

United Way to start door-knocking Tuesday

Twenty-eight percent of Dimmitt's \$16,250 goal has now been received, with 50% of the business contributions now in, Moore said.

"I am very optimistic that United Way's home-to-home drive will kickoff Tuesday, Dimmitt Campaign Chairman Gary Moore announced this week.

"We are asking each resident of Dimmitt to contribute one hour's wage per month to the United Way," he added.

Gov. Bill Clements has proclaimed the months of September, October and November as United Way campaign months in Texas.

"The United Way exists to serve people. Its purpose is to provide a framework by which a cross section of the citizens and agencies, governmental and voluntary, may join in a community-wide effort to deliver efficient human service programs effectively related to current needs," the Governor said in the proclamation.

we are going to reach our goal, considering the contributions that have been coming in and the attitude of the people," he commented.

A tennis tournament to raise funds for the United Way will begin Monday, Sept. 17 at Ruskin Racquet Club.

A golf tourney will also be held soon, Moore said, at the Castro County Country Club. It is planned "just for fun" so it can be enjoyed by any golfer, no matter what his skills, he explained.

The Dimmitt Noon Lions have contributed \$750 to the UW, Moore said, and he urges all other civic organizations to contribute.

Ninety percent of the money received from contributions for the UW will stay in Dimmitt to help support the organizations in Dimmitt which receive its aid.

"I would like to thank Ed Woodard, M. L. Simpson Jr., Jerry Heller, Marshall Young and Danny Rice for their time and efforts in the business drive last week," Moore said.

Housing Project students to get school-bus service

The Dimmitt School Board approved a bus-service plan for students from the Castro County Housing Project at its September meeting last Thursday.

Allan Webb, representing the Castro County Housing Authority, submitted a proposal under which the school district would make a bus available and the Housing Authority would provide a driver and pay operating expenses and depreciation costs on the 72-passenger bus.

The board approved the plan, and the bus will begin operation as soon as contracts can be drawn and the bus driver certified by passing his physical exam—probably next week.

Following discussion of Senate Bill 621 regarding the establishment of a single appraisal district in the county, the board approved a resolution establishing the make-up of the five-member board. Hart ISD is to appoint one member; Nazareth ISD one; and Dimmitt ISD three—one city resident and one resident each from Precincts 2 and 3.

In other action, the board: —Approved the list of substitute teachers for the 1979-80 school year;

—Approved guidelines for complaints under Title I to be added to the DISD policy book.

Preceding the business meeting, board members were taken on a tour by Supt. Robert Ryan to see improvements which had been made to school properties during the summer.

Sharon Lenz funeral slated today at UMC

Funeral services for Sharon Rothwell Lenz, 38, daughter of Mrs. J. M. Wright of Dimmitt, will be held at 10 a.m. today (Thursday) in First United Methodist Church.

Rev. Howard Quiett, pastor, and Rev. John Street, pastor of First Baptist Church, will officiate. Burial will be in Castro Memorial Gardens under the direction of Lemons Funeral Home of Plainview.

Mrs. Lenz died Sunday in Madera, Calif.

She was born and raised in Dimmitt and was a graduate of Dimmitt High School. She attended Lippert's Business School in Plainview, and operated the Rawlings Hotel-Restaurant in Dimmitt.

She married Fred Lenz in 1961 in Dimmitt. They moved to Fresno, Calif. in 1967 and to Madera in 1977. She was a member of the Madera Methodist Church.

She is survived by her husband; a daughter, Robyn and a son, Cory, both of the home; a sister, Carolyn Mitchell of Dimmitt and her mother, Mrs. J. M. Wright of Dimmitt.

Lillie F. King services held at Sunnyside

Funeral services for Lillie Faye King, 80, of the Sunnyside community, were held Sunday at Sunnyside Baptist Church with Rev. Raymond Jones officiating. Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

Mrs. King died Thursday at St. Anthony's Hospital in Amarillo.

She was born Sept. 23, 1898 in Cameron, Mo. She and her husband moved to Sunnyside in 1940 from Amarillo. She married Irving King June 26, 1918 and he died May 21, 1969.

Mrs. King was a member of Sunnyside Baptist Church and the Order of the Eastern Star.

She is survived by two sons, Frances I. King of Amarillo, and Billie J. King of Monument, N.M.; seven grandchildren and eight great-grandchildren; a brother, William M. Sweeney of Amarillo; and a sister, Helen Looney of Amarillo.

Honorary pallbearers were Roy Phelan, Lloyd Blanton, E. R. Sadler, Ezell Sadler, Alton Loudder and Phillip Jones.

Pallbearers were Hershel Wilson, Milburn Haydon, Roy Lilley, Don Curtis, Ronnie Blanton and Eliseo Saucedo.

FmHA starts disaster loans

NOBODY DOES IT BETTER—More than 200 attending the 1979 Old Settlers Reunion enjoy a gourmet lunch at the Castro County Senior Citizens' Center Saturday. The serving tables

were laden with special dishes prepared by the county's most experienced cooks. A business meeting of the Old Settlers' Association preceded the luncheon.

Thousands enjoy '79 Fair

Measured by attendance, the usual standard of success for a community event, the Castro County Fair last weekend was successful in all its programs, including the Old Settlers Reunion which was held Saturday in conjunction with the fair.

Crowds lined downtown streets to watch the parade which was paced by lively marches played by Dimmitt High School's award winning Bobcat Band. It was pro-

nounced the best parade in the city for many years.

A stream of visitors viewed exhibits and patronized arts and crafts booths at the Expo Center Friday and Saturday.

Dancers and spectators filled two roped-off streets on the courthouse square Saturday night, with square dancing in progress on one block and a Western band playing for modern dancing on another.

Oldtimers and their friends gathered at the Senior Citizens Center to visit, have lunch and hear a brief program. Lunch was served to about 200, and during the day more than 100 visited the County Historical Museum, which held open house.

Youngsters competed in the pet show, tricycle and big-wheel races on courthouse parking lots Saturday and visited the baby animal show at the Expo quonset. They and their elders ate barbecue at supper that evening after watching water polo matches by the Dimmitt Fire Department.

Stone trial set Jan. 8

District Judge John T. Boyd this week set Jan. 8 as the trial date for Loy and Louise Stone, who are charged with murder in the 1977 Halloween shooting death of 15-year-old Roxanne Casas.

When Judge Boyd granted a motion for a new trial date last summer, because some state witnesses were unavailable at that time, he said the new date would be either in November or January, District Attorney Jimmy Davis said Tuesday.

This week the judge announced that his schedule would better allow for the January trial date. The case is to be heard in 64th District Court in Plainview, on a change of venue from this county.

Miss Casas was killed by a shotgun blast while she was a passenger in a pickup with a group of other Dimmitt teenagers on Halloween night, 1977.

County law enforcement officers said they had been notified earlier that night by the Stones that they were being harassed by youths riding past their farm home north of Dimmitt. The couple, active members of the Church of Wicca, had become known as "witches" because of their beliefs.

The 4-H Trap Club won first for youth organizations and county 4-H Clubs second.

Roy Lilley took first place in the antique cars-trucks division with a 1937 Ford coupe, Clyde Hoelting second for his 1935 Pierce-Arrow, Dan Nelson third for his 1931 Chevrolet coupe.

Dimmitt Rodeo Association was given the award for riding clubs. In the division for miscellaneous riders and buggies, T. McDaniel received the award for the best dressed cowboy, Debbie Hathaway for best dressed cowgirl; Tye Killingsworth, Little Britches; Kristy Stroud, Little Miss Britches; Roy Dale Carmichael, most original; Tucker Schumacher, youngest rider, at the age of a year and a half.

Among the numerous bicycle riders, blue ribbons

Enrollment up from first day of school

Enrollment has increased during the first two weeks of school in Dimmitt, Hart and Nazareth. Increases in the first few days of a school term are normal as pupils continue to enroll.

As of Friday Dimmitt Independent School District reported a total enrollment of 1,684, 178 more than the 1,506 that were enrolled on the first day of school.

Nazareth reported an increase of eight last Friday with an enrollment of 316; first day enrollment was 308.

Hart schools reported 60 more with the number of students at 643. The first day of school Hart recorded a total of 583.

After the first week of school a year ago, Dimmitt enrollment totaled 1,698, Nazareth 332 and Hart 629.

FmHA manager explains how disaster loans made

Emergency loans for farmers, ranchers or aquaculture operators are available through county offices of the Farmers Home Administration, Dwight I. Overton, FmHA county supervisor, said today.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Overton asked that those who need farm credit as a result of severe hail or hard wind and rain make their needs known at the Farmers

Home Administration office at the Hi-Plains Savings & Loan Building at Third and Bedford, Dimmitt.

Applications for assistance in the disaster stricken counties will be accepted by FmHA until June 5, 1980 for physical losses and Sept. 5, 1980 for production losses.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment or buildings (including homes) lost through this disaster.

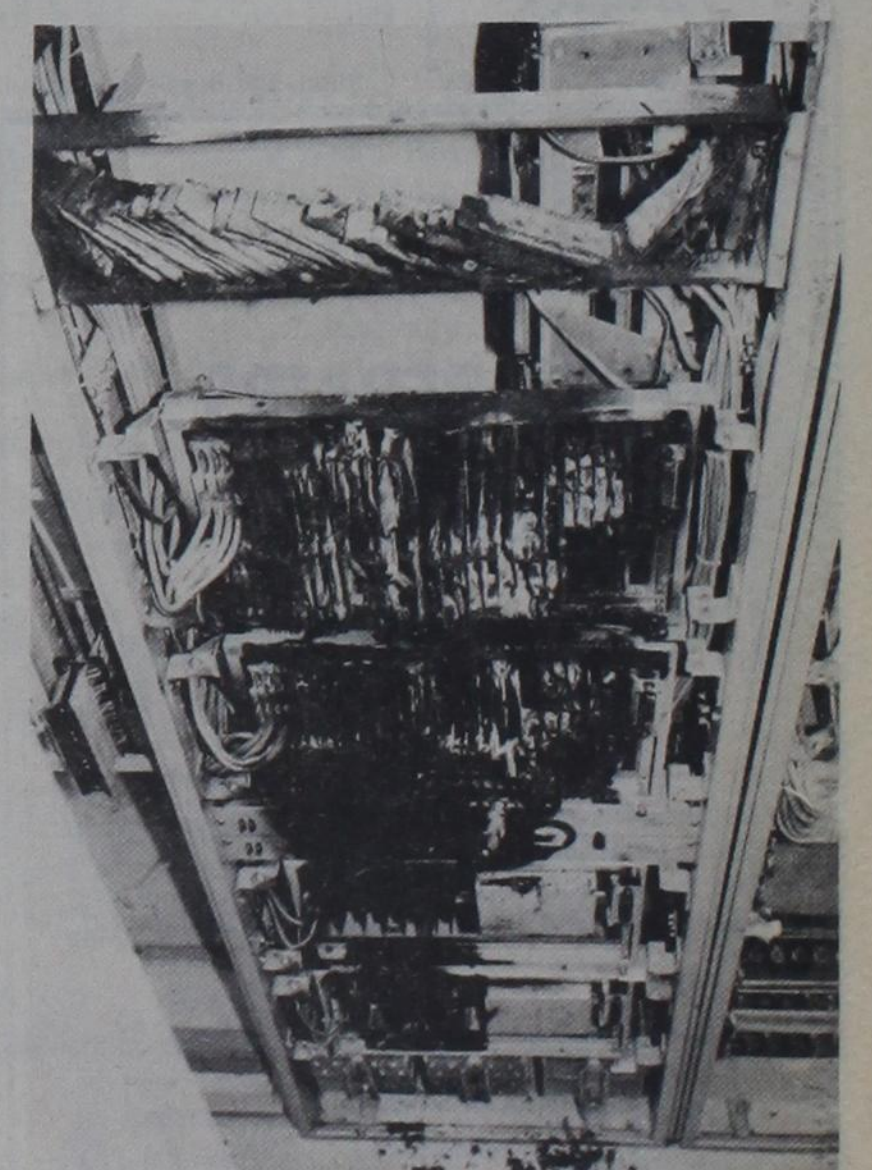

Funds may be used to buy feed, seed, fertilizer, live-

WINNING FLOAT in the Organizational Division of the Castro County Fair Parade Saturday was this one, built and "staffed" by members of the Senior Citizens, Inc. This is

the "flip side" of the winning float, which carried the theme, "Up and Out and Coming Back."

FIRE KAYOS D.D.D. SERVICE—This "Minie Sender" electronic switching panel burned out at 3:30 a.m. Monday at Dimmitt's Continental Telephone Co., making it impossible for anyone in Dimmitt, Hart or Nazareth to place direct-dial long distance calls. All long distance calls must go through the operator until the equipment can be replaced, Manager Reeford Burrous said, but the direct-dial rates will still apply. Burrous said the replacement could take as long as two months because of the complexity of the unit.

Shelly's Chatter

By MYRTLE SHEFFY

Frank and Shirley Wise are home from a 10-day rambling trip by car to the Mississippi Delta. Shirley says they started down that road from Missouri, on to Natchez, sight-seeing the countryside. The farmers have about quit cotton and have gone to soybeans. They drove by many of the beautiful antebellum mansions, crossed the Mississippi River often; just for fun, big long bridges. Did go on to New Orleans, that interesting city of the South, and came home by way of East Texas with its big timber, rivers and flowers. Don't we have a fine and good United States?

Lloyd and Dorothy Vaughan were hosts part of last week to her family, who came in from all over, stayed parttime in Lubbock. Here are Mr. and Mrs. Lyle Jones, their son and wife, Mr. and Mrs. Wallace Jones and two sons from Boise City, Okla., Mrs. Jim Weed and Nancy from Orange, Calif., brothers Hardy Jones of Palm Dale, Calif. and Sam Jones of Jonesboro, Ark., Mr. and Mrs. Danny Burdick of Guyton, Okla., Mr. and Mrs. Jack Rachel of Fort Worth, Mr. and Mrs. Bill Allen of Boise City, Mr. and Mrs. F. C. Odorizzi from Lubbock, the Vaughans' sons, Danny and wife Sharla of Earth and Kent of the home here.

Doyle and Betty Hoover, children Kitzel and Elaine and friends Lynna McGuire, Ulla Jonsson and Caroline Mahieu from Paris, France all went to the mountains north of Albuquerque, I think Seven Springs, for a vacation and a visit with friends. Caroline has been here for a month to see how people live on the Texas Plains. She took the jet plane home from Albuquerque.

Many of us worked at the Expo Building Thursday getting things ready for the Fair. Would you believe many people forgot to bring their show things in till Friday, even

Margaret Womack was a day late. Saturday was a good day though and a good show. Saturday nearly 200 people had dinner with the early settlers. Sam Gilbreath welcomed the folks and Edwin Ramey spoke about the hard row the first farmers and ranchers had to hoe, no fine machinery like now to plow with.

M. L. Simpson presented Edwin with a good big picture of the home place windmill. I saw Lucy World Kannady, an early day citizen, also Roy and Dorothy Bell, who also visited his sister Ruby Bill, and Velma Woodburn of Roswell, a guest of Myrtle Behrends, her sister Frankie and Homer Norwood of Roswell. The Jessie Boyd Millers from Hereford, Ted and Nola Woods of Colorado. They visit the kin, also here for old settlers reunion. Hattie Webb was able to come from South Hills. Claude or Pod and Ova Merritt came from Kit Carson, Colo. to visit brothers Glen and John and the families.

M. A. Pennington, chairman of the Senior Citizens, welcomed everyone to the nice newly decorated club house. Also his and the Senior Citizens float truck won the blue ribbon.

Mrs. Sam Butler was the eldest lady present, with 94 years to her credit, and Mr. Sam a few months behind her with 93 years. The Barber Eubanks came from Afton, Okla., up in the northeast corner of the state.

The Smith girls were here from Plainview, the Harts from Hart, also the Hawkins and Mrs. T. R. Davis and John and Maria Foster of Roswell, who were here with mother Mrs. Scott Crum and brother Cecil and Virginia Crum. Mrs. John Crum from Silverton came and had several kin with her. They visit Lena Crum.

Shorty Oldham and Hazel Ward of Littlefield were married Aug. 3 in her home with both their respective children present. Rev. Charles Broadhurst of the Baptist Church read the ceremony. They are home here in Dimmitt on Oak Street after a very good cruise on the Caribbean Sea. They report a most enjoyable trip to the different islands.

Mrs. Barbara Sava is here from Texarkana for a visit with son Bill Sava and family. She says also for the fair, the Old Settlers Dinner and the square dances. She is very pretty, too.

Mrs. Martha Dowty left here Saturday for a stopoff in Amarillo to see son Frank and family, then on to Dumas, will see Jim and family, then to Goodwell, Okla. to see the newest member, a great-grandson. The granddaughter is Martha Feerer.

Emmett Broderson was handing out the ribbons for the floats, so the "Seniors" wish to thank the judges for their "good judgment." Also, didn't you like that cute clown? Bob Caddell, maybe. And all the bicycles and cute kids.

Butch and Bessie Strickland

are the bragging grandparents of a new baby boy. His name is Jonathan Blake. His parents are Little Butch and Pam Strickland, who live in McMinnville, Ore.

I met Mrs. Edwin L. Cook of Hart at the Fair. She tells me her parents, Mr. and Mrs. John Schweitzer, are here for a visit. They live in Timberlake, S.D.

Houston and Doris Lust had a house full of company on a recent weekend. Their daughter Ann Cayton from Greely, (her husband Keith visited his mom in Amarillo) Doris' mother, Mrs. Edna Finck, a brother and family, Orval and Norma Finck of Tulsa, their aunt Ora Dalluge of Lubbock, the Lust children, Rex and Shanee and two boys, Charles and Sue Summers and two boys, Joe and friend Kathy Smith and her three children, Kathy's brother Eddie and Mrs. Barber and children of Sunray, Vern and Millie Lust, Kyle and Flo Touchstone. Kyle is at Tech and Flo teaches at Petersburg. Seems Doris had to put the big pot in the little pot to feed that many folks.

Raleigh and Grace Strother were hosts to a family reunion Labor Day weekend. Folks were Mac and Phoebe Strother, son and daughter, Mac is from Dallas and Phoebe from Dumas, Dorothy Redfield, a sister from San Angelo, and their children Jane Ann Thomas, Jim, Ronda and Becky from Arlington, J. O. and Ann Strother from San

Angelo, Guy and children Dennis and Betty Jane Strother from Fort Worth, Frances and Henry Grady, a sister from Lubbock, and Grace's brother and wife, Frank or better known as "Rowdy" and Betty Martin from Muleshoe. Rowdy went to school and played ball here back when Bob Sheffy's crowd was in Dimmitt High.

I saw Bobbie Dodd painting the window wood a pretty yellow last Wednesday, and Thursday she went to Fort Worth to see her daughter. And across the street on Bedford from us Lynn Buchanan was painting the trim and window wood white on his house. Jo Gregory had two men painting on her house. Seems everyone is cleaning and painting up. Makes the town look nice.

Graham and Karen Sheffy will move soon to their pretty new house on Sunset Circle, very near the new house of Jackie and Stanley Byrnes.

Shirley Underwood had guests last week, special

The Church Building

This is only a building, but it is a special building for it is the worship place for God's people. It is a place where one may go to study and hear God's word preached.

"... faith cometh by hearing, and hearing by the word of God."

If there are unanswered questions in your mind... go... seek... and find God in his house

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Samuel Alvarado *More about*
receives good
conduct medal

Samuel Alvarado of Hart was presented the Good Conduct Medal at Fort Hood recently.

The medal is awarded on a selective basis for those who distinguish themselves through exemplary conduct, efficiency and fidelity during their active military service.

Alvarado is a mechanic with the 180th Transportation Battalion at Fort Hood.

He is the son of Francisco Alvarado of Hart and Mrs. Bonifacia Alvarado of San Antonio.

What's cooking
at the school

Here are the lunch menus for Dimmitt schools for the week of Sept. 17-21.

MONDAY - Chicken fried steak, creamed potatoes, green beans, fruit, rolls, butter and milk.

TUESDAY - Burritos, tossed salad, corn, peanut butter cake and milk.

WEDNESDAY - Barbecue on bun, sliced tomatoes, French fries, apple cobbler and milk.

THURSDAY - Chicken and dumplings, mixed vegetables, tossed salad, pudding, rolls, butter and milk.

FRIDAY - Corn dogs, pork and beans, sliced tomatoes, wacky cake and milk.

Chatter

(Continued from Page 2)

the outing.

At the restaurant Sunday I met Dana Hottel, niece of Charles and Estella Hottel. Her parents are the Bruce Hottels. They live at Texas A&M but she is a student at Tech.

The singer at the Methodist Revival this week is Melanie Beachy and she is a cousin of Mary Edna Hendrix and Melanie's dad is Bruce Parks, a minister of a Methodist Church in Tulia and his wife is O. B. Kelly's cousin. O.B. is Mrs. Hendrix's father. Melanie and her husband Bill are very good musicians besides singing. He is a pianist and she plays guitar and can talk like Donald Duck.

Hortense King of Pampa was a weekend guest of her sister Katy and Swain Burkett.

Doris Lust was hostess with bridge and dessert Thursday afternoon. Guests were Carolyn Jones, Dorothy Mayfield, Mildred Bradford, Ruth Jackson, Ina Cleavinger, Dorothy Gilbreath, Polly Simpson and Martha Dannevik.

Esta Vandiver was hostess one day last week with food and conversation while the girls did needlepoint. Guests were Shirley Stephens, Dorothy Sheffy, Nancy Hays of Hereford, Carole Dyer, Sue Merritt and Myrtle Lois Moran.

Mr. and Mrs. Charlie Beebe of Amarillo visited the Jim Bagwells and the Earl and Vern Lusts Sunday afternoon. Mr. Beebe is a cousin of the Lust ladies Grace and Millie and Mrs. Beebe taught school at Bethel in the 1920s.

The Micks of Muleshoe and former Big Square folks were visiting long ago friends at the Old Settlers Reunion Saturday. Fannie Cash Laas of Plainview was greeting long time friends last Saturday. Her dad sold the general store to my dad in 1920. Her mother was Hester Cash.

Don and Ann Ethington flew off to Portland, Ore. to attend the A. N. Polution study group. While Don was in the meetings, Ann and a friend took tours and went shopping in Portland and surrounding towns. One day was spent with a school friend of Ann's who now lives in Hillsboro, Ore. Then the two couples drove up to Mount Hood, enjoyed the pretty lodge with a fire in the fireplace, and the beautiful scenery. One day they drove down the Columbian Gorge and saw all the pretty things. Ann liked the waterfalls, especially

Montnomah Falls. Then they flew on to San Francisco and spent a few days there and in Santa Rosa, where Don's mother lives. Back to Dimmitt for a few days and they drove to Springerville, Ariz. Two of Don's cousins, Chet and Curley Ethington from Casa Grande, have summer homes up in the mountains close to Springerville at a place called Greer, so the three families spent some time together in the mountains and had lots of fun, and so back to Dimmitt again.

Guylene Rogers was hostess to a patio potluck supper Tuesday evening for the Dimmitt Y-R group. In attendance were teachers Tricia Pounds, Rita Gilbreath, Jo Thurston, Donna Orbal, Larry Gray, Martha Kuehler, Brett Pruitt, Yvonna Vanstory, Nedra McGee and her husband Ray. Other guests included home economist Teresa Criswell, FmHA personnel Dwight Overton and Marvin Crabtree, herdsman for Cluck Farm, Bart Price and new assistant county agent Neal Tindol. After the meal several guests enjoyed a spirited bingo game.

Lena Crum's weekend guests and Sunday dinner folks were Mildred Crum from Silverton, Ruby Norris of Amarillo, Cecil and Virginia of here. And Lena went home with Mildred for a few days.

Bob and Phyllis Mooney came home Sunday from Denver where Bob has had more treatment on his back. They also visit his brother Jack and Shirley, but the Mooneys have a small mobile home while there.

We saw Mr. and Mrs. Hartwig at church Sunday. They live in Sherman but come here each fall for the harvest. They are in the Flagg area.

Gladys Benson of here and her sister Helen Brown and their dad Mr. and Mrs. A. T. Jones of Hereford made a visiting trip to San Angelo last week to see an aunt, Mrs. Andrew Gillian. The hail and wind reached down to Midland they say.

Pete and Darla Stewart are showing pictures of their pretty grandbaby girl. She is the daughter of Pete's daughter Pam.

Jim Cowsert of San Angelo and Carol Farris of Dalhart have been here for a visit with their parents Jack and Myrna Cowsert.

Veterans office to close for time

The Castro County Veterans Service office here will be open today (Thursday) at regular hours but will then be closed until Sept. 26, according to Bedford Smith, Service Officer.

Smith's office in the Castro County courthouse is regularly open each Wednesday, Thursday and Friday from 9 a.m. to 12 noon and 2 to 4 p.m.

Larry Brogdon is new TG&Y manager here

Larry Brogdon, TG&Y's new Dimmitt manager, started his duties here July 5. He transferred from Hereford where he was co-manager. Brogdon and his family plan to move to Dimmitt after they sell their home in Hereford.

He holds an associate degree in business from Frank Phillips Junior College in Borger, where he was raised. He and his wife Priscilla have one son, Brett, who is 10 months old. They are presently members of Frio Baptist Church but plan to attend First Baptist Church in Dimmitt after they move here.

"I like this town," Brogdon said. FIFTY percent of all tractor fatalities result from over-returns. Next come victims that are run over. In nearly two-thirds of the cases, the person first fell from the tractor, and most of these were extra riders.

Allstate invests in Castro County

Allstate Insurance Companies have invested more than \$810,000 in bonds in Castro County, according to Bryant L. Moore, Associate Vice-president for Texas.

Castro County investments are part of more than \$334,404,656 in bonds held by Allstate in 132 counties in Texas. Local Allstate investments have helped make possible the Dimmitt waterworks and sewer system, said Moore.

"It is an Allstate policy to support the growth and development of areas in which we do business by investing in local communities," said Moore. "We are a corporate citizen in each of the communities in which our offices are located. Like all citizens, we will share in continued growth and prosperity."

Other Allstate investments in the state have helped build state universities and independent school districts. Additional investments in Texas include the Dallas/Fort Worth Regional Airport, the Houston Ship Channel, the Trinity River Authority and the Laredo International Toll Bridge.

Other Texas counties in which Allstate has invested in local bond issues are Dallas, Harris, Bexar, Tarrant, Travis and Hidalgo.

Buying Ice Cream
KANSAS CITY, Mo.—Wise shoppers purchase ice cream at the end of their shopping trip and get it home as quickly as possible. Ten minutes outside the freezer can affect flavor, texture and appearance of ice cream, says Sealright Co., a supplier of dairy and food packages.

Farmer-owned reserve grain released again

Grain sorghum has again reached the price at which owners may withdraw the commodity without penalty from the farmer-owned grain reserve, according to Charley E. Hill, director of the Castro County ASCS office. Producers may immediately remove their sorghum from the reserve by repaying the Commodity Credit Corporation (CCC) price support

Gibson store manager here from Tulia

Chuck Buster of Tulia started Monday as the new manager at Gibson's Discount Store in Dimmitt. He transferred from the Tulia Gibson's Discount Store, where he was assistant manager.

Buster is from central Texas near Avant. He was in the Army for 20 years before retiring and was stationed in Germany, France, England, Ireland, the Philippines, Vietnam and other places around the world.

His wife, Ruth, is a teacher's aide in the Tulia school system. They have four daughters, Cheryl, 20, Kathy, 18, Robin, 16, and Tina, 15. He is a member of the Masonic Lodge in Tulia. "I look forward to doing business with the people of Dimmitt," Buster said.

ASCS notes
Comments are invited

By CHARLEY E. HILL
County Executive Director

1980 Wheat Program — 1) No set-aside requirement; 2) National loan rate at \$2.50 per bushel; 3) National program acreage at 70 million acres; 4) Preliminary target price at \$3.07 per bushel. Payment Limitation — Deficiency and voluntary diversion payments to each person for 1979 feed grain, cotton and wheat program cannot total more than \$45,000.

Proposed Referendum — Comments concerning the proposed beef referendum must be made to Robert Cook, Emergency and Indemnity Programs Division, ASCS, USDA, 4095 South Bldg., Washington, D.C. 20013 no later than Oct. 9. A copy of the proposed rule making as printed in the Federal Register is available in the Castro County ASCS Office.

Proposed Feed Grains Rule — Secretary Bergland is now formulating a 1980 feed grains and soybean program. Written comments should be addressed to Jeffrey A. Wells, Director, Production Adjustment, ASCS, USDA, Room 3630, South Building, Box 2415, Washington, D.C. 20013, no later than Sept. 18. Cotton Program Comments

Comments on proposals for 1980 upland cotton program should be mailed to Director, Production Adjustment Division, USDA, ASCS, P.O. Box 2415, Washington, D.C. 20013, no later than Oct. 15. Set-aside Acreage — Your set-aside acreage cannot be grazed prior to Nov. 1 and cannot be mechanically harvested in any manner. Weeds, wind and soil erosion must be controlled.

Disaster Program — Low yield claims for harvested acres must be filed within 15 days of harvest and before evidence of the crop is destroyed. All corn of grain sorghum must be appraised if

you plan to bale, graze out, cut for ensilage, or make any other use, except cut for grain, of these acreages. You who had your cotton recently destroyed by hail must come in and file an application for disaster credit, Form ASCS-574, prior to plowing this acreage. Eligibility for participating in all programs administered by the ASCS is established under law without regard to race, color, creed, national origin, or sex. Thought — Most of us don't have to be led into temptation—we find it for ourselves.

WHEN changing to a different lifestyle, little things do add up. Families moving to the country from the city and vice versa need to spend more time considering all aspects of the new life. IRON fabrics that require a low temperature setting first to save energy by reducing the warm-up time needed to iron linens and other fabrics that require higher temperatures.

Now Jake, when you git him dug out you had better git this prescription filled!

1st STATE BANK
Dimmitt, Texas
The Bank of Friendly Service

MEMBER OF FEDERAL DEPOSIT INSURANCE CORPORATION,

loans. John Goodwin, CCC acting executive vice president, pointed out that release of the reserve does not require farmers to redeem or sell their grain at this time. Goodwin said the 5-day moving average market price for sorghum was \$4.33 per hundredweight on Sept. 5. The reserve release level for a feed grain is reached when the market price is 125 percent of the commodity's loan rate. That level is \$4.24 per hundredweight for sorghum. Sorghum was first released June 22 when the price was \$4.25 per cwt. The release authorization was withdrawn Aug. 1 when the price dropped to \$4.21 per cwt. Approximately 29 million cwt. of sorghum are in the reserve. Farmers receive storage payments annually in advance on this grain from the U.S. Dept. of Agriculture. Upon repayment of the loan, farmers may keep the storage payments earned through the date of repayment. If the loan is not repaid, storage credit will continue through the end of October, Hill said. On Oct. 31, USDA will review the average prices for sorghum to determine if the release authorization should remain in effect. Data used by CCC in determining the release level include a daily report by Agricultural Marketing Service which shows prices bid by buyers at selected markets, and a month-end economics, statistics, and cooperatives service report of prices received by farmers, showing the previous month's average prices and the current mid-month prices.

WHY YOUR PHONE KEEPS WORKING WHEN THE T.V., LIGHTS AND TOASTER DON'T.

In the event of a power outage, it's good to know there are a couple of things you can depend on. Like a reliable flashlight with a fresh set of batteries. And your telephone. Unlike regular electrical appliances, your telephone won't go dead during a blackout. That's because it's backed up by a secondary power system consisting of batteries and a standby generator. But these batteries are unlike anything you'll find in a flashlight. Ours are large enough to fill a room. The batteries are kept in constant charge by commercial power. Then if there is an outage they're switched on automatically until our standby generator has time to take over. Naturally this system is more expensive than one relying solely on regular commercial power. But it helps make your phone system more dependable, particularly in the event of an emergency. And we think it's important that you can depend on your telephone during the times when you depend upon it most.

Continental Telephone of Texas
You can always call on us.

An Equal Opportunity Employer

Here are the winners in the 1979 County Fair

Here's Hart's school menu

Cash and ribbon awards in the farm and home exhibits of the Castro County Fair were shared by numerous residents from all parts of the county last weekend.

Commercial booths, most of them with craft items for sale, as well as the fair displays were open to visitors at the County Expo Center Friday and Saturday. Exhibitors were pleased at the attendance both days, according to Nell Ingram, general chairman.

The Dimmitt United Lions Club operated a concession booth in the Expo Building and then served a barbecue supper on the courthouse square Saturday evening as final events of the fair weekend got underway.

Entries in adult and youth divisions were judged Thursday afternoon so ribbons were in place to mark awards when the fair opened. Overall winners in the various divisions were:

BAKING — Robin Parish, youth; Nonah Barringer, adult.

CLOTHING — Sharon Ewing, adult.

CANNED FRUITS AND VEGETABLES — Karen Huseman, youth; Sharon Turnbough, adult.

CRAFTS — Mary Jean Huseman, youth; Betty Parish, adult.

GARDEN PRODUCTS — Marlin Durbin, youth; Swain Burkett, adult.

HORTICULTURE — Ethel Fry, adult.

PHOTOGRAPHY — Mitchell Turnbough, adult.

Winners in each category, listed in order of placing, include:

BAKING, YOUTH
CANDY — Robin Parish, Denise Schulte, Laura Hargrove.

BAKING, ADULT
QUICK LOAF BREAD — Bea Acker.
ICED CAKE — Nonah Barringer, Bea Acker.

YEAST BREAD — N. Barringer.
FRUIT PIE — N. Barringer.
COOKIES — B. Acker.
BROWNIES — B. Acker.

CANNING, YOUTH
APRICOTS — Karen Huseman first, no second place, Wade Cook, Janet Huseman, Ronda Pevehouse.

PEACHES — J. Huseman, K. Huseman.
BLACKKEYED PEAS — R. Pevehouse, second.

GREEN BEANS — Jamie Baker, Janet Hutchison, K. Huseman, J. Huseman, Edwina Cook.
CARROTS — R. Pevehouse second.

TOP ENTRIES—Mrs. Bob DuLaney looks over a special display of the "Best of Show" winners in all divisions of the Castro County Fair. In right background is Mrs. Elmer Youts. The display features a color photo by Mitchell Turnbough; Mrs. Roy Barringer's chocolate sourdough cake; Mary Jean Huseman's string art of a mallard drake; a pheasant cock and

hen in needlepoint, by Betty Parish; Swain Burkett's apples; Robin Parish's chocolate fudge; Ethel Fry's arrangement of begonias; Marlin Durbin's corn; Shawn Turnbough's dried squash; Karen Huseman's canned apricots; and a jumpsuit made by Sharon Ewing.

CORN — R. Pevehouse third, J. Huseman fourth.
OKRA — R. Pevehouse fifth.
POTATOES — R. Pevehouse third.
SQUASH — R. Pevehouse second.
SOUP MIX — R. Pevehouse third.
OTHER VEGETABLE — Wade Cook second.

PICKLED BEETS — K. Huseman, R. Pevehouse, J. Huseman.

CHOW-CHOW — R. Pevehouse third.
PICKLED BEANS — K. Huseman second, J. Huseman third.

RELISH — Edwina Cook.
HOT SAUCE — Wade Cook.

OTHER — Janis Hutchison first, Mary Jean Huseman third.

JELLY — Cherry, M.J. Huseman second; grape, R. Pevehouse second.

APRICOT PRESERVES — R. Pevehouse second.

APRICOT JAM — R. Pevehouse second.
PLUM JAM — J. Hutchison.

CANNING, ADULT
APRICOTS — Katherine Huseman second.

APPLES — Ethel Fry second.
APPLESAUCE — E. Fry second.

PEACHES — K. Huseman second, Irene Miller, Betty Parish.

PEARS — B. Parish second.
FRUIT JUICE — E. Fry second, B. Acker.

OTHER FRUIT — B. Acker, Phyllis Cook, E. Fry.

DRIED APPLES — Sharon Turnbough second.

TOMATO JUICE — P. Cook third.
SOUP MIX — Beth Schulte, Grace Killough, N. Barringer, B. Acker.

OTHER — G. Killough second, B. Acker third.

BEETS — B. Acker, Margaret Bland.
BLACKKEYED PEAS — Ocie Bolton first, no second, Mildred Birkenfeld, N. Barringer, G. Killough.

GREEN BEANS — Thelma Hutchison, O. Bolton, B. Acker, Phyllis Garza, B. Schulte.

SHELLED BEANS — O. Bolton.
CARROTS — B. Schulte, M. Birkenfeld, Betty Hoover, B. Acker, G. Killough.

CORN — Ocie Bolton first, no second, K. Huseman.

POTATOES — G. Killough second, B. Acker third.

SQUASH — Phyllis Garza first.

TOMATOES — G. Killough second, B. Schulte.

DRIED SQUASH — S. Turnbough.

PICKLED BEETS — Phyllis Cook second.

G. Killough, K. Huseman.
BREAD & BUTTER PICKLES — B. Acker second.

FARMERS and ranchers should consider new tax provisions in planning income tax strategies for 1979. Certain changes deal with investment credit for single-purpose livestock, poultry or horticultural structures, investment credit for rehabilitation of existing buildings, and the exclusion of cost-sharing payments from certain programs. There are also new tax credits on investments in energy-saving property and improvements.

Here are the menus for Hart schools for the week of Sept. 17-21.
MONDAY — Breakfast: Cinnamon toast, applesauce, milk. Lunch: Barbecue beef on homemade bun, cole slaw, baked beans, apple cobbler, milk.
TUESDAY — Breakfast: Cold cereal, fruit, milk. Lunch: Enchilada casserole, tossed salad, buttered corn, pineapple cake, milk.
WEDNESDAY — Breakfast: Bacon, toast, jelly, juice, milk. Lunch: Beef stew, corn bread, tossed salad, peaches, peanut butter cake, milk.
THURSDAY — Breakfast: Sweet rolls, juice, milk. Lunch: Cheeseburger on homemade bun, potato chips, fruit, milk.
FRIDAY — Breakfast: Hot cereal, buttered toast, juice, milk. Lunch: Fried fish with tartar sauce, cabbage salad, pinto beans, apricot cobbler, milk.

AVISO PUBLICO
Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION ESPECIAL 6 DE NOVIEMBRE DE 1979

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1979

PROPOSITION NO. 1 ON THE BALLOT (H.J.R. 108)

House Joint Resolution 108 proposes an amendment to the Texas Constitution relating to the appointment and terms of notaries public. The proposed amendment would: —Require the Secretary of State to appoint a convenient number of Notaries Public for the state; and —Authorize terms of office of Notaries Public of not less than two years nor more than four years.

A temporary provision of the proposed constitutional amendment provides that the amendment would take effect January 1, 1980; that each person who was appointed a notary public before January 1, 1980, would continue to serve as a notary public for the term for which the person was appointed; and that this temporary provision would expire January 1, 1982.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the appointment of notaries public for the state and for a term of not less than two years nor more than four years as provided by law."

PROPOSITION NO. 2 ON THE BALLOT (H.J.R. 133)

House Joint Resolution 133 proposes an amendment to the Texas Constitution to provide for legislative review of the process of rulemaking by agencies in the executive department. The proposed amendment would allow the Legislature to enact laws:

- To provide for legislative review of the process of rulemaking by agencies in the executive department;
 - To prescribe conditions for rules to take effect;
 - To provide for suspension, repeal, or expiration of rules;
 - To prescribe procedures; and
 - To delegate powers to either or both houses or to committees of either or both houses.
- The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for legislative review of

the process of rulemaking by agencies in the executive department."

PROPOSITION NO. 3 ON THE BALLOT (S.J.R. 13)

Senate Joint Resolution 13 proposes an amendment to the Texas Constitution authorizing the Legislature to provide for the guarantee of loans used to purchase farm and ranch real estate for qualified borrowers. The proposed amendment would allow the Legislature to provide for, issue, and sell general obligation bonds called "Farm and Ranch Security Bonds" of the State of Texas not to exceed 10 million dollars. All money received from the sale of such bonds would be deposited in a separate fund with the State Treasurer and administered by the commissioner of agriculture without further appropriations. These funds would be used to guarantee loans for the purchase of farm and ranch real estate. The commissioner of agriculture would use these funds, under provisions to be prescribed by the Legislature for the purpose of guaranteeing loans used for the purchase of farm and ranch real estate, to acquire real estate mortgages or deeds of trust on lands purchased with guaranteed loans. These funds would also be used to advance to the borrower a percentage of the principal and interest due. The Legislature may also authorize the commissioner of agriculture to sell at foreclosure any land acquired in the manner authorized by this amendment. The commissioner of agriculture would be required to charge at least 6 percent interest on such loans. The proposed amendment appropriates an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the guarantee of loans for the purchase of farm and ranch real estate for qualified borrowers by the sale of general obligation bonds of the State of Texas."

GAME'S OVER—When you're on your back and your water pressure drops, the game's over. That's one lesson these youngsters learned during the Dimmitt Fire Dept.'s water polo matches on the south side of the courthouse square Saturday evening. Dozens of kids participated as two-man teams, while others shouted free advice, and all went home happily soaked.

By JIMMIE CHAPMAN

The Bobcats' first game of the '79 football season didn't turn out the way Dimmitt's players, fans, or new Head Coach Wayne Garner and his staff wanted it to. Floydada's Whirlwinds won it by a lopsided 40-6 score at Floydada.

With a balanced passing and running attack, the Whirlwinds rang up three touchdowns in the second quarter, two in the third and one in the fourth. The Bobcats scored their lone TD in the third and spent much of the night trying to regain 127 yards in penalties.

The Whirlwinds, one of the pre-season favorites in District 4-AA, moved the ball well against the Bobcats on their first two possessions but could not get into the end zone. The Bobcats, on their first possession, moved from their own 31-yard line into Floydada territory on line smashes, mostly by hard-driving Jimmy Stewart, but on their first pass play the Whirlwinds intercepted at the Floydada 46.

Neither team scored in the first quarter but Floydada moved the ball to the Cats' 27-yard line on the last play of the period. Three plays into the second quarter, the Whirlwinds got the first TD when Moody Younger went in from the 7-yard line. Joey Luna kicked the point after and Floydada led, 7-0, with 10:54 left in the second quarter.

The next time the Whirlwinds got the ball, it was on their own 38-yard line after a good 38-yard punt by Gary Naylor. On the first play from scrimmage, Younger threw to Tracy Womack, who was open at the Dimmitt 35, and the speedy back raced untouched into the end zone for the second TD. Stewart blasted through to block the extra point, but Floydada was ahead, 13-0.

The Whirlwinds scored again in less than three minutes, with Mac Collins capping a 36-yard drive by diving over from the 1-yard line. Robert Prock tried to pass for two extra points, but he was rushed and the pass fell short. Floydada led, 19-0, when the half ended four minutes later.

The Bobcats had a chance to score in the second quarter when they moved the ball to the Floydada 11 with a first down, but Stewart was hit for a loss of 10 yards, got a 15-yard personal foul penalty, then got 15 more yards for spiking the ball. The Bobcats found themselves back at

midfield on the next play, facing first down and 50.

Floydada got its fourth TD early in the third period after recovering a Dimmitt fumble on the Dimmitt 26-yard line. Troy Marquis connected on his second TD pass—this time to Danny Nutt—and Luna kicked the point after to hike Floydada's lead to 26-0 with 6:16 left in the third period.

The Bobcats got their offense going after the next kickoff. Three runs by Stewart, two short gainers by Robin Ryan and a couple of nice pass receptions by Gary Naylor moved the ball to the Floydada 13-yard line. Stewart went up the middle for the final 13 yards and the Bobcats' first TD of the season. The try for the point sailed wide, and the score was 26-6.

One of the best plays of the night came in Dimmitt's scoring drive when Ryan hit Naylor with a 20-yard pass to the 13-yard line on a fourth-down situation.

After Dimmitt's kickoff, a 15-yard penalty against the Bobcats gave Floydada good field position at the Dimmitt 44, and it took the Whirlwinds only four plays to score. Mac Collins got the TD when he

circled left end for 23 yards. Luna kicked the point after to increase Floydada's lead to 33-6. The quarter ended a minute later.

Floydada's final score of the night came midway in the final quarter when Tracy Womack gathered in a pass from Marquis for nine yards to cap a 59-yard march that had taken up half of the final period. Luna's kick was good to make the final score 40-6.

The Bobcats offense was sparked by four Ryan-to-Naylor passes that accounted for all of Dimmitt's aerial yardage. Naylor, who was playing against his former schoolmates (his family moved here from Floydada three years ago) was also outstanding on defense, along with Randy Washington, Gary Malone

and Gus Ortiz. Ryan and Stewart led the Cats' ground attack. Stewart got 116 yards on 16 carries, although he was also thrown for 33 yards of losses.

What really kept the Cats bottled up were the penalties. They drew 14 penalties for 127 yards, while gaining 128 on the ground.

Mac Collins was the rushing leader for the Whirlwinds with 143 yards in 18 carries. He racked up another 73 yards on pass receptions.

The hard-hitting Slaton Tigers will roll into Bobcat Stadium Friday night for the

home opener. The Tigers Friday night blasted the Colorado Wolves in their opening game.

Eagles take to the air to defeat Swifts, 20-6

By CHRIS ALBRACHT

Lubbock Christian's Eagles took to the air for three second-half touchdowns Friday night to leave the Nazareth Swifts on the short end of a 20-6 score.

The season football opener, played in the Hub City, was the first meeting ever between the two schools.

Nazareth scored its lone touchdown in a fourth-quarter drive to pull within striking distance at 6-13, but LCHS iced the final margin by scoring its third TD with just eight seconds left in the game.

The first half was a great defensive battle as both teams went scoreless. Each team drove past the midfield stripe at least twice, but turnovers and fierce defensive play closed the door on their drives.

In the second half the Eagles opened up their aerial attack, and midway through the third stanza they hit paydirt when quarterback Brian Manis connected on an 11-yard pass to Shawn Williams. It was to be the first of three TD passes by Manis.

Williams' PAT kick was good, and LCHS held a 7-0 lead after breaking the ice with less than seven minutes

left in the third period.

The score stayed at 7-0 until the game was within seven minutes of the final buzzer. That's when the Eagles uncorked a fake field-goal play which Manis converted into an eight-yard TD pass to Steve Sikes. The rattle-dazzle play left the Swifts in the hole by 13-0 as the PAT attempt failed.

The Swifts fought back with a scoring drive of their own, which ended when Bryan Huseman darted 19 yards around right end for Nazareth's first touchdown of the season. The PAT attempt was no good, leaving LCHS ahead by 13-6.

The Swifts fought back with a scoring drive of their own, which ended when Bryan Huseman darted 19 yards around right end for Nazareth's first touchdown of the season. The PAT attempt was no good, leaving LCHS ahead by 13-6.

★

GAME AT A GLANCE

Score by Quarters:	Nazareth	LCHS
0 0 0 6-6	0 0 7 13-20	

Scoring:
 LC—Shawn Williams, 11 pass from Brian Manis (Williams kick)
 LC—Steve Sikes, 8 pass from Manis (kick failed)
 N—Bryan Huseman, 19 run (kick failed)
 LC—Randy Stumes, 55 pass from Manis (Eddie Crowler kick)

The final score came with just eight seconds left, as Manis fired a 55-yard touchdown pass to Randy Stumes. The PAT kick by Eddie Crowler was good, icing the cake for the Eagles, 20-6.

Fumbles, injuries and plain bad luck plagued the Swifts in their season opener.

"I feel like we played a good game," Swift Coach Eddie Hooper said, "except for the bad breaks and the injury to Dwayne Acker (a twisted ankle in the second quarter), because until that time we were moving the ball well. Our kids came back and moved it enough to score in the fourth quarter."

He added, "I feel, though, that if their touchdown on the fake field goal in the fourth quarter hadn't occurred, we might have turned the game around."

Acker will probably still be sidelined when the Swifts play the Hereford Sophomores Friday night at home, Hooper said.

CHAD BLACK scores the Hart Longhorns' first touchdown of 1979 when he leaps high in Anton's end zone to snare a pass from quarterback Derek Rich.

The TD came on the fourth play of Friday night's season opener at Anton; the Longhorns went on to post a 41-6 victory. At right is Hart's Isaias Ponce [7]. [HHS Annual Staff Photo]

Longhorns tromp Anton, 41-6

By MONTY UPTON

Hart's Longhorns roasted the 'Dogs from Anton Friday night in a 41-6 game that really wasn't as close as the score.

Following a 22-yard kickoff return by Melvin Washington to the Hart 44, the 'Horns used only four plays to punch across the first score. Three of those were runs by halfback Keith Newsom of 18, 27 and 4 yards behind the blocking of guards Danny Rodriguez and Marlin Marble and center Scott Jones. Then a half-the-distance Bulldog penalty put the ball on the 3½. At that point, quarterback Derek Rich hit end Chad Black for the 6-pointer with less than a minute and a half gone from the clock. On the PAT kick attempt, the snap was a bit high

but Rich used it to advantage as he scampered in to add two more points.

With good defensive pressure from Jones, Marble, Daniel Higgins and noseguard Jesse Gonzales, Hart forced Anton to punt on a fourth-and-19 situation from the Dogs' 26. Taking over at their own 48, the 'Horns soon were knocking at the door again, using runs mainly by fullback M. Washington, to drive to the 35 before Washington coughed up the ball.

However, the Bulldogs had trouble keeping the ball, also, and fumbled it away on their next two possessions surrounding a Hart Drive that penetrated to the Anton 19 before dying. The first of those fumbles by Anton was recovered by Isaias Ponce at the Anton 39 and the second was recovered by Higgins at the Anton 31. The next 'Horn possession suffered from Hart penalties (12 for 107 yards on the night) and came to an end, again following penetration to the 19.

Under continued pressure and a couple of QB sacks by Marble, Washington and linebacker Lorenzo Valenzuela, Anton punted again, but this time Valenzuela lost the handle and Anton took over. The 'Horn defense, with Valen-

zuela and Black at linebackers and tough secondary coverage by corner John Barretero, Newsom and Phil Foster alternating with Gonzalez at noseguard, made the possession short-lived as Dog QB Decker's pass came down in the hands of corner Manuel Castaneda. Unable to capitalize, Hart gave up the ball.

Anton then threw for its first first down of the game as Decker hit end Dutton for 20 yards. But Decker got decked by the 'Horns' Marble and gave up the fumble to Black. From 44 yards out, the 'Horns pulled a switch as Newsom threw a flea-flicker to QB Rich that was good for 34 yards and M. Washington got the final 10 for the TD on the next carry with 2:33 left in the half. Newsom added the PAT kick.

After another unsuccessful Anton possession, the clock ran out with the 'Horns on the Anton 26, leaving the score 15-0.

The second half opened with Anton owning the ball, but tailback D. Garcia bobbled it and Hart's Luis Portillo came up with it. On the second play Rich hit Newsom for a 17-yard TD with only 24 seconds gone. Newsom added his own PAT kick to hike Hart's lead to 22-0.

Anton's next series also

ended with a fumble that Benny McLain caused and Newsom came up with, but Hart had no better luck. After moving to the Anton 5 on a halfback pass of 43 yards from Newsom to flanker Isaias Ponce, Newsom couldn't find the handle on a Rich pitchout. Hart's next possession also ended with a fumble as Rich had trouble holding the ball. This miscue led to Anton's only score of the evening as the Dogs used Hart penalties and eight plays to move 21 yards to paydirt on a two-yard scamper by Garcia. The point-after run failed, and it was 22-6.

Hart really exploded in the remaining six minutes, 51 seconds. The 'Horns needed only five plays to score from their own 45. Helping his own cause with a 31-yarder and two lesser runs, Newsom burst across from the 9 only a minute and 51 seconds after the Dog TD. The PAT kick failed, and the score stood at 28-6.

A five-yard Anton punt gave the 'Horns the ball at the Anton 21. This time it took only one play for Hart to cash in. Freshman Leonard Washington got the TD on a quick scamper and Newsom added the point-after kick with just 3:01 left to revise the

score to 35-6.

However, Hart wasn't through yet. After another Anton punt, Hart used runs by Valenzuela and Rich and a couple of Anton penalties to march to the 9. From there Rich hit end Phillip Hawkins for the score just as the clock ran out. The PAT kick failed, leaving the final score at 41-6.

Friday night the Longhorns will take on the highly regarded Shallowater Mustangs on 'Horn stomping grounds, and are looking for revenge of last year's loss to the Mustangs at Shallowater.

APPRECIATION

This week marks the second anniversary in our new bank building, and we continue to feel that our decision was correct as the new facility has made it possible for us to render the very best banking service possible to the Dimmitt area.

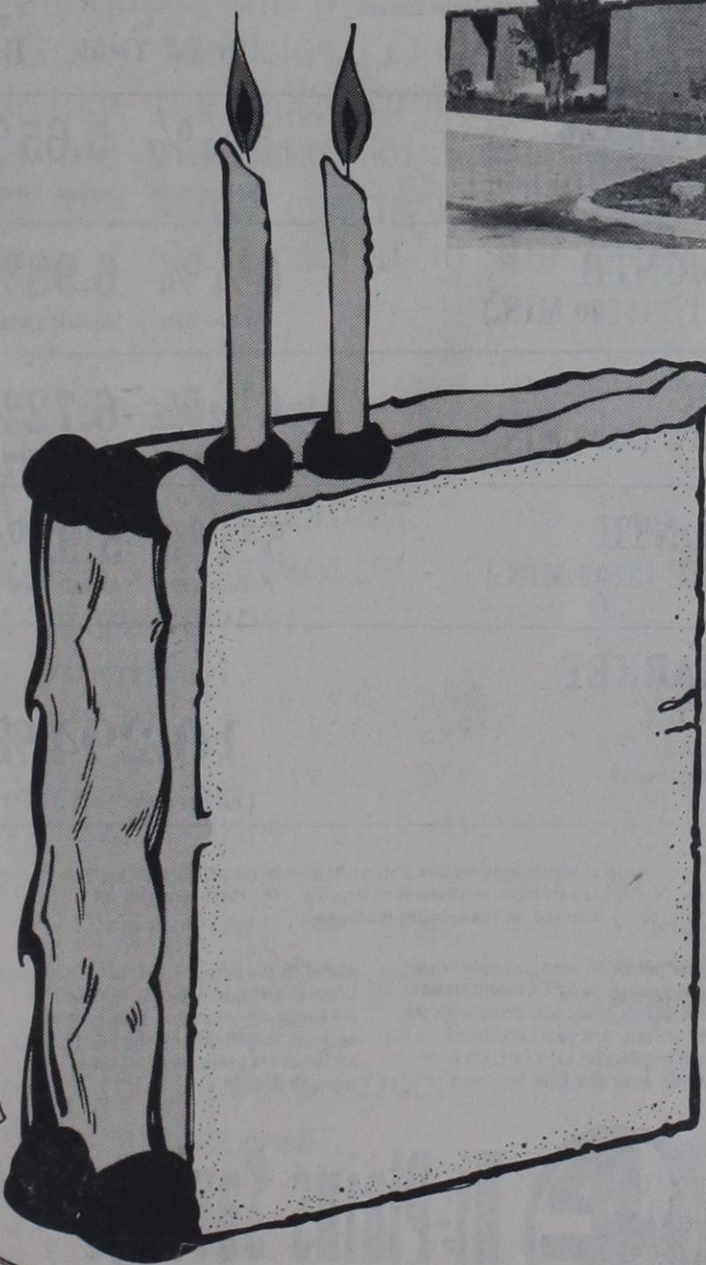

We again take this opportunity to express our deep appreciation to our many valued friends and customers for their patronage and loyalty. It has been a privilege and pleasure to serve you, not only for the past two years in our new building, but for the seventy-two years since our bank was chartered in 1907.

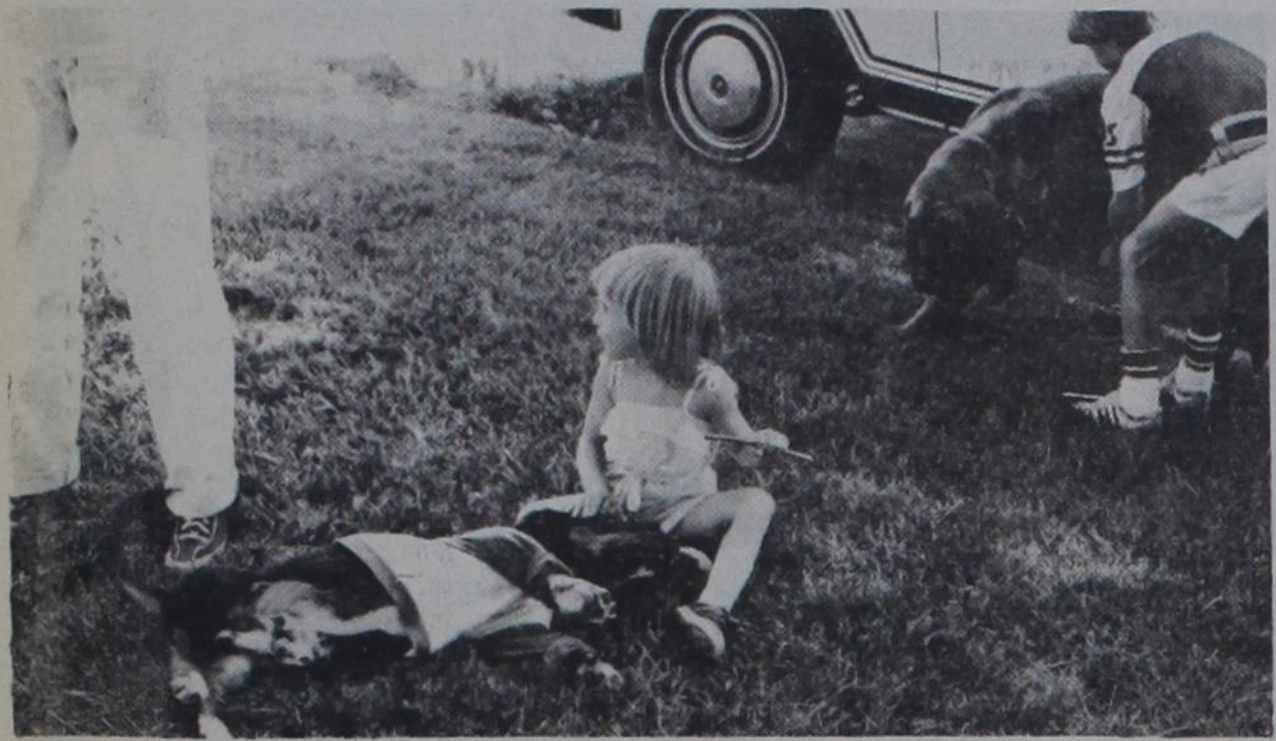

Whether you have any business to transact or not, we invite you to drop by anytime for a cup of coffee or a friendly visit.

We do appreciate your business and invite your suggestions if there is any way that we can better serve you.

Rotarians hear program on Belen Crusade

"The purpose of our trip to Belen was to present Jesus Christ as Lord and Savior," Dr. Charles Vandiver told Rotarians at its Friday noon meeting. Dr. Vandiver gave an informative talk and slide presentation of the crusade trip taken by the members of First Baptist Church. Dr. Vandiver and Mayor Elmer Youts, members of the Dimmitt Rotarians, were among the group.

Belen is 89 miles from the Equator on the bay of the Amazon River. The volume of water flow in one hour is enough to cover the entire state of Texas, Dr. Vandiver said. Belen receives 245 inches of rainfall a year, he added.

"I was not ready to see the masses of people and the poverty," he told Rotarians. There were three to four women to one man and 60 percent of the population was 12 years of age and under. The life expectancy for the people there is 60 years of age.

The climate in Belen is not conducive to energy, the temperature is 89 to 90 degrees every day and the humidity is about that, too, he commented.

Fifty percent of the world's oxygen supply comes from the Amazon River, Dr. Vandiver noted. Poverty level income in that area is \$90 per month and there is no welfare program. The area is known for mango trees. You can look down the street and see a tunnel of green, he said.

Belen was founded in 1616 and soccer is the number one sport. A view of the beautiful parks, the cathedrals, the city, water front, and the church they ministered at while there were seen in the slide presentation.

"It was a very successful trip and many decisions were made," Dr. Vandiver said.

During the club's business meeting the members voiced an interest in establishing a scholarship to be given at the High School Awards Assembly. The club will appoint a committee to study the possibility.

The board of directors has proposed that a portion of the funds from the Rotary Flag Project be used for the scholarship fund.

The club discussed a free booth at this year's Halloween carnival for the pre-school children. "We want something for the tiny kids," Gary Moore said. The club may also have another booth. A Halloween committee

was chosen to make plans for the carnival. Members are Alan Newman, Bill Behrends and Ron Montgomery.

Rotarians will participate in a membership drive for the district contest. The club's goal is to get one new member for each member it has now.

Sixty youths participated in the first Interact meeting held at Dimmitt High School last week.

One hundred dollars was donated to the Rotary Foundation in Mayor Elmer Youts' name.

Police Chief Alan Newman announced that the carnival donated \$100 to the Rotary Club.

FIRST-PLACE ANTIQUE VEHICLE: ROY LILLEY'S '37 FORD
... Competition was tough, with nine good entries

Bobcat coach speaks at Kiwanis Club lunch

Dimmitt High Bobcat Coach Wayne Garner explained that "last Friday was kind of like getting hailed out," as he spoke to the Kiwanis Club and guests at lunch Monday. The new coach was speaking of the Bobcats' disappointing loss at Floydada in their first outing of the season last weekend. With an all-new coaching staff at DHS, Garner said, he expected a slow start for the season and believes the team will improve progressively.

"We've got some good players and don't feel too discouraged; we're not giving up by any means and are getting ready for Slaton this week—but it's worse than Floydada. Slaton's got some real fancy uniforms this year, and the guys to put in them."

Bright spots in the game

last week included the offensive line, Garner said, and he named half a dozen players who promise outstanding performances during the year. The coach said Norris Cole may be out of this week's game with a foot injury he received Friday.

Garner briefly reviewed the records of his assistant coaches, Clifford Smith, Ken Cole, John Thomas and Robert Crawford, all new to DHS. The speaker was introduced by Ron Easley.

Other program guests were Melanie and Bill Beachy of Abilene, who were song directors at a revival in First United Methodist Church early in the week. Playing their own piano and guitar accompaniment they sang a gospel song.

Rev. Jesse Dea of Silvertown, speaker in the revival, Rev. Howard Quiett, pastor, and Buddy Payne, intern pastor of First UMC, were guests also, introduced by Bill Thornton. Shirley Hall, Dimmitt Chamber of Commerce manager, was present to thank the Kiwanis Club for sponsorship of the Castro County Fair parade last Saturday.

Visitors from the Dimmitt High Key Club were Crystal Fitzgerald and Phil King, and another guest was Terry Ellison.

Ex-resident's services held in California

Funeral services for Almon Cox, 57, former Castro County resident and brother of Juanita Bruegel of Dimmitt, were held Aug. 27 in Ukiah, Calif.

Mr. Cox died Aug. 24 when the car he was driving was involved in a head-on collision with another vehicle.

Mr. Cox is a native of New Mexico and was a former Ukiah car dealer. He was a resident of Ukiah for 38 years. He attended school at Bethel when his family lived in that Castro County community.

He was a member of Veterans of Foreign War Post at Ukiah.

He is survived by his wife, Agnes; two sisters, Juanita Bruegel of Dimmitt and Vera Lacy of Fresno, Calif.; four brothers, Kelly of Ukiah, Joe and Thurmon, both of Fresno and Jack of Las Vegas.

Sermon series in church to begin Sunday

A preaching mission in the Immaculate Conception Catholic Church will begin with a service at 7:30 p.m. Sunday. The guest speaker will be Rev. Albert Fuytinc, Redemptorist priest from Odesa.

The public is invited to the series of meetings at 7:30 p.m. each evening for two weeks. Services will be in English the first week and in Spanish the second week of the mission.

Dimmitt YF's Summers picked as Area 1 Star

Charles Summers

Charles Summers of Dimmitt was announced as the Area 1 Star Young Farmer for 1979, at the annual awards banquet which climaxed the area convention of Young Homemakers and Young Farmers of Texas at Amarillo's Hilton Inn Saturday.

Dimmitt Young Homemakers received the runner-up award in the contest for Outstanding Chapter title, which was won by Olton. Dimmitt Young Farmers won the plaque for outstanding radio-television coverage.

Jeannie Sammann of the DYH was elected area parliamentarian for the women's organization. Teddy Smithson was elected area YF secretary after serving a term as treasurer.

Mrs. Sammann acted as presiding officer for the election of YH officers at the Saturday morning business session. She and Smithson presented the attendance prizes at the banquet.

Bill Sarpalius of Hereford, manager of Texas House Speaker Bill Clayton's office in this district, was the banquet speaker. At the YH afternoon session the speaker was Judge Naomi Harney of the 251st District Court in Amarillo.

Summers served as president of the Dimmitt Young Farmers in 1976 after filling several other offices, and was general superintendent of the Castro County Junior Livestock Show which the YFT sponsors, in addition to taking part in other chapter projects.

With his wife, the former Sue Lust, and two children he lives southwest of Dimmitt. He farms his own land and some that he leases. One of the owners of the Three-Way Farm Store, he has served on the board of directors of Castro County Co-op and the county Farm Bureau.

He was selected from nominees from 18 chapters as the outstanding Young Farmer of Area 1 when he was picked for the Star Young Farmer title, and will be entered in state competition at San Antonio next January.

Date fixed for project

With its first project of a new year scheduled and new officers elected, the Dimmitt chapter, Young Farmers of Texas, at its recent session scheduled regular meetings for first and third Thursdays of each month.

A turkey shoot Sept. 30 will be the first project, to raise funds that will replenish the treasury at the start of another year. Members decided to operate a booth again this year at the city's Halloween carnival.

Alfred Sammann was elected president for the coming term. Club sponsors will be Ed Standee and Larry Gray, Dimmitt High School agriculture teachers.

To serve with Sammann are Teddy Smithson, vice president; Jeff Robertson, secretary; Stanley McDaniel, treasurer; Larry Mauldin, reporter; and Larry Robb, social chairman.

The Young Farmers are planning for more involvement in civic activities this year, and will continue to sponsor the annual Castro County Junior Livestock Show which will be held soon after the first of next year.

MOST UNUSUAL PET at the County Fair Pet Show Saturday afternoon was this "denatured" skunk exhibited by Kristi Petty. Dozens of dogs, cats and other pets of all sizes, shapes, colors and varieties were entered in the show, and all received either blue or red ribbons from the judges, Dr. W. J. Hill and Dr. Ron Easley.

Family histories needed for book

Every family now living in Castro County as well as former residents and pioneers of the county is urged to turn in a 500 word story of the family, Mrs. L. B. Bowden, editor of a Castro County history, said.

"If you are a head of a house then you have a family story," Mrs. Bowden said. "This is your contribution toward the support of our Castro County history," she added.

About three-fourths of the book will be family stories. In order to have a large book many more stories are needed.

Any resident who needs assistance in writing their story is urged to contact any of the field representatives listed on the letter mailed out recently by the Castro County Historical Society. Over 2,500 letters have been mailed, but anyone who did not receive a copy of the letter may obtain one at the County Historical Museum.

The museum also has family histories available to get ideas from, Mrs. Bowden said.

Newcomers to the area are also invited to submit family histories for the book.

View from the Library

By BRICK AUTRY
Librarian

I really hate being a nag. This little space in the paper ought to be used for pleasant conversation about books and things. But, now really. How do you patrons expect to have books to read in this library if you don't return them?

For the month of August we have over 25 patrons who have not returned their books. We spend about three dollars a week in postage reminding patrons about their books. Some do not even respond. There are reasons for this. One is that they can't find the book, another is that they have moved away, and still another is that they just want to keep the book they have.

As I said, I hate being a nag. I would hate to have to embarrass various patrons by putting their names in the paper, but after a card, or two or three, or a letter, what else can we do? The county frowns on me going around setting off bombs under people's houses. And it is most rude of the staff to shut the door on

the patrons who haven't returned their books—but we might just have to start doing it.

The library staff appreciates those patrons who promptly return their books because it saves us time and effort. Even Snuffy turned in all his books before he left for South Texas somewhere. (Who's Snuffy? Don't worry, Snuffy, I will never tell.)

So if you, dear patron, know any of your friends or neighbors who have overdue books, please tell them to hurry up and get them in. Tell them you want to read good literary stuff in the paper and not a nag letter to the public. When I started writing this column I promised myself no more than four of these outbursts. Well, I still have two to go before December. Will I have to use them? Remember, no more brilliant critiques until some books come in.

TOTAL US consumption of wool fiber in 1978 was the highest since 1972, according to the Wool Bureau, Inc.

Left turn lane rules due for enforcement

"Enforcement has begun, and drivers on highways 385 and 86 in the City of Dimmitt are asked to observe the no-parking signs and center turn lane," Police Chief Alan Newman announced this week.

Turn lanes were added to the city's traffic pattern when US 385 and Texas 86 were repaved in the past year.

The center lane may only be used to make left turns and is not to be used as a travel lane under any circumstances, Newman explained. Its primary purpose is traffic control, for local drivers as well as travelers on the highways, to move traffic safely.

The no-parking areas were designated for this purpose by the highway department, in order to prevent congestion and promote safety of all the people driving on the streets of Dimmitt, Newman said.

Newman said when the extensive construction project on highways through the city began, it was with the condition that parking would be restricted in the areas containing the center turning lane.

The police department has given a long waiting period

before enforcing the law in order to give local drivers time to adjust to the new driving and parking requirements, the police chief said. "Sufficient time has passed," Newman said, "and we are now asking drivers to observe the no-parking signs and center turn lanes."

"Observance of these laws will also help to promote safety for our children since school has resumed."

Bluegrass music to be heard in benefit for FHA

A bluegrass concert by a band from Lubbock will be presented in the Nazareth school cafeteria at 8 p.m. Sunday, sponsored by the Future Homemakers of America chapter of Nazareth High School.

The public is invited to hear the music and patronize a sale to benefit the FHA, Chapter President Elaine Wilhelm said. Admission charge will be \$1.75 for adults, \$1 for ages 12 and under.

DISASTER RELIEF

CORN HAILED OUT!

YOU CAN TURN THIS YEAR'S DISASTER INTO NEXT YEAR'S PROFIT! The Triazine carryover in your field does not have to worsen your disaster. Notox² triazine neutralizer can have your field ready for immediate planting of winter grains ... wheat, barley and alfalfa!

THEN ...

ANOTHER CROP — In June, follow the winter grain with sorghum, sunflowers or soybean. Next October, you can remember the hail disaster of '79 as the year you two-cropped for your biggest profits ever!

The Board of Directors of

Dimmitt Agri Industries, Inc.

is happy to announce the purchase of the W&C Grain facilities. Dimmitt Agri would like the opportunity to continue serving the needs of W&C patrons with the same courtesy and efficiency they have received in the past.

Dimmitt Agri's new Pool Marketing Program, increased storage and drying capacity, and dedication to its member-owners, represent our commitment to offer farmers "the best deal in the country."

Dimmitt Agri's objectives are to continuously seek new and better ways of marketing, and to effect economies in handling of grain for farmers. The addition of these facilities will enable Dimmitt Agri Industries, Inc., to become effective in reaching those objectives.

Dimmitt Agri Industries Manager Bill Clark (left) and Board President George Sides accept the keys to W&C Grain, Inc., from David Cole, co-owner.

Thanks, Folks

It's been seven years since we started W&C Grain, Inc.

We're proud of the progress the company has made during those seven years, and we're especially proud of the customers we have been privileged to serve during that time. Our customers have included some of the finest farmers and stockmen in America.

We wish to express our special appreciation to Garner Ball, manager, and to the other employees of W&C Grain, Inc., who have been key figures in the company's growth and service.

Our best wishes go to Dimmitt Agri Industries, Inc., new owner of the W&C facilities.

If you have any unfinished business with W&C Grain, Inc., please stop by the Willis Cattle Co. office at 301 S. Broadway.

Corn growers are getting crop to county elevators in hurry

Hail-damaged corn is being harvested in a hurry by Castro County growers, especially in the south part of the county, and elevators report test weight varying from 48 to 55 pounds a bushel, with a high moisture content except where the growers use dryers before they market the corn. An early corn harvest in the Flagg community is due to recent damaging hail in the area, according to J. R. Brown, manager of Flagg Grain. Pea-sized hail lasting as long as 45 or 50 minutes stripped leaves from the stalks, leaving ears of corn on the standing stalks. The devastating hailstorm has made the corn dry faster and the farmers need to get it

harvested before it falls, he added.

"We have received approximately 75 loads so far," Brown said, with a test weight averaging 52 lbs. and a moisture content of 27%.

Clark Dobbs, manager of Roy Grain, reported that they have received about 300,000 pounds of corn, with a test weight of 55 lbs. and a moisture content of 30-35%.

At Dimmitt Agri Industries, Gary Moore reported that corn is coming into Dimmitt with a test weight of 55 lbs. per bushel and a moisture level of 19%, its Flagg elevator is testing corn at 29% moisture level.

The first load to Bruegel and Sons elevator was delivered Tuesday, Ed Woodard, manager, said.

The corn came from the Truman Touchstone farm, Woodard said, and its test weight is 53 lbs. with a 19% moisture content.

"We've started receiving corn at our Sunnyside leg," Ronnie Truelock of Farmers Grain at Hart said. "But as of yet I don't think anyone is cutting at Hart."

Corn coming into the Sunnyside leg has a test weight of 52-54 lbs. with a moisture level of 15 1/2%, but it is being dried by the farmer before it is being brought in, he added.

"We have taken in about a million and a half pounds," Ricky Byers of Sunnyside Grain said and the farmers seem pretty pleased with what they are getting.

The test weights are varying from 49 to 53 pounds per bushel, with a 19% to 30% moisture level.

Although elevators don't like to take corn at a 30% moisture level, Byers said, "the farmers have had it bad enough lately without our refusing to take their corn. We have enough dry corn right now so we can blend it together and not have any problems with it."

Don Gregory at Castro County Grain said that they have received a few loads but expect it to be at least a week before the harvest is in full swing. What they have taken in is 56-57 pounds with a moisture content in the high 20's and low 30's. Most of the corn is coming from the south part of the county, he said.

Other area elevators have reported that they do not expect to start getting corn until next week.

How long will this year's corn harvest last? "It's apt to stretch out through October," J. R. Brown said.

"A lot of corn in the Flagg area was knocked off the stalks by the hail," he said, "and the farmers will try to salvage what they can and then maybe they will be turning cattle on it."

Last roping of year slated

The last jackpot roping of the year will be held at 7 p.m. Saturday at the Dimmitt Rodeo Arena. Books will open at 5 p.m.

Buckles and money will be awarded at the end of the roping. To be eligible for the buckle, contestants must have been present at two other ropings as well as the Saturday roping.

School menus at Nazareth

Here are the lunch menus for Nazareth schools for the week of Sept. 17-21.

MONDAY — Corn dogs, pork and beans, cole slaw, vanilla pudding, milk.

TUESDAY — Hot turkey sandwich, cranberry sauce, green beans, red gelatin with pears, peanut butter chews, milk.

WEDNESDAY — Managers' choice, fried okra, applesauce, hot buttered bread, strawberry cake, milk.

THURSDAY — Frito pie, tossed salad, corn, cornbread, syrup, fruit cobbler, milk.

FRIDAY — Ham, sweet potatoes, creamed peas, hot buttered bread, chocolate cake, milk.

Fire calls

Dimmitt firemen were called to the Wheat Growers South elevator at 8:05 a.m. Thursday for a tractor fire.

The tractor was left running while it was being filled with propane, Bill Conyers said. The tractor was a total loss.

Firemen were called nine miles west of town Saturday for a vehicle fire. The vehicle was a total loss, Conyers said. The reason for the fire was unknown.

Another vehicle fire occurred Tuesday afternoon in front of Pioneer Natural Gas Co., but the fire was extinguished before firemen arrived.

NEW York City has a greater Irish population than Dublin, more Jews than Tel Aviv.

Commissioners order jail contract redrawn

The Castro County Commissioners' Court at its meeting Monday decided the jail and dispatcher contract between the county and City of Dimmitt has to be renegotiated.

Sheriff Granville Martin and his two attorneys, Frank Gaston and Keith Lemons of Plainview, requested an executive session to "discuss the duties of the sheriff."

The request was granted by County Judge M. L. Simpson. The court met behind closed doors for more than an hour.

Following the executive session, a resolution drafted by County Attorney Jimmy Davis was approved unanimously.

The motion directs that "the county attorney notify the city attorney's office of the City of Dimmitt that the Sheriff's Office will be unable to honor paragraph II of Jail and Dispatcher contract, dated Jan. 18, 1977 in regard to the handling of prisoners by any police officer who is not properly certified as a jailer by the Texas Commission on Law Enforcement Standards."

"This is necessitated by changes in state law. The county and city must renegotiate the present contract and it will require new provisions in conformity with state law before renewing any jail and dispatcher contract. It is hoped the renegotiation can be conducted as quickly as possible and practical."

Since January 1977, city prisoners have been housed in the county jail, with the city paying the cost of the meals and medical treatment of city prisoners.

City prisoners are now being booked and placed in their cells by city police, but this does not meet the current Jail Standards Code, since only sheriff's officers are certified as jailers.

Davis said he anticipates no problem in renegotiating the contract to comply with the current state law.

Bids were opened and examined for motor graders to be purchased for each precinct in the county.

Precinct 3 has money avail-

able for purchase of a road grader under its budget, and the commissioners accepted the bid of West Texas Equipment Co. for a Caterpillar model at a cost of \$56,928, including trade-in.

In accepting this bid—which was not the lowest of the two—the commissioners considered total price, less trade-in, value of the machine after five years, and the convenience of having interchangeable parts with the other graders in Precinct 3.

Precincts 1, 2 and 4 will not decide on bids until their commissioners have time to look into financing possibilities.

In other action, the court: —Agreed to purchase the Xerox 4000 which the county has been leasing. The photocopier will be paid for over a five-year period and the purchase will result in some saving for the county.

—Voted to join the county-wide tax appraisal district, as provided by Senate Bill 621, and approved the resolution for a five-member board to be appointed by the school districts involved, with Hart ISD appointing one member, Nazareth ISD one and Dimmitt ISD three—one a resident of the City of Dimmitt and one each from Precincts 2 and 3.

One question in the commissioners' minds was what appraisal values would be used in those parts of Castro County that are in the Hereford, Happy and Springlake-Earth school districts.

(County Assessor-Collector Jerry Heller reported the appraisal policy on these properties "wouldn't be any different than it has been. The counties and school districts could either accept each other's figures or make their own assessments.")

—Approved a 10 percent raise in the district court reporters salary as requested by the two district judges.

—Tabled a request from the Office of Human Resources.

YOU may eat too fast if you can eat a meal in less than 20 minutes.

FmHA starts loans...

[Continued from Page 1]

9 1/2 percent interest for annual operating and chattel purposes.

"We are expecting the Small Business Administration to follow suit within the next two weeks," Hance said. "I would also like to express my appreciation to the local, state and national FmHA personnel who have acted so quickly in responding to this devastating disaster in our area."

"I have also been informed that some of the farmers who were hardest hit by the hailstorm may be eligible to get their current loan programs deferred for three years, with a possible extension of seven additional years if they can maintain a status of good standing."

Other counties to receive the disaster status, but located outside the 19th Congressional District, include Swisher and Briscoe.

Hance strongly praised House Speaker Bill Clayton for his aid in getting the counties declared disaster areas at the state level. In addition, he cited State Sen. E. L. Short and State Representatives Jim Rudd and Pete Laney for their help in the matter.

Hance said Monday he has written Secretary of Agriculture Bob Bergland to request a 20 percent reduction of outstanding loans held by farmers who suffered the most damage from the recent hailstorm in West Texas.

The Congressman asked for the special consideration for those farmers who suffered at least a 70 percent loss of crops expected to be harvested this fall.

"We have some farmers who will be wiped out because of the severity of this disaster," said Hance. "Many will simply go out of business, but hopefully this action could make the difference that many farmers need to continue farming."

In addition to the request for the 20 percent loan reduction, Hance also asked Bergland to consider a deferment of at least three years on all loans to farmers who sustained 50 percent or greater

damage to their crops as a result of the disaster.

In order to qualify under Hance's request a farmer would have to meet three qualifications: (1) farm in one of the Farmers Home Administration declared disaster area counties; (2) have no other farming operations in any county not so declared a disaster area; and (3) experience crop damage of 70 percent or more on crops to be harvested this fall.

More about

'79 Fair ...

[Continued from Page 1]

went to Darla Young as the girl and Adrian Falcon as the boy with the best decorated bike; Jackie Thomas, most original decoration; Kelly Howell, best dressed boy; Sharla Cole, best dressed girl; Jeremy Langford, 4, youngest entrant.

Rotary Club members served as judges, made their decisions and awarded ribbons before the parade started.

At their reunion the Old Settlers elected Raymond Annen to serve as president for the coming year and head arrangements for next year's gathering. Koma Ratcliff was chosen secretary-treasurer.

Mr. and Mrs. Sam Butler were recognized during the afternoon as the oldest settlers present, at the age of 93 and 94 respectively. Barber and Mabel Eubanks of Afton, Okla. had come farthest for the reunion.

M. A. Pennington, Senior Citizens president, welcomed the visitors for the day. Edwin "Goose" Ramey spoke informally. Appreciation to the Senior Citizens as good hosts was voiced by Sam Gilbreath, reunion chairman.

At the museum the visitors looked over exhibits added during the past year, and were served cold lemonade under the trees on the grounds. Orders were taken for a number of the county history books which the County Historical Society is compiling, and membership dues in the society were paid by some of the former residents.

Explains loans

[Continued from Page 1]

lock or to meet interest and depreciation payments on current real estate and chattel debts. Other loans, beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming operation.

"Funds can be used for essential operating and living costs," Overton said.

Loans covering actual losses, are made at an interest rate of five percent and are scheduled for repayment as rapidly as feasible consistent with the applicant's reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

The interest rate for short-term loans for farm operating purposes is 9.5 percent. Long-term loans are being made at an interest rate of 9 and 9.5 percent.

Emergency loans can be used to help the farmer restore damaged farm operations and additional loans based upon the emergency designation can be used to reorganize the farm for greater efficiency and better production.

MRS. GEORGE NELSON
Formerly Vickie Hunter

Couple is at home here after wedding

Mr. and Mrs. George Nelson are at home at 501 SW 3rd after a trip to Red River, N.M. which followed their recent marriage here. Mrs. Nelson is the former Vickie Hunter, daughter of Mr. and Mrs. Edmond Hunter.

A home wedding ceremony was conducted by Ronnie Parker, Church of Christ minister, in the home of Mr. and Mrs. Dan Petty. Tapers in a pair of brass candelabra lighted the setting which was centered with a brass archway twined with greenery and babybreath.

Only attendants to the couple were Summer and Lynn Nelson, son and daughter of the groom, as maid of honor and best man. The bride's brother, Scott, carried the rings. Ricky Hunter and Dan Petty served as ushers and candles were lighted by Kevin and Dennis Petty, the groom's nephews.

Ronda Wise was the organist. Tricia and Glenda Gerber sang "Always and Forever," "You Light Up My Life" and "Twelfth of Never" and Becky Killingsworth was soloist for "The Lord's Prayer."

The spreading skirt of the bride's gown was finished with a waterfall effect of wide lace ruffles around the hemline and chapel train. The empire bodice, designed with Queen Anne neckline and bishop sleeves, was ornamented with lace inserts beaded with seed pearls.

Her elbow-length illusion veil edged in lace scallops was held to her blonde hair with a lace coil. She carried a cascade of white roses, snowdrift poms, babybreath, blue carnations and springer fern, tied with blue and white picot ribbon.

The maid of honor wore a frilly dress of sky blue organdy, its skirt accented with embroidered white flowers. Lace was applied in heart design on the bodice and ruffled around the neckline.

She wore a halo of daisies and babybreath in her hair and carried blue carnations and white pompons in a lace basket.

After the wedding a reception was held. The cake and punch were served from a table centered with a brass and cut glass epergne holding white candles around an ar-

range of blue carnations, white roses, pompons, babybreath and fern. A lace cloth was laid over blue silk covering the table.

For travel Mrs. Nelson chose a maroon terry dress and jacket.

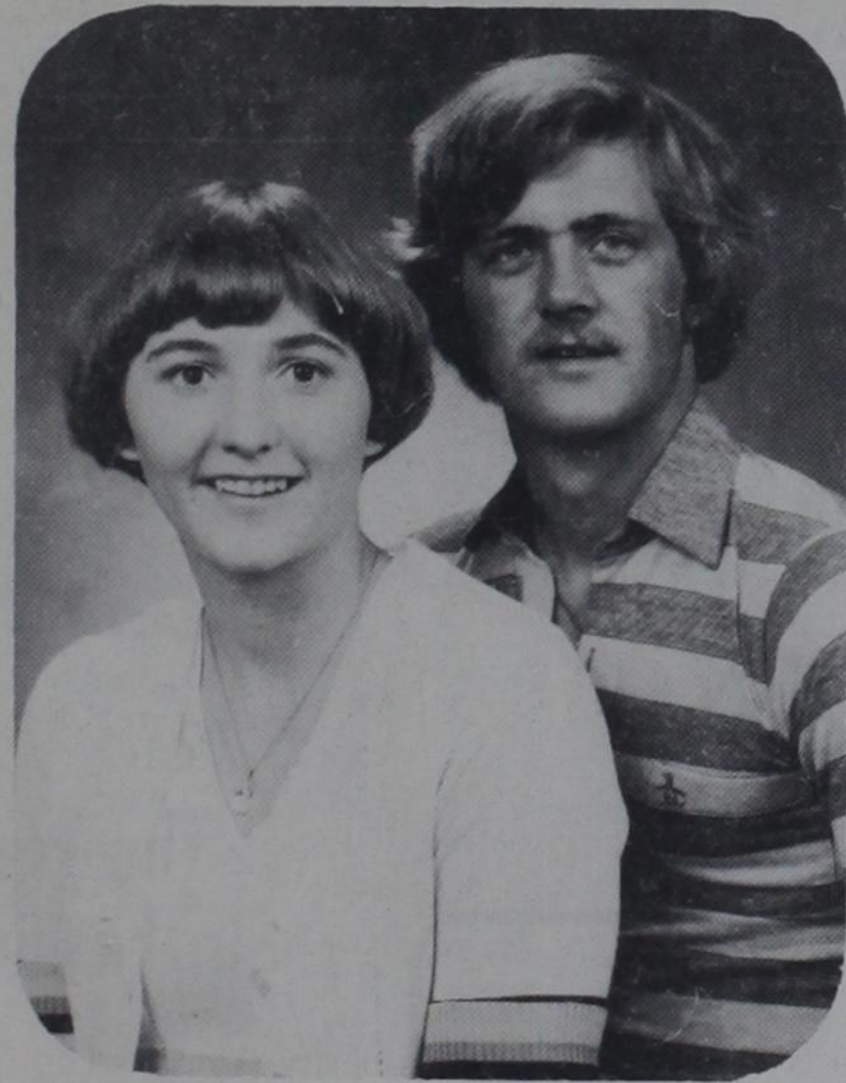

She is employed by Killingsworth Company here, and the groom is with V. R. Nelson Trucking.

PLAINS MEMORIAL

Mr. and Mrs. Julian Rodriguez of Dimmitt are parents of a girl, Michelle. Born Sept. 3, she weighed 8 pounds.

Mr. and Mrs. Francis Garcia of Amarillo are parents of a boy, Albert Micheal. Born Sept. 7, he weighed 6 pounds, 6 ounces.

OCTOBER VOWS PLANNED—Mr. and Mrs. Gilbert Schulte of Nazareth announce the engagement of their daughter Karen to Danny Gerber, son of Mr. and Mrs. Albert Gerber, also of Nazareth. The wedding is set for Oct. 6 at the Holy Family Catholic Church. Both are graduates of Nazareth High School. Gerber is employed with Hill Farms. The couple will make their home in Nazareth.

Guest speaks to Tops Club at meeting

A guest speaker, Extension Agent Teresa Criswell, gave the program for Dimmitt Tops Club at its meeting in Rhoads Memorial Library clubroom Monday evening.

Her subject was exercise and relaxation as aids to losing tension. She was introduced by Oleta Raper, club leader.

Susie Reeves was cited as Kops of the Week, Margaret Waggoner as Tops of the Week with a loss of 3 pounds, 8 ounces and James Slough as Male Tops of the Week with a 1 pound, 12 ounce loss. A total weight loss of 9 pounds, 12 ounces was recorded for the 24 members present.

Named Angel of the Month for August was Oleda Schumacher. She was also Tops of the Month, with a weight loss of 5 pounds, 4 ounces in August. Tom Moss was Male Tops of the Month, losing 4 pounds, 12 ounces, and Nell Newton was Kops of the Month.

Reports of the Sept. 3 meeting were given, showing that 15 members weighed in and recorded a total loss of 12 pounds, 4 ounces. Vivian Pigg kept her weight at her goal level to earn Kops of the Week title. Mrs. Raper was Tops of the Week with a 6 pound loss.

Sundowners Club to meet

Sundowners Extension Homemakers Club will meet at 7 p.m. Tuesday in the courthouse assembly room. Joyce Davis, president, announces that anyone interested in becoming a member is invited for this first fall meeting.

The program will be on crafts. This club invites membership of employed women who cannot attend daytime meetings, and its programs are planned especially for the woman who combines home-making with a job outside the home.

FALL WEDDING PLANNED—Mr. and Mrs. Dan J. Heard announce the engagement of their daughter, Pamela Jean, to Walter White, son of Mrs. Juanita White of Lubbock. The couple plans a 6:30 p.m. wedding Nov. 3 at First Baptist Church of Dimmitt. White is a graduate of West Texas State University and Miss Heard will complete her studies at WTSU in October. Friends of the couple are invited to attend the wedding.

Rick Gerber and bride are at home in Austin

Mr. and Mrs. Rick Gerber are at home in Austin after a New Mexico honeymoon which followed their recent marriage in St. Anthony's Catholic Church at Hereford. The groom is the son of Mr. and Mrs. Albert Gerber of Nazareth.

The bride is the former Robbie Albracht, daughter of Mr. and Mrs. W. J. Albracht of Hereford. The nuptial mass was celebrated by Rev. Jack Gist, pastor of St. Ann's Church at Canyon.

Bridal attendants were Peggy Martin of Washington, D.C. and the bride's sister, Gail Albracht of Chicago. Paul Clover of Lubbock was best man and Carroll Gerber of Nazareth, brother of the groom, was groomsman.

His sisters, Tricia and Glenda Gerber, sang "Sunrise, Sunset" with organ accompaniment by Cheryl Betzen. Miss Albracht chose for her

wedding gown a champagne peau de soie dress, floor length, with a cummerbund circling the natural waistline. She wore a picture hat with a band of champagne chiffon and coral roses, and carried matching roses. Her attendants were dressed in earth brown crepe de chine.

At a reception and dance in the Knights of Columbus Hall, the wedding cake was served by the groom's sisters, Beverly Hill and Sandy Gerber. His brother, Harold Gerber, directed the dance music.

The bride, who served in the Peace Corps after graduation from Texas Tech, will work toward a masters degree in social work at the University of Texas in Austin.

Gerber received a masters degree in counseling from Tech this year and will be executive director of the Big Brothers/Big Sisters program in Austin.

Country bazaar is announced at Hereford

Castro County residents are invited to a "country bazaar" which will be held from 10 a.m. to 6 p.m. Saturday in the Hereford Community Center, sponsored by the Simms Study-Craft Club. A barbecue lunch will be served at noon.

Merchandise in a wide variety will be on sale at 60 tables at prices ranging from a few dollars to several hundred dollars. Original crafts in needlework, leather, ceramics, painting, metal sculpture, jewelry and even baked goods will be offered to shoppers.

Local craftsmen as well as some from Lubbock, Hale Center, Amarillo, Tucumcari, Clovis and other cities will offer items, many suitable for Christmas gifts.

MRS. EDMUND J. CASADOS
The former Lisa Honea

Honea-Casados vows exchanged in Dumas

The marriage of Lisa Diane Honea and Edmund James Casados, both of Dumas, was solemnized in the First Baptist Church of that city Saturday.

The bride is the daughter of former Dimmitt residents, Mr. and Mrs. David E. Honea of Dumas, and granddaughter of Mr. and Mrs. C. A. Hance of Dimmitt. The groom's parents are Mr. and Mrs. E. S. Casados Sr. of Dumas.

Rev. Edward Rogers, pastor of the First Baptist Church, and Rev. Gary Sides of Sts. Peter and Paul Catholic Church of Dumas officiated for the ceremony in a setting of rainbow-colored flowers and bows.

Melinda Morrison was maid of honor and Robert Singleton the best man. The bride's sister Shari served with Denise Collie and Sandra Wann as bridesmaids. Dana Casados, brother of the groom, Danny McMillan of Amarillo and Aaron Witt were groomsmen. Jeffrey Isaacs of Dimmitt, cousin of the bride, and Jerry Thornton lighted altar candles and ushered guests to pews. Wedding music was by Lyn-

ette Lambert and Mrs. Howard Clark.

The bride was gowned in Chantilly lace, with fitted bodice and skirt covered with tiered ruffles. She carried white roses on a Bible which her mother carried as a bride.

A reception in the church parlor followed the wedding, with bridal attendants presiding at the refreshment table.

The couple will return this weekend to a home at 410 Oak, Dumas, after a trip to Monument Lake, Colo. Both are graduates of Dumas High School. The bride is employed at Dumas Travel Center and the groom at Gee Wills Machine Shop.

Mr. and Mrs. David Honea were hosts at a buffet dinner in their home after the wedding for relatives and friends who came from other cities to the wedding.

They included Mr. and Mrs. Hance, Mrs. Jake Isaacs, Brenda Andrews, Ruby Ramsey, Mrs. T. D. Claiborn and Cletha George from Dimmitt, also the bride's paternal grandparents, Mr. and Mrs. Paul Wilson of Clovis.

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

SEPTEMBER 13 — Walter and Louise Spinhirne.

SEPTEMBER 14 — Houston and Doris Lust.

SEPTEMBER 16 — Charles and Joyce Rickerd, L. C. and Marguerite McLain, Ed and Sylvia Hoelting.

Crepes make quick meal

By TERESA L. CRISWELL

The other day I was planning a dinner for a few friends and wanted to have something different but quick and easy that could be prepared ahead of time. So as usual, I looked through files of recipes, when I came across a recipe for Taco Crepes from the State 4-H Food Show.

Crepes are very thin pancakes which are used as a wrapper or shell for a variety of fillings. They are a great way to have creative fun or to glamorize leftovers. They can be used throughout the day—breakfast, brunch, lunch, elegant dinner parties, dessert parties, after-the-game snacks, etc.—a very easy, economical, delicious way to entertain.

Unfilled crepes may be refrigerated several days or may be frozen for several months by alternating each crepe with two pieces of wax paper. To freeze filled crepes, place on a cookie sheet, cover well and freeze several hours, then remove to a freezer container for storage. Use within two months. Thaw in the refrigerator. Crepes are easier to fold if slightly warm.

Crepes are especially good for you fortunate homemakers with microwaves. Make them ahead and freeze. When you need a quick meal, place them in the microwave for a minute or so, depending on the type of crepe.

TACO CREPES
Cornmeal crepes: ¼ cup flour, ½ cup cornmeal, 1/8 tsp. salt, 1¼ cups milk, 3 eggs, 1 tablespoon melted margarine.
Measure all ingredients into a small mixing bowl. Beat with electric mixer at medium speed until ingredients are combined. Pour about 3 tablespoons of batter into a 7" fry pan, rolling the skillet until the batter is evenly spread. Cook until the crepe has a dry appearance. Lift the edges of the crepe and flip the crepe onto a plate. Continue cooking and stacking crepes

until all batter is used. You may prefer to layer wax paper between crepes.

Taco filling: 1 pound ground beef, 2 tablespoons chopped onion, 1 teaspoon garlic salt, 1 teaspoon cumin, 2 teaspoons chili powder, 1 small can taco sauce, ½ cup grated cheese, shredded lettuce, sliced ripe olives.

Brown the ground beef and onion in a small fry pan. Drain grease. Add seasonings and taco sauce and simmer. Spoon mixture onto crepe and fold. Top with lettuce, cheese, and ripe olives.

KNOW when to expect the peak seasons for fresh foods, then time purchases to obtain highest quality at lowest prices.

Your chances of dying from a heart attack or stroke are 50-50.

Sunnyside

Ensilage harvest begins

By TEENY BOWDEN

Ensilage harvest got well underway this week on the hail-damaged corn even as the corn harvest started. Sunnyside Grain received its first load of corn Tuesday from Ardis Barton. Farmers Grain received its first load Sunday from Orville Cleavinger.

Sudan Monday night. They were honored with a plaque for second place in attendance for the year.

Steve Anderson of Glenwood Springs, Colo., a senior student at Wayland, was the guest speaker Sunday morning. He is a TANE representative. Mrs. David Sadler had charge of the children's

sermon. Ginny Guy brought the special music. Melinda Wilson was baptized following the regular Sunday night services.

Hershel Wilson returned home Monday from a week's crusade in Redrock, Okla. He led the singing in an area-wide crusade each evening,

and sang in the First Baptist Church there last Sunday.

Several from the community attended the fair, Old Settlers Reunion and Museum open house last weekend. Mrs. Alton Louder and her daughter, Mrs. Lowell Westmoreland of Littlefield, had an art and craft booth at the fair. Baptist Men met for their monthly prayer breakfast Tuesday morning at the church.

Baptist Women met for the general missionary program Tuesday with Mrs. L. B. Bowden in charge.

Baptist Young Women met Tuesday afternoon with the president, Mrs. Lee Bradley, in charge. The Mission Friends also met at the same time.

Nazareth

Priest visits in California

By VIRGIE GERBER

Funeral mass for Mrs. Blanche Birkenfeld was conducted last Wednesday morning at Holy Family Church with a large number of friends and relatives attending.

Father Stanley returned home Thursday evening after flying to California to visit his sister and family. He had a very enjoyable visit and perfect flying weather both ways.

Mrs. Meta Stork was honored on her 82nd birthday Sunday with a covered dish luncheon enjoyed by Florene Leinen, Albert and Virgie Gerber, LeRoy and Dorothy Pohlmeier, Virgil and Viola Pohlmeier, Evelyn Hill and Dolores Heiman. During the afternoon many of her grandchildren stopped by to wish

her a happy birthday.

The Nazareth nuns visited Mrs. Ella Book in St. Anthony's Hospital in Amarillo Sunday, and also with Mrs. Helen Dietz in Happy.

Chris Book of Tulsa, Okla. and his Aunt Betty of Oklahoma City spent the weekend here with the George Book family. Lois Sinclair and daughter of Arizona were here last week to visit her mother, Mrs. Ella Book, who is quite ill.

Jim and Sandee Hoelting were hosts to their families with a barbecue Sunday, Sept. 2 in honor of their son Nathan's first birthday. Mrs. Kate Hankins of Plainview and Mrs. Meta Stork, his great-grandmothers, were there.

Mr. and Mrs. John Louder Middleton of Odessa visited Wednesday morning with Mr. and Mrs. Ezell Sadler.

Mr. and Mrs. Clyde Akers of Lubbock spent the weekend with Mr. and Mrs. John Spencer.

Mr. and Mrs. Jerry Cox, Chris and Gregg of Dimmitt visited Sunday afternoon with Mr. and Mrs. John Spencer and Mr. and Mrs. Noah Spencer.

Mr. and Mrs. L. B. Bowden killed a rattlesnake between the house and road about dark Sunday night. It had five rattlers and a button.

Mr. and Mrs. Tiny Wallin and Shane of Bovina visited Sunday with Mr. and Mrs. J. C. Holbrooks. Mrs. Wallin attended Mrs. King's funeral with Mrs. Holbrooks.

Mrs. Lillie King passed away in St. Anthony's Hospital in Amarillo Thursday morning. Funeral services were held Sunday afternoon in the Sunnyside Baptist Church with Rev. Raymond Jones, pastor, officiating. She was buried in Castro Memorial Gardens. Mr. and Mrs. Irving King moved to the Sunnyside community in 1940 from Panhandle. Their sons Francis and Billie came with them, but Francis soon went back to Amarillo where he married and went into the service. Billie graduated in Dimmitt and then went into the service. He married in 1948 after four years in the service. They and their children honored their parents with a 50th wedding anniversary celebration in Amarillo, Jan. 26, 1968. Mr. King passed away in May of the same year. Mrs. King would have been 81 Sept. 23. Her mother, Mrs. F. M. Sweeney, died less than a month ago at the age of 103. Rev. and Mrs. Raymond Jones, Mrs. Gene Ross, Tammy, Rhonda and Chanin, Chris Elkins, Ray Lynn Owens, Carrie Sadler and Ginny and Annie Guy attended the Llanos Altos Youth Rally at
