Election night has lost much of its excitement, or so far as that goes practically all of it. By the time voters begin dropping their ballots in the ballot box on election morning the computers have already determined the winners, even down to the fraction of a percentage point. From there on the returns given by hard-working reporters, announcers and commentators just merely confirm what the computers revealed early in the day. The prognosticators, in a few instances, have announced the winners in some races before the voting got underway.

Maybe we will see the day when we can save the expense of holding elections. Just let the election experts and their computers determine the winners. On the other hand the old custom of elections might have to be revived in order to keep the computers honest.

Speaking of the expense of holding elections, Castro County is a prime example of waste in its election procedure. There are fifteen election precincts in the county making it necessary for the minimum number of election officials to conduct elections in fifteen polling places. The consolidation of the small precincts, resulting in a maximum of eight polling places in the county, strategically located, would make voting for everyone in the county convenient and result in a very substantial saving in the cost of holding county-wide elections.

The Commissioners' Court should make these much-needed changes. In event they fail to do so the County Democratic Executive Committee could possibly redistrict the county for the purpose of holding party primaries with a resultant saving to the candidates that have to foot the bill for holding primary elections.

To hear some people talk and to read some commentaries you would think that the Democratic administration had been blasted out of Washington. Fact of the matter is the off-year election precedent, as the anti-administration party usually gains seats in the congress and senate in off-election years. This year was no exception.

The proof of the pudding will come in 1968 when President Johnson puts his record on the line when he seeks reelection. Anything can happen two years, events over which the president and congress could have no control. In the event of World War III, a general and disastrous depression or some other occurrence that would effect the entire country adversely swinging the balance of opinion to the republican cause.

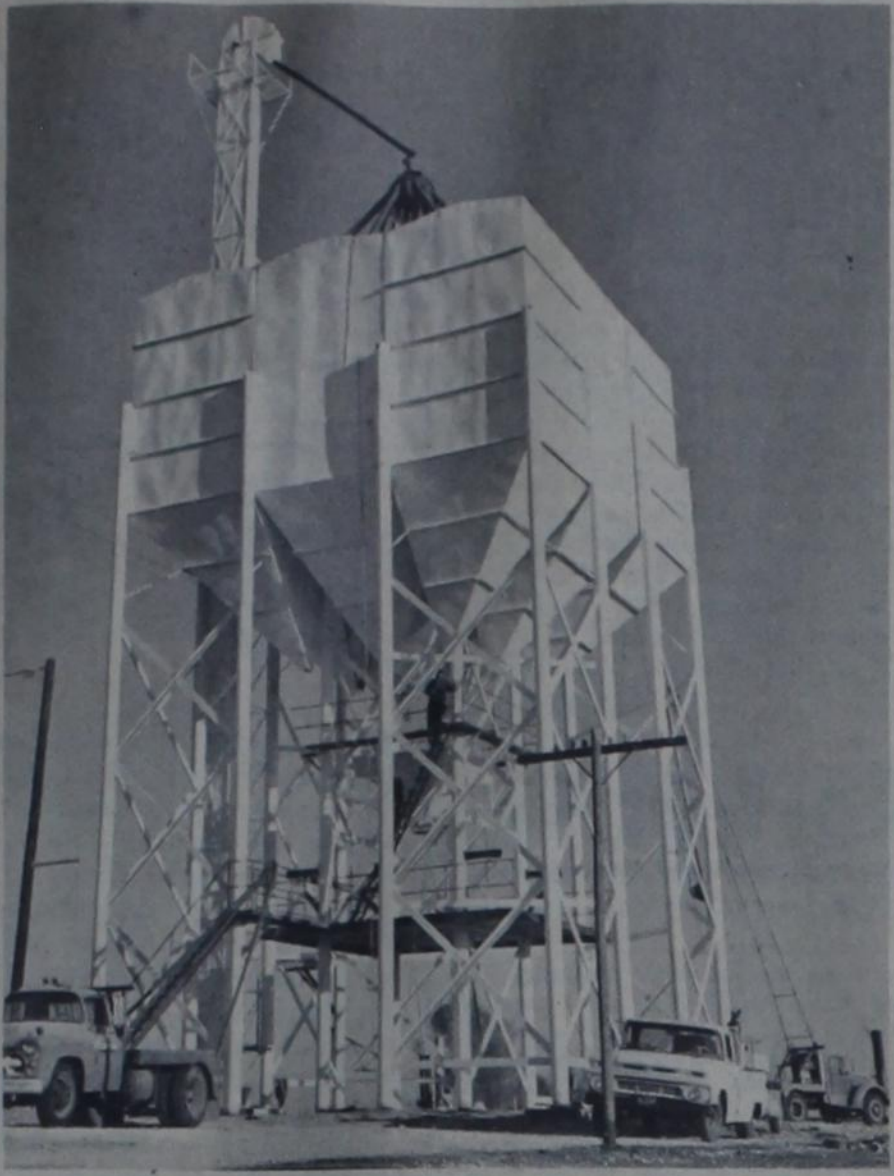

However, if the Viet Nam conflict can be settled, or has not erupted into a larger war, and if foreign affairs have been conducted as they have in the past with our government making every effort to find peaceful solutions to the problems that confront a troubled world, and if domestic affairs go along as they have during the past six years of democratic administrations President Johnson will be re-elected.

Much has been said about the "White Backlash" affecting various elections throughout the country. This is undoubtedly a temporary thing. Given time to think and reason the average voter will realize that the civil rights legislation passed under democratic administrations was long overdue, and regardless of acts of violence attributed to the civil rights movement, the government was only taking steps to guarantee every man his rights as a citizen under our constitution.

There have been many social reforms, bills passed by the congress that were in keeping with the Democratic party's platform, termed the "Great Society" by the president. Many of the measures will be good for the country and will become permanent and accepted advances in the nation's effort to create a better life for all of our citizens. Measures that fail to prove a lasting benefit can be dropped or repealed.

If I was a cotton farmer I would vote for the Cotton Research and Promotion Act in the referendum to be held in December. One dollar per bale would be a cheap price to pay for additional research in the use and marketing of cotton.

Nazareth PTA To Hear Doctor
Dr. Mary Bubliss, Plainview psychiatrist, will speak at the Monday night meeting of the Nazareth PTA. Her lecture will be open to the public.
Mrs. Gus McLain, program chairman, said the program will start promptly at 8:15 p.m.

GOING UP on the Dimmitt-Hart highway is this new fertilizer blending plant for the Rowland-Gordon Division of Custom Farm Services, Inc. The plant will be identical to other R-G "drive-in" plants at Summerfield, Abernathy, Muleshoe and Bovina. Each bin will hold 80 tons of material to be blended through a central loading chute. When completed, the plant will also include offices below the blending bins.

First Home Game Friday Ready? Dribble!

Dimmitt will stage its first home basketball games Friday night when Adrian comes to call. Game time will be 5 p.m. for the B team, 7 p.m. for the Bobbies and 8:15 p.m. for the Bobcats.

ALL HOME games will be played in North Grade School Gym instead of DHS Gym. Admission will be 75 cents and 25 cents.

In This Issue: Final Vote Totals

For the final official results of county voting in the Nov. 8 general election, see the precinct tabulations and totals on Page 3. The tabulations are based on the official canvass of the election, conducted Monday by County Commissioners.

NOT INCLUDED in the vote tables are the final counts on the proposed constitutional amendments. All of the proposals carried in the state except No. 4, which would have increased terms of conservation district directors.

However, Castro voters also turned thumbs down on No. 2 (multi-county airport authorities) by 659-633; on No. 5 (to allow county and other employee benefits) by 786-526; and on No. 13 (to permit certain county office consolidations) by 642-617. Proposition 4 was defeated in Castro by 719-541.

Drawing the biggest "for" vote here among the proposed amendments was No. 14 (to allow resident servicemen to vote), which carried the county by 1,154 to 195.

Nazareth To Host Two-County PTA

The Bi-County Council meeting of the PTA will be held Tuesday at 9 a.m. in Nazareth High School Homemaking Department.

COFFEE will be served starting at 9 a.m., followed by the regular business meeting beginning at 9:30. The program planned for this meeting will be "Responsibilities of a Citizen." Also, Mrs. Albert Schoenberger will give some of the highlights of the PTA State Convention.

The meeting is open to all officers, school personnel and members of the PTA units in Castro and Swisher Counties.

Rites Conducted For Milton Dunn

Last rites were conducted Wednesday afternoon for Milton Dunn, 90, of Dimmitt, retired real estate dealer who died Monday morning in Westgate Hospital in Hereford.

HE WAS THE father of Mrs. Leland Smith and Mrs. Ivor Bagwell of Dimmitt and Mrs. Dennis Bencoe of Albuquerque. Also surviving him are seven grandchildren and 19 great grandchildren.

Funeral services were conducted at 2 p.m. Wednesday in First Baptist Church, with Rev. Frank Pollard officiating. Burial was in Castro Memorial Gardens, under Dennis Funeral Home direction.

Born Sept. 18, 1876, in Missouri, Mr. Dunn had lived most of his life in the Dimmitt and Hereford area. On Jan. 27, 1906, he married the former Lutee Bell Flowerree. She died in 1948, the same year he moved to Dimmitt.

Pallbearers Wednesday were Elbert Smith, Wesley Smith, Wayne Reynolds, Milton Bagwell, Marion Fallwell and David Funck.

Million-Dollar Housing Complex Being Planned for Farm Workers

Dimmitt may set another agribusiness "first" for Texas early next year with the construction of a million-dollar housing complex for 190 farm workers and their families.

THE HUGE apartment-type complex for farm workers would be a joint local-federal project. It would be the first project of its type in Texas and one of the first in the US.

The plan got a big green light last week when Don Jennings, local Farmers Home Administration representative, announced that his agency has tentatively approved a \$570,000 loan and an outright grant of \$387,380 for construction of the project.

James Horton, legal counsel for the association, said first preference on the housing would be given to farm workers, "although this will be a business venture, and city workers would be able to rent if the units were available."

THE PLAN stemmed from a survey conducted by the Castro County Agricultural Association, organized last March. The association is made up of 62 farmers and businessmen who paid \$250 apiece to finance the survey and planning. The survey pointed up a need for approximately 200 living units here to house farm workers and their families.

After hearing of the FHA's tentative approval last week, members of the steering committee organized themselves into a temporary board of directors. Wednesday the association applied to the state for a charter as a non-profit corporation.

HORTON NOTED that the corporation, although non-profit would pay ad valorem taxes to the city, county, state and schools, but would be exempt from state and federal income or franchise taxes.

Members of the steering committee are Rayphard Smithson, Millard Webb, Edd McLeroy, William Baldrige, Truman Touchstone, O. T. Vardell, Bill Bennett, Goldman Dyer and Don Newman.

JOAN OF ARC? Nope — nor is it the Salem witch trials. It's Hart High School cheerleader Linda Popejoy, silhouetted against the student body's homecoming bonfire last Thursday night. She's in the process of drawing a big yell from the student crowd. Besides the bonfire, the

homecoming included a second pep rally Friday; presentation of a set of longhorns by Mrs. G. R. Bennett in memory of her grandson, Dennis McLain; dress-up day; western day; and the Hart-Lezbuddie homecoming game, followed by an ex-students' reception.

Although it is referred to as a "migrant housing project," the complex would also include apartments for permanent farm workers here.

AS PLANNED, the 190-unit apartment complex would be built just east of Western Vegetable Co.'s pickle plant in East Dimmitt, on nine acres of land now owned by Woodrow Nelson. Option on the land was exercised Wednesday.

Nine two-story buildings would be constructed for migrant workers, with each housing 16 apartments — eight upstairs and eight downstairs. West of these would be 12 single-story buildings, each with four apartment units for permanent farm workers.

Centering the complex would be a playground and quarters for a full-time manager and his family. Concrete block construction, concrete base floors, steel doors make the apartments almost indestructible, planners said.

TARGET PRICES on rent will be \$15 per week for permanent families' apartments and \$12.50 per week for migrants' apartments, including utilities.

Each apartment would include two bedrooms, a living room, kitchen and bath.

Biggs and Matthews of Wichita Falls, consulting engineers, have drawn the engineering assignment on the ambitious project. Edd Biggs of the engineering firm said at last week's meeting that final plans should be ready to submit to FHA by Jan. 15, and that he hoped a contract could be drawn by March.

"It is hopeful that at least 75 of the proposed 142 migrant units will be ready for use in June 1967," Horton said.

First Candy Report Back From Vietnam

Castro County's "Christmas Candy for Servicemen" project drew its first reaction this week from Vietnam — and from the parents of local GI's.

CPL. GERALD Broadstreet, stationed at Da Nang, reported to his parents that he had received three cans of candy and that the unexpected gift "really was a morale booster."

His parents, Mr. and Mrs. E. H. Broadstreet, 410 W. Lee, added that the homemade candy package to their son "really helped our morale here, too."

Cpl. Broadstreet reported that the three cans of candy he's enjoying now were made by Mrs. J. C. Williams, Mrs. Ivor Bagwell and Mrs. Vern Lutz.

OTHER PARENTS of servicemen this week also expressed their appreciation for the thoughtfulness extended to their sons.

In a card of thanks in this issue, Mr. and Mrs. Glenn E. Taylor say, "It is an inspiration to us and makes our burden easier to bear, knowing there are those who care enough to take the time and effort to do something for our sons."

Funeral Rites Held Wednesday For P. H. Dyer, County Pioneer

P. H. "Press" Dyer, well-known Castro County pioneer, died Monday in Plains Memorial Hospital after a short illness. He was 78.

Funeral services were conducted at 3 p.m. Wednesday in Dimmitt's First Methodist Church, of which he was a member. Rev. Weldon McCormick officiated and burial was in Castro Memorial Gardens under direction of Gilliland Funeral Home of Hereford.

DURING THE county's Diamond Jubilee celebration earlier this year, Mr. Dyer was paid special tribute as one of the few residents who had come to Castro County the year it was first incorporated, 1891.

Born in 1888 in Sadler, he was three years old when his family

4 — "BUYING and selling Cattle," by Ike Brandon, manager of the new Dimmitt Feed Lots.

4:30 — "Cattle Futures and How to Use Them," by Allen Robertson of Amarillo, broker for Merrill Lynch, Pierce, Fenner and Smith.

5 — Questions and answers, Jimmy Herring.

Band Parents To Serve Turkey Saturday Night

For a better-dressed Bobcat Band, eat a big turkey dinner Saturday.

THAT'S THE advice of the High School Band parents, who will serve a Thanksgiving dinner from 6 to 8 p.m. Saturday in the South Grade School cafeteria.

The buffet supper will include turkey, dressing, potatoes, beans, salad and hot rolls, with cake for dessert.

Admission will be \$1.75 for adults and \$1 for children 12 and under. Proceeds will go to the band's uniform fund.

Funeral Rites Held Wednesday For P. H. Dyer, County Pioneer

He married the former Jimmie Sweazae July 27, 1913, in Dimmitt, and farmed here for half a century before his retirement. His family farm is in the Easter Community.

SURVIVING him are three sons, Wayne Dyer of Dimmitt, Jack Dyer of Perryton and Rev. Jim Dyer of Wichita, Kan.; four daughters, Mrs. Elaine Scala and Mrs. Billie Callihan of Amarillo, Mrs. Lucille Newton of Texline and Mrs. Mary Jean Collins of El Paso; a sister, Mrs. Willie C. Gilliland of Hereford; 22 grandchildren and three great grandchildren.

Parties, Parties Everywhere

BY MYRTLE SHEFFY
"The Secret is out" — Glenda Smiley and Gary Heller of Hart will be married January 20 at the First Baptist Church in Dimmitt.

Lubbock. Glenda Cummings, a longtime resident of Portales Children's Home and sponsored by a group here is now attending beauty school in Plainview.

Iris and Edna Touchstone hoped off to Houston to visit daughter Merle and her husband Don Franklin. They watched Cassius Clay fight somebody We will have to ask them about that

Bernard and Ruth Brown near Salida, Colo. are here for a visit with his mother, Mrs. Bill Humphries and Bill, his brother J. R. and family and the Aven family at Hart. J. R. and Mary Jo and Bernard and Ruth flew down to Uvalde to visit relatives this week.

I HAVE NEVER heard of so many parties, all in the same week before. Friday night Ann Singer cooked up the best turkey dinner with all the trimmings and such good pumpkin chifon pie. "42" later for Messers, and Mesdames N. F. Cleavinger, Clarence Bearden, Sid Sheffy, Ruth Wilson, Cletha George, Leola Haberger, Edgar Ramey, George Bradford, H. H. Carlile, P. L. Cunningham and Faun Welker.

MR. AND MRS. George Bradford, Mr. and Mrs. Elmer Youts and Troy Kirby, E. B. Noble attended the Municipal League Convention at the Texas Hotel in Fort Worth. They will discuss the problems of the city.

IT SEEMED that all the Nazareth girls were in town Thursday at the beauty shops. The reason was the wedding that afternoon at 4 p.m. of Douglas Melcher and Joan Acker at Holy Family Church. I met Joan Melcher of Meadows. Her family, Mr. and Mrs. Edgar Melcher and many others were here.

LaDawn and Ginger Kemp, both in school at Baylor came home for the weekend. Their friends Judy of Dallas, Jeanie and Ann of Houston came with them. The visitors had never "ridden" a horse or touched pigs or cows, so Carl Lee fixed them in cowboy clothes and introduced them to the ranch animals, and Louise (mamma) made that good, hot bread and stuff. Now they want to live here.

And a birthday party for Mrs. Bob McLean at the Country Club "same night." This was a very dress-up affair hosted by Mrs. Jo Evans, Mrs. G. L. Willis, Jr., and Mrs. Allan Webb. A complete surprise. She was given an orchid by the girls, a pretty ring from husband, Bob. A big cake, fruit punch, coffee and many pick-up foods were served to about 150 guests. Lily Marie Howard at the organ, Johnnie Davis at the piano made music throughout the evening.

Doris McClemey and Iona Stokes have returned from a trip to Houston, where they attended Grand Chapter of the Eastern Star. Doris was hostess of District 2 and Iona was in the fancy drill classes. They had one tour of the city also, a boat ride down the San Jacinto River.

SO MANY men went hunting this week. Heard Harry Hauf telling about their turkey hunt up in the brakes near Wheeler, Choek Lay did the cooking for Grant, Maples, O. B. Winkle and Harry. They did bring some birds home

Dr. Dennis Blackburn and Jimmy Ross went to the Guadalupe Mountains for deer. Bob Ott is off in Colorado. Graham Sheffy and Richard Jackson shot a deer near Austin.

AND OUT AT the VFW Hall, barbecued goat, beans and good things were served to many folks. They also had music and dancing.

DR. AND MRS. Charles Vandiver are in Dallas this week attending a dental association meeting. Jack and Shelby Rogers are also in Dallas on business and they will see some shows, and just have fun.

JOHN AND Roberta Stokes have moved to Amarillo where

John will be working with SIC. They were honorees at several parties. The Jim Cleavingers hosted a bridge and dessert party one night. Guests were Mr. and Mrs. J. R. Brown, Mr and Mrs. Barry Love, Mr and Mrs. Charles Wales, Mr and Mrs. Bob Jones, Mr and Mrs. John Stokes and her bridge club had a farewell party at Mrs. Dennis Blackburn's house. Nancy Ross assisted with serving a nice plate of food. Dorothy Hopson was hostess at a neighborhood party. Coffee and dessert for that group. Gifts were presented the Stokes. Pat Moraa was home from Baylor. Jane Cleavinger from WT, Linda Davis also came home to

see mother Pauline. The Morans and Pat attended the big game Baylor and Tech at Lubbock. Myrtle Lois said that Charley Hays took a carload of boys, his son John, Lint Merritt, Gary, Crum, Scott Moran to the Tech game, then came back by way of Plainview to watch the Dimmitt basketball girls play Roosevelt. MR. AND MRS. Morgan Dennis and Mr. and Mrs. William Moss fixed supper for a group of their friends from Memphis on their way to the Friona ballgame Friday night. They were Rev. and Mrs. Jorgeson, Baptist Minister, Miss Jorgeson, Mr. and Mrs. Robert Moss, Mr. and Mrs. Ben Moss and children, Tom Moss of

WTSU and Mrs. W. Curtis of Amarillo. Gary Moss and the WT band followed the WT Buffaloes to Fort Collins, Colo., for the game. Our boys from here are Tuffy Cowles and Jim Axe. Mr. and Mrs. Edgar Dennis also had a group of friends in from Seagraves on their way to play football with Bovina. The Denises have moved into their new Spanish style home on West Clovis Road. Mr. and Mrs. Goodwin Miller attended the homecoming at Rule Saturday. They came home by way of Lubbock and attended the Liberate Piano Concert. He was a most elegant piano player with his different colored sequined coats. Do go play bridge with the duplicate tournament Saturday, Nov. 19 at the high school cafeteria

Bible Thoughts
"THE FOLLY OF REJECTING DIVINE GUIDANCE"
By Ronnie Parker
Even though Jeremiah tells us that "it is not in man that walketh to direct his own steps" (Jeremiah 10: 23, some still attempt to do so. The result is spiritual chaos. In the tenth chapter of Romans, Paul said that the Jewish nation was in a last condition due to rejecting God's righteousness while following their own. It is folly for a human being to reject divine guidance as he strives to live a spiritual life. It is so easy to be deceived — either by others or by one's own self — that we must depend on God for guidance. Saul of Tarsus thought he was correct in opposing Jesus by persecuting the church. Even after his conversion to Christianity he said, "I have lived in all good conscience before God until this day" (Acts 23:1). Yet, he also said that he had been the "chief of sinners" (1 Timothy 1:15). Paul's conscience was not a safe guide nor is ours. We cannot be guided by our feelings alone for they are often deceptive. We should say, "let the Bible be our guide" rather than "let our conscience be our guide." Remember that Jesus said, "And why call ye me Lord, Lord, and do not the things which I say?" (Luke 6:46). Christ is the "author of eternal salvation to all them that obey him" (Hebrews 5:9). It is not enough to be sincere; we must be sincerely obedient to the Lord in order to be saved. 4th and BEDFORD CHURCH OF CHRIST

I am thankful... for good health, and for the food that I have each day. I am thankful for those near and dear to me that I can love, and in turn love me. I am thankful for the freedom of my nation, and that I can worship as I please. I am thankful that God loved me so much, that he provided a way for my salvation. I am thankful that he is a forgiving Father. I am thankful that I can attend Church and worship my Lord each Sunday.
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Lucky Jumbo Club Produces Big Share of County Winners

Boosters Start Team Bus Drive

Dimmitt's Booster Club has launched a drive to buy a team traveling bus for Dimmitt High School.

AT ITS last meeting, the school board approved the Booster Club's plan to purchase the bus through a public fund drive.

Club members voted at their Monday night meeting to conduct a fund-raising campaign during the coming year to help pay for the bus, and also to solicit donations from individuals and business firms.

Club President P. O. Goodwin said the project has been under discussion for several months, and that members feel a charter-type traveling bus for the athletic teams would be an asset to the schools and the sports program.

NEXT BOOSTER Club meeting will be at 8 p.m. Monday in the high school cafeteria. Members will decide at this meeting on how often they should meet during basketball season.

THE THURSDAY night class is branching out in all directions. Both the afternoon and night classes on Thursday have experimented with mixing beeswax and oil paint for different effects.

This class has been experimenting with abstracts which start from a splatter of melted lead. It is probably a little difficult for the uninitiated to imagine what this might be like.

The portrait class of Leona Turner had its last scheduled meeting last week, but Mrs. Turner will return again this week for one make-up class. The last lesson was a painting of out-size features of a face for practice in applying the right colors and values in a painting of the face.

First Christian Gears Sermons To Harvest Time

To make it possible for everyone — even those busy in the cotton harvest — to attend church Sunday, Minister Bedford M. Smith will preach two special Thanksgiving sermons Sunday at First Christian Church, 600 Western Circle.

"WHILE THE Earth Remains" will be his topic for the 10:50 a.m. service, and at 6 p.m. he will speak on "When the Earth Shall Yield Her Increase."

There will be no Bible study or sing-time Wednesday evening because of the union Thanksgiving service to be held that day at First Baptist Church.

The midweek Bible study has been shortened to 40 minutes to allow a weekly 20-minute sing-time for Christmas carols and favorite hymns.

18 Accidents Recorded Here During October

The Texas Highway Patrol investigated 18 accidents on rural highways in Castro County during October, according to Sgt. W. E. Wells, Highway Patrol supervisor of this area.

THESE CRASHES resulted in one death, 14 persons injured and an estimated property damage of \$25,218.

The rural accident summary for this county during the first 10 months of 1966 shows a total of 96 accidents resulting in 10 persons killed, 79 persons injured, and an estimated property damage of \$98,993.

Firemen, Wives To March Today For M-D Drive

A fireman will probably come to your house today. But don't look for smoke when you see him — look for your pocketbook instead.

Today (Thursday) members of the Dimmitt Fire Dept. and Firemen's Auxiliary are marching for muscular dystrophy.

FIREMEN and their wives — approximately 50 in all — will try to call on every house in the city during the day to take contributions to aid the Muscular Dystrophy Association in its fight to defeat the disease.

Muscular dystrophy is a chronic disease which progressively destroys muscle tissue, disabling its victims and ultimately rendering them completely helpless. The great majority of MD victims are children. Cause is unknown at present.

In their march here, Dimmitt's firemen will join fire departments throughout the US in marching for the Muscular Dystrophy Association of America, Inc., whose national chairman is comedian Jerry Lewis.

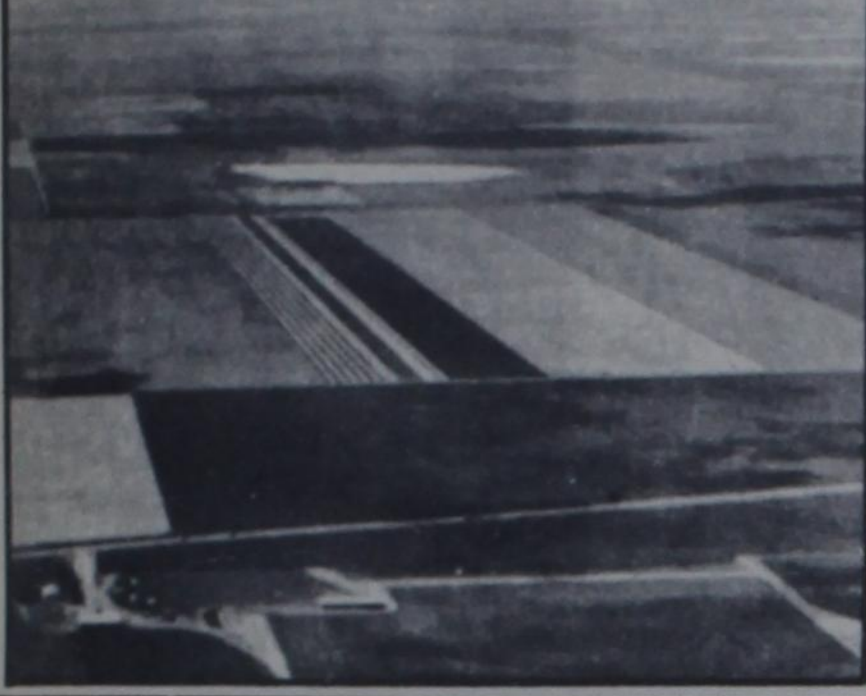

Union Service Set Wednesday

Dimmitt's churches will join forces for a Union Thanksgiving Service at 7:30 p.m. Wednesday in First Baptist Church.

DELIVERING the special Thanksgiving eve message will be Rev. Oscar Mayo of Lee Street Baptist Church. Other ministers in the city will assist with the service, and special music will also be featured.

MODERN AGRICULTURE

Higher Grain Goal Set for '67

With feed grain supply and demand in near-perfect balance today, but with increased production needed in 1967, Secretary of Agriculture Orville L. Freeman has announced 1967 feed grain program provisions designed to divert about half as many acres as in 1966.

THE PROGRAM will be basically the same as in previous years, the changes being a higher loan rate, higher total price support, and elimination of voluntary diversion for payment except on small farms which may earn diversion payments higher than in 1966.

"This is one of the earliest dates we have ever announced a feed grain program," Secretary Freeman said. "We have made the 1967 program decisions with utmost care and after thorough study. Feed grain crops are now safe from serious freeze damage. The October crop report has given us the necessary information about US production.

"We have estimates of foreign production that are probably as accurate as we will be able to get. The Canadian grain crop has been confirmed as a record. The Russian crop is a record. European crops are good. As to utilization, we now have good estimates for the past year and for the year ahead.

"THEREFORE, we have proceeded to make the decisions and announce them now to enable farmers to make their plans.

"More than a million feed grain producers have been cooperating in these programs annually since 1961, and their efforts have resulted in the present balance between supply and demand along with improved farm returns and stability for the livestock economy," Freeman said. "We hope and believe that most cooperators will continue to take part in the program in 1967 and will be able to plant more acreage.

"The 1967 feed grain program has these objectives: Improved farm income, livestock prices at a level fair to producers and consumers, full development of our export potential, and maintenance of adequate but not excessive reserves."

MAJOR PROVISIONS of the 1967 program:

1. Acreage. The program encourages farmers to divert 15 to 18 million acres, compared with 30 million acres of corn and grain sorghum land diverted in 1966.
2. Price Support. For corn, the price-support loan is increased from \$1 to \$1.05, national average, and the payment stays at 30 cents a bushel on the projected yield of acres planted, up to 50 percent of the base acreage. For grain sorghum the loan is increased from \$1.52 to \$1.61 per hundredweight (national average), and the payment stays at 53 cents per hundredweight, computed as for corn. Loans are again available on all corn and grain sorghum produced on participating farms.

3. Minimum diversion. As in 1966, a farmer will divert 20 percent of his corn-sorghum base to qualify for price support payment and loans.

4. **DIVERSION** payment for small farms. Program provisions are exactly the same as for 1966; however, payments will be higher. Farms with feed grain bases of 25 acres or less will again be eligible for land diversion payments equal to 20 percent of support (loans plus price support payments) for the qualifying diversion (20 percent of base acreage) and 50 percent of support on any additional acres diverted, up to the total base. Producers who have bases of more than 25 acres and who divert 25 acres and plant no feed grains will be eligible for diversion payment on 5 acres at 20 percent of support and 20 acres at 50 percent of support.

5. Additional diversion for payment on other farms. Except on small farms, there will be no diversion payments. The Department of Agriculture seriously considered a recommended provision for additional diversion available to all farmers at a reduced rate, Freeman said. However, in view of the need for increased production and the possibility of encouraging the diversion of too much acreage, and in the interest of program simplicity the payment for additional diversion was dropped from the program.

6. **PROJECTED** yields. Yields will be calculated on an up-to-date basis as provided for in the Food and Agriculture Act of 1965. For corn, the national average projected yield will be 75 bushels per acre, compared with the 72 bushels per acre projected for 1966.

7. Conserving base provisions. Conserving base and acreage substitution features continue as in 1966.

8. Soybean substitution. Soybeans will continue to be eligible for planting on permitted acreage without loss of corn-sorghum price support payments.

9. Barley. As announced earlier, barley is not included in the 1967 program.

THE PROGRAM sign-up period will begin in early 1967. Wheat and cotton program sign-ups will be held at the same time as those for the feed grain program.

"The success of the voluntary feed grain program has brought feed grain supplies into line with demand," Secretary Freeman said.

"As of Oct. 1 this year, the carryover was approximately 47 million tons, which is generally considered to be a desirable level. However, increased domestic use and soaring exports in the vital dollar markets of the world indicate a higher total utilization. A possible 30-million-ton carryover is in prospect for next Oct. 1.

"SINCE A further drawdown in stocks is not desirable," he said, "production should aim to provide supplies for the 1967-68 marketing year adequate for domestic use and a continued high level of export sales, even with unfavorable weather during the 1967 growing season.

"The program for 1967 minimizes the risks of too much or too little," he added.

Wheat Producers To Talk Shop At Annual Convention Tuesday

The 16th annual convention of the Texas Wheat Producers Association will be held at the Coronado Inn in Amarillo Tuesday, according to Leo Witkowski, president of the association.

"WE FEEL our program will be of interest to every wheat grower in the area," he said.

At the afternoon session wheat farmers will hear George Meeker, president of the Kansas Association of Wheat Growers; Ray Fitzgerald, one of the top men in ASCS from Washington, D.C.; and Charles Rhoades, executive secretary of the newly organized Oklahoma Wheat Commission.

Witkowski said there would be a board of directors meeting of the association at 9:30 a.m. Tuesday.

THE HEREFORD wheat man said he felt wheat farmers are mainly concerned about three problems:

1. With the second acreage allotment increase in August of 15 percent, wheat farmers are worried that we will produce too much wheat in 1967 and start rebuilding surpluses again.

2. Too much wheat means a great downward pressure will be placed on the market price, thereby depressing wheat farm income.

3. Maintaining and finding new markets for wheat.

"These vital problems will be discussed by our speakers at our convention. All wheat farmers in the Panhandle and Rolling Plains area are urged to attend," Witkowski said.

With surpluses of wheat gone and the market price averaging \$1.72 from July through September, farmers are generally well pleased with the operation of the Wheat Certificate program, Witkowski said. He concluded, "We have been telling our farmers for years that once we got rid of our surpluses farmers could expect to get more income from the market-place. This has happened, and the Texas Wheat Producers will do everything possible to see that this strong market price is maintained for wheat."

Cotton Quota Referendum Set For Dec. 5-9

The upcoming referendum on marketing quotas for the 1967 crop of upland cotton will be conducted by mail Dec. 5 through 9, Jim Elder, chairman of the Agricultural Stabilization and Conservation Castro County Committee, has announced.

THIS IS THE first time that growers have voted on marketing quotas by mail. It is hoped that this more convenient method will encourage a larger vote, Elder said.

Growers eligible to cast ballots in the referendum are all those who produced cotton in 1966. Ballots will be sent to all growers who are on record in the ASCS county office.

The quotas will become effective and the broad upland cotton diversion program will be available next year if at least two-thirds of the growers voting approve the quotas. This upland program would provide price-support and diversion payments as well as loans.

IF MORE than a third of the growers who voted disapprove quotas, price support at 50 percent of parity will be available to growers who keep their 1967-crop upland cotton acreage within their farm allotments.

14 GIANT SYNTHETICS PRODUCERS ARE TAKING COTTON'S MARKETS

HOW CAN 500,000 FARMERS FIGHT BACK?

The Farmers' Answer: 'Expand Research & Promotion'

With huge research and promotion expenditures, synthetic fiber firms rapidly are taking cotton's markets. As a result, the carryover is at an all-time record. Acreage is the lowest since 1872—down 30 per cent on the average for 1966.

But farmers have developed a way to fight back. It enables them to pool their resources to mount a hard-hitting research and promotion program to save cotton markets, acreage, and income.

Self-Help Plan Brings Beltwide Acclaim, Support

The farmer-originated plan gives growers an opportunity to vote, in a Beltwide referendum, on establishing a uniform assessment of \$1.00 per bale for expanded research and promotion. Thousands of growers and 61 cotton organizations have endorsed this approach—overwhelmingly. The press is praising farmers for their efforts to help themselves.

We Compliment Cotton Farmers On Their Business Approach

Clearly, the plan is based on hard and sound thinking. All projects must be initiated by grower trustees elected by cotton producer organizations. Other provisions give equal assurance of farmer direction and control. Any individual farmer who does not want to participate can have his money refunded.

We recognize that cotton is the economic lifeblood of our business and our community. We are happy to offer any assistance we can give our farmer friends as they work for approval in the referendum.

Castro May Be In Line For Road Work, at Last

Castro County may be first in line next year for highway improvements, Chamber of Commerce directors learned at their November meeting.

RAY POOL, reporting on a recent highway meeting in Lubbock, said he was assured that as soon as the state received its next highway appropriations, the roads in Castro County would be the first to be improved.

The county almost drew a blank on state road projects this year, despite a community wide effort to have the Dimmitt-Herford highway widened and improved to prevent further fatalities.

Castro's only state road appropriation for this year was for

four miles of sealcoating through the northwest corner of the county, on the Friona-Herford highway.

AT ITS MONTHLY meeting, the Chamber of Commerce also voted to sponsor the opening of the new post office Saturday, and called for nominations for four directors.

The chamber office this week addressed and mailed invitations to the post office dedication.

A nominating committee was appointed to obtain names for four new directors to take office Jan. 1.

Don Newman reported on prospects of getting a permanent Texas Employment Commission office in Dimmitt. He urged that

anyone knowing of available office space contact him at Plains Memorial Hospital or call the chamber office.

THE NINE directors attending the meeting learned that the CoC has 31 new members.

Directors also noted that Dimmitt has received publicity in Fortune magazine, in an article concerning the proposed new grain mill by Dimmitt Wheat Growers, Inc.

City Marshal Throws Knives Before Roomful of Attorneys

How's this for self-confidence? Marshal W. W. Jones of Dimmitt and his assistant, Rosie Martinez, thrilled members of the 64th Judicial District Bar Association with their knife-throwing act in Plainview last Thursday night.

IT WAS A joint meeting of the district bar association and the Hale County Bar Association, with attorneys and their wives from Plainview, Tulla and Dimmitt witnessing the act.

After their highlight program, during which Miss Martinez served Jones's "target," Jones could get no volunteers from the crowd to take her place at the target board and face the close knives. Presiding over the meeting was Castro County Attorney Jimmy L. Ross of Dimmitt, president of

the district bar association. **ROBERT BUNTYN**, Dimmitt's newest attorney, was elected vice-president of the district association during the meeting. Other newly elected officers are Andrew Vogel of Tulla, president, and Ken Owen of Plainview, secretary-treasurer.

Next meeting of the 64th district association will be in Dimmitt.

LONGHORNS PRESENTED TO McLAIN'S ALMA MATER . . . George and Harold Bennett, Billy Farris, Ricky Bennett

Longhorns Given to Hart High In Memory of Dennie McLain

Dennie McLain will be remembered by Hart High School students through a set of mounted longhorns, presented to the school Friday as a memorial to him by his grandmother, Mrs. G. R. Bennett.

McLain, a 1964 graduate of Hart High School, died in an auto accident April 15. He was the son of Mr. and Mrs. Laurence McLain.

The horns are intended to spur students of HHS to greater achievements in athletics and leadership. McLain himself won four letters in football, track and volleyball, three in basketball, and was chosen senior class favorite in 1963-64, sentinel in 1963, class secretary in 1961, '62 and '64.

The presentation at a pep rally Friday afternoon was one of the highlights of the HHS homecoming. Billy Joe Farris, a friend

and former teammate of McLain, presented the horns to the student body.

ACCEPTING for the school were three of McLain's cousins, who also are grandsons of Mrs. Bennett. They were George Edd and Harold Bob Bennett, sons of Mr. and Mrs. Ed Bennett, and Ricky Bennett, son of Mr. and Mrs. Bob Bennett.

"This gift will represent the mark of aliving faith," George Edd Bennett said as he accepted the horns for the school.

Returns Home

Bobbie of the Week Genita Aldridge

To start the '67 Bobbie basketball season off with a bang Genita Aldridge has been chosen Bobbie of the Week.

Genita is one of the three captains of the varsity team this year. She has well adapted herself to the numerous jobs and responsibilities of a basketball captain. Fellow teammates comment about Genita in this manner, "a very dependable and hardworking person."

THIS YEAR will make a total of six years of basketball for Genita, including her experience playing in junior high and high school. This year also marks her second year on the varsity basketball team. Genita plays both forward and guard positions and does a very outstanding job at either.

Last Saturday with her fellow teammates, she attended the Wayland Basketball Clinic in the Plainview high school gym.

Genita wants everyone to understand that Wayland offers one of the best training centers in the country. They are going to learn the most important things in basketball, not just to score above the opposing team, but also to out-play them.

GOOD LUCK, Captain Aldridge in the coming season, and congratulations on being elected a captain of the Bobbies for '67.

Old Stage Props Tell Many Tales

Are you interested in antiques? If so come by the DHS auditorium and see a replica of "the good old days." This past week the Speech III class was searching backstage for useable material and to everyone's surprise a flat was found that dated back to 1945.

THIS WAS the only one which had been purchased. The other flats have been made by speech classes and play casts. We found this one flat was bought from Oklahoma Theater Co.

Many strange and interesting things appear on the back of the canvas. One of the most interesting was a note written by Dorothy Sheffy, "I don't know how I ever made it." Further investigation showed daughter Beth's name was also on several flats. As they say: "Like mother, like daughter."

Every play has its ups and downs. To prove this a short sentence was written on the back of the canvas, "This is a bunch of bunk," as well as several other "clever" remarks.

The old flat was unearthed by Mike Bailey, Joe Bob Sanders, Kent Lindsey and Tommie Hutcheson. The students and Miss Griffin conducted 'memorial services' and tore the frame up for use. The old canvas was preserved for posterity.

MANY OF the class feel that the canvas should be framed and hung backstage. This would offer a bit of interest and a great deal of inspiration for casts of today, as well as those of tomorrow. The Bobcat Staff votes to hang it as a part of the past history of DHS.

Organizations

Three Attend Library Meet

The week of Nov. 7-11 was a busy one for class and club organizations.

The Latin Club met Nov. 9. The meeting was for the purpose of giving the new members their pins and all members membership cards. Shelia Hamilton appointed a committee to plan the Christmas party.

THE TEEN-AGE Library Association District - Annual Convention met at Levelland High School Saturday, Nov. 5. More than 250 registered. Chartered buses came from many schools, leaving their schools at 4 a.m. The theme of the program was "Star Seekers": climb high, climb far, your goal the sky, the star your aim. A fine program of entertainment was enjoyed. Those attending from the local club were Oreda Bradshaw, who was voting delegate, Betty Newsom, presenting the "scholarships" to the scholarship fund, and Mrs. Gladys Leath as sponsor.

Our Club won the door prize, a beautiful flower arrangement compliments of Hill Book Bindery, Austin. The junior class met Nov. 8 to receive pepper and vanilla to sell. The vanilla is to sell for \$1.85 and the pepper for \$1.55. A **THOUSAND** apologies to the Latin Club! We think it is in or-

der to explain a few of the problems involved in publishing a newspaper. Often the publisher runs short of space, so he cuts the story by deleting the last paragraph. When a story is turned in to the Bobcat Staff after the copy is set up, it must, of necessity be placed at the end of the news article. So, again a thousand apologies to our fine Latin Club.

Teeth Sparkle In Drama Club Initiates' Trial

"Bill get that toothbrush out where I can see it!" Hey you, what are you glad for?"

If you have been wondering why kids were wearing toothbrushes around their necks and playing the "glad game" well we'll tell ya. These people are new members of the Drama Club and this was part of the initiation.

THE OLD MEMBERS drew for "understudies," which were new members. For four days, the understudies had to do what they were told.

The final initiation was Thursday night, Nov. 10, in room 10. The understudies prepared the food for everyone's enjoyment. The o'd members ate first and the understudies got what was left.

Then, the toothbrushes were put to use. The understudies brushed their teeth! Kenneth Oldham and Pam Buchanan had to use their fingers because they forgot their toothbrushes!

After teeth were well brushed and inspected new members were tried for "crimes." The jury consisted of Patty Simpson, Janis Fuller, and Elaine Davis. Carolyn Young acted as clerk. Peggy Godfrey served as the judge, and Sandra Coffman as the District Attorney.

TO NAME A FEW crimes, Darlene Dodd was tried for having red hair, Ronnie Burks for having freckles, Rodney Patton for being too short, Wendell Moore for refusing to marry Miss Griffing after his proposal to her. Bill Hunt's crimes were too numerous

Brown To Train At Amarillo AFB

Airman Ronnie A. Brown, son of Mr. and Mrs. Sam W. Brown of 1002 W. Grant, Dimmitt, has been selected for technical training at Amarillo AFB as a US Air Force aircraft maintenance specialist.

THE AIRMAN recently completed basic training at Lackland AFB. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Airman Brown is a graduate of Dimmitt High School.

Ratcliff In ASC First Grad Class

James Glenn Ratcliff of Dimmitt is candidate for a degree at Angelo State College, San Angelo, and is due to be a member of the college's first graduating class.

RATCLIFF is working toward the bachelor of business administration degree with major in accounting.

ASC formerly was a two-year school, San Angelo College. It will confer its first degrees next May.

to be listed, and Kenneth Oldham was tried for bribing Poppy Byrnes. What method did he use, Poppy?

After the initiation was over, all the old members agreed the understudies had taken everything like real sports and they were congratulated for this.

W. A. Epperson Hospitalized

BY RUBY STONE

Mrs. T. E. Pryor and Glenda of Odessa and Joe Pryor of Lubbock, visited last weekend with W. A. Epperson at Deaf Smith County Hospital. Mr. and Mrs. Pryor returned here on Tuesday to visit Mr. Epperson, who is recuperating nicely from recent surgery.

Mr. and Mrs. Fred Walton were visitors of Mr. and Mrs. Jim Brooks of Frio Sunday afternoon. Mr. Brooks and grandson Tod Taylor were celebrating birthdays.

Tom Bob and Gary Moss, students of WTSU were home for the weekend.

SUCH IS THE AMERICAN WAY: To build, not destroy. To live noble lives, not die futile deaths.

To free men, not enslave them. To war on poverty, disease, and ignorance.

To preserve in our land the treasure of peace and Godly living.

So let us approach Thanksgiving this year not with the idea of satisfying our physical appetite, but rather, may we bow down and give thanks to the Great Creator for our beloved America; Let us give thanks that, as Americans, we are privileged to en-

joy more blessings than any other people on earth.

★ Clarence "Shorty" Smith is back in the Deaf Smith County Hospital where he underwent more surgery on his leg Thursday. His condition is not known at the present time. We all wish him a speedy recovery.

Among those visiting Mr. W. A. Epperson in the Deaf Smith County Hospital this past week were Mr. and Mrs. W. O. Markley, Mr. and Mrs. Roy Meachem, Tom and Johnnie Davis, Herman and Leona Paetzold, Mrs. John H. Burnett, Trent and Lana Downing, and Mr. and Mrs. Sam Scarborough.

Its new look is just one nice thing about the '67 Chevy pickup

'67 Fleetside Pickup

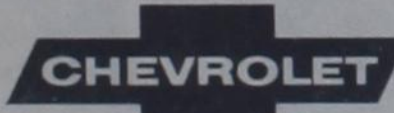

THERE ARE LOTS OF OTHERS.

For instance, new durability: New sheet metal construction discourages rust. Eliminates exposed joints on cargo box and tailgate. Provides self-washing wheelhousings with special splash shields. Inner cab is specially treated against rust.

Also, added comfort, safety and convenience: Improved visibility all around. Dual master cylinder brake system. Telescoping lower steering shaft. Energy-absorbing instrument panel. Interior color-keyed to go with exterior paint. One-hand tailgate latch.

And extra strength: Full-depth double-wall side panels (Fleetside models). Double-wall steel in cab roof and other important areas.

Plus famous Chevrolet truck features: Independent Front Suspension that gives a smooth ride—like a car. The most popular truck 6's and V8's. (And there are lots more, as your Chevrolet dealer will show you.)

Take a Second Look At Those Big Sales

BY IRENE KEATING This week has been designated as National Consumer Education Week. The purpose is to call the public's attention to the consumer educational information available from the county extension office. We cordially invite anyone to come by our office this week to get any materials desired.

SATURDAY was the District I Gold Star Awards Program in Amarillo. Diana Adams from Frio 4-H Club was in the ceremonial. Ronnie Burks from Jumbo 4-H Club played special music and Rodney Hutto, Mulkey 4-H Club, gave the invocation. Mickey Simpson of the Jumbo Club and Sharon Hochstein of the Nazareth Club received 4-H Gold Star certificates and billfolds from the electric cooperatives who sponsored the banquet.

Here is a consumer item that may help you shop at sales. Develop a healthy skepticism which is needed for smart shopping of sales. Of course there are many legitimate, worthwhile sales, and you should not reject them simply because the ad does not present all the pertinent information. One

of the delightful regards of a shopping expedition is to discover a real bargain.

Just about any day of the week, store advertisements promise sales, discounts galore, fantastic savings, special prices. But take a second look at those ads and ask yourself in how many cases would it be a "real bargain." The item is advertised at "20 percent off." Off what? The "list price, the price tag, or the price at which it was actually selling before? Is 20 percent a sizable reduction or a small one?

Often we find the word "comparable" used in the ads. What does comparable mean — similar or precisely alike? Do the items have the same features as those of the item they are compared to? Are the sale items comparable to merchandise that another store regularly sells at the price used in the advertisement?

MANY PEOPLE prefer to buy well known brands. There is nothing wrong with this policy if you're aware of the fact that a company may manufacture the product in several price lines not of equal quality.

With so many possibilities and pitfalls, making an intelligent choice may seem like a hopeless task. There are some basic guides you can use in directing your shopping, such as:

Read ads carefully. Look for precise information, such as detailed descriptions of sale items. Model numbers on appliances, for example, enable you to make quick, accurate decisions on price comparisons among stores.

SCAN THE ads for key words. A clearance sale advertised as applying to "selected" merchandise indicates that only part of the store's stock has been reduced. Maybe the store has "replenished" its stocks "to give a wider selection." This is a tip-off that some goods were brought in specifically for the sale. The new merchandise may not always be of equal quality. There may have been facts omitted. Alterations which have been free may be added to the sale price.

Consider off-season buying. You will ordinarily have less of a choice, but this is hardly a crucial disadvantage for standardized items such as socks or underwear, children's shoes or white goods. Beware of "going out of business" signs. These sales occasionally turn up real bargains, but there are not returns and there will be no place to whom you can complain if defects appear.

BE LEERY of too many sales and watch those exceptional articles carefully. Understand the guarantee. On private label appliances, it's important to determine who is responsible for fulfilling the guarantee agreement. Will the store handle it or do you have to send the appliance back to some distant factory? Or have the terms of the guarantee been cut along with the price?

However carefully you shop, you won't save a cent, of course, if you go overboard on bargain-buying. As you walk down the aisles between counters laden with attractive products, remember that no matter how cheap an item is, it's no bargain if you don't need it.

Attend Library Meeting Hazel, Merritt, county library president, and Mrs. Sandra Robb, county librarian, attended the annual meeting of the district library association in Amarillo this week.

Gens Du Monde, Fashion Group, Formed Monday

The Gens Du Monde (zhonh du mond), which in French means "people of fashionable society," was organized Monday.

IT IS "for those who have had training in the field of fashion." Twelve ladies met in the home of Mrs. Gail Bruegel with Mrs. Irene Keating as co-hostess. Officers elected for 1966-67 are Mrs. Bruegel, president; Mrs. Jean Campbell, vice-president; Mrs. Goldie Stanton, secretary-treasurer; and Mrs. Keating, reporter-historian.

The December meeting will be a formal dinner with husbands invited.

Silver Tea Earns \$72 for Book Fund

"Through Darkest Adolescence," an indulgently humorous book on growing-up by Richard Armond, was reviewed by Mrs. Leslie Clary of Plainview Wednesday of last week at the Dimmitt Book Club's annual Silver Tea.

THE TEA was held in Lamar Fellowship Hall of First Methodist Church. The 60 persons attending contributed \$72 to buy children's books for the county library.

Mrs. Clary, a grandmother herself, presented a delightful review of the book as she traced the comical, exasperating perplexities of adolescence and its effect on dad. Armond wrote his book in first-person style.

Hazel Merritt presided over the club's business session at the meeting.

Coffee, tea and homemade cookies were served in the church parlor from a table centered by a tall arrangement of cut flowers. Hostesses were Mmes. Esta Vandiver, Pearl Sheffy, Shirley Wise, Myrle Lois Moran and Dorothy Sheffy.

WSCS Circles Meet For Bible Program

Twenty-nine members of the Ruth and Naomi Circles of WSCS were present at First Methodist Church Monday afternoon to hear Mrs. Weldon McCormick give the fifth chapter of the Bible study, "Christian Being and Doing."

Mrs. Norman Cleavinger gave the devotional.

THESE LITTLE SINGERS produce a surprisingly big sound for their director, Mrs. Carl Rambo. They're all fifth and sixth graders in Hart Elementary School, and they're all volunteers. The junior choir presented two programs Tuesday for Hart Lions, fellow students and parents, singing two and three-part arrangements of "Whistle While You Work," "Chim-Chim Chiree," "Alexander's Ragtime Band," "Ballad of the Green Beret," "God Bless America" and others. They'll present a Christmas cantata at Hart and Nazareth next month.

Golden Spread Rest Home

BY DORIS GRAY
Many local women made visits to the home this week and the patients enjoy this very much. Anyone with extra time on their hands would enjoy visiting some of the people at the home. The old folks love for someone to come in the afternoon to play the piano for them.
WE ARE making plans to set a special time during the day for the patients to work on projects such as a simple inexpensive crafts, quilts, pillows, pot holders, etc. Anyone with scraps of material, ideas for crafts, or wishing to donate some time to work with patients, please contact the manager at the home.

THE Bible Mission Church in Lubbock will hold services at the home Sunday at 3 p.m. The public is invited.
Mr. and Mrs. Elam Lewis had as their Sunday visitors, their son, Roscoe Lewis from Uvalde; a sister-in-law, Mrs. Louise Andrews of Plainview; and friends, Mrs. Cobb, Plainview; Mrs. Para Renter of Dimmitt.
Dr. Tedford of Plainview was here Sunday for a visit with his sister, Miss Nannie Tedford. Also visiting Miss Tedford were friends from Tulsa, Mrs. John Nix and Mrs. Johnny Barnes.
Visiting John Heiman Saturday was his daughter, Mrs. Albert Venhaus of Nazareth.
Guests in to see Annie Venhaus were her two step-daughters, Mrs. Agnes Brockman and Mrs. Helen

CARD OF THANKS

I would like to thank all my friends in Hart and Castro County for the cards, flowers and visits during my stay in the hospital. My particular thanks to the staff of the hospital and the doctors for getting me on my feet again.

TO OPERATIONS CASTRO COUNTY CANDY PROJECT:
We wish to take this means to thank each and everyone who had a part in Castro County Candy Project. I know we speak the sentiments of each parent who has a son in the Armed Forces. It is an inspiration to us and makes our burden easier to bear knowing there are those who care enough to take the time and effort to do something for our sons. We appreciate the prayers for the safety of our sons.
May God's richest blessings be with each of you.
Mr. and Mrs. Glenn E. Taylor 5-4tc

Stop Cattle Lice

Cattle lice occur widely in Texas. They reduce weight gain and lower body resistance to other diseases. Normally, lice infestations are light in the summer and fall, but increase during the cold season. Regular inspection of cattle is suggested. If lice are found, cattle should be treated with an approved spray or dip.

Better Turkeys Coming

The head of Texas A&M University's Poultry Science Department, Dr. John H. Quisenberry, told the annual Turkey Industry Day conference that during the next 10 years the rate of gain should rise three or more pounds body weight on hens at market age and five pounds on toms. Breeders should and are striving to develop a smaller, smoother, faster growing, higher producing hen and a large, sturdy, fast growing, reasonably balanced vigorous, high sperm-producing tom.

'AFTER YOU' seems to be the gentlemanly attitude of each of these Dimmitt Young Farmers as they prepare to mount for Saturday night's donkey basketball benefit game with the FFA chapter. From left are Howard Smithson, Ben Holcomb, Monty Boozer, Glenn Odom, David Cole and Dan Bruton. They finally climbed aboard their "mountain canaries" but it didn't do them much good — they lost to the FFA boys after a kicking, bucking, hee-hawing bout.

Youngsters and Adult Leaders Receive Special 4-H Citations

Individual 4-H members, clubs and adult leaders were honored with special awards at the recent 4-H County Gold Star Banquet in Dimmitt High School Cafeteria.

County Agent Charles Hottel presented purple club seals to the Mulkey, Jumbo, Nazareth and Frio clubs, and a blue seal to Flagg.

MRS. EDD McLEROY of the 4-H Leaders' Council presented silver trays to outstanding girls in 4-H club work. These awards were based on projects carried, improvement shown, offices held and honors received. Trays were presented to:

- 9-10 years old — Sue Smith and Agnes Acker;
- 11-12 years old — Deborah Acker and Genie Robbins;
- 13-14 years old — Diana Adams and Debra Hochstein;
- 15 years and older — Sharon Hochstein and Sandra Huseman.

EARL BROCK, manager of Southwestern Public Service, presented two special awards in the Texas Electric Awards Program. The Electric Companies of Texas provide several district awards, two of which were presented to Castro County.

A \$75 cash award was presented for the winning county record at district judging, with Lewis McDaniel, leader, and Rodney Hutto Council, Debra Hochstein, first place county and second place district winner, got \$30.

Tulia Editor To Be Feted

A coffee and autograph party honoring H. M. Baggary, editor and publisher of the Tulia Herald, will be held from 2 to 5 p.m. Sunday in the Willie Room of Swisher Electric Cooperative, 401 SW 2nd, Tulia.

The public is invited. **PURPOSE OF THE Appreciation Day** is recognition of Baggary and of "The Country Editor," a book written by Dr. Eugene W. Jones, based on Baggary's editorials and columns and their influence on political thinking.

Special guests will be US Senator Ralph Yarborough and Dr. Jones, dean of the department of political science of Wayland Baptist College, Plainview. The author, along with Baggary, will be available for autographs.

Refreshments will be served. Arrangements for the affair have been made by a committee headed by L. Dean Butler. Mrs. Nell Mays is secretary of the planning group and Olin Alexander, treasurer.

Holly Reports \$695,000 Paid For 1965 Beets

Dexter W. Lillie, agricultural manager for Holly Sugar Corporation, announced that final payment checks for the 1965 crop totaling \$695,000 were mailed Oct. 31 to some 450 growers who produced beets for the Hereford factory.

LILLIE stated that last season's crops produced for Holly in the High Plains areas of Texas and eastern New Mexico were valued at \$9,108,000, including Government Sugar Act payments. The

local area produced the highest processed yield of the company's six plant areas. Delivery of the 1966 sugar beet crop is now in progress with about 25 percent of the total estimated tonnage already delivered to the Merrill E. Shoup plant at Hereford. Lillie reports that field conditions are very satisfactory for the harvest operations as a result of the recent fine fall weather. Tonnage yields are said to be about normal.
