52nd Year — No. 51

Dimmitt, Texas, Thursday, September 20, 1979

14 Pages Plus Supplement

Corn yield better than expected

Loss of 1,000 to 3,000 pounds per acre resulted from hail damage in a Castro County corn crop that is producing up to 10,000 pounds per acre in undamaged fields.

Growers who are bringing their grain into elevators now report this damage estimate. Most of the corn that has been harvested to date is from fields hit by hail that stripped

leaves from stalks in a devastating late-August storm, elevator managers report.

Growers are managing to salvage a "pretty good" yield from these fields, and prices have held steady at about \$5 to \$5.25 per hundredweight. "They're still getting up to 7,000 or 8,000 pounds per acre dry weight, and that's pretty good," Lee Bradley at Sunnyside Grain and Supply

said Tuesday. He added that loss is running 1,000 or 1,500 pounds per acre.

Yields are very good in fields that were not swept by the hail, he commented, and "considering everything the yield will be average this year."

That is true in the Flagg Grain area too, Manager J. R. Brown said, estimating that some of the damaged acres are yielding as much as 8,500 pounds, or 151 bushels, an acre. Up to this week most of the corn harvested there came from damaged fields.

Only this week is the harvest of the undamaged corn getting into swing all over the county, with most fields still too green to cut yet except where the corn is being harvested for ensilage rather than for the grain.

Much of the crop in the Easter community is going into ensilage, according to Gene King at Easter Grain elevator.

All the corn brought to the elevator by Tuesday afternoon was from fields damaged by hail, King said, but he expected grain from the "normal" fields this week. Test weight has been lighter and yields low so far.

Storage of the 1979 crop is not expected to be a problem in Castro County, the grainmen said. Although this year's wheat crop filled practically all storage facilities and fear was felt for a time that the railroad car shortage would not permit movement of the wheat before corn came in, elevator managers now say there will be space here for the present crop.

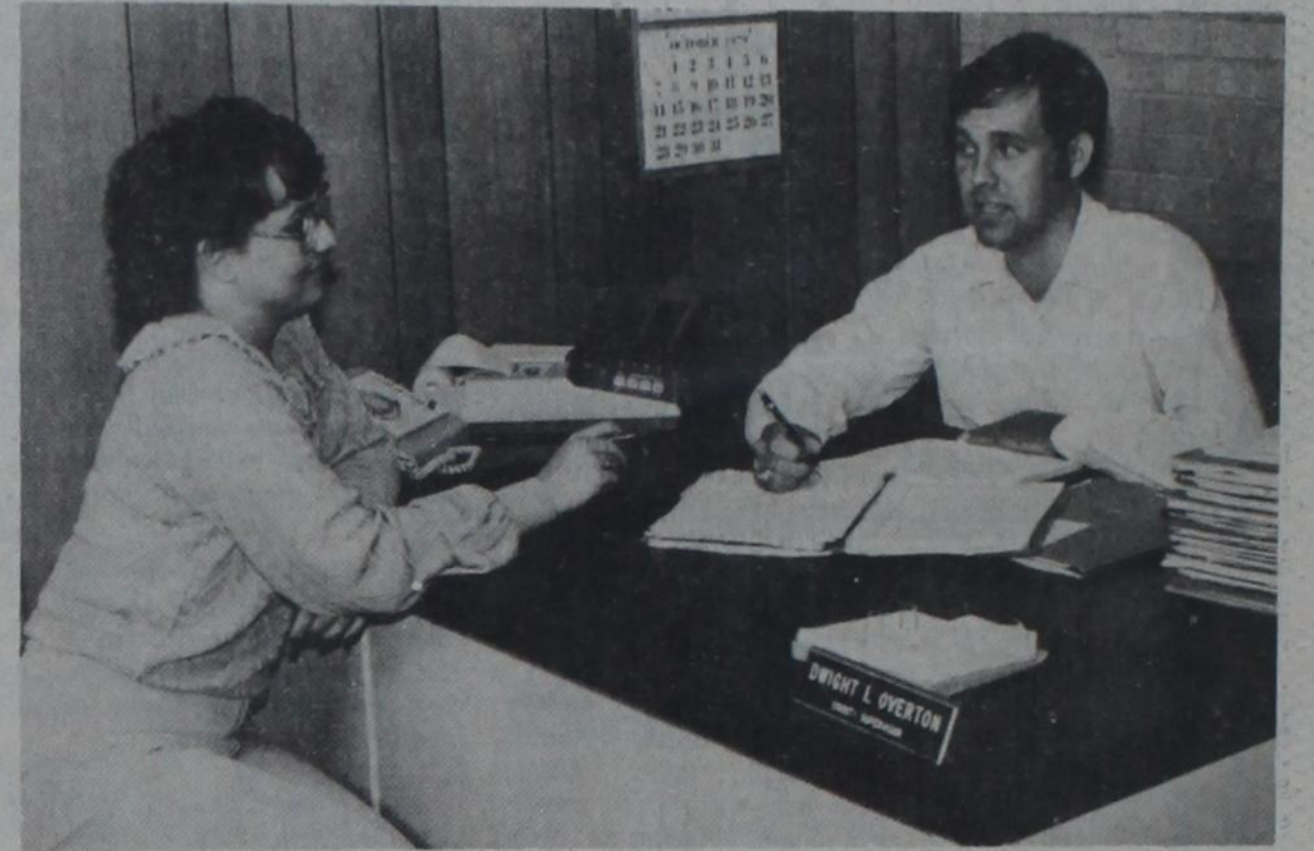

Very little milo is being grown in the county this year, they all said, and that harvest will not begin for at least two more weeks.

Moisture content is still high in the corn, and test weights are running "about normal," Ed Woodard said at Bruegel & Sons Elevator.

The corn harvest in the Nazareth community is just getting started this week, it was reported by Lucy Leinen at Dimmitt Agri Industries elevator there. Hail-damaged corn is being cut first.

Starting last week, harvest in the Hart vicinity is now in full swing, DeWayne Brown said at Farmers Grain. Loss from hail is showing a wide variation there, depending chiefly on the stage of maturity which the corn had reached before it was hit.

"Just one more week of maturity made the difference between loss of 1,000 pounds an acre and a loss of 3,000 pounds," he observed.

PROCESSING LOAN FORMS—Dwight Overton, county supervisor for the Farmers Home Administration, and secretary Twila Schinkus process one of the more than 150 emergency

loan applications which the FmHA has received since recent hailstorms destroyed many local crops.

150 farmers apply here for payments and loans

More than 150 hailed-out farmers here have already applied for disaster payments and emergency loans, and local USDA officials say they expect "a lot more" to do so by cotton-harvest time.

The county was declared a federal disaster area Sept. 5 in the wake of the Aug. 24 hailstorms that damaged 83,000 acres of beautiful crops. The disaster designation cleared the way for the Agricultural Stabilization and Conservation Service (ASCS) and the Farmers Home Administration (FmHA) to start their disaster relief programs.

The FmHA office here reported this week that at least 150 farmers have inquired about long-term 5% loans since the Aug. 24 hailstorms. This total, the FmHA said, is above and beyond the number of farmers who already

were trying to pay off FmHA emergency loans from past years.

This is the fourth straight year that Castro County has been declared a disaster area for emergency loan purposes, FmHA Supervisor Dwight Overton said.

Loan requests have ranged from \$2,000 to \$250,000 so far, the FmHA reported.

ASCS staffers here said 150 farmers also have applied for disaster subsidy payments and added, "We know there are going to be more than that."

"Those who have applied so far are the ones who plan to plow up their cotton right away and plant wheat," an ASCS staffer said. "Many others are just leaving their cotton now to see how it comes back. They can wait and apply anytime through harvest."

Work begins on creating uniform appraisal system

Most political subdivisions in the county will soon tax your property on the basis of a single appraisal, under a new state law.

Representatives of the county, the Dimmitt, Hart and Nazareth Independent School Districts, and the cities of Dimmitt, Hart and Nazareth met recently to start formulating plans to implement Senate Bill 621.

The bill mandates a single

appraisal district in each county, governed by a five-man board of directors.

All cities and school districts in the county are required to join the appraisal district. The county is not obligated to participate until 1981.

In a special called meeting Saturday morning, the County Commissioners' Court reversed its previous decision and voted not to become involved

in the appraisal district at this time. County Judge M. L. Simpson Jr. said the court did not feel it would be of any advantage to the county to be a part of the appraisal district.

Purpose of the bill is to provide uniform appraisal of taxable property by all taxing entities, and to reduce costs to taxpayers by consolidating appraisals and some administrative functions—such as boards of equalization.

Taxing entities will still set their own property-tax rates and administer their own collections.

The five-person board will be appointed jointly by the three school districts and the three cities. Hospital districts and water districts are not given a vote in selection of board members under the bill.

The board of directors of the new county appraisal district will be responsible for appointing a chief appraiser and the three-man equalization board, and establishing its own budget.

SB 621 provides that the board of directors may be either appointed or elected by the governing boards of the [See Work Begins, Page 14]

Lions schedule pancake supper

The annual pancake supper sponsored and cooked by the Dimmitt Lions Club will be held Friday from 5-7:30 p.m. before the Dimmitt-Tahoka game at the Dimmitt High School cafeteria.

There will be a charge of \$1.75 for adults and \$1 for children 12 and under.

The Lions will serve pancakes, bacon, sausage, coffee, tea and milk.

The public is invited to attend the annual pancake supper.

OCT. 1 is the deadline for submitting your family history to the County History Book Committee.

"WALTZING ACROSS TEXAS"

Kathy Feldshander, David Waddle arrive in Dimmitt

Waltzer swings through county

Three years ago Dave Waddle, an American distance runner, won the Olympic mile while wearing a baseball cap.

Today another David Waddle—pronounced the same, but spelled differently—is going for another kind of distance record while also wearing a baseball cap.

He's waltzing across the Texas Panhandle.

Using western waltz records and a succession of pretty partners, Waddle is three-stepping along the highways from the west state line near Farwell to the east one near Hollis, Okla.

He started his venture at 9 a.m. Monday, Sept. 10 and plans to waltz 203 miles, averaging 11 to 13 miles per day.

He waltzed into Dimmitt last Thursday evening, and danced through Nazareth Sat-

urday morning on his way through Castro County.

"I want everyone in the world to know that the Texas Panhandle has the best western dancers anywhere on earth," Waddle said.

And who should know better than he, an instructor in country and western dancing at Amarillo College?

When he arrived in Dimmitt, his dancing partners were Kathy Feldshander of Austin and Cindy Dixon of Dumas.

Linda Shearhart of Dumas was his first partner on the venture.

The dancers plan to arrive in Oklahoma on Sept. 29, Waddle's 26th birthday.

At last report, Waddle and his partners were still three-stepping their way toward Indian Territory.

Bergland will tour area today

Secretary of Agriculture Bob Bergland will see for himself the damage inflicted by hailstorms on crops of this area, as he makes a tour from Lubbock by bus today (Thursday) as the guest of Congressman Kent Hance.

Bergland accepted an invitation from Hance to tour a portion of the cropland which has been declared a disaster area. The Congressman's Lubbock office said Wednesday it was not known whether time would permit the special bus to include Castro County on its route.

For a noon luncheon in Lubbock, Carl King of Dimmitt,

Democratic executive committeeman of the 31st Texas District, will act as host.

While he is in Lubbock Bergland is scheduled to deliver a major address at 2 p.m. today in the Lubbock Civic Center. He will also hold meetings concerning the future of water for West Texas.

A number of newsmen from over the area have been invited to make the bus tour, and Don Nelson, co-publisher of the Castro County News, will be among them. The bus was to leave the Lubbock Civic Center parking lot at 8:30 a.m. and return to Lubbock by noon.

Crop demonstration tour on tap today

A crop demonstration tour will be held today (Thursday) beginning at 1:30 p.m., according to Charles Hottel, County Extension Agent.

The tour will begin at the Ronnie Gfeller farm, five miles west of Dimmitt on Highway 86.

"We will look at cotton and corn varieties and different irrigation patterns on corn," said Hottel.

Two Extension specialists will be on hand to discuss topics of interest. Dr. Robert Berry, Extension plant pathologist, will discuss cotton and corn diseases.

Hottel said, "We can look at the different varieties in the demonstrations and see diseases that are affecting certain varieties. Some stalk rot is showing up in corn."

Leon New, Extension irrigation specialist, will discuss irrigation practices. A corn irrigation demonstration will be seen on the George Sides farm, where corn is being watered every two and three weeks and on every other row. This is also at two-plant population rates.

Hottel said anyone interested is invited to the tour and discussions. The tour should be over by 4 p.m., he added.

Mrs. Neeley's funeral held

Funeral services for Vera Neeley, 78, a resident of South Hills Manor here the past month, were conducted Monday morning at a Hereford funeral chapel, and graveside services were held in the afternoon in Gaines County Memorial Cemetery at Seminole.

A native of Waxahachie, Mrs. Neeley had resided in Hereford from 1976 until she came to Dimmitt. Her husband, Jack P. Neeley, died in 1974. Mrs. Neeley was a member of the Church of Christ.

She is survived by three sisters, Alva Tisdale of Dimmitt, Bessie Cannon of Amarillo and Johnnie Vannoy of San Antonio, and a brother, Rex Burns of Tatum, N.M.

and corn diseases.

Hottel said, "We can look at the different varieties in the demonstrations and see diseases that are affecting certain varieties. Some stalk rot is showing up in corn."

Leon New, Extension irrigation specialist, will discuss irrigation practices. A corn irrigation demonstration will be seen on the George Sides farm, where corn is being watered every two and three weeks and on every other row. This is also at two-plant population rates.

Hottel said anyone interested is invited to the tour and discussions. The tour should be over by 4 p.m., he added.

DDD phone equipment still out

Telephone users in Dimmitt, Hart, Nazareth and Sunnyside are still without direct-distance-dialing service as a result of a fire in the Continental Telephone Co. plant here early last week.

Reeford Burrous, service center supervisor for this area, said Wednesday that the company is making every effort to restore DDD service as soon as possible. Company technicians are testing replacement equipment now, he added.

City to seek state grant for dispatching equipment

The Dimmitt City Commission voted at its Monday meeting to apply to the Panhandle Regional Planning Commission for a grant to purchase equipment for a dispatching center for the police department.

Mayor Elmer Youts said that he understood that \$28,000 might be available from the Criminal Justice Division to purchase a base console, a multi-base console and a teletype machine. Total cost of these units would be \$37,000, and the city would be responsible to pay the difference, he said.

George Lamberth, president of the Dimmitt Rotary Club, and Ray Sandoval of the Dimmitt United Lions Club discussed with commissioners plans for the new city park.

The city now has title to a half-block area between Ninth and Tenth Streets and Andrews and Dulin which is to be developed as a park. The civic clubs will draw up a plot plan of the basic layout and equipment to be submitted to the commission for approval.

Once the park is equipped, the city will maintain the property, and also may have

some funds available to help purchase equipment.

The commission will also investigate the possibility of purchasing adjoining lots to enlarge the park.

Commissioners discussed the purchase of a compact tractor to be used at the land fill. At present, this work is being done under a contract with the city at a cost of approximately \$625 per week.

With a new tractor costing in the neighborhood of \$60,000 with a trade-in, it was decided to try to get other bids on a contract basis. The city would then not be responsible for upkeep on the machine, the salary of an operator, insurance, fuel costs and other expenses.

Residents of West Bedford brought protests against a palm-reading business which had been established in an area zoned for single family residences. Under the zoning ordinance, certain businesses may be conducted from a residence, but there is a stipulation that "such offices shall use nameplates not to exceed one square foot." City Manager Garnett Holland was

directed to enforce the ordinance.

In other action, the commission:

—Approved a resolution for Andrea George for a designated depository bank for city tax receipts for the City of Dimmitt.

—Approved an ordinance closing the street and alley in Block 58. (This area, on property owned by W&C Grain, had been closed by resolution in 1945 but with its purchase by Dimmitt Agri Industries the title insurance company required an ordinance rather than a resolution.)

—Heard additional complaints from citizens on South Street about the animal pens along the nearby county road. Although the commissioners were sympathetic to the problem, they said they have no jurisdiction since the area in question is not within the city limits.

City Attorney Jack Edwards suggested the residents take up the problem with the County Commissioners' Court. If no relief can be received from that body, the only recourse would be through a civil suit, he said.

Cat-Dog fight on tap; Swifts will host 'Horns'

Dimmitt's Bobcats will try to win one for their mothers when they host the Tahoka Bulldogs of District 5-AA Friday night.

Friday will be "Mother's Day" for the Bobcats. Players' mothers will be provided with corsages by the Athletic Booster Club, and will be honored at the 3:10 pep rally in the DHS gym and at the 8 o'clock game at Bobcat Stadium.

Mothers of players are requested to be at the gym by 3 p.m. Friday to have their corsages pinned.

Dimmitt has been well-scouted for Friday night's game. Tahoka had an open date last week, and Bulldog Coach A. D. Shaver was in the stands when the Bobcats played Slaton.

The Bulldogs have played only one game so far, losing to Stanton by 28-14. But they're one of the co-favorites in District 5-AA.

"Tahoka has a lot of speed, and they've got some size to go with it," Garner said. "They've got a strong running attack, and their defensive front people do a good job against the run."

The Bulldogs have eight starters back from the team that posted a 7-3 record last year, and Shavers says his line is "the best I've ever coached in my 30 years of coaching."

Hart's Longhorns and Nazareth's Swifts will have their annual football battle for bragging rights Friday night, with kickoff time set for 8 o'clock at Nazareth.

It will be the third game of the year for both teams.

Coach Buddy Pierce's Longhorns are 1-1 after walloping Anton in their first outing and losing a 14-12 squeaker to Shallowater Friday night.

Coach Eddie Hooper's Swifts, who are plagued with injuries, are 0-2 so far. They lost to Lubbock Christian High in their first game, and Friday night they dropped a 6-0 decision to Hereford's Sophomores.

UW drive in full swing

A house-to-house canvass aimed at reaching every Dimmitt resident in the current United Way campaign began Tuesday, a benefit tennis tournament is underway this week and a "fun" golf tourney is scheduled to start Sept. 29 in the push to raise the city's \$16,250 goal.

More volunteers are needed to conduct the city-wide drive, Campaign Chairman Gary Moore said Wednesday. Members of several agencies which receive funds from the United Way are included in volunteers already assigned to definite sections of the city.

Members of the Senior Citizens are working, also Boy

Scout adult leaders, staff members of Rhoads Memorial Library, coaches and other adults concerned with Dimmitt Kids, Inc. A number of Rotary Club members are

giving their time in the campaign.

"When a volunteer calls on residents at their homes, they are asked to make a cash gift, authorize bank drafts on whatever time schedule they choose, or make a pledge to give a definite amount during 1980," Moore explained.

"Money donated to the UW may be designated to go to agencies of the giver's choice, or the donor may exclude an agency," he added.

Contributions by Tuesday had reached a total of \$6,273, Moore reported, and business gifts are still being sought as well as those from individuals.

Date of the golf tournament was set this week, and the entry fee fixed at \$5.50. All proceeds will go to the United Way.

Matches will be played on the Castro County Country Club course and the games are strictly for fun, Moore emphasized. "Anyone can win, no matter what his ability as a golfer is," he said.

The UW tennis tourney started Monday evening at the Ruskin Racquet Club and Class A division play will begin tonight (Thursday) with entry still open. In Class C singles, Deanne Clark was the winner for women and Jerry Heller for men.

Sheffy's Chatter

Business trips and visits for fun fill recent days

By MYRTLE SHEFFY

Shorty and Polly Manning have had company lately. Their adopted son Keith Taylor came in from Los Angeles for a few days visit and a granddaughter, Jo Ellen Ziegler, and baby from Borger were here Wednesday.

Opal Bearden is spending a few days in Hollis, Okla. visiting her sister Naomi Ruth Patton and Mr. Patton and other kin who came in for a visit.

Here's Hart's school menu

Here are the menus for Hart schools for the week of Sept. 24-28.

MONDAY - Breakfast: Cold cereal, juice, milk. Lunch: Pizza, tossed salad, buttered corn, apricot cobbler, milk.

TUESDAY - Breakfast: Hot cakes, syrup, butter, milk. Lunch: Pinto beans with ham, corn bread, buttered spinach, cake, milk.

WEDNESDAY - Breakfast: Sweet rolls, juice, milk. Lunch: Cheeseburger on homemade bun, pork and beans, gelatin, milk.

THURSDAY - Breakfast: Hot cereal, buttered toast, juice, milk. Lunch: Batter fried fish with tartar sauce, cole slaw, blackeyed peas, cookies, milk.

FRIDAY - Breakfast: Sausage, biscuits, jelly, milk. Lunch: Fried chicken, hot rolls, creamed potatoes, green beans, apple cobbler, milk.

Wanda and Maurice Campbell attended memorial services Tuesday for her brother, Everitt B. Cornell, at Paducah. He was a resident of Hedley. He leaves a wife, daughter, mother and five sisters.

Karen Estes and friend Kathy Jackson of Dallas were weekend guests of Karen's aunt, Helen Richardson.

Many people will be home from trips for next week's news. This week farmers are busy sowing wheat and cutting corn. Some of the hail damaged corn is being saved, we hear.

Sam and Virginia Gilbreath went to Gruver to visit son Zay and Charlotte, also to see the grandboys play football. Seventeen-year-old Gary's game was Friday evening and Alan's game was Thursday.

Buford and Dorothy Newton called son Danny and Donna to say they are home from a trip to Alaska. Seems they flew up north to attend a wedding of a relative.

Mrs. Vivian Shiflett and daughter Mrs. Paul Fry and Joy Mercer had a good vacation trip to the Red River Valley in New Mexico recently. Vivian was showing some clever crafts made from yellow wool, looked a little like an owl.

Earl and Mable Brock visited Earl's brother Arthur, who lives at Kings Manor at Hereford. This was one day last week.

Mrs. Jack Bradford did a review of the Book "Sadie Shapiro in Miami," a comical story about Sadie. You need to read this book. Go to our library for it. Mrs. James Welch presided at the business meeting of the Book Club and also introduced the speaker. Mattie Axtell came up from Earth; she has been a long time member of Book Club. Nancy Ross, Mrs. Kenn Justice and Mildred Bradford served a good cake and coffee from a pretty table covered in yellow linen with fall flowers as the centerpiece. The meeting was Wednesday afternoon at Rhoads Memorial Library.

Gene and Fredia Fuston and children Jeff Kyle and Kacy and friends Jimmy and Jan Ward and baby Julia all came up from Turkey Wednesday evening for the service at the Methodist Church and a visit with friends the Howard Quietts and Bill and Melanie Beacy. Other guests were Rev. Bruce and his wife Mary Parks of Tulsa.

Our sympathy goes to Ruth Wright and her daughter Mrs. Joe Ben Mitchell and all the family for the loss of daughter and sister Sharon Rothwell Lentz. The memorial service was at the Methodist Church Thursday.

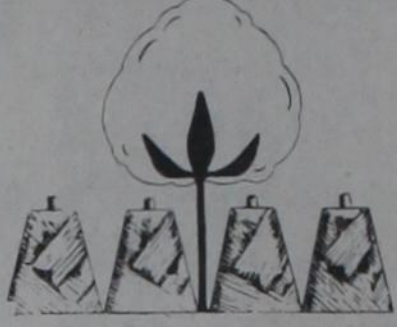

I visited a minute with Don and June Gladman here from Plainview and talked to Hootie or Sybil Waggoner

Andrews and Jimmy Glenn Moberly. She lives now at Ruidoso near that old water wheel curio shop. And Billie Joe Rothwell of Springfield, Mo. was here for the service and visiting friends and his

SEASONS CHANGE For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking. God never changes, he is an ever present help. "For I am the Lord, I change not" Attend church and learn more of God's wonderful and never changing love. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Class officers at DHS are named for new term

Class officers have been chosen in Dimmitt High School for the new school year, with Morris Cole named president of the 1980 seniors, Deanne Merritt junior class

president, Tim Wales sophomore president and Max Sandoval freshman.

Seniors elected Debbie Dobbs vice-president, Gary Malone secretary and Lori Dyer treasurer. Libby Cleveland and J'Lynn Ryan are the class sponsors.

Trent Armstrong is the junior vice-president, Judith Smith secretary and Suzan Collins treasurer. Sponsors will be Robert Crawford, Sue Broderson and Brenda McClellan.

For the sophomores, Tomy Enriquez is vice-president, Wendy Bruegel secretary-treasurer, Laurie Sides reporter and Mario Moreno sergeant-at-arms. Sponsors are Clifford Smith, Kenneth Cole and John Thomas.

With Nell Kelley, Ken Cleveland and Janna Mussett as sponsors, the freshmen will have Joe Saucedo as vice-president, Lelia Arce secretary-treasurer and Kevin Cleveland reporter.

TEXAS Community Improvement Program conducted by the Extension Service and the investor-owned electric utility companies, is designed to help rural communities of under 1,000 population deal with their problems.

Watch eye problems

By TERESA L. CRISWELL

Watch out for vision problems in your children—early detection can avoid serious complications. The following signs of trouble may apply to anyone, but it is essential to watch for these problems in a child.

- 1) Blinking eyes fairly often,
- 2) Rubbing eyes frequently,
- 3) Holding books or reading material close to eyes,
- 4) Squinting eyelids together to see,
- 5) Tensing body when trying to see at a distance,
- 6) Crossed eyes,
- 7) Eye lids that are red rimmed and crusted or swollen,
- 8) Frequent watery eyes,
- 9) Styes that often recur.

Also, a person with eye problems may complain that their eyes itch, burn or feel scratchy, or they may mention

blurred or double vision. If headaches, dizziness or nausea occur after doing close eye work, medical attention may be advisable.

Other tips: Poor housekeeping inherently generates accidents. Oil spilled on the floor, grease on a ladder rung, and toys on stairs are all ingredients of potential trouble.

Parents and teachers can inhibit the growth of, or even destroy, a child's feeling of worth by constantly criticizing and labeling the child as "slow," "stupid," "dumb" or "thoughtless."

A common mistake in home laundry is using too little detergent. Increase recommended detergent amounts for harder-than-average water, heavier-than-average soil, lower wash temperatures or a larger-than-average load.

Wise time use begins with an understanding of yourself and what you want from life. Time is used for three types of activities: work, maintenance, and free time. Your values can tell you how you "ought" to use time to help make life satisfying and meaningful.

Planning for area Tops meet begins

Program plans for Area Recognition Day which the Dimmitt Tops Club will host in November were discussed at the club meeting Monday night in Rhoads Memorial Library, and will continue in coming meetings.

Dimmitt members expect to have about 250 Tops Club members visiting from an area which includes all the Panhandle and southward as far as San Angelo. Oleta Raper, leader, is appointing committees to arrange for the event.

At the Monday meeting 28 members weighed-in with a total weight loss of 15 pounds, 8 ounces. Tops of the Week, Sally Parmer, registered a loss of 6 pounds, 4 ounces, and Dale Wells was Male Tops of the Week with a loss of 4 pounds, 4 ounces.

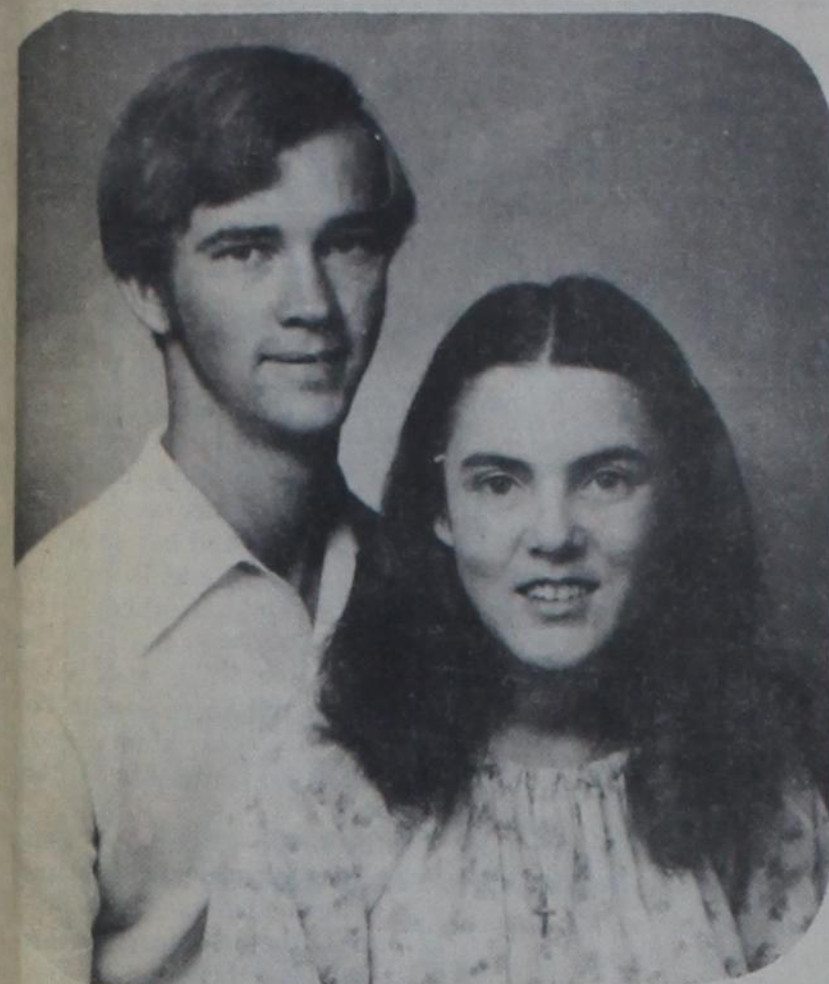

Museum tour scheduled by Dimmitt YH

Dimmitt Young Homemakers will meet at 7 p.m. tonight (Thursday) at the Dimmitt High School homemaking lab.

After the regular business meeting the Young Homemakers will go on a tour of the Castro County Museum.

Babysitters will be provided. Young Homemakers Week in Texas is being observed this week, Sept. 17-22.

THERE is a law in Michigan which requires a census of the state's bees every winter.

ENGAGEMENT ANNOUNCED—Plans for the marriage Nov. 23 of Karen Janelle Brown and Bradley Scott Barnes, both of Hart, are announced by her parents, Mr. and Mrs. J. Roscoe Brown of Borger. The wedding will be in First Baptist Church of Hart. Miss Brown is a kindergarten teacher in Hart schools. She received a BS degree from West Texas State University after attending Phillips High School and Frank Phillips College. Barnes, son of Mr. and Mrs. Frank D. Barnes of Hart, is an employee of Frito-Lay Grain Handling Division. He is a graduate of Hart High School.

A Grandma's Golf Tournament sponsored by the Castro County Country Club was held Saturday, Sept. 8.

Winners in the tournament were Bobbie George, low gross; Kathy Thomas, low net and low putts; Jo Hamilton, most putts.

Others competing in the tournament were Dolores Baldrige, Neva Hickey, Mozelle Lilley and Amy Glover. Shirley Underwood, Audrey Shottenkirk and Beverly Lindsey played a scramble game with the grandmas in the tournament.

"It was a good tournament and a good time was had by

all," chairman Shirley Underwood said.

On the go

Leora Calhoun and Charlene Lopez had as visitors Sunday Mrs. Calhoun's daughter, Bobbie Chester, and from Clovis, Mrs. Chester's daughter, Diane Fitzgerald and daughter Susie, also Will Jaquess and D. J. Slaughter; and from Decatur, Mr. and Mrs. Mayes Mitchell and their children. They all went to Clovis Sunday night and the Mitchells returned Tuesday on their way home.

New members welcomed at PMHA brunch

New members of Plains Memorial Hospital Auxiliary were introduced and welcomed at the annual fall membership brunch last Thursday in Rhoads Memorial Library. A brief business session was conducted to begin a new year of activity.

Executive committee members headed by Nell Ingram, president, played hostess to 25 Pink Ladies and those who are joining the group. On the committee are Lucile Drerup, Betty Cartwright, Susie Bradford, Gloria Mason and Irene Blanton.

They served quiche, melon balls, tea and coffee from a table covered in blue and gold and decorated with an arrangement of flowers in the same colors.

CATGUT does not come from cats. It is made from the dried intestines of sheep.

Happy anniversary!

Frio

Men take trip into Canada

By MRS. OWEN ANDREWS

Several men from the Hereford area went on a week long fishing trip to Otter Lake in Canada. The closest town is La Ronge, where the planes were parked while the group continued further into the more remote areas. Those going included Harlan Barber, Ivan Block, J. P. Jones, Robert Simpson, Doc Cowan, Charles Skinner and pilots John Smith, Burk Inman and Dwaine Pittenger. The group stopped at Regina, Canada on the way up and at Rapid City, S.D. on the return trip.

Frio Baptist WMU met Thursday morning at the home of Mrs. Clark Andrews. Mrs. Walter Kaltwasser of Bovina was the guest speaker during the morning session. She is a native of London, Eng., coming to this country as a "war bride" in 1946. She is active in Christian work and brought her testimony. A luncheon followed the program. The group is beginning the new church year under the leadership of Mrs. Jerry Richardson as president, Mrs. Gene McMillan secretary, Mrs. Eugene Baldwin and Mrs. Norman Harder mission study, Mrs. Clark Andrews mission support and Mrs. Earl Harkins WMU director.

Among college students this year is Cory Springer, who is a freshman at Tarleton University, Stephenville. He is the son of the Charles Springers. Their daughter, Kristi, is a junior at WTSU.

Here for several days visit are Mr. and Mrs. Jeff Massie of Gonzales. She is the former Sammie Vinson. Last weekend the family gathered at the Vinson home. Others with the group were Mrs. Annie Lee Dobbins, the Robert Dobbins family, Edlana Vinson and the David Watts and young son.

Mr. and Mrs. Glenn Andrews and Lynn of Carthage, Mo. visited the Owen Andrews and other relatives last weekend. Hal and Clint were too occupied with the beginning of college to be away on Monday. They are attending Southwest Missouri State at Springfield, where Hal is a junior and Clint a freshman. Joe Mike Meyers made a

truck trip for Jake Diel the first of the week, going to Houston for a load of heavy machinery. Her folks, the Derrel Musicks of Dimmitt, were out to check on the family while he was away.

Mr. and Mrs. Lloyd Shultz and her sister, Mrs. Orville Bearden and Mr. Bearden of Avery, were vacationing the past week in the Rockies at Lake City, Colo.

(Delayed Last Week)
Friends in this area will be interested in the wedding of Joel Findley of Houston to Dianne Harris, also of Houston, Aug. 26. Findley is a native of this area who grew up and was educated in Hereford. He is the son of Mr. and Mrs. Mearle Findley of Canyon and the grandson of Mr. and Mrs. Elmer Jones of Hereford. He moved to Houston in August of 1976 to enter Houston Vocational Guidance Center and completed the course this August. He is now employed with the Air Flow Air Conditioning and Heating Service. His bride, the daughter of Mrs. Faye Smiley of Pasadena, is employed at Man-Power Inc. as service manager, also in Houston.

The wedding took place at the Don England home in Houston in a garden setting. The wedding party stood on a knoll marked with white rope swags. Garden plants and floral arrangements provided a tropical setting. The bride wore a gown in empire style of candlelight satin and a head dress of yellow and tangerine flowers. Her matron of honor was her niece, Kathy Luthi of Pasadena. She wore a caped blue slipper length gown. The flower girl was Michelle Findley of Canyon, sister of the groom. A family friend, Joe Webb, gave the bride in marriage and the ceremony was performed by Rev. Claude Perry. Best man was Chuck Fredrick of Houston.

A reception was held in the garden following the ceremony. Tables covered in white net and lace held the bride's cake, the chocolate groom's cake and other items.

The couple left for a wedding trip to Bermuda and will live in Houston after their return.

Jason Meyers was the hon-

oree at a birthday celebration Sunday for his sixth birthday. It was complete with grandparents, Mr. and Mrs. Derrel Musick of Dimmitt, to help celebrate. Others coming for the occasion, gifts, cake and punch were his aunt, Mrs. Leta Musick and her children, Ronnie, Stacy and Drew from Dimmitt and a neighbor, Mrs. Owen Andrews. Jason is the son of Joe Mike and Debbi Meyers and has a sister, Tiffany. He is a kindergarten student at Tierra Blanca this year.

Mrs. Joe Andrews was hostess for a luncheon Thursday for the ladies of the Hereford Lutheran church. Fourteen ladies, including the pastor's wife, Mrs. Edwin Brown, attended.

Rev. and Mrs. Charles Grisham and children of Dimmitt were at Frio Baptist church Sunday. He brought both sermons for the church services. The weekend revival at Frio was this weekend with I. J. Bishop of Plainview the preacher and Ed Shubert from Oklahoma leading the singing. Rev. Bishop is a Bible professor at Wayland Baptist College. Dinner at the church Sunday was a part of the weekend activities.

Several of the Robbins relatives were here for the Saturday-Janovec wedding on Saturday and then again for the funeral of Mrs. Daisey Moreman on Thursday. Among those from out of town were the E. H. Littles of Texline and the Steve Robbins of Lubbock and Gene Duvall of Amarillo. Also the Robbins children, Patty from Dallas, the Allen Burkhalters of Fort Worth and the Glenn Edwards family from Commerce were here for the funeral.

Mr. and Mrs. Glen Andrews and Lynn of Carthage, Mo. spent the weekend with his parents, the Owen Andrews, and others of his family, and also visited her brother, Troy Burrus, and others in Amarillo.

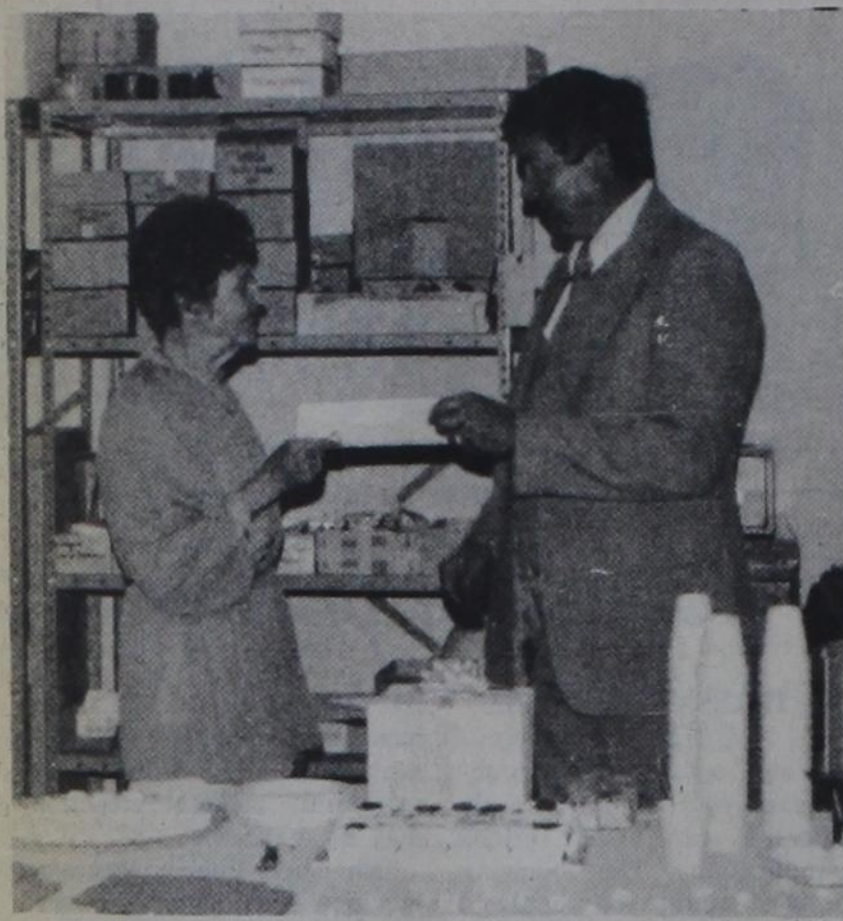

Here for the weekend with the Edgar Vinsons was their youngest daughter, Pam, and her husband, David McCracken. The couple was married in Omaha, Neb. Aug. 31. Pam has been in Omaha several months after completing her high school work at Hereford High School last fall. She is employed with Computer Operation and is studying to be a program operator. Her husband is employed with Prof-fett Auto Service in Omaha. He is a native of that city. Others with the Vinsons on Sunday included Edlana Vinson, Rick Meason, Mr. and Mrs. David Watts and young son, Shane, Mrs. Annie Lee Dobbins and the Robert Dobbins family.

Mrs. Harlan Barber returned Wednesday from several days visit with her sister, Faye Bullard, at Lubbock and then the two of them went on to Belton to visit two of their aunts. They went by Colorado City and got a cousin, Jerry Strain, to go with them for the Belton visit.

Vaccines offered in clinic at Hart

The monthly immunization clinic at Hart, with free vaccines for protection against several childhood diseases, will be conducted at Hart Elementary School from 9 to 11 a.m. next Wednesday.

Immunization against measles, rubella, mumps, whooping cough, lockjaw, diphtheria and polio will be given.

LURLINE POPE, senior distribution office clerk for Pioneer Natural Gas Co. here, receives her final paycheck from Manager Bob Caddell during a retirement party in her honor at the gas company office recently. Mrs. Pope was the first woman employee of Pioneer's Dimmitt office.

Lurline Pope retires after 23 years with Pioneer here

"I haven't had time yet to decide what I'm going to do—I've been too busy doing personal things that I've been putting off," Lurline Pope said after retiring from Pioneer Natural Gas Co.

She added, "I mainly plan to just take life easy. I may travel."

Mrs. Pope was the first woman hired by Pioneer Natural Gas Co. here. She joined the firm as a distribution office clerk almost 23 years ago—on Feb. 17, 1957—and was the only female staffer for eight months.

"It was just the manager (A. V. Barnes), one general plant operator and myself at that time," she explained. "The office had been open here only a year when I went to work. Until that time the local billing was done out of Hereford."

During her 23-year tenure with Pioneer, Mrs. Pope worked with only two managers—Barnes and Bob Caddell, present manager of the Dimmitt office. In the meantime, the staff here grew to

eight people and Mrs. Pope rose to the position of senior distribution office clerk.

The first woman Mrs. Pope hired to help with the distribution records and billings was Ethel Drerup Schmucker of Nazareth, who worked from 1958 until her marriage in 1960. The latest "DOC" hired by Mrs. Pope was Mary Lou Weatherford, who has now been with the local office 15 years. Mrs. Schmucker and Mrs. Weatherford were both present at Mrs. Pope's recent retirement party in the company offices.

Mrs. Pope has two children—Shirley Hollums, who is a teller with the First State Bank of Dimmitt, and Darrell Pope, who is the chief administrator for the Federal Aviation Administration in Kansas City, Mo.

On the go

Marian Spence, a former Dimmitt resident, visited one day recently with Aural Davis. 6473123 For Printing

Interact Club is launched

CHARTER MEMBERS of the new Dimmitt High School Interact Club were introduced at Friday's Rotary Club meeting. Officers [seated from left] are Kim Watts, Suzan Collins, Judith Smith and President Trent Armstrong. Standing, from left, are Kevin Ginn, John

Smith, Lee Schilling, Kyle Collins, Todd Touchstone and Debbie Hrabal. The Acteens are a high school service organization sponsored by the Rotary Club. Ron Montgomery is the club's advisor.

Interact Club members from Dimmitt High School were introduced to Dimmitt Rotarians at its Friday noon meeting.

Interact is a service organization for teenagers formed at DHS recently and sponsored by the Dimmitt Rotarians.

Attending the Friday meeting were Trent Armstrong, president; Kim Watts, vice-president; Suzan Collins, secretary; Judith Smith, treasurer; Lee Schilling, Kevin Ginn, John Smith, Debbie Hrabal, Todd Touchstone and Kyle Collins.

The goals of Interact Club are:

-To recognize and develop constructive leadership and personal integrity.

-To encourage and practice thoughtfulness of and helpfulness to others.

-To create an awareness of the importance of home and family.

-To build respect for the rights of others based on recognition of the worth of each individual.

-To emphasize acceptance of individual responsibility as the basis of personal success, community improvement and group achievement.

-To recognize the dignity and value of all useful occupations as opportunities to serve society.

-To provide opportunities for gaining increased knowledge and understanding of community, national and world affairs.

-And to open avenues of personal and group action leading to the advancement of international understanding and good will toward all peoples.

Ron Montgomery, the Interact Club sponsor, said "we hope by Christmas the size of the club will double or triple."

Interact meets two Tuesdays a month at 7 p.m. Invitations to join the club are being sent to prospective members, Montgomery said.

In January the club will hold its election of permanent officers for the year.

Erosion threatens future of Plains, Bryson warns

"Since the 1930s, the soil here has eroded eight to 18 inches. This is an alarming figure," District Conservationist N. A. Bryson told the Dimmitt Rotary Club Friday.

"It is estimated that if this rate of erosion isn't controlled, in another 50 years this area will become what parts of East Texas are now—grassland," Bryson added.

While most High Plains residents have been worrying about the depletion of underground irrigation water, Bryson said, the Soil Conservation Service has been learning that the soil itself is being depleted at an alarming rate by wind and water erosion. Irrigated soil is eroding the fastest, he said.

"We divided the county into 15-acre plots, and three people spent three weeks surveying every plot for information on crop history, erosion, and so forth," Bryson said.

"In the Texas High Plains, 52 sites are being checked daily for wind erosion, and we also have a similar number of sites being tested for water erosion," he explained.

The Soil Conservation Service is conducting similar tests all across the nation, Bryson said, under the provisions of the Conservation Act of 1977. Test data will become part of a national survey report to help local, state and federal governments and conservation districts design future conservation programs.

"Nationwide, we're finding that an average of 4.8 tons of soil per acre is eroding away every year," Bryson said. "If we're going to reverse this trend, we've all got to get involved."

Bryson also presented a

brief slide-and-tape program describing the nationwide conservation survey and the "RCA" program—"Your Role in the Conservation of America"—and how the data-gathering and involvement programs are being carried out at the local level.

The RCA program is designed to get a local input of ideas into the nation's future conservation policies, Bryson explained.

He reported that a public meeting here last June 8, although widely publicized, drew only 16 people, "but these people—especially those in Water District 1—had some solid ideas for Congress to consider."

Funeral held for brother of city woman

The funeral of Everett Ballard Cornell, 76, of Hedley, brother of Wanda Campbell of Dimmitt, was conducted Tuesday morning in First United Methodist Church at Hedley, of which he was a member. Burial was in a Paducah cemetery.

A resident of Hedley four years and formerly of Paducah, Mr. Cornell was a retired oil company employee.

He is survived by his wife, the former Roxie Velma Eason; a daughter, Naomi Ruth Thomas of McLean; his mother, Mrs. Z. C. Cornell Sr. of Clarendon; five sisters, five brothers, four grandchildren and four great-grandchildren.

"It is everyone's responsibility to report to us what your opinion is on what our area and our nation need to do to conserve our resources," Bryson said.

In a progress report on the flood control dam being built on Running Water Draw in Sunnyside, Bryson said the project will probably be completed well ahead of schedule.

He showed the engineer's drawing of the earth-and-concrete dam, which is being built at a cost of more than \$1 million. The reservoir will cover an average of 58 surface acres, with a maximum depth of eight feet, and will impound an average of more than 200 acre-feet of water, he said.

Before Bryson's talk, Rotary President George Lamberth reported that the Dimmitt United Lions Club had agreed to join Rotary in the formation of a new park in the city. Representatives of the two clubs met with the city commission Monday night to discuss plans for the park.

Gary Moore, United Way campaign chairman, reported on the UW drive's progress to date and reminded club members of the United Way Tennis Tournament at the Ruskin Racquet Club and the UW Nine-Hole Golf Tournament at the Country Club, which are being played "for fun, not blood," to help raise funds.

Keith Mussett, membership chairman, read a list of new-member prospects and assigned members to contact them and bring them to a Rotary meeting.

The Rotary Club meets every Friday at noon in the Colonial Inn Restaurant's dining room.

Ex-resident's funeral held

Funeral services for Walter Ervin Thompson, 68, who farmed at Dimmitt before he moved to Lubbock in 1977, were conducted Friday afternoon in a funeral chapel at Lubbock by Rev. Bob Utley, pastor, and Rev. Vernon Gee, associate pastor of Trinity Baptist Church.

Mr. Thompson, whose death occurred Sept. 12 in a Lubbock hospital, was the father of Sandra Nelson and Jack Thompson of Dimmitt. He was a native of Grandfield, Okla. and married Bertha Bailey at Whiteface in 1936.

Survivors include his wife; two daughters, Lyndell Sinclair of Lubbock and Mrs. Nelson; three sons, Mack of Watsonville, Calif., Lynn of Mesa, Ariz. and Jack of Dimmitt; and 13 grandchildren.

Hart vs. Shallowater

Longhorns win statistics but lose score, 14-12

By MONTY UPTON

Hart's Longhorns corraled the Shallowater Mustangs Friday night in nearly every way but the final score.

Despite the 12-14 loss, the Horns proved they are for real by pounding the improved Mustangs that had defeated the Horns 38-6 last year.

Hart's first series ended with a punt, but five plays later Shallowater's Rodney Jackson fumbled and Scott Jones came up with it at the Mustangs' 16. However, Hart's hopes for an early score ended when QB Derek Rich's pass was picked off at the Mustangs' 10 by Norbe Anaya.

The Mustangs were forced to punt from their 13, and Isaias Ponce returned the punt 13 yards to the Shallowater 30. Using running by fullback Lorenzo Valenzuela behind the blocks of Scott Jones, Marlin Marble, Benny McLain, Danny Rodriguez, and Daniel Higgins in the line, Hart took six plays to drive to the 10. A penalty set

them back five yards, but Rich hit end Chad Black on the seventh play of the series for the TD with two minutes left. The PAT kick by injured Keith Newsom went awry.

Then the ball changed hands eight times before either team did much with it. Hart drives ended at the Shallowater 48, 46, 33 and 21. The Mustangs could not cross the mid-stripe until the closing seconds of the half. At that point, Mustang QB Neal Luck threw an 11-yarder to end Angel Maldonado at the Hart 36. After being thrown for a nine-yard loss back to the 45, Luck hit HB Jackson on a 45-yard scoring pass that tied the score at 6-all with only 32 seconds left in the half.

After receiving the second-half kickoff, the Mustangs were unable to move, thanks to defensive play from folks like Jesse Gonzales and Phil Foster alternating at nose guard. Because of Hart's superior defensive play, Shallowater had a minus 13 net

yards in the third period.

Hart's Isaias Ponce intercepted a Luck pass during Shallowater's second series of the period, giving the Horns the ball at their own 40. Using 11 plays—including a 10-yarder by Leonard Washington, an eight-yarder by Rich and one of 11 steps by Melvin Washington—Hart punched it across from the 15 on a dive by Valenzuela with 1:05 left in the third.

Going into the final stanza, it looked like the Horns had stopped the Mustangs when

the second in a series of strange calls by the refs took place. Evidently, Hart had 12 men on the field on the Mustang punt, but confusion ruled as Hart was first given the ball but possession was then returned to Shallowater. Anyway, it gave new life to the Mustangs at the Hart 33. Using eight plays—including an 11-yard Luck pass to end Glen Kersey and an 11-yard Jackson run to the Hart 4 for a first down—Luck sneaked three times before finding paydirt. With the score tied

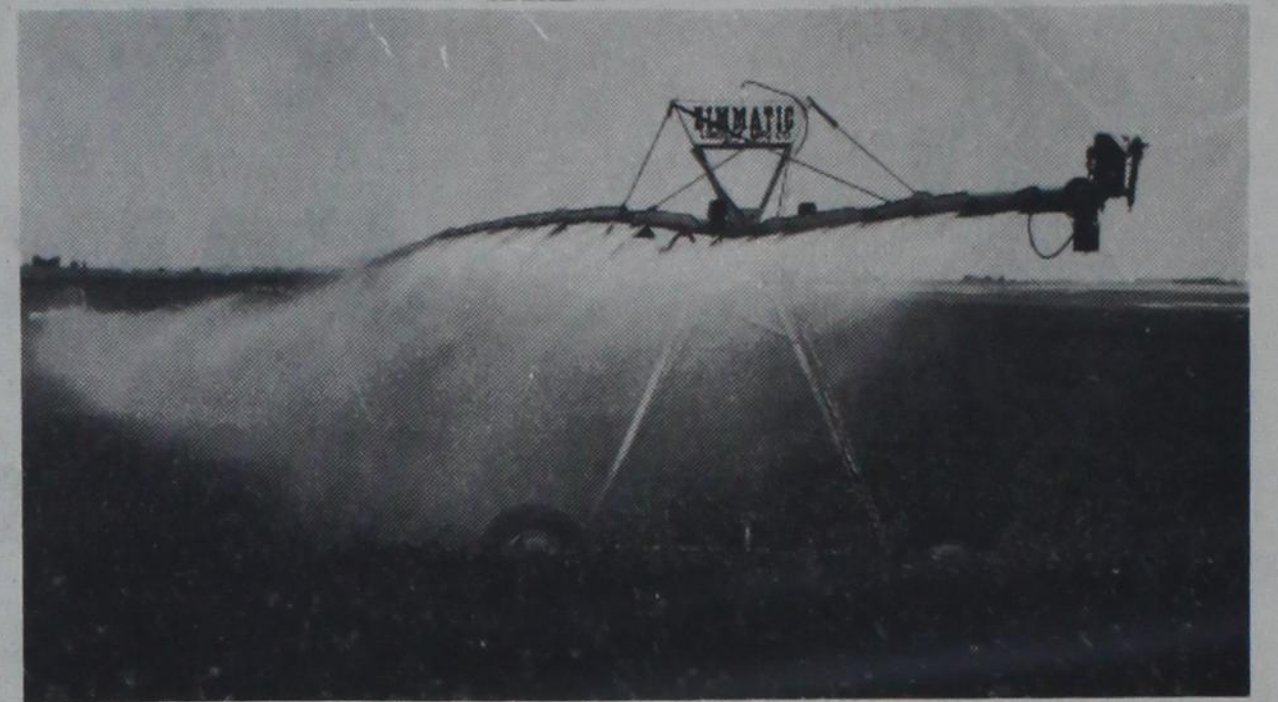

and 6:39 left in the game, Jackson ran for the two go-ahead points.

Using runs by M. Washington, Valenzuela and Rich, Hart moved to the Shallowater 41. Facing a fourth and one, Rich went for the first and got eight yards before losing the grip on the water-slick ball. The Mustangs' Keith Kohanek recovered at their 33. With the use of slashing Jackson runs, including a 12 and 10 yarder, the Mustangs got three first downs and that was all it took

to run out the clock. Following the game, Shallowater Coach Rickey White

said, "You guys gave us all we wanted. We are physically beat and just squirreled it in

at the end. I hope we can just get our folks back out next week."

Zimmatic Low Pressure waters down overhead

Cutting overhead is one of the keys to profitable irrigation. With a Zimmatic Low Pressure System over your crop you can unlock the door to big savings. Start by cutting horsepower requirements by as much as one-third and keep saving because your system will likely be more efficient and use less water.

And choosing Zimmatic Low Pressure gives you more than an economical center pivot. You get the company that pioneered low pressure in center pivot irrigation. Lindsay developed Zimmatic Low Pressure to cut horsepower without cutting performance. Your pivot is still 100% Zimmatic with all the dependable features and top-quality material that Lindsay is known for.

If you're considering center pivot irrigation, consider Zimmatic Low Pressure—the pioneer. Come in soon and find out how to water down your overhead while you pump up your profits.

Fumbles mar Swift attack as Hereford JV wins, 6-0

By CHRIS ALBRACHT

Hereford's Sophomores took advantage of Nazareth fumbles and penalties Saturday night in Swift Stadium,

and slipped away with a 6-0 win.

The Swifts, now 0-2, were plagued by 16 fumbles and seven penalties for 70 yards. The game's only score

came in the third quarter when, on first and goal from the 5, Whiteface sophomore John Phibbs took a handoff from quarterback Mike Collier and broke into the end zone. The extra-point kick was no good.

The Swifts outgained and outpassed the visiting Whitefaces, but untimely fumbles and penalties kept them from capitalizing on their opportunities.

The game turned into an aerial battle as neither team showed much ground power. The Swifts gained 63 net yards on the ground while holding Hereford to 56. But in the passing department, Nazareth completed eight of 16 passes for 128 yards, while Hereford connected on six of 28 for 109 yards.

Friday night the Swifts will host the Hart Longhorns, who are 1-1 after losing to Shallowater by a 14-12 count last week.

'Freebie' TD's highlight Slaton's 35-19 victory

By JIMMIE CHAPMAN

The injury-ridden Dimmitt Bobcats dropped a 35-19 decision to the Slaton Tigers here Friday night on a cool, wet field before an average home-opener crowd.

It had rained all day, but the field was in good condition as the rain halted early in the contest.

The weather didn't give the Bobcats as much trouble as costly penalties, the lack of a kicking game, and a manpower shortage.

The Cats started the game with only 10 subs on the sideline. To top that off, tailback Jimmy Stewart, quarterback Robin Ryan and end Gary Naylor all left in the third period, along with several linemen, but all returned to finish the game.

The heralded Tigers scored the first time they got the ball, going 57 yards while running half of the first period off the clock. Lance Bownds got the opening TD on a one-yard plunge. A determined Cat defense had held the Tigers to short gains, but a 15-yard penalty gave the Ti-

gers a key first down on the Dimmitt 12 to keep Slaton's drive alive. Troy Moses booted the extra point to give the Tigers a 7-0 lead with 6:38 left in the first quarter.

Slaton scored again in less than two minutes, after recovering a Bobcat fumble at the Dimmitt 30. On the first play after the fumble, quarterback Kevin Johnston hit Charles Phenix with a pass on a slant pattern, and the big end raced unmolested to paydirt. Moses split the uprights for the extra point, making it 14-0 with 5:09 left in the first quarter.

Adrian Stanton intercepted a Johnston pass deep in Slaton territory late in the first quarter, but a penalty took the ball away from the Bobcats, and the quarter ended with the visitors still holding a two-touchdown advantage.

On the first play of the second period, Darryl Heinrich punted to the Slaton 46, and from there the Bobcats began their first scoring drive.

On a fourth-down play, needing two yards, Ryan hit Naylor with a 28-yard pass that kept the drive going. Two plays later, Ryan kept on an option play and gained eight yards to the Slaton 5. From there, Stewart powered his way into the end zone for the Bobcats' first score. Naylor's kick was blocked, and the score stood at 14-6 with 7:24 to go in the first half.

The Bobcats' second TD was as sudden as Slaton's had been. On the Tigers' next fourth down, the ball was snapped over the head of

FROM ALL FOUR SIDES—Four Bobcat defenders call an emergency meeting at the Dimmitt 16-yard-line with Slaton runner Lance Bownds as the centerpiece in the second quarter of Friday night's game here. In on the tackle are Steve Stone

punter Heinrich and the Bobcats swarmed him at the Slaton 4. From there it took the Cats only one play as

Ex-Swiftette named assistant WBC coach

Rachelle Pohlmeier, a two-year member of the Wayland Queen Bees basketball team, has been hired as assistant women's basketball coach and head mentor of the Bees for the 1979-80 season, Wayland President Dr. Roy McClung has announced.

Miss Pohlmeier, 20, a native of Nazareth, replaces Shena Cooper, who was assistant to former Queens head coach Dean Weese for three years before resigning to join him as player-coach with the Dallas Diamonds of the Women's Professional Basketball League.

A 1977 graduate of Nazareth High School, Miss Pohlmeier played basketball two years under new Queens head

coach Cathy Wilson. She will assist Miss Wilson with varsity coaching duties in addition to serving as head coach of the junior varsity Queen Bees.

An All-District selection as a senior, she was a member of the Swiftettes' 1977 Class B state championship team and played in the East-West All-Star game in Amarillo as a senior.

She lettered in tennis four years and won the Class B state doubles title in 1977.

A physical education major and English minor at WBC, Miss Pohlmeier is the daughter of Mr. and Mrs. Leroy Pohlmeier of Nazareth. She plans to teach and coach following her scheduled graduation in 1981.

[82], Gus Ortiz [42], Gary Naylor and Elias Perez. The visiting Tigers lost three yards on this play, but managed to punch across their third touchdown with 24 seconds left in the half to take a 21-13 lead. Slaton won the contest, 35-19.

with 5:05 left in the second quarter.

But Slaton struck again after a Naylor punt went only nine yards, giving the Tigers possession at the Dimmitt 20.

With the help of a Dimmitt penalty and the running of Lance Bownds, the Tigers scored with 24 seconds left on the clock, when Bownds went over from a yard out. Moses' kick was good again, and Slaton had a 21-13 halftime lead.

The Bobcats got the ball at the Slaton 13-yard line on the first play of the second half when Elias Perez recovered a Johnston fumble. Ryan hit Stewart with a 12-yard pass on fourth down to put the ball at the 1, and from there Stewart

scored his third TD of the night by blasting over the right side. Ryan tried to run a two-point conversion, but was stopped, and the score stood at 21-19.

The Tigers got good field position at their own 42-yard line after a short Dimmitt kickoff, and used up six minutes of the clock as they rolled to the clinching score with Bownds getting his third TD on a 1-yard run. Moses kicked the point after, and Slaton led 28-19 with 4:03 left in the third.

The Tigers got another "freebie" when the Bobcats fumbled a pitchout on the first play after the kickoff and Slaton got the ball at the Dimmitt 12-yard line. Johns-

ton hit Phenix with a touchdown pass on first down, and after Moses booted his fifth point-after the score was 35-19 with 4:02 left in the third period.

The final period was scoreless as the Bobcats drew the majority of their 80 yards in penalties to frustrate their comeback hopes.

★ GAME AT A GLANCE ★

Dimmitt	Slaton
8	First Downs 17
119	Rushing Yardage 101
48	Passing Yardage 80
167	Total Offense 181
4/9	Passes Att/Comp. 6/10
8/80	Penalties/Yards 9/125
3	Fumbles Lost 1
1	Interceptions By 0
6/18	Punts/Average 3/29

Score by Quarters:

Slaton	14	7	14	0-35
Dimmitt	0	13	6	0-19

Scoring Plays:
 S—Lance Bownds, 1 run (Troy Moses kick)
 S—Charles Phenix, 30 pass from Kevin Johnston (Moses kick)
 D—Jimmy Stewart, 5 run (kick blocked)
 D—Stewart, 4 run (kick failed)
 S—Bownds, 1 run (Moses kick)
 D—Stewart, 1 run (run failed)
 S—Bownds, 1 run (Moses kick)
 S—Phenix, 11 pass from Johnston (Moses kick)

Gus Ortiz, Kelly Nelson, Trent Armstrong, Ben Holcomb and Randy Washington played an outstanding game on defense—especially Ortiz, who sacked Johnston three times on pass attempts.

Jimmy Stewart gained 63 yards on 14 carries and caught one pass for 12 yards to lead the Bobcats' offense. Stanton earned 23 yards in six carries.

Slaton's Lance Bownds gained 77 yards to become the Tigers leading gainer, but he had to carry the ball 27 times to do it. Michael Whaley got 52 in 14 tries in a game that had a lot of scoring but little offense. It was penalties and fumbles on crucial plays that led to the inflated score.

The Bobcats will host the Tahoka Bulldogs Friday night—their second opponent in a row from District 5-AA. Tahoka dropped its opener to Stanton 28-14, and was idle last week.

AVISO PUBLICO

Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION ESPECIAL 6 DE NOVIEMBRE DE 1979

PROPOSICION NO. 1 EN LA BOLETA (H.J.R. 108)

La Resolución Conjunta #108 de la Cámara de Representantes propone una enmienda en la constitución de Texas referente al nombramiento y a los plazos de los notarios públicos.

La enmienda propuesta: —Requerirá que el Secretario de Estado nombre a un número conveniente de notarios públicos para el estado; y —autorizará para que los plazos oficiales para notarios públicos sean por no menos de dos años y por no más de cuatro años.

La provisión temporal de la enmienda constitucional propuesta declara que la enmienda entrará en vigor el 1° de enero de 1980; que cada persona que haya sido nombrada como notario público antes del 1° de enero de 1980 continuará ejerciendo como notario público hasta vencerse el plazo por el que fue nombrado; y que esta provisión temporal se vencerá el 1° de enero de 1982.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional para el nombramiento de notarios públicos para el estado para un plazo de no menos de dos años ni de más de cuatro años, según lo provisto por la ley."

PROPOSICION NO. 2 EN LA BOLETA (H.J.R. 133)

La Resolución Conjunta #133 de la Cámara de Representantes propone una enmienda en la constitución de Texas para proveer una revisión del proceso reglamentario en las agencias del departamento ejecutivo. Esta enmienda propuesta permitirá a la Legislatura el decretar leyes:

- Para proveer una revisión legislativa del proceso reglamentario en las agencias del departamento ejecutivo;
 - Para prescribir condiciones para que las leyes sean puestas en vigor;
 - Para suspender, revocar o expirar las reglas;
 - Para prescribir procedimientos; y
 - Para delegar autoridad a cualquiera o a ambas cámaras.
- La enmienda propuesta aparecerá en la boleta como sigue:
- "La enmienda constitucional para proveer una revisión legislativa del

proceso reglamentario en las agencias del departamento ejecutivo."

PROPOSICION NO. 3 EN LA BOLETA (S.J.R. 13)

La Resolución Conjunta Senatorial #13 propone una enmienda en la constitución de Texas para autorizar a la Legislatura para que provea una garantía de préstamos, a las personas calificadas, para la compra de bienes raíces agrícolas y ganaderas. De esta manera, la enmienda propuesta podría permitir a la Legislatura el proveer, emitir y vender bonos de obligación general llamados "Farm and Ranch Loan Security Bonds" (Bonos de Seguridad Para Préstamos Agrícolas y Ganaderos) del Estado de Texas, sin exceder la cantidad de \$10 millones de dólares. Todo dinero recibido de la venta de estos bonos sería depositado en un fondo diferente en la Tesorería Estatal y sería administrado por el comisionado de agricultura, sin más apropiaciones. Estos fondos garantizarían préstamos para la compra de bienes raíces agrícolas y ganaderas. El comisionado de agricultura usaría estos fondos bajo las provisiones prescritas por la Legislatura, con el propósito de garantizar préstamos para la compra de bienes raíces agrícolas y ganaderas; para adquirir hipotecas de bienes raíces o escrituras de bienes raíces compradas con préstamos garantizados. Estos fondos serían usados también para adelantar un porcentaje del principal y del interés debido en esos préstamos, a la persona que califique para el préstamo. La Legislatura también podría autorizar al comisionado de agricultura para que venda cualquier terreno adquirido mediante esta enmienda. El comisionado de agricultura requeriría al menos un 6 por ciento de interés en dichos préstamos. La enmienda propuesta apropiaría la cantidad suficiente para pagar el principal y el interés de los bonos que vayan adquiriendo más valor, o que se venzan durante el año fiscal, menos la cantidad del fondo de interés y amortización al final del año anterior.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional para autorizar a la Legislatura para que por medio de la venta de bonos de obligación general del Estado de Texas, provea una garantía para que las personas calificadas puedan obtener préstamos para la compra de bienes raíces agrícolas y ganaderas."

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1979

PROPOSICION NO. 1 ON THE BALLOT (H.J.R. 108)

House Joint Resolution 108 proposes an amendment to the Texas Constitution relating to the appointment and terms of notaries public. The proposed amendment would: —Require the Secretary of State to appoint a convenient number of Notaries Public for the state; and —Authorize terms of office of Notaries Public of not less than two years nor more than four years.

A temporary provision of the proposed constitutional amendment provides that the amendment would take effect January 1, 1980; that each person who was appointed a notary public before January 1, 1980, would continue to serve as a notary public for the term for which the person was appointed; and that this temporary provision would expire January 1, 1982.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the appointment of notaries public for the state and for a term of not less than two years nor more than four years as provided by law."

PROPOSICION NO. 2 ON THE BALLOT (H.J.R. 133)

House Joint Resolution 133 proposes an amendment to the Texas Constitution to provide for legislative review of the process of rulemaking by agencies in the executive department. The proposed amendment would allow the Legislature to enact laws:

- To provide for legislative review of the process of rulemaking by agencies in the executive department;
- To prescribe conditions for rules to take effect;
- To provide for suspension, repeal, or expiration of rules;
- To prescribe procedures; and
- To delegate powers to either or both houses or to committees of either or both houses.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for legislative review of

the process of rulemaking by agencies in the executive department."

PROPOSICION NO. 3 ON THE BALLOT (S.J.R. 13)

Senate Joint Resolution 13 proposes an amendment to the Texas Constitution authorizing the Legislature to provide for the guarantee of loans used to purchase farm and ranch real estate for qualified borrowers. The proposed amendment would allow the Legislature to provide for, issue, and sell general obligation bonds called "Farm and Ranch Loan Security Bonds" of the State of Texas not to exceed 10 million dollars. All money received from the sale of such bonds would be deposited in a separate fund with the State Treasurer and administered by the commissioner of agriculture without further appropriations. These funds would be used to guarantee loans for the purchase of farm and ranch real estate. The commissioner of agriculture would use these funds, under provisions to be prescribed by the Legislature for the purpose of guaranteeing loans used for the purchase of farm and ranch real estate, to acquire real estate mortgages or deeds of trust on lands purchased with guaranteed loans. These funds would also be used to advance to the borrower a percentage of the principal and interest due. The Legislature may also authorize the commissioner of agriculture to sell at foreclosure any land acquired in the manner authorized by this amendment. The commissioner of agriculture would be required to charge at least 6 percent interest on such loans. The proposed amendment appropriates an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the guarantee of loans for purchase of farm and ranch real estate for qualified borrowers by the sale of general obligation bonds of the State of Texas."

JV loses, Frosh win at Friona last week

Dimmitt's Junior Varsity dropped a contest to the Friona JV last Thursday, and Dimmitt Freshmen swamped Friona's frosh the same evening in games at Friona.

The host JV untied a half-time 8-8 score when a Dimmitt punt was blocked in the third quarter, Friona got the ball on the Dimmitt 30 and took it in to break the tie. The PAT run failed and the game ended 14-8.

quarterback, scored on a keeper from 5 yards out, capping a 60-yard drive in the second quarter that gave Dimmitt its only touchdown. Eli Garcia ran for the extra points. The first Friona score came in the same quarter when a sweep around right end capped a 50-yard drive and the PAT run was good.

Center Todd Hatla as well as Gonzales and Garcia was cited for outstanding play on offense. Defensive standouts were linebacker Danny Wassom, nose guard Zeke Garcia, and again Eli Garcia in the safety position, according to Coaches Clifford Smith and Ken Cole.

Hunt season schedule is announced

A duck and goose hunting season of 83 days, from Oct. 30 to Jan. 20, has been announced by the Texas Parks and Wildlife Commission to complete the list of game seasons for the Panhandle.

A special early teal hunting season of nine days began last Saturday and will continue until sunset Sunday. First segment of the dove season is also open now, to run through Oct. 21. A second period of dove hunting will be permitted until sunset Sunday.

Larger game may be hunted Sept. 29-Oct. 7, when an antelope season will allow hunting by permit only. The regular season for whitetail deer will be Nov. 17-Dec. 2, and for mule deer, Nov. 17-25. Archery season for both will begin Oct. 1, ending Oct. 9 for whitetails and Oct. 16 for mule deer.

A sandhill crane season is set for Oct. 30-Jan. 30. Turkey may be hunted by archery Oct. 1-9 and in a regular season Nov. 17-Dec. 2.

Quail season will be from Oct. 27-Feb. 3 and the prairie chicken season in the north Panhandle will be for only two days, Oct. 20 and 21. A squirrel season will be in effect from Oct. 1 to Dec. 1.

Pheasant hunting in an expanded season will be tried in the Panhandle this year, from Dec. 8 to Jan. 6.

GOTCHA!—Dimmitt's Steve Stone [82] doesn't need any help as he makes a perfect open-field tackle on Slaton's Michael Whaley in the second quarter of the Bobcats' home opener

Friday night. With Slaton getting two "gimme" touchdowns and Dimmitt one, the visiting Tigers won the game by an inflated score of 35-19.

DMS 7th, 8th grade teams split openers with Friona

Dimmitt's eighth grade "A" team defeated Friona by a convincing 28-0 count while the seventh grade "A" squad lost by a pair of conversions, 16-12, in the first junior high football games of the season last Thursday.

Both games were played in Bobcat Stadium.

In the 8-A game, halfback Mark Bruegel, fullback Scott Simpson and halfbacks Dennis Burnam and Hilbert Dominguez scored a touchdown apiece as Dimmitt dominated the contest.

Bruegel made Dimmitt's first scoring drive a one-man show as he raced 25 yards on the first play of the game, then scampered 15 yards for a TD on the next play. A two-point conversion attempt failed.

Nazareth JH is 8-6 winner in opener

Nazareth's Junior High gridders started their season last week with an 8-6 win over Lazbuddie, and are ready to meet Hart Junior High this evening (Thursday) at Hart.

The Junior Varsity Longhorns of Hart High School will not have a game until Thursday of next week, when they are scheduled to meet Anton.

In the junior high game, Nazareth scored on the opening drive as Sidney Gerber completed a pass to Marvin Schmucker for the touchdown and Johnny Schmucker ran for the 2-point tally after TD. Lazbuddie made its only score in the third quarter.

Coach Bruce Bagnell's defensive squad made two determined stands to keep Lazbuddie out of the end zone on scoring threats in the last half of the game.

The rest of the first half was scoreless, although Bruegel had a 40-yard touchdown run called back in the second quarter because of a clipping penalty.

Dimmitt put together a 70-yard scoring drive in the third, with Simpson running the final 12 yards. Bruegel ran for two extra points, and Dimmitt led by a 14-0 count.

Burnam chalked up Dimmitt's third TD on a four-yard run in the third quarter to climax an 80-yard scoring drive. Robert Nelson passed to Tim Kenworthy for two extra points to make it 22-0 in Dimmitt's favor.

Dimmitt's final TD came when Dominguez broke loose on a 40-yard scoring run. Paul Flores had given Dimmitt the opportunity of intercepting a Friona pass at the Friona 45-yard line two plays earlier.

Flores' interception put the finishing touch on a strong defensive performance by Dimmitt's eighth graders. Dimmitt held Friona to only one first down.

"They (the defensive players) all played well," Coach Jerry Durham said. "Dwight McDonald saved a touchdown when he came over from his off-side safety position to tackle Friona's runner at the 12-yard line and stop a 30-yard run. Other defensive players who really impressed me were Brandon Cox and Hilbert Dominguez at cornerback, Roy Tijerina and David Barton at ends, and Robbie Hottel at tackle."

Durham cited Bruegel, Simpson and guards Scott Nelson and Brad Holcomb as Dimmitt's offensive standouts.

A pair of touchdown conversions made the difference as Friona defeated Dimmitt's 7-A team, 16-12. The two teams played electronic leapfrog on the new board as Friona scored in the first and third quarters and Dimmitt

scored in the second and fourth.

After receiving the opening kickoff, Friona kept the ball almost the entire first quarter, scoring on a three-yard run to cap a 75-yard drive. A two-point conversion run was good and the visitors led by 8-0.

Friona tried to keep control with an onside kickoff, but it backfired. Dimmitt recovered the ball on Friona's 45-yard line and used only three plays to score. Albert Gonzales raced 34 yards to Friona's 5 on second down, then Jason Morris skirted left end for the touchdown, just 15 seconds into the second quarter. A two-point conversion attempt failed, leaving Dimmitt on the short end of a 8-6 count at halftime.

Friona struck again with

2:31 left in the third—this time on a 20-yard run—and added a two-point conversion to increase its lead to 16-6.

Dimmitt's final TD came after a fumble recovery at Friona's 30-yard line with 5:03 remaining in the game. Two plays later quarterback Michael Love headed left, saw no daylight, reversed his field and raced 32 yards for a touchdown. Dimmitt again was foiled on its two-point conversion attempt, leaving the final score at 16-12.

"Even though we lost, I was proud of the team because everyone gave everything they had the whole game," Coach Brett Pruitt said.

.....

14—CARD OF THANKS

A special Thank You to the following people and businesses for their help with our fundraising barbecue: Reeve-Fleming Chevrolet, James Bradford, Chet Braafladt and Dimmitt 66, Carroll Webb, Slim Vardell, Robert Ryan and the Dimmitt School System, Kenneth Jackson, Leonard Dollar and the Expo Center. Also thanks to the people who bought our barbecue.

Turkey shoot, wildlife art join in DU benefit

A turkey shoot, awarding of a shotgun, Armatele plates and art prints, and an auction of art prints by prominent waterfowl artists will be included in the first-ever fund-raiser for Ducks Unlimited in this area at Hereford Sunday.

All activities will be conducted at the Hereford Gun Club, just east of the Hereford Airport.

Kicking off the Hereford DU fund-raiser will be a turkey shoot at 1 p.m. It will continue through the afternoon, as long as contestants wish.

Fees will be \$3 for five rounds in the shooting competition, and the winner of each round will receive his choice of a turkey or ham as a prize.

The awarding of a 20 gauge, three inch magnum "Greenwing Special" shotgun will be held at approximately 3:30 p.m. The gun was donated to the Hereford DU chapter by Harrington and Richardson.

Also awarded in drawings will be art prints by prominent waterfowl artists, and two free subscriptions to "Waterfowler's World" magazine.

The feature award presentation will be announcement of the winner of a set of Armatele plates, which com-

memorate DU's "One of One" edition Browning Superposed shotgun. The shotgun, gold engraved and valued at \$65,000, is the national fund-raiser for DU this year.

The winner of the DU plates at Hereford will have his name in the running with some 1,600 others from the various DU committees across the nation to win the one-in-the-world Browning shotgun.

Rounding out the Hereford fund-raiser will be a waterfowl art auction, featuring limited edition art prints of original paintings by prominent waterfowl artists including Ralph J. McDonald and David Maass.

Also featured in the art auction will be two original paintings by Kim Poarch of Amarillo, a former Hereford resident.

All art items are matted, glassed and framed for the auction.

Proceeds from the Hereford events will go to Ducks Unlimited to help further the work of preserving vital waterfowl nesting habitat in Canada, where 70 percent of North American waterfowl are hatched.

All interested sportsmen and conservationists are invited to attend the fund-raising events and turkey shoot.

Date of Kiwanis Club installation is fixed

The installation banquet for Dimmitt Kiwanis Club officers will be held Oct. 11 in the east cafeteria of Richardson Elementary School, President Gene King announced at the club lunch Monday.

Bob Murdock will take office at the banquet as president for the coming year. A barbecue dinner will be served to Kiwanians, their wives and special guests.

Club members decided to have tickets printed immediately for their annual pheasant hunters' breakfast and hunting permits, after Carl

Bruegel reported that he was already receiving many requests for reservations.

The Kiwanis Club has been given permission by a group of landowners in Castro County to sell pheasant hunting permits on land which is otherwise restricted. This sale of permits was begun last year in connection with the hunters' breakfast which Kiwanians have held for several years.

This year the pheasant season in the county will be longer, from Dec. 8 to Jan. 6, King reminded club members, so price of the permits will be increased.

County Judge M. L. Simpson, whose hobby is photography, was the program guest to show slides from photographs made as a Farm Security Administration project during the depression days of the 1930's, and other photographs Simpson made last year.

The Dimmitt man saw the FSA photographs in a magazine story about some of the people pictured, sharecroppers in an Alabama community, as they were in 1935 and as they are today.

He became interested, and on a trip through the south he went to the community and located some members of the families, photographing them in their present homes.

School menus at Nazareth

Here are the lunch menus for Nazareth schools for the week of Sept. 24-28.

MONDAY — Barbecue on a bun, corn, tossed salad, apple crisp, milk.

TUESDAY — Chicken pie, mixed vegetables, cranberry sauce, peanuts, hot buttered bread, peaches, milk.

WEDNESDAY — Cheeseburger, French fries, pineapple upside down cake, milk.

THURSDAY — Tacos, lettuce, tomatoes, mixed vegetables, hot buttered bread, peanut butter cup, milk.

FRIDAY — Chicken fried steak, whipped potatoes and gravy, green beans, hot rolls, butter, milk.

View from the Library

By BRICK AUTRY
Librarian

Interview with the Castro County Librarian.

Q: "Mr. Autry, where did you get your peculiar name, Brick?"

A: "I got it at a fire sale at Brown's in Oklahoma City."

Q: "Mr. Autry, how long have you been a librarian and what are your career ambitions?"

A: "I've been a librarian for about seven years. Luckily I've been employed as a librarian most of that time. My career ambition is to remain employed as one in some capacity."

Q: "That you were an Indian librarian is well known. Were your Indian patrons really illiterate? Do you plan to continue being an Indian librarian?"

A: "Yes, of course! I never plan on stopping being an Indian. The Creek Tribe just allowed me to vote in tribal elections. The Creek Tribe is just now getting around to voting on the 1867 Constitution. We believe in discussing important items. We've discussed this Constitution for over a hundred years. As to my experiences as a librarian with the Cocopahs in Yuma, Ariz., yes, I found them slightly less literate than some people I have known at school. Oops! not you, you understand."

Q: "Yes, well, . . . Now, what do you do in the library when you're not helping people and fooling around with books and stuff like that?"

A: "Contrary to popular belief, I don't sit in my office and play with my lips. There's just an awful lot to be done every day—the bills, new requests, films, and looking after the overdue books, not to mention the public relations and seeing to the many details . . ."

Q: "Such as?"

A: "Like placing the piles under all the leaks when it rains and trying to change the thermo without taking the cover off the temperature gauge—we put this cover over the thermo so people wouldn't touch it and now we can't

even get into it."

Q: "Some people complain that you sometimes babysit children in the library when their parents don't want them around. They say that baby-sitting isn't one of your jobs."

A: "I will agree with the parents of some children. I wouldn't want them around either! You take the Dominquez gang (and you may), why, they drive everyone crazy. Even me. They come to the library, however, as a matter of choice, not forced by parents looking for a place to stash them. Why they choose the library, though, makes me wonder, however. Maybe I just have a natural thing for kids."

Q: "Maybe they just consider you stupid enough to get along with."

A: "I beg your pardon?"

Q: "See what I mean? Nevertheless, do you like children and do you consider them important to your library patronage?"

A: "I do like children. Fried, mostly. In another way, yes, I do consider children important to the library program. Who else would come to the films on Fridays? Certainly not the mothers. Besides, it's worth putting up with the little devils. They may grow up to be fantastic library patrons who will hire me someday twenty years from now—and more importantly, aid and abet library support. There's method in my madness, though I admit to being very mad at times."

Youth hurt in collision of pickups

James Roberts of Dimmitt was taken to West Texas Hospital in Lubbock Sunday night for treatment of injuries he received in an accident 8½ miles southeast of Dimmitt at 9:55 p.m. Sunday.

He was treated for bruises and a cut on his head that required stitches.

Roberts, a Dimmitt high school student, was driving a 1979 Chevrolet pickup, traveling south on a dirt road when the pickup collided at an intersection with another 1979 Chevrolet pickup driven by Richard Rodriguez.

State Trooper Jackie Gunnels reported that Roberts' pickup slid about 147 feet after he applied his brakes before the impact.

Rodriguez and a passenger, Javier Sanchez, received minor injuries but were not treated.

After checking the occupants of the other vehicle Roberts went to the home of Bill Henderson and called for help, Gunnels said.

Citations were issued to Roberts for failure to yield the right of way and to Rodriguez for driving without a license.

Both vehicles were a total loss.

Trooper Gunnels also investigated an accident three miles south of Nazareth at 8:40 p.m. Sunday.

Salazar Olivas of Hart was treated and released at Plains Memorial Hospital for lacerations of the head.

According to Trooper Gunnels, Olivas had a truck stuck in a ditch, and Adolfo Garcia of Hart pulled his truck up to help pull the truck out of the ditch.

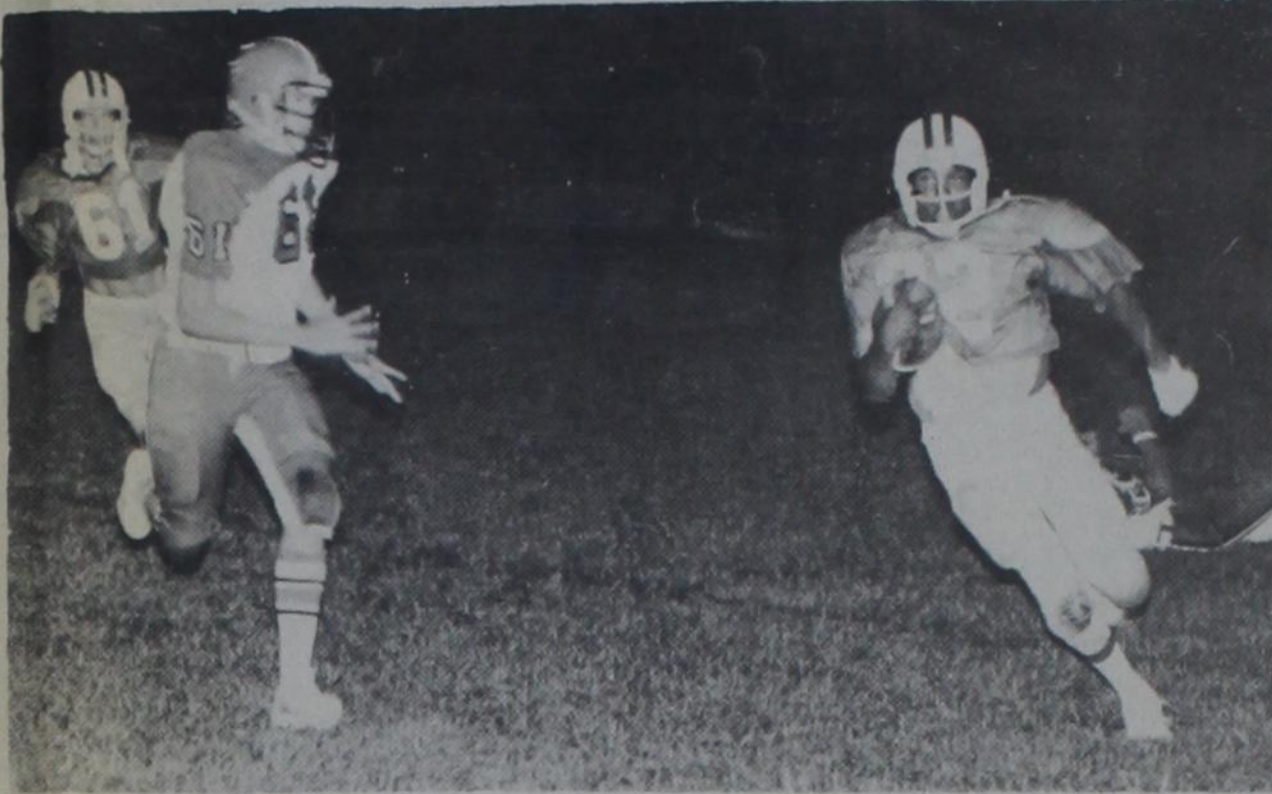

Antonio Moreno of Halfway, traveling south, apparently did not see the truck and ran into the side of the parked truck.

Garcia was cited for stopping on the road.

Lance Davis goes to job at Houston

Lance Davis, former Dimmitt resident, has moved to Houston to take a position with Gearhart-Owen Research and Development, after 18 months as a field engineer with the firm's wireline services in Odessa and prior to that, as an engineer in Shawnee, Okla.

Davis, son of Billye Gwynn Davis, graduated from Dimmitt High School in 1972 and earned a degree in electrical engineering technology from Texas Tech.

RANDY WASHINGTON LEAVES ONE Tiger on the turf and speeds past another one for an 11-yard midfield gain in the waning seconds of Friday night's Dimmitt-Slaton game here.

As Slaton's Scott Elkins pursues Washington, Dimmitt's Ben Holcomb races up to help. Slaton won the game, 35-19.

Nazareth

Student gets coaching job

By VIRGIE GERBER

Rachelle Pohlmeier has been hired as assistant women's basketball coach and head mentor of the Bees for this season. She is a two-year member of the Wayland Baptist College Queen Bees team. She'll be assistant to Cathy Wilson, her former high school coach at Nazareth.

Florence and Lucille

What's cooking at the school

Here are the lunch menus for Dimmitt schools for the week of Sept. 24-28.

MONDAY — Green enchilada casserole, Mexi-beans, tossed salad, fruit, batter bread, milk.

TUESDAY — Baked ham, candied sweet potatoes, green beans, gelatin, rolls, butter, milk.

WEDNESDAY — Hot dogs, sliced tomatoes, French fries, fruit cobbler, milk.

THURSDAY — Fried chicken, creamed potatoes, winter mix, peanut butter cup, rolls, butter, milk.

FRIDAY — Fish with tartar sauce, rice, mixed vegetables, temptation dessert, rolls, butter, milk.

Schacher flew to Los Altos, Calif. for a visit with their daughter Rosalie Davis and family.

Mr. and Mrs. Ed Gerber of Dumas, Mr. and Mrs. Tony Gerber and Mrs. Alphonsa Huseman of Nazareth drove to Fordyce, Neb. for the 50th wedding anniversary of their cousin, Mr. and Mrs. Ed Thorne.

Mr. and Mrs. Greg Hoelting are home after spending last week in Temple, where Mrs. Hoelting underwent extensive tests at the Scott and White Clinic. She is feeling much better.

Public invited to hear guest priest speak

Daily preaching services at the Immaculate Conception Catholic Church are being conducted by Rev. Albert Fuytinck of Odessa, with the public invited each evening at 7 p.m.

The guest speaker, a Redemptorist priest, is conducting the services this week in English, and the preaching mission will continue next week with sermons in Spanish.

LOSING YOUR WATTS?

If your home is inadequately insulated, you're probably losing watts. You can lower your heating and cooling expense by installing the proper amount of insulation.

If you're in the market for a new home, make sure the one you buy is an ENERGY EFFICIENT HOME. An Energy Efficient Home uses energy saving construction methods to keep the heat where it belongs.

More leaders needed for new Cub Scouts

Boys, 22 of them, have enrolled as new Cub Scouts in Dimmitt, along with 43 boys returning from last year, and new leaders are being sought to carry out the program here, according to Cubmaster Jo Behrends.

A Den Leaders meeting is scheduled at 7 p.m. today (Thursday) at the Plains Insurance building, 113 E. Bedford, for persons interested in helping with leadership of these boys in Cub Scout Pack 267.

New boys have not yet been assigned to dens, pending availability of new Den Leaders, Mrs. Behrends said, and transfer of some older boys may be made to meet the needs.

She urges attendance of possible leaders at the meeting, and asks anyone who is interested in volunteering, but is unable to be at the meeting, to telephone her, 647-3177.

The Webelos Den, for 10-year-old boys, has been active all summer and will have new

boys added this fall. Bill Sava and Roy Henderson are the leaders.

Betty Hoover is leader of Den 2, which includes Russel Cowen, Kitzel Hoover, Scott Sava, Prentiss Washington and Jerry McMillon.

Den 3, with Carmen Catano as leader, comprises Leo Castro, Rafael Soto, Lonnie Ramirez, Fernando Catano, Paul Espinosa, Armando Montalvo, James Alexander, Emilio Arce Jr. and Kevin Wheelers.

Members of Den 7, which has Hope Zuniga as leader, are Samuel Zuniga, Genaro Catano, Kelly Goolsby, Gregory Vaught, Tim Elliott, Kevin Grisham and Wayne Schacher.

"We intend to place each boy in a den as quickly as we can find leaders," Mrs. Behrends said. "We hope to be able next week to announce the added dens with names of boys and leaders."

DHS offers night classes through AC

Dimmitt schools, through Amarillo College will offer courses in accounting, shorthand, typing, Spanish, basic home maintenance and repair for women, and business math if interest warrants.

Those interested in any of the classes are urged to be at classroom 13 in the high school at 8 p.m. Monday, Sept. 24.

At least 12 students are needed for a class to be offered.

The classes will be taught one night a week at the time decided by the mutual agreement of the teacher and the students.

Additional information can be obtained by contacting D. H. Koeninger at 647-3105.

EVERY 9.6 years there is a peak in the skunk population in Canada.

Elvia Vassaur graveside services held

Funeral services for Elvia "Granny" Vassaur, 77, former Dimmitt resident were held Tuesday in Borger, with graveside services being held in Dimmitt at Castro Memorial Gardens.

Mrs. Vassaur was born in Louisiana. She had moved to Borger two years ago from Dimmitt.

She is survived by three sons, Jerry of Dimmitt, Elmer of Kerrville and Weldon; four daughters, Juanita Morris of Phillips, Joyce Deavers of Lewisville, Frances Ingram of Panhandle and Marjorie Swindle of Goodnight.

More about Work begins...

[Continued from Page 1] cities and schools.

It was agreed at the meeting to recommend to each governing board that the directors be appointed. If five of the six approve this, the following resolution will be adopted:

"Hart ISD will appoint one member; Nazareth ISD will appoint one member; Dimmitt ISD will appoint one member from within the city limits of Dimmitt, one member from Precinct 2 and one member from Precinct 3."

Board members of the appraisal district would take office Jan. 1, 1980, for a two-year term. Those at Thursday's meeting agreed that the board members should be either former school board or city commission members, who would have knowledge of taxation and budgeting problems.

A copy of the resolution is being submitted to each of the governing boards this month.

If three-fourths of the local governing bodies approve the appointment process, members of the appraisal board will be appointed by Nov. 1 to take office Jan. 1.

To date the Dimmitt and Hart ISDs and the City of Dimmitt have approved the resolution.

City sales tax rebate totals show decline

City sales tax rebates for Dimmitt, Nazareth and Hart for the month ending Aug. 23 are down from the same period a year ago, according to the monthly report from the state comptroller's office.

Dimmitt's net payment for this period totals \$15,909.08 compared with \$18,963.71 for the same period a year ago. The allocation for August brings the 1979 payments to date to \$79,235.34, down from \$90,332.01 in 1978.

City sales and use tax allocation for Hart totalled \$2,321.40 compared with \$2,647.15 for August of 1978. The 1979 payments to date total \$10,206.81, down from \$10,355.52 in 1978.

Nazareth received its rebate check for \$1,242.29, down from the \$1,585.55 for the same period a year ago. The 1979 payment to date for Nazareth is \$9,063.21, which is substantially up from the total of \$7,910.90 through August, 1978.

The city sales tax is collected by merchants and other tax permit holders along with the state sales tax and is rebated monthly to cities in which it is collected by the comptroller's office.

THE explosive power of one gallon of gasoline has been compared to 14 sticks of dynamite. Gasoline carried in a car's trunk can build up enough vapors, even if stored in a "safety" can, to result in a fire and possible explosion.

Dimmitt man's father dies

Funeral services for C. N. Jackson, 91, of Levelland, father of Alfred Jackson of Dimmitt, are pending after his death Tuesday evening in Plains Memorial Hospital here.

A retired owner and operator of a grocery store at Levelland, he had lived there since 1926. He was a native of Georgia and married Olive Martin in 1905 at Quanah. She died in 1968.

He is survived by a daughter, Opal Minor of Levelland; four sons, Alfred of Dimmitt, Arborn, Carl and Joe of California, and numerous grandchildren and great-grandchildren.

House panel okays bill to back gasohol

A federal program of loans and loan guarantees for building gasohol plants was approved this week by the House agriculture committee, although the administration has said the bill is unnecessary.

The bill would authorize loans or loan guarantees for construction of plants to produce alcohol for use as a gasoline-blended motor fuel, and a fourth of the guarantees would be required to back plants costing under \$5 million to build.

Also, the bill would require feed grain growers to agree to sell up to 10 percent of their crop to the US Agriculture Department, which would in turn sell it to gasohol firms.

THE world's largest ski lift is in Killington, Vt. It is three and one-half miles long.

Police calls netted over \$1,000 at Fair

City Police were busy again last week with an influx of burglaries.

Elmo Williams of Kress complained to police that all four hubcaps were taken from his 1973 Oldsmobile last Thursday. The hubcaps were valued at \$200.

A Stevens Model 820-12 gauge shotgun was stolen from a pickup belonging to Gary Reed while it was parked at Taylor & Sons Food Store where he is employed.

Entry to the pickup was gained through a wing window, police said, and the pickup was re-locked after the gun was taken.

E. R. Waggoner reported that his home at 103 W. Lee was broken into sometime Friday while he was in Tulsa.

When he arrived home he found that the front door was partially open. Dresser drawers in two bedrooms had been pulled out and a bed had been unmade and looked as if it had been slept in, police reported. A piggy bank containing about \$15 and a 3/8 inch drill were taken.

Entry was gained through a bathroom window. The case is still under investigation.

May Hammonds of West Stinson reported that during the night Friday the plants that she kept on her front porch were taken. Total value of pots and plants was placed at more than \$150.

Pete Huggins told police that sometime between 9:30 a.m. on Tuesday and 4:30 p.m. Sunday his home was entered and an electric wall clock, three blankets, a suitcase, two jewelry boxes and an electric razor are missing. Value of the items is estimated between \$600 and \$700.

High Plains Savings and Loan Association reported that a rock had been thrown through a window Sunday.

Police also investigated two minor automobile accidents.

Lions barbecue netted over \$1,000 at Fair

Over one thousand dollars was netted by the Dimmitt United Lions at its county fair barbecue, it was reported at the club meeting last week. The barbecue supper was served the final night of the Castro County Fair, Sept. 8.

Future plans of the United Lions include Halloween activities and giving the Rotarians a helping hand with the new city park.

Pete Salinas, president, suggested that the Lions find ways to cut unneeded expenses. All past debts have been paid leaving only current bills to be paid, Emilio Sandoval added.

Turkey shoot tickets go on sale by DYF

Tickets for a turkey shoot which will be the first fall project for Dimmitt Young Farmers, will be distributed to members at a breakfast meeting today (Thursday). Sale of tickets will begin immediately after the breakfast.

The meeting will be in the Colonial Inn Cafe at 6:30 a.m. Various business is on the agenda, President Alfred Sammann said, and all members of the chapter are asked to be present.

A shotgun will be the top prize at the turkey shoot Sept. 30. It will be open to the public, beginning at 1:30 p.m. Proceeds will be used in the DYF's programs of this year, including community projects. Each member will receive a quota of tickets to sell.

PLAINS MEMORIAL

Mr. and Mrs. Johnny Lafuente Jr. of Plainview are parents of a boy. Jaime was born Sept. 11 and weighed 7 pounds, 4 1/2 ounces.

It's a girl for Mr. and Mrs. Jimmy Garcia of Dimmitt. Veronica was born Sept. 12 and weighed 7 pounds, 4 1/4 ounces.

OUT OF TOWN

Mr. and Mrs. Bryan Brock are the parents of a daughter, Amy Nichole, who was born Sept. 15 in Deaf Smith General Hospital in Hereford. She weighed 8 pounds, 4 ounces. Grandparents are Elsie Moore, Milton Moore and Mr. and Mrs. Jim Brock, all of Dimmitt.
