

With 1984 programs, it's 'here we go again'

(Editor's Note: This is the second in a three-part series attempting to define the current situation and outlook of Castro County's farmers and the farm economy in general. For this article, News reporter Brenda Schulte asked the ASCS office, farm leaders and other sources to trace the evolution and impact of farm programs in the past, and evaluate the proposed 1984 programs.)

By BRENDA SCHULTE

Farmers haven't always been in such dire financial shape.

Since the implementation of the first federal farm program in 1933, farmers have had many good years financially.

"Under the farm programs in the 1930s, '40s and part of the '50s, Americans saw the greatest ag-machine that has ever been, and Americans were eating cheaper than anyone else in the world," said B. M. Nelson, owner and publisher of the Castro County News.

Prior to 1933, American farmers operated under a free enterprise system. The stock market crash

of 1929 and the depression which followed left the nation facing the most stubborn and complicated economic problems in American history.

EARLY FARM PROGRAMS

President Franklin D. Roosevelt's "New Deal" included a federal farm program designed to control the production of basic commodities to keep supply in line with demand and to place a price floor under the value of these commodities to protect producers from wild market fluctuations. In return, farmers had to comply with designated production controls.

What eventually evolved was a farm program basically simple to administer, widely approved by producers, and of very little cost to the federal government.

The program called for a guaranteed government loan program with rigid price supports of 90% of parity (a fair price based on the cost of production) for all basic commodities grown on allotted acres specified by the Secretary of Agriculture for each individual producer.

The producer could place his commodities in the loan program for a specified time and receive a price equal to 90% of parity immediately, or he could sell on the open market, whichever was higher.

If he placed his commodities in the loan program, he could redeem them at any time before the expiration of the loan contract and sell his product on the open market if the market price exceeded the loan value and storage costs.

The commodities in the loan program that were not redeemed went into storage through the Commodity Credit Corporation, a government agency empowered to dispose of the stored commodities under certain guidelines.

Each year, before planting time, the Secretary of Agriculture would announce publicly what the price supports and acreage allotments would be for the following year, and a two-thirds majority of the farmers participating in the program and voting had to approve the program for it to be legal and functional.

The program remained virtually unchanged until

the early '50s, when the government started using flexible price supports. The Secretary of Agriculture was given discretionary power to place price supports between designated levels (or a certain percent of parity).

Thus began a trend which eventually led to no production controls and meaningless price supports.

In the 1950s, '60s and early '70s, the farm program underwent many minor changes, but basically included mandatory production controls, and diversion payments to farmers for acres laid out.

Carl King, a 30-year farmer in Castro County, said that in his farming years "The program worked in the middle '50s to middle '60s when we had paid diversion, acreage quotas and acreage control. The national economy flourished, the farmer made money, and food was cheap."

Big Halloween events planned

about dimmitt and castro county by b. m. n.

'YOU MEAN THEY TURN BACKWARDS, TOO?' asks Coby Summers as his teacher, Joyce Hunter, tries to explain about going off of Daylight Saving Time Sunday. The change officially comes Sunday at 2 a.m., but clocks are usually set upon retiring Saturday night. Clocks should be set back one hour, so that if one retires at 10 p.m. Saturday, the clock should be set to read 9 p.m., etc. Summers, 5-year-old son of Charles and Sue Summers, is a kindergartener student at Lucky U Christian School in Dimmitt.

Workers are preparing for two fun-filled Halloween events that have become annual traditions in the area.

One is Dimmitt's Community Halloween Carnival, which will be held from 6:30 to 9:30 p.m. Monday.

The other is the Easter Lions Club's Spook House Saturday, Sunday and Monday nights, in conjunction with a Halloween carnival Monday evening.

DIMMITT CARNIVAL
The Community Carnival, sponsored by the Lions Club, is designed to provide fun, food and safety on Halloween night. It will be staged at the former LCC Union Shed on East Halsell Street, and will feature at least 27 food, game and educational booths, plus a costume contest for the youngsters.

Admission to the carnival will be \$1 for adults and 50 cents for students and pre-schoolers. Also, a pair of used eyeglasses will be good for admission. The lenses and frames will go into the Lions International Sight Conservation Program.

Twenty-four organizations will sponsor booths at the carnival. At the game booths, you can try your luck at throwing basketballs, darts, sponges, rings or beanbags, walk for cakes and candy, and go fishing or play standard or Mexican bingo for prizes.

Foods available at various booths will include baked goods, hamburgers, cotton candy, candied apples, soft drinks, popcorn balls and Mexican food specialties.

At other booths, you can get your face painted for Halloween or get a helium-filled balloon.

Still other booths will be educational. Booths with movies and/or informational brochures will be operated by the Castro County Child Welfare Board and the local units of the American Cancer Society and the American Heart Association.

EASTER SPOOK HOUSE
The big Halloween Spook House operated by the Easter Lions Club will open at 8 o'clock Saturday and Sunday nights and at 7 o'clock Monday night.

The Spook House this year will feature "90 percent new attractions," a spokesman for the club said.

Spook House group tours will begin from the Easter Lions Community Building at the intersection of FM 1055 and FM 2397. Tickets may be purchased at the community building for \$2 each.

On Monday evening, a Halloween carnival will be held in the community

building in conjunction with the Spook House. The carnival will feature a cake walk, food booths and games.

The Easter Lions Spook House usually draws crowds of visitors from three counties at Halloween.

One-vehicle wreck claims two lives

A one-vehicle accident early Saturday left two area men dead.

Dewayne Christopher Heck, 21, of Sunray and formerly of Nazareth, was driving north on US 87-287 in his pickup truck when it overturned several times, throwing him out along with passenger Darrell James Meyer, 20, of Stratford.

Investigating highway patrolmen said the accident took place about 1:45 a.m. about 9.9 miles north of Amarillo. They report-

ed that Heck apparently lost control of the truck on a curve and hit a sign beside the road, veered to the left and crossed the median, becoming airborne.

After touching the ground again, the vehicle rolled over four times, landing right side up. Both occupants were ejected.

The two were pronounced dead within a few minutes of each other, at 3:18 and 3:25 a.m. Potter County Justice of the Peace Roy Byrd acted as coroner.

Special meeting set by Chamber tonight

A special meeting will be held today (Thursday) at 7:30 p.m. for all the members of the Dimmitt Chamber of Commerce.

The meeting will be held at the Justice offices, 115 W. Bedford, and Chamber manager Delores Heller said "We would like to urge all members to attend the meeting, because we want the consensus of the whole membership to be carried out."

The purpose of the meeting is to present members with a financial statement of the chamber and to present a proposed self appraisal — fair share investment schedule, base

based on the number of employees, the square footage of a business and the gross volume of business.

"Using that formula we would like to make dues more equitable to the whole membership," Heller said. "Our dues structure has not been re-evaluated since the chamber's origin in 1947, with the exception of a few individuals who increased their dues voluntarily."

Chamber members will also consider the purchase of the Justice building and the adoption of some amendments to the by-laws.

Four sentenced in district court

Three men from Dimmitt and one from Hart were sentenced last week in 242nd district court, Judge Marvin Marshall presiding.

Ernest Smith Jr. of Dimmitt, was charged with theft over \$200, was sentenced to four years in the Texas Department of Correction (TDC) facility at Huntsville. The defendant gave notice of appeal to the Amarillo Court of Appeals. Judge Marshall set a \$10,000 appeal bond, which Smith must post to remain out of jail during the appeal.

Juan Oliviero Jr. of Dimmitt was given a 10 year felony probation sentence on a burglary charge. He was ordered to pay restitution of \$3,404.59 and will have a 10 p.m. nightly curfew.

Judge Marshall revoked the probation of Alfredo Tenorio, 32, of Hart, and ordered him to serve 8 years in the TDC.

Jimmy Garcia, 19, of Dimmitt, pled guilty to the May 8 burglary of a storage room at the mini storage buildings in Dimmitt. He was assessed a six year felony probation sentence, ordered to pay a fine of \$750 and restitution of \$166.15. He also was ordered to reimburse Castro County for a court appointed lawyer (\$125).

Cotton crops need warm, dry weather

Castro County ginners are wary of making any predictions in the aftermath of the early freeze and last week's rains.

Most gins in the county were just getting started when the rains hit Oct. 9.

Farmers Gin in Flag had ginned 200 bales before the rain and manager Clay Davis reported that the early freeze had done some damage to the cotton already ginned. "I thought it looked pretty good," he said. But the grades weren't as good as Davis expected.

Several inches of rain in addition to the early freeze, is not expected to help the cotton crops.

"Just driving around, I haven't seen a lot of cotton out on the ground," Davis said. "Probably the quality will be damaged worse than the yield."

Five Point Farmers Gin, Hart Producers Co-op, North Gin and Castro County Co-op had just begun ginning when the rains started.

Easter Community Gin has not ginned any cotton yet, but with the early freeze and rain, manager Thomas Gage said he is guessing that the damage will range from 25 to 30 percent.

"The rain didn't do any good," said Mike Bryant of Five Point Farmers Gin. "It is going to hurt some, but until we get some grades back, there is no way to tell how much."

L. J. Rice of Hart Producers Co-op said his gin had ginned 252 bales before the rain. "It was looking pretty good, but most we ginned was still pretty green," he said.

Rice said it was hard to tell how much damage the rain did. "If it clears off I don't think it will hurt it too much, but if it hangs on (the cold, damp weather) for two or three weeks I think it will hurt the grades."

Cotton prices are ranging from 50 to 55 cents a pound, and seeds are selling for about \$160 a ton.

Lebanon bombing prompts petition

A Dimmitt woman is so upset over the deaths of more than 200 Marines in Beirut that she's circulating a petition questioning the US military presence in Lebanon.

"I think a lot of Americans are wondering, as I am, why our country put our boys in this position," said Tomi Poteet. "I think we need to question why we're there. If we are there for a purpose, then let's do our job and get out."

More than 200 Marines and sailors were killed and many others injured when a terrorist drove a bomb-laden truck into a three-story command post building in Beirut before dawn Sunday. The blast levelled the headquarters-baracks building, killing most of those inside.

The suicide bombing was the bloodiest attack against the US military since Vietnam. At the same time, more than 20 French paratroopers were killed in a similar attack at their command post a mile from the Marine base.

Mrs. Poteet, whose son Kevin is stationed with the Air Force in Germany, said, "I don't know any of the boys in Lebanon personally, but it really hits home when I see those boys on TV, in the aftermath of this, and it's apparent that their morale is so low."

Americans are among military personnel from four nations serving as a United Nations peace-keeping force in Lebanon, at the request of the Lebanese government. The peacekeeping mission is an effort to restore stability to Lebanon in the wake of the invasion and occupation by Israel and internal strife by warring factions.

Mrs. Poteet is distributing copies of her petition to

local stores this week, hoping enough persons will sign them to influence a vote or two in Congress. She said she also hopes to get her petition circulated in Lubbock, Amarillo and other area cities.

Here's the wording of Mrs. Poteet's petition:

ANOTHER VIETNAM? LET'S BRING OUR BOYS HOME ALIVE!

"We, as Americans, are aware of our military involvement in Lebanon. The conscience of this involvement is questionable.

"As the news media has reported the last incident that has happened in that faraway land, we should begin to ask ourselves, 'Just why are we there?' We are a fair and patriotic nation and would like to see all nations be as lucky as we are to be living in a democratic country.

"So again, why are we there?"

"Our American fighting men are not afraid to fight anywhere, anytime, but again, why can't they be allowed to defend themselves while on duty in a foreign country?"

"If you will sign this petition, also write your congressman, maybe then the American people will make their voice heard once again."

Moore gets medal 'Storytime' set Nov. 4

Sgt. 1st Class Claude W. Moore, son of Claude and Ida Mae Moore of Dimmitt has been decorated with the Army Achievement Medal at White Sands Missile Range, N.M.

The medal is awarded to soldiers for achievement or meritorious service and acts of courage.

Moore is an avionic equipment maintenance supervisor with C Company, Troop Command.

He is a 1967 graduate of Dimmitt High School.

Friends of the Library will begin "Storytime," a session for 4 and 5 year olds, Nov. 4 at Rhoads Memorial Library.

Bea Hawkins will conduct the sessions on Fridays from 10:30 to 11 a.m. The first series will run for six weeks, from Nov. 4-Dec. 9. Each session will feature two or three storybooks and either a film or filmstrip. All children (4 or 5) are invited to attend.

FLIPPING OUT—Jack Edwards (foreground) and Bob Caddell serve as production and quality control technicians during the Dimmitt Lions Club's annual Pancake supper in the high school cafeteria's kitchen Friday evening. The Lions served approximately 200 persons before the Dimmitt-Friona football game.

Breathing club meets tonight

The American Lung Association of Texas will sponsor a breathing club meeting tonight (Thursday) at 7 in the Deaf Smith County Library in Hereford.

The meeting is for people who have breathing problems. It will be held in the Heritage Room, downstairs auditorium at the library.

Future meetings are planned for the last Thursday of each month.

Swifts now 6-1 after 19-0 win over Amherst

By ANNE BIRKENFELD
A devastating Nazareth defense forced six turnovers and yielded just 99 yards of offense Friday night, as the visiting Swifts prevailed over the Amherst Bulldogs 19-0 in a District 21A matchup.

The Swifts, now 6-1 overall and 3-1 in loop play, exploded for three big touchdowns early in the game. Two of the scoring strikes came about as a result of forced turnovers.

Nazareth started the game in impressive fashion. On the opening play of the game, the Swifts

converged on an Amherst ball carrier, forcing a fumble and setting themselves up in excellent field position on the Amherst 29 yard line. On the next play, Eric Wilhelm carried the ball 21 yards, giving Nazareth a first down on the Amherst 8. Two plays later Wilhelm again took the ball, this time for a three-yard touchdown run. Johnny Schmucker added the PAT to give the Swifts a 7-0 lead with just 2:48 gone in the game.

Amherst received the ball on their own 25-yard line, but a penalty forced them all the way back to the 14 where they were

forced to punt. Nazareth again had the ball in good field position, as they received the ball on the Bulldog 32. Chris Gerber, who played his first game since being hurt against Sudan, picked up 8 quick yards, putting the ball on the 24-yard line. The Schmucker cousins teamed up for Nazareth's second score, as quarterback Johnny connected with tight end Marvin for a 24-yard touchdown toss with 6:28 left in the first quarter. The PAT by Johnny Schmucker was blocked, and Nazareth extended its lead to 13-0. Amherst never ran more

than three plays during a possession in the first half. On their next possession, they again met an unpenetrable Swift defense and punted after only one series of downs.

Nazareth started out on their own 32 and moved downfield with most of the gains coming from an explosive ground attack. The Swifts worked their way down to the 5 with the help of an Amherst penalty.

A 15-yard clipping penalty backed Nazareth up to the 30. On the next play, Johnny Schmucker connected with Ricky Backus for an apparent touch-

down, but it was called back because of a holding infraction, and Nazareth was forced to punt. Time expired in the first quarter with Nazareth leading Amherst, 13-0.

The Nazareth defense dominated all night. The Bulldogs gave up the ball again in the opening moments of the second quarter, as the Swifts forced the second of four fumbles in the game with 1:09 gone.

It was easy sailing for the Nazareth offense after the fumble recovery gave them possession on Amherst's 15. Johnny Schmucker scampered 10

yards to the 5-yard line for a first down. Roger Schulte, who led Nazareth's ground attack with 54 yards on 12 carries, surged up the middle for a 4-yard touchdown run, giving the Swifts their final margin of victory, 19-0, with 1:02 gone in the second quarter.

After trading punts with the Bulldogs, Nazareth started out with their worst field position of the evening. They took the ball on their own 14, but were pushed all the way back to the 4 when Schmucker was sacked for a 10-yard loss. Chris Gerber dropped back in the end zone to punt, but an overeager Bulldog ran into him, giving the Swifts an automatic first down.

Nazareth failed to capitalize on Amherst's mistake and gave the ball to the Bulldogs who promptly gave it right back when the Swifts forced the third turnover with 0:36 remaining in the half.

No one seemed to be able to hold on to the ball. With 0:13 remaining, a Johnny Schmucker pass was intercepted when he tried to hit Sidney Gerber with a long toss. Amherst ran one play, and then, as time ran

out, Ricky Backus intercepted a Bulldog pass.

The third quarter was a series of one punt after another, and the fourth wasn't much different.

With 8:00 left in the contest, Amherst fumbled for the fourth time that night, making their turnover total five. Nazareth head coach Ken Cole replaced his starters in the waning moments of the fourth quarter, and they continued holding the Amherst offense in check for the rest of the game. Frankie Huseman forced Nazareth's sixth turnover of the game when he picked off an Amherst last minute desperation pass with under 0:20 to go in the game to seal off a 19-0 victory for the Swifts.

Cole lauded his team's offensive performance in Friday night's victory over Amherst. "I felt that

our offensive execution played a major part in the outcome of the game.

"Marvin Schmucker is our leading defensive player at this point," Cole commented. "He is averaging 10-12 tackles a game."

The Swifts will host Lazbuddie Friday night at 7:30 p.m. According to Cole, "We have to play consistent defense and not give up the big plays and touchdowns," to beat Lazbuddie.

Nazareth is in a strong position to make the playoffs this year. "The next two games will have the most effect on whether or not we will make the playoffs. We have to win both of our remaining games against Lazbuddie and Happy to finish second in District and qualify for the playoffs," revealed Cole.

Another TD nullified as Hart loses by 3-0

For the second week in a row, the Hart Longhorns had what would have been the winning touchdown called back because of a penalty. Consequently, Hart lost another heart breaker; this time to the Olton Mustangs by a count of 3-0.

The Longhorn defense played tough all evening, allowing the Mustangs only 112 of total offense.

The first quarter was strictly defense as neither team was allowed a first down. However, Hart tailback, Arthur Finch, busted up the middle for an apparent 87 yard touchdown run, but it was called back because of a holding penalty. Thus, the first quarter remained scoreless.

Hart dominated the second period of play, out-gaining the Mustangs 126 to 47 yards. Hart moved from their own 3 yard line down to Olton's 12 in only 6 plays, but on first down the Longhorns fumbled the ball back to the Mustangs. In that quick drive, Johnny Washington had a 45-yard run, while his brother, Freddy Washington, had a 25-yard run. Also, quarterback, Omar Longoria, hit Johnny Washington for an 11-yard gain that put the ball on the Mustangs' 12-yard line. Late in the period Hart drove to Olton's 17-yard line on a 17-yard pass from O. Longoria to Ronnie Rodriguez, but time expired before the Horns could get another play off, and the half ended with the score deadlocked at 0-0.

The third quarter was much like the first period, in that only three first downs were made during the 12 minutes of play. As the third quarter came to a close the score was still

knotted at 0.

In the fourth quarter, it was the Mustangs who capitalized on a couple of big plays to squeak out the victory. Hart fumbled on their own 26 early in the period, and after one Mustang first down, Olton quarterback, Troy Don Allcorn, missed a 26-yard field goal attempt with

Bobcats, Hornets look for respect

Although they're out of the district title race, Dimmitt's Bobcats can still finish with a respectable 6-4 or 5-5 season. That's what they'll be shooting for when they travel to Tulia Friday night.

The Hornets, who have had an uphill season, will be hoping to improve on their 2-5-1 mark.

The Hornets this year are tutored by L. G. Wilson, the Hall of Honor coach who made Floydada famous. For that reason, if for no other, an opponent can't afford to take the Hornets lightly. Floydada and Abernathy have learned that lesson the hard way.

"Tulia doesn't have much of a record, but they're not a bad ball club," Dimmitt Coach Gene Griffin reported. "I think Coach Wilson is bringing them along real well — as evidenced by their (18-13) victory over Abernathy Friday night."

Abernathy, by the way, had upended Friona 23-7 the previous week.

Dimmitt and Tulia have played four common opponents this season. Dimmitt lost to Floydada 13-20, while Tulia downed the Whirlwinds 21-19. Dimmitt topped River Road 16-0, and Tulia lost to River Road, 20-21. Both teams lost to Friona by 13 points — Tulia by 0-13 and Dimmitt by 10-23. Littlefield downed Dimmitt 28-0, and the following week drubbed Tulia 58-0.

Tulia opened the season with a 7-7 tie with Lockney, then lost to Idalou (14-34) and Frenship (14-28) before playing Floydada, River Road, Friona, Littlefield and Abernathy in order.

Coach Wilson has a young squad, with only five seniors. And he has them believing in airball. From their Wing-T formation, they'll throw the ball

9:25 left in the game. Hart came back and moved to the Mustangs 40 yard line. The big play being a 45 yard pass from Longoria to Robert Gonzales. However, the Olton defense stiffened and forced the Horns to punt. After a 30 yard punt return by Freddy Sifuentes, the Mustangs began to move

40 percent of the time. The hurler is 6-1 senior quarterback Chad Swinburn.

When Swinburn isn't throwing, keep an eye on fullback Rusty Hooper (6-0, 195 senior) and wingback Tony Powell (5-9, 161 junior). The main anchor in the Hornets' line is 6-3, 252-lb. senior Randy Ferguson, who plays tackle both ways.

Littlefield's powerful Wildcats, as expected, emerged as the top team in District 2-AAA Friday night by shutting out Muleshoe 24-0. It was the Mules' first conference loss.

Littlefield had topped Dimmitt 28-0, while Muleshoe had downed the Bobcats 30-0 the following week. So the big margin of the Wildcats' victory over the Mules Friday night raised a few eyebrows.

"But there wasn't any question in my mind that Littlefield was that much better than Muleshoe," Coach Griffin said. "Littlefield is really that good. You know, I don't think anybody realizes just how well our kids played against Littlefield. We played them tougher than anyone besides Post. And, of course, it took something out of our kids — you could tell that when we played Muleshoe the following week."

The Bobcats are now through with that murderous first three weeks of their conference schedule, with Littlefield, Muleshoe and Friona in succession, and will be looking to get back into the win column Friday night.

Kickoff time at Tulia will be 7:30 p.m.

Elsewhere in District 2-AAA Friday night, Muleshoe (5-2-1, 2-1) will visit Friona (6-2, 2-1), with the second playoff berth at stake, and Abernathy (4-4, 1-2) will be at Littlefield (8-0, 3-0).

from the Horns' 45 yard line with only 5:47 remaining in the game. The Mustangs moved down to the Longhorns' 10 yard line behind the running of Stan Stroebel and Troy Don Allcorn. On first down, Allcorn connected on a 27-yard field goal with only 0:08 remaining in the game to provide the winning margin, as Olton came away with a 3 to 0 victory. Olton ups its district record to 2-1, while Hart remains winless in three district outings.

Hart will travel to Springlake-Earth on Friday, October 28. Both teams will be looking for their first district win this year. Game time is set for 7:30 p.m.

Dimmitt 7th dumps Friona

Raul Dones ran for two touchdowns, and Genaro Catano nabbed a pass for another last Thursday, to lead the 7th Dimmitt Bobcats to an 18-0 win over visiting Friona.

Dones scored twice in the first half, on runs of 12 and 18 yards, and Catano's score came on a pass from Mat Bradley from 16 yards out.

The 7th Bobcats now are 3-3 on the year.

Friona JV downs Dimmitt, 28-6

Friona downed Dimmitt 28-6 last Thursday in JV football action in Friona.

Friona scored twice in the first quarter, and once each in the second and fourth stanzas, while Dimmitt's only TD came in the third period.

Bobcat Mark Shackelford broke for an 8-yard touchdown run with 3:46 left in the quarter, to put the Bobcats on the scoreboard.

It was the third quarter, and Friona's Chieftains had just scored their second touchdown to go ahead, 16-7. Dimmitt's Bobcats were fighting back with a vengeance.

Joe Alvarez had returned the kickoff from the Dimmitt 10-yard line to the 48 to put the Bobcats in good field position. David Barton had gained five yards over right guard, and Brandon Cox had just carried four Friona defenders six yards for a first down at the Friona 41. The Bobcats were showing their quick-strike offense, behind fierce blocking.

On the next play, quarterback Woody Glass rolled out to the right, cut inside behind a good screen block by Dwight McDonald, picked up two more good blocks downfield, and raced 31 yards to the Friona 10.

HARD YARDS—Dimmitt fullback Brandon Cox battles for yardage in the third quarter of the Bobcats' District 2-AAA game against Friona here Friday night. Pursuing him are Friona's Harvey LaFuerie (63) and Mitch Reeve (60). Before this run was over, Cox

Then disaster struck. A referee yellow-flagged the long gainer and ruled that McDonald was guilty of holding. Dimmitt was penalized back to the 48.

"I think that call changed the momentum of the game," Dimmitt Coach Gene Griffin said. "And for what it's worth, we didn't hold. It wasn't even close."

He added, "I didn't say anything about the call at the time, because I didn't see Dwight's block. But when it showed up on the game film, it just made me sick."

The film showed McDonald throwing a full-front screen block and the Friona cornerback grabbing him by the shoulder pads and spinning around him. McDonald's hands were in the open.

"It's aggravating," Griffin said. "We were

about to get right back into the ball game. I think that if Woody's run had held up we would have scored, Bobby Nino would have kicked the extra point, and it would have been a 16-14 game — and we would have had the momentum on our side."

Instead, the drive faltered as things turned sour for the Bobcats. The holding penalty was followed by a clipping call that nullified a 10-yard gain by Barton. Then Glass was sacked for a

15-yard loss, and two plays later Friona's Kemal Tongate intercepted a desperation pass at the Chieftains' 22-yard line.

After gaining only a yard in three plays, the Chieftains punted to the Dimmitt 32, and the Bobcats started driving again. They were on the Chieftains' 34-yard line when a side grab stripped the ball from Barton's hands as he was zipping through the line, and the Chieftains recovered at the Friona 33.

Five plays later, Friona's Reese Fleming plunged into the middle, burst out of the crowd and raced 42 yards for the Chieftains' third TD. Doug Carthel kicked the PAT, and it was 23-7 with 9:41 left in the game.

The Bobcats followed with a drive that went to the Friona 27, and from there Nino kicked a field goal to end the scoring.

Friona used up almost six minutes with a drive to the Dimmitt 18, then the Bobcats launched an

aerial attack in the final 2:11 that carried to the Friona 12-yard line, with completions by Glass to McDonald, Brad Holcomb and Barton. But on the game's final play, Friona's Troy Crutchfield broke through and sacked Glass to end the game.

"I think that with just a break or two, we'd have been right back in the ball game," Coach Griffin lamented.

The statistics were almost even. Dimmitt earned 12 first downs to Friona's 11, gained 283 yards to Friona's 296, and averaged 7.4 yards per play to Friona's 6.7.

The loss dropped the Bobcats to 4-4 for the season and 0-3 in district play. The Chieftains now stand 6-2 for the season and 2-1 in district play, but still must face Littlefield and Muleshoe.

Friona's first and last scores were both set up by interceptions.

The Chieftains opened the scoring with a 22-yard field goal after Eloy Caballero picked off a Dimmitt pass and returned it to the Dimmitt 10 behind a bevy of blockers on the fourth play of the game.

Dimmitt went ahead on the first play of the second quarter when Barton followed good blocks by the right side of the line, for the final two yards to cap a six-play, 75-yard drive. Nino booted the extra point to give Dimmitt a 7-3 lead with just three seconds gone in the second.

Highlighting the Dimmitt scoring drive were a 33-yard pass from Glass to

Mike Love up the middle and a 27-yard option run by Glass that carried to the Friona 3 and set the stage for Barton's TD run two plays later.

Friona went ahead, 9-7, when quarterback Charlie Veazey launched a 15-yard pass into the end zone to Caballero, who caught it on his knees with 1:59 remaining in the half. Cox blocked the extra-point kick.

Following the second-half kickoff, Friona kept its momentum going as Alfredo Mata and Reese Fleming combined for big runs to carry the Chieftains on a seven-play, 72-yard scoring drive, with

Frost Bank promotes Andrew S. Behrends

The board of directors of Frost National bank of San Antonio recently promoted Andrew S. Behrends to vice president, according to C. Linden Sledge, chairman of the board and chief executive officer.

Behrends, the son of the late Mr. Andrew L. Behrends and Mrs. Andrew L. Behrends of Dimmitt, specializes in the pension and profit sharing and employee benefits areas of Frost's Trust Business Development Department. After joining the bank in September 1981, he was elected assistant vice president. He is a Chartered Life Underwriter and will be named a Chartered Financial Consultant in October.

A graduate of Springlake High School, Behrends earned a B.S. degree from Texas Tech University, Lubbock. He served in the United States Air Force from 1951 to 1954, attaining the rank of first lieutenant.

Behrends is a member of the American Institute of Banking and the American Society of CLUs. He is a past president of the Texas

Andrew S. Behrends

agents Association and the San Antonio Estate Planners.

Frost Bank is an affiliate of Cullen-Frost Bankers, Inc., the ninth largest bank holding company in Texas, with assets in excess of \$3-billion. The corporation has 13 banks in five major banking markets — Austin, Corpus Christi, Dallas, Houston-Galveston and San Antonio — which account for 60 percent of Texas' population.

Hamby elected VP of Texas LP-Gas

Houston Hamby, Northern Division Manager — Gas Liquids, West Texas Gas Company, Inc., Plainview, was recently elected to serve as Region D Vice

President-District 17 Director on the Board of Directors of the Texas LP-Gas Association.

The 23-year industry veteran specializes in home heating, carburetion, motor fuel and farm fuel in West Texas, with responsibilities for the Morton, Hart, Olton, Dimmitt, Plainview, Halfway, Clarendon, and Groom areas.

Hamby is active in the Plainview Chamber of Commerce, Industrial Development Foundation, Red Raider Booster Club, Lions and Elks Clubs.

The Texas-Gas Association is a statewide trade organization comprised of dealers and suppliers whose main objectives are to promote safety and education in the industry.

Obituaries

James Glenn Smith

Services were held Friday for James Glenn Smith, 47, at Castro Memorial Gardens Cemetery in Dimmitt.

Mr. Smith died Oct. 20 in Levelland.

Vernon O'Kelly, pastor of the First United Methodist Church of Dimmitt officiated at the services.

Mr. Smith was born Feb. 13, 1936 in Dimmitt. He was the son of the late George and Margaret Smith, former Dimmitt residents.

He is survived by two sisters; La Dell Jeter of Austin and Mary Jo Rice of Houston; an aunt, Jessie Miller of Amarillo; and a cousin, Jim Williams of Amarillo.

McDaniel Infant

Graveside services for Keegan Lloyd McDaniel were held at 10 a.m. Wednesday in Castro Memorial Gardens under direction of Parsons Funeral Home of Dimmitt.

Rev. Harold Waldow, pastor of Holy Family Catholic Church at Nazareth officiated.

The child was stillborn Monday in Central Plains Hospital in Plainview.

Survivors include: his parents, Stanley and Rita McDaniel; grandparents, Mr. and Mrs. John Womack of Dimmitt, Loyd McDaniel of Boise City, Okla., and Geraldine Davis of Alaska; and three brothers, Shad, Stacy and Colby, all of the home.

Less Linville

Graveside services for Less Linville, 78, of Hereford were held Monday at Restlawn Memorial Park in Hereford with the Rev. Buster Grigg officiating.

Mr. Linville died Friday evening at South Hills Manor in Dimmitt following a lengthy illness.

Born June 23, 1905, he was a Hereford resident for 50 years. He was a retired trucker and served in the Marines during World War II.

He married Maudie Edwards in 1943 in Hereford.

Survivors include his wife; two stepdaughters, LaNell Roberts of Abilene and Martha Ann Gibbons of Dumas; two stepsons, Richard Oakes of Hereford and James Thomas of Deer Park; two sisters; a brother; 10 grandchildren; and 12 great-grandchildren.

Joe Wiggins

Services for Joe Edward Wiggins, 64, of Los

Angeles, Calif., and formerly of Crosbyton were held Tuesday in Crosbyton's Galilee Baptist Church with the Rev. Forne Cole and the Rev. Eugene Gentry, officiating.

Burial was in Crosbyton Cemetery.

He was the brother of Gene Wiggins of Dimmitt.

Mr. Wiggins was born March 7, 1919, in Aquilla and was a veteran of World War II. He moved to Los Angeles in 1945 from Crosbyton.

Survivors include two sisters, Sue Robertson of Crosbyton, and Viola Gordon of Lubbock; four brothers, Gene of Dimmitt, Johnny Jr., Raymond and Lindsey, all of Crosbyton.

Dewayne Heck

Services for Dewayne Heck, 21, of Sunray, were held Sunday at Holy Family Catholic Church in Nazareth with the Rev. Harold Waldow, pastor, officiating.

Burial was in Holy Family Cemetery under direction of Wallace Funeral Home, Tulia.

Mr. Heck died early Saturday when his pickup truck overturned two miles south of the Canadian River Bridge on US 287.

Born Nov. 30, 1961, in Plainview, he graduated from Nazareth High School. In March he moved to Sunray where he farmed.

He was a member of Christ the King Mission Catholic Church in Sunray.

Survivors include his parents, Mr. and Mrs. Charles Heck of Nazareth; six sisters, Dolores Braddock of Amarillo, Beverly Heck of Houston, Tammy Black of Amarillo, and Belinda, Charlotte and Darlene Heck, all of Nazareth; two brothers, Charles of San Jose, Calif., and Morgan of Nazareth; and his maternal grandmother, Mrs. Martha Dowty of Dimmitt.

Pallbearers were Dale Wilhelm, Jimmy Dowty, Robert Moore, Mark Huber, Randy Heck and Frankie Acker.

Lela Jones

Services for Lela Louise Jones, 62, of Odessa were held Tuesday in Westside Church of Christ in Lockney with Frank Duckworth, minister, officiating, and Boyce Mosley assisting.

Burial was in Plainview Memorial Park. She was the sister of Oscar Wylie of Dimmitt.

Mrs. Jones died Monday in Odessa Medical Center after a lengthy illness.

The Abernathy native married Ed N. Jones. He died in 1974. They moved to Floyd County in 1937 from Abernathy. She worked in the Heritage Home in Plainview for two years and was a member of the Church of Christ.

Survivors include two sons, Nolan of Odessa, and Edward of Lubbock; four daughters, Lela Turner, Letha Hooper and Edna Lyle, all of Odessa and Gayle Titus of Plainview; three brothers, Oscar Wylie of Dimmitt, Elton Wylie of Lockney, Price Wylie of Plainview; four sisters, Annie Pinner of Lockney, Clydie Robertson of Dumas, Helen Bynum of Kingston, Okla., and Bessie Young of Plainview; and nine grandchildren.

Eddie Harbert

Funeral services for Thomas Edward (Eddie) Harbert, 76, of Hartley, were held Oct. 13 at the Hartley Methodist Church with Rev. Gene Amerson officiating assisted by Rev. Tom Condry.

Burial was in the Dumas Cemetery.

Mr. Harbert was a farmer-stockman, and had lived in Hartley most of his life. He was a member of the Hartley Methodist Church.

Survivors include his wife, Eula; two sisters, both former Dimmitt residents, Lena Crum of Dumas and Mildred Crum of Silverton; and one brother, Wesley Harbert of Hartley.

More about Farmers' plight...

ment went back to the free enterprise system.

There were no controls; farmers could plant what and how much they wanted, and they didn't have to report acres.

The unbridled production, plus unforeseen embargoes (Nixon's soybean embargo, and Carter's grain embargo) led to a tremendous surplus of all commodities, and prices fell well below the cost of production.

At the end of the 1982-83 marketing year, the carryover of cotton was 7.9 million bales; soybeans, 455 million bushels; corn, 3.4 billion bushels; wheat, 1.5 billion bushels; and rice, 68.2 million hundredweight.

Analysts estimated that by the end of the 1982 harvest, the US was storing up to 60% of the world's grain supply. There was no place left to store anything.

PIK PROGRAM

The administration, realizing that drastic measures were needed, adopted the Payment-in-Kind Program, in 1983.

Faced with another year of record low prices, almost 90% of the nation's eligible farmers agreed to take from one-fourth to one-half of their acreage out of production in exchange for "crop swap" commodities.

PIK was necessary, and farm leaders and economists concur that it will help farmers financially, and that it has reduced surpluses.

The problem is, it is estimated that the 1983 farm program — including PIK — is going to cost taxpayers in excess of \$21 billion. That compares with a cost of no more than \$3.5 billion in the 1970's.

"The old farm programs (middle '50s to middle '60s) didn't cost nearly that much," King said. "Paid diversion would have been a lot cheaper."

"The government claimed that the farm programs (in the '30s, '40s and early '50s) didn't cost them anything," B. M. Nelson said. "The sale of loan products covered all the money the government invested in the program."

1984 PROGRAMS

Farm leaders are extremely critical of the 1984 farm programs.

The 1984 wheat program is a scaled-down version of the '83 PIK Program, and the feed grain program calls for a 10% acreage reduction (with no payments). The cotton program has not been announced, but leaders are pleading for strong production controls.

"The wheat program is not as good as the program last year," said Bill Nelson, president of Texas Wheat Producers. "And the USDA has estimated that only 53% of the producers will participate in 1984."

"A lack of participation means farmers will over-produce again and we will have a continued period of oversupply and low prices."

"We hear we're coming out of the depression era, but I don't see that here," said B. M. Nelson.

Police calls

Sheriff's deputies picked up five illegal aliens Monday night, and released them to the border patrol.

Deputies stopped the car full of men, while searching for armed robbery suspects in connection with the Ringwald robbery at Nazareth.

The driver of the vehicle was charged for driving while his license was suspended and for having no liability insurance. He was fined \$175 and sentenced to three days in jail.

Juvenile authorities ordered five juvenile males (12 to 16 years old) to pay restitution and placed them on informal probation this week in connection with the removal of shingles from the roof of the concession building at the City Park.

Two men were arrested on DWI charges during the week. One man was arrested for public intoxication. He was fined \$106.

A 48-year-old Earth man was arrested for selling alcoholic beverages in a dry area Sunday.

An 28-year-old Dimmitt man was arrested for fleeing from a police officer and for criminal mischief over \$20 and under \$200.

A Springlake man was arrested Tuesday for possession of marijuana

and unlawfully carrying a weapon. He was fined \$325 and sentenced to three days in jail.

Jerry Rickert reported to Dimmitt police that someone had stolen two CB antennae from the top of his pickup while it was parked at the high school parking lot on Oct. 15.

Todd Durham reported to Dimmitt Police that someone had put shoe polish on his car while it was parked at the high school last Thursday. Durham reported that the back window had been damaged when he tried to remove the shoe polish.

Police are investigating both of these incidents.

One minor traffic accident was reported during the week. No citations were issued and no one was injured.

IT'S A FACT!

An estimated 468,000 children ages 3-5 have vision problems. A young child can't tell you when he or she has one.

The National Society to Prevent Blindness, now in its 75th year, suggests that it's up to parents to have a youngster's vision checked—before school age. A primary concern is the eye condition amblyopia (lazy eye).

Spearman is new home for pair wed Oct. 11

Mr. and Mrs. Joe Raper are at home in Spearman after a honeymoon trip to Trinidad, Colo., following their Oct. 11 wedding.

The bride is the former Beth Mohon, daughter of Mr. and Mrs. Wayne Mohon of Dimmitt. The groom is the son of Mr. and Mrs. J. B. Raper of Dimmitt.

Joe Higgs officiated at the informal, double-ring ceremony, which was held in the home of Mr. and Mrs. Dyer Bonifield of Canyon, great-aunt and uncle of the bride.

Dina Heard of Canyon served as maid of honor. Best man was David Mohon of Dimmitt, brother of the bride.

Deborah Mohon, sister of the bride, sat at the registry and also served as candlelighter.

Given in marriage by her father, the bride wore a formal gown of candlelight satin fashioned with a wedding-ring neckline. The bodice was adorned with Alencon lace and seed pearls. The long, fitted sleeves featured English net accented with matching lace and were caught at the wrists with self-fabric buttons. The hemline of the A-line skirt had a wide scalloped border of Alencon lace with seed pearl accents, and extended to a cathedral-length train.

Her matching Juliet cap, edged with the same lace and seed pearls, held her chapel-length veil of bridal illusion, also accented with lace and pearls. She carried a cascade arrangement of white daisies and pink carnations with baby's breath, and white satin streamers tied in love knots. Her baby ring was tied in one of the knots.

In keeping with tradition, for something old she wore pearls that belonged to her great-aunt; for something new, a gold bracelet; something borrowed, her wedding

gown and veil; and something blue, her garter. She also wore pennies in her shoe which were minted in the couple's birth years.

The maid of honor wore a street-length dress of pink with a white Peter Pan collar. It was styled with tucks at the bodice. She carried a nosegay of white daisies and pink carnations with baby's breath and pink satin streamers.

The ceremony was performed in front of the home's fireplace, with white candles and foliage decorating the mantel. The registry table was accented with a bouquet of white daisies, pink carnations and purple statice with baby's breath.

At the reception, the wedding cake was formed

in two tiers with pink frosting roses and topped with white bells and love birds. Pink punch was served by Dina Heard and Noel Salinas. Flowers, candles and crystal appointments completed the table. The cake was cut with a silver cake knife belonging to the bride's parents. It had also been used at their wedding.

The bride is a 1983 graduate of Dimmitt High School. She is attending WTSU, where she is majoring in accounting. She is employed in the WTSU graduate dean's office in the administration building.

The groom graduated from Dimmitt High School in 1980. A graduate of the Police Academy in Amarillo, he has completed various other specialized training in law enforcement work. He is presently a sergeant in the Spearman Police Dept.

Luncheon to be Saturday

Saturday will be the luncheon meeting of the Tristate Twosomes, Mothers of Twins Club at Borger in the party room of the K-Bob's Steak House there.

The meeting will begin at 11:30 a.m., and representatives from various area twins clubs are expected to attend.

Each person will order and pay for their own meal. Door prizes will be given. Those interested in attending may contact Melyn Johnson at (806) 339-7109.

FUMC dinner, bazaar set

The United Methodist Women of the First United Methodist Church of Dimmitt has set Nov. 8 as the date for their annual Thanksgiving Dinner and Holiday Bazaar.

A meal of turkey and dressing and all the trimmings will be served at the church's Lamar Fellowship Hall from 11:30 a.m. to 1:30 p.m., with the cost set at \$4 for adults and \$2 for children. Take-outs will be available.

The bazaar will include gift items as well as food items. Sale hours are from 10 a.m. to 2 p.m.

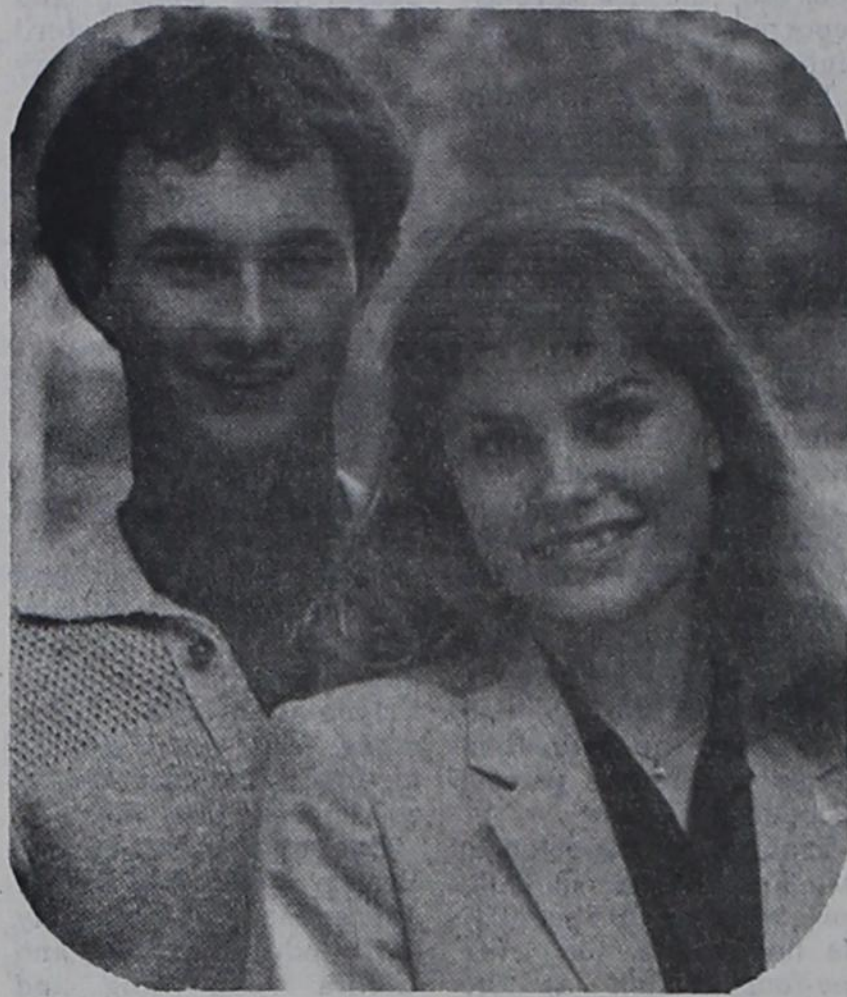

Proceeds from the event will be used for mission projects.

Dance is Saturday

The Dimmitt VFW and Auxiliary have two Halloween activities planned.

A Halloween masquerade dance will be held at the VFW Saturday from 9 p.m. to 1 a.m. Whiplash will provide the music and admission will be \$6 per couple. A prize will be given for the best costume.

The Auxiliary will have a food booth Monday at the Halloween Carnival at the old cotton compress.

Rocky Rawls and Terri Andrews

December vows set

Mr. and Mrs. Curtis Andrews of Georgetown announce the engagement and approaching marriage of their daughter, Terri Colleen, to Rocky Dell Rawls, son of Mr. and Mrs. Larry Rawls of Dimmitt.

The couple plan to wed Dec. 31 at Zion Lutheran Church in Walburg. They will be living in Bronte after the wedding.

The bride-elect is a 1982 graduate of Georgetown High School and is currently enrolled at Tarleton State University in Stephenville, where she is majoring in elementary

education.

A 1978 graduate of Dimmitt High School, the groom received his bachelor of science education degree in 1983 from Southwestern University. He is currently the head basketball coach at Bronte High School.

Officials argue over quality of stored corn

Displaying the results of Texas Department of Agriculture (TDA) inspections of federally-owned corn stored in a Panhandle warehouse, Agriculture Commissioner Jim Hightower said recently the corn "is going to hell when it ought to be going to West Texas."

Officials at the U.S. Department of Agriculture have claimed that this corn is of good quality and therefore is too valuable to release to drought-stricken ranchers. Panhandle corn growers, however, had told Commissioner Hightower and Governor Mark White that the corn is of low quality and should be released to the ranchers.

"The corn in the PLB warehouse averaged 19.72 percent damage, nearly one-third more damage than the 15 percent limit allowed in corn for human consumption. A lot of it is much worse off than that — it's moldy, it's musty, it's weevilly. A great deal of it is no longer even fit to feed to sheep or goats — the only thing it can still be used for is cattle feed, and some of it won't be fit to use as anything but filler by the time the winter's over," Hightower added.

Richard Goldberg, head of the Agriculture Department's commodity programs, disagreed with the TDA results.

"After Texas officials found 46 samples of the lowest grade corn, the owners of the elevator went in and found only 10 samples," Goldberg said.

Sen. Lloyd Bentsen, has requested a USDA inquiry into apparent discrepancies between federal and state inventories of the quality of CCC owned grain stored in the elevator complex in Plainview.

Bentsen said government inventories show only 1 percent of the corn is the lowest possible grade, while state tests showed 53 percent of the 21 million bushels was the lowest possible grade.

"U.S. taxpayers are paying \$55,000 a month to this one warehouse to hold onto corn that is turning to worthless powder at the same time that our ranchers are having to liquidate their herds because they can't afford corn to feed their livestock this winter," Hightower said.

"If the Reagan Administration would release only the 17 million bushels of bad corn that we have found in this one elevator, taxpayers would save \$40,000 per month and ranchers would get enough volume to feed every remaining cow, sheep and goat in the 27-county drought area for the entire winter, he concluded.

"We decided the best way to settle this factual dispute was simply to make an official inspection of the corn," Hightower said. "Accordingly, I asked the Texas Department of Agriculture supervisor of grain warehouse inspection, Darrell Ketchum, to inspect the corn being stored at the largest storage facility."

On Oct. 6 and 7, TDA inspectors pulled 86 representative samples from the PLB Grain Storage Corporation in Plainview, Texas. The samples were then delivered for analysis to the Lubbock Grain Inspection and Weighing Company, an independent, federally-certified laboratory.

"We have received the results of these tests, which show quite clearly that the federal government's corn not only is of low quality, but actually is in much worse shape than we had suspected," Hightower said. "The lab's analysis shows that, of the 22,660,215 bushels stored in this warehouse, 77 percent of it has seriously deteriorated and more than 53 percent is now below the quality allowable for human consumption."

Mr. and Mrs. Kleman make home in Dimmitt

Mr. and Mrs. Gerry Kleman are at home in Dimmitt after a trip to Dallas, Fort Worth and Arlington following their Oct. 8 wedding.

The bride is the former Joyce Schacher, daughter of Mr. and Mrs. Edwin Schacher of Nazareth. The groom is the son of Mr. and Mrs. Carl Dean Kleman of Nazareth.

The pair were wed in a formal ceremony in the Holy Family Catholic Church of Nazareth, with Rev. Harold L. Waldow, pastor, officiating.

Janice Allison of Dimmitt, sister of the bride, served as matron of honor. Bridesmaids were Mona Brockman of Nazareth, sister of the groom, and Connie Detten of Claude, cousin of the bride.

The groom's brother, Doyle Kleman of Nazareth, served as best man. Groomsmen were Darryl Schacher of Amarillo, the bride's brother, and Jimmy Huseman of Nazareth.

Ring bearer was the groom's nephew, Marcus Brockman of Nazareth. The bride's niece, Tiffany Allison of Dimmitt, served as flower girl.

Ushers were Dean Schacher of Nazareth, brother of the bride; Kent Hoelting of Nazareth, cousin of the bride; and Hugh Acker of Nazareth.

Sharon Brockman was the organist. Noreen and Alan Carson sang "Time For Joy," "Let It Be Me," "Author of Love," "I Will Always Love You," "All My Life, All My Love," and "Years From Now." Jean Schulte sang "Hail Mary, Holy Mother."

Given in marriage by her father, the bride wore a formal gown of white chiffonette designed with a high Victorian neckline of sheer English net and Alencon lace. The fitted bodice featured a natural waistline and an overlay of lace that formed a scalloped effect at the yoke. Satin formed the full puff of the Juliet sleeves, while the lower portion was made of lace ending in a scallop over the hands. All the lace was accented by seed pearls. The satin

skirt featured a ruffle at the hemline and a sheer overlay that formed deep scallops with lace edging. The train was chapel-length. She wore a wreath of silk and pearlized flowers to anchor her full-length veil of silk illusion.

The feminine attendants wore floor-length gowns of huckleberry satin designed with closely fitted bodices and spaghetti straps. Bolero jackets with short, puffed sleeves covered the shoulders. Each wore a puff of matching illusion that fell to shoulder length.

The bouquets carried by the bride and her attendants, as well as the boutonnières worn by the men of the wedding party, were silk flowers made by Liz Hoelting of Nazareth, grandmother of the bride. She also made the table decorations used at the reception.

The groom wore a silver tuxedo with tails and an ascot. The groomsmen

wore silver tuxedos with ascots, and the ushers wore gray tuxedos.

Church decorations included gladiolas on the altars, a white aisle cloth and candles with ribbons in the bride's colors down the middle benches.

The reception was held in the Nazareth Community Hall. The bride's table featured a three-tiered cake decorated with fresh miniature white roses and carnations. Candelabras flanked the cake.

At the groom's table, chocolate cake was served by Marlene Huseman, Leona Kleman and Renee Ball, all from Nazareth.

Both tables were centered by white baskets with white silk flowers.

The bride attended West Texas State University and is employed by Parson's Rexall Drug in Dimmitt.

The groom is employed as an assistant manager with Higginbotham-Bartlett Lumber Co. in Dimmitt.

Ruling affects CCHC

Under a new Attorney General ruling, the Castro County Historical Commission (CCHC) is now accountable to Castro County Commissioners in all financial matters.

Representatives of the CCHC met with commissioners Monday to discuss changes in the handling of the commission's funds.

Commissioners agreed to leave the CCHC money market account of \$5,704.60 where it is, but the account name must be changed to Castro County Commissioner's Court.

Commissioners agreed that any withdrawals from this account would be handled by the county treasurer upon the request of the CCHC chairman or any two members.

Commissioners approved the county policy unanimously. Full time employees now have 10 days sick leave, and some minor changes were made

in the death and emergency leave policy.

Commissioners court appointed Oscar Wiley, Democratic Party chairman, election judge for the Nov. 8 constitutional amendment election.

County Judge Polly Simpson will be out of town.

Friday, Judge Simpson attended an emergency management meeting about reorganizing the Civil Defense system in the county. Mrs. Simpson said commissioners have to appoint someone to be in charge of civil defense, warning systems have to be in working order, and forms have to be filled out. Judge Simpson said she would study the matter and keep commissioners informed.

Events set for Nov. 20

The Nazareth Art Club and the Nazareth Christian Mothers Society are both holding fund raising events Nov. 20.

The art club will have a Holiday Arts and Crafts Bazaar at the Nazareth School Cafeteria from 11 a.m. to 5 p.m.

Booth reservations must be made by Nov. 12. Cost is \$15 for a booth eight by ten feet. Each booth will be provided with one table and chairs. For more information contact Lucille Drerup at Rt. 2, Box 126, Dimmitt, 79027, phone (806)945-2562.

The Christian Mothers will serve a Thanksgiving dinner of turkey and all the trimmings from 11 a.m. to 2 p.m. in the Nazareth Community Hall.

Fire calls

A garage fire was reported Saturday at the home of E. L. Washington, 703 SW 4th.

One pumper, 18 firemen and a rescue wagon responded to the call and controlled the fire in a short time. The garage was separate from the house, and minor damage was done to the building.

Firemen responded to two vehicle fires during the week.

Fourteen men and one truck responded Monday morning to a vehicle fire at NE 2nd and Etter. A heater hose had burst on the vehicle and the car wasn't actually on fire.

Tuesday night, six firemen and one truck responded to a vehicle fire near the dump ground in Dimmitt. A pickup belonging to Thomas Rodriguez caught fire under the hood while Rodriguez was driving. Firemen controlled the flames in five minutes. Heavy damage was done to the engine compartment and the passenger side of the vehicle.

NAACP meets

The Dimmitt chapter of the NAACP met last Thursday in Dimmitt and decided to meet the first Thursday of each month, with the meeting place being posted after each meeting.

Rev. James Alexander has been named Chairman of the Religious Affairs Committee. It was noted that the organization does not have any reporters other than the executive chairman.

The Dimmitt chapter is presently under the Lubbock Branch of the organization.
