

DEATH SCENE EAST OF HART THURSDAY
Both truck drivers killed in head-on collision

Two truckers killed in head-on wreck

Daniel Clyde McCartie, 24, of Plainview, and Enrique Beltran Rivas, 56, of Edcouch, were killed last Thursday when their trucks collided head-on two miles east of Hart on State 194.

McCartie was the driver of a Chevrolet model Pepsi-Cola delivery truck, and Rivas was driving an International Trans-tractor-trailer loaded with 60,000 pounds of corn. His rig was leased to Seaport Grain Co. of Edinburg.

Eyewitnesses said Rivas was driving east toward Plainview and McCartie was westbound toward Hart when their trucks collided. They said Rivas had been following a truck loaded with sugarbeets, and that when the beet truck slowed to turn right at the Holly Sugar Co. beet dump, he pulled out from behind the beet truck and into the path of McCartie's oncoming delivery truck.

Highway Patrolmen Dyrle Maples and Bill Scott, who investigated, said skid marks indicated that Rivas swerved to the left behind the beet truck and that McCartie swerved to the right in an attempt to avoid the collision.

BOTH TRUCKS were totally demolished. McCartie was killed instantly. Rivas was still alive when the ambulance arrived, but was pronounced dead on arrival at Central Plains General Hospital in Plainview. McCartie's body was brought to Plains Memorial Hospital in Dimmitt, and later was transferred to Plainview.

The wreckage blocked one lane of the highway for more than two hours. McCartie's truck and Rivas' cab came to rest on the north shoulder, but Rivas' semi-trailer extended onto the highway. The pavement also was covered with corn and soft-drink cans.

McCartie and Rivas were the eighth and ninth traffic fatalities in Castro County this year.

FUNERAL services for McCartie were held Saturday at 11 a.m. in the Seth Ward Baptist Church in Plainview. Burial was in Parklawn Memorial Gardens, directed by Lemons Funeral Home of Plainview.

Born in Littlefield, McCartie was raised in Plainview. He graduated from Plainview High School in 1969 and married Debbie Hawkins on Jan. 16, 1971. He had been employed by the Pepsi-Cola Co. since 1973.

He is survived by his wife, Debbie; a daughter, Tonya; a son, Dustin; two brothers, Ronald and Theron, both of Plainview; his parents, Mr. and Mrs. Spencer McCartie of Plainview; and his grandmothers, Mrs. Pluma McCartie of

Plainview and Mrs. Ella Lindley of Littlefield.

LAST RITES for Rivas were held in Edcouch, with military graveside services. Directing the services was the Champion Cavazos Funeral Home of Edcouch. Rivas, a self-employed trucker, was a veteran of World War II.

He is survived by his wife, Christina; a son, Baldemar of Edcouch; five daughters, Mrs. Elva Flores de LaVilla, Ernestina Carreon and Estella Carreon, both of Edcouch, Mrs. Elia Chavez of Edinburg, and Mrs. Rosa Chavez of Edcouch; two brothers, Eduardo of Arizona and Perfecto of San Antonio; four sisters, Elida Remon of Weslaco, Esperanza Garza and Delicia Garcia, both of Edcouch, and Elvira Perez of Edcouch; and 11 grandchildren.

Librarian named

Carlton R. Moyers, who holds a master's degree in library science from North Texas State University, assumed his duties Monday as the new head librarian of Rhoads Memorial Library.

HE WAS approved for the post by the County Commissioners' Court Friday, following earlier approval by the City Commission and recommendation by the library board. The city and county share in the library's operating costs.

Moyers, 31, is the first graduate librarian ever to serve in the public library here.

His wife, Diane, is a medical records administrator who will move here soon from Fort Worth. Mr. and Mrs. Moyers have a daughter, Alicia Kay, 8. BORN IN Pine Bluff, Ark., Moyers was raised in Arkansas, Illinois, Indiana and Ohio,

Carlton Moyers

lived in California for a year, and was stationed at US Army posts in Washington state and Virginia before coming to Texas.

"After leaving the Army, I came to Texas in 1965 and tried jobs in industry and the Postal Service before deciding I needed a college education," he said. He enrolled in the University of Texas at Arlington and earned a BA degree in history, with a minor in political science. He then entered NTSU's Graduate School of Library Science.

He played football in high school and the Army, and also participated in boxing, wrestling and track. His hobbies include stamp collecting, records, books, music history, foreign languages, ice and roller skating, car and home repair.

THE librarian's favorite author is John Steinbeck, and his favorite quotation is "The world steps aside to let any man pass—if he knows where he is going."

Moyers' first column, "The View From the Library," appears in this issue.

Two businesses will relocate

E. B. Noble and Troy Kirby have bought the building at 116 W. Bedford St. that was formerly occupied by Huckabay Abstract Co. and Gwen's Coffee Shop. They will make it the new home of Kirby Barber Shop and the Castro County Credit Bureau.

NOBLE also will open an H&R Block tax service office in the building.

Kirby Barber Shop is presently located at 114 W. Bedford, and the Credit Bureau office is on the second floor of 103 N. Broadway.

The two men said they would remodel the building into two business fronts and add a second door for the Credit Bureau office.

Hart Lions slate constitution talk

Amarillo attorney Jim Blair will speak at Monday night's meeting of the Hart Lions Club about the proposed new state constitution.

THE MEETING will be at 7:30 p.m. in the Hart school cafeteria, and is open to the public.

Blair is opposed to most of the articles on which Texas voters will cast ballots Nov. 4. The Hart Lions Club has also heard speakers who favor the proposed new constitution.

Blair is a member of the Amarillo law firm of Perdue, Brandon & Blair.

Homecoming whirl underway

It's Homecoming Week at all three of the county's high schools.

THE BUILDUP of activities is already underway, and will climax with the Homecoming football games Friday night. Dimmitt's Bobcats will host the undefeated Littlefield Wildcats, Hart's Longhorns will take on the Kress Kangaroos, and Nazareth's Swifts will host the Motley County Matadors.

All three Homecoming games will start at the new kickoff time of 7:30 p.m.

Here's the schedule of remaining Homecoming events at the schools:

Dimmitt High

The Class of 1955 will be the honor class this year, with members of the class attending the Friday afternoon pep rally as honored guests and holding a class reunion Saturday evening.

Tuesday, DHS students voted for Homecoming Queen and Flame King and Queen, and classes decorated their hallways.

Wednesday was "Purple and White Day," with students and teachers wearing the school colors.

The Red Legs and the Red Sox are involved in that annual contest, referred to as the World Series, which results in determining the world championship baseball team. Called the national pastime since the birth of the nation, baseball has, I guess, taken a back seat to football in spectator interest.

Both sports have their particular appeal to the competitive instinct in most humans. Many of us pay little, if any, interest to the season play in major league baseball until the shank of the season when the contenders are narrowed down to four teams. It is at that time that we are privileged to see, via television, the best two teams in the two major leagues battling it out for the privilege of representing their league in the World Series. By the time the World Series gets underway, most people, if they are interested at all have determined their preference. So far as I am concerned the names Red Legs and Red Sox don't have any particular pulling power, and I am not acquainted with any of the players on either team, so I have to manufacture a reason for wanting one of the other team to win. So I decided to go all out for the Red Sox, after all they are from Boston, the home of the late President John Kennedy, and too, much of the celebration of our national birthday will be at historical spots in that city, and its environs.

Clayton explains new constitution in this edition

House Speaker Bill Clayton of Springlake gives an article-by-article explanation of the proposed new state constitution on Page 9 of this issue.

VOTERS will decide on the proposed new state charter Nov. 4.

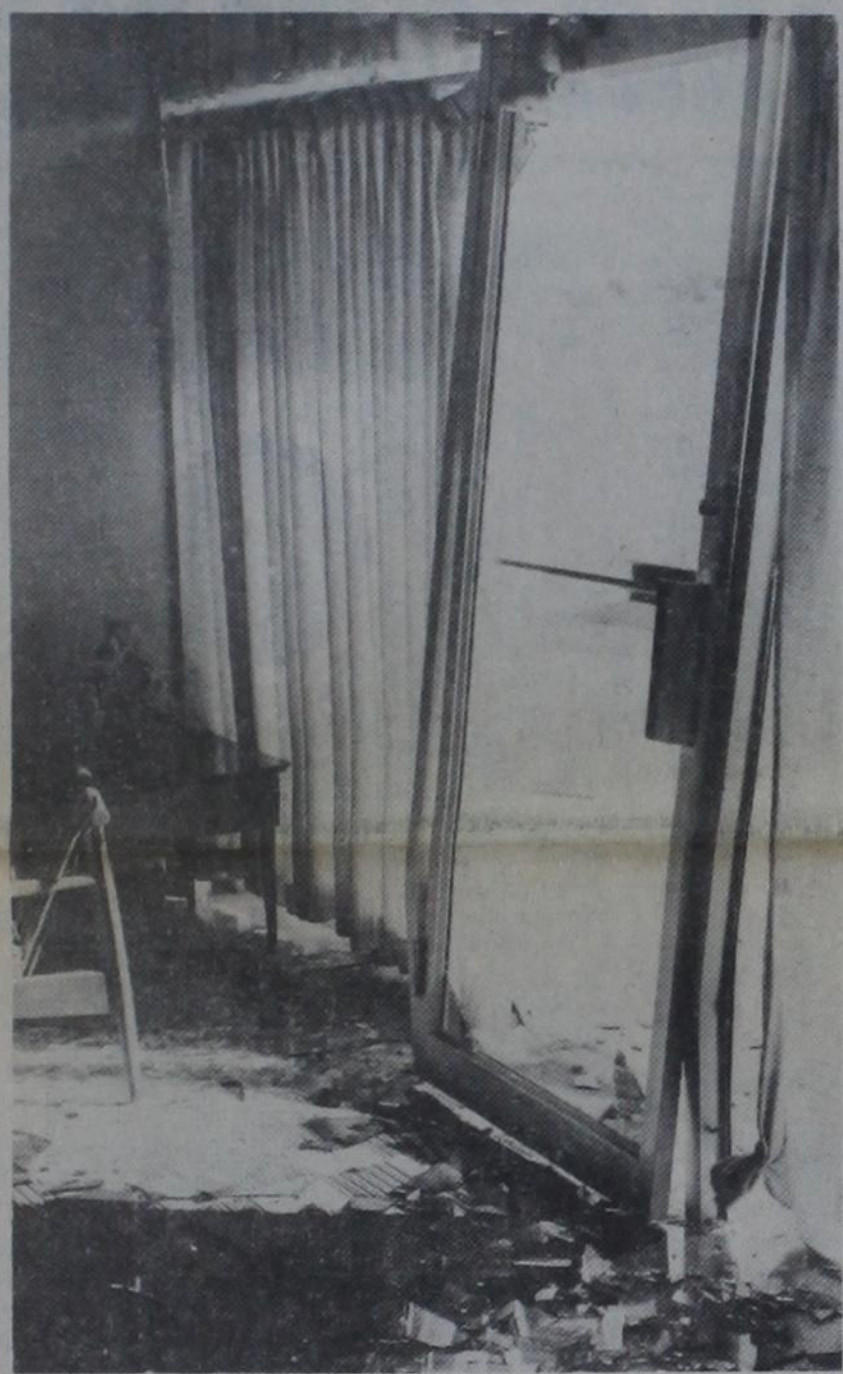

Clayton and Lt. Gov. Bill Hobby are both on record as favoring the adoption of the proposed new constitution. However, Gov. Dolph Briscoe came out against the document Tuesday.

Clayton and Hobby both claim the new constitution would update the state's present "Reconstruction" constitution, and that it would return power to local governments.

GOV. BRISCOE argues that the proposed new document would lead to additional state expenses and taxes, and that its provision for annual legislative sessions is unnecessary and would be costly.

If you're a registered voter, you'll be part of a historic state decision Nov. 4, whether you vote or not.

Angry customer rams phone office

An irate customer whose phone had been mistakenly disconnected rammed his pickup into the front door of the Continental Telephone Co. office Tuesday.

THE INCIDENT occurred shortly after 10 a.m., and has resulted in three charges being

filed against Bob Hill of Hart. Clerks Goldie Stanton and Connie Martinez were in the phone company's front office when the pickup crashed four feet into the glass-front building. However, neither woman was hurt by flying glass.

The women said that before Hill drove his pickup into the building, he walked into the office, apologized for an earlier argument with Mrs. Stanton over the telephone, and gave the ladies three boxes of chocolate candy.

"HE HAD been mad when he called earlier," Mrs. Stanton said. "His phone had been disconnected. I told him that it was a human error and that a service man was on his way to reconnect the phone, and later I hung up on him.

"He came into the office with three boxes of candy, and said he owed us an apology. He said he was sorry he had cussed me out over the phone and said, 'I realize you girls don't have anything to do with setting the phone company's policies.'

"Then he gave us the candy, and as he was leaving he said, 'I really am sorry. You girls had better move back out of the way because I'm going to drive my pickup through the front door.'

"WHAT HE said didn't really register with me," Mrs. Stanton said, "because I was concentrating on his bill and check. Then here came the pickup through the door."

The crash ripped the door loose from its bottom hinge, bent the aluminum glass-wall frames and peppered broken glass inside the office and outside on the sidewalk.

Witnesses said Hill also rammed two public pay-phone booths outside the telephone office before he drove away.

LATER, Hill went to the sheriff's office.

"He stayed here for about an hour to see if they were going to charge him with anything," Sheriff Jack Cartwright said. "He finally left, and I told him I'd let him know if any charges were filed."

Meanwhile, Continental district officials in Dumas ordered the Dimmitt business office closed for the rest of the day.

REEFORD Burrous, the phone company's local manager, was out of town at the time of the incident. After he returned, the company filed a charge of felony criminal mischief against Hill. Also, Mrs. Stanton and Mrs. Martinez filed simple assault charges against him.

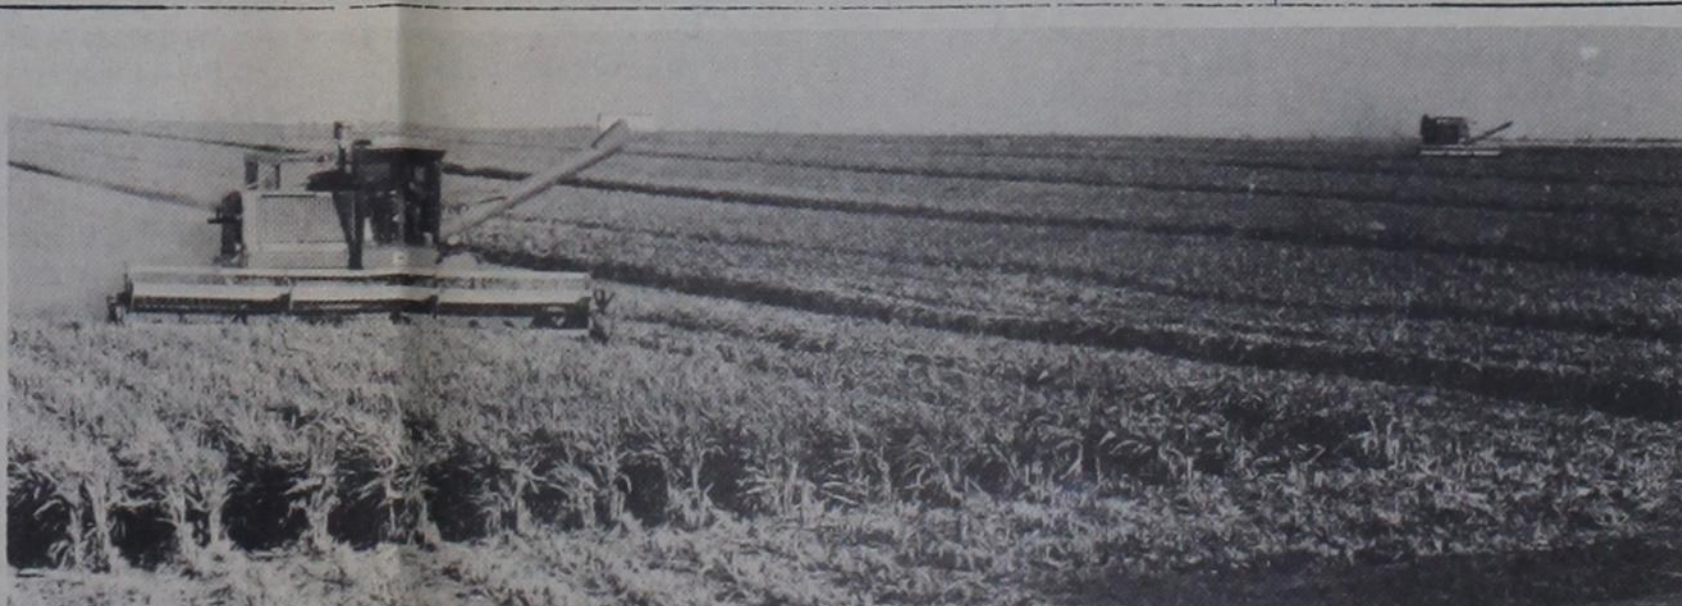

Hill was arraigned Tuesday afternoon before Justice of the Peace Marshall Young, who set bond at \$7,500 on the criminal mischief charge and \$200 on each of the assault counts.

THIS IS BIG COUNTRY, and you realize it when you steer a combine over a milo field the size of this one southeast of Dimmitt. The 1975 harvest has been one of the fastest in many years, with the weather cooperating beautifully. Elevator

managers contacted Wednesday agreed that the corn harvest is 90% completed and the milo harvest is passing the halfway point, with soybeans coming in now, too.

WMU honors Mrs. Kirkpatrick, tries Japanese food

By MYRTLE SHEFFY

Mrs. W. E. Kirkpatrick was the honor guest at a luncheon and program at the First Baptist Fellowship Hall last Tuesday. Mrs. Kirkpatrick has been a member of W.M.U. for many years, starting in 1917 to 1975. She was presented a corsage and a gold charm for her bracelet by the church ladies. Rev. John Street and Daphne Hall of Tulia told of their mission trip to Japan and the dinner was of Japanese food.

Carlton R. Moyers and his wife Diane and daughter Alicia (who will be in the third grade) will be moving to Dimmitt soon from Fort Worth. Carlton will be head librarian at Rhoads Memorial Library. He is here now. He needs a house. If you have one, call the library. The Moyers have lived at Denton and Dallas and the Fort Worth area for a long time. Mr. Moyers says he has enjoyed meeting the friendly people of Dimmitt and the Palo Duro Canyon folks.

Mrs. Gladys Cleavinger and daughter Norma and Ed Dawson went to Tres Ritos to get the house winterized. The clan will be going later when the snow is on the mountains.

Jay Lee and Reba Touchstone are home from the hospital in Lubbock. Both are much improved from their troubles. Jay Lee is walking with crutches due to the broken foot.

MR. AND MRS. Douglas Bethel of Richmond, Va. were here last weekend to visit Allan and Peggy Webb. This is their first trip to Texas. They find it is not the wild shoot 'em up west, but the finest agriculture country in the US. Douglas and Allan were friends in the Air Force in World War II. Allan showed them the corn dryers on his place and went all over the place to see corn, cotton, soybeans, sugarbeets, other good things growing. They took them to Lubbock to see a big town and not a trading post as some one back east called Amarillo.

Mr. and Mrs. K. G. Manning of Saledo were guests of Claude and Cleo Forson last week. Mrs. Manning is Claude's sister.

Mr. and Mrs. Richard Wooten spent several days in Waurika visiting his brother Leonard and family. I have visited relatives in that town. I remember the pretty creeks lined with pecan trees and other shrubbery.

Oh yes, here is another saying from DeVos' book. The jaded society asks "Whatever happened to the American Dream?" DeVos says "The American Dream is well and alive." He should know. He is the dynamic president of Amway. He is living in it. Let's think positive. Tell folks how much you like and appreciate them—the teacher, the preacher, your editor, your family. We believe in flag waving.

ALBERT EARL Ewing and Joyce Ann Thomas were married one day last week in the Church of God in Christ in Earth. The parents of Albert Earl are Beatrice and Pete Ewing. Joyce's mother is Stella Thomas of Earth. A. E. Ewing works at Dimmitt Safety Lane Tire and Machine Shop.

Mr. and Mrs. Richard Connell are the parents of a new baby girl. The grands are Cleo and Jewell Connell and Mr. and Mrs. Odus Hastings. Richard lives on the Boothe farm west of Flagg. They have two sons.

SAM AND Virginia Gilbreath are home from Sioux City, Iowa where they visited son Zay and Charlotte. Also went to see 13-year-old Gary play football. Seems Mark is the entertainer of the boys. They saw the colorful state park and toured the city.

Martha Pearl Sadler broke the other hip Sunday. The family took her to the Plainview Hospital for treatment. Mrs. Sadler has been recuperating from a hip break received last year.

MRS. ED Manning and her son Sam and wife Virginia of Canyon and her sister Mario Figliulo of Chicago left here Friday for Austin to visit another son and brother Roger and family. They plan to go through the Hill Country road to see if the oak leaves have turned red and gold.

Our sympathy goes to Charlie Armstrong on the loss of his father last week. Mr. Armstrong lived north of the Lubbock city limits. He had been quite ill.

Jack Seale of Amarillo came down last Wednesday to visit his aunt Leona Rothwell at South Hills Manor.

This has been a busy going weekend. Sunday many people went to the Methodist Church for Lissa Huckabay's wedding to Michael Perkins of Lubbock. That was at 2 p.m., then on to the Baptist Fellowship Hall to wish the Kirbys a happy 60th wedding anniversary. Many people there, and all the handsome Kirby family in a line. I think Billy Armstrong Kirby will tell you about it on the other page.

AND LAST Tuesday a group of young matrons had a luncheon and some games of bridge at the Country Club. Vicki Clary was hostess to Carlee Warren, Johnny Wilson, Jean DuLaney, Jackie Byrnes, Faun Welker and Ann Touchstone.

And Selita Gohson of Hereford, a bridge teacher, came down for lunch and to give the girls a few pointers on the game.

Mrs. Raymond West's sister from Eldorado, Okla. was a weekend guest of the Wests. Also among the many friends going to greet the Kirbys.

Mrs. George Bradford, Mrs. Retta Cluck, Mrs. Opal Bear-den and Mrs. Sid Sheffy went to Tulia Saturday to see the flower show presented by the Tulia Garden Club. The name of the show was "Memoirs", with arrangements made to bring back memories of Williamsburg, jig time and western. The ladies served punch and cookies to the callers.

SGT. DUKE Chapman of the Marines is now stationed at the Dallas Naval Air Station after two years in Hawaii. He has served as a member of the Color Guard at East Texas State's home games, has seen the Cowboys beat the Cardinals in overtime, and last week was honor guard to the Commandant of the Marine Corps at a dinner and ceremonies at the State Fair.

LEORA CALHOUN celebrated her 71st birthday Oct. 8. Several friends came in bringing gifts and good wishes. We too wish Leora many more birthdays.

SOCIAL CHANGE is so rapid that of the 100 children seen playing on a playground, 50 will eventually work at jobs that do not even exist today. Dorothy Taylor, family life education specialist with the Texas Agricultural Extension Service, notes.

Cecil and Blanche Ginn had a visiting trip to Mineral Wells last week to visit her sister and husband Mr. and Mrs. Theo Perry. While there they saw Maurine Cook, a former Flagg resident. Maurine teaches school and also has an adult night class. Maurine is an aunt-in-law of Gwen Buckley and Katy Wright.

Mrs. Minnie Ola McClure had company Sunday, her daughter Mrs. Joe Deavenport of Hereford and sisters Mrs. Arthur Frazier of Sudan and Mrs. Dona Daughy of Tyler. Mrs. McClure lives at South Hills Manor. I hear several people from here are going to Tyler to see the rose festival. I will tell you about it next week. Gladys Cleavinger was hostess to her bridge playing group Thursday afternoon. She served chicken salad and beautiful cream puffs and coffee to

Jeanie Miller, Myrtle Sheffy, Ceal Carlile, Maggie Boren, Josie Bradford, Cletha George, Ruth Wooten, and Opal Bear-den, who won high score.

MR. AND MRS. Raymond Wilson were hosts to the dinner club Thursday evening. Guests were Swain Burkett, Mr. and Mrs. Ray Riley, Mr. and Mrs. R. Carpenter, Mr. and Mrs. Goodwin Miller, Edna Riley, and Goodwin Miller won high score.

The Friday bridge group met at the Country Club for games and lunch with Cletha George as hostess. Jo Beth Shackelford won high score. Others playing were Josie Bradford, Rosalie Gilbreath, Bobbie Dameron, Kathy Hewett, Dorothy Elder and Bernice Hill.

Dorothy Gilbreath was hostess to a group of friends with bridge and refreshments

Thursday afternoon at the farm north of Sunnyside. Guests were Mona Merritt, Shirley Wise, Ina Cleavinger, Jo Eddie Riley, Ruth Jackson, Dorothy Mayfield, Carolyn Jones and Betty Patterson. Courtenay Armstrong came by for coffee.

Last week Beth and Bart McLendon were here from Dallas visiting her parents Kate and Edgar Beecher. Edwin Ramey took them out to his farm east of town where Donald Wright farms. They rode the combines that were harvesting corn. They also saw the

harvesting of sugar beets and sunflowers. Beth is counselor at a junior high school in Dallas and Bart is owner and manager of radio station KNUS.

Kent and Carol Hance, Ron and Susan of Lubbock visited here Sunday with their mothers, Nancy Hays and Beral Hance. They went to Hereford to see Nancy's new house which will be finished soon.

LITTLE FRIEND

Any mother can tell about a child's love for her doll, and the world of PRETEND that they live in. They confide in the doll, reprimand them, and care for them.

The church is a real and true friend. The church may be counted on in times of need, in times of trouble, and in times of sorrow. The church also wants to share in your times of joy.

"A friend loveth at all times."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Huckabay-Perkins vows read Sunday

Miss Allissa Jane Huckabay became the bride of Michael Lynn Perkins of Lubbock in a Sunday afternoon wedding in the First United Methodist Church of Dimmitt.

THE BRIDE is the daughter of Mr. and Mrs. Bob Huckabay of Dimmitt. The groom's parents are W. H. Perkins of Duncan, Okla., and Mrs. Mae Perkins of Lubbock.

Rev. Marvin Roark, pastor of

the First United Methodist Church, officiated at the double-ring ceremony, before altar decorations of candelabra and greenery.

Matron of honor was Mrs. Sharon Mensik of Lubbock. Bridesmaids were Linda Elder and Deborah Hansen of Dimmitt and the bride's sister, Mrs. Kathy Blakeman of Lubbock.

SCOTT SNEAD served as best man. Groomsmen were Richard Phillips, Larry Blakeman and the bride's brother, Ron Huckabay.

Candlelighters were Matthew Blakeman and Michael Mensik. Ronda Tidwell, organist, performed traditional wedding music and accompanied Rick Mensik, soloist, who sang "The First Time."

GIVEN IN marriage by her father, the bride wore a dress of Spanish ivory lace with matching shoulder-length penna.

Her attendants wore dresses of antique rose and burgundy suede, with lace prayer caps, and each carried a long-stem rose.

A reception in the church's Lamar Fellowship Hall followed the ceremony. Decorations included an epergne of pink and burgundy roses and burgundy candles. The bride's cake was served from a table covered with a Swiss linen cloth embroidered in pink and burgundy.

MEMBERS of the reception houseparty were Mrs. Durward Patterson, Mrs. M. A. Tidwell, Mrs. Carolyn Jones, Mrs. Geneva Schaeffer, Mrs. Avis Smith, Mrs. Joan Thrasher, Mrs. Kathy Blakeman, Mrs. Patti Cartwright and Judy Perkins.

For a wedding trip to Santa Fe, the bride wore a russet-brown pantsuit.

After Friday, the newlyweds will be at home at 1314-A 65th Drive, Lubbock.

THE BRIDE, a graduate of Dimmitt High School, attended Texas Tech University and is presently studying hairstyling in Lubbock.

The groom, a graduate of the University of Texas School of Pharmacy, is a licensed pharmacist in Lubbock.

Kim Fewell

Fewell-Phillips plans are told

Mr. and Mrs. James Fewell Sr. of Dimmitt announce the engagement and approaching marriage of their daughter, Kim, to Mark Phillips of Tyler, son of Robert Phillips.

MISS FEWELL is a 1975 graduate of Dimmitt High School and is employed by the Austin Construction Co. Phillips is a 1973 graduate of John Tyler High School in Tyler and is also employed by the Austin Construction Co.

Vows will be exchanged at 7:30 p.m. Nov. 22 in the Presbyterian Church of Dimmitt. Friends of the couple are invited.

Speech-hearing test day planned

A speech and hearing testing day will be held Saturday in Friona for all children in the area 3 to 6 years of age.

SPONSORED by the Friona Young Homemakers Club, the free clinic will be held from 9:30 a.m. to noon and from 1 to 3:30 p.m. at the Sixth Street Church of Christ in Friona.

The testing will be done by therapists of the Panhandle Speech and Hearing Association.

"HAPPY BIRTHDAY, MOM" was the wish conveyed to Mrs. Edna Lippard by her seven children and 29 other family members on her 90th birthday. The celebration was held in the home of her daughter and son-in-law, Glenn and Mildred Weyandt, Oct. 4 in Pampa.

Mrs. Lippard honored with birthday dinner

A birthday dinner honoring Mrs. J. H. (Edna) Lippard on her 90th birthday was held Oct. 4 in the home of Mr. and Mrs. Glenn Weyandt of Pampa.

ON HAND for the dinner were all of her children and their families. Mrs. Lippard is the mother of D. D. Lippard of Marlin, Neva Hedgecoke and Calvin Lippard of Dimmitt, Mildred Weyandt of Pampa, E. L. Lippard of Craig, Colo., Hazel Taylor of Spearman and Johnny Lippard of Del City, Okla. She also has 29 grandchildren, 21 great-grandchildren and two great-great-grandchildren.

In all, 36 family members attended the birthday dinner, while others sent flowers or called during the occasion.

Mrs. Lippard has been a Dimmitt resident since 1951, when she moved here from Littlefield, five years after the death of her husband, J. H. She is a member of the First United Methodist Church of Dimmitt, and holds lifetime membership in the United Methodist Women and the Plains Memorial Hospital Auxiliary.

SHE NOW lives in Kings Manor, Methodist-endowed retirement home in Hereford. She is still active in her church work here, and does all kinds of handwork.

Mrs. Hill reviews 'Believe' at October Book Club meeting

"Believe," a book by Richard Devos with Charles Paul Conn, was reviewed by Sara Hill last Wednesday afternoon at the regular meeting of the Dimmitt Book Club in the assembly room of Rhoads Memorial Library.

MRS. HILL and her husband, Dr. W. J. Hill, met Devos in Maryland while on vacation. She said they found him to be "a fine American who believes in our country."

Mrs. Hill related these ideas which are expressed in the book:

"I believe in life with a big yes and a small no.

"I BELIEVE that life is good, that people are good, and that God is good.

"I believe in affirming every day that I live proudly and enthusiastically.

"America under God is a positive experience.

"I BELIEVE in unlimited potential. One of the most powerful forces in the world is the will of the man who believes in himself and dares to aim high and go for what he

'Pink Ladies' seek memorials

If you'd like to establish a permanent memorial to honor a friend or relative, contact Willie Mae Sadler, president of the Plains Memorial Hospital Auxiliary.

THE AUXILIARY maintains a permanent Memorial Fund to provide necessary equipment for the hospital, and will designate the memorial contribution in any way the donor wishes.

At their regular meeting last Wednesday, Auxiliary members heard a talk on first aid by A'llan Bradley, director of nurses.

Self defense to be taught

The Dimmitt Young Homemakers will sponsor a program tonight (Thursday) on "The Art of Self Defense," presented by Tony Guest of the Dept. of Public Safety in Amarillo.

The program will begin at 7:30 in the Dimmitt High School Home-Ec Dept. All persons interested are invited to attend.

Suzanne Schulte

Wedding plans revealed

Mr. and Mrs. Leonard Schulte of Nazareth announce the engagement and approaching marriage of their daughter, Suzanne, to Neil Francis Dobmeier, son of Mrs. Brigetta Dobmeier and the late Leo Dobmeier of Nazareth.

THE COUPLE will exchange vows Nov. 29 in the Holy Family Church of Nazareth.

Miss Schulte is a 1974 graduate of Nazareth High School and is employed by Continental Telephone Co.

Dobmeier, who graduated from Nazareth High School in 1972, is self-employed in the trucking business.

Fire Dept. sets family supper

The Dimmitt Volunteer Fire Dept. will hold its monthly family supper Saturday night at 7:30.

EACH family attending is to bring a covered dish. Officers of the Fire Dept. Auxiliary will prepare the meat and drinks.

WHEN YOU

are buying or selling real estate, do you think of details? Such as location of a house, soundness of construction and age? If a farm, the productivity of the land, freedom from noxious weeds, actual resale value?

The above are only a few of the many details our years of experience can help you determine if you are making a good buy or sale.

May we help you?

Scout district sets 'camporee'

Scouts from Dimmitt Troops 266 and 267 will attend the Haynes District Camporee to be held Oct. 24-26 at Camp Haynes, near Silverton.

THE SCOUTS will backpack into the canyon from a mesa above the Scout camp, and will set up campsites by patrols to prepare for the camporee.

During the three-day event, Scouts from throughout the Haynes District will practice their camping skills, hike, compete in games and contests, and work toward earning merit awards and advancements.

NAZARETH TOUCHDOWN!—Despite being hit by three Amherst tacklers, Nazareth's Kenny Brockman (10) uses an extra surge to score the Swifts' second touchdown against the Bulldogs Friday night. Brockman's TD gave the Swifts a 12-0

lead. However, the Bulldogs scored two touchdowns late in the game to capture a 13-12 conference victory. (Photo by Shelly Cross)

TEXAS TALK

By Jim Hays

Some of the facts were hard to find. During the uproar about the grain sale to Russia the farmer came off as the fall guy. To keep things in proper perspective let's look at facts that were hard to find in the headlines. It takes one bushel of wheat to make seventy (70) loaves of ordinary white bread. Give or take a couple depending on wheat quality and milling methods. If wheat prices increased one dollar per bushel, then it takes less than a degree in calculus to figure out the increase is less than one and a half cents per loaf. The news media has a hang up on bread being a dollar a loaf. If bread were going to be a dollar a loaf... and if that increase were to be caused by farm prices... then wheat would have to go up FORTY DOLLARS A BUSHEL. If it happens you'll have less to read since the efforts used producing this column will be diverted to plowing up the back yard... the front yard... the neighbor's yard...

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation. For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots.

Sales-tax return deadline Oct. 31

Comptroller Bob Bullock has reminded the 230,000 retail businesses in Texas that Oct. 31 is the deadline for filing

their quarterly sales tax returns.

"IT'S ONLY a few days away and any return filed after that time means nothing but problems for us and for the taxpayer," Bullock said, noting that tardy reports can carry financial penalties.

Reports due Oct. 31 cover the July-August-September quarter. Forms for the reports were sent to all sales tax permit holders by Bullock's office in September.

"Late reports are usually nothing more than oversights but that doesn't keep them from being a problem anyhow," said Bullock.

Any retail merchant with questions should contact the nearest field office of the Comptroller's Department, Bullock said.

A. G. Edwards & Sons, Inc.

One of the great blessings that comes from living in West Texas is the clear, clean air we enjoy. That blessing would be hard to damage, since we enjoy wide open spaces and a low

population density in the Panhandle.

BUT, IN eight US metropolitan areas air pollution is so awful that now the Environmental Protection Agency will soon begin requiring service stations in those eight metroplexes to recover not less than 90% of the gas fumes and vapors escaping from the gasoline hose when a motorist fills his tank with gasoline. Those gasoline vapors are a major contributor to air pollution and they become even more significant as the hydrocarbon emissions of cars drop.

The EPA has proposed rules requiring every service station in those eight areas pumping more than 30,000 gallons per month to install expensive vacuum systems to recover escaping vapors. The vacuum system uses pumps to suck the vapors back into storage tanks and has been effective up to 90% of the time. The major oil companies are pushing for a "balance" system which operates on the pressure of the gasoline flowing from the hose into the automobile gas tank. This pressure forces the fumes back into the storage tanks through a completely separate line attached to or incorporated as part of the gasoline pump hose.

The "balance" system recovers 83% of the fumes at best and does not meet the EPA requirements of 90% effectiveness. So, service stations will have to go for the more expensive vacuum system no later than May 31, 1977. Stations pumping 10,000 to 30,000 gallons per month will have to recover only 80% of the fumes, so they may be able to use the "balance" system. Smaller outlets will be exempt from the regulations.

THE COST will be substantial, about \$283 million for the eight metropolitan areas—Baltimore, Boston, Denver, Los Angeles, New York, Washington, D.C. and California's Sacramento and San Joaquin Valleys.

Bicentennial Farm Feature

Dairy Industry Had Beginnings In Herd of Bull and 3 Heifers

By the time of the Revolution, the dairy industry was a viable part of the agricultural economy in America.

On the day the new nation was born, July 4, 1776, a Dauphin County, Pa. farmer, Christian Noecker, completed the long overland trek from near Harrisburg to Philadelphia. His Conestoga wagon was loaded with farm produce, including large quantities of butter.

After delivering his produce to markets, Noecker joined the throngs in the streets and heard the ringing of the Liberty Bell. Loud cheering and firing of guns continued long after nightfall as bonfires were lit and torchlight processions proclaimed the official step toward independence.

As independence was being declared, dairy farming was already more than a century and a half old. It started with the arrival of the ship "Charity" at the Plymouth Colony on a cold, blustery day in March of 1624. Part of the cargo were a bull and three

heifers — the first such animals to arrive in the Colonies some four years after the first Pilgrims landed.

These first animals were imported from Devon, England, by Edward Winslow, who later became governor of the Plymouth Colony. The existing governor, William Bradford, described the animals as "the first beginning of any cattle of that kind in the land."

The cattle numbers grew steadily as each arriving ship had some aboard. These first animals were valued chiefly for their hides and the breeding of oxen to help till the soil. Inside of a few years, the Massachusetts Colony had its first oversupply of cattle.

An early history states: "By 1632, there was in New England not only a domestic, but an export demand from the West Indies, which led to breeding for sale. But the market was soon overstocked. The price of cattle went down from 20 to 5 pounds and milk was a penny a quart."

Soon, an entire town would gather all of the animals and young men were hired as "cowkeepers" to watch them in pasture on common grazing lands. Then, cropland was fenced in to keep the cattle out.

The cows were trained to obey the sound of a horn, following the young men to the grazing land in the morning and returning at night for milking. A young man would receive 10 pounds for tending 100 cattle an entire summer, but had to forfeit threepence each time he failed to bring in all of the cows at night.

As time went on, dairymen became more concerned about the economics of their operations. By the mid-1800's, a top dairy farmer in New York grossed \$62 in butter, cheese and milk a year from each of his 41 cows. This was about three times the earnings of the average dairy farmer at that time.

From these early beginnings grew today's modern dairy industry.

TOUCHDOWN!—Dimmitt's Thompson Mayberry sprints down the sideline on an 83-yard run for Dimmitt's second touchdown against Lockney Friday night. Mayberry's electrifying run—which originated from a halfback draw play out of a passing formation—came with just seven seconds remaining in the first half, and within a minute after Dimmitt had scored its first TD on a pass from Ronnie Lawson to Gaines Howell. It was Dimmitt's longest touchdown run this year. However, the Longhorns won the game, 36-14.

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

Home loan information:

The original GI loan program for World War II veterans was enacted in June 1944, and was limited to persons who served 90 days or more between Sept. 16, 1940 and July 25, 1947 and discharged in other than dishonorable conditions.

ESSENTIALLY, Congress provided the same GI loan benefits for Korean Conflict veterans with 90 days' honorable active duty between June 27, 1950, and Jan. 31, 1955.

A 1966 law provided entitlement for eligible persons who served honorably on active duty for 181 days, any part of which occurred on or after Feb. 1, 1955.

The Veterans Administration has increased its home loan mortgage interest rate ceiling from 8 1/2 percent to 9 percent, effective Sept. 2. Mobile home rates are still 12 percent per year.

THE INCREASE was made in accordance with a joint Veterans Administration and Department of Housing and Urban Development policy of keeping the maximum rate in line with actual mortgage market conditions and to keep discount points to a minimum.

The increase was necessary to permit the VA to maintain its mortgage interest rate ceiling at a level consistent with the demands of the loan market. If the interest rate is allowed to fall behind the market, the availability of money for VA loans become seriously impaired.

The increase to 9 percent will narrow the gap in relation to the loan market. In addition to improving the yield of such loans, the increase in the interest rate also will reduce the discounts for VA loans.

SIZEABLE discounts arise when the VA interest rate ceiling does not reflect market conditions. Increased mortgage costs, therefore, can take the form either through a higher VA ceiling or larger discounts.

The discounts, which are in effect a lump-sum interest payment made on the loan, can be

even a more burdensome form of added cost than an equivalent increase in the VA interest rate ceiling to 9 percent.

Since VA regulations prohibit payment of discounts by veterans, the discounts must be paid by the seller of the house. When discounts are high, many sellers refuse to sell to veterans and thereby prevent many veteran buyers from acquiring homes to meet their needs.

The present increase is expected to improve the availability of funds for VA loans as well as improve the housing outlook.

The VA Loan Guaranty program assisted almost 300,000 veterans to become homeowners in the last year. In the 31-year history of the GI loan program, there have been 8.8 million loans guaranteed, amounting to an aggregate initial principal amount of \$113 billion. About 54 percent already have been paid in full.

It should be noted that all time limitations to use home loan benefits have been removed even for those who formerly used this benefit, provided their loan or loans have been settled.

Also, one may use the new limitation of the 60% guaranty by the VA or \$17,000, whichever is smaller.

Persons on active duty for training purposes only are not eligible. Exceptions to the 180 days of active duty (other than for training) include those who are released or discharged because of service-connected disability incurred in the line of duty. Servicemen on active duty for 180 days while still in the service also are now eligible for home loans.

In December of 1970, wives of servicemen serving for more than 90 days who became MIA's, or captured in the line of duty by hostile forces or detained by a foreign government became eligible for home loans.

In every case, to establish eligibility applicants must furnish the veteran's service record, now called DD-214, and make application for determination of eligibility.

Speaker's report

Clayton explains new constitution

By BILL CLAYTON
Speaker of the House

The proposed new state constitution has cost more than \$4.5 million and has been two and one-half years in arriving. Now there is but one last hurdle.

You, the voters of Texas, will have the final say Nov. 4 as to whether the time and money spent to streamline the present 100-year-old document was worthwhile or in vain. I believe the new document will give our state the tools it needs to carry on government efficiently. But I urge you to study the changes carefully and then decide for yourself.

When you vote remember that the efficient administration of Texas government hinges directly on the quality of the state's constitution. Whether you are concerned about taxes, education or the administration of our government, there are changes in the proposed charter which will interest you.

I have outlined here changes which you will want to note.

Voting and Elections Article—A citizen of the United States who is at least 18 years old and meets residency requirements can vote unless that person has been convicted of a felony and is incarcerated or on probation for that felony.

The legislature may provide by law for additional limitations on voting by those convicted of a felony. Property ownership can be a qualification for voting in property tax or tax bond elections.

Education Article—Major change in the article would guarantee each student equal educational opportunities. The legislature began to address this problem with a \$653.3 million school finance bill. Fifty million dollars of that appropriation went into equalization aid to poor school districts. The proposed constitution continues the general policy of equalization but would allow for local enrichment.

State ad valorem tax of ten cents of the \$100 valuation is retained for the benefit of state colleges and universities outside the University of Texas and Texas A&M systems. Both UT and A&M continue to draw from the permanent and available university funds along with all the colleges in their respective systems.

Finance Article—State property taxes are prohibited after 1977, except for the ten cent higher education tax and the two-cent tax for state building.

Uniform standards and procedures for appraising property and ad valorem taxes are required, and each county must have a single appraisal of property within its boundaries.

Separate formulas are established for appraising farm, ranch and timber lands.

Other provisions allow property tax exemptions for persons 65 or older, and for veterans organizations, non-profit water corporations, and persons in need because of disability or economic circumstance if the legislature elects.

There are also revisions requiring a two-thirds vote for the legislature and a majority vote of the voters to approve a state debt. It closes the loopholes in the present pay-as-you-go provision.

Local Government Article—The revisions are far-reaching and allows county voters to create additional offices, combine duties and functions of offices or eliminate offices. Voters may also grant ordinance-making powers to the governing body of the county. The citizens can shape the type of county government they desire.

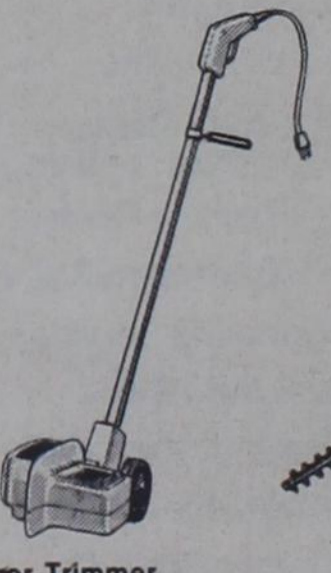

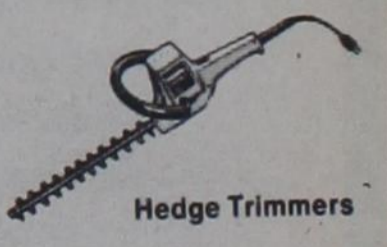

General Provisions Article—Among items detailed are provisions for requiring the quality of the environment to be protected. It establishes a goal of access to comprehensive health care for all Texans.

Mode of Amending the Constitution—Present provisions remain intact except for additions which require that the question whether to call a constitutional convention be put to a vote every 30 years.

I THINK that after reviewing the changes you will find the proposed charter is not as controversial as many might have thought. The pockets of opposition appear to be centered around special interest groups. This document will be a constitution for every Texan—from Texarkana to El Paso and from Orange to Dumas.

TO OFTEN travel, instead of broadening the mind, merely lengthens the conversation.

Cats fall to potent Longhorns

END-ZONE CATCH—Dimmitt split end Gaines Howell makes a falling catch in the end zone for the Bobcats' first touchdown against Lockney Friday night. The pass came from quarterback Ronnie Lawson late in the second quarter. Howell also caught a pass

from halfback Thompson Mayberry for a two-point conversion, bringing the Bobcats within eight points of the Longhorns at 16-8. However, the Longhorns were not to be denied as they finished with a 36-14 victory.

By JIMMIE CHAPMAN

The Lockney Longhorns handed the Bobcats their fourth and worst defeat of the season, 36-14, Friday night at Lockney.

IT WAS the last non-conference game for both teams.

The Longhorns were out for revenge for last year, when they lost 40-15 to the Bobcats in a game that wasn't that lopsided. The Longhorns had that score taped to their dressing room door and they wasted little time in showing the Cats that they meant business.

Lockney ran up a 16-0 lead in the first two quarters before the Bobcats struck for two TD's late in the second quarter within 47 seconds of each other to close the gap to 16-14 at halftime.

UP TO THE time that Thompson Mayberry broke through the middle on a halfback draw and went 87 yards for the Cats' first TD, Dimmitt had managed to get only one first down, and that was on a 15-yard penalty against the 'Horns.

Mayberry was the Cats' leading gainer of the night with 108 yards on 11 carries while Tony Washington gained 62 yards on eight tries into the line.

Lockney's 156-pound halfback, Mark Sherman, led the Longhorn attack with 181 yards on 28 carries. Roland Bennett got 94 yards on nine trips and the rest of the Longhorn attack brought the total ground offense up to 372 yards.

MOST OF the yardage that the Bobcats gained was erased in the yards-lost department when Lockney threw Dimmitt's two quarterbacks for 63 yards in losses on pass attempts. Every time Ronnie Lawson or Brad DuLaney went back to pass, they were looking down the throats of rushing Lockney linemen.

Dimmitt got off 21 passes and completed eight of them.

Lockney got on the scoreboard first with 7:09 left in the first period when quarterback Bernie Ford went over from the 1-yard line on a fourth-down play. No officials raised their hands and the Cats thought they had stopped the Longhorns short, but the field judge—after a quick conference with the other officials—ruled a TD. It climaxed a 75-yard march by the Horns. Mark Sherman booted the extra point and Lockney led, 7-0.

LOCKNEY held the cats after the ensuing kickoff and David Espinosa got off a good punt that went into the end zone and the Horns got the ball out at the 20.

The Longhorns again drove the length of the field and scored when Sherman blasted

over from the 1-yard line. This time his kick was wide and Lockney led 13-0 with 1:26 left in the period. In the entire first quarter, Dimmitt ran only six plays and punted twice.

Dimmitt held the Longhorns at bay until, with 4:32 left in the second quarter and with the ball in the shadows of the Dimmitt goal line, Sherman kicked a 25-yard field goal that put the 'Horns ahead 16-0.

TONY WASHINGTON set up Dimmitt's first score. The big junior fullback punched 28 yards to the Lockney 20-yard line. Four plays later, Lawson hit Gaines Howell in the end zone with a pass that was good for eight yards and Dimmitt's first TD. Mayberry took the handoff on a fake kick and hit Howell in the corner for two extra points, and the score stood 16-8 with only 47 seconds left in the first half.

After the kickoff, Lockney got good field position at the 40 and tried to put the Cats away with passes. But three passes went incomplete and the Bobcats got the ball on their own 17-yard line following a 43-yard punt by Ford with only seven seconds left in the first half.

Lockney went into a pass defense to counter Dimmitt's spread formation, but Lawson called a halfback draw to Mayberry and the sophomore speedster burst through the middle of the line and made a beautiful 83-yard run for the touchdown, eluding tacklers all the way and getting a good block at the 40 by Washington. The clock had run out of time as Mayberry tried to pass to Washington for two extra points. But the tired halfback missed his target and Lockney still led, 16-14, at halftime.

DIMMITT got the second half kickoff but could not go, and Espinosa punted 71 yards to the Lockney 10-yard line. It took Lockney only five plays to score, thanks to a beautiful 57-yard run to the Dimmitt 6-yard line by Roland Bennett. Lockney drew a penalty back to the 11, but Ford hit Todd Dipprey with a TD pass for the score on the next play. Sherman booted the extra, which the referee first ruled good, but again after a meeting, the officials changed their minds. Lockney led 22-14 with only 4:02 gone in the third period.

With 11 seconds left in the third quarter, Allen Sterling intercepted a Brad DuLaney pass deep in Bobcat territory and raced 25 yards into the end zone for another score. This time Sherman's kick was good and the score was 29-14 when the final quarter began.

Lockney got the ball after a fourth-down Dimmitt pass failed to gain the necessary yardage. It took seven plays for Lockney to score, with the TD coming on a 39-yard pass from Ford to Dipprey with 5:16 left in the game. Sherman booted the extra point and Lockney had its final victory margin of 36-14.

LOCKNEY started getting roughing penalties right and left, but the Cats could not mount a drive for a score. Lockney finished the game with 10 penalties for a total of 122 yards.

Dimmitt's defense, which had been outstanding the previous week against undefeated Tulia, couldn't put it together against the Longhorns. David Malone, Keith Goldsmith and Mayberry did make some good stops, but the Longhorns were thrown for losses only three times.

NO, YOU DON'T!—Nazareth's Darrell Huseman dives in front of an Amherst receiver to break up a pass during Friday night's District 2-B game at Amherst. The Swifts held a 12-0

lead until the final five minutes, when the host Bulldogs struck for two TD's and an extra point to win the game, 13-12. (Photo by Shelly Cross)

Amherst roars back in fourth to overturn Nazareth, 13-12

By MARTY CATOE

The Nazareth Swifts suffered a heartbreaking 13-12 defeat Friday night at the hands of the Amherst Bulldogs.

THE SWIFTS led 12-0 until the final five minutes, when the Bulldogs broke loose with two touchdowns and a crucial extra point off the toe of Curtis Ivey.

Amherst threatened only once the first period when senior halfback Donald Johnson broke loose and ran 65 yards to the Swift 10. Darrell Huseman made the stop and the Bulldogs could not capitalize on the long gain. After losing six yards on three carries, the Bulldogs tried a field goal that fell short.

With less than a minute left in the opening period, Mark Hoelting blocked a Bulldog punt and the Swifts took possession on the Bulldog 4. Derwin Huseman carried the ball to the 3, and brother Darrell carried it in for the score on the next play. The kick for the extra point was blocked and the Swifts led, 6-0.

THE SECOND Swift score came midway in the second quarter when linebacker Joel Gerber blocked another Bulldog punt at the Bulldog 15. Three plays later, quarterback Kenny Brockman scampered five yards for the score. The two-point conversion attempt failed.

The remainder of the first half was dominated by the defenses and both teams retired to the locker room with Nazareth leading, 12-0.

Although the Swifts recovered two Amherst fumbles and intercepted a Bulldog pass,

they couldn't take advantage and score. The third period passed with neither team getting on the scoreboard.

MIDWAY in the final period, the Bulldogs began to pick at the Swift defense with quick passes over the middle. Then Bulldog quarterback Richard Holley connected with halfback Terry Sterling on a completion good for 69 yards. Sterling was brought down on the Swift 5 by Kenny Brockman. Three plays later Holley scampered in from the 2. Curtis Ivey kicked the extra point and the Bulldogs needed only a touchdown to go ahead.

Derwin Huseman received the kickoff at the 18-yard line and returned it to the 25, but a clipping penalty against the Swifts moved the ball back to the 10. Unable to move the ball the Swifts quick-kicked and Amherst took over on the Swift 30.

Three plays later, Bulldog halfback Donald Johnson broke

through the middle and dashed 20 yards for the winning score. The kick for the extra point was blocked and Amherst led 13-12 with 2:54 remaining.

THE SWIFTS took possession on their own 18. Four plays later Kenny Brockman connected with end Royce Huseman at midfield, and he raced to the Bulldog 10. But the Swifts failed to move the ball in three plays and brought in their field goal unit. The attempted field goal was blocked with 35 seconds remaining in the game.

The 13-12 loss left the Swifts with a 3-3 season record.

Darrell Huseman and Royce Huseman set the pace for the offense. Darrell had 45 yards rushing, while end Royce had 94 yards on pass receptions. Derwin Huseman sparked the defense with 14 tackles.

The Motley County Matadors will come to Nazareth for the Swifts' Homecoming bout Friday.

Frosh survive scare, whip LaPlata, 24-12

Dimmitt's freshmen kept their unbeaten record intact last Thursday night, but not before Hereford La Plata had given them an awful scare.

THE DIMMITT lads, who hadn't even been scored upon all year, found themselves 12 points behind in the second quarter before they turned the game around and won going away, 24-12.

After a scoreless first quarter, La Plata struck for two touchdowns in the second to take a 12-0 command and put Dimmitt's freshmen in a unique quandary.

It was Richard Espinosa who finally provided the spark for Dimmitt. He intercepted a La Plata fumble in mid-air and raced 70 yards for a touchdown with just a minute left in the second quarter. Joe Arce ran the two-point conversion to bring Dimmitt within striking distance at 8-12 as the half ended.

After the halftime break, Dimmitt owned the field. On the third play of the third quarter, Eloy Gonzales ran 53 yards for a touchdown to put Dimmitt ahead for the first time. Gonzales also ran the two-point conversion to hike Dimmitt's lead to 16-12.

Dimmitt mounted a scoring drive in the fourth that ended successfully when Joe Arce went in from the 1-yard line. Arce also ran for two extra points to make the final score 24-12.

THE VICTORY extended the Dimmitt freshmen's string to five wins and no losses.

Eloy Gonzales paced Dimmitt's offense with his running.

Richard Espinosa took defensive honors with his fumble return and a pass interception. Dennis Veals and Joe Arce also were outstanding on defense.

Seventh graders lose close one

Dimmitt's seventh graders lost a close one, 6-12, at Olton last Thursday.

DIMMITT penetrated inside the Olton 20-yard line early in the game and seemed touchdown-bound, but lost the ball on downs.

After a scoreless first quarter, Olton went ahead 6-0 with a touchdown drive in the second. But Dimmitt tied the score at 6-6 in the third by driving to the Olton 40, then breaking Adrian Stanton loose on a long TD run.

Olton scored the winning touchdown in the fourth period to hand Dimmitt's seventh graders their fourth loss of the season.

Danny Underwood sparked both the offense and defense for Dimmitt. Coach Larry Birdwell also praised the play of Terry Mixson on offense and Doyle Williams, Monty Roberts and Tirso Carrillo on defense.

HATS WITH brims are gaining popularity as the weather cools. They provide balance for the longer, fuller skirts being worn now, says Margret Ann Vanderpoorten, clothing specialist with the Texas Agricultural Extension Service.

Eighth grade downs Olton

Dimmitt's eighth grade defense scored one touchdown and set up another as the team defeated Olton 12-0 last Thursday at Olton.

JOE BARRIOS blocked an Olton punt at the 20-yard line and Ralph Salinas picked it up and raced into the end zone for Dimmitt's first touchdown in the third period.

In the final minute of the game, fullback Norris Cole broke loose on a 65-yard run but lost the ball when he was tackled from behind, and Olton recovered on the 5-yard line. However, on the next play, defensive halfback Donald Ewing intercepted an Olton pass at the 25-yard line and returned it to the 5 to give Dimmitt a second chance. Ewing got the call and ran the touchdown on first down, with 30 seconds left in the game.

After the kickoff, Ewing intercepted another Olton pass and the game ended with Dimmitt owning the ball on the Olton 30-yard line.

DIMMITT almost scored in the final minute of the second quarter when David Allison and Donald Ewing broke loose on long runs to advance the ball to Olton's 3-yard line. But the halftime buzzer sounded before Dimmitt could get the ball into the end zone.

"Our whole defensive team played a good game," Coach Jerry Durham said. "The boys didn't allow any long runs at all, and they played with a lot of responsibility."

Pacing Dimmitt's offense were Cole and Ewing. The eighth grade's record now stands at 3-2.

The Electric Heat Pump - The "Most" in Year 'Round Comfort Conditioning

If you're thinking about the comforts of electric heating and air conditioning, consider the advantages of the electric heat pump.

- ONE UNIT comfort-conditions your home all year long with no seasonal equipment changeovers.
- AUTOMATICALLY, it reverses itself between seasons for heating and cooling, for comfortable living.
- INSTALLATION is a simple job since only one unit is involved.
- SAFE. Unlike flame operations, there are no fumes, pilot lights or storage tanks.
- ECONOMY. It uses less electricity than separate electric furnace and air conditioning systems.

Electricity is too important to waste. Contact Deaf Smith Electric for money saving, electric efficiency hints.

NEW INTERNATIONAL 1566 TURBO IN ACTION
... You can see it now at Hays Implement Co.

The International 1566 Turbo-- you can build a farm around it

The new International 1566 Turbo, now available at Hays Implement Co., can give you all the power and operating convenience you'll need for the important years ahead. It's the kind of tractor you can literally build an entire farming operation around.

WITH ITS big 160 PTO hp engine, the 1566 Turbo is the most powerful International Farmall® tractor ever built. It can be equipped with every option you could possibly need to efficiently handle your biggest, toughest jobs.

The IH-built engine is a six-cylinder turbocharged diesel with 436 cu. in. displacement. In the transmission, you can get 12 speeds forward and six reverse with Torque Amplifier, or six speeds forward and three reverse with standard dual-range.

Whatever you call it—pulling power, torque rise characteristics, lugging ability—the 1566 Turbo has it. And that's the true test of a tractor engine's capability. Under load, this tractor is virtually unmatched in its ability to "lug through." And even under load, the IH

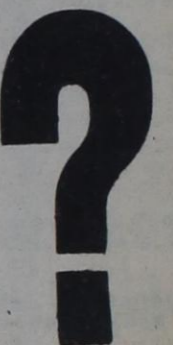

diesel engine is nearly smokeless—which indicates better fuel economy, more usable power, longer life.

NOT ONLY does the big IH 1566 Turbo deliver tremendous workpower—it holds you in comfort and safety while doing it. Inside the cab is a quiet, safe, controlled environment so comfortable that you'll forget the weather outside. It's the most deluxe interior you'll find on any cab. Controls are especially handy. A pressurizer constantly supplies fresh, filtered air to the interior. Standard items include heater, air conditioner, inside rear view mirror, turn indicators, windshield wiper, courtesy light, cigar lighter, wide mounting steps, handholds on both sides, two big doors, a glare-free instrument panel with luminous gauges.

YOU CAN own this big workhorse easier than you think. Hays Implement Co. now has 9% financing available. Let Hays Implement show you all the ingenious engineering features of this tractor, and the ways you can put the IH 1566 to work for you—immediately.

Introducing . . . Western Ammonia Employee John Furr

John is a "B" operator in Western Ammonia's Dimmitt plant. He's training to be a board operator at the new plant addition.

Raised near Big Spring, John moved to Dimmitt with his parents, Mr. and Mrs. Gene Furr, when he was a junior in high school. He graduated from DHS in 1973, and was a starter on the Bobcat basketball team his senior year.

John's hobbies include bow-hunting and fishing. Also, he still enjoys going to the gym for a shirts-and-skis game of basketball, "although I don't get the chance for it much anymore."

LEGAL SECRETARIES HONORED—County Judge Weldon Bradley signs a proclamation officially designating the week of Oct. 12-18 as Legal Secretaries Week in the county. At left is Barbara Wheat, who was chosen "Legal Secretary of the Year" by the Deaf Smith-Castro Counties Legal Secretaries As-

sociation. With Mrs. Wheat is Clara Vick, vice-president of the two-county legal secretaries' chapter. In his proclamation, Judge Bradley commended legal secretaries for their efforts in promoting excellence in their profession.

Barbara Wheat is chosen 'Legal Secretary of Year'

In observance of National Legal Secretaries Week, the Deaf Smith-Castro Counties Legal Secretaries Association has selected Barbara Wheat of Dimmitt as "Secretary of the Year, 1975."

The announcement was made at last week's meeting by Mary Pagett, Chairman of the LSY Committee, after a vote by secret ballot.

Mrs. Wheat will be the chapter's entry in the Texas Association of Legal Secretaries' contest next March. She was chosen for her efforts on behalf of the local chapter as a charter member and its current President, as well as her interest in the state and national associations. She received the 1975 appointment as Resolutions Chairman for the state association.

She earned her Professional Legal Secretary (PLS) certificate in October 1974. This is the highest certification offered to members of the National Association of Legal Secretaries.

THE "LEGAL Secretary of the Year" is selected on the basis of legal skills and secretarial ability, contribution to national, state and local associations, and civic and community activities, and is the highest honor bestowed upon TALS members.

Mrs. Wheat has been secretary for Jimmy L. Ross of Burkett, Ross and Edwards in Dimmitt for the past six years. She is an active member of the Order of Eastern Star, secretary of the board for the First Christian Church of Dimmitt, and a member of the church's Women's Council. She was

raised in Dimmitt, graduated from Dimmitt High School, and attended Draughan's Business College in Lubbock. She has two children, Steven, 14, and Toni, 12.

Goals of the Legal Secretaries Association are basically to educate and assist members in becoming more efficient and professional in all areas of law-related work, to create a high

Christmas Seal drive underway

Jim Petra of Dimmitt this week announced the opening of the 1975 Christmas Seal Campaign, with mailing of seals Monday throughout the Panhandle area.

HE SAID the campaign, which supports health programs in prevention and control of asthma, emphysema, TB and other lung diseases, is badly needed.

"Emphysema is the fastest-rising cause of death in the United States today," he said, "and our work to achieve better treatment, medication, surgical technique and prevention for the control of these diseases has a bearing on the lung patient in all communities everywhere."

Petra said last week's area symposium for parents of asthmatic children and health professionals engaged in the care of lung patients of this area is an example of Christmas Seal work and its bearing upon the patient. He urged county residents to answer the Christmas Seal appeal as generously as possible.

NEA doesn't call strikes, TSTA members told Monday

The Castro County chapter of the Texas State Teachers Association met Monday night at 7:30 in Dimmitt's Richardson Elementary cafeteria for the first meeting of the 1975-76 year.

A MEAL was furnished by the Dimmitt TSTA members. Officers were re-introduced for the new year. They are Sister Mary Hawkins, president; Darla Underwood, vice-president; June Parker, president-elect; Duane Cox, secretary; and Maxine Bridges, treasurer.

Edna Stephenson of the NEA discussed NEA and unification. She said NEA was "the voice of the teacher in America." TSTA has unified this year with NEA. Mrs. Stephenson said unification has put Texas on the national level, and that NEA does not call for strikes, regardless of information to the contrary.

MRS. Stephenson said she felt there was no concern about strikes in Texas because, first it was against the law "and Texas teachers are not known for being outlaws." Second, she explained that for a strike to be held in Castro County the actual grass-root unit of TSTA in Hart, Nazareth, and Dimmitt would have to vote for it. This, she said, shows the importance of membership in the local association.

A question and answer period followed Mrs. Stephenson's speech.

Committee reports were given. Sister Mary Hawkins presented the goal for this year: involvement among the membership. Plans were offered for the coming year. Bill Stephenson gave a legislative report on the highlights of the work done in 1974-1975 and that planned for 1975-1976.

Scouts and Cubs will participate in Scout-o-Rama

Local Boy Scouts and Cub Scouts will attend the Haynes District Scout-o-Rama Nov. 8 in the Ag Exhibition Building at the Plainview Fairgrounds.

DURING the Scout-o-Rama, which will be staged from 2 to 8 p.m., Scouts and Cubs will demonstrate scouting in action. Scouts of Dimmitt Troop 266 will have a booth on Indian lore, and will show how to make various costumes worn by the different tribes of southwestern Indians.

Troop 267 Scouts will have a booth showing first-aid techniques.

Boys desiring to become Boy Scouts may contact Troop 267 Scoutmaster Pete Garza at the First State Bank or Troop 266 Scoutmaster Bill Stephenson at Dimmitt High School.

Boys interested in becoming Cub Scouts should contact Cubmaster Bill Behrends at Behrends Insurance Agency.

Action Council was explained and discussed.

Delegates were announced for the District TSTA convention, which will be held in Amarillo Nov. 6 and 7. Delegates will be Jess Hudnall and Lonnie Howell of Hart, Sister Benedict and Jim Reggram of Nazareth, June Parker, Gainell Minnick, Robert Ryan and Lyndon Hollin of Dimmitt.

The WATS line phone number 1-800-292-9673 is available for information concerning education. It is a TSTA-sponsored service.

of the city in Connecticut, Dimmitt has only one traffic light while Hartford undoubtedly has hundreds of traffic lights, which makes it much easier to run a red light in that city than in Dimmitt. That's what happened in Hartford Tuesday night, the President's small economy car ran a red light enroute to the airport, just at the time some teenagers were using a cross street, and the benefit of a green light, to get where they were going. The usual result, a collision. Since the President is an avowed law-'n-order man, I believe he should be picked up for running a red light and leaving the scene of an accident, and as added punishment for his traffic violation he should be thrown in the pokey for advocating and working for higher gasoline prices.

Next week I will tell you how to rid your place of dandelions.

Rush is named to 'Gownsmen' at University

Patt Rush, son of Mr. and Mrs. George Rush of Dimmitt, was inducted into the historic Order of Gownsmen at the opening convocation this fall of the University of the South at Sewanee, Tenn.

THE ORDER of Gownsmen was established in 1873 as external evidence of Sewanee's ties with Oxford and the culture and traditions of England.

Gownsmen are upperclassmen who meet the order's standards for grades and character, and are distinguished by wearing the academic gown to classes, as do their professors.

Until the formation of an elective Delegate Assembly in 1969, the Order of Gownsmen performed all student government functions, and still conducts elections, reviews the actions of the Delegate Assembly, and maintains the Honor Council, Discipline Committee, Pan-Hellenic Council and Student Vestry.

Booster Club sells jackets

The Dimmitt Athletic Booster Club is selling purple jackets with "Dimmitt Bobcats" lettered on them. Stanley Byrnes is taking orders for the new Bobcat jackets.

AT TUESDAY night's Booster Club meeting, President Bob DuLaney urged sports fans to buy and wear the Bobcat jackets "so everybody will know Dimmitt is there, backing our team."

Signs denoting Dimmitt as the home of the 1975 Class AA state basketball champions are now being painted, and will be erected soon below the Booster Club signs at all entrances to the city.

John Brooks won the free tickets to West Texas State's Homecoming game against Drake University Saturday.

Halloween booth reservations due

Clubs, classes and organizations wishing to operate booths in the annual Dimmitt Lions Club Halloween Carnival should reserve booth space as soon as possible.

RESERVATIONS for booths and concessions are being taken by Robert Ryan at the school administration building and by Dimmitt High School Principal D. W. Harkins.

There is no charge for booth space. The carnival will be held Thursday night, Oct. 30, from 6 to 10.

Tops Club wins award

Twelve members of the Dimmitt Tops Club attended the Area Recognition Day at Sunday Saturday. The Dimmitt club brought back the "Walking Stick" award.

ALVINA COMER was crowned "Queen of the Week" at Monday night's meeting for a weight loss of 3 1/2 pounds. Nineteen members and one new member were present, and registered a total weight loss of 10 1/2 pounds for the week.

Weather good for harvest but bad for wheat farmers

By MRS. AGNES BROCKMAN

The weather is still very nice here for harvesting, but sure is

very dry for the wheat that has been planted and not up yet. And some folks have theirs to plant yet and have been waiting for rain.

MR. AND MRS. Paul Venhaus visited the Greg Venhaus family in Friona Wednesday evening of last week.

Sister Josella Birkenfeld returned to Kansas City Sunday after spending a week here helping take care of her mother, who has been quite sick. A group of CYO members and a couple of sponsors went to the Jubilee skating rink in Amarillo Sunday for a skating party.

The Brian Birkenfelds of Lubbock visited Rose Birkenfeld over the weekend.

SUE BURT of Dallas, Carol Drerup and a roommate from Denton came home to spend the weekend.

The Cyril Brockmans and Daryl Lacys attended the football game in Lubbock Saturday night.

Rodney Huseman is home on leave from the service. He is stationed in Illinois.

Mr. and Mrs. Douglas Wilhelm of Houston, Gorden Wilhelm and Kim King of Bryan were here over the weekend visiting and taking in the A&M and Tech game Saturday night.

Halloween party slated Oct. 25

By TEENY BOWDEN

A good group attended the community meeting Monday night. R. J. Lefevere, vice president, presided over the business meeting. The Halloween party was planned for Saturday night, Oct. 25 at 7. All kids in the community are invited to be present. Mrs. Richard Heizer is the chairman of plans and preparations. If it can be arranged a Halloween movie will be shown. The Thanksgiving supper scheduled for November was discussed and plans made to have it early in the month and call it a Harvest Festival with donations being taken rather than charge for the meal. Time was set tentatively as the 15th at 6 p.m. Mrs. Hershel Wilson will have the overall responsibility for arrangements. Refreshments were served following the business session.

REV. AND MRS. Raymond Jones, Mr. and Mrs. Cliff Brown and Mr. and Mrs. Hershel Wilson took a group of youth to Plainview Saturday night to see the film, "The Hiding Place." Those going were Lee and Lynn Brown, Deneen Wilson, Cindy and Susan Sadler, Chris Elkins, LaGlenda Wilson, Tammy Ross, Dixie Byford, Gale Jones, and Bill and Tresa Whitehurst of Earth. Mr. and Mrs. Doyle Bothwell and Mr. and Mrs. Randy Holly of Plainview joined them and had supper at the Village Pizza Inn with them after the show.

The film "Time to Run" was shown at the church Sunday night during the regular worship service. Approximately 65 attended the showing. Mrs. Pearl Sadler fell in her home Sunday morning breaking her good hip. She underwent major surgery in Central Plains General Hospital in Plainview Sunday afternoon. She was in satisfactory condition at the last report.

Noble Armstrong was dismissed from Plains Memorial Hospital in Dimmitt Monday and was readmitted Tuesday morning.

MRS. NOAH Spencer was dismissed from Central Plains General Hospital in Plainview Monday. Mrs. Carmon Pigg and children, Kirk, Vanessa and Jeffrey of Dimmitt, Mrs. Ralph Hill of Hereford and Mrs. V. E. Bearden and Mrs. Jewel Kennedy of Hart visited with her during the week.

J. C. Holbrooks was confined to his bed the early part of the week bordering on pneumonia.

The new home of Mr. and Mrs. Ben Holcomb and boys was moved to a new location on Highway 385 Wednesday. Mr. and Mrs. Noble Armstrong have bought a new home on Pine Street in Dimmitt.

Mr. and Mrs. Winston Waggoner and family are in a remodeling project on their home.

MRS. GALE Sadler took her father E. E. Lewis to the plane

in Lubbock Thursday for his return trip to his home in Mount Vernon, Mo. She also visited with Mr. and Mrs. M. H. Fowlkes in Lubbock.

Mrs. Embree Roy Sadler and Mrs. L. B. Bowden attended the Plains Memorial Hospital Auxiliary meeting in Dimmitt Wednesday morning. Mrs. Sadler also presided at the board meeting preceding the regular meeting.

Baptist Women met at the church Tuesday morning for the general meeting with Mrs. Roy Phelan in charge.

Mrs. Alton Loudder visited in Plainview Monday with Mancell McWilliams.

MRS. FLOYD Ivey visited in Olton Tuesday with Mokey Ivey and the grandchildren.

Cheryl Powell of Dimmitt spent the weekend with her grandparents Mr. and Mrs. Ezell Sadler and attended the church services and had dinner with Mr. and Mrs. David Sadler, Melody and Karla.

Mrs. A. L. Aven of Hart had dinner Sunday with Mrs. Lillian Carson and Mr. and Mrs. Lee

Bradley and family. She also spent Sunday night and Monday with Mrs. Carson. Resa called from Denver to let them know she had a small part in the University's Little Theatre production scheduled for Nov. 15.

Gene Carson has recently moved to Nampa, Idaho where he is a cattle buyer for Armour Packing Company.

Mrs. Ila Hayden spent several days last week in Plainview with Mrs. Melba Harris of Tulsa who underwent surgery in a Plainview hospital last

week. Mrs. Lillian Carson went with her last Sunday night.

THE GIRLS in Action and Mission Friends met after school Thursday for their regular weekly meeting. Mrs. Hershel Wilson and Mrs. Jimmy Waggoner with G.A.'s and Mrs. Thomas Parson and Susan Sadler with Mission Friends.

Mr. and Mrs. Earl Phelan of Fieldton had dinner Sunday and spent the day with Mr. and Mrs. Roy Phelan and spent the afternoon with them.

UNDER THE program, first-class mail receives service that is equal to or better than airmail. The major new service step will extend to all first-class mail

weighing 13 ounces or less. "In practical terms, what this service improvement means is that domestic first-class postage now will purchase the level of service that previously only airmail could buy," said Postmaster Sava. "Under the new program, there no longer will be an advantage in purchasing airmail

postage for domestic delivery," he said. Priority mail (now starting at weight in excess of 13 ounces, which includes air parcel service and international airmail) are unaffected by the improvement program and continue in their present form, the postmaster said. "AIRMAIL stamps will be

sold for use on priority and international airmail. They can also be used in various combinations with other stamps for first-class mail," he said. Customers can exchange airmail stamps, and stamped envelopes and cards at full postage value for ordinary stamps, stamped envelopes and cards. Stationery bearing airmail indicia will be allowed to be mailed at the first-class rate.

who knows what lurks behind these shadowy walls?...

The ghostly occupants of this haunted house know very well. In fact, they refuse to move because they enjoy their comfort so much. What's causing the comfort they've become so accustomed to? It's the electric heat pump. The heat pump provides cozy warmth in

the winter and just-right cooling in the summer with just one unit. One temperature setting keeps the un-earthly residents in heavenly comfort throughout the year... and it'll do the same for you and your family.

ENERGY EFFICIENCY ALLOWANCE

We at Southwestern are interested in your getting the most for your energy dollar. That's why we're offering an Energy Efficiency insulation allowance to our customers in existing homes who install electric comfort heating. Ask us about it.

HESSTON ROW HARVESTERS

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining... enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions

Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.

Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

Local Scouts elected to district OA posts

Dimmitt Scouts Jimmy Cleavinger, David Nelson, Steve Maples and Chris Fry, along with Scoutmaster Bill Stephenson, attended the Haynes District "Order of the Arrow" election at Plainview's First Presbyterian Church Sunday afternoon.

NELSON WAS elected clan treasurer for the coming year, and Cleavinger was chosen as a member of the district election team. The election team, made up of four Scouts, will travel around the Haynes District and help local Scout troops hold their Order of the Arrow elections.

The Order of the Arrow is a fraternity of Scouts who have been elected as Honor Scouts by the members of their troops. Members of the order are chosen on the basis of camping skills, citizenship, trustworthiness, attitude, and their work

in their troop and community. To be eligible for Order of the Arrow membership, a Scout must attain the rank of First Class and must meet a goal of camping for the year, including a long-term summer camp. Adult members of the order serve as advisors, and all service work of the order is done by the Scouts themselves.

STEVE MAPLES and Chris Fry were "tapped out" for membership in the Order of the Arrow during the summer and completed the ordeal (necessary for induction) recently at Camp Post.

Active members of the Order of the Arrow in Dimmitt Troop 266 are Billy Stephenson, Jimmy Cleavinger, Boyd Moyers, David Nelson, Steve Maples and Chris Fry. The local Scout OA advisor is Scoutmaster Stephenson, who also is a member of the order.

Paths cross for Kansans, Texans

By MRS. OWEN ANDREWS

Mrs. Ben Dean of Wichita, Kan. spent several days here visiting her mother Mrs. B. H. Baldwin and others of the Baldwin family. While here she and Mrs. Baldwin did some painting and other redecorating in Mrs. Baldwin's home. She went home Saturday, flying from Amarillo.

MR. AND MRS. Harlan Barber, Virgil Barber and Steve Robbins of Lubbock visited the Jimmy Barbers at Hutcheson, Kan. last weekend. They also visited other points of interest including an Amish community, the town of Yoder near Hutcheson. They also attended church in the First Baptist Church of Hutcheson with the Jimmy Barbers.

Mr. John Simpson was taken to Deaf Smith General Hospital after suffering a broken collar bone in a fall Tuesday. The Simpsons, with members of their family, had been celebrating Mrs. Simpson's 83rd birthday when the mishap occurred. Mr. Simpson is now 91 years of age.

THE FRIO Baptist Church has designated Oct. 26 as Buckner Home Day for gathering in food, clothing and cash to be sent to the Lubbock Home for Children. There seems to be a greater need than usual, so

the special time has been set aside.

The Lon Conners celebrated Mrs. Conners' birthday Saturday, with her parents the Wayne Applings from Floydada coming here for the occasion.

Mr. and Mrs. Herman Vinson and Shelley of Childress were visiting her parents the Floyd Coles and other relatives during the weekend.

Mr. and Mrs. Gary Roberson and baby daughter Leslie of Los Angeles visited his parents the Deward Robersons in Hereford during the weekend and also visited their aunt and uncle Mr. and Mrs. T. L. Sparkman Sr. and other relatives here. The baby is five weeks old. They were on their way to Florida for a visit also and will return here for a longer stay on the return trip.

MR. AND MRS. Kerry Struve and girls of Dalhart spent the weekend with his parents Mr. and Mrs. Bill Struve.

Miss Brenda Richardson of Canyon spent the weekend with her brother Jerry and Mrs. Richardson and baby.

Miss Richardson, the Herman Vinsons and the Kerry Struves were all among visitors at Frio Baptist Church Sunday.

Mr. and Mrs. Norman Harder visited her parents the Arnolds at Arkadelphia, Ark. during the weekend.

View from the Library

By CARLTON MOYERS Librarian

There's a stranger in town who's been meeting people and making friends right and left, up and down. Yep, it's me, your new librarian.

ON MY first day in Dimmitt, I felt I had come to a family reunion, except I had never been here before. I felt like a newcomer for all of about five minutes. Hey, hey, hey! (as Bill Cosby once said), I've driven through Palo Duro Canyon twice and I don't know which I've enjoyed most, the canyon or you good people. I think we're in for some good times together.

Right now, I'm orienting myself to the library, and as they say in football land, we'll be stressing the fundamentals.

I want all the old timers to put on their thinking caps because we're going to begin an

oral history collection (on tape cassettes) of Dimmitt and Castro County. Now, that doesn't excuse you not-so-old timers, either. You may have a few or many tidbits that no one else has. Like the common cold, all are susceptible. In short, I hope we can all work together to give Dimmitt and Castro County one of the most dynamic library programs to be found anywhere. More on that later.

NOW FOR the fun part. Are you ready? Here goes. We're gonna have ourselves a little old contest just to say howdy and welcome. Not only that, we're gonna use real live mean green for bait. (That's politician talk for money.)

In other words, folks, we're going to hold a contest and the prize will be a few dollars. Of course, the plot is to make you more aware of the library and encourage you to come visit with us. Details will be given on the Saturday radio program. If you don't usually tune us in, give it a try. You'll be surprised. If you already listen, just hang in there.

In closing, a thought--If you build a better mouse trap, the world will beat a path to your door. Course, advertising helps.

Thanks so much for listening. Be good, everybody. This is Carlton at the book store. Bye, ten-four, over and out. Next stop, coffee.
