If you think an old building can't be refurbished and made like new, just do down to the Dimmitt Motor Company next Thursday for the Formal Opening of that business in its rejuvenated home.

Ever so often, apparently, we are destined to have what is called a "great debate" in the U. S. Senate.

It is my opinion, for whatever it is worth, that the limited test ban treaty should be ratified by the Senate.

1964 Inspection Sticker Available

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today that the new 1964 vehicle inspection sticker became available September 1 at all Official Inspection Stations in Texas.

"During the summer months, the department has conducted intensive re-training schools for all owners and mechanics of inspection stations," Garrison said.

"More than five million vehicles registered in the state are required by law to be inspected at one of the 5,000 official stations between now and April 16, 1964.

Garrison urged motorists to get their vehicles inspected at the earliest possible time and pointed "Since the vehicle inspection program began in Texas, vehicle defects as causative factors in motor vehicle accidents has been reduced from 13 per cent in 1951 to five per cent in 1962.

PUBLIC NOTICE

Coach Covington announces that the Friday night game will be shown each Monday night on film at 8 p.m. in the South Grade Cafeteria.

College Coaches Vote Junior Coffey All-American Prospect

Washington's Junior Coffey, Pacific Coast fullback ace who scored eight touchdowns and averaged 5.9 yards per carry last season, was hailed by the American Football Coaches Association today as a strong contender for 1963 All-America laurels.

The honor came as a pre-season consolation to Coffey, who is currently sidelined with an injured leg.

The 205-pound Coffey of Dimmitt, a junior both in name and class this season, won a post among 59 college stars voted by the association as prime prospects for the 74th annual All-America team.

Pony Show Attracts 30 Young Riders

Castro County Fair featured a Pony Show Saturday at the ball park, Judging the ponies was Jack Howell.

Approximately 30 children riding their ponies entered one of the four divisions offered at the show. Judging was based 60 per cent on the horse and 40 per cent on how well the child rode.

Following is a list of ribbon winners: SHETLAND PONIES: Grand Champion, James McLain; Reserve Champion, Lonnie Markley; second place, Dennis Hill; third place, Gary McLain; fourth place, Mark Cleavinger; fifth place, Dean Hill; and sixth place, Terry Hill.

MIXED PONIES—Grand Champion, Arlie Petty; Reserve Champion, Lonnie Davis; second, Jerry Swindle; third, Margaret Swindle; and fourth, David Dalton.

T. R. Davis, Dean Sanders, Elois Malone and Roma Swindle were in charge of pony show.

Dimmitt Quells Lockney Longhorns In Friday's 24-18 Thriller

Dimmitt Bobcats dehorned Lockney Longhorns in a 24-18 ball game, Friday night. This is the "Cats" first victory.

The Bobcats opened scoring in second quarter when Jacky Nichols went over from the three to cap a 31-yard drive started when Eugene Oldham recovered a fumble.

On the first play after the kickoff, Dale Galloway of Lockney passed to Roger Dorman on a 70-yard scoring play and the score was tied.

Late in the second, Steve Hutton ran a punt back to the Lockney 22, then pitched the ball to Jim Aldridge who went the rest of the way for a touchdown.

Jacky Nichols scored again in the third quarter when he went over from the two, capping a 68-yard drive and he tallied again in the fourth, going over from the 10 after Gary Winkle had recovered another fatal Lockney fumble.

The Longhorns lost the ball to the fast Bobcats seven times with two fumbles setting up touchdowns. "Cats" recovering fumbles include Gary Winkle, two; Steve Hutton two; Kenneth Oldham, one; Dicky Dyer, one; and Jacky Nichols, one.

Lockney scored twice in the fourth to end the game. Dorman raced 61 yards for a score. With time running out, Mitchell intercepted a pass. Galloway passed to Rusty Smith for the final 13 yards and the six points. The TD came on the last play of the game.

Gary Calhoun suffered a knee injury in the beginning of the Lockney game which will keep him from seeing action Friday night. The "Cats" intercepted two passes. They made three incomplete passes during play.

As a sophomore in 1962, the 6-foot 1 Coffey led the Big 6 in rushing with 581 yards on 98 carries. Powerful, elusive in the open, the Huskies' husky accounted for his team's longest scoring play of the year with a 57-yard dash against California.

The 500-plus members of the association will choose the All-America team after close examination of 1963 Eastman-Kodak slow-motion game films. Their final selections will be announced exclusively in the November 30 issue of TV Guide.

The powerful Coffey has been selected first on the following list of All-American fullback nominees: Junior Coffey, Washington, Dimmitt; Tommy Crutcher, Texas Christian, McKinney; Pat Donnelly, Navy, Maumee, Ohio; Larry Duplee, Florida, MacClenny, Fla; Jim Grisham, Oklahoma, Olney; Jim Nance, Syracuse, Indiana, Pa.; and Tom Vaughn, Iowa State, Troy, Ohio.

Highway Patrol Investigates 15 Rural Accidents

The Texas Highway Patrol investigated 15 accidents on rural highways in Castro County during the month of August, according to Sgt. W. E. Wells, Highway Patrol supervisor of this area.

These wrecks accounted for 9 persons injured and estimated property damage of \$9,185.00.

The rural traffic accident summary for this county from January through August of 1963 shows a total of 63 crashes resulting in 2 persons killed, 42 persons injured and an estimated property damage of \$38,206.00.

Now is the time to have all motor vehicles "winterized," the Sergeant stated; that is to have their vehicles safety inspected at one of the approved inspection stations to determine that all parts are in top condition.

The new 1964 vehicle inspection sticker is now available. All vehicles registered in this state are required to be inspected once a year. All motorists are urged to have their vehicles safety inspected to avoid the rush later on.

The veteran patrol supervisor said, "The Vehicle Inspection Program has proved to be a valuable tool in reducing accidents in Texas."

Other members present were Mesdames Glen Merritt, Edgar Dennis, Willie Bellinghausen, Joe Carver, and Leland Clay. Hostesses were Mesdames Carl Bruegel, James Profit and Monte Boozer.

The Club will meet October 1. Each member is asked to bring material to work on dried arrangements.

Presbyterians Hear Special Speaker

First regular monthly meeting of the fall season for Presbyterian women was held last Wednesday evening at the church on Western Circle Drive.

Special guest leader for the Bible study "One People of God" was Mrs. Pete Cowart of Canyon, former Dimmitt resident. Also a special guest at the meeting was the speaker's mother, Mrs. Harvey Cash of Canyon.

Mrs. Cash reminisced with the group about pioneer days in Dimmitt when she was a girl here. She is a charter member (1901) of the old Presbyterian Church in Dimmitt. She was an early-day school teacher and journalist in this area. In the early cattle ranching days of the county, she correctly predicted in her weekly column that Castro County would eventually be mostly cultivated land.

Present for the meeting and enjoying the social hour which followed were Mesdames Joe Cowen, Howard Cook, James Wohlgemuth, Steve Taylor, Chet Braafadt, Craig Howes, Murray Hall, Tommy McGowan, Miss Bea Hawkins, the

Hi there; Well this cold snap makes us realize that winter is not far behind and that so many chores are to be done. John Nichols reminds us that your "car" needs a new house to protect it from the coming cold and weather. Willson & Nichols sell the lumber and brick to build the room and they have some extra nice doors made by Berry of Fiberglass in sectional pieces. This is so nice, makes more light inside and out. This Garage door of the Fiberglass has a translucent beauty—nice clean lines that will improve any garage.

I didn't know about this material until this week. Go down to John's store and see the colors, white, copper, sea green and desert sand. Just imagine having this radio controlled operation door: press a button presto: the door opens for the car. This is one of the easiest fiberglass doors to install, there are step-by-step instruction sheets with each one. You can do this yourself, but as for me I would get a good carpenter to install it. John says this is a lightweight material for easy handling. There is plenty of headroom and side room. There are some nice things to be found in these Ornyte Fiberglass panels:

New pigment formulation offers color retention, doesn't fade or weather so much. Pure glass fibers, no fillers, uniform in thickness. This door or material has a strong impact resistance; this is good. When the Man driver doesn't stop when you're in the back seat, tell him to. Another handy thing is the removable panels, one or two fiberglass can be removed with ease and screen inserts can be put in the summer.

Highlights and Sidelights FROM Your State CAPITOL

Now in effect is a new compulsory school attendance law which requires school children, ages seven to 16, to go to school 165 days of each 175-day school year. Before the 58th Legislature passed this law, the minimum attendance requirement was 120 days. This left a wide margin for truancy—especially by children on the move two to four months out of the year.

Laxity of compulsory attendance laws has been cited as one reason for the high rate of illiteracy among Latin Americans. Texas' rate of illiteracy is high for all races. It has been estimated that almost 10 per cent of the state's population is functionally illiterate.

A recent U. S. census survey showed that the average school child in Texas, with a Spanish surname, did not go past the fourth grade. Average Anglo finished the 10th grade and the average Negro completed the eighth.

It will be up to individual school districts to see that children attend school 165 days a year, according to Leon Graham, deputy commissioner of the Texas Education Agency. However, the main responsibility lies with the parents. If a school officer warns the parents of a truant child, they are subject to a fine of \$5 for the next day he fails to attend school; \$10 for the second offense, after a warning, and \$25 for each subsequent offense.

Graham said it is no problem for a migrant parent to enroll his child in any school. No formal transfer is required. "Our schools are here to serve the children of Texas," he said. "All they have to do is say, 'Here I am.'"

SCOREWORM PROGRAM PRAISED—Dr. E. F. Kipling known as the "father of the screwworm eradication program"—addressed Southwest Animal Health Research Foundation trustees at their annual meeting in Austin, and praised the progress of their eradication campaign. But he cautioned them against complacency.

Kipling reported that in August, only 81 screwworm cases were reported in Texas, compared to 5,088 in August, 1962. But a large percentage of the 81 were in the Trans-Pecos area.

Animal health officials feel the Trans — Pecos problem is a direct result of screwworm flies migrating from Mexico. Mexico's northern border has been the target of sterile fly drops for several months now. But newly-gained knowledge that the fly can travel about 180 miles on his own volition is worrying the officials.

Kipling said, "We must intensify our survey efforts to find where fly drops will be most effective; then widen the barrier to prevent infestation."

FALL RAINS MAY POSE PROBLEM—Charlie Schuggs of Dallas, president of the Southwest Animal Health Research Foundation, said his group is beginning to worry about a growing rate of screwworm infestation when fall rains come.

Cool weather and dampness, usually associated with early fall, may couple with shearing and calving wounds to foster screwworms if livestock producers don't take precautions. Schuggs said an "information campaign" will be launched soon.

NEW OFFICERS—Dolph Briscoe of Uvalde is the new president of SWAHRF. The young rancher just completed a term as president of the Texas and Southwestern Cattle Raisers Association, before he took the animal health post.

New vice-president is Joe Lane of Alpine. T. J. Richards of Paducah is secretary-treasurer.

EDUCATORS MEETING SET—Texas Association of School Administrators and Texas Association of School Boards will hold a joint meeting in Austin on September 22 and 23 to hear talks on education in the Space Age. They will hold seminars on: School dropouts, the migrant pupil, religion and the schools, teaching Americanism-versus-communism, and textbook selection in Texas.

POLL TAX REPEAL—Campaign for repeal of the poll tax as a requirement for voting was launched by the Texas League of Women Voters, with Gov. John Connally and Vice President Lyndon Johnson giving their support to the movement.

On November 9 Texans will vote on a constitutional amendment to remove the 60-year-old requirement that you pay a poll tax to vote. Texas voting will be under the shadow of a proposed U. S. constitutional amendment outlawing taxes on the right to vote in elections of Federal officials. Legislatures of 36 states already have ratified this amendment, and when two more approve, it will go into effect.

Texas Legislature provided Texans a "do it yourself first" route by submitting the proposed amendment to the Texas constitution at the November 9 election. There is no chance for the U. S. amendment to go into effect until after that date.

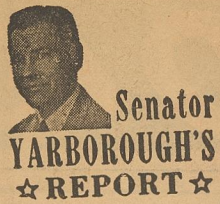

TOURISTS—Texas' first formal effort to attract tourists will get under way now that Governor Connally has appointed the seven men to head the new Texas Tourist Development Agency.

Interestingly enough, most of the seven are natives of other states, indicating that Connally felt they would know best how to bring other Americans into Texas.

Frank Hildebrand Jr., former Louisiana, Baytown, Houston and Dallas news writer, will be executive director. For the last year, he has been chief of the travel promotion section of the Texas Highway Department.

On the advisory board which will help Connally direct Hildebrand are Bill Berger of the Hondo Anvil Herald and president of the Texas Press Association; Chris Fox, El Paso banker; James M. Gaines, San Antonio radio-TV executive and president of the Texas Tourist Council; John McCarty of Dallas, vice president of advertising for Frito-Lay, Inc.; G. A. (Pop) Mabry, Houston, public relations director for Humble Oil & Refining Co.; and John Powell, Austin hotelman.

AGING—State Senator Walter H.

Sen. YARBOROUGH'S REPORT

"APPRECIATION DINNER"

A "Texas Salute" to Senator Ralph Yarborough, in the form of a statewide Appreciation Dinner October 19, was announced Sunday by Walter Hall of Dickinson and Mrs. R. D. Randolph, Houston, chairman and co-chairman for the event. Hall, a banker and long-time Democrat, and Mrs. Randolph former Democratic National Committeewoman, said the dinner honoring Sen. and Mrs. Yarborough will be held in Austin at the Austin Municipal Auditorium the evening of the 19th, a Saturday.

"In the many years Sen. Yarborough has stood for Democracy in Texas," Hall said, "this will be the first time he has been honored by his many friends with a statewide appreciation dinner in our State Capital City. We're sure there will be a tremendous turnout of the Senator's friends, and we expect the capacity of the Auditorium to be strained."

Hall and Mrs. Randolph also announced that honorary chairmen for the dinner will be Cameron County Judge Oscar Dancy, Brownville, the State's senior county official, and the Honorable J. Frank Dobie of Austin, Texas' most distinguished man of letters. Honorary vice-chairmen will be two outstanding Democratic women: Mrs. Minnie Fisher Cunningham of Fisher Farms, New Waverly, Texas, and Mrs. Jud Collier, Mumford. Hall described Mrs. Cunningham as "the great lady of the Democratic Party in Texas who was active in the political arena even before women got the right to vote, Democratic leadership throughout the years since". Mrs. Collier, also a long-time Democratic leader and well-known civic-and-service clubwoman, is chairman of the Texas Democratic Women's State Committee—a post she has held for the past several years.

Invitations to the dinner will be mailed out of Austin beginning this week, Hall said. "However," he added, "this is not an 'invitation only' affair; we will be happy to fill dinner ticket orders from any and all friends of Senator Yarborough".

"Contributor" dinner tickets will be "sponsor" tickets at \$100, and "patron" tickets of \$1,000. Sponsor tickets will entitle the holder to a reserved seat at the dinner; patron tickets will entitle the holder to a reserved table for ten.

Net proceeds of the dinner, Hall said, will be used to help finance service radio and TV reports to the people of Texas as well as political expenses. Headquarters for the dinner have been opened at 903 Littlefield Building, Austin; mailing address is P. O. Box 198, Austin, Texas.

On the statewide steering committee for the dinner, Hall said, will be a large number of prominent Texas citizens whose names will be announced later.

Methodist Men Hear Bennett

About 19 men of the First Methodist Church attended the monthly meeting of "Methodist Men," Thursday evening.

The group enjoyed a 'well-prepared' covered dish meal in Fellowship Hall.

Dr. W. E. Bennett, agronomist for Western Ammonia Plant, Dimmitt, was guest speaker.

VISITS IN WEBB HOME

Visitors in the home of Mr. and Mrs. George Webb last weekend were Mr. and Mrs. Guy Holmes, Mr. and Mrs. Allie Talbott and Mrs. Leola Dunn of Seymour and Mr. and Mrs. John Blaine and Bill of Plainview. The group attended the wedding of a nephew of the ladies at Canyon Saturday evening.

BETHEL CIRCLE

Members of the Bethel Circle will meet in the home of Mrs. Kay Roberts on Monday at 2:30 p.m.

Mrs. Earl Lust, program leader, will continue the study on "Christian Missions in Southern Asia."

HATLAS ENTERTAIN

Twenty MYers and their sponsors, Mr. and Mrs. Dale Winders, met in the home of Mr. and Mrs. Glenn Hatla on Saturday evening for a picnic supper.

Following the meal, the group enjoyed party games and folk dances.

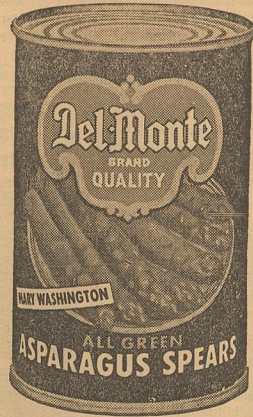

Richter of Gonzales was named by Governor Connally to head the Governor's Committee on Aging.

Secretary of State Crawford Martin headed this committee while he was in the Texas Senate. Many of its recommendations have become law, but Connally said much remains to be done.

On his list of assignments the governor suggested work to remove from state mental hospitals about 2,100 persons over 65 who are senile, but not really mentally ill. Many feel they have been sent to the mental hospitals simply because there was no other place for them to go. Effort will be made to transfer them to nursing homes.

Aid Increases To State and Local Governments

The Federal subsidy to State and local governments continues to increase, pointing up another area in which the United States is moving in the direction of centralized control. Pinched by their own revenue and tax problems, States and cities keep the pressure on Washington to turn back a portion of the largess piled up by the Federal tax collector. They've found the mood in Washington, both in the departments and in Congress itself, increasingly willing to lend a helping hand.

I was most interested to see a study of Federal grants-in-aid—money passed along to States, cities and individuals by the Federal government's proliferating programs. Compiled by the authoritative Congressional Quarterly, the study showed that in 1962 grants-in-aid payments for the first time in history topped \$10 billion. Of the \$10.3 billion so distributed in that year, \$7.8 billion went to State and local governments and \$2.4 billion went to individual citizens.

Texas, fifth largest State in population, ranked third among the States in the amount of money flowing back from the Federal treasury. Here is the breakdown for the Lone Star State, showing the total amount received by Texas in each of the 14 largest Federal grant-in-aid programs, the ranking of Texas among all States in the amount received in each program, and the total amount spent in each program throughout the United States:

Texas share, Texas rank and total spent in the various federal programs are listed below.

Highways—\$128,734,600, 5th, \$2,782,839,810.

Public Assistance—\$139,252,153, 3rd, \$2,433,133,869.

Unemployment Insurance—\$31,120,182, 8th, \$887,065,569.

Public Health—\$26,150,663, 6th, \$720,166,039.

Food Distribution—\$28,834,788 4th \$653,018,071.

Education—\$25,306,418, 3rd, \$601,848,336.

Agricultural Conservation, \$62,832,854, 1st, \$576,733,076.

National Guard, \$13,350,583, 4th, \$554,471,790.

Public Housing, Urban Renewal—\$11,103,383, 11th, \$323,760,947.

Conservation Practices, \$10,819,255, 3rd, \$162,232,510.

Veterans Benefits—\$7,891,448, 4th, \$159,092,758.

Agricultural Experimental Stations, Cooperative Ag Extension Work, \$4,722,656, 1st, \$100,757,531.

Vocational Rehabilitation—\$2,497,996, 9th, \$82,154,594.

Child Care, \$3,734,447, 2nd, \$69,359,951.

The total grant-in-aid share for Texas was \$500,295,000—or \$49 for every Texan. With a 4.81 percent share of the total money allocated throughout the United States, Texans had paid into the treasury 4.26 percent of all Federal taxes. The Lone Star State's balance between taxes paid and taxes returned in grants-in-aid was thus roughly equal. Not so in many States. New Yorkers, for example, bore 13.54 percent of the Federal tax burden and were granted 7.30 percent of total assistance. Californians paid 11.16 percent of total Federal taxes and received 8.91 percent of total grant-in-aid money. Because of the relative lack of concentrated and tax remunerative heavy industry, Southern, Mountain and Plains States received more in grants-in-aid than they paid in Federal taxes. However, it is true that the big industrial States are the major beneficiaries of enormous Federal contracts, such as those for defense.

Today, the Federal government is spending more than twice as

It may come as a blow to the male ego, but the facts are inescapable; men belong to the weaker sex—outnumbered, outwitted, and outlived by the sturdier female.

Are women biologically more resistant to disease and death than men? Is the male animal shortening his life by greater aggressiveness, greater exposure to stress and disease, or by ignoring the laws of health? Can anything be done to reduce male mortality?

The sex ratio at birth—105 boys for each 100 girls—as well as death rates have always been higher than the female rates. It has long assumed that women are biologically more resistant to disease, tolerating pain and illness better than men.

There are also striking differences in causes of death for each sex. Lung cancer kills six times more men than women. The male death rate from syphilis and ulcer of stomach and upper small intestine is three times as high, and twice as high from tuberculosis. Three times more men than women commit suicide or are murdered. The odd thing is that higher male mortality, compared with females, extends to most animal species as well as to humans.

Because of the excessive mortality among males, their advantage in number at birth are offset by age 20. In 1900 the white American female averaged 1.9 more years of life than her male counterpart. In 1959, her life expectancy was 5.3 years more than the male.

Men are helping shorten their own lives. They have insisted on carrying the greater responsibility and have had to develop aggressiveness to meet that responsibility. Result: more worries, more stress, more contact with disease and physical dangers.

much in these aid programs as it was 10 years ago. In 1953, the Federal grant-in-aid program amounted to 6 percent of the total Federal tax take compared with the current 11 percent rate.

what dontcha know, Joe?

Stalin's propaganda peddlers would never tell their Iron Curtain customers about the Independent telephone industry in the United States. They couldn't explain how 6,000 individual companies work together with the large systems to serve America's 42 million telephones.

That alone is reason enough why we're proud to be a part of the great free and Independent telephone industry.

NORTHEGE NEWS

Mrs. George Hughes, Mrs. Raymond Crum and Mrs. John Crum shopped in Amarillo Tuesday.

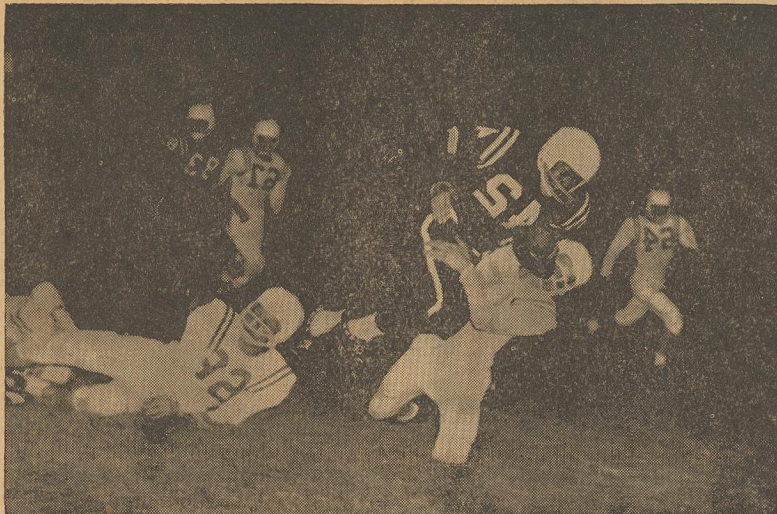

Mrs. L. W. Bennight of Hart visited her daughter and family, Mrs. Royce Davis Tuesday.

Mr. and Mrs. Royce Davis visited Mr. and D. J. Irvin and family

in Hart Saturday evening. Royce Wayne Irvin was given a birthday party which the Davis children attended.

Mr. and Mrs. R. E. McDaniel, Sherman, Mike and Inez visited the Youngs of the Bethel Community Sunday afternoon.

The community extends their sincere sympathy to the family of Mrs. Eileen Hoyler who passed away Friday Sept. 13 in Castro County Hospital. Funeral Services were held Monday at 10 a.m. in the First Baptist Church. The Hoylers have lived in Northedge Community approximately fifteen years.

Nazareth Swifts Bow To Tulia "B"

Nazareth Swifts were pulled down by Tulia "B" when they met Saturday night in the Hornet Stadium by a narrow margin, 14-0.

The Swifts played good defensive ball throughout the game in their second experience at 11-man football. Neither side threatened to score during the first quarter.

Nazareth plowed down to the Tulia 10-yard line during the second quarter. A five-yard offside penalty against the Swifts stopped the drive. Tulia scored a TD and booted the extra point for the first scoring of the game.

In the third quarter, the Swifts started a drive which lasted to the 5-yard line where a 15-yard clipping penalty stopped the threat. Later in the quarter, Denis Ger-

ber for the Swifts caught a touchdown pass which was called back due to a clipping penalty.

Early in the fourth period, Tulia scored on a 40-yard pass play. The extra point was good. Nazareth marched to the six yard line on a 30-yard pass play from Marvin Hoelting to Jimmy Hoelting where they fumbled to stop the drive.

Nazareth outplayed Tulia "B" statistically. Nazareth made 12 first downs and Tulia had 10. Total yardage was 239 for the Swifts and 220 for Tulia.

Defensive standouts for the Swifts were Kenny Schulte, Denis Gerber and Lester Schulte.

The Swifts will meet Lakeview, Friday night at 8 p.m., here. This will be the Swifts first 8-man game of the season. Coach Aldridge comments, "I believe chances are good to win this game."

Hart Dehorned By Wolverines

The Springlake Wolverines won their second straight game of the season Friday night as they downed Hart with a crushing ground drive which resulted in a 23-6 ballgame.

Jerry Bean set up the first Wolverine counter with a 75-yard run on the third play from the opening whistle, then Springlake counted a second time only 30 seconds before the midway point.

Junior tackle John Patterson came close to fame in the third period when he grabbed a Hart aerial on the first play from scrimmage and ran down to the 10, only to see the drive end.

Springlake counted again with only five minutes remaining in the game to jump out in front, 23-0, only to see the shutout ruined by the fighting Hart Longhorns.

Bill Farris danced and dodged his way for a 58-yard touchdown run. The Longhorns missed the extra point.

CROP Sunday Designated In Planning Meeting

Crop Sunday, county goals, and community chairmen were designated at a planning meeting held at the Steak House Tuesday morning.

October 6th will be designated as CROP Sunday in many Dimmitt and Castro County churches, when members will be urged to contribute grain, cotton, and cash in an effort to raise \$4,000 to feed 1,000 children in Hong Kong one meal a day for the 200 day school year. A canvass will be held the week following CROP Sunday in an effort to reach every person in the county to fill this great need.

Wes Anthony, county chairman, named the following men as community chairman: Ed Bennett, Hart; Bob Anthony, Big Square; Weldon Bradley, Sunnyside; George Gabel, Flagg; Arthur Schreck, Easter; Donald Wright, Dimmitt; Florenz Albracht, Nazareth; Weldon Stephen, Frio; and Bill Simpson, Jumbo. These men will be working directly with Hugh Blaylock and M. A. Smith, campaign directors.

Norman A. Sundwall, Texas CROP director, of Austin, emphasized that every contribution will be used as the donor requests: gifts may be designated for a particular relief organization or project. Grain may be handled by transfer slips signed by the donor and then handled directly through the elevators.

Motion picture films are being scheduled throughout the county by Elbert Smith, Promotional director, and may be obtained by contacting him.

Fate Of Watershed Project Rests With State Soil Conservation Board

At a special meeting Thursday, September 12, representatives from Curry County and Clovis, New Mexico; Parnet County; Castro County; Lamb County; Hale County; and the city of Plainview, presented commitments in the amount of \$70,000 to Frank Gray, chairman of the State Soil Conservation Board. These commitments are to defray expenses for a Trust Fund Water Draw Watershed Project. Commitments were made on a pro-rate basis from cities and counties within the proposed watershed project.

The State Soil Conservation Board will hold a meeting and set priorities for the Planning Group within the next 120 days. If the proposed project receives its expected high priority, it is possible that work on the upper reaches of the Draw could begin within a year.

This presentation of commitments to defray expenses of the Trust Fund Planning Party climaxes two years of work by Soil Conservation District supervisors and members, by County Commissioners and Judges, and by city officials of Clovis and Plainview to bring this project into reality.

Also features on the program was a short "Off-the-cuff" discussion of what is going on in Washington by U. S. Representative George Mahon. He touched briefly on such subjects as Tax Cuts, Nuclear Test Bans and Space and Foreign Aid. In his remarks, he commended local sponsoring organizations for their foresight in the Watershed project.

Mahon said he did not foresee a tax cut in the near future. He told the group Congress was willing for tax cut if the expenditure was decreased.

In commenting on test ban, Mahon said, "Senate will, with some reluctance, overwhelmingly approve. If it carries complacency and relaxation, it would be a very dangerous thing and not for best interests of country." Mahon emphasized, "Eternal vigilance is price of liberty."

Considering the present foreign aid program, Mahon commented, "Shaving this would help husband

Bobcats To Meet Hereford Friday

The 'Cats are hard at work preparing for the game with arch rival Hereford.

Calhoun is the only 'Cat suffering injuries which will sideline him for the Hereford game. Calhoun suffered a knee injury in the opening minutes of the Lockney game.

Coach Covington comments about Hereford, "They are big, fast and looking for their first win."

"They will be the toughest ball club we have met so far," continued Covington.

Hereford has good speed and they are quick-moving says the Coach.

The Hereford "Herd" was ahead of Canyon 12-0 at the halftime in last Friday's ballgame.

The hard-hitting 'Cats will be out Friday night for another victory as they meet the tough Hereford Whitefaces.

Christian Church Notes

Mr. and Mrs. J. R. White were the honorees at the monthly covered dish fellowship supper at the First Christian Church Wednesday night September 18th, in Dimmitt. The supper was held one week earlier than scheduled since the Whites, long time members of the church, are moving to Hereford this week.

Grade school and Junior High young people of the church and their friends have been meeting Sunday afternoons at 5 for special activities including singing, Bible drills and quizzes on Bible characters. They are led by Mrs. George Gabel, Miss Anna Gabel, ad Mr. and Mrs. Loren Dickey. All young people are welcome to these meetings and additional activities which are being planned, according to Mr. Dickey, minister.

Jim Taylor, minister of the Cen-

tral Christian Church in Roswell, New Mexico, will be the evangelist in a series of meetings to be held October 7th through 13th in the church at 7:30 each evening except Saturday.

What Are Our Exes Doing?

What are our exes doing? What happened to some of the kids after they left "dear old" D.H.S.?

After taking a general survey, I found that many are attending college. Some of those attending Texas Tech are: Gary Morrison, Glenn Boozer, Kent Gabel, Sharon Thomas, Judy Beck, Sue Chaney, Ruby Clingsmith, Sheri Walker, Harley Wilke, Steve Wesson, Larry Burks, Chuck Youts, Wayne Meacham, and Monty Dollar.

On the campus of West Texas State University you might run into: Ina Messenger, Mary Graham, Carolyn Godfrey, Tuffy Cowell, Mike Goodwin, Sharon Corica, Laurie Ivey, Georgene Blanton, or Deborah Buckmaster.

If you are wondering about Doris McDermitt, Marvalynne Durham or Driscilla Dehtan they are students at Wayland College in Plainview.

At A.C.C. you'll find the Calvert Brothers, Mike and Stanton; and Cheryl Walker will be on the campus of T. W. U.

Some have had a very welcomed visitor: the stork. They are: Galen and Zeldia Anderson, Ben and Dickie Holcomb, Charles and Linda Minchew, and Wayne and Donna Meacham.

Next on our survey we come to the "honeymooners". On the top of the list we find: Aaron and Kitty Hutto, Dubby and Louise George, Freddie and Gayle Logan, Donnie and Wanda Nelson, and the Gabel gang has two new members. There's Sue, whose chained to Clay and Beth whose chained to Tony.

There's still many other Exes who are doing many different things. Many have families of their own.

Voting Age Subject Of Controversy

This week several teachers and students were asked to give their opinion about lowering the minimum voting age to 18 years of age. Two teachers and four students were interviewed.

Teachers:
 Mr. Tompkins: "If a person is old enough to die for his country, he's old enough to vote."
 Mrs. A. Smith: "It takes more maturity to be a good voter than to be a good soldier. All a soldier has to do is brave."
 Students:
 Nancy Hays: I don't think that 18-year-olds are mature enough or concerned enough to know what is going on."
 Susie Davis: "I wouldn't want to take the responsibility."
 Gary Calhoun: "I don't see much reason for it. The important thing is who gets elected; not who votes."
 Johnnie Linn: "I know many 18-year-olds who are more mature than some 40-year-olds."
 Several states have lower minimum voting age laws. For example, 19-year-olds may vote in Alaska.

Cats Down Longhorns 24-18

The Dimmitt Bobcats downed the Lockney Longhorns in a rugged game Friday night. The cats lost Gary Calhoun, guard, the third play of the ball game as he received a knee injury and was unable to return. The Cats kept carrying the fight to the Longhorns through out the ball game.

Dimmitt's first score came in the first period when Jacky Nichols ended a thirty-one yard drive with a three yard plunge to pay dirt. The drive was started when Eugene Oldham recovered a fumble.

Lockney scored after kickoff on a seventy yard pass-run play. Dale Galloway hit Roger Dorman on a short pass and he went for pay dirt.

Jim Aldridge scored the Cat's second TD on a twenty-two yard carry.

Nichols scored the Cat's next yard plunge and a ten yard run. Lockney's Dorman raced again sixty-one yards to pay dirt. On the last play of the ball game Galloway passed to Rusty Smith in the end zone for the final six points.

On Friday, September 20, the Cats will meet the Hereford Whitefaces on the Cat's home field.

How To Raise A Delinquent

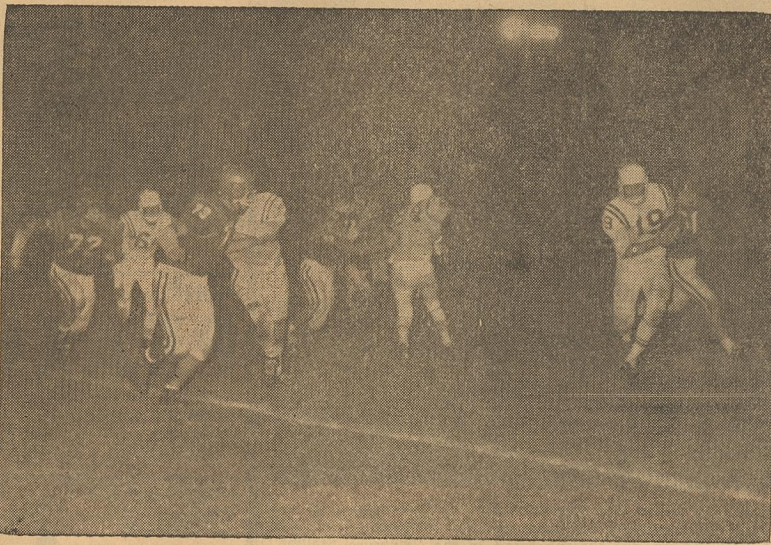

The Dimmitt Bobcat staff challenges the reader to read this article and decide for himself what kind of child he is raising or will someday raise.

1. When he is small, give him everything he wants, the world owes him a living.
2. Laugh at bad words so later he will know terrible ones.
3. Give him no spiritual training at all; let him decide his religion for himself at twenty-one.
4. Never say anything is wrong; he may get a guilt complex.
5. Pick up after him, throw responsibility on others.
6. Let him read anything; household things sterilize his mind with garbage.
7. Quarrel in front of the child so later he will know what to expect when his family breaks-up.
8. Give him all the spending money he wants; never let him make his own.
9. Satisfy him completely; give him everything he wants;
10. Be with him against everybody; they are just prejudiced.
11. When he gets in trouble, and he surely will, apologize for yourself.
12. Prepare for a lifetime of grief, for its certain that you will have it.

Senior Personality

As we gaze down the halls of Dimmitt High we can't help but see that happy, friendly Kay Ann Bradley. She made her parents, Mr. and Mrs. Jack Bradley very happy by bouncing into the world November 29, 1945. When Kay tunes in her favorite western station and hears that wonderful, wonderful song "The Branderia Waltz," her heart goes way out! When she heard that handsome, Kirk Douglas was starring in "Spartacus" she couldn't help but make it her favorite movie. When Kay finds that Mexican food is on someone's menu, she hops into her blue Grand Prix and doesn't slow down until she's got her fork in the plate. The perfect way for Kay to relax and end the evening is to go bowling in her daddy's bowling alley. This really hits the spot.

When our senior ends her high school days, she plans to either attend Texas Technological College or South Plains College and major in Home Economics.

D.H.S. Personality

Dates of events are always hard to remember, but one date is not likely to be forgotten by Mr. and Mrs. N. B. Stokes. That special day was noted on the calendar as being March 15, 1947, and happened to be the day of birth of that dynamic bundle of joy we now call Donny.

Dynamic, did we say? Perhaps that word should be changed for he seems to have a bit of romanticism about him which is proven by the fact that his favorite movie is "Rome Adventure," and the song that seems to be from above all others in his opinion is "Aldila."

A song such as this always puts him in a contented mood to enjoy Mexican food and then add touches of splendor to the night by watching a movie starring Doris Day and Rock Hudson.

The perfect way to end this evening would be for him to drive home in the car of his choice, which of course would be none other than a Chevy super sport, but don't forget the color, for he would surely dislike any car that was not in his favorite color, blue.

If Donny were to have all of these things, he would surely be one of the happiest boys in the world. But on second thought maybe he already is for our personality for this week overwhelms others with his sincerity and wonderful outlook on life.

Cheerleader School 1963

I have just spent 5 of the most rewarding days in Dallas with the six cheerleaders and one twirler from Dimmitt.

I was chosen among a few for the job of one of the counselors. I was on the 3rd floor of Peyton Hall in charge of 38 girls. These were some of the top girls chosen by their schools to be the cheerleaders and baton twirlers. These girls came from all over the state as well as different states. There were 200 schools, 20 colleges and 6 states represented with an enrollment of 1032.

These girls and boys are top in their fields along with the athletes. The girls and boys get up at 6:00 each morning eat breakfast and at 8:00 the work begins—hard, strenuous work which would well measure in the work of a football player in spring training. They worked from 8:00 until 11:30 were off for lunch and relaxation until 2:00. I found these kids did not relax, but were constantly practicing on their yells and routines as though every minute counted toward their goal. Then at 2:00 they went into lecture where the leader of the school explained the various cheerleaders and twirlers for the school spirit. From 4:00 until 7:30 they again were off for dinner and relaxation, again they practiced. Believe me, in this heat it was very difficult to move much less practice; but they were doing it with all the energy a young person possesses, which is a lot.

At 7:30 p.m. until 9:45 it was routines, galore! They went over and over until they learned the new yells and routines. They were so tired that by lights out time at 11:00 most everyone had gone to bed to be rested for the next day.

I say we are not giving enough credit and praise to the cheerleaders of today for they are a group of hard working kids and have their whole hearts in their work for their school.

The cheerleaders are in need of some backing. They are an independent organization not affiliated with the band, football, or basketball, yet they are carrying the school spirit for the school which

means so much to them.

I say let's everyone get behind this group who have worked so hard and faithfully when they need support of any kind; morally, spiritually or financially. Let's back them as we do the other organizations.

This has been my second year to go to the school as a counselor, I know the expense incurred as well as the work they put out.

Here's for years to come for the support of each and everyone of you to back the greatest bunch of kids on earth - ours.

Sincerely,
 Ollene Williams

The Shadow

Some people are just plain hard to keep up with because they have such active lives. But somehow or another I was able to keep up with a blue-eyed, blond haired senior boy called Dimples, Opps—I mean Larry Scoggin.

Early last Saturday morning, Larry was up bright and early at 4:45 to take care of his paper route. He then headed for a long day's work at Harry's where he stayed from 10:00 a.m. until 10:30 p.m. Let's not forget that one last drag through town and the regular stop at the drive-in before heading home to bed.

Sunday morning after the 4:45 paper route, Larry attended the First Baptist Church and rode around with David Vaughan that afternoon. At 3:00 he went to a Youth Council meeting and was elected vice-president for the coming year. Our shadow victim was seen at our popular down town theater watching "HUD" that evening. After the show, Larry visited friends at the drive-in and headed for home.

Monday was one of those school days that always seems to ruin the week, especially after you have gotten up at 4:45 again to throw papers. But after an hour of marching at band practice that evening, Larry was really ready for a romp. Yes,—you saw correctly! That was Larry and Dale Leinen in the back of Carlanne Calvert's old black pickup. Suzanne Dickey was also with Carlanne. They attracted quite a bit of attention at the drive-in and on the drag that night but as evenings usually end, so did this one. The girls took the boys home shortly afterwards.

Stayed home and studied!?!?! Went to bed at eight!!? Yes, Tuesday was also a tiring day after his early rise and shine paper route. Larry went to bed early so that he would be sure to be fresh and gay for the following day.

By Wednesday, you are used to the agony of a school week so it really doesn't bother a person, nor did it bother Larry, even after he had gotten up at 4:45 again. After school, Carlanne C. and Suzanne D. took Larry to work at Harry's where he stayed until about 9:00. Joe Wright came by to take Larry for a coke that evening and to have a refreshing drag or two before he went home to retire at 10:30.

Thursday was a normal paper route and school day. After school, Larry went to Hereford to run an errand and he didn't make it back to Dimmitt until about 7:30. He then spent a quiet evening at home studying.

Thank-you, Larry, for being our unsuspecting victim this last week. It's been a job, yet fun keeping up with you.

Student Senate

The Student Senate met September 5, 1963, with Jim Axe presiding.

The first business of the year was to vote by secret ballot for Homecoming Queen.

The following officers were then elected: Secretary, Nancy Hays; Corresponding Secretary, Linda McColum; Treasurer, Jacky Nichols; Reporter - Linda Schreck.

The second meeting of the year was held September 11, 1963, to discuss the Student Senate Convention to be held in our school.

The following officers of the SPASC are: Lorenzo High School, President; Plainview High School, Vice President; Dimmitt High School, Secretary; Monterey High School, Parliamentarian.

The meeting was then adjourned.

Campus Chat

Friday afternoon as school let out, Dimmitt students began a mass migration toward Lockney to watch the "Bobcats" play the "Longhorns". Along the way I saw such guys as Gerald Summers, Turk Cates, Gary Morrison, and Mike Reed in one car, Harley Daniels and Roy "Speedy" Battles in another car. Gary Moore and Joe Wright were in still another gas guzzler. After the "Bobcat" victory the pack returned home and around the witching hour of midnight such couples as Turk and Carlanne, Kristi and Mike, Sharon and Gary, and Pam and Joe could be found haunting the streets.

Saturday afternoon the D. H. S. band marched in a parade but the biggest attraction of the day was Suzie and Ronald making the drag on a motor scooter.

As the last rays of sun faded over the horizon Saturday afternoon such couples as Fredia and Gary, Valeria and Gary, Eva and Stevie, Kristi and Mike, Donna and Tommy, Thelva and James, Sandra and Jim Turk and Carlanne, and Ronald and Suzie were seen playing twosome. I'll bet Jim went to Plainview and returned to Dimmitt with Arlene sick. See what you get for leaving Dimmitt, girls! What is this I hear about Joe Bill Butler keeping his friends out too late?

Sunday afternoon brought with it some surprises also. I saw Judy and Penny with Gary, Larry talking to Suzanne, Clint, Gerald, and Turk riding a motor scooter, and other groups of guys and gals all over town.

Sunday night I featured such sights as Dennis and Linda, Fredia and Gary, Kristi and Mike, Eva and Stevie, Linda and Tommy, Pam and Davy Thompson from Friona, Suzanne and Craig, Turk Cates and Carlanne, Jeanetta and Stevie Schacher, Jane Cleavinger and Mike Goodwin, Wynette Wilde and Johnny Welly, Kristy Webb and Mike Reed, Donnie Stokes and Jonnie Beavers, Chuck McKinney and Peggy Ott, Muriel Bussey and Judy Humphrey. Also seen riding the streets were Joe Johnson and Varleta Crick and Tommy Gross and Linda Gibbs.

It Happened On Our Campus

The Bobcat Band leaves this Friday September 20 right after the game for Colorado Springs. Be sure and watch them perform Saturday, September 21 at 12:30 Central time on D.F.D.A. Channel 10.

... We appreciate all the School Spirit and backing our Bobcats had as they went to a 24 to 18 victory over the Lockney Longhorns Friday night.

... We were very upset as Gary Calhoun hurt his knee Friday night but, Dr. Lee says he will be all right.

... Arlene Reid is in the local hospital with a respiratory infection. We want to wish her a speedy recovery and I'm sure she will appreciate cards and visits.

... Kirk Howes is one of the many new freshmen in Dimmitt High School. He moved to Dimmitt from Vicksburg, Mississippi. Mr. Howes is a manager at the new anhydrous ammonia plant.

... Joe Wright isn't a new face but is a new student in D. H.S. Joe is a son for and transferred from Hereford High School.

... Johnnie Linn is a new member of the Junior Class. He moved from Medford, Oregon to Dimmitt where his father will be the announcer on KDHN.

Group Attends THDA Convention

Attending the State THDA Convention at San Antonio are Miss Celia Patton, H-D agent; Mrs. Rayphard Smithson, Flagg H-D Club; Mrs. James Welch, Bethel H-D Club; and Mrs. D. L. Cleaver, Mulky H-D Club. The group left Tuesday by chartered bus from Amarillo. Activities for the convention include riverboat ride, banquets, and workshops.

"Show And Tell" is name of skit scheduled by Mrs. Melton McGehee at the convention. Title gives clue to entire program of Texas Home Demonstration Ass'n.

By showing in demonstration and telling their educational story, club members are constantly alerting others to modern methods of doing and thinking.

THDA program is not confined to home economics; it reaches out to education in public affairs—citizenship, safety, civil defense, health and other areas.

Mrs. Florence Low, state home demonstration leader will be at the convention. At such meetings as annual THDA convention, homemakers are given information on current trends to take back to their local clubs and communities, and inspiration to help make their homes and communities better places to live.

Mrs. Killingsworth Serves On Panel

Mrs. Woodrow Killingsworth of Dimmitt, president of the District 8 PTA of Texas served as a panel member in Amarillo, Tuesday, Sept. 10 at Olsen Park School.

Theme was "Why the Local PTA Belongs To the State and National P.T.A." Mr. Eads, state chairman of International Relations was the moderator. Mrs. Gray from the Olsen Park Elementary P.T.A. explained the functions of the local P. T.A. and Mrs. Margaret Unsell from Amarillo took the State P.T.A. story and explained its use and Mrs. Killingsworth presented the work of the National P.T.A.

The District Board of Managers met at Mrs. Wiley Alexander's home Sept 12, and made plans for the year's work, and also began preparations for a Fall Workshop to be held October 10 at the New Caprock High School in Amarillo. Mrs. Marvin Armstrong, state Vice President from Lubbock gave the board members a school of instruction. Mrs. Killingsworth presided at this meeting.

Toddler Drowns On 1st Birthday

Linda Marie Rowden, granddaughter of Frank McSwain of Dimmitt, fell into a bucket of water last Thursday and drowned at her home three miles west of Brownfield. The toddler was celebrating her first birthday.

She is the daughter of Mr. and Mrs. Vern C. Rowden of Brownfield. Relatives said the child crawled onto the back porch at the Rowden home and fell into the bucket of water.

The baby was found by her mother and was rushed to Brownfield General Hospital where doctors unsuccessfully tried to revive the tot.

Services were held at 2 p.m. Friday in Brownfield Funeral Home Memorial Chapel with the Rev. J. D. Lavelle, pastor of Wellman Baptist Church, officiating. Burial was in Terry County Memorial Cemetery.

Dimmitt Frosh Fall To Hereford In 36-6 Game

Dimmitt Bobcat freshmen began their football season last Thursday night as they bowed in a 36-6 defeat to the Hereford Whiteface freshmen.

As the game opened, Hereford, kicked off to the Bobcats. After a series of plays from scrimmage Dimmitt was forced to punt on fourth down.

Hereford's first score came with 8:45 on the clock in the second quarter. A Whiteface broke through the Bobcat line at left end and raced 70 yards. Hereford failed to boot the extra point.

The Bobcat defense was again stalled after the kickoff and was forced to punt. On the next series of play, Hereford again broke loose for a 54-yard run and a score.

Neither team scored during the first part of the third quarter. In the waning minutes of the period, the Bobcats defense stopped the Whitefaces. Bobcat offense took over and scored their first touchdown of the game.

Late in the fourth quarter, the Bobcats put on a sustained ground line where a fumble cost them the drive to the Whitefaces' five yard line where a fumble cost them the touchdown and set up the longest run of the game.

Hereford raced 95-yards for a run of the game.

Hereford raced 95-yards for a scoring play after the costly fumble. The Whitefaces scored again with less than two minutes remaining in the final period for the last touchdown of the game.

AUCTION SALE OF FARM EQUIPMENT Tuesday, September 24, 1 P.M. To Settle the Estate of Harold Miller 16 miles west of Dimmitt to White's Elevator and 3 miles south

Guest Minister Scheduled For First Methodist Church Rev. E. Lee Stanford will bring his morning message at the First Methodist Church Sunday in the absence of the pastor, Rev. Hugh Blaylock who will be on vacation this week.

year's feed grain program. Charley E. Hill, Office Manager, Castro County, Agricultural Stabilization and Conservation Committee points out that major provisions of the 1964 feed grain program have already been announced.

While the 1964 feed grain program is basically the same as the 1963 program, two important changes have been made to encourage producers to divert additional feed grain acreage and to increase their income.

Eligibility for feed grain program benefits in 1964 is not contingent on staying within the wheat allotment, if any, for the signed farm, he explained. However, maintaining the normal acreage in conserving use under the feed grain program will mean that any planting of wheat in excess of the farm allotment on a complying feed grain farm would have to be at the expense of some other soil-depleting crop.

Other program diversion rates are one-fifth of the county price support rate for the minimum 20 percent diversion, and one-half the county support rate—that is, the maximum rate—for diversions between 20 and 40 percent. (Growers diverting between 20 and 40 percent would thus receive two rates of payment—the lower rate for the minimum diversion, and the higher rate for the 20-40 percent part of the diversion.)

Mr. Hill says that the people at the Castro ASCS County Office will do their best to answer any other questions about the 1964 feed grain program. Growers who intend to participate in the 1964 feed grain program should remember that eligibility for payments and price support will be conditional upon maintaining the farm's normal acreage (1959-60 average) in soil-conserving crops or practices, including summerfallow and idle land.
