**GRAND CHAMPION STEER** — Kay Gleghorn shows off her 1,155 lb. grand champion steer. The steer brought a guaranteed bid of \$2.50 a pound from Bud Hill of Hill Feedyard at the Castro County Junior Livestock sale held Saturday afternoon in the Expo building.

**GRAND CHAMPION LAMB** — This 130 lb. medium wool heavyweight lamb took grand champion honors for Kevin Bruton and sold to J. R. Brown of Flagg Grain Company for a guaranteed bid of \$10 a pound. Bruton also showed the reserve grand champion lamb.

**GRAND CHAMPION BARROW** — Ware Brown of Hart took grand champion honors with this 250 lb. heavyweight Hampshire. Pictured with Brown are Walt Hansen, left, of Dimmitt Market, and Doug Pybus, right, of Dimmitt Thriftway, who purchased the animal with a guaranteed bid of \$6.25 a pound.

## Show animals bring top bids

Although the total number of animals sold at the 34th annual Castro County Junior Livestock Show, sponsored by the Dimmitt Young Farmers, was drastically down from last year, the grand total from the sale and donations still netted over \$190,000.

"Turnout for the sale was really

good," said Gaines Howell, president of the Dimmitt Young Farmers'. "Participation in the whole show was good. The animals brought more on a 'per head' basis than they did last year. We sold a lot less animals, but the dollar amount from this year's sale was still pretty close to last year's. We

think the kids benefitted well from the show."

Barrows making the sale brought a total of \$91,754.42, while those drawing floor price netted \$13,906.23, for a grand total of \$105,660.65.

The lambs drew a grand total of \$32,770.70, with \$27,510.90 com-

ing from the sale and \$5,259.80 netting from the floor prices.

\$36,151.15 was paid for steers at the sale, and those earning floor price netted \$11,106.91 for a grand total of \$47,258.06.

Donations in the amount of \$8,180.20 made the final total \$193,869.69.

58 lambs were bid on in the sale ring Saturday afternoon, almost half the number sold just a year ago. Floor prices on lambs were also down.

Last year, Estacado Industries of Dimmitt paid 72.5 cents a pound for the floor price on lambs. This year they set it at 70 cents a pound.

The number of barrows at this year's sale was just one less than last year, but like the lambs, the floor price was down.

Floor price on barrows this year was set at 44.25 cents a pound by Clovis Hog Market. The same purchaser paid 47.35 cents last year.

24 steers were bid on this year, the same number sold last year, but Saturday's sale netted more money. Floor price this year was 73.80 cents a pound, paid by Rafter 3 Feedyard, while it was 65.25 cents last year.

Kevin Bruton drove his 130-pound medium wool heavyweight lamb to the grand championship in the lamb division and also showed the reserve grand lamb, a 136-pound medium wool heavyweight.

J.R. Brown of Flagg Grain Company provided a guaranteed bid of \$10 a pound for the grand champion lamb. Bruton elected to pull his reserve grand lamb from the sale.

The grand champion barrow was shown by Ware Brown of Hart. Walt Hansen of Dimmitt Market and Doug Pybus of Dimmitt Thriftway provided a guaranteed bid of \$6.25 per pound for the 250-pound heavyweight Hampshire.

Mandy Daavis' 223-pound lightweight Cross was voted the reserve grand champion barrow. A guaranteed bid of \$5 a pound was provided by Dwight Gleghorn of K-Bob's Steak House in Dimmitt.

Bud Hill of Hill Feedyard offered a guaranteed bid of \$2.50 a pound for Kay Gleghorn's 1,155-pound heavyweight, medium frame grand champion steer.

Justin Gleghorn's reserve grand steer, a 1,320-pound heavyweight large frame, brought a guaranteed bid of \$2 a pound by Hansen and Pybus.

## TCGA talks Ethanol, Azodrin, supply/management

A voice in Washington for Texas corn producers, that was one of the goals outlined at the 15th annual meeting of the Texas Corn Growers Association Tuesday.

Carl King, TCGA president, John Ford, consultant, Jimmy Witherspoon, attorney, and others at the meeting urged area producers to join the new American Corn Growers Association.

ACGA, the formation of which

will be formally announced in Washington in early April, will set forth to make the needs of corn producers known in Washington.

The ACGA will promote ethanol and other new markets, and will air the producers' concerns such as pesticide regulations, trade and marketing. The ACGA will also continue TCGA's fight for a supply management program in agriculture.

That fight for supply management was supported by Congressman Beau Boulter, who was the featured speaker at the Tuesday meeting.

Boulter told those gathered that, while the farm crisis is not yet over, the situation is improving.

Boulter supported the TCGA's assertion that the federal government needs to cut spending across the board, rather than place the brunt of the cut-backs on agriculture which has made the largest contribution to deficit reduction, percentage-wise.

He cited some points of the budget reconciliation bill which might pose problems for farmers.

He talked about the 1.4% decrease in 1988-89 target prices and adjustments in the loan rate, both of which will mean lower deficiency payments to farmers.

Boulter felt that Congress should have frozen spending in all non-entitlement programs at 1987 levels.

Boulter did say that some good points came out of the budget reconciliation package for farmers. He saw the mandate for advance deficiency payments and the provision for a 0/92 program as positive aspects of the bill.

One hitch to the 0/92 program which Boulter saw as a problem for farmers, though, comes for those who have already planted wheat in good faith under the expectations of a 50/92 program.

Following sign-up for 0/92, Boulter said, there is a possibility of factoring up to stay within the bounds of the 50% base acreage allotment provided for in that program, posing a problem for those who planted expecting 50/92.

Boulter said he is now at work  
(Continued on Page 16)

**A WASHINGTON VIEWPOINT** — Congressman Beau Boulter told TCGA members about important agricultural economic issues ahead in 1988 at the 15th annual TCGA meeting Tuesday.

## Playoffs heat up

Dimmitt and Nazareth teams and fans will strike out in all directions for basketball playoff games this weekend.

**NAZARETH'S SWIFTETTES** will meet Wilson (District 11-A champion) in the first game of the Region 1-A Girls' Tournament at 1:30 p.m. Friday in the Texan Dome at South Plains College, Levelland.

The Swiftettes drilled Wheeler, 90-56, in their sub-regional game Monday night for the right to advance to the regional tourney, where they are installed as the favorites to win another trip back to Austin in search of their ninth state championship in 12 years.

Sudan (District 9-A runner-up) will meet Kelton (District 4-A runner-up) in the other opening-

round game at 3:30 p.m. Friday. Kelton is an unknown factor in the tourney, but the Swiftettes have beaten Sudan twice this year.

The regional championship game will be at 7 p.m. Saturday. The winner will advance to the girls' state tournament March 3-5 in Austin.

**DIMITT'S BOBCATS** will meet Dalhart (District 1-AAA runner-up) in the first game of a bi-district double-header Friday night in the WTSU fieldhouse in Canyon.

The Bobcats and Wolves will tip off at 7 p.m.

After the Dimmitt-Dalhart game, Littlefield (2-AAA runner-up) will play River Road (1-AAA champion) at 8:30.

"They're big," Coach Ken Cleveland said of the Dalhart team. "They've got a 6-7 and a 6-5 kid, and they have some good shooters. I've seen some film on them and they look pretty sound."

The Bobcats didn't play a warm-up game, but Cleveland said that the lull shouldn't affect them.

"We've been off for 10 days, but I don't think that will hurt this particular group of kids; they're ready to play anytime. I think it might have helped, because we've had some kids banged up."

If the Bobcats top Dalhart, they'll meet either Midland Greenwood or Idalou for the area championship Tuesday night. If it's

Greenwood, Dimmitt school officials will try to get the game in the Texan Dome at South Plains College, Levelland. If it's Idalou, the likely playoff site will be one of the Plainview gyms.

The area champions will advance to the Region 1-AAA Boys' Tournament in Lubbock March 4-5. Three state-ranked teams in Region I are in the playoff hunt—Dimmitt (No. 1), Marlin (No. 2) and Brownfield (No. 10). Littlefield also is given a good chance to make the region's final four.

**NAZARETH'S SWIFTS**, who won the bi-district championship with a 67-34 victory over Kevin Cleveland's Silverton Owls Tuesday night, now have the dubious honor of meeting the state's top-ranked Class A team, the undefeated Paducah Dragons, in the area championship bout Thursday or Friday.

But at presstime, Nazareth school officials didn't know when or where the area game would be played.

NHS didn't want to play Paducah Friday because it would conflict with the Swiftettes' first-round regional tournament game, but Paducah was still holding out for a Friday night game at presstime Wednesday as school officials worked to resolve the question.

The winner of the area championship game will advance to the sub-regional round Tuesday night.

June Sutton hosted the bridge group of Nancy Ross, Virginia Hansen, Deanne Clark, Martha Hyman, Sandra Potts and Patricia Braafladt as a thank you for being guest several times. Cindy Adams and A'llan Bradley substituted for Martie Benton and Stefanie Love and Sandra Clark came by for lunch. Lunch was chicken pockets, tossed salad, layered gelatin salad and bagel crisps. She served homemade ice cream and cherry crisp cake for dessert. A'llan Bradley won high and Martha Hyman won low.

Several ladies who often coffee together went antique shopping on Monday. Zona Vilas transported the group consisting of Betty Freeman, Loranel Hamilton, Ann Ethington, Joan Ballentine, Deanne Clark and Wanda Stevens. The antique mall in Lubbock was toured and Loranel visited with Mrs. Keener, former Dimmitt resident.

Matt Howell arrived home (Weatherford) Saturday from a six weeks Quarter Horse business trip to Uruguay. Matt thought the country was beautiful, being 80% beautiful grass land, excellent ranching country. While riding over the ranch one day they saw a flock of wild ostrich. It's summertime in Uruguay and Matt spent some time on the beach and fishing from the yacht owned by his employer. He thinks he has a pretty good suntan for February. The people in Uruguay eat mutton twice a day, everyday of the year. Matt said it was really good and of course they have learned many ways to prepare it.

He really enjoyed his stay; he was treated very well, but was really glad to be home.

Saturday evening, members of the Dimmitt Future Homemakers of America attended their annual Best Beau Banquet at the Richardson Elementary School Cafeteria.

The theme for the evening, "Moments in a Dream", focused in colors of blue and silver. The evening's menu consisted of an appetizer, fruit Kabobs, Lasagna, tossed salad and bread, with strawberry shortcake for dessert.

Awards were given for various achievements which included a special gift presented to Mrs. Joann Snider in appreciation for her thirty years of service.

Following the banquet, Z-93 from Amarillo provided the music for a dance.

We congratulate Debbie Tilley, daughter of Mr. and Mrs. Jim Tilley, on her acceptance into the All-State Baptist Youth Choir. Debbie was one of hundreds who auditioned all across the state of Texas.

Sunday, June 12, Debbie will leave for Dallas Baptist College. While there, she will spend three days in rehearsals, Bible study, worship services, recreation, and having a great time getting to know the other 400 youth in the choir and band.

Thursday, June 16, Debbie and the others will travel to Washington, D. C. to sing and play in a large youth rally, break up in smaller groups and fan out to the area churches for concerts on that Sunday morning. Then, late Sunday afternoon, the all-staters will be traveling to Charlotte, North Carolina to spend the night.

June 20, Debbie and the group will travel to Ridgcrest Baptist Conference Center to perform in the evening service and return to

Charlotte to spend the night. Tuesday, June 21, it will be back to Dallas - Ft. Worth Airport, then home to Dimmitt. Sounds like a great 10 days, congratulations Debbie!

The Community Concert Association presented the Linden Quintet in Dimmitt on Wednesday night. Mitchell Kriegler played the clarinet, William Meredith played the Oboe, Wendy Large, the bassoon, Richard Hein the horn, and Lisa Hansen played a gold flute.

These young musicians are very talented and gave a good performance. I especially enjoyed the Overture from Nutcracker Suite, Liberty Bell March and Bugle Blues. This was the last concert to be held in Dimmitt this year or next year since the committee decided not to participate in the Community Concert due to lack of interest.

We can still buy tickets next year for Hereford and Plainview concerts. The next concert in Hereford will be March 8, Toccates and Flourishes, and Plainview, March 17, Harvey Pitel Saxophone Quartet.

I attended the Junior Stock Show Friday afternoon since many of my little friends were showing their animals.

Many proud grandparents were there to watch their grandkids.

I visited with Dorothy Hopson who was there to see Cindy's, Rodney McDaniels from Hart. Melvin and Juanita Summers were there to watch their grandkids, Casey, Coby and Carla Summers show their animals. Anthony and Mary Mays, J. C. and Rhoda Mays came to see Sabrina, Cory, and Wesley perform.

The Wildersons from Tulia came to see their grandkids, Matt and Jill Gfeller, children of Kay and Ronnie Gfeller.

Mrs. B. L. Moore was visiting Don and Paraly Moore, so they were all there to see Max and Monty Moore.

Betty Dennis was here from Plainview since her son-in-law Danny Underwood was helping the Young Farmers.

I visited with Dan Petty who was there to see his boys, Kevin and Dennis, who were showing their animals. Also Carla Petty, daughter of Arlie and Doris, showed an animal.

Inez Lee was there with her daughters, Carolyn Moke and Charlene Howell. Coby Moke showed his animal and of course Jack Howell is always the auctioneer.

Sue Howell was there to see her son, Kelly Howell, perform.

Kathy Lust was there to watch her kids, Zachary and Tiffany Smith. Crystal Howell was there with her two little ones since Gaines was helping run the show.

The Reeford Burrouses were taking pictures of their grandchildren.

I couldn't see everyone I knew but a few others were the Ben Scotts, Glegghorns, Nelsons, Wootens, Cates, Bacas, Olsons, Matthews, Atchleys, Husemans, Bradleys, Kirbys, Bakers, Wilcoxes and Brutons.

The Panhandle Pastors' and Layman's Conference 67th Annual Session was held at Wayland Baptist University in Plainview on Monday and Tuesday, February 15 and 16.

The Amarillo FBC choir brought the special music. Lanny Allen directs the choir with David Lowe

at the organ and Janice Davis, daughter of Bob and Phillis Moon-ey, at the piano. My daughter, Mary Lynn Lankford, sings in the choir. Since George Ray read the scripture and led in prayer, there were several former Dimmitt residents participating. Joel Gregory, pastor of Travis Ave. Baptist Church in Ft. Worth was the featured speaker. Some we saw from Dimmitt were Kate Beecher, Ettie McDermitt, Richard Young, Wayne Mohon, and the Vandivers. We visited with The Davenport of Tulia (he is pastor of the Baptist Church in Tulia), and the Cecil Goldens of Plainview (he was the interim pastor at FBC in Dimmitt a few years ago).

Oleta Golden entertained some of her relatives last week. Pete Golden and his friend from Brownfield, and his two daughters, Beth Hawkins from Brownfield and Jamie Bennett from Ruidoso, New Mexico. They had lunch in Hereford and shopped and came back to Dimmitt and shopped some more.

Edith Graef was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Loranel Hamilton won high score and Louise Mears won second high score. Others playing were Oleta Schumacher, Jean Christian, Neva Hickcy, Cleo Forson, Opha Burks, Helen Braafladt, Bernice Hill, Alma Kenmore, Elizabeth Huckabay, Johnnie Vanoy, Susie Reeves, Alice Collyer, and Virginia Crider.

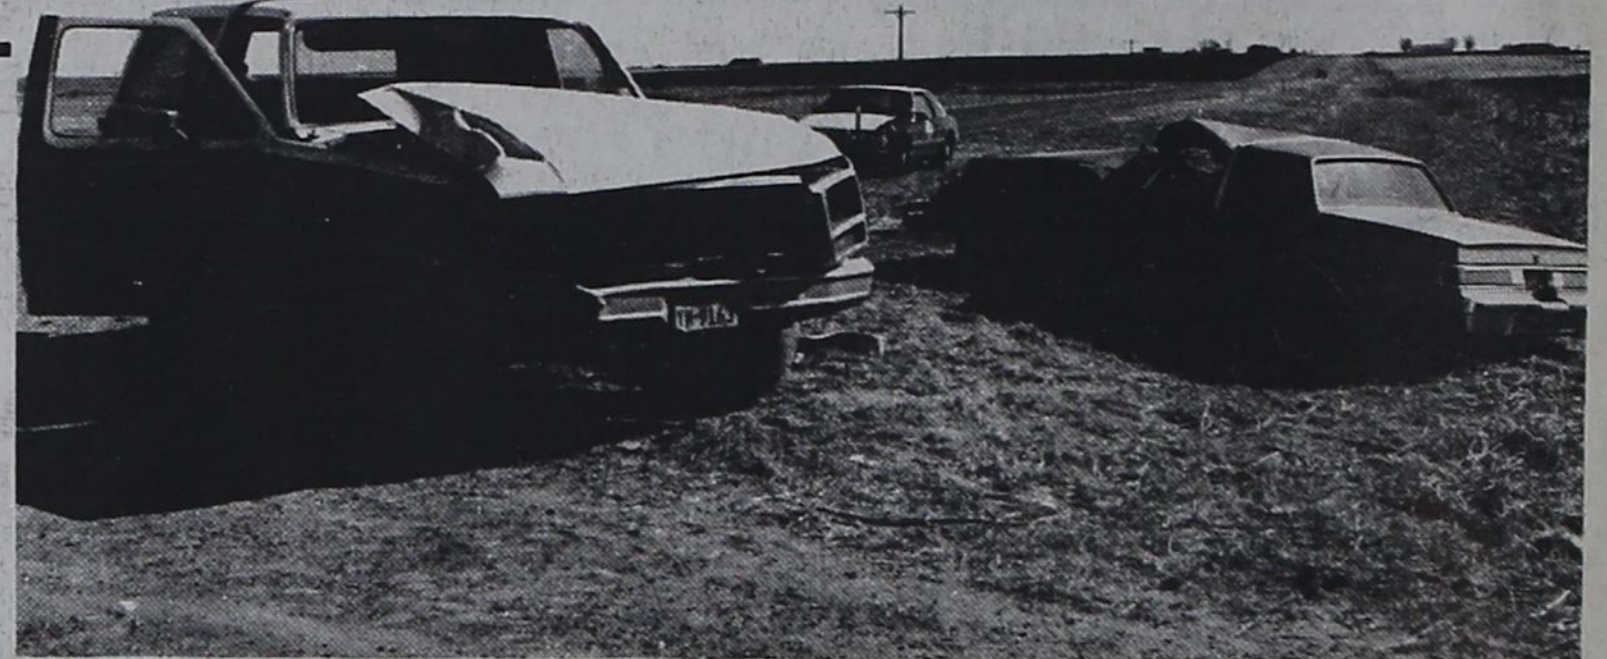

Gertie Waggoner brought the devotional on "Prayer" Thursday morning at the Canterbury Villa. Richard Young sang *How Great Thou Art* with Phyllis Mooney at the piano. Renise Blair sang *In My Father's House*. Others singing were Frances Smith, Ettie McDermitt, Irene Carpenter, Terry Earley, Geneva Justice, Ysleta Ball, Mary Edna Hendrix, and Renise Blair's father from Spur.

The FBC choir prepared lunch after the Sunday morning services for the group REJOICE from Wayland Baptist University. This group gave a mini-concert before the message. Ben Jameson is a sophomore in religious education and his hometown is Las Cruces, N. M.

Alexia Andrew is a senior with a music education major and she is from Olton. Marianne McGinnis is a junior with a music education major and she is from Vallecito Lake, Colo. Stephen Muller is a music education major from El Paso. Robert Ragland is a junior psychology major from Desdemona. His parents, Mr. and Mrs. E. C. Ragland from Desdemona came for the weekend. Jeff Petillo from Cyril, Okla., is the group's sponsor.

The Castro County Community Concerts board and all who have worked on obtaining memberships are asked to meet at the home of the Rev. and Mrs. Ed Freeman, 1510 Western Circle Dr., on Monday, Feb. 29 at 2 p.m.

Beth Hodges, of Panhandle, her daughter, Keri Ferguson and Keri's one-year-old son, Tyler, of Dallas, visited Beral Hance Friday. Keri is a bank examiner and has transferred to Dallas. Her husband is also a banker in Dallas.

**COLLISION ON COUNTY ROAD** — Debra Smith, 29, of Muleshoe was taken by ambulance to Plains Memorial Hospital Saturday morning to be treated for injuries she received in this two-car accident which occurred 13.3 miles southwest of Dimmitt on FM 145. Smith was eastbound on FM 145 in a 1982 Buick, according to DPS Trooper

Nick Hand, when a 1984 Bronco, driven by Anthony Acker, 59, of Nazareth, pulled out from a county dirt road striking the driver's side of Smith's vehicle. Acker, who was uninjured in the accident, was cited for failure to yield the right of way, Hand said. Smith was released from the hospital Monday.

## Nazareth By Ulgie Gerber, 945-2669

Congratulations to Mildred Ball on her 70th birthday.

Her children, Odetta Robison of Amarillo; Pat Simantz of Lubbock; Darryl and Rose Ball, Twila Bingham, Renee, Kirk and Kyle Ball, all of Nazareth, hosted a party for their mother Sunday afternoon.

Friends attending were Julene Gerber, Easy Schulte, Martha Schulte, Cince Schulte, Cornelia Annen, Alvina Gerber, Alvin and Dorothy Kleman, Fred Ball, Mary Kleman and Joan Durbin.

Brenda Schulte was also there to take many pictures.

Cecilia Annen is doing fine and enjoying living at the Canterbury Villa Rest Home in Dimmitt.

Rosemary Wilhelm and Lucille Drerup attended funeral services for Carl Klinkke, 72, a long-time family friend, at St. Francis Catholic Church in St. Francis on Mon-

day afternoon.

The Senior Citizens Valentine dinner was well-attended Sunday at the Center. Many guests enjoyed a delicious meal.

Estelle Keys of Plainview spent Sunday with her mother, Ella Hoelting, and enjoyed the Senior Citizens dinner with her.

Toney and Mary Gerber accompanied their granddaughter, Lydia Schacher, and her three children on a little trip over the weekend. They spent Thursday night with their granddaughter, Sharon and Johnny Hampton in Merkel. They teach and coach there. Friday and Saturday were spent in Ranger with Colleen and Neal Wilhelm and their daughter, Danielle.

Congratulations to Rick and Robbie Gerber of Austin on the birth of a son, Nickolaus, on Feb. 10 in Austin. Grandparents are Wirt and Irene Albracht of Hereford and Albert and Virgie Gerber of Nazareth. Great-grandmother is Meta Stork.

Dennis and Kathleen Mattingly of Logan, Iowa, were here over the weekend to visit Kathleen's sister, Marilyn Birkenfeld and her family. On Sunday night, Marilyn and Herman hosted a dinner for the Hoelting families including Tom and Raelene Hoelting, Bill and Bernita Hoelting, Jim and Sandee Hoelting, Roger and Edna Rae Schilling, and Kenny and Cince Schulte.

Rita Pohlmeier of Aurora, Colo., spent a long weekend with her parents, the Philip Pohlmeiers. While in Nazareth, she attended the Castro County Junior Livestock Show in Dimmitt, and the Swiftettes basketball game at Wayland Baptist University.

On Sunday, Rita and her parents, Philip and Dora, enjoyed dinner in Claude at the home of Gary and Theresa Rider.

Helen Backus is still recuperating at the home of her daughter, Catherine Huseman, but is doing well and hopes to be out and about soon.

### Senior Citizens

Castro County Senior Citizens Center is located at Third and Jones and is open Monday through Friday from 9 a.m. to 4 p.m. including the Domino Center. Quilting, crafts, and table games are daily activities. A nutritious meal is served daily from 11:30 a.m. to 1 p.m.

Bridge will be played today (Thursday), Friday and Wednesday at 10 a.m. Duplicate bridge is played on Monday evening at 7:30 p.m.

There is an evening of table games on Tuesday beginning at 6:30 p.m.

### You and Your Car Have Rights.

If you are required to get several estimates for repairing your car, remember: you don't have to go with the cheapest bid.

The cheapest estimate sometimes isn't the best deal for getting your car repaired adequately. The low bidder may not have the special equipment needed to do your repairs right, or he may not be figuring all the parts that need to be replaced.

Under the law, you have the right to have your car repaired wherever you wish. Your insurance company can negotiate the cost of repairs, but it can't dictate where you have your car repaired. Most insurance companies will pay what it takes to have your car repaired right, if you and your repairman explain what was needed and what was done.

After your car is repaired, if you aren't satisfied with the job, you have recourse through your insurance company. Let your agent or the company know.

Remember, your insurance company and your repairman both have obligations to you. That's what you're paying your money for.

PUBLIC NOTICE

West Texas Rural Telephone Cooperative, Inc., hereby gives notice that on January 11, 1988, the Cooperative filed with the Public Utility Commission of Texas a request to detariff inside wiring and customer premises equipment, to change its tariff, implement new services and revise certain nonrecurring rates. The proposed changes may become effective on February 15, 1988. Customers will not be immediately affected by this change except that the Commission will no longer regulate rates for monthly extension wiring and equipment leased by the Cooperative. Rates for local services (excluding telephones and other equipment) will not change as a result of this filing.

The proposed changes include the revision of service connection charges, the establishment of a returned check charge of \$15, the deletion of services no longer provided and the provision of new custom calling services. Through this filing, the Cooperative is also revising its tariff to reflect the elimination of monthly charges for extension wiring and the sale to customers of the telephones and certain other equipment leased from the Cooperative.

It is estimated that the proposed changes will result in a revenue increase of approximately \$927. All customer classes will be affected by the proposed changes. Persons with questions or who desire more information about the requested rate changes are encouraged to contact the Cooperative by telephone (806) 364-3331 or in person at South Highway 385, Hereford, Texas. A complete copy of the filing will be available for review.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 450N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission's Public Information Office at (512) 458-0227, or (512) 458-0221 teletype-writer for the deaf.

LEGAL NOTICE

STATEMENT OF NONDISCRIMINATION

Five Area Telephone Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964, and the rules and regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefit of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the act and the rules and regulations issued thereunder may, by himself, or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250; or the Rural Electrification Administration, Washington, D.C. 20250; or this organization; or all; a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purpose of the rules and regulations.

Sunnyside By Teeny Bowden, 647-5703

Toots Holbrooks now has the convenience and assurance of LIFE - LINE sponsored by the Plains Memorial Hospital Auxiliary. It was installed last Wednesday by Nell Ingram, PMHA president, so that, in the event of a fall or other illness, she can just push a button and get to the phone and dial a number. Nancy Jurado is still staying with her, but hurt her back Wednesday. Bobbie Holbrooks of White River spent the day with her Saturday. Ezell and Verba Sadler took her to Sunday school and church Sunday morning. Verba led the singing in Gerald Elkin's absence.

E.R. and Willie Mae Sadler and Ezell and Verba Sadler attended the funeral of a cousin by marriage, Ercell (Buddy) Keeler, in Hale Center Tuesday afternoon.

Sharon Sadler took L.B. Bowden to Amarillo Wednesday to dialyze at the center since Teeny had a reaction from an injection given for bursitis Tuesday.

Some had a letter from Gale and Verna Sadler this week. Gale was ill in early January with possibly malaria or a bacterial infection or both.

He and another Tanzanian language school missionary had driven to Moshi, Tanzania to drive their assigned car into Kenya. The four Tanzanian-language families have been sharing two vehicles, which is okay until one of them breaks down, which is often.

He was well about two weeks later and able to enjoy the official school two-day vacation/orientation trip to Tanzania, Jan. 24-26. It was exciting to see the wild animals God has created in their natural habitat. They visited classes at the Baptist seminary at Arusha, a four-year college for national pastors and their wives. The nationals will go out to lead a church and support themselves financially.

Gale and Verna gave their testimony in Swahili in a village home while there and helped assemble and mail-out the second quarter Sunday School and WMU literature. Verna has also been teaching a Christian lady to read and write Swahili so she can read her Bible to the eight children she has at home. She works in the fields picking tea, and does not speak English.

Driving there is very trying, and Gale does most of it. You have to watch out for, and dodge, pot-holes, people, animals, busses and smoking lorries. Their sea container is still between America and East Africa and they asked our prayers for it's safe passage to Dar es Salaam and then by land to Moshi, and that their possessions and food

will be free of bugs and mice, and will get through customs without trouble by April 1 when they expect to move from Kenya to Moshi, Tanzania. They take the Castro County News and enjoy the Sunnyside News.

Alton and Betty Louder, Milburn and Janelle Haydon, Flossie Jones and Harry and Evelyn Mitchell of Farwell attended the funeral services for Lester Van Doren, father of Dorothy Ott, in Dimmitt Saturday morning. He had lived out of state for many years and was brought back for burial in Castro Memorial Gardens.

T.J. Sanders had a doctor's appointment Friday and got a good report. In fact, he was dismissed and can start to school all day on Monday instead of Wednesday.

Lee Bradley is still taking his therapy at home, but is also going to therapy in Amarillo once a week for the nerve damage in his arm. His neck has healed, and is giving him no trouble.

Sharon Bradley sprained her ankle in a ballgame in Amarillo Friday night and will be on crutches for a week or so.

Rev. David Fletcher attended the Pastor and Layman's Conference at Wayland Monday.

Rev. George Brittain of Salem, N.M. went through his surgery in Deming fine, and the doctors felt certain they had gotten all of the cancer cells out of his shoulder.

A wreck west of the R.V. Bills' Saturday morning sent a Lazbuddie woman to Plains Memorial Hospital by ambulance after being hit on FM 145 by a Bronco whose occupant was not injured.

Dr. Dorothy McCoy of Plainview, cousin of Verna Sadler, visited Saturday morning with E.R. and Willie Mae Sadler for awhile.

The Phipps family met in Farwell Friday night to honor a cousin, Waneveva Phillips of Idaho, a daughter of Virgin Phipps. It is the first time they had seen her in years. Alton and Betty Louder,

Milburn and Janelle Haydon; Harry and Evelyn Mitchell and their daughter Shirley Radford and Jennifer; Flossie Jones; Renee Wilson, Samantha and Andrea; Charlie and Debbie Jones; Alma and Irvin Ott and Toby and Louise Phipps and other relatives were present.

Lance Louder and Matt and Coby Gilbreath helped with the livestock show in Dimmitt Thursday, Friday, and Saturday. They also helped with the cleaning-up process on Sunday.

Lillian Carson baby-sat for a niece in Hale Center Saturday night and spent the night with them.

Rev. Murle and Wanda Rogers of Lockney visited awhile Sunday afternoon with Rev. David and Debra Fletcher on their way to Earth to attend the open house of Juanita Blackburn.

Randy Bills, grandson of R.V. and Bess Bills, his wife Joyce and children, Katie, Bruce and Kurt were honored as the farm family of the year at the Earth Chamber of Commerce Banquet Friday night, Feb. 12.

Ivey Jean (Carr) Miller spent Thursday through Saturday with J.W. and Cleo Carr and Darrell. She will make her home in Lubbock. Wesley and Amanda Carr, grandchildren of Cleo and Jay, participated in the area tumbling meet in the Muleshoe High School Gym the 6th. They are the children of David and Kathy Carr.

Robin Bridges was chosen student of the month for the Springlake-Earth 6th grade this week. Students are chosen because of their grades, their citizenship, and their attitudes in class and other school-related events.

Brooke Byers was high scorer for the Springlake-Earth 7th and 8th grade girls' last game at Hart. Though they lost the game, Brooke made 10 points.

Erin Bridges was high point scorer for the Springlake-Earth 8th grade girls with 7 points against Hart. They, too, lost their game.

## Hanners is elected state FHA officer

Jennifer Hanners of Dimmitt has been elected as a state officer for the Future Homemakers of America at the Region I meeting in Lubbock Friday and Saturday.

Michelle Smith of Dimmitt was elected as Region I treasurer.

In addition to being elected to her state office, Hanners performed a song she had composed, entitled *If Everybody Had a Dream*.

Toni Gabel of Dimmitt, state

vice president of achievement, presented a leadership workshop Friday night.

Other members of the Dimmitt organization attending the meeting were Jeanna Hanson, LuCydne Lynn, Trisha Fitzgearld, Johnnie Chavers, Sandy Garza, Liz Davila and Amy Flores.

Advisors who attended were Joanne Snider, Connie Nutt and Becky Jones.

## Register by March 10 for child care meet

By Deana Sageser

Persons who operate child care facilities or keep children in their home can sharpen their skills and gather new ideas to help in their day-to-day tasks in a day-long conference March 26 in Lubbock.

Scheduled for 8:30 a.m. to 3:30 p.m., the program will be held at the Texas A&M University Agricultural Research and Extension Center north of Lubbock International Airport on FM 1294 just east of I-27 at the Shallowater exit, and

is being conducted by the Extension service.

Sessions will include information on licensing, marketing your business, arts and crafts for children, scheduling, cooking with kids, record keeping, discipline, communication, conflict management, and other useful topics.

Deadline for registration is March 10. The \$7.50 fee includes lunch. For more information, contact County Extension Agent for home economics, Deana Sageser.

## Senior Citizens to sponsor course

Castro County Senior Citizens, Inc., will sponsor a defensive driving course from 9 a.m. to 3 p.m. Tuesday, March 15.

Cost of the course is \$5 per person and it will be taught by Wayne Beigel, certified instructor with the Texas Dept. of Public Safety.

The course, which will be held at the Expo Building, is open to all interested residents. Completion of the course can qualify a car owner for discounts on auto insurance, and also can satisfy course requirements in which the defensive driving course is ordered.

No advance registration is required. Those wishing to take the course only need to attend on course day.

## Albracht is listed

Elizabeth Ann Albracht, daughter of Sam and Margie Albracht of Nazareth, is listed on the dean's honor roll for the fall semester at Angelo State University in San Angelo.

An elementary education major, Albracht is listed on the 3.50 to 4.00 honor roll. She is a 1984 graduate of Nazareth High School.

## Two students make dean's list

Two Dimmitt students qualified for the academics honors list at the end of the 1987 fall semester at Texas Tech University for the 1987 fall semester.

John David King and Cara Delin Odom were named to the dean's list at the university.

King, a senior mass communication major, is the son of Mr. and Mrs. Gene King of Dimmitt.

Odom, the daughter of Mr. and Mrs. Glenn Odom, is a freshman finance major.

## Two graduate from Texas Tech

Two Dimmitt students have graduated from Texas Tech University with bachelor's degrees.

Lonnie Wade Robb, son of Mr. and Mrs. Ted Robb of Dimmitt, received his bachelor of science degree.

Michael Shane Smithson, son of Mr. and Mrs. Howard Smithson of Dimmitt, received a bachelor of science degree in agricultural education.

## Demos urged to return to precinct conventions

Democrats who vote in their primary on Super Tuesday, March 8, are encouraged to return to their precinct convention the same night at 7:15 p.m., according to State Democratic Party Chairman Bob Slagle.

"The precinct convention is

usually held in the same building where you vote, but check with your election judge when you vote to be sure of the location," Slagle said. Castro County Democratic Chairman David Schaeffer also said he assumes that the conventions will be held at the polling sites.

Anyone who votes in the Democratic Primary is eligible to attend the precinct convention and is also eligible to become a delegate to any level of the Party's conventions, including the National Convention, slated for July 18-21 in Atlanta, Ga.

"At the precinct convention you will sign in for the presidential candidate of your choice and elect delegates supporting your candidate to attend the county or senate district convention on March 19," Slagle said.

Democrats should be aware that 75% of the base delegation to the National Convention (119 delegates) are allocated among presidential contenders based on the primary vote in the senate district; and 25% of the base delegation (40 at-large delegates) are allocated

based on attendance at the state convention, which is set for June 17-18 in Houston.

"The Texas Convention system will allocate more delegates (64) than the Iowa Caucuses, besides the 119 allocated by the primary," Slagle noted.

"To increase the delegate strength of your favorite presidential candidate, you need to vote on March 8 and come back to your polling place at 7:15 p.m. to attend your precinct convention."

## TAPS offers scholarships

Application deadline is March 15 for scholarships offered by the Texas Association of Private Schools.

To apply, students should submit two letters of recommendation, their academic record to date, and an original 250-word essay detailing their career objectives and goals in the field they have chosen.

Additional information may be obtained from high school counselors or by contacting the TAPS office at P.O. Box 13481, Austin, 78711, or phone (512)444-8463.

The scholarships are offered in 46 vocational/technical career fields, including computer programming, cosmetology, accounting, drafting, medical and dental assisting, radio announcing, welding, court reporting, and many others.

With values ranging from \$495 to \$12,450, there are 294 scholarships available statewide, at a total of more than \$1,270,000.

TAPS is a non-profit organization representing proprietary vocational/technical schools, and is dedicated to assisting people to attain education and marketable skills in their community.

**BEYOND OUR CONTROL!**—Nazareth's Rachel Huseman (24) shoots over the heads of Motley County's Kathy Morgan (43) and Chan Brown (20). Leigh Barton (21) comes in from behind to lend her Motley County teammates a hand and

Nazareth's Stephanie Brockman (far right) fights for rebound position, but Huseman's shot fell through the net. Nazareth took a 66-42 victory in the area playoff game.

## Swiftettes crush rivals on road to regional tournament

They have been plagued by fouls in the last two games, but Nazareth's Swiftettes are still running over competition in Region 1-A and have earned a berth in the Region 1-A tournament.

Motley County fell victim to the Swiftettes Friday night in the area round by a 66-42 margin, then Wheeler felt the brunt of the Swiftettes offensive attack Monday, falling 90-58 in the sub-regional game.

### Naz vs. Motley County

An almost perfect fourth quarter shooting performance by the Swiftettes dashed any chances of a comeback for Motley County, who played the No.-1 ranked team as close as any Class A team has all year.

Nazareth hit six of seven attempted shots from the field and was accurate on 13 out of 14 free throw attempts to ice the game in the final period.

Motley County drove through the Swiftettes press and drew fouls throughout the first quarter, until Nazareth Head Coach Sandy Heiman had to pull most of her starting lineup because of foul trouble.

"We weren't as intense the first quarter as we should have been and they out-hustled us," Heiman said. "We got in foul trouble and the bench really pulled through and helped us out a lot. Bobbi Hochstein came in and did an excellent job at point guard and Shana Birkenfeld played a good defensive game."

"We've got a very balanced team," Heiman said. "If one player's off, there's always someone else there to pick up the slack."

A very quick Motley County team was down by just eight points after the first eight minutes and were within 15 after three quarters, but the Swiftettes settled down and iced the game in the fourth.

"We had more depth than they

did and we just wore them down in the second half," Heiman said.

Traci Hill led the Swiftettes scoring with 19 points, 12 coming in the first quarter. Rachel Huseman added 16 and Darla Leavitt and Shana Birkenfeld each contributed 8.

### Naz vs. Wheeler

It started out a lot like the Nazareth-Motley County game Friday night, but the Nazareth-Wheeler clash turned out to be all Nazareth.

Wheeler opened the game by taking a 2-0 lead on a Dee Dee Dorman shot with 7:36 left in the first period, and it looked like the Swiftettes would have their work cut out for them.

Nazareth tied the game when Rachel Huseman went back up with an offensive rebound. Missy Brockman picked up the first of her five fouls seconds later and DeAnn Collins sank the second of two free throws to put Wheeler back 3-2, but from then on it was all Nazareth.

The Swiftettes outscored the Mustangettes 17-6 over the next six minutes for a 19-9 lead at the end of one quarter.

The Swiftette lead at half-time was only 14 points, but they extended it to 70-41 after the third quarter.

The fourth quarter proved to be

no contest for the Swiftettes, who improved to 30-2.

The Swiftettes forced Wheeler into turning the ball over 20 times, but their defensive performance was not up to par.

"We had a lot of points and a lot of fouls," Heiman said. "There was not much defense played either way."

The Swiftettes fouled 20 times in the game and Wheeler converted 26 of its 31 tries at the line.

"I felt like the referees were letting us play, we just had some silly fouls like reaching and going over the back. We're going to try and eliminate those before this weekend," Heiman said. "We're going to stress defense the next few days in our workouts."

Leavitt, who played her best game of the year last year against Wheeler, had an outstanding game Monday night. She scored 20 points and blocked eight Wheeler shots while snaring 11 rebounds and two steals.

She was joined by three other players in double figures including Rachel Huseman with 15 points, Traci Hill with 14, and Missy Brockman with 11.

## Bobcats place in practice meet

Members of the Dimmitt Bobcat track team placed in a practice meet at Hereford last Thursday.

Prentiss Washington captured first place in the shot, with a throw of 43'7". Kyle Shelton's throw of 39'7 1/4" was good for fifth place in the event.

A jump of 5'8" was good enough for first place in the high jump for Coby Moke.

The Bobcat's 400-meter relay team of Kelly Howell, Brian Stewart, Jason Griffith and Chad Davis finished first with a time of 46.13. Dimmitt's second relay team composed of Daniel Espinosa, Adam Cline, John Ortegon and Filberto Alafa finished third in the race.

Joe Velasquez of Dimmitt ran the 800-meter run in 2:10.98, good for the gold. Rodger Gauna finished fourth with a time of 2:27.55 and Chas Humphreys crossed the finished line in 2:35.39 for fifth.

Dimmitt cleaned up in the 100-meter run, capturing the first five places. Davis ran an 11:09 race to finish first; Stewart finished second with a time of 11:50; Kevin Petty crossed the line in 11:51 for third; Adam Cline ran the race in 11:76 for fourth and Kelly Howell's time of 11:85 was good enough for fifth.

In the 300-meter intermediate hurdles, Chad Davis ran a 42.94 race for first place. Kelly Howell

finished in 45:11 for second, Filberto Alafa finished in 46.89 for third place, Josh Gonzales recorded a time of 48.84 for fourth and Justin Nelson rounded out Dimmitt's finishers with a time of 49.85, good for fifth.

A time of 5:10.61 captured first place honors for Joe Velasquez in the 1600-meter race. Rodger Gauna finished the race in 5:43.10 for fifth place.

Coby Moke, Kevin Petty, Brian Nelson and Kelly Howell finished the 1600-meter relay in 3:54 for second place. Filberto Alafa, Berry Hill, John Ortegon and Greg Velasquez finished fourth with a time of 4:08.40.

Other Bobcats placing in the meet were: Albert Ramirez, fifth in discus (103'4"); Paul Espinosa, sixth in discus (101'3"); Nicky Polivoda, fifth in 3200-meter run (13:01.55); Robert Vera, sixth in 3200-meter run (13:59.30); Coby Moke, third in 400-meter run (57.57); Brian Nelson, fourth in 400-meter run (57.58); Berry Hill, sixth in 400-meter run (58.06); Brian Stewart, second in 200-meter run (24.25); Jason Griffith, third in 200-meter run (24.82); Adam Cline, fourth in 200-meter run (25.08); Rene Enriquez, fifth in 200-meter run (25.28); and John Ortegon, sixth in 200-meter run (25.58).

# Bobbies' comeback falls short, 66-63

The Bobbies' championship season came to a halt earlier than they wanted it to Friday night.

They couldn't recover from an ice-cold first half that gave the Sanford-Fritch Lady Eagles — runners-up in District 1-AAA—the bi-district title with a 66-63 decision in the WTSU fieldhouse at Canyon.

The Bobbies erased a 20-point deficit with a courageous comeback in the second half and were on the verge of pulling out the victory, only to see the breaks bounce S-F's way in the final minute.

It was the third straight year for the bi-district championship to elude Coach Richard Wood's girls.

"I felt like we just ran out of time," Wood said. "I was proud of the kids for not quitting. They showed their true spirit when they stuck in there and kept coming. I was real pleased with them."

Kristi Petty swished two quickies from the side in the opening moments to give the Bobbies an early 4-2 lead. But then the Ice Age dawned, and that was all of Dimmitt's scoring until Gloria Gauna sank a basket with 1:09 remaining in the quarter.

Meanwhile, Sanford-Fritch shot well, dominated the boards and forced nine first-quarter turnovers with their full-court trapping press defense to take an 18-6 lead.

The Bobbies kept struggling in the second until S-F owned a 31-14 lead with a minute remaining in the half. Then the game turned furious as freshman Renae Josselet hit a three-pointer from the corner with 39 seconds left, S-F's Shelly Riggle responded with a pair of free throws, Alicia Shippy sank a turna-

round basket with 20 ticks remaining, and S-F's Luci Hayes put in a layup at the buzzer on a perfectly timed play. It was 35-19 at half-time.

But in the third, the Bobbies started driving through S-F's side-court traps, and the Lady Eagles had to back off as they were hit with a rash of blocking calls. That seemed to be the break the Bobbies needed as they put their game together and outscored S-F 25-12. Josselet struck for 10 points in the third—including two more three-pointers — while McDonald sank six free throws, Becky Rodriguez sank a three-pointer and a layup, Gauna scored on a put-up and Shippy added a pair of free throws. Two of Dimmitt's third-quarter baskets (by Josselet and Rodriguez) came after backcourt steals as the Bobbies' full-court press started taking its toll.

When the smoke cleared after the big third quarter, the Bobbies had pulled within four, 44-48.

Crystal Derrick opened the fourth with a three-point bomb to make it 47-48, and the race was on.

But fouls began to take their toll as the Bobbies continued their charge. Josselet fouled out at 4:59, and the Bobbies kept fouling the wrong girl as S-F's Dusti Whatley sank eight free throws in the quarter to keep the Lady Eagles on top.

Derrick sank another three-pointer—her third basket of the fourth quarter—and Rodriguez followed immediately with a layup after a steal to knot the score for the first time, 56-56. But S-F went back out to a four-point lead after a basket by Riggle and a pair of free throws by Whatley. Shippy scored two

quick baskets to tie it again at 60, then Whatley did another free-throw double and the Lady Eagles got a steal and layup to go back up by four with a minute remaining.

Rodriguez swished another three-pointer to make it 63-64 with 46 seconds left, then — after a turnover — the Bobbies got their chance to win it.

McDonald took the shot at 0:38 but it rimmed out, and in the rebounding melee that followed, the ball went out-of-bounds to the Lady Eagles. But the Bobbies applied a perfect one-on-one press and S-F had to give up the ball when they couldn't inbound it. But the Bobbies lost their chance when their own inbound pass careened out-of-bounds. They fouled Riggle out front, and she sank both free throws with two ticks left to seal the game.

"I think it was just nerves and being young," Coach Wood lamented afterward. "I don't think it was a matter of not being ready; they were just so tight, and they never relaxed until the half. . . I think if we could have played the first half the way we played the second, we could have been a 20-point winner."

He added, "I'd say Sanford-Fritch would compare with Tulia and Muleshoe. I don't think they're any better than several of the teams in our district."

Despite the playoff loss, "I thought we had a good season," Wood said. "We had a real tough schedule and lost 12 or 13 games in a row there at one time, and the girls could have gotten their heads down then. But they kept coming on and getting better, and I was real pleased with them."

"We played some pretty tough teams," he added. "We had Tascosa 24-24 at the half, and we had Monterey on the ropes. Both of

REBOUND BATTLE—Dimmitt's Sydelle McDonald (21), Alicia Shippy (20), Gloria Gauna (22) and Renae Josselet (13) battle a pair of Sanford-Fritch players for a rebound in the first quarter of Friday night's bi-district championship game at

the WTSU fieldhouse, Canyon. After an ice-cold first half, the Bobbies battled back from a 20-point deficit to tie the score late in the fourth, only to lose it in the final minute, 63-66.

GOTCHA!—Dimmitt's Renae Josselet steals the ball from a Sanford-Fritch player after teammate Gloria Gauna has tipped it loose in the third quarter of Friday night's bi-district championship game in Canyon. Josselet went on to score after the steal to narrow S-F's lead to 44-31. The Bobbies lost the game after a thrilling finish, 66-63.

NAZARETH'S STEPHANIE BROCKMAN (10) shoots over the head of Motley County's Kathy Mangram during area action Friday night in Wayland Baptist University's Hutcherson Center

in Plainview. Darla Leavitt (40) and a Motley County defender battle for the rebound after the shot. The Swiftettes won the contest 66-42.

## Swifts are bi-district champs

It was a touch-and-go situation for the first few minutes Tuesday night, but it turned out to be no contest for Nazareth's Swifts as they claimed the bi-district championship with a 67-34 win over the Silverton Owls.

Silverton came out in a 2-3 zone defense, and Nazareth took advantage of it.

Both teams shot 56% from the field in the first quarter, but the difference in the score after eight minutes was the number of shots taken. Silverton hit five of nine shots from the field. Nazareth doubled the numbers, sinking 10 of 18 field goals for a 22-10 lead.

Chris Schmucker kept the nets hot with three-point shots, hitting four of seven in the game. He

added four two-point baskets for a game high 20-point performance.

Ricky Clardy cut Nazareth's lead to 10 with six minutes left in the first half, but Silverton would not get another basket until 57 seconds were left in the half, and Nazareth extended its lead to 38-16 at half-time.

Nazareth iced the game in the third quarter, holding Silverton to just a field goal and two free throws, while adding 20 points to the score.

Silverton attempted to battle back in the fourth quarter, but it was a little too late.

The Owls outscored the Swifts 14-9 over the final eight minutes, but were still down by a 67-34 count when the buzzer rang signal-

ing the end of the game.

"We really shot well in the first half and we moved the ball really well," said Nazareth Head Coach Roland Shippy.

"I think the kids were ready for the game. We knew they'd run a zone against us and we just wanted to work and get the open shots and we did. The first two or three minutes were close, but then we settled down and played our game. The kids off the bench played really well for us. Brad Kleman probably played his best game this year. Chris (Schmucker) shot really well."

The Swifts now advance to the area round against the No.-1 ranked Paducah Dragons at a place and time to be announced.

## Letter

### Mother wants coaching change

Dear Editor:

I would like to let you and the readers of the *Castro County News* know about a problem that needs the attention of all concerned parents and fans in this area. The problem is with the coaching of the (Dimmitt) varsity girls' basketball team.

If you have a daughter on the team, or if you have been to any of the games, you can imagine what our problem is.

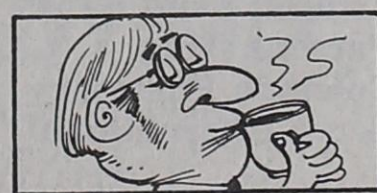

We need your opinions and your support to get a needed change in the program.

Let's get back to a program with the positive approach to coaching. Let's get back to a program that builds a solid team with everyone proud to support them. We have the talent in our girls, we need someone that can let them shine.

Please be at the next school board meeting (Wednesday, March 16)! Thank you for printing this letter.

LINDA DUTTON

P.S.—Our varsity girls' team was very pleased to have so many fans at so many of the games. This has meant a lot to our girls, your support is appreciated and on behalf of the girls we want to thank you.

The Swedish drink more coffee per capita than any other people.

## Gilbreath announces for Senate position

Wes Gilbreath, 59, Houston businessman and Republican Party activist, has announced his candidacy for the United States Senate.

"Talking to people all over the state has led me to believe that they will support a conservative alternative to the current incumbent," said

Gilbreath. "Republicans want another senator like Phil Gramm, not another six years of Lloyd Bentsen."

"We're going to beat Beau Boulter because we're going to out-work him and out-organize him all across the state," Gilbreath said of his campaign organization.

"Texas must send a new senator to Washington who will be a reliable conservative voice, working side-by-side with Sen. Phil Gramm to bring prosperity back to Texas," he remarked. "Bentsen cannot be counted on to vote against more taxes and against increased federal spending."

Gilbreath said he supports a strong national defense and faster implementation of the Strategic Defense Initiative; expressed support for bringing more jobs to Texas

through the Homeport and the Supercollider project; and is a strong advocate of government which protects important family values in our society.

Having grown up on a family farm, he says he will work to help increase farm exports by promoting Texas products. He believes in less government interference on family farms, and more agricultural diversification. He also favors decreasing the regulatory burdens on small business, and pledges to work for less regulation of the energy industry.

A native of Gatesville, he is a veteran of the US Army. He has had success in a variety of businesses: real estate, construction, restoration, oil, heavy equipment and ranching.

## TSTI sets registration

Texas State Technical Institute will offer returning student registration from 8:30 a.m. to 7 p.m. on March 2 in the Resource Center.

Programs accepting students include transport refrigeration, mechanical electrical, feedmill and elevator, computer science, computer electronics, and boot and shoe operations.

Additional programs are saddle and tack making, professional truck operations, drafting and design, commercial art in advertising, aviation maintenance, auto body repair, technical office training, meat processing and marketing, machining technologies, laser electro-optics, industrial instrumentation, diesel mechanics, cosmetology, interior design, automotive, and welding and fabrication.

For additional information, contact the office of admissions at (806)335-2316 ext. 269 or in Texas call toll-free 1-800-227-TSTI (8784).

## WTSU invites area high school students

High school juniors and seniors are invited to preview West Texas State University March 4-5. A \$5 fee will take care of all activities, board and lodging for the special event.

Participants who arrive Friday can spend the night in a campus dormitory and visit with dorm staff. Non-academic aspects of campus life may be sampled, including a

beach party/dinner, movies, a dance, or attending the All University Sing, featuring competition between campus organizations.

Saturday programs, which will end with a luncheon, will acquaint students with the campus layout, campus life, admissions procedures, special programs for incoming freshmen, financial aid options and academic departments.

**RESERVE GRAND CHAMPION BARROW** — Mandy Davis' 223 lb. lightweight Cross won reserve grand champion honors and a guaranteed bid of \$5 a pound from Dwight Gleghorn of K Bob's Steak House.

# National Beef Cook-Off adds microwave category

The increasing popularity of the microwave oven in US households has prompted officials at the National Beef Cook-Off to add a new microwave cooking category for this year's event, which will be held September 22 in Jackson, Miss.

The new microwave category, a bow to contestants who prefer preparing beef dishes in a microwave oven, brings the total number of Beef Cook-Off categories to three — the microwave category, the Cook-Off's traditional indoor category and last year's new addition, the barbecue category. Potential contestants may enter any category as often as they wish.

There are other changes for this year's National Beef Cook-Off, as

well. Most significant, perhaps, is a dramatic increase in prize money and other awards. The winning recipe in each of the above categories will be awarded \$5,000. In addition to the cash prize, the winner of the microwave category will receive a Tappan microwave oven; the winner of the indoor category will receive a Tappan gas range; and the winner of the barbecue category will receive a barbecue grill and a one year's supply of Kingsford Charcoal.

From these three winning recipes, a grand prize winner for the entire National Beef Cook-Off will be chosen and accorded the title "Best of Beef." The grand prize carries an additional cash award of \$10,000, which makes the Cook-Off's top

prize worth over \$15,000. Cash prizes will also be awarded to second- and third-place in the indoor category (\$3,000 and \$2,000, respectively); and to the Cook-Off's best "Under 300 Calorie/Serving" and "Most Convenient" recipes (\$1,000 each).

Recipes in all three categories will be judged by a panel of independent food industry professionals who will use the following point system; taste, 40 points; ease of preparation and practicality, 30 points; originality, 20 points and appearance, 10 points.

To become a finalist in either the microwave or barbecue categories of the National Beef Cook-Off must first win one of seven geographic US

regions. All Texas entries in either of these two categories must be postmarked no later than April 1 and sent to: National Beef Cook-Off, 444 North Michigan Avenue, Chicago, IL 60611.

Contestants wishing to become finalists in the National Beef Cook-Off's traditional indoor category must first win the Texas Beef Cook-Off which will be held April 18-19 in Austin. Entries should be mailed to Mrs. Albert Miller, chairman, Texas Beef Cook-Off, P. O. Box 67, Valentine, 79854 and postmarked April 1.

There is no limit on the number of times a potential contestant may enter the contest and no entry form is required. Recipes should be typed,

contain a minimum of one pound of beef, and not more than five pounds. The meat included in the recipe must be exclusively beef and preparation and cooking time cannot exceed four hours. All cuts of beef are now acceptable.

Include name, address, phone number, and a brief statement about the origin of the recipe.

Also state the number of servings and the approximate preparation time required. The recipe must be specific, with no use of brand names.

Contestants must be 18-years-old or older, with non-professional food status. Anyone who has owned one or more head of beef or dairy cattle (or lives in a household where any person

has owned cattle in the past year) is ineligible.

Five contestants will be chosen to participate in the state cook-off and will receive expense-paid trips to the national event in Jackson, Miss. with an opportunity to win up to \$15,000.

The Texas Beef Cook-Off is sponsored by Texas CattleWomen, a non-profit organization dedicated to the promotion of beef. The National Beef Cook-Off is sponsored by the American National CattleWomen in cooperation with the Beef Industry Council of the Meat Board.

At this time we are living in a world full of tension. Fears of nuclear war are with us every day. In times past, men have made one of two choices... to rely on their own abilities... or to do what they can and place their lives in the hands of the Lord. The Bible tells us how men fared with the choices that they made. The strength of God is sufficient for all our needs, and men who humbled themselves and trusted in God always fared better. Let us judge our future by the past and rely on God for our needs.

ATTEND CHURCH

© Coleman Adv.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## SPS reaches rate decrease agreement

Southwestern Public Service Company (SPS) and a committee representing the cities SPS serves in Texas announced Monday they have agreed to a \$14.4 million, or 3.1%, overall reduction in electric rates for SPS's residential, commercial, industrial and other retail customers. Of that amount, \$10.9 million is applicable to customers within the city limits of the communities SPS serves in Texas. The remainder would apply to rural areas when approved by the Public Utility Commission of Texas (PUCT).

The decrease reflects lower SPS costs of providing service, princi-

pally through savings made possible by federal tax reform, said Sam Hunter, SPS vice president of rates and economic research. Effective with SPS's current fiscal year, federal tax reform decreased the Company's federal income taxes.

SPS announced in October it intended to request a rate reduction. A committee representing the cities was organized to examine the proposed lower rates. Chairman of the committee is Merrill E. Nunn, Amarillo city attorney.

SPS is filing the request with 74 cities it serves in Texas. If approved by the cities, the decrease is expected to go into effect March

28. A monthly bill for a residential customer using 1,000 kilowatt-hours would drop \$3, from \$73.51 to \$70.51. In Texas, cities have original jurisdiction over rates within their city limits.

The PUCT regulates rates in rural areas, and SPS will request the commission approve an identical reduction for SPS's rural customers. SPS expects these rates to be approved within the next few months, Hunter said. The staff of the PUCT has been reviewing the effects of federal tax reform on electric and telephone utilities throughout the state to ensure tax savings are recognized in rates.

## SCS announces top posters, essays

Winners in the junior high division of the essay contest were Waggoner, first; Spring, second; Johnny Rutkowski, third; and Sherri Hunter and Robert Langford, honorable mention.

## AHA gives Heart Month warnings

The American Heart Association estimates that as many as 1.5 million Americans will have heart attacks this year. About half a million will die before they ever get to a hospital.

You are most likely to have a heart attack if you exhibit one or more of the following risk factors: high blood pressure, cigarette smoking, high levels of cholesterol in the blood, diabetes, and a family history of heart disease. Lack of exercise, overweight, and a stressful lifestyle may also contribute to the chances of having a heart attack. Age, race and gender are also risk factors, but they can't be changed. Three of every four heart attack deaths occur after age 65.

Certain changes in lifestyle can help reduce the incidence of the number one killer in the US.

1. Elimination of cigarette smoking.

2. A combination of improved diet and exercise. It would be advisable to consult your physician before undertaking a serious exercise program. Get regular check-ups, especially if your family history includes significant medical problems.

3. Control of high blood pressure in consultation with your physician.

Warning signals of a heart attack include:

—Uncomfortable pressure, fullness, squeezing or pain in the cen-

ter of the chest, lasting two minutes or more.

—Chest pain that spreads to the shoulders, neck or arms.

—Severe pain, dizziness, fainting, sweating, nausea, or shortness of breath.

If you are suffering from any of these signs, see your physician or go to the nearest emergency room. This could mean the difference between life and death.

## SCS urges farmers to submit conservation plan

Farmers with highly erodible cropland have less than two years to begin meeting the conservation requirements of the 1985 Farm Bill to remain eligible for USDA benefits.

Gary Hunter, District Conservationist for the USDA Soil Conservation Service at Dimmitt, said

these provisions require farmers who have highly erodible cropland to have a conservation plan approved by their local soil and water conservation district by 1990.

The sooner farmers ask SCS to help them develop a conservation plan, the greater the chance we will have to get to everyone by the deadline, Hunter stressed.

"The plan must be prepared by Jan. 1, 1990, if they want to remain eligible for farm program benefits, loans, or guarantees on all their land," Hunter said.

"We estimate that about 300 new conservation plans need to be prepared for local farmers by our staff by 1990. Our goal is to get at least 150 written by the end of this year.

"Then we will try to schedule the remaining plans during 1989."

Hunter said the planning workload will be difficult for local SCS staff, especially if farmers wait until the end of 1989 to begin developing their plans.

Another option is to enroll highly erodible land into the Conservation Reserve Program. Under CRP, farmers receive annual rental payments for putting such cropland in grass or trees.

"If people who grow commodity crops on highly erodible cropland do not want a conservation plan and want to give up USDA benefits, that's their business," Hunter said. "But we intend to do our best to help farmers who want to keep those benefits."

## 'Magnum' tractors are here

The new line of Case IH Magnum tractors introduced to dealers last August in Denver can now be viewed at Hays Implement Co. in Dimmitt.

"We've just received our first shipment of Magnum tractors," David Hays reported, "and we hope any tractor customer comes in to take a look before they make a purchase decision."

The Magnum two-wheel-drive tractor line was developed through the innovative design, testing and manufacturing processes implemented by Case IH. Of the tractors' 3,000 parts, more than 2,800 are new. Designated as the 7100 Series, the Magnum line consists of four models in the 130 to 195 PTO horsepower range.

"The performance and styling of these tractors can only be achieved through the most modern technology," Hays said. "The result is a tractor that significantly enhances a farmer's efficiency and productivity."

The Magnum line features the industry's only 18-speed full powershift transmission, a new turbocharged engine, optional mechanical front drive engaged by a simple on-the-go switch, totally electronic hitch control, a new cab that offers unparalleled visibility and an advanced instrumentation system.

**BOTH CARS TOTALED**—State Trooper John Piper investigates the scene of a two-car accident Tuesday afternoon on FM 1524, three miles west of US 385. In foreground is a 1978 Chevrolet Monte Carlo which was driven by Valentine Caballero, 26, of Dimmitt. In background is a 1978 Volkswagen Rabbit which was driven by Paul

Axtell, 14, of Dimmitt. Piper said Caballero was eastbound on FM 1524 and Axtell was crossing the pavement while driving south on a dirt road when the two vehicles collided broadside. Neither driver was seriously injured, although both cars were demolished.

## Two cars demolished

Two cars were demolished in a broadside crash Monday afternoon on FM 1524, eight miles south and three west of Dimmitt.

However, neither driver was believed to be seriously hurt, officers said.

Paul Axtell, 14, of Dimmitt, reportedly was driving south on a dirt road in a 1978 Volkswagen Rabbit when he attempted to cross FM 1524 and drove into the path of a 1978 Chevrolet Monte Carlo driven by Valentine Caballero, 26, also of Dimmitt. Caballero's car was eastbound.

The accident occurred about 5 p.m.

State Troopers John Piper and Nick Hand said that Caballero's car smashed into the passenger-side door of Axtell's Volkswagen.

"I just had time to hit my brake once," Caballero said. "All of a sudden this blue car was in front of me and we hit, then the other car started rolling. It all happened very suddenly."

Axtell's car came to rest on its side about 50 feet south of the pavement after rolling several times. Caballero's Monte Carlo also came to rest off the south side of the pavement after the impact.

After unbuckling his seatbelt, Ca-

ballero said, he ran to the other car and pulled Axtell out and away from the vehicle, then signaled an oncoming motorist for help.

The Highway Patrol was notified at 5:11 p.m., Piper said.

Fire trucks, an emergency vehicle and an ambulance from Dimmitt were summoned to the accident scene.

Axtell was taken by ambulance to Plains Memorial Hospital, where he was treated for cuts and bruises, and released. Caballero, who said he wasn't hurt, stayed at the scene after the accident to assist investigating officers.

## TCGA talks Ethanol . . .

(Continued from Page 1)

trying to get a 50/92 program option for those farmers who planted with that in mind.

Boulter also said that he is a co-sponsor for the bill to repeal the 15.1 cent per gallon tax on diesel for off-highway users set to go into effect April 1.

"I just don't support new taxes in any form, until we reform the way we spend the taxpayers money," Boulter said.

Boulter also addressed the trade bill, saying that he did not support the house version of the trade bill because it would have hit hard at the American farmer.

Boulter expressed his concern over the Gephardt amendment in the house version of the trade bill, saying that it would be devastating to the American farmer.

"The reality of the situation is this," Boulter said, "our country does need a trade bill, and I'm going to be taking a very close look at the trade bill that comes out of the congress."

"I hope it will be one that I can support," he added, "but, if it's too protectionist, I'm not going to support it."

Boulter expressed his disappointment that his FAIR bill (Foreign Agricultural Investment Reform) would not be in the trade bill.

The FAIR bill basically says, Boulter explained, that the United States is going to quit taking taxpayers money and laundering it through the world bank, the international monetary fund and other multi-lateral agencies and sending that money to third-world and other foreign countries for the purpose of subsidizing their agricultural production. Production which is already in surplus on the world market and which competes with the American farmers, Boulter said.

Boulter said the FAIR bill will be compromised to say that farm organizations will at least be consulted on any loan that the Federal Government makes to any other country through any multi-lateral lending agency.

John Ford, a consultant with Ford Communications, told the members of the TCGA that, despite the rosy picture painted by the US Dept. of Agriculture in this election year, there are still big problems in agriculture.

Ford said that the priority facing the 1988 administration is not the low quality of US farmer-produced grain, as suggested by the Secretary of Agriculture.

The problem is not with the quality of the grain that the farmer delivers to the elevator, Ford said. The problem, he explained, is the quality of grain that is shipped under the US flag to recipients around the world.

Ford asserted that the Federal Grain Inspection Service (FGIS) is controlled for the profit of the people who market grain rather than those who produce it.

Ford said the time has come to establish priorities for the producers, rather than the marketers and buyers. He said the producers slice of the economic pie had been too thin for too long.

Ford said that it is up to the producers to change the agenda of agriculture in Washington today by electing officials in 1988 who understand their problems. Then, he said, those officials can get down to serious work next year to get a new farm program that reflects the realities of the farming men and women in this country.

Ford, along with several other speakers at the annual meeting, expressed his disappointment with the National Corn Growers Association and its consistent stand against the expansion of ethanol production in this country.

Ford said a major obstacle to ethanol expansion lies with the major multi-national grain marketing entities such as Cargill and ADM who have vested interests in keeping a lid on ethanol production.

It is up to the producers to take back economic control of production capacity from these multi-national corporations, Ford said.

He said that the fight at hand is for \$45 - 50 billion, the current net farm income in this country, and will require a unified effort.

The new American Corn Growers Association (ACGA) will take the TCGA's concerns to the national level, Ford said.

ACGA will promote ethanol and ethanol by-products, strive for new markets for corn, both foreign and domestic, and work aggressively with congress to achieve a supply management program to get a price back for corn, and to encourage other commodity groups to follow their example, he said.

Ford saw the ACGA as the opportunity to make some real strides in Washington on behalf of producers

"We're not asking for protectionism in this country," Deputy Commissioner of Agriculture Mike Moeller told TCGA members Tuesday. "We're asking for a level playing field."

Moeller said that free trade in agriculture is a myth, and that the only way to get a level playing field for agriculture is to recognize what other countries are doing in agriculture.

He cited Japan as an example of a country that has a greater interest in protecting its country's food supply than we do here. Japan's attitude of "food security" is one fos-

tered in starvation, Moeller said, and needs to be heeded.

Moeller said there was a month in 1986 when we actually imported more food into this country than we exported.

"We can grow basically everything we need in this country to feed ourselves," Moeller said. "There's no sense in us importing more food than what we export from this country."

Moeller said that we need to listen to the farmers and ranchers of this country and cited the need for a rational system of supply management that puts farm prices to the producer back at a level where the producer can make a profit.

Moeller also expressed the need for more political activity on the part of producers.

He said that the farm crisis has fostered cohesiveness in the agricultural community, and that cohesiveness needs to continue in order to accomplish things in agriculture, he added.

He suggested rural voter registration campaigns. He also strongly urged those present to find out the attitudes of candidates in this election year toward agricultural programs, and to vote on the basis of those attitudes.

The 350 people who gathered at the annual meeting throughout the day also heard:

\*Reports from Carl King, TCGA president, Weldon Davis, TCPB chairman, and others on the progress made by TCGA and TCPB last year in the research of new markets for corn, entomology studies, the promotion of a corn grit mill, the fight for Azodrin use, and efforts to get cheaper natural gas.

\*A detailed account by Texas A&M Extension Entomologist Dr. Pat Morrison of the fight for a Section 3 permanent label for the use of Azodrin on corn.

\*The introduction of a new product by NWTF President Lois Wales who told those attending about a high-protein, high-fiber flour called Cerelife which is a by-product of ethanol production. Members of the WIFE organization served breads, muffins and granola made with the flour.

\*Reports on three pesticide studies conducted by area entomologists, Allen Knutson, Bob Glott and Olan Moore, to achieve control of Banks grass mites, twospotted mites, and earworms in corn.

\*A report from Delbert Devin of the Parmer, Swisher, Castro Nuclear Repository Assessment Commission on the successful fight to keep a high-level nuclear waste repository out of the Panhandle.

Panhandle Agri Partners, the Dimmitt chapter of WIFE, served a barbecue lunch and acted as hostesses throughout the meeting.
