

Sick leave 'bank' okayed for teachers

The Dimmitt School Board Monday night approved a sick-leave "bank" plan that will enable teachers to "borrow" an extra 10 to 20 days for long-term personal or family illness.

THE PLAN was proposed to the board by Loranel Hamilton, DHS math teacher and president of the Dimmitt Classroom Teachers Association. Mrs. Hamilton said that adoption of the "bank" plan establishes the local district as a leader in sick-leave benefits for teachers.

Under the old sick-leave policy, teachers were allowed five cumulative sick-leave days, funded by the state, and five personal leave days per year. For any additional days taken, a teacher was docked 1/190th of his or her annual salary to pay for a substitute. The 1/190th dock could run over \$50 per day for many teachers with longer tenures.

But under the new "bank" plan, the school board will provide six days' sick leave and only four days' personal leave. The extra day above state-funded sick leave will be "deposited" by each teacher into

the sick-leave bank. THEN, any teacher needing more time off than he or she has accumulated could borrow from this "time bank" for personal sickness, illness in the immediate family or death in

Class hours to change locally

Class days for Dimmitt students will begin and end a half-hour earlier when they return from the Easter holidays April 22.

THE SCHOOL board voted Monday night to move the schedule back to its original hours, in light of longer spring days.

Dimmitt High School's hours will be 8:35 to 3:35, but the split lunch hour will be retained.

the family. The amount of time a teacher can borrow will depend on number of years in the local school system.

The extra sick-leave time a teacher borrow from the bank will be paid back at the rate of one day a year via the annual one-day deposit. Any teacher who leaves the system owing extra time to the bank will be charged for it.

During the bank's first year, no teacher can borrow more than 10 days. But eventually, teachers with six or more years in the system will be able to borrow up to 20 extra days of sick leave, in addition to their accumulated time.

THE SCHOOL board adopted the plan in principle, but is still studying some of its finer points — such as penalties, forfeitures, etc. — before including the plan in permanent school policy.

Clayton to run again for legislative post

State Representative Bill Clayton has authorized the News to announce that he will seek re-election as representative of the 74th Legislative District, subject to the Democratic primary May 4.

IN ANNOUNCING his candidacy, Clayton said, "It has truly been a privilege to serve the 74th Legislative District for the past several years. During this time, I have seen a great many changes in our area and in our state.

"The feed lot industry and other agri-associated industries have been good for everyone in the area; however, they have changed our style of life. This increasingly complex society demands more attention from its state government. Here is where I feel I can continue to make a contribution. The seniority I hold in the Texas legislature, coupled with experience and knowledge I have gained, has enabled me to obtain the results you deserve from your voice in state government — your state representative.

"We are now in the process of writing a new constitution for the people of Texas to consider for adoption. The Convention will reconvene on May 6th to complete its work. My influence at the Convention is being felt and this legislative district undoubtedly will benefit from some of the provisions I have been able to incorporate into the document.

My legislative record is well known. I've always stood for and fought for efficiency in government, elimination of waste and duplication, and honesty in decision making. I've opposed a state income tax and supported right-to-work laws. I've been in favor of modernizing state government but for leaving more decisions to the local level. I've worked for better educational opportunities for Texas students, both in the public school system and in our institutions of higher learning. I've worked continuously towards solving

the state's water problems, particularly for our area's agriculture and small business. I've always been opposed to taxes of any kind when not needed. It is my feeling that we can provide the needed state services without a tax increase during the next period.

"Together we have made our part of the state well known not only around Texas but throughout the United States. I presently serve on executive committees and boards of several national legislative organizations, thereby giving District 74 a voice it has never had before among the states, and I feel there is now a good chance for this influence to be increased. I am one of the leading contenders in the race for the Speaker of the House and it looks as if I have a good chance to win. If this should happen, District 74 would be in the driver's seat so far as state political leadership is concerned.

"You have been kind to me and supported me in the past and I've been honored and proud to serve this district. In asking for your support and your vote on May 4th in my re-election bid, I pledge to you my continued 24 hour a day effort to be 'Your Voice in State Government'."

BILL CLAYTON

School trustees re-elect Miller

The Dimmitt School Board started a new year Monday night with the election of officers and swearing-in of two new trustees and one returnee.

JACK MILLER was re-elected president of the eight-man board. John Gilbreath was elected vice-president and Charles Nutt secretary.

Nutt was sworn in for a second term, and new trustees Donald Wright and Fred Bruegel Jr. also took their oath of office. The three men were elected Saturday.

Bond issue fails again

Dimmitt School District voters nixed a \$275,000 bond proposal for the third time Tuesday, 377-422.

IN DEFEATING the proposal voters turned down the construction of a new football stadium on Western Circle Drive with lighting, a field-house, concession stand, paved parking lot and an all-weather track.

The football stadium proposal had already been defeated in two elections in December and January, prior to Tuesday's balloting.

School board members called Tuesday's election when the board was presented with a petition with 510 signatures calling for another election.

According to election judge Noel Gollehon, slightly over half the voters eligible to vote in Tuesday's election turned out to cast their ballots.

Drivers face new test procedures

New procedures are now in effect through the Texas Department of Public Safety concerning advancement in grade on drivers licenses.

A DPS spokesman said in the past an applicant has been permitted to drive any type of commercial vehicle on the road test with the examiner.

Now applicants for the commercial or chauffeur licenses must take the road test in a commercial type vehicle which has a manufacturer's rated capacity more than 2000 pounds or one ton. The vehicle can be designated to carry either passengers or property as long as it meets the size requirement.

The Dimmitt driver license office is open Monday, Tuesday, Thursday and Friday from 8 a.m. to 5 p.m. for written examinations and renewals. Friday is the only day to take the outside driving test.

At Dimmitt and Hart

Trustee races prove close

Saturday saw close races in the Dimmitt and Hart school trustee elections.

THE DIMMITT ballot featured four candidates going for three school board seats, while three men, one a write-in candidate, sought two seats on the Hart board.

In balloting in the Dimmitt district, Donald Wright led the ticket with 295 votes and Fred Bruegel Jr. was only nine votes behind Wright with 286 to take the second school board seat. Incumbent Charles Nutt was re-elected with a total of 218 votes, while Carl King polled a close fourth with 207.

In Hart school trustee balloting, Dub Holley led the ticket with 79 votes and Cleve McLain won the second seat with 71 votes. Write-in candidate Weldon Jones made a strong showing in the race, falling only three votes short of victory with a total of 69.

At Nazareth, incumbent trustees Ed Ramaekers and James Wilhelm were re-elected with 108 and 106 votes respectively.

IN THE City of Nazareth elections, Urban Ball defeated Harry Kleman for the mayor's post, polling 66 votes to Kleman's 29.

Joe Lange garnered 63 write-in votes while Gregory Schacher polled 52 to win the two city commission seats. Write-in votes were cast for 22 individuals in the balloting.

Incumbents Donald Wright and Robert McLean were unopposed in their bids for another term on the county hospital board, but the hospital board election brought a flurry of write-in votes, especially at Nazareth.

Wright received 247 votes at Dimmitt, 101 votes at Hart and 87 votes at Nazareth.

McLEAN HAD 240 votes at Dimmitt, 102 at Hart and 85 votes at Nazareth.

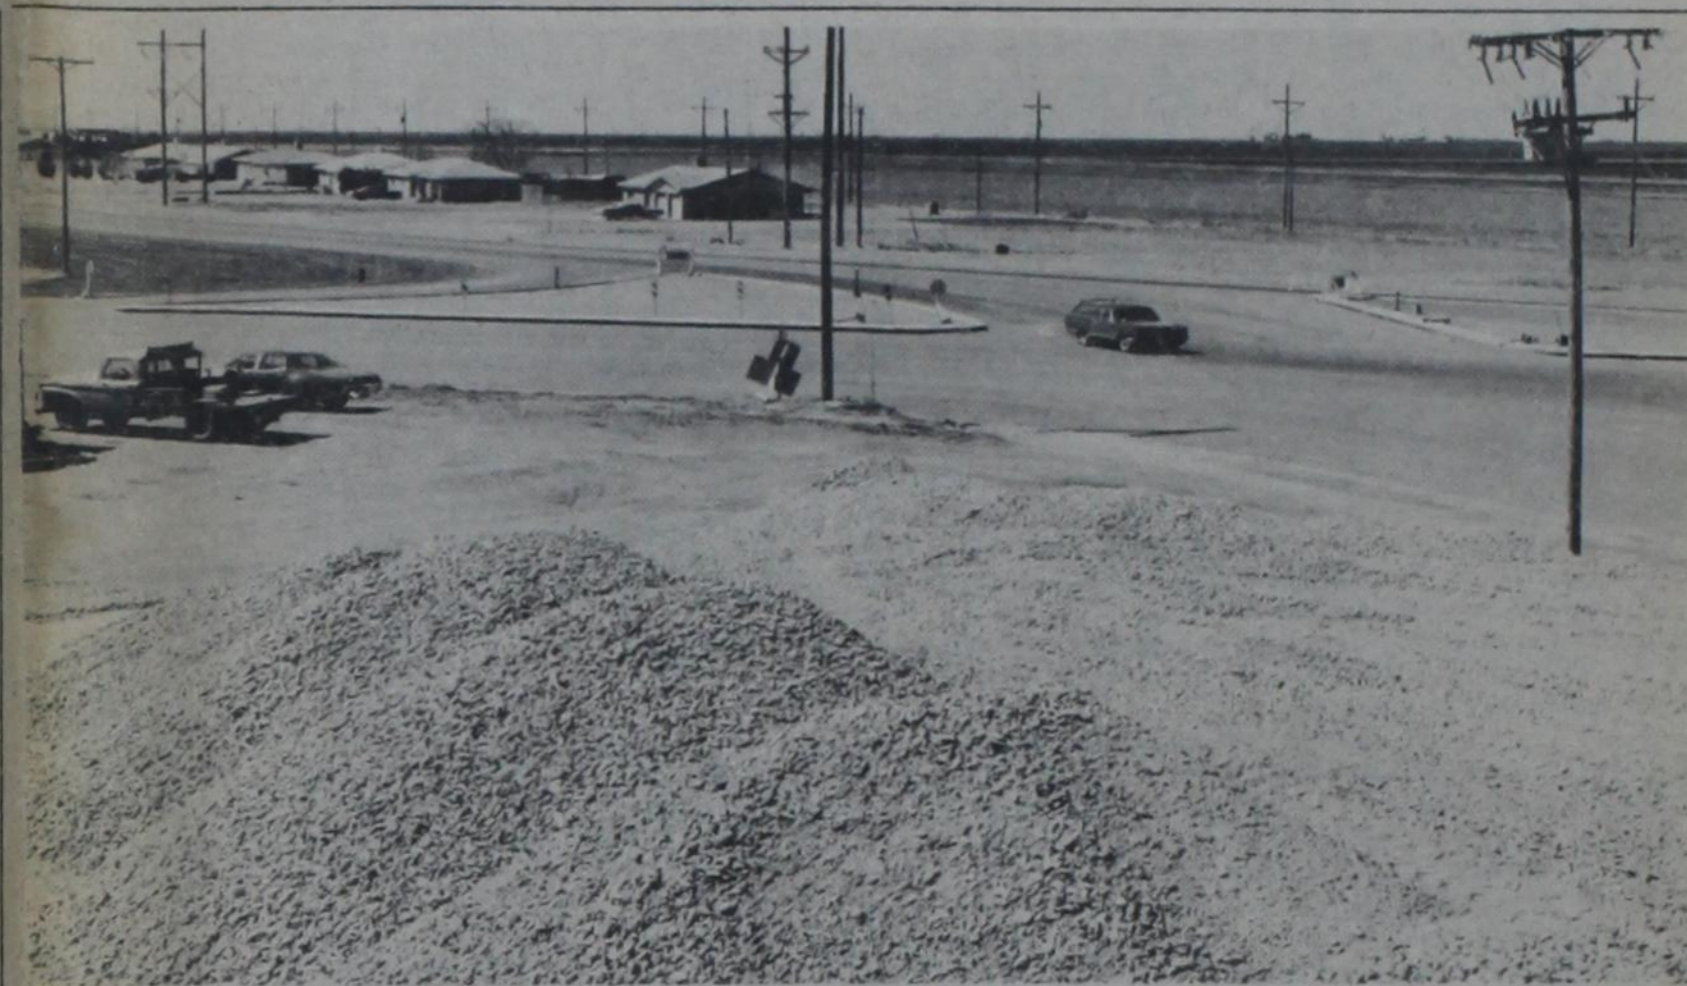

In the Castro County School Board elections in Precinct 1 Percy Hart received 109 votes at Hart and 17 votes in Dimmitt and in Precinct 2, Houston Lust received 198 votes in Dimmitt. Totals from Nazareth were unavailable.

In the City of Dimmitt elections, commission candidates J. R. Brown and Garnett Holland received 112 and 105 votes respectively. They were unopposed in their bids for office.

Young Farmers to meet tonight

The Dimmitt Young Farmers will meet tonight (Thursday) at 8:30 at Ann's Steak House.

TOMMY GROSS of Geigy Corp. will present the program on herbicides. Geigy Corp. will also furnish the meal.

HOORAY! — The controversial "Y" intersection of US 385 and State 194 in southeast Dimmitt is no more. The old intersection — long a sore spot with drivers here — is being replaced by this modified "T" intersection, which will control the traffic flow with islands and signs while providing wide switch-lanes. Here, a station wagon inbound on US 385 stops to check the

two-way traffic on State 194 before turning left toward town. While completing the project, the Texas Highway Dept. is also improving the state park east of the intersection and preparing to resurface State 194 all the way to Hart with five inches of hot-mix topping.

Fire programs slated today

Students at Dimmitt and Nazareth high schools will have an opportunity to see for themselves how fire can be man's best friend or his worst enemy when they observe a graphical-animated fire prevention demonstration to be presented today (Thursday).

BEN BULLARD, assistant safety director for the Texas Farm Bureau, Waco, will make the seven part presentation at Dimmitt High School at 10:40 a.m. and at Nazareth High School at 1 p.m.

The program will also be presented at the Dimmitt fire station at 8 p.m., and is open to the public. The Castro County Farm Bureau is sponsoring the demonstrations.

Bullard will discuss the three elements which are necessary to have a fire, fire prevention and fire control. His animated demonstration will involve actual flames of all classes of fire with an explanation of the recommended control methods of each fire.

Texas Farm Bureau Safety Department personnel have presented the fire prevention program over 1,110 times for some 287,941 people in 216 or more different Texas counties.

Top DHS athletes lauded Tuesday

Dimmitt High School's athletes were honored Tuesday night at the annual DHS All-Sports Banquet held in North Elementary cafeteria. An overflow crowd attended the banquet.

HIGHLIGHT OF the evening was the naming of "Most Valuable Players in football, basketball and track.

Winner of the MVP award in football was Kyle Broderson, DHS senior. Broderson played as tackle last fall on the Bobcat grid squad.

Paul Langford was honored as the Most Valuable Player in boys' basketball while Lisa

Simpson received the honor in girls' basketball. Langford was a guard on the 1973-74 Bobcat basketball squad while Miss Simpson was a forward for the Bobbies. Both are seniors.

Recipient of the MVP award for track for the third time was Robert Mayberry. A DHS junior, Mayberry has turned in a number of winning performances in the 100, 220, sprint relay

and broad jump this spring and has also qualified for the regional track meet.

THE MVP winners were chosen by their fellow athletes.

Sherri Burrous was named Football Queen during the festivities while Cindy Dyer was named Basketball Queen. Their attendants were Bobbie Kirby and Alice Rush for football and Marla Winters and Lisa Simpson for basketball.

Miss Simpson and Broderson were also honored with athletic academic awards as the high ranking senior boy and girl.

Jessie Powell, linebacker for the world champion Miami Dolphins addressed the large crowd attending the banquet. Commenting on the game of football he said, "The game has so much to offer, the whole game of life is played out each Sunday afternoon in two to three hours time as a team experiences advances and setbacks and all the emotional highs and lows."

He told the DHS athletes in attendance to set their goals and work toward them. "When you stumble, get up and tighten your shoelaces and try again. The person who succeeds is the one who competes — that's the way our entire country is set up."

Egg hunt set for Saturday

The Dimmitt Jaycees will stage their annual Easter egg hunt Saturday at city park. The hunt will get underway promptly at 2 p.m. and is open to all county boys and girls under 12 years of age.

THE PARK will be roped off into three areas for different age groups and cello-wrapped eggs will be scattered throughout the grass and bushes at the park.

Children will line up on the Northwest Third Street side of the park for a racing start when the hunt begins.

Each age-group area will have a big prize egg, and the children finding the prize eggs will receive prizes from Dimmitt's TG&Y store.

Ronald Golden is this year's hunt chairman.

Chamber schedules membership meet

The Castro County Chamber of Commerce will hold its annual membership meeting Thursday, April 25 at 8 p.m. in the city hall auditorium.

COFFEE and Spudnuts will be served, and president M. J. Reed and other officers will exchange ideas with members.

"It will be a general information meeting in which we're going to solicit opinions from Chamber members on what ideas they have for our community's progress and what they expect this year of their officers," said Vice-President Bob Caddell.

Wind-swept farm fires

WEDNESDAY AT SUNNYSIDE — This is all that was left of a hired hand's home between Dimmitt and Sunnyside after fire destroyed it last Wednesday afternoon. The house was on Elmer Dixon land farmed by O. A. "Shorty" Oldham, six miles south of

Dimmitt. Virtually all fixtures and belongings in the house — plus the children's tricycle and pedal-car nearby — were destroyed as high wind whipped the flames out of control before firemen could get to the scene.

SUNDAY NEAR HART — The Jim Kendrick home northwest of Hart was destroyed by fire Sunday afternoon as high winds fanned the flames into a roaring inferno. Here, a Hart fireman attempts to cool the flames. The fire was apparently caused by an electrical short near the garage and the blaze quickly spread through the home and was out of control before Hart and

Dimmitt fire units arrived at the scene. Kendrick's wife and family were at home at the time of the blaze and the family managed to save most of their furniture. Although firemen remained on the scene until late Sunday evening the shell of the structure was still burning Monday morning.

Sheffy's chatter

Goldens return home from trip to Madrid, Spain

By MYRTLE SHEFFY

Ralph and Avis Smith are home from a weekend trip to New Mexico. They spent a night in Cimarron, on to Red River to look at a motel he may buy. They report seeing the prettiest snow ever at Roy and in the valley too. The Smiths came home by Spearman where they visited Avis's parents Mr. and Mrs. Harbour.

WARD AND Oleta Golden, his brother Carl and Nita from Brownfield, are home from a recent trip to Madrid, Spain. This tour was made by 175 people. They flew over, made Madrid headquarters, taking side trips, one a bus tour of the mountains to the west, so much snow could hardly go. A beautiful sight with the big pine and spruce trees covered with snow. Other trips to the East and North of Spain. Sunday the boys came, Don and Vicki and two babies from Muleshoe and Ron and Delores and two from here. I think Ronnie helped keep the store while the Goldens were away.

The gadabouts Swain and Katy Burkett and Marion and Lena Benton of Lubbock spent a few days at Amistad Lake. They caught enough fish to eat, and stayed at a motel close by. The weather and flowers were beautiful down south.

MR. AND MRS. Dan Heard were pleasantly surprised Sunday when their children honored them with a reception on their 25th anniversary. Mr. and Mrs. Bob Baker took the Heards to Hereford for lunch and when they returned the house was full of friends and relatives.

Danny Heard registered the guests in a beautiful silver book and the guests were served from a table decorated with a silver candelabra filled with white roses. A three tiered cake topped with a bride and groom and decorated in white flowers and silver leaves with "25" while here, is okay now.

The couple was presented with a money tree and many beautiful gifts. Special guests were the couple's parents, Mr. and Mrs. C. F. McCormick of Dimmitt and Mr. and Mrs. Dan Heard of Littlefield.

Guests registered from Dumas, Amarillo, Hereford, Abert, Littlefield, Whitbarral, Springlake, New Mexico, Denver City, Friona, Spade and Dimmitt. They received several phone calls during the afternoon from friends and relatives who couldn't attend.

Others in the house party helping the Heard children were Mr. and Mrs. Bob Baker, Mr. and Mrs. Martin Young, Mr. and Mrs. Bay Baldrige, Teresa and Diana Clark, Cindy Dobbs, Kay Street, Darena, Ramonda and La Cretia Young. 150 friends came bringing good wishes and gifts.

KAREN SUE Williams, the daughter of Vernon and LaVerne Williams, visited her grandmother Myrtle Williams for a short while Saturday afternoon.

She had come to Hereford for a retreat with the Baptist Student Union from Central State University at Oklahoma City. They gave weekend programs at the First Baptist Church of Hereford. (Vernon is remembered as "Cotton".)

Other visitors in the home of Myrtle Williams were her sister Winnie McLain of Dallas, four nieces, Lorraine Wallace, Los Angeles, Calif., Clea Brown and Ovlina Atchison and 4-year-old Erick of Dallas, Audrey Tyler and husband Roy of Amarillo. Jim and Robertha Bagwell, old friends, helped to entertain them.

Frances Goodwin who went to Corpus Christi with the Tops Club stopped off at Donna to visit her daughter Kay Freeman and boys Brent and Robert and at Mercedes to see Rickey and family. Rickey and husband Lanny have adopted a 14 year old girl who needed a home. And Friday P. O. and Frances attended the funeral of her sister Oletha Belle Shelton at Elk City, Okla.

Melvin Barton is home from High Plains Baptist Hospital in Amarillo recuperating from broken bones he received in a car accident a while back.

IVEY JACKSON and Mary Lou Frazier spent a few days at Truth or Consequences, N.M. just for fun. They have friends out at that resort on the Rio Grande, west of Ruidoso. Ivey's stepson Kenneth Jackson flew the plane taking them. He and Ruth went on to Albuquerque on business.

Russell Cowen of Albuquerque is spending a few days with his grandparents Joe and Alice Cowen. He is the handsome little son of Mr. and Mrs. Joey Cowen.

REX SHEFFY and son Brett went by plane to Dallas to take the little granddaughters home. They are Dondra and Dedra Stafford and girls of Tom and Donna. Dedra took chicken pox while here, is okay now.

D. H. or "Mollie" Malone has moved to Lovington, N.M. His family Dianne and girls Dayla, Dana and Debbie will move in June when school is out. Mollie is shift foreman at Tipperary Corp., an ammonia business. He has been with Western Ammonia for a few years. Dianne worked at the drug store a while. They will visit her people at Lawton, Okla. this weekend.

MRS. CHUCK or Pat Braafadt went to Dallas for a few days visit with her twin sister Portia Maloney and family. The 5-year-old boy went to the station to help his dad. The other two stayed with the Amarillo grandmother.

The annual Ginners Convention met at the beautiful Houston Oaks Hotel at Houston last week. Going from here were James and Mildred Bradford, Johnnie Davis, Bill and Catherine Birdwell, Gene and Eva Morrison.

Sunday guests of Mrs. Margaret Schmucker at South Hills Manor were her son and wife Mr. and Mrs. Alvin Schmucker of Hereford and sister Maurine of Amarillo.

Mrs. Nellie Oldham of Hereford moved down a while back.

She is Mrs. Schmucker's roommate. Hattie Webb is not well this week, seems to be flu.

KATHY GRAHAM and Mark Henslee were married Saturday evening at the Polk Street Methodist Chapel in Amarillo with Rev. Jim Pickens of Lubbock reading the service. Bill Graham escorted his daughter to the altar. Virginia Sheffy was candlelighter for her cousin Sara and Gini Gabel were the flower girls. Mary Gabel was her sister's matron of honor. Janis Mooney Davis was organist. Going from here were Bill and Katy Graham, Perry and Kim Graham, Kent and Mary Gabel, Mr. and Mrs. Willie Hammond, Ted and Dorothy Sheffy, Mr. and Mrs. Jerry Blackwell, Nettie and Rachel Graham and Graham Sheffy and Karen Lytle. The reception was at the Amarillo Club that is the top of Amarillo National Bank. Mr. Henslee will be farming with Will Hammond and Kathy is a registered nurse at Plains Memorial Hospital.

R. N. and Ann Carpenter and his brother and wife of Plains are home from a week at Falcon Lake, way down Rio Grande way. They did some fishing, resting and seeing things.

Mr. and Mrs. Allen Bell and daughter Mrs. Earl Alvis of Rochester were weekend guests of their daughter and sister Mrs. Irene Hester and Rev. Lennox Hester. They are friends of Katy Burkett who grew up in the same community.

LANDOL AND Jamie Frazier and baby Kendra of Fort Worth spent the weekend visiting his parents Alvin and Frances Fra-

zier and his brother Jerry. Pat Cleavinger (north of Earth), bride-elect of Tommy Clement of Muleshoe, was the honored guest at a shower Saturday in the home of Mrs. Buzzy Jones. Going from here were her grandmother Gladys Cleavinger and aunts, Carol Dyer, Lois Wales, Ina Cleavinger, Billie Kirby and daughters Bobbie and Keri. Pat is the daughter of Orval and Rowena. Jerri Byrnes and son of Clovis were Sunday guests of Mrs. O. K. Howe, who is at South Hills Manor.

Connie Sheffy, who had surgery for a ruptured appendix up at High Plains Baptist Hospital in Amarillo two weeks ago, had another surgery Friday for drainage of the same trouble. Bob called to say she is doing fine now. Mrs. B. M. Nelson and I went to see her last week.

BRENT Henderson Truelove of Amarillo is staying a few days with his grandparents Curtis and Marie Tate. Jim's son Tal will visit the Tates and the other grandma Zonell Maples this week.

George and Ruby Bagwell are home from a rambling trip into Central Texas, stopped in Waco, Dallas and other towns in the circle.

Charles and De'Anna Harris, and son Jonathan will move to Stinnett April 15. Charles has been pastor of Lee Street Baptist for two years. He has accepted the call to First Baptist there. We wish for them all good things. Lee Street Church

does not have a pastor at this time.

Brock and Susan Merritt went to Tulsa, Okla. last weekend for a family reunion of Sue's people. Her parents Mr. and Mrs. Gerald Sitterle of Houston met them there for a visit.

Larry and Sue Scoggin, Jennifer and Leisa of Midland were guests of his parents Howard and Babe Scoggin and Cindy and grandmother Lois Bartlett.

Larry and Sue had a delightful trip to Florida and the Bahamas recently. They were guests of his I.B.M. Company.

More newcomers: Gary and Alice Te'Beste moved here from South Dakota. They have bought the A. A. Dodd home on Locust Street. Gary farms and Alice has finished her training in the Welfare work at Lubbock. She will be with that department at the courthouse.

Alice is the daughter of Mr. and Mrs. Ailt Feldman who have the new house on West Lee and Western. They all attend church with the Presbyterians, except the Roger Feldmans, who are Baptists.

MORE newcomers to Dimmitt are Gary and Teresa Williams. They were married in the Leon home Friday evening, went to Ruidoso for the wedding trip. Gary is mechanic at Dale Fowler Ford and they will live at 308 SW 5th Street. Mrs. Inez Montgomery, secretary at the Ford Company, reported this wedding. Let's get acquainted with the Williams and Tom Fowlers, and the very nice Inez too.

District Conference.

LOOKING HER BEST FOR Easter

Easter is a day of conquest... a day of new life... a day of beginnings... This is the day that our Saviour arose in a mighty triumph over the grave. This is a day of joy... a day to remember... a day to attend services in the church that our Lord loved so much, but even though we all want to dress up and look our best for this special day it is not the most important part. For God does not look on outward appearances, but looks on the heart.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SELECTED AS 'Friendliest' at Dimmitt High School recently were Ginia Sheffy and Florence Acevedo. Miss Sheffy is the daughter of Mr. and Mrs. Ted Sheffy and is a senior. She has been active in the Bobcat Band and FHA and served as DHS cheerleader. Acevedo is the son of Mr. and Mrs. Julian Acevedo and is also a senior. He has been active in football, basketball and band and was a Flame King candidate.

Letter to the Editor:

Red Cross tales aren't just 'rumors'

Dear Editor:
I read Deanne Clark's letter to the editor in the paper last week and was agreeing with her all the way about how workers for one organization shouldn't run down another in order to collect funds, until I came to the part about the help at Sunnyside and the last paragraph about the years of "growing" rumor and misinformation about the American Red Cross.

NO DOUBT some of the things that she has heard about the Red Cross have been stretched through the years, but I'd like for her to know that they are not all rumors or misinformation.

I was working for the newspaper at Littlefield when the tornado hit Sunnyside. I took pictures that night and got on back to Littlefield, as the paper was going to press the next morning. I know that the people of Sunnyside appreciated all the help they got, and it's hard for me to think that they have only contributed \$15 in return, if the Red Cross did help.

The things I know personally about the Red Cross are not "rumors" or "misinformation."

My mother had five sons in the Marine Corps in World War II, and she was a volunteer worker in the Red Cross, working with Mrs. Lyle Brandon at Littlefield, and I would be the last one to knock what my mother did for the Red Cross.

MY OLDER brother Loyd served nearly 30 years in the Marines, and some of it was in China before World War II began. He always praised the Salvation Army for what they did for him in Shanghai, but you can ask him about the Red Cross and there the praise stops.

My older brother, John Henry, was killed in 1944 in the South Pacific, and I was in the same group of islands that he was in, the Russells and the Solomons. The telegram telling my mother about my brother's death was delivered to my mother while she was working at the Red Cross building. She

suffered a stroke and was hospitalized immediately. The Red Cross was supposed to inform us other four boys about the death in our family, since we were all overseas in the Pacific at that time. It was 34 days before I was notified of my brother's death and the illness of my mother, even though the Red Cross had an office in the officer's club in the Russell Islands less than a mile from where I was.

To this day I have never heard from the Red Cross. I learned about my mother and brother from my sister when she wrote and told me that my mother was improving, thinking that the Red Cross had notified me but that maybe I could not get a letter to her since we were in a combat zone.

What we had to pay for a Coke or cigarettes in the Solomons was just downright robbery from men fighting for their country. Ask any veteran who served overseas in World War II about the Red Cross and you will find that the stories are not all "rumors" or "misinformation."

I served overseas from Guadalcanal to Okinawa and then spent nine months in Tientsin and Peikin, China, and I can safely say that nothing was ever given by the Red Cross to the enlisted men where I was.

I WOULD like to put in a good word for the Salvation Army. When we returned from China, nine months after the war had ended, there were six elderly women running a canteen at the docks in San Diego, handing out all the fresh milk and doughnuts that you could eat. It was the first fresh milk that we had seen in almost three years. Where was the Red Cross?

The editor was certainly right when he said that most of the projects of the Salvation Army and Red Cross do not overlap. They both seem to be doing their job now and the community as a whole should help both organizations as long as they do what they are supposed to do.

I am sure that Mrs. Clark was a good and dedicated Red Cross worker, the kind the Red Cross needs more of. Many Red Cross workers of today know little of what their organization did in World War II. That's fine. It's better to forget some things. But don't claim that the stories about the Red Cross were all "rumors" and "misinformation."

This was written so that people who hear a World War II veteran complain about the Red Cross should at least know that that person probably has a right to feel this way.

JIMMIE CHAPMAN

Hart mayor tenders resignation Monday

Hart's city commission has appointed Richard Franks to serve as mayor following the resignation of E. E. Foster.

FOSTER'S resignation became effective April 1. Franks will serve the remaining year of Foster's unexpired term.

Foster, who has served as Hart's mayor for the past nine years, explained that he "felt like nine years was long enough to serve and someone else should take over."

Local boys play in tourney

By TEENY BOWDEN

Matt Gilbreath played with the Dimmitt Little Dribblers Major League All Star team in the tournament at Bovina Thursday through Saturday. They lost to Hale Center 39-36 Saturday morning after the second overtime and lost again Saturday afternoon to Farwell.

GILBERT Esqueda played on the Dimmitt Little Dribbler Minor League All Star team in the Bovina tournament. They won over Hart Thursday night. Mr. and Mrs. Winston Waggoner, Mr. and Mrs. John Gilbreath, Mrs. E. R. Sadler and Mrs. L. B. Bowden attended the Plains Memorial Hospital Auxiliary annual Awards Banquet at the Colonial Inn in Dimmitt Saturday night. Mr. Waggoner and Mrs. Sadler were on the program. Mr. Gilbreath accepted his mother's 1,000 hour bar since she is still in Arizona.

Larry Starnes was one of the judges in the annual land judging contest for high school youths Tuesday sponsored by the Running Water Soil Conservation District.

Mrs. Howard Cummings was honored recently in Fort Worth when she received an award as Texas Business Education Teacher of the Year 1973-74 from TSTA District XVII.

REV. AND MRS. O. D. Rowell of Pyota visited with Mr. and Mrs. L. B. Bowden Thursday afternoon. They are house parents of the Children's Home there.

Mr. and Mrs. Rosaloz and three small children were burned out of their home about noon Wednesday. They lived on the Elmer Dixon place and worked for Shorty Oldham of Dimmitt. They lost all their personal possessions as well as all their clothes.

Baptist Young Women met Monday afternoon at the church with the WMU director, Mrs. Thomas Parson, in charge. Mrs. Roger Owens taught the Foreign Mission Study book, "The Cutting Edge".

Mrs. Ezell Sadler and Mrs. L. B. Bowden attended the meeting of the Westlawn Cemetery Association in Dimmitt Monday night.

MR. AND MRS. J. C. Holbrooks visited last Sunday with Mr. and Mrs. Tiny Walling and boys at Bovina.

Helmar Klaehn and Gary of Seguin spent Tuesday night with Mr. and Mrs. J. C. Holbrooks.

Mrs. Eules Waggoner and Mrs. Floyd Ivey visited in Dimmitt Wednesday afternoon with Mrs. Ola Murphy.

Mrs. Cliff Brown visited in Littlefield Wednesday with Mrs. Hazel Kimbrough.

Mr. and Mrs. Ercell Keeler

Method demonstration winners are selected

By IRENE KEATING

Last week was our county method demonstration eliminations contest at Easter. Donald Adams was in charge of the contest and judges were our student teachers, Dixie Martin and Kathy King.

Share-the-Fun was won by the Happy Helpers 4-H Club who got blue ribbons with a skit called "The Easter Hares". Members are Ramonda Young and Darendra Young, Royce and Annette Thomason, Pat and Willie Salazar, Robbie Dobbins and Sandy and Terry Harkins. Bethel's skit was "Foolish Fred" and members were Brent and David Graef, Dewayne Smith, Penny Hodnett and Beth Benton. Their skit was second place in the county.

Winners in method demonstrations who will compete at the district contest are Kylene Behrends who got a red ribbon with "Fabric Uses and Care", Laurie Sides and Wendy Bruegel won a red ribbon with "Tubers with Eyes" and had a yummy potato bread, KaKa

Bruegel and Kim Sides got a blue ribbon with "Rocket Safety", and Carol Bagwell and Diane Hodnett had a red ribbon on "Unsoundness of Horses" and Kyle Bagwell and Robert Boozar got red on "Rocket Launch Systems". All these are junior competitors.

Seniors going to the contest include Agnes Acker, Natural Resources, Norman and Elaine Acker, Natural Resources team and Donna Acker and Carol Hochstein, Safety. We also will have a junior and senior rifle team from the Bethel Club but those teams haven't been selected yet.

I HOPE all of you will have a nice Easter holiday. This is a good time to relax so you'll be ready for a busy summer of gardening, yard work, and all those other jobs. I'll be going to College Station next week and I'm looking forward to seeing pretty flowers and trees on the trip.

The Fight Needs You
The fight against cancer needs more volunteers and more funds to help wipe out cancer in your lifetime. Volunteer for the Crusade and give to the American Cancer Society.

Help Save More
Three decades ago only one in five people with cancer was saved. Now it's one in three. Early detection and prompt treatment could make it one out of two. Give to the American Cancer Society and help spread its educational message.

MRS. MARK HENSLEE
The former Kathryn Graham

Miss Graham, Henslee exchange vows Friday

Miss Kathryn Louise Graham and Mark Tylor Henslee exchanged wedding vows Friday at the Polk Street United Methodist Chapel in Amarillo.

REV. JIM T. PICKENS, pastor of the Forrest Heights United Methodist Church in Lubbock conducted the ceremony.

The bride is the daughter of Mr. and Mrs. Bill Graham Jr. of Rt. 2, Hart and the groom is the son of Mr. and Mrs. Harold T. Henslee of Amarillo.

Matron of honor was Mrs. Kent Gabel of Dimmitt, sister of the bride, and maid of honor was Miss Randi Dooley of Albuquerque, N.M. Flower girls were Gina and Sarah Gabel of Dimmitt, nieces of the bride, and candle lighter was Miss Virginia Sheffy of Dimmitt.

Best man was Don L. Richey of San Antonio and groomsman was Gale W. Henslee of Amarillo, cousin of the groom. Ushers were Randy Fowler of Richmond, cousin of the groom, and Mack Mixson of Lubbock, brother-in-law of the groom.

THE BRIDE is a graduate of Northwest Texas School of Nursing and is currently employed at Plains Memorial Hospital.

Sorority holds meet Wednesday

The Alpha Epsilon Tau chapter of Beta Sigma Phi met Wednesday at the Castro County Country Club.

BONNIE FUTRELL and Gail Bruegel presented the program on Mrs. Futrell's travels to the Vatican City. Mrs. Futrell presented commentary on the trip as films were shown.

New officers were also selected. They include Martie Benton, president, Gail Bruegel, vice president, Sue Cadell, secretary, Virginia Hansen, treasurer and Laquita Hill, parliamentarian.

Installation of officers and the Founders Day program will be held May 1 in the home of Jane Blackburn at 7 p.m.

Members voted to extend the deadline for the chapter scholarship fund to May 1.

HOSTESSES for the Wednesday night meeting were Nancy Ross and Roxie McLean.

Miss Musick, Meyers exchange nuptials

Mr. and Mrs. Derrell Musick of Dimmitt announce the marriage of their daughter Debi to Joe Mike Meyers, son of Mr. and Mrs. Cliff Cook, also of Dimmitt.

VOWS WERE exchanged Friday evening at 7 in the home of the bride's parents. Performing the ceremony was Rev. Ed Bridges of Hereford. Attendees were Mr. and Mrs. Max Hastings of Dimmitt.

Others attending the ceremony were Mr. and Mrs. David Musick, brother of the bride, Mr. and Mrs. Cliff Cook and John, parents of the groom, Tom Kurete, Mr. and Mrs. M. L. Simpson, all of Dimmitt; Mr. and Mrs. Darrell Walker of Nazareth; Mrs. Ed Bridges of Hereford; and the bride's grandparents, Mr. and Mrs. Jessie Hughes of Bogota.

The couple will be at home in Dimmitt following a wedding trip.

HD club holds meet Thursday

The Castro County Home Demonstration Club met Thursday at the home of Mrs. Margaret Womack.

MEMBERS worked on transplanting of small cherry trees and other plants.

Roll call was answered with a favorite garden plant.

Members present were Cathy Goolsby, Jackie Smutherford, Donna Allen, Melba Sanders, Pat Day, Ann Pevehouse, Oneta Hutto, Bea Acker, Audrey Nelson and Margaret Womack.

Mrs. Irene Keating will host a meeting of the club today (Thursday). The program will be on sewing notions and fabrics.

MRS. WEST presented the guests to Miss Beams, her mother, Mrs. Robert Mercer and the prospective groom's mother, Mrs. Mozelle Davis of Dalhart.

Mrs. Rae Catoe presided at the guest book. Yvonne Wilcox and Connie Stallings served cake and punch from a table covered in yellow linen with a basket of spring flowers in shades of blue and yellow.

Audra Shottenkirk, Monette Montgomery, Monte White and Martha Smith helped with hostess duties along with a number of ladies from the Plains Memorial Hospital staff.

EARLY spring offers consumers an ideal time to use fresh grapefruit — an excellent source of vitamin C, notes Mrs. Karen Walker, foods and nutrition specialist with the Texas Agricultural Extension Service.

FARM parity as of Feb. 15 is 95. That's up one point from January and is up 13 points from a year ago.

Socially Yours

Methodist scholarship available

The First United Methodist Church of Dimmitt is offering a second full scholarship for up to two years' vocational or technical training for a DHS graduate.

SENIORS AND graduates wishing to apply for the scholarship should contact Kenneth Ringo, Dimmitt High School counselor. Application deadline is May 1.

The Methodist scholarships, initiated last year, pay all expenses for tuition and fees, books, room and board that are not covered by the Basic Education Grant program. The scholarship may be used for any one-year or two-year technical or vocational course in an approved college, university or vocational school.

To qualify for the scholarship, a student must apply for a Basic Education Grant through the DHS counselor's office, and must show evidence of good scholarship by class attendance and grades. Race and religion are not factors.

AFTER receiving the scholarship the student must maintain certain grade and attendance requirements, must live in school-approved housing, and must report quarterly to the church's scholarship committee.

The Dimmitt church now has one scholarship student in a two-year course at WTSU, and plans to start a second student on full scholarship this fall.

WELDON BRADLEY
CANDIDATE FOR COUNTY JUDGE

I BELIEVE that, to be able to serve as your county judge, I must listen to those I serve. I must be fair and honest in all decisions I make. I would like all decisions made by me to be in the best interest of the people of Castro County.

(Political advertisement paid for by Weldon Bradley)

Sorority holds meet Wednesday

The Alpha Epsilon Tau chapter of Beta Sigma Phi met Wednesday at the Castro County Country Club.

BONNIE FUTRELL and Gail Bruegel presented the program on Mrs. Futrell's travels to the Vatican City. Mrs. Futrell presented commentary on the trip as films were shown.

New officers were also selected. They include Martie Benton, president, Gail Bruegel, vice president, Sue Cadell, secretary, Virginia Hansen, treasurer and Laquita Hill, parliamentarian.

Installation of officers and the Founders Day program will be held May 1 in the home of Jane Blackburn at 7 p.m.

Members voted to extend the deadline for the chapter scholarship fund to May 1.

HOSTESSES for the Wednesday night meeting were Nancy Ross and Roxie McLean.

White grubs are problem for area sorghum, wheat growers

White grubs, the number one pest of home lawns in many areas of Texas, are quickly becoming a major obstacle to sorghum and wheat production on sandy-textured soils of the South Plains says a Lubbock-based entomologist.

REPORTS of damaging infestations have increased since 1964 and have been particularly

prevalent since 1971, according to Dr. Robert B. McIntyre, area specialist for the Texas Agricultural Extension Service. "The situation," he declares, "has reached the point in some localized areas that sorghum and wheat production is almost impossible."

McIntyre says that one factor contributing to the current problem has been that over the last few years the white grub has become resistant to the insecticide chlordane.

"For years chlordane has been used by the homeowner and grower when they encountered soil pest problems," he says. "Recent research has shown that rates as high as five pounds of active ingredient per acre of chlordane were ineffective in controlling grubs attacking sorghum."

The development of grubs strains resistant to chlordane has necessitated new research, he reports. New information about the grub has been brought to light by Dr. George Teetes, research entomologist for the Texas Agricultural Experiment Station at Lubbock, which points up special keys for proper management of grub problems.

Understanding the pest's life cycle and behavior is essential, explains the entomologist.

THE LARGE white grub form, or "third-instar larva", overwinters 12 to 18 inches deep in the soil profile. By late May, when grain sorghum is in the seedling stage, grubs have made their way to the upper soil level where they feed on roots, killing the small plants and causing stand loss. These large grubs feed until they pupate in mid-June and emerge as adults in late June and early July.

"Adults are light brown and commonly referred to as June

beetles," explains McIntyre. "The males are quite prevalent during late June and early July and can be seen by the hundreds on summer evenings around outdoor lights. On the other hand, females rarely travel long distances. In fact, most normally mate on the soil surfaces in the same area in which they developed, and return to the soil profile to lay their eggs. These eggs hatch in about two to three weeks, and the young larvae mature into larger third-instar larvae by late fall.

"There is generally one generation per year on the Texas South Plains; however, a few may require more than one year to complete development."

THE SPECIALIST emphasizes that mated females remaining within the infested field is one reason the grub problem has been extremely localized and severe.

"The importance of this from a management standpoint is that grubs are likely to reappear in the same field even after insecticide applications. These treatments are not likely to eliminate the entire white grub population. Therefore, a producer with a heavily infested field should anticipate at least a two-year confrontation with the pest," he warns.

In order to control the insect, producers need to know the number of grubs necessary to cause stand loss and use proper sampling techniques to determine infestation levels, McIntyre advises.

"Results from preliminary studies indicate grub populations in excess of one per cubic foot can cause severe stand loss if not controlled," he adds. "Optimum plant population density in irrigated sorghum is considered to be 70 to 90 thousand plants per acre; therefore, one grub per cubic foot would be one for approximately every two plants, and that is significant."

The entomologist explains that white grubs can be difficult to detect in the field because at the time producers are preparing land in the winter months, grubs are often below the plowing depth.

GROWERS observing seedling loss in past years in a particular field should take sam-

On Wall Street

By Bob Hill

Lentz, Newton & Co.

Have you noticed the gradual shift in the sales pitch for foreign cars lately? "It's not a matter of price, it's the economy and the quality of construction." The reason is that the foreign car is no longer competitive in price, and price has been the only really strong thing going for the imported car.

DETROIT HAS pushed the big car for years because the profit margins are substantially higher. The difference in the manufacturing costs of a Cadillac over a Chevrolet are not that significant, but the markup is. This left the small car market to the imports, especially Volkswagen, Datsun and Toyota. Those three companies sold a total of 1.1 million cars in the US in 1973. That was 64% of all foreign car sales and 10% of all of the cars, foreign and domestic, sold in the US last year.

But now the importers are

getting ready for serious problems. Foreign car sales plunged 20% in February. Total American made car sales were off even more, but sales of the small American made cars rose 4% and that's what has the foreign car manufacturers frightened.

The basic price of a Volkswagen Beetle has jumped 31% from \$1,999 to \$2,655 in just one year. The Ford Pinto and the GM Vega both sell for about \$200 less. The two-door Datsun B210 has a retail price of \$2,629, just a few dollars less than the Beetle. The Toyota Corona retails for \$3,500, up from \$2,500 less than 24 months ago. When the foreign car loses the price advantage it once enjoyed and still has to compete against an American made product which also offers economy, then foreign car sales are going to go just one way. Down.

The problem in Germany and Japan has been a high rate of inflation in both countries. The price of raw materials has skyrocketed while labor costs continue to rise. So the importer either cuts his price to compete and sees his profit margins disappear or he raises his prices to protect his profit margins and loses potential sales.

ONE ANSWER to the problem is for the foreign car manufacturer to make even smaller, more economical cars than the American made compact. Both Fiat and Honda have cars much smaller than the Ford Pinto, with better than 30 mpg performance. However, as the fuel shortage eases, the emphasis on fuel economy will not be as critical as it was several months ago.

Several foreign car manufacturers are considering production plants in the US in order to offset the price advantage now enjoyed by American car manufacturers. Volkswagen has been looking for an assembly plant location for over a year while Toyota and Nissan, which makes the Datsun, are giving the idea serious consideration.

"In addition," McIntyre reports, "Diazinon, the only insecticide currently registered and recommended for grub control in sorghum, has considerable less residual toxic effect than the older chlorinated hydrocarbon insecticide, chlordane. Thus, the insecticide broadcast should be as near to planting as possible and incorporated into the upper 3 to 4 inches of soil by discing."

"Application rates of one to one and one-half pounds of active ingredient per acre have been most effective," he adds. "High total volume of water per acre will likely enhance penetration of liquid insecticides and increase overall effectiveness."

"If a producer understands the white grub's life cycle and behavior, learns proper sampling techniques and the number of grubs necessary to cause stand loss, and understands the most effective time and method of insecticide application," McIntyre concludes, "he will go a long way toward effective management of the grub problem."

ASCS news REAP program is reinstated

By CHARLEY E. HILL

1973 rural environmental assistance program reinstated

We have just received word that the 1973 REAP has been reinstated. This means that we will now be operating the 1973 REAP in addition to the 1974 REAP outlined last month.

We will begin accepting applications under the 1973 REAP on April 8 through April 19 for conservation practices to be performed no later than Aug. 30, 1974. There is a \$1500.00 limitation per farm in Castro County for the 1973 REAP. The applications will not be considered on a first come, first served basis.

If you are interested in carrying out one of the following conservation practices, please come by and visit with us.

- A-2-a Establishment of a permanent vegetative cover.
- C-4 Terraces.
 - a. Standard
 - b. Parallel
- C-5-a Diversion Terraces.
- C-12-a Reorganizing irrigation system.
- I-1-a Constructing lagoons for animal wastes.
- I-1-b Constructing animal waste storage facilities.
- I-1-c Constructing diversions for the management of animal wastes.
- J-1-a Constructing sediment retention structures.
- J-2-a Establishment of permanent waterways.
- M-1 Installing tailwater recovery systems.

FAILED WHEAT ACREAGE

A lot of wheat in the county is in poor condition at the present time. Prior to your doing a mechanical operation on the ground, you must report the loss to the ASCS Office and have the wheat appraised prior to disposition by a representa-

tive of the ASCS Office. At the time this loss is reported, you will need to certify to acreages of all small grains on the farm.

DISASTER PAYMENTS — DEFICIENCY PAYMENTS

Wire Notice PA-469 which limited disaster payments to the basic Upland Cotton allotment has been rescinded. This changes the 1B, 2A, and 2B parts of our February news pertaining to cotton acreage leased or reappportioned to the farm. The objective of avoiding excessive disaster payments where producers acquire additional cotton acreage solely for the purpose of collecting disaster payment is continued, the responsibility for determining whether cotton acreage is acquired for this purpose is delegated to the County Committee. This determination will be made based on a number of guidelines.

May 1, 1974 is the final date for Sale and Lease of cotton acreage. May 1, 1974 is also the final date to release cotton acreage or to apply for the reappportionment of released acreage.

CERTIFICATION DATES

All crops must be reported and the acreages certified prior to the time of harvest. All small grains, including wheat, barley, oats and rye, should be re-

ported by June 1, 1974. The final certification date for all crops is July 15, 1974.

If you can't get PIONEER Brand 8311 here are some excellent alternative hybrids for High Plains farmers.

Pioneer Brand 8311, the "Golden Bronze Yield Leader," has been our most popular hybrid this year — so popular, in fact, that it may be in short supply in some areas. One reason is that the demand has been so great downstate where 8311's disease tolerance is so important. Fortunately, there are several other Pioneer Brand hybrids that are proven top performers on the High Plains. If you can't get 8311, ask your dealer about these.

- PIONEER Brand 8417**
This versatile yellow endosperm sorghum is a champion yielder in the medium-late maturity class, for irrigated or non-irrigated land. It has large open heads, uniform head height, strong stalks for easy threshing, good tolerance to smut and anthracnose.
- PIONEER Brand 820**
This top-notch full-season hybrid, is a consistently high yielder. Excellent drought resistance and standability plus good roots and stalks make it a good choice for irrigated or non-irrigated farming on the plains.
- PIONEER Brand 828**
One of the highest yielding sorghums you can plant, this full-season hybrid responds well to good management on good land with plenty of water. Plains growers like it because it holds its quality and threshes well even after an early freeze. It produces sturdy stalks with semi-compact heads of dark red grain.
- PIONEER Brand 846**
Famous for its versatility and adaptability, this medium maturity hybrid yields along with the full-season varieties. Resistant to smut, rust and MDM, its outstanding hybrid vigor and excellent drought resistance help it turn in consistently high yields even under stress.

2 MILES SOUTH OF NAZARETH ON FM168

READY FOR EASTER — Jan Noble poses amid flowers at Seale Florists where she works three days a week under the Dimmitt High School HECE program. Miss Noble makes deliveries, arranges flowers and dresses pot plants. She has been kept busy over the past week wrapping potted plants for Easter. Miss Noble is the daughter of Mr. and Mrs. E. B. Noble.

Nazareth students win second in UIL contest

Nazareth students placed second overall in the UIL Spring meet held at Cotton Center last week. Nazareth accumulated a total of 121 points and was second out of eleven schools. Mark Brockman, Theresa Kern and Keith Birkenfeld qualified for the regional meet April 20 in Lubbock.

Mark Brockman placed first in informative speaking and Angie Wilhelm was second.

Keith Birkenfeld was first in persuasive speaking and third place honors went to Mary Lynn Wilhelm.

Donna Acker won second in poetry interpretation and Glenn Dobmeier was sixth.

In prose reading competition, Elaine Acker placed second and Stanley Warren placed third. SHERYL SCHULTE and Tommy Wilhelm captured first in oral reading. Lori Huseman placed fourth in spelling while Theresa Kern placed second in typing and Elaine Schulte placed fifth.

Darryl Birkenfeld placed third in oral reading and Naomi Ramaekers placed fourth in competition in the junior high division.

In the elementary division Laura Kleman and David Huseman were first in fifth and sixth grade oral reading respectively.

The elementary picture memory team placed third and Tammie Heck placed second in story telling.

COMMON INCOME TAX ERRORS — Common errors are costly to farmers and ranchers at income tax time, says an economist for the Texas Agricultural Extension Service. Poor planning and record keeping are major mistakes along with failure to claim investment credit, failure to watch tax changes, failure to use capital gains fully, failure to deduct expenses for land clearing and soil and water conservation work, and failure to deduct expenses for business trips. Another major mistake is letting the tax accountant do all the work in preparing your income tax return.

4-H judging team competes Saturday

The Dimmitt 4-H Horse Club junior and senior judging teams competed in the district 4-H horse judging contest at Amarillo Saturday.

THE SENIOR team placed fourth in the competition, scoring 1105 points. The junior team scored 1013 points.

Senior team members include Jan Weatherford, Lisa Simpson and Tommy Dixon. Dixon finished seventh in individual scores in the competition.

Junior team members are Carol Bagwell, Robert Moore, Scott Bagley and Debbie Dennis.

According to Heidi Bruegel, club reporter, team members practices April 1-5 for the contest.

WHEAT acres will be up 1,000,000 from 1973 throughout the state, yet the crop will be about half that of 1973 because of the drought in west Texas and the Amarillo area.

Miss Acker chosen for 4-H office

Agnes Acker of the Nazareth 4-H was elected girls vice chairman of the District 4-H Council at a meeting Saturday in Canyon.

MISS ACKER, 17, is the daughter of Mr. and Mrs. David Acker of Nazareth. She has been active in 4-H nine years and has taken part in 18 4-H projects.

She has been named the county's Gold Star 4-H girl and has attended the National 4-H Congress in Chicago, 4-H Leadership Lab in Brownwood, 4-H Ecology Conference in Leakey and the district electric leadership camp in Cloudcroft, N.M. She was also a staff member at the Leadership Workshop at TSTI in Amarillo and attended the 4-H Roundup at College Station twice.

Miss Acker was recently informed that she has won a trip to the National Citizenship Shortcourse to be held this summer in Washington, D.C. Other Castro County 4-H members awarded a trip to the shortcourse included Patti and Carol Hochstein, daughters of

AGNES ACKER

Mr. and Mrs. William C. Hochstein and Donna Acker, daughter of Mr. and Mrs. Luke Acker, all of Nazareth.

SHEEP sales in Texas during January were 37 percent above a year ago and 90 percent above a month ago.

Central Plains plans community center here

The Central Plains Mental Health Center in Plainview is attempting to establish a therapeutic community center in Dimmitt.

ACCORDING to Dan Bruce, director of partial hospitalization and Roy Alexander, director of outreach services, the purpose of the center would be to assist individuals by providing an environment where individuals can discuss their problems in a supportive, yet realistic community.

Individuals can also be assisted in their efforts to maintain appropriate functioning in the community. Bruce and Alexander pointed out that three basic activities will constitute the program: group therapy, recreational therapy and occupational therapy.

A half-day program will be offered once a week at Dimmitt's outreach center. The services will be offered for six

weeks and the continued need for services will then be evaluated.

PROFESSIONALS and individuals of the community are requested to refer persons who might benefit from the program. Those interested in referring an individual to the program should contact Judy Birdwell at the local outreach office at 412 NW 3rd or Roy Alexander at the Plainview center.

OUT OF TOWN

VFW NEWS

By GERALD BROADSTREET

Greetings Comrades,

At our regular monthly meeting April 1 we had a pretty good crowd, but considering it being election I had hoped our attendance would have been better.

Here are the officers elected for the 1974-75 term. Commander, Rev. Ed Manning; Senior Vice Commander, Archie Bussey; Junior Vice Commander, Ned Smith; Quartermaster, Gerald Broadstreet; Adjutant, Glen Mayhew; Service Officer, Gordon Fore, Chaplain, Herman Acker; 3 Year Trustee, Charles Wilkerson.

All the other offices are appointive positions and when the incoming Commander makes the appointments I'll inform you.

THE LADIES Auxiliary also conducted their election that night and their new officers are as follows. Florene Leinen was elected President for the 7th straight term. Congratulations, Florene, you are doing an outstanding job and your reelection record proves it. My wife Linda was elected Senior Vice President and Ilene McElroy, Linda's mother, is Junior Vice President. Sylvia Stubblefield is Secretary-Treasurer, Kitty Johnson, Historian, Lurline Pope, Guard, Mildred Leinen, Conductress, and Beth Cook, Chaplain.

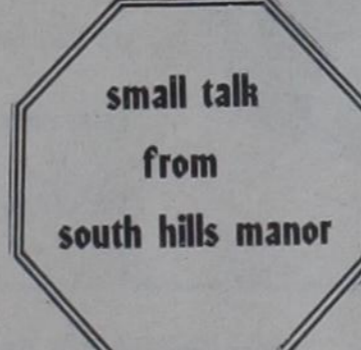

Next month we will have our installation ceremonies and at this time no exact date or time has been set. I would like to mention now that even when the new officers have been installed they will not assume duties of their offices until the end of the State Convention, June 24.

AT OUR meeting we discussed Loyalty Day (our next holiday). Commander Wilkerson will appoint a committee to plan events for this day. If this holiday was on a weekend it would make things a lot easier, but it falls on Wednesday and that makes it difficult for working people.

One other item we decided at the meeting was for the VFW to donate \$50.00 to the South Plains Council Boy Scouts of America. This money will be used to help maintain the Boy Scout campsites in this general area and pay the salaries of bookkeepers and the professional Scouts that keep the organization running.

COMRADES, keep in mind our District Convention will be in Paducah, Post 7528 on May 18 and 19. I hope you'll make plans to attend.

Because we were closed last week we did not have Game Night but everything is back to normal now and the activity gets underway this Wednesday at 8:30 p.m., so gather up the family and come on out for an evening of enjoyment.

By CATHRINE EASTER

Sunday devotional at 9 o'clock was led by Rev. Charles Harris, pastor of Lee Street Baptist Church. Mr. Alvin Frazier at the piano and Mr. Joe Dunn violin and soloist. The pastor read the 23rd Psalm, his theme, "The Importance of a Good Shepherd." An interesting lesson.

Mrs. Ivy, Messrs. John Dunn, Joe Dunn, Finley Cotton and LaRue gave a musical concert on Saturday evening. We enjoyed it to the fullest.

MRS. GLADYS Legg, Miss Madaline Bell and Miss Della Stagner of Hereford, Delta X Chapter, Delta Kappa Gamma Society, were here on Monday to visit with Cathrine Easter. They were on their way to Rhoads Memorial Library to place a book on the shelf in memory of Miss Hazel Merritt.

As usual we had a lot of visitors over the weekend who also enjoyed our lovely Easter decorations.

BRIGHT shining teeth can result from preventative health care — proper cleaning and regular visits to a dentist, points out Dr. Barbara A. Sears, health education specialist, Texas Agricultural Extension Service.

ANOTHER CHAMPIONSHIP — The AAA Flying Service team made it two championships in a row when they defeated the North Gin team Saturday night for the top trophy in the Dimmitt Young Farmers-Young Homemakers Volleyball Tournament. Here, Howard Smithson of the Young Farmers presents the championship trophy to the AAA team. From left, team members are Rodger Schilling, Randy Schilling, David Ellis, Charlie Hill, Freddie Hamilton and Gene Autry. The Field House Gang of Nazareth won third place, and Behrends Insurance of Dimmitt captured the consolation trophy.

Here's Hart's school menu

HERE ARE the school lunch menus for the Hart Schools for April 15-19.

Monday — Sure tender steak, creamed peas, buttered corn, cake, yeast rolls, milk and butter.

Tuesday — Spanish rice and ground beef, blackeyed peas, cabbage slaw, pineapple pudding, cornbread, milk and butter.

Wednesday — Fried chicken, cream gravy, hot rolls, whipped potatoes, green beans, plum cobbler, milk and butter.

Thursday — Pinto beans with ham, buttered spinach, candied yams, peaches, cornbread, milk and butter.

Friday — Sloppy Joes on homemade bun, tossed salad, potato chips, fruit cobbler and milk.

FOR THE coming changeover to metric measuring, inches and centimeters are opposite each other on six-inch (15-centimeters) sewing gauges, says Marilyn Brown, consumer education-clothing and textiles specialist, Texas Agricultural Extension Service.

LOOSE BALL — Dimmitt's Robin Ryan [15] battles two Springlake-Earth players for a rebound in the first round of the district Little Dribblers Tournament last Thursday in Bovina. In background are Dimmitt's Gary Malone [31] and Norris Cole [41]. Dimmitt's Major League All-Stars won the game, 29-16. Friday they topped Friona, 28-15, to advance

to the semi-finals, where they lost a double-overtime decision to Hale Center, 36-39, in the most exciting game of the tournament. The Dimmitt lads then lost to Farwell, 29-37, in the lower bracket semi-final game to finish in third place. Hale Center went on to defeat Farwell and capture the district championship.

Taking Up The Habit

Youngsters will be more likely to smoke cigarettes if their parents and teachers and "good examples" do. Please be a "good example" and don't smoke, says the American Cancer Society.

IN THE 21 leading broiler

producing states — of which Texas is one — there were 63,690,000 chicks placed during the week ending March 23, an increase of three percent over the same week last year.

Make It A Habit

Once a month, during a bath or shower, every woman should begin a quick breast self-examination. The American Cancer Society has a leaflet of instructions about this simple, but lifesaving procedure.

Tops Club officers installed Monday

The SOS Tops Club met Monday in the home of Mrs. Agnes Brockman in Nazareth for the installation of the Nazareth and Dimmitt officers.

DIMMITT officers installed included Genell Craig, leader, Oleda Schumacher, co-leader, Oleda Raper, secretary and Pat Powell, treasurer. Joyce Davis and Emily Clingingsmith were elected as weight recorders. Genell Craig was named

queen for the year and Dorothy Kleman was named "best loser" for the year. Mrs. Kleman was also named the six months queen.

Mayberry. Mayberry will also compete in the 100, 220 and broad jump and Parker will also compete in the 440. DHS track coach is Deane Wright.

CROP's annual report is released for 1973

The annual report for 1973 of the Christian Rural Overseas Program was released this month. Giving to CROP rose almost 40 percent in 1973. Total income for the hunger appeal in 1973 was \$3.2 million, an increase of \$864,000 over the 1972 campaign. Clothing appeal income credited to CROP was over \$2 million.

OF THE 12 states and 5 regions which participated in the 1973 campaign, the states that gave the most were Illinois with \$433,529 in cash, commodities and clothing, Kansas with \$410,704, followed by Indiana with \$369,941. Some of the regional offices made up of several states, such as the Mid-Atlantic region, reported total gifts in excess of three-quarters of a million dollars. The total market value of the contributions was \$5.2 million.

The gifts were distributed to thirteen nations in Africa, ten different nations in Asia, seven nations in Latin America, and four nations in the Middle East and Europe. The operational expense for CROP offices both nationally and locally was less than 20 percent of the contributions.

Texas CROP was up in total gifts in 1973 over gifts received in 1972. There were 48 canvasses and 23 walks. Blanket Sunday gifts far exceeded those of previous years.

THE TOP county for CROP in Texas was again Matagorda County with a total of \$9,778. This figure includes a walk, a canvass and special gifts. The Trull Foundation gave their largest contribution this year in their long history of gifts to CROP for the hungry around the world.

Counties which exceeded \$1,000 in gifts are Bastrop, Burleson, Caldwell, Colorado, Fort Bend, Guadalupe, Harris, Hays, Lavaca, Matagorda, Tarrant and Williamson. Many towns increased their gifts significantly over previous years and many supported CROP for the first time.

Texas CROP is endeavoring to enroll at least 500 persons to contribute a designated amount monthly to CROP. A gift of at least \$10 a month from 500 persons will make \$5000 available each month to be put immediately to work in alleviating world hunger. Possibly many will be able to give more than \$10 per month. Each contributor will be mailed a quarterly statement for tax purposes.

Write Texas CROP Office, 2704 Rio Grande, No. 9, Austin, 78705 today and ask for the brochure on special gifts. Your response is a matter of life and death to many.

First stage of highway work ends

The first stage in reconstruction of State Highway 194 from Dimmitt to 1.7 miles northwest of Hart is now complete according to the Texas Highway Department.

KERR Construction Co. Contractor has completed the grading, structures, flexible base and one course surface treatment portion of the total reconstruction proposed.

J. H. Strain and Son, Contractor, will begin work on the second stage on or about Tuesday. The work will consist of five inches of asphalt stabilized base and an asphaltic concrete pavement riding surface.

The project is expected to be totally completed by mid-summer.

Over 40?

When you round that 40 mark, it's a good idea to ask your physician for a "procto" when you have your annual physical. This examination can help find colon and rectum cancer in an early stage, when it's most curable. This advice from the American Cancer Society.

Let's Do It

To help wipe out cancer in your lifetime, support the American Cancer Society.

Saturdays — 8:30 - 12:00

HEREFORD, TEXAS

the GI Bill. Return those "cert" cards promptly to insure payment of education allowances for the final month of training!

For most veterans, final months of training are May or June, and most "cert" cards will be mailed in April. Forms already have been mailed to veterans whose enrollment periods end earlier, however. There are 36,568 veterans attending colleges and universities in the Waco Regional Office service area and for most of them the semester will end in May.

It was also pointed out that veterans attending college un-

der the GI Bill must keep VA informed on changes in the number of dependents or education programs.

At the same time college registrars should insure that the veteran's enrollment for the school term is certified promptly to the Veterans Administration to keep his allowance checks coming on time.

Details on education benefits are available at VA offices, veterans county service offices, or from local veterans service organizations.

VETERAN educational benefits for most veterans must be completed within eight years from the date of discharge. For Texas veterans who have no further VA benefits, the State Hazlewood Act can help with the tuition costs.

It's in the legislative mill in Washington to raise subsistence monthly payments to \$300 for a single veteran plus some additional for dependents. I noted over TV last week that a New York veteran said he could not live on that and go to school. Some think that the WWII veterans had greater benefits. I took a three year graduate degree on the WW II GI Bill. I did not personally know of any veterans in the university I attended who did not have to work some also.

No other country on earth gives as much to veterans as the good old USA. It's in appreciation for sacrificial services that we have these benefits. I'm sure a right thinking veteran is very appreciative in return. I was and am so now. Vietnam veterans are worthy of all benefits to which they are eligible; but to have them application must be made on the proper forms. We have most of them and can supply needed information in our office.

Your County Veterans Affairs Office will be closed the first part of the week after Easter Sunday but will be open for the regular office hours on Friday.

Delegates take 30 day recess

The delegates to the Texas Constitutional Convention recessed from their duties in Austin Friday and plan to reconvene May 6. The delegates spent the week prior to the April 5 recess debating the proposed Legislative Article to the new Constitution.

REP. BILL Clayton, one of the West Texas delegates to the convention, reported that the majority of the work on the Legislative Article was completed when the convention recessed. Clayton noted that only two other major articles, the Article on the Judiciary and the important General Provisions Article have not been considered by the Convention at this time.

Questioned about the reasons for the 30 day adjournment, Rep. Clayton gave the following statement:

"There are four major reasons for the recess. First, it will give the Style and Drafting Committee the time it needs to catch up on the articles that we have already passed. Secondly, the break will give delegates time to reflect on the actions they have already taken and allow them time for re-evaluation before the articles are brought up for final debate.

"The third main reason for the recess," Clayton continued, "is to give the delegates time to meet with their constituents and get their reaction to the articles already passed and those not yet considered. Finally, the recess will give the delegates a few days time away from Austin to spend in their campaigns for re-election."

REP. CLAYTON noted that he is strongly interested in meeting with any individuals, groups, clubs or organizations in the area to discuss the proposed constitution and its revision. Clayton can be contacted at his Springlake home, phone no. 806-986-2611 during the convention recess.

Nazareth News

City elections held Saturday

By MRS. AGNES BROCKMAN

Nazareth held an election for city mayor and two commissioners last Saturday. Urban Ball was elected mayor and Gregory Schacher and Joe Lange were elected our commissioners.

QUITE A number of relatives and friends attended the funeral of Wayne Gerber, son of the Ray Gerbers of Umberger. He was found Saturday morning on a dirt road near Bushland. His car had rolled over several times and was probably lying there several hours, they reported.

Mr. and Mrs. Paul Venhaus visited their son Greg and family Sunday in Friona. They also attended Mass there. The Tom Brockmans also spent Sunday afternoon in Friona.

Most of the students from college came home last weekend for the Easter holidays.

The Nazareth Fire Department was called to the Kendrick's farm Sunday afternoon to help fight a fire. They still had the misfortune of losing their house, garage and some appliances.

A NUMBER of folks from Nazareth went to Rhineland over the weekend to help celebrate the 90th birthday of Mrs. Homer Birkenfeld. She is the mother of Leonard, Lawrence and the late Chris Birkenfeld. Those attending the celebration from here were Rose Birkenfeld, Lizzie Marcella, Petrinella and Rita and Robert Pohlmeier, also Anna Ehly, the Leonard Birkenfelds and Richard, the Carol Birkenfelds and children, Leslie and the Lawrence Birkenfelds and Charles. Monday the Lawrence Birkenfelds went

to Wichita Falls to see Lorene's mother. Sister Immaculata also went along to Rhineland to see her mother.

Mrs. Greg Pohlmeier from Phoenix, Ariz. has been spending some time with her mother in Plainview who has been very sick.

The Catholic Daughters had a reception last Tuesday evening with eight new members joining the Society. Bishop DeFalco was present for the occasion and said the Mass. He was

assisted by Rev. Father Stanley.

Mr. and Mrs. Florence Albracht left last Monday for Spears Chiropractic Clinic in Denver, Colo. Florence will be taking treatments there for some time.

A BRIDAL shower was given for Jackie Guggemos in the home of Cornelia Annen Sunday afternoon. Ann Schulte, Martha Schulte, Gail Dobbmeier, Jean Sealy and Dolores Heck were the hostesses.

Father Stanley, Max Acker, Rosemary Wilhelm and Lucille Drerup went to the Home Show in Amarillo at the Civic Center last Saturday.

Monday evening the Tops Club from Dimmitt and Nazareth met in the home of Agnes Brockman for the installation of new officers and a salad supper.

Gerrie Russell and Kathy Brockman, daughters of the Jerome Brockmans, who are both students at West Texas State University, took part in the Southwest State University Track Meet at San Marcos over the weekend. Gerrie placed second in the high jump and sixth in the 880 medley.

Kathy placed fourth in the 440 relay. West Texas State placed fourth in competition with fifteen other schools.

MR. AND MRS. Gene Hubbard and daughters Malia and Trina of Fort Worth came Thursday night to attend the funeral Friday for James Marcum at Littlefield and burial at Hereford.

On Saturday evening they had a birthday supper for Daddy Annen. Those attending were the Gene Hubbards and girls of Fort Worth, the Lerry Spencers and girls of Amarillo, the Bob Kenworthys, McLain children, Cornelia Annen and Claude, August Huseman. They spent the evening visiting.

On Wednesday evening Mr. Blanton Armstrong of Amarillo and daughters Ilene and Colleen who are attending college at T.C.U. came out to visit the Raymond Annens.

Sunday evening Raymond Annen entered Northwest Texas Hospital to have foot surgery and will be there several days.

UNDEFEATED — Dimmitt Junior High School's seventh grade track team won first place trophies in meets at Friona, Olton and Boys Ranch, then won the district championship at Olton. Team members pictured from left, front row include Phillip Robison, Alajandro Navarro, Eddie Cheshier, Eloy Gonzales, Larry Bossett and Chris Fry. Second row, from left,

Johnny Merritt, Randy Roberts, Jesse Enriquez, John Blackburn, Jimmy Esqueda, Randy Lunsford and David Montiel. Back row from left, Ronnie Sears, manager, Gary Bruegel, Brent Graef, Randy Hunter, Rolando Trevino, Mark Summers, Richard Espinosa and Dennis Veals. Joel Reese is the seventh grade coach.

TO PROVIDE a successful learning experience, an allowance must be regular and in line with a child's activities and ability to handle money, according to Dorothy Taylor, family life education specialist, Texas Agricultural Extension Service.

Time Is Running Short

To Get Your Checks In To Better Weather, Inc.

The DEADLINE for paying 90¢ per cultivated acre has been EXTENDED to APRIL 15.

Castro County has over \$20,000 at this time . But we need to raise approximately \$40,000 to supply our share of the funds for this important hail-suppression project.

Total cost of the three-plane operation is \$160,000. The hail suppression area includes most of Lamb and Castro Counties.

The general thinking of the board is that we need the three-plane operation to cover the area adequately.

Present your check to Valerie Davis at the First State Bank, Dimmitt

(And please do it NOW!)

Please Use Complete Address And ASCS Farm Number

It Has Been Recommended That Payments Be Made In Accordance With The Way You Pay Rent

Better Weather, Inc.

American mills run more cotton

American mills are running more cotton.

THAT WAS the crux of a new report issued by Cotton Incorporated, the research, sales and marketing company sponsored by US cotton growers.

Cotton Incorporated President J. Dukes Wooters Jr. said figures just compiled for February show that the seasonally adjusted daily usage of Upland cotton by US mills was 29,700 bales — an increase of 1,600 bales a day over January consumption.

"It's been a long time since the daily cotton usage rate

showed such a dramatic turnaround from one month to the next," said Wooters.

The report also shows that the usage rate in February was up 600 bales over the figure for February 1973.

WOOTERS SAID the new report from his company's economic research and development analysts backs up Cotton Incorporated's position that demand for cotton from the 1974 crop will continue strong and prices for producers will remain in the 60-cent range.

"America's cotton growers have demonstrated that they respond to marketplace demands. They deliver when they can make a profit," said Wooters.

"As long as mills continue to signal their demand by bidding a price that will allow producers a profit, producers will continue to deliver."

NATIONWIDE, the 1973-74 grapefruit crop is forecast to be down one percent from the February 1 estimate and two percent below last season.

TO COMPETE IN HURDLES — Kenny Smith will represent Dimmitt High School at the regional track meet to be held in Odessa April 19 and 20. He will compete in the high hurdles. Smith is coached by Deane Wright.

Special HD events set

By IRENE KEATING

April is a busy month with several major "happenings". We're busy with 4-H Food Shows and Method Demonstrations at both county and district levels. Our leaders have been busy and they've done an excellent job. Thank you all. Thank you to the parents who make it possible for their children to be active in 4-H.

Now is the time to mark your calendar for these events. There will be a clothing creation and design workshop at 2:00 p.m. in the Assembly Room of the Courthouse on these dates: April 11, 23 and 25. Also a special interest program "Your Food Dollar" will be conducted April 30 at 2:00 p.m. in the Assembly Room of the Courthouse. May 1 is the PEP Family Living Youth Task Force Cancer Seminar in Amarillo. Luncheon tickets are \$3.00 per person (or you may eat elsewhere). I need your money by April 19 if you want a ticket. I do hope you'll plan to attend.

AMONG SEVERAL items I found interesting are these tested methods for ruining an organization.

1. Don't come to the meetings.
2. If you do come, come late.
3. Find fault with officers

and members.

4. Never accept an office.

5. Nevertheless, get annoyed if you aren't appointed to a committee.

6. If appointed to a committee, don't attend its meeting.

7. If asked by the chairman to give your opinion, say nothing. After meeting, tell everyone how things should have been done.

8. Do no more than necessary. When other members roll up their sleeves to help things along, say the association is run by a clique.

9. Hold back your dues as long as possible, or don't pay at all.

10. Don't bother about getting new members.

This is food for thought isn't it?

DID YOU know women today do 85 percent of the buying and make 42 percent of all income tax returns? In addition, they inherit 70 percent of money and property, own 57 percent of the savings accounts in banks and own two-thirds of the US Savings Bonds.

The Home Demonstration Council will again be sponsoring a birthday calendar with the year going from July 1 to June 30, 1975. The school events and holidays will be on this. If you want a calendar be sure to contact a club member — birthdays and anniversaries are printed on these calendars. Club presidents are Lindon Hollins, Margaret Womack, Maxine Ballard and Frances Smith.

Remember the District I T.H.D.A. meeting in Borger on April 18 at the Dome from 10:00 a.m. till about 3:00 p.m. This is for all club women and speakers will include Judge Mary Lou Robinson of Amarillo and Mrs. Florence Low of the Texas Agricultural Extension Service at College Station.

I hope all of you have a nice Easter. A little time off is good for all of us to refresh and relax.

Stem The Tide

Do you care enough to help stem the tide of cancer by supporting the American Cancer Society's programs of research, education, and service? Give generously to defeat cancer.

VIRTUALLY all of the grapefruit and most of the Valencia oranges have been harvested, although Valencia harvesting is expected to remain active during the remainder of the month.

Marcum rites held Friday

Funeral services were held Friday in the First Baptist Church in Littlefield for James L. Marcum III, 24, a former Dimmitt resident.

REV. H. L. Thurston, a retired Methodist minister, officiated, assisted by Rev. A. J. Kennemer, pastor of the First Baptist Church and Rev. David Hamblin, pastor of the First Methodist Church in Littlefield.

Marcum died last Tuesday in Lubbock Methodist Hospital of injuries received when he was caught in the wheel of a self-propelled sprinkler system at his farm near Littlefield.

He apparently became entangled in the spokes of the irrigation wheel as he attempted to shut off a sprinkler system. At the time of the accident the wind was whipping in gusts of up to 60 mph.

Marcum was born in Memphis and moved to Littlefield from Dimmitt in November of 1972. He was the sales manager for Marcum Olds-Cadillac in Littlefield.

A 1967 graduate of Hereford High School, he graduated from Commonwealth College of Mortuary Science in Houston in 1970.

Marcum was a member of the First Baptist Church, treasurer of the Littlefield Lions Club, a member of the Quarterback Club, the Lamb County Sheriff's Posse and Texas Funeral Directors and Embalmers Association.

Survivors include his wife, Pam, of the home; a son, Mitch of the home; a daughter, Missy of the home; his father, J. L.

Last rites held for J. D. Seal

Funeral services were held in Plainview March 29 for J. D. Seal, father of Arlene Oldfield of Dimmitt.

MR. SEAL, a retired farmer, died March 27 in Plainview. Last rites were conducted at Plainview's First Assembly of God Church. Burial was in Plainview Cemetery.

Mr. Seal farmed many years east of Tulia, and lived in Amarillo seven years after his retirement. He moved from Amarillo to Plainview a year ago.

He is survived by four sons and six daughters, including Mrs. Oldfield; one sister; 26 grandchildren and 13 great grandchildren.

IQ (I Quit)

Want to test your IQ? Think about the dangers of cigarette smoking, then pick a day to quit, an I.Q. Day. That bit of good health advice comes from your American Cancer Society.

cancer of the uterine cervix. It's the best way to safeguard against this form of cancer, says the American Cancer Society.

Special HD events set
By IRENE KEATING
April is a busy month with several major "happenings". We're busy with 4-H Food Shows and Method Demonstrations at both county and district levels. Our leaders have been busy and they've done an excellent job. Thank you all. Thank you to the parents who make it possible for their children to be active in 4-H. Now is the time to mark your calendar for these events. There will be a clothing creation and design workshop at 2:00 p.m. in the Assembly Room of the Courthouse on these dates: April 11, 23 and 25. Also a special interest program "Your Food Dollar" will be conducted April 30 at 2:00 p.m. in the Assembly Room of the Courthouse. May 1 is the PEP Family Living Youth Task Force Cancer Seminar in Amarillo. Luncheon tickets are \$3.00 per person (or you may eat elsewhere). I need your money by April 19 if you want a ticket. I do hope you'll plan to attend. AMONG SEVERAL items I found interesting are these tested methods for ruining an organization. 1. Don't come to the meetings. 2. If you do come, come late. 3. Find fault with officers and members. 4. Never accept an office. 5. Nevertheless, get annoyed if you aren't appointed to a committee. 6. If appointed to a committee, don't attend its meeting. 7. If asked by the chairman to give your opinion, say nothing. After meeting, tell everyone how things should have been done. 8. Do no more than necessary. When other members roll up their sleeves to help things along, say the association is run by a clique. 9. Hold back your dues as long as possible, or don't pay at all. 10. Don't bother about getting new members. This is food for thought isn't it? DID YOU know women today do 85 percent of the buying and make 42 percent of all income tax returns? In addition, they inherit 70 percent of money and property, own 57 percent of the savings accounts in banks and own two-thirds of the US Savings Bonds. The Home Demonstration Council will again be sponsoring a birthday calendar with the year going from July 1 to June 30, 1975. The school events and holidays will be on this. If you want a calendar be sure to contact a club member — birthdays and anniversaries are printed on these calendars. Club presidents are Lindon Hollins, Margaret Womack, Maxine Ballard and Frances Smith. Remember the District I T.H.D.A. meeting in Borger on April 18 at the Dome from 10:00 a.m. till about 3:00 p.m. This is for all club women and speakers will include Judge Mary Lou Robinson of Amarillo and Mrs. Florence Low of the Texas Agricultural Extension Service at College Station. I hope all of you have a nice Easter. A little time off is good for all of us to refresh and relax. Stem The Tide Do you care enough to help stem the tide of cancer by supporting the American Cancer Society's programs of research, education, and service? Give generously to defeat cancer. VIRTUALLY all of the grapefruit and most of the Valencia oranges have been harvested, although Valencia harvesting is expected to remain active during the remainder of the month.

Last rites held for J. D. Seal
Funeral services were held in Plainview March 29 for J. D. Seal, father of Arlene Oldfield of Dimmitt. MR. SEAL, a retired farmer, died March 27 in Plainview. Last rites were conducted at Plainview's First Assembly of God Church. Burial was in Plainview Cemetery. Mr. Seal farmed many years east of Tulia, and lived in Amarillo seven years after his retirement. He moved from Amarillo to Plainview a year ago. He is survived by four sons and six daughters, including Mrs. Oldfield; one sister; 26 grandchildren and 13 great grandchildren.

ELECTRIC Water Heaters
ELECTRICITY-IT DOES SO MUCH GOOD
Modern ELECTRIC Water Heating
FOR SO MANY PEOPLE
WE SELL, SERVICE, INSTALL, FINANCE & GUARANTEE 'EM!
Call Us!

That's right, you can store stuff on top of an electric water heater, because there's no flue or vent to take up valuable storage space. And, an electric water heater can be installed practically anywhere... all it takes is a water source and an electrical outlet. You can also store stuff right next to an electric water heater, because it's insulated on all sides. It's cool to the touch. So do yourself a favor and find out all the details.

WE PUT MORE INTO OUR IRRIGATION SYSTEMS SO YOU GET MORE OUT.
When you buy Gifford-Hill irrigation equipment, you get a lot more than just equipment. You get a quality product. One that's proven itself superior to anything in the field. You see, Gifford-Hill is one of the nation's leading suppliers of irrigation equipment, and has been for over 20 years. And one of the reasons we have remained a leader is our concern for quality. That along with our understanding of the problems you face. Take our 360 pivotal sprinkler for example. It's a classic. The 360 is recognized throughout the industry as the most sophisticated, yet the simplest to operate, pivotal system on the market. But it's the little things, the care in designing and engineering, that really set the 360 apart from all the others. For example, the water pattern is unique. By placing the sprinkler heads further apart near the pivot point and closer together at the end, the 360 applies water uniformly along the entire length of the system. We also make the best surface irrigation pipe around. Each joint of our aluminum pipe is manufactured under stringent quality controls. And it's roll-welded.

to insure uniform wall thickness. Gifford-Hill makes the most dependable and economical pipe available for underground installation, too. Vanguard PVC Plastic Pipe. Aside from durability and flexibility, Vanguard features an exclusive rubber gasket joint. Thousands of feet can be installed in one day. In practically any kind of weather. Of course these are only a few of the outstanding features of our products. The point is that we know and understand the problems you face everyday. And we have the expertise and equipment to help you solve them. But more important, we stand behind our products. We make them. And we guarantee them. So, if you have an irrigation problem, call the irrigation experts. Call Gifford-Hill. For more information on these and other Gifford-Hill products, contact your nearest Gifford-Hill representative. **GIFFORD-HILL & COMPANY, INC.**

VICTOR'S REWARD — Members of the Bruegel & Sons team admire the women's championship trophy they won in the Young Farmers-Young Homemakers Volleyball Tournament Saturday night. The Bruegel & Sons team defeated Dimmitt Consumers for the championship. Grain Handlers of Hereford finished in third place, while the Flagg Bunch captured the consolation trophy. Members of the championship team, from left, are Edna Schilling, Beverly Hill, Clea Wilkerson, Joyce Rickerd, Yvonne Wilcox, Ann Armstrong, Wanda Murdock and Jo Hamilton.

Nazareth cinderwomen win district title

Nazareth cinderwomen captured the District 4-B track championship Tuesday at Hale Center, amassing a total of 196 points on their way to victory. BEVERLY Heck led the Swiftettes to the championship as she took firsts in the long jump and 440 and ran legs on the winning 440 and mile relay teams. Agnes Acker won the triple jump, clearing a distance of 30-1 1/2. Elaine Schulte won the high jump, clearing 4-10. The 440 yard relay team made up Miss Heck, Ka Blair, Vera Birkenfeld and Cindy Schacher turned in a winning time of 53.5 in a blustery wind. Miss Heck turned in a time of 63.7 in winning the 440. Ka Blair captured the 220 in a time of 29.5 and Cindy Schacher won the 60 yard dash in a time of 7.8. Carol Hochstein won the 880 in a time of 2:43.3 and the mile relay team made up Miss Heck, Agnes Acker, Shirley Maurer and Su Blair turned in a winning time of 4:35.7. JOHN BLAIR is the NHS girls' track coach.

DHS Key Clubbers attend convention

Five Dimmitt High School Key Club members, accompanied by two Kiwanians, attended the annual convention of the Texas-Oklahoma District, Key Club International, last week in San Antonio. VOTING delegates from the DHS chapter were Max Wohlgenuth and Lee Stokes. Other Key Clubbers attending the convention were Jerry Schaeffer, Steve King and Curtis Bruegel. The youths were accompanied by Carl Bruegel and Dale Fowler of the Kiwanis Club of Dimmitt. Key Club is a service organization for high school boys, sponsored by Kiwanis. The DHS Key Club has 21 members. This was the first DHS Key Club delegation ever to attend a district convention. The local youths earned much of the money for their convention expenses. WOHLGEMUTH and Schaeffer reported on the convention at the Kiwanis Club's noon meeting Tuesday. "One of the main debates came up over the number of members required to get or keep a Key Club charter," Wohlgenuth said. "Division 33, our division, voted against the minimum charter requirement of 15 members because we have a lot of small towns in our area and sometimes some of our clubs might drop below 15 members, but we wouldn't want to lose our Key Clubs because of it. The present minimum membership is 10. This will come up again later at the national convention." The district convention was held in San Antonio's Convention Center, the former HemisFair site. Three thousand youths from throughout Texas and Oklahoma attended, Schaeffer and Wohlgenuth reported. CONVENTION speakers in-

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX
Wishing you love and happiness at Eastertime. SPRINGTIME IS LOVETIME By Dean Walley
Springtime is lovetime. . . a dove-on-the-wing-time. . . Spring is romance, it's a dance and a sing-time! Springtime's a shower-time that soon will bring flower-time. . . A sit in the shade and spend-quiet-hour-time. It's the spring fever season made bright by the sun. . . A reason to get up and go and have fun! Springtime's a party where dear hearts can meet. . . A beckoning pathway to New Friendship Street. The zing that's in Spring makes chores bubble away. . . And the spring song in you makes you merry as May! But the reason that springtime is feel-like-a-king-time. . . Is that blue skies above start the season of love. Yes. . . Springtime is Lovetime. . . that always holds true. When some special someone shares springtime with you!

their way to the Little Dribblers ballgame. Hazel Nelson and Bobbie Bruegel brought the Cub Scouts, Den 2, to see the library. The boys who came were: Mark and John Bruegel, Robert Nelson, Kennen Howell, Scott Nelson, Chris Grand, Timmy Kenworthy, Scott Simpson and David Barton. We are always glad to show anyone through our new library and we would like to encourage any group to come to the library at any time. Robert Froehner was in while he was here on his spring vacation. He enjoyed looking through the medical books since he is studying to be a doctor. Bob Wear, Hubert Henry and Paul Carmickle, all from Littlefield, came up to see our library. Littlefield is in the planning stages for a new library and we are happy for them. At the library workshop in Lubbock last August Mrs. Hicks, the Littlefield librarian, said "Are we the only library left in the basement of the courthouse?!"

Garden Club plans poster contest

The Dimmitt Garden Club will sponsor an anti-litter poster contest to be held at South Elementary in conjunction with the club's community awareness program. FIRST, second and third graders will compete in the contest and winners will be named in each grade. The first place winner will receive two silver dollars and a silver dollar will also go to the second place winner. The third place winner will receive 50 cents and 25 cents will go to those children receiving honorable mentions. South Elementary teachers will supervise the contest and Garden Club members will judge the posters. Garden Club members remind city residents that during windy days many trash barrels are blown over and may not be picked up for several days. Club members ask, "Why not pick up some of the trash that has blown out of these barrels and keep it from blowing into someone else's alley?" MEMBERS ALSO remind city residents to observe "National Clean-Up Day" April 27.

Lions set elections

The Dimmitt Lions Club will elect new officers April 23, to take office July 1. ALSO, a new club sweetheart will be elected the same day to succeed Rhenea Baker at the end of the current school year. The club's nominating committee will report at Tuesday's luncheon meeting in the Colonial Inn, and at the following week's meeting candidates will be heard and ballots will be cast.

TEXAS is in seventh place in the nation in the number of broiler chicks placed in 1973.

A BIG thank you to the ladies who worked in the library while Phoebe and I went to the Texas Library Association Conference in San Antonio — Mildred Bradford, Sue Merritt, Ronda Tidwell (stayed two times), Stephanie Love, Maxie Horton, Esta Vandiver, Shirley Stephens (who stayed all day), Edna Riley and Sue Howell. Leora Little, Maxie Horton and Maxine Tidwell did the planning, which takes time, and we appreciate all the time that was spent! Jean DuLaney says she was in one day long enough to show the library to Carl King, who had come in to give a memorial for Congressman George Mahon's brother, Durwood Mahon, who died a few weeks ago. Also while we were gone Ann Touchstone told stories to 18 children at the Children's Story Hour. Thanks, Ann.

INTERESTING people in the library: Mr. and Mrs. Joe Collins came in for a quick tour and to donate a subscription to a magazine for the library. . . Dale Maxwell came in to do some research the afternoon of the big sandstorm (which reminded some of us of the sandstorms of the 30's). . . John Womack brought his wife Margaret in to get some books since she had a broken ankle. She was getting around on crutches and she said she was using a wheelchair at home. . . Mr. Rich and his son Tracy came in on Friday on

NAZARETH CINDERMEN who will be competing in the regional track meet April 19 and 20 include, from left, Keith Birkenfeld, mile run, and Kevin Huseman, Charles Heck, Pete

Gonzales and Darrell Huseman in the sprint and mile relays. Heck will also be competing in the broad jump. NHS track coach is Bruce Bush.

Little Dribblers

Dimmitt majors, Hart minors do well in district tourney

Dimmitt's Little Dribblers All-Stars came within a net-swing Saturday of gaining a trip to the state tournament in the senior division. BUT A double-overtime loss to district champion Hale Center in the semifinals and a defeat by Farwell in the comeback bracket dropped Dimmitt to third place in the 12-team playoff with a 2-2 tournament record. Hart's junior all-stars also made a run for the championship in their division, but a one-point setback by Bovina in the second round and a two-point defeat by Plains in the quarterfinals eliminated them. Before the scrappy Hart crew went down, though, they eliminated Dimmitt's junior all-stars with a 33-31 decision in the first round and a 24-19 win in the third round. HART'S SENIOR all-stars were eliminated in two games, losing to Friona in the first game and to Springlake-Earth in the second. The big district tourney was held in Bovina Thursday, Friday and Saturday, with a dozen teams competing in each division. The Bovina Jaycees ran the tournament. Both Hale Center and Farwell, as the first and second place finishers for the tournament, will represent the district in the senior division state playoffs in Seagraves this weekend. The state champion will advance to the National Little Dribblers Tournament in Levelland. DIMMITT'S senior all-stars started the tournament with a 29-16 victory over Springlake-Earth last Thursday afternoon. In the second round Friday morning, the Dimmitt lads downed Friona, 28-15, to advance to the semifinals. Then came the tournament's most exciting game, the double-overtime affair between Dimmitt and Hale Center in the semifinals of the winners' bracket Saturday morning. With pinpoint outside shooting and well-executed screening, Hale Center took a 16-12 advantage in the first quarter and held on to lead 22-17 at halftime. BUT DIMMITT took command in the third period, holding the Hale Center offense to five points while retaliating with 11 to finish the third quarter with a 28-27 lead. Both teams concentrated on defense in the fourth stanza, and when the buzzer sounded the score was knotted at 32-32. A basket in the last half-minute that would have given Dimmitt a four-point edge was disallowed, and Hale Center scored in the final seconds to tie the game and sent it into overtime. A large gallery of screaming fans saw the two teams battle to a 36-36 tie in the first overtime, with Hale Center still having to play catch-up in the waning seconds. BUT LATE in the second overtime the Hale Center lads struck for a three-point lead and successfully fought off Dimmitt's press to win the game, 39-36. The victory sent the Hale Center lads into the championship game and guaranteed them a trip to the state playoffs. The loss dropped Dimmitt into another semifinal game five hours later, this time against a fine Farwell team that had lost to Hale Center in the opening round and had been battling back out of the pit for a second crack at the title. Dimmitt jumped to a quick 8-0 lead, but then Farwell

retaliated with five straight buckets to lead 10-8 at the end of the first quarter. From that point the Farwell lads built their advantage slowly but steadily, leading by 20-15 at halftime, 29-22 at the end of the third and 37-29 when the final buzzer sounded. In the championship game Saturday night, Farwell led Hale Center by as much as nine points until the fourth period, when Hale Center pulled out a four-point victory for the championship. HART'S senior all-stars lost to Friona, 21-15, in the opening round, then were eliminated by Springlake-Earth, 34-29, in the first round of the losers' bracket Friday. Springlake-Earth advanced to the quarterfinals in the comeback bracket before losing to Farwell, 42-27. In the junior division, Hart topped Dimmitt 33-31 in the first round, but lost a close 26-25 decision to Bovina in the second round of the winners' bracket. The Dimmitt juniors, meanwhile, creamed Kress by a 36-9 count in the first round of the comeback bracket to set up a second meeting with Hart. And for a second time Hart downed Dimmitt — this time by a 24-19 score. In the quarterfinals, Hart lost to Plains in another cliff-hanger, 36-34, to bow out of the tourney.

Commissioners send truck to Nazareth

County commissioners voted Monday to give the county's 1953 model GMC fire truck to the Nazareth Volunteer Fire Department. THE commissioners took the action due to a need for space at the Dimmitt fire station. Additional space will be required at the Dimmitt station to house new firefighting equipment to arrive at a future date. Nazareth firemen will use the old county truck while awaiting the arrival of a new four wheel drive truck. In other action, the commissioners approved an agreement with the Panhandle Regional Planning Commission to implement a Manpower program locally.

Rotary learns of 'Big Brother' plan

Dimmitt's Rotarians learned Friday about the "Big Brothers, Big Sisters" program for youngsters from one-parent families. EXPLAINING the program was Joanne Dwyer, executive director of the new Hereford Big Brothers-Big Sisters. She explained how volunteer adults are "assigned" to youngsters to help fill the companionship void created by a missing parent. "But this is not a foster parenthood program," Mrs. Dwyer said. "The title of 'Big Brothers' and 'Big Sisters' were deliberately chosen to denote friendship, not foster parenthood." Hereford's program is funded by the United Appeal, with a \$6,500 budget. It was started three months ago on a year-round basis with a full-time director. Amarillo, which has had the program 13 years, is the site of the regional service center for the national program. "OUR PROGRAM establishes a one man to one boy, or one woman to one girl, relationship," Mrs. Dwyer said. "Anyone 18 or older can be a Big Brother or Big Sister. We encourage each Big Brother and Big Sister to take part in one event per week with their Little Brother or Little Sister, on a regular basis. It can be a game, a picnic, a shopping trip, a trip to the library, or anything. "We try to match the interests of the Big Brother with those of the Little Brother," she added. "You don't want to match a man who plays chess with a boy who likes to play outdoors. "Kids always are saying, 'There's nothing to do here, no matter where they live,'" she continued. "But if you look around you, you'll find there are plenty of fascinating things, and plenty of ways an older person can help a younger one in this respect. One of our Big Brothers, for instance, is a pilot — and he's opening up a whole new world to his Little Brother." MANY one-parent children have simply never had the opportunity to expand their horizons, she said, and this is one of the main purposes of the program. "I've had a boy who is 9 and one who is 7 who have never been fishing — who don't even know how to start," Mrs. Dwyer said. "Also, I've had a 12-year-old who was asked to draw a picture of a man and a woman, and couldn't draw a man — there had never been a man in his life." The program is not designed to rehabilitate juvenile delinquents, she said, although this could be one of the benefits. "The program is to prevent more than to repair," Mrs. Dwyer explained. "It isn't a rehabilitation program as such." NOR IS IT designed just to provide poor children with a better slice of life, because rich children sometimes are more "deprived" than poorer ones, she said. Prospective Little Brothers and Little Sisters are found "in various ways — by referrals from the schools, from parents and individuals," she said. "And now our Little Brothers and Little Sisters are referring other kids who want Big Brothers and Big Sisters, too."

Roundup schedule planned Monday

The Castro County Activities Committee met Monday night to plan a tentative schedule for the 1974 Castro County Roundup. HERE'S THE tentative schedule for this year's Roundup: Saturday, Aug. 10 — Hart Day Sunday, Aug. 11 — German Folk Festival at Nazareth carnival opens Tuesday, Aug. 13 — Square dance Thursday, Aug. 15 — Rodeo opens, kid day and concert Friday, Aug. 16 — Fiesta, rodeo and carnival Saturday, Aug. 17 — Old Settlers reunion, parade, barbecue, rodeo finals, last night of the carnival, beard judging and western dress judging. The Roundup committee is still accepting suggestions for Monday, Tuesday and Wednesday activities. MANY OF this year's activities will be held in the new county show barn. Avery Thrasher is serving as the Activities Committee chairman.

Burglars hit Dimmitt home

Burglars struck the Ike Moore home at 724 Oak last week, making off with a stereo tape player, two speakers and a number of tapes. ACCORDING to city police chief W. W. Jones the burglary occurred last Tuesday and is still under investigation.

Sod house survey being conducted

Did you ever live in a sod house, a dugout, or an adobe building; or were you born in one? Did you ever teach school, attend school or church services in such a building, or help build one? Or are you a child or former a grandchild of a former pioneer sod house dweller or builder? IF YOU can answer "yes" to any of these questions, the Sod House Society of America, with headquarters at Colby, Kan., would like to hear from you. The unique society is making a survey and census of people who have had any kind of personal experience with sod structures, including descendants of such persons. Sod houses, dugouts, part sod, and adobe buildings were once common in the United States, Canada and Mexico. All former sod dwellers and descendants of a family that can claim a part of the sod house heritage during the pioneer settlement era of North America, or in more recent times, will be listed by the society in a permanent historical record of sod, dugout, and adobe dwellers and their families. Sod buildings in some form were used in well over half the North American continent. TO MAKE this survey a success, information is needed from people in all parts of North America. If you have any information concerning present or former sod dwellers, a report of this will be most welcome. Please tell where the buildings were located, and give family names, as well as your own. Reports should be sent to: Sod House Survey of Texas, Colby, Kansas 67701.

Teacher banquet date is announced

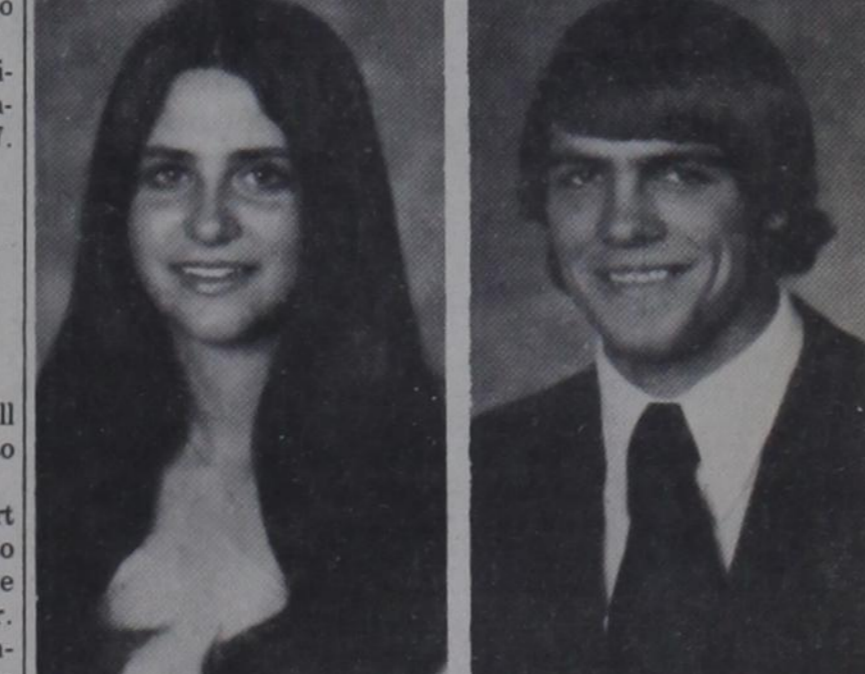

The annual Teacher Appreciation Banquet, co-sponsored by four Dimmitt civic clubs, will be held Thursday night, April 25. M. E. CLEAVINGER is the general chairman for this year's public banquet honoring Dimmitt's teachers. Co-sponsored by the Dimmitt Lions Club, Kiwanis, Rotary and Jaycees, the banquet will be held in the South Elementary School cafeteria. Individual teachers will receive service awards from Supt. Charlie White, and the Jaycees will name their "Outstanding Young Educator" awardee during the banquet.

Four Lions are honored Monday

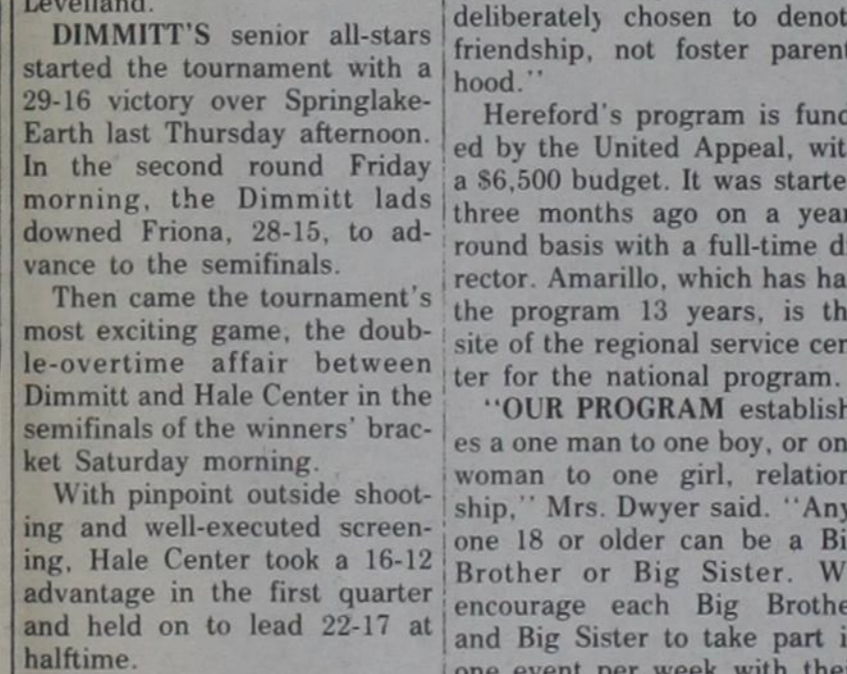

Four Dimmitt Lions Club members have been named "Old Monarchs" by Lions International for 15 and 25 years' service. THEY ARE Ralph Glover, M. E. Cleavinger and Goldman Dyer, 25 years, and Jack Miller, 15 years. Boss Lion Don Nelson presented each man with a chevron for his Lions pin to denote his "Monarch" status. Lions International annually honors those who reach milestone marks in their membership, starting at 10 years.

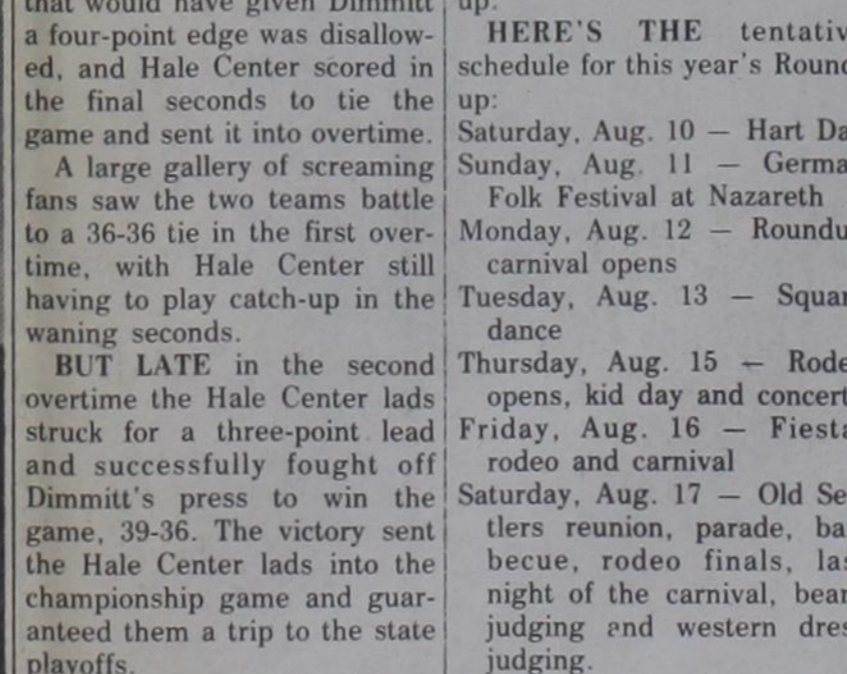

ANN WELCH, daughter of Mr. and Mrs. C. B. Welch, was selected as 'Courtesy Queen' at Dimmitt High School recently. Miss Welch is a member of the FTA, FHA and the National Honor Society and is the recording secretary of the student council. She is a senior at DHS.

SHERRI BURROUS, daughter of Mr. and Mrs. Reeford Burrous, has been selected as "Most Beautiful" at Dimmitt High School. A member of the Bobcat Band and band twirler, Miss Burrous is also active in the Lyre Club and FHA. She is a senior.

'COURTESY KING' at Dimmitt High School for 1974 is Gary Wise, son of Mr. and Mrs. Frank Wise. He has been active in football and band and has served as band president. Wise has also been active in the 'D' Club and the Lyre Club, and is a senior.

STEVE NUTT was recently chosen as "Most Handsome" at Dimmitt High School. Nutt is the son of Mr. and Mrs. Charles Nutt and has been active in basketball, football and the Bobcat Band. He is a senior at DHS.
