

'Zito' is back in town, is now Fulbright scholar

"Zito" Sartarelli, who was an American Field Service exchange student at Dimmitt High School in 1967-68, is back in town this week. THE YOUNG Brazilian is staying with the Lonnie Bells, his American AFS family, and is making the "luncheon circuit,"

telling local civic clubs about his country and the events of his life since his year in Dimmitt. Sartarelli is about to start an exciting new chapter in his education. He has won a Fulbright Scholarship to Michigan State University's graduate business school. He will leave Dimmitt Sept. 9 and report to MSU at East Lansing on Sept. 16.

"ZITO" SARTARELLI Former AFS student back in town

about Dimmitt and castro county by b. m. n. Cats to scrimmage at Abernathy Friday The Dimmitt Bobcats will scrimmage Post at Abernathy tomorrow (Friday) at 6:30 in Dimmitt's first inter-school match of the grid season.

School started Monday and students of all ages will have their opportunity to prepare to cope with a situation that is becoming more difficult with every generation. The business of making a living, in our part of the world, is not the biggest problem. It has never been too difficult to eke out some sort of livelihood, but the problem of trying to raise a family in the tradition of our forefathers in this day and age must be a weight discouraging to young parents.

Much is being said and written about whether or not former President Nixon should stand trial in case a grand jury finds him guilty of an indictable offense. According to the latest polls the people of the country are about evenly divided on the question. It is not pleasant, nor is there any feeling of comfort, when anyone is punished for the commission of a crime. No right thinking person gets any satisfaction out of seeing anyone punished, instead there is always a feeling of sympathy for those who are called upon to pay for their mistakes.

In other action the commissioners voted to fund the cost of conversion of a tanker truck unit for the Dimmitt Volunteer Fire Department's rural calls and urged the department to go ahead with the conversion work. Vandalism tips can net reward A reward is offered for information leading to the arrest and conviction of any person responsible for vandalism or burglary of city businesses.

We haven't had so awful much rain. It has just been dry so long that a little rain seems like a lot of moisture. The farmers that I have talked to seem to think that we have had enough rain lately to take care of the moisture needs of the current crop. That's good, rain is cheaper than well water.

Charles Lindberg is dead. Known as the Lone Eagle, Lindberg's name has been a household word for almost half of a century. Without the aid of a backup crew or a bunch of computers, Lindberg crawled into a single wing plane and flew across the Atlantic. Landing in Paris he deplaned and without fanfare announced, "I'm Charles Lindberg" to the thousands gathered to extend him a hero's welcome.

Table with columns: Date, Hi, Lo, Pr. Rows include Thursday, Friday, Saturday, Sunday, Monday, Tuesday, Wednesday, August Moisture, 1974 Moisture, and Charles Wilkerson US Weather Observer.

AFTER HIS year in Dimmitt, Sartarelli returned to his hometown of Riberao Bonito, Brazil, and completed a year of college preparatory school. Then he attended four years of business college in Sao Paulo, working his way through by teaching night classes in English and math. He graduated last December, and has since been working with a Sao Paulo marketing consultant firm which specializes in site analysis for prospective shopping centers.

Sartarelli came more than 2,000 miles out of his way to get back to Dimmitt, and before he leaves for Michigan he hopes to get to Abilene to visit Mike, Michelle and Rick Bell, Mike, his AFS "brother" here, graduated from Abilene Christian College last year, and Rick is a student there. The bright young Brazilian kept the Dimmitt Lions Club engrossed Tuesday with facts and figures on Brazil's booming growth, economy, social problems and business climate. BRAZIL, he said, has surpassed Japan in percentage of production growth, is about to stop exporting its iron ore and start producing iron and steel, and plans to be self-sufficient in petroleum production by 1985.

Because of this economic growth, Sartarelli said, Brazilians are on their way to tripling their average annual income. Brazil today "is one of the best places in the world you can go for investments," he said. "The economic climate is [See ZITO IS BACK, Page 13]

JACK FLYNT

Flynt gains national post Jack Flynt of Dimmitt was elected national vice commander of the American Legion at the organization's convention in Miami last week.

AS A NATIONAL vice commander, Flynt will be serving an area of 12-13 states in one of the Legion's five areas. Flynt has been a member of the American Legion since 1952 and has "served the local post in practically every capacity." He has also served as district adjutant, district commander, department vice commander for the 4th division, department commander and National Executive Committeeman.

He was appointed to the National Americanism Commission in 1972 and has served in oratorical contests and youth activities. Flynt will serve as national vice commander for a one year term. MRS. IONE Kubby of El Paso was elected national president of the American Legion Auxiliary during the convention. She is the first Texas woman to hold the post. Legionnaires reaffirmed their stand against blanket amnesty for draft evaders and deserters at the meet and also changed the dates of eligibility for World War II, Korean and Vietnam war veterans. The veterans also passed a resolution opposing any give-aways in the Panama Canal Zone.

Hart up, Nazareth down

Dimmitt enrollment is down

First day enrollment at Dimmitt schools was down by 32 students compared to last year's figures Monday.

SUPT. Charlie White reported a first day enrollment of 1612, compared with 1644 last year.

Enrollment figures at Dimmitt High School were down with a total of 397 students enrolled, compared to 404 last year.

At Dimmitt Junior High School enrollment was up slightly with a total of 264 students, compared to 256 last year.

North Elementary's first day enrollment remained unchanged from last year with 463 students enrolled, but student numbers were down at South Elementary with 488 enrolled, compared to 531 last year.

"Our enrollment will be coming up some," said White. We're only 32 under last year and students are still registering.

Enrollment at Nazareth is down while enrollment at Hart is up slightly as the two schools enter their second week of classes.

ACCORDING to Nazareth Supt. Joe King, overall enrollment is down but enrollment at Nazareth High School is at an all-time high. NHS enrollment stands at 127, compared to 122 last year.

Nazareth's elementary enrollment is 259 compared with 395 students in 1973. "Our losses occurred in the elementary grades, but we usually hit our peak enrollment about the fourth week of school," said King.

First day enrollment at Hart schools was 584 last Monday and the enrollment figure climbed to 607 as of last Friday according to Hart Supt. Ted Averitt. The figure compares with 582 last year.

Enrollment in grades 7-12 jumped from a first day figure of 230 last Monday to 239. Elementary enrollment also climbed from 354 students last Monday to 368 as of last Friday.

HD club to stage county fair Sept. 7

The Castro County Fair, sponsored by the Town and Country Home Demonstration Club, will be staged in Dimmitt Sept. 7.

ALL COUNTY residents are eligible to enter the fair, which will be held at the new county exposition center. Entries will be accepted from 8-9:30 a.m. Sept. 7 and judging will begin at 9:30 a.m.

Adult and youth divisions will be featured for garden products, photography, crafts, canned fruits and vegetables, clothing and baked goods. Public viewing and sale of items displayed in the fair will be at 2:30 p.m. All proceeds from the sale of display items will go toward purchase of kitchen utensils for the exposition center.

Services conducted for Mrs. Kesler

Funeral services were held at 2 p.m. Saturday in the First Baptist Church of Dimmitt for Mrs. Lizzie B. Kesler, 81, of Dimmitt.

REV. JOHN Street, pastor, officiated. Mrs. Kesler died last Wednesday at St. Anne's Hospital in Amarillo after a lengthy illness. She was born in Wellington and moved to the Dimmitt area about 1945. Her husband preceded her in death in 1973.

Survivors include two sons, Albert of Amarillo and Reece of Dimmitt; a daughter, Mrs. Evelyn Icke of Amarillo; two sisters, Mrs. Bessie Fenley of Wellington and Mrs. Ethel Gunderson of Hereford; two grandchildren and two great-grandchildren.

BURIAL was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

GETTING TAGGED was the final process for first grader Matt Davis before he entered Mrs. Jim Upfold's class Monday morning at South Elementary School. Mrs. Don Hargrove pins Matt's name tag to his shirt while his mother and Richey and Dean Behrends watch the procedure.

Totals top August average as slow rain soaks county

By JIM STEIERT News Editor

Widespread showers which began falling Tuesday and Wednesday of last week had left the county with an above-average rainfall figure for August as of presstime Wednesday. Rainfall far exceeded the 2.32 inch average figure in most areas, and at least one site recorded a record 9.50. The old county mark is 6.38 inches, recorded in 1966.

KEMP FARMS, located 6 miles west, 4 miles south and 1 mile west of Dimmitt, reported 9.50 inches of rainfall from last Wednesday through Tuesday.

Mrs. Bruce Fields of the Arney community north of Nazareth reported that approximately 6 inches of rain had fallen at the Fields farm northwest of Arney since last Thursday.

Prior to the current wet spell, the Arney area had received only about 1.60 inches of moisture for the year.

Industrial group schedules meeting

The Dimmitt Industrial Foundation will meet next Thursday at 8 p.m. in the city hall auditorium.

RALPH GLOVER, president, called the meeting for adoption of bylaws and election of board members. Officers of the foundation are Glover, president; Bob Caddell, vice president; and E. B. Noble, secretary. Two other charter members of the foundation have moved and must be replaced.

"We will need to elect at least six board members to make up the nine-person board that is authorized in the bylaws," Glover said.

The foundation was organized more than a year ago in an open meeting here and charter officers were elected to have bylaws drawn up and secure a state charter. The foundation was chartered with the state as a non-profit corporation shortly after the organizational meeting.

According to the proposed bylaws, the foundation is supposed to have its annual membership meeting the first Thursday of September. NEXT Thursday night's meeting is open to all interested persons.

The purpose of the foundation is to help prospective new industries secure land and financing to locate here.

"We weren't able to plant anything all summer due to lack of moisture and people were forced to feed their cattle during the winter and throughout this spring and summer. You can't imagine how green the grass has already become since this rain started. It's been a good, slow soaker and Sunday morning was the first time

we had any runoff. We should have good moisture to plant our wheat on now," said Mrs. Fields. Pete Steiert recorded approximately 6 inches of rain at his farm four miles north and 3/4 miles east of Hart since last Tuesday.

Lions Club playday scheduled Saturday

The Dimmitt Lions Club will host a kids' playday Saturday at 6 p.m. at the Dimmitt Rodeo Arena.

REGISTRATION for the playday will begin Saturday at 4:30. Playday events will include barrel racing, pole bending, rescue race, potato race, stake race and goat race.

Three age groups will be featured. The Pee Wee division will be open to youngsters 8 years and under. Those 10-13 years of age will compete in the junior division and 14-18 year olds will compete in the senior division.

Entry fee will be \$2 for each event, or \$10 for all six events. TROPHIES will be awarded for the first two places in each event and ribbons will be awarded through the first six places.

Admission will be \$1 for adults and 50 cents for children.

his farm 6 miles west of Dimmitt. Fred Wall recorded 3.20 inches at his farm 6 1/2 miles northeast of Dimmitt and Howard Smithson registered 5.50 inches at his farm 3 1/2 miles west of the city.

Officially, the City of Dimmitt received 2.50 inches from last Thursday through Wednesday morning, Dimmitt received .63 inches Sunday and .05 inches Tuesday night according to Charles Wilkerson, US Weather Observer.

Boosters to serve ice cream tonight

Ice cream and cookies will be served to the parents and boosters of the Dimmitt Robcats at Dimmitt High School Cafeteria tonight (Thursday) at 8 o'clock.

BOOSTER Club membership is required to be eligible to enter the weekly Football Scoreboard Contest. Memberships will be available, as well as Bobcat pins and tie tacks.

THE JEROME Brockman farm three miles south and two miles west of Nazareth received about 4 inches of rain while the William Hochstein farm east of Nazareth received approximately 3 inches.

J. R. Brown, manager of Flagg Grain Co. in the southern portion of the county, recorded 5.50 inches of rain and News correspondent Teeny Bowden reported 4.55 inches at her husband's farm 2 1/2 miles north of Sunnyside.

Fred Bruegel Sr. recorded "right close to 6 inches since last Wednesday, including .50 of an inch Monday night" at

Labor Day picnic set at Nazareth

The annual Nazareth Labor Day picnic will be held Monday at the Nazareth Community Center.

DINNER WILL be served from 11:30 a.m. until 2 p.m. The menu will include barbecued roast and fresh vegetables, homemade bread and pies.

Admission will be \$2 for adults, \$1 for children up to 12 years and 50 cents for preschoolers.

Game booths will include a roulette wheel, fancy work booth, country store and bingo. A raffle, parade and auction will also be held and refreshments will be on sale throughout the afternoon. Barbecued hamburgers will go on sale at 4 p.m.

BEFORE — Dimmitt's middle-grade students and teachers are still having to use these 30-year-old barracks buildings this year. The converted World War II barracks have been moved across the street east from Dimmitt Junior High to make room for the \$775,000 Dimmitt Middle School construction project, which will start soon. But the "After" sequel to this picture is still over a year away.

Sheffy's chatter

New teachers assume roles as school starts Monday

By MYRTLE SHEFFY

"School starting is the thing now." The teachers have been working for a couple of weeks before the kids started Monday.

MISS RUBY Fay Bell is a new kindergarten teacher. Her home is Kress but she has been teaching at McCamey.

Lucille Dollar, secretary at the high school, gave me the names of their new teachers. Zona Vilas of Amarillo, a not too long ago bride of Bob Vilas, Charles Cotter, who will teach shop and woodworking in place of G. L. DuBose, Sam Nichols, who will teach girls athletics in place of Bob Askey.

Mr. and Mrs. Alton Fields are also new teachers in our school. Alton is a high school coach and mathematics teacher and is the son of Leo Fields who used to be football coach in Dimmitt.

Supervisors from the University of Oregon have been at South Elementary School helping teachers prepare schedules and get ready for school.

CARL AND Frances King and Carla are home from a jet trip to Hawaii. They say Kauai is the most beautiful.

Anna M. Albracht was the 91 year old birthday girl Saturday. She lives at South Hills Manor and her regular home is Nazareth.

Lynn King went to Amarillo Sunday for a visit with her daughter and family. Lynn was assistant librarian with Mary Edna Hendrix for a long time.

SAL AND Mary Alice DiCuffa, Andy and Oleda Schumacher and Emily Clingsmith spent the weekend at Conchas Lake.

hasn't been unusual for them to return to Oregon with frozen steaks in their suitcases, having been bought in Dimmitt's grocery store.

Mrs. Charlie White (Monte) slipped on her kitchen floor last Saturday and broke her arm. Luckily it was the left arm, but will be a great inconvenience for a while.

LUCILLE DOLLAR, secretary at the high school, gave me the names of their new teachers. Zona Vilas of Amarillo, a not too long ago bride of Bob Vilas, Charles Cotter, who will teach shop and woodworking in place of G. L. DuBose, Sam Nichols, who will teach girls athletics in place of Bob Askey.

Sid and I visited the Baptist Church Sunday with our children Rex and Dorothy and boys.

Lucille Dollar has returned from Tryon, N. Car. where she visited her parents Mr. and Mrs. C. L. Jackson. Her dad is very ill. And one day last week she went to Bovina or maybe Friona (I forget) to stay with four grandsons who are Pamela and Davey Thompson's sons.

Mr. and Mrs. G. W. Howkins of Munday were weekend guests of cousins Kate and W. E. Beecher. I saw them at the First Baptist Church also.

Anna M. Albracht was the 91 year old birthday girl Saturday. She lives at South Hills Manor and her regular home is Nazareth.

Lynn King went to Amarillo Sunday for a visit with her daughter and family. Lynn was assistant librarian with Mary Edna Hendrix for a long time.

SAL AND Mary Alice DiCuffa, Andy and Oleda Schumacher and Emily Clingsmith spent the weekend at Conchas Lake.

nice Hill, Halsell and Kathy Thomas. These folks say they spend most weekends there fishing or just resting.

Several men went north last week by plane with Allan Webb as pilot. They went to Sioux City, Iowa to have a look at the corn crops, also attended the big State Fair.

Opal Bearden and daughter Kay Finneran of Amarillo had a fun trip to Santa Fe last week. They wanted to stay at La Fonda because it is downtown, but didn't. They did have several meals there.

ATTENDING the funeral service of Irvin Onstead Thursday at the First Baptist Church in Littlefield were his daughter Jean and Don Gilreath and their daughters and Mr. and Mrs. James Welch, Mr. and Mrs. Elbert Smith and Mr. and Mrs. George Bradford.

Orvil and Peggy Kirby and new baby and Clea Newton Kirby and her daughter all from San Jose, Calif. and another daughter Jan and Tom Adams from Voluntown, Conn. were here to visit the A. T. Kirbys and the family.

Mr. and Mrs. G. W. Howkins of Munday were weekend guests of cousins Kate and W. E. Beecher. I saw them at the First Baptist Church also.

Jackson, Clea's and Marge's aunt, and friends the H. H. Cariles.

Mr. and Mrs. Lee Hancock of Lamesa have been visiting Hattie Webb and daughter Polly and Shorty Manning.

Mrs. Floy Hart who lives at South Hills Manor was called to Amarillo to be with her son who is very ill with pancreaticitis. We hope he is much improved by now.

Rev. and Mrs. Bob Storrs and two little girls have been here for a short visit with her mother Mrs. Rex Sheffy and family.

Robert and Roxie McLean, his parents Bob and Helen and Sue and Elvon DeVaney had a fun weekend at Las Vegas.

Another day recently Robert and Roxie were hosts at a birthday dinner for four people. Robert's day, Don and Beth Waddell of Bovina who are moving to Florida, all the Bovina Huttos and Bob and Helen McLean.

Ed Hutto is at Methodist Hospital in Lubbock recuperating from recent back surgery. Jerry and Janice Andrews

and children of Houston were here last weekend with Billye Wesson. They had been tripping in some of the northern states.

Tommy and Judy Roberson of Oklahoma City were guests last week of her parents Marge and M. E. Cleavinger and his sister Thelma and Ned Smith and other relatives and friends.

DAN AND HAZEL Nelson and kids Melanie, Robert and Pam are home from a good Colorado trip. They stopped first in Farmington, N.M. to visit Don and Judy Moble and their kids, Stan, Craig and Curtis.

Say, did you see the picture of Dan Nelson in our paper last week? Well, Dawn Parker had it blown up to giant size and hung it in the South Plains Mall in Lubbock.

Sandra Bagwell, or Mrs. Milton Bagwell, received word of the death of her brother Larry Reed who was killed with four other people when their car fell over a cliff or bluff in Arizona.

Dr. Hilma Carroll's daughter D'Ann and husband Walton Alton and children Tamra, James and Steve of Kirkwood,

Mo. have been here for a visit with Hilma and grandmother Lois Bartlett. They came by Kerrville to pick up Tamra who had been to summer camp. There are hundreds of nice places in the Hill Country.

SHIRLEY Stephens and Nancy Hays went to Plainview a recent Monday to visit friend Flo Nichols of Tulia who had surgery in a hospital there.

Paul and Betty Stanford of Albuquerque were weekend guests of his mother Mrs. Lee Stanford. They attended church at the Methodist with mom.

Zito Sartarelli of San Paulo, Brazil, S.A. is here for a visit with his friends Lonnie and Janice Bell and the family. Zito will be here until the 9th of Sept. He was a foreign exchange student who lived with the Bells.

All friends and relatives are reminded to attend the wedding of Paula Jo Birdwell and Bob Bradford Sunday afternoon at 3 in the First United Methodist Church.

CALVIN AND Tommie Petty are home from their Colorado trip. Went up to Lake City, did some fishing in different lakes

and streams, came home by Cortez. Visited Mrs. Gip or Frankie Hudson, then on to Farmington, N.M. to see Johnny and Jennette Powell, by Albuquerque to see Joe and Mary Gollehon. Joe is not well at all and their daughter is very ill.

And we were chatting with Janice Bell. She and Lonnie are home from the Colorado trip. Says she read four books while in the hills. The boys fished. Mike and Clara Langford came up from Avery, that town is 50 miles west of Texarkana, [See CHATTER, Page 3]

OUTDATED EQUIPMENT

This young man certainly won't get much real cleaning done with this broom. A modern street cleaning machine would do the job so much better. His straw broom makes us think of how we try to get along without God, without spiritual values, without church. Our life would be so much better if we would exchange this life for one that knows God and practices His precepts. Without church and God we have little or no spiritual equipment. Hearing God's word preached, being with his people, working in His church, helping others through the church all give us the spiritual equipment we need for meeting life. We invite you to attend this week and make a habit of coming to God's house.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**15—LEGAL NOTICES**

**NOTICE OF HEARING TO CONSIDER THE DISSOLUTION OF PANHANDLE WATER CONSERVATION AUTHORITY OF THE STATE OF TEXAS**

Notice is hereby given that a hearing will be held by the Texas Water Rights Commission, pursuant to Section 50.251 et seq., Texas Water Code, to dissolve Panhandle Water Conservation Authority, which is located in Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Collingsworth, Cottle, Dallam, Deaf Smith, Donley, Floyd, Gray, Hale, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lamb, Lipscomb, Moore, Motley, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, Wheeler, Cochran, Hockley, Lubbock, Crosby, Lynn, Dawson, Terry and Garza Counties, Texas, and which was created by special act of the Texas Legislature in 1937. The Commission anticipates dissolving the District for reasons of inactivity and failure to perform any of the functions for which created during five consecutive years and having no outstanding bonded indebtedness.

The hearing on this matter will be held by the Texas Water Rights Commission in the Stephen F. Austin State Office Building at Austin, Texas, on October 2, 1974 at 10 o'clock a.m. All persons interested in the dissolution or continuation of the above named District are requested to appear and present evidence for or against the dissolution of the District. -s-BURKE HOLMAN Burke Holman, Acting Chairman TEXAS WATER RIGHTS COMMISSION Date: August 16, 1974 (Seal) 15-47-2tc

**Hunting guide to help Texas sportsmen**

Wouldn't it be handy if all Texas hunting and fishing laws were wrapped up in a single booklet?

IT'S A GOOD idea but a fanciful one, at least at this time, which has occurred not only to a lot of outdoorsmen but also to the responsible officials of the Texas Parks and Wildlife Department.

Instead, the department is again distributing its "Guide to Texas Hunting and Freshwater Fishing Regulations, 1974-75" which will be available at all stores where hunting and fishing licenses are sold and P&WD offices around Aug. 16.

Following that, the outdoors public will find at the same places in successive order: "Mourning Dove - White-Winged Dove Hunting Regulations, 1974-75"; "Migratory Game Birds Hunting Regulations, 1974-75"; "Duck Identification" leaflet, and "Guide to Commercial and Saltwater Fishing Regulations."

Why not print it all at once in a single booklet? Timing. In order to get the hunting and fishing guide to the public at the same time that licenses are being renewed in August, the Parks and Wildlife Department began in January by planning a format for the booklet and writing specifications which are advertised for printing by the lowest bidder. This year, a new concept has been designed. An alphabetical listing of all Texas counties shows hunting dates and limits along with basic fishing regulations for each county.

THE BOOKLET is magazine-size and contains summaries of game and fish laws but not the state maps used in previous years' guides.

Biologists and game wardens at every level also met in January with P&WD regional directors to outline proposals for the coming hunting and fishing seasons. Written recommendations were completed by mid-February. The public was notified through local newspapers that hearings on the proposals had been scheduled. Public hearings this year were conducted in every Texas county during March 25-29. Within three weeks, the opinions and comments of the public had been intermixed with the law enforcement, wildlife and fisheries staff proposals and a proclamation readied for presentation to the six members of the Texas Parks and Wildlife Commission - the board which determines game and fish laws for all 233 counties totally or partially under its regulatory authority.

(Hunting and fishing is regulated in statutes passed by the Legislature in the other 21 counties and for certain game and fish species in some counties.)

The Commission met on April 29 to consider the proposed proclamation. They heard further testimony from the public; and questioned enforcement officers and biologists, and adopted the law calls for loans to be made by banks or other legally organized lenders. Earl said interested producers are urged to make applications to, and complete loan arrangements with lending institutions. The lender in turn will ask FmHA for a loan guarantee if one is required. The lender will process the application, close the loan and service it.

The maximum loan to any single borrower that can be assisted by an FmHA guarantee is \$250,000. Loans will be repayable in one to three years, although renewal for two years may be authorized. Interest rates are determined between the borrower and lender.

ed a set of rules which they felt offered the most hunting and fishing recreation to the most Texans while still within the best management and use of these natural, renewable wildlife resources.

A NEWS release on the results of their action was sent immediately to all newspaper, magazine, television and radio media and the department's "Hotline" newsletter containing the same information went to W&WD offices across the state to inform the general public.

County Commissioners Court approval of the adopted regulations is required in 25 counties and the final proclamations were forwarded in time for their May 13 meetings. Game wardens stood by in each such county and relayed the results of their actions directly to Austin for amending of the proclamation.

At that time, typesetting began toward publication of the hunting and fishing guide. By the first week in June, the booklet had been laid out and sent to the printer who had won the contract for 1,250,000 copies of the 20-page booklet.

In the meantime, the wildlife staff had met with biologists of other states and federal officials to plan upcoming migratory bird seasons.

BY THE first of July, a framework within which Texas would be allowed to set dates and limits for doves, snipe and teal ducks had been established by the US Fish and Wildlife Service. The Parks and Wildlife Commission met in public session on July 2 and adopted maximum season and bag limits allowed within the federal

**Livestock producers can get help from FHA**

Financial assistance to livestock and poultry producers under the Emergency Livestock Credit Act is available through a new loan guarantee authority of the Farmers Home Administration (FmHA) a rural credit service of the US Department of Agriculture.

GEOFFREY N. Earl, FmHA County Supervisor, said the agency will be prepared to implement the recently-enacted law by guaranteeing up to 80 percent of possible loss on loans made by legally organized lenders to livestock and poultry producers.

Under terms of the act, the loan guarantee program will be in effect through July 25, 1975. It may be extended for 6 months beyond that date if the Secretary of Agriculture determines that it is needed to help the livestock industry obtain sufficient credit.

The law calls for loans to be made by banks or other legally organized lenders. Earl said interested producers are urged to make applications to, and complete loan arrangements with lending institutions. The lender in turn will ask FmHA for a loan guarantee if one is required. The lender will process the application, close the loan and service it.

The maximum loan to any single borrower that can be assisted by an FmHA guarantee is \$250,000. Loans will be repayable in one to three years, although renewal for two years may be authorized. Interest rates are determined between the borrower and lender.

**On the go**

After picking up daughter Tamara who attended Camp Waldemar this summer (Waldemar is near Kerrville) and enroute home to Kirkwood, Mo. Mr. and Mrs. Wallis Altom, Tamara, Jim and Steve visited Mrs. Altom's mother Dr. Helma Carrell, her grandmother Mrs. Lois Bartlett and aunt Mrs. Wilma Scoggin this week. Mrs. Altom is remembered in Dimmitt as D'Ann Carrell.

**Much needed rain soaks community**

By MRS. AGNES BROCKMAN

We've been blessed with lots and lots of rain here lately, don't know exactly how much. Most likely all the way from three to six inches in this vicinity.

LORENE Brockman from Kansas City is visiting her folks (the Lon Brockmans) for a few days.

The Tom Brockmans from Friona and Phil Brockmans from Muleshoe were in Nazareth Saturday to attend the Wilhelm-Barker wedding.

Sister Gene Rose Huseman from Madison, Wis. is visiting her mother and other relatives here this week.

Mr. and Mrs. Lee Meeks from Junction spent several days visiting relatives and attending the Huseman wedding.

THE ORDER of Martha held its annual meeting Tuesday afternoon and after the meeting members worked on a couple of quilts.

Mrs. Joe Litsch of Altus, Ark. passed away last Friday quite suddenly. She was a former Nazareth resident.

Father Stanley spent several days in Silver City, N.M. for a celebration and was the main

speaker for the occasion. Marie Venhaus is spending a few days in Happy helping care for her new grandchild, a daughter of Mr. and Mrs. Herbie Wethington.

MR. AND MRS. A. P. Hoelting and Geneviva Miller returned from Truth or Consequences, N.M., El Paso and a tour to Juarez.

The A. P. Hoeltings are spending this week in Amarillo with the Eddie Venhaus family and Donald Detten family in Claude.

George Book Jr., who was in serious condition for a couple of weeks from a pickup accident, is holding his own in Amarillo and gradually improving. He still has several weeks ahead of him in the hospital.

Nelita Warren and son visited with her folks the Paul Venhauses for several days.

Sue and Helen Burt spent a couple of days in Fort Worth last week. Sue went to see about an apartment as she will be going there to school next week.

Jackie Book began teaching last week at Tierra Blanca School in Hereford. She is teaching the fifth grade and is a graduate of Nazareth High School and West Texas State University.

MR. AND MRS. George Thomas Bowers and Mr. and Mrs. Schmidt from Olpe, Kan. visited in Nazareth with relatives and friends last week.

The following boys and girls who graduated from Nazareth High School are registering and leaving for college this week: Janie Steffens, Janice Schach-

**What's cooking at the schools**

HERE ARE the school lunch menus for the Dimmitt Schools for the week of Sept. 2-6.

Monday - No school.

Tuesday - Chicken fried steak with gravy and creamed potatoes, broccoli, peach half, rolls, butter and milk.

Wednesday - Hamburgers, tomatoes, lettuce, onions and pickles, banana cake and chocolate milk.

Thursday - Chicken pot pie, green beans, cabbage salad, gelatin and milk.

Friday - Fish with tartar sauce, rice, peas and carrots, sliced tomatoes, apple cobbler, butter, bread and milk.

**VIEW FROM THE LIBRARY**

By MARY EDNA HENDRIX

We have several new books that I think will be good reading. Dale Evans Rogers new book "Where He Leads" takes you with her on her journey to the Old World, and beyond . . . to the place where Christ was born, where he was revered and persecuted, adored and crucified, buried then raised from the dead . . . a spectacular voyage during which Dale's radiant faith is reinforced again and again. Dale went to Holland, Germany, Italy, Egypt and other countries, taking jolting bus rides, walking in the hot sun, eating strange foods, had sore feet, headaches, illness - but then the Holy Land! With her living faith and purposeful spirit, Dale believes in witnessing wherever she happens to be. She went seeking light and strength in following the footsteps of the Master, where He leads - and she found them!

Corrie ten Boom's new book "Tramp for the Lord" is a sequel to "The Hiding Place." For the past twenty years Corrie ten Boom has crisscrossed the globe, living out of suitcases . . . all to fulfill her God-given mission to tell people everywhere that Jesus Christ is reality, that He lives, that He is Victor. This remarkable woman of eighty-one years served time in a German concentration camp during World War II for the "crime" of hiding persecuted Jews. After her release from the concentration camp, Corrie ten Boom set out to become what she calls a "tramp for the Lord", traveling around the world at the direction of God, proclaiming His message everywhere. And through her

life-long experiences she has learned a few lessons in God's great classroom which she shares with the readers of "Tramp for the Lord".

INTERESTING people in the library: Robert Duke made the statement "When it rains, I am going to the library!" - So he came in last Thursday . . . Naomi Brown and her son, Lynn, and her husband, Cliff, helped us clean out some of our sale books, but we still have a lot of books for sale . . . Mr. and Mrs. Curtis Snitker came in for some reading material after staying in Amarillo for several hours during the recent jailbreak in the Potter County Courthouse. Mr. Snitker is a brother of Stanley Snitker who was the hostage who was held at knife-point for several hours. The Curtis Snitker family was the Library Family of the Year in 1973. . . . Reba Touchstone came in to check out a book. She said her grandchildren had been here this summer . . . several have come in who will be starting to school for the first time - Brian Handley for one . . . Teresa Garza and Martha Salinas who have worked this summer through the Manpower Training Program, worked hard the last week collecting overdue books . . . Eva Montes brought some cantaloupe to the library for us to eat . . . Mary Jo Smith brought her mother, Mrs. Donahoo from New York, in along with her children who had been staying with their grandmother all summer.

More donating books: Betty Parish gave up some of her music books . . . Jan Weatherford.

**Fishing license valid for year**

With this year's hunting and fishing licenses now available across most of Texas, the Parks and Wildlife Department reminds sportsmen that only the \$4.25 fishing license will be valid one year from the date of purchase.

PREVIOUSLY, the fishing license expired Aug. 31 along with hunting licenses.

Now, if a fisherman buys a license in May for instance, it will be valid until May of the following year.

Not so with the \$5.25 resident hunting or \$8.75 resident hunting and fishing combina-

tion licenses. They will continue to be valid from Sept. 1 of each year to Aug. 31 of the next year.

MRS. CHARLES BARKER  
... The former Juanita Wilhelm

## Miss Wilhelm, Barker exchange vows Saturday

Miss Juanita Wilhelm and Charles Barker exchanged wedding vows Saturday evening in a double ring ceremony in a nuptial mass in the Nazareth Holy Family Catholic Church. Father Stanley Crocchiola officiated at the ceremony which was read before an altar decorated with bouquets of white gladiolas and red carnations.

**THE BRIDE** is the daughter of Mr. and Mrs. James Wilhelm of Nazareth and the groom is the son of Mr. and Mrs. L. J. Barker of Pampa.

Alma Conrad provided the organ music and Pat Brockman was the soloist.

Given in marriage by her father, the bride wore a formal floor-length wedding gown of sheerganza and Chantilly lace over bridal taffeta designed with high Mandarin neckline, Empire waist, long bishop sleeves, and semi A-line silhouette with full back. Inserts of lace enhanced the neckline, bodice, sleeves and skirt. The full back of the gown ended in a sweeping chapel-length train. The veil matched the gown and fell from a coil of lace, seed pearls and sequins.

She carried a bouquet of a flowing cascade of white gladiolas, and red garnet roses.

**MAID OF HONOR** was Vicki Wilhelm, sister of the bride. Bridesmaids were Karen Book and Mary Lynn Wilhelm, also a sister of the bride. They wore red floor-length dresses with ruffles around the neckline and hemline and with self sashes. They wore floral headpieces of white and carried white bouquets of gladiolas.

Best man was Daniel Barker of Amarillo, brother of the groom. Groomsmen were Sam Pakan of Shamrock and Gene Young of Canyon.

Ushers were Gordon Wilhelm, Kerry Brockman, Bennie Stingley and Mike Charlton.

A reception was held in the Nazareth Community Hall following the ceremony. Guests were registered by Angie Wilhelm, sister of the bride, and punch was served by Evy Wilhelm, sister of the bride, and Cyrilla Brockman.

**THE BRIDE** is a junior at West Texas State University where she is majoring in political science.

The groom is a graduate of West Texas State University and plans to attend law school.

MRS. BERT ANDREWS  
... The former Myrtle Gipson

## Couple exchange vows Wednesday

Myrtle Gipson of Amarillo and Bert Andrews of Dimmitt exchanged wedding vows Wednesday evening in the Paramount Baptist Church of Amarillo.

**OFFICIATING** at the private double-ring ceremony was Rev. C. N. "Shad" Rue, pastor of Paramount Baptist Church.

The couple will make their home in Dimmitt.

## VFW NEWS

By GERALD BROADSTREET

Greetings Comrades,

After such a long absence I will try to get back in the groove once again. I've had good intentions all along but this has been one hectic summer. It has been an enjoyable one, though, hasn't it?

I know you have received in the mail your 1974-75 dues payment reminder from our national headquarters. Comrades, I hope you will respond to this letter at your earliest convenience. The VFW needs your help now and at the present this is how you can help the most, by paying your dues. If we can get 30% of our quota paid by the end of this month our post will receive a special "Fire Ball" citation from the Department of Texas headquarters in Austin. Let's all work for this award. I know we can do it.

OUR FIRST District 13 con-

vention was held at Littlefield Post 4854 on Aug. 10-11. Needless to say they did an outstanding job from start to finish as the compliments were many. Our Department Representative was State Senior Vice Commander David Stein. Comrade Stein gave a very informative report on the National Home in Eaton Rapids, Mich. Mr. Stein pledged his full support and offered his assistance to anyone that asked.

Representing the Ladies Auxiliary was State President Billie Rhoades of Amarillo. She sure is a nice person and a very capable and motivated leader. We are fortunate to have her as leader of our sister organization.

**COMRADES**, I would like to report to you on community projects and youth activities. During the Castro County Roundup week we worked with the other civic organizations and we conducted the Youth Bicycle Tour the same as last year. I didn't get to go on this one but I understand there were a few drop outs due to tire and mechanical failures.

Our local Ladies Auxiliary

under the leadership of President Florene Leinen conducted a bingo booth at the carnival during Roundup Week.

We've had two members donate blood for one of our comrades and we've had several members standing by to donate blood on a different incident. This is one of the appreciative things about the VFW. In time of need there is always a helping hand.

**DON'T** forget, people, every Wednesday night at the post home we conduct our Game Night activities. I hope you'll come out and be with us as things have been pretty exciting the past week or so. We get started at 8:30 but try to be there a little early if you have a favorite table. This is good clean fun for everyone so don't hesitate to bring the family with you.

**ACCEPTING** a child as he is, rather than comparing him to brothers and sisters, promotes a positive self-concept, according to Ilene Carrington, family life education specialist, Texas Agricultural Extension Service.

MR. & MRS. JAMES A. FEWELL  
The former Sheila Elaine Cook

## Miss Cook, Fewell wed in double ring ceremony

Miss Sheila Elaine Cook and James A. Fewell Jr. exchanged wedding vows Saturday in the First Presbyterian Church.

REV. ED Manning officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Howard V. Cook of Dimmitt and the groom is the son of Mr. and Mrs. James A. Fewell Sr., also of Dimmitt.

The bride wore a floor-length gown with white eyelet embroidery accented by a small gold cross necklace, a gift from the groom. She carried a bouquet of yellow and white daisy poms. She was given in marriage by her father.

Maid of honor was Kim Fewell, sister of the groom. She wore a floor-length dress of yellow dotted Swiss and carried a bouquet of yellow daisy poms.

Best man was Tim Fewell, brother of the groom. Ushers were Jerry Cartwright and Kenny Doss.

Organist was Mrs. L. C. Braafladt and selections included theme from "Love Sto-

ry", "Love Sweet Love" and traditional wedding selections.

A RECEPTION was held in the home of Mrs. Florene Leinen following the ceremony. The table was covered with a white linen cloth trimmed in white lace, with a table floral piece of yellow and white daisy poms centered in a silver bowl, cornered by white tapers. Other decorations carried out the bride's colors of yellow and white.

For the wedding trip to New Mexico the bride wore a floor-length blue brushed denim jumper, accented by blue and red embroidered denim accessories. She wore a white carnation corsage.

The bride is a graduate of Dimmitt High School and is employed in the bookkeeping department of Dimmitt 66, Inc.

The groom is a graduate of Coronado High School in Lubbock and attended Texas Tech University. He is employed with the Dimmitt Amstar plant.

The newlyweds will be at home at 703 Broadway, No. 4.

## Home and hobby

### Extension Assistant concludes work here

By IRENE KEATING

This is Glenda Price's last day here as Extension Assistant. We have all enjoyed her these last six weeks. She will be the Assistant Extension Agent in Stratford as of Sept. 1.

HOW DOES it feel to have your children in school again? Katrina was so excited about starting kindergarten. After school starts we can all get into a routine again.

The 4-H clubs and Home Demonstration Clubs are also meeting again. If you are interested in being in HD work or having your child in 4-H let me know.

COME TO the Fair! It'll be held Saturday, Sept. 7 at the new county exposition building. Adults as well as youth are eligible to enter this year. This will be fun for all of us, so make your plans to enter. Fair awards will be given at 2 p.m. Public viewing (and sale) of items will be after awards are announced. If you'd like an

entry sheet for the fair, let me know. Let's all participate in this event.

[Compiled from the County Home Demonstration Council's Community Birthday Calendar.]

- AUG. 30 — Bill and Jo Behrends.
- SEPT. 3 — Mr. and Mrs. Bob McLean.
- SEPT. 5 — L. V. and Lois Cole.

FEMININE blouses in soft fabrics — often combined with lace — continue to be a popular fashion item. Style features include soft bows at the neck, ruffles, gathers and large puff sleeves, according to Beverly Rhoades, clothing specialist, Texas Agricultural Extension Service.

MRS. DANIEL W. SKINNER  
The former Katheryn G. White

## D. W. Skinners at home after Aug. 3 nuptials

Mr. and Mrs. Daniel W. "Skip" Skinner are at home in Lubbock following an Aug. 3 wedding in St. Paul's United Methodist Church of Garland.

REV. PHIL Mercer of the Lewisville First United Methodist Church officiated.

The bride, the former Katheryn G. White, is the daughter of Mr. and Mrs. G. L. Ingram of Garland and the groom is the son of Mr. and Mrs. Weldon Skinner of Dimmitt.

The bride was given in marriage by her great-uncle, A. J. Daugherty.

Matron of honor was Mrs. Beth Jewell and bridesmaids were Jane Skinner, Marion Vance and Yvonne Darnell. Shelly Seastrunk was flower girl.

David Skinner was best man and groomsmen were Larry Jewell, Jerry Brian and Johnny Childress.

Brenda Bryant was organist and Larry Jewell and Jerry Brian sang "The Wedding Song." The bridegroom sang "For Baby" as the bride entered the sanctuary.

USHERS were Mike Phenelle, Tommy Britain and Steve Britain. Acolytes were Doug

Britain and David Mercer. Members of the reception houseparty included Katy Cantrell, Margaret Brown, Robin Seastrunk, Lisa Nichols, Barbara Jo Hall, Elle Holmes, Cathy Mercer and Cherry Maitland.

The bride is a 1970 graduate of South Garland High School and is a senior at Texas Tech University.

The groom is a 1970 graduate of Dimmitt High School and is also a senior at Texas Tech. Both are employed by Texas Instruments.

NO ACCIDENTS are so unlucky but that the wise may draw some advantage from them; nor are there any so lucky but that the foolish may turn them to their own prejudice.

— Rochefoucauld

Castro Lodge AF & AM 879. Regular meeting, 3rd Monday. Practice every Thursday, Walter B. Jones, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

THE PLACE TO GO!

# Split duck, goose season slated for Texas in 1974

A second consecutive year of split duck and goose season was set for most of Texas by Parks and Wildlife Commissioners in their August meeting.

ACTING within federally approved migratory waterfowl hunting frameworks, the commissioners established a 65-day duck season in the High Plains Mallard Management

Unit of Texas for Nov. 4-24 and Dec. 7, 1974 - Jan. 19, 1975.

The High Plains Mallard Management Unit is defined as that part of Texas lying west of a line from the International Toll Bridge at Del Rio, northward along US Hwy. 277 through San Angelo to Abilene, along State Highway 351 from Abilene to Albany and US Hwy. 283 from Albany to Vernon, and easterly along US Hwy. 183 to the point of intersection with the Texas-Oklahoma line in Wilbarger County.

A 58-day duck season was set for the rest of Texas: Nov. 9-24 and Dec. 9, 1974 - Jan. 19, 1975.

THE 100-plus point system was modified somewhat for this season:

- 100-point ducks - Canvasbacks and redheaded ducks.
- 70-point ducks - Mallard hens, wood ducks and hooded mergansers.

- 15-point ducks - Bluewing and cinnamon teal, pintails, widgeons, gadwalls, scaups, shovelers and mergansers except hooded.
- 35-point ducks - All other species and sexes (to include mallard drakes, greenwinged teal and mottled ducks).

The season remains closed on New Mexican ducks, black-bellied and fulvous tree ducks.

As was the case last year, canvasbacks and redheads may not be hunted in the coastal counties of Aransas, Brazoria, Calhoun, Cameron, Chambers, Galveston, Harris, Jackson, Jefferson, Kenedy, Kleberg, Matagorda, Nueces, Refugio, San Patricio and Willacy.

FOR THAT portion of Texas lying east of US Hwy. 81, commissioners set a 72-day goose season to run Oct. 28 - Nov. 24, 1974; Dec. 7, 1974 - Jan. 19, 1975.

Bag and possession limits for

this eastern portion of the state are five geese to include not more than one Canada or one white-fronted goose.

The possession limit can include no more than two Canada geese or one white-fronted goose, or one of each.

In that part of Texas to the west of US Hwy. 81, an unbroken 93-day season was set for Oct. 19, 1974 - Jan. 19, 1975. A daily bag limit of two birds was set; possession limit of four geese to include not more than one Ross' goose.

Sandhill or little brown crane seasons remain much the same as last year for the two parts of northwest Texas in which they can be hunted.

An Oct. 26 - Jan. 26, 1975, season was set for that part of the state lying west of a line running from the International Toll Bridge at Del Rio, northward along US Hwy. 277 to its junction with US Hwy. 87 at San Angelo, northwesterly along US Hwy. 87, including all of Howard and Lynn Counties, to its junction with US 287 at Dumas; northwesterly following US 287 to the point of intersection with the Texas-Oklahoma line in Dallam County.

NOV. 30, 1974 - Jan. 26, 1975, was established for hunting sandhills in that area of the state west of a line from San Angelo along US Hwy. 277 to Abilene, then along State Highway 351 from Abilene to Albany and US Hwy. 283 from Albany to Vernon, easterly along US Hwy. 183 to the point of intersection with the Texas-Oklahoma state line in Wilbarger County; and east of a line from San Angelo along US 87 excluding all of Howard and Lynn Counties, to the junction of Highways 87 and 287 at Dumas, and then along US Hwy. 287 from Dumas to the Texas-Oklahoma line in Dallam County.

Sandhill bag and possession limits are three and six respectively.

Coot seasons will run parallel to the respective duck seasons; bag limit is 15, possession limit is 30.

## Florida bass prosper in state P&W project

It's been some two years now since the first of the highly touted Florida bass were stocked in selected Texas waters.

HOW ARE they doing? Charles Inman, Florida bass project leader for the Texas Parks and Wildlife Department at Tyler has filed two reports on the fish with some very preliminary but promising information.

For control purposes, several private lakes across different ecological zones of Texas were stocked with pure strains of Floridas, native Texas large-mouths and hybrids of the two.

INMAN REPORTS on the results from one Anderson County pond after 12 months of study:

"Seventy-five each of the three largemouth strains were stocked in the test lake in March 1973," according to his report.

INMAN MARKED all the three strains of fish with a blue dye he injected into soft membranes of the lower jaw. Hybrids were marked on both membranes, Floridas on the right and Texas bass on the left membrane.

"Fishing was prohibited during the study period. On April 2, 1974 an investigation was made to compare growth rates of the three basses."

INMAN AND his crew found few significant differences in the growth rate of the three basses but discovered a very significant difference in weight.

"Both the Florida and hybrid basses increased in weight at a faster pace than did the Texas fish. The Florida and hybrid basses are heavier than the Texas bass at comparable lengths."

The comparison is based on only one pond and one year of growth, but Inman and other fisheries biologists are pleased with the results.

The same biologists, however, say that it will take from six to eight years of study to get firm data on the differences between the three fish.

Back in May 1972, Florida bass were stocked in four private lakes while Texas/Florida hybrids were released in another four lakes. Both Floridas and hybrids were approximately two inches long at release.

ONE spectacular, but probably atypical, Florida fish was pulled from another private test lake in Anderson County. After 21 months, biologists found a 19-inch, six-pound fish.

The largest Florida/Texas hybrid bass after 21 months of growth in another test lake was an 18 1/2-inch fish weighing 4.6 pounds.

In 1974, the Texas Parks and Wildlife Department stocked 779,350 Florida bass in seven public Texas lakes: Benbrook, Calavaras, Halbert, Houston County, New Martin Creek, Mexia and Winnsboro.

GEORGIA BASS, another seemingly distinct strain of large bass, have not been placed in any public waters as yet and no field work has been done by the department.

Georgia brood bass are being held at the TP&WD's Jasper Hatchery and some small fish are in the raceways of the Tyler Hatchery.

The small Georgia fish might prove to be easier to work with from a hatchery standpoint than the Floridas since they aggressively take commercially prepared food.

STOCKER cattle on farms and ranches in Texas July 1 were estimated at 6,447,000 head compared to 5,495,000 on the same date in 1973.

EVERY one desires to live long, but no one would be old. -Swift

**On Wall Street**  
By Bob Hill  
Lentz, Newton & Co.

Several columns ago I commented on a new practice by some mortgage lenders in the Milwaukee area of slipping a sliding-scale interest rate clause into conventional new-home loans. No one thought much about it until the money crunch hit. Then the interest rate went up on a number of home loans and the screams of unhappy homeowners were heard all the way to Washington.

ONCE AGAIN the proposal has been made by the head of the Federal Home Loan Bank that variable interest rates be used on home mortgages. The variable interest rate proposal was made two years ago and received such a violent congressional reaction at that time that it was quickly withdrawn. The objectionable part then, as now, was whether the proposal would result in a loss of home equity by older couples, especially those with fixed incomes. The proposal could lead to a rise in home mortgage interest costs of as much as 2 1/2% over the life of a mortgage.

The variable interest rate proposal is being offered as a

possible solution to the heavy drain of depositors dollars out of savings and loan associations and into other higher yielding short-term investments. Time was when a government ceiling on how much a savings and loan could pay depositors helped keep home mortgage rates down. But not any more. The average effective interest rate on conventional new-home loans has hit an all-time high of 9%, up from 7.8% just a year ago. So, in spite of government ceilings on the amount of interest which savings and loan depositors may receive, mortgage interest rates continue to flee the thrift institutions.

Better than 60% of the country's housing money comes from thrift institutions where the small investors put their savings. Congress is aware of the right of the small investor to get an attractive return on his savings. By holding down interest rates on savings and loan deposits, the government in effect is forcing the small investor to subsidize the home-buyer at a rate of return of 7 or 7 1/2% when the current rate of inflation is over 10%.

## Mrs. Preiskel elected to Amstar board post

Amstar Corporation today announced the election of Barbara Scott Preiskel to its Board of Directors. A graduate of Wellesley College and Yale Law School, Mrs. Preiskel is Vice President and Legislative Counsel of the Motion Picture Association of America, Inc.

MRS. PREISKEL is also a director of Jewel Companies, Inc., Chairman of the Board of the Wiltwyck School for Boys, and a board member of the Federation of Protestant Welfare Agencies and the New York Philharmonic.

From 1968 to 1970, Mrs. Preiskel served on the President's Commission on Obscenity and Pornography, and she is now a member of the Executive

Committee of the Association of the Bar of the City of New York.

She is married to Robert H. Preiskel, a New York lawyer, and the Preiskels have two sons.

ON AMSTAR'S twelve member board, Mrs. Preiskel succeeds Stephen S. Gardner who resigned July 31, 1974, upon his appointment as Deputy Secretary of the Treasury of the United States.

Amstar is the nation's largest manufacturer of sugar and sugar products, sold under the DOMINO® and SPRECKELS® labels, with other activities in corn sweeteners, industrial equipment and paper and food service products.

**34 may die on highways during Labor Day weekend**

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, estimated that traffic accidents in Texas over the Labor Day Weekend will claim 34 lives.

SPEIR NOTED that traffic deaths in Texas, which earlier were running up to 30% under the 1973 toll, have been rising throughout the summer months. He said the upward trend is related to heavier traffic and an alarming disregard for the 55 mile speed limit.

The DPS director said every effort would be made to prevent accidents and deaths by placing all available DPS troopers on duty during the holiday period which extends from 6 p.m. Friday, Aug. 30, through midnight Monday, Sept. 2.

Speir noted that many local law enforcement agencies will be cooperating in the all-out effort to make the streets and highways safe.

In addition, he said the DPS would be working with the news media in a special public education program called "Operation Motorcade." A concerted effort will be made to focus public attention on where and why fatal accidents are occurring during the holiday.

**Make a clean cut choice for quality from Hesston's three forage harvesters!**

Now you can match your capacity requirements, horsepower availability and crop program with a Hesston Forage Harvester that's just right for you. For up to 80 tons per hour and 150 horsepower drive train, choose the Hesston 2000-150. For up to 60 tons an hour and 100 horsepower drive train, choose the Hesston 2000-100. And, Hesston's new, medium-duty Model 7020 gives you matched efficiency for up to 45 tons per hour and 35 to 85 horsepower.

All Hesston forage harvesters feature a "Heart of Steel" with six knives angled across the cylinder. Zero clearance between knives and shear bar give a sharp, clean cut (like scissors) instead of a chopping action. The result, the highest ratio of capacity to horsepower and a precise, uniform length of cut.

Take a close look at your requirements and then take a closer look at a Hesston. A complete selection of headers gives the versatility to match your crops and you don't need to be overpowered—by capacity or price!

THE BETHEL CHICKEN FRY Thursday night featured a bountiful table of festive foods. The main dish was chicken deep-fried in an old cast-iron wash pot, but the fresh vegetables, fruits, melons, salads, cobbblers and cakes also helped bring everyone back for seconds. Here, children of the Bethel community are the first to learn what tough decisions are required along the outdoor buffet.

### DPS to use all facilities to cut holiday death toll

"It is indeed tragic that so many men, women and children will become victims of motor vehicle accidents this last holiday weekend of the summer when thousands of motorists traditionally take to the highways for an outing," Major C. W. Bell, Regional Commander of the Texas Department of Public Safety, said.

BELL SAID the DPS will use all facilities and personnel at its disposal in an effort to reduce the predicted death toll. A special "Operation Motorcade" will be activated at 6 p.m. Friday, Aug. 30, and continue through midnight Monday, Sept. 2. During this period, all

uniformed DPS officers and equipment will be used on the highways to enforce traffic laws.

During the holiday period the DPS will tabulate each traffic death, and the totals will be announced three times daily in order to call public attention to the highway dangers.

"More people are killed in Texas each year in traffic than are killed in all the United States by murder and homicide," Bell continued, "and the deaths are just as senseless, as needless and as tragic, but not nearly as well publicized."

"Psychologists say that one reason the general public fails to take positive action in matters of traffic safety is due to a lack of personal identification with the problem. It might behoove all drivers in our state to stop and consider that they have less than a 50-50 chance to go through their driving career without being involved in a traffic mishap, or without incurring injury to themselves or one of their family. The more than 1,550 persons killed in traffic crashes on Texas streets and highways this year had no idea that they would be involved in an accident either."

"IN THE FINAL analysis traffic safety must rest on the shoulders of every person who gets behind the steering wheel of a car. With the proper attitude of alertness and with the acceptance of responsibility, we can see positive results in our attempts to halt the increases in the number of traffic mishaps," Major Bell concluded.

OF ALL the tie racks ever made, we have yet to see one that beats a doorknob.  
— Terry McDonald

**GT is here!**  
with a G-T dryer...  
you can reduce field losses  
and improve grain quality!

**GT TOX-O-WIK® CONTINUOUS RECIRCULATING GRAIN DRYERS**

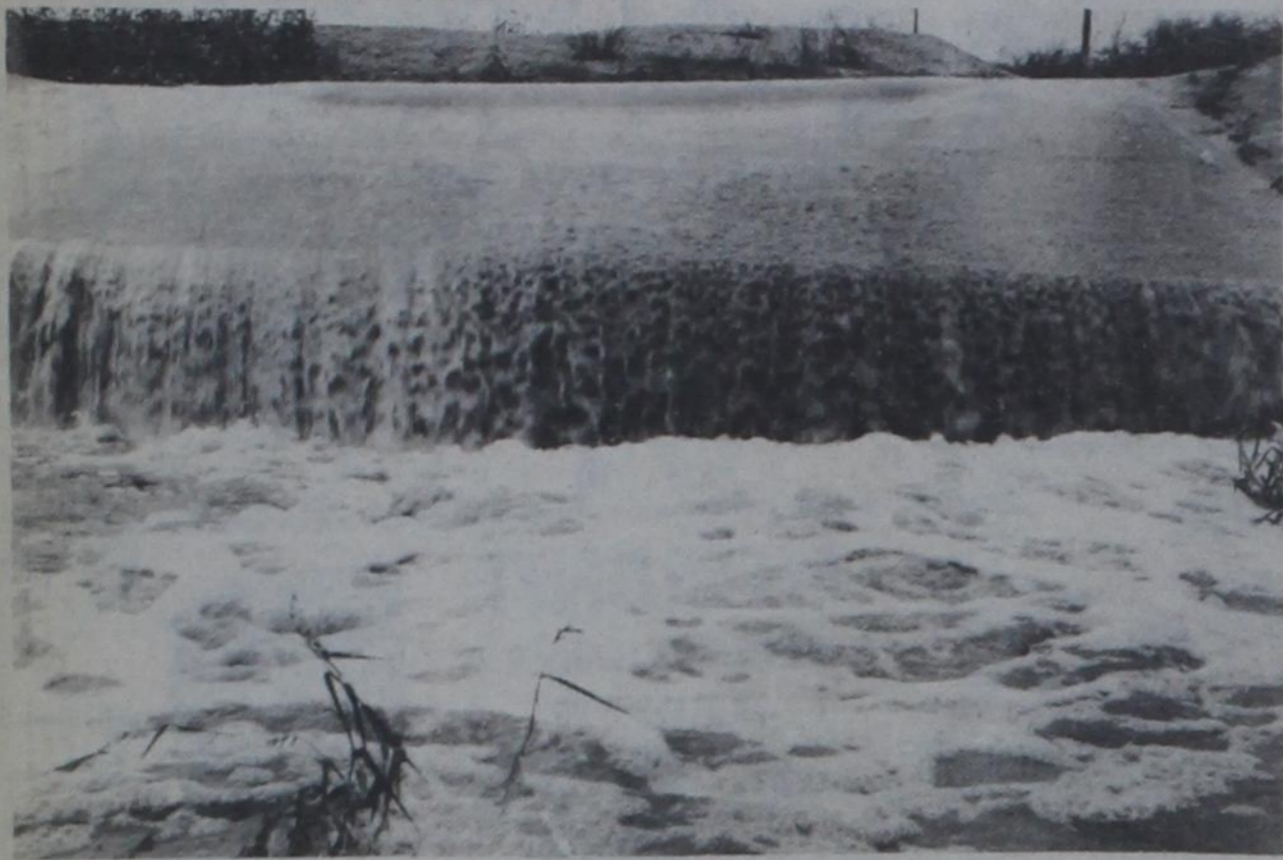

G-T DRIES GRAIN FASTER AND MORE ECONOMICALLY!

G-T Grain Dryers will help you save far more grain and have better quality grain—enough of both to be a high-yielding investment. You have field losses of at least 5 per cent while waiting for grain to field dry after it matures even if weather is ideal. During this waiting period, you can have losses up to 100 per cent from wind, hail, rain, snow, insects, birds, lodging and other hazards. Low harvest-time prices for grain too wet to store can cost you plenty too.

When you have a G-T Dryer, you prevent field loss and improve grain quality for a much smaller investment. You dry for less and dry faster. You dry automatically so you can continue harvesting as you dry. Come to see G-T soon at our place!

## VETERANS' SERVICES

By BEDFORD W. SMITH  
County Service Officer

Many Vietnam Era veterans are unaware of their entitlement to back pay for active military service between Oct. 1, 1972 and Jan. 1, 1973. A recent Federal court decision ordered the Federal Government to pay a salary differential of approximately 6.14% to all military

personnel and veterans who served on active duty between these dates. Military personnel still on active duty will receive the pay automatically, while the veteran whose active duty terminated after Oct. 1, 1972 will have to apply for the pay. Veterans should make out a back pay claim — a short letter is all that is necessary. It should include name, Social Security number, military service number if one was assigned, rank, current mailing address, date separated from service, and duty station between Oct. 1, 1972 and Jan. 1, 1973. This information should be forwarded to the following (depending on the branch of service):

ARMY: Commanding General, US Army Finance Support Agency, FINCS-A, Indianapolis, Ind. 46249.

NAVY: Commanding Officer, Navy Finance Center, Anthony J. Celibresse, Federal Building, Cleveland, Ohio 44199.

AIR FORCE: Air Force Accounting and Finance Center, AFC, 3800 York St., Denver, Colo. 80205.

MARINE CORPS: Finance Center, Examination Division, Kansas City, Mo. 64197.

COAST GUARD: Commandant, US Coast Guard, G-FPA-2/71, Washington, D.C. 20590.

THE FOLLOWING excerpt from the Texas Veterans Affairs Commission Aug. 15 Bulletin points out the following information about Public Law 93-82, approved Aug. 2, 1973, which liberalizes the health care program for veterans and

their dependents.

"One very important aspect of the law pertained to eligibility for hospital or nursing care. Prior to the passage of the law, peacetime veterans under the age of 65 with service before Jan. 31, 1955, were not eligible for hospital care unless they were receiving disability compensation. The VA may now furnish hospital care to any veteran if he is unable to defray the expenses of necessary hospital care. Eligibility for VA domiciliary care was not changed."

"As outlined in paragraph 610 of Title 38, U.S.C. the VA may furnish hospital or nursing care to the following:

- 1) Any veteran for a service-connected disability.
- 2) Any veteran for a non-service-connected disability if he is unable to defray the expenses of necessary hospital care.
- 3) Any veteran whose discharge or release from active military, naval or air service was for a disability incurred or aggravated in line of duty.
- 4) A person who is in receipt of, or but for retirement pay, would be entitled to, disability compensation.
- 5) Any veteran for a non-

service-connected disability, if such veteran is 65 years of age or older."

IT FURTHER stated under the same paragraph, that the VA may furnish domiciliary care to the following:

- 1) A veteran who was discharged or released from the active military, naval or air service for a disability incurred or aggravated in line of duty, or a person who is in receipt of dis-

ability compensation, when he is suffering from a permanent disability or tuberculosis or neurophysiatic ailment and is incapacitated from earning a living and has no adequate means of support.

- 2) A veteran of any war or of service after Jan. 31, 1955 who is in need of domiciliary care, if he is unable to defray the expenses of necessary domiciliary care."

# Mrs. King helps mother celebrate 99th birthday

By TEENY BOWDEN

Mrs. Lillie King returned home from Amarillo Tuesday night after helping her mother Mrs. F. M. Sweeney celebrate her 99th birthday Tuesday. All her children were with her for

the day, and most of her grandchildren. She is well and active and enjoyed her birthday cake, the flowers, telephone calls, presents and cards. She wishes to take this means of thanking all her friends at Sunnyside for their birthday cards which meant so much to her, and for the telephone calls of Mrs. Embree Roy Sadler and Mrs. Howard Bridges of Dimmitt.

MRS. LILLIE King missed the graduation exercises of her grandson Mike King last weekend in order to be with her mother on her birthday and help prepare for it. Mike received his Doctor's degree in education at North Texas State University at Denton at the age of 28. He and his wife teach at Richardson.

Thomas Parson was dismissed from Deaf Smith County Hospital in Hereford Thursday

morning. They attended the production of "Texas" in Palo Duro Canyon Thursday night.

Mrs. Jimmy Waggoner was dismissed from Central Plains General Hospital in Plainview Wednesday. She stayed with her mother until Friday when she came home.

Lee Brown, quarterback for the Springlake-Earth varsity football team, suffered a slight concussion Friday night in their scrimmage with Silverton at Silverton. He was admitted to Plains Memorial Hospital in Dimmitt and dismissed Saturday.

EMBREE ROY Sadler killed a 35-inch long rattlesnake in the flower bed at the Gale Sadler home Tuesday morning. It had seven rattles and a button. The dogs alerted Cindy Sadler to something wrong and when she saw it was a rattlesnake she jumped on the trampoline and tried to kill it with a stick. It stood up on its tail as it tried to get to her.

Mr. and Mrs. Gerald Graham, Tommy and Michael returned home from their vacation in Ohio Tuesday night. On the way up they saw the "Stephen Foster Story" pageant at Bardstown, Ky. near Lewisburg. They spent most of the time at Coshocton, Ohio with her parents who celebrated their 40th anniversary last Sunday. They also visited other relatives and friends. Mrs. Mildred Mozena, Tommy and Dennis of Adamsville, Ohio came home with them for a visit and to visit with her parents Mr. and Mrs. John Graham.

Rev. and Mrs. Mack Turner, Mr. and Mrs. Roy Phelan and Mr. and Mrs. Hershel Wilson attended the Llanos Altos Associational meeting at Enoch's Baptist Church Monday night. They visited with Rev. and Mrs. Gardner and family of Circleback after the meeting.

The trace of rain received Tuesday night turned into a rainy week with an official total for the week of 4.40 inches. L. B. Bowden recorded 4.55 two and one-half miles north of

Sunnyside.

PETE TURNER of Dallas visited Tuesday through Friday with his brother Rev. Mack Turner and Mrs. Turner.

In a called business meeting Wednesday night Roy Phelan was elected Sunday School Director for another year, Milburn Haydon was elected Training Union Director, Lee Brown assistant Training Union Director, Mrs. Thomas Parson WMU Director, and Hershel Wilson Brotherhood Director.

Mr. and Mrs. Gale Sadler, Cindy and Susan visited Wednesday through Sunday in Mount Vernon, Mo. with her father Mr. E. E. Lewis and other relatives.

Mr. and Mrs. Hershel Wilson, Mr. and Mrs. Alton Louder, Mrs. Embree Roy Sadler and Mrs. L. B. Bowden represented the Sunnyside Baptist Church with a program in song Thursday afternoon at South Hills Manor Nursing Home. Hershel Wilson led the singing and sang some specials also. Mrs. Alton Louder played the piano.

MR. AND MRS. M. H. Fowlkes and Mrs. Katie Herriage of Lubbock visited Monday and had dinner with Mr. and Mrs. Embree Roy Sadler. The Fowlkes also visited last Saturday. Mrs. Herriage visited with them again Wednesday morning.

Mrs. Ila Haydon returned home last Sunday night from a week's visit in Weatherford with relatives and friends.

Brenda Lefevere came home from Lubbock Wednesday for a

week's vacation between semesters. Martin Lefevere graduated from Tech at the end of the summer semester.

Mr. and Mrs. Ray Joe Riley and Jodie and Kevin and Mrs. Gerald Graham, Tommy and Michael attended the Lamb County 4-H Fair in Littlefield Saturday. Kevin, Tommy and Michael had several things on exhibit in the fair.

MR. AND MRS. Robert Duke attended a church related program in Lubbock Wednesday night.

Sandra Duke returned home last Sunday from a vacation in Red River with three girl friends.

Bill Lucas of Baton Rouge arrived last Friday to join his wife Joan for a visit with her parents Mr. and Mrs. Ed Dawson, Marian and Clint. Mr. and Mrs. Lucas spent Tuesday through Saturday at the Cleavenger cabin at Tres Ritos. They attended the church services with the Dawsons Sunday morning. Mrs. Lucas is showing daily improvement toward complete recovery.

Mr. and Mrs. Myles Sadler, Gregory and Amy of Lubbock spent Saturday and Sunday with Mr. and Mrs. Embree Roy Sadler. Mr. and Mrs. Jack Wolf of Vega and Mr. and Mrs. Ercell Keeler of Hale Center visited Sunday afternoon with them.

Mrs. Cecil Curtis visited in Petersburg Thursday and spent Thursday night with her parents Mr. and Mrs. M. E. Stephens.

FRIENDS AND relatives are invited to a baby shower for Mrs. Jim Lawson (Cindy Elkins) Sept. 7, 3 to 5 p.m. in the home of Mrs. Raymond Lewis, West Highway 70, Olton.

Rev. and Mrs. Mack Turner visited in Borger Friday and Saturday with her sister Mr. and Mrs. O. D. Ennis and children. They met the evangelist, Rev. M. E. McGlamery of Las Vegas, Nev., at the plane in Amarillo on their way home. He will be their house guest for the revival which began Sunday.

Rev. and Mrs. Dan Schaeffer and children of Plainview were present for the Sunday revival services and they and about fifteen families had dinner together at the church Sunday.

Sandra Duke moved to Amarillo Saturday to be ready to enroll in Amarillo College next Thursday.

Bob Duke returned to Tech Tuesday to begin his job as a resident assistant at Sneed Hall Dorm as students prepare for the fall semester.

Mrs. Mack Turner attended a teacher's meeting in Amarillo Wednesday.

Baptist Men met Tuesday night for their regular meeting. Baptist Women had Bible study Wednesday.

MR. AND MRS. Roy Phelan celebrated their 30th anniversary Sunday with a family dinner at the community building. Those present were Mr. and Mrs. H. F. Moore, Jackie and Nelda, Mr. and Mrs. Larry Moore and Nikki, Mr. and Mrs. Donnie Moore, Mr. and Mrs. Bobby Moore, Greg and Kelly, Mr. and Mrs. Monroe Sosebee and Leslie, and Mr. and Mrs.

partment mowing the park Tuesday found money bags, checks and receipts taken in the Amarillo Toot 'N Totum store last Saturday. Castro County sheriff's officers recovered the loot stashed here in the roadside park.

**DHS season ticket sales continuing**

The sale of season tickets for Dimmitt High School's home games is now underway.

SEASON tickets, which guarantee reserved seats in the west stands for all five games are \$11.25 each.

Last year's season ticket holders will have first option on reserved seats through Sept. 3. Seats will then be allocated on a reservation basis according to Supt. Charlie White.

"If you had season tickets last year and want the same seats this year, you need to come into the school administration office and buy them by Sept. 3," said White. "If you didn't have season tickets last year but want them this year, you should call 647-3101 to get your name on the reservation list."

**Dimmitt students recognized at Tech**

A total of 15 Texas Tech University students from Dimmitt were recognized for academic achievement during the spring semester and were listed on the deans' honor rolls.

INCLUDED on the honor rolls were Jerry Matthews, Robbie Baldwin, Marian Dawson, Barbara Hansen, Deborah Hansen, Fredrick Langford, Marla D. Mayfield and Steven Smith.

Also Robert C. Armstrong, Rickey Battles, Janet Tuggle, Larry Langford, Pamela Barker, Marilyn McLeroy and Deborah Wilson.

To qualify for the recognition, students must achieve a grade average of 3.0 on a 4 point scale.

Letter to the Editor

Dimmitt lauded for BR tourney

Editor, Castro County News, May I take this avenue of congratulating the city of Dimmitt for the successful 13 year old Babe Ruth baseball tournament that you were host this year.

Mr. Bill Birdwell and others that I am unable to name at this time that put forward a great effort in making this tournament the success that it was.

As you probably already know Dimmitt will be host to our district Jr. Baseball tournament for 1974 involving boys that are 14 and 15 years of age. Through the effort that was exhibited this year I know that this tournament will also reach the highest level of success.

Wheat allotment notices mailed

By CHARLEY E. HILL
County Executive Director

WHEAT ALLOTMENTS
1975 Wheat Allotment Notices were mailed to all known operators on Aug. 9, 1974. If you will operate a farm in 1975 and did not receive the notice please check with us. The County Allotment was reduced and each farm allotment was reduced the same percentage. BURNING OF CROP RESIDUE
The Texas State ASC Committee has determined that any deliberate burning of any annual crop residue other than Flax violates reasonable conservation principles and will be considered a practice tending to defeat the purpose of the 1973 REAP and the 1974 RECP

FAILED ACREAGE
Cotton or feed grain acreages that have been planted but failed must be reported or inspected by an appraiser prior to

Rites held Sunday for Bobby J. Lamm

Funeral services were conducted Sunday afternoon in the First Baptist Church in Perryton for Bobby Joe Lamm, 44, brother of Mrs. Joy Barker of Dimmitt. Mr. Lamm died of an apparent heart attack Friday afternoon at Ochiltree General Hospital.

MR. LAMM was a native of Sayre, Okla. and had been a resident of Perryton since 1957. He was employed by Equity Elevators there.

making other use of the land or crop. This means that you must report and have an appraisal made before grazing, plowing or baling grain sorghum or corn.

PAYMENT LIMITATION
Payments under both deficiency and disaster programs are limited to a total payment of \$20,000 to any one producer for all programs in 1974.

You who have not done so are requested to complete the form mailed to you sometime ago and return it to the ASCS Office. If you have any questions come by and let us help you.

HOLIDAY: This office will be closed Monday, Sept. 2, 1974 in observance of Labor Day.

THOUGHT: We should be content with what we have, but never with what we are.

Secretaries hold installation tea

The Deaf Smith-Castro Counties Legal Secretaries Association held an Installation Tea last Thursday in the Community Room of the First National Bank of Hereford.

MR. D. WESLEY Gulley, a Hereford attorney, installed the following officers: President Mildred Sheffy; Vice President, Mabel Caffey; Recording Secretary, Mildred Fuhrmann; Corresponding Secretary, Margaret Buntyn; Treasurer, Karen Smart; NALS Representa-

tive, Ruth Wynne; and Governor, Barbara Wheat.

These officers will serve for the fiscal year ending April 30, 1975.

Mr. Gulley addressed the group giving a short resume on the purposes and aims of the organization, including the Code of Ethics, and the duties of each of the officers.

HAYS HAS IT:

DUMP CHIEF

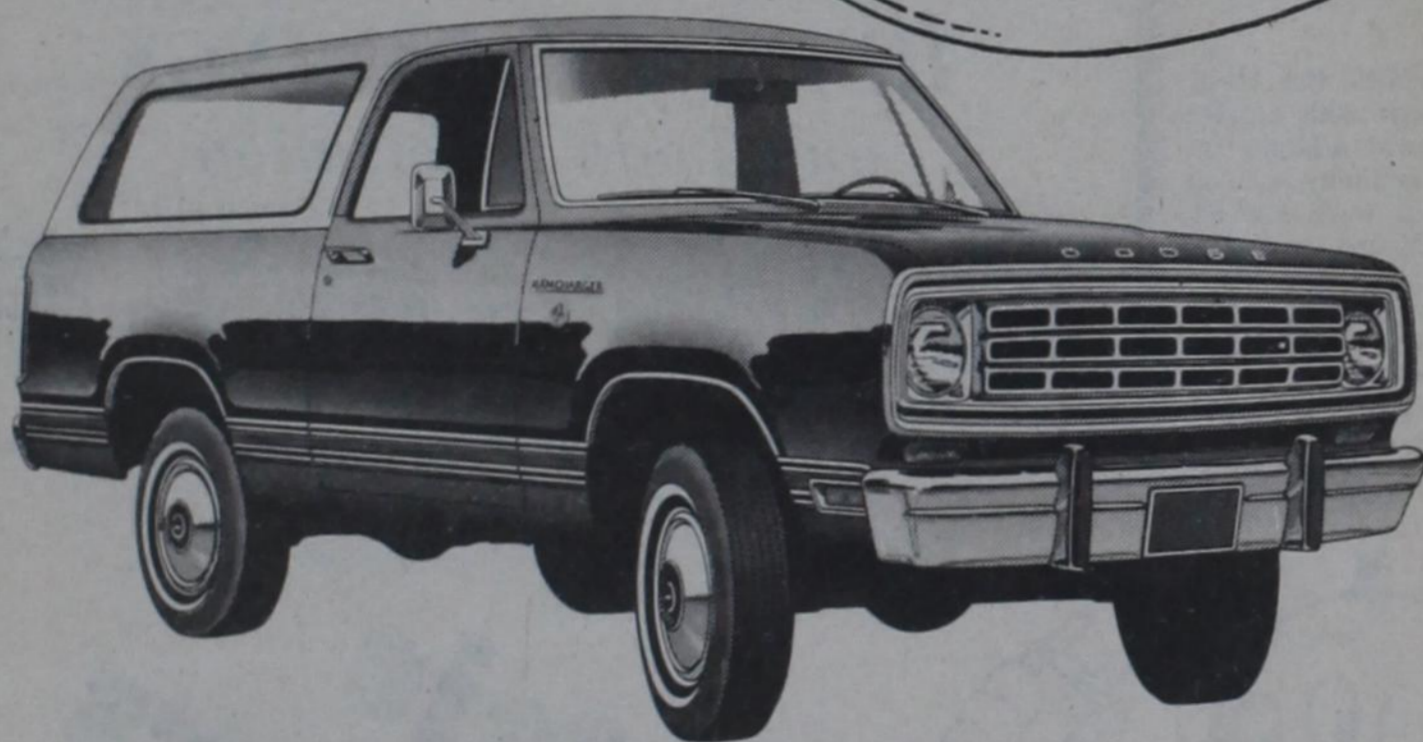

The new GT LOW-PROFILE ALL PURPOSE HYDRAULIC DUMP BOX is the most unique forage wagon available. With greater capacity, the all hydraulically operated side dump forage wagon carries 8 to 9 tons of forage in the 600 cubic foot dump box.

It's a proven money and labor saver because it eliminates extra men and trucks. Use the side dump forage box for almost any crop, especially alfalfa and other silages. The wagon follows the forage cutter and virtually eliminates crop loss due to wind and spillage.

HARD FACTS ABOUT OUR DODGE BOYS' 1974 MODEL CLEARANCE.

DODGE RAMCHARGER CLEARANCE!

FACT: IT HAS NEW FULL-TIME FOUR-WHEEL DRIVE.

Ramcharger was built for people who like to get off the beaten path but don't want to be bothered shifting in and out of four-wheel drive or getting out to lock or unlock the front wheel hubs.

FACT: IT HAS ELECTRONIC IGNITION.

Like all our American-built cars and sport/utility vehicles, Ramcharger comes with money-saving Electronic Ignition.

FACT: IT GIVES YOU A WIDE CHOICE OF OPTIONS AND ENGINES... EVEN TOPS.

Your new Ramcharger can have power steering, AM/FM radio, automatic speed control, air conditioning, clock or tachometer, and more. You can get a four-speed transmission with three different V8s (including the standard 318 V8). Ramcharger has a choice of tops, including one with a power-assist liftgate that practically lifts itself. In short, Ramcharger has it all, and that's a fact.

Who gave Dave Flake modern equipment to install in your home?

Continental Telephone did... with your help.

Your telephone is a vital part of your daily life you can take for granted because Continental people, like Dave, don't.

Continental reinvests your revenues to provide installers, like Dave, with the equipment, tools and transportation to fill your requests for new phones. Dave's busy all day long installing telephones and making repairs. When he's in your home, he listens to you, and we listen to him.

Dave isn't the only one you can talk to about your phone service. We have given someone at the business office the very important job of listening to you because we want your comments.

New phones and solving your problems are parts of Continental Telephone's continuing planned program to upgrade service everywhere as we work toward our goal of providing you the best service at the lowest rates.

DAVID LAND [LEFT] AND ALTON FIELDS  
Return to Dimmitt as coaches

## Second-generation coach, DHS grad join grid staff

Two young men who frequented Dimmitt's football field and gyms in earlier days have returned as coaches.

THEY ARE Alton Fields, 29, and David Land, 23.

Fields is probably the first second-generation coach Dimmitt High has ever had. His father, Leo Fields, was the head coach here from 1952 to 1956.

As an elementary student here, Fields traveled many a mile with the Bobcats and Bobbies — including trips to state basketball tournaments in Austin. He put on his first pair of shoulder pads at North Elementary, and played a year of junior high ball here before his family moved to Kress in 1958.

Fields made a name for himself in athletics while playing under his father at Kress High School. He became an all-regional and all-South Plains center and linebacker, and was chosen for the Texas Coaches Association All-Star Football Game. He also played basketball for the Kangaroos and qualified for the regional track and field meet in three events.

After graduating from Kress High School in 1963, Fields entered Abilene Christian College, where he played football as a freshman. But he transferred to West Texas State University the next year to major in physical education.

As a college senior he received an emergency teaching certificate and coached a year at Idalou. But before he could get back to college, he was drafted into the Army.

He spent a year in Vietnam before being separated from active duty as a staff sergeant in April 1970. He returned to WTSU and received his BS degree that summer. Then he spent four years as a line coach at Lockney, going back to college during the summers. Last year he received his master's degree in secondary education.

He coaches the Bobcats' offensive line and shares junior varsity coaching duties with Land.

Fields is married to the former Janie Murphy of Pampa. Mrs. Fields teaches second grade in South Elementary.

LAND IS familiar to all Dimmitt fans who followed Bobcat football or basketball in the late 1960s. He was an all-regional player two years in both sports here. And he'll help coach both sports here.

"I'm glad to be back," Land said. "I couldn't think of any place I'd rather start coaching. I'm going to get to do a little of everything here this year."

Land started at fullback for the Bobcats as a sophomore and earned honorable mention in both the all-district and all-South Plains selections. As a junior he was ranked as the top Class AA fullback in the region, and also was named to the all-South Plains basketball team as a guard. He repeated at both positions his senior year.

Land was a member of one of the finest basketball teams DHS ever produced, the 1969 Bobcats, who were upset by Crane in the regional championship game.

He attended Clarendon Junior College on a basketball scholarship, and started at guard two years. Then he transferred to West Texas State University and switched sports, playing fullback for the Buffa-

By DON NELSON

The Castro County Roundup is the longest — and, I think, one of the best — annual celebrations in the Panhandle.

BUT IS it getting too long, and too expensive for the average Joe?

We're the only county that goes eight days with it," Jo Behrends commented at the final pre-Roundup planning session. "Every other town or county has three days, and that's it."

In its October "mop-up" meeting, the County Activities Committee (that includes you, if you're there) will consider splitting the annual merry-making into two or three separate events during the year. That's the way it was until the Diamond Jubilee in 1966.

NEW EVENTS have been added every year — the German Folk Festival, Mexican Fiesta, watermelon eating contest, bike tour, concert — and who would want to do without them?

But maybe the whole shebang has gotten too big for a single push. Many larger families couldn't afford to take in half of the events during the week. And it's reached the point where everything is competing with everything else.

Avery Thrasher, this year's Roundup chairman, is convinced that one week "is just too long." As Roundup chairman last year, I got the same impression.

"I think it should be two or three separate three-day deals," Avery says.

PLANNING for the 1975 Roundup will start at the October meeting of the Activities Committee. And next year's Roundup format is important — it will need to be a "shake-down cruise" for the big Bicentennial Celebration coming up in '76.

What do you think? Tell Avery, or Jo Behrends, or Jerome Brockman at Nazareth, or Marguerite McLain at Hart, or Lee Roy Wood of the Rodeo Association, Carl Bruegel, or myself. Or make plans to be at that "mop-up" meeting Monday night, Oct. 7, at 8 in the courthouse community room.

NOW THAT they're completing their first week of classes, our teachers may need something to perk up their spirits. Here 'tis.

This is one school board's list of rules for teachers, adopted in 1872:

1. Teachers each day will fill lamps, clean chimneys.
2. Each teacher will bring a bucket of water and a scuttle of coal for the day's session.
3. MAKE YOUR pens carefully. You may whittle nibs to the individual taste of the pupils.
4. Men teachers may take one evening each week for courting purposes, or two evenings a week if they go to church regularly.
5. After 10 hours in school, the teachers may spend the remaining time reading the Bible or other good books.
6. Women teachers who marry or engage in unseemly conduct will be dismissed.
7. EVERY teacher should lay aside from each pay a goodly sum of his earnings for his benefit during his declining years so that he will not become a burden on society.
8. Any teacher who smokes, uses liquor in any form, frequents pool or public halls, or gets shaved in a barber shop will give good reason to suspect his worth, intention, integrity or honesty.
9. The teacher who performs his labor faithfully and without fault for five years will be given an increase of 25 cents per week in his pay, providing the Board of Education approves.

NO TEACHER today would teach under those conditions for all the tea in China.

Still, one of my favorite teachers worked under a policy at Post in the early 1930s that stipulated she couldn't leave town on weekends without permission, couldn't get caught playing cards, and was supposed to be in church every Sunday.

Pomposity sometimes dies hard.

loes for a year.

He graduated in May with a BS degree in physical education and a minor in history.

Land coaches the Bobcat varsity's offensive backs and linebackers, and shares junior varsity coaching duties with Fields.

He is married to the former Brenda Lowrance, whose father is superintendent of schools at Claude.

### More about 'Zito' is back ...

[Continued from Page 1]

good. IBM, for example, is now realizing tremendous profits from its earlier investments there.

AFTER SIX years, how does he view his year in Dimmitt? "The Dimmitt experience was quite good for me," he said. "It has caused me a little trouble at home, being teased about being pro-American. But it helped me out through college... I was able to work my way through by teaching English and mathematics.

"The American experience also helped me out in my profession. I learned here that there are a variety of professions available that would be useful in Brazil. I thought I wanted to become an engineer, but now I think I would have been no more than a good engineer. I think I am better off and more useful in business and finance."

DOES HE see much change in Dimmitt, or in the high school students here today? "I don't see much change, really. In larger cities things will change over a five-year period, but not so much in small towns such as my home town or Dimmitt — and they're both beautiful. Dimmitt people are getting more broad-minded all the time, it seems to me."

How did Brazilians view the recent changeover in the US presidency? What's their opinion of Nixon?

"NIXON DID a tremendous job, internationally speaking," he said. "He changed the view of the world to the US for the better. Most of the people in Brazil feel that Nixon just got caught doing some things that are a part of the governmental system — any system. I'd say that only about 20 percent of the people in my country felt he should go."

### Boys Ranch Rodeo set Sunday, Monday

The annual Boys Ranch Rodeo is scheduled for Sunday and Monday afternoons at Cal Farley's Boys Ranch.

MORE THAN 370 boys will be putting on the 30th presentation of the nationally-known event. The ranch's boys have been preparing for most of the summer for events including riding calves, steers, bulls and bucking broncs. Trophies are awarded to riders for the best performances in each event.

All the boys will be competing for the titles of Junior and Senior All-Around cowboys. The two top riders will also share the Michael McAngus Thomas Memorial Trophy, a sculpture created by Amarillo artist Jim Thomas in memory of his son.

THE RODEO will also be an annual reunion of the Boys Ranch Alumni Association whose members are composed of young men who have lived at

### On the go

Mr. and Mrs. Mayes Mitchell and children of Chico were guests of his mother Mrs. Leora Calhoun and Miss Connie Rogers and Diane Fitzgerald at Clovis. Mayes grew up in Dimmitt and was named for Dr. Mayes Miller, who delivered more than a thousand babies in his lifetime.

A NEW fabric — 60 percent cotton and 40 percent polyester — is being marketed for knit outerwear. This blend combines the comfort, aesthetics and performance of the natural fiber, with resistance to abrasion and recovery characteristics of the synthetic. Marilyn Brown, consumer education-clothing and textiles specialist, Texas Agricultural Extension Service, explained.
