We hope that parents will look with favor upon the teen-age recreation program set up to begin Saturday night. It may be the answer to a long-felt need here and could easily turn into a lasting thing of value to the community.

We also hope the youngsters, themselves, will be enthusiastic about the program. The idea died in other towns because of apathy on the part of the teenagers involved and care should be taken that the same thing does not happen here.

Entertainment and enjoyment of life comes with association with others, and this is the first concrete program advanced here in recent years based on this idea.

A persons years of youth are short and once gone, cannot be reclaimed. And the memory of a fun-filled night will last much longer than a night spent riding up and down the streets in a car looking for something to do.

Every once in a while the nickel-odan-playing public completely loses whatever sanity it once had and starts feeding nickels to the machines to hear new tunes as odd as a feathered cat.

We heard the latest a few nights ago on the radio. It is a real weirdie. Whoever wrote it must have first got stone drunk, been sent to a mental institution, had malarial delusions, and been an oddball to start with. The song is about a monster with one horn and one eye that eats purple people.

There are some other slightly off-beat characteristics of the beast, and if some future anthropologist ever digs up one of those records and plays it, he's bound to think this ancient world was a rugged place in which to live.

There was another about a witch doctor which consists of a lot of strange sounds set to some kind of tribal chant that could never have originated in the relative civilization of the Belgian Congo.

Songs such as these must be just another in a long series of tortures to which the human race subjects itself.

We have often wondered why songs go over so great with the human race. Actually, it must be the tone since words, however unorthodox or sensible, serve mostly to conduct a tune. Since time immortal Indians have been jumping around campfires and African natives have indulged in tribal chants, even Christianity conducts much of its message through the medium of hymns.

Apparently human beings and birds share a natural affinity for tunes.

Up until twenty or so years ago the human beings kept pace with the birds. Then we started losing ground and the birds got way ahead when our popular music turned to exciting the emotions instead of the imagination.

So even while pop music top dog Elvis Presley is learning that the steadiest beat in the world is an army marching cadence, zany music still is flourishing in his absence. Perhaps this is just one side of our nature as human beings that we must wearily condone despite its sometimes unnerving characteristics.

The inventing of radio and television were two of the greatest marvels of mankind. Next to them in importance came the knobs to turn them off.

Unfortunately the regular Thursday night firemen's meeting siren coincided with rough looking weather and a good many people thought a tornado might be approaching.

For the benefit of everyone with jumpy nerves about this time every year we repeat: One long siren blast means a fire; two blasts means practice or some other non-emergency; three blasts means tornadoic conditions exist but no funnel has been sighted; more than three blasts means take cover.

Someone is always watching out for funnel clouds so the citizenry of Dimmitt proper have no need to worry. We only wish the same protection existed for farm families.

This column is being written just before press time and somewhere between one and one and a half inches of rain has fallen since 6 o'clock this afternoon and a strong wind blew over one trailer house in West Dimmitt, shaking the occupants up but causing no serious injury. Other damage sustained—mostly TV antennas and sheds. No report of a tornado in the area was received here.

On the macabre side of the tornado issue there's this one: A tornado blew a man and his wife out through their house roof. A dancing and a comedy bingo session neighbor watching from his cellar door shouted: "There go Tom and Sally—the first time they've been out together in twenty years!"

THIRTY FIRST YEAR

DIMITT, CASTRO COUNTY, TEXAS, THURSDAY, JUNE 12, 1958

12 PAGES — NUMBER 33

Swimming To Be Taught at Pool Starting Monday

Area youngsters who want to learn to swim will have the opportunity beginning Monday, June 16th at 10 o'clock at the Dimmitt swimming pool.

The course will be conducted by Mr. and Mrs. J. D. Covington and will last two weeks. The course will cost \$10 and enrollment will be limited to 35.

Both Mr. and Mrs. Covington are experienced instructors. They will teach both beginning and intermediate swimming. Covington operates the pool on a part-time basis with Alvis Fuquay.

General admission to the pool is 50 cents between the ages of 12 and 79. Anyone over 79 who wants to swim will be admitted free, Covington says. For children under 12, 25 cents admission is charged. Children under six are admitted free if accompanied by an adult.

The pool is open until 7 o'clock on weekdays and until 6 o'clock on Sundays. The pool is closed Thursdays for refilling.

Last Rites Held For F. L. Shepard In New Mexico

Frank L. Shepard, 75, died at his home in Mesilla Park, New Mexico Friday, June 6, at 10 p.m. He was a resident of Castro County 40 years before moving to New Mexico in October of 1952. Burial was in Mesilla Park Cemetery Monday.

He is survived by his wife, Martha and a son George both of Las Cruces. A son, Clyde, preceded him in death in July 1956. He also is survived by three grandsons, four granddaughters and five great grandchildren, five brothers, Dave and Percy of Dimmitt, Tom and Charles of Holdrege and Stanford, Nebraska, Will of Marysville, California, one sister, Mrs. Otto Lynch of Franklin, Nebraska, and a host of nieces and nephews.

Mr. and Mrs. Dave Shepard of Dimmitt attended the funeral.

LIVESTOCK MARKET REPORT

Recent sharp price downturns on the local market tended to restrict the receipts this week and only 2,660 head sold which required one day to complete the clearance. This is a reduction of 2,000 head from last week and 1,300 less than a year ago. This week's supply of cattle and calves represented the smallest run locally since February. Cows arrived in increased numbers and accounted for a larger portion of the total when compared with the previous weeks receipts. Stocker and feeder classes were comprised primarily of Me-lum and Good grade stocker and feeder steers and heifers with fleshy stocker and feeder steers over 600 lbs. accounting for most of the volume. Stock calves and lightweight stockers were scarce. There was an active session at the supply proved to be insufficient to meet the broad demand. There was little price change in the trend of cows and bulls although prices quotations were higher due to the absence of water-fill. Advances of fully 50c were general on stocker and feeder classes, some sales 1.00 up on Medium grade individuals.

Good and Choice Quality	
Steer Calves under 400 lbs.	27.50-32.00
Steer Calves and Yearlings 450-650 lbs.	26.50-29.00
Feeder Steers 650-900 lbs.	23.00-27.00
Heifer Calves under 400 lbs.	25.50-29.00
Heifer Yearlings 450-650 lbs.	23.00-27.00
Cow & calf pairs	180.00-236.00

Cows, Utility and Commercial	17.00-20.10
Cows, Cammer and Cutter	14.00-17.00
Bulls, Utility and Commercial	19.00-22.00
W. L. Brown, Officer-in-Charge	

Harvest Starting With Wheat Loan at \$1.79

Castro County's 1958 wheat support price will be \$1.79 it was announced by the ASC office this week. This is considerably lower than last year's \$2.01.

This means that at present the net price is \$1.64½ per bushel. The net changes every twenty days. It will increase one cent per bushel each twenty days period until par value is reached on March 31, 1959. For instance, 14 cents per bushel is deducted for storage until June 20. From June 21 to July 11 13 cents will be charged. From July 11 to August 1, 12 cents will be

the storage costs. The same trend continues for wheat brought in to grain terminals at later periods. One half cent per bushel is charged by the government as a service fee.

To be eligible for loan, wheat must contain 14 percent or less moisture. Castro County farmers began cutting their wheat this week. The first load was cut Sunday and delivered Monday morning to Castro County Grain Company by Frank Annen and Sons.

However, most irrigated wheat still had some green in it up until

the middle of the week. Harvest operations are not expected to get fully underway until next week. There are slightly less than 100,000 acres of wheat in Castro County to be harvested.

This is expected to be one of the biggest years yet so far as yield per acre over the county is concerned. A devastating hail two weeks ago affected close to 5,000 acres of some of the best wheat in the county. Other than this 5 percent or so crop loss for the county, the yield should be one of the best yet. Considerable fertilizing and irrigating have been practiced all over the county this year and forty to fifty bushel wheat should not be unusual.

In the wheat loan, rates for most Panhandle counties fell in based on a per bushel bracket. Panhandle rates varied and transportation varied according to county. Other Panhandle counties receiving the \$1.79 rate are Potter, Randall, Swisher, Lubbock, Parmer, Deaf Smith, Briscoe, Armstrong, Carson, Oldham, Collingsworth, Donley, Hall, Childress, Floyd, Bailey and Lamb.

According to Charley Hill, ASC secretary, loans will be available on 1958 wheat until January 31, 1959. Loan notes mature March 31.

Barley rose from 95 cents per bushel last year to 97 cents for 1958, with the farmer's net now at 81½ cents. Oats also increased—from 68 cents last year to 69 cents this year.

First Wheat Cut Sunday on Annen Farm

Castro County's first reported wheat was cut Sunday.

Castro County Grain Company, from the farm of Frank Annen and Sons, the dryland wheat had a moisture content of 11.97 and weighed 59 pounds per bushel. The wheat had some hail damage, and the yield, while not reported, was light.

Baptist Youth Slate Revival

The young people of the First Baptist Church are planning a Youth Led Revival to begin June 22 and continue through June 29. Bill Coffman of Brownwood and Roy Korgemay of El Paso will be the Evangelistic Team. Breakfast will be served at the

church each morning at 7:00 followed by a Devotional period. Evening services will begin each night at 8:00. These services will be followed by fellowship periods and Seminars. All young people of the community are cordially invited.

First Youth Recreation Activity Here Saturday In Legion Building

The first in a series of organized Teen-Age Recreation programs will begin at 8 o'clock Saturday night in the American Legion Building.

Lasting until 11:30 p.m., the program will get under way with a grand march which will last about 30 minutes and permit the teen-agers to meet each other. This will be followed by a half hour presentation of a girls quartet from Tulsa. The remainder of the evening will be divided between dancing and a comedy binge session.

While these things are going on, youngsters who do not wish to

participate in the above activities may take part in table games of shuffleboard, pool, side tennis and other games.

Refreshments will be served throughout the evening. Admission is twenty-five cents. Those unable to pay this fee will be admitted free.

The Youth Council has selected ten rules to govern the conduct of the bi-weekly sessions. They are: 1. No drinking on the premises. 2. No person is allowed that has been drinking. 3. There will be a 25 cent admission charge. Those who are unable to pay will be ad-

mitted free.

- Members must be 13 years of age through 19.
- Sponsors responsible for members in the building only.
- Any damage to property must be paid by the individual.
- Hours shall be 8 to 11:30 in the summer and 7:30 to 11:30 in the winter.
- At least one adult to sponsor every time.
- The clean-up committee will be responsible to select members to clean up the building.
- Any sponsor may expell a member for misconduct.

City to Conduct Anti-Dog Drive Starting June 30

All dog owners, in Dimmitt have been warned by the City Commission to keep their dogs either locked up or tied beginning Monday, June 30 and until Monday, July 7 since all strays will be destroyed.

Reason for this action is complaints received from persons affected by stray dogs who injure lawns, flowers, gardens and other property. Also the potential of rabies is present and increases as the population of strays increases.

The Commission announced that search patrols will operate night and day and that any dogs caught on the loose during this period will be destroyed.

An advertisement will be printed in the News for three weeks as warning to all dog owners to keep their pets locked up or tied up during the one week period. The Commission also announces that ar-

rangements will be made to have a veterinarian here in the near future to vaccinate all dogs. A notice to this effect will appear in the News.

Last Rites Held Here Monday for Mr. E. V. Elder

Mr. Elisha Vinson Elder, resident of Dimmitt for the past thirty-two years, passed away at 10:25 a.m. Sunday, June 8, in the Castro County Hospital.

Mr. Elder was born in Tennessee on April 2, 1877 and was eighty-four years of age. He was a retired farmer for the past several years.

He is survived by three sons, Andrew, Frank, and Jim, all of Dimmitt, and three daughters, Mrs. Charles Hastings, Dumas; Mrs. Andrew Murphy, Plainview; and Mrs. Clyde Tisdale, Odessa. One brother and three sisters survive. Two brothers and two sisters preceded him in death. He left eleven grandchildren.

Services were held in the Dennis Memorial Chapel Monday, June 9th, at 11:00 a.m. and were conducted by the Rev. M. A. Smith, pastor of the First Baptist Church of Dimmitt.

Immediately following the services, the body was taken to Marlin, Texas for services which were held Tuesday, June 10th, at 4:00 p.m. in the Adams Memorial Chapel. Interment was in the Kossee Cemetery, about fifteen miles from Marlin.

Hospital News

Patients in Castro County Hospital, ailment, and date of admittance. Linda Hatfield, Medical, May 9; Mr. W. E. Brown, Medical June 6; Mrs. Elmer Schulte, Sur. June 11; Andy Taylor, Medical, June 6; Mrs. R. L. Beavers, Medical, 6-9; Mrs. Linda Bauman, Med. June 9; Mrs. Bubby Calhoun, Med. June 9; Jackie Flynt, Medical, June 11. Patients dismissed since last report, ailment, and date of admittance and dismissal. Mrs. Wayman Foster, surgical, May 30, June 8; Mrs. George Burch, surgical, May 31-June 9; Mrs. Linda Bauman, medical, May 31-June 6; Mrs. Elizabeth Street and baby girl, June 3-4; Mr. Don Howard, medical June 4-7; Mrs. Charlotte Sterns and baby boy, June 7-8; Mrs. Norvelle Birdwell, Surgery, June 7-9; Mrs. Gene Whitesides, medical, June 7-10; Little Brent Cowman, medical, June 7-10; Mrs. Marquis and baby girl, June 8-9; Mrs. Leota Cathy and baby girl, June 8-9; Mrs. Margaret Acker, surgical, June 9-10; Nancy Vardell, surgical, June 9-10; Lynda Yates, surgical, June 9-10.

Four 4-H Girls Off to State Roudn-Up Meet

Four Castro County 4-H Girls left Monday for 4-H State Contests and Round-Up at College Station. They were accompanied by Chairman of Adult Leaders, Mrs. Leo Witkowski.

Making the trip are Mona Dell Hunter and Mary Helen Maples, both of Dimmitt 4-H who will give a demonstration on Poultry Methods and Rita Sue Witkowski and Virginia Huseman, both of Nazareth 4-H, who will give a demonstration on Safety.

They were selected for the trip due to being county winners in the elimination contest on April 12 and later District winners on May 3 at Canyon.

Sponsoring the girls' trip to College Station are the following business firms from Dimmitt and Hart: Brown Supply, Blanton Butane, Texas Company, Castro County Grain Co., Taylor-Harrison Insurance, Dimmitt Food Bank, Bearden Ford, Dimmitt Wheat Growers, Hays Implement Co., C. S. Equipment, M. M. Farm Bob Sheffy.

Also Pinner Insurance Agency, Gifford Hill Western, First State Bank, Willson & Nichols Lumber Co., Cobb's Dept. Store, Harman's Dept. Store, C & C Pump Co., Kirkpatrick Sales & Service, Bruegel & Sons Elevator, Southwestern Public Service and Pioneer Natural Gas Co.

From Hart are: Hansen Grocery, Newsom Grocery, L & A Dress Shop, Harris Lumber, Hart Variety, Hart Oil, Cox Butane, Farmers State Bank, Arky & Tex Garage and Highway Garage.

Also Hart Locker, Lindsey Gin & Grain Co., Hart Grain, T. C. Ray, Bauman Garage, Armstrong Butane & Farm Store, Hi-Point Fertilizer Inc., Hart Gin, Hendrix Motor Service, and Farmers Grain Company.

TEC Says 325 Latin Nationals To Be in County

Secretary of Labor officials have notified the Texas Employment Commission that Castro County farmers may employ up to 325 Mexican Nationals this year.

This number came after a survey subtracting the local available work force from the expected need. The figure of 325 is applicable from June 1 to June 30 for work on cotton, vegetables and grain. Most of the workers brought in will be used in harvesting of vegetables during this period.

The ceiling on employment is subject to revision as agricultural activities are completed, or whenever domestic workers become available.

Methodists to Stage Barbecue For Parsonage

A half pound barbecued chicken with all the trimmings will be offered the public on Saturday night, June 21, by the Methodist Church as part of their drive to build a new parsonage.

The big dinner will be held in the City Park and other features of the menu will include beans, potato salad, pickles, onions, bread, tea and dessert.

Furnishing the facilities and doing the barbecuing will be J. T. Carr. He will be assisted by Methodist Church minister Darris L. Egger.

Cost of the meal will be \$1.25 for adults and 75 cents for children 12 years and under.

This is part of a program to gain money for a new parsonage. The main revenue is expected from the "Lord's Acre Project" where certain percentage of church members' crops, wages and other valuables are donated to the church under the sponsorship of Methodist Men. Already turned in are five acres of mlo, five pigs, baby sitting, first hour wages on Monday morning, and portion of months' salary. One ten year old is mowing lawns and giving one third of the proceeds.

Grasshopper Menace Increasing

Castro County Commissioners Court has begun spraying for grasshoppers on County roads.

Ground spraying applicators will be used since a combination of highlines, telephone poles, wind and cost make aerial spraying unadvisable.

County Judge Bob Estes said this week the Commissioners had learned farmers were beginning to spray on their own where infestations were worst. The Commissioners Court agreed to reimburse farmers for spray used on county roads. The county spraying program will cover the roads as quickly as possible.

The grasshopper problem is rapidly growing serious. Entomologists report that hoppers can more easily be controlled now and with less insecticide than later. They also say the problem is pressing and requires urgent action.

A walk through the grass and assorted plant life on a north Castro County rural road will stir up swarms of the small grasshoppers. They are also fairly thick in the fields.

At present, grasshoppers of most species are concentrated along roadways and fence rows and can be exterminated by the thousands until their food supplies diminish and they move on to greener pastures. The hungry pests

are not expected to stay along fence rows more than three weeks and in certain areas they are already reported moving.

Seven North Plains counties have been declared emergency grasshopper areas by the federal government. They are Moore, Hartley, Dallam, Sherman, Hansford, Ochiltree, and Hutchinson counties. These counties were eligible for federal aid because they were stricken with a migratory grasshopper called Melanoplus bilturatus or more commonly, "Mex." Counties suffering from infestations of local grasshoppers do not meet requirements for federal designation. At present Castro County

only has grasshoppers grown here. Our particular breed moves only a mile or so in a lifetime, while "Mex" can, and does, travel hundreds of miles, eating everything in sight.

The seven North Plains counties were declared an emergency area primarily to curb the "Mex", a species that normally migrates in the second generation. Herdes of second generation Mex moved into the Panhandle last fall and laid heavy deposits of eggs which wintered well and produced billions of nymphs.

Entomologists say the new crop, unless exterminated, will stay in the area to devour summer pas-

Mrs. Earnest Lee Brooks gave a slumber party for her daughter Thursday night. Seven girls were present: Rene Brooks, Becky Burress, Louise Carson, of Sunny-side, Lynda Armstrong, Verletta Creek, Marylon Jones and Retta Henderson. The next day the girls went swimming at Dimmitt.

Mrs. Granville Martin and daughter, Thelma Joyce spent Sunday in the home of Rev. and Mrs. George W. Lane, Jr. in Plainview.

Visiting in the home of Mr. and Mrs. Jim Height for ten days are Mrs. Charles Taylor, Ronnie, Donnie and Paige of Waxahachie, Mrs. Haskell Maulden, Haskell Ray and Paula Faye of Waxahachie and Mrs. Height's mother, Mrs. J. W. Witt of San Diego, California.

The Granville Martins have lived in Hart just a year this week. Mr. Martin is Deputy Sheriff of Castro County. He formerly was the Chief of Police of Paducah, Texas. The Martins have two children, Billy and Thelma Joyce. Billy a student at West Texas State College in Canyon this past school year, and Thelma Joyce a second grader. The people of Hart have accepted this family into their hearts and made them feel right at home from the very first.

The Hart 4-H Club girls met on Friday, June 6 at 3 o'clock in the Home Ec. Cottage to study bread making. The next meeting will be June 27th at 3 p.m.

Miss Nellie Wingren, 1603 B Ave. Lubbock, Texas is visiting in

the home of her sister, Mrs. R. A. Futrell.

Montie Phillips is up and about following an auto accident in which he received a broken jaw and other injuries. Montie is the son of Mr. and Mrs. M. E. Phillips.

Jim Smith is in Quanah with the wheat harvest this week. He will be working at this for the summer. Billy Martin is in Paducah working with the wheat harvest.

The grandchildren of Mrs. Johnnie Armstrong have been visiting her this week.

Mr. and Mrs. Lloyd Davis, Mr. and Mrs. Jack George were in Plainview attending the Rodeo Saturday night.

A fair size crowd met at the Hart Roping Club arena Sunday afternoon to watch the "boys" show their skill in roping the calves. Lloyd Davis is the President of the Hart Roping Club. There were several out of town visitors, Toby Dodson and Angus Davis both of Olton joined the roping club. Eight ropers were present Sunday afternoon to enjoy 2 jack-pot contest and 2 match roping contest. These ropers meet every Sunday afternoon and invite all out of town guests to come and match their skill with the home town boys.

Mr. and Mrs. Jack George enjoyed supper with the Lloyd Davises Sunday night.

FOR **LIEUTENANT GOVERNOR**

Dolores Battles Weds Gayle Earls In Chapel Ceremony On June 6

Dolores Ann Battles daughter of Mr. and Mrs. R. E. Battles of Dimmitt, became the bride of Gayle M. Earls, son of Mr. and Mrs. W. L. Earls of Denver City on June 6.

Rev. B. H. Baldwin, pastor of the Frio Baptist Church, read the double ring ceremony, at the Dennis Chapel in Dimmitt.

Baskets of peach colored gladioli and greenery against white satin background decorated the chapel. Musicians were Miss Pat Wilson, Organist and Dr. Charles Vandiver, vocalist. Miss Wilson played nuptial selections and accompanied the vocalist who sang "The Lord's Prayer" and "Because."

Miss Beverley Gentry of Plainview was Maid of Honor. Norma Battles, sister of the bride and Edwina Breedlove, cousin of the bride, of Plainview were bridesmaids.

Peter Van Duist brother-in-law of the bridegroom, of Andrews was best man and Fredy Briggs and James Box of Lubbock were ushers.

The bride was given in marriage by her father. She wore a gown of Peore de Soie and lace fashioned with molded bodice of lace having a portrait neckline edged in scallops of lace and long petal pointed sleeves. The full floor length skirt was gathered to a long bodice and her veil of illusion was attached to a pill box embroidered in simulated pearls.

The bride's mother wore a pastel blue with white accessories. She wore a corsage of white carnation. The bridegroom's mother wore a navy blue with white accessories.

and a corsage of white carnations. A reception was held in the Fellowship Hall of the Baptist Church. The serving table was laid in lace of peach and the centerpiece with white flowers.

Assisting with the hospitalities were Mrs. Jimmy Buckley, Mrs. Eldon Minchew, Mrs. Shelby Battles, Mrs. Donald Wright and Mrs. Rex Whotton.

For traveling the bride chose a beige silk with apricot accessories. The bride is a graduate of Dimmitt High School and a junior

student at Texas Tech. She is a member of Kappa Alpha Theta Sorority.

The bridegroom is a graduate from Denver City and a senior at Texas Tech. He is affiliated with a Phi Delta Theta fraternity.

After a wedding trip to Riudoso, New Mexico the couple will be at home in Andrews.

Visits at Rule
Mr. and Mrs. W. H. Curtis are visiting her parents, Mr. and Mrs. Perry in Rule this week.

NEWS FROM FLAGG

The Flagg Home Demonstration Club met in the home of Mrs. Glenn Maples on Friday, June 6. There were nine members of the club present.

Mary Helen Maples and Mona Dell Hunter, 4-H girls, gave a very interesting program on the "Grading and Consumption of Eggs."

Delicious refreshments of cherry pie, topped with ice cream and punch were served to the following ladies: Mildred Bradford, Marie Winters, Darlene Wooten, Iris Ballard, Ruby Wooten, Blanche Ginn, Mary Lou Smithson, Billye Gwynn Davis and the hostess, Ruth Mary Maples. The next meeting will be in the home of Mrs. Bill Booher in Dimmitt on June 20.

Visitors in the Cecil Ginn home last week were the O. B. Ginn of Amarillo and Mrs. L. B. Ginn of Earth. Also visiting the Cecil Ginn this week is their grandson, Gary, who lives in Lubbock.

Rayphard Smithson, Teddy and Janet, visited one day last week in Plainview with Mrs. Robert Matthews. Mrs. Matthews is a sister of Rayphard Smithson.

J. E. and Hubert Griffin of Lubbock were visiting in the James Bradford home last Thursday.

Mr. and Mrs. Jesse Wooten and Mr. and Mrs. Rex Wooten and Dudley were dinner guests of the Bob Hills of Hereford. Mrs. Hill is a daughter of the Jesse Wootens.

Visitors in the Clyde R. Davis home last Tuesday and Wednesday nights were Mr. and Mrs. Olivia Frazier and family; Mr. and Mrs. Harold Britton and family of Earth; and Mr. and Mrs. Rayphard Smithson and family.

Mr. and Mrs. Clyde Jones and daughter visited in Lubbock last weekend.

Mrs. J. W. Birchfield spent last weekend with her son and family, the Leon Birchfields of Borger. Returning home with her to spend the week were her grandsons, Larry Wayne and Donald Warren.

Rev. and Mrs. Murry Brewer and boys were Sunday dinner guests of the Alvis Frazier family.

MRS. RICHARDSON RETURNS HOME

Mrs. Zeno Richardson left for her home in Big Spring Friday after visiting in the home of her mother, Mrs. J. G. Davis, Sr., and her brother, J. G. Davis, Jr. As a Past Matron, Mrs. Richardson helped install new officers of the Order of the Eastern Star on June 3.

Sub-Station Summer Meet Set June for 17

Harold Hinn, Chairman of the Advisory Council, announced today that the Advisory Council of the High Plains Station of the Texas Research Foundation will

hold its early summer meeting at the Station at Halfway, Texas, at 4:30 p.m. Tuesday, June 17.

The research results will be briefly reviewed by the members of the Executive Committee and the 1958 program analyzed. Members of the Council interested in the various phases of agricultural research will present their ideas for future studies of the station and the 1959 program will be set up.

The Council will be guests at a Buffet Supper at 6:00 p.m. in the Halfway Community Center which will feature an address by Dr. C. L. Lundell, Director of the Texas Research Foundation at Renner, Texas.

A tour of the Station will conclude the Advisory Council session. Members of the Advisory Council from Castro County are Willis Hawkins, Sr., Edd McElroy and Steve Taylor.

ATTENTION All Dog Owners

Because of the excellent crop of dogs, the gardens, lawns, etc are suffering. The possibility of rabies is increasing. For these reasons, The City Commission feels that necessary steps must be taken to thin out the strays.

Beginning on Monday, June 30, 1958 and ending on Monday, July 7, 1958, all pets should be penned or tied at all times.

ALL DOGS CAUGHT ON THE LOOSE DURING THIS PERIOD WILL BE DESTROYED

Search patrols will operate night and day. Arrangements will be made to have a veterinarian here in the near future to vaccinate your pet. Watch for the notice in your paper.

This advertisement will be run continuously for three weeks as adequate notice to all. Action will begin promptly on June 30.

CONVERTING MORE PEOPLE TO CHEVY!

This superbly fashioned Impala Convertible is making new friends for CHEVROLET faster than you can say TURBO-THRUST V8.* Here's the car that puts you in a top-down, fun-hearted, go-places mood!

Once you've been infected by the fun of driving this Impala Convertible, no other car can take its place. Whisking along with the top down holds that same extra something as cooking in the open, dancing under the stars or just relaxing in a lawn chair—with only a cloud or two and the sweet smell of summer between you and the sky.

It's not simply that this car is a convertible—for it is much more than that. Your dealer's waiting now with the facts on the new Turbo-Thrust V8, the Safety-Girder frame and all the other features that mean more summer fun in a Chevy.

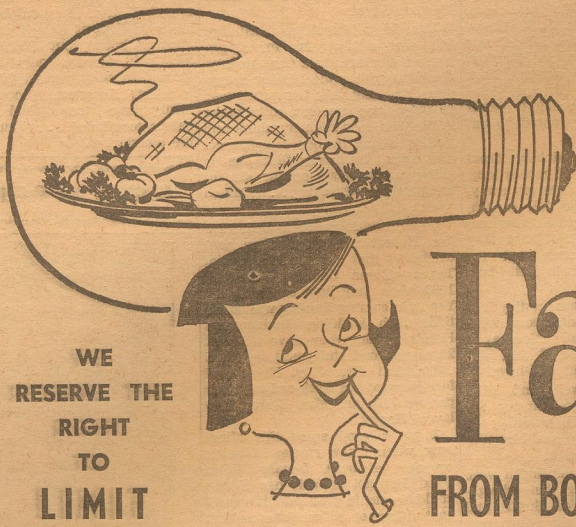

**Optional at extra cost*

The only all-new car **CHEVROLET** in the low-price field.

Bushland, Tex., Man Reports—

"I Cut 2,190 Tons of Ensilage From 104 Acres of Maize"

Leo Bezner, Bushland, Tex., says: "I put down 80 pounds of Phillips 66 Agricultural Ammonia pre-plant on 104 acres of irrigated maize land. I cut 2,190 tons of ensilage, or slightly more than 21 tons per acre. I use Phillips 66 Ammonia to help increase yields on all my cash crops."

Other Southwestern farmers have discovered that the 82% nitrogen in top quality Phillips 66 Agricultural Ammonia helps them to get more profit per acre, through higher yields and lower production costs.

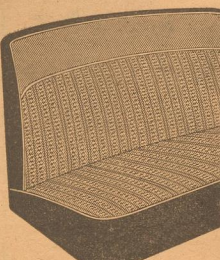

They have found that, by using Phillips 66 Agricultural Ammonia, they get more cotton that grades out higher at the gin; yields of sorghum grain and ensilage are increased; more marketable vegetables are harvested, and profits on wheat are increased through better forage, and higher yields of grain.

See your Phillips 66 Agricultural Ammonia distributor about profitable Phillips 66 Agricultural Ammonia, the 82% nitrogen fertilizer.

NEWS FROM BETHEL

Mary Flynt Harvest season is here. Wheat and barley are the main crops being harvested at this time. The yields are holding up pretty good. Here's hoping the farmers all get their crops gathered before weather fire, or some other way of destruction hurts them. I was over at Happy en route to Amarillo when the fire was in full swing on the R. B. Elliot farm southeast of Canyon. The smoke was really rolling and the flames seemed to be trying to lick the stars. Had the wind been stronger, there's no telling how much the number of acres destroyed would have been increased. While driving along the highways, I noticed the dryness of the weeds in the ditches. Someone has said that the fire hazards are the greatest they've been in fifteen years. Everyone must keep a sharp lookout for possible fires from

the girls', that is, is Bluebonnet Girls State, c-o Texas State School for the Blind, Austin, Texas. Don't expect an answer, tho, as they will be so busy that they will hardly have time to sleep. Do drop them a line, tho.) Mr. and Mrs. Jim Holland have returned from Arizona where they have been for the past six weeks. Mr. and Mrs. Fred Bruegel made a business trip to Colorado to their ranch there, this week. They reported that everything is the prettiest they've ever seen... there's been plenty of rain. However, they reported seeing millions (?) of grasshoppers.

The Bethel W.S.C.S. met with Mrs. Kay Roberts Monday afternoon. Those present were Mesdames: Wes Anthony, Vern Lust, Ira Brown, J. C. Williams, J. G. Davis, Sr., W. C. Copeland and Mrs. Roberts. Mr. and Mrs. Houston Lust and family visited with the Orville Finkes of Tullia, Sunday. Sue, who has been visiting in Tullia, returned home with them. Joe, however, stayed to return to Amarillo with the Bill Avents for a visit.

Mr. and Mrs. Earl Lust are still in Memphis, Tennessee visiting with their daughter and family, the Melvin Settles. Grandmother and Granddad Bagwell and Mr. and Mrs. Oran Howell and Rhonda were Monday dinner guests of Mr. and Mrs. George Sides and Greg.

Mrs. Moss Howell spent Friday with her grandchildren, Risa and Darla Howell, in the Deaf Smith County Hospital. The girls, children of Mr. and Mrs. Charles Henry Howell of Friona, both had their tonsils removed.

Our Bethel family increased by one more, the other day, when Master Brian Lee Edwards joined the group. He made his presence known by a lusty yell putting all of his 8 pounds and 9/16 ounces into it. He first met his parents in the Deaf Smith County Hospital in Hereford, June 6th at 4:40 in the afternoon. He will, when he decides to talk, call Mr. and Mrs. Leroy Edwards, "Mother" and "Dad".

Young Brian Lee and his grandmother, Mrs. J. C. Stegall of Bronco, Texas, are fast becoming friends. Mrs. Stegall is the mother of Mrs. Edwards, and is here visiting for awhile. Young Edwards first saw his home this past Monday when he and his mother, accompanied by his dad, left the hospital in Hereford.

Mr. and Mrs. Fred Bruegel had some company for supper, Wednesday evening. Mr. and Mrs. Tom Davis and Mr. J. R. Brown were there. It seems Mrs. Davis caught some fish up in Shredder Lake close to Springer, New Mexico, and Mrs. Bruegel fried 'em... she couldn't catch 'em... but she wanted to eat 'em... so... The fish were Rainbow Trout and averaged about 16 inches long. Of course, the BIG ones got away, to hear Mrs. Davis tell it. Oh, well, I've never heard a fisherman or fisherman tell it that they caught the big ones and the LITTLE ones tuck their tails and swam away.

Enjoying ice cream at the Ivor Bagwells, Sunday afternoon were Mr. and Mrs. Dilmond Neumayer, Mr. R. M. Dunn, and Mr. and Mrs. Milton Bagwell and boys. Miss Sue Bagwell and Miss Nelda Bagwell were among the Bridesmaids in the wedding of Miss Shirley Stalcup and Mr. Wilmer Studer, this week.

Mr. and Mrs. Leland Smith were in Amarillo visiting their daughters, Miss Zella Vee Smith and Mr. and Mrs. David Funk and family, Sunday. Mr. and Mrs. Houston Lust, Joe and Rex were in Amarillo, Thursday, on business. Mr. and Mrs. John Shannon and boys of Amarillo visited Mr. and Mrs. Fate Shannon, and family, Sunday. David, Ken Bob and Kathy Sue Shannon returned to Amarillo with them for a visit.

Mr. and Mrs. Doyl Underwood and girls visited Mrs. Underwood's sister and family, The Robert Harvicks, in Tahoka, Sunday. Mr. Tommy Stanton brought his wife and new little son home from Lubbock, Sunday. Mr. Ira Brown helped move his mother, Mrs. Susan Brown, from the Plainview Hospital & Clinic to a Floydada Hospital, this week. Mrs. Brown's home is in Floydada. She is doing very nicely, he reported.

Mrs. Fate Shannon and youngest son and Mrs. Doyl Underwood and girls were in Hereford, Wednesday, on business. Mr. and Mrs. Jack Flynt attended a dinner party at the Tascosa Country Club Saturday evening. It was given for the "40 and 8" members and their guests. Miss Darla Underwood spent

Monday afternoon with Miss Sharron Flynt. Mrs. Moss Howell reported that this was a big year for strawberries. She said that one was supposed to gather the berries every other day, but that her patch was so large, she couldn't quite make it. She has been sugaring them and putting them in her deep-freeze. She says, however, that she is going to cut down on the size of her patch, next year... to much work. Congratulations are in order for the Hubert Edwards. They will celebrate that day in Southland, Texas (Garza County) June 15, 1933 when they both said, "I do". Yes, this coming Sunday will mark their 25th wedding anniversary. Here's wishing they have at least 25 more wonderful years together. Mr. and Mrs. Jack Flynt and family spent the week-end with her parents, Mr. and Mrs. Embury Finley of Happy. I got a good scare this afternoon when I saw smoke billowing up east of here. I called Mrs. Fred Bruegel to ask her if she could locate it. She said it wasn't east of her, or at least she couldn't see it if it was, but she couldn't see west for the spray-mist that was over their field... they had

She said that one was supposed to gather the berries every other day, but that her patch was so large, she couldn't quite make it. She has been sugaring them and putting them in her deep-freeze. She says, however, that she is going to cut down on the size of her patch, next year... to much work. Congratulations are in order for the Hubert Edwards. They will celebrate that day in Southland, Texas (Garza County) June 15, 1933 when they both said, "I do". Yes, this coming Sunday will mark their 25th wedding anniversary. Here's wishing they have at least 25 more wonderful years together. Mr. and Mrs. Jack Flynt and family spent the week-end with her parents, Mr. and Mrs. Embury Finley of Happy. I got a good scare this afternoon when I saw smoke billowing up east of here. I called Mrs. Fred Bruegel to ask her if she could locate it. She said it wasn't east of her, or at least she couldn't see it if it was, but she couldn't see west for the spray-mist that was over their field... they had

Monday afternoon with Miss Sharron Flynt. Mrs. Moss Howell reported that this was a big year for strawberries. She said that one was supposed to gather the berries every other day, but that her patch was so large, she couldn't quite make it. She has been sugaring them and putting them in her deep-freeze. She says, however, that she is going to cut down on the size of her patch, next year... to much work. Congratulations are in order for the Hubert Edwards. They will celebrate that day in Southland, Texas (Garza County) June 15, 1933 when they both said, "I do". Yes, this coming Sunday will mark their 25th wedding anniversary. Here's wishing they have at least 25 more wonderful years together. Mr. and Mrs. Jack Flynt and family spent the week-end with her parents, Mr. and Mrs. Embury Finley of Happy. VOTE YES JUNE 20 WHEAT REFERENDUM Your choice in the June 20 Wheat Referendum is between: YES—a vote for a national average support price of \$1.81 a bushel on your 1959 wheat, or NO—a vote against price supports, with prices of a dollar a bushel or less in the open market.

CONTROL JOHNSON GRASS (AND OTHER GRASSES) CHEMICALLY... WITH DOWPON Unwanted grasses are usually the toughest problem where farming is best. They thrive on the very climate and soils that should produce top crops. Now you can control grasses, without cutting, cultivating, or oiling. Dowpon, is the new chemical way to keep grasses from invading your fields, throttling irrigation and drainage ditches. Hoeing, chopping, cultivating, and oiling only get grass out of sight temporarily. Dowpon gets rid of it. How DOWPON works Dowpon is a systemic grass killer—meaning that it kills by working through the plant's system. You simply spray the foliage. Dowpon is absorbed through the leaves and works down through the plant, right into the roots, usually killing the entire plant. Because it works inside the plant, a Dowpon spray is less likely to be affected by weather conditions. Rain can't wash it off after it has been absorbed. You can use Dowpon with safety on your farm—foliage sprayed with Dowpon is non-hazardous to grazing livestock. FOR SALE BY BLANTON BUTANE Phone 331 Dimmitt, Texas

Remember, it takes at least two-thirds of you who vote to hold the program and your \$1.81 price support for 1959. Why Guess? Vote YES June 20 Wheat Referendum. WHO CAN VOTE— Any landlord, tenant and other person with a share in 1959 wheat crop of 15 acres or more. That means wives as well as husbands. If in doubt, consult your local ASC office. WHERE TO VOTE— Consult your local ASC office on place and time for voting. INSERTED AS A PUBLIC SERVICE BY FARMERS UNION TEXAS

ATTENTION: WHEAT FARMERS

We are in increasingly better shape to serve you this harvest and will appreciate handling both your wheat AND BARLEY.

BRUEGEL & SONS ELEVATOR DIMMITT, TEXAS

ARNEY NEWS

Mrs. Bonnie Barrett Wheat harvesting began on the Bruce Fields and Mrs. Loretta Dorris farms Monday morning. Quite a few of the farmers in the community are expecting to begin cutting by the end of the week.

Mr. and Mrs. Kenneth Williams went to Plainview Saturday where they spent the night in the home of Ken parents, Mr. and Mrs. W. B. Williams. Mark and Brad Norman returned home with their parents after spending Thursday and Friday with their grandparents. Mr. and Mrs. Claud Cole and son Larry and John Love, attended the game between the Ama-

rillo Gold Sox and Lincoln Chiefs at the Gold Sox Stadium in Amarillo Sunday afternoon. Gary Locke of Amarillo is spending this summer at Windy Acres and assisting Gwen McFarland with the work on the farm. Mr. and Mrs. Odie Hudson were the guests of Mr. and Mrs. Clyde Spias in Amarillo for Sunday dinner.

Mr. and Mrs. Leo Witkowski and children and Mr. and Mrs. Frank Weil of Plainview went to Lubbock Sunday where they spent the day in the home of Mr. and Mrs. Jack Dea. Mary Lou Hancock spent last week with her grandparents, Mr. and Mrs. H. F. Ratjen in Happy and attended vacation Bible school. Mrs. Raymond Hurst visited her mother, Mrs. C. H. Cox Monday morning. Mrs. J. C. Gardner of Dimmitt came to get David and visited Saturday evening with Mrs. W. E. McFarland. Mr. and Mrs. Beal Jackson and

children enjoyed a wiener roast and get-together of Beal's relatives Sunday evening at the home of his cousin, Mr. and Mrs. J. W. Williams, West of Tulla. About fifty of the Jackson kin were present. Mr. and Mrs. Darrell Lee entertained Darrell's cousin, Wayne Cope and his fiancée, with supper and a movie Sunday evening. Sandy, DeZane and Kipa Wade McFarland spent Saturday night with their grandmother, Mrs. Maud McFarland. Mr. and Mrs. Steve Cole and Jr., of Happy were dinner guests of their grandmother, Mrs. C. H. Cox. Mrs. Leo Witkowski left Monday morning to take the winners of the 4-H Club girls of Castro County to College Station where they will give their demonstrations at the 4-H Round-Up Wednesday. The girls participating in the contests are Mona Dell Hunter of Jumbo, Mary Helen Maples of Dimmitt, Virginia Huseman of

Nazareth and Rita Sue Witkowski. Mr. and Mrs. Clyde Hancock were guest for supper Friday evening in the home of Mr. and Mrs. Carlisa Currie. Kevin Williams of Plainview was out last week helping his brother, Ken, catch up on some field work. Donnie Cole was honored with a birthday dinner and a birthday supper last Friday when he turned sixteen. Mrs. Loretta Dorris and Jane provided the dinner and Donnie's brother and sister-in-law, Charles and Evelyn Cole and Wes Allen helped with the celebrating. Mrs. C. H. Cox, Donnie's grandmother, surprised him with a supper on the same day. Guests were the Dorrises and Charles Coles. Mr. and Mrs. Gwen McFarland and daughters and Mr. and Mrs. Kenneth Williams, and daughter, Cheri, attended the wedding of Nancy Kay Tomlinson and Bob Wilkinson in Canyon Friday evening. Cheri served as flower girl at her aunt's wedding. After a honeymoon of three weeks spent in Florida, the young couple will be at home in Canyon. Barbara Lou Gentry, daughter of Mrs. Loyd Fowler, returned home Sunday after spending the past two weeks in Plainview with her grandparents, Mr. and Mrs. W. H. Miller. Mr. and Mrs. Arthur Burleson of Borger visited the Clovis Allens over the week end. Visiting in the Robert Clark

ATTEND CONFERENCE
Three young people from the Methodist Church are attending the Youth Officers Training Conference at the Methodist Camp Ground, Ceta Canyon, this week. Hal Ratcliff, Mary Behrends, and Ka Estes are representing the youth group. This conference draws young people from all over the Northwest Texas Conference, including some three hundred churches. The purpose of the camp is to give training for the local office holders in the execution of their office responsibilities. Hal Ratcliff is the President of the local Methodist Youth Fellowship.

CORRECTION
All seventeen members of the Ester Noble family including children, grandchildren and inlaws were together for the first time on Tuesday evening of last week. Present were Mr. and Mrs. E. B. Noble, Rick, Dave and Jan and Mr. and Mrs. Bob Myers, Jeffrey and Robert Neil of Dimmitt; Mr. and Mrs. Don Noble and Shannon of Huntsville; Mr. and Mrs. Rex Williams of Dallas; Jerry Noble, who has just returned from service in Germany and Mr. and Mrs. Ester Noble.

Mr. and Mrs. H. R. (Hopper) Shaw were in Wellington last week-end for a visit with his father who is ill.

"My double oven ELECTRIC RANGE gets me out of the kitchen QUICK!"

says Mrs. P. R. Garre,
4212 GEM LAKE ROAD,
AMARILLO, TEXAS

And that's good. For when this vivacious and attractive doctor's wife is out of the kitchen, she's spending much of her time making her community a better place to live. Time is important to Mrs. Garre. In addition to being a fine mother and homemaker, she is a working leader in the P-T-A, Amarillo's Child Guidance Center, The Family Service of Amarillo, and The Potter-Randall Citizen's Committee. You'll find there's more time for you — and the things you want to do when you cook — and live — better electrically.

Your Reddy Kilowatt dealer has a bonus for you if you see a demonstration of his electric range in his store. He'll give you a certificate good for two bug lamps at any Public Service office. Yellow bug lamps, which fit ordinary sockets, eliminate most of the light that insects see, yet provide a soft, comfortable light for outdoor living.

Wynona Duke Becomes Bride of Wendel Thomas Payte at Big Spring

On the eve of the wedding anniversary of her grandparents, Mr. and Mrs. R. E. Duke, June 2, at 8:00, Wynona La Verne Duke became the bride of Wendel Thomas Payte, in a candle light ceremony. The vows were taken in the Birdwell Lane Church of Christ, Big Spring, Texas. James Watson, minister of the Church of Christ read the vows.

An arch of candelabra with baskets of white gladioli formed the background for the bridal party, and aisles were marked with candles and white satin bows.

Parents of the bridegroom are C. T. Payte, of North Cowden, Texas and Mrs. B. B. Kirby, Chelsea, Oklahoma. The bride is the daughter of Mrs. H. L. Duke, 1100 Main, and the late H. L. Duke.

Ray and Fawayne Murphy, of Dimmitt, uncles of the bride, and her aunt, Mrs. Jack Edwards, of

Olton formed a trio to sing the wedding marches and "always". Fawayne sang "Wedding Prayer," and Ray sang "Walk Hand in Hand."

The bride's grandfather, R. E. Duke of Dimmitt escorted her to the altar and gave her in marriage. Her wedding dress, which had been made by her mother, was of nylon tulle ruffles over satin, with an overskirt of French chantilly lace and all fell into a train. The lace over satin also formed the fitted bodice with long tapered sleeves of the lace; the high neckline followed the design of the lace.

A crown of pearled orange blossoms and rhinestones was used for the headdress, which held a waist length veil of tulle, the veil was also made by the bride's mother. The bride carried a white pearled Bible under her bouquet of white carnations. She carried out the tradition something old, her great-

grandmothers the late Mrs. Ada Phillips, wedding band; something new, her dress and veil; something borrowed, the pearled Bible, and something blue, a blue slip.

Attendants were attired in identical fashion frocks of taffeta with a floral design, made with fitted bodice and full gathered skirts, criss cross belts of a deeper shade of taffeta, which tied with big bows and streamers in back. They wore mits of the dress fabric which were trimmed with white pearl buttons and white lace; they wore floral headbands of pastel shades and white pumps. Carnations in cascade arrangements made the bouquets.

Serving as maid of honor was Marilyn Howell, of Dimmitt, who was dressed in pink and carried blue carnations; Mrs. Larry Osburn, Big Spring, in a blue dress, carrying pink carnations, and Nancy Cunningham, Big Spring, wore a pastel green frock and carried pink carnations, attended as bridesmaids.

Varnell Johnson, of Big Spring, a brother-in-law of the bridegroom, was his best man. Ushers were Jerry Robinson and George Smith, both of Big Spring. Pamela Johnson, niece of the groom was flower girl. She wore a dress of orchid embroidered nylon with a sash that tied in a big bow with long streamers in back.

Dressed in identical style with the feminine attendants were Dorothy Mabe, of Big Spring, in blue, and Welda Edwards, of Olton, cousin of the bride, wore beige with brown. They lighted the altar tapers.

Rings were carried on a white satin heart-shaped pillow, by Linda Gunderson of Roseburg, Oregon, cousin of the bride. She wore a white embroidered organdie over yellow taffeta with a yellow sash which tied in a bow with long streamers in back. Her dress was made identical to the flower girls.

The mother of the bride was attired in a pink lace dress with pink and white accessories and wore a white carnation corsage. The groom's sister, Mrs. Varnel Johnson, wore a brown dress with white accessories and a white carnation corsage.

A reception was held in the home of the groom's sister, following the ceremony. Here the table was laid in a lace cloth of ecru hue over pink. The centerpiece was the three tiered cake with a bride and groom figurine, the bridesmaids bouquets completed the table decorations. The brides attendants served. Mrs.

Johnson registered guest.

Attending from out of town were the bride's grandmothers, Mrs. R. E. Duke and Mrs. Ola Murphy, both of Dimmitt, Mr. and Mrs. J. O. Ayers, of Dimmitt, Mr. and Mrs. R. N. Bunderson and Gall, Roseburg, Ore.; Mr. and Mrs. C. T. Payte, Mike and Candy, North Cowden, Texas; Mr. and Mrs. Loyd Greenhill and son, Odessa; Mrs. H. L. Jamison, Mrs. L. D. Maines and Mrs. Dick White, Colorado City.

The bride chose a sheath dress

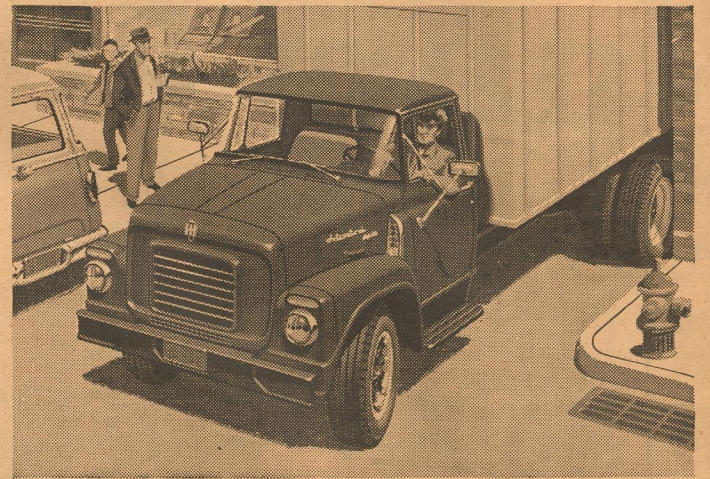

of sky-blue silk shantung trimmed in royal blue chiffon with pink and white accessories, for her traveling cloths. The wedding trip will take the couple to Turner Falls and Claremore, Oklahoma.

Upon the return to Big Spring, the Paytes will be at home at 307 Park. The bridegroom, a graduate of Boswell, Oklahoma High School, is employed by the post office.

The new Mrs. Payte was a May graduate from Big Spring High School and has been employed at the Ritz Theatre.

DRIVE IT ONCE...

You'll tell us how easy it handles!

The world's most complete truck line—1/2-ton to 96,000 lbs. GVW.

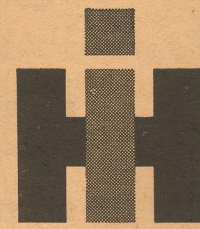

Everyone who drives a new INTERNATIONAL cab-forward model tells us how easy it is to maneuver.

Would you give it your own personal maneuvering test? Note how nimble this INTERNATIONAL Truck is... in traffic, or on the road. Reason? The short cab and the way IH designed it. Only 89 inches long, bumper-to-back-of-cab!

That short dimension not only gives better maneuverability—it allows more payload in back. Yet the cab is full-size—doors and all. Nothing cramped about it.

Like all INTERNATIONAL Trucks, this cab-forward model costs least to own.

Come in and drive a new INTERNATIONAL cab-forward yourself. Then you tell us how good it is!

INTERNATIONAL TRUCKS cost least to own!

Four 4-H Girls Off to State Roudn-Up Meet

Four Castro County 4-H Girls left Monday for 4-H State Contests and Round-Up at College Station. They were accompanied by Chairman of Adult Leaders, Mrs. Leo Witkowski.
Making the trip are Mona Dell Hunter and Mary Helen Maples, both of Dimmitt 4-H who will give a demonstration on Poultry Methods and Rita Sue Witkowski and Virginia Huseman, both of Nazareth 4-H, who will give a demonstration on Safety.
They were selected for the trip due to being county winners in the elimination contest on April 12 and 13.

Mr. E. V. Elder

Mr. Elisha Vinson Elder, 100 years old, died at his home in Dimmitt for the past two years, passed away at 11 a.m. Sunday, June 8, in the Castro County Hospital.
Mr. Elder was born in Tennessee on April 2, 1877 and was 81 years of age. He was a tired farmer for the past several years.
He is survived by three sons, Andrew, Frank, and Jim, all of Dimmitt, and three daughters, Mrs. Charles Hastings, Durango, Mrs. Andrew Murphy, Plainville, and Mrs. Clyde Tisdale, Ode. One brother and three sisters survive. Two brothers and two sisters preceded him in death. He has eleven grandchildren.
Services were held in the De Witt Memorial Chapel Monday, June 9th, at 11:00 a.m. and were conducted by the Rev. M. A. Smoot of the First Baptist Church of Dimmitt.
Immediately following the services, the body was taken to Marlin, Texas for services which were held Tuesday, June 10th, at 4 p.m. in the Adams Memorial Chapel. Interment was in the Kossee Cemetery, about fifteen miles from Marlin.

Misses Sandra Leeth and Jo Beecher Are Attending Girls State at Austin

Miss Sandra Leeth and Miss Jo Beecher, both students in Dimmitt High School, were among some eighteen girls from the Panhandle who left Tuesday evening, via the Texas Zephyr, from Amarillo's Burlington Railroad Station, enroute to Girls State in Austin.

Miss Leeth and Miss Beecher are sponsored, jointly, by the Dimmitt JayCee-Ettes and the American Legion Auxiliary. They will be in Austin from June 11th until June 20th and will return to Amarillo early Saturday, June 21st.

While in Austin, the girls will learn the mechanics of the City, County and State Governments by participating in a program set up by the American Legion Auxiliary that is in exact replica of the City, County and State Governments of Texas.

Soon after arrival, registrations, assignment to quarters, etc., the girls are divided into eight cities, four counties (composed of two cities each) and one state. The girls name their own cities and counties, but the state is called Bluebonnet Girls State.

The girls are also assigned either to the House of Representatives or to the Senate. They will have a two-party system: the Federalists and the Nationalists.

Each of the citizens of Girls State pay a poll tax of one cent which is levied upon them for voting privileges. They also pay a filing fee whenever they file for office. Campaigning for offices is much in the same manner as we find in our local, county and state candidates.

The city elections are held in each city. The county and state elections are held at assigned county seats, and are held, first by the party, and then in the general election. The official ballot-boxes of the City of Austin are used in each election so that the girls may familiarize themselves with official way of voting. Before voting each must show her paid poll-tax receipt, and Distance Markers are tacked up about fifty feet from the voting place.

The house and senate convene regularly and during this time the girls learn how to write a bill and the method used for getting a bill passed, tabled or vetoed.

Following the elections, the citizens of Bluebonnet Girls State are taken to the State Capital where the Senators meet in the Senate Chamber, and the Representatives meet in the House of Representatives. Here they sit, as many as possible, in the chairs of the State Senators and Representatives. The House draws up a bill and holds debate on it. If it passes, a carrier takes it to the Senate where a similar routine is followed. Later, they hold a joint session in which the Texas State officials meet with the girls and the inauguration ceremonies for the Girls State elected state officials are held.

This is a most complete program in the instruction of the girls in the forms of government used

Miss Shirley Ann DeLozier
Miss DeLozier to Wed Robert H. Baldwin

Mr. and Mrs. George DeLozier of Summerfield, announce the engagement and approaching marriage of their daughter, Shirley Ann to Robert H. Baldwin, son of Reverend and Mrs. B. H. Baldwin of Hereford, Texas. The wedding will be at six o'clock in the evening on July 8 in the Summerfield Baptist Church.

Miss DeLozier is a 1956 graduate of Dimmitt High School and is presently employed at the Pioneer Natural Gas Company of Hereford. Mr. Baldwin is a 1956 graduate of Hereford High School and is a sophomore at Texas Tech.

Friends of the couple are cordially invited to attend the wedding. A reception will be held in the church.

Today, it is indeed a high honor to be selected as a delegate to represent one's school at Girls State. It is a "once-in-a-lifetime" chance as only students who have finished their junior year of high school and are about to enter the senior year are eligible to attend. Other qualifications include being single, of average or higher intelligence, a leader, excellent physical fitness, character, honor and trustworthiness.

The mailing address for the girls will be, Bluebonnet Girls State, c/o State School for the Blind, Austin, Texas.

Walter Rogers' WASHINGTON NEWSLETTER

Defense Appropriations

The House last week voted 389 to 0 to give the Department of Defense 38½ billion dollars for the 1959 fiscal year. The House added an amendment which would keep the standing army at 900 thousand during 1959. The House felt, by the tune of 224 votes for to 158 votes against, that the army should not be reduced to the 870,000 figure suggested by the President. In 1955 the Army had 1 million 109 thousand 300; 1 million 25 thousand 800 in 1956, and 998 thousand in 1957. The President first suggested for 1958 a standing army of 1 million, but subsequently reduced his estimate to 900 thousand. He then urged a further reduction to 870 thousand for 1959. The matter was thoroughly debated, both in Committee and before the House, and the conclusion to fix the standing army at 900 thousand for 1959 was well justified. The fact is the Army gets the smallest amount of money from the defense budget, some 8½ billion; the Air Force approximately 18 billion, and the Navy about 12 billion.

The tremendous amount of money involved in the over-all defense picture is one of the bones of contention between the White House and the Congress with relation to the reorganization plan offered by the President. Our military establishment has always been maintained under civilian control through a Secretary for each respective Service. The unification bill of a few years ago setting up the Department of Defense created a single cabinet office of Secretary of Defense, but did not abolish the administrative powers of the Secretaries of each of the Services. The latest requests of the President for changes in the bill written by the Armed Services Committee of the House would indicate that the Administration wants to concentrate all power in the Secretary of Defense and leave with the Secretaries of Army, Navy and Air Force limited powers that would be ineffective as against the whims or desires of the Secretary of Defense. To follow the President's suggestion would be to place in the hands of one man, the Secretary of Defense, almost absolute powers with relation to the military forces of this nation. That power, coupled with the power to control the expenditure of 38½ billions of dollars for the next fiscal year plus carry-over sums, could, and possibly would, create an over-all power in one man that could measurably affect the economy in any section of this country. Although it could be argued that the proposal on the President would not, in itself, set up a Prussian-type of high command, it cannot be successfully argued that the powers placed in one man would not provide a vehicle by which a Prussian-type command could be set up in a very few years and perpetuated for many.

TAXES

The House of Representatives last week granted a one-year extension of the existing corporate normal tax rates and of certain excise tax rates. The measure came before the House under a closed rule. This means that no amendments or changes in the

bill could be made except those named and provided for in the resolution calling for debate of the bill.

In other words, it was a case where you had to take the bill as it was or kill the whole measure. There was much dissatisfaction with this procedure because there were some items that many Members wanted to reduce, such as automobile excise taxes. It was the feeling of many that a reduction of these taxes might generate some help for the recessionary situation that has developed in the automobile industry. However, since this could not be done separately, it was practically impossible to get it done at all. The reason being that the bill under discussion carried with it a continuation of excise taxes on whisky, beer, wine and certain tobacco products; therefore, the killing of the bill, in order to provide a reduction in automobile excise taxes, would have also resulted in killing taxes on whisky, wine, beer and certain tobacco products. So under the circumstances, the measure passed the House and was sent to the Senate. The bill had been recommended by President Eisenhower for passage and, in fact, it had been introduced by the Chairman of the Tax Committee at the request of the Administration.

Transportation taxes on freight and passengers were not included in the extension of the taxes under the bill that was before the House last week. There was a discussion about the possibility of getting tax relief in the transportation field, but the indications are, both from the Administration's forces and the Leadership in the House, that there will be no tax reductions in any areas this year, except the possibility of some tax relief for small business. This, of course, made many of us rather sad, because we had hoped that some of the taxes could be revised so that relief could be had where it was most needed.

WORLD AFFAIRS

Much could be said about the many conflicts across the face of the earth, but space is running out so I will leave with you a poem that was sent to me by my good friend, Dennis Zimmerman, from Tullia, Texas. It is most appropriate and reads as follows:

This world is a wonderful world,
Its wonders never cease,
All civilized nations are at war,
All savages are at peace."

WALTER ROGERS
Member of Congress
18th District of Texas

Mrs. Brockman is JayCee-Ette Hostess

The home of Donna Brockman was the scene of the Dimmitt JayCee-Ettes regular Tuesday night meeting. Courtney Armstrong gave the program.

The group voted to exchange gifts at the December meeting rather than have secret pals, and to have a fall style show.

Lemonade and cookies were served to the ten members present. The next meeting will be Tuesday, June 24th, in the District Court Room.

"Why Is It Wrong?"

This is a question frequently asked by young and old alike regarding things they may like to do. Especially is this true regarding the popular sins of our day. Dancing is an example. Well, why is it wrong? It is wrong because it is "lasciviousness" and Paul says it is a work of the flesh, Gal. 5:19. This word means lewd, lustful. Seventy to ninety per cent of fallen women testify their downfall began with dancing. This amounts to an astounding number, 45,000 each year.

Dancing is wrong because it is revelry, Gal. 5:21. Revel is defined as dancing in Webster's New International Dictionary, The Twentieth Century Dictionary and Liddell & Scott's Greek-English Lexicon.

Dancing is wrong because it is of the world, I Jno. 2:15. Such is enmity with God, Jas. 4:4.

An attempt to justify dancing is "That we are going to supervise it." Supervised sin is still sin. Just supervising it will not eliminate the sin. You could supervise stealing and drunkenness, but it would still be sin. So with dancing.

If you still cannot or will not see any harm in dancing, remember, sin is deceitful, Heb. 3:13. You can't do wrong and be right with God.
