

## Dimmitt Firemen Feted With Supper And Dance By Nazareth Residents

Dimmitt volunteer firemen received a sizeable assist in the way of funds to defray operational expenses Thursday night (Jan. 6) when residents of Nazareth staged a big appreciation supper party and dance for the local crew, their wives and girl friends.

From all indications the event was a tremendous success and firemen were extremely happy about the whole thing.

Firemen were first treated to a country sausage supper in the Nazareth Community Hall. This was followed by an interesting program appropriate to the occasion and was climaxed by a dance in the community hall.

All food for the supper was prepared by Eddie Drerup and several other Nazareth residents who assisted.

The program consisted of a discussion on fire precautionary practices and remarks of appreciation expressed by various Nazareth citizens and directed to members of the local volunteer fire department. This phase of the program was conducted by Bill Hochstein. Ray Bearden gave the response on behalf of firemen.

"Cotton" John Smith, KGNC farm reporter from Amarillo, also interviewed several firemen, farmers, and members of the firemen's auxiliary, during the program. Recordings were made of the interviews and they will be

## Local Cage Teams Dump Springlake 59-35 and 83-59

Coach Leo Field's basketekers went on a rampage in the grade school gym here Monday night to win both ends of a doubleheader with Springlake easily. The boys won 59-35 while the Bobbies won by a similar margin, 83-59.

The victory was number nine for the Bobcats against one loss. For the girls it was victory number ten against a single defeat.

Pacing the Bobbies in their win was Forward Margaret Odom who split the nets for a total of 44 points. Darlene Cates sunk 26 points and Mary Alley tossed in 13 for the locals. High scorers for Springlake were Charlene Hamilton with 25 and Shirley McCleskey with 24.

The Bobbies were held on fairly even terms in the first half, leading by only three points at the end of the first quarter and by a similar margin at halftime. Alley and Cates began to feed the ball to Odom in the third period, however, and the Bobbies jumped into a 15 point lead. They coasted on to win by a comfortable 24-point margin. The Dimmitt girls connected up on 21 out of 31 free throws while Springlake sextette made 11 out of 20.

Jimmy Cole, six-foot-seven-inch forward, poured in 18 points for the Bobcats as they thrashed the Springlake boys. Richard Wood took runnerup scoring honors with 12 points and Don Mobley and Ted Robb garnered eight each. Bobby Brock and Keith Lowe each hit for two field goals while Ronald Rickett and Monty Boozler made three and two respectively. Pacing Springlake were Herring with eight and S. Evans with nine.

The Bobcats made nine out of 17 free throws and the Wolverines compiled 15 out of 23. The score by quarters with Dimmitt leading all the way was 19-7, 35-17, 44-29 and 59-35.

## Evangelist Team Featured on Lion Program Tuesday

Dimmitt Lion Club members were treated to an inspiring program of religious singing and speaking at their Tuesday noon luncheon meeting in Fellowship Hall of the Methodist Church.

Featured on the program were Dr. Timothy W. Guthry, Vernon pastor, and Rev. Will Matt Culwell of the Tulla Methodist Church. Dr. Guthry, assisted by Rev. Culwell, is currently leading the revival at the local Methodist Church.

After Rev. Culwell accompanied by Mrs. Raymond Van Zandt at the piano, sang several popular hymns, Dr. Guthry spoke to the group on "Where is Tomorrow?" The noted evangelist said, "Tomorrow is when you and I are going to turn over a new leaf. We're to turn over a new leaf tomorrow but not now." He added "Life is right now. You and I can really begin to live now—not exist."

Dr. Guthry continued, "Tomorrow is when you and I are going to count for something. What do you count for in your church—just a name on record? Now is the only time you have to live, love and work. The clock of life is wound only once and then it's still. This is the great illusion of life—living not today but tomorrow."

Guests of the club were Rev. Culwell, Dr. Guthry, "Hut" Hutson, Amarillo cartoonist, and Elmer Youts. Youts was accepted for membership into the club.

## Local Cage Teams Split With Sudan

The Dimmitt Bobcats dropped their second game of the season at Sudan Tuesday night, but the Bobbies came through with flying colors by beating the Sudan girls by the score of 53-42. The boys lost 72-39.

Leon Hill led Sudan with 21 points and was backed up by Charley Lynch with 15. Richard Wood, Bobby Brock and Jimmy Cole collected eight apiece for Dimmitt.

The Hornets took a 17-10 lead in the first quarter and increased it steadily throughout the contest. The Sudan quintet was ahead 38-16 at halftime and 55-24 at the end of the third quarter.

A tight defense set up by the Hornets proved to be fatal for the locals.

The Bobbies took a comparatively easy win from the Sudan girls although Margaret Odom was held to ten points, her lowest total of the season. Darlene Cates pushed in 15 points to greatly help the Bobbie cause. LaDelta Ingle was high scorer for the oppositor with 14 points.

Coach Leo Field's teams will meet Friona in their next home engagement Tuesday night and will tangle with Happy at Happy the following Friday night. The girls now have a 11-1 record and the boys a 9-2 record.

## Jumbo Club Adopts 1955 Project Work

Members of the Jumbo Home Emonstration Club adopted basket weaving as their project work for the year at a recent meeting in the community center. Seven members and one guest were in attendance.

Following a business session, the group discussed 1955 year books for the club.

Present were Mesdames A. L. Hodges, M. L. Simpson, Sr., M. L. Simpson, Jr., Harry Smith, Odie Moore George Heard and Addison Hunter.

A passerby stopped to help Taylor and later notified the sheriff's office of the accident.

Taylor's vehicle reportedly was covered by insurance.

Little MISTER 1955 made his debut at Castro County Hospital Monday, January 3, at 3:15 p. m. Castro county's first baby of the year, shown above with his mother, Mrs. Lupe Sanchez of Hart, appears about as unconcerned over all the fuss and attention he's getting as a sick calf. The little tyke's parents are overwhelmed with joy, however, as Dimmitt merchants will shower their little boy with many beautiful and useful gifts, such as a baby mattress, jumper, car seat, several cases of canned food and milk and a cash award.

The infant was christened Guadalupe Sanchez and tipped the scales at five pounds and six ounces at birth. Dr. Harold W. Bischoff was the attending physician.

Little Guadalupe has one sister, Maria Louise, age two years. Their father works at the Hart Compress. At last report the father was "doing as well as could be expected and is proud as punch about the whole thing."

## New Feature Entitled "Mystery Farm Series" to Start in News This Week

The News this week is introducing a new feature to be known as the "Mystery Farm Series." The feature, which consists of 52 aerial photos that were taken in the county recently by Zekand Robbins Aerial Photo Company, will run each week in the paper starting in this issue and continuing through December of this year.

Nobody knows whose farms the photographers snapped with their aerial cameras and it will be up to the readers to let the News know whose farms are published each week. The pilot did plan his course, however, so that farms in all parts of the area around Dimmitt are included.

Assistant Fire Chief J. B. Moore was named recently to succeed Mayfield as chief. Mayfield will continue as a regular member of the fire department.

Department members exhibited several new fire extinguishers received this week. The extinguishers were purchased by local residents through the department.

## Sheffy, Bagwell Win Water Posts

Sid Sheffy and Ivor Bagwell were named county committeemen to the High Plains Underground Water District as the result of an election held in the county Tuesday. W. L. Shirley of Parmer county was elected district director to represent this area.

Bagwell was elected over A. L. Behrends from precinct two and Sheffy defeated Roy Haberer in the Dimmitt area. Edd Bennett received five write-in votes for county committeeman. Willis Hawkins also received two write-in votes for the post of district director while Norman Cleavinger and W. W. Gilbreath polled one each.

Only 178 votes were cast in the county. The voting went like this: County Committeemen—Haberer, 21; Sheffy, 42; Bagwell, 34; and Behrends, 19. District director—Shirley, 53.

Steve Brockman T. R. Davis and H. F. Benson are presently serving as county committeemen.

## Nazareth Defeated By Cotton Center

Nazareth High cage teams lost two games to the Cotton Center boys and girls Tuesday night. The Swifts were defeated 52-43 and the Swifties, 44-39, in a close contest.

Playing in the Cotton Center gym, Lee Towns led the way for the hosts by bucketing 20 points. Walter Acker netted 17 for the Nazareth boys and Dick Hoelting tossed in 14. The Swifts led 23-19 at halftime but got behind in the third period.

Delores Huseman set a sizzling pace for the Nazareth girls, but to no avail as the Cotton Center sextette still managed to win by five points. The high-scoring Nazareth forward hit the hoops for a total of 31 points. Bonnie Cannon paced the home team with 23 points.

W. M. Howell, Paul Howell and Shorty Mooney returned home Friday from Cheyenne Wells, Colo., where they had been looking after farming interests. Mr. Howell reports new oil and gas operations near his property. They also report good wheat crop prospects in Colorado.

## Nazareth Youth Hurt in Wreck

Clyde Hoelting, 19-year-old Nazareth youth, suffered a leg fracture as the result of an automobile accident near Happy Sunday night in which five other teenagers were injured, one seriously, according to information received by the News Monday.

All of the victims were taken to Swisher County Hospital for treatment. Anita Kuhler of Amarillo suffered a concussion and fracture of the pelvis and is reported in serious condition. Young Hoelting and Dale Bowers, who suffered a foot fracture, were still in the hospital at this writing. Bowers is 16 and gave his address as Route three, Hereford. Released from the hospital with minor injuries were Emily Buhkahl, Helen Woelfe, and Janet Clark, all of Amarillo.

The accident occurred on Farm to Market Road 1075, five miles southwest of Happy. The group was enroute to Amarillo following a basketball game between Price's College and Nazareth High School. The car failed to negotiate a curve in the road and overturned several times.

Hoelting reportedly was driving the vehicle at the time of the accident.

## Fire Boys Honor Reuben Mayfield

Retiring Dimmitt Fire Chief Reuben Mayfield was honored by members of the local fire department Wednesday night for six years of service.

The outgoing chief was presented a beautiful wrist watch by Willie John Word on behalf of the department. The presentation was made at the local fire hall as a token of the department's appreciation for the fine work Mayfield did in the last six years as fire chief.

Assistant Fire Chief J. B. Moore was named recently to succeed Mayfield as chief. Mayfield will continue as a regular member of the fire department.

Department members exhibited several new fire extinguishers received this week. The extinguishers were purchased by local residents through the department.

## Grain Loans to Mature March 31

Attention Castro county farmers: grain loans mature on March 31.

This is the latest word from ASC Secretary Doyle Thomas who this week disclosed that if a farmer has not paid off his loan by the above date then grain in storage will become property of the Commodity Credit Corporation.

A total of 2,444 loans have been written on 1954 grain crops into loans," Thomas emphasized. He added, "Farmers who don't want to put their grain into loan, yet still want to get a guarantee of support prices, may sign a purchase agreement by January 31."

## Hospital News

**Patients In Hospital Since Last Report:**  
Mrs. John Alldredge, Mrs. Loy D. Stone, Mrs. E. S. Umberson.

**Patients Dismissed Since Last Report:**  
Mrs. W. M. Kirkpatrick, Mrs. Joyce Tillis and baby girl, Dale Brockman, Mrs. Wanda Cannon, Mrs. Lee Sanchez, W. E. Louder, L. T. Keller, Alberto Muro, Mrs. R. L. Vaughn, Linda Allen, Sharon Bartels, Mrs. A. W. Sullivan, Mrs. George Carpenter, Dean Bass, Mrs. Lupe Sanchez and baby boy, Frances Castanda, Willie Doc Baker, Mrs. Scott Crum, Mrs. Geo. Burch, Ernest Jones.

## New Scale of Tax Values to Be Adopted by County

A new scale of values for tax roll purposes in Castro county will soon be adopted by county commissioner's court, County Judge Robert Estes disclosed this week.

Action in this regard was assured after county commissioners met in regular session here Monday. According to Judge Estes it was unanimously agreed by the court that the past practice of placing all land in the county on the tax roll at the value of \$8.00 per acre is an unfair practice in as much as the actual market value varies greatly over the county all the way from unimproved dry land farms to rich, highly developed irrigation land.

It was also brought out at the meeting that generally personal property has been placed on the tax roll at a much greater percent of its market value than was real estate.

Commissioners directed Judge Estes to contact several tax appraisal agencies to meet with the court on January 24 relative to the adoption of a new scale of values for tax roll purposes.

In other business, commissioners discussed the various problems involved in financing the county fair but no action was taken on a request by a group of fair officials headed by Fair President Wes Anthony who met with the court. The fair delegation asked that the county underwrite the expenses of the fair association.

Some members of the fair delegation indicated that they would visit other counties and study the various methods of financing being used by their fair associations relative to adopting a similar plan for Castro county.

The terms of Castro County and Justice of the Peace Courts for the year 1955, were set by commissioners at six two-month terms. Salaries for all county officials were also set for the current year. The same figures that were in effect in 1954 will apply.

All monthly bills were inspected and approved by the commissioners.

This was the first regular session of the new year for commissioners and also the first meeting of the court for two former commissioners, E. I. McLain and Noble Howard, who were elected to office in August of last year. Olen Rice, precinct three commissioner, and Johnny Stork, who represents precinct four, were also present for the session.

## Juniors To Present "Junior Miss" In School Auditorium January 27-28

Fun and excitement are in store for those residents attending the Dimmitt junior class play, "Junior Miss," scheduled for the high school auditorium, January 27-28.

## Dimmitt Talent On MOD Telethon

A group of Dimmitt talent-laden entertainers will appear on the March of Dimes telethon scheduled to be televised over Amarillo TV station KPDA starting Saturday night at 10 o'clock and continuing through Sunday at 4 p. m. The worthy program is designed to benefit the Castro County MOD campaign as well as the Potter county drive.

The part of the program featuring Dimmitt talent will be televised on Sunday at 3:30 p. m. Representing Dimmitt will be the combo band or "The Starlighters," directed by Ralph Smith and the "Jumping Jacks" and a tap duette coached by James (Rosie) Bates. Miss Gail Cooper, talented vocalist, will also be in the telethon. The tap duette is made up of Donna Beyers and Sharon Corcia and the "Jumping Jacks" are Deborah Buckmaster, Gail Buckmaster, Laurel Ivey, Donna Byers, Sharon Corcia and Gwen Boothe.

An appeal for donations from Castro county residents will be made during the program. Those giving to the Castro MOD drive may make their pledges while the program is in progress by calling Mrs. Maggie Boren, county MOD director, at 198.

The telethon is expected to be a "shot in the arm" to the county campaign which has a goal of \$4,000.

## TV Show Designed To Aid Area Drive

A group of Dimmitt talent-laden entertainers will appear on the March of Dimes telethon scheduled to be televised over Amarillo TV station KPDA starting Saturday night at 10 o'clock and continuing through Sunday at 4 p. m. The worthy program is designed to benefit the Castro County MOD campaign as well as the Potter county drive.

## Attention Farmers

Attention Castro county farmers: grain loans mature on March 31.

This is the latest word from ASC Secretary Doyle Thomas who this week disclosed that if a farmer has not paid off his loan by the above date then grain in storage will become property of the Commodity Credit Corporation.

A total of 2,444 loans have been written on 1954 grain crops into loans," Thomas emphasized. He added, "Farmers who don't want to put their grain into loan, yet still want to get a guarantee of support prices, may sign a purchase agreement by January 31."

## Council Chairman For '55 Selected

Six Castro County Home Demonstration Council members were named to head important committees during the current year at a council meeting in the courthouse Tuesday. Eighteen members representing eight clubs were present for the first meeting of the new year. Mrs. Andy Behrends, council chairman, presided.

Committee chairmen elected followed: exhibit—Mrs. Cecil Curtis; year book—Mrs. Robert Duke; education—Mrs. George DeLozier; recreation—Mrs. Forrest Collins; health and safety—Mrs. Fred Hamm; and civil defense—Mrs. J. D. Murray.

Following the election of chairmen, each of the committee heads mapped plans for the year and read recommendations.

The group made plans for R. D. Rogers to give a training meeting on artificial respiration in connection with the organization's program of civil defense. This program has tentatively been set for Monday, January 17.

## Flagg Seeks Daily Mail Deliveries

Members of the Flagg Rural Neighborhood Progress Club have instigated action which they hope will result in daily mail service for the community.

Meeting in a regular business session recently in the home of Mr. and Mrs. Jess Birchfield, the group discussed the possibility of drawing up a petition for daily mail service and went a step further in appointing Mr. and Mrs. Birchfield as a committee to investigate the situation. Mrs. Cecil Ginn was also appointed to draft a map of the community.

In other business, members named Edd Wilson, Jr. to look into the possibility of acquiring a lot for permanent meeting site. Irvin Ott and Noble Armstrong were instructed to see about a building which would be used for meetings and other community events.

Castro County Agent Charlie Hudson presented an informative program after the business session on new regulations for social security.

Club President Rayphard Smithson presided at the meeting. The next meeting (recreation) will be in the home of Mr. and Mrs. Alvin Frazier on Thursday, January 20.

## Safety Officer to Speak Before PTA

Cecil McNeil safety officer for State Highway Patrol headquarters in Amarillo, is slated to bring an interesting program of films and talks on driver education and safety at a meeting of the Dimmitt Parent Teachers Association, Tuesday night, January 18. The program is to get underway in the local high school auditorium at 7:30 p. m.

McNeil, according to PTA President L. W. Brashear, will speak on "Advantages of Driver Education" and "General Safety Measures for all Drivers." He will show a movie in connection with his talk.

McNeil has been safety officer for the Amarillo district for several years. He will be remembered as patrolman for this area during the late forties. In his present position, McNeil directs the radar enforced traffic safety program in the Amarillo area in addition to his regular duties.

## Hart Cagers Drop Pair to Anton

Coach Charles Barnard's Hart High School cage teams dropped a pair of games in the Anton gym Tuesday night, the boys losing 69-25 and the girls bowing 53-38.

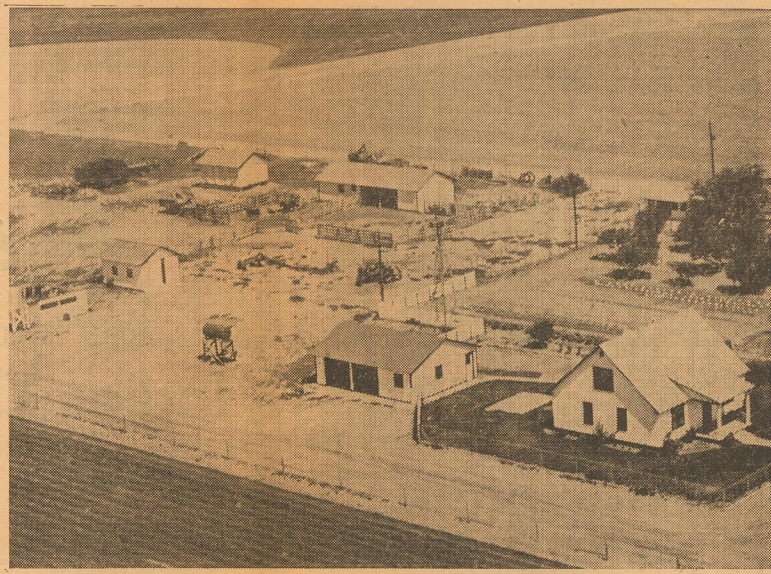

The Anton quintet got off to an early lead and forged ahead 39-11 at halftime with a fast-breaking attack. Johnny Bass tallied 27 for Anton to lead all other scorers. Three of Hart's players pushed in five points apiece.

Iva Nell Wimberly paced the Anton girls with 25 points while Hart's Smitherman collected 16 points. The Anton girls jumped into an early lead and were never headed. They held a 29-13 halftime advantage.

## Windbreak Trees to be Available at Low Cost

Through error it was stated in the News last week that tree seedlings will be made available to Castro county farmers free of cost.

County Agent Charlie Hudson notified the News this week that a small charge of \$1.50 per 100 tree seedlings will be assessed to defray costs of handling the trees.

**MYSTERY FARM NUMBER ONE**—Whose farm is this? The reader correctly identifying this aerial photo of a Castro county farm and notifying the News first will receive a year's subscription to the Castro County News. This policy by the News will remain in effect throughout the year with the winner each week receiving a free subscription. A mounted picture of the above photo may be received by the owner of the farm by coming to the News office and identifying the farm in the picture. This feature, which will run each week through December, is known as the "Mystery Farm Series" as the identity of the farms are not known to anyone. This feature is sponsored by Blanton Butane, Inc.

Worthwhile Projects Replace Junk Yard

# Jumbo Clean-Up Campaign Gives Community New Life

(EDITORS NOTE: The progressive Jumbo Community has started its third year as an entrant in the Texas Rural Neighborhood Progress Contest and during this time has made its greatest strides toward progress, prosperity and a community with a reputation for cleanliness and initiative. The ensuing story, taken by permission from the Farmer-Stockman Magazine, shows the uphill fight made by residents in their determination to rid themselves of a stigma that had long handicapped the community and made progress a virtual impossibility. The reader is given a close insight of the community and of the harmony and spirit that has enabled residents to move forward and make their neighborhood one of

the most prosperous and cleanest in Castro county.)  
Whenever visitors used to go to Jumbo, the folks tried to detour them around their junk yard—an odorous, unsightly mess which embarrassed everybody.  
For nearly 30 years Jumbo had been the dumping ground for junk, garbage and dead animals. The community had the dubious eminence of owning the most popular junk yard in the Dimmitt-Hereford area. For several miles around, people came with stuff they no longer wanted and left it at Jumbo.  
"If we're gonna be distinguished for our junk yard," somebody said one night in a meeting at the Jumbo Community Center, "We had might as well have the clean-

est and most attractive one in this part of the country. Let's get to work on it."  
From that moment cleaning up the junk yard at Jumbo was a community-wide project. It was a headline maker, and helped Jumbo make an excellent showing in the Texas Rural Neighborhood Progress Contest.  
"We thought we could take some tractors and scrapers out there and clean up the junk yard in a Saturday afternoon," said M. L. Simpson, Jr., president of the Jumbo Progress Club. "But, you know, we worked on it for almost two years."  
While two years is a long time to string out what you thought you could accomplish in an afternoon, it worked out better for Jumbo's 30 families. They rallied around the junk yard project, waded into the neighborhood progress program and made some worthwhile improvements which are continuing.

Probably the most significant of all their achievements was turning on the lights again in the abandoned Jumbo school house. Nothing much happened there since the school was closed in 1941. The building was run down. The Jumbo people converted it into a community center—and made their community live again.

Now the Progress Club meets twice a month, each second and fourth Thursday night. Benefits from their activity are noticeable not only at the community center but also in an improvement in the standard of living on individual farms.  
Jumbo, in an irrigation center between Dimmitt and Hereford on Texas Highway 51, is named after a shepherd they called Jumbo. He watered his flock in the early days at the big natural lake in the community. Oldtimers say the lake used to be full of water the year around and had fish up to 15 to 20 pounds. Today drought keeps the lake dry much of the time.

Settlers built the first school at Jumbo in 1904. The present community center was constructed as a school in 1927. All grades Mores Jumbo Cleans up through high school, including manual training and homemaking were taught until 1937.

After the school had folded up, nobody seemed to stay at Jumbo very long until they moved some-

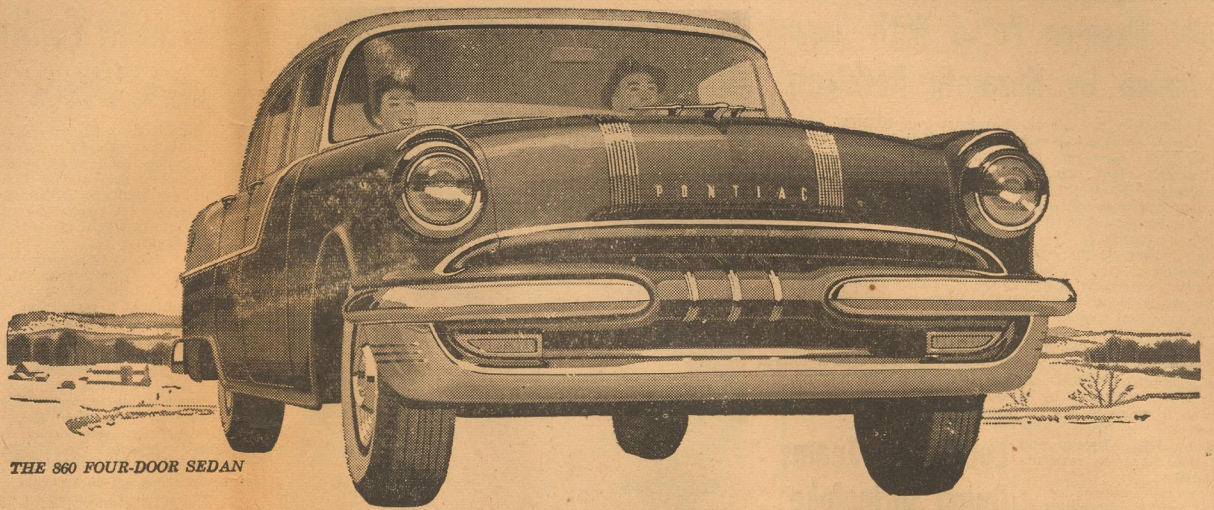

where else. Finally in 1952 the turnover slowed down as a new generation of farm families moved in to begin a new improved way of farming. Development of irrigation and a slight decline in land prices also helped to stabilize conditions.  
Ironically, a woman who moved

to Jumbo and remained only one year inspired organization of the Jumbo Progress Club in June, 1952. She is Mrs. Roy Hollum, who had seen the results of neighborhood progress in Floyd county. Mr. and Mrs. Hollum are now back in Floyd county.  
Dean Barden was the first pres-

ident of the club. He served two years.  
Other present officers are: Bill Goodpasture, vice-president; Mrs. Virgil Lamb, secretary; Mrs. Maurine Gray, treasurer; Mrs. Harris Smith, reporter; and Mrs. Addison Hunter, program chairman.

The club set up committees for each major division of the rural neighborhood progress contest. Committee chairmen this year are: A. L. Wilson, increasing and managing family income; A. L. Hodges, improving health conditions and services; Barden, improving the home and farm; and

George Heard, encouraging social participation.  
First on the improvement schedule was cleaning up the school house, a man-sized job because the structure has four classrooms and an auditorium. Here is what the Jumbo folks did:  
(Continued on back page)

THE 860 FOUR-DOOR SEDAN

## Greatest Size, Luxury and Power Ever Priced So Low!

Wondering what new car to buy? Step to the window, watch traffic, and you'll see how others are settling this question. They are buying Pontiacs—at a faster rate than ever before in history!  
Ask why and you'll hear many reasons, but the basic reason is this. The '55 Pontiac personifies everyone's dream of what a modern car should be.  
There's Pontiac's unique combination of beautiful long, low lines, Vogue Two-Tone styling, and Twia-Streak distinction. There's Pontiac's long wheelbase—the

secret of the wondrously safe, smooth ride that makes you and your passengers the happiest people on wheels.  
There's Pontiac's roominess and luxury . . . living-room comfort and mode-of-tomorrow decor . . . along with picture-window vision all around.  
And there's Pontiac instant control and Strato-Streak V-8 performance—but these must be enjoyed to be believed.  
Take a total of the foregoing and here's the result—more of everything than a like amount of money has ever bought before!

How much money? You can actually buy a Strato-Streak-powered Pontiac for just a few dollars more than the very lowest-priced cars! Come in and find out how little it costs to switch to modern motoring.

**CARD OF THANKS**  
I wish to take this means of publicly expressing my sincere thanks to our friends and neighbors for the many nice cards, flowers and words of encouragement during my illness and the time I was confined to the hospital. I especially wish to thank Dr. Faust, the nurses and other members of the hospital staff for the wonderful medical and hospital attention I received while in the hospital. W. J. Jordan and Mrs. Jordan.

**CARD OF THANKS**  
Members of the Dimmitt Volunteer Fire Department take this means of expressing their gratitude to the people of Nazareth for a splendid meal and a wonderful time during the Nazareth Appreciation dance and program. Your wonderful generosity has greatly boosted department finances. We are very grateful to you and for the hospitality extended members of the department. Members of the Dimmitt Volunteer Fire Department

Mr. and Mrs. R. B. Strother and family visited relatives at Alamosa, Colo., recently.

THE NAZARETH SCHOOL

## The Tatler

### Junior Class Play January 24 and 27

The Tin Hero, a three-act farce by Charles George, is the choice of the freshman class for their play Jan. 24 and 27. Edwin Huseman will play the reluctant "tin hero," Douglas Goodyear. Linda Hindman, as Mrs. Goodyear, attempts to make her son a local hero, while Rosalie Schacher, as Grace Goodyear, tries to help her brother play the part local publicity has assigned him. The remainder of the cast includes Bunny Wheeler, played by Denis Hoelting; Virginia Ferguson, Louise Schacher; Annette Coverdale and Adelaide Young, Mary Lange and Martha Hanson; Mr. and Mrs. Baxter Warner, Fred Ball and Mary Ann Huseman; Victoria Esmond, woman reporter, Virginia Birkenfeld; Spike Rider, champion swimmer, George Huseman; and Mlle. Claudette Bordoni, Margie Shupack.

### Sports

Nazareth Swifts and Swifties engaged in their first District 4B conference games on Jan. 4, with Spade. The Swifties won by a small margin of 37 to 34, the high scorer, Dolores Huseman, having 30 points. The Swifts defeated Spade by a safe margin of 55 to 47. An Schmucker was high scorer, with 20 points. Walter Acker, with 19 points, was a close second. The boys' B team helped in the defeat.

Their second conference games strengthened their position in the District. Both teams defeated Hart in the Hart gym Jan. 7, the girls by a 36-26 win, the boys by a 53-49 win. In both games the Nazareth teams trailed their opponents during the first part of the game, scoring heavily in the last minutes of play. Dolores Huseman, team high scorer, made 20 points during the game. Dick Hoelting scored 23 points.

Return games with the Price B team and the St. Mary's team were played at Nazareth Jan. 9. The Swifts won, 68-30, with Dolores Huseman chalking up 40 points during the game. The Price B team was unable to get ahead of the Swifts, losing 77-28. Dick Hoelting and Walter Acker shared scoring honors, with 16 points each, made during the first half.

### Around NHS

More than 100 books have been donated to the library by Steve Thier and by Mr. and Mrs. Lou Brockman, most of these books are well-chosen fiction works. The Brockmans have also donated a number of Readers' Digests, to help supply the lacunae in the high school files. Mr. Thier also donated a book shelf, much needed by the library.

Students of the English classes have now even less excuse than ever before, for not getting book reports handed in on time. A table, donated by last year's seniors for use by the annual staff has recently been purchased. The table, much too handy to be reserved for use only by the Tatler editors, has been put in use often since it was received.

Rent It—Buy It—Sell It Through a NEWS Want Ad

### Meet the Frosh

She is: Rosalie Schacher; small; fourteen; attractive; a nice person to know.

She has: three brothers; four sisters; a red squaw dress; dark hair; four nieces; one nephew; long dark eyelashes.

She likes: Shows; dancing; playing basketball; driving; James Stewart.

She dislikes: Marilyn Monroe; spinach; bossy people; being teased.

Her ambition is to be a good dancer.

He is: Denis Hoelting; witty; blond; gay; ornery; fourteen.

He has: brown-rimmed glasses; a "butch" hair cut; a loud laugh; a nice personality; a loud western shirt.

He likes: baseball; basketball; to sing dance; to have a good

### Grade News

The third and fourth grades have been studying with unusual diligence, for if they make an excellent grade, their pictures will appear on a star, and if they shouldn't make their grades, their pictures will be taken down until they can meet the requirements.

Their Christmas crib scene, bells, and candles, artistically arranged, will soon be taken down, with regrets that the season is over.

Students of the fourth, fifth, and sixth grades are studying for the Quizdown. Participants have not yet been chosen.

time; to tease Regina; to watch television; the Giants.

He dislikes: spinach; to have Joe Ed laugh at him; to milk cows; witty girls.

His ambition is to go to New York.

### New Mission Book is Taught by Mrs. McLain

The new mission book was taught by Mrs. Nina McLain at a meeting of the Waurayne Hughes W.M.S. Circle in the home of Mrs. L. C. Dennis, Monday morning. Ten members were present.

Mrs. McLain led the group in prayer and after the program refreshments were served by the hostess to Mesdames McLain, Sam Maynard, C. A. Hance, Buster Tidwell, Tom Tate, Sam Cooper, B. E. Sinclair, Emory Smith and E. R. Waggoner.

The circle will meet again Monday, January 24.

Mr. and Mrs. Claude Jones of Plainview visited in the home of Mr. and Mrs. Ernest Jones Sunday.

Tarpley and if they or any of them be deceased to the heirs and legal representatives of such defendants as may be deceased, and if they be married to the spouses of the said

H. L. Morrison, J. F. Ray, Rufus Bedford, M. F. Banks, J. T. Casler and J. W. Tarpley; to Mary F. Banks and her husband B. F. Banks, and if they or either of them be deceased to the heirs and legal representatives of Mary F. Banks and B. F. Banks; and to Blair & Hughes Company, a corporation, and if such corporation be dissolved, to the last Board of Directors of Blair & Hughes Company, a corporation;  
 Defendants,  
 Greeting:  
 YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County at the Courthouse thereof, in Dimmitt, Texas, by filing a written answer at or before ten o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 21st day of February, A. D. 1955, to Plaintiff's Petition filed in said court on the 3rd day of December, 1954, in this cause, numbered 2197 on the docket of said court and styled Carl E. Kemp, plaintiff, vs. Flag Farmers' Gin Company, et al, defendants in which Carl E. Kemp

is plaintiff and the parties to whom this writ is directed are defendants.  
 A brief statement of the nature of this suit is as follows, to-wit: Tresspass to Try Title for title and possession of Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12 Block 70 of the Original Town of Dimmitt, Castro County, Texas, by virtue of the ten year Statute of Limitations; as is more fully shown by Plaintiff's original petition on file in this suit.  
 If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.  
 The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates thereof, and make due return as the Law directs.  
 Issued and given under my hand and the seal of office, at Dimmitt, Texas this 5th day of January, 1955  
 (SEAL)  
 Attest: Neva Hastings  
 Clerk of the District Court of Castro County, Texas.  
 Gertrude Bishop, Deputy

**STAFF**

GEORGE RAY Editor

**Bobcats Down Springlake 65-43**

The Dimmitt Bobcats downed the Springlake Wolverines 65 to 43 on the Dimmitt court Monday night. The Bobcats were never threatened after the first two minutes. They were ahead all the way. Jim Cole had 18 points for the Bobcats. Bobby Brock, Ted Robb, Ronald Rickert did fine jobs on rebounding. Mobley and Wood had a fair night on the floor, as did Robb, Brock, and Rickert.

**Bobcats Bounce Kangaroos 85-56**

Coach Fields' Bobcats defeated the Kress Kangaroos 85-56. The Bobcats played a fair game on offense, but didn't show much on defense. The team at times would look fair, then they would quit hustling and would slow up. Bobby Brock, Jim Cole, Ted Robb had 19, 17, 15, while Don Mobley and Richard Wood each had 10. The Bobcats got off to a slow start and then began to catch on fire.

**Bobbies Defeat Kress 74-43**

The Dimmitt Bobbies had little trouble overcoming the Kress girls on the local court January 7. The final score was 74-43. The high point girl was Margaret Odom with 22 points. She made 13 free throws out of 16. Darlene Cates and Mary Alley played a good game. They followed up the high scorer. The guards were Mary Ann Witt, Dovie Smithson, Sandra Adams, Sonja Lowe, and Jimmie Hyatt. They had only a few fouls called against them. Jimmie Hyatt received a knee injury during the game and was out for the rest of the game.

**Regene—A Senior**

On September 20, 1937, at Hart, Texas, was born a brown-haired and blue-eyed little girl, Regene Reynolds is now a Senior of 1955 and is five feet and six and one-half inches tall. She is a member of the band and F.H.A. Regene is photographer on the annual staff and writes a column for the Bobcat Tales. Some of her favorites are:  
Food—Sandwiches  
Color—Aqua  
Sports—Football  
Teacher—Smith  
Pastime—Loafing

**Grade News**

**EIGHTH GRADE**  
The Seventh and Eighth Grade Boys played Plainview January 6. The boys A Team won 34-29. The B Team won 35-10.

We are glad to have Glen Odom and Donnie George from Hart.  
**SEVENTH GRADE NEWS**  
We are very proud to have several students that will be exempt from spelling this semester. These students have worked hard to be able to be exempt. They are Carol Cowser, Derryll Dodd, Wynema Fulfer, Linda Gladman, David Hays, Mona Hunter, Karen Gray, Zetha Ivey, Betty Kunkel, Billy Lytal, Janie McDermitt, Marilyn McRee, Donnie Maxwell, Donald Moke, Sammie Moore, Junior Pesima, Thenia Smith, Earlyne Taylor, Sunny Wyer, and Marcia Owens.  
Reporter—Thenia Smith

**7th GRADE BOYS WIN**  
The 7th grade boys defeated the Plainview 7th Grade Bulldogs in an outstanding game. The final score was 33-10. The high point boys were Clint Smithson with 16 and Bryan Tate with 12 points. They all played a winning game. They had only 6 fouls called against them.

**ROOM 5-A**  
James R. Stevens came to us this week from Spade. We are happy to have James. He has good study habits and is well mannered.  
We are climaxing our study of foods with the making of posters of the Seven Basic Foods. In art we are each discovering or else creating a "What's It" from nature objects. Janice Curry completed hers, made of rocks, first. We think it might be a short headed Arabian dromedary. Milton Cowell created Oscar (the seal), with a ball on his nose, using spuds.  
Reported by Larry Burks.

**ROOM 5-B**  
Bertha Bently and Kelton Cates were elected as most courteous girl and boy for the month of January.  
New pupils in Mrs. Cowen's Third Grade are Shirley Worthan from Big Spring and Joyce Rodgers from Petersburg.  
**2nd GRADE**  
Mrs. Vestal has two new students. They are Roger McDaniel from Lockney and Linda Davis from Plainview. She now has 34 students.

**Lookin' and Listin'**

Last week a group of Junior girls were talking in the hall. The subject wandered to love. One of them remarked "I wonder what 'puppy' love is?" Then one of the boys remarked as he passed by, "It's only the beginning of a dog's life."  
Did you ever see a better looking bunch of guys than the ones at the banquet Saturday night? They all sure looked sharp. It seemed to be the night when all the "cats" really came out. There were lots who sure looked swell in the recently popular colors of charcoal, grey, or pink. There were some who looked awfully nice in dinner jackets, too.  
By the way, the girls looked pretty good themselves. I think everyone had something new. Many had completely new outfits—fromshoes to hair-dos. Princess style dresses seemed to be quite popular this year. Also the very full skirts and crinolines. Lots of pretty flowers were worn too.  
By the way, Jerry Vandiver and Benny Gollehon were with the group that performed for our entertainment. If you were here last year, of course you'll remember they finished school here then.

Another diamond has been around D. H. S. this week. At the rate it's going, by the time school is out, there won't be many "free" Seniors. At the present there are 3 married and 10 engaged. Not to mention the "steadies."  
By the time this comes out, all the Mid-Term exams will be over, and won't we be glad. We can all relax again—well, for a while, anyway until the grades comes out.  
Did you ever see so many sleepy-eyed, "dead" looking girls? Monday morning no one seemed to be overly bright-eyed and wide awake. Several girls enjoyed slumber parties over the weekend. Any connection?  
Here's something to see. The "Starlighters", the small band made up of sophomores, and the "Blue Notes," the girls' vocal sextette, will perform on T. V. Sunday afternoon in Amarillo. It's at 3.30, so try to tune in on them.

**Bobbies Add Springlake To Victories**

The Dimmitt Bobbies are still playing winning ball with 9 wins and 1 loss. The Bobbies outscored Springlake, 28 points here January 10. The final score was 81-53. Margaret Odom played her best game of the season. She racked up 44 points. Darlene Cates and Mary Alley played a dependable game. Darlene made 27 points, and Mary Alley made 13 points. The guards found it better to keep their feet on the floor and eyes on the ball after the first half of the game. They played a very good ball game. They were Mary Witt, Sonja Lowe, Sandra Adams, Kaye Killingsworth, and Dovie Smithson. Dovie received an ankle injury during the first part of the game and was out the rest of the game.

**Bobbies Suffer First Loss**

The Bobbies were forced into their first loss of the season to Whiteface in a very exciting ball game. The game, played January 4, was tied up 17 times. The final score was 56-49. Darlene Cates was the highlight of the game. She racked up 22 points. Mary Alley and Margaret Odom were close behind. Mary had 18 points and Margaret had 17 points. The guards played a very hard ball game. Mary Ann Witt and Sonja Lowe were outstanding. They had seven fouls called against them.

**Juniors To Present "Junior Miss"**

The Juniors are presenting a three-act comedy entitled "Junior Miss" on January 27 and 28 at 8:15 in the High School Auditorium.  
"Junior Miss" was written by Jerome Chodorov and Joseph Fields; it will be produced by James W. Bates. Mr. Bates is assisted by Belva Warren and Dolores Battles, student directors, and by LeNette Hoyle and Rita Holcomb, who will handle the sound effects and the prompting, and by Thurman Morris, stage manager. The cast consists of nineteen characters, eleven boys and eight girls.

**January Birthdays**

Congratulations to the following students on their January birthdays.

**WANTED**—An English teacher who does not give tests—Monty Boozer.  
**WANTED**—A geometry expert as my best friend—Betty McDermitt.

**"Hep-Cat" Banquet**

All the planning and many happy hours of hard work seemed worthwhile when couples began arriving at the cafeteria last Saturday night. The first thing we saw was a big black cat on the front door with a spotlight focused on it. When we entered the banquet room, everything gave a vision of pink and black. There were streamers across one end and on all the windows. There were paper records with inscriptions ("cat", of course) scattered around on them. Pink and black music notes sprinkled with glitter and with the couples' names on them were hanging from the ceiling. The front end was covered with pink. It had silhouettes of a boy and girl dancing on either side a huge record with a drawing on it. There was also a staff of music with the words "Best Beau Banquet" on it. Scattered around were many large music notes. Then at one side there was a grass-covered platform where the band performed.  
The centerpiece on the head table consisted of pink anemones and eucalyptus plants painted black. Black candles were on either side of it, and there were black cats made of starfoam. On the other tables there were pink and black streamers running down the middle. There were little black cats with pink ribbons and glittered candles. There were pink nut cups with notes on them and pink programs with the couples' names on the notes.  
**WANTED**—Somebody awfully smart, preferably a girl, to take my English and history test.—Richard Hunter.

**Senior of the Week**

The Senior Boy of the week is 17-year old avid Honea. Davidi has gone to school in Dimmitt since the first grade. He has played football his freshman and senior year. David is enrolled in English IV, Plane Geometry, Journalism, and Chemistry, and he is also annual manager this year.  
Some of his favorites are:  
Teacher—Mr. Newman  
Subject—Chemistry  
Pastime—Running around.  
The eighth grade girls serving were Pat Brock, Ann Nelson, Tommie Sheffy, Joyce Messenger, Jerri Dowell, Tommie Lilley, Doris Singe, Edwena Boozer, Mary Lyn Hendrix, Jo Beecher, Charlotte Hestand, Marilyn Campbell, La Juana Thomas, Sandra Thompson, Patsy Pingleton, Linda Hance, and Sandra Leath.  
Mr. Ceson Smith was Master of Ceremonies. The program consisted of the Invocation by Superintendent R. S. Vestal, Welcome by Wilda Smithson, Response by Jerry Brown, Music by the Dixieland Band from W. T., which was made up of freshmen. Mr. Smith entertained a while with jokes. Later our F. H. A. Sweetheart, Clinton Glenn, and F. F. A. Sweetheart, Rowan Shepard, were crowned. J. W. Solis was the after-dinner speaker.  
The menu, in case you don't understand jive talk, was Jazzy Salad, (lime Conjealed), Slick Chick (Fried Chicken), Be Bops (potatoes), Au Rut Corn (just plain corn).  
After the banquet students and guests went to the movies or somewhere else for various entertainment.

**CALENDAR**

Longer gas pipelines can be installed at a lower cost with Carlon plastic gas pipe. Hundreds of miles of trouble-free pipeline have been installed in Texas High Plains area.

Carlon goes underground faster . . . costs only a fraction as much as steel, and it is guaranteed.

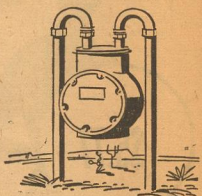

"Solvent Weld" at joints assures years of dependable service . . . completely resists corrosion and is guaranteed forever against rot and rust. Every foot of Carlon plastic pipe is tested under pressure at the factory.

## CONVERTING TO NATURAL GAS FOR PUMPING?

**Here's how to irrigate better for less**

Fuel savings are only the beginning! You save more when you install Carlon plastic gas pipe. In Texas, over-all installation savings total \$500.00 to \$800.00 per mile. Also, a natural gas line on your farm can increase the value of your land \$30.00 per acre or more.

When you convert to natural gas, or plan new wells, PLAN ON CARLON PLASTIC GAS PIPE. Carlon gives you extra savings . . . extra years of service . . . a better pipeline for less money.

Carlon costs less than steel . . . and can be installed for less. By using Carlon plastic pipe, you can save one-fourth the cost of a steel pipeline. Carlon "LF" is right for gas.

Carlon plastic pipe can't rust . . . so it can be buried and forgotten. Its performance is proved by hundreds of miles of trouble-free installations right in the Texas High Plains area.

ALL INSTALLATIONS ARE MADE BY TOP-FLIGHT CARLON APPROVED CONTRACTORS AND SUPERVISED BY FACTORY-TRAINED CARLON ENGINEERS

**ONLY CARLON PLASTIC PIPE GIVES YOU ALL THESE ADVANTAGES**

- LONGER LIFE**—Anti-oxidant in Carlon resists aging. Makes Carlon last years longer than ordinary plastic pipe. Lasts longer than steel.
- STRONGER**—Carlon plastic pipe is 10% stronger. It has greater resistance to electrolytic corrosion. Carlon's base material is the toughest formula which can be successfully extruded.
- TOP PERFORMANCE**—Precision extrusion of Carlon provides smoother plastic walls which offer less friction and higher flows. It's like adding a reserve capacity to systems when Carlon is used.
- TOP QUALITY**—Because of Carlon's "know-how", engineering skill and ultra-modern facilities, Carlon plastic pipe is extruded without lubricants which contaminate ordinary plastic pipe.
- ABSOLUTE UNIFORMITY**—Precision controlled manufacturing processes guarantee accurate compounding and control of tolerances. Special Carlon processing eliminates flaws . . . makes Carlon the perfect plastic pipe.
- PROVED PERFORMANCE**—Almost 47,000 miles of Carlon plastic pipe are already in use.
- TROUBLE-FREE FITTINGS**—Carlon fittings are made especially for Carlon plastic pipe. With a Carlon installation, no trouble can be caused from purchasing pipe from one source and fittings from another. Carlon makes both . . . fittings and pipe become an integral unit.
- GUARANTEED**—Guaranteed forever against rot and rust. Completely resists corrosion caused by both acid and alkaline soils. This guarantee is backed by Carlon's reputation as the world's oldest and largest manufacturer of plastic pipe.

**ONLY CARLON PLASTIC PIPE IS GUARANTEED ALWAYS BUY CARLON . . . THE PIPE WITH THE STRIPE**

\* 2" SIZE COSTS ONLY 34c PER FOOT INSTALLED

BUY THE PIPE  WITH THE STRIPE

**PRESENTS INTERESTING FACTS ABOUT TEXAS**

**LAND OFFICE**

The General Office was established by the Republic of Texas in 1836. When Texas became a member of the Union, the Land Office was retained, and Texas is today the only state with such an office. The total area of Texas at the time of its admission was approximately 237,906,000 acres, including the eastern half of present New Mexico and Part of Oklahoma, Kansas, Colorado and Wyoming. After relinquishing claim to the areas in return for ten million dollars, Texas had left a total area of 172,689,000 acres.

## Nazareth News

The Mother's Society met Jan. 12. Members received the yearbooks of the local organization. A report was made by Mmes. Leo Ball, Clarence Birkenfeld, Nick Ehly, Joe Birkenfeld, and Ed Brockman, who took the Christmas gifts of clothing and money to the Gordon Memorial Home in Panhandle. The donations included \$26.50 from the mothers and \$15.50 from the local sodality group. Used clothing collected during the Thanksgiving drive was sent also to the Hereford Spanish American settlement and to the Bishops' Relief Fund.

Father Morsch explained the distinction between the purposes and organization of the Confraternity of Christian Mothers and an altar society.

The Catholic Daughters voted in their Jan. 4th meeting, to send \$10 to aid homeless and expelled priests, in response to an appeal by the national officers of the women's organization. Letters of thanks from missions to whom stamps were sent were read by the lecturer.

As February is Catholic Press Month, each member is asked to bring a Catholic publication, other than the Register, which she regularly receive in her home.

Mrs. Tony ACKER, lecturer, read a humorous selection entitled "How to Keep a Man."

Mrs. W. L. Alexander of Merced, Calif., mother of Mrs. Robert Singer, and Mrs. Paul Bloch, also of Merced and sister of Mrs. Singer, are visiting in Dimmitt this week.

President Warren C. Harding was honorary President of the National Horseshoe Pitchers' Association.

## Dowty-Heck Nuptials Are Read in Double Ring Ceremony at Nazareth

Nazareth—Holy Family Church, was the scene on Dec. 28 of the marriage of Ann Dowty, daughter of Mr. and Mrs. James Dowty, Dimmitt, to Charles Heck, son of Mr. and Mrs. Charles Heck of Nazareth.

Very Rev. Peter Morsch read the double ring ceremony. Jimmy Leinen and Bobby Schacher assisted Father Morsch as acolytes. Mrs. Conrad accompanied the choir in singing the Nuptial High Mass.

Escorted to the altar and given in marriage by her father, the bride was attired in a gown of white Chantilly lace over satin, with a long train. The lace sleeves terminated in petal points. Her fingertip veil of tulle was attached to a satin covered half hat, lotted with pearls. She carried an orchid accented with stephanotis.

Mrs. Edwin Schacher was matron of honor. Betty Leinen and Odetta Ball were bridesmaids. All three attendants wore waltz length dresses of net over taffeta. These were fashioned with a double circle net skirt with ruffle insets. They wore net capes edged in ruffles. Coronets of net and taffeta, dotted with pearls, were worn as headdresses. Nosegays of gold mums with magnolia leaves were carried.

Edwin Schacher served as best man. George Huber and Eugene Schacher were groomsmen. Ushers were Pvt. Don Acker and Jerome Hanson.

Mrs. Dowty, mother of the bride, wore a dark gray printed shantung dress with black accessories. Her corsage was of white carnations. Mrs. Heck, mother of the groom, wore a navy blue dress with matching accessories, and a corsage of white carnations.

Immediately following the ceremony, the bridal party was served dinner at the Hillcrest Cafe Dining Room in Tulla. A reception in the community hall in the afternoon honored the bridal party. The bride's table was centered with a three-tiered wedding cake, topped with the traditional bride and groom. In the evening a dance was held in the hall.

Mrs. Heck is a senior at Dimmitt High School. Mr. Heck attended the Nazareth Schools and is now engaged in farming.

Mrs. Roy Dean Henderson of Canyon, a recent bride who will be remembered here as Laoma Hershey, was honored at a tea-shower Wednesday (Jan. 5) in the home of Mrs. Sid Sheffy.

In the receiving line were Mrs. Sheffy, Mrs. Howard Hershey, mother of the bride, Mrs. R. E. Henderson, mother of the groom, and Mrs. Roy Dean Henderson. Mrs. Arthur Oakley poured coffee from a table with silver appointments. The centerpiece consisted of pale pink candles, silver balls and pink carnations. It was arranged by Mrs. George Bradford.

Mrs. Dillman Neumaver provided music for the occasion and Mrs. A. A. Dodd and Mrs. Ed Wilson showed the gifts.

Sixty-five persons called during the afternoon. Out-of-town guests were Mrs. Roy E. Henderson and Mrs. Stevens of Canyon, Arch Complin of Charleston, Arkansas, Mrs. Lewis Smith of Dawn, and Mesdames M. T. Rutter, Horace Hershey, Forrest Ricketts, Arnold Hershey, Euel Luce, Ray Hershey and Jim Ricketts, all of Hereford.

Assisting the hostess were Mesdames Sam Hunter, Lester McDermitt, Raymond Van Zandt, R. E. Rogers and Arthur Oakley.

## Mrs. Roy Henderson Is Shower Honoree

Mrs. Roy Dean Henderson of Canyon, a recent bride who will be remembered here as Laoma Hershey, was honored at a tea-shower Wednesday (Jan. 5) in the home of Mrs. Sid Sheffy.

In the receiving line were Mrs. Sheffy, Mrs. Howard Hershey, mother of the bride, Mrs. R. E. Henderson, mother of the groom, and Mrs. Roy Dean Henderson. Mrs. Arthur Oakley poured coffee from a table with silver appointments. The centerpiece consisted of pale pink candles, silver balls and pink carnations. It was arranged by Mrs. George Bradford.

Mrs. Dillman Neumaver provided music for the occasion and Mrs. A. A. Dodd and Mrs. Ed Wilson showed the gifts.

Sixty-five persons called during the afternoon. Out-of-town guests were Mrs. Roy E. Henderson and Mrs. Stevens of Canyon, Arch Complin of Charleston, Arkansas, Mrs. Lewis Smith of Dawn, and Mesdames M. T. Rutter, Horace Hershey, Forrest Ricketts, Arnold Hershey, Euel Luce, Ray Hershey and Jim Ricketts, all of Hereford.

Assisting the hostess were Mesdames Sam Hunter, Lester McDermitt, Raymond Van Zandt, R. E. Rogers and Arthur Oakley.

## Garrison-Bruegel Engagement is Announced

Mr. and Mrs. G. O. Garrison of Childress announce the engagement and approaching marriage of their daughter, Gail, to Carl Bruegel, son of Mr. and Mrs. Fred Bruegel of Dimmitt.

Rituals for the informative double ring ceremony will be read in the Garrison home at 3 o'clock on the afternoon of January 23, by Harrell Collard of the Church of Christ.

Miss Garrison is a 1954 graduate of Childress High School and is now attending business college in Lubbock.

The future bridegroom is a graduate of Dimmitt High School and is now a senior student at Texas Tech College in Lubbock.

## Ralph Wagers is Plainview Speaker

The application of God's healing power to problems of everyday living will be the topic of a Christian Science lecture to be given in Plainview January 17 by Ralph E. Wagers of Chicago, Ill.

Mr. Wagers recently completed a tour of the Orient, during which he visited Korea at the invitation of military authorities. Also he recently lectured in South America. He will speak at the invitation of First Church of Christ, Scientist in Hilton Hotel Ballroom at 8:00 P. M. His subject will be "Christian Science: The Operation of Divine Principle in Our Behalf." The lecture is open to the public without charge.

Prior to devoting his full time to the practice of Christian Science, Mr. Wagers was in the lumber business in Wisconsin, and was at one time chairman of the agricultural committee of the Wisconsin Retail Lumberman's Association. He left business in 1925 to become a Christian Science practitioner. He became an authorized teacher of Christian Science in 1940 and a member of The Christian Science Board of Lectureship in 1946.

Sharon Maynard celebrated her 12th birthday with a party in her home, Tuesday.

Games were played and ice cream and cake were served to Miss Bernita Fortner, Betty Westberry, Ethel Thomas, Gayle Howell, Shirley Curtis, Gayle Layman, Jane Ann Smith, Martha Kay Hance, Mary Alice Brashear and Sandra Compton.

Howard Cook and Rex Sheffy were business visitors in Borger, Sunday.

## WMS Focus Week To Start Monday

"The Third Time is A Charm," so the W. M. S. Focus Week observance planned for the local Baptist Church should be the best yet. At least this is the hope of the Woman's Missionary Society as they prepare for Focus Week, January 16-21.

A week of activities have been scheduled starting Monday as the work of the W. M. S. is focused on the church at this time. On Monday at 9:30 a. m. Mrs. Buster Tidwell will read the missionary program. The subject will be, "Pointing the Chosen to the Way."

Tuesday at 10 a. m. Mrs. O. T. Vardell will teach the book, "Guide To Community Missions." A covered dish luncheon will be served Tuesday at noon. W. M. S. members are urged to attend prayer service on Wednesday at 8:15 p. m. Wednesday a jubilee tea will also be held.

Recordings will be taken to shut-ins Friday and Sunday there will be an interest center in the foyer of the church.

## Applications for Substitute Clerk Carrier Being Taken at Post Office

Applications for the position of substitute clerk carrier are now being accepted at the Dimmitt Post Office, Postmaster Tom Bice announced this week.

Examination for the position will be held at Muleshoe and applicants will be notified of the exact time and place to report for the written examination. Application cards may be obtained at the post office here or from Regional Director, Eighth U. S. Civil Service Region, Room 809, 1114 Commerce Street, Dallas.

Applicants must reside within the delivery of the local post office or bona fide patrons of the post office. The examination to be given is designed to test aptitude for learning and performing the duties of the position. The test subjects will be of the following types: 1. following instructions, 2. address checking, and 3. general abilities. About two and one-half hours will be required for the exam. Competitors will be rated on the written examination on a scale of 100. In each of the three test subjects the applicant will be required to attain a rating of at least 70.

Entrance salary for the job of substitute clerk carrier is \$1.62 1/2 per hour. Appointments are usually made to substitute positions and promotions made to regular position according to seniority of appointment. Substitutes are required to be available for duty on short notice, and, generally they will be working every day. Appointments are probational and become permanent after employees have satisfactorily completed a one-year probationary period.

Applicants must have reached the age of 18 but must not have passed their 50th birthday on the date of filing application. Age limits do not apply to persons entitled to veterans preference.

## Old-time Remedies Indicate Smallpox And Scarlet Fever on Rise in 1890's

(EDITOR'S NOTE: The following articles which are re-printed in part were made available to the News by J. C. Fulkerson, a Dimmitt resident for 13 years. The articles, which were clipped from several East Texas papers were published at the turn of the century, were found by Fulkerson in his grandfather's Bible the late James Finley Fulkerson. The stories deal with cures for smallpox and spinal meningitis and a daring bank robbery at Las Cruces, New Mexico, at which time bandits made away with \$1,100, the total amount on deposit in the bank. The smallpox and meningitis cures indicate that both diseases were on the rise in Texas at this time.

"I herewith append a recipe which has been used to my knowledge in hundreds of cases and will prevent or cure the smallpox, though the pittings are filling. When Jenner discovered a smallpox preventative in England the world of science hurled an avalanche of fame upon his head, but the most scientific school of medicine in the world (that of Paris) published this recipe as a panacea for smallpox it passed unheeded. It is as unfailing as fate and conquers in every instance. It is harmless when taken by a well person. It will cure scarlet fever. Here is this recipe: I have used it and cured my children of scarlet fever. Here it is as I have used it to cure smallpox when learned physicians said the patient must die. If counties would compel physicians to use this there would be no need for pest-houses. If you value advice and experience use this for that terrible disease. Recipe for smallpox and scarlet fever: Sulphate of zinc one (1) grain, foxglove (digitalis) one grain, one-half teaspoonful of sugar; mix with two (2) table-spoonfuls of water; when thoroughly mixed add (4) ounces of water. Take a spoonful every hour. Either disease will disappear in twelve hours. For a child, smaller doses, according to age."

"Two men who are charged with robbing the Bank of Las Cruces, N. M., in broad daylight on Feb. 12 (date not given) were arrested on the streets of San Antonio today by Deputy Sheriff Bert Williams of Las Cruces and Deputy Sheriff Will Green of this city. The two men are Oscar J. Wilbur and Ben Wilson, a miner. The arrest terminated a long chase by the Las Cruces deputy, in which he trailed the two men through Arizona and the Republic of Mexico and to San Antonio. The two officers and two men drew guns at first sight of one another, but the officers got a bead first and then Wilbur and Wilson surrendered. They will be taken back to Las Cruces tomorrow morning.

"The two men are alleged to 'A Negro girl on a Louisiana

## Texas FB Takes Action Toward Securing More Cotton Acreage

The Texas Farm Bureau state board, as a result of meetings in Austin with Castro, Parmer, Swisher, Floyd and Deaf Smith county cotton growers, has taken steps toward adjusting cotton "trend" figures and small farmer allotments. The board pledged itself to do all that is possible in seeing that Texas will receive its fair share of any future cotton increases that may be granted by Congress.

The board drafted this plan of action at a meeting January 4 in Austin. The move was made following an urgent appeal by the five-county group and representatives of other South Texas counties.

State ASC officials conferred with a committee of three from the Panhandle-South Plains areas concerning the distribution of unallotted acres held by that office with the aim of getting the acres allotted to hardship counties.

The State FB board has started work on a plan that may be submitted to Congress to adjust these inequities without raising the overall allotments to such an extent that production of cotton would be unreasonably raised. In addition, the board will endeavor to secure legislation in the future that would smooth out hardship cases in initial allotments so that action to amend the original distribution would not be necessary.

Word was received here this week from Congressman Walter Rogers indicating that action by Congress will be taken soon after it is organized to re-adjust the cotton allotment law. Rogers has assured growers in the five-county area that he will do all he can toward securing a just allotment.

Willis A. Hawkins of Hart, chairman of the five-county group, was Castro county's only representative at the Austin meet.

## Letter to Residents Of Precinct Four

After six years as Commissioner of Precinct Number Two, I want to thank the people for their cooperation and assure you it was a privilege and honor to serve in that capacity.

Your precinct has kept pace with the progress that is being made in the country in general. It doesn't seem possible that six years ago the Precinct was in debt on the first of January and we had to borrow \$2,000.00 for running expenses. We only had two maintainers, one old with payments still due and one new one with only a small amount paid down on it. Now six years later we have three (3) maintainers all paid for except two payments still to be paid or one. In addition we have bought and paid for two houses and six lots. One dirt elevator and half interest in a tar pot. All current bills are paid up to date and after the cemetery road is completely paid for out of Precinct funds, it will have approximately \$8000.00 to start the year with.

Again let me thank you for your kindness and tolerance and as far as my ability would permit I tried to serve the Precinct and Castro County as fairly and honestly as possible.

## Jumbo Clean-Up ... (Continued)

Painted the entire building, plastered the walls, scrubbed and sanded the floors, put in about 100 window lights, nailed blackboards back on the walls, installed butane for heat, built a kitchenette, made some tables, built a baseball diamond and added both inside and outside recreation equipment with inside and outside lighting.

Recreation for both adults and children has been organized since the playground facilities were added.

No one demonstation is numerous enough to support a church at Jumbo, but 90 percent of the families attend services in nearby towns. Boys and girls in 4-H Club work are incorporated in the Castro County Club. Mrs. Dean Barden is president of the Jumbo Home Demonstration Club.

As the junk yard is on county property, leaders of the Jumbo Progress Club asked the Castro

county commissioner's court to help with the maintainers. Several carcasses had to be buried in the cleanup. A good many old trees also had to be burned.

Cleaning up the junk yard made Jumbo folks more sensitive about sanitation, health and safety conditions in their own homes. Seventeen families participated in the general farmstead cleanup. Thirteen took measures to provide a safe water supply. Seven built indoor toilets, including septic tanks and sewage systems. Eighteen families participated in a cancer control clinic. Sixteen checked their homes, outbuildings and farm equipment for safety hazards.

Working on these and other community projects has restored much of the good neighborliness which prevailed at Jumbo back in the old days when the lake was full of water.
