PLANS MADE FOR NEW PRESBYTERIAN CHURCH HERE

According to C. C. Mitchell, chairman of the building committee for the Presbyterian Church, plans have been completed and submitted to contractors for bids. The new church is to be built on the corner lot just south of the residence of Rev. J. W. Byrd, pastor. The building, as planned, will contain a sanctuary, eight class rooms, a pastor's study, recreation hall and kitchen. The construction will be of hollow tile and will house modern heating and cooling systems installed in the belfry. All construction plans and accessories to the building are to be the most up-to-date available, Mitchell said.

SENIOR PLAY PRESENTED TO FULL HOUSE

A modern three-act play of Bert Harie's story "Miss My Western Miss" was the play presented by the Senior Class Friday evening to a large audience in the high school auditorium. The setting of the play was the little mining town, Smith's Pocket, high in the Sierras, with the Roarin' Dog Hotel as the scene of action.

Beverly Thorn's very natural portrayal of Miss My was the outstanding character role of the play. Jimmie Harris, playing the part of Yuba Bill, slow-moving and talking Westerner, was also original and good in his role as was Bobby Cooke, playing Carter Langdon, a polished, suave handsome man of the East. Other members of the supporting cast were JoAnn Lemons, Frank and Jack Harrell, Janie Turner, Liz Phillips, Walter Paul and Ernestine Jessup.

The play was directed by Mrs. W. H. Savage assisted by Mrs. Gene Thorn.

Between acts, Gloria Olivares and Isabel Flores sang "Far-Away Places" with Miss Myrtle Harrell providing the piano accompaniment and Cecelia Marquez danced "La Jota". The Junior mothers served sandwiches, pie and coffee in the banquet room following the play.

DRYDEN NEWS—

By James Clark

Marion Powers, son of Mr. and Mrs. J. H. Powers, was taken to San Angelo for medical treatment. His condition is reported unchanged.

Mrs. Jack Geers returned to San Angelo with her husband who is stationed at Goodfellow Field. She will spend several days there.

Mrs. Oscar Bendele was in town last week on business.

Mrs. Coleman Babb, Sr., left for her home in Marathon Monday after visiting in the home of her brother, Buck Davis.

Lee Warring Russell was in town Wednesday on business.

Mrs. Emmitt Young returned home Wednesday from Rock-springs where she had visited the past week in the home of her sister, Mrs. J. D. Harris, since the death of Mr. Harris. Her sister, Ms. A. A. McDougal of Dalhart returned with her.

Saturday will mark the closing service for the week's evangelistic services led by Rev. A. B. Armstrong of Tye, Texas. Services have been held each evening this week at seven-thirty with large crowds in attendance.

MISS MARY FERGUSON IS HOSPITAL TECHNICIAN

Miss Mary Ferguson has accepted a transfer to the Surgical Research Unit of Brooke Army Medical Center, Fort Sam Houston, Texas. She is the chief technician of the pathology and tissue growth and culture sections.

Rev. A. B. Armstrong To Open Revival At Methodist Church

The week's revival services at Dryden, under the leadership of Rev. A. B. Armstrong of Tye, Texas, will close Saturday night.

Sunday morning at eleven o'clock, Rev. Armstrong will begin a series of services at the local Methodist Church. The service originally planned for Sunday night at Dryden will be at the Sanderson Methodist Church at seven-thirty.

Rev. Armstrong will conduct services each morning at ten o'clock and each evening at seven-thirty.

Everyone in the community is cordially invited to attend the services.

LADIES ON PROGRAM AT ROTARY LUNCHEON

At the regular meeting of the Rotary Club Wednesday at the Kerr Hotel, Mrs. A. W. Pope gave a very interesting discussion of the industries and natural resources of Texas. Mrs. H. E. Ezelle and Mrs. L. S. Arledge with Mrs. R. S. Wilkinson accompanying.

Fifteen members were present.

PERSONALS

Mrs. J. W. Espy of Fort Davis joined her daughter, Mrs. J. T. Williams, here Sunday for a trip to San Antonio for the Williams children to have a medical examination. They returned Tuesday.

Miss Louise Klemer was a business visitor in Pecos Monday.

Mr. and Mrs. S. L. Stumberg have returned from a trip to San Angelo and San Antonio.

Delna and Jeannie Blackburn of Del Rio, daughters of Mr. and Mrs. Bob Phillips, spent the week end with their grandparents, Mr. and Mrs. Bob Phillips, Sr.

Mr. and Mrs. Sam Roberts of Sterling City have returned to their home after a visit in the homes of her brother, W. H. Nesmith, and his sister, Mrs. J. W. Carruthers, Jr.

Lt. and Mrs. Ray DeBusk and son, Tink, of San Antonio are visiting with her mother, Mrs. O. F. Cresswell and Mr. Cresswell. Lt. DeBusk has recently returned from Germany where he has been serving with the "airlift", frequently making three trips daily with the cargo plane.

Mrs. H. C. Goldwire and son, W. H. Goldwire, left Wednesday for Big Lake and from there Mrs. Goldwire will go to Spur, Texas, to visit her son, Henry Goldwire, and family. She expects to be gone for two weeks.

Mr. and Mrs. H. G. Holt returned home Sunday from Brownwood where they had visited with his father, C. F. Holt, and her brother, R. L. Slade, at Kerrville.

I. E. Rusk has returned from Jacksonville where he visited his mother several days last week. He left her much improved. Mrs. Rusk and David will visit relatives for several days.

Dave Cunningham was able to return to his home at Pump-ville Wednesday after spending several days here on account of illness. Mrs. Cunningham was here with him.

M. D. Kelly went to Houston Sunday for a check-up and returned home the last of the week.

SANDERSON YOUTHS ESCAPE SERIOUS INJURY IN WRECK

Two Sanderson youths were painfully, though not seriously, injured last Sunday afternoon when the car in which they were riding overturned about three miles east of town on Highway 90.

Buddy May and Bobby Cooke were the injured boys. They were attempting to pass another car, according to their statements, when the May car struck a small rock just off the pavement, and the May boy lost control of the vehicle.

Marks on the pavement indicated that the car overturned several times before coming to a stop. Young Cooke was thrown from the car and suffered shock and bruises, but May remained in the overturning car and received cuts and bruises. No bones were broken and the two boys were dismissed from the doctor's offices after receiving emergency treatment.

The car was reported to be practically demolished.

MASS CHEST X-RAY SURVEY APRIL 7, 8, 9

A mass chest X-ray survey for Terrell County will be held in Sanderson Thursday, Friday and Saturday, April 7, 8 and 9. The building next door east of the Community Public Service Company will be used and office hours will be from 8 a. m. to 6 p. m. each of the three days.

The health department of the Sanderson P-TA under the leadership of Mrs. E. J. Hanson is sponsoring the survey.

The bringing of this opportunity to residents of Terrell County is the culmination of long and sustained efforts on the part of the school health program and of individuals who have long felt the need of such a survey in every community. Last year a mobile X-ray unit was brought to Sanderson but frequent tests must be made and follow-up treatment and examinations be insisted upon if the disease is to be eliminated from our state.

The X-rays will be made free of charge and all persons from fifteen years of age up are requested to avail themselves of this opportunity to have the X-rays made.

Graveside Services For Mrs. Claudia Cox Friday Afternoon

Graveside services were held at six o'clock Friday afternoon at Cedar Grove Cemetery here for Mrs. Claudia Cox who died at a Sabinol Rest Home Thursday morning after a brief illness. Her children who had been summoned to her bedside were there when death came. The body arrived from Sabinol on the midnight train Thursday and was taken in charge by O. T. Sudduth and Co.

Rev. R. A. English, pastor of the Methodist Church, was in charge of the services.

Mrs. Cox was born in Lone Oak, Hunt County, Texas, November 29, 1873, the daughter of Mr. and Mrs. Lucian Vanderson. While teaching school in Throckmorton County, she was married in 1896 to the late C. F. Cox Sr. The couple came to West Texas in 1901 buying fifty sections of land near Longfellow. She continued to reside there with her children after the death of Mr. Cox in 1937 until about a year ago.

She was actively identified with the religious, social and cultural life of this section for many years. She had been a member of the Methodist Church since early childhood.

Survivors include two daughters, Mrs. Mary Cox of Sanderson, Mrs. Harry A. Davis of Alpine and a son, C. F. Cox, Jr., of Alpine also eleven grandchildren and two sisters, Mrs. John Lockhart of Oklahoma and Mrs. J. C. Milam of Kilgore.

Mrs. Clyde Higgins left Tuesday for Ruidosa, N. M.

EQUIPMENT TO BE MOVED TO FIRE HOUSE NEXT WEEK

The two fire trucks and equipment of the Sanderson Volunteer Fire Department will be moved to the new fire house next week after the completion of the building today. It was necessary to wait for the concrete floors to set before moving the heavy trucks in.

The new building is 24 by 36, hollow tile, plastered inside and out with the outside painted white. A sheet rock ceiling with insulation above will help facilitate the heating of the building in the cold winter weather, which in previous years forced the moving of the trucks to local garages where freezing could be prevented. There are two overhead doors on the front of the building, a door in the back for easy access to the walk and drying rack that was put in on the south side of the building. The walk is 50 feet long and 5 feet wide and built so as to make hose cleaning and drying easier for the firemen.

Donations to the fire department this year have come in comparatively slow in relation to previous years, but some of the interested citizens and businesses have contributed very liberally to bring the total up above \$1300 to date. There have been two \$100 donations. The building committee is asking all who have possibly overlooked the firemen's appeal for funds to please make their contribution as soon as possible.

PLUNKETT'S SHOW COMING APRIL 4

Plunkett's Variety Show, with ten members of the family to give the show company its name, will set up in Sanderson Monday for a three-day stand.

A new flame-proof tent will house the show to be sponsored by the Sanderson Fire Department.

The Plunkett family has operated a stage show on the road since 1934 in the West. Thirty people are in the company of

entertainers, present a three-act comedy play and ten acts of vaudeville, with a complete change of program each night.

On the vaudeville bill are Miss Jerrie Plunkett, songstress; Kennedy Swaim and Goofy Gibbs, described as two of the funniest men in the stage show business; Cleo and Flo, dancing team; Captain Plunkett and four trained animal acts; the educated chimpanzee, and the famous Plunkett troupe on the sounding trampoline.

Miss Billie Plunkett and Miss Ricky Miget are the aerialists and contortionists.

The new U. V. black light (Strobolite) is presented on the vaudeville acts each night.

School children are invited to see the exhibition of seals at the show any time during the day. There will be no admission charge for this.

This year the Plunketts present the Dick Darling productions of vaudeville acts in conjunction with beautiful wardrobe and lighting effects produced by the Strobolite Company.

MRS. MARY T. WILSON TAKING MUSIC COURSES

After spending two days here, Mrs. Mary T. Wilson, local music teacher, returned Sunday to San Antonio where she is taking special music courses and lectures under Dr. Harold Bauer at the Trinity University. She will return to Sanderson the last of the week.

NEW MANAGER AND NAME FOR O. T. SUDDUTH CO.

George W. Reynolds of Baltimore, pictured above, assumed his duties today as manager of O. T. Sudduth, Inc.

Reynolds has been the manager of Foxworth-Galbraith Lumber Company in that city for the past four years. His wife and four children will join him here after the close of school.

The name of the business has become O. T. Sudduth, Inc., after Mr. Sudduth bought the interests of his two partners, M. C. Dye, and Claude E. Harkins.

Mr. Dye with his wife and little son moved to San Antonio several months ago and he has his former employment with the SP railroad.

Mr. Harkins with his wife and little son are moving to Sheffield where he has leased and assumed the management of a service station there.

HIGH SCHOOL LISTS HONOR ROLL

The honor roll for the high school students and pupils of the eighth grade for the first six weeks of the current semester was released this week by M. B. England, principal.

Those on the high school A honor roll include Margaret Meyer and Barbara Clark; on the B honor roll are Arturo Gutierrez, Ernestine Jessup, JoAnn Lemons, Cecelia Marquez, Gloria Olivares, Barbara Anderson, Betty Cooke, Nancy Peavy, Jimmy Harrison, Barbara Rose.

The eighth grade lists David Martinez and Claretta Davis on the A honor roll and Douglas Attaway, Mary Lou Cargile, James Clark, Marilyn Courtney, Humberto Arredondo, Raul Flores, Nieves Lopez, Eleno Marquez, Margarita Olivares, Romona Pena, Jack Savage, Amelia Silvas, Joe Vasquez, Billy Jack Jenkins and Andrea Flores on the B honor roll.

Rush To Buy New Car Tags This Week

The local tax assessor and collector's office has had a rush of business this week with midnight Thursday as the deadline for the purchase of 1949 licenses for all motor vehicles. The new gold and black tags must be on all motor vehicles today (Friday) if penalties are to be avoided.

Licenses on only about 100 passenger cars remained to be paid Thursday with 450 registered up to that time. W. D. O'Bryant, deputy tax collector, reported a rush of business all week with many persons waiting until this week to register their cars.

JIMMY CLYDE CARTER IN COAST GUARD

Mr. and Mrs. Leslie Carter received word last week that their son, Jimmy Clyde, had been accepted in the Coast Guard and is now stationed at Camp May, New Jersey.

DAUGHTER BORN TO MR. AND MRS. PEDRO VENEGAS

A daughter, Maria, was born to Mr. and Mrs. Pedro Venegas, Friday, March 25. She weighed 8 pounds.

The couple has two other children.

R. L. Roberts of Del Rio was a visitor here Wednesday.

DOUBLE BARGAIN OFFERED TO COUNTY VOTERS SATURDAY

Voters of Terrell County will be given an opportunity to cast two ballots Saturday, April 2.

In a county-wide election tax payers will have a say on the proposition of whether the county shall require registration and tax on dogs. This proposition came about after a committee of tax payers presented the Commissioners' Court with a petition calling for an election on the dog question. Because of the element of stray dogs becoming a menace to the ranchmen, especially at lambing time, the petition asks the election in order that household pets may be taxed and registered and the strays would thus be open to extermination.

At the same time Terrell County School District voters will be called upon to select a member of the school board. The vacancy occurring is caused by the expiration of the term of Tom Arrington, who refused to become a candidate for re-election. The name of J. A. Mullins, Jr., was authorized to be printed on the ballot.

It is thought that a large vote will be cast because of the interest in both questions.

Vaccination For Smallpox Urged By State Health Head

AUSTIN, March 31—With the appearance of an unusual number of smallpox cases during the past week, Dr. George W. Cox, State Health Officer, has issued a warning that this dangerous disfiguring and often fatal disease can once again become a widespread health problem unless vaccination is used to protect the public against it.

Four cases of smallpox were reported from one county, and while that number may not seem great, it is nevertheless the same total as was reported for the whole state during the entire year of 1948.

"Smallpox vaccination, which affords complete immunity from this disease, is a painless, inexpensive procedure, which should be used to protect every individual in the state," Dr. Cox said. "When we grow lax about our vaccination and allow susceptible persons to be exposed to smallpox, it follows that the disease will spread throughout the unvaccinated population, bringing serious illness and possible deaths."

Dr. Cox urged all parents to see that their children have been properly vaccinated, and if there is doubt about the immunity still being in effect, they should be given another vaccination. If they are immune, the vaccination will not "take", but if it does take, then the immunity was low and the vaccination was needed for their protection. The same thing applies to the adults, according to Dr. Cox, and they are urged to check and be sure that their own immunity is established, as well as that of the children.

JO NELL SCHULZ INJURED IN ACCIDENT

Jo Nell Schulz, eight-year-old daughter of Mr. and Mrs. Arthur Schulz of Longfellow, suffered slight bruises Monday afternoon when she ran into the car driven by Mrs. H. A. Finger.

Mrs. Finger was driving west on Highway 90 when the child suddenly started to run across the street in front of Cooke's Market. She fell to the pavement after hitting the front of the car, according to witnesses.

Examination by a local physician revealed only bruises.

CEMETERY ASSOCIATION TO ELECT OFFICERS APRIL 4

Ervin Grigsby, president of the cemetery association has announced a meeting of the association for Monday, April 4, in the county court room.

All members are urged to attend as new officers will be elected.

New Biological Experiment Makes Possible Registered Cattle From Scrub Animal Herds

Results of a dramatic and revolutionary biological experiment, an ova transplantation project designed to enable ordinary scrub cattle to give birth to registered, high quality animals, were disclosed today by Dr. Harold Vagtberg, Director of the Foundation of Applied Research and President of the affiliated Southwest Research Institute.

In making public results of the experiment to date, Dr. Vagtberg simultaneously announced a national conference on ova transplantation to be held at the Foundation on April 14, at which all phases of work in egg transfer and superovulation techniques will be discussed by biologists, embryologists and geneticists interested in this comparatively new field.

The foundations project, under the direction of Raymond Umbaugh, research associate in biology for the non-profit scientific organization, covered a period of seven years and involved the use of more than 750 head of cattle, Dr. Vagtberg said. As

its present stage, the experiment has yielded pregnancies — although not yet brought calves — in scrub stock host cows through transfer of fertilized eggs from donor cows into the animals' reproductive tracts.

Implications of the effect of the egg transfer method developed by Umbaugh were almost beyond imagination, Vagtberg said.

"By this means, it would be possible to convert all cattle herds into registered stock of the finest quality in a single generation. Since high quality animals eat very little more, if any, than scrub animals, there would be no need for people who own cattle to have anything less than the finest types.

"It is entirely possible, also that the same process could be applied to horses, goats, sheep and hogs, if such proves feasible. We have recently inaugurated a genuine ova transfer program that appears promising in its early stage.

"The world food factor," the foundation director continued, "brings this egg transfer development into sharp focus. Enormously greater production of all types of beef cattle should be possible. Increased volume of high grade milk is another consideration. The average butter fat production of each cow in

the United States is roughly 100 pounds a year. With ova transplantation producing high quality cattle in greater volume, this could be increased substantially in the direction of the 450 pounds of butter fat now obtained from fine dairy cattle.

In conclusion, Dr. Vagtberg stated that the ova transplantation techniques in no way injured the animals involved, or impaired their health or quality in any manner. He added that in his opinion, the perfection of these techniques would provide a valuable new tool for the task of satisfying world food needs.

PROFITS TO BE LESS IN 1949, REPORT SAYS

The Wall Street Journal has published what it terms "American industry's report card." It is a comparison of 1948 earnings of 376 leading industrial concerns, in two dozen industries, with the earnings made in 1947. It makes very interesting reading for those who are concerned with the economic state of the nation.

The most obvious fact is that 1948 produced record dollar profits, running well over five-billion for the 376 companies. But, as any economist will tell you, dollar totals alone don't tell the whole story by a long shot. Other factors, tangible and intangible, enter the picture.

First of all, there were tremendous differences in the profit experience of various big-industries last year. The oil companies did the best, about 56 per cent gain for 18 companies listed in the report card. On the other hand 5 principal moving picture producers had a stunning 64 per cent drop in earnings. The public utilities, whose rates are fixed by regulatory commissions, showed almost no change.

Furthermore, some industries with very high dollar earnings still had difficult financial problems to deal with. Oil was one. An extraordinarily high demand forced the most rapid expansion possible. Emergency measures, often costly, were employed to get products to consumers. New construction carried a price tag two to three times as great as

before the war. Consequently, the larger part of the earnings had to go back into the plant and labor rather than to stockholders.

The depreciation problem also takes some of the brightness away for future replacement. However, replacement costs are now so high that the funds thus accumulated aren't adequate for the job. So more profits must be applied to that.

The question everyone is now asking is whether the rate of earnings will continue. The Journal says that "most corporate officials expect a good year, but you have to search long to find one who thinks profits will measure up to the 1948 reports." In the view of the Texas Com-

pany, a major oil concern. "A greater volume of sales will not be sufficient to offset price declines and continued high operating costs." In industry after industry tougher competition, plus, in some cases, a decline in consumer eagerness to buy, points to a slackening of the boom. This is indicated in dividends to stockholders. More and more firms, following a cautious policy, have recently been cutting them.

Mrs. M. C. Dye and son, Clifford, of San Antonio, are visiting in the home of her sister, Mrs. O. T. Sudduth.

Office Supplies at the Times

Farm To Market Roads Bill Gets Legislative Okay

The 51st legislature finished the farm to market paved road bill by allowing the country people of Texas between 1,800 to 2,000 miles of good roads.

It is not known at present what apportionment of the sum of money will be allocated to Terrell County. It is hoped that the passage of the bill will aid in the building of some much needed paving in the county.

The passing of the bill was completed Monday of this week.

Tommy Finger of Hondo is a guest in the home of his brother, H. A. Finger.

Give it Room- it's ROADMASTER! WHEN this sight greets you in your rear-view mirror—mistake, better give over! Overtaking you is just about the ablest performer on the road today—and wise drivers long ago learned the only thing to do with ROADMASTER is give it road room and a salute as it passes. Reason is—ROADMASTER is something excitingly new in fine cars. Big, yes—stretches a gorgeous eighteen feet, with all that such size means in comfort and inside stretch-out space. But part and parcel of every one of its 4,400-odd pounds is the fastest footwork on the highway. Action is the key of every part, from its 150-hp Fireball power plant to the swift, silken, unbroken surge you get from Dynaflo Drive. As a matter of fact, action's even invited by the price tag. By the pound, by the inch, by any yardstick you want to lay against it, it's the buy of the fine-car field. For proof, just gather a few delivered prices on other cars and bring them around. We'll show you so much more for your dollar you'll waste no time getting an order in. BUICK alone has all these features: Silk-smooth DYNAFLO DRIVE • FULL-VIEW VISION from colored glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRING • Lively FIREBALL STRAIGHT-EIGHT POWER with SILVER-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Cruise-tilt VENTIPORTS • Low-pressure tires on SAFETY-RIDE RIMS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER When better automobiles are built BUICK will build them

LAYETTE SHOWER THURSDAY HONORS MRS. W. DISHMAN
 Miss Wanda Bost and Mesdames L. W. Swift and Jimmie Hatchel entertained with a layette shower at the Community House Thursday evening honoring Mrs. Wilton H. Dishman.
 In the contests, prizes were won by Mrs. E. P. Halley and Mrs. J. N. Kerr, Jr., who in turn presented them to Mrs. Dishman.
 The honoree was seated under a large umbrella decorated in blue and white. The basinette, decorated in the same colors, was filled with gifts which were displayed to the guests.
 Miss Clara Alice Bell presided at the guest register.
 Apple pie a la mode with coffee was served by the hostesses to Mesdames John Scannell, J. N. Kerr, Jr., Raymond Phillips, I. G. Robertson, W. T. Frazier, Houston Stokes, Don Farley, D. L. Duncan, E. P. Halley, W. M. Druse, Pat Harris, Annie Nance, H. W. Halsell, R. J. Dishman, J. F. Gholson, L. H. Gilbreath, P. E. Dishman, Sr., M. B. Stroud, Roy Harrell, Reggie Monroe, Jack Turner, Troy Druse, Carl Cochran, E. E. Harkins, Miss Clara Alice Bell. Plate favors were miniature blue diapers filled with mints.

Local Teachers Attend Beta Iota Meet
 Beta Iota Chapter of Delta Kappa Gamma, national honorary organization for teachers, and the Alpine Classroom Teachers Association held a joint meeting in the parlor of the Methodist Church in Alpine last Saturday evening at 5:30. Mrs. A. W. Pope, Mrs. W. H. Savage and Miss Lucy Rector of Sanderson and Mrs. Herbert Winston of Dryden were among those who attended.
 The program consisted of vocal solos by Miss Virginia Lee Link of the Sul Ross College music faculty and violin selections by Mrs. Graves Bogel, music instructor in the Alpine public schools, with Miss France Newman, head of the music department of the Texas College of Mines, accompanying.
 Mrs. Ralph Gray, president of the Alpine Classroom Teachers Association, introduced Miss Lois Gray of Fort Worth, field director of the Texas State Teachers Association, who spoke on pending legislation concerning education in Texas.

HELP YOURSELF TO WASHDAY LEISURE

SET THE CONTROLS AND I'LL DO THE WORK WHILE YOU'RE GONE

... with an AUTOMATIC ELECTRIC WASHER

Washday drudgery gives way to washday leisure when an automatic washer takes over.

The automatic washer does all—not just part—of the hard work of washing. You just put in soiled clothes and soap, set the controls and the washer does the rest—washes, rinses and damp-dries automatically. You can leave the house if you wish and return at your leisure to take out clean clothes.

Your low-cost electric service makes it possible to operate an automatic washer for just a few cents per washday. Ask for a demonstration today!

with the Servel GAS Refrigerator ... ONLY SERVEL STAYS SILENT, LASTS LONGER

Everywhere, people are saying, "It's the Gas Refrigerator for us!" And no wonder. Servel alone guarantees ten years of silent, worry-free performance.

For only Servel has no moving parts in its freezing system. No machinery to wear, no motor to make a sound. A tiny gas flame does all the work. So it stays silent, lasts longer.

Come in today and see the beautiful new models. They're the modern conveniences you've wanted. This time - choose the refrigerator you know will continue to satisfy.

STAYS SILENT... LASTS LONGER Servel The GAS Refrigerator
