SANDERSON TIMES

VOLUME XLVII

SANDERSON, TEXAS, FRIDAY, JANUARY 21, 1955

NUMBER 49

LISTEN TO LUKE

Last week a sizeable delegation of interested people from Sanderson was in Austin to hear the railroad terminal proposal argued before the railroad commission. That delegation was supported by some people who did not live in Sanderson, but had interests here of one sort or another.

Certainly not all of the people of Sanderson who were interested in the proposal were in Austin, but the town was well represented.

And in more ways than one!

The gentlemen who represented the town of Sanderson in a legal way did themselves proud, in our humble opinion. They sought out every single argument that they could conceive that could have any bearing on the subject and they presented it in the only way they could — straight across the table — for the commissioners to judge.

Those men who were the legal representatives of Sanderson did what they did for many reasons other than monetary, as anyone who conversed at all with them would soon learn.

Judge Brian Montague, who was retained to represent the people of Sanderson threw his entire legal knowledge and ability — heart and soul — into the arguments for the rights, as he saw them, of those whom he represented.

We don't know how much he has paid, nor how much he asked, nor if he has been paid fully or not. But we know that he has earned an unlimited amount of gratitude and respect from the people of this area by what he did. Our appreciation for his efforts in our cause really goes beyond the scope of money.

If the local committee who was responsible for raising the first fund find that they need more money to pay Judge Montague for his services, they should have no trouble raising an additional sum if it is needed.

Last week we talked about how the rain was forecast for this year and already we have made a list out of predictors. The report was that we were to have a net loss of 2 inches of precipitation. But this past week's precipitation put 1.07 inches of moisture in the gauge which has a long jump ahead of the long-range weather prophets.

If this amount of moisture will bring the ranchmen another jump ahead of the bankers it will be considered a good rain.

Few people realize how much of success the local F.F.A. show had last Saturday until they realize how many people were involved in making it so. The boys did a job of showing the livestock, they did a fine job of raising the lambs they had, but they got a lot of help from all sources in putting their show over. It is something the boys couldn't do alone, and they needed help.

Local Roping Club Elects Officers

Members of the Sanderson Roping Club met at the home of Mr. Mrs. Jack Riggs Wednesday night to discuss plans for re-organization.

Jack Riggs, president; Kenneth Sherton, vice president and Jack Riggs, secretary-treasurer, were re-elected for the current year.

The group voted to buy calves as soon as possible and will be making plans for the summer roping events as soon as the calves arrive.

Members also voted to sponsor a Palmetto Polo team and include all interested persons to be roping arena on Sunday, January 30 at 3 o'clock to practice business one of the contests.

Extra dues will be charged for members of the team and the only argument is having a horse market.

5th Annual F.F.A. Show Is Success

Pictured at top left is Mike Turk with his champion fine wool lamb which won out over a lamb raised by Alfredo Calzada. Turk's lamb was the champion in the heavy division and Calzada's lamb was the winner of the light division. Upper right is Bobby Beckett and his champion cross-bred lamb which won over Bo Wright's light lamb. Pictured at left is Butch Stavley and his champion lamb of the junior F.F.A. division. This lamb won over the cross-bred lamb fed by Eddie Wright, who was in first place in the junior cross-bred division. More pictures of winners will be used next week.

RAINS DAMPEN ATTENDANCE AT LOCAL F.F.A. LIVESTOCK SHOW, BARBECUE

Light rains all day Saturday caused a slack attendance at the 5th annual Livestock Show of the local F. F. A. Chapter, but keen competition in all classes and interest expressed by the spectators present nevertheless resulted in a successful event by the organization.

In the Suffolk ewe lamb class, Mike Turk placed 1st, 3rd and 4th, with Charles Stegall placing 2nd and 5th.

Stegall also showed the champion Suffolk ewe, buck lambs and buck.

Bo Wright had two Rambouillet bucks entered without competition.

J. W. Carruthers and Sons, local registered Rambouillet breeders, had a pen of bucks and a pen of ewes displayed, but were not entered in any of the classes.

In the Southdown class, Butch Stavley had the champion ewe and buck without competition.

The junior F.F.A. division had

Wool Men Ask For Delay in New Bill

San Angelo—The executive committee of the National Wool Growers Association has requested that Secretary of Agriculture Benson not formulate regulations on assignment of incentive payments under the new wool bill until the affiliated states are given an opportunity to present their views.

The executive committee took this action at a meeting in Denver, Colorado, earlier this month on a motion by R. W. Hodge, Del Rio, president of the TS&GRA. Hodge and Penrose Metcalfe, former TS&GRA president and now a vice president of the National Wool Growers Association, had lost earlier on a motion that would request the Secretary of Agriculture to make no assignments of the incentive payments in any case.

"We took the position that the best interference with normal marketing practices would be best for the wool and mohair producer," Hodge stated. "Assignment of the incentive payments could very definitely hurt the cash buyer of wool and practically all of Texas wools are sold in this manner."

Hodge further stated that delegates from the states of California, Wyoming, Idaho, and South Dakota backed Texas in its proposal for no assignments while committee members from Utah, Arizona, Montana, Oregon, Washington, Nevada, and Colorado opposed the no-assignment proposal. Sheep members represented by the proponents of the no-assignment plan were 7,800,000 as compared with 5,900,000 head represented by the opposition.

Hodge said that Secretary of Agriculture Benson has been requested by the organization to hold the hearing sometime after January 15.

1.07 INCHES RAIN FALLS THIS YEAR

With two more weeks yet to go, January of 1955 may go down as the wettest January in Terrell County for several years. The total rainfall for January 1954, was .29. To date, the precipitation for the first three weeks of January has added up to 1.07 inches.

Coming in small quantities, and some sleet, snow and hail, all of the moisture has penetrated the powdery earth of one of the worst drought-stricken areas of West Texas.

The snow, sleet and rain of the second Sunday in the month totalled .13. On Friday and Saturday of last week, rain, hail and sleet brought the total up to .83. The rainfall of Monday afternoon and night totalled .24. A cold norther that moved into this area early Tuesday morning lowered the temperatures consistently all day although skies were clear.

Winter moisture can mean the difference between a good and bad spring, feed-wise, according to area ranchmen, who state that the amount of moisture already received this year is most beneficial, but they would like to have additional rainfall to assure a supply of feed for approaching Spring.

Marfa Holds Lead In Cage Games; Down Eagles 58-24

The Marfa Shorthorn cagers retained their district lead with six wins and no losses by the defeat of the Sanderson Eagles here on Tuesday night by a score of 58-24. Sanderson evened off their wins and losses at 2 and 2.

Sanderson netted 10 points in fourth period against the Marfa subs who also totalled 10 points.

Roland McDonald was the high point man for Sanderson with six points against Gonzales' 22 points for Marfa.

In the B game, Marfa topped the local's 37-31 with Kenneth Stutes ringing nine points for high point honors.

Sanderson will be host to the Fabens cagers here on Friday and Saturday of this week, will go to Fort Stockton on Tuesday night and will meet McCamey here next Friday night.

The local girls will play in Grandfalls Friday night.

January Is Annual School Census Month

The annual school census of Terrell County is being taken during January by Mrs. W. J. Ferguson, high school secretary.

Announcement was made this week that every child in the county who will be six years old before September 1, 1955, and under 18 on the same date is supposed to be included in the census even though they are not attending school.

With the distance between ranches in the county, it is possible that some child may have been overlooked as the census was being taken, and anyone having a child that was not enumerated or knowing a child that was overlooked, is requested to contact Mrs. Ferguson or Supt. Matt Bader at the high school. The telephone number is 8.

The appropriation for the schools is made on the basis of scholastics in the county and it is hoped that every child of scholastic age will be included in the census.

S.W. Medical School To Dedicate Building

Dedication of a \$2,850,000 Basic Science Building for Southwestern Medical School of the University of Texas in Dallas has been set for January 29.

County Judge R. S. Wilkinson, member of the Advisory Council of Southwestern Medical Foundation, has extended an invitation to "everyone interested in medical progress in the Southwest to attend the dedication service."

Construction of the new building was begun in 1952 with funds appropriated by the state legislature for that purpose. Construction costs exceeded the appropriation, however, and Southwestern Medical Foundation supplied the difference with an emergency grant of \$100,000.

Junior Cagers Produce Wins

The junior boys basketballers have been showing considerable progress in their cage play under Coach Robert Carle and they have been winning their share of the games.

Sanderson opened the season by dropping Comstock 14-12.

At the junior tournament in Alpine, Sanderson lost the first game to Blackwell of Marfa by a score of 42-19 and lost out in the consolation bracket to Van Horn by a score of 18-16 in extra minutes.

Last Friday Sanderson beat Grandfalls 17-14.

Rumaldo Valdez was high-pointner for all the games except with Grandfalls when George Loflin looped 7 points to edge out Valdez who netted only 6 points.

The junior boys beat Fort Davis Tuesday night by a score of 26-21 in that town. The high point man for the Eagles was Rosie Valdez with 17 points. George Loflin had 5 points and Julian Rodriguez scored 4 points.

The Fort Davis boys will return the game on February 14.

No scheduled games are announced for the week as all games are being matched as the opportunity arises, according to Carle.

Trends in Range Management Cited

COLLEGE STATION, Jan. 18—Livestock raisers in Texas are changing their ways to get the greatest returns from the least investment.

The trend in brush control last year was toward cheaper methods which result in greater area control for each dollar spent but less percentage kill.

And, in reseeding the turn was to cheaper, longer lasting methods using primary native grass varieties.

Cattlemen are changing their management to cope with drought and to meet demands for more livestock products, says A. H. Walker, extension range management specialist.

In a year-end summary of range work in the state, Walker says 3,974,451 acres of grassland underwent some type of land improvement during the year. He estimates that Extension Service demonstrations in range management added \$1,767,415 to the income of ranchers.

The demand for livestock products has increased 10 per cent since drought took its grip four years ago. Ranch units have increased in size and the number of livestock has declined in the central and western sections.

In some areas, higher livestock production and improved range conditions resulted from grazing livestock in combination. More efficient management, feeding and breeding of fewer livestock has brought about lower production costs, Walker adds.

IT SAYS HERE:—
If you save nothing more than a pleasant memory for your old age you will be richer than many.

Jack Turners Buy Courts From Brother

It was revealed this week that Mr. and Mrs. Jack Turner had bought the Turner Courts from his brother, Frank Turner. Mr. and Mrs. Turner will operate the courts in addition to their grocery store.

Mr. and Mrs. Frank Turner have moved to Brownwood where he has re-enrolled in Howard Payne College to continue his theological studies.

The Jack Turner family has moved to the house connected with the courts.

very keen competition and Butch Stavley, 1st; Oren Beicher, 2nd and 3rd; Raymond Elrod, 4th and Buddy Moore, 5th, were the places recognized in the fine wool class.

In the junior F.F.A. cross-bred class, Eddie Wright placed 1st and 5th; Butch and Bill Stavley placed 2nd, 3rd and 4th and G. C. Eggleston placed 6th.

Butch Stavley's first place lamb was named champion in the junior division with Eddie Wright's lamb named reserve champion.

In the senior F.F.A. division, fine wool class, under 115 pounds; the first ten places went to Alfredo Calzada, Jimmie Talbot, Bob Beckett, Mike Turk, Weidon Werneking, Jerry Monroe, Werneking, Talbot, Denny McQuade and Gustavo Flores.

In the fine wool, heavy class, the first ten places went to Mike Turk, Talbot, Phillip Eggleston, Bo Wright, Wright, Roman Martinez, Joe Borrego, Press Escamilla, Roberto Salazar.

Turk's lamb won first place in the fine wool division over Calzada and Talbot's heavy lamb was named reserve champion over his light lamb.

In the cross-bred light division, the seven lambs were placed; Bo Wright, Turk, Beckett, Adalberto Cobos, Calzada, Escamilla and W. D. O'Bryant.

In the cross-bred heavy class, the first ten places went to Beckett, Eddie Hanson, Hanson, Wright, Flores, Jerry Monroe, Wright, Turk, Joe Pena and Adalberto Cobos.

Bob Beckett's lamb was named champion in the cross-bred division and Eddie Hanson's lamb was named reserve champion.

The champion lambs of the junior division and the fine wool and cross-bred divisions were awarded trophies; with the reserve champion in each of the three divisions receiving a rosette. Cash awards also went to the owners of all the lambs named as winners in each division.

The owners of the winners in the Rambouillet ewes, bucks, Suffolk ewes, bucks and lambs received ribbons and 6th through 10th place winners in the fine wool and cross-bred divisions received ribbons. Cash prizes also went to 3rd, 4th, and 5th place winners.

First through 4th place winners in the junior division received cash prizes.

Malone Mitchell, Jr., showed two Hereford calves he had fed out as his F.F.A. project.

Fred Wilkerson, county agent of Crane County judged the show and offered words of corrective criticism and advice to the boys who participated in the events.

Approximately 250 people were on hand for the barbecue served at noon. Members of the Lions Club were the servers, with the salads being donated by their wives and the cakes donated by the mothers of the F.F.A. members. Barbecued beef, beans, pickles, onions, bread, coffee and cold drinks comprised the balance of the meal.

L. R. Armstrong asked that The Times express thanks for the organization, to all the people of the town who helped in any way with the F.F.A. show and program. He asked that special thanks be given to John T. Williams, manager of the Sanderson Wool Commission Co., for the use of his warehouse as the site of the show; E. F. Pierson and C. H. Berry, for the loan of heaters and gas to warm up the building, to the Lions club and their wives and the mothers of the F.F.A. boys, and all those who bought the cakes, and the bed-spread.

The big topic on Capitol Hill during the past week was committee assignments for members of Congress.

I was pleased enough with my committee assignments, being named to the House Committee on Veterans and Insular Affairs and the District Committee.

Normally, between 700 and 800 bills come before the interior and Insular Affairs Committee for action during each session of Congress. This is second only to the House Committee on Judiciary Affairs in number of bills referred to it for action.

The District Committee controls the governmental policy of the only city in the country that belongs to everyone — Washington, D. C. The Federal City does not have Congressional representation by law, and thus a special committee is set up to guide the city government-wise.

New House bills are pouring into the "hopper" by the handful. As an example of what we'll be talking about in Congress in the future, bills dealing with all matters of subjects are included here: A national health insurance program, amendments to the Taft-Hartley Act, increased maximums in which farm reality loans to veterans may be guaranteed, bills boosting penalties for narcotics law violators, a bill permitting mining of public lands withdrawn or reserved for power development, a bill curbing franking rights of various government units, Federal aid for school construction, returning to the gold standard, amendments to the Commodity Exchange Act, granting of votes to 18-year-olds, unification of Ireland, fuel allocations in emergencies, and national uniform registration of automobiles. These are picked at random from the many, many bills due to come up soon after being introduced. It looks like a busy 84th Congress.

Mr. and Mrs. W. H. Dishman moved their personal effects to Monahans last week end and will reside in that city.

RED TACTICS AND TECHNIQUES

The first axiom in ideological warfare, as in any warfare, is: "Know and understand your enemy." In today's battle for the minds of mankind, most of the people who understand and subscribe to the American way of life have correctly identified world Communism as the enemy determined to destroy the basic principles upon which our freedom and progress are founded. But only a small percentage of Americans really understand the tactics and the techniques which the conspirators among us are using to infiltrate and shape the thinking and actions of important segments of our population.

One of the important strategies of the conspirators is to win over as many college men and women to their cause as possible—as their "Elite Corps" to do the work of infiltrating and mobilizing support for the Communist cause among the less well educated. In an instructive editorial in last week's issue, the Saturday Evening Post points up one phase of this strategy, that of infiltrating and colonizing labor unions. The Post cites facts uncovered by the House Un-American Activities Committee during investigations and hearings in highly industrialized Flint, Michigan.

An FBI undercover informant revealed that a young Communist had been sent into Flint to recruit auto workers into the conspiracy and dominate a union. This Communist got a job in a big auto plant. Filling out his employment application, he wrote that he had had one year of a college engineering course, then had been in the navy, and, afterward, had worked several years in New York.

However, when he testified before the House committee under oath — faced with the penalty of perjury — he told the truth; that he'd received a bachelor of electrical engineering degree only two weeks before applying at the Flint

auto plant. When asked whether he was a Communist, he took the Fifth Amendment. The FBI undercover man testified that he was an important Communist doing important Communist work. And, significantly, he had hidden his professional engineering qualifications in order to get a job on the assembly line, join the union and do his poisonous work among the thousands of hourly employees.

Another witness who took the Fifth Amendment had applied for assembly line work in another big automobile plant in Flint. Although he was a college graduate, holding a bachelor's degree, he too hid the fact and took an hourly wage job. In his application he said that for two and a half years he had worked for a Detroit fence company. When the auto company sent a questionnaire to the Detroit firm, a letter came back from the company's "co-owner." The letter said the applicant in question had worked in Detroit, as stated, and was an excellent employee.

Yet, when the Congressional Committee put the worker under oath, he admitted he had a bachelor's degree in social science and said that actually he had been in college at the time he previously had said he was working at the fence company in Detroit. And now, get this: In due time another FBI counterspy who had worked among the Communist conspirators in Detroit, identified the Detroit business man, who fronted for the young Red, as a Communist party member himself!

These are some understandable reasons why it is so vitally important for every American citizen, young and old, to understand the nature of this powerful conspiracy working against our nation, and the methods used by its agents and fellow travelers. Education in the techniques of Communism should especially be made available to college students — in fact to all youth. At Harding College, in Searcy, there is being created a special section in the college library for books and materials on Communism and its subversive tactics and techniques. The foundation books for this section were purchased with a gift from a man who feels, as I do, that we can't begin to resist Communism until we clearly understand its nature, its tactics and techniques.

The new library section will contain not only books on the subject but also the printed reports of every Congressional and legislative committee that has worked to expose Communist infiltration and propaganda and warn the American people of the great danger existing. It is quite a project, and in time perhaps it may become a pattern for libraries everywhere. I hope so.

Mrs. Joe Kaufmann of LaCoste is visiting her daughter, Mrs. W. S. Forth, and family while she recuperates from major surgery performed in Del Rio several weeks ago.

SP CREDIT UNION TO HOLD MEET IN DEL RIO FRIDAY

The Del Rio S.P. Credit Union will hold its first annual membership meeting on Friday evening, January 21, at 7:00 o'clock in the Odd Fellows Hall in Del Rio.

Members will vote on important policies of the organization and will elect new officers to serve in 1955. There will be reports from all committees and from the board of directors. This meeting will climax seven months of operation for the Credit Union.

Following the business session there will be a short entertainment period and refreshments will be served.

BIG BEND PARK HEAD VISITS HERE WEDNESDAY

George Miller, new superintendent of the Big Bend National Park, was in Sanderson Wednesday. In company with Lon C. Garrison, former superintendent of the park, who has been transferred to Washington, D. C., the two men were visiting the towns of the area this week to become acquainted with some of the citizens.

Miller assumed his duties Monday and Mr. Garrison will leave for his new appointment Friday.

Terry Jean Hodgkins sprained her arm Saturday in a fall while skating.

From where I sit ... by Joe Marsh

A Pretty "Snappy" Menu

Cuff Taylor had a near riot in his hen yard last week. Seems the hens were scratching around the cold ground when they found a piece of rubber band frozen in the ice.

"One hen pecked at it," says Cuff, "and it snapped right back. She backed off clucking while another hen tried it, and another. And the 'worm' kept right on snapping back. They all got their feathers ruffled. You never heard such a ruckus!"

"I finally had to break up the ice with an ax before those hens would get back to business and start laying eggs again."

From where I sit, some people raise a pretty big fuss over nothing, too. Take the fellow who would deny me a temperate glass of beer with my game of checkers. Maybe he'd rather have coffee! Well, that's all right. He has a right to his own preference. But so do I. And there's no point in his "snapping" at me just because his choice isn't the same as mine.

Joe Marsh

Mrs. A. T. Wilhite, Jr., Hostess Thursday For Study Club

The Evening Study Club met in the home of Mrs. A. T. Wilhite, Jr. last Thursday evening. The living room was decorated in arrangements of pink carnations, including the centerpiece on the dining table.

Officers were elected to include: Mrs. M. F. Bader, president; Mrs. Weldon Cox, vice president; Mrs. W. E. Stavley, secretary; Mrs. W. E. Lea, Jr., treasurer; Mrs. Roy Deaton, parliamentarian; Mrs. Vic Littleton, historian; Mrs. Irvin Robbins, reporter. The new officers will assume their duties in May.

Mrs. Dudley Harrison reviewed the book, "The Giant Joshua", by Maurine Whipple. The hostess served refreshments of cup cakes topped with ice cream, salted nuts, mints, tea and coffee. A lace cloth was on the refreshment table and Mrs. Grigsby presided at the silver coffee service.

Members present included Meses Austin Nance, W. W. Sudduth, J. A. Gilbreath, Carlton Smith, B. M. Spencer, L. R. Armstrong, M. F. Bader, W. E. Stavley, Weldon Cox, Vic Littleton, Roy Deaton, Irvin Robbins, W. E. Lea, Jr., Norman Bath and W. H. Grigsby. Mrs. W. H. Riley, Mrs. E. R. Searcy and Miss Mary Ferguson were guests.

Birthday Party Honors Bill Turner

Mrs. Jack Turner entertained with a party in her home last Thursday afternoon to honor her son, Bill, on his seventh birthday. After playing a few games, ice cream was served with the birthday cake to the guests, including Pamela Staveley, Alice and Jim Turner, Bobby Allen, Billy McSharran, Mike Robbins, Tommy Hayre, Roy Deaton, Tommy Armstrong, Billy Connolly, Stephen Burkins, Barbara Brown and Elizabeth Turner.

Legion Auxiliary High in Membership

Mrs. W. T. Frazier, president of the American Legion Auxiliary, received word last week that the Sanderson unit is leading the entire state in membership gain. The 8th district is leading the state in membership gains and Sanderson is one of only three towns including El Paso unit No. 58, and Odessa, which show 100 per cent gain.

GARDEN CLUB TO MEET SATURDAY AFTERNOON

The Sanderson Garden Club will meet Saturday afternoon at 3 in the home of Mrs. H. E. Ezelle, the place of meeting being changed from Mrs. Farley's. A. T. Wilhite, Jr., local soil conservationist with the A.S.C. office, will speak on "Conservation."

Guests in the home of Mr. and Mrs. Ben Martin last week were Mr. and Mrs. James V. Weber, and Mr. Weber of Pawaukee, Wisconsin.

Mrs. A. D. Brown Leads Program For Baptist W. M. U.

The Baptist W. M. U. met in the home of Mrs. W. D. Martin, Jr. Monday afternoon for a Royal Service program.

After the group had sung the hymn, "Send the Light", Mrs. Hal Tyler led the opening prayer.

Mrs. A. D. Brown was leader of the program on "Pointing the Way For the Chosen People." The devotional, which was given by Mrs. H. G. Cates, was followed by a prayer by Mrs. Claude Bridges.

Assisting in presenting the program were Meses Lloyd Cowan, O. D. Gray, L. H. Lemons, Maude Sullivan and James Word.

The dismissal prayer was given by Mrs. Gray following the singing of the hymn, "Let Others See Jesus in You."

During the social hour, Mrs. Martin served refreshments of sandwiches, tea, coffee, salted nuts and mints. The tea table, covered in a lace cloth, had a centerpiece of ivy.

The members present includes Meses B. E. Carr, James Word, O. D. Gray, Lloyd Cowan, L. H. Lemons, A. D. Brown, B. J. Pettis, F. A. Weigand, Maude Sullivan, Roy Bogusch, Claude Bridges and H. G. Cates. Mrs. Hal Tyler was a guest.

Thursday Bridge Club Entertained in Home Of Mrs. C. H. Stavley

Two tables of bridge players were entertained in the home of Mrs. C. H. Stavley last Thursday afternoon.

The guests included Mesdames H. E. Ezelle, I. B. Rusk, O. J. Cresswell, John Reininger, Vic Littleton, M. W. Duncan, Jack Riggs and A. J. Hahn.

Mrs. Riggs held high score, Mrs. Hahn, second high and Mrs. Rusk, low. Slam prizes were held by Mrs. Hahn and Mrs. Duncan.

The hostess served a salad plate featuring chicken salad and tea and coffee.

Mrs. Weldon Cox and Mrs. F. G. Grigsby were tea guests.

METHODIST W.S.C.S. TO MEET MONDAY

The Methodist Womens Society of Christian Service will meet Monday afternoon at three o'clock in the Fellowship Hall with Mrs. H. E. Ezelle leading the program.

Mrs. Chester Boyd and Mrs. M. W. Duncan will be hostesses for the meeting.

FUTURE TEACHERS MEET IN ALPINE SATURDAY

Mrs. W. H. Savage and Richard Hitzfeldt accompanied sixteen students from the Sanderson High School to Alpine Saturday to attend a meeting of the District 6 of Future Teachers of America.

Mrs. Clyde Griffith Hostess Wednesday At Bridge-Luncheon

Arrangements of stock and iris decorated the party rooms in the home of Mrs. Clyde Griffith when she entertained the Wednesday Bridge Club in her home this week.

High score prize was presented to Mrs. J. A. Gilbreath, second high to Mrs. Jack Riggs, and low to Mrs. W. R. Stumberg.

Other guests included Meses. F. M. Wood, James Kerr, Herbert Brown, Tol Murrah, J. D. Swanson, Col Coates, S. L. Stumberg, W. W. Sudduth, R. S. Wilkinson and Web Townsend.

Luncheon was served at 1 o'clock and the bridge games followed.

CARLE'S GRANDMOTHER DIES

Mr. and Mrs. Robert Carle received word Wednesday morning of the death of his grandmother, Mrs. Riley, in Hondo. She was 95 years of age and made her home with Mr. Carle's mother.

Mrs. Riley was found dead in her bed Wednesday morning, apparently dying in her sleep.

Among Our Subscribers:

Renewals to the Times have come from Mrs. J. W. Dewees of Floresville, Texas; Mrs. Henry Bohat of Del Rio; Alejandro Marquez, Ed Lacy, Jack Downie, Jack Laughlin, John Green, Clayton Stubblefield of Sanderson; W. W. Laughlin of Goldthwaite; F. M. Wood, H. E. Gatlin, D. O. Bosworth, J. F. Tronson of Sanderson; Mrs. Richard Drake of El Paso; Mrs. Marshall Miller of San Antonio.

CARD OF THANKS

I will long remember the flowers, cards visits and everything that was done by kind neighbors and friends to make my stay in the hospital more cheerful and pleasant. Many thanks to each of you.

Mrs. Eva Harrell.

Guests in the home of Mr. and Mrs. Charlie Gregory last week were his sister, Mrs. A. C. Bleye, with Mr. Bleye and their son of Buffalo, N. Y.

Attending a workers' conference at the Baptist Church in Alpine last Thursday evening were Mrs. B. E. Carr, Mrs. W. D. Martin, Jr., and Rev. Claude Bridges.

A daughter weighing six pounds and fourteen ounces was born in a Del Rio hospital Friday to Mr. and Mrs. Tom Smith, their first child. The baby was named Tomi Lee.

Mrs. L. M. Wooten is in Del Rio with her daughter and baby. The paternal grandparents are Mr. and Mrs. Sid Smith of Pumpville.

To the baby goes the honor of being Terrell County's first baby of the new year.

GIRL SCOUTS OF TROOP 4 ELECT NEW OFFICERS

Members of Girl Scout Troop 4 elected officers at their regular meeting Tuesday afternoon in the Scout Hut. They were: Terry Jean Hodgkins, president; Betty Jane Robbins, secretary; Ruthie Allen, treasurer, Sheila Lynn Cox, reporter and Sylvia Lee Wood, historian.

Linda Belcher and Linda Beckett furnished refreshments for Sylvia Lee Wood, Terry Jean Hodgkins, Sheryl Rath, Paula Hanson, Betty Jane Robbins, Peggy Armstrong, Dorothy Whistler, Sheila Lynn Cox and visitors, Sandra Weber, and Yvonne Forth. Mrs. Irvin Robbins and Mrs. Tommy Carruth are the leaders.

Mrs. Ben Causey visited in El Paso for several days last week with her sister who is ill.

Mrs. James V. Hollis and daughters, Susan and Debra, of Boerne, are guests in the home of Rev. and Mrs. J. J. Spurin, planning to leave in a few days for Luxembourg to join her husband and their father, who is stationed with the U. S. Air Force.

Mrs. Ernest Haass made a business trip to Del Rio the first of the week.

INTERESTING FACTS ABOUT TEXAS
THE STATE SEAL
The present Texas seal was first adopted by the Republic of Texas in 1839. The Seal of the State has a star of five points encircled by olive and live oak branches, and the words, "State of Texas."

GET RID OF
Clothesline work
and worry

GET AN
Electric
CLOTHES
DRYER

You can say goodbye to clotheslines, pins and poles when you own an Electric Dryer. Instead of lifting, stooping and stretching to hang out heavy wet clothes, you simply pop fresh-washed clothes into your Electric Dryer, set the controls and the dryer does the rest. Your clothes come out fluffy-soft and sweet-smelling—either bone dry for folding or damp-dry for ironing as you choose. And there are no deep-set creases to make ironing a chore. Investigate the advantages of an Electric Dryer... today!

WHAT IS CINEMASCOPE?

CINEMASCOPE is a revolutionary new method of photographing and projecting a motion picture, creating for the spectator the illusion of being engulfed within the action of the scene — and this is accomplished WITHOUT THE USE OF SPECIAL GLASSES.

After years of research, costing millions, optical scientists perfected a highly intricate instrument called the ANAMORPHOSCOPE, by which the photographic grandeur of CINEMASCOPE became a startling reality.

FOR HEAVEN'S SAKE, WHAT IS AN ANAMORPHOSCOPE?

Don't let the big word befuddle you. The ANAMORPHOSCOPE is simply a complicated lens system by which the camera can 'reach out' and capture on film the entire panoramic scope of the human eyes' normal expanse of vision. Then the theatre's equally complicated new optical equipment reproduces this tremendous expanse of scene onto a panoramic screen that extends from wall to wall across the stage. The distractions of the 'frame' of the oldstyle square screen vanishes and the spectator enjoys the pleasurable illusion of actual participation as the film story unfolds.

WHAT PICTURES HAVE BEEN MADE IN CINEMASCOPE?

The greatest array of movie entertainment ever produced has been made by the CINEMASCOPE method and now that we have acquired the necessary equipment, which until now has been almost impossible to secure, we will be bringing you the finest pictures in our history. You'll be seeing "HOW TO MARRY A MILLIONAIRE," "KNIGHTS OF THE ROUND TABLE," "ROSE MARIE," "THE ROBE," "RIVER OF NO RETURN," "BROKEN LANCE," "THE HIGH AND THE MIGHTY," "WOMAN'S WORLD," "THREE COINS IN THE FOUNTAIN," "GARDEN OF EVIL," "DEMETRIUS AND THE GLADIATORS," and dozens more equally great.
