

Golfers -- Sunday Is Tee-Off Day!

The Castro County Country Club's nine-hole golf course will open for play Sunday at 8 a.m. **ALL NINE greens will be ready,** according to H. B. Thomas, chairman of the club's golf course committee.

The grand opening will end a two-month delay in the original tee-off date, and may help cool a golfers' controversy that has been simmering since April.

Construction problems on the course touched off angry meetings that led to the resignation of the club pro, the hiring of a new golf course superintendent and the takeover of the course construction by club members.

SINCE July 4, club volunteers have been doing the finish work on the course — sodding, watering, weeding, seeding and top-dressing.

The subcontractor who built the course turned it over to the club in mid-May, but Dr. James E. Wohlgenuth, president, said the club hasn't yet released the subcontractor because of dissatisfaction with the turf.

LEE OLSON, club pro who got caught in the crossfire, has resigned and will become the pro at a private course near El Paso, effective Monday.

Dr. Wohlgenuth said the club is scouting for a new pro, "al-

though we haven't advertised for one yet."

Bruce Wooddell has been named superintendent of the new golf course, with full charge of the grounds.

DESPITE THE golf course's problems, Thomas believes it will eventually be "one of the prettiest courses in West Texas."

"The members who have been doing volunteer labor on the greens and the course in general seem to think the fairways are coming along very well now, and they predict that by early summer of next year we will have one of the prettiest golf courses in West Texas," Thomas said. "It

really looks like we're going to have a beautiful course next year."

The problems that have plagued the course will be strictly secondary on Sunday, though, when local golfers tee off.

NO FORMAL dedication is planned, Thomas said. The only ceremony will be the cry of "Fore!" and the whack of the golf club.

Paid-up members will play the course at no charge. Green fees for non-members are \$1 per nine holes on weekdays and \$1.50 per nine on Saturdays, Sundays and holidays.

New golf carts were to arrive

today (Thursday), and they will rent of \$3 per nine holes. The wide-tire carts are designed to prevent the wearing of tracks or ruts on the fairways.

ALL CARTS will be club-owned, Thomas said, and no private carts will be allowed on the course.

A golf-cart shed is on order and expected next week. It will be erected just west of the clubhouse, Thomas said.

DR WOHLGEMUTH said that several members of the club have moved and that their memberships are available for transfer. Those interested in buying membership should contact Jack Miller, membership chairman.

HEIRLOOM GIFT — Mrs. John Wood and son, Stephen, show a lace-cut china plate which they brought back from their trip to her native England. The plate is 62 years old and was a wedding present to Mrs. Wood's parents. They also brought back royal coronation mugs, and Stephen returned home proudly with several Beagle books.

Stephen Wood's Souvenir Is an English-Made Cast

Stephen Wood of Dimmitt returned from a seven-week stay in England wearing his souvenir — a cast on his left arm courtesy of the National Health Assistance, the socialized medicine agency in that country.

STEPHEN, 11, traveled to his mother's native land for his second trip and Mrs. John Wood's third since she came to Castro County in 1946.

Stephen had visited in England when he was two and the fact that he had been there but being able to remember nothing of that first trip frustrated him. On that trip, his two older brothers, Michael, now 19, and David, now 17, had also accompanied Mrs. Wood.

But the trip was by no means a rerun — Mrs. Wood spoke of

changes in travel, English living and fashions.

MRS. WOOD and Stephen flew to England then traveled to Nottingham, about 130 miles from London — a great distance to the British, Mrs. Wood points out. The two flew for 14 hours in a jet to England. Nine years ago the Woods traveled five days by ship and three days by land.

"It is so much more comfortable traveling by jet," Mrs. Wood says of the different modes of travel.

On this trip, the Woods traveled to Stratford, Shakespeare's birthplace.

"**EVERYONE** in the U.S. would ask me about Stratford and I always had to confess I had never been there," Mrs. Wood explains in her still-noticeable British accent.

The Woods also enjoyed a typical British holiday — a day at the beach. They also traveled to London where they stayed with old classmates of Mrs. Wood while she attended the University of Nottingham.

"England has changed, more so than was noticeable even nine years ago. There are rows upon rows of houses where I remember there used to be nothing but open spaces in pre-war Britain. The traffic is tremendous. Now new highways have been built everywhere."

"**THERE** were more mini skirts than I expected and I was surprised to find that not just young girls were wearing them, older women are too. And the skirts are minier than I expected, also."

"After waiting for hours to have a doctor see Stephen's arm when he broke it," Mrs. Wood said, "we realized what so many Britishers complain of — crowded doctors' offices."

Mrs. Wood objected to the socialistic trends England is following.

"**BESIDES** the reason that this is my home," Mrs. Wood said of the U.S., "the socialized mode of living would probably be the main objection to my living in England now."

"Nine years ago it was not noticeable, but now I think it is very noticeable. Pre-war England was much more individualistic. The trend is not good. Most people seem to have the attitude 'Let the government take care of it' and the general attitude that the present system is just the way things happen."

"Everyone just blames everything on Premier Wilson," Mrs. Wood observed.

THERE IS a move to get closer to the European continent in England's present changeover to the decimal system in coinage, Mrs. Wood explained. New coins are being issued and the change should be completely made by 1971, she said.

When the Woods visited this

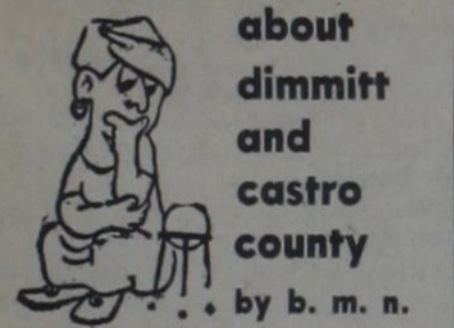

summer, the devaluation of the British pound was just beginning to be felt by the average citizen, Mrs. Wood said.

"They all mentioned increasing prices and the sharpness of the price increases," she explained.

"**THE ENGLISH** kids are not too sociable," young Stephen observed.

Mrs. Wood explained that a school year that runs through July narrowed the availability of playmates for Stephen. But the British are changing their educational systems also moving more toward the American high school. They are now in the process of changing to the comprehensive school, Mrs. Wood said.

Mrs. Wood is presently teaching mathematics at South Plains College in Levelland. She was assistant professor at West Texas State University in Canyon where she received her masters degree two years ago.

The democrats will not only come out of the national convention at Chicago with nominees for the highest offices in the land, but they will have also discovered, uncovered, unearthed or created a new breed of kooks. At least I hadn't heard of the yippiers until the democrats flushed them out from under the rocks, or wherever they come from, during the Chicago pow-wow. They say there is, some difference between the hippies and yippiers, if it's over two cents worth you paid too much.

Viola and I have seven grandchildren, and they are all normal little American kids, a little brighter than average kids possibly but still normal. Regardless of what they become when they grow up, or how they make their living, I hope and pray that they will continue to be normal. While the kooky groups that are roaming the countryside represent only a very small percent of the young people of the nation, it is enough to cause parents and grandparents to sincerely hope that if it is a passing phase that it will soon pass.

Most Dimmitt business firms will be closed Monday in observance of Labor Day, but Friday, Saturday and Tuesday are being observed as Dollar Days. Special Dollar Days bargains are being advertised throughout this issue of the News. You can find what you need in Dimmitt and at cheaper prices than in any of the hick towns nearby. Another thing, when you trade with Dimmitt merchants you get better quality merchandise than can be found anywhere else in this congressional district.

Wes Izzard had a hard time finding something about the democratic convention to criticize. However he came up with a jewel something like this: "The democrats made their brag that there wouldn't be any spontaneous demonstrations at their convention, and what do you think happened? 1,800 March to School

Dimmitt's schools open their doors today (Thursday) to an expected 1,800 students — another record number.

THE START of the new school year finds the teacher force at virtually full strength — a minor wonder, considering the critical teacher shortage across the state.

Three new classes have been added. Dimmitt High School will have a choral music program this year, and at North Grade School, two more pre-school classes are being filled. A new wing is under construction at South Grade to house the two new classes.

Supt. Paul Hilburn said the

school district has hired 22 teachers and coaches during the summer to fill vacancies and additions to the teaching staff.

ALL teaching posts have been filled except for one of the new pre-school classes, he said. The only other vacancy in the system is the Dimmitt High School counselor's post.

The district's top executive post will become vacant itself Monday when Supt. Hilburn leaves to join the staff of the Panhandle Educational Service Center in Amarillo. However, Curriculum Director Weldon Skinner was appointed Monday night to serve as acting superintendent until Hilburn's permanent successor is hired.

ALTHOUGH the teaching staff is at virtually full strength, 12 to 14 of the teachers are non-certified — which means they haven't yet completed the professional education courses to get state certification for the particular classes they're teaching.

But many of these, Hilburn said, are teachers who are certified to teach at the secondary level but who are assigned to elementary classes.

"There are some major differences in the requirements for certification at the two levels," Hilburn said.

HE ADDED that all teachers in the system have college or university degrees.

Administrators know that enrollment will set another record this year, but they don't yet know by how much.

"We expect about 1,800, although

there's no way of knowing for sure until registration is completed later this week or early next week," Hilburn said.

WHILE Dimmitt students are attending classes today and Friday, pupils at Hart and Nazareth are still enjoying their final days of summer freedom. Classes don't start at these schools until Tuesday.

and Whiteface public schools before coming to Dimmitt, and earlier was principal of two grade schools and two high schools.

SKINNER came to Dimmitt as principal of North Grade School. He was named curriculum director for the school system a year ago, when the post was first created here.

In a board meeting that went past midnight Monday, Skinner agreed to serve as acting superintendent, but indicated his desire to return to his curriculum direction duties as soon as a new superintendent can be hired.

WHILE GUIDING the schools from the chief executive's office, Skinner will continue to supervise the curriculum with the help of assistant director Virgil Young.

"Mr. Skinner will have full authority and control in his capacity of superintendent until a new man is elected," Board President Ward Golden said. "He will have the authority to hire and fire, manage the budget, and provide the executive direction of the schools."

Golden added, "We are still considering applications for the superintendent's job, and have requested our consultant (a university dean of education) to locate and screen more prospects for us."

SO FAR, the board has interviewed seven applicants, all of whom are already superintendents of other school systems.

"After we elect a superintendent," Golden said, "we plan to seek a business manager." This is a move advocated in two separate school evaluations by the Texas Education Agency and an invited committee in the past two years.

The superintendent's duties will not be new to Skinner. He served as superintendent of the O'Donnell

His duties as curriculum director have been to establish and supervise the guidelines for courses throughout the system, to supervise teaching methods and materials, and to make sure that all subjects are "phased" properly for maximum pupil progress both in and between grades.

\$581,800 Okayed For County Roads

The Texas Highway Dept. Monday approved the expenditure of \$581,800 for highway safety and betterment and for farm-to-market road improvement in Castro County during 1969.

DISTRICT engineer Oscar L. Crain of Lubbock said 50.1 miles in the county will be involved in the 1969 program.

The work is part of the highway commission's combined Farm to Market Road Improvement and State Highway Safety and Betterment Program for 1969.

The "safety and betterment" portion of the program will cover 44.4 highway miles in the county at an estimated cost of \$210,800. The farm-to-market road improvement program will cost an estimated \$371,000 for 5.7 miles of FM roads.

THE LION'S share of the "safety and betterment" budget will go to State 194 from Hart to the Swisher County line where \$151,900 in additional funds was authorized for reconstruction, grading, base, surfacing and sealing of 9.7 miles of the highway. This highway is already being rebuilt with funds previously allocated.

Other phases of the "safety and betterment" program for the county in 1969 include the seal coating of 18.2 miles of State 86 from the 86-385 intersection in Dimmitt to the Swisher County line (\$32,000); seal coating of 9.9 miles of State 86 from Dimmitt's west city limits to the 385 intersection (\$4,100); and seal coating of 15.6 miles of US 385 from its intersection with State 194 to the Lumb County line (\$22,800).

NO BREAKDOWN has been given yet on the specific farm road projects for the county.

Supervising the seal coating work will be James W. King of Lubbock, district maintenance engineer. Rhea Bradley, supervising resident engineer, will oversee the reconstruction work.

Last Rites Held For Wreck Victim

Funeral services were held Friday for 2-year-old Dawn Machele Shive who died of injuries she received in a car mishap Aug. 20 near Dimmitt.

DAWN MACHELE was the daughter of Mr. and Mrs. Jerry Shive of Dimmitt. She was born Sept. 27, 1965 in Plainview.

Other survivors include her grandparents, Mr. and Mrs. Eldon Shive of Hart and Mr. and Mrs. Roland Green of Olton, great-grandparents, Mr. and Mrs. R. J. Green and J. E. Newson of Olton, Mr. and Mrs. V. E. Bearden of Dimmitt and Mrs. Alice Johnson of Lubbock.

Services were held at 2 p.m. in the First Baptist Church of Hart under the direction of Rev. John E. Lewis, pastor of the Olton Baptist Church, and Dr. Raymond Perkins, pastor of the First Baptist Church of Dimmitt.

Burial followed in the Castro Memorial Gardens under the direction of Parsons Funeral Home of Olton.

PALLBEARERS included Leroy Powers, Sam Roden Jr., Guy Scoggins, J. W. Smith, Jerry Kemp and A. G. Hughley.

Weldon Skinner Named Acting Superintendent

Dimmitt's school board Monday appointed Curriculum Director Weldon Skinner as acting superintendent.

SKINNER will take the public school reins Sept. 1 and serve until a permanent superintendent is hired.

On the same day, Supt. Paul Hilburn — who resigned two weeks ago — will take an executive post in the Panhandle Educational Service Center in Amarillo.

In a board meeting that went past midnight Monday, Skinner agreed to serve as acting superintendent, but indicated his desire to return to his curriculum direction duties as soon as a new superintendent can be hired.

WHILE GUIDING the schools from the chief executive's office, Skinner will continue to supervise the curriculum with the help of assistant director Virgil Young.

"Mr. Skinner will have full authority and control in his capacity of superintendent until a new man is elected," Board President Ward Golden said. "He will have the authority to hire and fire, manage the budget, and provide the executive direction of the schools."

The superintendent's duties will not be new to Skinner. He served as superintendent of the O'Donnell

Hilburn to Join Amarillo Center

Paul Hilburn, Dimmitt school superintendent for the past 10 years, has accepted an executive post with the Panhandle Educational Service Center in Amarillo.

HE WILL assume his duties there Sept. 1, and will help develop a program of computerized educational services such as scheduling, tax rolls, pupil accounting, pupil records and materials.

The Amarillo center — part of the state's "PESO" program of regional service centers — provides educational services for 84 schools in the Texas Panhandle, including Dimmitt's.

Director of the Region 16 center is Hulan Laycock, former superintendent at Canyon. M. E. Cleavinger of Dimmitt, who also is a former superintendent, is on the center's board of directors.

HILBURN resigned his post here two weeks ago and is now staying on as acting superintendent until Sept. 1. Weldon Skinner has been appointed to succeed him as acting superintendent Monday and serve until a permanent executive is hired.

Hilburn voiced enthusiasm for his new job: "Education is changing so fast,"

Nazareth Sets Labor Day Fun

The Nazareth Community will hold its annual Labor Day Picnic Monday, starting with a baked ham dinner at 11:30 a.m.

ALSO ON tap are a parade, auction of handcraft goods, game booths, supper and a dance.

The picnic is open to all who want to attend.

On the lunch menu will be baked ham, baked potatoes, green beans, cabbage slaw, relishes, homemade bread and home-baked pie.

THE parade, auction and game booths will operate all afternoon. Hamburgers and plate lunches will be on sale later in the day.

The dance will begin at 9 p.m. in the community hall, and will end the day's festivities.

Services Pending For Mrs. Curtis

Mrs. Nodie Mae Curtis, 75, died in Plainview Hospital at 8 p.m. Tuesday. She had been a resident of Dimmitt since 1932.

FUNERAL services are pending at Dennis Funeral Home.

Mrs. Curtis, who lived at 607 NW Eighth St., is survived by five daughters and two sons. She was the widow of Dan Curtis, who died in 1961.

Carnival Will Start Tonight

The Castro County Activities Committee carnival will open a nine-day stand tonight (Thursday) at the courthouse square in Dimmitt.

RHODES RIDES, an Amarillo-based carnival, will again provide the rides, and ticket booths will be manned by civic clubs and organizations that are members of the county activities committee. The Dimmitt Jaycees' dunking board will also be operating.

The committee's share of the proceeds will help pay the expenses of the recent Roundup Week.

BEARING THE CROSS
By Ronnie Parker

John says, "They took Jesus therefore; and he went out, bearing the cross for himself, unto the place called the place of a skull, which is called in Hebrew Golgotha" (19: 17). The roughness and weight of that cross must have tortured the Lord since he had been beaten only a short time before. He had endured betrayal, denial, insults, torture, beating, mockery, blasphemy and then the added insult of having to bear his own cross. The suffering of Jesus should be close to the heart and life of every person. If you cannot be touched by the tender story of the suffering Christ underwent your heart is hardened well beyond the danger point. One of our all-time favorite hymns ask, "Must Jesus bear the cross alone, and all the world go free?" Then comes the answer, "No, there's a cross for everyone, and there's a cross for me." Christ had to have some help literally. Simon was compelled to help him. Can we not find some help for Jesus today in bearing the cross? Why is there not more willingness to share this burden with the Lord? For Christians, cross-bearing is daily. Jesus said, "If any man would come after me let him deny himself, take up his cross daily, and follow me" (Luke 9:23). We bear the cross when we stand against sin. We bear it when we submit ourselves to God and His will. The compulsion is this: "The love of Christ constraineth us" (2 Cor. 5:14). Are you helping? WE WELCOME YOU TO ALL OF OUR SERVICES

Hart Marine Finishes Basic

Marine Private Coy L. Ethridge, 18, son of Mr. and Mrs. Ray Ethridge of Hart, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

HE WILL NOW undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.

Are You Tired Of Pea-Shelling?

By IRENE KEATING
Here it is — school time already. It is hard to realize that summer has already come and gone. College students will be gone in a few weeks, too.

LAST Thursday I was in Amarillo to judge some of the district records that were turned in. It was a challenging job. 4-H'ers all over District 1 are doing a marvelous job. It is very reassuring to me to know that we will have such good leaders in the future.

I took several days off last week. I did some jobs that I've neglected for a while. I waxed floors, painted, and canned nine quarts of black-eyed peas. I have never been so tired of shelling peas! Many of you put up many more than I did and I admire your "stay with it" ability to get peas shelled. However, this winter when we eat them I'll have forgotten about the shelling job.

THIS WEEK Charles Hottel and I are in College Station for our bi-annual State Staff Conference. We always learn many new things and enjoy seeing other agents.

Take a Second Look

On your first look, you may think that this little girl is riding a rocking horse, but look again. It is not a rocking horse but a little donkey.

About animals now, and children. Donkeys were one of the first animals to be tamed by man, and are gentle animals when they are not practicing the quality of being stubborn.

The quality of gentleness somehow reminds us of our Saviour, the Wonderful One.

Parents, teach your children about Jesus, who admonished us to *let the little children come unto Him*. Our Lord would remind us that the little ones are precious to the Father. We invite you to take the children to church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FRANK FORD (LEFT), HEREFORD CANDIDATE
... With Dale Maxwell, county campaign chairman

Opens Campaign Here Ford Criticizes Taxes, Spending

Frank Ford Formally opened his campaign for state representative in Castro County this week with the pledge that "the people of this district are going to be represented in the Texas Legislature."

The Hereford Republican will oppose State Representative Bill Clayton of Springlake in the November election.

"IT IS very evident that the voters of this area are dissatisfied with the recent 50 percent increase in the state sales tax which will go into effect Oct. 1," said Ford. "This tax bill did little or nothing toward funding the impending pay raise for Texas teachers, nor did it provide much needed tax sharing with local government."

"The fact that it did provide, with an appropriation item which was slipped into the spending bill during a secret meeting of the House-Senate Conference Committee, for \$500,000 in state spending for development of the LBJ State Park is evidence enough that we need a two-party system in Austin," Ford said. "Texans have had enough of seeing their hard-earned tax money squandered on special privilege legislation."

HE ADDED, "Our state ranks 44th in literacy at a time when jobs for the unskilled are becoming more and more scarce, and yet the members of our one-party legislature have voted to double their own salaries every two years for the past several sessions. I think something is wrong with the priorities when this situation exists."

On agricultural problems, Ford said, "Texas ranks 48th in the US in funding for agricultural research in proportion to agricultural production. Meanwhile, one-sixth of our farmers in this state

have left the farm in the past six years. "And yet our commissioner of agriculture has consistently and flagrantly used appropriated funds for political purposes," Ford charged.

HE SAID "An honest two-party system will benefit all the people because both parties will be forced to be responsive to the people." Ford, a farmer, business man and mill owner, also said he will work to get Daylight Saving time abolished in Texas. "The voters of the 72nd District are also going to be heard on the issue of daylight savings time, which was sponsored and passed against their known wishes, and which has been a real hardship on school children, mothers, farmers and many businesses," he said.

The 72nd District includes Cochran, Lamb, Bailey, Castro, Farmer and Deaf Smith Counties.

McKay Serving in First Marines

Marine Private First Class Ernest L. McKay, 21, son of Mr. and Mrs. Elmer McKay of Bovina, and husband of Mrs. Frances L. McKay of Hart is serving with the First Marine Division in South Vietnam.

AS A MEMBER of the division he helps capture or destroy enemy forces. During large and small scale operations he is supported by tanks, artillery, amphibian tractors and engineers.

His unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials are made available through the Marine Corps Reserve Civic Action Fund.

UNUSUAL-NAME COMPLEX
Researchers have found that children, particularly boys with unusual names, are more likely to suffer emotional disturbances than children having ordinary names. Names are significant. A child tends to identify with his name, and reacts according to whether his companions approve or disapprove.

Hospital Is a World of Its Own

By MYRTLE SHEFFY
Hospitals are a little world apart — there are births and deaths and so many getting well from this pain or that. I have been here a week, not a pain — just tired and I have met the nicest people. — Jerry Cockreham came by. He is the manager. I met Carl E. Harpold, who is the technician. I call him the Shylock after a speck of blood from the finger. He and his wife Norma have two children, Carla and Bucky. They live on Bedford Street and came here from the VA Hospital in Shreveport, La.

And I see Mrs. George Derrick. You may remember her as Georgia Adams, a nurse. There are so many girls here to wait on my hand and foot and I have a few names: the genial Leola Rials, Edna Goolsby, the mother of Darless, Mrs. Ruth Davis, Mrs. Sid Stewart, her husband is with the Cecil Dennises and a dozen young nurses' aides: Kathy Scitern, niece of Paul and Dorothy Chance, Sheila Birkenfeld, pretty black-eyed granddaughter of Mrs. Joe Birkenfeld, Brenda Pohlmeier, a handy gal to have around. I must find out the others names, oh yes one other was Mary Lee Stone who will go away to school soon.

Mary Baldrige, the "head" came in. She, Judge and family had been to San Antonio to HemisFair. She said they rode all the rides, ate at all the places and just had fun.

MRS. ORA LEE STANSELL of Olton came in. She has been in Dimmitt for five weeks. She is the mother of Beth Joiner (you know Dwight, her organ playing husband). Mr. Stanzell died after a long illness. Jimmie Chapman was in the hospital for a few days. He didn't have time to stay, he had to go print those Bobcat programs. The big doings or talk is the graduation for 12 of the nurses held at Northside Church of Christ. I will get more on that. Sue Miller says the Pink Ladies will serve a tea Friday for the more than 300 guests expected. Paula Howell went to Austin to take her LVN exam, but hasn't heard from them yet. This LVN means licensed vocational nurse and they do the work the RNs formerly did, or partly anyway. Alta Rhoads is one of them.

MR. AND MRS. James Rials and baby Darla are home from a trip to Denver where they visited their parents Mr. and Mrs. E. D. Gayle. They made several sight-seeing trips. Mrs. Margaret Stewart is recuperating from surgery. She is an attractive 83 year old mother of Mrs. Jewell Sandel. Mrs. Sand has been one of the cooks at the school for a long time. Mr. and Mrs. Edgar Ramey and Mr. and Mrs. H. H. Carlile went to Plainview one day recently. Edgar had a little doodad cut from his hand. He is okay. Sgt. Bobby Ball and family visited the Jimmie Chapman family Tuesday. He is Mrs. Chapman's brother. Sgt. Ball is on his way to Japan for two years. His wife will be in Altus, Okla., then join him later. Mrs. Wayne Henderson visited her mother Mrs. G. W. Bowden in Wichita Falls, recently. She also visited a friend Mrs. McDaniel who is very ill in the hospital. Martha Myers has an arm spasm or something. Bob stopped by and said he and the dads of the Little League baseball players are setting out grass on the park. He says John Hrabal donated the grass sprigs. Will be nice by next summer.

RICHARD AND TINA Gonzales are home from a trip to Ft. Sill, Okla., near Lawton where they visited his brother Robert who is in the hospital with both legs shot up in the Vietnam War. They think he is better now. Richard has been with this hospital here for five and one-half years. Peggy Webb, the busy radio girl, came by. She and Allan were flying to Crockett, near Houston, to attend a meeting of the "Hump Pilots." This is a group of flyers who flew over the tallest mountain in Asia during that big war.

Mr. and Mrs. Joe Benson and daughter Susan, and Barbara Hansen, the Raymond Kings of Lubbock, Mr. and Mrs. Bill McCasland and Mr. and Mrs. Gene Morrison, spent a few days at a Possum Kingdom Lake, skiing, picnicing and poor Raymond King took the mumps. What a time to pick!

THIS IS Friday now, still in the hospital (but nice). A pretty blonde nurse aide, Beth Wethington, came by. She has been to Albuquerque to visit her dad, Tom, who has been in the VA Hospital there. I believe he is home now. Beth is also the granddaughter of Mrs. Joe Birkenfeld and will go to WTSU this fall.

Hattie Webb is doing fine. Shorty Manning pushes her and wheel chair to the lobby each day.

Mr. and Mrs. Bob Davis of Hbart, Okla., visited with her sister Mrs. G. C. Miller and C. G. and his sister Mrs. Ray Ciley and Ray. They went on to Las Cruces to visit a son Dr. Dick Davis, who is in the research department at the University at Las Cruces, N.M.

Mrs. Eva Froehner was hostess at a party for Mrs. Paul Hilburn Tuesday afternoon. I think the guests were teachers. Mr. and Mrs. Hilburn left Wednesday for Austin on business. He has several good job offers, trying to decide which!

Mr. and Mrs. George Bradford went over to Ardmore, Okla., on business a few days last week.

Jack and Lanette, Rick and Dolores Walthall visited a while with their father and grandparents, the J. W. Walthalls at Towakomka, Texas — I hope that is spelled right.

Georgia and George Derrick are home from a vacation in Colorado. They were scared to death when they went over Wolfcreek Pass, stopped off at Pagosa Springs, on to Monte Vista where they visited the J. J. Adams, then stayed at a mountain lodge for a few days rest.

MR. AND MRS. Floyd Copeland went over to the Altus, Okla., area to visit and vacation. They have relatives there. Katy and Swain Burkett are home from California. Their son Mike is on the John Paul Jones destroyer at Long Beach. The Burketts visited Mr. and Mrs. Erskine at Pacific Grove. Mrs. Erskine owns land southeast of town. They saw Joe in Arizona.

Joe Reyes was the birthday boy at a party Friday evening at Estrelita Club. That means "star". Joe was 19 years old Friday. His aunts and brother John were host. The "Astros" made the music for the dancing. Joe and cousin Rueben also work at the hospital.

Thomas and Mary Hernandez and Mike Lopez and the family went to Buffalo Lake for an outing and boating, swimming and things. Thomas is at the hospital. Really you meet the nicest people here.

Mac Strother, who has been the Amarillo News distributor, will teach music at Hartley. Mr. Bill

Reisdorph is superintendent of schools there. Mac is the son of Mr. and Mrs. R. B. Strother. The Strothers had a good trip over the million dollar highway to Mesa Verde. Pretty, pretty place, they say.

Bryce and Darlene Dowell have moved back to their farm south of town. They leased the Oklahoma place. Mrs. Florence Carpenter, Darlene's mother, has been in the hospital all week for a checkup.

TWINS, George and Charles Copeland enjoyed a nice trip to Red River with their grandparents Leland and Irene Lee. Folks better go while they can, school starts soon.

This morning (Friday) the Rev. Perkins of the First Baptist Church came by to see me, a very personable man. I didn't stop talking long enough for him to tell me anything. Rev. Jim Pickens, my Methodist pastor called also. He is the big tall fellow. Bill Claborn, across the hall in the hospital, was badly burned on the arms and body by an explosion of chemicals at Whites Elevator west of town. He is better. I met his wife Christine, she is with him most of the time. His mother and father, Mr. and Mrs. T. D. Claborn, are also staying with him part time.

Mr. and Mrs. B. J. Muhle of Woodward, Okla., visited and Christine's mother, Mrs. J. W. Muhle of Amarillo has been here helping with the children.

Mr. and Mrs. Cleo Connell visited relatives and attended to business in Anson or Anton (the one near Abilene).

Mrs. Lester McDermitt visited her brother and family the E. E. Halls at Halfway this week.

Mrs. Pearl Sadler attended the Henslee family reunion at Brownwood Lake recently. She says they had a terrific rain then. Her sister Margaret Semore visited her for a few days.

A FEW FRIENDS (probably 56) were hosts at a get together and supper at a cafe in Hereford for Paul and Louise Hilburn Sat-

urday night. The table was decorated with toy suitcases with gifts in same. Helen Richardson found a big brass school bell and had the years Superintendent Paul Hilburn worked here engraved on it. A very nice "bonvoyage" party for some nice people. I hear Mr. Hilburn has a job in Amarillo.

The "everybody" bridge party at the country club Friday evening was fun, not a big crowd, but enough to play. So many people are out of town. Mr. and Mrs. Kenneth Jackson were hosts.

The club needs a piano or organ, maybe the winter parties will pay for one. I hear Lee and Ona Olsen are moving to New Mexico, but I don't know where. He was golf pro.

L. W. Bennight came by to say hello. His wife Ruby is in the hospital for a checkup. They live southeast of town.

Saturday (still here) George Ed Bennett, a 17-year-old boy from Hart is in a room east of me. He was hurt a little in a car accident.

TWO YOUNG men were chasing rabbits on motorcycles Sunday. One, Roy O'Brian of Friona and the other Larry Hodges of Lazbuddie are injured — shoulders and arms, not bad. Keeps the folks busy around here. They were watching the rabbits and ran into each other. This was in a grass pasture.

Gwen Davis has been here again, but is improved.

Mrs. Larry Shives has gone home (this is Monday). Mary Lee Stone says they have some new babies, but I haven't seen them. Kenneth Knox, a brother from Virginia and sister, Mrs. Bill Sikes of Slaton came by to see us one day.

Mr. and Mrs. Jimmy Jack Butler went down to Lubbock recently to have a meal and see a show to celebrate eight happy years of married life. Bo and Carol Bryant went along with them.

I hear that Connie Coulter and Ray Riley won high score at the round robin bridge party at the bank on a recent Monday night. People come here from Here-

ford, Friona and around for the Monday night duplicate bridge club parties. Oh yes! They received silver wine glasses for being such good players.

Judy Mobley and Alice Gamblin are the hostesses or committee to get the high school class of 1968 together. They met Aug. 24 at the cafeteria.

Rev. and Mrs. Burr Morris of McCamey were here last weekend. Burr was a former pastor at the Presbyterian Church here. They were guests of Margie McGowan and Mr. and Mrs. Howard Cook served coffee to them and the Chet Braafladts, the Joe Cowans, the James Wohlgenuths, the M. L. Simpsons and the Harold Bischoffs.

TRUDY DENNIS and Robbie Rice attended the South Plains Design Floral School in Lubbock on Aug. 18 at the KoKo Inn. Eul'ah Overmeyer was the commentator from Feniger-Overmeyer Florists, Toledo, Ohio. Designers were Bobby Whitney from College Ave. Floral, Levelland and Jesse Christwell of the Hinshaw's Flowers of Snyder. The designers designed some of most beautiful and an exquisite Christmas arrangements and for all occasions. Dinner was served at noon. The attendance was large from all the south plains and surrounding area.

SUNDAY — I hate to miss church. It has been a 63-year habit to go. But I want to pay tribute to the workers in this hospital — five doctors, dozens of nurses and aides. The food is good, even if they do leave the saut out of mine. It is nice to have someone look after your every need and these folks do. Two boys who look alike — Joe Reyes and Reuben — and the other two keep the place shining clean and that is important — next to being president. And Mr. Strother helps everyone. He is teaching Hattie Webb to walk on crutches — fixes the air conditioner at midnight. I saw Katy Burkett, the Pink Lady, delivering mail, coffee and things and now! Thank you for the flowers, letters and good wishes.

JANICE BREEDING of Amarillo spent 10 days in the home of her grandparents Mr. and Mrs. Dave Shepard. Mr. and Mrs. Bill Breeding visited in the Shepard home Thursday night.

WITH THE many varieties and

types of bread, both yeast and quick, there's no need for sandwich monotony. Bread also is a very important food and one of our least expensive sources of energy — about 63 calories per average slice. Besides energy, enriched or whole wheat bread contributes protein, calcium, iron and B vitamins to our diet.

LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS TO: WILLARD H. MAY and TO: CLEO MAY and if either the said Willard H. May or Cleo May, or both of them, be deceased, to the heirs and legal representatives of such of them as may be deceased. GREETING: YOU are hereby commanded to appear before the Honorable District Court of Castro County, State of Texas, at the Court House thereof in Dimmitt, Texas, by filing a written answer at or before 10:00 o'clock a.m. on the First Monday next after the expiration of forty-two (42) days from the date of the issuance of this citation, same being the 16th day of September, 1968, to Plaintiff's Petition filed in said Court on the 24th day of July, 1968, in this cause, numbered 3201 on the docket of said Court, and styled: HARRY CANNON vs. WILLARD H. MAY et al, in which case Harry Cannon is Plaintiff and the parties to whom this writ is directed are Defendants.

A brief statement of the nature of this suit is as follows: Trespass to try title suit for title and possession of the following property, to-wit: All of Lots Six (6), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11) and Twelve (12), in Block Fifty-four (54); and All of Lots One (1) and Two (2), in Block Fifty-nine (59), of the Town of Summerfield, in Castro County, Texas, according to the plat of said Town of Summerfield appearing on Record in Volume 11, page 470 of the Deed Records of Castro County, Texas.

Plaintiff claims first and superior title to this property by virtue of being the owner and holder of a note on said property in the original principal sum of \$3,700.00, dated May 24, 1965, executed by Willard H. May and Cleo May, and payable to the order of Harry Cannon in installments of \$50.00 per month, beginning on the first day of July, 1965, and on the first day of each succeeding month thereafter until both principal and interest are paid, which note is in arrears, and which note is secured by a vendor's lien retained in a deed from Harry Cannon to Defendants herein, conveying the above described property, dated May 24, 1965, and duly recorded in Volume 115, page 525 of the Deed Records of Castro County, Texas; and which debt is in arrears, in that no payment has been made monthly thereon since and including July 1, 1967.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved. The officer executing this writ shall promptly serve the same according to the requirements of law and the mandates hereof and make due return as the law directs.

ISSUED and given under my hand and seal of office in Dimmitt, Texas, on this 2nd day of August, A.D. 1968.

Two Youths Injured In Separate Wrecks

By MYRT LOMAN George Ed Bennett, son of Mr. and Mrs. Ed Bennett was taken to Fiairs Memorial Hospital in Dimmitt last Thursday morning, suffering from head injuries he received in a one-car accident on a farm road near the Bob Lacy farm southwest of Hart. Bennett is a sophomore at West Texas State University.

DAVID HARRIS, son of Mr. and Mrs. Ed Harris, was painfully injured on Friday evening in a motor bike-pickup accident near the home of Mr. and Mrs. Ted Averitt. The accident occurred when the pickup, driven by Ricky Mitchell, was attempting to make a left turn, and the motor bike struck the pickup. Harris received fractures of the left shoulder and right hand, and slight cuts on the face and head.

He was rushed to Medical Center Hospital in Plainview for emergency treatment and was released Monday.

MR. AND MRS. Fred Frye of Fayetteville, Ark., visited last week in the home of friends, Mr. and Mrs. Henry Hendrix.

Mr. and Mrs. D. N. Gamblin and family of Sunray and Mr. and Mrs. Neil Wal and family of Burlington, Colo., attended the funeral of a niece, Dawn Shive, Friday evening and visited in the home of the ladies' parents, Mr. and Mrs. V. E. Bearden.

Mr. and Mrs. Pete Brown of Fottsburo were here last week on business and visited with her parents, Mr. and Mrs. G. C. Keen-

pointed Vernon Mapp as a board member to replace Dean Sanders, who resigned recently.

In other action, the board approved the amended budget for the 1968-69 school year, and awarded a milk bid to Cloverlake Dairy of Plainview to supply the school's with homogenized and chocolate milk for seven cents per half-pint.

Admission prices to Hart High School football games this fall will be \$1.25 for adults and 50 cents for students. The admission prices will be the same for all conference games, having been set earlier this spring by the District 2-B executive committee.

In addition to the football ticket price, there will be a charge of 50 cents to park inside the fence of the football field.

Hart's school board will accept bids on gasoline for the 1968-69 school year until Sept. 9. Bids should include the five-cent state gasoline tax. All bids should be in the school superintendent's office by 9 p.m. Monday, Sept. 9.

SENIOR Girl Scout members made cookies and punch and served the Hart teachers Monday afternoon in the concession booth in the Hart High School building, and on Tuesday assisted in the registration of students in the elementary grades.

Girls working were Carol Miller, Brenda Covington, Carolyn

THE WOMEN'S Missionary Union of the Baptist Church met in Fellowship Hall Monday afternoon for a Royal Service program and short business meeting.

The president, Mrs. Cay Anderson, had charge of the program and business meeting. The ladies voted to have a covered dish luncheon next Thursday at the church and have their state mission program.

Members present were Mmes. Clay Anderson, Weldon Davis, Roy Futrell, Harvey Davis, Vasca Kittrell and Lester Lancaster, plus the pastor, Rev. C. T. Cunningham.

MRS. LEVI Bennett was admitted to Plains Memorial Hospital in Dimmitt Friday and was transferred to a Lubbock hospital Monday for further tests.

Seventeen members of the Hart Lions Club met Monday at noon for lunch and a program in the community room of the bank.

Guests were the four coaches, Head Coach, Don Seymour, Dough Higgins, Jackie Burns and Robert Hays, who presented the program. Coaches were encouraged by the prospects for this year's athletes, and are looking forward to Class A competition in two years.

All athletes and coaches need our moral support this year. Let's get behind them and pull for the best year yet for the Hart Longhorns and Shortorns.

GUESTS last week in the home of Mr. and Mrs. C. E. Patterson were their three children, Eugene of Lamesa, Calif., Mrs. Garnett Holland of Belvue, Neb., and Mrs. Ted Pitt of Woodbury, N.J. It was the first time the children had been home together in 30 years.

Mr. and Mrs. R. C. Bailey of Dalhart visited in the home of her sister, Mrs. H. L. Cheatham and family, this past weekend and attended morning worship at the Baptist Church. The Baileys are former Hart residents. He was the school and city tax assessor and collector while living in Hart.

THE BAPTIST Brotherhood met at the church Monday night for business session and election of officers.

Elected were H. L. Cheatham, president; J. D. Rodgers vice-president; Boots Rogers, secretary; R. J. Murray, mission study chairman; and Preston Upshaw, mission study in action.

The men voted to have a breakfast in fellowship hall Monday Sept. 9 at 7 a.m. They also voted to send a load of grain to Buckner Boys Ranch at Burnett after the revival. Anyone who wishes to donate grain may contact DeWayne Brown at the Farmers Grain and Elevator.

THE BROOKS families gathered at McKenzie Park in Lubbock recently for their family reunion. Attending from Hart were Mr. and Mrs. Paul Brooks and daughters and Mr. and Mrs. Thomas Lee Brooks and daughters. Attending from Clovis were Mr. and Mrs. Jim Brooks and sons, and the senior Brooks' sister, and Mrs. M. L. Snell and son, and Mr. and Mrs. B. C. Snell and daughter from Ackerly.

Recent guests in the home of Mr. and Mrs. C. B. Landers were her sister, Mrs. Mae Glenn of Canyon, and the Landers' son,

Paul, of Oklahoma City.

THE CHI PSI Chapter of Beta Sigma Psi had a "Come as you are" breakfast as their first meeting of the new club year. The breakfast was held in the home of the president, Mrs. DeWayne Brown, Wednesday morning of last week. Yearbooks and program books were given to the members.

In a short business meeting, the group discussed, "How to Improve the Yardsticks for the New Year."

Officers for this year are Mrs. DeWayne Brown, president; Mrs. Willis A. Hawkins, Jr., vice-president; Mrs. L. D. Williams, recording secretary; Mrs. Wister Clevering, corresponding secretary; Mrs. Bill Hill, treasurer, and Mrs. Bob Reed, reporter.

Standing committees are: Program - Mmes. Bud Hill, Walt Hansen and W. T. Sanders. Yearbooks - Mmes. Doug Higgin and Melvin Aven. Membership - Mrs. Tom McLain.

Social - Mmes. Charles Clark, Newlon Rowland and Theron Morrison.

Publicity - Mrs. Bob Reed. Ways and Means - Mmes. H. H. Parker and Jack George. Service - Mrs. Charles Black.

Attending the breakfast were 24 members.

A 40th wedding anniversary reception for Mr. and Mrs. M. E. Phillips of Kress, former residents of Hart for 38 years, will be held in the community room of the Farmers State Bank at Hart Sunday, Sept. 8 from 2:30 to 5 p.m.

Hosting the reception will be the children of the couple, Mr. and Mrs. Bill Phillips of Plainview, Dean Phillips of Amarillo, Mr. and Mrs. Jerry Phillips of Sonora, Monte Phillips of Littlefield, Mr. and Mrs. Dan Wakefield of Seminole and Mr. and Mrs. Calvin Alexander of Hart.

Square Dance Tips

By BILL HARMAN
Since the last time of our writing the Dimmitt Promenaders have been busy dancers.

WE HAVE 20 students taking lessons and they are now on their fifth lesson.

Some of our Promenaders have danced at our annual street dance, the Bovina street dance, on our square dance float (the old red barn), and in Palo Duro Park during their annual trail ride and chuck wagon get together, sponsored by the Amarillo Chamber of Commerce.

The Palo Duro square dance was called by Sid Perkins and the music was by a western band from Amarillo.

ANYONE interested in square dance lessons can sign up for our next set of lessons which will start some time this fall.

The Promenaders dance every first and third Tuesday nights at the Catholic Community Center.

Lessons are every Tuesday night, at the same place, starting time 8 p.m.
Remember! Square dancing is fun for all ages.

Family Makes a Tough Decision: Center Can Care for Son Better

After 15 years of living with his family, Albino Sandoval of Dimmitt has been admitted to the Abilene State School.

LAST WEEK the Leon Sandoval family visited the eldest of the Sandoval children for the first time since he was admitted three weeks ago. Visiting with him for the first time, they found reassurance that they made a wise decision. Now, Mr. and Mrs. Leon Sandoval have begun a personal campaign to help their friends with problem children to make the difficult decision that most parents cannot make.

"Our child has cerebral palsy," Mrs. Sandoval explains. "For 15 years I have been caring for him at home. We would take him to treatment centers occasionally. In 1956, John Sealy hospital officials refused to admit him. They simply said they could not accept him."

"I decided I could care for him at home and I would do so as long as I could. For two months we traveled to Plainview for weekly examinations and tests. Then we traveled to a center in Lubbock for weekly treatments. But we had to discontinue these because my husband's superiors at work did not like giving him the time off. I could not drive. So, these trips were discontinued completely."

THE SANDOVAL family was urged by friends, who knew of their son's condition, to ask for welfare assistance. But they never did.

"We never got extra help from anywhere. But some of the center treatments and visits were free. We just had the medical expenses to worry about," Mrs. Sandoval explained.

But the grown child is now heavy and hard to carry, Mrs.

TOUGH DECISION — The Leon Sandoval family look at picture taken of Albino, the eldest son of Mr. and Mrs. Leon Sandoval, when they visited him recently for the first time since he was admitted to the

Abilene State School. Looking at the picture are, seated from left, Mrs. Sandoval, Marjie, and Mr. Sandoval. Standing, from left, are Leon Jr., Griselda and Olga.

Sandoval said. The family decided the state school can now better care for him.

YOUNG ALBINO was admitted three weeks ago and his condition is being evaluated by the physiotherapy department. The school director reports to the Sandoval family that Albino has adjusted well to his new surroundings. Although he may never walk, Albino is being taught activities and living with others in his content.

"BUT THE other children want to bring him home," Mrs. Sandoval said, "they say they miss him."

Mr. and Mrs. Sandoval have four other children, Griselda, Olga, Leon Jr. and Margie.

The family came to Dimmitt in 1952. Sandoval worked on the A. J. Kemp farm and later worked for other farmers in the area. He is now employed by Western Ammonia Company here.

THE SANDOVAL family pay \$5 monthly for Albino's stay at the state school. The school will also receive the annual income tax return of the Sandoval family. Mrs. Sandoval said they were informed

of new regulations being formulated which may increase the school tuition.

The Sandoval family have started a tuition fund for children of other Dimmitt residents who may need to attend the special school.

"We want to share our personal experience with our friends and

families who have children with special problems," Sandoval said "and let them know we realize how hard a decision this is to make but we want to point out how much happier our son is and how the school cares for them much better than we could at home."

From TT Two Dimmitt Men To Get Degrees

More than 950 students have applied for degrees at Texas Tech's summer commencement exercises Aug. 24.

Dr. Bernice Milburn Moore of the Hogg Foundation, Austin, will give the principal address at the 7:15 p.m. exercises in Lubbock Municipal Auditorium.

DIMMITT GRADUATES include Roy Allen Battles, bachelor of science in mechanical engineering; and Ronnie Dea Hammonds, bachelor of business administration.

NEWS OF HEMISFAIR '68

WORLD EXPOSITION APRIL 6-OCT. 6-SAN ANTONIO, TEXAS

Lafayette's famous farewell address to the United States — a priceless document done in his own handwriting — is one of the most treasured items on display at the \$10 million Institute of Texan Cultures at the 1968 World's Fair.

GOV. JOHN CONNALLY obtained the loan of the original manuscript from Count Rene and Josee de Chambrun after a visit to France before the opening of HemisFair to study priceless objects owned by Count de Chambrun, a descendant of Lafayette.

The manuscript, on display in the French section of the

was prepared in longhand in 1825 by the famous French hero of the American Revolution to deliver in a farewell speech to the President and Congress.

THE CHAMBRUNS, cousins of the Commissioner General of the French Pavilion at HemisFair, agreed to loan the manuscript and a personal book of Lafayette to the pavilion for the extent of the fair. This is the first time any of Lafayette's possessions have been removed from the castle.

Recently, the Chambruns also decided to allow one photocopy of the speech to be made, which was

presented to be a permanent part of the collection at the Institute.

After the 1825 speech, Lafayette returned to France with a disease then believed to be tuberculosis. Doctors prescribed his castle be plastered with a certain dehumidifying plaster, which apparently saved his life. Also, the castle has stayed so dry that all of Lafayette's possessions are perfectly preserved.

Gov. Connally and his wife first met the Chambruns while attending a special French tea called a goeter, reserved for affairs of high society and diplomacy.

Mrs. Connally asked for permission to borrow something from the castle at that time and was denied. Later, the Chambruns reconsidered and sent the manuscript and the book, "Petite Guerre."

Application of sound consumer buying practices and improved home management practices can reduce the cost of living by \$25,000,000 annually in US homes.

FTC Clamps Down On 'Free' Film

There will be no more "free" camera film unless it really is free and not charged for in a combination offer that includes film processing, reports Doris Myers, Extension management specialist.

THE FEDERAL Trade Commission announced that effective Sept. 3, film processors cannot represent film as free if the quoted "bargain" price for processing is more than their regular price for such service. But processors will be able to give free film as part of an introductory offer, reports the Texas A&M University specialist. But if "continuous or frequent offers" are made, then the free-film pitch is misleading because the price becomes "regular."

Though processors still will be able to offer a combination price for film and processing, they'll have to tell you frankly that's what it is.

Golden Spread Rest Home

By DeLORISE GILLILAND
Mrs. Joyce Watkins, LVN from Lubbock, assumed her duties as "charge nurse" on the night shift Saturday. Mrs. Watkins comes to us with high recommendations. She had worked for Mrs. Griswold as supervisor of nurses in Lubbock for six years when Mrs.

Griswold owned and operated a nursing home there.

Mrs. Watkins, prior to moving to Dimmitt, has been serving as "charge nurse" in Lubbock for two years. Mrs. Griswold, owner of Golden Spread Nursing Home, gave Mrs. Watkins a hearty "welcome" Saturday evening, when she took Mrs. Watkins and Mrs. Sybil Stone to Hereford's Caison House for dinner.

Mrs. Margaret Stewart was admitted to the home Tuesday. Mrs. Stewart is recovering from surgery. We are very happy to have Mrs. Stewart come to the home.

Miss Bertha Frye had several visitors and cards within the week. Friday was her birthday, and several of her friends from Hereford came and brought gifts, also a very lovely and delicious cake.

Visitors this week included: Max R. Zamorano Jr., Joe Periz, Joe Hellman, Mrs. T. B. Dyer, Pearl Mapes, Steve Hellman, Mrs. A. G. Schlabs, Mrs. Arthur Tiefl, Ruth Groverman, Mrs. George Tiefl, Mrs. Susie Tiefl, Mrs. J. T. Stehr, Mr. and Mrs. Murray Hall and children, K. C. Preston, Bertie Martin, Frankie Myers, Mr. and Mrs. Gordon Bradley, Mrs. Toni Blackwell and daughter, Mrs. Kenneth Messer and children, Tom Tate, Mr. and Mrs. Sandel, Mrs. Randall Craig, and Tex Conard.

Sparkman Family Home From Canada Vacation

By Mrs. Owen Andrews
Mr. and Mrs. T. L. Sparkman Jr., their daughter Darlene, and Debbie Ogan returned home Sunday night from a two-week trip that took them several hundred miles into Canada.

On the way, they visited the Bob Lawrences, former Hereford residents, at Rapid City, S.D., and visited Mount Rushmore National Park and other interesting points in that area.

In the area of Eckville, Alberta, Canada, they visited the Delbert Phelps, the Max Bott families and the Bill Siebolds at Red Deer. The Sparkmans met these people several years ago while on vacation in the northern Rockies and, had visited their homes once before. The Canadians also visited the Sparkman home in 1962.

The Sparkman vacation included Jasper National Park, which extends also into British Columbia and Yellowstone Park. At Denver, Darlene and Debbie spent Saturday night with Marlene Speck, a friend of Debbie's. The trip covered about 4,500 miles.

ANNOUNCEMENT has been received here of the Aug. 26 wedding of Johnny Cheatham and Miss Anna Marie Roy, both of Lincoln, Ark. Johnny is the son of Mr. and Mrs. J. F. Cheatham, former residents of this community, and Miss Roy is the daughter of Mr. and Mrs. Luther Roy of Lincoln. The wedding was in First Baptist Church of Lincoln.

Both Cheatham and his bride are graduates of Lincoln High School and attended the University of Arkansas at Fayetteville. He has recently completed training with the Air Force Reserve. The couple will live in the Lincoln area. Danny Baize of Friona, a childhood friend of Johnny, was a groomsmen.

MR. AND MRS. Robert Baldwin and Kristi of Houston, spent the past week on vacation, mostly visiting their parents, Mrs. B. H. Baldwin of Hereford and the George DeLoziers of Summerfield. Robert is employed with Bell Telephone Co. and expects to be transferred to San Antonio Oct. 1.

Mrs. Ted Eush remains ill at her home after spending most of this week in St. Anthony's Hospital in Amarillo. Several of Mrs. Charles King's relatives have been to Amarillo to be with her, since Charles became seriously ill on Tuesday night. He was thought to be improved Thursday. He is in Northwest Texas Hospital with a heart ailment.

MR. AND MRS. Glen Green of Mesa, Colo., visited Tuesday and spent the night with the Sam O-gans. They had been to Harding-Simmons University to attend

the graduation of their daughter, Kathy.

Ruben Dominguez, 10-year-old son of Mr. and Mrs. Edward Dominguez, went alone by bus Tuesday to spend a week with relatives at Roswell.

Bill Warrick was hospitalized Thursday afternoon after inhaling fumes from a chemical tank on which he was working. Joe Andrews was with him and took him to the doctor when it happened. Warrick was able to leave the hospital the next morning.

MRS. DEE TAYLOR and her brother, Benny Wages, recently visited their father, who is seriously ill in Dallas. Benny lives in Granton, Wis., and is spending the summer with his sister here.

Among August vacationers were Mr. and Mrs. W. H. Andrews, Mr. and Mrs. Ronnie Andrews and Sammy Ogan, who were returning home last week from a 10-day trip to California. They visited Mr. and Mrs. Jackie Andrews at Long Beach and other relatives in that area and near San Francisco.

Mr. and Mrs. Clark Andrews, Rocky, Lynette and Kirk also spent a few days recently on a vacation in the Colorado mountains. They went by way of Kerrick, Okla., to visit the Arthur Betts nearby.

Jill Stephan was honored at a cookout as a surprise party celebrating her 10th birthday Tuesday night. Attending were Patti Robbins, Beverley Cole, Kathy Waldrip, Judy Wright, Rene Poarch, Mr. and Mrs. Dale Wright and Dawn, and Mr. and Mrs. Gene Duvall.

MR. AND MRS. Robert Baldwin and Kristi of Houston, spent the past week on vacation, mostly visiting their parents, Mrs. B. H. Baldwin of Hereford and the George DeLoziers of Summerfield. Robert is employed with Bell Telephone Co. and expects to be transferred to San Antonio Oct. 1.

Frank Ford for State Representative

New Governor, New Speaker, New Legislature Let's Build For The Future!

Frank and Margie Ford with their four children — Davis, 10, Cindy, 8, Dan, 6, and Susan, 4.

* Raised in the Panhandle-South Plains area where his father served as a County Agricultural Agent.

* Worked his way through Texas A and M, where he was named the outstanding student in the School of Agriculture, Cadet Corps Commander, and Delegate from the A and M Debate Team to national debate meet at West Point.

* While on a summer job during college with the Ag Experiment Station in Lubbock, assisted in early hybrid-sorghum work.

* Worked as assistant to manager of a farm equipment company specializing in irrigation.

As working manager of a business Frank Ford knows that government must be run on a pay-as-you-go basis.

* Served 30 months in the U.S. Army, attaining the rank of Captain in artillery.

* In 1959, served as bill clerk in the Speaker's office, Texas Legislature, and then in the Legal Division, State Board of Water Engineers.

* Has lived in Hereford for the past 8 years, where he has been successful as a farmer, home-builder, and manager of a milling company.

Frank Ford will be a listening Representative when in the District - will work and speak for you when in Austin.

* Active in his church and community, Frank has served as President of the Hereford Migrant Ministry, Vice-President of the Deaf Smith County Chamber of Commerce and United Fund.

* Well known for his work with youth, has been Scoutmaster of Boy Scout Troop 52 for past 7 years.

* Believes that two-party system is essential for the people of Texas to have effective control over their state government.

FRANK FORD IS A POLITICAL CONSERVATIVE WHO BELIEVES THAT THERE IS AN EXCESSIVE CONCENTRATION OF POWER IN WASHINGTON, D. C. He has been consistent in his efforts to find solutions at the local and state levels where the people can keep control over their future. Help put Frank Ford to work for you in WATER RESOURCES PLANNING, EDUCATION, SUPPORT FOR LAW ENFORCEMENT and GROWTH and PROGRESS FOR OUR AREA! He will represent the people of Cochran, Lamb, Bailey, Castro, Parmer, and Deaf Smith Counties.

FRANK FORD — the candidate of the PEOPLE OF THE 72nd DISTRICT!!!

Shower Honors Mrs. Stallings

Mrs. Johnny Stallings, the former Connie Bailey of Dimmitt, was honored with a bridal shower Wednesday of last week in the community room of Farmers State Bank in Hart.

GUESTS were received and registered by Mrs. Sam McGill. The registering table was covered with a white cloth, decorated with a beed vase and white carnation.

The serving table was covered with a white lace cloth over green, the honoree's chosen colors. Table decorations were two candelabra with green candles, and the centerpiece was a white wedding bell with silver trim.

Mrs. Bob Bennett and Mrs. Lanny Tucker served white cake with mint-green trim, mint punch, nuts and mints from a crystal service.

The hostess presented the honoree with a four-piece place setting of pottery, odd pieces of pottery, and a white carnation corsage with green trim.

Special guests were Mrs. Joe Bailey, mother of the bride, and her mother-in-law, Mrs. Addie Stallings of Hereford.

Assisting with hostess duties were Meses Stewart Newsom, Doyce McAdams, Ed Bennett, L. D. Lacy, David Willis, Orval Sharp, Sam McGill, Charles Clark, W. T. Sanders, F. L. Bass Jr., T. B. Cox, Ray Bennett, L. C. McLain, Eldon Shive, Norlan Dudley, Lanny Tucker, Bill Bell, Wister Clevenger, Bob Bennett, Billy Farris, Daryl McLain, David Nelson and Linda Leinen of Dimmitt.

Janet Fryar Is Shower Honoree

Beth Sheffy hosted a lingerie shower in her home Friday, honoring Janet Fryar, bride-elect of Frank Daniel.

SOFT DRINKS and tips were enjoyed by school friends. Out-of-town guests included Helen Burrell of Kress, Jo Ann Ferguson of Hereford, and Donna May of Tullia.

On the Go

MR. AND MRS. Bill Timmons and children were weekend visitors recently of his mother, Mrs. Ethel Westfall, and Mr. Westfall. Other recent visitors in the Westfall home were her daughter, Mrs. Ann Cook, and girls of Amarillo.

Miss Herrera

Oct. 5 Date Set

Mr. and Mrs. Humberto Herrera of Amarillo announce the engagement and approaching marriage of their daughter, Ofelia, to Gilbert Guzman Jr., son of Mr. and Mrs. Gilbert Guzman Sr. of Hart.

MISS HERRERA is a graduate of Caprock High School in Amarillo, and has attended Amarillo Junior College for two years. She is presently a student at Hi-Plains Baptist Hospital in Amarillo.

The prospective groom is a Hart High School graduate and also attended Amarillo Junior College. He is employed by the Browning Blueprint Co. in Amarillo.

The couple will exchange wedding vows Saturday, Oct. 5 in San Guadalupe Catholic Church in Amarillo.

Milady Gardeners Set Tea Tuesday

Milady Garden Club will hold its first meeting of the year Tuesday at 3 p.m. in the fellowship hall of the First Baptist Church.

THE MEETING will be a tea for all members and prospective members. Hostesses will be Glenda Rickard, Sue Howell and Irene Keating.

On the Go

MR. AND MRS. George Shepard and son George Jr., and Mrs. Frank Shepard, all of Las Cruces, N.M., spent several days in the homes of Davc and Percy Shepard. They attended Pioneer Day.

Vegetables Go to Girlstown

By MRS. J. T. STEHR

MRS. DONALD Gilreath took a load of vegetables to Girlstown last week.

The girls still need drinking glasses, dish towels, and bath mats. (Why not use that new set you have put up and send along your old ones? You might give them a dye bath first). Also needed are all the supplies your girls need for home-ec class, such as scissors, needles, pins and such. Shampoo and other toilet supplies are needed, and always remember they try to have one gift for each girl on her birthday, which takes a lot of gifts.

So whatever you get or give for gifts, just wrap a package of the same, dusting powder, hose or a head scarf for some girl who will surely appreciate it.

We extend our sympathy to the Charles Wales family upon the death of Wales' father, Charles Wales Sr.

Mr. Wales was also survived by his wife; four daughters, Mrs. Wanda Kidd of Fullerton, Calif., Mrs. Marie Upton of Huntington, Calif., Mrs. Imogene Jones and Mrs. Maxine Martin of Lubbock; and 15 grandchildren.

Mr. Wales died Friday after an extended illness, in Colonial Nursing Home, and was buried Monday at 3 p.m. at New Deal Baptist Church. The Rev. James Andrews officiated.

MRS. JOE BOOZER and son, Glenn Boozar of Lubbock, visited the Monty Boozar family Saturday.

Mrs. J. C. Williams, Mrs. Jim Bagwell and LaTrell Bagwell and friend, Doris Lenley, visited in the Moss Howell home Monday afternoon and helped Mrs. Howell shell green pinto beans.

The Earl Lusts have been visit-

ing the Ed Hughes family at Morienc, Ariz., a few days. The Hughes are former neighbors of the Lusts.

THE GEORGE SIDES family went to the HemisFair last week from Wednesday until Saturday. Jack Sides stayed in their home and took care of the work while they were away.

Mrs. Dean Myers of Dimmitt visited Mrs. J. T. Stehr Friday afternoon early, then went to see her brother, Clayton Graef. It was Mrs. Myers birthday.

THE VERN LUSTS visited in the B. E. Sinclair home Sunday, the Sinclairs took them out for lunch.

Mrs. Susie Tiefel and Mrs. George Tiefel of Hereford visited Mrs. J. T. Stehr Friday afternoon. The three culled on Miss Bertha Frye at the Golden Spread Rest Home in Dimmitt, where Mrs. Susie Tiefel had a joyful reunion with an old neighbor, Mrs. Lula Thomas.

They had not seen each other for quite a while. It was Miss Frye's birthday. If you haven't visited the rest home you should do so, it is so wonderful to have such a nice home in our community.

Dorina Gilreath spent a week at Giorietta, N.M., at a church camp.

The Fred Bruegel Jr. family spent a few days at Red River and Santa Fe recently.

THE JACK HOWELLS went to Puffa'o Lake Sunday to water ski. They took pictures of their trip to the southern part of Texas a while back and showed the slides to Grandmother Bagwell Thursday night, much to her delight.

The Elbert Smith family spent a few days at Tres Ritas last week. This time they took the baby along, and she seemed to enjoy the outing so much. Such a lucky little girl with two big brothers to show her the sights, and give her lots of attention!

The Don Gilreaths spent two days at Red River last week.

MIKE BRUEGEL, Rodney Hutto and Keith McMahon went to the Roaring Springs Rodeo last weekend.

The Delbert Timmons family had as guests last week his brother's children, Ivy and Terry Timmons of Houston. Mrs. Peggy Dupkatnik and C. E. Timmons of Littlefield came Sunday and returned the children to visit with them a while.

The Jack McElroys spent Friday until Sunday with his sister and family, the Vee Odens of Post. They went fishing, but had

no luck.

MR. AND MRS. Carl Bruegel and children and her parents, Mr. and Mrs. G. O. Garrison, were gone Sunday until Thursday seeing the HemisFair, Six Flags and visiting at Dallas.

Sandra Bruegel, who works at Lubbock, spent the weekend with her parents, the Fred Bruegels.

The Houston Lusts, Jack Howells, Wesley Smiths and Jim Howells played bridge at the Jim Howell home Saturday night.

Mr. and Mrs. E. D. Mayhew and her parents, Mr. and Mrs. Z. Jouett, attended a family reunion of the Jouetts at Memphis Sunday. There were 113 present. This reunion is held on the birthday of Jouett's father each year, in the Memphis Park.

THE ORAN HOWELL family of Stratford were visitors in the Moss Howell home over the weekend.

Jim Howell attended a referees' meeting at Amarillo Sunday afternoon.

Mrs. Bobby Adams is visiting her mother Mrs. E. D. Mayhew, this week.

Monday was the regular check-up day for little Kim Howell. Hope for good news of her next week.

Betrothal Revealed

Mr. and Mrs. R. E. Drager of Rt. 3, Hereford, announce the engagement and approaching marriage of their daughter, Betty Ella, to Charles Thomas of Dimmitt.

THOMAS is the son of Mr. and Mrs. A. L. Thomas, 808 W. Du in St.

A September wedding is planned.

Miss Drager is a graduate of Hereford High School, and is employed at Oma Lee's House of Beauty. Thomas is employed by Boyd Machine & Supply of Hereford.

Miss Drager

Bridal Shower Held in Midland

A bridal shower in the home of Mrs. James Tabor of Midland last week honored Miss Evelyn Waggoner, bride-elect of Robby Lindsey of Dimmitt.

SERVING the cake and punch were Linda Tabor and Mrs. Dor Smith.

Miss Waggoner was presented a heart-shaped register book of white lace and turquoise satin roses, made by Mrs. Kenneth Griffin.

Specialist Tells Good Food Buys

Hot weather draining you of energy? Here are some "pepper upper" food buying tips for homemakers from Gwendolyn Clyatt, Extension consumer marketing specialist.

AT RETAIL meat counters look for best beef and pork values on beef chuck roasts and steaks, short ribs, round steak, ground beef, hams, picnics, shoulder roasts and steak and pork liver. Fryers and turkeys continue to be a bargain.

Grade A large and medium size eggs are both strong competitors for the best egg value, says the Texas A&M specialist.

Fresh fruit and vegetable items in ample supply at the most reasonable prices include Italian prunes, bananas, grapes, Santa Rosa plums, nectarines, cantaloupes, peaches, potatoes, head lettuce, cabbage, carrots, dry onions, eggplant, purple hull and crowder peas, corn, tomatoes, okra, cucumbers, radishes and green onions.

Barley Included, After All, In 1969 Feed Grain Program

By CHARLEY HILL
County Office Manager

A very important change has been made in the use of a farm barley base under the 1969 program for feed grains. It is particularly important to you right now in case you are planning to substitute wheat for barley under the 1969 programs.

BARLEY is now included in the feed grain program for 1969 just like corn and grain sorghum. You may substitute between these three feed grains within your feed grain permitted acreage, and you may substitute between wheat and feed grains within the limit of your total permitted acreage for all of these crops.

Earlier information in pamphlets mailed with 1969 wheat allotment notices and publicized through news items stated that barley would NOT be included in the feed grain program for 1969, but that the barley base could be requested and approved for purposes of substituting wheat for barley, provided 15 percent of the approved barley base was diverted. These statements are no longer correct.

PRODUCERS may still substitute wheat for barley, just as they can substitute wheat for corn and grain sorghums. The required minimum diversion for feed grains under the 1969 program has not been determined at this time, but it will be determined and announced just as soon as possible. (Minimum diversion requirement under the 1968 program was 20 percent of the feed grain base for the farm.)

Will Farm Payments Be Limited?

By BOB PRICE
Congressman, 18th District

The House of Representatives has passed a one-year extension of the present four-year farm program which would expire at the end of 1969. The Senate had already approved a four-year extension.

BUT IN addition to the extension, an amendment to limit payments to any one farm operator to \$20,000 was also tacked onto the bill. The Senate had rejected limitation amendment attempts.

So if any extension is approved this year, it will have to be a compromise between the House and Senate versions of the bill and there is some question whether an agreement can be reached.

I supported a one-year extension of the farm program to give farmers the lead time needed to make essential plans for planting and marketing. At the same time, it would provide the necessary interval in which the next Congress and the next Administration could formulate an effective farm program, a program which would improve the economic status of American agriculture, re-

verse the trend from costly government programs, and assure an adequate food supply at reasonable rates.

I OPPOSED any limitation of payments because I believe this will penalize those who are willing to take the risks and initiative involved in larger operations or in expansion. Also, it will force the larger operators into unlimited production and bring on lower prices for both small and large operators.

Why should the farmer who operates an efficient farm and has been willing to assume the debt and risks of a larger operation be penalized for trying to expand and better himself? Net income even to large farm operators is certainly far below the average returns for most other business and industry. I certainly do not believe the present program now in its third year, has done what it was intended to do in achieving a parity position for our farmers with other citizens in industry and commerce.

The parity ratio, which averaged 85 during the eight years of the Eisenhower Administration, averaged only 74 for 1967 as a whole and is now down to 73. Even the adjusted parity ratio, which includes direct payments to farmers is down eight points, and on both an adjusted and unadjusted basis, the parity ratio is the lowest it has been since the depression year of 1934.

The realized net farm income in 1967 was down nearly \$2 billion from the year before — a 10 percent cut in pay for farmers, while practically all other segments of industry were enjoying sizable pay increases to compensate for higher costs and prices. But the farmer is trapped by a vicious cost-price squeeze brought on by the inflationary fiscal policies of the past eight years — a \$25.4 billion deficit for the 1968 fiscal year alone. What other industry or business can take such a reduction?

The American farmer has done more and done it better for the American consumer and hungry millions in other countries and realized less for his efforts than any other citizen. He deserves better, and the members of Congress must realize that this country cannot continue to prosper and solve the problems of the cities without first solving the problems of agriculture and revitalizing the agricultural economy of America.

Weeds in Grain? Try These Hints

Weeds in grain sorghum this year may cause some problems for harvesters, Henry O'Neal, Extension agricultural engineer with Texas A&M University, says.

WET WEATHER has caused excessive amounts of Johnson grass and careless weeds in many fields and the troublesome pests can foul up profits for producers.

The engineer suggests a slower speed to take care of the tough, high-moisture weeds and more care in cleaning the combine.

Each morning the operator should check all grates and sieves for "honeydew" or "syrup" which can collect and cause buildups of dust and trash and cause through losses of grain. Straw-walkers should also be checked before starting work each morning.

ENSILAGE CUTTING started this week on the county's biggest crops ever. Here, a new International Harvester cutter and tractor owned by Truman Touchstone mows down a corn field on the Jay Lee Touchstone farm three miles southwest of Dimmitt. At the time of the cutting, this still-wet corn was averaging 27 to 28 tons per acre.

Election Three Weeks Away

Local ASC Candidates Announced

The approaching election of ASC community committees for farm program administration in Castro County was announced today by Jim Elder, chairman of the Agricultural Stabilization and Conservation Committee.

HE CALLED attention to the fact that the committee elections this year will be held during the third week of September in all agricultural communities throughout the nation in an effort to increase the awareness of this important farm-program function on eligible voters.

The farmer-committee system is a unique means of administering

national agricultural programs and policies. The local committees assist the ASC county committee in administering the price support, acreage diversion, agricultural conservation, and other farm-action programs in the county. They are particularly responsible for keeping their neighbors informed about the programs.

The county committee supervises the ASC county office and is responsible for local administration of the various farm programs.

VOTING will be by mail, Elder explained, and ballots will be sent to each known eligible vot-

er. In case an eligible voter fails to receive a ballot through the mail, one may be picked up at the ASCS office.

Generally, a farm owner, tenant or sharecropper is eligible to vote if he is eligible to take part in one or more of the programs administered by the ASC committee.

Eligibility to vote or to hold office as a committeeman is not restricted by sex, race, color, religion, or national origin.

Envelopes containing marked ballots may be mailed or returned to the ASCS county office anytime before Sept. 18. Ballots will be tabulated publicly by the county committee Sept. 23 at 9 a.m., in the ASCS office. The vote counting is open to anyone who wants to witness.

Here are the slates of nominees for ASC community committees:

"A" COMMUNITY
Charles Burks, S. A. Hodges Jr., Gordon House, Don Magness, W. H. Simpson, Weldon Sims, John Walker and Jerry Wilhelm.

"B" COMMUNITY
Fred Axe, Clarence Behrends, Kenneth Christie, G. W. Duncan, Moss Howell, Richard Hunter, Alvis Jolly, Charles Springer, W. V. Struve and Guy Walser.

"C" COMMUNITY
Ed Drerup, Roy Meacham, H.

C. Nelson, Ray Robertson, Walter Schilling, Jos Scott, Elbert Summers and Jerry Watts.

"D" COMMUNITY
Monty Boozer, Jimmie Burgess, Joe Collins, Robert Duke, Kenneth Hamilton, Cullen Hay, T. G. McKinney and Dub Winders.

"E" COMMUNITY
Sam Albracht, George Edd Bennett, Paul Brooks, John Gilbreath, Milburn Haydon and Ray Joe Riley.

FOR EACH committee, three regular members and two alternates will be elected. The chairman, vice-chairman and third regular member of the elected ASC community committee will also serve as delegates to the county convention to be held within the next few weeks. The alternate committeemen are alternate delegates to the convention. Convention delegates will elect farmers to fill vacancies on the ASC county committee, and will also determine which of the regular county committeemen will serve as chairman and vice-chairman for the coming year.

Questions on eligibility to vote and to hold office or on the election procedure will be determined by the ASC county committee, subject to appeal to the ASC state committee.

Perkins' Pencil . . .

Changing times make their mark. Take Labor Day, for example. Labor Day began (so legend in the popular mind at least thinks) when men spent 14 hours per day, six days a week in their fields (or in the shops). One day per year was parcelled out to make the nation aware of the laboring of mankind and to honor labor. Now things are much different.

Labor Day signals the time for "One Last Blast" before everyone gets into the fall swing and school responsibilities become heavy. Everyone who can afford to leave rushes from town with the last whistle on Friday night, trudging back toward town with the sound of the First Monday in September. A commemoration has become a commotion. To the mountains, to the beaches, to Grandma's for a Family Reunion, to the lakes, anywhere — JUST GO is the name of the game.

The change in pattern has taken its toll. From almost slave hours the movement has been toward less work-hours. In many sectors the direction is a 24-hour work-week. Simply because there is not enough demand for work. Yet in other parts, employers bemoan, "I just can't get anyone to work for me." But can we really make it?

Beer-cans strewn along the beaches and the highways give ample testimony that collectively, at least, we Americans don't know what to do with our leisure. We try to escape from it. If we don't slip off on a trip with LSD or "Speed," we anesthetize ourselves with the dew from the "land of 10,000 springs." Work has become the equivalent of slavery, and flight from work the dream of all.

There is hope. God states in Exodus 20, you shall "labor, and do all your work." And God commanded the excellent workmanship of two men, Bexaleel and Aholiab, artisans of the first class. And look at our own wish for the fine. We extol those virtues of excellence in the artisans who made the "antiques" we prize so highly, and we copy them in our furniture of today. But the sloppy work of the past we let mold in the dust. We DO have some standards and someday we shall return to them. The longer we wait the more we cheat ourselves. See you Sunday at 9:45 a.m.

Brown Charges Price's Vote Contradicts His Statements

In an address before the Texas Wheat Growers Association Friday, Dick Brown, Democratic candidate for US Representative, and also state secretary of the association, said that farmers are in "dire need of some positive action" on the part of members of the agriculture committee, and not empty sympathy.

HE SAID that it was "hard to swallow" the statement that "We are concerned about your problems" when action on the part of some of the committee members contradicts this statement.

Failure of the grain reserve bill to pass out of committee last November is proof positive of the lack of concern of some members of the committee, Brown charged.

"This measure would have boosted grain prices immediately, and would have gone far to prevent the grave crisis that has developed for the Panhandle farmer," Brown said. "and yet it was killed in the Agriculture Committee by the slim margin of two votes, one of these cast by our representative. The only explanation of this action by committee members is that some vote against everything that comes up, and at no time offer an alternative."

BROWN ADDED, "Being a member of the all-important Agriculture Committee carries with it the responsibility of offering positive alternatives to solve the problems of those who are represented."

"My opponent terms the farmer as 'the forgotten man,' and here he is exactly right," Brown charged. "He forgot the farmer until now that it is election time."

On the Go

MR. AND MRS. Claude Johnson returned home last Thursday after a 15-day visit with the Roland Shepards at the Stupid Charlie Guests Ranch at Mancos, Colo.

He is remembering him lightly by saying that "I supported the one year extension of the farm bill earlier this summer, but I do not like what is in it, and if you will vote for me this time, I will do better next term."

"Farmers in the 18th District have grave problems," Brown said. "They need positive action today — not next year."

The View From Your Library

By VIRGINIA NEWSOM
The First State Bank was really buzzing with people last Saturday morning.

THE Reading Program Award was presented. There were 75 children completing the program and 50 present to collect their certificates. Each child was given a chance to talk on the radio with Jack Flynt as emcee of the activities. Judge Raymond Wilson was there to make the presentations. Don Nelson was on hand to take pictures and lots of mothers and daddies were there also. We had soft drinks, through the courtesy of the bank.

The general feeling was, that the program was a very big success. I must say I was overjoyed with the whole thing. It is so wonderful to see these young people learning to enjoy good books and to see the parents encouraging their interest.

The Anthony Acker family had five children complete their books and four children in the Severiano Rodriguez family were on hand to receive their awards.

Linda Henderson, daughter of J. C. Henderson was our youngest participant.

Since no young lady could possibly appreciate being called the oldest of any group, I'll keep that name to myself.

This summer reading program has shown me, once again, that there is nothing more rewarding than working with children.

WE WILL be talking about Story Hour once again soon. It will be starting sometime in October and I believe it will be on a Friday afternoon from 1 to 2 p.m. This will give our youngsters in kindergarten an opportunity to join us. I would like to try this hour out and hope it will be satisfactory. I will be needing one mother each week who will be willing to spend this hour with us. Please let me know your feelings on the matter. There will be another real advantage to this afternoon hour — the library opens at 2 p.m. and this means, that for the first time they youngsters attending, will be able to check out books following Story Hour.

A passing thought for this week: Back through the road of time I wander
Up and on the future I look
All this I can do in the space of an hour
With the help of a very good book.

Conference Draws 23 Churches

By TEENY BOWDEN
The Llano Altos Associational Workers' Conference met with the Sunnyside Baptist Church Monday night.

THE BOARD meeting and the WMU meeting were held from 5:30 to 6:30. Supper was served to approximately 100 by the local church at 6:30, and the workers' conference program followed at 7:15.

Rev. R. N. Tucker of Parkview, Littlefield, moderated in the absence of both the moderator and vice-moderator. Jerry Fields of Springlake filled in for Al Jordan, leading the music and presenting the special music. He was accompanied by Mrs. Gale Sadler, local pianist, in the absence of the associational pianist. Rev. R. N. Tucker spoke on evangelism, and Mr. Greer of the state office in Dallas brought some information on the New Testament, "Good News For Modern Man."

Churches represented according to the register were from Springlake, West Camp, Calvary, Frona, Longview, Earth, Parkview, Northside, Dimmitt, First Church of Dimmitt, New Hope, Dimmitt, Trinity, Muleshoe, Lums Chapel, Hart Camp, Lazbuddie, Farwell, Enoch, Oklahoma Lane, Muleshoe First, Bovina, Frio, Field-ton, Three Way, Sudan, and Sunnyside. In all, 23 of the 33 churches in the association were represented.

REV. M. D. Durham and his brother, Alford Durham of Dallas, left Monday morning for California because of the critical condition of Alford Durham's mother-in-law. Word was received that night that she had passed away.

Mr. and Mrs. Carl Shultz, Mrs. Maggie Seymour and Darrell Suitor all of Abilene, came home with Mrs. Pearl Sadler of Dimmitt last Saturday. They were all supper guests of Mr. and Mrs. Howard Cummings Saturday night, and the Shultzes were their house guests until Thursday.

Mrs. Russell Durham of Littlefield visited after Workers' Conference Monday night with Mr. and Mrs. Cliff Brown, Lee and Lynn, and their guests, Mr. and Mrs. Fred Carter of Fort Worth. Mr. and Mrs. R. V. Bills attended his family reunion in Wichita Falls last weekend. Two of his sisters, Mrs. Joe Moore of Wichita Falls and Mr. and Mrs. Arthur Brown of Dallas came home with them and visited a couple of days.

MR. AND MRS. Irving King visited in Hereford last weekend with their grandson, Mr. and Mrs. Mike King and Michael Irving. They will teach in the Hereford school system this fall, and do some studying at WTSU.

Mr. and Mrs. Shorly Elliott and family left last Thursday on a

week's vacation with relatives in California.

Mrs. J. T. Wood of Amarillo spent Monday and Tuesday nights at the hospital with Mrs. Raymond Lilley and Mrs. Raymond Lewis. Mr. and Mrs. Haskell Grant of Levelland and two of his sisters visited with them Monday night. Mrs. Carolyn Hansen of Big Spring came Wednesday and stayed until Friday.

MR. AND MRS. Irving King visited with Mrs. F. M. Sweeney and the rest of her children and part of her grandchildren Tuesday on her 93rd birthday.

Sandy Loudder went by bus to Wichita Falls Tuesday to visit a few days with her mother and Paula Jean.

Bobby Waide was slightly injured in the Dimmitt Rodeo. In Hereford last Saturday night, a bull threw him on his injured shoulder, and he has been having to carry his arm in a sling since then. No bones were believed broken. He left Tuesday with Donnie Burris of Hart for a few days' vacation in Ruidoso.

MRS. PEARL SADLER of Dimmitt, Mrs. Maggie Symore and Darrell Suitor of Abilene, and Mr. and Mrs. Gale Sadler and girls had dinner with Mr. and Mrs. E. R. Sadler last Sunday. They also spent Sunday night through Wednesday night with them. Mr. and Mrs. Howard Cummings and Mr. and Mrs. Carl Shultz also visited with them Wednesday night.

Mr. and Mrs. Alton Loudder and Mr. and Mrs. Lowell Westmoreland and children of Littlefield left Tuesday morning for Red River, and returned home Wednesday night.

Mr. and Mrs. Jimmy Lackey adopted a baby girl born last Thursday, last week in Oklahoma. They named her Twila Kay.

DEBBIE CURTIS, Debbie and Denise Morgan, Steve Jackson, Marsia Dawson and Janice Townsend have been busy this week with band practice with the Springlake-Earth Wolverine band. Terry Bridge has been working out this week with the Springlake-Earth football team in preparation for the start of school next week.

The WMS met Wednesday night for business meeting with the president in charge.

ALFORD CRISP had charge of the prayer service Wednesday night in the absence of the pastor. Bill Morgan had charge of the services last week.

Mrs. Eldon Lilley and Mrs. Harold Bischoff of Dimmitt went to Lubbock Wednesday to be with her brother, Nolan Sweatt of Seminole who underwent brain surgery in Methodist Hospital Wednesday. Mrs. Lilley went back and spent part of Wednesday night with him. He was dismissed Saturday.

Mrs. Zona Porterfield of Kermit spent Thursday and Friday with Mr. and Mrs. Floyd Ivey while her friend was visiting with relatives at Plainview and Hart.

NEW TAXES WILL HIT TEXAS CARS OCT. 2

Effective Oct. 2, the state sales tax on new and used cars and trucks will climb to 3 percent.

That extra 1 percent which was added by the legislature this year will raise your sales tax to \$30 per \$1,000 of the trading price of your new car or truck.

(Automobile customers in Lubbock and Amarillo are ALREADY paying a 3 percent sales tax on cars and trucks — 2 percent state tax and 1 percent city tax. After Oct. 2, the total sales-tax burden in these cities will be two times as great as it is in Dimmitt today.)

The new tax increase is important to you if you plan to make a year-end trade on a new or used car. And it's especially important if you plan to buy a truck or pickup anytime during the coming year.

At Dimmitt Motor Co., we now have a huge selection of 1968 Chevrolet Job-Tamer trucks and pickups, plus a good supply of '68 Chevrolet automobiles. If you trade now, you'll escape that extra 1 percent sales tax.

NOW'S THE TIME TO BUY!

'CHARGE!' ... Bobcats go through light scrimmage Friday

Bobcats Will Scrimmage Clarendon Here Tonight

If they haven't had enough head-knocking already, Dimmitt's Bobcats will get plenty more of it tonight (Thursday) when they undergo their first full-grade scrimmage against the state's seventh ranked Class A team.

THEY'LL HOST always-tough Clarendon at Bobcat Stadium at 8 o'clock. Admission is free.

In last year's pre-season scrimmage, Dimmitt and Clarendon played brick-wall with each other. And as their tired players left the field, the coaches of both squads allowed that the rough field trial had been good for their boys' attitudes, if not morale.

It's liable to be that way again tonight. The Clarendon team that Dimmitt scrimmaged last year ended up in the regional finals of Class A, and the squad is still liberally sprinkled with regulars from that steamroller.

DIMMITT fans will see something new tonight from Coach

Brown L Smith's Bobcats — a Slot-I offense. The pro-type formation uses a fullback and tailback directly behind the quarterback, sets a wingback either to the left or right, and sends a split end out the wingback side.

The new formation promises a lively passing attack.

"We're hoping to open our offense up a little," Smith said, "and we think we have the boys to do it."

SEVEN starters are back from the Bobcat team that posted a 6-3-1 record and finished second in the district last year. These seven held down six offensive and five defensive starting positions.

They are senior fullback David Land; junior Roy Thomas, offensive halfback and defensive corner back; senior Durward Strickland, offensive and defensive end who is now trying out the tackle slot on offense; junior Gary Langford; offensive center; senior Larry Gamble, end and linebacker; senior Lee Buchanan, offensive tackle and defensive guard; and senior Jimmy Coleman, defensive halfback last year, who is trying the corner back spot now.

Five coaches are back from last year, too, and two new faces have been added.

THE NEW mentors are Bob Askey, who'll help with the varsity line and share B team duties, and Don Parker, who'll work with the junior high and varsity lines. Askey, a Texas Tech product, comes to Dimmitt from Frenship State.

Older heads around the practice field are Smith; Kenneth Cleve-

land, B team and varsity backs; Jones Hedrick, freshman and varsity backs; Roy Blair, freshman and varsity lines; and John Lantz, varsity and junior high backs.

The coaches now are trying to sort out a squad of 44 boys — which they expect to grow to 50 today or tomorrow — into varsity and B squads of 20 to 25 boys each.

"WE WON'T cut any boy who wants to play," Smith said. "I'll all be on the squad — either varsity or B. We've got a 10-game B team schedule, and we'd rather have the boys playing ball than sitting on the bench."

In addition to the varsity and B squads, the coaching staff will have its hands full with a freshman squad of 50, and seventh and eighth grade squads of 40 each.

HERE'S the lineup of juniors and seniors who are vying for varsity starting assignments:

Fullback — David Land, senior, and Nelson Chavers, junior.

Tailback — Roy Thomas, junior, and Jesse Vasquez, senior.

Wingback — Danny Newton, junior, and Jimmy Coleman, senior.

Split end — Jerry Brady, senior, and Bobby Baker, junior. (In the Slot-I formation, the split end will alternate left or right depending on the direction of the slot.)

TACKLES — Seniors Durward Strickland, Lee Buchanan and Rob Uplfold, and juniors Bobby Mayhew and Jerry Cartwright.

Guards — Senior Richard Jackson and juniors Randy Schumacher, David Bailey and Randy Tally.

Center — Gary Langford and Randy Tally, both juniors.

Don Newman, former Plains Memorial Hospital administrator, left Dimmitt for Saigon, South Vietnam, last Thursday after spending a 19-day leave with his family here.

SINCE November, he has been a field liaison officer for the State Department's US Agency for International Development. This was his second leave and he has one more year to serve there.

Newman made his return trip via Tokyo and Hong Kong.

He reports that Saigon was relatively quiet during July, and that "most of the time you wouldn't know there's a war going on" near the city. However, he added that "We had to evacuate our building one day in July when there was a pretty big fire-fight going on."

CCA Committee Elects Smith New President

Wesley Smith of Bethel is the new president of the Castro County Activities Committee.

HE SUCCEEDS Mrs. Helen Richardson of Dimmitt in the committee's top office.

New officers were elected Monday night at the August meeting of the county-wide committee.

Also elected were Mrs. Bill Swindle of Hart, secretary, and Harley Daniel of Dimmitt, publicity chairman.

MEMBERS of the new executive board are to appoint three vice-presidents from different communities. The vice-presidents during the past year were Bill Simpson of Jumbo, Clarence Birkenfeld of Nazareth and Mrs. Bill Swindle of Hart.

Smith, 34, is a long-time active member of the county activities chairman of the annual Castro County Roundup in 1967, and in 1966 he was chairman of the "Dress Western" committee.

MRS. SWINDLE has been chairman of the Roundup horse show for several years, and this year was also chairman of the awards committee.

people had on straw hats, too." I say shame on you demonstrating democrats.

I told you last week that Vice-President Hubert Humphrey would be the democratic nominee for president and so far in the convention there hasn't been anything to change that prediction. Naturally there have been rumors, mostly to create interest and excitement, that Senator Ted Kennedy would be drafted and that President Johnson would be drafted, and of course John Connally has been hoping that he would be drafted. All of that is just so much hoopla. It is a little hard to tell just who the vice presidential nominee will be, but I will pick Senator Harris of Oklahoma. He certainly would be a logical choice. Again this week's issue of the News will be printed before we have the verdict.

While I am predicting I will go a little farther, Humphrey will beat Nixon in the General election. If I were a farmer I certainly would want and work for a Humphrey victory, he is a friend of agriculture and agriculture needs a friend along about now.

Col. Morris B. Montgomery, deputy commander of Fort Sam Houston, presented the Bronze Star to the sergeant's widow, Valentina, and to his two sons, Robert and Thomas.

THE PRESIDENTIAL citation accompanying the medal said in part, "Sfc. Adams distinguished himself by exceptionally meritorious service in connection with military operations against an armed hostile force in the Republic of Vietnam during the period November 1967 to March 1968 while assigned to Co. C, 7th Support Battalion, 199th Light Infantry Brigade."

Sfc. Adams, a career soldier, was raised in Dimmitt and had maintained his family home in San Antonio while serving in Vietnam. He first enlisted in Castro County in 1942.
