

'Dimmitt Middle School' major phase of project

(First in a series of articles detailing the improvement plans for Dimmitt Public Schools under a proposed \$1,650,000 bond issue to be decided by the school district's voters next month.)

By DON NELSON
During a school expansion report at a PTA meeting back in 1947, a concerned Dimmitt man stood and asked the superintendent, "What are Dimmitt's schools going to do for buildings after the government runs out of barracks?"

HE WAS concerned that the schools were settling for "temporary" buildings that would become long-standing eyesores. As it turned out, he was right. But at that time, materials for new buildings were at a premium as the nation emerged from World War II, the barracks buildings from the old

Hereford Prisoner of War Camp could be bought for practically nothing, and the school district could afford no better.

Since then the original grade school building has been torn down and replaced by a city park, and three beautiful school buildings have been built. But the old barracks buildings still stand behind Dimmitt Junior High. Everyone who has gone through Dimmitt Public Schools in the last 25 years has spent nearly as much time in the old barracks buildings as any Italian POW ever did.

THE CURRENT school expansion would, among other things, replace the old barracks buildings.

The major phase of the proposed program would connect Dimmitt Junior High and North Elementary School with a new structure, creating a large "Dimmitt Middle School."

Approximately 44 percent of the bond-issue money, or \$720,000, would be devoted to this phase of the upgrading program.

THE PLAN is to remove all the barracks buildings and the present library building, and replace them with new buildings that would front on Jones Street and connect the east end of North Elementary School with

the rear of the north end of DJHS.

The new construction would include several facilities that would be shared by the students and staff of both schools — a choral music room, band room, media center with audio visual storage, and central administrative offices.

Also, Dimmitt Junior High would gain two new science labs, a woodworking shop, an auto mechanics shop for vocational education of handicapped youths, two home-making rooms (one for standard-curriculum students and one for Cooperative Vocational and Educational students), an art department, a typing room and a special education room.

THE DESIGN would enable you to walk into the front door of Dimmitt Junior High, out the present back door into the hallways of the new connecting annex, through the new annex into the hallways of North Elementary, and finally out the west end of North Elementary (See 'SCHOOL PLAN,' Page 15)

Voters say no to pay raise

Texas voters defeated proposed constitutional Amendment No. 1 which would have increased salaries of lawmakers to \$15,000 annually and allowed the legislature to meet every year as they went to the polls Tuesday.

VOTERS ALSO defeated proposed Amendment No. 8, which would have removed the constitutional ceiling limiting cities of more than 5,000 population to property taxes of 2.5 percent of the value of taxable property within the city.

Approval was given on all other proposed amendments, including Homestead protection, Homestead exemption, conservation districts, coastal seawall bonds, district courts jurisdiction, increase in the veteran's land fund and water tax exemption.

County artists reminded of show

County artists are reminded that they should bring their works to the Rhoads Memorial Library Wednesday between 2:30 and 4 p.m. in order to display them in an art show to be held in conjunction with the dedication of the new Rhoads Memorial Library Nov. 18.

THE SHOW is open to all adult artists living in Castro County who are members of art clubs within the county.

Each artist may enter three works in the show. Artists must have each work framed and ready to hang, and the artist's name, address, medium used and sale price if for sale must be included on the back of the painting.

If an artist sells a painting, 20 percent of the proceeds will go to the Rhoads Memorial Library.

The paintings will be on display for approximately one month.

VFW sponsoring scriptwriting contest here

The Veterans of Foreign Wars is sponsoring its annual Voice of Democracy Scholarship Program and high school sophomores, juniors and seniors are invited to enter this scriptwriting program according to Dimmitt VFW Commander Charles Wilkerson.

THEME OF this year's program is "My Responsibility as a Citizen."

Participants write and then tape-record a three-to-five minute broadcast script expressing their personal views on their "Responsibility as a Citizen."

The contest ends Dec. 10 in Castro County. Interested students should contact their high school English or speech teacher, their principal or Rev. Ed Manning in Dimmitt.

County winners will go to the district competition.

THE STATE winner in the contest will receive an expense paid trip to Washington, D. C. and the national winner will receive a \$10,000 scholarship.

In the twelve years that the VFW has been sole sponsor of the Voice of Democracy Program, more than three million high school students have participated.

"One of the greatest benefits to young people who take part in the program, is that by thinking, writing and speaking on their responsibility as a citizen, they gain a better appreciation of their obligation to maintain our freedom heritage," said Wilkerson.

Rites held for Mrs. Nora Hays

Funeral services for Mrs. Nora Hays, mother of Claud Westfall of Dimmitt, were held Wednesday in the Wallace Funeral Home chapel in Tulia.

REV. LARRY Robbins, pastor of the First Christian Church, officiated.

Mrs. Hays, 83, died Monday in Swisher Memorial Hospital. A native Texan, Mrs. Hays moved to Tulia 20 years ago from Crane.

She was a member of the First Christian Church.

OTHER SURVIVORS include two daughters, Mrs. Effie Johnson of Tulia and Mrs. Ollie Johnson of Lampasas, a brother, Buster Ray of Dalhart, six grandchildren and nine great-grandchildren.

Burial was in Rose Hill Cemetery under the direction of Wallace Funeral Home.

Williams rites held Wednesday

Graveside services were held Wednesday in Shamrock Cemetery for Mrs. Orene Isaacs Williams, former Dimmitt resident.

REV. BILL Rushing, pastor of the First Baptist Church of Shamrock, officiated.

Mrs. Williams, 59, was found dead at her home in Overland Park, Kan. Sunday.

Born Aug. 10, 1914 in Arkansas, she was a longtime Shamrock resident and had lived in Dimmitt for a time.

Survivors include two sisters, Mrs. John Brungard of Overland Park, and Mrs. Ruth Dickinson of Oakland, Calif.; and three brothers, Jake and Aaron Isaacs, both of Tucuman, N. M., and Eugene of Midland.

BURIAL WAS under the direction of Richerson Funeral Home of Shamrock.

Youth injured in collision

A 17 year old Dimmitt youth was critically injured Monday afternoon about 4:15 when his motorcycle collided with a pickup at the intersection of US 385 and Belsher.

CHARLES COPELAND, son of Mrs. Carolyn Copeland of Dimmitt, was transferred to the intensive care unit of Northwest Texas Hospital in Amarillo Monday evening after being taken to Plains Memorial Hospital for emergency treatment.

According to Police Chief W. W. Jones, Copeland was headed north on 385 when his motorcycle ran into the side of a 1973 Chevrolet driven by Mrs. Jean Lunsford of Dimmitt. The pickup was headed west. Jones reported that the point of impact was exactly on the double yellow line dividing the highway.

Copeland was thrown over the bed of the pickup and landed in the middle of the intersection. The pickup swerved, then rolled backwards, narrowly missing Copeland.

The victim was found beneath the pickup with both front wheels straddling him.

The impact of the collision ruptured the fuel tank on the pickup, and Copeland was found lying in a half-inch of gasoline that spilled onto the highway.

A unit of the Dimmitt Volunteer Fire Department was called out to wash the gasoline from the street.

JONES reported that Copeland was overcome by the gas fumes and had to be removed from beneath the pickup quickly.

Copeland suffered head injuries, a broken arm, a broken jaw, multiple lacerations and abrasions. He also lost several teeth. Mrs. Lunsford was not injured.

Jones reported early Wednesday that no citations had been issued, but the accident is still under investigation.

CRUSHED PICKUP—A collision between a motorcycle driven by Charles Copeland and this 1973 Chevrolet pickup driven by Mrs. C. B. Lunsford left this huge dent in the side of the pickup and also ruptured its gas tank. In the

background, volunteer firemen wash down the street following the accident. Copeland was seriously injured in the collision.

County's top 4-H'ers announced

Elaine Acker of Nazareth and Earl Behrends of Frio are the county's Gold Star 4-H Girl and Boy for 1973.

THEY WERE announced by County Judge Raymond Wilson as the winners of the coveted award at the annual awards banquet Saturday night in South Elementary School cafeteria.

More than 200 attended the salad supper and awards ceremonies.

Miss Acker, 14-year-old daughter of Mr. and Mrs. David Acker, is the fourth member of her family to earn a Gold Star 4-H award. Her brother Stephen and sisters Debbie and Agnes are previous Gold Star winners.

TO BE eligible for the Gold Star Award — the highest county

award provided by the Texas Agricultural Extension Service — a 4-H'er must be at least 13, with at least three years' club work, must be currently active in 4-H, and must show outstanding achievement, leadership, and contribution to the 4-H program. The Gold Star Award can be won only once by any 4-H'er.

Miss Acker has been a member of the Nazareth 4-H Club six years.

Behrends, 16, is the son of Mr. and Mrs. Clarence Behrends. A longtime member of the Frio Jolly Workers 4-H Club, he has advanced to the County Junior Leaders Club and was a delegate last summer to the Texas 4-H Congress.

AGNES ACKER of Nazareth

and Raymond Warrick of Frio were announced by County Agent Irene Keating as the winners of two new County 4-H Council awards — "Outstanding 4-H Girl and Boy". Competition for these awards, Mrs. Keating explained, is open to all 4-H'ers including former Gold Star Award winners.

Miss Acker was the state 4-H champion in recreation this year, and will be a delegate this fall to the National 4-H Congress in Chicago.

Warrick, who is now a student at West Texas State University, was cited for his many achievements through the years as a member of the Frio Jolly Workers 4-H Club.

AGNES AND Norman Acker received two Extension Service

special awards — the Texas Plains Key Award — for outstanding accomplishments in their individual 4-H activities. Mrs. Keating also presented these awards.

Four of the county's clubs earned Extension Service award certificates for their year's work. County Agent Charles Hotel announced. They were the Nazareth 4-H Club, certificate with blue seal; Happy Helpers 4-H Club of Easter, certificate with blue seal; Frio Jolly Workers 4-H Club, certificate with red seal; and Bethel 4-H Club, certificate with red seal.

Norman Acker and Stephen Anthony presented 4-H member pins and achievement certificates (See TOP 4-H'ERS, Page 15)

Members of Castro County Memorial Post 8056 of the VFW will install three flag poles at the Dimmitt Scout Hut, just east of the city park Saturday, and will join the Scouts in a sunrise flag-raising ceremony Sunday morning as they observe the traditional Nov. 11 Veteran's Day.

VFW MEMBERS will also raise the flag at the Rhoads Memorial Library Sunday morning.

The local post is providing one 25 ft. flagpole and two 20 ft. flagpoles for the Scouts, and members have been instructing the Scouts in the proper manner of raising the flag.

Following the joint flag-raising ceremony the Scouts and VFW members will proceed to the Post Home for a breakfast, scheduled to begin at approximately 8:30. The VFW Auxiliary will assist with the breakfast.

A county-wide Veteran's Day parade which had been scheduled earlier was canceled when it became apparent that the county's high school bands would be unable to march in the parade due to a conflict with a marching contest scheduled for the time of the parade.

Speech students earn high marks in Odessa event

Three Dimmitt High School students placed high in the Odessa Permian High School Speech Tournament Saturday.

COMPETING mostly against Class AAA and AAAA contestants, Randy Hammonds won first place in boys' persuasive speaking. It was his first time to compete in a speech tourney.

Janie Garza, former district winner and regional runner-up, captured second place in girls' prose interpretation at Odessa.

Charles Copeland, former district champion and regional fourth-place winner in boys' prose, placed fourth in the event at the big Odessa tournament.

TWO OTHER Dimmitt students reached the finals in their events. They were Gilbert Espinosa in boys' prose interpretation and Gregg Calvert in boys' poetry.

George Copeland, also competing in his first tournament, reached the quarter-finals of the Odessa tourney in solo-debating.

Also competing in the tournament were Cindy Ringo, Diane Ward and Gregg Barringer. Attending the tournament as observers were Cindy Sadler, John Brooks, John Cook and Marvin Spinhire.

The DHS speakers and their teacher, Betty Hawkins, left by bus for Odessa about midnight Friday to take part in the all-day Odessa Permian tourney.

VFW to conduct flag raising

Members of Castro County Memorial Post 8056 of the VFW will install three flag poles at the Dimmitt Scout Hut, just east of the city park Saturday, and will join the Scouts in a sunrise flag-raising ceremony Sunday morning as they observe the traditional Nov. 11 Veteran's Day.

VFW MEMBERS will also raise the flag at the Rhoads Memorial Library Sunday morning.

The local post is providing one 25 ft. flagpole and two 20 ft. flagpoles for the Scouts, and members have been instructing the Scouts in the proper manner of raising the flag.

Following the joint flag-raising ceremony the Scouts and VFW members will proceed to the Post Home for a breakfast, scheduled to begin at approximately 8:30. The VFW Auxiliary will assist with the breakfast.

A county-wide Veteran's Day parade which had been scheduled earlier was canceled when it became apparent that the county's high school bands would be unable to march in the parade due to a conflict with a marching contest scheduled for the time of the parade.

Addresses being collected as candy project begins

Although it is slightly later in getting started this year the annual county-wide Christmas candy project is under way.

THE UNIQUE candy project provides hundreds of pounds of homemade candy, nuts and other treats for the county's military men and women at Christmas time each year.

The project was started by the Bethel Home Demonstration Club in 1967, and has become a county-wide undertaking. All county clubs and individuals are invited to participate. Ladies of the Bethel HD Club are coordinating the project this year.

Reta Welch project chairman pointed out that anyone knowing of any person from Castro County who is in the service should send his name and address to Beral Hance at the courthouse.

"We believe we still have about 45 or 50 men in the service," said Mrs. Welch. "We will need about 400 pounds of homemade candy, and about \$200 to pay for the postage and wrapping supplies," she added.

CANDIES THAT will not melt in shipment are preferred, and the candy pieces should be individually wrapped and placed in one pound coffee cans. Cans should be secured by taping the cans lengthwise, and the candy maker's name and address should be included on a slip of paper in each can.

Donations to help cover project expenses may be made at the First State Bank in Dimmitt with checks made out to the Castro County Candy Project.

Candy should be brought to the Castro County Farm Bureau office on North Broadway by Tuesday, Nov. 27. The candy will be mailed Nov. 28.

"We don't want to neglect our county's servicemen this Christmas," said Mrs. Welch. "Anyone having questions about the project can call me at 647-5647," she added.

LAST YEAR the county's women sent 73 packages with a total weight of 563 pounds to 55 servicemen. Each package contained four coffee cans full of homemade candy, one can of peanuts and one package of hard candy made with Castro County corn syrup.

The project is a special way of reminding county servicemen who aren't able to be home during the holidays that their "home folks" haven't forgotten them.

Commission eyes new equipment, paving Monday

City fathers moved to work up specifications for landfill equipment, considered paving for a number of city streets and increased city funding for the Rhoads Memorial Library in their Monday night meeting.

THE COMMISSIONERS moved to draw up specifications for a crawler-type tractor to be used in a city landfill program. A call for bids will be issued at a later meeting.

City fathers also moved to work up specifications and call for bids on a paving program for a number of city streets.

Streets involved in the proposed paving program include: Allen, Dulin, NW 10th, SW 2nd, 1/2 block on West Andrews, one block on Lee Street, three blocks on Stinson, 1/2 block on Belsher, NE 5th and one block on Hal-sell.

Jack Miller, library board chairman, appeared before the commission and asked for additional funding for the library until it gets settled in its new location and a budget can be worked out. The commission voted to up the city support of the library to \$550 per month.

Kendrick rites held Sunday

Funeral services were held Sunday in the First Baptist Church in Hart for R. T. (Bob) Kendrick, a former Hart resident.

REV. RANDALL Scott, pastor, and Rev. Gerald Tidwell, pastor of the First Baptist Church of Tulia, officiated.

Mr. Kendrick, 89, died Friday in Northwest Texas Hospital in Amarillo after an apparent heart attack.

A native of Waco, he moved to Castro County in 1906 and farmed here until 16 months ago when he moved to Tulia.

He was a graduate of Texas A&M University.

MR. KENDRICK had been a member of the Wise school board for a number of years and had served as a county commissioner.

Survivors include his wife, Vira, of Corpus Christi; two sons, Marcellus of Hart and Killough of Waco; two daughters, Mrs. Zuleika O'Daniel of Tulia and Mrs. Robbie Jones of Albuquerque, N. M.; a brother, Bruce of Whitney; three sisters, Mrs. Helen Hill, Miss Hester Kendrick and Miss Blanche Kendrick, all of Waco; eight grandchildren and several great-grandchildren.

Pallbearers were Wade Mills, L. J. Rice, Frank Sharp, DeWayne Brown, Jimmy Ray Davis and Ed Harris.

Burial was in Hart Cemetery under the direction of Wallace Funeral Home of Tulia.

Turkey Shoots are scheduled

County residents can try their shooting skill this weekend, and if they shoot straight enough they may win a turkey, as two county organizations will be sponsoring turkey shoots this weekend.

SHOOTERS will fire at trap targets at both shoots, rather than firing in the traditional manner with rifles.

The Sunnyside Lions Club will sponsor a shoot Saturday afternoon at 2 at the Sunnyside Gin. Shells will be available and contestants are encouraged to bring their favorite shooting iron.

For those down on their luck, a special "card shooting" contest will be held. The contestant's name will be placed on a card which he will fire into. The shot holes in each card will be counted and the man with the largest number of shot holes in his card will win a turkey.

The Dimmitt Volunteer Fire Department will sponsor a Turkey Shoot Sunday at 1 p.m. at the trap range, located at the northwest corner of the Dimmitt airport.

TURKEYS, and possibly some hams will be awarded to those with the sharpest shooting eye. Interested persons are invited to bring their shotguns and attend the shoot. Shells can be bought at the site.

The VFD will also hold shoots Nov. 17 and 18.

Tax vote due at Nazareth

Residents of Nazareth, Castro County's newest city, will go to the polls Dec. 4 to vote on a proposed one percent sales and use tax within the city.

NAZARETH VOTERS elected to incorporate their city in an election held in June. One of the advantages of incorporation which was cited prior to the incorporation election was the fact that, as a city, Nazareth could adopt by local referendum a one percent city sales tax to raise additional revenue.

Residents will vote at the Nazareth Community Center. Election judge will be Mrs. Agnes Brockman and Mrs. Virginia Gerber will be the alternate judge.

Residents will vote at the Nazareth Community Center. Election judge will be Mrs. Agnes Brockman and Mrs. Virginia Gerber will be the alternate judge.

Newtons return from 20-day trip to Europe, Africa

By MYRTLE SHEFFY
Homer and Nell Newton are home from a 20-day trip to Europe and Africa. 26 people went, leaving by plane from New York City.

Mrs. Wallace Emerson of Amarillo were hosts to a big party in Amarillo Friday evening. First there was a tour of the Bank of the Southwest that Bob and sons Charles and Robert bought an interest in, then out to the Amarillo Country Club for a very fine supper.

Swain Burkett went to Fort Worth to attend a railroad attorneys meeting. As you know, Swain is one of Dimmitt's lawyers. Nancy Ross is in Austin with her parents. Her dad A. T. May is seriously ill in the hospital there.

James A. Atry of Rocky Ford, Colo. has been here for a visit with his folks the W. T. Atrys and his sisters Jo Hogue and John. And the kids, and Marie and George Bowen. And their sister Mary Baldrige of near Fort Worth has been home also.

Lucille Dollar went to Clovis for supper after a business meeting. All the ladies work at Dimmitt schools. Cowboy Johnson won another saddle, belt buckle last week at the big roping and rodeo at Dalhart.

"THE GRAND Old Flag Folies", a very good musical variety program, was presented again Monday morning to many people. Dimmitt High School students, dressed in red, white and blue costumes, portrayed the history and heritage of the United States through song and dance.

BETH HODGES of Panhandle spent Friday night with her mother Beral Hance. Beth's youngest daughter, Kier, was in a picture in the farm magazine "Grain Producers News," this month. She is a member of the "Patriettes", a group of nine girls of the First Baptist Church who sing for clubs, church programs, etc.

Hereford Brand for their success in raising sugar beets. OVER THE course of five weekdays, the average reader reads 4.3 daily newspapers, and spends from 30 to 40 minutes with each paper.

THESE FOLKS I met recently or talked to, Mr. and Mrs. Doug Lapins, who moved here from Chandler, Ariz. The Lapins have two daughters, 12 year old Laura and 10 year old Katy. Doug is the new General Manager of Amstar Sugar Starch Plant.

MS. AND MRS. Lou Quenze have been here for a while. They live at 1100 Howe Street. He is also with the sugar and starch plant. Jan Quenze was hostess at the Friday Bridge at the Country Club. She made coffee and doughnuts and Ramona Annen brought her very good Mexican dish.

I WENT to Earth one afternoon to visit daughter Tommie Bills, but found myself at the school, hearing the pep rally. Our granddaughter Elaine is a cheerleader for seventh grade and young Randy is son of Sunny and Randy is football.

MIKE AND JAN Baca were the surprised host and hostess Saturday night when around 100 friends came in to help warm their new home. They bought the house at 508 Belsler. They had wany pick up foods, Cokes and coffee.

Candy project time nears

By MRS. BUD McELROY
It is time to make candy for the servicemen. The candy is for all Castro County servicemen, in the states or overseas. The names and addresses should be turned in to Mrs. Beral Hance at the County Agent's office by the 24th. The candy will be mailed the 28th. If you have any questions you may call Mrs. James Welch at 647-5647. The candy should be turned in to the Farm Bureau on the 26th and 27th.

A 4-H workshop for animals was held Saturday morning at the stock barns. Ed Garnett and Cal Parrott of Amarillo worked with the members. The 4-H Extension specialists for this district. The families from Bethel attending were the Monty Boozers, Elbert Smiths, Fred Brugel Jr.s., George Sides and Milton Bagwells.

Mark Welch spent Friday and Saturday in a Lubbock hospital from a concussion he received during the football game Thursday night. He went back to school Monday and is feeling a

NOTICE TO CONTRACTORS
Sealed bids for drilling and equipping two water wells for the City of Dimmitt, Texas, will be received at the City Hall until 6:30 PM, November 19, 1973, and then at said office publicly opened and read aloud.

Bids will be submitted in sealed envelopes upon the blank form of proposal attached hereto and marked "Bid For Water Wells".
All proposals shall be accompanied by a cashier's or certified check upon a national or state bank in the amount of five (5) percent of the total maximum bid price payable without recourse to the City of Dimmitt or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten (10) days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100 percent of the contract price from an approved surety company holding a permit from the State of Texas to act as surety or other surety or sureties acceptable to the Owner.

The right is reserved to reject any and all bids and to waive any informality in bids received.
Plans, specifications and bidding documents may be secured from: the office of the City Manager, Dimmitt, or at the office of Bill R. McMorries & Associates, Inc., 6300 Canyon Dr., Amarillo, Texas 79109, on deposit of Twenty-five (\$25.00) Dollars per set, which sum so deposited will be refunded, provided: (1) All documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than 48 hours prior to the time for receiving bids; or (2) The Contractor submits a bid and all documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than five (5) days after the time that bids are received.

Horns crush Wolverines 41-14

By JIM STEIERT
The Hart Longhorns unleashed an explosive combination of passing and running plays during the first half of Friday night's game at Springlake-Earth and tallied 33 points, then went on to crush the Springlake-Earth Wolverines 41-14.

JIMMY BROWN turned in his usual sparkling performance, rushing for 143 yards and three touchdowns. Barry George, Terry Hill and James McLain tallied a touchdown apiece.

Hart got on the scoreboard quickly after the Wolverines failed to move the ball and punted to the Hart 37. A couple of running plays moved the ball to the 48, and from there James McLain hit Barry George with a 48 yard touchdown bomb. John Robledo booted the extra point and Hart led 7-0.

A determined Horn defense stalled the Wolverines at their own 36 and they were forced to punt. The ball bounced at the 45 yard line and Barry George grabbed it and made his way to the Wolverine 34 before the startled Wolverines recovered enough to pull him down.

On the first play after the return, Jimmy Brown took a hand-off and raced 38 yards to score with 6:20 remaining in the first period. The kick was blocked and the Horns led 13-0.

THE WOLVERINES drove to their own 34, but Barry George intercepted a Hal Wood pass and returned it to the 35. Hart drove to the Wolverine 20, but on fourth down a Wolverine intercepted a McLain pass in the end zone and returned it to the 22.

The enraged Horns quickly shut off the Wolverine threat and forced a punt. Taking over at the S-E 43, the Horns moved to the 17, and from there Jimmy Brown raced in to score.

Robledo's boot was true and the Horns led 20-0.

The Wolverines were unable to move against the determined Horns and were forced to punt once more. Hart took over on the 41, and Brown, Hill and George moved the ball to the 7. McLain skirted around left end for the score with 9:16 left in the half. The try for extras failed and the Horns led 26-0.

The Wolverines spoiled Hart's hopes for a shutout late in the second period when they drove to the Hart 36, and from there quarterback Hal Wood ran for the score. The try for two failed, and the score stood at 26-6.

THE HORNS came roaring back as Hill took the kickoff at the 33 and returned it to the 41. The hard running of Brown, McLain and Hill quickly moved the ball to the S-E 3. Terry Hill, Hart's bread-and-butter fullback, picked up a crucial first down in the drive, then dove across from the 3 to score. Robledo booted the extra point and the Horns took a 33-6 lead to the locker room at the half.

The Wolverines drove to the Hart 8 on their first possession of the second half, but the Horns held and the ball went over. The Horns were forced to punt and the Wolverines took the ball at the 50. They drove to the Hart 31, and from there Hal Wood scrambled into the end zone for the score. Wood then ran for two and with 3:55 remaining in the third period the score stood at 33-14.

The remainder of the third period and a large portion of the fourth was a defensive battle as both sides exchanged several punts.

Late in the final period Hart took the ball at their own 47. Brown and George shared ball carrying duties and moved the

KEY BLOCK—Randy Finch throws a block on a Springlake-Earth Wolverine to break Hart's Jimmy Brown for a long gainer in Friday night's game at Springlake. Finch came close to a touchdown early in the game when he was open in the end zone, but the speedy end couldn't quite reach the pass which was thrown at him. He made up for the miss with fine blocking and defensive plays throughout the night however as the Horns downed the Wolverines 41-14.

ball to the S-E 36. Jimmy Brown got the call and ran for the night's final TD Barry George punched over the two point conversion to up the score to 41-14.

The Horns mounted still another scoring threat in the final minutes as they drove to the Wolverine 7, but a fumble killed the drive and the Wolverines took over. McLain quickly intercepted a Wood pass at the 25, but the game ended before the Horns could score.

S-E Homecoming activities set

A full slate of activities is scheduled for Homecoming at Springlake-Earth schools Friday.

A HOMEcoming pep rally at 3:30 Friday afternoon will kick off the Homecoming activities. The Homecoming Queen will be crowned during the rally.

The Springlake-Earth Ex Students Association will sponsor an enchilada supper at the school cafeteria from 5:30 to 7:30. Tickets will be \$1.75 for adults and \$1 for children under 12. Those registering at the supper will be eligible for a door prize of stadium seats to be presented at the program

following the game.

Kickoff time for the Homecoming clash between Springlake-Earth and Bovina is 7:30. Musical entertainment, presentation of the door prize and the election of officers for the ex students association will highlight post-game activities.

THE CLASSES of 1933, 1943, 1953, 1963 and 1973 will be honored.

Mary Jo Smith attends school
Castro County Justice of the Peace Mary Jo Smith was among 72 judges who participated in a regional 20-hour in-service training school held in Amarillo Oct. 23-26.

THE TRAINING school was held under the auspices of the Texas Justice of the Peace Training Center, headquartered at Southwest Texas State University in San Marcos. It was the second in a series of ten which will be held throughout the state.

The justice of the peace training program is part of the State Criminal Justice Plan and is funded by the Governor's Criminal Justice Council.

The in-service training school was designed to help satisfy judicial training requirements set forth by the state legislature. As a result of bills passed by the 62nd and 63rd legislatures, justices of the peace must complete a 46 hour course in the performance of their duties within one year of taking office and then complete one 20-hour course each year thereafter.

CINDY RINGO

Letter to the Editor

Speech students need your help in DHS tourney coming Nov. 17

Dear Editor:
Janie Garza, Randy Hammonds, Diane Ward, George Copeland, Cindy Ringo, Charles Copeland, Gilbert Espinosa, Gregg Calvert and Gregg Baringer were contestants in the Odessa Permian Speech Tournament Saturday.

THEY GAVE excellent performances, especially since (A) the average amount of sleep by the Dimmitt students before the tournament was two hours, and (B) Dimmitt, a Class AA school, was up against a large majority of Class AAA and Class AAAA schools. Most of the contestants felt it was well worth the effort, for six of Dimmitt's nine contestants got into the finals (top six of each event).

At the tournament, the contestants feasted their eyes upon Odessa's beautiful trophies. The merchants of the city had contributed toward these trophies.

Mrs. Betty Hawkins, the dramatics teacher at DHS, along with all of her dedicated speech students, would sincerely appreciate any donations the merchants of Dimmitt could give toward Dimmitt's speech tournament on Nov. 17.

SINCE MRS. Hawkins has been the dramatics teacher at Dimmitt, DHS is a recognized name at most student tournaments. The students at DHS have always had the talent; she

just knew how to develop it, to "make the bud blossom into a flower." We speech students owe any recognition we receive to our determined teacher.

Dimmitt High School will have a speech tournament on Saturday, Nov. 17, and any contribution of your time or money would be sincerely appreciated.

A handful of speech students have called around town, asking people if they would judge or work in the concession stand. Most of them had legitimate excuses as to why they couldn't help. Nearly all of them felt they weren't qualified to judge.

I, LIKE all other speech students, realize that Dimmitt — or any other town — is not seething with 60 qualified speech professors. I do know that there are quite a few people who have a love for drama, and there are MANY people who care enough about the students of DHS to give of their time and money.

Dimmitt is full of students who are exceptional in home-making, band and sports. Exceptional students are also to be found in choir, speech, art and many other areas. But the town hasn't given them the support it has in band or sports.

I feel that each individual citizen should broaden his or her interest and give support in any area working toward the

FARM SALE

TUESDAY, NOVEMBER 13, 1973 - - - SALE TIME: 11:00 A.M.

LOCATED: — From Dimmitt, Texas 4 miles West on Highway 86 then 3 1/2 miles South.

MRS. ROBERT YATES - - - - - OWNER

Due to the death of my husband the following will be sold at Public Auction:

TRACTORS - CRAWLER - COMBINE - STRIPPERS

- 1-1973 John Deere 425 Diesel Tractor - Cab - Air Cond. - Radio - Heater - Weights - 385 Hours - 18.4-38 Rubber
- 1-1962 John Deere 4010 L.P.G. Tractor
- 1-1951 Farmall M.D. S.F. w/Int. 21 Stripper F.W.H. - Good Stripper & Tractor
- 1-John Deere A Tractor - Gas
- 1-1955 John Deere No. 55 Combine w/210 Cornhead
- 1-Caterpillar Twenty-Two Crawler
- 1-John Deere 77 Cotton Stripper

FARM EQUIPMENT

- 1-Krause 14 ft. Tandem Disk
- 1-John Deere 16 ft. Double Offset - Scallop Disk Disk
- 1-Cline Int. 800 3 pt. Blade
- 1-Centennial 2 row 3 pt. Shredder
- 1-John Deere 71 Flex Planter Units
- 1-Chattanooga 4 row Rolling Cultivator S.B.
- 1-John Deere 825 3-14" Spinner Mould-board
- 1-John Deere 16-10 Van Brunt Drill - w.F.W.
- 1-John Deere 16-8 Van Brunt Drill - w.F.W.
- 1-Int. 4 row 3 pt. Cultivator

TRUCK - TRAILERS

- 1-1968 Yamaha 100CC Motorcycle
- 1-1950 Chev. Cabover 2 ton Truck - Bed & Hoist
- 1-1951 Ford Truck
- 2-David Bradley 4 wheel Trailer Chassis w/ Steel Runners
- 2-Caley 4 wheel Trailers - 3 & 4 bale - O.F.
- 1-Caley 4 wheel Trailer Chassis
- 2-Auto Chassis Trailers
- 1-Truck Chassis Trailer
- 1-2 wheel Trailer Chassis & Frame
- 1-2 wheel Pipe Trailer
- 1-4 wheel Flatbed Trailer

BARN FRAME - PIPE

- 1-40' x 40' Steel Frame for Barn (To be moved) only needs little more pipe & sheet iron.
- 1-Lot Used 1 1/2" - 3" Pipe
- 1-Lot Steel Sucker Rod

LIVESTOCK EQUIPMENT

HAY

- 1-Phillon Squeeze Chute
- 1-Shopmade Squeeze Chute
- 1-Lot Electric Fence Wire - Post - Insulators - T Post
- 1-Super 98 Fence Charger
- 1-Meyers 3 pt. Disk Ditch Filler
- 1-21 ft. Railroad Iron Drag
- 1-12 ft. Railroad Iron Drag

TOOL & TRACTOR MAKEUPS

- 1-Lot Toolbars - Various Lengths
- 5-Hamby Stubble Mulch Sweeps
- 1-Lot Shanks - Clamps - Spacers
- 1-Lot Gauge Wheels
- 1-Lot 3 pt. Hitches
- 1-Lot Hyd. Cylinders
- 1-Lot Sweeps - Knives - Chisels
- 1-Lot J. D. Lister Bottoms & Beams
- 1-Hoeme Tongue
- 5-Purrow Baskets
- 1-Lot J. D. Planter Parts
- 1-Set Row Markers
- 1-Lot Int. Lister Beams & Bottoms
- 1-Int. Tricycle Front
- 1-Int. Wide Front Axle
- 1-Lot J. D. Drill Shoe Openers
- 1-John Deere 55 Combine (Junker)
- 1-Int. 2 pt. Hitch
- 1-John Deere 14 ft. Header for 55 Combine

SHOP EQUIPMENT

- 1-Dayton 225 Amp. Welder
- 1-Portable Elec. Air Compressor
- 1-Meca Acetylene Welder - Torch
- 1-Emercon Electric Welder
- 1-Vias & Stand
- 1-Kerosene Shop Heater
- 1-7" Table Saw
- 1-Bench Grinder
- 1-Welding Hood
- 1-Wooden Bolt Bin & Bolts
- 1-Shopmade Drill Press
- 1-House Jack
- 1-Lot Hand Tools & Items Too Numerous To Mention

IRRIGATION EQUIP.

- 25 Joints 7" Galv. Pipe - 40' Rows
- 2-12" x 7' Hydrants
- 1-Lot Tees - Elbows
- 20-Joints 6" Flowline
- 1-Lot Poultry Netting
- 1-Olds 455 Irr. Eng. - Need Repaired
- 1-Lot Irr. Tubes & Tarps

NON-CLASSIFIED

- 1-80 gal. Pickup Fuel Tank
- 1-Set 15.5 - 38 Duals
- 1-Lot Poultry Netting
- 1-Butane Weed Burner
- 1-Lot Hoes - Spades - Shovels
- 1-Lot Co-Op Oil
- 1-Measuring Wheel
- 1-Set Trailer Lights
- 1-Clinton 3 1/2 H.P. Engine
- 1-Lot Tires and Wheels
- 1-Extension Cord
- 1-Large Lot Scrap Iron & Implements

You won't think the top pickers are just pretty faces, will you?

If you want advice from the week's top football expert, call the M. L. Simpson residence — and ask for the lady of the house.

POLLY SIMPSON led a near-sweep by the ladies in last week's Booster Club Football Contest. She picked 11 out of 15 contest games correctly to take top honors.

As if that weren't enough to make the red-faced men run for shelter, four of the week's top five game-pickers were women. Ewell Kelley was the only prognosticator who kept it from being a clean sweep by pretty faces.

Kelley finished in a second-place tie with Patti Cartwright, Floyce George and Clara Goldsmith. All four picked 10 winners from among the 15 contest games.

THE SEASON'S leaders remained the same after last week's contest, with Bobby Adams still clinging to his two-

game lead going into the final two weeks. Adams has picked 86 winners so far this season. Still tied for second place in the season's standings are Bullet Adams and Geneva Schaefer, with 84 correct picks apiece.

4 teams to join District 2-B in '74

An already crowded District 2-B has gained four new members for the 1974 football season, boosting the total membership to 14.

NEW 2-B members include Valley High, Sudan, Ropesville and Anton. All these teams will move down from the Class A ranks.

District 2-B will be divided into a North and South Zone, with seven teams making up each zone.

North Zone members will include Nazareth, Hapy, Amherst, Sudan, Valley High, Matador and Lazbuddie.

Members of the South Zone will include Sundown, Wilson, Ropesville, Meadow, Anton, Whiteface and New Home.

Nov. 15 will be maintained as an open date for a zone play-off.

RECEIVES BRACELET—Louise Cathey, an employee of TG&Y here received a ten year bracelet at the annual TG&Y awards banquet held in Amarillo recently. Tom Lewis, guest speaker, presents Mrs. Cathey with her bracelet.

Both in Texas and throughout the nation, the numbers of cattle, beef cows, and calves show significant increases. Thus, cattlemen are increasing production in order to meet increasing demands for the product.

SOYBEANS, a crop which is going to become more and more important in Texas in the years ahead, are making excellent progress throughout the state in areas where it is produced — the High Plains, East Texas and the upper Gulf Coast.

COAT CLEARANCE

1/4 OFF

Special group of men's, ladies', boys' and girls' fall and winter coats and jackets in assorted sizes and styles. 1/3 off. Buy now at these special savings and be ready for winter.

1/4 OFF ON SELECT GROUP OF WOMEN'S FALL DRESS AND SPORT SHOES

A select group from our regular stock. Sizes 5 to 10, but not in every style. 1/3 off regular price. Stock up now for your winter wardrobe.

"Cameo Rose" Blanket

A lovely printed cameo rose design on a 72" x 90" 100% acrylic blanket with a 5" nylon binding. In rose, plum, gold, brown and lilac.

Gov. Briscoe seeking expansion of rural development program, launches campaign

Gov. Dolph Briscoe asked for a vast expanded rural development program and launched a campaign to make Texas No. 1 in agricultural production during the Governor's Conference on Rural Development in Austin recently.

MORE THAN 2,000 community and organization leaders were on hand for the conference, first of its kind in the state.

Six major speakers discussed various aspects of the conference theme, "Planning Today for Tomorrow's Balanced Growth," and community leaders reviewed the state's rural resources and outlined ways to utilize these resources more fully for a better Texas.

"We will make every possible resource available to help people in rural areas achieve maximum support for a more abundant life," Briscoe said in his keynote address on "Planning for a Rural-Urban Balance."

Briscoe emphasized that loss of people from rural areas has created many dilemmas in the cities, and said that high priority must be given to rural development and job opportunities, orderly development of natural resources, improvement of services and facilities, better rural labor market service, more emphasis on vocational training, improved health service and adequate housing.

"**AGRICULTURE** alone cannot solve the problems of rural Texas, but can be a great factor in the solution," Briscoe declared. "You have done a magnificent job in the past in making agriculture great in Texas, so let's make it even better."

Dr. John E. Hutchison, director, Texas Agricultural Extension Service, said that Texas appears to have the necessary resources to achieve the goal of becoming No. 1 in agriculture.

"Among the state's advantages are available land resources plus the technological and knowledge reserve from agricul-

tural research for expanding production of all phases of the livestock industry; food and feed grains for domestic and export; cotton and other natural fibers; fresh and processed vegetables, fruits and nuts; soybeans and sunflowers; sugarcane, mariculture, and expanding processing industries near production areas.

"The increasing economic momentum of Texas agriculture is another favorable factor, with the percentage change for the state's agricultural income from 1968 through 1972 a whopping 48 percent, compared to an upward change for Iowa of 30 percent and for California of 28 percent during the same period.

"**BASED ON both gross and net income** projections through 1980 on trend and potential, our goal appears to be realistic. To become No. 1 will require total cooperation and mutual support of all agencies and groups and each segment of the agricultural industry," Hutchison said.

Texas Commissioner of Agriculture John C. White said, "Texas should become No. 1 in the quality of life, agricultural opportunity and profits, as well as agricultural production." He recommended a state program

similar to the Veteran's Land Board to assure funds for young people getting into full-time agriculture, improved water resources, a do-it-yourself rural development program and recreation development in rural areas.

Texas Cong. W. R. (Bob) Poage said there is "no effective way to deal with national urban concentration problems until we solve rural problems." He pointed out that locating industries in rural areas has paid for itself, and said he hopes for further implementation of the 1972 Rural Development Act soon.

Dallas County Judge W. L. Sterrett said rural development "is important to the city dweller in assuring adequate food and fiber and maintaining that delicate economic balance so essential to survival."

ROY B. DAVIS, chairman of the 25-member Texas Rural Development Commission, suggested policy directions, programs and additional research needed to reach the commission's objectives for building rural Texas. Workshops that followed focused on housing, transportation, economic development, health, education, human and natural resources and general government.

Fertilization program should be planned early to avoid shortage

County Agent Charles Hottel states that the application of fertilizer this fall, or as soon as possible after harvest, is a matter worthy of immediate consideration and decision.

ALL REPORTS clearly indicate shortages of nitrogen and phosphate will be with us throughout 1974 and for an undetermined period thereafter, according to Hottel. Contributing to shortages at the dealer level are insufficient supplies of natural gas, fertilizer exports, release of reserve acreage back into production, higher sale prices of crops and transportation difficulties.

The effectiveness of fall fertilizer application on the heavier soils of the High Plains is well established. On sandy soils, phosphate may be applied in the fall but nitrogen application should perhaps be delayed until spring to prevent possible leaching loss. Advantages of fall application include getting the fertilizer while it is available and incorporating it into the soil in the initial tillage op-

eration so as to avoid weather problems likely to occur in the early months of 1974. Hottel offers these suggestions on fertilizer use for the next crop.

Find out what your soil really needs by having a soil test made on each field. Information on sampling and mailing is available in his office.

Soil test data from the High Plains clearly show that less than half of the soils will respond profitably to applications of phosphate. Applying available material only to deficient areas will stretch the supply without reducing the yield potential.

AN APPRECIABLE nitrogen carryover may be detected. If this is the case, nitrogen rate can be reduced or in some instances omitted.

Consider using feedlot waste. There is much evidence to indicate that a 10 ton application of "average" manure is sufficient to produce near maximum grain sorghum yields without additional commercial fertilizer.

Plan your fertilizer needs as soon as possible and finalize an agreement with your supplier. Fertilizers have become a major contributor to profitable yields. By keeping the above facts in mind, maximum profits from limited supplies can be realized, Hottel concludes.

Petra attends WTSU seminar

Jim Petra of Dimmitt, respiratory therapist at Plains Memorial Hospital, attended an all-day student seminar on smoking and health Saturday at West Texas State University in Canyon, held in conjunction with an area meeting of the American Lung Association of Texas. Petra serves as Castro County director of the Association's Top of Texas area program board.

HE SAID the seminar is a pilot experiment co-sponsored by PTA District 8 and the Lung Association to test the feasibility of preparing teams of older students to teach younger students the dangers and social undesirability of smoking. An earlier pilot worked extremely well in Sunray schools, he said.

If this district approach to the student smoking problem proves equally successful, he said that Texas PTA and the Christmas Seal group will promote it throughout the entire Texas Panhandle.

WASHINGTON AND SMALL BUSINESS

AS HEARD BY HEARD

Blame for Inequities

There is a great clamor for tax reforms, especially by the independent business people who are discriminated against quite badly. Surveys, other studies conducted by the National Federation of Independent Business show this clearly.

In a recent newsletter to his constituents, Senator Vance Hartke of Indiana listed the income before taxes of 20 leading oil companies and the percentages of this income they paid out in income taxes.

The Hoosier solon points out that while of the total Federal revenue 42 percent came from the individual income tax in 1972 these 20 oil companies with combined net income before taxes only paid an average tax of 5.99 percent.

However, this analysis should not stop there, as the listing of these 20 company net incomes and their tax payments should illustrate to anyone that in the present tax code there is something rotten in Denmark. And this is in no way to be construed as taking up the cudgels in defense of the oil companies, or of condemning them.

The listing shows five of these combines enjoyed net income before taxes of a billion dollars or more. The leader, Exxon, according to the Senator's tabulation, had an income of almost 3 1/2 billion dollars yet only paid 6.5 percent of this out in Federal income tax. Both Texaco and Mobil had before tax income of slightly more than 1-1/3 billion dollars yet

they paid in Federal income taxes 1.7 and 1.3 percent respectively. Gulf, with slightly over a billion dollar income, paid 1.2 percent of that in taxes. Standard of California, with just under a billion dollar income, paid out 2.05 percent of that in taxes.

But the other side of the coin is perplexing. For example, Ashland oil, with slightly over 100 million dollars in income, paid out 32.4 percent of this in income taxes. Kerr-McGree with less than 70 million in income, paid out 23.3 percent. Getty, with slightly over 150 million dollar income, paid out 22.5 percent of this in Federal income tax. Shell with 342 million dollar income paid 21.6 percent of that out in Federal income tax, and Phillips with 216 million dollar income paid out 12.6 percent.

This inconsistency is puzzling. Whether or not any of these companies paid too much, or too little Federal tax, is not the germane question.

The big question is how come the tax laws are so erratically written there can exist these substantial inconsistencies?

It is perhaps one thing to stand on the floor of the Congress and castigate the billion dollar oil companies for almost tax free income.

But it must be assumed that they are complying with the law, as passed by the Congress. The proper question seems to be "how come Congress permits such a screwy law to exist?"

Gifford-Hill chalks up record sales and net income for '73

Gifford-Hill & Company, Inc., chalked up third quarter record-high sales and net income, despite adverse weather conditions which had an impact on deliveries of ready-mixed concrete and other products during the period. Sales and earnings for the first 9 months of the year were also at record-high levels.

FOR THE three-month period ending Sept. 30, 1973 sales totaled \$49,192,000, up 23 percent from \$40,108,000 during the same period last year. Net income

rose 24 percent totaling \$3,135,000 as compared to \$2,535,000 during the third quarter of 1972. Earnings per share jumped 29 percent to 75 cents, compared to 58 cents last year.

Sales for the first nine months of 1973 were \$136,087,000, a gain of 20 percent from \$113,688,000 during the first nine months of the previous year. Net income for the nine-month period rose to \$8,081,000, up 8 percent from \$7,471,000 during the same period in 1972. Earnings per

share for the period rose, to \$1.91, as compared to the 1972 nine-month total of \$1.85 per share. Based on a higher average number of outstanding shares in the current period. The average number of common shares outstanding rose to 4,195,000, compared to 3,966,000 during the first nine-months last year.

While products for the construction and agricultural industries account for the major portion of Gifford-Hill's sales and earnings, Gifford-Hill President John R. Hill Jr. said increasing contributions are being made by Wales Transportation, Inc., a subsidiary engaged in specialized heavy hauling; and Gifco Properties, Inc., a real-estate development company with holdings of approximately 11,000 acres. Gifford-Hill & Company, Inc., also owns an additional 32,000 acres—some of which is strategically located for development after aggregate operations have been concluded.

A drench-feeding system that really works!

Younger calves . . . longer shipping distances . . . more stress and sickness . . . bigger death losses . . . and every feeder animal costing more. How can you provide the nutrients and fluids needed to help reduce these problems? Now, there's a fast, safe, effective, economical way to combat dehydration and nutritional stress.

Use the **B-E-F Bovine Esophageal Feeder** and **RUMEN BOOSTER Drench Feed**. You can help save more stressed cattle and help get off-feed cattle back at the feed bunk and water trough, fast.

EXAMPLE: A 300-lb. calf at 65c per pound is worth \$195.00. If you save just one of those calves, you've paid for the complete B-E-F unit — and you have enough money left over to buy **RUMEN BOOSTER** or another dozen or more calves.

RUMEN BOOSTER was developed by Arizona Feeds for the specific needs of scouring, dehydrated and off-feed cattle. This non-medicated feed supplies supportive nutrition in a form readily utilized by the animal. Easily mixed with water and drench-fed, it helps rehydrate cattle, stimulate appetite and restore normal rumen activity and electrolyte balance. That's why more feeders are using the convenient Rumen Booster and B-E-F system.

Ask these local stockmen who are using the B-E-F Bovine Esophageal Feeder and **RUMEN BOOSTER Drench Feed**: D. H. Shottenkirk at the Diamond-A Feed Yards, A. J. Kemp, Bill Summers, the Summers Brothers, Donnie Nelson, Fuller Brothers, Dale Winders, Dub Winders.

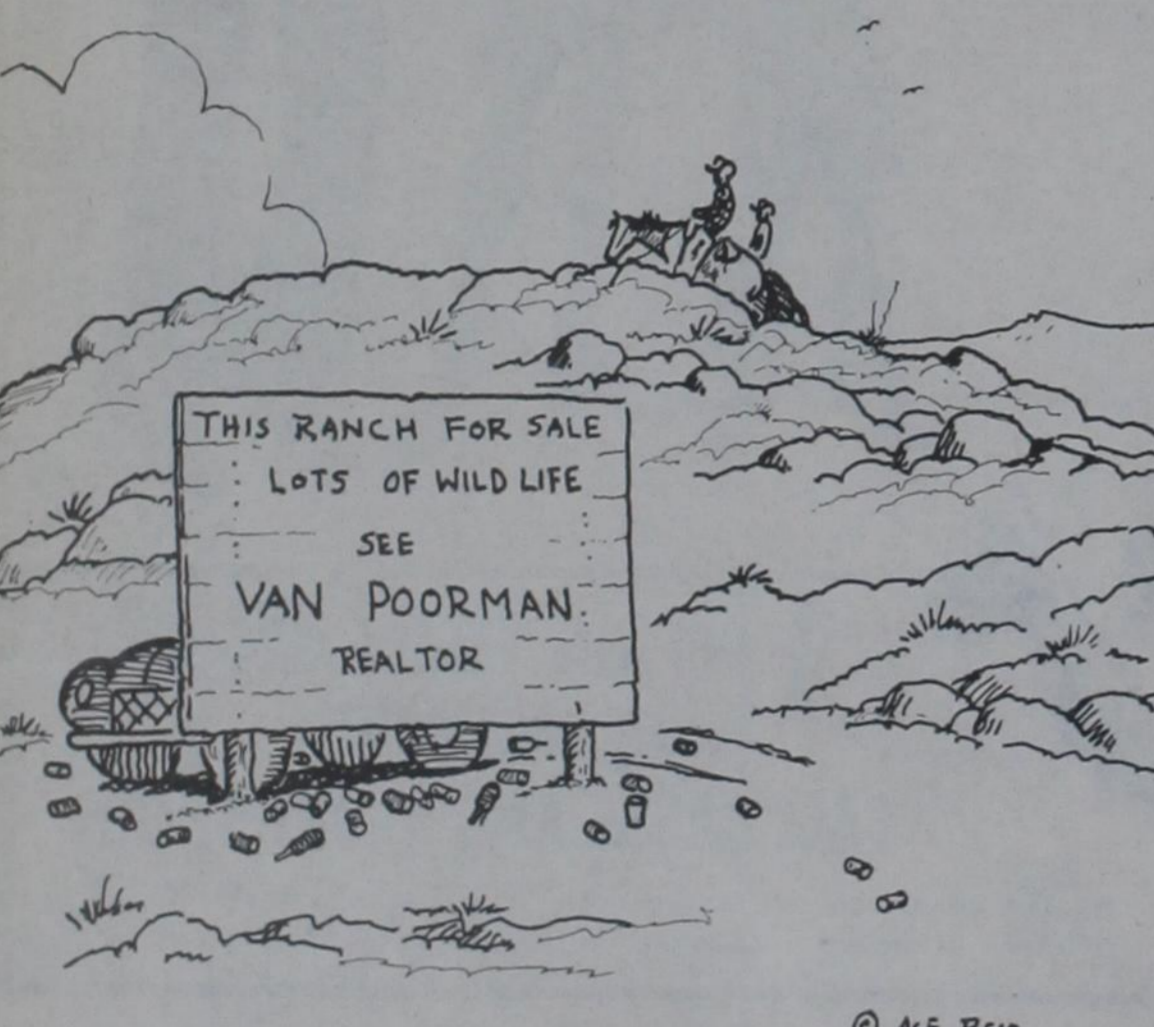

The **B-E-F Bovine Esophageal Feeder**, with its hand held valve and stainless steel probe, is used to administer the Rumen Booster and water mixture at a rate of 1 gal. every 20 seconds. The submersible pumping unit quickly pumps the drench feed into the calf and also serves as a jet agitator. The Magrath Co's B-E-F requires only a 110-volt power source. Use your own container of any size. (Also available: a simple, gravity-flow **BABY B-E-F** system for baby calves, \$19.00.)

The B-E-F does the same job as a \$3,000 pump, but costs only \$167.50 at **Professional Livestock Supply, Inc.** and can be carried in a gallon bucket.

For both Rumen Booster and B-E-F Systems. see:

MRS. ETTA LYNCH of Lubbock will speak at a meeting of the Dimmitt Book Club Wednesday at the Rhoads Memorial Library. Mrs. Lynch has sold fiction and articles to many periodicals in addition to authoring "Help Is Only a Prayer Away", a book she will review at the Wednesday meeting.

Lubbock author to speak at Book Club Tea Wednesday

The Dimmitt Book Club will host a Silver Tea and book review Wednesday, Nov. 14 at the Rhoads Memorial Library.

A BUSINESS meeting will be held at 3:30 p.m. and at 4 p.m. Etta Lynch, Lubbock author and editor will speak on her newest book, "Help Is Only a Prayer Away."

In addition to being fiction editor of Teenage Christian and Christian Woman magazines for a time, Mrs. Lynch has sold

fiction and articles to Guideposts, Teenage Christian, Christian Woman, Home Life and other periodicals.

A graduate of Famous Writers School of Westport, Conn., Mrs. Lynch also attended the University of Oklahoma School of Professional Writing. She is past president of South Plains Writers and a member of the National League of Pen Women.

She was the winner of the 1966 Shamrock Fiction Award and at the 1967 University of Oklahoma Professional Writers Short Course, her story placed second in a field of 200 entries.

THE OLDEST child in her family, Mrs. Lynch spent much of her life helping to put her six brothers and sisters through school and educating her own two children. She worked 21 years as a beautician before getting the opportunity to begin work on the many stories that buzzed through her mind.

She credits much of her inspiration to two of her teachers

Home and hobby

Holiday baking time is here

By IRENE KEATING

Time sure flies. All of us must get ready for the holidays so we can enjoy them to the fullest. It is a good time to begin baking and then freezing items. Fruit cakes should be made now so the flavors can blend. Also if you haven't already started to do your shopping, this is a good time before merchandise gets picked over. We still have the Christmas decoration and gift idea packets available in our office.

Here is a good idea for Christmas flowers. Fall is the ideal time for home gardeners to begin preparing Christmas cactus and poinsettia plants for holiday blooming. Extra care is required each day or the poinsettia and Christmas cactus may fail to bloom in time for the holiday season.

Both plants should get as much sunlight as possible during the day, but they also need long cool nights. At night, the plants should be exposed to no artificial lighting as this upsets their delicate flowering-control mechanisms. At least 12 hours of continuous darkness each night for about 4 to 6 weeks are required to start the flowering process.

Night temperatures of at least 60 degrees F. are needed for best results with the poinsettia. The Christmas cactus prefers night temperatures as low as 55 degrees. During the day, ordinary household temperatures are satisfactory for both plants.

Avoid placing the poinsettia in drafty areas as sudden excessive changes in temperature can cause the leaves to drop. Supply sufficient water so that the soil is always moist. During active growth, fertilize poinsettias regularly. Follow the instructions given on the soluble fertilizer container. The Christmas cactus can also use regular applications of soluble fertilizer. Make sure they have plenty of moisture but don't waterlog the soil.

HERE IS the garden check list for November:

1. You can plant any of the woody trees, shrubs, and ground

covers now available in the nursery as container grown plants, or as balled and burlapped plants. Delay any attempts to move bare rooted plants until next month.

2. If planted soon, using started plants, annuals like calendulas, pansies and violas will bloom in midwinter if weather doesn't get too severe. They will most certainly put on a great show by early spring.

3. Finish planting all spring flowering bulbs except tulips and hyacinths.

4. Still time to plant sweet peas.

5. Be prepared to bring in all tender container plants or be ready to provide temporary cover if weatherman predicts a cold snap.

6. COVER NEWLY prepared planting beds with polyethylene film weighted down so the wind won't blow it off. This will keep the bed from getting too wet to plant if additional rains happen to fall.

7. Clean up lawn and garden areas:

a. Rake leaves and place in compost.

b. Pull out old annual plants, cut back faded perennials, and clean up the area in general.

8. Be sure to thoroughly moisten leaves as you add them to the compost pile. Dry vegetation will decompose very slowly.

9. Select rose varieties needed, then prepare the beds so they will be ready to plant in December and January.

10. Don't forget to clean, oil and sharpen garden tools before storing. Note any needed repairs and arrange to have it done as soon as possible.

11. Don't store the garden hose where it can't be reached readily. Those broad leaved evergreens frequently require extra moisture during the winter months, especially if a dry norther is predicted.

12. Force some spring flowering bulbs for indoor color. Call me for information.

13. DAHLIA ROOTS should be dug and stored as soon as frost kills the foliage.

14. It is still not too late for that fall application of complete fertilizer for the lawn.

15. Last chance to set out started plants of cabbage, brussels sprouts, and cauliflower. It will provide color in those empty flower beds.

16. Count your blessings and give thanks for the bountiful gifts received.

MISS GAMBLIN, WILLIAMSON

Couple planning Jan. 12 wedding

Mr. and Mrs. D. N. Gamblin of Sunray, former Dimmitt residents, announce the engagement and approaching marriage of their daughter, Karen Sue, to LeRoy Kiri Williamson, son of Mr. and Mrs. LeRoy K. Williamson of Hereford.

BOTH THE bride-elect and

her fiancé are December candidates for graduation at West Texas State University. Miss Gamblin will receive a bachelor of arts in speech and drama and Williamson will receive a BA in political science.

The couple will exchange vows Jan. 12 in Sunray Baptist Church

Socially Yours

DHS girls host Halloween party

Six Dimmitt High School girls gave Halloween parties Tuesday night for Satellite School students and members of Grace Dunavays' Good News Club.

EACH CHILD WAS taken through a "Spook House" complete with moaning ghosts and shrieking goblins.

Debbie Dannevik read each

child's fortune, then the children bobbed for apples.

The children enjoyed cupcakes and "witches' brew" served up from a cauldron by "head witch" Ann Welch.

Other girls who helped put on the party included Jo Ann Smith as Charlie Brown, Delese Kay as the Great Pumpkin, Beth Welch as a ghost and Cindie Sides as Raggedy Ann.

THE GIRLS decorated, provided refreshments and entertained and cleaned up after the party entirely on their own.

Tops Club members discuss party plans

Members of the SOS Tops Club discussed plans for a Christmas party and also set Nov. 19 as the date for an auction to collect funds to send a member to the state convention.

Agnes Brockman was named queen with a weight loss of 3 1/2 pounds.

BEST MILO CROP EVER IN EASTER!

In the Easter community, this year's milo crop is the earliest, the biggest, the best quality and the best-priced in history.

That would sound like bragging, except that it's Gene King, manager of Community Grain, Inc., saying it. And everyone in Easter knows that Gene doesn't brag, he just tells the facts. For instance:

"This is my 11th harvest here, and there's only been one other year in that time that we've ever been through with the milo harvest by Thanksgiving.

"Our average yields are running better than 7,000 pounds, with a few yields over 8,000. This year's milo crop has the best yields, the best quality of grain and the best prices that there's ever been here. All the grain is dry, and has a good test weight.

"The milo harvest here is virtually complete, depending on what the weather does this week. We reached the 90 percent completion mark Friday, and the previous Friday we were 30 percent complete.

"We always know we can close the door when Melvin Barton brings his last load in."

You can see that Easter's grainmen (Barton included) know how to get the milo out fast. And they know where to take it for fast, efficient service—to Community Grain, Inc.

With the slogan, "Serving the Finest People on the Golden Spread," Community Grain, Inc., has been the gathering place for Easter residents for 15 years. In addition to being the place where you can find a cup of coffee, a soft drink, candy bar or friendly word, it's also the official Easter Post Office.

With two million bushels of warehouse storage space, Community Grain, Inc., can hold all the milo grown in the Easter area—even in a year like this one. "I don't think we'll have to put any on the ground," King said.

Blli Waldrep and aPlmer Norton are the co-owners of Community Grain, Inc. The staff, in addition to King, includes Kenneth Justice in the office; Calvin Riley, driver; Pedro Aranda, elevator superintendent; Manuel Hernandez, elevator operator; and Joe Flores, Juan Garcia, Carlos Guerrero and Felix Mendez, part-time helpers.

Community Grain, Inc., is a big booster of the Easter community and its organizations, Waldrep, King, Justice and Riley are all members of the Easter Lions Club, which built the community center across the intersection from the grain company. The club hopes to finish paying off the community center this year with grain contributions by farmers in the area.

It's easy to see why "Community" is an everyday word at Easter.

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. The contestant with the prediction closest to the actual score of the tie-breaker game will then be the winner.
6. Contest winners will be announced at the next meeting of the Booster Club at 7 p.m. Monday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. In case of a second-place tie, prize money will be divided equally.

SEASON prizes will be awarded as follows: Two tickets to the Dallas Cowboys vs. Washington Redskins game Dec. 9 and \$50 expense money for First Grand Prize; two tickets to the 1974 Sun Bowl Game and \$25 expense money for Second Grand Prize.

The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

Chiefs rally, come from behind to down Bobcats 18-13

By JIMMIE CHAPMAN
The Friona Chieftains came to Dimmitt Friday night to win, and win they did, as the Bobcats suffered their second loss in a row, falling to the visitors 18-13.

ALTHOUGH THIS was the Bobcats' third loss against five victories, it was the first time they had been dominated in the statistics department. The Chieftains outplayed the Cats in the third and fourth periods and made crucial first downs twice in the last two minutes deep in their own territory to keep the ball away from the Bobcats.

Teddy King, Clay Bandy and Dale Parsons proved to be the best backfield combo at passing and running that the Cats have

faced this year. After giving Littlefield three touchdowns via fumbles a week earlier, the trio made up their minds that they were not going to lose their second conference game that way, and they didn't fumble all night.

Dimmitt got the first opportunity to score in the contest early in the first period when Florence Acevedo smashed through and blocked Bandy's punt and Dimmitt recovered on the Friona 29. But Bandy made up for the blocked punt on the first play as he knocked the ball away from Gene Veals and recovered on the Chiefs' 34.

THE BOBCATS held and forced the Chiefs to punt, but Robert Mayberry lost the handle, and Terry Thompson recovered the ball after it had rolled to the Bobcat 11.

Hard-running Terry King punched it to the 5-yard line. King bobbled the pitchout from Bandy on the next play, but the alert quarterback scooped up the ball and ran it in from the 10-yard line for the first score of the game. Davy Cartmel tried to kick the extra point but the attempt was no good and Friona led 6-0, with 1:53 left in the first period.

Veals, Mayberry, Acevedo and Gary Wise moved the ball

CRUNCH! — It was double-tough in the middle of the line Friday night as Dimmitt's Bobcats and Friona's Chieftains fought it out. Here, Bobcat fullback Gary Wise punches through the goal-line pile-up and into the end zone from one yard out in the third quarter—only to learn seconds later that his scoring play was nullified by an offsides

penalty. On the next play halfback Robert Mayberry scored on a right-end sweep to put the Bobcats ahead for the first time, 13-12. The Chieftains came back with a successful passing attack in the fourth quarter, though, to score the game-winning touchdown and take an 18-13 victory.

Friona got good field position late in the third period when Jimmy Furr's punt went only 70 yards and the Chiefs set up on the Bobcat 39-yard line. This was Dimmitt's first punt of the night — all other drives had been halted by fumbles or lack of yardage.

Friona moved the ball on the ground to the Dimmitt 19 early in the fourth quarter, and the Chiefs faced fourth down needing two. Acevedo, who who stood out on defense all night, blasted into the backfield and threw Bandy for a two-yard loss to stop the threat and give Dimmitt the ball at the Dimmitt 21.

THE CHIEFS held the Cats and this time Furr got off a beautiful 45-yard punt that pushed the Chiefs back to their own 11-yard line. With King doing most of the running, the Chiefs moved out to the 24-yard line, then Bandy shot a pass to Dale Cleveland that moved the ball 36 yards to the Dimmitt 48. It was the start of a devastating, game-turning aerial attack.

Bandy again hit Cleveland with a pass that moved the ball to the Dimmitt 19. Then, with Cleveland serving as the decoy, Bandy hit Dale Parsons with a 19-yard pass in the end zone for the game-winning touchdown. Shannon Truelock blocked Bandy's pass attempt for two extra points leaving Friona with an 18-13 lead with 4:18 remaining.

(Only one extra point has been made on the Bobcats this year, that one coming in the Lockney game after the first touchdown of the year had been scored against the Bobcats.)

DIMMITT started from its own 31-yard line after the kickoff. Mayberry gained seven, Acevedo was thrown for a one-yard loss, then on third down Brad Sanders was thrown for a 13-yard loss and the Bobcats were forced to give up the ball with only 2:10 left in the game.

serve the hard-earned 18-13 victory for the Chiefs.

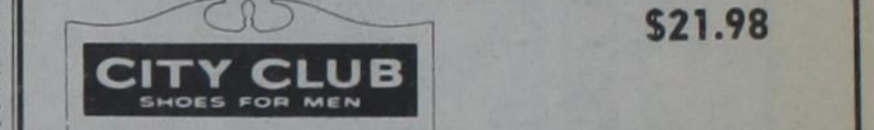

Rumors swirled around the Friona bench that Morton was leading Littlefield, and the Chiefs left the field hoping that they would be back in the District 3-AA race, but the energy-started rumor proved false and the Chiefs later learned that the Littlefield Wildcats had defeated the Morton Indians 41-0, earning the playoff berth with two weeks still to go in district play.

Friona got off a beautiful 55-yard punt that put the ball on the Friona 35-yard line, and Dimmitt still had all its timeouts left. The plan was to hold the Chiefs, call time outs and get the ball back.

Bandy twice ran for no gain, but on third down, Parsons got through for 13 big yards and a first down that shattered the hopes of the Bobcats. King then gained eight yards and Bandy simply fell on the ball twice to kill the clock and pre-

well in the next series of downs, and when the first quarter ended, Dimmitt had the ball at the Friona 41-yard line with a first down — despite a 15-yard clipping penalty that had wiped out a 10-yard gain by Veals.

STEVE NUTT, who made all four of Dimmitt's receptions of the night in heavy traffic, got a pass from Sanders that moved the ball to the 30-yard line. But two plays later, Dale Cleveland, Friona's top receiver, broke through and took a pitch-out that was intended for Mayberry, and Friona had the ball on its own 42.

missed the extra-point attempt. The Bobcats got good field position on the ensuing kickoff when Mayberry fielded the ball on the 10-yard line and raced it out to the 40. The Cats moved the ball to the Friona 32.

ON FOURTH down and needing two, Wise smashed to the 29-yard line for the first down. Mayberry, who had been contained on wide runs up to that point, blasted over right guard, shook off three good hits and raced 29 yards for Dimmitt's first score with 2:27 left in the first half. Ricky Wright kicked the extra point and Friona's lead was cut to 12-7.

clear sailing in front of him if he could have held on. The half ended with Friona still holding a 12-7 lead.

WITH MAYBERRY and the hard-hitting Wise plunging into the line, the determined Bobcats moved to the 12-yard line in four plays. Veals gained six yards, Mayberry one and Wise plowed four yards to the 1-yard line. Wise rammed over the goal line, but the TD was penalized back to the 6 for offsides. Mayberry then made up the difference by racing around the right side for his second score of the night.

Late Swift rally fails; Roughnecks win 30-24

By MARTHA CATOE
The Nazareth Swifts fought gamely but suffered a heart-breaking defeat when a come-from-behind effort failed with only seconds remaining in the game and gave Sundown a 30-24 win Friday night at Nazareth.

THE DEFENSIVE units controlled the first period as it developed into a scoreless deadlock. Sundown scored an apparent 40 yard touchdown but the Roughnecks were guilty of clipping and the score was called back.

Early in the second quarter Roughneck Mike Waygood returned a Nazareth punt to the Swift 46 yard line. The Roughnecks scored on a 30 yard pass play from Phillip Smith to Mike Menges to take advantage of the long punt return. Randy Wood ran for the two point conversion.

The Swifts came back later in the second period to score on a 58 yard drive. Junior Joiner capped off the drive when he literally leaped over the Roughneck line from the one to score. Pete Gonzales punched across the two point conversion to tie up the score at 8-8, and the teams retired at the half still deadlocked.

Sundown's Buster Day took the opening kickoff of the second half at his own 8 and returned it to the 50. A 15 yard penalty against the Swifts moved the ball to the 35. Randy Wood then scored on the first play from scrimmage in the second half. Wood also carried on a two point conversion to up the score to 16-8.

THE SWIFTS quickly ground out a 65 yard drive which was climaxed by a 4 yard scoring run by halfback Junior Joiner. Swift fullback Glen Kleman bordered in for the two point conversion and once again the score was deadlocked at 16-16.

The Roughnecks scored again on a ten yard pass play, only to have it nullified by an illegal procedure penalty. The penal-

ty didn't phase the Roughnecks as they scored on the next play on a sweep with Menges carrying the ball.

A two point conversion attempt failed and the third period ended with the Roughnecks leading 22-16.

Midway in the fourth period Swift fullback Charles Heck scored on a ten yard run to tie the score once more at 22-22. Pete Gonzales put the Swifts on front with a successful two point conversion and the Swifts led 24-22.

THE ROUGHNECKS quickly scored again as Mike Waygood went in from eight yards out following a 44 yard drive. Randy Wood went over for the two point conversion and the Roughnecks recaptured the lead 30-24.

The Swifts threatened during the final 30 seconds of the game but the clock was against them. Junior Joiner completed a 35 yard pass to Darrell Huseman at the Roughneck 45, but time ran out before the Swifts could score and the game ended with the score 30-24 in favor of the Roughnecks.

Junior Joiner was Nazareth's offensive standout and Joel Gerber and Glenn Dobmeier paced

the defensive unit. Tomorrow (Friday) night the Swifts take on the Meadow Bronchos at Meadow.

The Bronchos sport a 7-1 season record and they have four All-State caliber players including quarterback Larry Mason, halfbacks Ricky Wright and Mitchell McElroy and tackle Jeff Bayer.

THE SWIFTS go into the contest after falling to a 1-7 season record.

Swift grid schedule set for '74 season

Nazareth will open its 1974 football season with three home games, and will play a total of six games at home and four games on the road.

HOME GAMES will include Texline, Sept. 6; Whiteface, Sept. 13; Ropesville, Sept. 20; Amherst, Oct. 11; Sudan, Oct. 25 and Happy, Nov. 8.

Road games will include Lazbuddie, Sept. 27; Meadow, Oct. 4; Matador, Oct. 18, and Valley High, Nov. 1.

LITTLEFIELD SEED & DELINTING

BILLY GRAHAM says, about the new motion picture

time to run

There is no doubt that today we see the family unit being attacked from every side, torn apart and fragmented. TIME TO RUN is a motion picture about a family, about listening, about the silences between people, the unspoken moments, and the moments of anger that don't really accomplish anything. TIME TO RUN openly offers the reality of Jesus Christ as an answer to the human dilemma.

I feel that thousands of people will see a part of themselves in the film. Hopefully, families seeing it will be brought closer together in real understanding and communication.

I urge you to take your children . . . or your parents . . . to see TIME TO RUN when it comes to your community. You may find it more of a mirror than a motion picture!

Reader questions new bond issue

Dear Sir: This is in response to your news item of Nov. 1, 1973 concerning the proposed school bond election of \$1,650,000 scheduled for sometime in December 1973.

Boy, oh boy... that is a whopper of a bond issue to seek from the local citizen taxpayers considering some of the non-essential items that are considered and requested.

Why a school bond election now? It is very simple to answer. Right at the present there are very few school dis-

tricts in the State of Texas that are operating in the black. It is common knowledge among administrators and teachers of school districts with finance and audit data supplied by the state that most school districts are operating in the RED. If an election were successful, the bond issue would be in effect before the next property evaluation. Then "We" (the taxpayer) would receive a substantial tax increase on our existing property. I will tell citizens of Castro County and the Dimmitt School Board that I will not vote for a school bond election as it was presented in the news item.

However, I would vote for a school bond issue under the following conditions where the tax dollar and the school would be a real valuable tool in our community. If the school bond issue proposal included a vocational training building expansion program, mechanically equipped with sufficient qualified instructors to teach our youth "blue collar" skills and crafts. This is what is needed in our community, state and nation. There is a constant demand for construction and finish carpenters, bricklayers, plumbers, diesel mechanics, gas engine mechanics, small engine mechanics, electricians, cement workers, roofers, sheetrock workers, painters, steel workers, heating and air conditioning mechanics, refrigeration mechanics, welders, water well drillers, small and large appliance repairmen just to name a few of the trades. Since our area is an agricultural and livestock area every trade I mentioned is essential to keep the agriculture and livestock industry producing the products that keep our nation going.

THE SCHOOL Board should be thinking of a Vocational Training Center for 3,500 students instead of 3,500 seat ca-

capacity stadium or 1,500 student gymnasium. Sure, it is good prestige for a school to boast of a good stadium, gym and band. However they are not essential. A good physical education program can be pretty well taken care of with a simply constructed obstacle course, which builds both strong bodies and individual confidence. Also obstacle courses do not produce the volume of permanent personal injuries that contact and collision sports produce.

In our small county community, state and nation, the working man, along with the financially secure, are burdened with taxes to support a great number of "non-producing" citizens who subsist daily from the welfare rolls free lunch programs and food stamps and other give aways. It has gotten to the point where "We" must bring this free-ride routine to a screeching halt, immediately. It can be done successfully and with honor. It can be started right in our school districts, locally, state and nationally, by placing more emphasis on vocational training, with bilingual instructors to teach the many "blue collar" skills, supported with the essential training aids, tools and material for student use. This would be expensive.

You bet it would... However the investment would have many, many returns to the taxpayer. Think of starting a first year junior high school student in an apprenticeship toward some useful skill and continuing the apprenticeship through high school until graduation. This would pretty well prepare the youth to meet the adult world of work when graduated. This early start would become a part of the individual's permanent training record. Then, if the individual decides he is going to be a "non-producing" citizen and makes application for welfare assistance he would be denied. His school record would reflect that he was given school apprenticeship in a working trade. Then his failure would be his and his alone. He could not say the school did not teach him anything.

In closing I will relate to the School Board, the proposed school bond issue, in whole is not a good issue. They should withdraw the issue, re-evaluate it. Then at a later date re-submit it for vote. I would vote to accept an issue that would really help our school and community to produce productive citizens. Thank you.

Respectfully,
HAROLD E. BROADSTREET

'WHO'LL BID?' asks Col. Jack Howell as Mrs. Truman Touchstone holds up the "Halloween auction cake" created by Mrs. Donald Wright for the eighth grade cake walk at last week's Halloween Carnival. Howell inspired some spirited bidding among the eighth graders' fathers and grandfathers, and Stanley Schaeffer ended up buying the special cake for \$70.

our Game Night Activities at the post home every Wednesday night starting at 8:00. If you haven't been attending you are missing out on some good fun. This is fun for everyone so gather up the family and come on out. You'll be glad you did.

Local man has starring role in film slated to show in Dimmitt

A telephone call from an old girlfriend landed Randall Carver his first starring role in a feature-length film. The former girlfriend, Barbara Sigel, had just been chosen for the female lead in "Time to Run", the latest release from World Wide Pictures. The director, Jim Collier, had auditioned dozens of young actors for the male lead, but none of them had seemed right for the part. Barbara thought immediately of Randall Carver and called to encourage him to try out for the role. After meeting Carver, Director Collier decided quickly that Randall was the man for the part.

RANDALL CARVER

IN THE FILM, Carver plays Jeff Cole, a rebellious young man at odds with his aggressive success-oriented father, a scientist at a nuclear generating plant. Jeff rejects the role his father has determined for him, and struggles to achieve his own identity. His girlfriend, Michelle, played by Barbara Sigel, tries to help him by bringing him into contact with her Jesus People friends. Randall Carver's own family background was a pleasant contrast to the struggle portrayed in "Time to Run". A native of Hereford, Texas, Carver is the only child of a prominent banker. "We had no generation gap in my family," Carver remembers. "There was always a lot of communication between my parents and me. In this respect, I'm in a different situation than the character Jeff in "Time to Run". My father always had time for me; Jeff's father is so wrapped up in his work he doesn't even see how his family is disintegrating before his eyes."

Carver was educated at Missouri Military Prep School in Mexico, Mo. and at West Texas State University in Canyon. His interests in school centered around politics, drama and the-

atre, and it was in student directing experience.

Carver's next experience was with the US Army, and included a year in Korea as tank platoon leader. He was discharged in November, 1970, and came to Hollywood to pursue a career in acting.

He enrolled in the graduate program at UCLA's school of Fine Arts, and landed several minor roles, including a bit part in "Midnight Cowboy". The chance call from Barbara Sigel gave him his first real break in films.

WHAT would he like to do next as an actor? "I enjoy working in films; to me it's a more precise medium than stage. I've got a lot of background in stage, but I can see myself more as a film actor than a stage actor."

"Time to Run" will be shown Tuesday and Wednesday at the Carlisle Theater in Dimmitt. The full-length feature will be shown twice each evening.

VFW NEWS

By GERALD BROADSTREET

Greetings Comrades,

I'm sorry I can't give you a report on our meeting until next week because of publication deadlines. However if you'll tune in KDHN, 1470, on your radio dial you'll hear about the important times and dates for our Veterans Day Plans Nov. 11.

COMRADES I would like to tell you what happened the night of Oct. 30 at Paducah Post 7528. They had a special called meeting as Dept. Sr. Vice Commander, Clyde Hall, was going to visit them. Purpose of this visit was to praise the members of Paducah Post for the work they have accomplished this year.

Prior to the meeting Dept. Commander W. K. Huber sent me three certificates of Commendation to present to Commander Calvin Liedtke, Sr. Vice Comm, Kelly Bailey and Quartermaster Clifford Hutchison. These three people were the main workers and as a result of their efforts their post has exceeded its quota by 110 members and this is 1100 percent over quota!

District 13 Auxiliary President, Florene Leinen, was on hand to address the ladies present for the meeting and to

attempt to organize a Ladies Auxiliary unit there. Florene reports that everything was most favorable and they should be organized in the near future.

Those attending the Paducah meeting from Dimmitt were Florene Leinen, Harold and Laura Broadstreet, my wife Linda and myself. Other out of town guests included Elvin Shugart, Commander at Plainview, Paul Guerra, Dist. 13 Junior Vice Comm. also of Plainview.

KEEP IN mind Comrades that the District Convention is just around the corner, Nov. 24-25 to be exact. It will be at Post 5399 in Plainview. Our Department Representative will be Fast Dept. Commander Mel Stauley of San Angelo. I had told you last week that Clifford Teer would be our representative. What happened is that Cliff's wife, Eva is the State Auxiliary President and she will represent the ladies and he will

WHETHER YOUR CROP IS STANDING or DOWN HESSTON ROW HARVESTERS are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions

Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.

Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

Working Girls make key chains in program Tuesday

By MYRT LOMAN

The art of making key chains was the program at the Tuesday meeting of the Hart 4-H Working Girls...

B. B. HARDING is the new minister of the Hart Church of Christ. Harding, a native of Tennessee, has preached in Lubbock, Roby, Abilene, Weir, Sundown, Big Spring, Fluvana and Newark...

MR. AND MRS. Duane Davis of Tulia are the parents of a son, Tracy Arnold, born Tuesday, Oct. 30 at 10:45 in the Central Plains General Hospital in Plainview...

NO SCHOOL

Friday night, Nov. 16, the Hart Longhorn football team will travel to Bovina for the last game of the season...

HART SCHOOL teachers will be attending the Texas State Teachers Association meeting in Amarillo on Friday, Nov. 17.

DIANE DAVIS gave the opening prayer at the meeting on Wednesday afternoon of Girls in Action.

Mrs. Mac Davis met with the 12 girls in fellowship hall of the church. Girls enjoyed singing some of their favorite songs before working on their Mission Adventure books...

Melissa Snitker had earned her certificate award. A get well card was signed by Mrs. Davis and girls and a bouquet of fresh flowers was taken to Mrs. Curtis Snitker, leader, who is ill.

Mrs. Davis served punch and a cake decorated in the Halloween motif to members and took cake and punch to Laurie Miller, who also has been ill.

GARLAND WARE Brown, son of Mr. and Mrs. DeWayne Brown, spent a few days last week in the Central Plains General Hospital in Plainview.

Mrs. Robert "Bea" Gonzales had emergency surgery last week in the Central Plains General Hospital, Plainview. Mrs. Howard Sharp is up and about on crutches, since having foot surgery some time ago.

SGT. RONALD L. KEY is home on leave from nine months of duty at V. Tapoa, Thailand. He is the son of Mr. and Mrs. J. M. Key of Olton and husband of the former Sharon Rogers, daughter of Mr. and Mrs. J. D. Rogers of Hart.

Key became a member of the US Air Force Aug. 10, 1971 and received his basic training at Lackland Air Force Base San Antonio and attended technical schools at Lowry Field Denver, Colo., and at Westover, Mass. Key was stationed at Guam for six months.

J. D. ROGERS will be in charge of a religious program to residents of the Golden Spread Convalescent Home on Sunday, Nov. 11. The public is invited to attend the service.

THE CASTRO County 4-H awards program was held Saturday night in the South Grade School in Dimmitt.

Agnes Acker was the master of ceremonies with Ramonda Young giving the invocation. A salad supper was enjoyed.

Marion Hart gave the welcome and the 4-H motto and pledge was given by Jim Feldman. Introduction of guests was by Pam Oldham, Earl Behrens told of his trip to the 1973 State 4-H Congress at Houston, Sue Smith gave the appreciation speech to parents and LaDonna Hart the appreciation to leaders with Gregg Sides and Gaines Howell recognition of adult leaders.

Norman Acker and Stephen Anthony gave the 4-H pins and certificates. The 4-H awards and medal were given by Al Maurer and Jimmie Howell. The Gold Star boy and Gold Star girl were recognized by Judge Raymond Wilson. Special awards were given by Mrs. Irene Keating. The 4-H prayer was said by Cuca Ortega.

From Hart the first year leaders were Mrs. Max Marble, Mrs. Jerry Kittrell, Mrs. Lanny Tucker and Mrs. J. V. Westcott, the third year Mrs. Bill Hill, sixth year Mrs. Joe Hart, and fourth year Joe Hart. From Hart receiving first year pins were Stacey Averitt, Tonda Billingsley, Tamera Brien, Teresa Kittrell, Patricia Martinez, Lana Tucker and Marci Westcott. Receiving second year pins were Lori Barnes, Marlene Marie, Leoria Welty and fourth year pins were presented to Vic Hart, Tammye Hill, Larry Marble. A sixth year pin was given to Ladonna Hart and eighth year pin to included Tammye Hill, dress weavers: Lori Barnes and Patricia Martinez, home management: Tonda Billingsley, Teresa Kittrell and Lana Tucker, home environment award, LaDonna Hart, Tamera Bowden, dairy food; Marci Westcott, consumer education; Stacey Aver-

itt, Leoria Welty, clothing; Marlin Marble, dog care; Larry Marble, horse award; Vic Hart, citizenship; Marlan Hart, achievement.

Attending from Hart were Mrs. Lanny Tucker and Lana, Mrs. Clinton Billingsley and Tonda, Mr. and Mrs. Max Marble, Marlin, Mr. and Mrs. Joe Hart, Gary, Marlan, Vic and LaDonna.

HERE ARE the Hart School lunch menus for Nov. 12-16. Monday — Burritos, French fries, catsup, tossed salad, spiced apples, hot rolls, milk and butter.

Tuesday — Spanish macaroni with beef, cole slaw, blackeyed peas, peach cobbler, cornbread, milk and butter.

Wednesday — Pinto beans, mixed greens, buttered corn, onions, cake, cornbread, milk and butter.

Thursday — Hamburgers on

homemade bun, mustard, potato chips, tossed salad, pickles, onions, cookies and milk.

Friday — Braised beef tips, yeast rolls, whipped potatoes, green beans, gelatin, milk and butter.

DON'T rely on dressing-table straps to hold a baby in place when you're changing him. Always keep a hand on eye on an infant when he's out of his crib, advises Jane Fleischer, family life education specialist, Texas Agricultural Extension Service.

CASTRO COUNTY NEWS

Small talk from south hills manor

By CATHERINE EASTER

"Backward, turn backward O, time in your flight, make me a child again just for tonight." Yes, it was Halloween. Our dining hall was decorated for the occasion -- even to a great black spider in the exact spot. Word went around that it was a six o'clock dinner and a great occasion. We were to put on our best bib and tucker.

The dessert finished -- enter "trick or treaters, ghosts, goblins, clowns." We had fun. Then came our Hereford musicians. "Some of the sweetest music this side of heaven."

MMES. W. T. Perry, Johnnie McDonald, Alvina Cox, Carrie Christian, E. G. Blair and Mon Spurlin of Farwell have been to visit Mmes. Ruby Dixon and Irene Graham here. Jim C. Dixon and family were here on Friday to visit his mother Mrs. Ruby Dixon. They are from Santa Fe.

Sunnyside news

Lilley gets first cotton

By TEENY BOWDEN

Morrison Gin Company here received the first bale of cotton Wednesday. Roy Lilley brought in the first bale. It was very good quality and yield was good.

MRS. GORDON Nash made some progress this week in her recovery from a recent stroke, but still has some paralysis and difficulty with speech. Mrs. Bill Morgan has remained with her mother in the Littlefield hospital all week. Her father has also.

Kelley Haydon narrowly escaped injury last Friday in a two-vehicle accident in Olton. The car in which she was a passenger was demolished, but no one was hurt.

Quint Waggoner was in Lubbock Thursday for a medical check-up. X-rays revealed he is healing satisfactorily, but he will remain in the body cast four more weeks.

REV. MACK Turner, Mrs. E. R. Sadler, Mrs. J. Paul Waggoner, Mrs. Roy Phelan, Mrs. Alton Louder, Mrs. Milburn Haydon and Mrs. L. B. Bowden represented the church in a program for the Golden Spread Nursing Home residents Wednesday afternoon. Rev. Turner brought a short message. Mrs. Waggoner and Mrs. Haydon brought special music and all enjoyed several hymns. Cookies decorated as pumpkin faces and orange punch were served and there was general visitation with the residents. Mrs. Bob Ott, who decorated the cookies, was unable to attend.

All local artists are invited to bring three paintings for the art show in connection with the dedication of Rhoads Memorial Library Nov. 18. All paintings must be brought to the library between 2:30 and 4:00 p.m. the 14th.

Bring the family and come to a bridal shower honoring Lee and Louise Bradley Saturday the 20th at 8:00 p.m. at the community building.

RAY LYNN Owens celebrated his ninth birthday Monday afternoon with a few of his friends coming to his home after school. Those present were Carrie, Stacy and Laura Sadler and Tommy, Duke Henry, Belinda and Dina Jo Hampton. Mrs. Owens is still recuperating from recent surgery.

Since Quint Waggoner was unable to go trick or treating for Halloween, his friends reversed the order and came to visit him with treats Wednesday night.

Mrs. Howard Cummings was named Business Education Teacher of the Year for District 17 at the TBEA meeting in Lubbock last Friday. She is business education teacher at Springlake-Earth.

The Springlake-Earth varsity football team had a reception for their parents before the game Friday night. As each boy was called to the playing field his parents were asked to go and stand with him. Those parents attending from the community were Mr. and Mrs. Cliff Brown, Mr. and Mrs. Hershel Wilson and Mrs. and Mrs. Elsie Reyes (Sausada). S-E was defeated by Hart 41-14.

MR. AND MRS. Hershel Wilson left after the reception for Tahoka for a Lay Witness Mission over the weekend. Danen stayed with Mr. and Mrs. Roy Phelan.

Clint Dawson was on the Springlake-Earth all "A" honor roll for the 8th grade. Kim Haydon, Michael Graham and Balduero Sausada were on the 6th grade A and B roll.

Mr. and Mrs. Donnie Lilley and girls moved from the community to Amarillo Saturday. Mrs. Raymond Lewis of Olton spent the day with them Saturday and had lunch with Mrs. Floyd Ivey while they made a trip to Amarillo. They both helped them with the packing.

Mr. and Mrs. Jack Holland and children of Lubbock and Mr. and Mrs. Grady Herrington of Farwell visited last Sunday with Mr. and Mrs. Winston Waggoner and family.

Mr. and Mrs. J. W. Carr and family of Springlake were in Hobbs Friday for the funeral services of a great nephew who

died from injuries of a freak accident on Halloween night. The three year old boy fell into a mirror while putting on his Halloween costume and a piece of the glass severed his jugular vein.

MR. AND MRS. Noble Armstrong attended the funeral services of Tump McLain in Hart last Sunday. He was an honorary pallbearer. They had worked on the commissioners court together for several years.

Billie King of Monheim, N. M. visited Thursday with his mother, Mrs. Lillie King. Mrs. E. R. Sadler visited in Dimmitt Wednesday afternoon with Mrs. Pearl Sadler.

The Mission Friends, Girls in Action, R.A.'s and Acteens met Wednesday at 6:30 for their

weekly programs. Baptist Women met in the Round Table Group. Mrs. Roy Phelan gave a review of the book "The Man Who Asked God Questions".

Lee Brown and Grace and Junior Sausada were on the Springlake-Earth High School Honor Roll for "A and B" grades the last six weeks.

Mr. and Mrs. Noble Armstrong visited in Brownfield last Sunday with her aunt and with her sister and husband from Brownwood.

MR. AND MRS. Bob Culp and Mr. and Mrs. Tracy Phelan from Cashmere, Wash. visited Tuesday night with Mr. and Mrs. Roy Phelan. They had supper together at a restaurant in Hereford. Mr. and Mrs. Tracy Phelan visited with the Roy Phelans again Sunday afternoon.

Charles Hedrick of Amarillo spent the weekend with Mr. and Mrs. Carl Bradley and boys. Doug Schilling of Dimmitt spent Friday night and Saturday with Kent Bradley.

Mr. and Mrs. Weldon Bradley spent the day Sunday in Tucumcari with his mother, Mrs. Gordon Bradley.

Mr. and Mrs. O. B. Starnes of Morgan Mill and Mr. and Mrs. Jerry Thornton of Long Camp spent the weekend with their son and brother, Mr. and Mrs. Larry Starnes and girls.

MR. AND MRS. J. Paul Waggoner left Friday for a vacation in Houston with Mr. and Mrs. Mickey Waggoner and Jason.

Resa Carson and Cindy Sadler participated in the speech department "Follies" as it was repeated Monday for the student body of Dimmitt High School.

Mr. and Mrs. E. R. Sadler visited in Lubbock Sunday with Mr. and Mrs. M. H. Fowlkes and Mr. and Mrs. Tommy Fowlkes of Fort Worth. They visited also with Dr. and Mrs. Myles Sadler and Gregory on their way home Sunday night.

Rev. Mack Turner, Rev. Glen Smith of Springlake, and Rev. David Hartman of Earth left Monday morning to attend the Baptist General Convention of Texas annual meeting in Corpus Christi Monday through Thursday, Nov. 8.

Mrs. Ina Blewett visited with friends in Friona Sunday.

MRS. MURDELL Rogers, formerly of California, spent a few days this week with her sister, Mrs. John Gilbreath, John and the boys.

Coby and Matt Gilbreath both won awards on their lambs in the Castro County 4-H annual awards program and supper Saturday night.

Mrs. R. E. Little has been busy the last few weeks with the Castro County Library Board as they put the final touches to the library before the dedication. The board is to be commended for a very fine job well done. We all owe them a debt of gratitude.

FFA members to attend banquet

The Dimmitt FFA chapter will sponsor their Sweetheart Sheri Burrous at the District FFA Banquet in Tulia Monday.

CHAPTER members, advisors, and Plovergirl Teresa Bruegel will attend the banquet.

Lon Keel, chapter vice president, is also serving as vice president of the Plainview District.

Mrs. Welch speaks at Amarillo council

Mrs. James Welch of Dimmitt spoke to over 250 women attending the 27th annual Diocesan Council of Catholic Women last Tuesday and Wednesday at the Quality Motel in Amarillo.

Mrs. Welch spoke on "Who's Under Your Hat," and developed the convention theme "I Care" during a luncheon session Tuesday.

Farm-fuel shortage to get worse, Driver learns during convention

"The whole country will face an even worse fuel shortage after the first of the year," Floy Driver reported Saturday after returning from the annual Mobil Oil Co. dealers' national convention in Las Vegas, Nev.

ACCOMPANYING Driver to the three-day convention were his wife, their daughter and his mother, Mrs. J. W. Driver of Hereford. More than 12,000 dealers, executives and representatives of Mobil Oil Co. attended the convention.

"We were told that the fuel shortage we've had so far is nothing like we're going to have after the first of the year," Driver said.

"The president of Mobil Oil Co. told us that the fuel crisis will continue until the government allows the oil companies to drill more wells and build more refineries. The companies know where the oil is — mainly in the North Atlantic

and Alaska — but until they can get it out, we're really going to have a shortage."

He added, "Our farmers may have to go fishing this winter instead of plowing, and go to minimum-tillage farming. From the reports we heard at the convention, the fuel shortage is likely to be that bad. The first sign of it has already shown up, with the rationing of diesel to farmers."

What's cooking at the schools

HERE IS THE Dimmitt school lunch menu for Nov. 12-16:

Monday — Pizza, corn, tossed salad, fruit and milk

Tuesday — Chicken fried steak with gravy, creamed potatoes, broccoli, gelatin with fruit, rolls, butter and milk

Wednesday — Beef stew, cabbage salad, cinnamon rolls, cornbread, crackers and milk

Thursday — Hamburgers, lettuce, pickles and onions, pork and beans, dream cake and milk

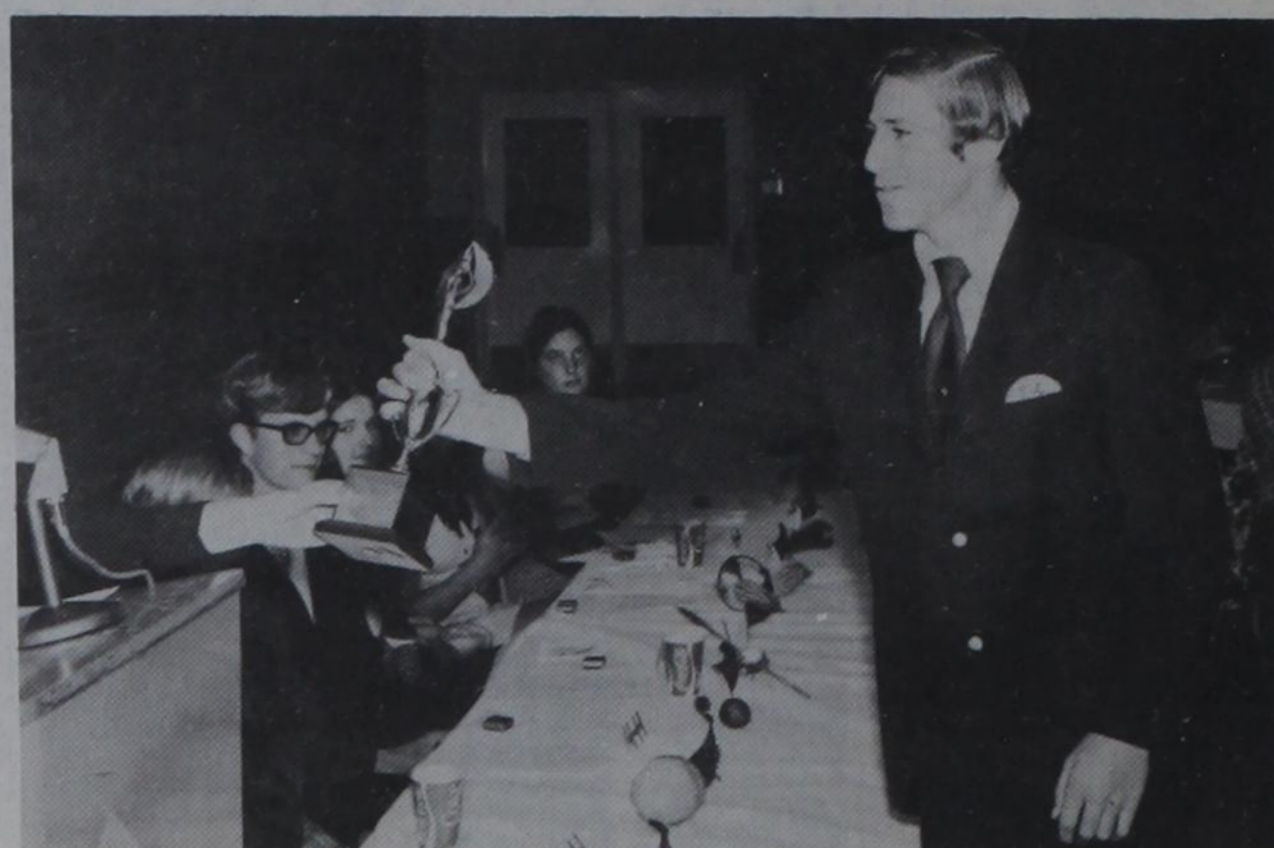

Friday — Tuna salad, whole potatoes, green peas, cookies, bread and milk.

Award winning 4-H members

BROTHER-SISTER WINNERS—Agnes and Norman Acker of the Nazareth 4-H Club were announced by County Agent Irene Keating Saturday night as the winners of "Texas Plains Key Awards," special citations by the Texas Agricultural Extension Service. During the annual 4-H Awards

Banquet, Miss Acker also was named the "Outstanding 4-H Girl" in the county. A former County Gold Star 4-H Girl, she was the state winner in recreation this year and will be a delegate to the national 4-H convention in Chicago. The youths are the children of Mr. and Mrs. David Acker.

"OUTSTANDING 4-H BOY" — Raymond Warrick of the Frio community accepts the winner's trophy as the county's "Outstanding 4-H Boy" during the annual 4-H Awards Banquet in South Elementary School cafeteria Saturday evening. A longtime mem-

ber of the Frio Jolly Workers 4-H Club, Warrick is now a freshman at West Texas State University. The "Outstanding 4-H Boy and Girl" awards were made in open competition among all the county's 4-H'ers, including past Gold Star Award winners.

Freeze needed to end harvest

By MRS. AGNES BROCKMAN

The weather is rather dreary here this morning, it's drizzling a little at present. Some of the farmers still have some grain to harvest yet, some of it needs a hard freeze before it is ready to harvest.

★

SISTER Mary Hawkins, Mary Lynn Wilhelm, Mary Beth Ramaekers, Nancy Acker, Lydia Gerber, Doyle Kleman, Bobby Birkenfeld and Judy Stefens attended the area student convention at WTSU last Thursday. They reported it being very interesting, and the speakers were especially good.

Mr. and Mrs. Paul Venhaus spent the weekend in Hobbs, N.M. visiting their daughter and son-in-law, the Ed Gerbers.

Mr. and Mrs. Florence Albracht, Max Acker, Florene Brockman, and A. P. Hoelting went to Lawrence, Nebr. to attend the funeral of their cousin Albert Hoelting.

Mr. and Mrs. Albert Gerber, Gene Gerber and wife went to Wichita, Kas. over the weekend to visit their son and brother Rick.

★

MR. AND MRS. Lavern Wilhelm received word that their nephew, Tim Powell, died on Oct. 30. Tim attended Nazareth High School in his sophomore year. Anyone wanting to write to Gerry or Beverly may do so at 55 Parsons St., Easthampton, Mass. 01027.

Sp 4 Pat Acker was home over the weekend after spending sixteen days at the White Sands Missile Grounds, McGregor Range, Fort Bliss.

Mr. and Mrs. Anthony Acker, Pat and Katherine went to Stanton for their church dinner and bazaar Sunday noon.

Mr. and Mrs. Henry Kuper from Summertield, Mr. and Mrs. James Gallagher from Olton and Mr. and Mrs. Herman Acker of Dimmitt visited their mother Mrs. Philip Acker Sunday.

The Nazareth FHA girls wish to thank the community for making their banquet and dinner a big success. We especially want to express our appreciation to the Chapter Mothers for preparing the delicious meal and to the girls that served and helped clean up.

★

THE BRYAN Birkenfelds from Lubbock spent the weekend with Rose Birkenfeld. On Sunday the Allan Dobmeijers, Leslie, Carol, Bryan Birkenfeld families and Rose went to Bovina for the church dinner, then visited the Gene Schachers afterwards.

Mr. and Mrs. Thomas Birkenfeld and girls Charlotte and Cynthia from San Antonio visited their mother and his sisters here Saturday and Sunday. They also attended the dinner at Bovina, then went by Hereford to visit the John Birkenfelds.

Mr. and Mrs. Alvin Anderle went to Windhorst for a golden wedding celebration of the Schroeders. Sister Immaculata went with them to Rhineland to visit her mother. Sr. Charlene, from the Orphans Home at North Little Rock, Ark. came back with them. She is a sister of Mrs. Anderle. Monday they went to visit relatives in Amarillo and Hereford.

The relatives of Sister Jean Heiman had a supper and get together for her Sunday evening at the Legion Hall. Those attending were the Ronnie Hoeltings and Florence Heimans from Amarillo, Charles Bowers and Bryd Keys from Plainview, Andy Schumachers from Dimmitt, Denny Heimans, Fritz Gerbers, Walter Schultes, Cecil, Dickey and Frank Hoeltings from Nazareth.

★

SISTER CABRNI Schmitz, Sister Antonia Lutz and Sister Stella Stephens made an official visit to Nazareth Saturday, Nov. 3 to meet with all the Benedictine Sisters of this region. Those attending the meeting from Amarillo were Sister Cordelia Lange, Sister

Regina Marie Bellinghausen and Sister Maurine Schnucker; from Canyon. Sister Mary Hawkins, Sister Charles Marie Foster, Sister Noreen Foster, Sister Marcella Schmaltz and Sister Teresa Pachlhofer. The Nazareth house hosted the meeting with Sister Marcella Stengel, Sister Celestine Marie Bellinghausen, Sister Mary Paul Rossi, Sister Immaculata Honer, Sister Aorian Wewers, Sister Herman Joseph Berkemeyer, Sister Benedict Marie Borgerding present. The purpose of the meeting was to review Benedictine values and goals.

BECAUSE of its excellent port facilities and the addition of livestock export pens, Texas is certain to wield a major influence in international agriculture in the coming years.

It Figures

24 month enlistment plan
6 month delayed entry
\$326 a month... plus benefits

It adds up to a good deal. Now you can enlist for just 24 months. And, delay your entry into active service for up to six months. Then, 30-days paid vacation each year, job training, \$326.10 a month to start, plus those big Army extras like medical care, food, clothing and lodging. Even after you are discharged there are additional benefits — those that Army veterans get. That's a good deal.

Wheat Sucker Stopper

Look at wheat futures!
Look at feeder cattle prices!
Two good reasons for keeping greenbugs out of your wheat this fall.

DI-SYSTON Liquid Concentrate socks greenbugs; lets you graze within seven to 21 days.

- Kills greenbugs on contact
- Systemic action extends control

DI-SYSTON helps wheat get started faster... develop deep root systems for more winter-hardiness, more lush fall and winter pasture, more grain next summer.

At first sign of greenbugs, get DI-SYSTON Liquid Concentrate from your chemical dealer or applicator. Chemagro Division of Baychem Corporation, Box 4913, Kansas City, Missouri 64120.

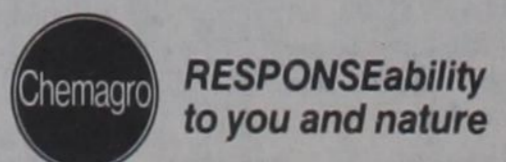

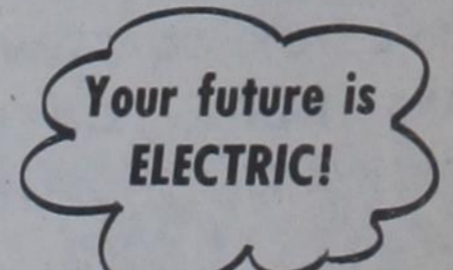

4,815

At this time of year, Southwestern Public Service Company is awarding service commendations to 262 of our people for 4,815 total years of service . . . that proves the dedication of our people who are being recognized this year . . . and we have 1,565 other men and women who are just as dedicated to providing you with power for your electrical needs.

Electricity is something none of us want to do without. So, day in and day out, these skilled people are working as a team to make sure you'll have the electric power you need when you need it.

We're exploring new sources of energy continually so that a hundred, a thousand, four thousand years in the future . . . we'll still be able to deliver to you that modern miracle . . . the KILOWATT . . . 100% usable — just like today.

And that's what dedicated people can do for people.

COSTUME WINNERS—How frightening were the first and second-place costume winners at the Halloween Carnival last Wednesday night? Well, they were so scary that the third-place winner, little Craig Golden (with mother, right), dressed as a masked pumpkin, was afraid to get onto the same stage with them for a picture. In case you don't recognize them, the first-place winner (seated, left foreground) is Armando Alvarez, 17, and the runner-up (standing) is Janet Sammann, 9. They won \$5, \$2.50 and \$1 in prize money.

Observances being planned for Food and Fiber Month in Texas

Gov. Dolph Briscoe has officially proclaimed November as "Food and Fiber Appreciation Month" in Texas, and various observances are being planned in the state's 254 counties.

LOCAL CHAIRMEN and their committees have indicated that a wide array of activities are being planned to highlight the month-long educational event saluting agriculture's contributions.

Briscoe, in the official proclamation, noted that Texas — long a giant in the production of agricultural products — is third in the nation in total farm and ranch output, yet currently leads the 50 states in annual production of beef cattle, sheep, goats, grain sorghum, cotton, rice, onions and wool.

Texas also harvests substantial amounts of peanuts, vegetables, citrus, fruits, honey, cereal grains, soybeans, turkeys, food and fiber products for fewer minutes of work than ever before in recorded history," Briscoe said.

TODAY, ONLY one-half as much work time is required to purchase as much food and fiber products as in the "good old days," the governor added.

"Even with a declining farm population, each farmer produces enough food and fiber for himself and more than 10 others. Therefore, it is fitting that November be observed to recognize contributions of Texas agriculture and to encourage renewed appreciation for agriculture by every citizen," Briscoe said.

Briscoe is serving as honorary chairman for the FFAM observance, along with Charles G. Scruggs, editorial director for Progressive Farmer.

Texas also harvests substantial amounts of peanuts, vegetables, citrus, fruits, honey, cereal grains, soybeans, turkeys, food and fiber products for fewer minutes of work than ever before in recorded history," Briscoe said.

UIL workshop slated for Saturday at WTSU

West Texas State University will host a University Interscholastic League workshop for high school students and teachers Saturday on the Canyon campus.

THE WORKSHOP will prepare students and teachers for the UIL spring contests in ready writing, speech, number sense, slide rule, journalism, science and one-act plays, says Jack Edmondson, WTSU director of public services.

WTSU faculty members and UIL state directors will serve as consultants for the workshop, co-sponsored by the PESO Education Service Center of Amarillo. The workshop will be in the Activities Center from 9 a.m. until noon.

Dr. Pat Sullivan, chairman of the WTSU English department, and Dr. James Kenneavy, state UIL director, will conduct the workshop of ready writing. After a discussion on organization of themes, the students will select a topic and sketch the organization. Students also will read and analyze three high-ranking ready writing papers from last year's state meet.

Guy Yates, Robert Boyd and Dr. Zell R. SoRelle of the WTSU speech department and Dr. Rex Wier of UIL will analyze demonstrations on persuasive speaking, prose reading and debate.

IN A WORKSHOP on number sense, David Lasher, WTSU mathematics faculty, and Dr. Milc Weaver, UIL consultant, will explain how to succeed as

a numbers sense coach or competitor and answer questions concerning a sample test.

Journalism students will hear discussions on feature writing, news writing, headlines and editorials. Bill Lee, chairman of the journalism department, Sandra Vail, WTSU journalism instructor, Craig Endicott, assistant city editor of the Amarillo Daily News, and Dr. Max R. Haddick, UIL journalism director, will lead the discussions.

Dr. Ronnie Waide, WTSU education associate professor, and Leopold Smigelski of the UIL will explain the nature of the science contest and give students a recommended reading list. Practice problems will be discussed.

IN PREPARATION for one-act play competition, Lynn Murray, state drama director of the UIL, will lecture directors on contest management. The WTSU Buffalo Masquers Drama Club will present "Fables" by Jerome McDonough II.

Basic acting techniques and administrative problems will also be discussed.

All teachers and students interested in UIL academic and literary contests are invited, Edmondson says. There is no charge.

PLAINS MEMORIAL HOSPITAL

Mr. and Mrs. Pedro Gonzales are the proud parents of a daughter, born Oct. 16. Named Elica, she weighed 9 pounds, 10 ounces.

It's a boy for Mr. and Mrs. Aurelio Sanchez of Hereford. Born Oct. 22, he weighed 7 pounds, 5 ounces and has been named Aurelio Jr.

A daughter was born to Mr. and Mrs. Billy Ray Thomas Oct. 22. Named LaMonica Monique, she weighed 6 pounds, 5 ounces.

Mr. and Mrs. Bill Scott are the parents of a daughter born Oct. 23. She weighed 7 pounds, 6 ounces and has been named Jennifer Lynne.

OUT OF TOWN

Mr. and Mrs. Duane Davis of Tullia are the parents of a son born Oct. 30 in Central Plainview. He has been named Tracy Arnold and weighed 7 pounds, 7 ounces. Grandparents are Mr. and Mrs. Andy Schumacher of Dimmitt and Mr. and Mrs. Jimmy Davis of Hart.

Mr. and Mrs. Mike Hutton of Dimmitt are the parents of a son who was born Nov. 1 in Central Plains General Hospital in Plainview. He weighed 6 pounds and has been named Travis Mark. Grandparents are Mr. and Mrs. Edd Wilson Jr., Mrs. Marie Bowen and Cecil Hutton, all of Dimmitt.

EAST LANSING, Mich. topped all US cities in percentage of high school graduates in 1970. Nearly 93 percent reported four years of high school or more. Newport, Ky. ranked lowest with only one out of four (25 percent) having four years of high school or more.

Miss Barker gets \$200 scholarship

Pamela Barker, daughter of Mr. and Mrs. E. A. Barker of Dimmitt and a junior at Texas Tech University in Lubbock was among five undergraduate students in the Department of Food and Nutrition of the College of Home Economics at the university who were presented scholarships for the academic year.

THE STUDENTS were honored at a departmental luncheon last Thursday.

John Hertzler, general manager of Plains Co-op Oil Mill presented checks for \$200 to Miss Barker. Mary Kay Martin of Afton and Marilyn Joyce Moore of Brazoria.

Hoyt West, executive vice president of Tritacole Foods Corporation presented scholarship checks for \$200 to Ruth Foreman of Clute and Susan Marie Myers of Bedford, Ind.

Each of the scholarship recipients will receive a second check for \$200 during the spring semester. The recipients were chosen on the basis of leadership and scholastic records.

MISS BARKER is a 1971 graduate of Dimmitt High School.

Hospital news

PATIENTS IN THE HOSPITAL:

John Nolen, Belle Goldsmith, Henry Morris, Guadalupe Peace, Jessie Thomas, Terrie Carson, Joe Flores, Nona Heard, Ruby Lemons, Jeanette Annen.

PATIENTS DISMISSED:

Malvern Davis, Grace Sanders, Choc Lay, Edwin Gehring, Albert Edwards, Nattie Sabedra, Socorro Perez, Lake Hutto, Fernando Godino, Loyd Ray Smith Jr., Refelita Flores, San Juanita Escobedo, Arhuu Mendoza, Darlene Unterwood, Larry Acker, Edna Goolsby, Lucy Kemp, Guadalupe DeLeon, Lucille Odum, Laurey Miller, Maria Reyes, Maxine Brock, Beatrice Boyd, Gene Lewis, Dee Yates, Grady Cook, Donnie McDaniel, Beth Waddell, Alma Umberson, Patsy Coody, Tommy Killough, Florencia Castaneda, Ike Moore.

ACS members attend meetings

Members of the Castro County Unit of the American Cancer Society attended meetings and workshops in Amarillo and Lubbock last week.

FIVE MEMBERS attended a division meeting in Lubbock last Wednesday. They included local chapter president Clara Klemman of Nazareth and Christine Braddock, Emerald Epperson, Cleo Forson and Marguerite McLain.

The ladies heard a program on service and rehabilitation. The program stressed the fact that workers need to be trained to do any job that is in accordance with the doctor's wishes.

It was pointed out that the work of the volunteers saves over \$12,000 annually in the area.

Mrs. Epperson, Mrs. Forson, Mrs. Klemman and Miss Braddock attended one of a series of three basic orientation meetings at St. Andrews Episcopal Church in Amarillo Thursday.

Topic of the meeting was "An Introduction to Cancer Control in a County Unit."

THE SECOND session of the series was to be held Wednesday and the final session will be held Nov. 15.

Anyone interested in doing service work or becoming a member of the county unit may contact any of the previously mentioned ladies.

The view from your library

By MARY EDNA HENDRIX

Plans are still being made for the formal dedication of the Rhoads Memorial Library which will be Nov. 18. We have invited several from the Texas State Library as well as most of the public librarians from this area. We think it will be a very special occasion — so we hope you will mark this date on your calendar.

MRS. MALONE read several stories to 16 children at the Story Hour last Friday. They all love the book "Funny Fingers." This is a Golden Book and the children can put their fingers in the holes and wiggle them and see the pictures come alive! Scott Sava brought mints and Stella Sue Crozier brought candy suckers.

More donations — Ann Ethington and Mrs. Polly Bell gave a generous donation. Beatrice Hawkins and Sue Howell are Friends of the Library. Several have given memorials for those who have passed away recently.

Don Hargrove came in one day last week and hung some pictures for us. We really appreciate all the volunteer help. Teeny Bowden and Naomi Brown came in and helped move more boxes of books. Naomi brought some good hot chocolate mix for the cold days ahead. (But we are enjoying it now!) Sue Broderson and her art class made some paper mache animals and brought for us to use in the library.

More donating books: Mrs. Georgia Henderson, Jan Weatherford.

MRS. KING and I have been selected as FHA Grandmothers. My secret granddaughter sent me some colorful pot holders for a Halloween gift and someone sent Mrs. King some beautiful orange towels. Lupe Quinonez, who works her in the library, told me there would be around 200 girls who had selected a secret grandmother. This is so exciting and I can hardly wait to find out who my secret granddaughter is — but I guess I will have to wait until next spring when they will be revealed.

Last week's Phoebe Strother and I attended the Texas Librarians meeting in Pampa at the M. K. Brown Auditorium. Richard O'Keefe, President of T. L. A. gave a message and Dr. Lloyd Watkins, president of WTSU gave the main address. In the afternoon there was a discussion on "Supreme Court Decisions on Obscenity: Libraries and Local Options." Those on the panel were Dr. Fred C. Pfister, T.W.U., Denton; Dr. Hannah J. Kunkle, T.W.U., Denton; Mr. Bruce Aycock, City Attorney, Amarillo; Mrs. Don Lane, Trustee, Louett Library, Pampa.

Here is a first for my column: Naomi Brown found a small black puppy and if she doesn't find the owner by Friday, she will bring it to the Children's Story Hour.

EAST LANSING, Mich. topped all US cities in percentage of high school graduates in 1970. Nearly 93 percent reported four years of high school or more. Newport, Ky. ranked lowest with only one out of four (25 percent) having four years of high school or more.

15—LEGAL NOTICES

NOTICE OF SPECIAL ELECTION

TO THE DULY QUALIFIED RESIDENT ELECTORS OF THE CITY OF NAZARETH, TEXAS, AND TO ALL OTHER INTERESTED PERSONS:

NOTICE IS HEREBY GIVEN that an election will be held in and throughout the City of Nazareth, Texas, on the 4th day of December, 1973, on the question of the adoption of a One Percent (1 percent) Local Sales and Use Tax within said City, in keeping with the following ordinance adopted by the Board of Commissioners of said City, as follows, to-wit:

SECTION V. That election judges and clerks are directed to comply with Article 6.06, Election Code of the State of Texas, as amended, which provides that a square shall be placed beside each proposition in which the voter is instructed to place an "X" or other clear mark to indicate the way he wishes to vote; but which also provides that failure of a voter to mark his ballot in strict conformity with the directions on the ballot shall not invalidate the ballot, and the ballot shall be counted if the intention of the voter is clearly ascertainable, except where the law expressly prohibits the counting of the ballot. It is specifically provided that the election officers shall not refuse to count a ballot because of the voter's having marked his ballot by scratching out the statement of proposition for which he does not wish to vote.

SECTION VI. That notice of the election hereby ordered and called shall be given: (a) by publication on the same day of two successive weeks in a newspaper having general circulation within said City, the date of the first publication to be at least twenty-one (21) days prior to the date set herein for such election; and (b) by posting of such notice at the polling place for such election in the City not less than twenty (20) days prior to the date set herein for such election. It is hereby found and determined that there is no newspaper of general circulation which is published with said City; and it is hereby found and determined that the CASTRO COUNTY NEWS, published in Dimmitt, Texas, is a newspaper having general circulation within the City of Nazareth, Texas.

SECTION VII. The invalidity of any section, sub-section, paragraph, sentence, clause, phrase, word or words, shall not invalidate any other part of this ordinance. It is the intent of the City Commission in enacting this ordinance that provisions are separable and no provisions hereof shall become inoperative or fail by reason of the invalidity of any other provisions.

AND, WHEREAS, an emergency is apparent for the immediate preservation of health, safety and general welfare of the public, that requires this ordinance to become effective immediately; therefore, all rules to the contrary requiring three or several readings of said ordinance are hereby waived, and this ordinance shall become effective as of the date of its publication as required by law.

PASSED AND APPROVED this 25th day of October, 1973.
