LISTEN TO LUKE

This week begins the announcements of several local candidates for re-election to the offices they now hold and also carries an announcement in opposition to one of the incumbents.

We call this fact to your attention, not necessarily because of the importance of this particular race, but because of the fact that every political race, in our opinion, is important.

And if you don't think so, watch the developments of a political race and ask any of the candidates who may be entered in a contested race.

Personally, we are very glad we have paid our poll taxes, so that we may have the benefit of selecting the candidate of our choice in this instance, as well as others that may develop during the pre-advance date.

We have no intentions of taking partisan views before the public in this race, so don't look for them less something develops in the future.

We do have intentions, however, of taking sides in some of the elections which we think will develop. We have heard rumors of an opponent coming out for a higher office than that which was announced this week, and in such an event, we probably will go sticking our necks out.

We noticed the nice shiny "stop" signs that have been erected at the intersections coming into U. S. Highway 90 — the border scenic-transcontinental route — and hope that local drivers will be attentive and noticeable. We also noticed that the signs don't say "stop" or "pause", or "slow". The State Highway Department is a lot of trouble to help you prevent an accident. Won't you do much toward the same cause?

Up to now there has been no information from candidates to drink coffee. Now that coffee is 10c in some of the cafes, it might be possible to get a glass of "blue-berries" instead of coffee.

So far we have heard no indication that the milk situation might change. We still have a long list of dissatisfied customers who have led this column to try to help them get a change. If the present source of supply continues to refuse to comply with the wishes of patrons, we may have to take drastic steps.

From the stink that is coming from the mess being stirred up in Duval County we would venture a guess that there will be single barrel binoculars in evidence when the wind quiets down in that part of the country. That situation should arise in Terrell County there would be attention called to it before it could gain much headway. Some of our citizens have intimated that a column might try operating in there for a while. We might have a high regard for our health and possible long life so we will stay in Sanderson and just a little things around here evince in a while.

Besides there is a grave in Duval County which contains the remains of an editor who opposed the paper openly, and since we have a lot of speaking our piece, we thought we were occupying an adjoining column.

Op' Signs Put Up At Oak Intersections

Attention of local motorists is called to the fact that "Stop" signs have been intersected at all intersections of north and south streets with Oak St. or U. S. 90 through Sanderson.

It is hoped that these signs will lead motorists of the danger of driving out into the highway and possibly prevent an accident. The signs were erected by the maintenance department of the State Highway Department under supervision of K. E. Dick.

AFBF To Join Fight For Braceros Pact

The most powerful farm organization in the nation's Capital has come to the aid of the farmers and ranchers who use Mexican nationals.

The American Farm Bureau Federation has urged Congress to approve legislation designed to clarify the authority of the Department of Labor to continue a program for temporary employment of braceros as farm workers in the United States when adequate numbers of domestic workers are not available.

In a statement filed with the House Agricultural Committee, AFBF said that the need for early action "is emphasized by a recent ruling of the comptroller general that funds previously appropriated for the administration of a Mexican farm labor program pursuant to an agreement with Mexico cannot be used if no such agreement has been negotiated."

An obstacle to the continuation of the Mexican farm labor program is the lack of funds for the program. When regular appropriations for the Labor Department were made last summer, funds for the program were provided only for six months because the U. S.-Mexican agreement then existing expired December 31, 1953.

The Bureau of the Budget has recommended a \$550,000 appropriation to enable the Labor Department to continue a program. Action on this request is expected as soon as Congress approves the authorization.

"We have followed closely the negotiations between the State Department and officials of the Mexican government with respect to the continuation of the bilateral program," the Farm Bureau statement said, "and as we understand it the major point of disagreement has been the fact that the Mexican government has insisted upon a procedure which involved the fixing of farm wages in the United States by action of the Mexican and U. S. governments."

There is no authority in law which would permit the Department of Labor to "undertake this function," Farm Bureau pointed out.

"We believe that the Labor, State and Justice Departments are to be commended on their firm stand on this matter and for the institution of a unilateral program designed to meet the labor needs of the South and Southwest areas until such time as a satisfactory program can be worked out in cooperation with the Mexican government," AFBF said.

Baseball Season To Begin April 13

Supt. Matt Bader and Coach Fred Hickman attended a meeting of officials in Fort Stockton Monday afternoon to outline a schedule for high school baseball which will begin April 13.

The teams in this district will be Ozona, Alpine, Big Lake, Rankin, Sonora and Sanderson. A double-round-robin will be played to decide the championship team and the schedule will be on a home-and-home basis.

The schedule follows: April 13, Ozona here; April 17, Alpine there; April 20, Big Lake here; April 24, Rankin here; April 27, Sonora here; April 31 Ozona there; May 4, Alpine here; May 8, Big Lake here; May 11, Rankin there and May 15, Sonora there.

The games will be played on Tuesdays and Saturdays this year because of the long distances to travel, rather than on Tuesdays and Fridays as was the case last year.

CULTURE CLUB TO MEET ON FEBRUARY 18

The Sanderson Culture Club will meet on Thursday, February 18, at 3 o'clock. Mrs. W. G. Downie and Mrs. T. R. Arrington are co-hostesses.

PVT. ELENO MARQUEZ

Pvt. Eleno Marquez has sailed from New York for England for duty with the U. S. Army. Pvt. Marquez is the son of Mr. and Mrs. Jesus Marquez, Sr., and spent a 14-day furlough here with his parents and friends after completing six-weeks basic training at Ft. Bliss. He is with an anti-aircraft artillery unit.

Mrs. Ed Leatherwood Candidate for Clerk Of Terrell County

Mrs. Ed Leatherwood is the first local resident to make announcement publicly of her candidacy for a county office.

Mrs. Leatherwood Monday instructed The Times to make the announcement that she is a candidate for the office of county and district clerk. Serving for four years as office deputy for J. S. Nance, former sheriff and tax assessor and collector, she is now employed in the offices of the Peavy Insurance Agency and Jack Hayre, attorney.

In making her announcement, Mrs. Leatherwood stated that she would appreciate the consideration of every Terrell County voter before the Democratic primaries in July, and added that she considered herself qualified for the duties of the office and would do her best to administer the duties of the office to the public to the best of her ability.

Wilkinson Asks For Support in Re-Election As County Judge

The Times was authorized this week to announce the candidacy of R. S. Wilkinson for re-election to the position of county judge of Terrell County, subject to the action of the Democratic Primary.

Wilkinson stated that he felt himself qualified, through experience, to handle all the duties connected with his office and would appreciate a vote of confidence by the voters in the primary in July.

He added that he had tried his best to serve the people of the county to the best of his ability and hoped that his efforts merited consideration in the coming elections.

Travelers Not Injured In Wreck Near Here

A 1953 Mercury belong to a San Antonio lady was wrecked Monday afternoon about 7 miles west of Sanderson. The lady had three small children in the car with her at the time and no one was injured.

The car approached a section of road that was under repair and alongside of which traffic was being diverted into one lane. When the brakes were applied, the car went off of the highway and overturned several times, being completely demolished in the accident, according to investigating officers.

Ben F. Dawson Seeks Treasurer Re-Election

Included in the list of candidates who are announcing for election or re-election this week are Ben F. Dawson, county treasurer, who is seeking re-election to the post in the primaries in July.

Dawson stated that he was appreciative of the support the voters had given him in the past and asking for continued support in the coming elections.

LOCAL QUINTETS PLAY PRESIDIO AND BLACKWELL

Local quintets met Presidio cagers in Alpine last Friday and won two of the games out of three by different teams.

The girls won 48-24 with Yolanda Esqueda scoring 22 of the points followed by Maria Silvas, who scored 17.

The "B" boys won 56-22 with Luis Cobos scoring 12 and Carroll Eggleston scoring 12.

In the "A" boys' game, Sanderson lost 64-47 to put them out of the running for first place. Tommy Mansfield scored 17 points and Galoar Cobos scored 14.

Fort Davis now has a cinch on the first place with Sanderson in the running for second. They must win all remaining games to tie for second place.

The local girls will play the decisive game on Wednesday, February 17, against the Fort Davis girls. The winner of this game will win district honors in the girls' division. Both the "A" and "B" girls' teams will play during this hardwood session.

The Fort Davis "A" and "B" boys will play here Thursday night of this week.

In games Tuesday night against Blackwell in Marfa, the "B" boys lost by a score of 34-29. McDonald and Escamilla scored 7 points each and Hernandez scored 14.

The "A" boys won 64-53 with Charles Stegall and Tommy Mansfield each scoring 15 points, followed by Luis Cobos who made 12 points, and Gonzales scored 15 points.

The girls won 48-16 over the Blackwell girls with Maria Silvas scoring 16 points, Yolanda Esqueda 13 points.

Adams Seeks Return To Office Of County-District Clerk

The Times was authorized this week to announce the candidacy of Ruel Adams for re-election to the office of county and district clerk of Terrell County.

Mr. Adams is now serving his fourth term in that office. He says that he has tried to serve the people of this county to the best of his ability and hopes that his efforts will be rewarded by being returned for another term.

In making his announcement, Mr. Adams stated that he felt his experience in the work of the office would qualify him to better serve the people, and he would appreciate their support and influence in the July primaries.

Masons To Have Local Observance On February 22

All local Masons and their families and members of the Eastern Star and their families are invited to attend the annual observance of George Washington's birthday in the basement of the Masonic Hall on Monday, February 22.

Rev. John W. Byrd will deliver the principal address of the evening.

The supper will be served at 7:00 o'clock in the evening.

Engineer R. W. Bernes Dies In Houston

Local railroaders were informed this week of the death of R. W. Bernes, 64, of Houston, a vice president of the Southern Pacific and one of the best known civil engineers in the Southwest. He died Monday after a cerebral hemorrhage.

Barnes represented the SP in negotiations with the city officials of El Paso in the development of the Bataan memorial railway project there.

The erection of the Pecos High Bridge, the extension of the SP lines into the Rio Grande Valley, the Grand Central Station in Houston were among the SP's major improvements supervised, planned and constructed under his direction.

Seal Coal Project Due On U. S. 90

In other columns of The Times this week there is notice of seal coat work to be done on U. S. 90 some time within the very near future.

Notice has been given to contractors for bids on this and other similar projects in this portion of the state.

The Terrell County work will be from the Pecos County line on U. S. 90 to Wilson Street in Sanderson.

Seal coat was applied to a long strip of U. S. 90 last summer from the Pecos County line westward.

STOLEN CAR TAKEN HERE BY OFFICERS

Local officers apprehended Werner Waydelko here Sunday morning in possession of a 1953 Chevrolet automobile which was reported stolen in Lynwood, California. Waydelko was arrested on suspicion following his attempts to use a courtesy card at a local station without any identification and upon being questioned, told local police officers that he had stolen the car in that city, according to Lee Billings, sheriff.

The man and car are being held here for return to California by federal officers.

Lee Billings Asks For Election To Office Of County Sheriff

This week Lee Billings authorized The Sanderson Times to announce his candidacy for the office of Sheriff, Tax Assessor and Val Verde County.

Billings is now serving the unexpired term after the resignation of J. S. Nance. Billings was deputy Sheriff under Nance for about 18 months and was named as his successor when Nance moved to Sierra Blanca to accept a Texas Ranger appointment.

Billings was formerly deputy sheriff under A. E. Steinmetz in Val Verde County.

Billings stated that he was asking for the support of the people in the July primary on the basis of his experience in law enforcement jobs, as well on his record as a law enforcement officer in this county. He stated that he would continue to devote all the time necessary to fulfilling the duties of his office to the best of his ability and would constantly do all within his power to see that his efforts would be to the best interest of law-abiding citizens.

"I have enjoyed the most loyal support from the people of Terrell County since taking over the responsibilities of this office," he said, "and I will appreciate your vote of confidence in me in the July primary," he added.

PERSONALS . . .

Mr. and Mrs. I. B. Rusk and David visited in Marfa last week end with Mr. and Mrs. Hinkle Boyd and David had dental work there.

J. B. Pruett of Marfa who visited here for several weeks with his daughter, Mrs. C. P. Peavy, has gone to El Paso to visit with his son, Ed I. Pruett, and family.

Mrs. Orpha Reinertson of Imperial visited here last week with her niece, Mrs. John Carruthers, Sr. Miss Eva Carruthers accompanied the two ladies to Uvalde Monday to visit with Mrs. Carruthers' mother, Mrs. Amanda Roberts, and in Del Rio with her sister, Mrs. Albert Turk.

Guests in the home of Mr. and Mrs. O. T. Sudduth and Nelda Kay last week end were her mother, Mrs. H. D. Price, and her brother-in-law and sister, Mr. and Mrs. M. C. Dye, and son, Clifford, all of San Antonio.

Mr. and Mrs. J. S. Nance of Sierra Blanca spent several days here last week visiting relatives and friends.

SPRING BRINGS HEALTH HAZARDS

Spring arrives officially on March 21, and that's not many days off.

And what does the advent of spring signify other than love, Easter and things bustin' out all over? It means an increase in the fly hazard, obviously since each female fly lays some 120 eggs at a time, and since a new generation is produced every ten days at summer and spring temperatures.

Thus, the progeny of a single pair can run into several millions, if they all lived, feeding on filth and spreading disease to humans.

"That's why," State Health Officer George W. Cox points out, "whole colonies of flies are wiped out before they're hatched, every-time a householder kills a single fly."

Spring also means greater roach activity in homes, making it necessary that thorough spraying of all cracks, crevasses, corners, and cupboards be made a part of the housewife's cleaning ritual.

Spring weather means rats will be ranging farther from their winter haunts, creating the possibility of plague, typhus fever, infectious jaundice, and trichinosis.

But homes can be ratproofed by removing rubbish and garbage accumulations and closing avenues of entrance. Approved poisons and traps are available for use where serious rat problems exist.

Spring means increased mosquito breeding in the stagnant water in tin cans, barrels, tire castings, etc. that are strewn around on lots and in alleys. By merely getting rid of those discarded odds and ends the householder can reduce the mosquito nuisance this summer.

Spring is the time for checking and repairing window screens and acquiring leak-proof garbage cans with tight lids.

It's the time for thorough, community-wide housecleaning in preparation for the pleasurable life in the new season which begins the last day of March.

Rev. Claude Bridges To Preach Special Sermon On Sunday

A special invitation is being extended to residents of the community by the members of the First Baptist Church to hear their pastor, Rev. Claude Bridges, preach on "Who Is A Christian?" Sunday.

Rev. Bridges stated that he would show that a Christian is one who chooses his own father and family and decides on the time of his birth. "Being born, the Christian believes the unbelievable, does the impossible, knows the unknowable and attains the unattainable," stated Rev. Bridges.

Mrs. John V. McCall Dies In Tennessee

The Times received word Sunday of the death of Mrs. John V. McCall in Wartrace, Tennessee, on January 7. Mrs. McCall, widow of the late Dr. John V. McCall, who was a former pastor of the Presbyterian Church here, had been making her home with a sister.

MARCH OF DIMES FUND LAGGING

W. W. Sudduth, local chairman for the March of Dimes drive, announced this week that the local drive was lagging tremendously in comparison to previous years and urged the support of all organizations, individuals and groups in seeing that the drive was a success in this county.

The amount collected now stands at near \$250, Sudduth said.

There has been a supreme effort made on the part of the National Foundation for Infantile Paralysis to put the drive over in all parts of the nation this year so that finances will be available for the trial immunization of the children in certain areas where there has been high polio incidence in the past, as well as to carry on the research for positive immunization against the disease.

Much of the money will be spent, also, in caring for patients who are still in hospitals throughout the nation, and some of it will go into reserve to take care of those who may be stricken with the disease this year.

The letter that the local committee mailed out is fully explanatory of the scope of the efforts of the local and national organization and all citizens of the county are urged to learn the full significance of the reasons for the drive and then contribute within their means toward the worthwhile cause.

Local Boys To Enter Calf Scramble At San Antonio Show

Odell Carruthers, Charles Stegall, Bo Wright and David Mitchell will be among the boys competing in the calf scramble at the San Antonio Fat Stock Show and Exposition on Saturday afternoon in that city.

The calf scramble, one of the most popular events in last year's show, features 20 F. F. A. or 4-H Club boys, between the ages of 12 and 18, competing in 14 go-rounds during the February 12-21 exposition, one during each night's performance, and one at each matinee.

In the scramble, ten calves are turned loose into the arena and each of the twenty youngsters, carrying a halter attached to a 10-foot rope, attempts to catch, halter and lead an animal across the finish line without aid. The 10 boys succeeding in catching a calf in each go-round are issued certificates to be used in the purchase of livestock for the boys' FFA or 4-H Club project.

Prize certificates range from \$60 to \$20, and contestants take the scramble very seriously since it may mean they will get an opportunity to really start in the livestock business. All certificates must be used in the purchase of livestock for the boys' club project.

Presbyterians Plan For Week of Prayer

Plans were made for the observance of the Week of Prayer and Self-denial when the Presbyterian Women of the Church had their executive board meeting Monday afternoon in the church. There will be a prayer service every morning from 10 to 10:30 in the home of Mrs. N. M. Mitchell during the week from February 23 to March 1. On the afternoon of March 1, there will be a review of the world mission study book. The group voted to buy new hymnals for use at their meetings.
 In the circle meeting which followed, Mrs. Sue B. Mosley led the program on "The Birth of the Christian Church," taken from the second chapter of The Acts.
 Those present were Mmes. R. E. Corder, C. C. Mitchell, Sld Harkins, J. W. McKee, E. F. Pierson, J. W. Byrd, N. M. Mitchell, E. E. Farley, W. H. Savage, and Sue B. Mosley.

Dessert-Bridge Friday Fetes Mrs. Jack Riggs

Mrs. John T. Williams and Mrs. Tol Murrah were hostesses Friday afternoon for a dessert-bridge in the Williams home to honor Mrs. Jack Riggs.
 Following the serving of the dessert course, four tables were arranged for the bridge games. High score was won by Mrs. Clyde Griffith, second high by Mrs. H. E. Fletcher and low by Mrs. Bustin Canon.
 A lovely assortment of gifts was presented to Mrs. Riggs and passed for display to the guests.
 Those present were Mmes. J. S. Nance of Sierra Blanca, James Kerr, John Reisinger, W. W. Sudduth, Herbert Brown, Clyde Griffith, J. A. Gilbreath, H. E. Fletcher, E. J. Hanson, Web Townsend, Mary Lou Kellar, Joe Kerr, Jr., Bustin Canon and the honoree, Mrs. Riggs. Mrs. Charlie Turk, Mrs. R. V. Spears, Mrs. Ed Leatherwood and Mrs. C. P. Peavy were tea guests.
 The Williams home was decorated in Spring flowers for the party.

Party Friday Fetes Mary Ann Connolly

Honoring her daughter, Mary Ann, Mrs. E. T. Connolly entertained with a party in the Masonic Hall Friday evening.
 The Valentine motif was stressed in the decorations and refreshments of tuna sandwiches, cookies, cake, candy and punch.
 An imported white linen cut-

work cloth covered the refreshment table centered with a three-tiered cake in red and white and inscribed "Happy Birthday Mary Ann". Fourteen candles were on the cake.
 Approximately fifty-five youths attended the party. Assisting Mrs. Connolly in entertaining were Mmes. Jack Turner, Matt F. Bader, B. E. Carr, Jess McDonald and D. L. Duke.

Mrs. Bernie Kerr Hostess For Bridge

Mrs. Bernie Kerr entertained three tables of bridge players in her home Tuesday afternoon when she was hostess for the Tuesday Bridge Club. High score was held by Mrs. Bustin Canon, second high by Mrs. I. B. Rusk and low by Mrs. J. E. Carter.

Sanderson Seniors Honored With Sweetheart Banquet

The ladies of the Baptist W. M. S. honored the seniors of the Sanderson High School with a "Sweet-Heart Banquet" served in the dining room of the church Monday evening.

The Valentine motif and colors were stressed in the decorations and menu for the banquet.

The white cloth which covered the table was caught at intervals with a corsage of red roses and arrangements of red roses were on each end of the table. White lace paper doilies which covered the red heart-filled nut cups were tied with red ribbons and the place cards were red hearts.

Mrs. Bruce M. Spencer was in charge of the program. Following the invocation by Rev. Claude Bridges, the seniors sang, "Let Me Call You Sweetheart." Miss Janell Littleton, class president gave the appreciation response for the seniors. Miss Sarah Pat Grigsby played two piano solos and also played the accompaniment for Diana Duke to sing "I Believe". Rev. George Bastain of Fort Stockton was the guest speaker for the occasion.

The menu consisted of tomato cocktail, baked ham, potatoes, baby lima beans, pickled beets, iced tea, coffee and cherry tarts topped with whipped cream. The heart-shaped cranberry salad was served on shredded lettuce and sprinkled with cottage cheese.

Served at the table with the seniors were Supt. and Mrs. Matt Bader, Mr. and Mrs. Norman Rath, Mr. and Mrs. Carlton Smith, Rev. Claude Bridges, pastor, Mrs. W. H. Savage, sponsor, and Mrs. J. L. Blackwelder, president of the W. M. S.

Beverly Whistler, Lacy Eggleston, Carlene Werneking, Patty Gray, Vivian and Maida Moore, Nancy Turner and Mary Mahlon Keyes served the food.

MARY LOU CARGILE JOINS MUSIC SOCIETY

Miss Mary Lou Cargile was initiated as a new member of the Orphan Society of Music last week at Abilene Christian College. Miss Cargile, the daughter of Mr. and Mrs. W. C. Cargile, is a freshman student at ACC.

Mrs. W. G. Downie and daughters are visiting with relatives in San Antonio, accompanying Mrs. W. T. Bondurant, who had visited here for a few days.

P-TA OBSERVES FOUNDERS' DAY

In observation of Founders' Day, Mrs. W. A. Kay of Fort Stockton, vice president of the sixth district of the Parent-Teacher Association, was guest speaker for the meeting of the local P-TA Thursday evening in the high school auditorium. She spoke of Mrs. Alice Birney, founder of the Parent-Teacher Association and of the organization and first meeting of the group on February 17, 1897, in Washington, D. C.

Mrs. Russell Payne of Fort Stockton accompanied Mrs. Kay to Sanderson. Matt Bader showed a TB film to the group.

The pupils of Mrs. W. A. Davis and Mrs. H. A. Finger presented a patriotic program consisting of the singing of "You're A Grand Old Flag" by the group and the recitation of "My Flag" by Susan Harkins which was followed by the group singing "The Eyes of Texas". Melinda Gilbreath played the piano accompaniment.

Pupils of the seventh grade presented a skit portraying a theme in connection with Founders' Day. The skit was directed by Mrs. Dudley Harrison.

Rev. A. A. McCleskey gave the invocation.

During the business meeting, Mrs. Roy Bogusch, treasurer, gave a complete report.

The attendance prize was won by Mrs. Davis' fifth grade.

BEAUTY TREATMENT THAT GIVES 19% MORE VISIBILITY
New back-swept windshield on all 1954 Buicks is the latest note in modern styling, and a big step-up in your view of the road ahead.

Even the price is sensational!

As you look at it, you can see a lot of what makes this new 1954 Buick SPECIAL so sensational.

You can see the long, low, sleek and ultra-glamorous lines that add up to the biggest automotive styling change in years.

You can see the remarkable new windshield with the back-swept corners—greatest visibility improvement since closed cars came on the market.

But what you can't see—till you drop by for a visit—is the sensationally low price of this car—a local delivered price that's just a few dollars more than those of America's "low-priced three."

And you can't see—sitting where you

are now—the rest of the great automobile that's yours for so low a figure.

The spectacular power of this SPECIAL's brand-new V8 engine. The honest six-passenger roominess. The truly modern interior luxury. The superb new handling ease. The sublime comfort of Buick's famed Million Dollar Ride—now steadied even more by a newly developed front-end geometry.

Fact is, there's so much that's terrific about this new glamor car, you ought to drop in and give it a really thorough study and sampling.

That way you'll prove to yourself that the buy—and the thrill—of the year is Buick. Come in this week, won't you?

This **BUICK V8** —the 1954 SPECIAL 2-Door, 6-Passenger Sedan—delivers locally for just a few dollars more than the "low-price three"!

CARD OF THANKS
In the poisoning of my dog, "Happy", I am thankful, and may his poisoner be thankful with me that it was the dog instead of my little girl who got it. She could just as easily have gotten the poison as it lay in my little back yard from about 11:30 p. m. Saturday until 10:30 a. m. Sunday. "Happy" was fastened in the house from 3 p. m. Saturday until about that time Sunday morning. He was in only the little back yard Sunday and with the kids most of the time until he became sick at about 10:30 a. m.

You may not be so lucky next time. A small child may be the next victim of your cowardly act.

From where I sit ... by Joe Marshall

Wish I'd Said That

You know Miss Perkins. Well, she's been driving her own car around our town for a little more than 30 years.

The other day she had a bit of trouble parking down on Main Street. Didn't quite make it the first try, so she pulled out to start over when a fellow waiting to pass started tooting his horn impatiently.

On the second try, she was still having a little difficulty and so this smart aleck hollered, "Lady, do you know how to drive?" "Yes, young man," Miss Perkins answered, "I do. But I don't have time to teach you now."

From where I sit, it's not always easy to have a good answer ready when you need it. But when somebody insists that I vote for his candidate, for instance, I choose tea instead of a temperance glass of beer with dinner, I know the answer. It's all a matter of personal preference . . . and none of us like "backseat driving" from anybody.
