on the truck's rear ramp (probably to be closer to the ground) and seen through the truck window is Johnnie L. Fitzgerald, president of the Ex-Students Assn. Making sure the photographer got good shots of the parade are the quartet on top, Harold Smith, Kenneth Blount, James Overton and Jimmy Williams.

CHEERLEADERS — Heading up the Friday afternoon parade were the Plains High School cheerleaders carrying signs urging the Cowboys on to a win over the Frenship Tigers. Left to right, they are: Beth Allison, Judy Palmer, Jan Sims, Darla Hickerson and Joyce Riggs. —Review Photo

AMENDMENTS REQUIRE CAREFUL STUDY BY VOTER BEFORE NOV. 6th

The first two amendments voters are asked to vote upon November 6th are easy enough but the third one is a complicated mess.

Amendment one would give the legislature the power to grant aid and compensation to any person who had been imprisoned and later found to be innocent.

Many states have statutes providing compensation of persons wrongfully convicted of crime and Texas is a little late getting such a law on the books.

The second amendment would allow the commissioners court to levy whatever property tax necessary for county's four constitutional funds, so long as the total did not exceed 80 cents on the \$100 valuation.

At present no more than 25 cents can go into the general fund, no more than 15 cents into road and bridge fund, no more than 15 cents into jury fund, and no more than 25 cents into the permanent improvement fund.

The court can re-allocate the taxes as long as the total doesn't exceed 80 cents and if the voters approve the change. After such changes, six years must go by before the taxes can be reallocated again.

The amendment would let the commissioners court levy the tax they deemed appropriate as long as the total does not exceed 80 cents.

Those who favor the amendment argue that it is businesslike, that its flexibility in allowing the commissioners to adjust the tax rates from year to year is needed for better and more economical administration.

Opponents argue that separate tax limits for each of the four purposes were written into the Constitution as an important and needed protection of the taxpayers from loose fiscal policies, and that rates should not be changed or adjusted without the approval of the

qualified property tax paying voters.

The third amendment is a triple barreled project which would make three important changes in the financing of state institutions of higher learning.

Under the new amendment, allocation of income from the present five per cent ad valorem tax, would be based upon average long session fulltime student equivalent enrollment at fourteen state-supported colleges and universities.

The amendment would also include provision to place an additional group of junior colleges and colleges of the state under the present provision in which Texas A & M and Texas University issue negotiable bonds for buildings out of income from the Permanent University Fund.

Third item of the amendment would permit the investment of the Permanent University Fund into additional securities. At present, the money can only be invested in bonds of the United States, the State of Texas or counties and schools. Only the interest accruing in such investment can be appropriated by the Legislature.

Under the proposed amendment,

the field in which investments could be made is broadened considerably.

The amendment is similar to one defeated by the voters in 1951.

Actually, the amendments would serve to re-align the sources of income from which various state colleges and universities may carry out their building programs.

They do not make any new sources of funds available except in two ways. First, by widening the field of investments for the Permanent University Fund and secondly, the amendment might in some circumstances allow the

legislature to make direct appropriations for building purposes.

Passage of the amendment would make an important new source of funds available to the business and commerce of the state.

The authority granted to the Board of Regents is absolute subject to a few restrictions but the character of the people who have always composed the board would seem to provide adequate safeguards against manipulation and unwise investments.

CERTIFICATE OF PERFORMANCE

The Underwritten Certificate in the name of the United States Auto Club Sports Commission that:

September 7 to 22 and 23, 1956 (October 16 and 17, 1956)
1957 Ford
Fairlane Club Victoria
State of Washington
30000 Miles at 108.16 M.P.H.
U.S.A.C. Certificate No. 108-16 M.P.H.
This certificate is valid only for the purpose stated above and is not to be used for any other purpose. It is void if the car is not driven in the state of Washington and is not to be used for any other purpose.

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run . . . Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah . . . it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world . . . a distance equal to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy . . . and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

below 8,942 feet in sandy lime. The explorer is 660 feet from south and west lines of section 620, block D, John H. Gibson survey.

Caroline Hunt Sands No. 1 Mary Sanderson Neala, recently staked 12,000-foot wildcat in North Yoakum County, has spudded and was drilling below 1,980

feet in lime and anhydrite. Drillstem is 660 feet from north and 1,980 feet from east lines of section 398, block D, John H. Gibson survey. Frontier Drilling and Production Company and Robert B. Holt No. 1 David S. Googins, wildcat in Central Yoakum County, was digging below 4,925 feet in lime and shale on last report. Location is 66 feet from north and west lines of section 275, block D, John H. Gibson survey.

Brahany field location is Drilling & Exploration Company, Inc. No. 2 Marchall-Chalke, new 5,400-foot project 1 1-2 miles northwest of Plains. Drillsite is 660 feet from south and west lines of section 370, block D, John H. Gibson survey. Six miles north of Denver City Warren Bradshaw Exploration Company spotted location for a 5,400-foot field test in the Wasson (San Andres) pool. It is No. 1 L. P. Bennett, 1,980 feet from north and west lines of section 699, block D, J. H. Gibson survey.

Anderson-Pritchard Oil Corporation No. 1 Strong, project in the Seagraves (Siluro-Devonian) field of Southeast Yoakum County was making hole on last report below 12,731 feet in lime. This field test is 330 feet from south and 990 feet from east lines of section 882, block D, J. H. Gibson survey.

R. B. Woodward Named Chairman Of County Demos

R. B. "Woody" Woodward was appointed county chairman of the Democratic organization in Yoakum County at a recent meeting of Democrats of the 28th Senatorial district held at the Democratic Headquarters at 2333-19th street in Lubbock. Over 200 area Democrats attended the meeting, hearing speeches by such dignitaries as State Representative Waggoner Carr, Senator-elect Preston Smith and Representative "Doc" Blanchard, Mrs. Hub Jones, State Executive Committeewoman, and Mr. Bob Dennis, State Executive Committeeman, presided and outlined campaign procedures. R. B. "Woody" Woodward, of Denver City, will lead the political activities in Yoakum County for the Democrats.

Library

(continued from page one)

The Denver City library is planned to be built on property purchased some time ago from former Judge John Derryberry that is situated near the Denver City city hall.

Also called for in the election order is the equipping of the libraries. Judge Benton has expressed the desire to have a complete reference library in Denver City of petroleum volumes, especially stocking current periodicals.

Free exchange of books and other reading matter has been promised between the two buildings.

In other business Monday: The court agreed to pay \$200 a month to both Plains and Denver City for lease of the new fire trucks. That lease will be in effect until the trucks are paid for.

Also, commissioners agreed to establish a two-week vacation period for all county employees having over one year of service and to allow one week's sick leave which would accumulate until an employee had earned 80 days sick leave. This new policy goes into effect January 1, 1957.

Commissioners purchased a new 1957 Chevrolet from Lloyd Allsup Chevrolet Co., on a bid of \$1,195.09 or use of Deputy Sheriff V. E. Sanders in Denver City and a new 1957 Ford from Denver City Motors on a bid of \$1,050 for the use of Deputy Olan Heath in Plains.

CLASS TO MEET

There will be a monthly business meeting and social of the Dorcas Class of the First Baptist Church in the Roger Curry home Tuesday night at 7:30 p. m.

Morris Lowe has been in Dallas visiting his father, T. J. Lowe who is in the St. Paul's hospital.

Cowboys

(Continued from page 1)

fumble recovery by the Cowboys on the Tiger 19. Dwain Rowland made his first two conversions after this last touchdown.

Very early in the final period, Frenship crossed the double chalk again, with Donnie Durham doing the honors from the one. The try for extra point was missed, and Plains still held a 19-18 advantage.

The Cowboy lead was destined to go fast, though, as the Tigers recovered a Plains fumble late in the quarter and Durham once again scored going two yards off tackle.

Only two plays later, Bud Huckabee intercepted a Cowboy pass to set up the score that broke Plains, back. Quarterback Leroy Richardson went 21 yards on a keeper play for the visitors' final score.

The Cowboys came storming back though, with a vicious aerial attack, and with less than a minute to play, Harold Smith, Plains quarterback, hit Jim Robertson in the endzone for a six pointer from the 21, but time finally ran out on the Cowboys.

Mr. and Mrs. Tom Warren were visiting in Brownfield Saturday.
