

County Hospital Bond Election Tuesday

The question of whether or not Castro County will have a new hospital building goes before the voters Tuesday for a positive answer.

In a drive that started several months ago, some 180 persons signed petitions calling for the bond election. If approved, the new \$290,000 hospital would contain 32 beds and be one of the most modern such facilities in this area. The cost of the economically-designed (\$9,000 per bed vs. usual \$11,000) building has been whittled down considerably from original plans that called for an expenditure in the neighborhood of \$350,000.

The present hospital has about \$50,000-plus in equipment which would be used in a new building.

The present building, constructed about 1943 as the Hereford Prisoner of War Camp dispensary, has been considered inadequate for some time by persons interested in the hospital operation here.

A four-conducting open house will be held at the hospital beginning at 1 p.m. Friday afternoon and last-

ing until 5. Open house at the same hours on Saturday, Monday and Tuesday will also be held for those wishing to study the present plant before casting their vote.

Chief among complaints against the present building have been the danger of fire in the frame structure; the noise, difficulty of keeping it clean, bed shortage, deteriorating wiring, shortage of bathroom facilities (only one bathroom exists in the present hospital,) and many others.

Large amounts of snow have been deposited in some rooms by sifting through the windows during blizzards.

One doctor says abnormal amounts of sedatives must be administered patients so they can sleep at night due to the noise-carrying features of the building.

Several rooms do not have buzzers because the system's wiring has failed and no one can be found to repair it.

Hospital admissions are steadily rising. In two years

there has been a rise of 8.7 percent in admissions. In 1956 there were 719 persons admitted; 748 in 1957 and 824 in 1958. The average daily patient load has increased fifty percent, from 8 to 12 during this period.

The scope of hospital operations here are also shown in the financial report. Income in 1956 was \$63,836 and costs were \$68,461, a deficit of \$4,625. In 1957 expenses were \$76,555 versus an income of \$71,942 for a loss of \$4,613. For the first time a profit was shown during the fiscal year just ended. With an income of \$88,111 and expenses of \$86,170, there was a profit of \$1,941.

While there is no certainty that Castro County Hospital will become profit-making—few do—it is maintained by promoters of a new building that good paying customers would be lured back from modern out-of-town facilities to the local plant. This would assure better collection rates. Actually there is a high paper profit in hospital operations here, but the incomplete collections

characteristic of county hospitals holds down much real profit.

According to printed material being circulated in favor of the hospital, approval of the proposition would bring on a state and county tax increase of 20 per cent. This reportedly does not include the school tax. Castro County's bonded indebtedness is virtually nil, so the county tax burden would be below average even with a new hospital.

No urgent overcrowding problem exists at the moment. Hospital authorities consider four beds per thousand adequate. Castro County has about 8,000 population and with 26 beds in the present hospital is six beds short of what it should be. But so far no one has had to be turned away due to lack of beds.

Voting places for the election will be about the same as during the Democratic primary just past. Exact locations may be verified by reading the notice of election on page 2 of the Castro County News.

Work Starts on County Fair

The Castro County Fair Association made the preliminary plans Monday night for work leading to the first fair since 1956 here September 18-19-20.

More than twenty people assembled and decided on several major things concerning the fair. It was decided that cash prizes will be awarded along with ribbons, but a system of these awards will have to be worked out.

The annual flower show, held in conjunction with the fair, will be held at the fair grounds, it was decided.

Last Rites for Everett Cleaver Held Wednesday

Everett H. Cleaver, 71, of Tulare, California, died in the Castro County Hospital Monday following a heart attack while visiting in the homes of his sons Odell and D. L. in Dimmitt.

Funeral services were held at 4 p.m. Wednesday in Dennis Funeral Home Chapel with D. C. Lawrence, minister of the Dimmitt Church of Christ officiating. Burial was in Castro Memorial Gardens.

Besides his two sons of Dimmitt, Mr. Cleaver is survived by his wife; three other sons, Floyd, Tulare; W. M. Tullia; and A. E., Alamogordo, New Mexico; a daughter, Mrs. Wauneta Eskure, Farris, Oklahoma; 18 grandchildren and six great-grandchildren.

1,250 Enrollment Seen

About 1,250 students are expected to register in Dimmitt Public Schools on Friday, August 29.

This will be an increase of about 50 over the preceding year.

No buses will run nor will any meals be served until the first day of school September 1, according to Superintendent R. S. Vestal.

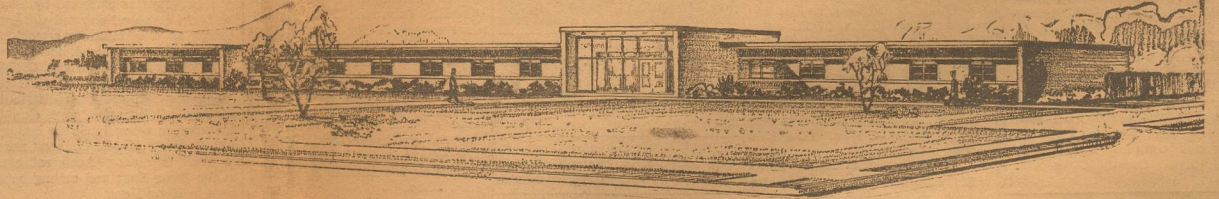

No new courses have been added and the teacher list for the curriculum is full.

South grade principal will be Mrs. O. J. Riley; north grade, W. E. Reisdorph; and high school, Paul Hilburn.

Grade school teachers will be First grade—Blanche Begert, Berntha Mae Doran, Mitzi Ethridge, Oleta Gollehon, Mrs. Robert Wolf,

Discussions were also held concerning the parade, entertainment, putting the fair buildings in order and other details pertinent to fair promotion. It was decided not to have a catalogue due to the short time left before the fair is to start.

The next meeting will be held Monday in the District Courtroom at 8 p.m.

This picture is an outside view of a building proposed by the Castro County Hospital Improvement Association, a group working for a new county hospital.

While the above building is in no way bound to be the final plan, it has been submitted as feasible and workable, especially for this area. It would consist of eight private rooms with bath, six double rooms and two four-bed wards, each with adjoining bath. There would also be two 2-bed isolation wards and an eight-basin nursery with adjoining workroom.

The lobby would have a seating capacity of twenty-five and would be en-

closed on one side by a brick, glass and tile front. Just off the lobby proper would be a small chapel or prayer room, as found in many modern hospitals.

One-half the patient wing would be of reinforced concrete and steel as an added protection in case of tornado or severe storm. Other features of the proposed hospital include an operating and delivery room, recovery room, two-bed labor room, one room each for laboratory, x-ray, central supply, drugs, laundry, kitchen and dining room. It would fit on the same property next to the present hospital, which would be removed when the new building is completed.

OLD HOSPITAL—This is the present Castro County Hospital. It was formerly a dispensary at the Hereford Prisoner of War Camp until moved to Dimmitt at the end of World War II as a cooperative hospital. It has facilities for 26 beds and is of wood frame construction. If voters approve the measure, this building will be replaced by a new brick hospital on the same block.

Light Primary Voting Expected

A light voting turnout is expected Saturday in the second primary election.

The only race that went into a runoff was for Associate Justice of the Supreme Court, Place 1. In this race are J. Edwin Smith of Harris County and Robert W. Hamilton of Midland County.

In an effort to hold down expenses of the election, voting will take place in the four commissioner's precincts instead of the usual 15 voting precincts. Voters of precinct 1 will vote in the county clerk's office; voters of precinct 2 in the Tax Assessor and Collector's office; voters of precinct 3 in the county agent's office and voters of precinct 4 in the Commissioner's Court Room. Voting will take place from 8 a.m. to 7 p.m.

Nature of the prizes to be awarded Saturday night were not announced.

Teenagers to 'Play Like Kids'

The Teen Can-Teen will offer prizes to the best dressed imitation of a pre-school kid, according to an announcement this week by Mrs. Mary Flynn.

The regular every-other-Saturday night meeting will be held Saturday at the American Legion Building and is open to all teenagers in the County. A nominal charge of 25 cents is made to help expenses. Some 200 of the county's teenagers usually attend the Can-Teen activities, supervised by area adult leaders.

Nature of the prizes to be awarded Saturday night were not announced.

Genevieve Howe, and Becky Mae Maxwell, Second Grade—Althea Hutchison, Nancy Smith, Julia Vestal, Faun C. Welker and Charlene Wohlgemuth.
Third Grade—Alma C. Forson (special), Alice Cowen, Grace Strother, Koma Ratcliff, and Earleen Reisdorph. Fourth grade—Lavern Bates, Grace Loyd, Erma E. Riley, and Mary F. Tardiff. Fifth Grade—Mary Sue Fuquay, Mrs. Dollar, and Mrs. Para Rander. Sixth Grade—Clyde H. Damon, Mrs. Charles Hottel and Helen Richardson. Seventh grade—Ronnie Mills, Kenneth G. Kersh, and Mrs. Paul Hilburn. Eighth grade—Mrs. Jim Hamilton, Mabel Newman and Robert C. Wolf.
Grade school music teachers

are Beth Bridgers Jones and Roy Edwin Lowe. Colored school teachers are Ora Lee Garrett and Odeal Linda Wilson.
Teaching High School will be James W. Bates, Miss Thelma McMinn, William L. Phillips, Mrs. Joanna Snider, Inez Robinson, J. O. Seale, Avis Smith, William Cason Smith, John E. White, and S. T. Newman. Mrs. Frances Covington will teach P. E. in grade school and high school.
Ronnie Mills, seventh grade teacher, will coach grade school football and assist J. D. Covington with the High School players. Mills is a former Little All-American football player. Alvis Fuquay and Johnny Ethridge will re-assume their coaching duties.

Bobcats Start Fall Practice Here Monday

The Dimmitt Bobcats go into their 1958 season in the same conference but with fewer teams to play in their quest for the title.

Olton and Muleshoe have been removed from Conference IAA to be replaced by Friona. However, the Bobcat's arch rival, Olton, will stay on the schedule in non-conference competition as well as Muleshoe.

Of considerable interest to Bobcat fans this year will be the reserve seat system planned by Dimmitt Schools for the new stadium. One section in the west bleachers has been sectioned off as reserved seats. Present plans call for their sale only as season tickets at \$6.00 each. About 250 persons can be accommodated in the section. Purchase of the season ticket will assure the Bobcat fan of a good seat even if he arrives only moments before kick-off time.

The new stadium will probably be completed well before the first home game on September 12. However it is possible a new concession stand and other improvements will still be in the construction stage at that time.
All games will be at 8 o'clock at night.

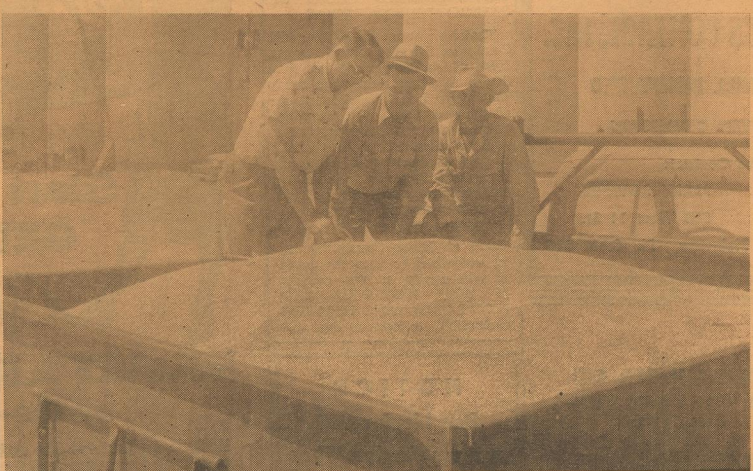

MIKE SCHACHER BITTEN BY RATTLESNAKE SATURDAY

Mr. Mike Schacher of Nazareth was bitten by a rattlesnake about 9 a.m. Saturday while working in his field.
He was rushed to Castro County Hospital by his brother after emergency first aid treatment. Mr. Schacher was bitten on the arm and was released Sunday after medical treatment. He suffered few if any ill effects, according to hospital attendants.

Practice for the Bobcats begins in earnest on August 25. Coach J. D. Covington this week urged that all prospective football players show up at a workout session at 6 a.m. on Monday, August 25. A scrimmage will be held between the Bobcats and Farwell on Saturday, August 30 here at 7:30 p.m.

According to area football dopsters, the Bobcats are picked to finish third in the district behind Dalhart and Canyon. Fourth and fifth places in pre-season predictions goes to Tulla and Friona, respectively. Dimmitt remains considerably the smallest school in the district, even after the shifting around of teams.

The Bobcat schedule is as follows:
Sept. 5—Springlake, there
12—Lockney, here
19—Hereford, there
26—Abernathy, there
Oct. 3—Muleshoe, here
10—Olton, here
17—open
24—Friona, there*
31—Dalhart, here*
Nov. 7—Tulla, there*
14—Canyon, here*

FIRST GRAIN—Castro County's first load of grain sorghum was delivered Wednesday morning about 10 o'clock to Bruegel and Sons Elevator north of Dimmitt. A DeKalb grain, it tested 19.2 percent moisture and 54 pounds per bushel and was delivered by R. E. (Soapy) Holland from his farm near the Dimmitt airport. In the above picture J. R. Brown (left) samples the grain while Fred Bruegel (center) and Mr. Holland look on. The elevator paid \$2.00 per hundred for this first load. The crop had been previously damaged by hail and Mr. Holland could not estimate the yield Wednesday.

OLD SETTLER'S REUNION—168 persons had registered by 3 p.m. Thursday (August 14th) at the Old Settler's Reunion behind the Court House. Mr. J. W. Jordan gave the keynote address.

168 Old Settlers Met Here Thursday

Castro County's old settlers—168 of them—gathered Thursday behind the Court House for their annual reunion held in conjunction with the Dimmitt Rodeo.

They were feted to a barbecue dinner by the Rodeo Association. B. M. Nelson gave the welcoming address, followed by the key-

note speech of J. W. Jordan.

Elected new officers were Elmer Dixon, president; Miss Hazel Merritt, vice president and historian; and Mrs. C. J. Mapes, secretary and treasurer.

Oldest man attending was Mr. J. P. Todd, 90, of Tulla. The oldest

woman present was Mrs. James Cox, Sr., 86.

The man who had resided longest in Castro County is Mr. Tom Tate, here since 1890.

Mr. Harvey Dixon came further than anyone else to be at the reunion—from Texon, Texas. The Dixon family was well represented at the meeting with the brothers Elmer, Clarence, Harvey and Emmitt attending.

Mrs. Mapes said this week that the Association wished to express its appreciation to the many people who worked to make the Old Settler's Reunion a success again this year.

We might wind this up with the one about the doctor performing a delicate operation before the hushed admiration of the student gallery. All went fine until his assistant leaned over and asked sweetly, "Doctor, may I cut in?"

Calvin Lippard, Joan Graham Wed In Tulia

Calvin Lippard, son of Mrs. J. H. Lippard and Mrs. Joan Graham of Tulia were united in marriage Thursday, August 7 in the home of the officiating minister, the Rev. O. B. Herring of Tulia. Following the wedding ceremony the couple left for Mexico City for a honeymoon. They will make their home in Dimmitt where Mr. Lippard is manager of Brown's Supply.

Pat Moran Is Junior Garden Club Hostess

Pat Moran was hostess to the Jr. Garden Club Friday afternoon in the yard of her home. Business was called for the bake sale at Bob's Super Market Saturday. Karen Estes moved that the club plant some of the flowers they had discussed. Plans were discussed about planting fall bulbs, especially cypripis and jonquils. Pam Buchanan led discussion on the different weaves. Four new members were added, they are Jane Cleavinger, Ginger Kemp, Linda Davis, Shirley Leinen, refreshments were served to 17 members, guests were Scott Moran, Mrs. Moran and Mrs. Sid Sheffy.

Beth Bridgers and Bobby Jones Exchange Vows In Hope Arkansas

Miss Beth Bridgers, daughter of Mr. and Mrs. C. W. Bridgers, and Bobby Gene Jones, son of Mr. and Mrs. Ernest Jones of Dimmitt, were united in holy matrimony at six-thirty in the evening of July 30 in the First Methodist Church of Hope, Arkansas.

The Reverend Rufus Sorrells performed the impressive doubling ceremony, while Mrs. B. C. Hyatt, Organist, had charge of the traditional wedding music. Mrs. Douglas Drake of Little Rock sang "O Perfect Love" and a prayer hymn preceding the "Lord's Prayer" during the ceremony.

The bride entered the church on the arm of her father who gave her in marriage. She wore a wedding gown of imported rose-point Chantilly lace and tulle over taffeta, fashioned with a sculptured bodice of lace and featuring a bateau neckline which was enhanced with a trim of iridescent sequins, tiny cap sleeves and matching lace mitts. The voluminous floor length skirt of tulle had a peplum of lace. Her veil of illusion fell from a tiara encrusted with pearls and sequins. Her bridal bouquet was of phalaenopsis and lilies of the valley and was centered with a white orchid.

Vows were exchanged before an arch entwined with plumosa fern and Oregon huckleberry in the midst of candleabra holding white tapers. Baskets of white gladioli and daisies were at each side of the altar.

Mrs. Bill Jones, sister-in-law of the groom, and Miss Rebecca Jane Teeter of Malvern, cousin of the bride, were matron and maid of honor. The bridesmaids were Miss Elizabeth Caldwell of Malvern, Mrs. Ed Shehane of Hot Springs, and Mrs. Kenneth Leslie of Texarkana.

They were identically dressed in street length dresses of yellow organdy over taffeta with yellow satin sashes of a deeper hue. The frocks had sabrina necklines, Gibson girl sleeves, and full skirts. The attendants wore yellow nylon bandeau hats trimmed with daisies and carried crescent bouquets of the same flowers, tied with stream-

ers of pale green satin ribbon.

Bill Jones of Dimmitt served his brother as best man. Ushers who also lighted the candles were Bill Bridgers, brother of the bride, and John Barr. Groomsmen were Syd McMath, Jr., and Johnny Snell.

Following the ceremony a reception was held in the dining room of the church. The guests were greeted by Mrs. R. T. White who introduced them to those in the receiving line: the wedding couple, their parents, Mrs. Claude Mann of Malvern, grandmother of the bride, and members of the wedding party.

A color scheme of yellow, green and white was used in the decoration of the bride's table which was covered with white taffeta and net, caught up at each corner and centered with nosegays of yellow and white stock. The center arrangement was of white stock and yellow candles in silver candleabra. Mrs. J. W. Mason, Jr. of Malvern and Mrs. Howell Flournoy of Shreveport, La. served the tiered wedding cake and Mrs. G. L. Teeter and Mrs. George Bridgers of Beaumont, Texas, poured the

Assisting in serving the guests punch. All are aunts of the bride. Mrs. Harry Hawthorne, Mrs. E. W. Copeland, the Misses Byron Denson Hefner, Sheila Foster, Sharon Foster, Ginnane Graves, Ann Cole, Linda Gilbert, Cynthia Forster and Susan Forster all of Hope, and Miss Martha Lou Blackwell of Warren. Mrs. R. A. Jones had charge of the bride's book. Before the couple left for a honeymoon, Miss Susan Forster dispensed tiny white bags of rice to the guests.

For travel the bride wore a two-piece imported silk dress of Dior blue. She wore a white felt sequin trimmed hat and her other accessories were black. She pinned the orchid from her bouquet at her shoulder. After their wedding trip, Mr. and Mrs. Jones will be at home in Dimmitt, Texas.

Judith Maples and Jim Tate Wed In Baptist Church August 16

Miss Judith Ann Maples, daughter of Mrs. Zonelle Maples of Dimmitt, became the bride of James Clifton Tate, son of Mr. and Mrs. Curtis Tate of Dimmitt, August 16th at 8:00 p.m. in the First Baptist Church in Dimmitt.

The Rev. L. A. Sartan of Friona read the double ring service. Miss Mary Lynn Hendrix was organist, Ann Touchstone soloist.

Vows were exchanged before an archway entwined with green fern, palm and white carnations, with large baskets of white gladiolas and palm, tied with turquoise ribbon on either side of the altar. Candle lighters were Gayle Elder and Tommie Maples. Mrs. Elmo Blackwell, cousin of the bride was Matron of Honor, Linda Hance was bridesmaid. They wore identical dresses of turquoise taffeta, and carried bouquets of white carnations backed with white lace and ribbon streamers.

Dale Russell, of Abilene was best man, Zay Glibreath, groomsmen, Jerry Cluck, Truman Todchison and George Frye were ushers.

The bride, given in marriage by her uncle, J. R. Brown, wore a white traditional gown of chantilly lace over taffeta, styled with long fitted bodice and tiny buttons down the back with Chapel train, the scoop neck encrusted in pearl beads and sequins. Her fingertip veil of illusion was attached to a crown of seed pearls and sequins. She carried white orchids surrounded with white stephanotis on a white Bible. The brides isle was laid with white cloth. As the bride approached the altar she paused and presented her mother with a long stemmed red rose and on leav-

ing the altar she paused and presented the groom's mother with a long stemmed red rose.

Mrs. Maples, mother of the bride, wore an Aqua embroidered cotton satin sheath dress with black accessories.

Mrs. Tate, mother of the bridegroom, wore an orchid embroidered linen sheath dress with matching accessories.

The reception was held in the home of the brides grandparents, Mr. and Mrs. C. G. Maples, Sr.

For the wedding trip the bride chose a blue chemise dress with black accessories and a white orchid corsage.

After the wedding trip the couple will be at home in Lubbock at 2413 13th Street.

Just Thought You'd Like to Know

Mary Flynn

Personally, I'd say Hats Off to Mr. Homer Herring for having done such a good job on such a short notice in producing such a fine parade the other day. I think, too, that the organizations did a superb job on their "short notice" floats.

The Hospital Float carried a definite theme... the need for a new Hospital. The Lions Club float was simply beautiful... Linda Hance standing so pretty and poised gently touching the glistening gold lion.

The C of C float really had some stunning girls on it, Linda Gladman (their Queen Candidate) and the Dimmitt Bobcat Cheer Leaders. The "Cowboy's Dream" was portrayed by the Jay Cees and the JayCee Ettes on their float. It was really western and fitting for a Rodeo Parade. Miss Carol Cowser, their queen candidate, made a lovely dream... The American Legion's was likewise western with their Queen candidate, (and winner) Earlene Taylor, riding on a saddle with the Legion banner billowing behind her, held by a young fellow in a service uniform.

I also liked the Garden Club's Glamour Gal Gardners and the Jr. Garden Club's younger gardeners. The Teen Can-Teen's float was a typical Teen scene... with their queen candidate, Sharon Corica, spinning records with the musical notes drifting out. The Castro County News also had a clever "electric-chair" with several youngsters in it. And there were others... all good.

However, did you notice that Margaret Waggoner, one of the

nurses on the Hospital float, had her arm and hand all bandaged? Did you wonder why? I did. Found out, too. It seems that, after preaching to her family for twenty years, more or less, about keeping their fingers out of car doors, she stuck her whole hand in one... result... two broken fingers. Maybe she had better "Practice" what she "Preaches"!!! However, I've also heard that "Experience is the best teacher."

Did you see the crowning of the Rodeo Queen? Queen Earlene Taylor, dressed in Western attire, was presented with a lovely bouquet of roses and fittingly crowned with a Stetson Hat... even tho it was a shade large and nearly fell over her ears...

The candidates were all selected from the Teen Can Teen. They all made a grand appearance in their Western dress and I am certainly glad I wasn't a judge. The decision would not have come easily.

Have you ever done something you felt was "news" only to find you received no recognition? Such was the fate of the three delegates from Castro County to the State THDA Convention in Austin last week.

It seems the ladies, Mrs. Houston Lust, Mrs. Jess Birchfield and Mrs. Trucan Swoops along with the other District I delegates expected to receive a "send-off" from Cotton John Smith, as has been the case in years past, but they left Amarillo on their chartered bus unnoticed, however, they soothed their feelings by expecting and big "Welcome Home" from Cotton John or some other equally prominent person but still hoping. But the ladies were still hopeful, they KNEW the Castro County News would carry a story... none... Mrs. Swoops remarked that Hart News would have it... it didn't. Mrs. Lust knew Bethel News would carry it... it didn't. Sad, but true, the truly great

often go unnoticed... The voting for or against the new Hospital will be held Tuesday, August 26th. It is the hope of many that, due to the dire needs of the present hospital and the growing demands of the increasing population, the bond issue will be elected.

If there is any doubt in your mind as to the needs, just take a few minutes of your time to investigate. A short visit to the present hospital will settle any doubts you may have. Or, talk to anyone who has been a patient in this hospital recently... No where could one find better and more understanding doctors and nurses, but services are of time limited due to lack of space and equipment.

Dimmitt and the surrounding area are growing rapidly. The need for a new and larger hospital are likewise increasing. I hope you find it within your judgement to vote FOR the hospital bond issue.

Sounds like fun at the Teen Can-Teen this Saturday night. Plans are being completed for a KID Party. Get out your toys, you teen-agers, and bring your friends for a night of fun. According to Mrs. Jackie McLeroy, some new records have been purchased, too.

Prizes will be given to the boy and girl dressed and acting most like a KID.

'nuff said, Mary

Pansy Pinkston of Dallas is visiting Mrs. Pat Cowman this week.

Vacationing in Colorado Mr. and Mrs. Loy Dean Stone and children are vacationing in Colorado this week.

Visiting in Denver Mrs. Zonelle Maples and Tommie are visiting in Denver, Colorado this week.

VEGETABLES—Several Castro County vegetable growers and packing sheds donated a truckful of potatoes, onions, cabbages and carrots last week to Boy's Ranch near Amarillo. These men and boys came down to pick up the food supplies.

QUEEN CONTESTANTS—Judges had a difficult time choosing a rodeo queen from these lovely young ladies last week end. But the crown finally went to Earlene Taylor (far right) who was sponsored by the American Legion. The other girls are (left to right) Carrol Cowser, sponsored by the JayCees; Sharon Corica, sponsored by Teen Can-Teen; Linda Hance, sponsored by the Lions Club; and Linda Gladman, sponsored by the Chamber of Commerce. This photo was taken shortly after the parade while the girls were still in their parade float costumes.

PARADE FLOATS—County organizations participated more than usual in the rodeo parade this year. These pictures are random shots made during the parade and do not include all floats.

homemade ice cream after the meal. Mrs. Clyde Crawford visited in the home of Mrs. Clyde Jones last Monday afternoon.

Walter Rogers' WASHINGTON NEWSLETTER

THE MAD RUSH

The last two weeks of Congress are like outside rows of corn—they should never be planted. But, no one has been able to solve the problem to do away with the outside rows of corn or the last two weeks of Congress. The only way that I can think of would be to pass a resolution the last thing before final adjournment cancelling and voiding everything which had been done for the previous two weeks. This would probably work one conceived the idea of recessing for one or two years until something two weeks before final adjournment.

Much constructive legislation is passed in the last two weeks of a session of Congress, but so much attention must be paid to the major bills with all of their complexities that it is an opportune time for innocent looking measures to be pushed through without sufficient debate. Many of these measures have money authorizations included that can add up to a rather stupendous sum. On one day during the last two weeks, the Senate passed 123 measures, treating matters all the way from the Virgin Islands to the Hawaiian Islands,

Alaska and Guam, territorily speaking, and all the way from a bill dealing with a church to another bill having to do with jail-type confinement, spiritually speaking. The House of Representatives had several very similar days.

The committees grind to a virtual standstill during the early part of these last two weeks, because it is obvious that it would be futile to report bills that would have little chance of coming before the Congress. When a committee reports a bill, it is necessary to take it before the Committee on Rules in order to get clearance for consideration of the bill by the full House of Representatives. The Rules Committee acts as somewhat of a traffic cop with regard to legislative matters, saying what may come before the Congress and what may not. Even without the bills which are reported by the committees during the last days, there is always a log jam of bills that have been reported earlier in the session which have not been acted on by the Rules Committee. Therefore, the pressure on the Rules Committee during the last few days becomes tremendous. It would be humanly impossible for that committee to so much as consider a small part of the requests made for hearings. Several highly controversial measures had not been reported out of their respective committees in time for the Rules Committee to act upon them prior to the final drive for adjournment. The chairmen of these committees were, therefore, expecting to get authorization to present the bills to the Congress for a vote during this last two weeks period. However, chaos seemed to be the order of the day when the Chairman of the Rules Committee turned up missing.

He is the only one who can call a meeting of that committee and, therefore, his presence was highly essential. There was much conjecture concerning his whereabouts,

One Member suggested he might be on the submarine, Skate, underneath the North Pole. However, he turned up in good shape on Thursday morning and matters began to proceed in order. These several bills that were in controversy were the Housing Bill, the TVA Bill, the Minerals Stabilization Bill, and the Distressed Areas Redevelopment Bill. All of these involved big sums of money, and each of them should have been thoroughly and completely debated before the House. It is my fond hope that some day measures of this magnitude can be reached early in the session so that ample time may be had for full development of all of the problems involved. A full-dress debate in both the House and the Senate of such measures would certainly provide much better laws and, in my opinion, open the door to a better solution of some of the problems under consideration.

The farm bill that was passed hurriedly on last Thursday was a compromise bill. It will answer only a few of the problems that I think should be in the agricultural segment of our economy. Until we do face up to our problem and begin to provide solutions to the agricultural difficulties, we can expect the continued migration of farm families into the cities and the resulting increase in unemployment and social problems. I feel that the 86th Congress, which convenes in January, should go into this problem immediately and work out fair and sound legislation as early as possible so that ample time will be available within which to act.

bushels with slight lodging and rust, plant heights were 44 to 48 inches.

Early Wichita produced 37 bushels per acre but had moderate lodging and heavy rust. The plant height varied from 40 to 46 inches.

Concho wheat yield was 33 bushels per acre with heavy lodging and moderate rust. Plant heights registered 44 to 55 inches.

Westar variety produced 32 bushels per acre with moderate lodging and rust. Plant heights varied from 44 to 50 inches.

Ten Marq was lowest of the seven in yield with 30 bushels, lodging was moderate and the rust was moderate to heavy, the plant heights were 46 to 50 inches.

These wheat tests were planted December 4, 1957 and harvested June 21, 1958. Each variety was planted in plots 9.5 feet wide by 100 feet long, with each treatment replicated four times. Yields were computed from harvesting a 5.5 foot strip from the center of each plot.

During the growing season, 14.15 inches of water were available for plant growth from irrigation and rainfall. This included two irrigations of three inches each.

Comanche wheat in a dryland test on 1 1/2 acres yielded 30 bushels per acre.

Hill County Reunion Scheduled
 The annual Hill County reunion and picnic will be held August 24th in Mackenzie State Park at Lubbock. Site will be near the West entrance to the park, a Sign, Hill County reunion will mark the location. All ex-residents of Hill County are invited and urged to attend. For Maximum Profit

PLOW-DOWN JOHN DEERE VITREA

45% NITROGEN
With Crop RESIDUES

You Profit 4 big ways by plowing down Vitrea now:

1. Requires no special equipment—just spread and disc or plow-in.
2. Helps break down old wheat or sorghum stubble into nitrogen rich humus.
3. You get more protein-rich grazing—more beef per acre.
4. Brings you higher grain yield at harvest—good grain formation demands nitrogen early in the growing season.

Remember—Vitrea resists leaching—lasts longer

HART NEWS

By Mrs. Granville Martin Felder, Sr.

Plane Crashed Saturday morning
A crop dusting plane crashed Saturday morning about 7 o'clock in the A. D. Lea Farm north-east of Hart. About the Swisher and Castro county line. The plane belonging to a firm in Tulsa hit a highline wire and crashed. The occupant was not hurt according to eye witness.

Visiting in the Kenneth Covington home this week are his parents and W. Lee of Dallas.

Wanda and Debra Joe Murdock of Plainview was visiting Wednesday with her parents, Mr. and Mrs. W. H. Felder, Sr.

Mr. and Mrs. J. W. Felder of Hollis is visiting with their son and family, Mr. and Mrs. W. H.

Jerry Felder spent Monday and Tuesday with his brother and family, W. H. Felder, Jr.

Barbara and Jack Godfrey of Plainview formerly of Hart are vacationing in Colorado.

Alyene Lilley of Dimmitt spent Friday night with her parents, Mr. and Mrs. J. P. Armstrong.

Mrs. Jimmy Brown, who is on the sick list, is about the same.

Mrs. Jim Height has been in the Plainview Hospital under observation for a few days but has returned home.

Mr. and Mrs. Granville Martin are leaving Sunday for a few days rest. Not on vacation just going to rest.

Ward Golden To Head Drive For Stadium

A fund soliciting committee of Dimmitt and Castro County residents has been set up for the new West Texas State College Stadium drive now underway over the Panhandle.

Heading up the local drive, which is aiming for a local minimum of \$2,500, is Ward Golden, assisted by committee chairman Raymond Wilson, W. E. Kirkpatrick, and Bob McLain.

Assisting these men will be Rosey Bates, Frank Wise, Bascom Nelson, Buck Cleavinger, Earl East, James Bradford, J. D. Covington, Edd C. McLeRoy, Bob Estes, Bob Sheffy, James Wohl-gemuth, and Bill Birdwell.

Money collected here will be part of the \$300,000 needed to finish out the \$700,000 stadium.

"Since graduating from West Texas State I have not given any time or money to the college," Chairman Golden said, "But I certainly feel this is a worthwhile and needed program for the school and I am taking great pleasure in heading up the drive." Golden was once a member of the West Texas State Buffalo football team.

Details of the drive are carried on an inside page of this issue of the News.

Does Everyone Have A Right To His Own Belief?"

The Outlaw robs and kills. Why? He believes makes right. If he does believe it, it doesn't make it right. Religious people killed Christ. They did not have the right to their belief. Religious people killed Stephen, Acts 7. They did not have the right to believe they were justified in doing so. Eve believed a lie, but it was not right, Gen. 3:4. Cain believed he could substitute the fruit of the ground for what God had commanded, Gen. 4:3-5. He did not have the right. Naaman did not have a right to his own belief, 2 Kings 5:1-14.

Man does not have a right to believe just anything he wants to because he is not capable of directing his steps, Jer. 10:23. He cannot build, travel or even live here without a guide. Such a right would de-throne God and make the death of Christ of none effect. Christ is the author and finisher of our faith, Heb. 5:8,9. Where he begins speaking there our faith begins; where He leaves off speaking there our faith must end. If we have a right to our belief, we could deny the Bible and be all right. Yet the statement "Everyone has a right to his own belief" is almost universally taught and believed, but it is not true.

WT Plans New Stadium

Final plans have been completed for West Texas State College's new 20,000-seat football stadium and work has begun.

An area campaign to raise \$300,000 is the first item on the agenda. That goal is the amount needed by West Texas State to assure completion of the modern stadium, which will be built at an estimated cost of \$700,000 and be ready for the 1959 season. The college already has \$400,000 earmarked for the structure.

Located in a natural bowl setting on the Amarillo-Canyon Expressway, it will be two miles north of the college campus and 15 miles south of Amarillo. It will be situated just east of the Expressway and the overpass that was built specially for stadium

traffic.

The structure, which will have the distinction of seating more people than any other plant in the Panhandle, will be composed of two 10,000-seat stands, facing east and west. When the need arises, it can be expanded to seat 50,000 fans.

All 20,000 seats that will be completed in 1959 will be below the ground level. The press box and concession stands will be located on ground level and team dressing rooms will be at the south end.

"The new stadium will give West Texas an opportunity to bring big-time college football to the Golden Spread," said Frank Kimbrough, Buffalo athletic director, at last week's JayCee luncheon.

"We are attempting to bring the best possible college ball to fans of this great football area and the stadium is one of the key factors."

The Buffaloes, who this year have reached major status in football, will play a home schedule of five games in 1959, the first in the new arena. It will be dedicated September 26th with the University of Arizona, a Border Conference rival, furnishing the opposition. Then come visits from Mississippi Southern, October 17; Hardin-Simmons University, October 24; Drake University, October 31 and Virginia Tech, November 7.

Headquarters for the West Texas State Stadium Fund have been opened in Amarillo at 418 Polk Street.

WESTERN AUTO TO GIVE AWAY 30 HI-FI'S

Thirty new Truetone Hi-Fi Console Phonograph and AM-FM Radio Combinations valued at \$12,000, will be given away during the nation-wide Western Auto contest, according to Mr. David Harpole, owner and operator of the Western Auto Associate Store located on the east side of the square.

Anyone can enter the contest

States and is 16 years old or older who is a resident of the United States and is 16 years old or older by December 1, 1958. The contest closes September 30.

Entry coupons may be obtained free at the store, and Mr Harpole stated that "There is nothing to buy, no obligation of any kind in this contest. Final winners will be notified approximately six weeks after the contest closes."

Hart Footballers Start Monday

With ten days left to prepare themselves for the first game of the season, the Hart Longhorns will start their gridiron practice August 25th under the direction of coaches Bill H. Shelby and Al Goodin. Time of the first practice is 8 a.m.

Players are requested to bring their football shoes and trunks with them. Coach Shelby stated that there will be two workouts daily until school starts, and then one a day.

The Longhorns will tangle with Estelline in their season-opener, a non-conference game to be played at Estelline on Friday night, September 5th at 8 o'clock.

The remainder of the season is as follows:
Sept. 12—New Home, here

NEWS FROM BETHEL

The plight of the Farmer is a rather complicated one. There is drouth, there is hail, there is wind, rust, too early planting, too late watering too much, too much fertilizer, not enough fertilizer, on and on, and then there are BUGS. Several farmers out this way have been busy spraying for the critters that are evident in their crops. Others are checking their grain for evidence of said insects. The "Song of the Lazy Farmer" should be changed to read, "Song of the 'Ulcerated-Stomach' Farmer," it would be more fitting.

MIKE SCHACHER BITTEN BY RATTLESNAKE SATURDAY

Mr. Mike Schacher of Nazareth was bitten by a rattlesnake about 9 a.m. Saturday while working in his field.

He was rushed to Castro County Hospital by his brother after emergency first aid treatment. Mr. Schacher was bitten on the arm and was released Sunday after working in the ASC Office in Dimmitt.

Returns from Wisconsin

Mrs. Anton Anderson has returned home from a visit with friends in LeCrosse, Wisconsin.

VOTE FOR

A NEW CASTRO COUNTY HOSPITAL IN THE BOND ELECTION ON TUESDAY, AUGUST 26

AT REGULAR POLLING PLACES

Some questions and answers from the CASTRO COUNTY HOSPITAL IMPROVEMENT ASSOCIATION

- 1. What is the purpose of the Castro County Hospital Bond Election?**
Ans: To authorize the Castro County Commissioners Court to sell tax bonds in an amount not to exceed \$290,000.00 for the purpose of constructing a county hospital and purchase of equipment.
- 2. Why was this hospital bond election called?**
Ans: Acting upon petitions bearing the names of some 180 tax paying Castro County residents, calling for a hospital bond election, the Castro County Commissioners Court set the date for the election at Tuesday, August 26.
- 3. Who is eligible to vote?**
Ans: Voters are required to have a poll tax and be resident qualified tax paying citizens of Castro County who own taxable property in Castro County and who have rendered same for taxation. Taxable property can be either real estate, automobiles, or personal property.
- 4. Why should the county build the doctors a hospital to practice in?**
Ans: Hospitals are not built for doctors—they are built for the patients who must occupy them. The doctor can treat you—and earn his fee—in your home, if that is where you choose to be confined. We are not so concerned with where or how the doctors practice and earn their livelihood as we are with the treatment which will be accorded our wives, our husbands, our babies, and our parents in the low hours when there may be but a thread between life and death!
- 5. Is there any particular advantage that a county owned hospital has over a privately owned hospital?**

Ans: Yes, there is, in that the county owned hospital would have an "open staff," whereas the local privately owned hospitals are known as "closed staff" hospitals.

6. What is an "open staff" hospital?
Ans: Open staff refers to physicians who are allowed to use the hospitals for their patients. Any physician who is licensed and approved as a doctor by the State Board of Medical Examiners.

CONSTRUCTION AND SITE

- 1. What will be the total cost of the hospital?**
Ans: Not in excess of \$290,000.
- 2. Where will the hospital be located?**
Ans: It will be located on the same 5-acre tract of land on which the present hospital building is located.
- 3. What will the hospital site cost?**
Ans: Nothing! The property already belongs to the County.
- 4. How large will the hospital be?**
Ans: Approximately 32 beds.
- 5. Would the \$290,000 include equipment for the hospital?**
Ans: Yes—A considerable portion of the equipment can be used from our present hospital; but the new equipment needed would be included in the \$290,000 bond issue figure.

MANAGEMENT AND CONTROL OF THE HOSPITAL

- 1. In whom will the management and control of the hospital be vested?**
Ans: State statutes provide that the County Commissioners Court appoint six resident, property-tax paying citizens as a Board of Managers.
- 2. Does this Board of Managers have sole control of the hospital?**

Ans: Yes, unless they become deadlocked, in which case the County Judge is authorized to break the tie.

OPERATION AND MAINTENANCE OF THE HOSPITAL

- 1. Who will be admitted to the hospital?**
Ans: Anyone requiring hospital care, who is submitted by a physician.
 - 2. Will there be doctors offices or a commercial pharmacy in the hospital?**
Ans: No. Doctors will maintain private offices, and there cannot be any type commercial pharmacy.
 - 3. Is it anticipated that there will be any deficit in operation at all?**
Ans: At the present time the average occupancy is 35.3% while it is calculated that an occupancy of 39.2% is the break-even point. With a new facility which could offer medical and surgical need there should be very little, if any, problem of maintaining a better than break-even patient occupancy.
- TAX STRUCTURE AND COST TO EACH TAXPAYER**
- 1. Will taxes be increased if the hospital bond issue passes?**
Ans: Yes. To accurately arrive at the cost to each taxpayer, each taxpayer should take his 1957 State and County Tax bill and increase it by 20%.

The Castro County Hospital will be a public owned institution offering the finest in complete medical, surgical, maternity, childrens' and other specialized services.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

HENRY A. HOLLE, M. D., Commissioner of Health

It all started with Sir Walter Raleigh and a Y-shaped pipe. The pipe was a gift to Raleigh from Sir Francis Drake—a souvenir from the West Indies, where natives put the pipe prongs in their nostrils and inhaled the smoke of a smoldering substance they called "tabaco."

Raleigh apparently set the style of his day, for when he took up smoking the practice soon became fashionable. All this happened nearly 400 years ago—in 1586. Since then smoking has become the most deeply ingrained habit of humanity.

Today in the United States alone, more than half the men and a fourth of the women smoke cigarettes daily, and additional millions smoke pipes and cigars. Altogether it adds up to almost 40,000,000 smokers—26,000,000 men and 14,000,000 women—out of an adult population of approximately 50,000,000.

The seriousness of the smoking habit has been made clear in a recently finished study by the National Institutes of Health. Results of the study, already widely publicized, indicates a strong and undeniable relationship between cigarette smoking and increased death rates from lung cancer and heart disease.

The studies reveal a death rate among cigarette smokers 58 percent greater than the rate of non-smokers. Moreover, it shows that heavy smokers die off quicker than light smokers.

In addition to lung cancer and heart diseases, smokers run a much greater risk of dying from such diseases as bronchitis, pleurisy, ulcers, and cirrhosis of the liver.

The connection between cigarette smoking and high death rates has been so definitely proved that cigarettes would probably be banned for public sale if introduced as a new product on today's mar-

ket.

The British Ministry of Health for some time has been warning about the hazards of smoking. Now the U.S. Public Health Service has begun a similar campaign.

The Texas State Department of Health will support such a drive to the fullest.

The late Dr. William Mayo used to say that cigarettes, cigars and pipes were nothing more nor less than "adult pacifiers," something for idle hands to play with. If true, breaking the smoking habit probably isn't as hard as it is supposed to be.

Should you, personally, make the effort? That's your decision. But while you're making it, keep in mind that the best research talent in the world is convinced that heavy smoking shortens life.

Mr. J. A. Bagwell Celebrates 92nd Birthday
Mr. J. A. "Granddad" Bagwell celebrated his 92nd Birthday Friday, August 15th. "Granddad Bagwell," as he is called by most who know him, has been a resident of Castro County and the Bethel Community for a number of years.

During the evening of his birthday, several of his children and grandchildren brought freezers of ice cream and cakes to help him celebrate.

Those present for the evening included: Mr. and Mrs. Ivor Bagwell and Nelda; Mr. and Mrs. Moss Howell and girls, Gayle, Linda, and Karen; Mr. and Mrs. Milton Bagwell, Stevie, Randy, and Ricky; Mr. and Mrs. George Bagwell and Sue; Mr. and Mrs. George Sides and Greg; Mr. and Mrs. Oran Howell and Rhonda.

Visits Andersons
Paulette, Connie and Jo Elaine Hegver of Artesia, New Mexico visited recently with their grandparents, Mr. and Mrs. Anton Anderson. They returned home last week by train from Clovis.
