

# Roiling funnel cloud gives Dimmitt a scare

The city's siren gave its three-blast tornado signal at 8:10 last Wednesday night and sent residents scurrying for shelter as a funnel cloud roiled near the ground north of Dimmitt.

BUT THE angry cloud stayed in the air as it passed over, leaving heavy rain in its wake. Sheriff's officers tracked the cloud as it boiled out of a mean-green sky toward the city, accompanied by ragged, ground-hugging wisps and fierce wind blasts.

"One funnel cloud from the west met with the one from the north at a point three to four miles northwest of Dimmitt, and then it really started boiling and rolling," Deputy Sheriff Rex Cowart reported.

THAT'S WHEN the Sheriff's Dept. ordered the siren warning. "It looked like it could have turned into a tornado and touched down at any minute," Sheriff Jack Cartwright said.

Meanwhile, Highway Patrolman Dyrle Maples—who was tracking another storm system west of the city—reported a funnel southwest of Tam Anne, but said it pulled back up into the cloud.

OTHER reports came in of funnels touching down north of Dimmitt and in the Tam Anne area, but none of them were confirmed.

KDHN Radio went back on the air about 3 p.m. for emergency service.

An anxious crowd waited five or 10 minutes after the siren for the courthouse to be unlocked, then 50 to 75 persons gathered in the building. It was strictly an informal gathering, with many dressed in robes and

slippers. Several hoeing crews came straight from the fields to the courthouse shelter.

ELSEWHERE in the city, residents clustered in storm cellars and basements until the funnel cloud passed over.

People were in a good mood when they emerged from their underground shelters into the crisp, damp air. The city had been lucky again.

## Dairy matrons giving residents new insight into industry here

Did you know Castro County has 15 dairies, with 12 of them in the Nazareth area? Or that our county is the leading dairy county in the Texas Panhandle? Or that any milk you buy, under any brand label, may be Castro County milk?

JUNE IS Dairy Month, and

the ladies' auxiliary of Associated Milk Producers, Inc. (AMPI) are making sure local residents know some of these facts.

Four Castro County women are officers of the District 19 AMPI Auxiliary, which includes all the Texas Panhandle plus several counties in New Mexico and Oklahoma. The ladies are currently available to give programs or conduct tours for any organization interested in the dynamic dairy industry here.

Mrs. Bob Simpson of Dimmitt is president of the district auxiliary. Mrs. Sam Albracht of Nazareth is the second vice-president, Mrs. Ralph Albracht of Nazareth is the treasurer, and Mrs. Winston Waggoner of Sunnyside is the secretary.

THE LADIES have been giving programs in Dimmitt and surrounding towns this month. At the Rotary Club meeting here Friday, Mrs. Simpson served three types of AMPI cheeses and all flavors of Borden's yogurt while giving a slide presentation on the history of the dairy industry in America.

"We also can schedule tours of the West Texas State University dairy in Canyon," Mrs. Simpson said. "Tours of this particular dairy work out better for most people because they can be arranged at midday. Most of the commercial dairies do their milking early in the morning or late in the evening."

Anyone interested in learning about modern dairy operations—how much milk each person needs, how quick-chilled milk comes from the dairy to the customer untouched by human hands, how processors get their milk and produce the various byproducts—may contact Mrs. Simpson at 647-4615 to schedule a program or tour.

FIRE practice calls for firemen, usually on Thursday nights, are two long blasts.

THE two terms used to describe threatening weather conditions by the US Weather Bureau are "tornado warning" and "tornado watch."

A TORNADO watch means that tornadoes are expected to develop in the area covered by the watch.

A tornado warning means that a tornado has been actually sighted in the area.

LAST rites held for J. J. Newsom

Funeral services were held Wednesday morning for Jessie John Newsom, 76, in the Hart First Baptist Church.

MR. NEWSOM died about 12:15 a.m. Monday in Plains Memorial Hospital in Dimmitt.

Born in Tolbert, Mr. Newsom moved to Hart in 1935 from Lakeview, where he had owned and operated a grocery store for several years.

He married the former Ella Stewart June 4, 1931, in Aspermont. Mrs. Newsom preceded him in death in November, 1965.

A MEMBER of the First Baptist Church, Mr. Newsom was ordained a deacon Aug. 8, 1943. He was a veteran of World War I and a charter member of both the Hart Lions Club and American Legion Post 311 of Hart. He had received his 50-year service pin from the Lions Club this spring.

Rev. C. T. Cunningham, pastor of the Hart First Baptist Church, and Rev. G. C. Applewhite, pastor of the Lockney First Baptist Church, officiated at the service. Burial was in the Rose Hill Cemetery in Tulia, under the direction of Wallace Funeral Home of Tulia.

Survivors include a son, Stewart, of Hart; a daughter, Mrs. Myra Wiley of Lubbock; a brother, Herbert, of Wichita Falls; two sisters, Mrs. Adella Davis of Dimmitt and Mrs. Bill Hill of Banning, Calif.; 10 grand-children and a great grandchild.

THESE CRASHES resulted in seven persons injured but no fatalities.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for May, 1972 shows 517 accidents resulting in 25 persons killed and 329 persons injured, compared with May, 1971, when 541 accidents resulted in 23 persons killed and 354 injured.

RECALLING HER first years with the Dimmitt schools, Mrs. Leeth said, "The first few months I was here, I would pick up the lunchroom reports and money at the elementary school, located where the city park is now, and return to the high school (now the junior high). Some of the time I delivered the frozen foods to the lunchroom from the locker plant downtown. I was a kind of jack of all trades at first. The homemaking teacher made out the lunch menus and I supervised from then on.

"Finally, I changed to the

library and have been there since."

During Mrs. Leeth's reign as librarian, the library has acquired 216 disc recordings, 31 filmstrips, 101 tapes, 128 sound filmstrips, 1,014 transparencies, 1,063 slides and 11,692 books.

"MANY OF the students checking out books the past couple of years are children of the first students I helped in the library," Mrs. Leeth said.

She describes herself as always taking her library work seriously. "I always strived to be a professional."

Outlining her philosophy as librarian, Mrs. Leeth said, "The library—an instructional materials center, as it is known in

the schools—is made up of many things: people, books, tapes, films, manuscripts, newspapers, maps and periodicals—all held together by one common denominator, information.

"FOR EACH librarian there is a certain challenge. You must help students today become a part of the ever-changing world. They must have knowledge of today's world and what it holds for them.

"One way for our youth of today to know these things, to gather this knowledge, is from the instructional materials provided in school libraries.

"As librarian, I felt the responsibility to provide materials that would enrich and support the curriculum, that stimulates growth and enables students to make intelligent judgments in daily life.

"My responsibility was to use my training to guide teachers and students so they could get the maximum from these well-stocked centers.

"I HAVE TO give special thanks to the great school system here that provided funds to make the instructional materials adequate in Dimmitt," she added.

"I always planned to write a book about my experiences in the library, but I just never got around to making notes to write from," Mrs. Leeth said.

What are her future plans? "I'm anxious to get out and travel, to do more artwork and take part in civic affairs," she said.

## Second 'air raid' ordered

If weather permits, the City of Dimmitt will launch a second air strike against mosquitoes Thursday or Friday at day-break.

THE CONVERTED DC-3 operated by Narian Aerial Spray, Inc., of Savannah, Ga., will repeat the spraying run it made here June 8, spreading a Malathion solution over the city, Country Club, nearby lakes and a "buffer zone" around Dimmitt's outskirts.

The spraying run will cost approximately \$800.

"We understand that under normal weather conditions, this spraying should be effective 28 days," Mayor Elmer Youts said. So if the weather cooperates, a third spraying shouldn't be necessary until July 20 or so.

HOWEVER, a rain of more than half an inch could rekindle the mosquito hatch. Youts said the city will keep an eye on the mosquito population and call in a third aerial spraying earlier than July 20 if necessary.

The first spraying had a dramatic effect on the mosquito problem here, and has been supplemented by regular runs of the city's "fogging machine."

"The aerial spraying is so much more effective because it provides full, immediate coverage and hits them all at once," Youts explained. "With the fogger, you can make only a street at a time and you can't possibly get all the mosquitoes as they fly back and forth."

IT WILL take the big spray plane only 20 minutes to make its 2,800-acre run here. Narian also plans to spray Mulehoe, Plainview, Abernathy, Floydada, Tulia and Hale Center the same day. With its huge tank capacity, the DC-3 can spray all these towns without a reloading stop, Youts said.

KILLINGSWORTH Construction Co. of Dimmitt was the other bidder for the construction and remodeling.

Commissioners awarded the bid to Hicks after deleting the proposed remodeling of the downstairs part of the building.

The \$100,000 bond issue okayed by voters earlier this year will cover the construction costs with this deletion, commissioners said.

THE CONTRACT, however, does include the addition of a

12-foot wide enlargement on the south side of the proposed new wing. Emergency and civil defense vehicles would be parked in this addition instead of in the first-floor area in the old church building.

The city has already purchased the property and building from the First Baptist Church

for \$30,000. Commissioners have also gotten a \$3,480 estimate for paving to complete the fire station site when construction is completed.

Itemized parts of the bid sheet included:

SECTION 1 — Remove existing three overhead doors together with all the hardware at the fire station building at city hall and close the opening to match the existing building. Hicks bid: \$1,352.

SECTION 2 — Add a new 38x60 foot, four-inch masonry building fire station addition to the existing building on Bedford Street, complete with three overhead doors and a six-inch concrete drive. Hicks bid: \$34,442.

SECTION 3 — This item, as explained above, was deleted by the commission to bring construction costs in line with the bond issue. Hicks' bid was \$5,296 to remodel the downstairs and build in two overhead doors.

SECTION 4 — Remodel the upstairs part of the church building to include a new outside steel staircase, three new bathrooms, kitchen facilities and other finishing items. Hicks bid: \$24,812.

SECTION 5 — Enlargement of 12 by 60-ft., four-inch addition to the south side of the proposed new building and additional finishing. Hicks bid: \$7,800.

Hicks' total bid, excluding Section 3, was \$68,406, which would place building costs in line with the remaining bond issue money after purchase of the church property.

Brooke Alexander met with commissioners to discuss his final plans for the Townhouse Addition he proposes to construct on the southwestern edge of town.

THE COMMISSION voted to advertise for water and sewer line bids for this addition, with the bids to be opened at the next commission meeting July 17.

In other business, commissioners approved the contract on a land lease near the city dump grounds. The two-year lease on the Hastings' land will provide the city with a strip of land for dump truck access and better drainage.

The city commission will not meet July 3 because of the July 4 holiday schedule.

THREE CARS were involved in this chain-reaction accident Saturday afternoon at the Broadway-Bedford intersection. In the background is a 1971 Chevy Nova, which collided with the right side of the 1971 Pontiac, which skidded into the rear end of the parked 1969 Chevrolet. The Nova, going east on Bedford, was driven by Darrell Ray McKnight of Tulia; the Pontiac was being driven south on Broadway by

Jerald Klemm of Dimmitt; and the parked car is owned by Roger Owen of Sunnyside. The accident caused heavy damage to the front end and side of the Pontiac, light damage to the Nova and "very slight" damage to the Chevrolet, Police Chief W. W. Jones said. No citations have been issued, the police chief reported.

## Fire station contract awarded

Dimmitt city commissioners awarded the fire station construction contract to Wiley Hicks Jr. of Amarillo Monday night. Hicks' bid of \$68,406.00 was the lowest of the two bids submitted to the city.

Commissioners awarded the bid to Hicks after deleting the proposed remodeling of the downstairs part of the building.

NEW operator has bass voice

When you dial the operator and a man answers, don't hang up.

WEST Texas Telephone Co. now has its first male operator. He is Craig Potts, Dimmitt High School senior, who completes his training this week and will go on the switchboard on a regular basis Friday. He plans to work part-time during the school year also.

Potts will serve as an outward toll operator, handling long-distance calls. "He's the first male operator we've ever had here," said Chief Operator Earlene West. "We're very proud to have him and I think he will do a real good job for us. We wanted everyone to know that the male voice does belong to a bona fide long-distance operator. We didn't want anyone to be alarmed and hang up on him."

## Pickup rolls; furniture lost

A pickup loaded with furniture turned over about five miles east of Hart on FM 145 Tuesday afternoon and one person was taken to the hospital, according to investigating Highway Patrolman Billy D. Scott.

SCOTT SAID a flat tire caused the pickup to overturn. He described damage to the pickup as light, but said the furniture probably would not be salvageable.

Roy Smith of Tulia, driver of the pickup, told Scott the furniture was worth approximately \$2,000.

Mike Gleason of Tulia, a passenger, was taken to the hospital with hand injuries, Scott said.

## Man under bond faces new charge

Billy Lenford, 25, of Dimmitt was arrested by sheriff's officers last Wednesday and charged with two counts of burglary.

HE IS in Castro County Jail under \$2,000 bond, set by Justice of the Peace Elvon DeVaney.

Lenford is charged with the June burglaries of Taylor & Sons Grocery and Higginbotham-Bartlett Co.

At the time of his arrest, Lenford was free on bond after having been placed under an "habitual criminal" indictment by the Grand Jury earlier this month. If convicted of that charge, he would face a maximum life sentence.

## Breathalyzer tops 100 mark

Since Jan. 1, the Texas Highway Patrol office here has given 111 breathalyzer tests to drivers suspected of being drunk.

IN 102 of these tests the breathalyzer has confirmed that the driver was intoxicated, with an alcohol content of 0.10 percent or higher in his blood stream. The breathalyzer has cleared nine suspected DWI's.

## School's librarian retires

"A teacher in Amarillo advised me to not look back when I lock the door for the last time," Mrs. Gladys Leeth, retiring Dimmitt High School librarian, said Tuesday, "and that's what I plan to do when I lock my door for the last time today."

MRS. LEETH turned in her key to the high school library Tuesday, ending her 26-year reign as librarian with the local school system.

She and her husband moved here in time for the fall school term in 1947. For a short time she served as general secretary for Supt. R. S. Vestal—making out the payroll, etc.—and also supervised the lunchroom.

## Roundup plans will be made Monday night

Plans and assignments for the annual Roundup in August will be made at a meeting of the Castro County Activities Committee Monday night.

CARL BRUEGEL, activities committee chairman, has called the meeting for 8:30 p.m. in the courthouse basement. He urged all community, civic and service organizations to send representatives to the meeting.

Chairmen for all phases of the Roundup will be appointed or verified at Monday night's meeting, Bruegel said.

The Roundup will begin with "Hart Day" Saturday, Aug. 12, Main Roundup activities in Dimmitt—the rodeo, barbecue, dances, Old Settlers' Reunion, air show, kids' day, pet show, pony show and parade—will take place the following Thursday Friday and Saturday, Aug. 17, 18 and 19.

Mahon also told White that future funding might be available for succeeding years if other program requirements are met by the school.

White said that until official notification comes, the school cannot hire teaching aides and other personnel involved in the "Follow Through" program.

## 'Follow Through' may be revived

The Dimmitt Public Schools have received unofficial notification that the "Follow Through" program for the elementary grades would be funded for one more year.

CONGRESSMAN George Mahon notified Supt. Charlie White last week that the program would be funded, but that the appropriation still had to go through another committee. He told White that he foresaw no problem in getting it through the committee.

Mahon also told White that future funding might be available for succeeding years if other program requirements are met by the school.

White said that until official notification comes, the school cannot hire teaching aides and other personnel involved in the "Follow Through" program.

CLOSE CALL—This was the scene of a train-pickup accident last week three miles southeast of Dimmitt, in which Lacy Armstrong, 59, of Lubbock, had a close call but escaped serious injury. In distant background can be seen the Fort Worth & Denver utility train which collided with Armstrong's 1969 Chevrolet pickup at the dirt-road crossing a mile east of the Western Ammonia plant. The oncoming locomotive slammed the pickup off the railroad bed as Armstrong "rode it out." The pickup was a total loss, highway patrolmen said.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Coleman Adv. Ser.

E. B. and Evelyn Noble and Jan are in South Texas visiting her relatives and on a vacation sightseeing trip. Dan Heard is home from High Plains Baptist Hospital, recuperating from back surgery, says to tell everyone "Thanks" for cards and gifts and visits. They had a nice visit with Marian Lee. She teaches nurses, and they even do some training there. She took Oma Dee through the children's rehabilitation center. Its wonderful and so pretty. Weekend guests of the Heards were Dan's sister Charles and Doris Cullum and three children of Colorado, Kenneth and La Nita Dixon and three children of Ella, N.M. Sunday dinner guests were Mrs. Heard's brother and wife Leroy and Wilma McCormick of Littlefield and niece and family Kay and Marten Young and parents, Mr. and Mrs. McCormick of Dimmitt.

Range Riders Rodeo coming up

Some of America's top cowboys are expected to compete for one of the largest purses of prize money in the 30-year history of Will Rogers Range Rider Rodeos when the first ground gets under way July 1 at the Range Rider Arena west of Amarillo.

RODEO Chairman Cliff Lowrance reports inquiries about the forthcoming rodeo from not only Texas, New Mexico, Colorado, Oklahoma, Kansas, Wyoming and California, but even as far away as Australia.

The Will Rogers Range Riders have also joined with the Amarillo Chamber of Commerce to sponsor an Honor America Day Parade at 10 a.m. Saturday, July 1, in the downtown area.

Riding clubs will join with floats, marching units, elected officials and political hopefuls to ride a parade route starting at 12th and Polk. The parade will follow Polk north to Fourth and then proceed east to the Amarillo Civic Center.

Weekend festivities in addition to the parade and rodeo—which will run Saturday through Tuesday, July 1-4 at 8:30 p.m.—will include a rodeo queen contest Saturday at 2 p.m. in the Range Rider Arena for girls 15 through 19; and a western dance Saturday evening after the rodeo performance.

A limited number of box seat tickets are still available for the rodeo, and general admission prices are \$2 for adults and 75 cents for children 12 and under. Advance inquiries can be made to Rodeo Chairman Cliff Lowrance, Box 9002, Amarillo, 79105, phone 376-4387.

GLADYS Benson and daughter Suzan and dad A. T. Jones from Hereford spent the weekend at Cowles, N.M. or a place Mountain View. They joined sister Helen and Wes Brown and Sid and Jan Perkins of Albuquerque. They liked watching the big square dance session with Sid doing the calling. They said there were 26 squares composed of eight people each. That should be quite a sight to see.

George and Josie Bradford went to Lubbock Sunday to visit her sister Martha Griffith. Many people go to Conchos Lake in the summer. They have boats or houses there. One week, Dale Maxwell, Don Nelson and Dr. Murphy went. I heard of others but forget who. Johnny Davis and Mary and Sal DiCuffa went up for a rest.

Steve Birdwell received a red package with cuff links and money for graduation but he does not know who to thank, no name.

Russel and Myrtle Lois Morar went to Weatherford for a cousin get together. They visit his mother while in that area.

Others going to "Explo 72" in Dallas last week were Norma Conard, Connie Nelson and Loretta Young. Also attending was Sharon Barker and a friend Judy Townsen of Plainview.

Mr. and Mrs. Loyd Davis and three children from Houston have moved to Dimmitt. They have bought the Jim Aldridge house on Pine Street. They are Baptist and Loyd is with Agri-business. Another new family are the Wyatt Watkins and four children from Granite City, Ill. They are looking for a house.

Sunday afternoon, Paul and Barbara Blanchard had a get acquainted party for the new comers. 20 people who work at Agri-business came in for coffee and conversation.

BERAL HANCE was telling me she'd been visiting in Richardson with her daughter, Linda Compton and family. She went with Linda to a party where Sandy (Bruegel) Baker was also a guest. Sandy sends greetings to her friends in Dimmitt. Linda works part time for Sanger-Harris Company as the "Mystery Shopper."

Mr. and Mrs. Elmer Berryhill are in Atlantic City, N.J. this week attending the Kiwanis convention. They left on a chartered plane from Dallas Saturday and will return this weekend. Helen is visiting her sister and family while Elmer attends the meetings.

The Jimmie Chapmans are grandparents again. Their daughter and son-in-law Margaret Ann and Jim Leimer of Baldwin Park, Calif., have a new baby girl who has been named Brandi Nicole. Della flew out Saturday to spend some time with the Leimers.

Lt. Com. W. R. Alverson, head of com., at the Pentagon in Washington D.C. visited with his sister Betti White over the weekend. Lt. Com. Alverson and his wife live in Arlington, Va.

Ed Dena and Bill Bylor and son Billy of Oklahoma City have been visiting her parents Mr. and Mrs. H. M. Boozer and sister Oleta Raper and family, brother Monty Boozer and family, Glen Boozer who has moved to Hereford from Big Spring. They all had a birthday party for Mama Boozer and Donna Raper on Monday.

## 15—LEGAL NOTICES

**NOTICE TO CONTRACTORS**

Sealed bids for furnishing all plant, labor, material and equipment, and performing all work required for the construction of water and sewer extensions and miscellaneous work for the City of Dimmitt, Texas, will be received by the Mayor and City Commission at the office of the City Manager, City Hall, Dimmitt, until 7:30 PM, July 17, 1972, and then publicly opened and read.

Bids shall be submitted in sealed envelopes upon the blank form of proposal attached hereto and marked in the upper left hand corner "Bid for Water and Sewer Facilities."

All proposals shall be accompanied by a cashier's check or certified check upon a national or state bank in the amount of five (5 percent) percent of the total maximum bid price payable without recourse to the City of Dimmitt, Texas, or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100 percent of the contract price from an approved surety company holding a permit from the State of Texas to act as surety or other sureties acceptable to the Owner.

The right is reserved to reject any and all bids and to waive any informality in bids received.

Plans, specifications and bidding documents may be secured from the office of the City Manager, City Hall, Dimmitt, or at the office of Bill R. McMorries & Associates, Inc., 6300 Canyon Drive, Amarillo, Texas 79109, on deposit of Twenty five Dollars (\$25.00) per set which sum so deposited will be refunded, provided: (1) All documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than 48 hours prior to the time for receiving bids; or (2) The Contractor submits a bid and all documents are returned in good condition to Bill R. **Wheat harvest starts again**

By Mrs. Florence Albracht

Several showers of rain were received during the past week around the community, very spotted with everyone getting some and farm work was at a stand still. Monday every farmer was busy harvesting wheat or killing weeds and some replanting.

The Jerome Brockmans were pleasantly surprised Thursday evening, June 15, when one of his seminary schoolmates Fr. Bernard Goetz, his brother Tom and brother-in-law Ramon Cook and seven nephews came by to visit. They were on their way home after spending some time in Colorado sightseeing. The trip was a graduation gift from Fr. Goetz to his nephews. Father Goetz is an army chaplain and will be returning to Germany for the second time. He has also been in Vietnam. They all had supper with the Brockmans. The Al Maurers came to visit them and renew old memories.

**FATHERS DAY** was celebrated in the parish by family get togethers, dinners, etc.

Mr. and Mrs. Greg Hoelting were in Amarillo for Fathers Day having dinner with their and family and enjoying the Amarillo Giant game.

Father Harold Heiman of Subiaco, Ark. enjoyed supper with his sister and family the Frank Hoeltings on Sunday evening. Also enjoying the supper were Mr. and Mrs. Florence Heiman and the Ronnie Hoeltings of Amarillo, Bayard Keys of Plainview, the Cecil and Dickie Hoelting families. Father Harold is helping out at St. Alice's Parish in Plainview while the pastor Father Christmas is on vacation for two weeks. Mrs. Warren Norris and three sons are visiting the Hoeltings while her husband is in Dallas where they will be moving.

## Nazareth news

**MR. AND MRS. Larry** Spencer and daughter of Amarillo spent the weekend with her folks, the Raymond Annens. On Sunday evening Gladys McLain and children, Mr. and Mrs. Jack Litsch and Mr. and Mrs. August Huseman and Spencers had supper with the family.

Vincent Braddock and Ralph Albracht flew to Dallas for a H.M.P.I. meeting Monday and Tuesday.

Ruce Warren and Gordon Wilhelm are working with a construction crew repairing grain elevators. They were in Colorado the past week.

Word was received last Monday evening of the death of Syl Birkenfeld in a rest home in Amarillo. He was an old timer in the parish, having farmed southeast of town for many years and then moving to town later on.

THE American farmer consumes 28 billion kilowatt hours of electricity, five million tons of steel, nine percent of the rubber used in the United States and buys \$3.5 billion worth of fuel annually.

A BROADMINDED man is a citizen who takes your side.

### A Reversion Underway?

Largely unnoticed was the recent strike in one of the auto assembly plants. It was a wild-cat strike, but it was sparked by the younger workers who objected to certain features of assembly line operations.

Without going into the merits of the matter, it could be the first indication of what inevitably must result in a reform in the structure of organized labor.

Obviously, as an industrial nation, there will be unions in this country. But it is doubtful present system will endure.

In the early 30's there developed quite a schism in labor ranks based on vertical versus horizontal unionism. The old AFL only took in the craftsmen while the bulk of the industrial workers were without representation. The craft or horizontal unions hiked up the pay scales for their members, while the rank and file of plant workers were held at a low pay rate. This led to charges of the AFL being "aristocrats of labor."

Eventually, there was a merger between the AFL and CIO, but the top command is still held by aging graduates of the old AFL craft unions.

As everybody knows today, there is a wide disparity between the hourly rate paid to plumbers, electricians, carpenters, other craftsmen, and those who man the assembly lines.

Of course, proficiency and ability deserves reward, but

## Farm Bureau to sponsor TV film on 'grape union'

The workers' side of the issue of farm labor unionization will be depicted in a special showing of the film, "Road to Delano," on area television this week and next, according to Ernest Sammann, president of the Castro County Farm Bureau.

**THE FILM** will be shown on KGNC-TV Channel 4, Friday from 9:30 to 10 p.m., on KVII Channel 7 Sunday at 4 p.m., KCDB Channel 11 Tuesday at 9:30 p.m., and KSEL-TV Channel 28 Wednesday at 9:30 p.m. County Farm Bureaus in the viewing area of the stations are purchasing the time for the showings.

The 30-minute film, produced by the American Farm Bureau Federation, is built around interviews with some of the grape vineyard workers in the Delano, Calif., area, where Cesar Chavez unified the farm workers.

Chavez forces used the secondary boycott tactic to effectively close markets for grapes until growers signed their workers over to the union. The secondary boycott is outlawed for industrial unions, Sammann pointed out. Farm Bureau is backing legislation to guarantee workers secret ballot elections and to outlaw the secondary boycott, prevent strikes at harvest time, and create an Agriculture Labor Relations Board.

## 21,000 veterans back in school

Where are the high school drop-outs who are now Vietnam Era veterans?

**DURING APRIL**, about 21,000 were completing high school under the GI Bill, and swelling the ranks of those who have taken advantage of a five-year-old Veterans Administration program that pays them monthly allowances while attending schools below the college level.

For these veterans this means enrollment in remedial or refresher courses to enable them to earn elementary or high school diplomas or otherwise qualify for higher education. This "catch-up" training is not charged against eligibility. Thus these veterans are able to save their full entitlement for higher education later on.

Veterans who are having trouble with their studies may receive special tutorial help which VA will pay for.

So far, about 66,000 educationally disadvantaged veterans have taken advantage of "catch-up" schooling or training since it became available in 1967.

However, VA pointed out that this figure does not include all assistance provided. For example, many educationally disadvantaged veterans elect to enter on-job training programs or attend vocational and trade schools.

## Slavik to attend freedom seminar

John Slavik, Nazareth educator, has won a scholarship to attend a seminar on "Preservation of the Principles of Freedom" at the Freedom Foundation at Valley Forge, Pa.

**SLAVIK'S** scholarship of \$500 will be paid by the Department of Texas Auxiliary of the American Legion. Nominated by the Nazareth AL Auxiliary, Slavik is the only Texas educator to win a state auxiliary scholarship to the seminar.

He will attend the seminar at Valley Forge June 26 to July 14. The seminar is an intensive course designed to give educators new insights into the nation's heritage of freedom to impart to their students.

## The view from your library

By **MARY EDNA HENDRIX**

Each year the Friends of the Library of Amarillo sponsor a book sale, so Mary Acker and two of her children, Agnes and Bernard, went and selected 530 books for our library. I got there in time to help check out the books and pay for them. Ron Slover was there taking pictures, so we were all on TV Saturday night on the 10 p.m. news. Mary Acker is on the library board and we really appreciate all that she does for the library. Rita Book was at the book sale in Amarillo, so she was kind enough to bring two big boxes of books in her car.

**LEORA LITTLE**, another library board member, has been keeping her 17-year-old grandson for a few days—and I think she is a little rough with him. His parents left one day to go back to their home in Arizona and the next day Leora had her grandson in the hospital here in Dimmitt! He had an appendectomy—but he is improving rapidly.

The library board members met last Wednesday with Jack Miller presiding. Other members present were Leora Little, Jackie Armstrong, Mary Acker, Hazel Merritt and Edna Riley. We were glad that Jackie was able to attend this meeting—she missed several after her daughter was in a car wreck last winter.

We had several to donate books last week—Mrs. Myatt, Jo Behrends, Larry Morris, Dianne Axtell, Mrs. Patton and Delores Ivy. We still need children's books!

Interesting people in the library last week: Mrs. R. D. Rogers, who lives in Burnett now. She said they have a beautiful place by the lake and she spends some of her time working on her family tree. James Viola from Irving and Ramonda Occhipinti from Dallas were in the library for two days checking back issues of the Castro County News for stories concerning the Follow Through Program. My grandson has been in the library a few times this week since he is staying with me for a few days. He is Kevin Lankford from McLean. Bobbie Baldridge helped him with his new watch band when she was in the library.

## July draft call: only four in area

Four men will be drafted from Castro, Deaf Smith, Parmer and Randall Counties during July, according to Col. Melvin N. Glantz, state director of Selective Service.

**THIRTEEN** other young men from the four-county area were ordered to take physicals during July for possible future induction into military service, Col. Glantz said.

Those to be drafted in July are all in the 1972 First Priority Selection Group with lottery numbers of 50 or lower. This selection group is made up of men born in 1952 and those who lose a deferment during 1972.

The 13 ordered for pre-induction physicals next month are men with lottery numbers of 90 or lower who have not yet been examined.

**THIRTY** days' notice is given on all induction orders, Col. Glantz said. Although there is no quota for Texas, the state director said he expects 400 men to be inducted in the state next month.

## German feed team now touring area

A team of animal nutritionists from Germany will stop in Dimmitt this week on a tour of High Plains feed plants, cattle ranches, hog farms and cattle feedlots. They also will talk to scientists about feed formulations containing high percentages of soybean meal.

A vice-president of the American Soybean Association said that similar team visits have helped soybean sales in foreign countries.

**CONSUMPTION** of soybean meal in Germany has almost quadrupled in the past 10 years but still is only 58 percent of the vegetableprotein feed consumption.

For many years German feed mixers were federally required to use eight percent fishmeal in commercial feed mixtures. The restriction has been removed, opening up an entirely new soybean meal market in Germany.

**WASHINGTON**—The Air Force has released plans for its "dream plane of the future," a robot bomber—flown by radio control similar to that used in model planes. It is designed to save both lives and money.

## SPC schedules credit exams

Persons interested in receiving college credit through the College-Level Examination Program (CLEP) may take exams July 14 at South Plains College. Don Melton, director of guidance at the college, is in charge of the testing program.

CLEP is a program which provides credit by examination for a number of college courses. This program allows students to obtain credit for courses by proving their knowledge of the course material.

**TESTS BEING** offered include English composition, college algebra, trigonometry, American government, American history, general psychology and introductory sociology.

There is a charge of \$15 for each examination taken. The testing program is open to students who are currently enrolled at South Plains College and to high school graduates who plan to enter South Plains College.

Complete information concerning the examination program will be provided upon request by the Registrar's Office or Director of Guidance at South Plains College.

NO OTHER fiber feels as good next to the skin as cotton does. Why? Cotton's high absorbency lets it readily transmit moisture away from the body. Non-absorbent fibers like the man-made lack this ability to lie flat against the skin, making them less comfortable than cotton.

## GRAND OPENING DAYS

## DRIVER'S MOBIL GRAND OPENING IN NEW BUILDING CONTINUES THROUGH SATURDAY

The grand re-opening of the new Driver's Mobil service station continues through Saturday. The opening is to celebrate the new modern Mobil station recently constructed by the owner, Floy Driver.

Driver bought the Mobil dealership in January, 1970 from R. C. Lay. The old Mobil station that Driver operated for nearly two years had been a Dimmitt landmark. The original building was constructed in 1931 as an ice house by the Gollehon family, and was later converted to a service station.

This spring Driver demolished the 41 year-old building to construct a modern service center to better serve his customers.

Driver's Mobil is a complete service station featuring Mobil oil products. The station also offers complete automotive care and minor tune-ups.

Station attendants are Aturo Mendoza and Mike Constancio Jr. Matthew Daniels is station attendant and also makes wholesale deliveries.

Driver is the Mobil wholesaler for gas, oil, diesel and greases. He also supplies farm storage tanks for Mobil products. The business stocks a complete line of tires, batteries and accessories.

The new telephone number for the station located at 118 West Bedford is 647-3425. The warehouse phone number is 647-5425. The station is open Monday through Saturday from 7 a.m. until 10 p.m. and from 8 a.m. until 6 p.m. Sunday.

Driver invites you to come by the new station and get re-acquainted with the new facility and the fine Mobil products he dispenses.

Rev. C. T. Cunningham resigns

By MYRT LOMAN  
 Rev. C. T. Cunningham, pastor of the First Baptist Church has submitted his resignation effective July 9.  
 The family will move to Pratt, Kan., where he will serve as pastor-director of the First Southern Baptist Church. Rev. and Mrs. Cunningham also will work to establish home Bible study groups in the surrounding area.  
 Rev. Cunningham has served as pastor of the local church the past five years. His wife Sylvia, has taught in both high school and elementary grades. Their daughter, Frances, 20, is a 1970 graduate of Hart High School, and attended South Plains College at Levelland the past two years. Their son, Thomas, 16, is a junior in high school this fall.

MR. AND MRS. Elmer Six and family were called to Kermit to attend the funeral of his father, John Innis Six, 60, who died last Wednesday.  
 The funeral was held in the Methodist Church there Friday. Burial was in San Angelo Cemetery.

Survivors are Elmer Six of Hart, Mrs. Joe Phillips of Lancaster and Mrs. Johnny Holman of Kermit; nine grandchildren; his mother; two brothers and one sister.

THE PHILLIPS 66 Pitch, Hit and Throw competition was held recently with the following winners announced:  
 In the 9-year-old group, Matt Aven scored 277 points and Maxie Craig 230. Leaders among 10-year-old boys were Tracy Rich with 205 points and Scott Jones with 184. The 11-year-old winners were Robert (Shorty) Lacy Jr., 355 points, and Kelly Jones, 345. The 12-year-old winners were Johnny Newsom, 388, and Bart Bruntington, 336.

Club members attending were Mr. and Mrs. Curtis Malone Harley and Kyle, Mr. and Mrs. Bill Swindle and Jerry, Mr. and Mrs. Charles Black and Chad, Mr. and Mrs. Carl Motley, Bobbie, Mike and Connie, Mr. and Mrs. Charlie Waide, Pat and Lameta, and Mr. and Mrs. D. L. Irvin and family.  
 The club participated in the Bar-None Rodeo Parade in Plainview and received a second-place trophy.  
 Sunday the club participated in the last district playday in Lubbock.  
 The club will enter the national finals in Waco July 22-23.

The local competition director was Newlon Rowland.

On Saturday the winners of the four age groups—John Newsom, Robert Lacy Jr., Tracy Rich and Matt Aven—participated in the district competition at Memorial Stadium in Amarillo.

The boys' parents furnished transportation and moral support. They are Mr. and Mrs. Stewart Newsom, Mr. and Mrs. Bob Lacy, Mr. and Mrs. Bill Rich, Mr. and Mrs. Melvin Aven and Mr. and Mrs. Charles Black.

A LAY witness team from the First Baptist Church of Cotton Center were guests of the First Baptist Church at the Sunday evening worship service.

They shared their testimony and told of what the lay witness mission had done for them personally and for their home church.

THE BROTHERHOOD of the First Baptist Church sponsored a program Sunday afternoon at the Golden Spread Nursing Home.

Kipp Burnett, youth director of the church, and Gayle Reed, Helen Murray, Suzanne Holley and John Rodgers presented several special songs and led in group singing, accompanied at the piano by Mrs. Everette Heller.

J. D. Rodgers gave a short devotional and led the dismissal prayer.

MEMBERS of the Hart Junior Riding Club enjoyed an ice cream supper and parade practice at the home of Mr. and Mrs. R. G. Henderson and Nelda.

Mrs. Charles Black was presented with a surprise birthday cake.

Club members attending were Mr. and Mrs. Curtis Malone Harley and Kyle, Mr. and Mrs. Bill Swindle and Jerry, Mr. and Mrs. Charles Black and Chad, Mr. and Mrs. Carl Motley, Bobbie, Mike and Connie, Mr. and Mrs. Charlie Waide, Pat and Lameta, and Mr. and Mrs. D. L. Irvin and family.

The club participated in the Bar-None Rodeo Parade in Plainview and received a second-place trophy.  
 Sunday the club participated in the last district playday in Lubbock.  
 The club will enter the national finals in Waco July 22-23.

THE PLEASANT voice you hear from the office of Supt. Averitt at Hart High School this summer is Dixie Irons, 21-year-old daughter of Mr. and Mrs. Al Irons.

She is a 1966 graduate of Hart High School, and is classified as a senior at West Texas State University with a management major.

She is secretary-treasurer of the Society for Advancement of Management (a professional organization) for the upcoming year.

She is working this summer for the Hart Independent School District under the Work-Study Program, and keeps the high school library open from 1 to

3 p.m. Monday through Friday.

GIRLS IN Action of the First Baptist Church left Monday morning for three days at the Baptist Camp near Floydada.

Mrs. Harold Bass and Mrs. Lesa Snitker are leaders of the group.

Lady adults accompanying the girls were Mmes. Snitker, Lanny Tucker and Jerry Kittrell, who were relieved by other ladies of the church on Tuesday and Wednesday. The group returned home Wednesday.

Members of Girls in Action making the trip were Tonya Wisdom, Teressa Kittrell, Lana Tucker, Laury Franks, Lesa Higgins, Donice Clark, Janet Black, Stecy Averitt, Melanie Upshaw, Diane Davis, Melissa Snitker and two guests, Glory Jean Spruill of Comanche, Okla., and Linda Haeckler of Olton.

MR. AND MRS. Lloyd L. Smith of Dallas are living in the Hart Church of Christ parsonage this summer. He will serve as minister of the church during the absence of Harold McColum of Dimmitt, who is in Beaumont for the summer.

THERE was a called meeting of interested persons at 8:30 Monday night in the Farmers State Bank community room to discuss the Hart Day program and activities. Hart Day will be Saturday, Aug. 12 during Roundup Week. Attending the meeting were Richard Franks, chairman, R. G. Henderson, Mmes. W. T. Sanders, Howard Mitchell, Leonard Griswold, Nora Lee Zybura and Myrt Loman. Any interested persons are urged to attend a meeting Monday night at 8:30 in the bank community room.

IN THE June meeting of the Hart School Board, the following business was transacted:  
 A band budget of \$3,557 was approved for 1972-73 school year.  
 The contract of Tom Ed Benton, school tax assessor-collector and business manager, was renewed for 1972-73.  
 A bid of \$1,087.87 by MacDonald Trading Post was accepted for the 1963 Dodge spare bus.

The board set July 10 as the date for the board of equalization meeting and appointed Charlie Martin, J. D. Murray and Lorenza Lee to serve on the board.

Trustees approved two 10-burner ranges for the cafeteria for \$1,440; the purchase of 13 manual and four electric typewriters for the typing department; and the purchase of commercial equipment for the CVAE girls department for \$7,948.82 (the school's part). The school pays 10 percent of the cost of the CVAE equipment and the state and federal gov-

ernments pay the remaining 90 percent.

The board also reviewed teachers' applications.

THE SCHOOL Library is open to the public Monday through Friday from 1 to 3 p.m.

APPROXIMATELY 80 patrons, employees and friends attended the 15th annual stockholders' meeting and dinner of the Hart Producers Co-op Gin Saturday night in the school cafeteria.

Directors re-elected were Warren Lemons and Vernon Mapp of Hart and Gerald Ackner of Nazareth.

The meal was followed by reports from regional cooperatives.

MEMBERS of the Goodneighbor Club met in the home of Mrs. G. R. Bennett last Thursday afternoon for a surprise farewell party honoring Mrs. Sid Farmer, president of the club.  
 Mr. and Mrs. Farmer are moving the last of this month to Leonard, where he will manage a lumber yard.  
 Mrs. Farmer was presented a money tree by members of the club.  
 Attending the party were Mmes. Kenneth Lambert, Lucile Myers, R. A. Futrell, L. C. McLain, E. E. Foster, T. R. Davis, H. E. Newman, Willis A. Hawkins Sr., and a guest, Karen Myers.

MRS. CURTIS SNITKER and Mrs. Harold Bass signed the completed mission workbooks at the Friday meeting of Girls in Action in fellowship hall of the First Baptist Church.

Mrs. Snitker told of the junior camp to be held June 19-21 at the Baptist camp grounds near Floydada, and Mrs. Bass gave a short talk on missionaries.

Mrs. Jerry Kittrell served refreshments to Stacey Averitt, Janet Black, Donice Clark, Diane Davis, Laury Franks, Connie Featherston, Teressa Kittrell, Lana Tucker, Melanie Upshaw, Melissa Snitker, Lesa Higgins and the adult leaders. Special guests were Mrs. Donald Featherston and Mrs. Kittrell.

THE HOME of Mr. and Mrs. Joe Hart south of town was the setting for a 4-H family cook-out last Wednesday night.  
 Games of basketball, baseball and ping-pong were played, followed by a hamburger cookout, with homemade ice cream for dessert.

Attending were County Agent Charles Hottel, Dana Carey and Sheryl McLain, Mr. and Mrs. Lanny Tucker, Jim and Lana, Mr. and Mrs. Bill Hill, Dean, Terry, Kent, Brad and Tammye, and the Hart family.

Cobb's THE PLACE TO GO!

JAYCEE LAKE SEZ ...

The Jaycee board of directors met Saturday to discuss the Miss Castro County Pageant, the Jaycee Air Show, family night and the Dimmitt flag project.

WE EXPECT to name a chairman this week for the popular Miss Castro County Pageant, and will announce the pageant date later. The pageant will be open to all unmarried girls 21 and under in the county, and will include competition in formal wear, sports wear, talent and personality.

The annual Jaycee Air Show at Dimmitt Airport will be one of the highlights of Roundup Week in August. We will report on our Air Show progress at a later date.

Board members are Chuck Braafadt, Doyle Morris, Les Clary, Will Howard, Gary Gerber, Carl Lee Kemp, Harley Wilke and Avery Thrasher.

WE WILL have an orientation meeting for new and prospective members at our noon meeting today (Thursday) at the Colonial Inn Restaurant.

An orientation meeting is where you learn what the Jaycees are all about. On hand to tell you will be three men who know more about the Jaycees than anyone else around—Elvon DeVaney, Fred Bruegel Jr. and Robert Benton.

Elvon and Fred are lifetime senators in Junior Chamber International, the highest honor that can be given to a present or former Jaycee. Both are former club presidents and state officers. Robert is a past president of the local Jaycee chapter.

If you are between the ages of 21 and 35, want to gain leadership training through community development, and would like to learn how "Young Men Can Change the World," be at the Colonial Inn today for this orientation meeting. You don't have to wait for a personal invitation—just show up and you'll

be welcomed by other young men who may become your lifetime friends here.

A FAMILY NIGHT is on tap tonight (Thursday) for all Jaycees and prospective members. It will begin at 6 p.m. at the Castro County Country Club, and will include a hamburger cook-out, homemade ice cream, swimming and get-acquainted party.

If you're a Jaycee member, or one of our many new young men in the county who wants to find out what the Jaycees are all about, grab the wife and kids and come on out—it's for the whole family.

Remember, Jaycees, bring your barbecue grills. And if you have an ice cream freezer please bring homemade ice cream. And don't forget your swimsuits.

With the mosquitoes dealt another aerial blow by the city this week, we probably won't need the bug-spray to have a great time at poolside. And if the weather doesn't cooperate, we'll just move the party inside.

See you there tonight. If you're hesitant about coming out because you don't know anybody, don't let that stop you—that's one of our reasons for having family night, to get acquainted!

—Jaycee Jake

MRS. CARL DEAN CARSON  
... The former Terrie Lyn Newton

## Carsons establish home in Sunnyside

Mr. and Mrs. Carl Dean Carson are now at home east of Sunnyside following their June 10 wedding.

SHE IS the former Terrie Lyn Newton, daughter of Mr. and Mrs. Buford B. Newton of Dimmitt. Carson is the son of Mrs. Lillian Carson of Sunnyside and the late Houston Carson.

Rev. John T. Street officiated at the double ring evening ceremony in the First Baptist Church. Spiral candelabras, greenery and ribbons decorated the church. Organist was Harold Dean Carson and Ms. Jeannine Wimberly was soloist.

Given in marriage by her father, the bride wore a white empire formal gown of Mystique-Papillon nylon accented with eyelet lace interlaced with satin ribbons around the train, skirt and bodice. The tier-sleeves were edged with miniature tear drop lace, and the bodice was accented with seed pearls. She carried a bouquet of white roses.

NANCY TISDALE was maid of honor. Bridesmaids were Janice Rhodes, Kaye Wardlaw and Resa Carson. Tamara and Carmen Cates of Midland were

flowergirls. Candlelighters were Judy Layne of Snyder and Rhonda Newton.

Attendants wore pastel colored gowns of pink, blue, green and yellow dotted swiss with small puff sleeves and gathered ruffles on the skirts' edges. Completing their attire were white crocheted hats, short white gloves and colored bouquets.

Serving as best man was Gene Carson. Groomsman were Larry Bills, Danny Newton and Danny Jo Carson. Greg George was ring bearer. Mike Wardlow and Joe Mike Myers, both of Dimmitt, Don Ott of Sunnyside and Darrell Walker of Springlake were ushers.

A RECEPTION honoring the couple was held in fellowship hall of the church.

For their wedding trip to Ruidoso, N.M., the bride wore navy blue hot pants suit trimmed in white.

The bride is a graduate of Dimmitt High School. Carson is a graduate of DHS, Matrix Computer School of Lubbock and South Plains College.

## Study club has going-away party

The Mon Amis Study Club had a going-away party June 10 for Mr. and Mrs. Raymond Wiley who are moving to Stratford and Mr. and Mrs. Jim Ritter who are moving to Plainview. GAMES OF "42" and refreshments were served to 19 guests in the Easter community building.

Club members presented going-away gifts to Mrs. Wiley and Mrs. Ritter.

MR. AND MRS. W. A. MANDRELL  
... To be reception honorees Sunday

## Couple to observe golden anniversary

Mr. and Mrs. W. A. Mandrell will celebrate their golden wedding anniversary Saturday. Friends and relatives are invited to attend a coffee in their honor Sunday from 2 to 8 p.m. in their home at 207 NW Sixth St.

THE MANDRELLS were married in Corsicana in 1922. They have lived in Castro County for 25 years. Mandrell farmed west of town until his retirement.

The couple have three children, Georgia Ruth Goodman of Amarillo, James of Green City, Mo., and Eldon Ray of Baton Rouge, La., and eight grandchildren.

## Miss Womack is shower honoree

Rita Womack, bride-elect of Stanley McDaniel, was honored with a bridal shower on June 10, at the country home of Mrs. Tom Annen.

MRS. ANNEN greeted the guests. Registering guests was Mrs. Donnie McDaniel. The serving table was covered with a pink lace tablecloth and centered with a floral arrangement of pink carnations.

Red velvet cake topped with white icing and pink punch were served by Kimberly Sims, Cynthia Ethington, Debra Ball and Vicki Winders.

Hostesses were Mrs. Tom Annen, Mrs. Dorit Smiley, Mrs. Ray Robertson, Mrs. Leo Ehly, Mrs. Garner Ball, Mrs. C. B. Welch, and Mrs. Herman Rose.

## Borger to host Junior Olympics

This year the West Texas AAU Junior Olympic Track and Field Championships will be held at Bulldog Stadium in Borger on July 8. Preliminaries for the running events will begin at 9:30 a.m. and the finals for the field events will begin at 10 a.m.

THIS MEET is sanctioned by the West Texas AAU Assn. and is sponsored by the Borger Chamber of Commerce. The Quaker Oats Co., one of the nation's leading food processors is the National Sponsor of the Jr. Olympics program.

This phase of the Amateur Athletic Union of the United States is designed to encourage age-level competition between boys and girls up to 18 years of age. The program includes a variety of sports and is conducted each year throughout 50 District Associations of the AAU and involves in excess of 100,000 AAU volunteer workers.

POLAND and the United States have agreed to establish a joint commission that will expand trade through increased contacts on governmental and business levels.

## Easter 4-H club has sewing class

The Happy Helpers 4-H Club of Easter has been offering a short sewing class Tuesday and Thursday afternoons in the Easter community building. The classes are taught by Beverly Cole and Sue Smith.

CLUB MEMBERS attended a style show and modeling techniques class at Friona Wednesday. Twenty-two members and mothers attended the meeting.

# LAND FOR SALE

## Can you judge the value and potential of Colorado land?

A rare investment opportunity for those who appreciate the value and potential of Colorado land.

Land for vacation now, retire to in later years—or simply to hold as a wise investment. Consider. A sprawling 13,000 acres in sunny, southern Colorado. Guarded by the Spanish Peaks and the Sangre de Cristo mountains. Laced by the Cucharas River. Wooded with pinon, cedar, juniper—even an occasional rare bristlecone pine. Land with wild, wide-open views of purple peaks and majestic forests.

Ancient land. The bountiful hunting ground of Utes and Comanches; the proud Spanish Conquis-

tadores who gave it its name. And the solitary prospectors who sought legendary Spanish treasures.

Land of gentle climate. Protected from summer heat by its altitude, over 6,000 feet. Land easily accessible by major highways from four directions. Land with a central water system. Close to the hiking, hunting, fishing and backpacking wilderness of the San Isabel National Forest. Adjacent to Lathrop, Colorado's largest state park with its golf course, campgrounds, lakes for swimming and water-skiing. Five convenient miles to Interstate 25 at Walsenburg. Closer still

to the Navajo Trail U.S. 160—the well-traveled scenic short-cut between the Midwest and the Grand Canyon.

Now this ancient land has entered a new era... when more people are seeking vacations and homes in the Southwest and Colorado. For those who appreciate the value and potential of such land, this is truly a rare investment opportunity offered to you by a Colorado company with a continuous 77-year history of success. And a subsidiary actively involved in environmental research and developing new methods of pollution control.

MRS. EDDIE ALLSUP  
... The former Janice Berggren

**Berggren - Allsup vows are pledged**

Miss Janice Berggren and Eddie Allsup exchanged wedding vows June 3 in a semi-formal ceremony in the First United Methodist Church of Morton.

**THE BRIDE** is the daughter

of Mr. and Mrs. Royal Berggren of Morton. Allsup is the son of Mrs. Betty Allsup of Dimmitt and Dewitt Allsup of Bowie.

Given in marriage by her father, the bride wore an Empire style satin and lace gown. She carried a bouquet of white orchids with feathered carnations and stephanotis.

Maid of honor was Debbie Berggren of Morton. Bridesmaids were Mrs. Janet Turley of Oakley, Kan., and Teri Harris of Morton. The bride's sister, Connie Berggren, and Patti Groves were candlelighters. They wore yellow street-length dresses and carried baskets of orange and red roses. The flower girl carried a basket of fresh daisies.

**ROBERT PARDUE** of Denton was best man. The groom's brother, Rex Allsup of Dimmitt, and James Clayton of Plainview were groomsmen. Todd Willingham was ring bearer. Gene Allsup, the groom's brother, and Dennis Howell were ushers.

Rev. David Murrah officiated at the evening service. Mrs. Earl Polvado was organist, and Mr. and Mrs. Roger Posy were soloists. Annette Willingham was the Bible carrier.

A reception honoring the couple was held in fellowship hall of the church. The bridal table was centered with orange and red roses and candles.

**FOR THEIR wedding** trio to Six Flags Over Texas at Arlington, the bride wore a white knit suit.

The bride is a graduate of Morton High School and was deputy tax assessor-collector. Allsup is a graduate of Post High School and Wayland College. He is an instructor at Morton High School.

**Vacation vital to your spirit**

By IRENE KEATING  
This month is going so fast; but time always does it seems.

**OUR 4-H GIRLS** and leaders (47 in fact) attended the Tri-County 4-H Dress Revue training program in Friona last week. Clubs represented were Working Girls, Happy Helpers, Flagg, Bethel and Nazareth. Debbie Acker did a good job as mistress of ceremonies. Our 4-H girls and leaders are all busy preparing our girls for the County 4-H Dress Revue to be held at Hart High School Gym on Thursday, July 6. Make your plans now to attend. Theme for the revue is "Try it, you'll like it." Many girls learned this was true about sewing.

**ALL OF US** need time away from work but it seems like we can think of all kinds of reasons why we can't "take off." This week I want to give you good reasons to take a vacation. (Prepared by Barbara Gunn, California Extension Human Relations Specialist). Some of you women may want to have your husbands read this also.

1. To live longer and in better health

"He was working too hard" becomes the final tribute to many a man cut off before his time. How much better the man who "knows how to pace himself," who knows when to retreat from work and give tense muscles and irritated nerves a chance to settle down.

2. To take time to enjoy
3. To provide a change of pace

For the person whose job requires mental activity, perhaps something physical; if he ordinarily works with people some solitude is called for; if he works usually in isolation, the stimulation of other people. For the country dweller, some big city living; for the city dweller the delights of the country or the mountains. Those who usually live by the clock and calendar, live without them for a while. Plan rest, of course, but plan some activity, too.

4. To do a better job upon return
5. To give others a chance

The good organizer gives priority to vacation plans, then enlists others to help carry them out.

6. To maintain closeness among family members, particularly husband and wife.

THE greatest art on earth is performed by two marriage partners who keep the spark alive and rear a normal family over the years.

"IF YOU insist on perfection, make the first demand on yourself." — Grit.

Some vacation time with the whole family strengthens family unity, but equally important is the opportunity for husband and wife to have some time alone together. The typical husband and wife can expect to spend 20 years together after the last child leaves home. A "just the two of us" vacation is an ideal time for them to get to know each other again as individuals in anticipation of that 20 year long "second honeymoon."

To prepare for leisure time to come. Nowdays a man who reaches 65 can expect to live an additional 13 years, his wife even longer. For the "work addict," the idea of retirement brings panic and the question, "What will I do with my time?" Yet, for those whose vacations have been rich in experiences, who know how to live a full life outside the world of work, these will be good years, perhaps the best.

By GERALD BROADSTREET  
Greetings Comrades,

Due to our infamous weather here in the Panhandle our attendance at Game Night last Wednesday was down a little. Those who braved the stormy weather reported they had a most enjoyable time. Keep in mind, our Game Night is every Wednesday and we get started at 3:30 and we'd love to have you join us.

I WANT to be sure and tell you that our fish fry and dance will be Saturday, July 1. The \$3.00 admission price entitles you to the supper and the dance. We will start serving the fish supper at 6 and serve till 8 p.m. The dance will start at 9 and end at 1 o'clock. Music makers for this event will be a well-known group which has played for us before—Blackie Foster and the Blackhaws. If you like country and western flavored music then you'll really enjoy this group for they do a real good job.

Comrades, as far as I can tell I will be the only delegate attending the State VFW Convention in Dallas. I will leave here Wednesday night and return Sunday night. I don't know just what time I'll get home Sunday so there's a chance I may not have a column next week, but I will give a full report on the convention activities as soon as possible. I would like to add that at the conclusion of this convention all the new post, district and state officers will assume the duties of their office.

Don't forget that our next regular meeting will be July 10 and at our regular meetings a salad supper will follow.

A sacred music concert will be given at the First Baptist Church in Dimmitt Sunday at the 10:15 youth service and the morning worship service at 11:15.

THE CONCERT will be entitled "Sermon in Song" and presented by the ladies' trio of Jeannine Wimberley, Nelda Thomas and Alice Ivey.

They began presenting sacred concerts in 1966 and since that time have performed in many churches throughout eight states.

An unusual aspect of their concert is the use of film with music. Ms. Thomas, a professional photographer, took the slide pictures used in the concert.

Junior Babe Ruth

Tigers hang onto lead  
with help of Giants

The Tigers regained their grip on the top rung in the Junior Babe Ruth League last week after having to share it briefly with the Rangers.

THE RANGERS won a 6-5 thriller over the league-leaders early in the week to move into a first-place tie, but the Giants mopped their playhouse Friday night with a game-winning rally in the extra inning of a barn-burner. Then the Tigers ambushed the Indians 10-1 in the nightcap to regain sole possession of the first-place rung.

At the close of the week, the tight league race saw the Tigers leading with a 5-2 record, followed by the Rangers with a 4-3 mark. Down the line were the Giants and Pirates, tied with 2-3 listings, and the Indians with a 2-5 record.

The Tiger-Ranger showdown Tuesday was a thriller all the way. The upset-minded Rangers built a 2-1 lead in the first inning but the Tigers tied it in the second.

AFTER AN inning and a half of scoreless ball, the Rangers struck for two runs in the fourth to go ahead again, 4-2. The two teams got to each other for a run apiece in the fifth, then played goose-egg ball in the sixth.

In the top of the seventh the league-leading Tigers made the bid with a two-run rally that tied it up at 5-5. But the Rangers were not to be denied as they rang up the game-winning run in the bottom of the seventh

to take a 6-5 victory and force the first-place Tigers to move over.

Winning pitcher was Gilbert Nino, who spun four strike-outs while walking five. Jim Birdwell absorbed the loss for the Tigers, despite fanning 10 batters while walking five. Lawson posted the game's longest swat, an over-the-fence homer.

IN THURSDAY night's action the Indians put together seven runs late in the game but it wasn't enough as the Pirates won, 9-7, on chips they had deposited in the early innings.

The Pirates scored a run in the first, three in the third and two in the fourth while holding the Pirates to goose-eggs. A slugfest started in the fifth inning as the Pirates chalked up another run and the Tribe followed with three.

The Pirates scored their eighth and ninth runs in the top of the sixth, then the Indians retaliated with a four-run rally to narrow it to 9-7. But both teams settled down to scoreless ball in the final inning and that's where the score stayed.

Despite absorbing the loss, Brad Glenn of the Indians posted nine strike-outs against one error. Winning pitcher was Terry Young, who fanned five while committing two miscues.

IN FRIDAY'S early game, the scrambling Rangers came from behind to tie up the Giants at 4-4 and send the game into an extra inning. Then the Rangers built a four-run lead and had visions of grabbing the first-place spot all alone—until the Giants messed it up for them with a game-winning five-run rally in the bottom of the eighth. A sixth run in the Giants' do-or-die rally went unneeded on the scoreboard.

After 2½ innings of scoreless ball, the Giants opened the scoring with a run in the bottom of the third, then added three runs in the fourth, sending Ranger pitcher T. Hucks to the dugout with two strike-outs and six walks.

With the Giants' Hampton pitching a fine game, the Rangers couldn't crack the ice for five long innings. But finally, in the top of the sixth, they put together a four-run rally that tied the score and gave them new life. Meanwhile, Ranger reliever R. Lawson held the Giants at bay.

THE REGULATION game ended in a 4-4 tie after a goose-egg seventh inning and both crews went into overtime. The Rangers finally got to Hampton again for four big runs to take an 8-4 lead in the top of the playoff frame and things looked rosy for them.

But the Giants, with their backs to the wall, polished up their biggest bats in the bottom of the do-or-die inning and got to Lawson for a string of hits that produced all the runs they needed to salvage the victory. Lawson finished his five innings on the mound with five strikeouts and three walks, while Hucks was charged with the loss. Hampton went the full eight innings for the winners, fanning 12 while walking only four.

In Friday's nightcap, the Tigers regained sole possession of the league lead with a 10-1 victory over the Indians. The Tigers' Victor Saenz gave up a lone run in the top of the first, then shut the Indians out through three more innings while the Tigers built a 4-1 lead. Brad Sanders took over the mound duties for the Tigers in the fourth and pitched shutout ball during the rest of the contest. Saenz fanned six and walked five, while Sanders struck out three and gave up two walks.

R. Lopez went the distance for the Indians, pitching three scoreless innings. The Tigers' biggest rally came in the fifth when they added six insurance runs to close out the scoring.

The victory kept the Tigers in first place with a 5-2 record. It was the fifth loss against two wins for the Indians.

Minor League

Big, big scores  
highlight action

Big scores characterized last week's action in the Dimmitt Minor League, climaxed by a 21-15 slugfest between the Dodgers and Yankees Friday night.

THE BRAVES kept their record spottless, turning back their two closest contenders during the week to boost their season record to 7-0.

The week started with the Astros posting a narrow 15-14 victory over the Yankees in the 6 o'clock game Monday. It was a slugfest all the way, with the Astros scoring a run in the bottom of the fourth to break a 14-14 tie and win the game. The Yankees, winless but improving, gave the league's second-place team a run for the money and served notice that they'll be tough to deal with the rest of the season. The victory left the Astros with a 3-2-1 record.

In Monday's nightcap, the Braves continued to flex their championship muscles as they polished off the Cards, 16-2. The loss dropped the Birds to third place with a 3-3 record.

FRIDAY NIGHT it was the third-place Tigers' turn for a showdown with the unbeaten Braves, but the Tribe's medicine proved to be too potent as the Tigers went down to defeat, 15-4. The loss dropped the Tigers to fourth place with a 3-4 record.

In Friday's nightcap, the Dodgers climbed to a fourth-place tie with a 21-15 victory over the Yankees. Dodgers owned a 3-4 record after the game, while the Yankees dropped to 0-5-1.

The Yanks were the week's hard-luck team, scoring 26 runs in two games without winning either. The Braves scored only two more runs during the week but won both their games.

Team standings as of June 16 saw the Braves still leading the pack with a 7-0 record followed by the Astros with 3-2-1, the Cards with 3-3, the Dodgers and Tigers with 3-4 apiece, and the Yankees with 0-6-1.

Cards give Dodgers 7-8 scare,  
but leaders stay undefeated

The Dodgers eked out an 8-7 victory over the second-place Cards and blasted the Braves 10-3 last week to extend their win streak to nine straight and virtually sew up the Dimmitt Little League championship.

IN LAST week's leadoff game, the Cards carried the fight to the league-leaders Monday night, building a 3-2 lead in the first inning and stretching it to 7-3 in the fourth.

But the Dodgers bore down with five runs in the bottom of the fourth to take the lead for the first time, then held onto it as the two teams played scoreless ball the final two innings.

The victory extended the Dodgers' record to 8-0, while the Cards dropped to 4-4.

THE OTHER early game that night was a cliff-hanger, too, as the Tigers outlasted the Astros, 10-9, at Babe Ruth Park. The Astros built an early lead and held it until the Tigers tied it up at 9-9 in the bottom of the sixth. Then the Tigers pushed across the winning run in the bottom of the seventh and final inning to climax the exciting contest.

A rainstorm halted the late game to give the Yankees a 5-3 victory over the Braves. The Yanks struck for three runs in the first and two in the third while holding the Braves to three runs in the first four frames. Rain halted the game before the Yankees could come to bat again in the bottom of the fourth. The game's outcome left both teams with 3-5 records.

FRIDAY NIGHT'S action saw the Dodgers top the Braves 10-3, the Yankees wallop the Tigers 16-1 and the Cards overpower the Astros 15-1.

The Braves started with a three-run rally in the first inning but had to settle for goose-eggs the rest of the contest as the Dodgers combined top defense with heavy bats at the plate to post the victory. The game hiked the Dodgers' record to a sparkling 9-0 and dropped the Braves to a 3-6 mark. The improving Yankees built

a 12-run lead over the Tigers in the first two innings and coasted to their 16-1 victory, pushing their way into third place in the league with a 4-5 mark. The loss dropped the Tigers to 2-7.

IN THE nightcap, the Cards racked up four runs in their first time at bat, allowed the Astros their lone run in the bottom half of the first, then staged big rallies in the third, fourth and fifth to win going away, 15-1. With the victory, the Cards hiked their record to 5-4 to remain in second place a game ahead of the Yankees. The loss dropped the Astros to a 3-6 mark and a fourth-place tie with the Braves.

Season standings as of June 16:

- 1. Dodgers (9-0)
- 2. Cardinals (5-4)
- 3. Yankees (4-5)
- 4. Astros (3-6)
- 4. Braves (3-6)
- 6. Tigers (2-7)

Discovery of new salmon rivers is a major event in a world seemingly determined to eradicate the species. There are five vast watersheds in the Ungava wilderness (Labrador) that hold Atlantic salmon—the storied George, the Payne, the Korsok, the Leaf and the Whale.—SPORTS AFIELD

Decorated firearms have had universal appeal since hand cannons evolved into pistols, shotguns and rifles. As early as the sixteenth century, deluxe arms reached American shores from Europe. But gun engraving in America traces its major influences to the German and Austrian craftsmen who emigrated in the 1840s-1850s and 1860s.—SPORTS AFIELD

One of the most interesting and promising activities that our Club has sanctioned in a long time began last Friday with 25 participants in bridge.

**MRS. SELETTA Gholson** of Hereford instructed Rosalia Gilbreath, Dorothy Elder, Dorothy Ott, Brenda Andrews, Ruth Wooten, Josie Bradford, Bobbie

Damron, Retta Cluck, Ruth Ringo, Nelda Askey, Carol Lantz, Genell Craig, Jon Nell Forrester, Para Render, Ramona Annen, Ellen Hrabal, Ronda and Maxine Tidwell in the art of No Trump play. She stressed that one of the most important points a person could learn was to listen to your partner's and opponent's bids so you don't have to ask for review.

Tables were set up for Jerine Parks, Virginia Gilbreath, Jeanie Miller, Edna Riley, Katy Burkett, Dee Williams and Reba Touchstone.

Come on out and bring your friends and join our Bridge Club every Friday with Virginia Gilbreath as co-ordinator with our congenial Laverne Bates managing the kitchen.

The third annual father-son golf tournament was held here Sunday with seven-year old Hal Gilbreath pacing his father, John, to first place in the 8-10 year old division. Hal carded a 14 on three-holes, with the elder Gilbreath totaling 45 on nine-holes for a team score of 89.

**IN THE 11-14 Year Bracket** father George and son Jim Gross had a low gross of 105; and Robert and Bobby Jones had a low net of 97.

The 15-18 year olds saw father Truman and son Tobin post a 97 for low gross; with the team of James and Jim Bradford firing a 74 for low net.

The teams of Cliff-John Cook and Bill-Jim Glenn battled it out in the 15-18 year old division with only one stroke separating the two teams for low gross honors with the Glenn pair coming out on top with a 79; low net went to the Cooks with a 71.

The Over-18 Division low gross went to the Sam-John Gilbreath team with a 90; and Mark-James Wohlgenuth twosome taking low net with an 84.

Other Father's Day celebrants were: John Gross; Lonnie Keel Jr. and Sr.; Max Wohlgenuth; Bob-Bo Myers; Jeff Gross; Matt Gilbreath; Todd Touchstone; and Coby Gilbreath.

## Papooses get rough treatment

The Papooses took it on the chin twice last week in Junior Girls Softball, losing a 14-12 squeaker to the Bluebonnets Wednesday and dropping a 14-0 decision to the Rangerettes Friday.

**THOSE WERE** the only two games for which reports were available in junior girls' play.

In Wednesday's game, Sue Rita King, Kathy Goldsmith and Jo Beth Bates teamed at the mound to pitch the Bluebonnets to their first victory of the season. Sheryl Davis handled the mound duties for the Papooses.

The game left the Papooses with a 1-2 record and the Bluebonnets with a 1-3 mark.

In Friday's game, the Rangerettes remained undefeated with a 14-0 victory over the Papooses. Winning pitcher was Norma Sandoval, while Sheryl Davis again did the moundwork for the Papooses. The Rangerettes boosted their record to 4-0 with the victory, while the Papooses dropped to 1-3.

**IN SENIOR GIRLS'** softball, the only report available was the Rangers' 13-12 squeaker over the Tigerettes.

The Tigerettes jumped to a 3-2 lead in the first inning and built it to 12-7 in the fourth as they attempted to post their first victory of the season. But the Rangers broke loose with six runs in the bottom of the fourth to salvage the victory. The game's outcome left the Rangers with a 3-1 mark and dropped the Tigerettes to a reading of 0-3-1.

Sharing pitching duties for the winners were Rachel Salinas and Debbie Murrdock. On the mound for the Tigerettes were Beth Cleveland and Alice Rush.

TEENAGERS like to be natural and they go for cotton, the natural fiber. They like cotton in two of its plainest, most rugged forms—denim and corduroy. Names of these fabrics came from France but today's denim and corduroy fashions are definitely American and definitely "in," translated into colorful mod apparel ranging from bellbottoms to hot pants.
