The Bobcats dropped their opening game last Friday night to the W. T. High Calves of Canyon. The Bobcats turned in an excellent game against the Calves, a heavier and more experienced team, and in the last period opened up a passing attack for consistent gains that placed the Cats in scoring position at the end of the period.

REPUBLICAN OPPOSES WORLEY

Frank T. O'Brien, Republican candidate for Congress in the Panhandle District, has opened his campaign. He opposes Congressman Eugene Worley, of Shamrock, who was nominated in the Democratic primary without opposition.

Mr. O'Brien is a resident of Amarillo. He is 42 years of age. He and Mrs. O'Brien have two children. The candidate attended the University of Michigan and Northwestern University. He is member of the bars of Texas, Illinois and the U. S. Supreme Court.

Mr. O'Brien has just recently returned from military service. He is associated with the William H. Bush estate.

The candidate made the following statement:

"At the November general elections the people will have a chance to crush the new deal communistic control of Congress. A year ago we had won the greatest victory in history yet today the new dealers are frittering it away, and in their efforts to bring liberty to the Balkans they are losing it for us at home. Despite a staggering national debt of more than 250 billions of dollars, we are now planning to loan money to all comers. At the same time production is being throttled by the OPA while the black market flourishes. There must be a change in the party control of Congress this year. The re-election of conservative Democrats will not do, because the organization of the House of Representatives will then remain the same—in the grasp of the big city machine new deal communists. All citizens who want to preserve the American way of life should vote in the November election and should vote for a change in Congress."

Mr. O'Brien, George I. Shannon, district Republican chairman, Bob Lions, Potter county Republican chairman, and Ruthelle Bacon were in Dimmitt Tuesday in the interest of O'Brien's candidacy.

Appropriate special music was given during the day by Homer Garrison, Jeanne Sharp, Milton Sharp, T. R. Davis, Mrs. Fred Hamm, and Rev. Williams, accompanied by Louise Swopes.

Messages of dedication and inspiration were delivered by Ray Jones, J. M. Scott, Rev. Fred Hankins of Whiteflatt, Rev. Clarence Howell of Kress, Rev. Weather of Plainview, and Rev. Judow Cobb of Lockney.

Corsages and buttonaires were presented to Mrs. J. M. Hacker, charter member and oldest mother present, Mrs. Tom Ray, charter member, Mrs. Earl Hacker, charter member, Mr. J. M. Scott, charter member, Mr. J. M. Scott, charter member, Mrs. Milton Sharp, youngest mother present.

A forceful climax was the pledging of the pastor, deacons, and individual members to consecration and labor for the future.

The Force that Holds Up the Rainbow Natural Bridge..

OIL PLATES Your Engine!

ONE of America's wonders is the tremendous Rainbow Natural Bridge in Utah. Weighing millions of tons, it's held up by the mighty forces of attraction that exist between molecules of stone.

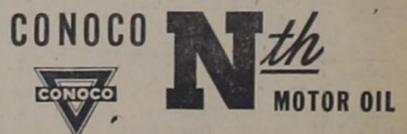

By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring motorists new and better oils. For example, under laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

Because molecular attraction holds Conoco OIL-PLATING up where it belongs

... prevents it from all draining down to the crankcase, even overnight . . . you get these benefits:

- added protection when your engine starts up
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why to OIL-PLATE now . . . at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Co.

PITY POOR ME

Oh, woe is me! Of all the unfortunate creatures on the face of this unhappy globe, surely I am the most mistreated. My back is broken, my pretty new dress is all splattered with ink and mud.

When I came to Dimmitt High School, about a year ago with a lot of my friends, I had on a pretty brown dress trimmed in green, and there wasn't a spot on me. But I guess I am fortunate, because some of them have had their backs torn off by the heathens who call themselves people. I guess most of the boys and girls just forget that we, like them, also have feelings and it hurts just as badly when they throw us from one end of the hall to the other as it does anyone else.

I have been mistreated so very long that I am very dim, both in wit and color.

You see, I am "We live in Alaska," a book which was added to the High School library last year.

CALVES DEFEAT BOBCATS

The Friday 13th jinx caught up with the Dimmitt Bobcats when W. T. High defeated them with a score of 13-0, on the local field last Friday night.

The game was played on the newly lighted but rained soaked field.

The boys that saw action in the game were Bob Mooney, Joe Harrison, Lonnie Rice, Bill Stephenson, Carl Jowell, Bascom Nelson, Jackie Miller, Junior Fulfer, Oren Eubanks, Herbert Howell, "Bo" Jackson, Jack Ziegler, Jimmie Sparkman, Tom Barron, Elbert Smith, Charles Wilder, and Lewis Martin.

The Bobcats will meet the Morton Indians September 20 here at 8:00 p. m.

WE HAVE WITH US---

Really, we do have with us the state second place winner in the Senior 4-H Girls' Division for the most attractive costume. She is Norda Sue Warren and the winning of second place in this contest climaxed an exciting week in her life.

As first place winner in this county, Norda Sue went on August 26, with Miss Leila Petty, Castro County Home Demonstration Agent, to College Station where she spent four days.

Narda Sue's costume was a blue wool two piece suit with black accessories.

The girls were judged on posture and choice of accessories, as well as on practicality and suitability of the garment.

One of the most exciting happenings while down there was: visiting with the governor of Texas.

Everyone seemed to be enjoying Mrs. B's apples Saturday night.

Gus Ziegler certainly looked cute leading the Pep Squad Friday night, don't you think so girls.

The Woolery girls were at the ball game Friday night, with some boys from Hereford. Sue was with Kenneth Kelley and Billy was with Jack Welty. They were also together on Saturday and Sunday

Mrs. Raymond Odom and family. Miss Verda Bartlett of Tulia spent the week-end with Marguerite Mobley. Miss Bartlett is employed in County Attorney Swain Burkett's office.

CHAPEL PROGRAM POSTPONED

Monday morning Mr. Blaine got a telegram from Mr. Kline saying that one of the actors who was to put on the chapel program this week had fractured a vertebrae in his back and would be unable to perform at that time, but would try to be here at some later date, if it would be allright with the officials of the school.

SENIORS OF '46

The Seniors of '46 have grown up now and are going out into the world.

Norton Barron, however, is staying at home.

Thomas Harrison will attend college at McMurry in Abilene.

These Dimmitt girls seem to stick together, for I see Betty Hastings, Phyllis Simon, and Carolyn Taylor are all going to Texas State College for Women at Denton.

"Ohec a farmer, always a farmer," says Charles Henry Howell to his wife, Ruby.

Also, Albert Sinclair is at home doing farm work, for the present.

Norma Coffey, who used to be Norma Jean is married and is in Amarillo working in the Amarillo National Bank.

Carolyn Rawlings is attending college at Gulf Port College in Mississippi.

John Joe Gibson is attending college at Texas Tech at Lubbock.

Clydene English is at home helping with the farm.

Billy Jean Woolery is working in Hereford.

To each member of the class of '46 we say "good luck and fair sailing."

The Hollywood movie stars can well afford to honeymoon in Europe. After all, to them a honeymoon is something that only happens once in every three or four years.

The Halloween carnival will be sponsored by the P. T. A. again this year on October 31.

After the business was disposed of, games were played in the gymnasium with Mrs. Ray Sheffy, chairman of the entertainment committee, in charge.
