

STAG LEAP—Dimmitt quarterback Richard "Gus" Guzman leaps across the goal line with the Bobcats' third touchdown at Abernathy Friday night, after wrenching free from the Antelopes' Trey Stone [55]. In left background, Dimmitt guard David Ogas [7] signals the touchdown while fullback Johnny Gonzales watches Guzman's scoring leap. The quarterback's five-yard TD run

came with 2:04 remaining in the third quarter. Johnny Nino kicked the extra point to hike the Bobcats' lead to 21-7. Dimmitt scored again in the fourth period to take a 28-7 victory in the season's final game. The win gave the Bobcats a tie with Friona and Muleshoe for second place in District 2-AAA.

Per-pupil cost goes to \$2,560

It now costs more than \$2,500 to teach one pupil for a year in the Dimmitt Public Schools.

The Dimmitt School Board learned at its monthly meeting Monday night that the total cost per pupil per year rose to \$2,560.73 during the 1981-82 school year, up from \$2,362.70 the previous year.

This was one of the "bottom line" figures that came out during a report on the school district's annual audit — an accounting of all finances as of Aug. 31, 1982.

Trustee Fred Bruegel Jr. commented that the per-pupil, per-year cost "is comparable to college tuition for state colleges."

The per-pupil cost of education is determined by dividing the school district's total expenditures (\$4,133,025 in 1981-82) by the number of students (1,614).

Of the \$2,560 that was spent on average to educate a student here in 1981-82, \$1,504 went for instruction, \$41.26 for instructional administration, \$41.66 for instructional resources and media services, \$118.61 for school administration, \$146.52 for general administration, \$55.72 for guidance and counseling services, \$28.77 for health services, \$90.20 for transportation, \$56.87 for "co-curricular activities," \$23.54 for food service, \$263.40 for plant maintenance and operation, \$8.57 for community services, \$50.09 for capital outlay and \$131 to service the school district's bonded indebtedness.

DISD Business Manager Gene King, who surveys all categories of per-pupil costs annually, said the local district's per-pupil cost is about \$100 below the average for the Panhandle region and about the same as the statewide average.

The Amarillo CPA firm of Cornell & Co. conducted the annual audit, which included accounting, analysis and budget comparisons on all the school district's funds, revenue, expenditures, reserves, tax tables, bonded indebtedness and interest requirements. Pat Buzzell of Cornell & Co. went over the 37-page audit report with the school board Monday night.

In other business, the board adopted a 31-point job description for teacher-coaches, but balked over a proposed job description for counselors.

Board Chairman Charles Wales and Trustee Deanne Clark both felt the counselor's job description was "too vague" in places and said they wanted specific time-frames to be required for certain duties of the job — especially regarding the curriculum planning for an individual student's graduation or college admission.

"The junior year is where the college-bound courses begin," Wales noted. "It's before that time that we need to ask those parents and students, 'What are your plans regarding college, as closely as you know right now?' and work with them on

the admission requirements for that school."

The board ordered that a point of the job description requiring the counselor to "assist with the development of student schedules" be rewritten to include the specifics which Wales and Mrs. Clark called for.

The state now requires that a job description and evaluation form be available to each school district employee.

King reported that all the repairs to the Middle School's heating system, as recommended by a heating system manufacturer, had been completed at a cost of \$12,000. The manufacturer had bid to do the work for \$21,000, but the board had rejected that bid.

Supt. Robert Ryan reported that the district's new computer is now "in the house" and is being programmed.

"Hopefully, within another month we'll be doing work on it," Ryan said.

King added, "Until we get the data in it, which is what we're doing now, it's just a monster sitting there that we're all a little afraid of."

In other action, the school board:

—Revised the grade requirements for National Honor Society membership and "Top Ten" class scholar status from number grades (90 or better) to the new grade point average (GPA) system. NHS candidates now must have a GPA of 4.25 or

better, while Top Ten students must maintain GPAs of 4.0 at the freshman and sophomore levels and 4.25 at the junior and senior levels.

—Adopted five minor changes in board policy as proposed by the Texas Association of School Boards, including an updating of policies dealing with tuberculosis testing, hearing tests and athletic physicals to comply with the requirements of the Texas Education Association and the University Interscholastic League.

—Learned from Business Manager Gene King that the DISD collected 56% of the year's total tax roll from Sept. 1 to Oct. 31, compared with only 35% collected by this time last year. Collections as of Oct. 31 totaled \$997,084.01, with \$30,507.13 in early-payment discounts allowed. The 44% still to be collected totals \$789,185.98. King estimated the collection rate this year will be approximately 94%, compared with 97% in recent years.

—Accepted 19 individual tax assessment deletions totaling \$1,576.15 and two additions totaling \$192.77. The deletions were due to assessment errors, double assessments and homestead exemptions; the additions were for properties left off the roll.

—Went into executive session to discuss a parent's recent complaint over the severity of her child's spanking by a Middle School teacher, but reportedly took no special action concerning the incident.

Three men found guilty

Three men were found guilty and sentenced in 64th District Court Friday with Judge Jack Miller presiding.

Pablo Zavala, 39, of Sanger, Calif., and formerly of Dimmitt, pled guilty to theft by check and was sentenced to five years in the Texas Dept. of Corrections.

Wineberto H. Barron Jr., 19, of Friona pled guilty to involuntary manslaughter involving an automobile accident. He was sentenced to four years felony probation.

Emiliano Lamas, 52, of Hereford, was convicted of DWI, subsequent offense, was fined \$50 and court costs and sentenced to 30 days in the county jail.

Thanksgiving service set

The Dimmitt Ministerial Alliance is sponsoring a Community Thanksgiving Service Nov. 22 at 7:30 p.m. in the Dimmitt High School auditorium.

Rev. Jackie Thompson, pastor of the Assembly of God of Dimmitt, will be the speaker, and special music will be provided by the Dimmitt High School Choir.

Everyone is invited to attend. An offering will be taken, with the proceeds going into the alliance's fund to help indigent transients.

Zoning board hears mobile-home arguments

Twelve Dimmitt residents attended Monday night's meeting of the City Zoning Commission to voice their opinions on the placement of mobile homes in the city.

After listening to their comments, the zoning commission agreed to recommend to the City Board of Aldermen at its meeting Monday that the currently required annual permit fees for mobile homes be suspended until further

notice, terming the fees "discriminatory against mobile homes."

"We want to emphasize that we are considering mobile home placement for several areas of town, not just the Miller Addition," City Manager Paul Catoe said. "Also, the rules and regulations already in effect and any we may recommend to the city board will apply equally to mobile homes already in Dimmitt, as well as those that may be moved in in the future."

Mrs. Ceal Carlile protested any further placement of mobile homes, and presented a list of 15 names of others who hold the same opinion.

Mrs. Carl Bolton told the commission that additional mobile homes would cause congestion, greater danger of fire, increase of taxes, depreciation of neighboring property and resentment from others in the affected neighborhood.

Eltzie Teague claimed that the Miller Addition has not been treated fairly, saying that "the city has treated us like a step-child, foisting low-income housing on us and previously trying to build a housing project here."

Melvina Witt said she felt that mobile homes would "not be good for the neighborhood."

Maria Vasquez, Juanita Hernandez and Crecencia Vidal told the commission that they favor expansion of mobile home placement in the city, saying that they are safe and needed.

The next meeting of the Zoning Commission will be Nov. 22 at 7 p.m. in the city hall meeting room.

Vote canvass shows errors

THE PRIZE—Drum Majors Denise Behrends (left) and Shelly Frye proudly show the Division I marching trophy which Dimmitt High School's Bobcat Band won in the UIL Region XVI marching contest at Texas Tech's

Jones Stadium last week. The Superior award in marching carried on a Bobcat Band tradition that has spanned more than 30 years.

Bobcat Band earns another 'superior'

Earning its 31st Superior rating in 32 years, the Dimmitt Bobcat Band marched off with a 1 at the University Interscholastic League Region XVI Marching Contest held in Lubbock Nov. 3.

The 138 members of the band brought down rave reviews from the three judges that viewed their performance.

"A beautiful band with a

beautiful sound and drill work," one judge said, also commenting on the fine twirling line and drum major work.

"It's certainly nice to see a band that still marches," another judge remarked, adding that, "so many don't anymore."

The judge also said that Dimmitt's was the first really straight company front that he

had seen in two days of judging.

Judges were also complimentary of the band in the musical competencies category, saying that the band had "a well-balanced sound," even during moves that scattered its members.

One judge summed it all up by writing that "hard work plus good teaching equals a winner."

In the ratings system a I is superior, a II excellent, III good, IV fair, and V poor.

Other bands in the district and their ratings are:

Abernathy I, Friona I, Littlefield I and Muleshoe III. Tulia competed in an earlier regional contest.

Castro County Commissioners accepted bids on three road maintainers and canvassed the votes from the Nov. 2 general election Monday.

The commissioners discovered more than two dozen errors in canvassing the votes, but none of the mistakes caused enough difference to affect the outcome of any races.

Most of the mistakes came from erroneous reporting of totals on the amendments in Precinct 2, the county's largest voting precinct. Two tally books were used in that voting box, and in every candidate race the two were properly added together for the totals. However, inadvertently, only one tally book was read for the amendment totals. The omitted book added from 94 to 177 more votes to both the pro and con vote on amendments.

Other errors affected the totals by only one or two votes, while an error in addition in voting Precinct 11 cost Precinct 2 County Commissioner Edd Wilson five votes.

County Democratic Chairman Bart Kaderly and Republican Chairman Deanne Clark were present at the canvassing, and both expressed dismay at the errors, as well as at additional procedural discrepancies observed in the way some tallies were done.

The corrected figures and totals have been sent in to the state and will be included in the final official state count, according to County Clerk Zonell Maples.

On the bids for motor graders, Commissioner Wilson accepted a bid from Plains Machinery of Lubbock for a price of \$68,561 for one Galion grader. This includes \$2,100 for air conditioning and allows for trade-in on a 1968 grader.

Pct. 1 Commissioner Ed Bennett accepted a bid from West Texas Equipment of Amarillo for \$134,760 for two Caterpillar graders. The price includes \$12,000 for a five-year guaranteed maintenance plan for each machine, and allows \$70,000 for trade-in on two old graders.

The commission also voted to issue time warrants to purchase the machines, and is advertising for bids on the warrants.

After receiving protests from Southwestern Public Service Co. and Ehergas, the commission still voted to go ahead as planned and contract for the services of Telemonitoring Services, Inc., a utility auditing firm that checks phone and utility bills for any inaccuracies.

County Judge Polly Simpson said the utility companies told her that they offer the same service, but she added that Telemonitoring offered the service at a cheaper rate.

Georges have birthday 'reunion'

By MARY EDNA HENDRIX
A birthday party for Cletha George grew and got so big it turned into a family reunion. The party was held in the home of Jack and Chollie George near Tucumcari, N.M., on Sunday, Oct. 31. Everyone brought a covered dish so they had all kinds of food and lots of it.

Those enjoying the day together were: Jim and Floyce George, C. A. and Oleada Hance, Martha Isaacs, Danny and Shelly Rice and children, Tisha and Brandi, Gerald and Patti Summers and children, Camille, Carla, and Curt all of Dimmitt; David and Saundra Honea of Dumas; Ellamae and O. V. Barker of Belle; Doc and Marie Hance of Savoy; Jim and Nancy English and Courtney of Tucumcari; Bobby George of Plainview; Greg and Cathy Burks of Dimmitt; Eddie and Karen Thorton and children Tammy, Buffy, and Jody of Plainview; C. W. (Dub) and Pauline George and sons, Gregg and Danny of Dimmitt. Traveling the greatest distance were Mike George and his son, Clayton, from Athens.

This last Wednesday afternoon, four of the second grade classes gave an autumn fun program for their parents and the other second grade students. Mrs. Avie Lewis directed the children in the songs they had learned in her music classes. Teachers and

students were very pleased with the children's performance and their behavior. There were lots of parents and grandparents in attendance, and even one great grandmother! The students were from the classes of Mrs. Brown, Mrs. Kellar, Mrs. Fortenberry and Mrs. Schulte.

Third grade students will be giving their annual Christmas program in mid-December.

Diana, Glenn and Gracie Schumacher from San Angelo and Wanda Jouett from Amarillo spent the weekend in Dimmitt with their mother, Flo Jouett.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge. Fernie Dickey was hostess, Josie Bradford won high score and Susie Reeves won second high. Others enjoying the day were Cleo Forson, Boots Kaderly, Jo Gregory, Rosalie Hawkins, Bernice Hill, Opha Burks, Elizabeth Huckabay, Betty Cartwright, and Oleda Schumacher.

The Methodist Women held their annual Bazaar and Thanksgiving dinner on Tuesday. They had many beautiful items for sale in their bazaar and a table full of baked goods with one table full of Bread-Tea-Rings. They reported serving 600 people for dinner which included

take-out dinners. The Methodist Women are all good cooks and I enjoyed the delicious meal, especially the dressing!

Last Thursday Wanda Murdock and I went to Hart to see her mother, Mrs. W. H. Felder, then on to Plainview to see my cousin and husband Rev. Bruce and Mary Parks. Then on to Tulia where we ate lunch. My daughter, Mary Lynn Lankford had the program on silk flower arrangements for my sister's Study Club.

We all visited with our friend, Mary Lee Caliouette, for a short visit. My sister, Lynna Cloer, and I went to the bank in Tulia where we visited with Flo Nichols who lived in Dimmitt several years ago. Then Wanda, Mary Lynn and I went on to Amarillo where I spent the night with Mary Lynn and Wanda stayed with her daughter, Debbie Murdock. Friday, Wanda and I came home and I brought my granddaughter, Lauren Lankford, to spend the weekend. Lauren spent the night with Ronna and Avie Lewis, since Cliff and Kerry had gone to Colorado deer hunting.

Janese Ackerman from Amarillo, Rheta Hill from Dumas, Marilyn Johnson from Canyon, and Lorena Cates from Dimmitt attended a cosmetic seminar in Oklahoma City last week.

Our sympathy goes to the family of Clyde Vick and to J. O. and Florence Carpenter in the death of her brother,

Richard Dutton. Darlene Dowell and Irene Carpenter went to Amarillo on Saturday to attend the funeral for Mr. Dutton at N. S. Griggs Funeral Home.

Irene Carpenter invited her family in for Sunday dinner to help her daughter, Floyce George, celebrate her birthday. Shelly Rice baked the birthday cake for her mother. Those enjoying the day were Jim and Floyce George, Danny and Shelley Rice and their daughters Tisha and Brandi, and Jim's mother, Cletha George.

Elmer and Mautzee Youts spent several days in Sunray staying with their great grandsons, Steven and Matthew, sons of Gary and Judy Moore, while they were in Houston with their 16-year-old son, Gavin, who had surgery in a Houston Medical Complex Hospital. We are happy to report that Gavin is improving at home now.

While the Youts were in Sunray they went to a football game to watch Steven play. He is a quarterback on the eighth grade team and they have won every game this year. They also went to the Halloween Carnival at the school where Matthew was an escort for a queen candidate for the first grade. The Youts saw Martin and Kay Young and their daughter and granddaughter while they were in Sunray. The Youts are former Dimmitt residents.

Many thanks go to Fred and Helen Kuntz for the nice vegetables from their garden which he brought us last week. We had fresh cabbage one day, fresh turnips another and greens. Fred brought enough apples from his trees to make us a cobbler two different days. Thanks, Fred and Helen.
We eat well out here. The girls who help dress me say I look like I have been to several cake parties. We have a coffee break each day at 3 p.m.

Ina Cleavinger was hostess to her Thursday Bridge Club. Guests were Dorothy Mayfield, Ruth Jackson, Shirley Wise, Margaret Parsons, Carolyn Rickenbrode, Carolyn Jones, Jo Eddie Riley and Doris Lust.
Grace and Millie Lust are home from Nashville, Tenn. They visited Earlene and Newt Settle. They went to the Grand Ole Opry one night. They said it was the usual kind of show and they had a good time.
Santos Perez went to Lubbock this weekend to visit her future daughter-in-law, Linda Kay Lash. Elias and Linda Kay will be married at St. Elizabeth Catholic Church in Lubbock, Nov. 20 at 11 a.m. His mother, Santos, is a nurse at South Hills Manor.

TEACH US TO PRAY

God's word says that we should study to show ourselves to be approved unto God. We are also to teach our children in the ways of the Lord.

Once when the Lord had been praying, his disciples asked him to teach them to pray.

"And he said unto them, When ye pray, say, Our Father which art in heaven, Hallowed be thy name. Thy Kingdom come. Thy will be done, as in heaven, so in earth. Give us this day our daily bread. And forgive us our sins; for we also forgive everyone that is indebted to us. And lead us not into temptation; but deliver us from evil."

ATTEND CHURCH EACH SUNDAY that you may be taught about the Lord.

Mobile Home Park Permits
The Dimmitt City Code defines a mobile home park in Section 4-181-2 as any site, lot, field, or tract of ground upon which two (2) or more mobile homes are placed or intended to be placed and shall include any building, structure, tent, facility or enclosure used or intended for use as part of the equipment of such park.

According to our current City Code, Section 4-222 states "that it shall be unlawful for any person to construct or operate a mobile home park within the City without first securing a permit to do so from the City Secretary." Section 4-224 states "the fee for a mobile home park permit shall be \$25.00. The fee for any permit issued to run for a period of less than one (1) year before the expiration date shall be pro-rated; provided, however, such permit shall not be issued for less than a minimum fee of ten dollars (\$10.00)."

The Zoning Commission for the City of Dimmitt is currently studying the annual permit requirement of \$25.00 in order to make a recommendation to the City Board of Aldermen. They are also considering the \$10.00 annual permit fee for the placement of mobile homes outside a mobile home park. The Zoning Commission met in a regular session on Monday, Nov. 8, and they will be making a recommendation to the City Aldermen on Nov. 15 to temporarily suspend the annual requirement of a permit for both mobile homes and mobile home parks.

Members of the Zoning Commission felt like the annual requirement to obtain a permit was discriminatory against the owners of mobile homes. The code requirements which makes the annual permit mandatory have never been enforced, however the Zoning Commission did indicate that the initial requirement to obtain a permit was necessary and should be enforced.

KEY CLUB SPOTLIGHTED—How do members of the Dimmitt High School Key Club celebrate National Key Club Week? By working, that's how. Here, Key Club President Mark Bruegel (left) and Sergeant-at-Arms Darrell Washington change the lettering on the DHS marquee — a gift of Key Clubs past. Girl officers, from left, are Kim Howell, reporter; Debra Sava, treasurer; Denise Behrens, secretary; and D. D. Bishop, vice-president. The Key Club has a special work project every day this week; today members are cleaning the junior baseball parks. The Key Club is a community service organization for students, sponsored by the Kiwanis Club.

Workshop to be Saturday
Area students are invited to participate in the Second Annual Junior High and High School Writing Workshop and Contest sponsored by Texas Press Women, District 15 from 8 a.m. to noon Saturday in the Ordway Auditorium at Amarillo College.

Competition will be held for both junior high and high school students in news writing, headline writing and feature writing. Students may enter one contest each with first and second place certificates to be awarded.

To conclude the half-day event, participants will hear a short presentation and be able to direct questions to a panel of experts in radio and television news, photography, advertising and public relations.

A \$3 registration fee will be collected at the door.

Work on SH 86 is progressing
Reconstruction work on SH 86, from the Parmer County line to West 10th Street in Dimmitt, has started, Rhea Bradley, Supervising Resident Engineer, of the Littlefield Residency, State Department of Highways and Public Transportation, has announced.

Work of extending culverts is now in progress by the contractor, Cooper and Woodruff, Inc.

The reconstruction work will include reconstructing grading and extending the structures to increase the present 22 foot roadway to a 24 foot roadway with 8 foot paved shoulders.

It is estimated that all reconstruction work on this project will be completed by September 1983.

The public is urged to watch for barricades and observe warning signs through construction of this project.

Reconstruction of SH 86, in Castro County, from East of Dimmitt to the Swisher County line, is still underway. The contractor is beginning to put down the surface. Work should be completed during the summer of 1983.

Sisters home from Europe

By VIRGIE GERBER
Marie Brockman and her sister Phylis Podzemny of Amarillo have returned from a 10-day tour of Europe. They visited London, Belgium, Holland, Switzerland, France and Germany. They were especially excited about visit-

ing Garroll, Germany, the birthplace of their father, Clem Rickwartz. The home was built in 1831 and is still in good condition. They stayed at the home of two cousins who showed them many places of family interest including the land Clem Rickwartz farmed.

They left from Dallas for the 8-hour flight to London where they stayed at the Cunard International Hotel in London until they joined their tour guide and 30 other tourists. After a short tour of London they boarded a Hovercraft which took them across the English Channel. The white cliffs of Dover were exciting to see.

At the French port they boarded a bus which took them to the Belgian border and to Bruges, an almost perfectly preserved medieval city. They toured the Basilica of Notre Dame, and spent the night in Brussels, a very beautiful city.

Their next stop was in Holland where they were shown the inside of a Dutch windmill, toured a cheese factory and rode a glass top boat down the river. After spending two days in Amsterdam, they drove through the Black Forest to Lucerne, Switzerland. They went up Mount Pilatus on a Cogwheel train which is 6,800 feet above the city.

Going on to Montreaux they saw beautiful Alpine scenery. The next two days of the tour were spent in Paris, France. Main attractions were the rustic villages, the Royal Estate and Opera House, pine forest on the Juna hills and miles of grape vineyards on very steep hills.

From Paris they went to Garroll, Germany which was the climax of a beautiful, interesting trip.

By TEENY BOWDEN

The local Brotherhood brought home the attendance banner from the Llanos Altos Associational meeting in Bovina Tuesday night since it was ladies' night and they counted children. Those going were Rev. Richard Clymer and Noah Spencer, who is the new president of Sunnyside Baptist Men, Mr. and Mrs. Lonnie Wilson, Samantha, Jessica and Andrea, and Mr. and Mrs. Lee Brown, Jason and Jared. Mr. and Mrs. Hershel Wilson also attended, representing Lee Street Baptist Church of Dimmitt. They had a turkey dinner with all the trimmings before the meeting.

Mr. and Mrs. Ray Joe Riley and Mr. and Mrs. Furch Riley attended the graveside rites of Mrs. Dorothy Riley Burt of Beeville at the Hart Cemetery Monday morning. She was a sister of Furch Riley. Funeral services were held in Beeville.

Gerald Elkins flew home from Tucson, Ariz., Tuesday, leaving his mother with her sister, who is still very ill. He and Chris left Thursday to drive his dad to Fort Worth for the funeral services of a sister there Friday afternoon. They came home Friday night following the services.

Tracy Hatla was admitted to Plains Memorial Hospital in Dimmitt Monday with a virus and remained in the hospital over the weekend.

Charles Axtell, Sandra Clark and Bess Bills held the election in Precinct 16 last week. 47 voted. There were 11 straight Democratic ballots cast and no straight Republican ballots. In Precinct 10, 59 votes were cast. 20 of them were straight Democratic ballots and three were straight Republican ballots. Naomi Brown and Teeny Bowden held the election in Precinct 10.

They are in the process of moving into their new home on their farm near Clovis. Tommy has been helping with the building and will return to Ohio when they get moved. Mr. and Mrs. Michael Graham of Coshocton attended the Springlake-Earth homecoming last weekend and visited with friends there, and also with the Grahams at Clovis.

John Bridges of Earth recently bought the Roy Phelan house, and the Gary McClellans have bought a mobile home, but do not know for sure if they will locate here or in Dimmitt.

Those present were Larry, Sharon, Carrie, Stacy and Laura Sadler, Randy Powell, Alviro Acosta and Mr and Mrs. Tex Conard of Dimmitt. Rev. Clifford Dane was a house guest of Mr. and Mrs.

Judge lauds 'weird' garb

Dear Editor:

I was one of the secret judges for the Chamber of Commerce-sponsored Halloween contest. I feel we should comment on the really tough job we had in selecting winners, when there were so many deserving.

I am very pleased with our choices, they were truly the winners. But never in our wildest imaginations, did we dream so many people would participate so beautifully with make-up and costumes that would make any Hollywood producer envious.

Anyone that missed visiting with our merchants on that Friday before Halloween missed a really big "Halloween Treat." Some 25 stores participated in the contest and each place deserved to win prizes.

I MUST REMAIN, A SECRET JUDGE

Celebration set Nov. 19

Nov. 19 has been declared "World Community Day" and the Catholic Daughters and Christian Mothers Societies of Nazareth will sponsor a special celebration at 9:30 a.m. on the day in the Holy Family Church of Nazareth.

The special day is sponsored by Church Women United, a national ecumenical movement of women of Protestant, Catholic, Orthodox and other Christian traditions.

Three interdenominational women's organizations joined to form Church Women United. Then, during World War II, the group began observance of World Community Day, which from its beginning has been a focus on issues of global justice and peace.

All women from this area are invited to join in the celebration in Nazareth.

"It is hoped this year's World Community Day celebration will be a bridge spanning the gap between scarcity and abundance," a local spokesperson said.

Bobcats win final game, but lose playoff flip

By JOHN BROOKS
If Andy Rooney ever asks, some Sunday evening on TV, "Why do they say someone is 'snakebit'?" the 1982 Dimmitt Bobcats will have the answer.

Dimmitt closed out its season with a 28-7 win over Abernathy, fighting back from two district losses to force a three-way tie for second place, only to lose the playoff flip to Friona, a team they whipped, 14-7, two weeks ago.

Superintendents from Dimmitt, Friona and Muleshoe gathered in Dimmitt's School Administration Building shortly before midnight Friday to settle the tie and decide who would represent District 2-AAA in the playoffs against River Road, which had just upset Dalhart, 8-7, to capture the District 1-AAA title.

Five straight times, all three school district heads flipped tails, but on the sixth try, Dimmitt's coin came up heads, while the other two were tails, so Dimmitt was out. Since Friona had defeated Muleshoe 17-10, the Chieftains earned the right to play River Road.

Littlefield, which posted a 23-9 win over Friona to finish with a 4-0 district record, will face District 1-AAA runner-up Dalhart.

Friona will play River Road Friday evening at 7:30 in Hereford, while Littlefield and Dalhart will square off in Canyon at the same time.

It appeared for a few minutes last Friday that the Bobcats weren't going to have to worry about flipping coins, as Abernathy came out charging to grab a 7-0 lead in the first four minutes.

Driving the ball as though they were having to fight only fog instead of bodies to get to the end zone, the Antelopes used the running of tough fullback Harold Miller and the passing of rookie quarterback

Jamie Mansanales to move 75 yards on just six plays. Miller, who started the drive with a 20-yard gain, ended it with a 19-yard dash through the left side. Mark Riddell's extra point kick put the Lopes in front by seven before Dimmitt could handle the football.

After a pair of Dimmitt miscues, the game's momentum came snapping back to the Bobcats. Kicking out of the end zone, punter Jeff Watts was roughed by Abernathy, giving the Bobcats a first down at their own 33. With quarterback Richard Guzman, fullback Johnny Gonzales and tailback Sid Sageser doing most of the work on the ground, the

Bobcats moved down the field smoothly. Guzman hit wingback Bill Johnson for 13 yards and a first down, and threw to tight end Watts in the middle of the end zone from five yards out to tie the Lopes at 7-7 with 2:50 left in the first period.

Abernathy had to fight out of its own end of the field all night, but Dimmitt tried to give the lead back to the Lopes as the Bobcats fumbled at their own 18. But the stingy Dimmitt defense held, and a Riddell field goal try was partially blocked and floated harmlessly out of bounds.

It was one of three kicks the Bobcats blocked during the

night, and it was a blocked punt that gave Dimmitt its go-ahead score.

After being penalized for sending an ineligible receiver downfield, Abernathy was backed up to its 4-yard line on fourth down. Unable to boot through Dimmitt's kick-rushing trio of Sid Sageser, Bill Johnson and David Ogas, Abernathy's Gilbert Camacho could do nothing but watch as the threesome batted the punt up in the air. Sageser caught it in the end zone to put Dimmitt up 13-6. Johnny Nino, who went four-for-four, tacked on the extra point three minutes before half-time.

In the third period, the

Bobcats squandered an opportunity after another blocked punt at the Abernathy 30. Two holding penalties stopped Dimmitt, offsetting big gains by Guzman and Gonzales.

Dimmitt came back, though, to add another layer of icing to the victory cake with a 60-yard drive. Guzman who was Dimmitt's second leading ball carrier with 85 yards on just six carries, picked up half his yardage on a carry around the right side. The senior quarterback scored from five yards out with 2:04 left in the third quarter to put the Bobcats up, 21-7.

Dimmitt iced it completely away early in the fourth period after a 17-yard punt off

the side of Comacho's foot. Junior tailback Mark Bruegel ran through a gaping hole in the line to make it final at 28-7.

Abernathy, without a win since the first game of the season, had one of the best offensive nights by a Dimmitt opponent all season, gaining 241 yards and 10 first downs. The Bobcats, meanwhile, enjoyed one of their best offensive nights of the year, with 240 rushing steps and 59 yards in the air.

Dimmitt closes out the year with a 6-4 record, the best since the 6-3-2 slate in 1976.

Longhorns end 2-8 year

Bovina used big plays to down Hart's Longhorns by a

31-0 count in the season-ending game Friday night at Hart.

Bovina finished out the year with a 6-4 record, while Hart finished at 2-8 for the year.

After the opening kickoff, the Longhorns moved for two quick first downs behind the running of Arthur Finch and Chris Reyna, but penalties and mistakes forced them to punt the ball away.

Then the Mustangs drove 70 yards in only eight plays for the game's first score. The big plays included an 18-yard pass on third down and the touchdown toss of 30 yards from Dale Gilbreath to Greg McClaran. The point-after kick was good by Jose Gomez with 4:31 still showing in the first quarter, giving Bovina a 7-0 lead.

Bovina scored 10 points in the second period, upping its lead to 17-0. Gilbreath scored

on a 3-yard run, with Gomez adding the kick at the 7:50 mark. The Mustangs received a gift with 29 seconds left in the half when the Hart snap went over the head of punter Freddy Washington and out of the end zone for two points.

During the second quarter, the Longhorns moved the ball at times, but penalties and a tough Mustang defense stopped any Hart drive before it could get close to the end zone. At halftime, Bovina lead by a 17-0 count.

The third quarter saw both teams put together some offensive punch, but it was Bovina that came up with the big play. Facing a second and 15 from the Bovina 15-yard line, Joe Black found a crease in the right side of the defensive line and raced 85 yards for the lone score of the

quarter. Again, Gomez was true on his kick, stretching the Mustang lead to 24-0 with 6:59 remaining in the period.

Hart had several good runs during the third quarter by Bruce Finch, Arthur Finch, Chris Reyna and Coy Myrick, but the Longhorns could not get it into the end zone.

Bovina added one more score late in the game on a [Continued on Page 11]

How better energy decisions make the difference

You and Southwestern Public Service Company are partners, making energy decisions that make the difference.

How you manage electricity in your home helps us make our decisions about generating power to meet the electrical requirements of the Southwest. For when you install a High-Efficiency Add-On Heat Pump, you can manage the electricity used for your home's heating and cooling - which helps SPS determine how much power you, and the Southwest, will need.

So that economical power will always be available, SPS is developing better ways to generate electricity. One way is with coal.

Construction is now completed on the first unit of our second coal-fired power plant, Talk Station, which is now on-line and generating electricity. Harrington Station, SPS's first coal-fired power plant, has been operating since the early 1970's.

As partners we have made energy decisions which have built Talk Station. We're proud of the new power plant as you will be too. You're invited to the Open House of Talk Station between Muleshoe and Earth, Texas. Just follow the map and join us Saturday 10 to 4 p.m., November 20, or Sunday 1 to 4 p.m., November 21. Come as you are, dress casually. There will be refreshments and guided tours for the whole family.

Happy wins finale, 20-7

Swifts finish at 6-3-1

By JEANIE WILHELM
Happy's Cowboys came from behind with a 20-point outburst in the third quarter to down the Nazareth Swifts, 20-7, in the Swifts' final game of the season Friday night.

The Swifts ended their season with a 6-3-1 overall record and a 4-3 mark in conference play, placing fourth in the eight-team zone.

Happy finished with a 9-1 season mark and a 6-1 conference record, good for second place in the district behind Vega. The Cowboys will advance to the playoffs.

The Swifts struck first Friday night with the only touchdown of the first half. Eric Wilhelm intercepted a Happy pass to set up the TD, which came five plays later when Johnny Schmucker scored on a one-yard plunge. The touchdown came with 10:23 remaining in the second quarter. Schmucker also kicked the extra point to give the Swifts a 7-0 halftime lead.

But after the half, the Cowboys came out of the bunkhouse and went on a tear, scoring all 20 of their points in the third quarter.

Nine plays after receiving the second-half kickoff, Happy chalked up its first TD of the night when Danny Venhaus went over the goal line from a yard out. The score came with 7:30 remaining in the quarter, following a drive that consumed 4½ minutes of clock time. Venhaus then ran a two-point conversion to put Happy on top, 8-7.

The next Happy touchdown was a freebie, set up by a Nazareth fumble on the Swifts' 1-yard line. Donny Venhaus (Danny's twin brother), made the TD on a quarterback sneak with 1:29 remaining in the third. A pass for two extra points failed, leaving the score at 14-7.

Then the Swifts fumbled on the kickoff, and two plays later — with just 37 seconds left in the third period — Danny Venhaus scored on a 24-yard run. The two-point conversion attempt failed, leaving the score at 20-7.

Major factors in the game were Happy's 359 total yards to Nazareth's 102, and three turnovers by the Swifts on fumbles.

"The controlling factor in the outcome of the game was that Happy controlled the line of scrimmage," Swift Coach Ken Cole said. "That really hurt us."

But he added, "I was really satisfied with the effort our guys showed this season. I couldn't have asked for more effort. Next year we should have a chance to win district. We'll have a very competitive team."

He added, "I wish that our season could have been better because we had eight seniors who really worked hard. I want to thank our community for the support that was given to us all year long."

Eighth grades have 0-0 tie

Dimmitt's eighth grade football team had two touchdowns called back and had to settle for a 0-0 tie with Abernathy in its final game of the season last Thursday.

Martin Alvarez ran touchdowns of 70 and 55 yards, but both were nullified by penalties.

It was the second tie of the season for the Dimmitt eighth graders, who finished their football campaign with three wins, three losses and two ties.

Seventh grade loses by 12-6

Dimmitt's seventh grade football team finished the season with a 4-3-1 record following a 12-6 loss to Abernathy last Thursday.

Dimmitt's only TD came in the second quarter, on a pass from James Alexander to Jeremy Warren that covered 55 yards. Abernathy scored in both the first and second quarters.

After all the first-half fireworks, the two teams fought a scoreless duel throughout the second half.

Rotary sees slides of ancient Petra

Rev. Ed Freeman presented a slide program of ancient Petra to Rotary Club members and guests Friday.

Petra, which in Bible times was Seba the capitol of Idom, is now in the land of Jordan.

A narrow gorge is the only entrance or exit to the city, and visitors have to ride horseback or walk.

Fifteen members and four guests were present.

Nov. 19 has been designated as Rotary Ann day, and members are encouraged to bring their Rotary Anns to the special program planned for that day.

At a board meeting last Thursday, Rotary Board members discussed ideas to increase membership. They decided to divide the club into groups of five. Each group is then responsible for recruiting one new member.

Sales taxes are sent out

Despite a statewide total so far this year of an 11% increase over the 1981 total, to date the three cities in Castro County receiving city sales tax payments show less promising figures.

State Comptroller Bob Bullock sent \$35.6 million to 967 Texas cities as their share of the one-percent city sales tax for October.

Dimmitt's share was \$7,464.46, which was down from the \$9,687.12 received in October of 1981. Hart received \$825.56, more than the \$561.39 brought in in October of 1981. Nazareth's was too late to be reported this period.

The total payments so far in 1982 for Dimmitt is \$112,542.91, compared to \$117,516.06 for 1981, a decrease of 4.23%. Hart has received \$12,225.78 so far in 1982, compared to \$12,155.87 for 1981, an increase of 0.58%. Nazareth's payments so far in 1982 equal \$11,217.79, compared to \$12,705.03 for 1981, a decrease of 11.71%.

Mailing dates are announced for Christmas

For those with relatives in the armed services stationed overseas, or who wish to mail holiday greetings and packages to others living in foreign countries, now is the time to be making holiday mailings, according to the U.S. Postal Service.

Parcels sent to military personnel in Africa, Australia, Central and South America and Southeast Asia have to be mailed by Nov. 8 if shipped by Space Available Mail (SAM), the least expensive means to ship parcels by air.

November is also the month when parcels shipped via Parcel Airlift Mail (PAL) should be sent. Mailers who choose this service for personal military parcels pay the surface rate plus a surcharge.

Check with the post office for specific location deadlines.

Mixed drink tax rebated

For the third quarter of 1982, Castro County, Dimmitt and Nazareth received a total of more than \$2,000 in mixed-drink tax remittances from the state comptroller's office.

Comptroller Bob Bullock said the collection of the 10% tax during the period was up 9% statewide over the same period last year.

The Alcoholic Beverage Commission collects the tax based on 10% of mixed drink sales, and cities and counties receive a 15% rebate on the tax collected within their boundaries.

Dimmitt's remittance is \$995.35, Nazareth will receive \$54.62, and the county gets \$1,179.30.

Based on the taxes collected, mixed-drink sales for the three entities for the three-month period totaled \$148,618.

THE phrase "to appease his manes" means to do, when a person is dead, what would have pleased him or due him when he was alive. The departed spirit was known by the Romans as the Manes. They celebrated a day of the dead on Feb. 19.

A FACT NOT widely known about Washington's miserable winter at Valley Forge is that the reason he and his men nearly starved is because the local farmers preferred to sell food to the British who could pay cash.

WHEN cutting calories, consider the nutrient value and the calorie content of foods, suggests Mary K. Sweeten, food and nutrition specialist with the Texas Agricultural Extension Service. Oranges, melons, grapefruit and strawberries offer high nutrition and low calories. Apricots, peaches, plums and watermelon offer abundant supplies of vitamin A.

JV Longhorns win district

Hart's Junior Varsity Longhorns closed out a highly successful season last Thursday when they defeated Bovina 20-0 to capture the district championship outright.

Omar Longoria got the JV Longhorns' stampede started when he took a quick pitch and raced 20 yards for Hart's first touchdown. The 'Horns then ran a two-point conversion to go ahead by 8-0.

Longoria also scored Hart's second TD, this time on a five-yard run. The extra-point attempt failed, leaving the score at 14-0.

Highlight play of the game was a 60-yard "flea flicker" pass play that resulted in Hart's third touchdown. Arturo Guzman, after handing off and getting the ball back, winged the pass to Renee Gonzalez, who gathered the ball in and raced to the end zone.

Again the conversion attempt failed, leaving the score at 20-0 in Hart's favor.

"The kids wanted this game very badly," Coach Ralph Granger said. "They've worked hard all year. Even when they made mistakes, they came back and tried that much harder."

Granger noted that the JV Longhorns captured their district championship against opponents that were nearly all bigger.

"These kids will always be special to me, because when you put them on paper against the kids they played, they don't even match up," he said. "They made up the difference with desire and determination."

Granger also had praise for his fellow JV coach, Tim Walker, who tutored the offensive line and defense.

"He did a fine job and was good to work with," Granger said.

Shorthorns post 8-1 mark

The Hart Junior High Shorthorns got an early start on track season when they raced to a 40-8 victory over the Bovina Colts in their final football game of the year last Thursday.

But they had to come from behind to win.

Bovina's only score came on the opening kickoff when Mike Shepard returned the ball 75 yards for a TD. But from that point on, the Shorthorns shut down Bovina's offense completely. Hart chalked up 387 total yards to Bovina's 78.

Hart's first score came later in the first quarter when Chris Rodriguez ran in from two yards out. Later in the opening period, Rodriguez scored again — this time on a 22-yard run. Hart held a 12-8 lead at the end of the first quarter.

The second quarter was scoreless.

Johnny Washington got Hart's third TD when he broke loose on a 38-yard scoring run in the third quarter. Paul Ramirez scored a two-point conversion to hike

Hart's lead to 20-8.

Later in the third, Ramirez broke free and raced 69 yards for Hart's fourth TD, making the score 26-8.

But the game was still to see its longest run of the night. In the fourth period, Washington took a Bovina punt on Hart's 7-yard line and raced 93 yards through the crowd for another touchdown. Brett Ritter scored the two-point conversion, and Hart led by 34-8.

The Shorthorns' final TD came when Carmello

Medrano scored on a 15-yard run, making the final tally 40-8.

The Shorthorns finished their season with a record of 8-1, second in the district behind Olton.

Police calls

The Dimmitt Police Dept. claims to have uncovered an auto burglary ring made up of men in the Dimmitt, Hereford and Amarillo areas.

The department said that numerous arrests were made last week, but would give no number or any names of those arrested.

Police Chief Don Franklin said that a substantial amount of stolen automobile accessories has been recovered by local officers, and they are coordinating with police in the other cities in returning the property to the owners.

"The pieces of the puzzle are beginning to fall into place now and we expect to recover more property and make several other arrests soon," Chief Franklin said.

On Sunday, the police received a report of burglary that occurred at 308 N. Broadway. Robert Steven Watson of Brawley, Calif., reported that \$300 was taken from his wallet while he was staying in room 205 at the Colonial Inn Motel.

Two companions with whom Watson had been playing pool the previous evening at the bar in the motel were questioned. Watson said that two other men had also been present in the bar that evening.

Leaving the bar at 11:30 p.m., Watson left the money in his pants pocket by his bed while he slept. He didn't notice the money was gone until he attempted to make a purchase the next morning.

Also on Sunday, Delores Triana, owner of the Mini Mart at 509 East Bedford, reported that the lock had been broken and the door frame damaged on the door to the store. The damage reportedly happened between 12:30 a.m. and 7:10 a.m. when Mrs. Triana's daughter Terry Salinas opened the store for business. No estimate of the damage was given and nothing was reported taken.

An accident was reported to the police Saturday at 9:09 p.m. A 1976 Mercury Marquis driven by Carla Frye of Dimmitt, and owned by Don Nelson of Dimmitt, backed into a parked 1977 Honda Accord owned by Mary Smith Jones of Hereford. The incident happened in the 700 block of Maple Street in Dimmitt when Miss Frye was backing out of the drive at 710 Maple and backed into the Jones car parked in front of 713 Maple. Miss Frye was cited for unsafe backing. No injuries were reported.

Nov. 3, Bobby Dean Bossert, 27, of Hereford was arrested by the County Sheriff's Dept. for violation of probation, which he was serving for robbery and theft. He is under \$12,000 bond and it has not been posted yet.

During the past week, the county had one arrest for DWI and two for public intoxication, while the city had one for DWI and three for public intoxication.

Fun Breakfast to be Nov. 20

The public is invited to come and enjoy a free breakfast sponsored by the Dimmitt Chamber of Commerce on Nov. 20 in the County Expo Building from 7:30 to 11:30 a.m.

At the same time, over 20 Dimmitt merchants will have on display booths full of gift ideas for the coming Christmas shopping season.

"There are only four booth spaces left right now," said Chamber manager Delores Heller, "so any others wanting to reserve a space should call the chamber office at 647-2524 as soon as possible."

Mrs. Heller said that the charge for the booths is \$20 for a space 8x23 feet, including one table furnished.

The spaces will be marked off Nov. 18, and on Nov. 19 from 1 to 7 p.m. merchants may set up their booths. A police guard will be at the building overnight.

The breakfast menu will include bacon, scrambled eggs, hot biscuits, jelly, coffee, hot chocolate, juice and donuts.

At the community caroling party and tree lighting set for Nov. 29, the Dimmitt High School Singers and the Junior High Choir will perform several selections, and the winners of the coloring contest for students in kindergarten through third grade will be announced. Also, Santa Clause is expected to make an appearance.

The chamber is conducting an election of directors right now and the ballots must be turned in to the chamber office by Monday, Mrs. Heller said. Those up for election are returning directors Martha Hyman and Joe Joselet, and new directors Calvin Marsh and Doug Pybus.

The winners of the election will be announced shortly after the voting deadline, and will be installed at the annual Chamber of Commerce Banquet, which is set for Feb. 7. James "Doc" Blakely of Wharton is scheduled to be the speaker for that event.

Mrs. Heller said that additional people are needed to sign up for the trip to the National Rodeo Finals in Oklahoma City in December. "Call the chamber office right away if you are interested in going," Mrs. Heller said.

Fashions, sheep to be shown together

The Hereford Young Farmers Livestock Show will be held Jan. 27-30. The show will feature the "Lady's Lead Line" on Friday, Jan. 28.

Lady's Lead Line is a combination of a clothing and sheep project. The girls wear a garment they constructed, consisting of wool or a wool blend. They model these garments as they lead a ewe lamb.

This is part of a national contest which is held in Louisville, Ky. each year. Those eligible are 4-H and FFA members from Castro, Parmer, Deaf Smith and Oldham Counties. Deadline for the entries is Dec. 1.

For more information contact, Teresa L. Nutt at the County Extension Office at 647-4115 or 647-4116.

Fire calls

The Dimmitt Volunteer Fire Dept. answered a call Sunday morning to a mobile home fire at 610 Northwest Third Street. Three units and 21 men reported to the scene at about 8:42 a.m.

The mobile home suffered extensive fire damage to the kitchen and half of the living room and heavy smoke damage to the rest of the house.

Irma Rodriguez and at least one child were at home at the time of the fire, but they escaped without injury.

Fire Marshall Steve Jameson said that apparently the woman had been using the kitchen stove burners as a space heater for the home, and a pan had inadvertently been left on a burner and started the fire.

Also, on Saturday at 1:10 p.m. the department was called to a cotton stripper that was on fire on US 385 north of Dimmitt, just east of KDHN radio station. The fire only damaged the paint on the hopper basket. Two units and 18 men reported.

Kiwanians host district officer

Kiwanis Lt. Gov. Frank Dillard of Canyon visited the Dimmitt Kiwanis Club Monday and presented a slide program on Special Olympics for handicapped children.

Dillard explained that the slide program's title, "Make Every Child Special," is the administrative theme of Kiwanis International this year.

The club's guests also included several other Kiwanians from the Canyon and South Amarillo clubs, as well as four members of the Dimmitt High School Key Club.

Four Dimmitt Kiwanians will represent the club at an interclub conference in Hereford tonight.
