

REMEMBER WHEN?—The theme of the 1984 Harvest Days celebration is exemplified by dancers doing the Charleston while Coy Dunn sings "Has Anybody Seen My Gal?" in a popular "Twenties Medley" in the Harvest Days Follies. Dancers, from left, are Cleo Forson, Geneva Ivey, Ed McLeroy and Mae Taylor. The medley was directed by Ed Freeman, with Connie Ivey at the piano. Good crowds attended both performances of the Follies Saturday night and Sunday.

# Paving program adopted

Work started this week on Dimmitt's ambitious 1984 paving program.

The Dimmitt Board of Aldermen gave the go-ahead Monday night for paving approximately 13 blocks of unpaved city streets.

The board had considered paving up to 32 "units" of streets—with a unit ranging from half a block to two blocks—depending on the ability or willingness of property owners and homestead holders in those units to pay the cost.

But after a final review of the project with their consultants Monday night, the aldermen authorized the paving of 13 units, dropped 14 proposed units and placed another five units on "hold" because of only partial interest by affected property owners along those streets.

With the city paying 14% to 15% of the total cost of the project, including intersections, the paving will cost the affected property owners about \$23.50 per foot, City Manager Paul Catoe said. He explained that the paving costs \$47 per foot after deducting the city's share, and that property owners on both sides of the street will split the cost.

Affected property owners may pay the total cost upon completion, or in five payments over a four-year period at 8% interest, with the first payment due 10 days after completion, Catoe said.

Just when that completion date will be is uncertain, Catoe admitted. It depends on the weather.

Hi-Plains Pavers of Plainview, the winning bidder on the job, started work Tuesday, "and if they

can do it all before the first freeze, they will," Catoe said, "but once the cold weather begins, they'll have to hold up. It depends entirely on the weather."

The units scheduled to be paved are:

- Unit 5, Dulin Street between Golden and Northwest Seventh;
- Unit 8, Andrews Street between Northwest Fourth and Fifth;
- Unit 10, the west half-block of Dulin Street between Broadway and Northwest Second;
- Unit 11, Stinson Street between South Broadway and Southwest Second;
- Unit 12, Grant Street between Southwest Sixth and Front;
- Unit 13, Grant Street between Southwest Fifth and Sixth;
- Units 17 and 18, Southeast Second from the middle of the

block between Grant and Cleveland, northward to Highway 385; Unit 19, Grant Street from Southeast Second, westward to Highway 385 (adjoining Units 17 and 18);

Unit 20, a short "cut-across" section of Grant Street from Southwest Third to the east side of Highway 385;

Unit 29, 571 ft. of East Jones Street from Southeast Fourth, westward across the Burlington Northern railroad tracks to the spur line entering the Dimmitt Agri Industries complex;

Unit 30, where East Halsell Street crosses the Burlington Northern railroad tracks;

Unit 32, an extension of Western

[Continued on Page 5]

The Castro County Harvest Days line up of activities for today (Thursday) through Saturday includes at least 12 different events, with two new ones added.

The Easter Lions Club, of "Spook House" fame, is sponsoring a Road Rally.

The new event will be held Saturday, beginning at 1 p.m. at the County Expo Building, and will also end there.

Entrants may register at the starting line as early as 12 noon Saturday up until race time. Pre-registration will be accepted at the Dimmitt Chamber of Commerce office on West Bedford.

The entry fee is \$20 per two-man team, which includes a driver and a navigator. Anything on four wheels is acceptable, race officials announced.

A written set of instructions is given to each team, directing them to a check point, where new instruction will be given. Four check points are included in the approximately 30-mile-long race that is estimated to take about 1½ hours to complete.

Teams will be started at five-minute intervals and clocked at the check points. Penalties will be given for going too fast or too slow, and all traffic laws must be obeyed.

First prize will be \$100-worth of car care products. Second prize will be a barbecue grill, and third prize will be a motorcycle helmet.

A talent contest is set for Saturday at 3 p.m. at the Expo Building. Sponsored by the Fair Association, the new event has already attracted several entries. There is no entry fee, but the deadline for entering is Friday at 5 p.m.

Prizes are offered of \$25 for first place, \$15 for second place and \$10 for third place.

A contest organizer said that entries include singers and break dancers. Other talents of all ages are welcome to enter.

A special ceremony has been planned to coincide with the Harvest Days activities. The Castro County Sesquicentennial Committee will have its sanction-

[Continued on Page 12]

### Without bonfire

## DHS Homecoming to be next week

Next week will be Homecoming Week at Dimmitt High School. But because of new school rules, the celebration won't include the traditional bonfire.

Instead, the DHS Student Council announced, a "new type of fire" will be set off during the big Spirit Rally, which is scheduled next Wednesday night at 9 in Bobcat Stadium.

The Spirit Rally will begin with a "pinning ceremony" for football players and will also include a fireworks display, crowning of the Flame King and Queen, and music by the Bobcat Band. The event is open to the public.

Homecoming Week activities, coordinated by the Student Council, will also include special emphasis days at the high school. The Bobcats will host River Road Sept. 21 in the Homecoming Game.

In the past, Homecoming Week has included a midweek bonfire, with classes turning out early so students could gather wood for it. But Supt. Robert Ryan explained at Monday night's school board meeting that because of the stricter new state laws governing public schools, classes can no longer be turned out for such extracurricular activities. Wood gathered and stockpiled ahead of time would be hard to guard, he added.

## County to raise tax rate

The Castro County Commissioners voted Monday to increase the county's total tax rate by 3% over the effective tax rate established by the Tax Appraisal District.

The effective tax rate for 1984 is the rate needed to raise the same amount of revenue the county had in 1983. That rate was determined to be \$.10 for the road and bridge portion and \$.1424 for the general fund portion, for a total rate of \$.2424 per \$100 valuation.

As recommended by the County Auditor Reeford Burrous, the commissioners agreed to shift the portions, making the road and bridge fund rate \$.07 and the general fund rate \$.1797, for a total rate of \$.2497. The total rate is 3% above the total effective tax rate, which is the maximum increase allowed by law without holding a public hearing on the matter.

Shifting the portions has added more revenue to the general fund, and leaves less in the road and bridge fund. State law dictates that money, once placed in the road and bridge fund, may not be transferred to another fund. But money placed in the general fund may be used to cover road and bridge expenses.

"Many times, the county ends up with an excess in road and bridge, but it can't be transferred. This way we can transfer funds into road and bridge as they are needed," Burrous said.

Despite the shift and the 3% increase, the county budget still shows less revenue than planned expenditures.

Revenue is estimated at \$1,535,778, while the budget shows that \$1,576,654 will be needed for expenses — a difference of \$40,876.

"I think we can cover the difference by staying closely within the budget," Burrous said.

In the revenue sharing hearing held Monday morning, the Commissioners designated \$11,600 for capital outlay items including radar units and a public address

system, \$11,324 to the four fire departments in the county. \$4,000 to Dimmitt, and \$2,000 each to Hart, Nazareth and Sunnyside, plus another \$1,324 in undesignated funds; \$18,260 for insurance and bonds; \$16,500 for Rhoads Memorial Library; \$11,000 for utilities for the Expo Building and the MH/MR building; \$10,000 for the ambulance service; \$8,000 to the Senior Citizens' groups in the county, with \$6,000 designated for starting a group in Hart if enough interest is generated, and \$1,000 each for Dimmitt and Nazareth; \$8,000 toward the salary of the fire marshal; \$7,500 for the county's portion of the expenses for the MH/MR outreach center, and another \$3,500 rent for the MH/MR building; \$5,010 janitorial expense for the MH/MR and supervision for the Expo Building; \$3,500 for maintenance of buildings; \$2,500 to the museum; \$2,000 each for the firemen's retirement program and for prisoners' medical expense; \$1,800 telephone expense for the MH/MR and the Expo Building; \$2,310 to the county health officer; \$1,621 for social security, retirement and insurance payments for selected personnel; \$1,800 for the dumpground; \$1,000 for the Castro

[Continued on Page 12]

## County roping on tap Saturday

The Rodeo Association will sponsor the Castro County Roping Saturday evening at the Dimmitt Rodeo Arena.

The roping will begin at 6:30 p.m., and is open to all Castro County residents.

"Just show up and pay your fee" to enter, a Rodeo Association official said.

Events will include team roping and calf roping, A-B and open. Buckles will be awarded to the first place header and heeler and to the first place calf roper. Rope bags and other prizes also will be awarded.

The roping is open to the public, with no gate charge.

## Adult classes are scheduled

The Dimmitt Public Schools will begin adult night classes next Thursday for those who want to learn to read, write or speak English, improve their mathematics and reading, or prepare for their General Educational Development (GED) diploma.

Instruction and books are free. Classes will begin at 7 p.m. next Thursday in Dimmitt High School, with the GED Class meeting in Room 13 and the English as a Second Language (ESL) Class meeting in Room 17. The GED Class will meet Monday and Thursday nights from 7 to 10, and the ESL Class will meet Tuesday and Thursday nights from 7 to 10.

The adult education courses are sponsored by the Dimmitt Independent School District and the Region XVI Education Service Center.

Anyone wishing more information on the classes may contact John Thomas, adult education coordinator, at 647-3105 during school hours.

THE THIRD ANNUAL HARVEST DAYS RUN attracted 58 entrants in three events. Twenty-one runners in the One Mile Fun Run or Walk start off the race at 8:30 a.m. Saturday in Dimmitt. The 5K [3.1 miles] and 10K

[6.2 miles] events started at 9 a.m. and had 16 and 21 entrants, respectively. The turnout was down considerably from the more than 100 runners registered in the previous years of the run.

# On the Go

with Mary Edna Hendrix, 647-3343

Such talent we have in Dimmitt! There is much talent among the young and old. I hope you saw the Follies that was sponsored by the Chamber of Commerce with the theme "Remember When." The time span was from the 1920s to the 1980s and I can remember something from each decade.

Cleo Forson stole the show in the "Twenties Medley" by having trouble getting someone to dance with her. She finally found a partner by encouraging Coy Dunn to dance with her.

Ysleta Ball was on a TV game show and she was so poor she couldn't afford underwear. She received a package on Sunday — you guessed it — Fruit of the Loom underwear!

The Andrew Sisters (Zelda Ellison, Joyce Higgs, and Maureen Foskey) looked like the original Andrew Sisters with their dresses and hair styles from the 1940s.

The play "Went With the Wind" was a scream with Cheryl Pybus as Scarlet and Linda Powell as Prissy.

The Dimmitt Darlings were so cute! Twelve prominent business men dressed as women in an aerobics class, under the direction of their capable leader, Beth Buckley.

Some others who did a great job of entertaining in the Follies were: Ann Murphy, Avie Lewis, Ed Freeman, Connie Ivey, Lynn Roland and Jenifer Fuller, Bill Sava, Helen Braafladt, Kathy Sammann, Jennifer Hanners, Chuck Braafladt, Debra Ball, Gainell Minnick, and Renise Blair, all these were either directors or did solo parts and then about 125 in group entertainment. It was great! Thanks for an evening of fun!

Friday night I entertained the Dimmitt Dinner Club with a planned backyard supper but since this is West Texas and the wind blows we had our supper inside! Those enjoying the picnic supper were: Buster and Mearle Morgan from Bovina, N.A. and Thelma Bryson, Elmer and Mauzee Youts, Irene Carpenter, and guests Bobby and Wanda Murdock. I served raw vegetables and dip, barbecued brisket on a bun, baked beans, chips, cakes, and melon balls, grapes, and bananas for dessert. Wanda directed the group in playing "Crazy Bridge."

I invited other members over Sunday night for leftovers since they were unable to attend on Friday night — Morgan and Geneva Dennis and Virgil and Geneva Justice.

The flowers that the Cu Fu Pu planted in the barrels in downtown Dimmitt in the Spring have been so pretty this summer. Thanks to Delores Heller of the Chamber of Commerce and Joe Higgs, Chairman of Cu Fu Pu, for promoting this beautification effort. It reminds me of the cities in Europe like Munich and Oberammergau.

James and Mildred Bradford recently returned from a trip to Hermitage, Tenn., to visit her sister, Mr. and Mrs. Newt Settle. Earline and Newt accompanied them to Opryland and to Atlanta for a visit with Mike Settle and his family. They went to see Stone Mountain near Atlanta, then to Asheville, N.C. for a tour of the Vanderbilt mansion, The Biltmore. It was opened in 1895 and has 250 rooms with 56 bathrooms. It has central heating and air-conditioning, elevators, all electric wiring, and required a staff of 80.

After a beautiful drive through the Smoky Mountains, they toured Shakerstown, Ky. It is a restored village where the religious sect called Shakers lived in the late 1800s.

On the return trip, James and Mildred, stopped in Denton, to visit Bob and Paula Bradford and the grandchildren, Jaime and Scott. Jim Bradford from Dallas, joined them there for the weekend. They reported seeing lots of wonderful scenery, a fine tobacco crop in North Carolina and Kentucky, but were glad to be back in Castro County to the corn and cotton.

Brad Murdock from Amarillo visited his parents, Bobby and Wanda Murdock, over the weekend.

Don and Carolyn Moke's sons, Trampas and Coby, had some sheep they were raising to show at the Tri State Fair in Amarillo. For some reason they separated the sheep and they started losing weight. They all went to Amarillo anyway, ate breakfast and lunch and had fun at Wonderland Park.

Ruby Ramsey had a fun trip over the Labor Day Weekend to El Paso. Her son Charles Pitts from Amarillo went with her. Charles went on to New Mexico for an archaeology expedition. Ruby visited with her son and family John

and Yvonne Pitts and their daughter and two children. Their pastor has a cabin at Cloudcroft and he invited his membership to go there for their church services on Labor Day weekend. They had to walk up a steep mountain to the cabin, but after they rested they really enjoyed the church services, fellowship, and food. It rained on Sunday so the church services were held in the large cabin. About 40 members of his church were present. After the rain it was cold so they ate their meals in front of the fireplace. Ruby reported a

wonderful time. John Pitts teaches in Burgess High School in El Paso.

Bill and Linda Taylor from Dallas visited her aunt and uncle Oma Dee and Dan Heard, and her grandmother, Hazel McCormick at South Hills Manor. They visited Hazel again Sunday morning.

Wednesday visitors from Clovis, N.M. were Hazel McCormick's nephew and wife, Irvin and Dorothy Robinson.

Oleda Schumacher was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Loranel Hamilton won high score and Susie Reeves won second high. Others playing were: Ferne Dickey, Jo Gregory, Jean Christian, Alice Collyer, Ruth Skinner, Emily Clingsmith, Faun Welker, Anita Morris, Bernice Hill, Evie Froehner, Cleo Forson, Johnnie Vannoy, and Louise Mears.

Josie Bradford entertained the Friday Bridge Club with a dinner bridge party that met at the Senior Citizens Center. Retta Cluck won high score and Anita Morris won second high. Others playing were: Opal Bearden, Gladiola Shipley, Carolyn Copeland, Cletha George, and Betty Cartwright.

Officers of the Community Concert met at the Colonial Inn on Monday morning for a short meeting. Mrs. Mary Lloyd from Missouri was here with the Direc-

tor of the Community Concert in New York City. They were here to discuss plans for the 1984-85 season. Officers present were: Nolan Froehner, Oleta Walser, Walter Maynard, and Joe Higgs.

Tobin Touchstone has received his Masters Degree from A&M in Bryan. Tobin came to Dimmitt to visit the Touchstones, Murphys and Walsers before returning to San Diego, Calif. where he is employed with General Dynamics. His sister, Tricia Touchstone, went along to help drive and then flew home. Angela and her mother, Nancy Ross, had driven out earlier, since she needed to enroll in San Diego State University for the Fall term.

After doing their "Twenties Medley" in the Harvest Days Follies Sunday afternoon, the group went over to the South Hills

Manor and performed for the residents there, then returned for the curtain call on the Follies, then went to the hospital and performed for some of the senior citizens patients there. Those in the Medley cast were Gladys Benson, Norma Conard, Coy Dunn, Betty and Ed Freeman, Cleo Forson, Connie and Gene Ivey, Geneva Justice, Ed and Jackie McLeroy, and Mae Taylor.

## Scouting sign up will be Tuesday

The Dimmitt School Night for Scouting will be held Tuesday at 7:30 p.m. in the west cafeteria of Richardson Elementary.

Youth who are presently enrolled in the scouting program are encouraged to wear their uniforms to school during the day Tuesday.

At the Scouting Night, youth interested in joining the scouting program will be signed up. Participants are asked to bring a parent or guardian with them.

Those who are 8 years old or in the third or fourth grade are eligible for the Cub Scout program. Webelos are those who are 10 years old or in the fifth grade, and Scouts are 11 years old or in the 6th grade.

An annual registration fee of \$3 is charged for each scout, along with a charge of \$5.40 for a year's subscription to Boys' Life Maga-

zine for a total of \$8.40. The fees should be brought at the time of sign up.

## Honor society taps Kay Gfeller

Kay Gfeller of Dimmitt is one of 28 education students at West Texas State University selected as new members of Kappa Delta Pi, national education honor society.

To be eligible for membership in KDP, a student must have at least a 3.25 grade point average overall and a 4.0 GPA in education courses on a 4.0 scale, and must be at least a second semester sophomore.

CURED meat should be frozen it it's to be kept longer than two weeks.

## The Knowledge of the Lord

*Habakkuk 2:14. "For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."*

The Church is chosen of God to spread the good news that God has a plan to redeem men and reconcile them unto Himself through the vicarious sacrifice of Jesus Christ our Lord. The Church will be so successful in spreading this glorious knowledge in the world that God says the earth will be as full of it as the waters that fill the ocean. Attend church and become a part of this great undertaking.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**CITATION BY PUBLICATION** THE STATE OF TEXAS TO: TELESFORO JIMENEZ, Respondent

**GREETINGS:** YOU ARE HEREBY COMMANDED to appear and answer before the Honorable Jack R. Miller, Presiding Judge, 64th District Court, Castro County, Texas, at the Courthouse of said County in Dimmitt, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of EMELIA ROJAS JIMENEZ, Petitioner, filed in said Court on the 5th day of September, 1984, against TELESFORO JIMENEZ, Respondent, and said suit being numbered 5384 on the docket of said Court, and entitled "In The Matter of Marriage of EMELIA ROJAS JIMENEZ and TELESFORO JIMENEZ", the nature of which suit is a request to obtain a divorce.

The Court has authority in this suit to enter any judgment or decree dissolving the marriage and providing for the division of property which will be binding on you.

The Court has authority in this suit to enter any judgment or decree in the children's interest which will be binding upon you.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs. Issued and given under my hand and the seal of said Court at Dimmitt, Texas, this 5th day of September, 1984.

MG Foundation to hold clinic

A free clinic for diagnosis and assessment of treatment of myasthenia gravis, an elusive neuromuscular disease, will be held Sept. 21-22 at Hi Plains Hospital in Hale Center.

Dr. J. E. Tether of the Indiana University Medical Center at Indianapolis will conduct the Melba Bandy Masters Myasthenia Gravis Clinic. He will be assisted by Dr. Hugh H. Wilson Jr. and Dr. Gilmer Johnson. This year marks the 23rd year of the annual clinic. Dr. Tether has conducted 14 of the 23 clinics.

Persons who have the disease, or those whose family doctors suspect they have it, will come from at least four states to the hospital in Hale Center, where Dr. Tether will examine persons suspected of having MG and assess treatment of those already diagnosed. There will be no charge to patients.

Dr. Tether and the board of the Northwest Texas Chapter of the Myasthenia Gravis Foundation have issued a special invitation to area physicians and nurses to observe diagnostic procedures.

Dr. Tether will begin seeing patients at 9 a.m. on each of the two days. An appointment is necessary, said Jenne McVicker of Muleshoe, chapter secretary.

Appointments are made by calling 839-2471, extension 36. New patients should have a physician's referral for an appointment.

Dr. Tether will address members of the MG chapter and interested guests at 7:30 p.m. Sept. 21 at the Church of Christ in Hale Center. Following his address, he will conduct a question and answer period.

More about Paving ...

[Continued from Page 1]

Drive on the north side of Highway 86 West, across the highway from where Western Drive intersects with 86 at the Presbyterian Church.

(The paving of Unit 32 is subject to one more homeowner signing a contract.)

In adopting the units to be paved, the Board of Aldermen acted on the recommendations of its assessment agent, Tom Moore of Municipal Assessment Co. of Dumas.

Moore recommended that the city board drop from its proposed paving schedule Units 1, 2, 3, 4, 14, 15, 16, 22, 23, 24, 25, 26, 27 and 28, and that the paving of Units 6, 7, 9, 21 and 31 be deferred "because of only partial interest at this time." The board followed all his recommendations.

The only objection to the paving program came from Ronald Rickert, 703 Pine St., who owns property in one of the units to be paved.

"We have not signed, we've not even been contacted," Rickert said.

"That is correct," Moore confirmed. "According to our records, that (property) is not a homestead."

Rickert charged that the paving would not enhance the market value of his property, and vowed to take the matter to court.

In other action Monday night, the Board of Aldermen:

- Conducted its required public hearing on Energas' proposed 7.7% rate increase, which is still being studied by a consortium of cities (including Dimmitt) in the service area. No one spoke for or against the increase.

- Approved the City Airport Board's plan for a two-year expansion program at the airport (see separate story).

- Gave the City Police Dept. permission to buy a radio-controlled pager system with eight "beepers" to be carried by individual policemen, at a cost of \$2,250.

- Recognized Larry Edwards of the Police Dept. as the City Employee of the Month for his burglary investigative work.

pet parade

A COCKER SPANIEL needs a good home by Monday. The animal is female and is probably not full grown yet. She needs shots. Fees are negotiable, according to Dimmitt Animal Control Officer Charles Whitman. Asked to find a home for the dog, Whitman said she is gentle, friendly and good with children.

Aldermen approve airport expansion

The Dimmitt Municipal Airport is scheduled to undergo some major improvements during the next two years.

The Board of Aldermen Monday night adopted a plan drawn by the Airport Advisory Board to widen and extend the runway, construct new taxiways, a new hangar, a new access road and a turn-out stub, and install new landing lights.

Meeting with the aldermen were Airport Advisory Board members Buster Tidwell, Wayne Proffitt, Fred Annen and Allan Webb.

They explained that most of the proposed improvements follow the recommendations of the Federal Aviation Administration (FAA) and the Texas Aeronautics Commission (TAC), which would help fund the improvement projects.

The Airport Advisory Board's plan calls for:

- Constructing a new hangar and hangar ramp;
- Widening the runway by 10 ft., to a 60-ft. width;
- Extending the runway by 1,200 ft., to a total length of 5,200 ft.;
- Extending the parallel taxiway to the full length of the runway;
- Constructing two paved east-west taxiways;
- Constructing a second access road from Highway 385 to the hangar area;
- Installing new runway lights;
- Building a new \$50,000 hangar with paved ramp.

The board proposed that the hangar construction be done next summer, and said the TAC would loan half the cost of the hangar and grant 75% of the cost of the ramp.

The board recommended that all other phases of the project be carried out in the summer of 1986, and said the FAA would pay 90% of the cost through improvement grants.

City Manager Paul Catoe said the TAC will start allocating its

funds for next year on Oct. 1, and that application for the FAA grants must be submitted by next Feb. 4.

Members of the Airport Advisory Board stressed the need for the improvements.

Fire calls

The Dimmitt Volunteer Fire Dept. responded to one call the past week.

Eighteen men reported to a fire Friday at Dimmitt Feed Yard.

Feed was on fire in a feed mill. It took from 2:30 to 9 a.m. to extinguish the blaze.

Two county units and the rescue unit were used.

## Bobcats overcome penalties to win, 13-7

By DON NELSON

The best part of the Dimmitt Bobcats' season football opener at Roosevelt Friday night came when they first got their hands on the ball. They swept 86 yards in five running plays for their first touchdown en route to a 13-7 victory.

The worst part was that the Bobcats were assessed a whopping 115 yards in penalties during the game on 13 called miscues. They gave up as much yardage in penalties as they allowed the Eagles in total offense.

One of those penalties — a defensive offsides call on a fourth-and-four play early in the fourth quarter — gave Roosevelt new life at the Dimmitt 23, and the Eagles scored their lone TD four plays later on a desperation pass from the 25 to avoid a shutout.

Otherwise, Coach Clifford Smith's Bobcats held the Eagles to only 38 yards rushing and 77 passing — 115 yards total — while rolling up 312 yards of total offense (300 of it on the ground), highlighted by the slashing runs of Mike Love (19 carries, 128 yards), Mark Coker (12 carries, 86 yards) and Mark Smothermon (eight carries, 73 yards).

Junior tackle Eric Stump paced the offensive line that consistently broke Bobcat runners loose for long gainers.

On defense, Dimmitt's leading tacklers were Smothermon (linebacker) with 11 and sophomore nose guard Milton Carrasco with eight. Love picked off a Roosevelt pass from his cornerback post, and defensive end Doug Nelson blocked a Roosevelt punt.

Roosevelt's Robert White took Bobby Nino's season-opening kickoff at the 9-yard line and returned it to the 30. Three plays later, on third and 14, a personal foul penalty against Dimmitt gave the Eagles their initial first down. Roosevelt drove to the Bobcats' 36 before being pushed back and forced to punt from the 45. The ball rolled dead at the Dimmitt 14.

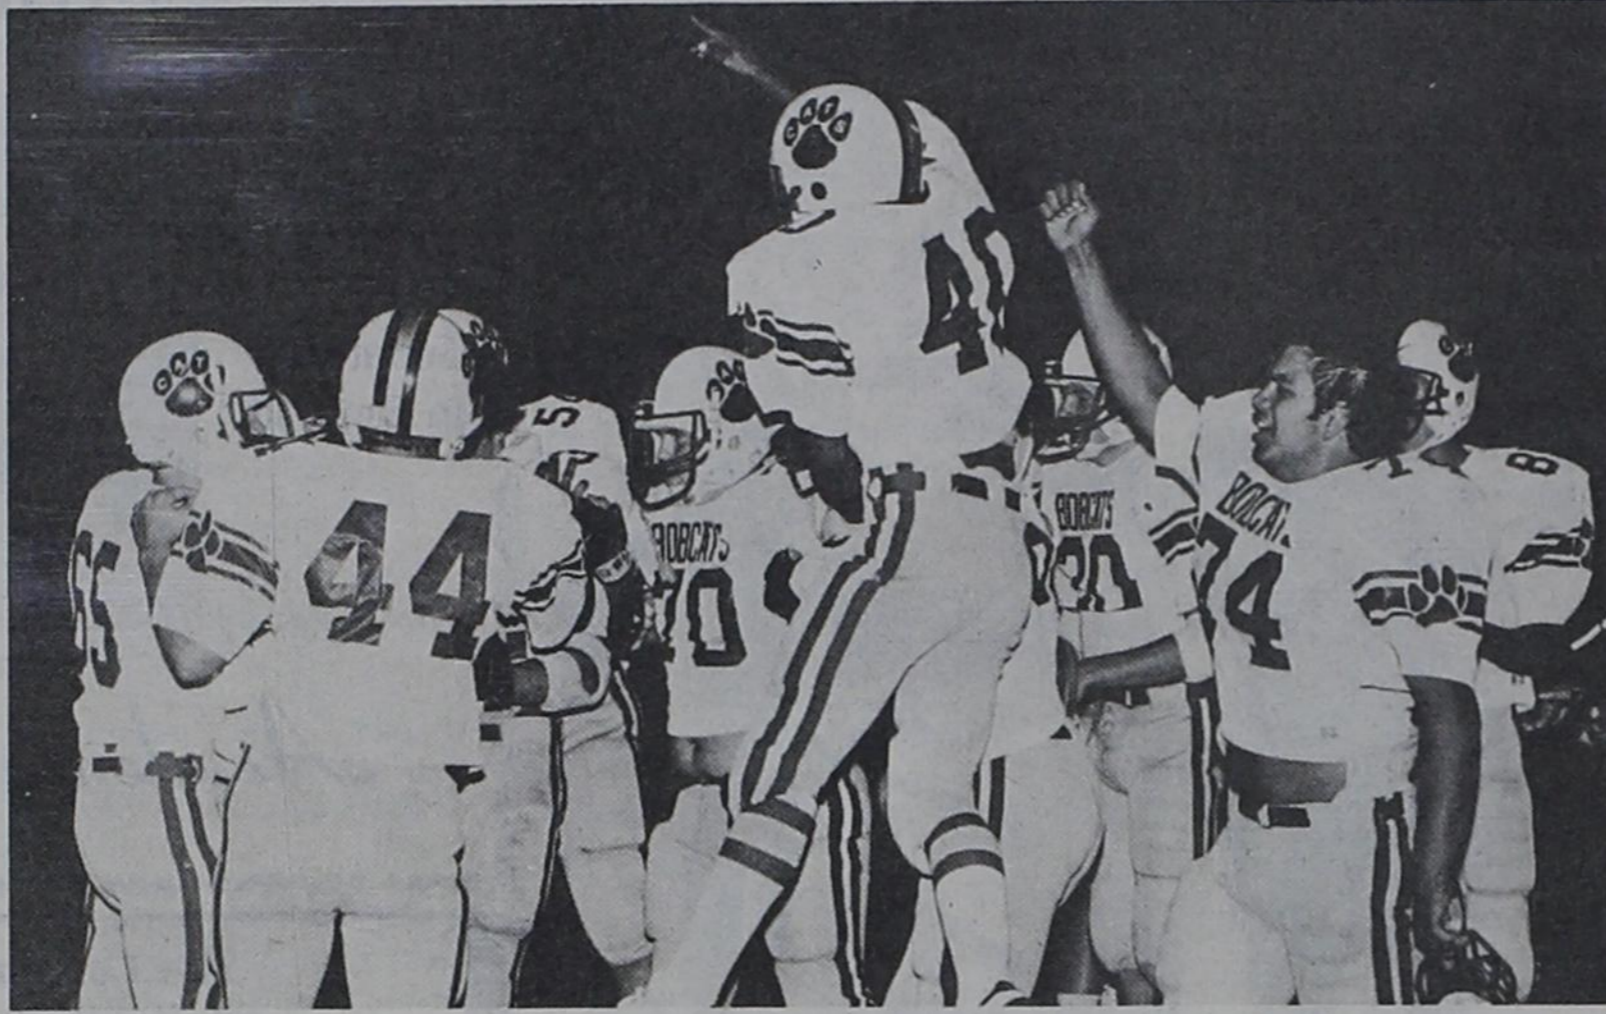

Two plays later, Smothermon burst through the middle, cut to the right and raced 36 yards to the Eagle 46. Roosevelt picked up a 15-yard personal foul penalty on the play, and suddenly the ball was on the Eagle 29.

On the next play, Love got near-perfect blocking from the left side of the line and raced to the corner before being forced out of bounds at the 1-yard line — a 28-yard gainer.

Then quarterback Woody Glass sneaked over for Dimmitt's first TD with 5:56 left in the opening period. Nino's point-after kick was wide, leaving the Bobcats with a 6-0 lead.

That was all the scoring in the first half. Although the Bobcats broke some more classy runs — including a 26-yarder by Coker, a 27-yarder by Love, a 15-yarder by wingback Nathan Nelson, and 11-yarder by Glass — they were offset by penalties that kept stalling out the Bobcats' drives or nullifying their gains.

The second half was a defensive

BOBCATS CELEBRATE AFTER WINNING SEASON OPENER FRIDAY ... 13-7 win over Roosevelt's Eagles

standoff until the Bobcats uncoiled a four-play, 30-yard drive midway in the third for their second touchdown.

This time it was Roosevelt that committed a costly infraction — roughing the kicker. The Bobcats were facing fourth-and-20 at the Roosevelt 45 when sophomore punter Todd Durham lofted a well-placed punt that carried to the shadow of the Eagles' goal line. But a Roosevelt lineman was flagged for colliding with Durham after the punt, and the Bobcats had a new lease at the Eagles' 30.

Coker raced right for eight yards to the 22, then Smothermon broke loose for 17 yards to give the Bobcats a first-and-goal at the Roosevelt 5. Two plays later Coker followed good lead blocking on a sweep to the right out of a full-house backfield, and raced into the end zone standing up.

Nino's PAT kick was good, and the Bobcats owned a 13-0 lead with 2:17 left in the third. Meanwhile, the sharp Bobcat defense held the Eagles to three-plays-and-punt throughout the second half — until a series of miscues helped the Eagles get their TD in the fourth.

Glass had shanked a 17-yard punt out of bounds at the Dimmitt 34 on the second play of the fourth, but three plays later the Eagles

faced fourth-and-four, and the defense stopped Mike Flink a yard shy of a first down. But a Dimmitt player was ruled offsides on the play, giving Roosevelt another series from the 24.

The left side of Dimmitt's defensive line swarmed Roosevelt's runners until the Eagles faced fourth-and-13. Eagle quarterback Jim Miller and end Dennis Turner went for broke on the next play, and it worked. Turner managed to get past Dimmitt's secondary and caught the long, cross-field pass at the Bobcat 5, then raced in for the

score. Flink's PAT kick was good, and the Eagles were back in the game.

But the Dimmitt defense held their hosts at bay the rest of the way, allowing no more first downs.

The game was halted for almost half an hour late in the fourth when a Roosevelt player tackled Coker by the face mask, and the speedy Dimmitt back didn't get up. There was no ambulance at the field, and the coaches and attendants didn't want to chance moving Coker until one arrived — and it had to be called out of Idalou.

Coker was taken to Lubbock General Hospital, where X-rays showed he had suffered a pulled neck muscle. He was back in school Monday, but is on the doubtful list for Friday night's game against Lockney.

Play resumed with 2½ minutes left and Dimmitt owning a first down at midfield following the face mask penalty. Smothermon broke loose on a 20-yard run and followed with a 13-yarder to the Roosevelt 17, but there the Bobcats let the clock run out.

"I started to call a time out; I think we could have scored again. But I decided not to," Coach Smith said.

"I was disappointed over all the penalties we had," the coach said. "But I think we played good defense against the run, and our rushing offense was very good. I intended to throw more, but when you're going six yards a whack on the ground..."

"Our pass defense is going to have to get better," Assistant Coach Roy Dudgeon said. "Our goal is to hold the opponent to 100 yards rushing and 50 passing. I was pretty pleased that we held them to just 38 yards rushing, but not with the pass defense."

"We were sloppy in a lot of aspects; we've got to work on some

things," Smith added. "But overall, I thought it was a pretty good opening game."

### Fund is started for Tech coach

A fund has been established for Texas Tech assistant baseball coach Brooks Wallace, who has been stricken with acute lymphatic leukemia.

The disease was discovered Sept. 1 when Wallace, 26, underwent a blood test while being treated for back spasms.

Wallace, an All-Southwest Conference shortstop for the Red Raiders in 1980, has been transferred to Dallas to undergo treatment.

Tax deductible donations can be sent to the First Presbyterian Church, Box 69, 14th St. and Ave. O, Lubbock, TX 79408. Checks should indicate they are for the Brooks Wallace fund.

ONE MILE FUN RUN or Walk overall winners are David Cabe, 17, of Tulia in the men's division with a time of 5:10, and Linda Renea Harman, 11, of Dimmitt in the women's division with a time of 6:15. The annual Harvest Days Run attracted 58 runners, with 21 entered in the one mile event.

IN THE HARVEST DAYS RUN held Saturday in Dimmitt, winners in the 5K [3.1 miles] event are a brother-sister duo from Amarillo. In the men's division, Jimmie Gilmore, 14, came in first with a time of 17:59. Tammy Gilmore, 13, won the women's overall trophy with a time of 18:50.

THE 10K EVENT [6.2 miles] in the annual Harvest Days Run held Saturday in Dimmitt is captured by overall male winner Kip Leyba of Lubbock with a time of 33:45, and overall female winner Brandi Spann, 11 of Amarillo with a time of 46:25. Twenty-one runners entered the 10K

# Harvest Days Run has 58 entrants

With the lowest field of entrants during its three-year history, the Castro County Harvest Days Run had 58 runners in three events, with some runners entering more than one event.

Twenty-one formed the field for the One Mile Fun Run or Walk, and David Cabe, 17, of Tulia crossed the finish line first with a time of 5:10. First female runner to cross was Linda Renea Harman, 11, of Dimmitt with a time of 6:15, a considerable improvement over the 6:50 she posted in the same event in 1983.

Top finisher among the 16 entered in the 5K (3.1 miles) was 14-year-old Jimmie Gilmore of Amarillo with a time of 17:59. His sister, Tammy Gilmore, 13, was the top female finisher with a time of 18:50.

A repeat performance from Kip Leyba of Lubbock saw him finish first in the 10K, just as he did in 1982 in the first Harvest Days Run. However, his time this year was a little slower, 33:45, compared with the 31:39.14 he posted in 1982. The first female finisher was Brandi Spann, 11, of Amarillo with a time of 46:25. Twenty-one runners entered the 6.2 mile event.

Awards were presented in the Fun Run for the oldest male and female entrants, and for the youngest entrant overall. Leroy Maxwell, 38, of Dimmitt took the oldest male award and Linda Merritt, 26, of Nazareth, won the oldest female award in a rather young field. T. J. Danley, 5, of Hereford was recognized as the youngest participant.

Winners are listed below by event, division and age group.

### ONE MILE

#### Women

12 and under — 1. Linda Renea Harman of Dimmitt, 6:15. 2. Michelle Caddell of Dimmitt. 3. India Thomas of Dimmitt.

Open — 1. Sonccia Tischler of Dimmitt, 6:57. 2. Linda Merritt of Nazareth. 3. Rochelle Portwood.

#### Men

12 and under — 1. Michael

Ethridge of Dimmitt, 6:57. 2. Chris Gilmore of Amarillo. 3. Jason Ethridge of Dimmitt.

Open — 1. David Cabe of Tulia, 5:10. 2. Randall D. Garrett of Canyon. 3. Jon Stewart of Tulia.

### 5K

#### Women

19 and under — 1. Tammy Gilmore of Amarillo, 18:50. 2. Ginger Boyd of Amarillo.

20 and up — 1. Lyn Bowie of Lubbock, 25:02.

#### Men

19 and under — 1. Jimmie

Gilmore of Amarillo, 17:59. 2. Jon Stewart of Tulia. 3. Danny Jacobs of Dimmitt.

20-29 — 1. Randall D. Garrett of Canyon, 22:00. 2. Bobby W. Zetzsche of Dimmitt.

30-37 — 1. Rick Gauna of Amarillo, 19:57. 2. Bo Williams of Amarillo. 3. Johnny McNabb of Amarillo.

38-44 — 1. Robert Guajardo of Levelland, 18:41.

### 10K

#### Women

19 and under — 1. Brandi Spann of Amarillo, 46:25.

19 and under — 1. David Cabe of Tulia, 41:22. 2. Dale Glover of Hereford. 3. Todd Danley of Hereford.

20-29 — 1. Kip Leyba of Lubbock, 33:45. 2. Larry Saenz of Amarillo. 3. Hild De La Cruz.

30-37 — 1. Deny Haynes of Tulia, 36:35. 2. James Chapman of Canyon. 3. Jim Gabler of Borger.

38-44 — 1. Martin Blea of Clovis, 38:08. 2. Jeff Stewart of Amarillo. 3. Bill Blankston of Hereford.

45 and over — 1. Larry Higgins of Canyon, 40:48. 2. Harold Ritchey of Amarillo.

# 'Horns win, 19-0

Hart's Longhorns upset the pre-season odds by a bunch when they blanked the Anton Bulldogs, 19-0, before a very good home crowd Friday night.

Hart rode the running of Freddy Washington (22 carries for 167 yards) and a very tough defense (allowing Anton only 35 yards total offense) en route to their first victory since the second game of the '83 season.

Coach Mark Stroebel said he was pleased with the defensive effort, adding that his Longhorns picked up where they left off in '83 (Hart had the No. 2 defense in the region in AA).

Hart started the game with an impressive drive, but stalled on the Bulldogs' 4-yard line, when on fourth down, QB Omar Longoria's pass to fullback Darrell Ethridge fell incomplete.

The Horns soon got another chance when defensive back Brett Ritter intercepted a Bulldog pass. But the Longhorns returned the favor several plays later with a fumble.

After 22:02 of scoreless ball in

the first half, senior tailback Freddy Washington capped a 46-yard, seven-play drive with a nine-yard run around the right end for a touchdown. Arthur Guzman kicked the point after to make it 7-0 at the half.

It was the defense that really stole the show, intercepting three Bulldog aeriels and recovering four Anton fumbles.

Neither team showed much offense during the third quarter, and it looked as if the halftime score would be the final, but the Longhorn defense sealed the victory when end Johnny Washington picked off a screen pass and raced 12 yards untouched for the score. The kick failed, leaving the score 13-0 with 2:35 left.

With just under two minutes remaining, Hart recovered a fumble at the Bulldog 23. On second down, Guzman squirted up the middle 23 yards for the last Hart touchdown of the evening, leaving the final score at 19-0.

Stroebel's Horns believe in themselves this year and have set the playoffs as a goal.

"We need to get these wins

under our belts early," Stroebel said, "before we get into district play."

Stroebel had said earlier that he felt his Longhorns could compete for a playoff spot with some early wins and without sustaining a lot of injuries.

"We performed on defense the way I felt we could," Stroebel said.

# Swifts bomb LC

By BARBIE STEFFENS

Quarterback Ricky Backus threw two touchdown passes, and raced 56 yards for another TD, and tailback Chris Gerber scored 23 points as the Nazareth Swifts opened the season with a convincing 41-8 win over the Lubbock Christian Eagles Friday night in Lubbock.

In his quarterbacking debut, Backus — a former running back — hurled a 35-yard pass to Kevin Hoelting for the Swifts' first touchdown of the year, followed with a 56-yard TD run, and later threw a 47-yarder to Gerber for the Swifts' fourth touchdown.

Gerber scored on a three-yard run, a 34-yard run and the 47-yard pass from Backus, and added five extra-point kicks in six attempts to finish the night with 23 points, which should place him among the region's top individual scorers.

The Swifts' opening TD came with 6:14 remaining in the first quarter, when Backus teamed with Hoelting on the 35-yard pass play. Gerber added the PAT to make it 7-0.

Two minutes later the Swifts hiked their lead to 14-0 when the speedy Backus kept and broke loose on a 56-yard scoring run. Gerber added the PAT.

Only another minute had elapsed from the clock when Gerber capped a Nazareth drive by bursting into the end zone from three yards out. Gerber's PAT kick was true again, giving Coach Rex Minshew's Swifts a commanding 21-0 lead at the end of the first quarter.

The second period was only 39 seconds old when Backus connected with Gerber on a 47-yard pass play for the Swifts' fourth TD. Gerber again toed the PAT to make it 28-0.

Lubbock Christian's Shawn Hays answered with a 41-yard pass to Scott Nichols for a TD. Hays then connected with Shannon Dye for a two-point conversion, bringing the halftime score to 28-8.

It took the Swifts 4 minutes, 35 seconds of the third quarter to get their fourth touchdown. Gerber broke loose on a 34-yard scoring scamper, then added the extra point to hike Nazareth's lead to 35-8.

Frankie Huseman got the Swifts' final TD later in the third quarter, capping a scoring drive with a one-yard plunge. For the first time, Gerber missed the PAT kick, leaving the final score at 41-8.

Backus finished the game with 103 yards rushing and was three-for-six on passing, including two TD tosses. Gerber had 94 yards rushing.

The potent Swift offense amassed 457 yards against the Eagles — 368 on the ground and 89 in the air — while the Nazareth defense held LCHS to 73 yards on the ground and 103 in the air.

## COMBEST COMMENTS

By Larry Combest

### WELCOME TO OUR CAMP

In my first column I talked about my trip August a year ago to start my campaign for my party's nomination for Congress. Last week I made the same trip to visit all counties and county seats and to talk to Democrats and Independents in our District.

I want to make certain that all Democrats and Independents throughout the 19th District know they are welcome in our camp. They are not only welcome, we openly solicit their support now, and their advice and counsel after we get to Washington.

I hope all conservative Democrats will always remember the rousing cheer that went up from the Democratic delegates in San Francisco when Jesse Jackson said that they must rid the party

of the "boll weevils," or conservative Southern Democrats. The sentiments of the Democratic delegates were made very clear by that cheer, and by the fact that Mr. Mondale did not take issue with what the Rev. Jackson said.

Indeed, Mr. Mondale evidently agreed whole heartedly with Jesse Jackson, because he turned to a liberal from the Northeast as his running mate.

It is plain that the only thing the liberal leadership of the Democratic Party wants from conservative Democrats is their money anytime they can get it, and their votes in November. After that they are expected to go back to work, pay their new taxes, and keep quiet.

In short, there is no place now in the liberal Democratic leader-

ship for a conservative and should one get elected to represent his district he can expect to go sit quietly in the corner or suffer the outrages of Tip O'Neill and his fellows. He must "go along to get along" with his party's liberal national leadership or he, and his district along with him, will be punished.

This is why I ask for, and value so highly, the support of all conservative Democrats and Independents in our District: So that we may have a Representative who can stay in touch with the people of West Texas and, at the same time, in tune with his party's leadership; a Representative in Washington who can vote with us 100 percent of the time; a Congressman who owes nothing to Tip O'Neill and everything to the people of West Texas.

I welcome all conservative Democrats and Independents to my campaign. My door will always be open to you.

Larry Combest is a fourth generation West Texan. He worked as a farmer, teacher, for the A.S.C.S. and for Senator John Tower for seven years. He is a candidate for U.S. House of Representatives 19th District.

## Hanners tells Kiwanis Club about commission

"We're going for a three-phase approach to this business of industrial development," Gerald Hanners told the Kiwanis Club Monday. "It includes retention, expansion and recruitment."

Hanners is the full-time developer for the Castro County Economic Development Commission.

Retention is the encouragement and help offered to already existing businesses and industries. Hanners noted that a survey is being conducted of existing businesses, asking them what their needs are and what the commission can do to help them.

"Industry goes where it is invited and stays where it is treated well," Hanners said.

In the area of expansion, Han-

ners explained that after the survey is conducted, local businesses will be encouraged to use the resources of the commission to aid in any expansion efforts.

Recruitment involves searching for outside businesses or industries that would be willing to locate here.

"Two to three years is the average length of time it takes from first contact until relocation of a business," Hanners told the club. He added that he has several "suspects" for relocation, but none that could be called solid "prospects" yet.

"A corn germ processing plant that would produce corn oil is our number one priority right now," Hanners said.

The program was introduced by club member Bob Murdock. Development Commission Chairman Randy Holme was a guest at the meeting.

Club President Alex Glass announced that the annual installation banquet will be Oct. 9 at 7:30 p.m. in the Colonial Inn Restaurant, with the Lt. Governor in attendance.

Seventeen club members were at the Monday meeting.

## Three receive WTSU degrees

Three Dimmitt residents have been awarded degrees during summer commencement ceremonies at West Texas State University.

Receiving degrees are Francis Collins, 704 Cleveland, Master of Education in counseling; Victorino Gamez, 606 SW 3rd, Bachelor of Business Administration in management; and Randal Weaver, 1514 Ruskin Circle, Bachelor of Business Administration in computer information systems.

Of the 362 candidates for graduation, 128 received master's degrees. Bachelor's and master's degrees at WTSU are awarded in the School of Agriculture, College of Arts and Sciences, School of Business, College of Education, School of Fine Arts and School of Nursing.

MRS. GREGORY ALLAN SIDES  
...nee Lynn Kathleen Irwin.

## Mr. and Mrs. Sides make home in Bethel

Mr. and Mrs. Gregory Allan Sides are at home in the Bethel Community following their Sept. 1 wedding in the garden of the home of the groom's parents.

Rev. Charles H. Teykl, pastor of the First Presbyterian Church of Plainview, officiated at the informal, double-ring ceremony.

The bride is the former Lynn Kathleen Irwin, daughter of Lee and Verna Irwin of Dana Point, Calif. The groom is the son of George and Carolyn Sides of Rt. 4 Dimmitt.

Barbie Botard of San Antonio, friend of the bride, served as maid of honor. Robert Boozer of Dimmitt, cousin of the groom, served as best man.

Ushers were Britt Boozer of Dimmitt and Brad Sides of Lubbock, cousins of the groom, Edwin Watson of Ranger, brother-in-law of the groom, and Paul Irwin of Grapevine and Mark Irwin of Shreveport, La., both brothers of the bride.

Deanne Clark of Dimmitt sat at the organ, and Pat Watson of Muleshoe was the pianist. Vocalist Kristina Smith of Bryan sang the selections "I Never Promised You" and "I Will Rejoice."

Given in marriage by her parents, the bride wore a gown designed and sewn by her mother and sister. The bodice of the gown was of antique satin with a lace overlay designed with a scoop neckline and extending to a V in back. The elbow-length sleeves were gathered with a band of satin. Lace trimmed the neckline and dropped waistline. The ankle-length, pleated skirt formed a slight A-line and was made of Korean handpainted, embroidered satin.

She wore a white, bowler-style narrow-brimmed straw hat trimmed with white grosgrain ribbon and bow. Her flowers were gathered into an arm bouquet of white crystalline snow mums and carnations, accented with springerle fern, and tied with streamers of candlelight lace and ribbon. A strand of pearls and pearl earrings completed her outfit.

The maid of honor wore an ankle-length gown designed of confetti crinkle Dobby fabric in heather blue. It featured a deep vee neckline with matching lace yoke, and a gathered skirt. Her hat was of natural straw with ribbon trim matching her dress. She carried an arm bouquet of rose gladioli caught by streamers of candlelight lace and ribbon.

The berm altar area was outlined by terra cotta pots of white snowflake mums, and pink and cream coleus. Throughout the

garden, terra cotta pots of mixed garden flowers were scattered.

The reception was also held in the garden area. A candlelight cloth covered the bride's table, which held the three-tiered wedding cake, made by the bride's sister, Sarah Mato. Each tier featured a different filling — banana, strawberry and carrot. A crystal cylinder held an arrangement of pink carnations and white crystalline mums, accented with springerle fern. Appointments were of silver and crystal.

A candlelight cloth topped with a heather-blue cloth covered the groom's table. The groom's cake was chocolate, and was frosted to resemble a cornfield, complete with a model tractor.

Other items served included cheese, fruit and punch.

Members of the houseparty included Ruth Debrick of Santa Ana, Calif. and Sarah Mato of Katy, sisters of the bride, Glenda Irwin of Grapevine, sister-in-law of the bride, and Cinde Sides of Dallas, Kim Watson of Ranger and Laurie Sides of Memphis, Tenn., all sisters of the groom.

The bride is a 1980 graduate of Texas A&M University with a degree in agriculture. The groom graduated from Dimmitt High School in 1976 and attended South Plains College in Levelland. He is engaged in farming in the Bethel Community.

THE RECORD largemouth bass caught in Texas was a 15-pound, 8-ounce specimen caught Feb. 7, 1981 at Lake Echo.

## Rotary hears about mountain climbing

Growing up in El Paso just sort of naturally led Brian McLaughlin into the hobby of rock and mountain climbing, since "there is a mountain right in the middle of the town."

McLaughlin, assistant director of the Dimmitt High School Bobcat Band and band teacher at Dimmitt Middle School, presented a program on climbing to the Dimmitt Rotary Club Friday.

He displayed some of his climbing equipment and showed slides of a climb he made this summer on a sheer rock face over 300 feet high. McLaughlin told of plans to climb a 19,000-foot ice-covered peak in Mexico with a friend during the Christmas break.

Club President Jerry Heller announced that Kyla Boozer has been named club sweetheart for the 1984-85 club year. She is a senior at Dimmitt High School and is the daughter of Mr. and Mrs. Monty Boozer.

Members of the club's board of directors decided to try to send a local girl to the first RYLA Camp for girls to be held next summer.

Members were assessed a \$1 donation each to send to the Pasadena Rotary Club to help with construction of their float for the

annual Rose Bowl Parade.

The board said the club has been approached about starting a Rotary Club in Friona.

Jerry Jansa was a guest at Friday's meeting. Nineteen members attended.

# Nazareth

By Uirgle Gerber, 945-2669

Bishop Matthiesen of Amarillo and Father Harold Waldow celebrated mass in Holy Family Church Saturday evening and presided at the liturgy of Confirmation and reception into the church of Rex Minchew, Johnny Hampton, Tanya Frye, Robbie Grossman and Jay White. The Nazareth football and basketball squad presented Bibles to their coaches, Rex Minchew and Johnny Hampton. A dinner followed at the Nazareth

American Legion Hall. Teresa Brockman has moved to Odessa, where she will be working for the University of Texas of the Permian Basin as the Student Program Advisor for Student Activities. George and Dorothy Beavers of Olpe, Kan. visited friends and relatives in Nazareth on Friday. Doyle Kleman had knee surgery Monday morning at St. Anthony's Hospital in Amarillo.

Jim and Sandee Hoelting, along with others from the Panhandle area enjoyed a weekend trip, sponsored by Alanco, at the World's Fair in New Orleans, La. They spent many an hour walking and sightseeing at the Fair as well as touring the French Quarter and attended mass at St. Louis Cathedral.

Meta Stork was honored Sunday on her 87th birthday. The mass Sunday morning at Holy Family Church was offered for her intention, a dinner was enjoyed at noon in her home and during the afternoon many of her grandchildren and great-grandchildren came in to wish her a happy birthday. Father Waldow and Mr. and Mrs. Art Kleman were special dinner guests.

## Presbyterian happenings

Pro-Family Pastors will meet at the First Presbyterian Church of Lubbock today (Thursday) at 10 a.m.

Sunday is Seminary Sunday. There is a Sunday Church School class for everyone every Sunday at 10 a.m. The Adult Bible Class meets at the home of Mrs. Emily Clingsmith. All other classes meet at the church.

"The Ten Commandments" will be the subject of Pastor Edward D. Freeman's sermon at the morning church worship service at 11 a.m.

There will be a children's free clinic at the church on Wednesday.

"How Can I Give You Up?", a study of the prophecy of Hosea, will be presented Wednesday at 7 p.m.

## Ministerial Alliance

Castro County Ministerial Alliance will meet Tuesday at 10:30 a.m. at the Presbyterian Church. Ed Freeman will lead a study of Acts, Chapter 3.

- WEDNESDAY** — Hamburgers, French fries, lettuce, onions, dill pickles, prunes, milk.
- THURSDAY** — Burritos, tossed salad, broccoli, apple cobbler, milk.
- FRIDAY** — Chicken-fried steak, mashed potatoes, gravy, green beans, hot rolls, oatmeal cookies, milk.

## FI reports \$3.6 million net

Friona Industries had net earnings of \$3.6 million, or \$1.57 per share, on sales of \$274 million for its fiscal year ended June 30, 1984. This compared with net earnings of \$3.7 million, or \$1.71 per share, on sales of \$240 million in the prior fiscal year. "Meat processing and distribution, custom feeding, commercial feeds and grain operations all achieved very good increases in operating profit margins and higher sales volume," said Ron Davenport, chairman, president and chief executive officer. "Company-owned cattle incurred an operating loss of \$309,000 for the year because of decreased profit margins, and operating profits from the animal health supplies segment were below those of the previous year," he added.

During the fourth quarter, the company reported net earnings of \$749,000 or 34 cents per share, on sales of \$62 million, compared with net earnings of \$1 million, or 45 cents per share, on sales of \$58 million in the same quarter of fiscal 1983. "The fourth quarter followed the trend of the first three quarters with gains in all business segments with the exception of company-owned cattle and animal health supplies," explained Davenport. Meat processing and distribution showed considerable strength

with sales of 68.3 million pounds of hamburger meat, 13% higher than in fiscal 1983. The number of Wendy's Old Fashioned Hamburger Restaurants served with ground beef, produce and other items increased by 113 units, totaling 903 at yearend. Feedyard occupancy was 20 percent higher for the year, which contributed to greater profitability from custom feeding, commercial feeds and grain operations. Friona Industries common stock is traded on the American Exchange under the symbol FI.

## Acker shows shorthorns

Luke Acker of Nazareth showed several prize-winning animals at the Tri-State Fair shorthorn judging competition Saturday in Amarillo. In the Class 15 for early spring yearling bulls, Acker's Director 120 took second place and his Dealer's 115 won fourth place. In Class 19, a group of two bulls, Acker showed the third place pair. Class 20, get of sire, Acker, along with J. O. Bass of Nazareth, showed the sixth place entry. SOUTHERN hake is a small member of the cod clan.

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 6, 1984

### PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

### PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (¾ for The University of Texas System and ½ for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin. House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a ⅓ vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

### PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of those counties would be transferred to the county clerk.

### PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

### PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

### PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate. The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

### PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explana-torios sobre las enmiendas propu-estas a la constitución que aparacerán en la boleta el día 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

## Job training for over 55 approved

The Panhandle Regional Planning Commission announced recently that the Panhandle has been approved by Gov. Mark White to be the site of a pilot training program for persons 55 years of age and older. Funds have been made available to the area under the Job Training partnership Act. "Through this project," said Employment and Training Director Loretta Kindsfather, "our agency will be working with area businesses and training contractors in program design and operation. A major purpose of this demonstration program is to determine training which will be needed to maintain the necessary work force for a stable economy in our area — a work force which statistics indicate will be made up of persons considerably older than our present mainstream of workers." Another goal of the project is to

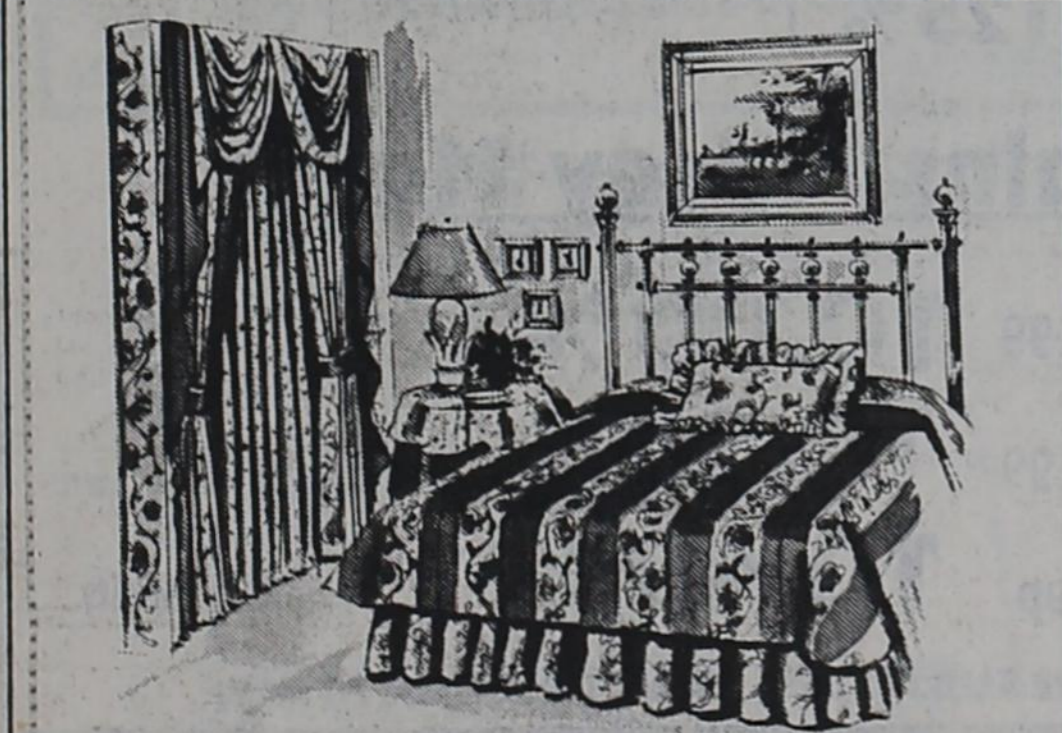

provide 250 low-income older persons with information about today's labor market through formal classroom training with a curricula which includes: job search instruction, training and work opportunities, employer expectations, self-image, personal grooming, money/tax management, and preventive health care and diet.

Vocational testing and counseling will be provided for all enrollees. Approximately 125 persons will have opportunity to train while working for local businesses. Firms providing training will have training costs offset by state funds up to an amount equal to 50% of each trainee's wages.

Panhandle residents 55 and older who are interested in re-entering the workforce on a full or part-time basis, and businesses who need qualified individuals to train and hire should contact the Department of Employment and Training, Panhandle Regional Planning Commission, (806) 372-3381.

ABOUT 30 percent of Texas' retail trade business is directly associated with agricultural production and selling of food and fiber products.

**Big Harvest Days weekend . . .**

[Continued from Page 1]  
ing ceremony Friday at 9:30 a.m. in the Expo Building.

The Committee was set up to coordinate the county's part in the celebration of the 150th anniversary of Texas' Independence. Texas 1986 Sesquicentennial Commission representative Lee Storey of Austin will be at the ceremony to present the local committee with an official flag and certificate. The public is invited.

Entries for the Castro County Fair must be brought to the Expo Building today (Thursday) from 3 to 6 p.m. Categories of competition include baking, canning, crafts, horticulture, farm and garden products, photography and clothing. Entries will be on display from 9 a.m. to 6 p.m. Friday and 9 a.m. to 5 p.m. Saturday.

Also, 22 exhibit booths will be macrame, space-age fire extinguishers, soft-sculpture dolls, imported linens, handcrafted wood items, paintings of all types, educational toys, baked goods, jewelry, baskets, Christmas decorations, pillows, and a computer that will draw up wanted posters with any name desired. Informational booths will be manned by the Pro Family Forum, the Running Water Draw Soil and Water Conservation District and a stock brokerage firm. The Heart Association will offer information and free blood pressure testing.

Free programs for the ladies are scheduled throughout the day Friday. "What's New for Fall" will be at 10 a.m., followed by "From the Kitchen" at noon. At 2 p.m. "Good Scents for You" will be presented, and at 4 p.m. will be "Jewelry for Fall."

The Pet Show will be at 9:30

a.m. Saturday on the Courthouse Square. No entry fee is charged and each entrant is awarded a ribbon.

The Old Settlers Reunion begins with registration Saturday at 10 a.m., and a basket dinner will be held at noon, all at the Senior Citizens' Center in Dimmitt. Special entertainment during the day will be provided by Waynon Mays, comedienne.

Line up for the parade, organized by the Dimmitt Lions Club, will begin at 10 a.m. in the area of town near the Expo Building. The parade will start at 11 a.m. and follow the traditional route down Southeast Second and Bedford Streets, returning down Southwest Fifth and then Jones Streets, ending one block past the City Hall. Theme of the parade this year is "Remember When."

A parade organizer said that ten floats are already signed up, along with two riding clubs, a chuck wagon and a covered wagon. Several antique car entries have been received, along with three special interest entries, including the West Texas State University Buffalo.

Those wishing to enter the bicycle division need to form up at the parking lot of the Assembly of God at Southeast Second and Belsher.

The Castro County Museum will hold open house from 1 to 5 p.m. Lemonade will be served and a corn grinding demonstration will be presented.

The Fun Olympics for kids will begin at 2 p.m. at the Expo Building. Entry fee is \$2 per child.

Events are open to children ages 3 to 10. Sponsored by the Dimmitt Young Homemakers, competition will include tricycle races, running races, a boot race, suitcase race, bubble gum blow, truck race, clothespin game and rope jumping. Events will be divided by age groups. Ribbons will be given to first, second and third place winners.

More entries are needed for the bed race. Four contestants are needed to push a bed on wheels with a "patient" riding. The beds

must have a mattress or pad with a fitted bottom sheet and a flat top sheet.

Entry fee will be \$5 per team. Entrants must run a set course, stopping at midway to change the sheets on the bed.

The Dimmitt Square Dancers will hold a barbecue supper beginning at 5:30 p.m. at the Expo Building. At 8 p.m. a square dance exhibition will be given, free to the public.

**Robertson makes Austin PCA meet**

Ray Robertson of Dimmitt, a director of the Plainview Production Credit Association, was among 200 Farm Credit officials attending the 1984 PCA Directors and Presidents Conference Sept. 6-7 in Austin.

Also representing the local association were Bill Black, president, and directors H. L. Porter, Jr. of Petersburg, Bill Carthel of Friona, A. W. Anthony Jr. of Friona and Harley Wells of Plainview.

Purpose of the annual conference was to provide a forum for Production Credit Association CEOs and directors to discuss present and future matters concerning farm credit.

Featured speaker was Gary Schwendiman, dean of the College of Business Administration at the University of Nebraska. Schwendiman's topic was "The Role of Financial Institutions in a Changing Environment."

Other sessions included discussion of Project 1995 and reports of operating groups and committees.

Project 1995 is a nationwide study conducted by the Farm Credit System to assess its operating environment in the 1990s. Results will provide a basis for strategic planning in each of the 12 Farm Credit districts.

Larry D. Shepherd, chief operating officer of the Federal Intermediate Credit Bank of Texas, concluded the program by reviewing conditions in Texas, the 10th Farm Credit District.

Plainview PCA is a member-owned, agricultural finance cooperative which serves the credit needs of 1,218 farmers and ranchers in Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Parmer and Swisher counties.

Plainview PCA is one of 28 PCAs in Texas. Collectively they serve more than 15,000 agricultural producers and aquatic harvesters. Last year more than \$2 billion was loaned through PCAs in Texas.

**More about County...**

[Continued from Page 1]  
County Child Welfare Board; \$700 membership fee for the county to belong to the Panhandle Regional Planning Committee; and \$50 for workman's compensation.

The total funds designated equal \$130,475. Librarian Brick Autry was present to request that the library be given the same amount as last year. Sesquicentennial Chairman Linda Maxwell requested \$500 for the committee.

The Commissioners adopted the budget as presented after amending the 1983-84 budget.

Commissioners agreed to look into installing an access ramp for the handicapped to the courthouse. A plan must be submitted to the state by Oct. 17. Specifications must be decided on before bids will be let.

Nell Ingram of the Castro County Fair Association requested \$350 from the county for expenses associated with this year's fair. It was granted.

Commissioners approved two bills for Precinct 4, one for \$4,900 to Joe Thompson for two John Deere shredders and one for \$4,950 to Hoelting Trucks of Nazareth for a 1982 ¾-ton pickup. One bill was approved for Precinct 3 for \$8,430.07 to West Texas Equipment.

**HOME FOOD PRODUCTION**

More and more Americans are growing their own groceries. More than half the households in America — and in Texas — grew food for their tables last year, says a horticulturist with the Texas Agricultural Extension Service. Agricultural Extension Service. Some two million acres are devoted to home and community gardens across the U.S. Rising food prices the past few years triggered the increase in gardening, and home vegetable production has remained steady because folks have found it enjoyable and healthful as well as profitable. A recent survey by the Gallup Poll and Gardens for All, the national association for gardening found vegetable gardening to be the nation's number one outdoor leisure-time activity.

**Farm Safety Week is Sept. 16-22**

Tommy Stanton of Dimmitt, President of the Castro County Farm Bureau, announced that Sept. 16-22 has been set as Farm and Ranch Safety Week, marking the 41st annual observance of National Farm Safety Week, co-sponsored by the National Safety Council and the US Dept. of Agriculture.

Founded in 1944 to fight accidents impairing wartime food and fiber production, the special week this year has the theme "Manage for Better Safety and Health."

Every man and woman engaged in farming and ranching is urged to make basic safety and health a priority in every activity and task — on the job, in the home and on the highway, Stanton said.

Good management is a tool in reducing accidents and work-related illnesses. Stanton recommends developing a safety and health plan tailored to your operation and those who live and work on your place. Keeping informed about safety and health developments is also advantageous.

Regular safety inspections, buying quality products and using them properly, and giving proper

training to workers are all steps that everyone can employ.

Take action to reduce stress and fatigue, keep children off of and away from machinery, and be prepared for emergencies.

Accidents and illness cost time, money and sometimes life. There is no substitute for making safety and health a top management goal, Stanton said.

**Comptroller's rep to be here**

State Comptroller Bob Bullock has announced that Lloyd Allred from his Lubbock field office will be at the Castro County Courthouse in the county commissioners' room next Wednesday from 10 to 12. A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Bullock urges anyone with problems or questions concerning state taxes to contact Allred at the courthouse in person or call the toll-free number (1-800-252-5555).

THE YOUNGEST runner in the Harvest Days One Mile Fun Run or Walk held Saturday in Dimmitt is 5-year-old T. J. Danley. He was awarded a trophy for his effort, finishing in 9:30. "I didn't even stop," he remarked after the race.

# Can local varsities hike marks to 2-0?

Dimmitt's Bobcats, Nazareth's Swifts and Hart's Longhorns will all carry 1-0 records into their second games Friday night.

The Bobcats will host the Lockney Longhorns and the Swifts will host Bovina in the home openers for both teams. The Longhorns will travel to Lazbuddie for their first road game.

All three contests will kick off at 8 o'clock.

## LOCKNEY AT DIMMITT

"They're big, big, big," Bobcat Coach Clifford Smith said of Lockney's Longhorns, who lost their season opener Friday to Tulia by close 20-13 margin.

"They'll average about 210 or 215 on their offensive line (vs. Dimmitt's 186), and about the same or bigger on their defensive line (vs. Dimmitt's 204)," Smith reported.

The Longhorns, who dropped from Class AAA to Class AA this year, posted a 2-7-1 record last season but are ranked to be the most improved team in their district, with nine offensive and eight defensive starters back from last year, plus four other lettermen.

Lockney will run from the wishbone offense, but Smith expects the Longhorns to pass more than

most wishbone teams do.

"We feel like we'll have to do a lot better job on our pass defense against them, because they like to throw deep," Smith said.

Brent Hallmark (15) and Jerry Mathis (21) will alternate at quarterback for the Longhorns. Their fastest back is Gary Kent (9), but durable ball carrier, noting that a good fullback is essential to a successful wishbone attack.

Smith considers senior fullback Terry Mathis to be their "most

## 9th Bobcats lose by 32-0

Roosevelt's freshmen put together five scoring drives — including three in the second quarter — to defeat Dimmitt's freshmen, 32-0, in the season football opener for both teams here last Thursday.

Roosevelt went ahead 7-0 with 3:15 left in the first quarter with a touchdown and extra-point kick.

The game was a standoff the rest of the first quarter and most of the second, but the roof fell in on the Freshman Bobcats in the final three minutes before halftime.

The Freshman Eagles scored with 3:00 left in the second and added the PAT for a 14-0 lead, then took advantage of a fumbled punt attempt by Dimmitt to score again with 1:30 remaining to extend their lead to 20-0. Then, with just 21 seconds left in the half, Roosevelt scored its fourth touchdown of the night on a 20-yard run to take a 26-0 halftime lead.

The Freshman Eagles got their final TD early in the third, with 6:59 remaining, on a 37-yard run. Roosevelt had 13 first downs to Dimmitt's two.

The Freshman Bobcats' next game will be at Lockney at 5 o'clock today (Thursday).

## Bobcat JV's drop opener

The Roosevelt Junior Varsity scored twice in the first half, then held on for a 12-0 victory over the Dimmitt JV here last Thursday.

The JV Eagles uncorked a 65-yard touchdown run with 2:16 left in the first quarter to take a 6-0 lead in the season opener. The point-after attempt failed.

Roosevelt's second TD came with 5:29 left in the second, when a three-yard scoring run capped a successful touchdown drive.

Roosevelt earned nine first downs to Dimmitt's five. The JV Bobcats will travel to Lockney today (Thursday) for the second game of the season. Kick-off time is 6:30.

"Against Tulia, they started their final drive on their own 5-yard line and made runs of 50, 35 and 11 yards," Smith reported.

"They had the ball on Tulia's 11 with a minute to go, but then they got a five-yard procedure penalty, then fumbled on the 16, and lost 20-13," Smith reported.

"We know they can move the ball, and that they're gonna be tough," he said.

## HART AT LAZBUDDIE

Fresh off of their 19-0 upset shutout of highly regarded Anton in their season opener, Hart's Longhorns like the feeling. They want to do it again, and the odds are that they're liable to.

Lazbuddie's Longhorns, however, like the feeling, too — they shut out Smyer, 21-0, in their season opener, and they'll be playing before their home crowd.

Both teams have already won as many games as they did all of last year. And, barring a tie Friday night, one of the Longhorn herds is going to be mighty happy with a 2-0 record.

"I think it will be a pretty good game," Hart Coach Mark Stroebel said. "I know the wins Friday night fired both teams up."

Lazbuddie will run a wishbone offense — the same as Anton did against Hart — and on defense they'll favor a four-man line with three linebackers.

"They've got a pretty good fullback," Stroebel reported, and senior tackle Shannon Weaver (6-2, 200) is regarded as one of the outstanding linemen in the District 2-A North.

Bo Williams, Lazbuddie's second-year head coach, has 14 lettermen back from last year's 1-8 team, including five offensive and six defensive starters. Lazbuddie isn't expected to be a contender in the brutal District 2-A North, which includes state-ranked Nazareth, Vega and Farwell.

## NAZARETH AT BOVINA

"It feels good — real good," Rex Minshew said of his first victory as a head coach, after his Swifts had shellacked Lubbock Christian High, 41-8, in their opener Friday.

He'd like the feeling to continue this week, and his Swifts are favored to do it for him.

The points may not come easy, though. Minshew considers Bovina's split-6 defense to be "probably the strong point of their overall game."

Heading up that defense is 195-lb. linebacker Terry Glasscock, who is rated as one of the outstanding players in District 3-AA. Glasscock, a former tight end, now plays running back in Bovina's split-back offense.

Running back Michael Shepperd (175) and halfback Danny Silva (165) are also highly regarded. They're among four offensive and five defensive starters who are back from last year's 6-4 Mustang team.

"They're basically a lot like us in both their offensive and defensive sets," Minshew said. "They're going to be bigger than Lubbock Christian was, but not bigger than we are."

# DISD establishes new policies

After considerable discussion Monday night, the Dimmitt School Board allowed current policy to stand regarding the minimum number of days a student must attend each six weeks before a grade can be given.

The current minimum is 20 days. If that is not met, a student will receive an "I" for incomplete. The "I" would not count either way when averaged with grades from other six weeks.

"A weakness of this policy is that there is too much room for abuse," Supt. Robert Ryan told the board. "For example, a student could make a 70 average the first six weeks and then not be present at least 20 days each of the remaining six week periods and still pass with a 70."

Ryan recommended that any student not attending at least 20 days would receive the grades earned while present but not to exceed a grade of 60.

Board members said they felt the need to close any attendance loopholes but were reluctant to make a possible penalty on "some good student who might be absent through no fault of his own (such as illness)."

Ryan noted that the intent of the new school regulations is to encourage attendance in every way possible.

The board agreed to review the policy at a later date.

Board members passed a new policy regarding an in-school suspension program that calls for an offending student to be placed in an isolated situation away from peers, but under supervision of a teacher.

The in-school suspension provides for punishment of infractions without entailing unexcused absences (five of which causes automatic failure in a semester). State law does still provide for expulsion of students on the grounds of assault or continued incorrigible conduct.

A new policy was passed concerning tardiness. In the past, tardiness was tied to the exemption policy, which is no longer in effect. Now, three unexcused tardies in any one subject in a six week period shall incur one day of in-school suspension.

Ryan noted that this will apply to all grade levels, and added that habitual violators will be subject to additional penalty.

Board members approved the implementation plan for Chapter 75 of the Texas Education Agency Code, and viewed the time frame developed for it.

In October the board must determine whether honors courses will be offered in the 1985-86 school year, and by December they must determine which high school courses will be limited to every other year.

Also in December, the board must consider offering computer literacy courses for grades 7 and 8; appoint three administrators to the Career Ladder Selection Committee; and project classroom and staffing needs for the 1985-86 pre-kindergarten program and to maintain mandated teacher-to-pupil ratios in grades K-2.

In March, classroom needs for the high school in 1985-86 will be considered, and procedures will be established for implementing the 1985 pre-school summer school program.

By May, the board must determine what constitutes evidence of mastery, and develop policies in regard to promotion, retention and remediation.

The board approved the Chapter II application for federal funds as submitted by curriculum director Corky Lockmiller. The total \$16,696 fund budget includes \$6,500 to the Region XVI Education Service Center for instructional and media services; \$2,000 for materials including periodicals and computer software; and capital outlay of \$3,315 for library books, \$2,925 for 16mm projectors and \$1,750 for computers.

Bilingual program regulations require the appointment each year of parent members to the Limited Proficiency Assessment Committee (LPAC), which determines student eligibility for bilingual education.

Those appointed this year are Juanita Hernandez for Richardson Elementary and Ramona Torres and Alicia Corrales for the middle school.

In executive session, the board accepted the resignation of Linda Lowe, high school tennis coach, English, reading and psychology teacher. Leslie Moore was hired as an eighth grade reading re-

source teacher.

In other business, the board: — Approved the substitute teacher roster of 35 names.

— Voted to approve the 1984-85 student handbooks.

— Accepted a \$500 check from representatives of the Castro County Tennis Association to help defray the cost of the storage/concession building at the high school courts.

EXPERTS estimate that eight percent of all US ferns, conifers and flowering plants are presently endangered, says the National Wildlife Federation.

Ever wonder if you're paying too much for car insurance?

Ask one of your neighbors about State Farm's low rates and fast, dependable service. Then give me a call.

## Cat's Corner

By JERRY STUMP

Hey, what a game. Did you see it? I know it was a long drive, but it was worth it. We're on our way — the Eagles were one and the Longhorns will be two.

Maybe I've been spoiled by the instant replay on TV, but I sure want to see that game film at the Booster meeting....imagine, seeing a two-hour-plus game in 30 to 40 minutes, narrated by the coach. It is a great opportunity for all football fans, fathers and mothers to see exactly why a play worked or why it didn't. Then, when your boy says, "Did you see me do this or that" you can say yes and know just what he is talking about.

Don't forget, this Friday night is Paw Power night....wear your POWER button.  
BE A BOBCAT BOOSTER.

# Police calls

An accident resulting in minor injuries, eight alcohol-related arrests, three assaults, a firearms violation and two thefts kept local law enforcement officers busy the past week.

Tuesday at about 3 p.m. a 1974 GMC pickup driven by Michael Schinkus, 17, of Dimmitt was backed into by a 1976 Ford pickup driven by W. E. "Gene" Heath, 57, of Dimmitt.

Heath's vehicle was parked in the 100 block of SE Second Street. Schinkus was driving north on that street when Heath backed out into traffic.

Investigating officers said Heath complained of neck pain, and his pickup sustained moderate damage to the left back quarter. Schinkus reportedly complained of a headache after hitting his head on the windshield. His pickup received heavy damage on the right front quarter.

Heath was cited for failure to yield right of way.

Friday, a 27-year-old Dimmitt man was arrested for simple assault, and a 35-year-old Dimmitt man was picked up on a previously issued warrant for assault.

Late Saturday night, a 33-year-old Hart man was struck in the face by an assailant in his mid-40's. The Star Dance Hall in Dimmitt was the location of the incident. The assailant was escorted out by the Star's security. The victim did not decide to press charges until two days later.

Last Thursday a 45-year-old Hart man was arrested on charges of unlawful possession of a firearm by a felon.

Dimmitt police reported two theft incidents. A lawn mower belonging to Eddie Montgomery of 311 NE Seventh was reported missing Sunday, but has since been recovered. The matter is still

under investigation. J. O. Seale of 310 N. Dulin reported an old ten-speed bicycle, valued at \$10, to be missing from the greenhouse behind his residence. Last seen about two weeks ago, the bike is orange with a brown seat and a black design painted on the frame.

Thirty-eight-year-old Elpidio Ybarra Zambrano of Hart got out on \$10,000 bond Tuesday on charges of delivery of a controlled substance.

Three men were jailed to serve time as part of a court sentence — a 23-year-old Dimmitt man and a 35-year-old Hereford man, both on DWI charges, and a 21-year-old from Mexico on possession of marijuana charges.

Two men were arrested for DWI, as well as for not having a driver's license and no liability insurance. A 31-year-old Hereford man was stopped Sunday and a 26-year-old from El Paso was charged Monday.

Also on Sunday, a Hereford man, 33, was arrested as a drunk pedestrian; DWI misdemeanor charges were leveled against a 27-year-old from Hereford; and a 26-year-old man from Idaho was charged with DWI.

Two Hereford men, 21 and 25, were held on public intoxication charges early Monday.

A misdemeanor DWI was charged against a 23-year-old Dimmitt man last Thursday.

A MOUNTAIN nanny goat and her kid have a remarkably close relationship, reports National Wildlife magazine. Throughout their entire 10 to 11 month association, a kid rarely strays farther than a yard or two from its nanny's side, even though essentially weaned after one month.

# Obituaries

## Alma Arledge

Alma Arledge, 86, a longtime Dimmitt resident, died Tuesday in Plains Memorial Hospital after a long illness.

Funeral services will be held Friday at 10:30 a.m. in the Parsons-Foskey Funeral Home Chapel. Officiating will be Rev. Joe Higgs, music and education director of the First Baptist Church and Rev. Ronnie Travis, pastor of the Lee Street Baptist Church.

Burial will follow in Castro Memorial Gardens, under the direction of Parsons-Foskey Funeral Home.

Mrs. Arledge was born March 19, 1898, in Hopkins County. She married John Arledge in Dimmitt on May 5, 1941. They lived in Kerrville for many years, and returned in the early 1970s to Dimmitt, where they bought their present home at 607 Pine St.

She is survived by her husband, John; two sons, R. J. McCain and Welton McCain, both of California; a daughter, Fern Engwall, also of California; and 10 grandchildren.

## Paul Deaver Sr.

Funeral services for Paul Deaver Sr., 72, of Lubbock, the father of a Hart woman, will be held at 2 p.m. today (Thursday) in the Resthaven Chapel in Lubbock with Rev. Richard Waters, pastor of Lubbock's Highland Baptist Church, officiating.

Burial will be in Resthaven Memorial Park under the direction of Resthaven Funeral Home of Lubbock.

Mr. Deaver died Monday in St. Mary's Hospital in Lubbock after a lengthy illness.

Born in Stratford, Okla., he had been a resident of Lubbock since 1952, moving there from Clovis, N.M. He married Eva Marie Clark Dec. 5, 1930 in Anadarko, Okla. She died in 1983.

Survivors include a son; seven daughters, including Nancy Mathis of Hart; a sister; 23 grandchildren; and 20 great-grandchildren.

## John W. Gibson

Funeral services for John William Gibson will be held at 10 a.m. today (Thursday) in the First United Methodist Church of Dimmitt.

Mr. Gibson, 55, died at 9:10 a.m. Tuesday in Plains Memorial Hospital after a lengthy illness.

Officiating at the last rites today will be Rev. Vernon O'Kelly, pastor of the First United Methodist Church, and Rev. Joe Higgs, music and education director of the First Baptist Church.

Burial will be in Castro Memorial Gardens, under the direction of Parsons-Foskey Funeral Home. Masonic graveside rites will be conducted.

Pallbearers will be Sidney Birkenfeld, James Birkenfeld, Curtis Birkenfeld, Jerry Blackwell, Elbert Summers and Virgil Justice.

Born Aug. 19, 1929 in Ottawa, Kan., Mr. Gibson had been a Castro County resident since January 1978, coming here from Overland Park, Kan. He was a veteran of World War II and a Mason.

He is survived by his wife, Ida, of Dimmitt; two sons, J.B. of Odessa and Joe of Wichita, Kan.; a daughter, Cindy Parrish of Clovis; a brother, Don, of Denver, Colo.; two sisters, Marjorie Chiono of Buena Park, Calif., and Esther Malcolm of Philomath, Ore.; an aunt, Lottie Merchant of Baldwin, Kan.; and four grandchildren.

The family has requested that memorial gifts be made to the Multiple Sclerosis Foundation or American Diabetes Association in lieu of flowers.

## W. K. Griffing

Funeral services for W. K. "Kink" Griffing of Brownfield, a former Dimmitt resident and father of Bessie Elder of Dimmitt, were held Sept. 1 in the Calvary Baptist Church of Brownfield with Rev. Clovis Griffing of Abilene officiating.

Burial followed in the Terry County Memorial Cemetery, under the direction of the Brownfield Funeral Home.

Mr. Griffing, 71, died Aug. 30 in the Brownfield Regional Medical Center following a lengthy illness. He was earlier hospitalized several weeks in Lubbock General Hospital.

Born in Hubbard City Sept. 7, 1912, he was raised in Taylor County. He married Ima Ruth Carter in Roby on July 23, 1932.

After farming in Taylor County many years, they moved to the Plains area in the late 1940s and farmed at Bula and Muleshoe. He worked 10 years as a Class A machinist for General Dynamics in Fort Worth, then farmed at Dimmitt from 1962 to 1968. He later worked in the Drivers' Education Section of Region 19, El Paso, until his retirement in 1976.

He had lived in Brownfield since his retirement, and was a member of the Calvary Baptist Church.

Survivors, in addition to his daughter here, include his wife; three other daughters, Betty Griffing of El Paso, Janice Cornelius of Casa Grande, Ariz., and Sandy Ragland of Odessa; five brothers, I.N. of San Antonio, N.A. of Houston, Clovis of Abilene, Billy of Del Rio and Eugene of Meadow;

four sisters, Opal Meadowbrook of Shady Point, Okla., Denara Hendricks of Abilene, Eloise Snodgrass of Fort Worth and Ruth Hinds of Littlefield; three foster sons, Maj. William Simmons of Washington, D.C., Vernon Simmons and Ricky Simmons, both of Fort Worth; seven grandchildren and one great-grandchild.

## Glenn E. Reeve Sr.

Funeral services were held in Friona Saturday afternoon for Glenn E. Reeve Sr., 70, father of Don Reeve, formerly of Dimmitt.

Mr. Reeve died last Thursday. Last rites were held in the Union Congregational Church, with Rev. Gary Smith, pastor, officiating. Burial was in Friona Cemetery, directed by Ellis-Blackwell Funeral Directors.

Mr. Reeve was born in Farmer County, and married Allo Frances

Sparkman in 1935 in Clovis. He was the owner of Reeve Chevrolet-Olds and was a former mayor, school board member and city councilman. He was a charter member of the Friona Evening Lions Club and was on the General Motors Advisory Board. He was a member of the Union Congregational Church.

Survivors include his wife; four sons, Glenn E. Jr. and Joe, both of Friona, Don of Lamesa and Max of El Paso; two sisters, Mary Reeve of Pampa and Ruth Hume of Redding, Calif.; a brother, Charles T. of Naugatuck, Conn.; nine grandchildren; and four great-granddaughters.

## NHS Band wins Tri-State award

The Nazareth High School Band, directed by Bernie and Dee Ann Tackitt, earned the top band award for smaller schools in the recent Tri-State Fair Parade in Amarillo.

The band, auxiliaries, flag corps and feature twirler marched to "On Broadway" along the parade route, and performed "Gloria" in front of the judges' stand.

The NHS Band received a trophy engraved "Outstanding Band Award, 4-A High Schools and Below, Out of Town."

Making the NHS Band members even prouder of their award is the fact that most of them are junior high school students.

Drum majors are Cece Kern and Dorothy Durbin. Featured twirler is DeZane Schacher, and captains of the flag corps are Patsy Birkenfeld and Pam Ehly.

## New-tax seminar set for Friday

State Comptroller Bob Bullock said this week that Castro County residents with questions about changes in state tax laws can get answers during a special seminar to be held at 10 Friday in the community room at the courthouse in Dimmitt.

"The state sales tax rate is going up and a number of new items and services will be taxable for the first time beginning Oct. 2," Bullock said. "We are holding seminars across Texas so that these changes won't come as a surprise to anybody."

Comptroller representatives will explain the changes and answer questions during the seminar. The meeting is open to the public.

Castro County residents who cannot attend the seminar should contact the Comptroller's Field Service Office in Lubbock at 795-0691.

## HHS Band taking orders for pecans

Members of the Hart High School Band are now taking orders for pecans.

The fancy grade pecans may be ordered from any HHS Band member. Deadline for ordering is Sept. 30, and the pecans will be delivered Oct. 22 and 23.

Members of the band and the Band Parents Organization expressed their thanks this week to all who helped raise money for the band's new uniforms. Special thanks were extended to the Hart Lions Club, which donated \$2,000 to the band uniform fund, and to Xi Mu Iota chapter of Beta Sigma Phi sorority, which donated two complete uniforms.

OFFERS A  
**SINGLE PREMIUM DEFERRED ANNUITY**  
WITH  
**SHORT TERM INTEREST OR LONG TERM INTEREST**  
CURRENT INTEREST RATE: 11% GUARANTEED INTEREST RATE: 3 1/2%  
As of September 1, 1984. Subject to change, dependent upon date of issue.

**\*SHORT TERM INTEREST\***  
The current interest rate is guaranteed for one year from date of issue. This rate is expected to fluctuate annually based upon short term interest rates in general.  
SHORT TERM MINIMUM PREMIUM — \$5,000

**\*LONG TERM INTEREST\***  
The current interest rate is guaranteed for one year from date of issue. However, it is anticipated that the current rate will be credited for a full 10-year period from the date of issue. Should the interest rate ever fall below the initial interest rate credited on date of issue, you may withdraw your policy value with no surrender charge.  
LONG TERM MINIMUM PREMIUM — \$10,000  
AFTER THE FIRST CONTRACT YEAR YOU MAY WITHDRAW UP TO 10% OF YOUR POLICY VALUE EACH YEAR WITH NO SURRENDER CHARGE.  
Surrender charges will apply for the first 10 contract years (10% the first year graded down 1% per year through year 10). However, a maximum surrender charge of \$1,000 will apply to the SHORT TERM.  
ABSOLUTELY NO SURRENDER CHARGE 11th YEAR AND THEREAFTER.

**DEFERRED ANNUITY VS. SAVINGS ACCOUNT**  
According to Company interpretation of the Internal Revenue Code, taxes must be paid each year on earnings in a traditional SAVINGS ACCOUNT even if they are not withdrawn. Taxes on the earnings in a DEFERRED ANNUITY are not payable until they are actually withdrawn. The table below shows the interest rate you must earn in a traditional savings account just to EQUAL the dollars you could accumulate through Southern Farm Bureau Life's Deferred Annuity.

To equal accumulation of DEFERRED ANNUITY interest rate of:	You must earn this rate in an "after tax" Savings Account		
	30% Bracket	40% Bracket	50% Bracket
10%*	14%	16%	20%
12%*	17%	20%	24%
14%*	20%	23%	28%

\*Interest rate for illustrative purposes only.

## Student aid applications jump by 40%

The June 13 ACT Needs Analysis Roster received by the financial aid office at Amarillo College indicated an increase of 40% in assistance applications were received for the 1984-85 school year.

The increase was due primarily to a greater number of federal Pell Grants available to AC students and to an increase in the number of student loans available, according to Duane Howard, director of financial aid at Amarillo College.

Four basic categories of financial aid are available at Amarillo College on the basis of need and/or achievement. These include: Amarillo College Foundation Scholarships, institutional scholarships including athletics, music and preparatory music, all involving college generated monies rather than tax dollars, grants and loans and the college word-study program providing jobs for students with financial

needs to meet education expenses. Fifty percent of the credit students at Amarillo College receive financial aid from the college to meet their educational needs.

Numerous miscellaneous sources of assistance in different forms are available and information concerning the entire financial aid system at Amarillo College is available through Howard in the Student Union Building on the Washington Street Campus, or by calling 376-5111, extension 2320.

## HARVEST DAYS

You will enjoy many events during Castro County's Annual Harvest Days.

**We salute pioneers!**

We urge you to attend the **Old Settlers' Reunion** Saturday

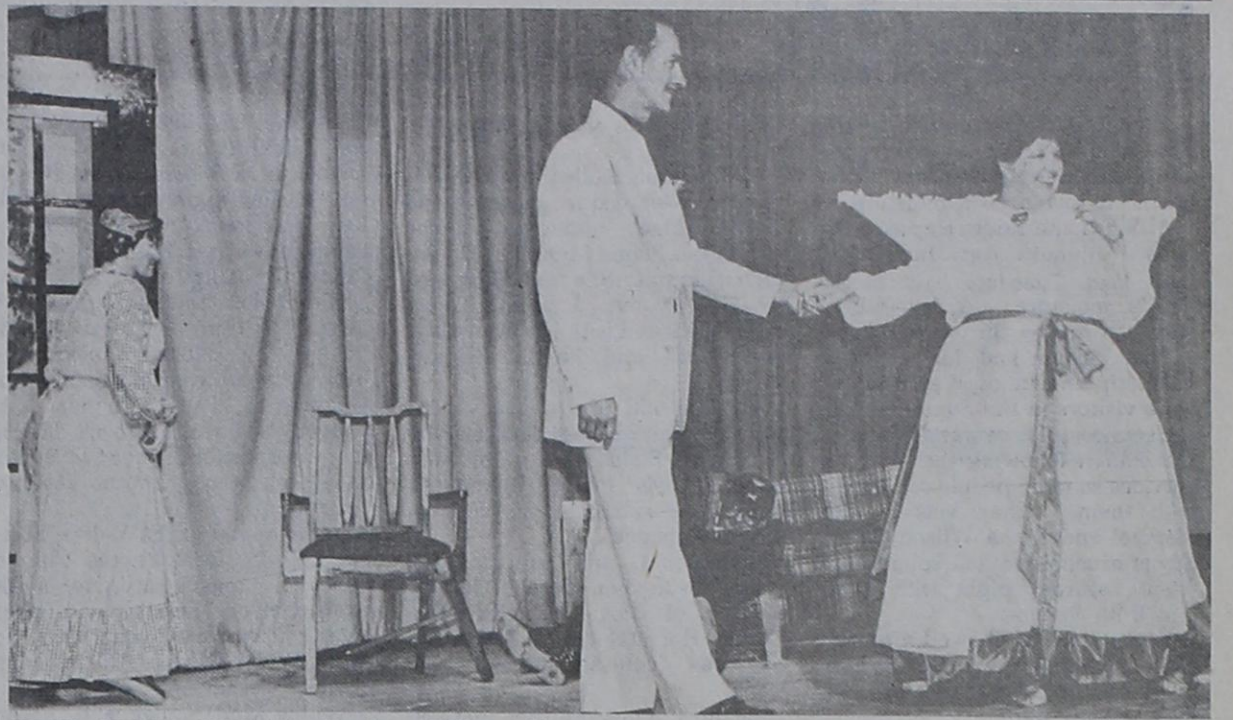

**AMSTAR, Corp.**

'ON THE GOOD SHIP LOLLIPOP,' the classic 1930s song made popular by Shirley Temple, is performed by a group of young Dimmitt lasses in the Harvest Days Follies. Members of the dance troupe were

Summer McLean, Amber Matthews, Courtney Robertson, Kathy Sammann, Jenni Sammann, Tawnee Vaughan and Holly Wise.

'WELL, HELLO, BRETT'—Charlotte O'Hara [Cherlye Pybus], destitute after the Civil War, wears a dress made from her drapes to greet the homecoming Brett Butler [Don Sheffy] in the skit, "Went With the Wind," in the Harvest Days Follies. At left is the maid Sissy [Linda Powell], and collapsed on the couch is the Yankee soldier [Joe Higgs] who has come to collect the taxes on Tara. The hilarious skit, directed by Mrs. Pybus and Bill Sava, was one of the highlights of the Follies. Also playing in the skit were Mike Foskey as the dashing Brashley Wilkes and Karen [Mrs. Don] Sheffy as the beautiful belle, Melody Wilkes.

## Cable television to be subject to taxes

The price of movies is going up — on cable television. New tax laws that go into effect Oct. 2 are going to make cable television more expensive.

Under a tax bill passed by the Legislature and signed by Gov. Mark White, cable television service is going to fall under sales tax of 4 1/8%.

In Dimmitt, the basic monthly service of Dimmitt TV Cable Co. costs \$10 per month. The sales tax would add 51 cents to that amount.

Cable company owner Stanley Schaeffer said that the amount will be added to customers' monthly billing starting with the Nov. 1 period, since the new law does not go into effect until Oct. 2. He emphasized that this does not represent a raise in the cable rate, but rather a passing through of the tax to the consumer.

He noted that the \$20 monthly charge for cable plus HBO service would bring a tax amount of \$1.03. Additional outlets are charged at \$2 per month, and tax must be added accordingly.

"There will be a lot of confusion and additional bookkeeping,"

Schaeffer said.

That makes watching reruns of "Casablanca" a little more expensive.

If a person orders a special feature, such as a specially televised concert or boxing match, the state sales tax applies to that also. These are televised events offered to viewers at additional cost.

And with football season upon us, special television presentations of college games through special sports networks could boost the cost of watching the games on your television sets.

Schaeffer said that any amounts prepaid before Oct. 2 will not be subject to the tax until the prepayment runs out. He also noted that customers paying by bank draft probably will not need to execute a new draft agreement. He said the tax amount will just be added in the draft amount. Customers will be notified of the change, however.

Questions about the new tax laws can be answered by State Comptroller Bob Bullock's office on 1-800-252-5555 toll free or the regular number, 512/475-1931.

## 'Fast food' is costly

More and more Americans are eating on the run without realizing what it costs, says home economist Bonnie L. Piernot.

Nearly 35% of the food dollar is now spent in away-from-home eating places, with an increasing amount going to fast food restaurants, says Piernot, a specialist with the Texas A&M University Agricultural Extension Service.

The fast food market — with 33,000 franchise outlets in the country — is growing at a much faster rate than the food-at-home market and is expected to increase the size of its bite from the consumer.

In one recent study, the United States Department of Agriculture compared the cost of selected fast food items with those of the same food prepared at home. The cost of a special hamburger, french fries and a soft drink in this study cost \$1.61 at a franchised restaurant and 83 cents for an equivalent meal at home.

"This is almost twice as much for a service that requires no special culinary skills and does not require specialized kitchen equipment," says the specialist.

## BRUEGEL & SONS ELEVATORS

"Serving the Best Grainmen in the Nation."

# Sunnyside

By Teeny Bowden, 647-5703

Hamilton Farms brought in the first load of corn to Sunnyside Grain and Supply Saturday afternoon. It tested 25% moisture.

Milburn and Eddie Haysdon delivered Dimmitt Agri Industries' first load Tuesday. It tested 29.7% moisture. A few others were cutting by the weekend.

Roy Phelan and his nephew, Kenneth Phelan of Weatherford, were visitors in the Sunday morning services. There was a dinner at the church following the morning services so more people could visit with them. They visited with Hershel and Retha Wilson Saturday afternoon and had supper and spent Saturday night with Noah and Ruth Spencer.

Cinnamon Cox showed the third place barrow in the Junior Barrow Show second class at the Tri-State Fair in Amarillo.

Hatla Bunny Farm won the Best Silver Martens trophy in the Open

Rabbit Show at the Tri-State Fair in Amarillo.

Willie Mae Sadler sat with the family Wednesday morning as Beck Bridges underwent major surgery in Plains Memorial Hospital in Dimmitt. She was doing well by the weekend. L.B. and Teeny Bowden visited with her Thursday, and Bruce and Phyllis Bridges Friday.

Hazel Pruitt of Lamesa visited last weekend with her parents, Mr. and Mrs. Floyd Ivey. Her husband, Curtis Pruitt, underwent major surgery again last Wednesday in Lubbock.

Johnnie B. and Shorty Lilley visited with her sister, Corrine Henson of Clovis, in the Hale Center Hospital last Wednesday. She was dismissed later in the week.

Lillian Carson kept her mother, Mrs. A. L. Aven of Hart, over the weekend.

Hershel and Retha Wilson and Rev. Ronnie Travis of Dimmitt visited in Northwest Texas Hospital Tuesday night with the Traylers who were injured in a car wreck on Labor Day. They are former Dimmitt residents.

The 33-lb. cantaloupe grown by Hershel Wilson, and served at the "Meet the Bobcats" night the 31st, was grown from seed from Old Mexico. They were planted in Halfway last year, and his daughter gave some of the seed to Benny Villarreal, who gave the seed to Hershel.

Hershel and Retha Wilson hosted the Lee Street Baptist Church volleyball team Saturday night with a steak supper and after supper played volleyball with the Springlake team. All had ice cream together after the games.

Willie Mae Sadler and Verna Sadler attended the grand opening of "The Plum Tree" in Lubbock Friday night. Linda Sadler and two friends have opened the ladies' shop in a new shopping center in Lubbock.

Mr. and Mrs. Hollis Bills of Wichita Falls visited Thursday through Saturday with his brother, R. V. and Bess Bills.

Hershel and Retha Wilson attended the Epperson reunion in Littlefield after church last Sunday and had dinner on Monday with her parents, Mr. and Mrs. Grady Epperson of Wolfforth, and supper Monday night with his mother, Ruby Wilson, in Ropesville.

Jimmy King of Hobbs spent this week with his parents, Billie and Emma Jean King and brother, Marshall and Kay King, Lance and Lincoln.

Ezell and Verba Sadler went to Canadian Friday for a weekend visit with James and Patricia Powell and John and Tresa Sirmans, Ken, Amber and Tiffany.

C. J. and Irene Fowlkes of Rockport spent Saturday and Sunday nights with Embree Roy and Willie Mae Sadler. They had dinner with Euleess and Hazel Waggoner in Dimmitt Sunday and visited with kin and friends there Sunday afternoon.

Margie McNeese and Velma Bennett of Levelland spent the day with Ethel Ethridge recently.

Jerry Shive of Amarillo visited Tuesday with Noah and Ruth Spencer.

Eddie and Sandra Waggoner, Laura and Susan, and John and Hazel Waggoner attended the Tri-State Fair in Amarillo Saturday and drove back through Palo Duro Canyon on the way home Saturday evening.

Hazel Waggoner visited in Plainview Wednesday with Evelyn Lindsey, Mark and Angelia.

Roy and Kenneth Phelan of Weatherford spent Friday night in Littlefield, and visited in Dimmitt Saturday morning with Howard Bridges and Mrs. John Spencer in South Hills Manor in Dimmitt.

Beck Bridges in Plains Memorial Hospital, and other friends here.

Gale Brown, Jared and Jason spent the weekend with her parents, A. J. and Claudeen Jones, in

Lovington.

Cliff and Lee Brown took a trailer house to Mount Lebanon, near Dallas, Saturday for Lynn Brown to live in while he is

working in Richardson.

Rev. and Mrs. Ronnie Travis of Dimmitt took Hershel and Retha Wilson out to supper Sunday night to help him celebrate his birthday.

MIMES Lynn Roland [left] and Jenifer Fuller act out a silent introduction to an upcoming number during the Harvest Days Follies. The two girls drew constant applause for their between-acts routines in front of the curtain.

BETH BUCKLEY leads "The Dimmitt Darlings" in isometrics in a popular act of the Harvest Days Follies. "Darlings" in photo, from left, are "Waynette" Collins, "Donna" Franklin, "Dougie" Pybus, "Bobbie"

West, "Randy Lynn" Schumacher and "Rogette" Malone. Others in the venerable physical-fitness class were "Charlene" Sammann, "Scottie Sue" Allen, "Calvina" Marsh, "Steve-Ann" Myatt, "Hankanne" Lynn and "Jerry Ann" Annen.

## Pageant entries wanted in Earth

Oct. 7 is the deadline for signing up entrants for Little Mr. and Little Miss Pageant to be held Oct. 13 at the Springlake-Earth school auditorium.

Age-group divisions for boys and girls are 3-5, 5-7, and 7-11.

Entrants must pay a \$25 fee. The winner in each group will win a \$50 US Savings Bond. Proceeds will go to projects of the Earth Young Homemakers.

For entry forms and more infor-

mation write Box 774, Earth, 79031, or call Tammy Simpson at (806) 257-2160 or 257-3705, or Christy Embry at 257-2193.

NEW RESEARCH indicates that even though some migratory birds are BORN with a magnetic compass sense, they learn to navigate from the stars AFTER being hatched, reports International Wildlife magazine.

## 4-H aids youth in communication skills

Communication is a common thread that runs through every 4-H project and activity in Castro County, according to Menzies McWilliams, county Extension agent-agriculture.

He said that 4-H boys and girls improve their communication skills every time they express themselves at club meetings, build a

public display, give a project demonstration, create a poster, or complete project record books.

In addition, said McWilliams, about 245 local 4-H'ers are involved in formal communication activities such as photography, public speaking, and club reporting.

Anyone age 9 to 19 can join 4-H. One of the ways to join is to come to 4-H club meetings during the month.

The Dimmitt 4-H Club meets in the assembly room of the courthouse at 4:15 p.m. the second Wednesday of every month.

The Nazareth 4-H Club meets in the Legion Hall in Nazareth the second Monday of every month at 8 p.m.

The Bethel 4-H Club members will have their annual banquet Sept. 17 at 7 p.m. at K-Bob's in Dimmitt.

The Easter 4-H Club is tentatively planning to tour the Amstar plant the last week in September.

For more information on joining 4-H, contact Menzies McWilliams at 647-4115, or come by the courthouse.

## State Fair to expand

"OctoberBest" is the theme for the 1984 State Fair of Texas, which will extend its traditional 17-day run this year to 24 days.

Three million visitors are expected to visit Fair Park in Dallas Oct. 5-28. Activities will include performances of the Broadway hit "Sugar Babies," a championship rodeo, the Pan-American Livestock Exposition, and the National Finals Truck and Tractor Pull, in addition to the everyday events of the fair.

Admission to the fairgrounds is set at \$3 for adults and \$1 for children ages 5-11. Under 5 are admitted free, and senior citizens are admitted free every Tuesday.

ALTHOUGH bats are often seen as omens of evil in the United States, in China bats are considered bearers of good luck, happiness and long life, says International Wildlife magazine.

**Castro County's Annual  
HARVEST DAYS  
CELEBRATION**

WELCOME VISITORS!

**VARDELL FUEL**

**Conference to  
be videocast**

Various aspects of revitalization of small towns, ranging from organization and promotion to design, will be dealt with in a special national videoconference called for Sept. 18.

AT&T Communications is making possible the beaming of the conference to 10 major Texas cities via satellite. One of the host cities will be Lubbock, with the conference to be held in Rm. 214 of the Lubbock City Hall, 916 Texas Ave.

Admission is free and the general public is invited. A dutch-treat lunch will be available. State and local government officials and community leaders, as well as businessmen, bankers, educators and property owners will be especially invited.

The conference is an effort to combine preservation of America's historic structures with economic development to reverse the decline of smaller communities.

Registration information for the conference may be obtained from the Texas Main Street Center, P. O. Box 12276, Austin, 78711, phone (512) 475-1048 or (512) 475-4407.

[Compiled from the Community Birthday Calendars sponsored by the Castro County Extension Homemakers, the Nazareth Swift Band, and the Hart Band.]

**Social Security  
in Castro County**  
By TERRY J. CLEMENTS

SSI payments are not just for "Grown-ups". Supplemental Security Income (SSI) payments can also be made to disabled and blind children. SSI is a Federal Program that provides a basic cash income to people 65 or older, disabled or blind who have little income and few resources.

There is no age limit for SSI payments to people who are disabled or blind. Young children can qualify as well as people beyond 65.

For a child under 18 to be eligible, he or she must have an impairment that compares in severity to one which would prevent an adult from working for a year or more. Blindness is defined as central visual acuity of 20/200 or less in the better eye with use of a corrective lens or restriction in the visual field to 20 degrees or less.

In addition to meeting the disability requirements, a child must also meet the income and resources tests to get payments. The parents' income and resources count toward the child's eligibility after certain deductions are made.

Generally, SSI payments cannot be made to a person in a public institution. However, people living in a publicly-operated community residence serving no more than 16 people may be eligible.

The maximum SSI payment is \$314 a month, but this amount is reduced if a person lives with someone other than a parent or has income above a certain limit.

A child cannot get SSI payments and take part in the Aid to Families with Dependent Children program. The parents of a child eligible for both programs can choose the one that best fits the family needs.

If you have a question concerning the Supplemental Security Income program or any Social Security question, please call us at 293-4371. If you need to visit our office our address is 1401-B West 5th Street in Plainview.

**TRANSYLVANIAN TRAGEDY**—Innocent traveler Carol Cunningham [Maureen Foskey, second from left] views with horror the "Bawarian cream pie" on her hands after schticking it to the werewolf, Sir Layne Tollege [Bill Sava, on floor with pie on his face]. Carol's bridegroom Fred [Dick Schacher] views with equal horror the clawmarks on his arm, inflicted by

the werewolf. Stalking zombie-like across the stage is the maid Clothilde [Bea Acker], and at right is the Gypsy fortune-teller Hamorrhah [Ann Murphy]. The scene is from the fang-in-cheek Follies melodrama, "In Transylvania," a take-off on the Lon Chaney werewolf movies of the 1930s.

## Sunday School convention set

A Texas Baptist Regional Sunday School Convention will be conducted at College Heights Baptist Church in Plainview on Saturday, Sept. 15.

The Plainview convention is one of 41 being conducted across the state by the Baptist General Convention of Texas Sunday School Division to help strengthen work in local Sunday Schools.

"Reach 5 in '85" is the theme for the convention which will launch the last year of 8.5 by '85," the Southern Baptist Convention's effort to have 8.5 million persons enrolled in Sunday School by Sept. 30, 1985.

Featured speaker at the convention will be Floyd Bradley, director of missions for the Caprock Plains Baptist Area.

There will be age-group and general officers' conferences in addition to a variety of special-interest conferences from which to choose. Also, the Plainview convention will feature a conference for persons who attend Spanish-speaking congregations.

The convention will be conducted from 9 a.m. to noon and from 1:15 to 4 p.m.

For more information about the convention, contact the Baptist General Convention of Texas, Sunday School Division, 511 N. Akard, Dallas 75201-3355, or call (214) 741-1991.

## VLB calls for bids on forfeited tracts

Texas Land Commissioner Garry Mauro has released a list of 80 tracts of state land that were recently ordered for resale to the highest bidder by the Veterans Land Board.

The Veterans Land Board is now accepting sealed bids on the forfeited tracts that are located in more than 50 counties across the state. The tracts range in size from 10 acres to just over 45 acres.

The tracts are divided into two lots with 58 tracts restricted to bidding by Texas veterans qualifying for the Veterans Land Program. Another 22 tracts are open to bids from both veterans and non-veterans.

The interest rate to eligible Texas veterans will be 9.25% on a 30-year assumable fixed-rate loan. The interest rate for the general public bidding non-veteran tracts will be less than 11% on a 30-year assumable fixed-rate loan.

Mauro emphasized that fewer than one percent of the more than 84,500 loans made through the Veterans Land Program result in forfeitures because of delinquent payments.

"A fair but aggressive policy toward delinquencies is necessary if we are to continue offering generous terms to our veterans through this excellent program," he said.

A public reading of the bids submitted to the Veterans Land

Board for the forfeited land sale will be held on Oct. 17 at 10 a.m. at which time the bidding will close. Any and all bids received after that time and date will be rejected. The winning bidders will be notified by mail within one week of the sale. The Veterans Land Board may reject any bids for any reason.

Bidders must submit a \$25 fee for each bid, \$320 to cover closing costs, plus 5% of their highest bid (if they submit more than one) with their bid form. Losing bids will have all money refunded except the \$25 bid fee.

The loan closing process will begin as soon as it is determined that all fees have been paid by the winning bidders.

A bid form, the list of forfeited tracts included in the sale, bidding instructions and directions as how to reach each tract for inspection are available from the Veterans Land Board. For more information write the Veterans Land Board, 1700 N. Congress, Austin, 78701, or call a toll-free number 1-800-252-VETS for assistance.

AT ONE TIME or another, beavers have probably changed almost every watershed on North America, reports National Wildlife magazine. For example, a 1960 excavation down to bedrock revealed the area now called Boston Common was created by busy beavers.

## ASCS news

# Keep reserve acres weed-free

By CHARLEY E. HILL  
County Executive Director

**LEAVE OUT ACRES [ACR]**  
Due to our recent rains, some of the acreage conservation reserve is beginning to get very weedy. These acreages must not only be protected from wind and water erosion, they must not be allowed to grow up in weeds.

If you have a weed problem, you should take care of it as soon as weather permits, because failure

to do so could cause the farm to lose program benefits.

**CORN ACREAGE**  
Corn to be cut for silage must be appraised before cutting if you wish to prove the farm yield for 1985.

**FARM CHANGES**  
Please report any changes of operators or addresses, etc., that effects your farm for 1985. This will help us keep our records current.

**FEDERAL CROP INSURANCE**

The final date to apply for Federal Crop Insurance on your 1985 wheat, barley and oats is Sept. 30.

**1985 WHEAT PROGRAM**  
Signup for the program will be Oct. 15-March 1. To be eligible for program benefits, you must limit your 1985 wheat acreage to no more than 70% of the farm's wheat base. You will need to place in the acreage conservation reserve 28.57% of the farm's 1985 planted wheat acreage, plus 10% of the farm's wheat base.

# Applicators need test appointment

The Texas Department of Agriculture's Amarillo office is changing the testing procedures for the Certified Applicators Exams (Commercial and Non-Commercial) starting today (Thursday) the test will be given on the second Thursday of each month as in the past, but by appointment only. Two testing times will be held each testing day: at 9 a.m. and at 1 p.m. The testing room is limited to 10 individuals for each time.

Individuals who need to test for a license must call the TDA office in Amarillo at (806) 358-7285, and make an appointment in advance of the testing day, specifying which time is preferred. After the tests are completed and graded, the test results will be mailed within seven days.

IMITATION crab meat is one of the main products made from surimi.

WELLLL!—Aging movie queen Helene LaPlatte [Joyce Rickerd, left] is infuriated over a puncturing-but-true remark by her game-show partner, librarian Annette Sims [Ysleta Ball] in the Harvest Days Follies skit, "Celebrities and Peasants," a take-off of the TV game shows that originated in the 1950s. The game show host, the laughable, loveable Don Hotchkiss, is portrayed by Chuck Braafladt.

# Parks adopt drought rules

Dry weather conditions which are hurting farmers, ranchers and urbanites with lawns also are affecting many of Texas' state parks. Texas Parks and Wildlife Department officials said tinder-dry conditions have prompted special restrictions on campfires in some state parks. Rivers and lakes in certain state

parks also are below their normal levels, affecting boat launching, swimming and fishing.

Park officials recommend that campers and other prospective park visitors call ahead before going to a state park. As always, advance reservations are recommended for use of overnight facilities.

Let's Celebrate  
By Attending The

## Repair service charges will be taxed Oct. 2

When the toaster gives out or the television set goes, every Texan confronts the old dilemma: Should I fix it or buy a new one?

The dilemma gets harder after Oct. 2, when new tax laws on repairs go into effect.

The cost of repairing personal property — including home repairs — will be taxed under a new law passed by the Legislature and signed by Governor Mark White.

The tax rate is 4 1/8 percent. A local sales tax of one percent may boost the total tax to as much as 5 1/8 percent.

This is the first time such a tax affects every household in Texas directly. Repairs of washing machines, dryers, lawn mowers, vacuum cleaners, microwave ovens (if they are freestanding), telephones and television sets are all included.

Also included are the extended warranties consumers buy to protect these items.

Repairs to real estate are not

taxed. Neither are repairs to items that are specifically exempt, such as eye glasses or hearing aids, motor vehicles and aircraft. Parts are taxed, but not the repair work itself.

If your watch breaks or if your camera's shutter is on the blink, their repair is taxable at the place where you take them to get them fixed.

Any questions involving which repairs are taxed and not taxed can be answered by calling State Comptroller Bob Bullock's office toll free on 1-800-252-5555 or on the regular number, 512/475-1931.
