## Harvest reports are good

Corn and milo harvest is nearing completion in Sunnyside and is in full swing everywhere else in the county.

Vegetable harvest is also in full swing as lettuce, carrots and sugar beets are now being delivered to local vegetable sheds.

The wind and rain apparently had little effect on the quality of this year's corn. The major complaints of farmers are of worm infestation and corn borers.

All yields were reported good, and some better than last year. Dimmitt Agri Industries, Inc., in Nazareth reported yields ranging from 4,000 to 10,000 pounds per acre.

Elevator operators said farmers are dissatisfied in the crop prices so far. J. R. Brown at Flag Grain Co. said there was not enough profit to offset last year's losses.

Gene King at Easter Grain said farmers in that area were halfway through their corn harvest and only one-fourth into milo, and that it would be after frost before they would finish their milo harvest.

Ronnie Truelock at Farmers Grain in Hart said that the corn harvest in the Hart community is nine-tenths completed. The quality is good, he said, but corn yields are down and the milo yields "are not what the farmers would like."

Ten days with good weather will be enough to complete the harvest at Sunnyside, according to a spokesman at Sunnyside Grain and Supply. In spite of adverse weather and insect problems, farmers there are generally pleased with grain yields this year.

Albert Maxwell of LaManita, Cullum and Collier, Inc. said lettuce growers are in the middle of their harvest right now and anticipate being finished in two weeks if the weather holds out. Harvest of late carrots started about a week ago, he said, and should go

### Juniors sponsoring homecoming dance

The Junior Class of Dimmitt High School will sponsor the Homecoming dance Friday following the Bobcat-Lockney game, the final scheduled school event of the annual DHS Homecoming weekend.

Not only students and exes, but any others who wish to attend the dance in Richardson Elementary cafeteria are invited. Admission will be \$2 a person.

Music will be presented by an Amarillo disc jockey, Frank Garrett of Tumbleweed Talents.

**FATAL WRECK SCENE**—Dozens of onlookers gather Sunday afternoon at the scene of this fatal accident four miles north of Nazareth, where this 1965 Pontiac veered off State 168, ripped through a fence at the top of an incline and overturned several

times in this pasture. Alicia Rodriguez, 12, was killed instantly when she was thrown from the vehicle, and six of the car's nine other passengers were injured. The car's driver, 27-year-old Daniel Mata, has been charged with involuntary manslaughter.

## Girl, 12, dies in Sunday mishap

A 12-year-old girl was killed and six other persons were injured Sunday afternoon when a speeding car carrying 10 persons to a picnic careened off of State 168 north of Nazareth and overturned 2 1/2 times in a pasture.

Killed instantly was Alicia Rodriguez, who was thrown from the 1965 Pontiac as it overturned in the pasture.

The Texas Highway Patrol has filed a charge of involuntary manslaughter against the car's driver, Daniel Mata, 27, of Dimmitt. The third-degree felony charge carries a sentence of two to 10 years' imprisonment upon conviction.

Mata, who was not injured in the accident, is free on \$7,500 bond pending Grand Jury action on the charge.

Two city-county ambulances and a Sheriff's Dept. car were needed to bring the accident victims to Plains Memorial Hospital. A Dennis Funeral Home hearse brought the dead girl to Dimmitt. Her body was taken to Uvalde Monday for funeral services.

The dead girl's sister, 14-year-old Esmerelda Rodriguez, received a dislocated hip, contusions and abrasions in the accident.

They're the daughters of Dora Rodriguez, resident of the Agricultural Housing Project here. Mrs. Rodriguez was not in the car; she was visiting friends in Easter when the fatal accident occurred.

Others hospitalized at Plains Memorial after the Sunday accident were:

—Dora Alvarez, 23, of Dimmitt, contusions and thoracic injury;

—Lorena Alvarez, 2, of Dimmitt, concussion;

—Ofelia Lopez, 47, of Dimmitt, contusions and thoracic injury;

—Alma Lopez, 15, of Dimmitt, fractured left clavicle, multiple contusions and lacerations of the face and scalp; and

Angelo State; and Kent, who is employed by Hill Feed Lots.

The Lindseys are charter members of the Castro County Country Club.

"I would like to see all members utilize the fine facilities we have here," Lindsey said. "The golf course is in great shape and we intend to keep it that way."

"We would especially like to see our younger members utilize the course."

Lindsey also stated that lessons will start next spring.

### Bob Lindsey named Country Club pro

Bob Lindsey was appointed as full-time golf pro Oct. 1 by the Castro County Country Club Board of Directors.

Lindsey will fill the vacancy recently left by the resignation of former pro Joe Ziegler.

Lindsey will continue to operate his local real estate business, Lindsey Real Estate.

Lindsey and his wife Doris have resided in Dimmitt since 1955. They have four children, Dr. Robert Lindsey Jr. of Plainview; Jeff, a junior at DHS; Kim, a sophomore at

### Hobby names Riley state tax advisor

Ray Joe Riley of Sunnyside has been appointed by Lt. Gov. Bill Hobby to the State Property Tax Study Committee Advisory Committee to the Texas Legislative Council.

Six other Texans have been named to the advisory committee, which will study the equity, assessment and appraisal practices relating to ad valorem taxes on tangible and intangible properties.

The car came to rest on its side.

Natural gas used for agriculture in Texas will finally come under price regulation if a compromise bill now before Congress passes.

The compromise bill, part of President Carter's energy package, is scheduled to come up for a vote in the House of Representatives today (Thursday). The Senate already has approved the compromise measure, which was hammered out by a joint House-Senate committee.

Passage of the measure today "would have special significance for our area in that it would, at the very least, place us under the control of the Texas Railroad Commission for the pricing of irrigation gas," said Ray Joe Riley of Sunnyside, a director of the Plains Irrigation Gas Users Association.

Also, Riley said, the compromise bill would exempt agricultural users from the pas-

through of incremental costs of acquiring new gas supplies.

"The Gas Users Association was against incremental pricing of gas, and we were successful in getting agriculture exempted from incremental pricing, through Congressman Mahon's office," Riley said.

Irrigation gas users also wanted agricultural gas to be granted high-priority status in the bill, in case of future shortages, but on this issue they got only half a loaf.

"The compromise bill does allow for priorities, but names the Secretary of Agriculture as the person to set the priorities," Riley said. "We wanted agriculture to have a high priority without it going through the Secretary of Agriculture. We're just hoping we will get some fairness on it."

## Bonfire will spark Homecoming spirit

Dimmitt High students will set off a big bonfire, also the Homecoming weekend activities at 8 p.m. today (Thursday) on the grounds east of the school building.

All ex-students and other area residents are invited for the evening of excitement which will include crowning of the Flame King and Queen. The street east of the gym will be blocked off to accommodate the crowd, according to Ralph Smith, who is coordinating activities.

The public is invited again Friday afternoon for the pep rally at which the Homecoming Queen will be crowned. Chosen from DHS students, identity of the royalty is not announced until the time of coronation.

The class which won the hall decorating contest Tuesday night will also be announced at the pep rally, which will start at 3:10 p.m.

Each high school class decorated a section of school halls. Students dressed during the week to emphasize different aspects of school spirit.

After the pep rally a barbecue supper will be served by the school's Future Homemakers at Richardson Elementary cafeteria, open to the public. Serving hours will be 5 to 7:30 p.m.

Climax of the weekend will be the Dimmitt-Lockney Homecoming game at 8 p.m. Friday. It will be followed by the Homecoming Dance in Richardson Elementary cafeteria.

The DHS Class of 1958 will hold its 20-year reunion this weekend, attending Friday night's game as a group. A brunch is planned at 9:30 a.m. Saturday in the Colonial Inn Restaurant. Attendance of 60 is expected, including spouses and children of the members.

## Sides, Huseman earn Gold Stars

Kim Sides and David Huseman are the 1978 Gold Star 4-H girl and boy in Castro County, both holding the title as the second in their respective families.

Gold Star awards were presented by County Judge Weldon Bradley at the annual County 4-H Awards banquet in the Richardson Elementary School Saturday. The county winners and their parents will be recognized at the district Gold Star program Nov. 20 at Lubbock.

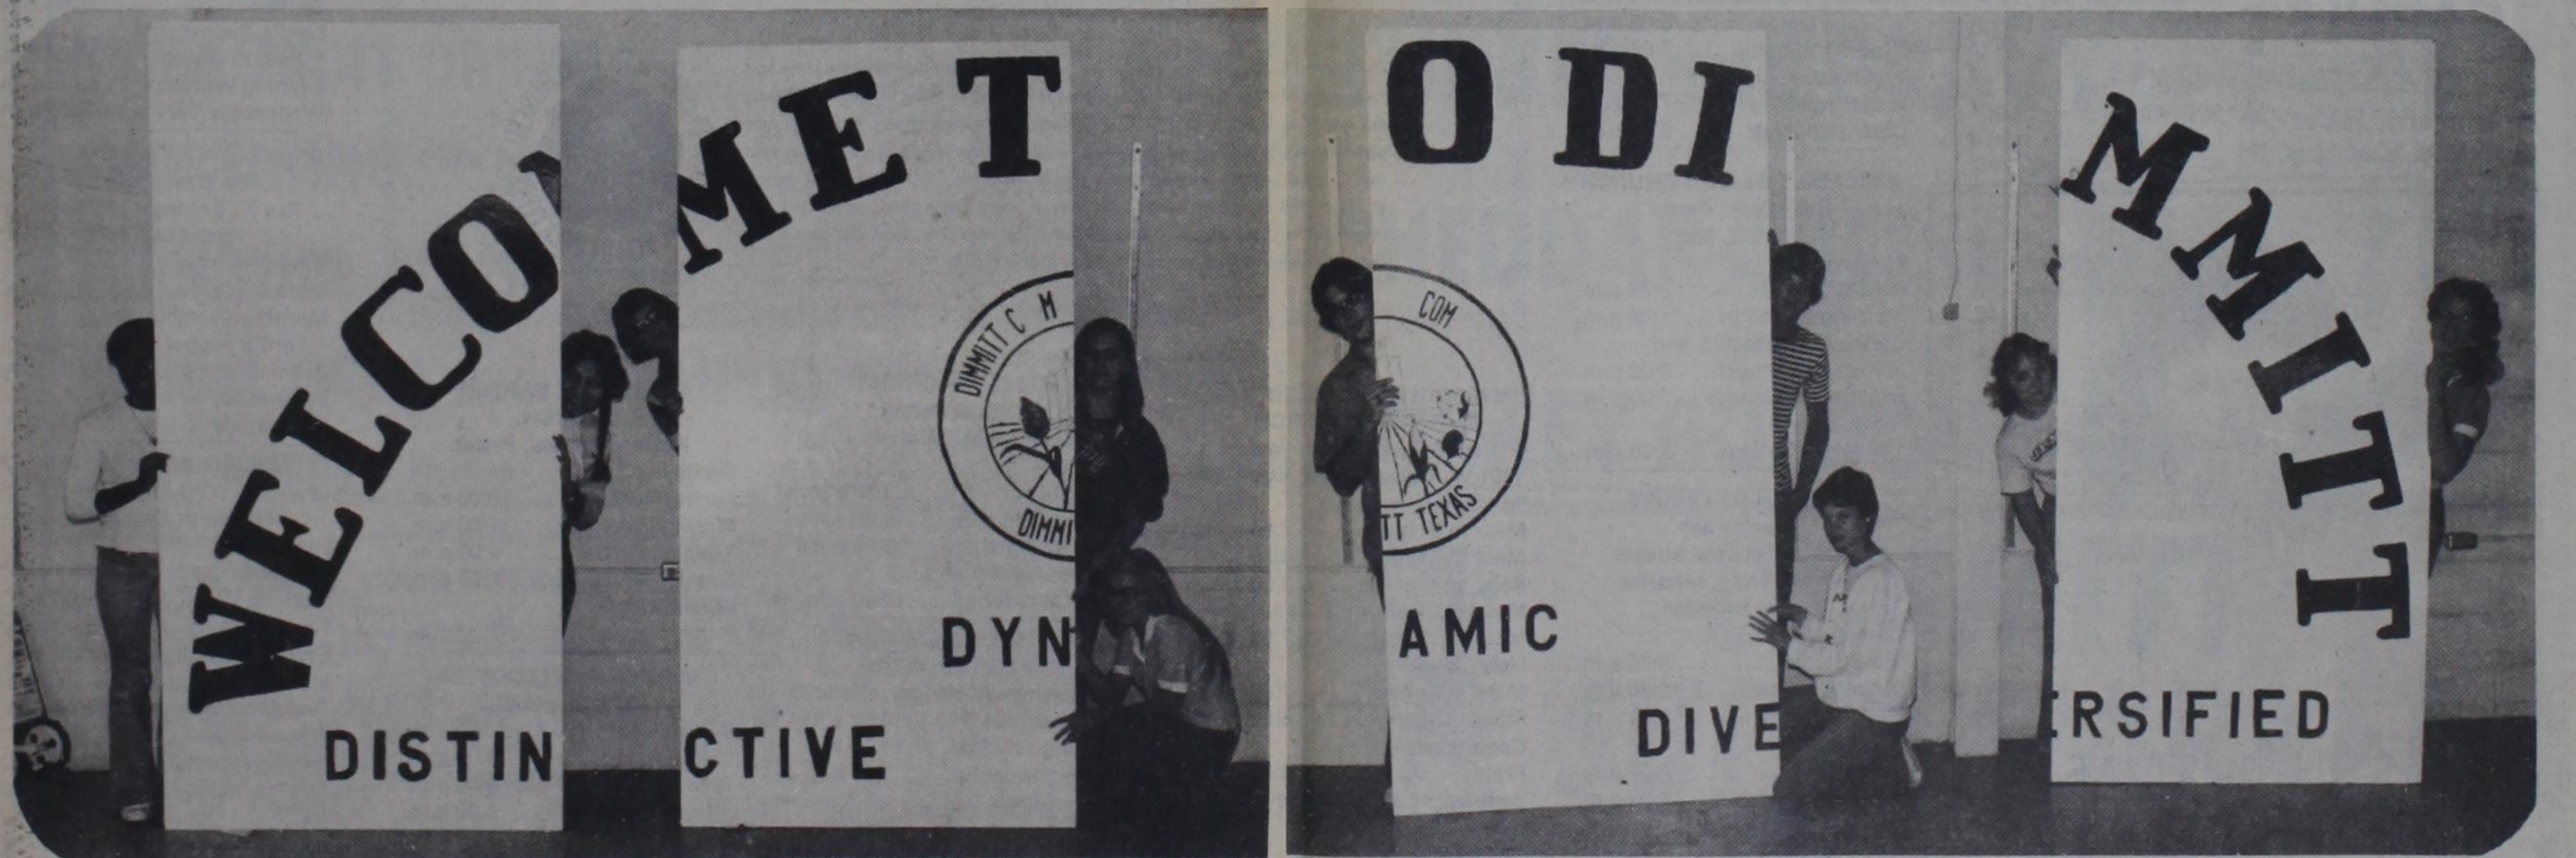

Kim is the daughter of Mr. and Mrs. George Sides. Her sister Cinde was the County Gold Star girl three years ago. Huseman's brother Paul held the boy's title last year. Their

parents are Mr. and Mrs. Louis Huseman.

A member of the Bethel 4-H Club and County 4-H Junior Leaders, Kim is a junior in Dimmitt High School. David attends Nazareth High and is in the Nazareth 4-H Club for the fourth year.

Both are current presidents of their clubs, have taken part in a number of 4-H projects, attended the summer electric camp and other inter-club events. Kim served as a page at the district meeting of Texas Home Demonstration Association this year. David was a state winner in mech-

Dimmitt High School's Art Club is teaming with the Chamber of Commerce to produce two huge black-and-white "welcome" signs to be placed at highway entrances to the city. The students, supervised by Art Club Sponsor Sue Broderson and a different set of parents each night, have been working two

nights a week on the signs, with an average of 25 to 30 of the club's 68 members showing up for each work session. Behind the sign panels, from left, are Raynell Fagan, Ima Herrera, Joe Raper, Judy Lumpkin, Valerie Broadstreet, Ricky Rickerd, Bobby Harvey, Angela Ross, Lisa Polivoda and Kim Weatherford.

Eagle Scouts being listed in Roundup

The National Eagle Scout Association in the South Plains Council of the Boy Scouts of America has announced the beginning of an Eagle Scout Round-Up. This program is designed to encourage all Eagle Scouts regardless of their age or occupation to join the National Eagle Scout Association (NESA).

Formed in 1972, NESA plans to identify and involve Eagle Scouts in a meaningful fellowship that will enhance the program of the Boy Scouts of America. NESA provides all Eagle Scouts with the opportunity to continue active involvement with Scouting while maintaining and initiating friendship and experiences through the Scouting program.

It is estimated that there are nearly 500,000 living Eagle Scouts in the United States today, according to Council Chairman Rick Palmer.

For more information about the Eagle Scout Round-Up and the National Association, Eagle Scouts are encouraged to call the South Plains Council at 747-2631, or visit the NESA booth at the 1978 Scout-O-Rama Nov. 11 at the Lubbock Memorial Civic Center.

WHILE the 1978 cotton crop will be down in the US, foreign production should be up slightly over last year.

WRESTLING WITH OUR FEARS

Our fears seem as big and as terrible as this alligator sometimes, don't they? Fear about this thing and that can paralyze us and prevent us from doing our daily work. Many of our fears are real. A great many of our fears, however, are unfounded — a result of thinking and worrying about ourselves. Sir John Denham phrased it this way: 'My fears are causeless and ungrounded, Fantastic dreams and melancholy fumes.'

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# Service honors GAs

By TEENY BOWDEN

A Girls in Action recognition service was presented in the Sunday night worship service. The auditorium was decorated with GA emblems, a world globe above uplifted hands, greenery and white candles. Mrs. Gale Sadler provided the piano music. Two congregational hymns were sung, the pastor read the Scripture, Mrs. E. R. Sadler led the opening prayer. Mrs. Hershel Wilson, GA director, had charge of the program and Hershel Wilson brought the special music. Shannon Ott and Melody Sadler were the candle lighters. Mrs. Terry Guy gave the explanation of mission adventures. Mrs. Lonnie Wilson presented collars and badges to Sharon Bradley, Chanin Ross and Cinnamon Cox. Mrs. Carl Dean Carson presented collars and badges to the older GAs, Kay Owens, Stacy Sadler and Anne Guy. A reception followed in fellowship hall where the girls' work was on display. Several from Springlake attended.

Brent Lilley and Rhonda Laurent of Dimmitt were married in a double ring ceremony in Lee Street Baptist Church in Dimmitt Saturday

night. Rev. Raymond Jones officiated. The couple will make their home in Dimmitt. Herman Lilley, a former resident of the community, passed away in Temple Thursday morning. Funeral services were held in Cross Plains Saturday afternoon. He was a cousin of Roy Lilley of Dimmitt and Johnnie B. Lilley, and attended Sunnyside School.

Vic McRee of Amarillo, a former resident of the community, passed away Wednesday in Amarillo.

Tom Parson attended the funeral services for John Thomas in Calvary Church in Friona Wednesday afternoon.

Mrs. Raymond Jones, Mrs. Hershel Wilson, Mrs. Bruce Bridges, Erin and Robin, Mrs. Carl Dean Carson and Deakon, Mrs. L. B. Bowden, Mrs. Roy Phelan, Mrs. E. R. Sadler, Mrs. Milburn Haydon, Mrs. Thomas Parson, Mrs. David Sadler and Mrs. Cliff Brown attended the Llanos Altos Associational Annual WMU meeting in Amherst Thursday. Rev. Raymond Jones and Hershel Wilson joined their wives at dinner and stayed to hear the missionary, Mildred Crabtree of Nigeria, speak in the afternoon program. She is the new missionary in residence at Wayland in Plainview.

Mrs. Ray Axtell of Earth was honored by the birthday club with a party in her home Tuesday afternoon. Those present were Mrs. J. E. Shirey of Earth and Mrs. Lloyd Blanton, Mrs. Floyd Ivey, Mrs. Cecil Curtis and Mrs. R. V. Bills of the community. They played 42 and Mrs. Axtell was the winner.

Mr. and Mrs. L. B. Bowden and Mrs. Ed Thompson visited the Grand Canyon and the Oak Creek Canyon in Arizona last Sunday, and the Painted Desert and the Petrified Forest on their way home Monday.

Mr. and Mrs. Gene Dice of Hamilton, Mo. visited Monday through Friday with her aunt, Mrs. Irving King. Mrs. Cecil Curtis visited in Petersburg with her parents, Mr. and Mrs. E. M. Stephens Friday and Saturday. The Baptist Women met at the church Tuesday morning for the prayer program with Mrs. Roy Phelan in charge. Baptist Young Women met at the church Tuesday afternoon after school for their mission program. The Mission Friends also met during this time.

The Sunnyside Uppits had charge of the worship service in the Kingswood United Methodist Church in Amarillo last Sunday night. Those participating were Mr. and Mrs. Cliff Brown and Lynn, Mrs. David Sadler, Rhonda and Tammy Ross, Susan Sadler, Ray Lynn Owens, Carrie and Stacy Sadler, and Ginny and Anne Guy. Amando Bellesia of Italy, American Field Service exchange student from Dimmitt, was a guest of Susan Sadler.

Rev. and Mrs. Raymond Jones, Mrs. Cliff Brown and Mrs. Gene Ross and Chanin attended the Llanos Altos Associational Youth Rally at Oklahoma Lane Monday night with Tammy and Rhonda Ross, Lynn Brown, Ray Lynn Owens, Glenda Crow, Carrie Sadler and Byron Smith of Springlake. They brought home the attendance banner again.

Mark Lindsey of Plainview spent last Thursday through Wednesday with his grandmother Mrs. Euleus Waggoner while his parents, Dr. and Mrs. Robert Lindsey, made a trip to Seattle to a dental convention.

Mrs. Thomas Parson spent Thursday night in Amarillo at St. Anthony's Hospital with Vicente Lopez who underwent surgery Thursday. He was dismissed Friday and she brought him home with her to spend a few days. Rosie, Joe, Israel and Mary Ann Lopez spent Saturday night and Sunday with them.

Paula Sue and Karen Ivey of Dalhart spent last weekend with Mr. and Mrs. Floyd Ivey and Mr. and Mrs. Mokey Ivey south of Dimmitt.

Mr. and Mrs. Winston Waggoner made a trip to Houston over the weekend. Quint stayed with his grandmother, Mrs. Euleus Waggoner. Holly and Gay stayed with Mrs. Winston Waggoner's cousins, Mr. and Mrs. Steve Clary, who are teaching school this year at Nazareth.

Mr. and Mrs. John Gilbreath were with Punk Gilbreath Wednesday morning when he underwent open heart surgery in St. Anthony's Hospital. He is making a nice recovery and was expecting to be dismissed Sunday.

Mr. and Mrs. Cliff Brown and Lynn met Mr. and Mrs. Lee Brown of Goldsmith in Lubbock Saturday and visited with Mr. and Mrs. E. R. Brown and Mrs. Jim Bob Swinney. Lee and Gale came home with them to spend a few days.

Mr. and Mrs. Thomas Parson attended the church services in Temple Baptist Church, Hereford, Sunday night to see their granddaughter, Laura Parson, baptized.

## Jerri Clark has reserve champ sheep

Jerri Ka Clark of Dimmitt showed both the reserve champion ram and reserve champion ewe in the Southdown division of the Junior Breeding Sheep Show at the Texas State Fair in Dallas last weekend. She is a member of the Dimmitt Future Farmers of America.

Her class placings at Dallas included first and third on spring ewe lambs, second on spring ram lambs, third on flock, fourth and seventh on yearling ewes.

Later this fall Jerri Ka will be an exhibitor at this year's North American International Livestock Exposition, scheduled Nov. 4-18 in Louisville, Ky. She has entered Southdown sheep in the competition and joins nearly 12,000 other quality livestock entries in 1978 show activities.

She will compete for premiums and awards which total nearly \$225,000. The North American International Livestock Exposition now ranks among the largest shows of its kind in the world.

## Out-of-state observer comments on Demo meet

Dear Editor:

This is an unsolicited letter of an eyewitness observer of the County Democratic Party meeting at Dimmitt regarding the Lemons-Davis controversy.

It was very apparent at the beginning that the Demo chairman was mad. Disregarding the facts as to residence or attorney eligibility, I would like to address my remarks to the meeting itself.

It seemed odd that when Mr. (Jack) Miller was speaking either at the request of the chairman (Mr. Wiley), or in answer to any one question, he could and did explain the ramifications of the Election Code. On the other hand, Mr. Lemons, also an attorney, could only speak if someone yielded the floor, which was done. Accordingly, he was repeatedly reminded that his points should be argued before a judge.

It was also obvious to this observer that Mr. Wiley's knowledge of the Election Code casts some doubt, but it was certainly obvious that he knows nothing about, or chooses to ignore, parliamentary procedure.

I think the most disheartening point of the meeting

was Mr. Wiley's not even out of common courtesy, offering Mr. Lemons a chair.

Last but not least, I would like to state that I worked in and for the Municipal and Superior Courts of the third

largest city of California for 16 years. So therefore, I know the basic rules of an open meeting or courtroom procedure, and they are basically the same.

I have never seen anyone

conduct himself more professionally or business-like than Mr. Lemons did at that meeting.

## \$28 million cut asked in DISD evaluations

At Monday night's Dimmitt School Board meeting, DISD Business Manager Gene King reported that an appeal on behalf of the Dimmitt schools has been filed with the State Tax Assessment Practices Board asking for a \$28 million reduction in the valuations assigned to the district by the state board.

King pointed out that many of the figures assigned to Dimmitt were considerably out of line with what was assigned to similar districts in the area, and at times did not even correlate with other figures assigned to Dimmitt.

In other action, the school board approved, by a vote of four to two, a lease agreement with Stan Byrnes Ford for a pickup to be used by high school teacher Ed Standlee for vocational agriculture business.

In the past, the school had paid Standlee \$100 per month for him to use his own pickup until it would register 60,000 miles. Larry Gray was under a similar arrangement, and may also opt to lease.

The lease agreement would allow up to 25,000 miles per calendar year, with the teacher reimbursing the school for any amount of the lease over the present amount being paid. The vehicle would be leased in the name of the school, but the teacher would reimburse the school for the cost of insurance coverage. Daily upkeep and maintenance would be the teacher's responsibility, along with any glass or body damage not covered by insurance.

The board approved a form to be used for evaluating the

performance of the superintendent, similar to the forms used for evaluating teachers. The board also agreed to fill out the form in regard to Supt. Robert Ryan, with the results to be reviewed in executive session in January, at the time of renewal of his contract.

In following the recommendation of the high school Student Senate, the board approved the presentation of sweaters for underclassmen, and leather-bound dictionaries for seniors, in recognition of the newly instituted scholastic awards.

The sweaters will be gray with a purple stripe bordered by white on each sleeve, and with a torch symbol in purple on a white background. An award may be received each year a student qualifies.

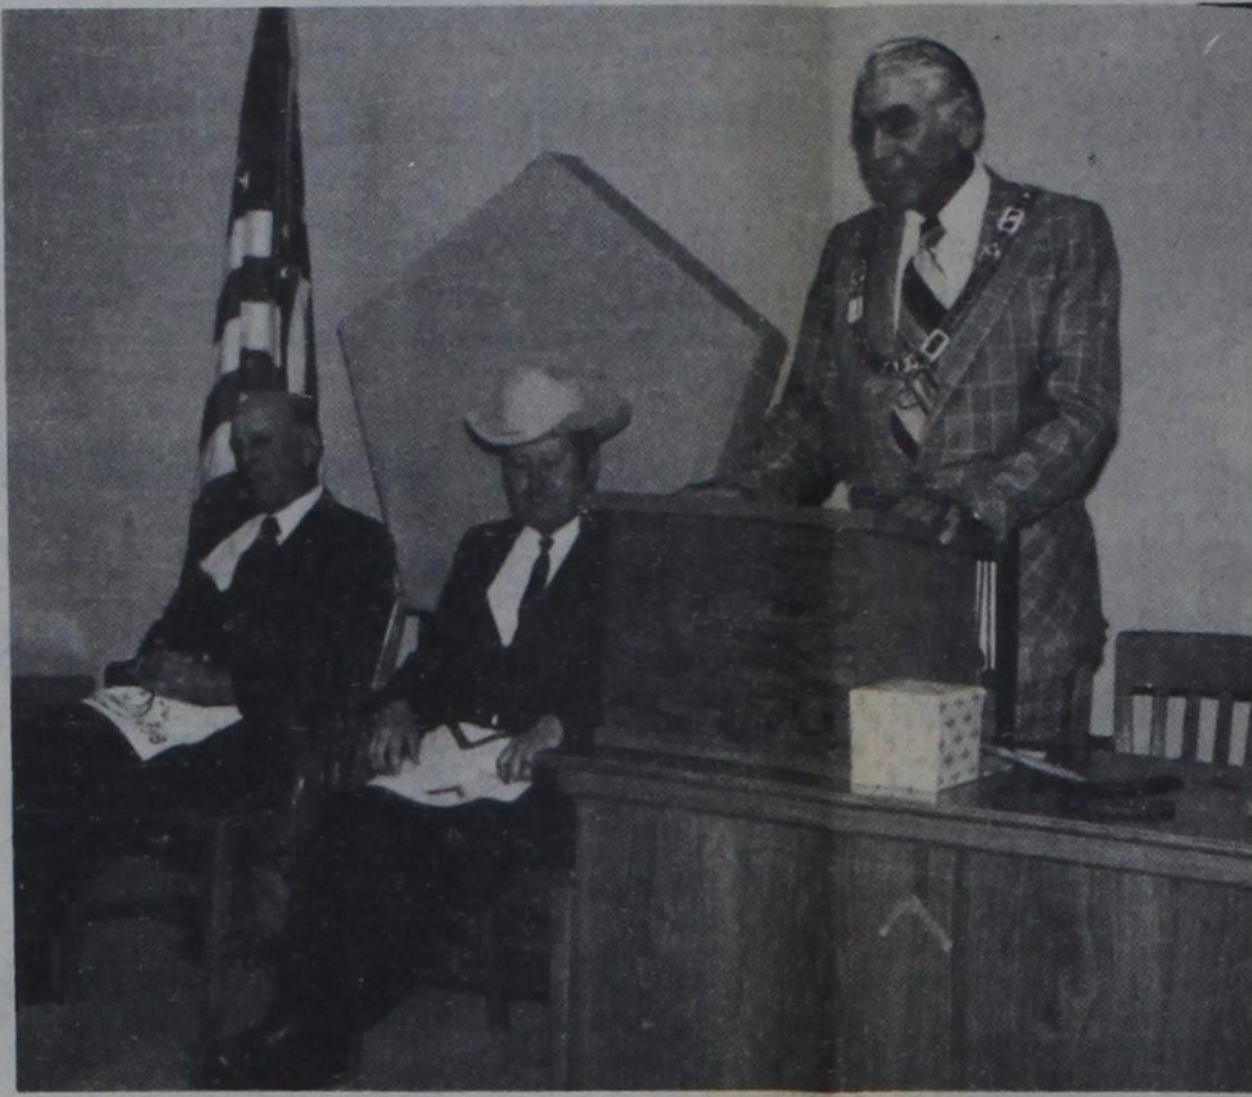

The awards will be presented to the top 10 in scholastic ranking in each class, provided that they also have at least a 90 average.

Ryan said he contacted UIL officials who said such awards would not be against any UIL policy.

The board also formally wrote into board policy the procedure which has been used in the past in determining the valedictorian and salutatorian of graduating classes.

Acceptance of the addition to the shop building was granted by the board, although there is some finish work to be done which was not included in the contract.

Mrs. Ervie Froehner reported to the board on her study of the results of standardized tests taken by Dimmitt pupils.

ANNIVERSARY SPEAKER—Thurman Benson, grand master of the Grand Lodge of Texas, pays tribute to Castro Masonic Lodge 879 during its 75th anniversary observance last Thursday night in the local lodge hall. Seated in background are Charles Myers, district executive, and Carl Moore, master of Castro Lodge 879.

## Masonic Lodge observes 75th birthday Thursday

Masons and their wives from three states gathered in Dimmitt last Thursday night to help Castro Lodge 879 observe its 75th anniversary.

On hand were representatives of the Grand Lodges of Texas, Oklahoma and New Mexico, as well as visitors from other lodges in the Panhandle.

The Order of the Eastern Star served the anniversary banquet in the lodge hall, which was followed by an open meeting attended by a standing-room-only audience of Masons, wives, guests and visitors.

Main speaker at the meeting was Grand Master Thurman Benson of the Grand Lodge of Texas, who paid tribute to those who established the Castro Lodge in 1903.

"A successful and meaningful lodge is in a constant process of sowing, reaping and revitalization," Benson said. "All the work, energy and heartaches that have gone into the making of the Castro Lodge have been worth it. Would Dimmitt be the city it is if its people did not live by the principles of freemasonry?"

Other speakers were Carl Moore, master of the local lodge, who gave the welcome; Ira Brown, lodge secretary, who read the lodge's oldest existing set of minutes (June 27, 1903), in which members adopted bylaws and elected officers; and Edwin "Goose" Ramey, lodge treasurer, who recounted the history of Castro Lodge 879.

Ramey recalled how fires plagued the local lodge in its earlier years.

After organizing in 1903, Ramey said, the lodge met in the original courthouse its first few years until the courthouse burned. The fire destroyed all of the lodge's possessions except one minute book, he said.

"Grandpa Slover built a drug store where the phone office now is, and included a

on until around Christmas. Maxwell said quality and production is good and local fields are yielding around 600 cartons of lettuce per acre and eight to 10 tons of carrots to the acre.

Prices are down but this could be attributed to the over-production of lettuce in the west, Maxwell said. Also, the demand on carrots is low due to carrots being shipped in from Michigan, California and Canada.

Calvin Jones of Holly Sugar in Hereford said sugarbeet harvest started on Oct. 5 and deliveries are good. Holly Sugar anticipates completion near the end of November.

The yield of about 20 tons to the acre is lower than was anticipated, Jones said.

lodge hall," Ramey said. "We met there about 10 year, until it burned down."

Local Masons then held their meetings in churches until they could build a lodge hall on the second floor of a warehouse. But a wino broke into the warehouse one night to sleep, set it afire accidentally, and the Masons lost that lodge hall, too, to flames.

"Later, the bank provided space for us on the second floor of its building until the lodge bought the present hall," Ramey said.

At the urging of visiting Masons, Ramey also told how the Castro Lodge came to bury a whiteface calf with Masonic honors in 1918.

A farmer south of town had burned the calf in his house in an attempted insurance fraud and everyone assumed the dead body was his. The "dead" man's wife claimed he had been a Mason. Although the local lodge could find no record of his membership, they deferred to the grieving widow and conducted the burial rites.

But, local Masons became suspicious when the "dead" man's wife asked them to help her collect \$50,000 in insurance.

left side more than 180 feet from the fence. The car was out of control approximately one-fourth of a mile, Maples reported.

Scattered around the car at the gruesome accident scene were dressed chickens, a bag of charcoal briquets, plates, cooking pots, soft-drink bottles, bread and other picnic supplies, along with the car's springs, mirror, spare tire, deck speakers, tape cartridges and tools.

A motorist who said Mata ran him off the road shortly before the accident told Maples that he had chased Mata's car at speeds up to 90 and 95 mph in an attempt to get his license number.

Mrs. Reyna, who is pregnant, "told me she had demanded that Mata slow down or else stop the car and let her out," Maples said, "but she said he told her he was going to pass everybody on the road."

A blood-alcohol test at the hospital after the accident indicated Mata was intoxicated, Maples said.

Two other persons were injured in a car-truck collision shortly after noon Tuesday at the intersection of Hwy. 194 and First Street in Hart.

A 1973 Buick sedan driven by Margarita Rodriguez of Hart and a 1968 Dodge truck hauling animal hides, driven by James Bussey of Plainview, were involved.

State Trooper Dyrle Maples said Mrs. Rodriguez' vehicle was entering the highway from First St., and she failed to see the oncoming east-bound truck, which hit the right side of the Buick. Both vehicles were totaled.

Both drivers were taken to Plains Memorial Hospital. Mrs. Rodriguez reportedly had leg and back injuries and Bussey had neck injuries.

## Swifts top Canyon JV; will meet Valley Friday

By PATRICIA KERN

Nazareth's Swifts hiked their season record to 4-1 Friday night as they edged Canyon JV in their last non-district game, 7-2.

The Swifts held the Eagles on a fourth-down play in the opening series after Canyon drove to Nazareth's 23-yard line. The Swifts then took the ball to their own 45-yard line, where they were also forced to punt.

Johnnie Nicholes (who picked up 106 yards in 26 carries for Canyon during the game) grabbed a 22-yard pass from quarterback Byron Johnson the next play, and Johnson followed with a keeper, picking up an additional 26 yards. Nicholes picked up 12 yards on the next two plays, but fumbled the ball on his next carry and the Swifts recovered on their own 21.

Nazareth picked up two first downs, but was forced to punt from the Canyon 44 with 3:50 left in the half.

The Swift defense held

Canyon to six yards, and Norman Gerber blocked a fourth-down punt attempt, which Jeff Schmucker recovered on the 6-yard line. Bryan Huseman took the ball into the end zone from four yards out for the only touchdown of the game.

Each team had its share of penalties, and neither team threatened again until late in the third quarter. The Swifts took the ball all the way to the 1-yard line, but were stopped on a fourth-down play.

Canyon took over as the buzzer sounded, and drove all the way to the Swift 6-yard line (aided by facemasking and an 18-yard pass interference penalty) before Nazareth took over late in the fourth.

The Swifts moved the ball out to the 10-yard line, and rather than chance a blocked punt or a tie game by giving the Eagles good field position, Dwayne Acker took a safety as he kept the ball in the end zone on the fourth-down snap, giving Canyon two points.

With 1:30 remaining, Acker free-kicked to Canyon's 39-yard line. Bryan Huseman sacked QB Johnson for a 13-yard loss on the next play to give the Swifts their 7-2 win as the clock ran out.

Nazareth takes on state-ranked Valley Friday night, and Coach Eddie Hooper says the outcome may have a big part in determining the district champions. Valley was picked earlier this season to win, with the Swifts picked to come in second.

"We've watched films of them (Valley) and nobody has passed very much against them so far," said Coach Hooper. "We're working on our passing game, but we'll have to eliminate penalties and mistakes to beat them Friday.

"We're also going to need to get our injured people back for the game," he added.

Chris Hatla (quarterback for Jimmy Huseman since he was sidelined in the opening game with a shoulder separation) suffered head injuries and was taken to the hospital at halftime of Friday's game with Canyon. Dwayne Acker hurt his leg, and Neal Wilhelm reinjured his ankle in practice Monday, but Dwayne Heck has come back off the knee injury he suffered in the Hart-Nazareth game.

The Nazareth-Valley showdown is slated for 8 p.m. at Patriot Stadium, and will be the first district game for both teams.

## Highway rebuilding around halfway mark

Dimmitt's downtown highway rebuilding is "coming along just about on schedule" even though the time seems long to residents, Dimmitt Lions Club members were told Tuesday by Teddy Jackson, chief inspector for the Texas Department of Highways and Transportation.

As of Oct. 1, Jackson said, the contractor had used up 43 percent of his time on this job and it was 40 percent completed. He explained that the contractor is not charged for rain-out time.

Jackson also said that after the first 10 inches of pavement and old base are torn out, they have to plow six inches deeper for watering and consistent compaction "and this is when we hit the water lines." He said the water lines under the highways were not laid deeply enough originally.

Mayor Elmer Youts commented that "Our biggest problem has been to sit and wait for the streets to dry out after rains."

He said the city had first contacted the Highway Department "about two and a half years ago, when Hwy. 86 was coming apart west of town. They said they didn't have funds then—all state highway funds for repair and construction were frozen for a couple of years, but they would reseed it. They said it really needed rebuilding, not more resealing."

"Later, Hwy. 385 began to come apart," the mayor continued. "About that time the district highway engineer called and said he thought he might get the money to re-build here, and wanted to know if the city wanted the work done. After consulting with the two city commissioners, I told them to go ahead with it—we were ready."

Answering questions, Jackson said the contractor will lay 4 1/2 inches of black base and 1 1/2 inches of riding surface

on both the highways through Dimmitt.

Asked whether the work will be done by this time next year, he said "I hope we'll be out by Christmas except for the riding surface which we'll put on next summer when the heat will make a better job of it. Nov. 1 is the last date we could apply finish topping."

To another question, "Why wasn't the project started earlier?" he said "They started May 30, the month the contract was let. That was as soon as they could start, considering the time required to get the necessary state forms."

Youts answered the query, "Couldn't the traffic light be reset to give more time to east-west traffic, since that's the heaviest?" He said, "I've parked at the courthouse square and watched it at different times of day, and there's not as much difference in east-west and north-south traffic as you'd think."

Another question was whether it would be practical to sprinkle the streets to keep the powdery dust down and out of the stores. Jackson replied that he thinks it will be possible to get the contractor to do that, "although it may be hard to do because there's a lot of traffic around that intersection."

### NHS will sell holiday greens

The National Honor Society of Dimmitt High School will sell Christmas greenery Tuesday, Oct. 17, starting at 4:30 p.m.

Anyone interested in buying greenery who is not contacted may notify any NHS member or call 647-4539. Proceeds of the sale will be used for NHS projects of this school year.

DOC'S HEALTH CENTER will be closed soon if more of you people do not come for treatments. Check your feet, pinch all 10 of your toes, top and bottom, hard with your thumb and first finger, in the middle. You will probably find tender places on the underside and at the bottom of the toes. Also check the sides and bottom of your feet. If your feet are not okay, your body is not either. And what you eat and drink has a lot to do with the condition your body is in. It will not take but 5 minutes to drive out from Dimmitt and about 30 minutes to find out where the trouble is and have a treatment. CALL 647-2222 for an appointment.

Lost and Found: child's wool coat, beige plaid, very small, left in the library two weeks ago this Friday. Come to library to pick up.

I am often asked why I write such odd things in this column which should be reserved for library activities. Well, you know, I like to include material which is brilliant, witty and sometimes provocative. I am also very vain. Now what do you think of that?

I also try to pass on some tidbits here and there which patrons will find useful when using the library. For example, I have to explain what sundry things are for. One poor student needed to know what Granger's Index to Poetry was for and I had to tell him that it had nothing to do with the price of poetry on the stock exchange.

For those of you wondering about library activities, this list has been prepared for you.

1. Texas Panhandle Library System started a new fiscal year this past month.
2. The system coordinator will visit us soon and prepare a new profile on Rhoads Library.
3. Rhoads Library will host a workshop for area librarians. Librarians from Tulia, Hereford, Friona, Canyon and Dalhart will be our guests.

Alma Umberson was born March 10, 1900 in Gorman. Her parents were Mr. and Mrs. Charles Reynolds. She had three brothers and three sisters.

Alma's family moved to Floyd County in 1918 and lived in the Sunset community. In 1919 Alma married Erceel Umberson. They had one son, Dee. They moved to Castro County in 1921 and Mr. Umberson farmed. He passed away in 1965.

Alma was one of the first residents of South Hills Manor. She keeps very busy and loves all types of handwork. She is a member of the First United Methodist Church. She enjoys visiting, so come by and spend some time visiting Alma.

Hershel Wilson entertained the residents Saturday night, and Sunday the Rough Riders, a group of young people from Nazareth, provided entertainment. Derrel Musick and Nita Hall came out Sunday evening to entertain.

We would like to thank everyone who helped make our porch sale a success.

**National Fire Prevention Week**

# 'Better to prevent fire than fight it'

National Fire Prevention Week, Oct. 8-14, proclaimed in Castro County by County Judge Weldon Bradley, calls public attention to the year-around aim of volunteer fire departments in Dimmitt, Nazareth and Hart—to keep fires from starting.

The proclamation and the annual banquet of the Dimmitt Volunteer Fire Department are observances of the week in this city. Fire Chief Gene Kern at Nazareth commented, "We don't have any special program for Fire Prevention Week; we try to prevent 'em all the time."

In his proclamation, Judge Bradley said, "The United States has the worst fire record of any industrialized nation. Hundreds of thousands of fires rage each year, killing about 8,800 persons, causing damage in excess of \$11 billion, leaving thousands homeless or jobless."

He mentioned the 347 fire deaths in Texas during 1977, with 24 of them on farms or ranches. Residential fires in

the nation claim an estimated 6,200 lives yearly, most of them between hours of 9 p.m. and 6 a.m.

Safety practices in the home to prevent fires are emphasized in the proclamation, with "Learn not to burn" as the slogan.

Four practices are recommended: Have a smoke detector, have every family member learn an escape plan in case of night fire, make sure every member knows how to turn in a fire alarm and how to use portable extinguishers, rehearse how to "stop, drop and roll" to smother a blaze if skin, hair or clothing catches fire.

The National Fire Protection Association, which sponsors Fire Prevention Week, reports three times as many deaths from smoke inhalation as from burns, and urges use of smoke detectors in homes and businesses.

Fire departments in Castro County all operate with volunteers, who give their time not only to answer fire calls but for training in handling various kinds of blazes and in life saving techniques.

Dimmitt's VFD has only one paid fireman, Charles Littlejohn, in addition to Fire Marshal Guy Waldrop. The other 27 members are volunteers, Dimmitt residents who represent a variety of occupations.

They answered a total of 68 calls the past year, 23 of them inside the city limits. Castro County pays a contracted

amount monthly for its share of the protection, and helps pay the firemen's retirement fund. Some county-owned equipment is also used and the county pays for upkeep and fuel for that equipment. The fire station on West

Bedford is owned by the City of Dimmitt. Equipment consists of seven vehicles including three pumper units, a large tanker truck and backup tanker, a rescue unit vehicle and the chief's station wagon.

The firemen's banquet is scheduled at 7:30 p.m. today (Thursday) at the fire station. Firemen, their wives and guests including city and county officials will attend. The Fireman of the Year is recognized at each banquet, and awards will be made to those who answered the most calls and attended the most drill sessions during the year.

Twenty volunteers make up the Hart VFD, with Frank Barnes as chief. It responded to approximately 30 calls the past year in the town of Hart and surrounding areas.

The Hart fire station houses the department's four vehicles, three pumpers and a tanker.

Nazareth firemen have their own building and equipment, for which they have raised money by sponsoring numerous community entertainments. Eight volunteer firemen regularly attend meetings, and others respond to fire calls, Kern said.

Their equipment includes a 500-gallon pumper, a county-owned truck, a 66-gallon mini-pumper, an emergency van with generator, auxiliary pump and other emergency equipment. The department serves the rural area in its part of the county as well as Nazareth.

Firemen from all three departments attend the Texas Firemen's Training School at A&M University each summer. State and local Farm Bureaus sponsor the training school, and also pay \$75 to fire departments for fighting each rural fire on property insured by the Farm Bureau Insurance Companies.

National CDA Day to be observed

By VIRGIE GERBER

Sunday, Oct. 15 has been designated by the National Board of the Catholic Daughters of America as National Catholic Daughters of America Day.

The official theme of this year's observance is "Evangelization and Ministry by Sharing and Caring" through which Catholic Daughters can proclaim the Gospel, share the Good News and become true evangelizers.

The late Holy Father Pope Paul VI proclaimed 1978 as the Year of Evangelization. Evangelization has been included as a vital part of the community segment of the Catholic Daughters' Heart Speaks to Heart program.

Proclaiming the Gospel is not merely a service, but rather a joy rendered to the Christian community and the whole of humanity; therefore Mayor John Slavik proclaims Sunday, Oct. 15 as "Catholic Daughters of America Day" in Nazareth for Court Archbishop Gerken #1368.

The Catholic Daughters of Nazareth are observing this day with a Mass of Reception for new members at 6:30 p.m. followed by a supper for the members and their husbands or friends. The Court is also celebrating the 34th birthday of their organization and honoring the 25-year members.

ing the 25-year members.

Mr. and Mrs. Wert Hoelting of Redondo Beach, Calif. are here visiting families and friends. On Sunday evening the California visitors and the Wert Albrachts of Hereford, the Ed Hoeltings, the Ab Hoeltings, Ella Hoelting, the Greg Hoeltings, the Francis Wilhelms and the Ed Ramaekers of Nazareth enjoyed supper and the evening with Dora Albracht.

Congratulations to Herbie and Joyce Wethington of Dumas on the birth of a son. Mrs. Marie Venhaus is in Dumas with the Wethingtons caring for her new grandson.

Mrs. Ethel Schmucker and Mrs. Gin Huseman spent Tuesday and Wednesday in Levelland at the Amarillo DCCW Convention. They were delegates of the Christian Mothers Society.

Mr. and Mrs. Jerome Brockman spent Sunday in Plainview. They were part of a screening committee to pick prospective candidates for the new Deacon program Oct. 28-29.

Calvin and Kathy (Brockman) Yarborough attended the funeral of Calvin's mother, Velma in Elk City, Okla. on Sunday.

Mr. and Mrs. Robert Huseman and Father Stanley attended the Plainview Knights of Columbus Third Annual Columbus celebration Sunday evening. They enjoyed a Mexican supper and the Plainview drama class furnished the entertainment.

Mr. and Mrs. Clarence Schulte and Agnes Brockman enjoyed Sunday dinner with the Phil Brockman family in Lazbuddie.

The Nazareth Swift Band garage sale was a great success in Dimmitt Saturday. This will help the band go to El Paso.

# Owls top Horns, 12-0 in 'battle of wounded'

By MONTY UPTON

Two teams of the "walking wounded" met in Silverton Friday night, and the Hart Longhorns dropped a tough defensive game, 0-12. Suffering from injuries to key personnel, Hart was in-

effective all night on offense as it suffered eight turnovers, five interceptions and three fumbles, and generated less than 75 yards all night. Silverton, with the exception of one 44-yard run, had less than 100 yards.

The Longhorns received the

opening kick but, with new folks starting at unfamiliar positions as they tried to re-group after numerous injuries, they failed to move the ball. Freshman Melvin Washington at fullback, Nathan Ingram at halfback and Isaia Ponce and Jesse Gonzales alternating at slotback made up an almost entirely new backfield for regular QB Ricky Rowland.

In the line, Chad Black was new at tight end, Benny McLain had been switched to left tackle, newcomer Joe Portillo filled in at inside guard, Marlin Marble pulled in to right guard, Kelly Jones shifted to right tackle and Steven Brantley ran at split end. Besides Rowland, center Scott Jones was about the only person still in the position he had started at all year, and he had a broken thumb that was heavily padded.

Neither team earned a first down until less than a minute remained in the second, when Rowland was able to complete a nine-yarder to Black. Two plays later Ingram earned another one on a nine-yard run. However, the drive ended on the fourth play of the second quarter as Rowland's pass was picked off.

The Owls could not move either under pressure from defensive linemen K. Jones, Roy Martinez, Danny Rodriguez, Marble, Gonzales and Black. The tough secondary of Ponce, Rowland, Brantley and monster man Daniel Higgins kept the Owls from completing a pass all night.

Both teams gave up the ball twice with the Owls' third possession of the quarter ending as Rowland recovered a fumble at the Horns' 32. However, Hart was victimized by an interception on the series and the Owls had the ball at the Horns 43. QB Mark Brown lost a yard on the first play but the second play saw him drop back for a pass. Finding his receivers covered, he tucked the ball in and ran for it. Breaking away, he went 44 yards for the only offensive TD of the game. A PAT run fell short.

Hart suffered another interception to end its next series, and time ran out on the Owls with the score 0-6. The second half was almost a repeat of the first as neither team sustained a drive. The Owls did use Horn penalties to move to the Hart 29, but could go no further.

The fourth quarter saw four more Hart turnovers to end any hope of driving the ball. The last of these, a pass interception by Mark Brown at safety, was returned 30 yards for the final TD with 1:29 left in the game. Brown's attempted PAT run following a high snap fell short. Giving freshman QB Derek Rich some game experience, the Horns ran the ball long enough to give the Owls one more play before the gun. The Horns stand at 2-3 for the year and are open this week before starting district play with Homecoming against Bovina Oct. 20. By that time, look for vast improvement if old injuries are healed and young players have jelled in new positions.

## Nazareth nips Dimmitt 7-B and ties 8-B

Nazareth's seventh graders defeated Dimmitt 7-B boys, 14-6, last week at Nazareth.

Nazareth jumped to an immediate 6-0 lead by scoring on the opening kickoff. Dimmitt's only score came on a 60-yard run in the second quarter by Richie Neel.

In the third quarter Nazareth added a TD and a two-point conversion to take a 14-6 victory.

Dimmitt coach John Thomas cited Sammy Mendez and Roy Sanchez as defensive standouts for Dimmitt. In the 8-B game, Dimmitt and Nazareth fought to an 8-8 tie. Dimmitt scored in the second quarter on a 41-yard run by Ruben Casas. Johnny Lopez hit Gene Wait with a pass for the two-point conversion to give Dimmitt an 8-0 lead.

Nazareth came back quickly, returning the ensuing kickoff 70 yards for a TD, then ran the two-point conversion to tie the game. The rest of the game was a standoff.

On defense for Dimmitt, Coach Thomas mentioned Justin Smith and John Collins. Johnny Lopez was 6 for 8 in passing, and Ruben Casas caught four passes in addition to making his long TD run. Thomas also cited the entire offensive line for its blocking.

and hand skills in 1977. Bethel and Happy Helpers 4-H Clubs were presented certificates with blue seal and Nazareth Club a red seal certificate, recognizing their accomplishments as clubs. Jim McNeely, assistant County Extension Agent, gave these

awards. Pins designating number of years' membership in 4-H were presented to the members, and 4-H medals went to those who completed and reported on projects. Dennis Huseman, president, and Beth Odom, vice-president of the Junior Leaders, presented the medals. Adult leaders received awards for their services also, and all the nearly 40 leaders were given certificates of ap-

preciation by Wendy Bruegel and Laurie Sides of Bethel Club.

Catherine Hochstein, with 16 years of leadership at Nazareth, Mary Behrends of Happy Helpers 4-H and William Hochstein of Nazareth with 10 years each had the longest records of service. Sue Boozer of Bethel received a five-year certificate.

Highlight of the program was a slide show and narration by KaKa Bruegel and Kim Sides, both of Bethel, on their trip to Washington, D. C. for the Citizenship Short Course, which is open to outstanding 4-H'ers. They went to Mount Vernon, Monticello, Old Williamsburg and other historic spots in the area.

Kylene Behrends of Happy Helpers Club presided for the program. After the invocation by Bobby Crozier of the Dimmitt Club, Laura Downing of Happy Helpers welcomed guests who included county officials. Steven Bagley of Dimmitt led the 4-H Motto and Pledge.

David Huseman introduced guests. Cleve Keating of Bethel voiced appreciation to parents, Rodney Hunter of Dimmitt to leaders and Randy Huseman of Nazareth to friends of 4-H. Shane Smith-

son of Dimmitt gave the 4-H prayer as a benediction. Le-

## Funeral held for father of Coach Hooper

The funeral of Carl W. Hooper of Olton, father of Eddie Hooper of Nazareth, was conducted Friday at the First Baptist Church of Olton and burial was in the Olton Cemetery. Rev. John Lewis of Waco, retired minister, and Dr. Travis Hart, pastor of the church, officiated for the funeral.

Mr. Hooper, a longtime Olton resident and a retired farmer, died Wednesday. He married Leabell Hancock at Lubbock in 1939, and she survives him. Also surviving are two sons, Eddie, a coach and teacher in Nazareth schools, and Burney Day of Avalon; a brother, Jack of Hale Center, and three grandchildren.

## John Hill sets record with service as Secretary of State, Attorney General

John Hill will be the first governor in the history of Texas who takes office with eight years of valuable experience in the executive branch of state government. His two years as Secretary of State and six years as Attorney General are unprecedented among Texas governors. This experience will give Texans a governor ready to take charge on the first day in office — a governor who knows how to bring efficient management to the job of the state's chief executive.

## Play It Safe ...Everywhere You Go!

Carelessness has no boundaries. No one can predict when or where the next tragic fire will happen. That's why it's important that we *all* do our jobs and practice fire prevention in every way. Make it *your* business to look for fire hazards...in the home, on your property and where you work! Fix any faulty wiring...immediately; empty trash regularly...avoid buildups; keep heating and cooking equipment in top repair; store old oily rags in metal containers. Make sure you and everyone in your family knows what to do in a fire emergency...*before* it happens. Play it smart...be fire safe!

### White House Fellowships are open to applicants

The President's Commission on White House Fellowships is seeking highly qualified candidates for its 1979-80 competition. Fourteen to 19 positions are open for this extraordinary but highly competitive opportunity.

President Lyndon B. Johnson established the program in 1964 to give outstanding younger Americans firsthand experience in the process of governing the nation. The White House Fellowship program is a non-partisan effort to draw in a few of the brightest and most promising people from all over the country to work at a unique level in the federal government for a year.

Presidents Nixon, Ford and Carter have continued the program and President Carter has removed the specific age limitations. The program is now open to all those who are early in their careers.

Fellows have been chosen from a wide variety of careers and professions including law, medicine, teaching, state and local government and the arts. The Fellows serve for one year, usually as a special assistant to the vice-president, a member of the president's cabinet or a presidential assistant. The Fellows may be involved in the development of special programs, assist in speech writing, engage in interdepartmental task forces, or do other tasks assigned by their principals.

### National tests are offered for DHS sophs

On Monday Dimmitt High School will give the National Education Development Test to sophomores in the school, says D. H. Koeninger, school counselor.

This program is concerned with individual educational development, especially with the students' ability to use what they have learned. The results of the test help determine how students are performing in important study areas. Each student will receive a booklet which describes the test and gives sample questions from the NEDT. The test is optional to the student at a cost of \$2.45, which is the cost of servicing. About a month after the test is given, the results will be discussed with the student who will be given a handbook to take home. The handbook will contain their scores and material for information. Sophomore students who have any desire to go to a four-year college should be encouraged to take this test, Koeninger said, as it can be a practice test for the SAT or ACT test required for college entrance.

### Dancers add to arthritis fund drive

The Dimmitt Promenaders were recognized as being fourth top selling club by selling 295 tickets for the fifth annual Arthritis Foundation Hoedown Saturday night in the Activities Center at West Texas State University.

The theme of this year's hoedown was "Dance So That Others May Walk." Round dancers and 21 squares from all over the Panhandle attended and raised over \$6,500 for the Arthritis Foundation.

Each ticket sold represented a chance at winning one of the prizes donated by area merchants. Bill Harman won third prize, donated by Colberts. He in turn auctioned the gift certificate for \$35 to go to the Arthritis Foundation. Carolyn Harman received a smoke alarm for being third in high ticket sales. She sold 170 tickets.

Callers for this dance were Sid Perkins, Roy Johnson, Billy Foster and Sammy Parsley. The round dance caller was Mickey Grimm. Dimmitt Promenaders officers expressed appreciation to everyone who made a donation to the Arthritis Foundation.

### County group goes to hear GOP candidate

A carload of Castro County residents accompanied Jim Killingsworth to a lunch in Amarillo recently to hear Bill Clements speak in his campaign as Republican nominee for governor. Killingsworth is Clements' campaign chairman in this county.

The candidate, giving his views on education, energy and agriculture, pledged to "work with Texas farmers as governor, pursuing leadership in overseas marketing of our crops, enforcing import grade standards by vigorous inspection at entry points." He said government subsidies and loans are only short-term solutions to farm problems.

Support of Rep. Bill Clayton's plan to import water from the Arkansas watershed to West Texas was voiced by Clements, who said negotiations should be pushed on that project.

The speaker said there is no quick solution to problems of education in Texas, which cannot be cured by "pouring money into the educational system." He emphasized the reality of the energy crisis, and said he favors freeing oil and gas producers to produce, also promoting development of nuclear energy and use of coal.

EGG grade does not affect the egg's food value. Lower grades are as high in nutrients as top grades.

### VETERAN'S SERVICES

BY BEDFORD W. SMITH
County Service Officer

I've been in San Antonio attending the 31st statewide annual Veteran Services Conference this week. It is sponsored by the Texas Veteran Affairs Commission, the VA, American Legion, DAV, Amvets, VFW, World War I Veterans, etc. for all interested persons.

Also we attended the County Veteran Officers Association of which we are Chaplain. Our office will be open again on Oct. 18.

The following is a news release from the Waco Regional office of the VA. The Veterans Administration's basic booklet on veterans' benefits has been recorded on cassette tapes for use by the blind. The tapes are the work of the Blinded Veterans Association (BVA).

Two cassettes cover VA benefits for former servicemen and women, and their dependents or survivors. They are available to blind veterans on request by writing the Association at 1735 DeSales St., N.W., Washington, D.C. 20036, or by calling (202) 347-4010.

Sets of the cassettes have been sent to VA counselors who work with the blind and were also distributed to Blinded Veterans Association members at their recent convention. The booklet from which the tapes were made, "Federal Benefits for Veterans and Dependents," can be purchased from the Superintendent of Documents, US Government Printing Office, Washington, D.C. 20402, or the Consumer Information Center, Department 0297, Pueblo, Colo. 81009. The price is \$1.

SALAD A LA BLACKTOP—Lettuce was scattered down a section of Hwy. 385 five miles north of Dimmitt Saturday morning, when a tandem truck carrying a load of the crated vegetables lost a crate as it passed a pickup. When the truck pulled back into its lane, the remainder of the load fell and most of the boxes broke open. About 30 boxes were lost, according to Deputy Sheriff David Dalton, who with Chief Deputy Boots Crews of the Castro County Sheriff's Department witnessed the accident as they drove a short distance behind the truck.

Spec. 4 Santos Alvarado, son of Frank Alvarado of Hart, is participating with other American and allied troops in Reforger '78, NATO's largest yearly exercise, held in Germany. More than 11,000 soldiers were flown to Germany and some 37,000 tons of equipment and supplies have been shipped from the US for the massive exercise.

Reforger (Return of Forces to Germany) results from a 1967 agreement between the US, United Kingdom and West Germany. The US agreed to return stateside-based forces to Germany each year for exercises. Alvarado is regularly assigned as a radar operator with the 333rd Field Artillery in Hanau, Germany.

### Water meeting set at Lubbock

The directors of Water Inc. have selected Lubbock as the site of the organization's 12th Annual Membership Meeting in 1979, appointed committees to plan the meeting and to nominate individuals for the director-at-large positions that will be filled at the annual session.

Named to the annual meeting committee were Russell Bean, Frank Gray, Clem Boverly, A. C. Verner, Jim Ed Waller, Terry Stark and Wayne Board, all of Lubbock. Assigned to the nominating committee were Hoyt Pattison of Clovis, Bruce Rigler of Plainview, Bob Clark of Seminole, Felix Ryals of White Deer, E. H. Aderton of Amarillo, Joe D. Unfred of New Home and Russell Bean of Lubbock.

Water Inc., is a non-profit organization dedicated to securing an adequate supply of supplemental water for the High Plains of West Texas and Eastern New Mexico through importation.

AUSTIN, Texas (Spl.) — The University of Texas has one of the largest undergraduate programs in astronomy in the nation. About one-third of UT Austin's more than 30,000 undergraduates will take at least one astronomy course during their four years on campus. In 1977, a total of 4,200 registered for astronomy courses. Additionally, over the next 10 years, the Astronomy Department will be a research participant in a NASA project to orbit and operate a 100-inch telescope in space. A vital element in the research will be UT's McDonald Observatory, located in the Davis Mountains of West Texas.

# Bobcats run fast and wide in 19-7 victory

By JIMMIE CHAPMAN

Dimmitt's Bobcats unleashed Dennis Veals and Larry Bossett on the Tulia Hornets Friday night and came away with a 19-7 victory, spoiling Tulia's Homecoming and getting the Bobcats their first victory of the season after three setbacks.

Veals accounted for all three of the Bobcat scores on hard-earned blasts off tackle and speedy slants to the outside. He gained 201 yards on 30 carries, while Bossett added 95 yards on only eight carries.

Penalties took away a lot of the other gains by Veals, Bossett and Randy Roberts as flags were flying like it was May Day. Dimmitt drew 110 yards on 11 penalties.

The Bobcats got on the scoreboard first with a little less than five minutes left in the first quarter after Roberts recovered a Tulia pitchout on the Tulia 33-yard line to set up Dimmitt's first good field position. Dimmitt had had the ball only once before, and had failed to make a first down.

After Roberts' recovery, he smashed for two yards before Veals set sail for 19 yards to put the Cats at the Tulia 12. Roberts rammed it to the 6-yard line and from there Veals went over left tackle for the score. Tony Gonzales booted the extra point and the Cats were ahead, 7-0.

The Hornets mounted a drive that took them from their own 33-yard line to the Dimmitt 29 before Danny Ortiz recovered a fumble to stop the push just before the first quarter came to a close. Danny and his brother, Gus, played an outstanding defensive game for the Bobcats in the trenches.

The Bobcats got the ball

again early in the second quarter on their own 13-yard line after a 50-yard punt by Kirk Thompson, and from there they controlled the ball for all but 3½ minutes of the period and ended up with another TD, after overcoming several penalties.

The Bobcats first penetrated when Quarterback Jack Stewart hit Bossett with a pass that carried to the 16-yard line. Roberts gained four on the first try and then went in for an apparent score, but it was called back and the Cats were penalized 15 for holding. Then they drew two more penalties before Tulia got the ball at the Hornet 18-yard line on fourth down.

But Tulia ran only one play before monster-man Tim Fewell intercepted a pass at the Tulia 26-yard line.

Veals wasted no time as he ran off right tackle on a 16-yard scoring scamper. The kick for the extra point was no good, and Dimmitt led 13-0.

The Bobcats almost scored again before the half after they took over at their own 39-yard line. With Stewart passing and Veals running, the Cats moved the ball to the Tulia 5 before time ran out with the Cats ahead 13-0.

Tulia got good field position in the third quarter when it held the Cats at their own 27-yard line and forced a punt. Stewart, who had punted twice in the first half for 47 and 57 yards respectively, got off a punt that was hard to believe. It sailed high, the wind caught it and dropped it about 15 yards downfield, then it took a Tulia bounce and ended up on Dimmitt's 26-yard line for a minus one-yard measurement.

Dimmitt's defense stifled the Hornets, however, and

THIRD TIME AROUND—Bobcat tailback Dennis Veals races 30 yards for his third touchdown with 13 seconds left in the Dimmitt-Tulia game Friday night. The speedy tailback scored three TD's and rolled up 201 yards on 30 carries as the Bobcats ruined the Hornets' homecoming, 19-7.

the Bobcats took over and controlled the ball the rest of the period except for the final four plays, when Tulia stopped Veals on the Hornet four-yard line, taking over on downs.

From here the Hornets set sail on a 96-yard march that gave them their only score. A Ronnie Cox to Tim Bliss pass that was good for 27 yards was the key play of the drive, and it moved the ball to

the Dimmitt 14. Three plays later, Alex Gutierrez ran it in from three yards out and the Hornets were back in the game, 13-7, after Albert Bernal kicked the extra point.

Tulia held the Cats after the ensuing kickoff and got the ball on its own 11-yard line, where Stewart booted it dead. With Monty Jones and Kevin Crooks running the ball and Ronnie Fox passing, the Hornets moved deep into Bobcat territory and were in position to go ahead when, with 4:14 left, Bossett stepped in front of receiver Kirk Thompson in the end zone and with one hand took the ball away for a crucial interception. (Three plays earlier, Veals had intercepted, but the penalty bug gave it back to the Hornets.)

The ball was spotted at the Dimmitt 20 and, with Veals carrying practically every play, the Cats marched 80 yards for the clincher. Veals went around right end for 30 yards and the score with only 13 seconds left on the clock. The kick was no good, but the Cats had scored their first win of the season, 19-7.

Dimmitt's defense held the Hornets in check the whole game except for the two long drives, one resulting in a TD and the other ending with Bossett's interception in the end zone. Bossett's steal turned out to be the defensive

play of the game. If Tulia had scored, it could have gone ahead with only four minutes to play.

Dimmitt came out of the game with no serious injuries, according to Coach Jerry Vance.

The Bobcats are in for a rough time this Friday when they entertain the Lockney Longhorns in the Homecoming game. Lockney has defeated Littlefield and Seymour the past two weeks and will not forget that the Bobcats upset them last year to ruin their homecoming. This will be the last non-conference game before the Cats host the Littlefield Wildcats in the district opener Oct. 20. Littlefield is the defending bi-district champion.

## Win and tie are racked up by DMS 7-A and 8-A teams

Dimmitt Middle School's 7-A defeated Tulia there 22-6 in a weekend grid clash, while the 8-A boys held Tulia to a scoreless tie.

Tulia kept the ball almost the entire first quarter, and went ahead on a 12-yard run with 40 seconds left in the quarter. In the second quarter, with 30 seconds left, Scott Simpson and Mark Bruegel tackled Tulia's quarterback in the end zone for a safety to make the half score 6-2.

In the second half, on an opening kickoff by Dimmitt, Frank Garcia recovered a fumble at midfield. Dimmitt then marched 50 yards, with Bruegel scoring the TD on an 18-yard run to put Dimmitt ahead for the first time, 8-6.

In the fourth quarter, Roy Tijerina tackled Tulia's punter twice, to set up Dimmitt's last two TDs. Tim Kenworthy ran the ball in from a yard out to put Dimmitt out front 14-6, capping a 35-yard drive. Bruegel scored the extra points on a run to make it 16-6.

With just two minutes left after Tijerina's second sack of the punter Simpson carried the ball in for a TD to make it 22-6.

Cited by Coach Shott Miller as outstanding on offense were Frank Wortham, Ramon Enriquez, Scott Nelson and Richard Saucedo. Defensive standouts were Hal Gilbreath, Brad Holcomb and Hilbert Dominguez.

The 8-A in tying Tulia suffered injuries, including a broken collarbone by quarterback Tommy Gibson.

Coach Jerry Durham said that this was the toughest ball game the 8-A team has had this year, "with some real hard hitting."

In the first half Dimmitt stayed in the hole and stopped Tulia twice inside the 10-yard line with goal-line stands.

In the second half Dimmitt started moving the ball, but Gibson received his injury in the third quarter. Ray Owen and Lonnie Robb finished the game at the QB post. It was a new experience for Robb, who had never quarterbacked before, "but he did a real good job for us," Coach Durham said.

Dimmitt drove inside Tulia's 20 once in the second half, but drew a 15-yard penalty and couldn't overcome it.

Also injured in the game was Max Sandoval, with a muscle bruise; "and we had a lot of other bruises that were

less serious," said Coach Durham.

Dimmitt's offensive standouts were Robb and Furmin Gonzales. On defense, "our entire unit played extremely well," Durham said. He singled out Joe Martinez, David Gas, Shan Powell as defensive standouts.

# BILL CLEMENTS WILL CUT TAXES AND GOVERNMENT SPENDING

Texas was built by men with the vision to look ahead and the grit to get things done. Bill Clements is the man to keep this tradition alive for the future of Texas.

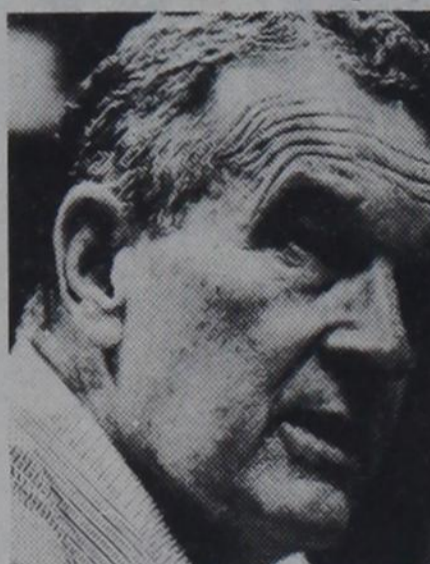

Bill Clements will bring a strong, fresh and tough approach to our government in Austin. He is a businessman, not a politician.

Bill Clements started with nothing and built a successful, worldwide company with hard work and the skill to manage men and money. And now Bill Clements wants to preserve the future of our state and he wants the working people of Texas to have the same opportunities he had.

With his proposed "Taxpayers' Bill of Rights," Bill Clements is committed to protecting Texans from excessive taxation and runaway government spending. He is pledged to cutting taxes and returning that money directly to the taxpayers.

As former Chairman of the Southern Methodist University Board of Governors, Bill Clements knows how to make education in Texas the best in the Nation. He's for discipline in the classroom and "back to basics" quality education.

As the son and grandson of farmers, Bill Clements knows the frustrations that an indifferent government can cause people who make their living off the land. He will use the strength of the State Government to fight burdensome Federal restrictions.

*"I believe that Texas has always had more promise than problems,*

*but the balance is more delicate each year. We need to get to work now."*

### PMH Auxiliary members go to area meet

Three members of Plains Memorial Hospital Auxiliary represented the organization at the annual area meeting of Texas Association of Hospital Auxiliaries last week at the Psychiatric Pavilion in Amarillo.

Reta Welch, Birdie Neill and Carolyn Copeland went from Dimmitt for a luncheon and a session where the state president, Mrs. Philip Clifton of Houston, was the speaker. She has been a hospital volunteer since 1965 and has over 6,000 hours of service to her credit.

She discussed the 1978-79 theme for the state, "Let Us Rise up with Wings of Eagles to Meet the Challenge of Change." Mrs. Clifton chose the eagle as the TAHA symbol because it is the symbol of America, "bold, strong and ever-present," she described the bird which inhabits all parts of Texas.

"The eagle covers the state just as the TAHA does," she told members.

Dr. Winfred Moore, pastor of Amarillo's First Baptist Church, was the noon speaker. Music was by a group from Amarillo High School.

NEW PLEDGES of Dimmitt's Alpha Epsilon Tau chapter of Beta Sigma Phi sorority are [from left] Janet Justice, Karen Sheffy, June Sutton, Carlee Warren and Jackie Byrnes.

The chapter conducted its annual pledge ritual last Wednesday evening in Rhoads Memorial Library.

### Irene's Ideas

## Shoulders in style

By IRENE KEATING

The days are shorter and cooler now as fall is here. Our thoughts turn to clothes for fall and winter. Whether you are buying clothes or sewing them, you'll want to consider the current style.

Fashions focus on the shoulder this season. From the popular shoulder drawings, tucks, embroidery and other detailing currently popular, fashion is adding an exaggerated shape with shoulder pads.

The look ranges from the more extreme "football" effect to a slight shoulder modification. Besides pads in jackets and coats, women will see them also in blouses and dresses.

Considered a basic home-sewing notion, shoulder pads were primarily used in outerwear and suit jackets or blazers. However, in line with an increased fashion emphasis, notion companies are expanding shoulder pad varieties and quantities.

Some of the types available include blouse pads, iron-ons, press-on/peel-offs, heavy designer weights and covered pads. Some companies distinguish between shoulder pads and shoulder shapes

with the shape being a thinner version. Many interfacing companies provide information for making shoulder pads.

For a set-in sleeve, the armhole seamline of the garment is traced between front and back armhole notches. The width along the shoulder seam and number of padding layers needed depends on the garment, figure and look intended.

Before sewing any shoulder pad into a garment along armhole and shoulder seam allowances, first pin the shoulder pad in place and try the garment on. Placement, size or amount of padding is easiest altered at that time.

Figure-wise, exaggerated shoulders usually have a shortening and broadening effect on the figure but can also balance a heavy neckline. Slight to moderate padding often makes garments fit better, maintain their shape longer and even correct some fitting problems such as sloping shoulders.

A GOOD protective coating for galvanized window screens is a mixture of two parts boiling linseed oil and one part turpentine.

MRS. JIM HARRIS  
... The former Cindy Tevis

## Tevis-Harris wed in Lubbock church

Cindy Tevis and Jim Harris were wed in a double ring, formal ceremony Saturday in Hodges Chapel of the First Christian Church in Lubbock.

Officiating for the ceremony at an altar decorated with candelabra and greenery was Gene Wisdom of the United Methodist Church, Vega. The bride is the daughter of Betty Tevis of Dallas. The groom is the son of Mrs. Bill Clark of Dimmitt.

Maid of honor was Cathy Tevis, sister of the bride, and bridesmaids were Mary Tevis of Dallas, another sister, and Susie Hughes of Lubbock.

Best man was Blake Christie of El Toro, Calif. Groomsmen were Mike Farmer and Brad Williams, both of Lubbock. Candelighters and ushers were Kyle Short and Steve Williams, both of Lubbock.

Organist was Sandy Gowens.

Given in marriage by her brother, Tom Tevis, the bride wore a floor length gown of heavy white chiana with long sleeves and high neck, trimmed at neck, sleeves and hem with linen flowers and leaves.

Her veil was also trimmed with linen flowers and leaves on a satin band. Her flowers were arranged in a nosegay on lace background, of white roses and baby breath. The attendants were dressed in floor length burgundy blouses, with split sleeves, with a single rose at the shoulder and they carried nosegays on lace of pink and burgundy carnations and baby breath.

Following the ceremony a reception was held in the parlor of the First Christian Church.

The bride and groom will be in New Mexico for their honeymoon. The bride's traveling attire was a blouson street length dress in beige, brown and tan with shoes to match.

After the honeymoon the newlyweds will be at home at 6302 Elgin in Lubbock.

The bride is a graduate of Coronado High School in Lubbock and is now employed at the US Post Office in Lubbock. The groom is a graduate of Monterrey High School and is also employed at the US Post Office in Lubbock.

## AC classes likely for spring term

Classes likely to be offered here by Amarillo College in the spring semester are Real Estate, Math, Biology and Accounting, which were requested by most of the prospective students who responded to a survey.

Dowden Koeninger, Dimmitt High School counselor, who directed the survey, said Tuesday the college is being

informed of the results and if it decides there is enough demand for the courses they will probably be started in January.

Amarillo College has indicated its willingness to teach any of the college-level courses in Dimmitt for which there is enough demand, if approval can be obtained from the Texas College

Coordinating Board.

Regular tuition will be charged for the classes, to be taught by instructors from AC, and regular credit will be given. Half a dozen different subjects were listed on the survey forms which prospective students were asked to complete in the survey.

MR. AND MRS. SAM SWOPES  
... To celebrate Golden Wedding

## Anniversary party set

Mr. and Mrs. Sam Swopes of Vinita, Okla., will return to their former hometown, Hart, to celebrate their 50th wedding anniversary at a reception Oct. 22. Calling hours during the Sunday afternoon will be from 2 to 5 o'clock.

Hosts will be the Swopes' daughter and her family, Louise and Cecil Ray Jones, Charles and Dan, at their home three miles south of Hart on Hwy. 168 and ¼ mile east. Friends and relatives are invited.

Retired farmers and ranchers, the Swopes lived five miles south of Hart until 1960, when they moved to Vinita. They were married Oct. 17, 1928 at Olton and Mrs. Swopes is the former Nell McLain.

The couple had two children, Mrs. Jones and the late Truman Swopes. Their grandchildren are Gregory and Kristi Swopes of Chelsea, Okla., Dan and Charles Jones.

Daughter of the late J. C. and Daisy McLain, who came to Castro County in 1904 and homesteaded south of Hart, Mrs. Swopes is a member of a pioneer family in the area. Swopes came to Olton in 1925 with his mother and others in the family after the death of his father, Charlie Swopes.

In January, 1919, a tank containing two million gallons of molasses exploded in Boston. Fifty people were injured and 21 were killed, many of whom actually drowned in molasses.

MRS. DOUGLAS SANFORD  
... Nee Elaine Acker

## Miss Acker weds Douglas Sanford

Elaine Acker, wearing her mother's wedding gown, exchanged marriage vows with Douglas Sanford Saturday and the couple began a honeymoon that will take them by Nov. 1 to Kitzengen, Germany, their home while he is stationed there in US Army service.

The bride is the daughter of Mr. and Mrs. David V. Acker of Amarillo, former Nazareth residents, and the groom's parents are Mr. and Mrs. Calvin Sanford of Abilene.

The nuptial mass was conducted by Rev. Stanley Crochiola in Holy Family Catholic Church at Nazareth, at mid-afternoon Saturday. Mr. Acker gave his daughter in marriage.

Matron of honor was her sister, Agnes Taylor of Lubbock, and bridesmaids were another sister, Debora Mays of Amarillo, and Cindy Schacher of Waco.

Kent DeVries of Amarillo acted as best man. Bernard Acker of Amarillo and Craig Sanford of Abilene, brothers of the couple, were groomsmen. Stephen Acker of Amarillo and Scott Sanford of Abilene, also brothers, and Ken Taylor of Amarillo ushered guests to the pews.

Caroline Evers of Hereford, organist, played the marches and accompanied the vocal soloist, Larry Kuper of Amarillo, as he sang "We've Only Just Begun," "Like a Seal on Your Heart," "Follow Me," "A Bridal Vow" and "Whither Thou Goest."

Silk flowers, made from bridesmaids' dresses from Mrs. Mays' wedding, banked the church altars. Pink and green were the colors stressed in silk blossoms of gladiolas and iris.

After the wedding vows were repeated, the couple lighted the unity candle at the altar.

The bride's gown which her mother wore 25 years ago was styled with molded bodice, natural waistline, fitted sleeves pointed at the wrists, and circular tulle yoke giving an off-shoulder effect below a wedding-ring neckline.

A hoop added bouffancy to the gathered skirt, trimmed with rows of Irish lace, which shaped into a lace-bordered circular train. Her tiered illusion veil, held by a coronet of petals and seed pearls, flowed over the long train.

In her costume were traditional luck symbols including her mother's opal heart pendant as "something borrowed."

Her attendants wore sheer organza flocked with pink and white daisies over pastel green. Floor-length circular skirts were attached to fitted bodices with portrait neckline and attached flowing capes. Wide belts of the fabric crossed in front and tied in back bows. Their flowers were cascades of pink carnations.

The wedding luncheon in Nazareth Community Hall followed the ceremony. Sherri Acker registered guests at a table centered with a pink candle in a ring of wedding bells and white dove figurines. Susan Sanford, LaDonna Brockman, Patricia Ewing and Kim Jones served the lunch.

A bouquet of crystal pink gladiolas and sweet peas ornamented the bride's table, which was laid with a lace

cloth applied in satin dove-and-bell design. The wedding cake, square and three-tiered, was topped with white sugar bells and flanked by pink roses.

For the trip to Taos, Santa Fe and other New Mexico points the bride traveled in a two-piece azure qiana dress.

She has been a student at West Texas State University after graduation from Nazareth High School.

The bridegroom graduated from WTSU this year with a degree in international relations. He completed high school studies in Cooper High at Abilene. A second lieutenant in the US Army, he was based at Fort Knox, Ky. before the overseas assignment.

His parents were hosts for the wedding rehearsal dinner Friday at a Nazareth restaurant. The table was decorated with a double ring cake set between candles in the pink shades used at the wedding.

[Compiled from the community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

OCT. 17 — Tommy and Paula Portwood.

OCT. 18 — Frank and Josie Sharp.

OCT. 19 — Mr. and Mrs. Walter Schilling.

## Month's titles given in Tops

The Dimmitt Tops Club met at Rhoads Memorial Library Monday and recorded 41½ pounds lost in the month of September.

Three new members joined, Inez Battles, Carmen Catano and Dorothy Ellis.

A tie was announced between Emily Clingsmith and Janice Bell for Angel of the Month title.

Janice Bell was Tops of the Month, Dale Wells and Delbert Smotherman tied for Male Tops and Mandy Ramirez was Kops of the Month.

Cindy Backus was Kops of the Week, Dale Wells Tops of the Week with a 3½ pound weight loss, Carmen Catano Tops of the Week lost 3½ pounds.

This week 26 weighed in with a weight loss of 23 pounds.

Orientation for six new members also gave the other Pink Ladies an opportunity to review their knowledge of the auxiliary's aims and programs.

This fall's recruits are Joyce Davis, Sandy Baker, Penetha Armstrong, Myrtle Behrends, Nora Newsom and Betty Cartwright.

They were the honorees at a recent brunch in the clubroom at Rhoads Memorial Library. On the hostess committee were Carolyn Watts, Nell Newton and Bea Hardy.

Fresh fruit, muffins, coffee and tea were served to the new members and 34 others. Program guest was a representative from Catholic Family Services of Amarillo, who explained the services offered by that group in counseling, foster home placement and adoption.

OVER 200 million tons of dirt and rock were dug up to create the 50-mile long Panama Canal.

ENGAGEMENT of Judy Kathleen Hall and Gregory Mark Hammons, both students at West Texas State University, was announced at a recent barbecue in the home of her parents, Mr. and Mrs. Charles M. Hall of Lubbock. Hammons, formerly of Dimmitt, is the son of Mrs. Pat Hammons, now of Canyon. The marriage is planned for Dec. 23. Miss Hall is a member of Zeta Tau Alpha sorority at WTSU, and Hammons' fraternity is Phi Delta Theta. She graduated from Monterrey High School and he from Canyon High.

## Holiday bazaar date is fixed by Auxiliary

Date for the annual holiday bazaar of Plains Memorial Hospital Auxiliary was set for Dec. 1 as plans were launched in a business meeting at the hospital last Wednesday.

Members also made plans for their participation in the County Health Fair held here Oct. 11.

Orientation for six new members also gave the other Pink Ladies an opportunity to review their knowledge of the auxiliary's aims and programs.

Halloween Carnival planning time is here again, and the Dimmitt Noon Lions Club is asking that operators begin now to make reservations for booth space. These booths, for various amusement features and sale of refreshments, are available to local organizations without charge.

Reservations for booth space may be made by contacting Doyle Hoover, carnival chairman, at 647-4302 or 647-3135.

The admission charge is the Lions Clubs only source of funds from the carnival. So even booth operators are required to pay the small admission during open hours for the carnival.

Admission charge to the carnival building, LaMantia, Cullum and Collier, Inc., sheds will be 50 cents for

adults and 25 cents for students or a pair of discarded eyeglasses.

Carnival hours will be from 6 to 10 p.m.

A costume contest will be held at 8 p.m. in a designated booth, for children up to 10 years of age. Awards will be presented to the winners.

The building will be open to allow organizations to construct and set up their booths as follows: Saturday, Oct. 28, 2-6 p.m.; Sunday, 2-6 p.m.; Monday 2-6 p.m.; Tuesday 9 a.m.-5 p.m.

It is announced that there will be no activities inside the building which will cause smoke. Also no electrical equipment other than record players and public address systems will be permitted, to avoid problems with the building's wiring system.

## Insurance man is appointed

J. C. Chambers, an insurance executive from Lubbock, was elected to the board of directors of Southwestern Public Service Company at the regular board meeting in Amarillo.

Chambers is a graduate of Texas Tech University and attended Lubbock High School. He is a partner in Insurance Associates, received his CLU designation in 1965 and is a life and qualifying member, Million Dollar Round Table. He is president of the Massachusetts Mutual Agent's Association.

Active in civic affair, Chambers is a director of the Texas Tech Foundation, vice-president of the Red Raider Club, a member of the executive committee of the Methodist Hospital and a member of the President's Advisory Board of Lubbock Christian College.

Chambers is also a director of the Briarcroft Savings and Loan Association and the First National Bank in Lubbock.

Warning! You can get conned out of a sizeable amount of money by buying diamonds or other gems. The big play today is in diamonds. Unfortunately, these and other gems are being sold to US investors by over 200 self-styled gem investment companies, with an estimated volume of \$300 million a year.

Complaints by doctors, lawyers and business executives are increasing. It seems they have succumbed to fast-buck sellers using direct mail, telephone calls and 'seminars' to peddle their merchandise.

Despite all of the crooked deals, there is a favorable field for gem investment. Since the price of gems is tied to inflation, there is the element of risk. If the dollar weakens, the price of gems goes higher. It is a case of careful buying through reputable dealers and an expectation of a reasonable profit with reasonable safety. Try to make a killing and greed could eat your lunch.

In 1972 a retail jeweler would pay a New York gem supplier \$1,775 for a 1-carat VVS (very, very slightly flawed) high-grade diamond. The same investment quality stone today would cost the retailer over \$7,650. Most invest-

ment-quality diamonds have doubled or tripled in price in the past five years. The highest-quality white diamonds have jumped 100% in the past 12 months.

Colored gems, such as rubies, emeralds, sapphires, fine opals, fine jade, and cat's eyes have appreciated also, but they have uneven price patterns, due largely to a lack of grading and quality standards. Rubies, at a price of \$1,000 to \$4,000 per carat for average quality are rising sharply in value.

The Third World nations may have a lot to do with the price of precious stones in the future. There has been a diamond strike in Sierra Leone. The gemstone, tsavorite, found in Kenya, should move higher in price for the same reasons. Brazil, a source of amethyst, topaz tourmaline and other gems has also imposed stricter controls.

**OVERSEEDING** pastures with winter grasses (sodseeding) can provide for additional fall, winter and early spring grazing.

**THE HANGING** Gardens of Babylon were not hanging gardens, but gardens on balconies or terraces.

## Children's hospital fund drive needs volunteers

"Saving children's lives is the most vital work in the world," Dale Wells, chairman for the St. Jude Children's Research Hospital door-to-door march, said today, asking that residents of Dimmitt volunteer their time and energy toward that goal.

"We're looking for people who are willing to contribute a little of their time to help us help children live," Wells said.

Volunteers are needed to help conduct a march Oct. 24 to raise funds to support the world-famous research center in its battle against catastrophic childhood diseases.

At St. Jude's, in Memphis, Tenn., children suffering from leukemia, Hodgkin's Disease and other forms of cancer are treated completely free of charge. The results of research conducted there are shared with doctors and scientists all over the world.

Founded 16 years ago by entertainer Danny Thomas, St. Jude's is a non-sectarian research hospital which has made great strides in the battle against diseases that strike helpless children everywhere.

"But as long as children are still dying," Wells said, "St. Jude Children's Hospital must keep fighting. We need your help."

Those who will volunteer to help with the door-to-door march are asked to contact

Wells, 702 W. Grant, 647-4435 or 647-3342.

## Lantz completes naval recruit training course

Navy Seaman Recruit Jeffrey G. Lantz, son of John and Carol Lantz of Dimmitt, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in physical education and hygiene.
