## LISTEN TO LUKE

The Spring buds forth so do politics.

It is amazing to read all of the reports by various candidates for public office. All of them are persecuted and all of them selfishly working to clear the state government of graft and corruption.

One candidate, according to his estimate of the situation, is only one who can step in and crusade—oh, how they like that—for clean government. He says that if enough of us join him in subscribing insurance business and buying more policies it will bring his financial standards up to those set by the insurance industry. That is all that would be necessary to keep any of the candidates in good graces with the insurance commission.

He didn't know that entering politics had anything to do with it, but when we get a little bit bankrupted than we realize, we can get into politics and sell to our friends to help us buy printing and office space to keep the sheriff from giving a notice up on our door. He might not get to be our mayor again, but he will probably sell a lot of insurance.

When Mr. Yarborough comes out with some kind of a deal. He has there has been a big swap so that the inside men can get the lid and cover up some of the else. If we don't miss our guess it will be Yarborough who will be covered up with the votes of the other candidates.

Price Daniel states that he is a candidate because the people want him for their next governor. The tabulation of the votes next November will settle all these and many more questions. When C. T. Johnson, last-time candidate for Lt. Gov., said that he would spend \$120 in traveling expenses in his last campaign. WOW, Johnson made one trip to Sanderson from where-ever he is and talked with us for about minutes before eating lunch but giving us an invitation to him, and left for points including even Presidio, and to El Paso before he started to where he came from. We would like to be able to make a like that on only \$120.

It is followed his suit against the TPA boss for allegedly paying \$75 toward campaign expenses of the victor in the gov. race.

Have you ever gone to the expense and trouble of driving to town slowly to enjoy the floral displays in peoples' yards?

Hardly know a poppy from any, but we know beauty when we see it.

Have some flowers of our that are pretty, but we have other's flowers that are also.

At the time of year for flag fly approaches, we are reminded in many places of business in person where there has never a flag displayed on occasions usually demand the display colors. At various times thus an has had some reminder or carelessness of many in the advance of certain days by failing to place a flag in front of or on buildings along the main street. We hope our citizens and business will be more thoughtful of the day due the flag and the occasion for which it is flown.

It is, in our opinion, a disgrace to display a soiled or frayed flag. Let us show our Memorial and the other approaching with reverence that we revere the colors and the meaning of a flag.

## Rev. Gene Medaris Ordained Friday As Baptist Minister

Gene Medaris was ordained as a minister during special services in the First Baptist Church last Friday evening. A large crowd of members and friends attended.

Rev. Claude Bridges, pastor, was chairman of the presbytery officiating at the service. Rev. C. D. Johnson of Marfa served as secretary of the conference examining committee. Rev. Jones of the Emmanuel Baptist Church of Marfa led the opening prayer. Rev. R. L. Wittner, secretary of District 7, brought the charge to the church and Dr. George Thomason, Baptist student secretary of Sul Ross College, gave the charge to the candidate.

The ordination sermon was given by Dr. W. W. Moore of Borger, former pastor of Mr. Medaris. Rev. Bridges closed the service with the ordination prayer after presenting Rev. Medaris with a Bible, the gift of the church.

All deacons present were requested to sit in council with the ministers and participate in the service. Among the deacons was Rev. Medaris' father, T. E. Medaris.

Mrs. Medaris, mother of the candidate, was also in the congregation.

Rev. Medaris was born in Kenebec, Oklahoma. He was graduated from the Borger, Texas, High School and Baylor University with a Bible major and history minor. He was in the U.S. Army three years and was stationed in Alaska. He also attended the Southern Baptist Seminary in Louisville, Ky., for one year. He is at present a teacher in the Sanderson Elementary School.

## EASTER SUNRISE SERVICE SUNDAY AT EAGLE FIELD

There will be a sunrise Easter service at the Eagle football field Sunday morning beginning at 6:30. A cordial invitation is extended to everyone to attend.

The music will be furnished by a youth choir made up of youths of the churches of the community. They have been practicing under the direction of Rev. J. J. Spurlin and L. G. Hinkle.

The gates at the field will be opened at 5 a. m.

Mrs. Chester Smith and her son, Don, have invited those participating to come to their home at the conclusion of the service for coffee, cocoa and hot doughnuts.

## Miss Elodia Garza Receives Scholarship At Legion Convention

The 16th District Spring Conference of the American Legion and the Legion Auxiliary was held in Alpine on Saturday and Sunday of last week. There were 288 Legionnaires and 192 Auxiliary members present for the 2-day meet.

New officers elected include W. R. Lowry of Odessa as commander and Mrs. Maurice Kubby of El Paso, president of the auxiliary. Odessa was chosen as the site of the fall convention.

Mrs. S. L. Stumberg, local auxiliary president, attended the meeting as delegate from the local unit. Miss Elodia Garza of Sanderson was presented with a 3-year nursing scholarship of \$600 during the business session of the Auxiliary Sunday. She was selected from candidates of the district by a three-member committee from the 16th district Auxiliary. She plans to enroll in the Shannon School of Nursing in San Angelo upon her graduation from the Sanderson High School in May. Mr. and Mrs. Reynaldo Garza accompanied their daughter to Alpine to receive the award.

Pictured above are the Sanderson High School girls' district basketball champs. They are, left to right, back row: Sylvia Littleton, Ida Esqueda, Nancy Mitchell, Myrl Gilley, Olga Alvarado, Diana Duke, Alicia Marquez, front row: Trudy Jones, Jessie Mae McDonald, Angelina Salinas, Patty Gray, Yvonne McDonald, Barbara Sudduth, Gloria Lopez, Ann Caizada, Teresita Marquez and Linda Shurley. Anabella Flores was not in the picture.

## March 31 Deadline For Wool Incentive Payment Application

Sheep producers who want to add an estimated 41 per cent extra to their 1955 net shorn wool earnings are warned that they have only until Saturday, March 31 under normal conditions to apply for incentive payment.

Producers are reminded that the payments would be made on all wool and lambs for which final settlement was made during the marketing year, April 1, 1955, through March 31, 1956. No wool shorn before January 1, 1955, however, will be covered.

To apply a producer must deliver to his county Agricultural Stabilization and Conservation office two copies of his accounts of sale of shorn wool and full-wooled lambs for slaughter. Or arrangements may be made whereby cooperative associations, pools or dealers may make applications for their producer-members or customers. All payments will be made directly to each producer by sight draft by the ASC office.

The county ASC office will also decide how much payment a producer should receive. Actually, producers will not receive their money until next summer. After the close of the marketing year, the Department of Agriculture must collect all sales records and then determine what growers on a national average were paid for their wool.

Through the end of January, the USDA estimates this was 44 cents a pound.

Should this be the final figure for the annual average, the difference between 44 cents and the guaranteed 62 cents will be 18 cents, or 41 per cent. Instead of each grower getting 18 cents a pound, however, he would be entitled to 41 per cent of his own net sales proceeds.

Incentive payments were put on this basis to give growers an extra reason for growing and marketing their wool for the best prices. For instance, a grower who sells his wool for 60 cents will receive an extra 25 cents a pound. If the annual average price is 44 cents. The grower who gets 31 cents for his wool will receive 13 cents more.

Incentive payments for pulled wool are calculated differently. For each 1040 pounds of full-wooled lambs sold for slaughter, a producer will be credited for four pounds of wool. If 18 cents a pound is the difference between the average shorn wool price and the guaranteed price, then the producer will receive 72 cents per 100 pounds.

## Trace Dwindles After Big Burglary Here On March 16

Only one item has been recovered from the loot amounting to approximately \$3,000 taken here on the night of March 15 from the James Word Motors.

The loot consisted of a 1955 Plymouth belonging to Albert Appel, about 5 premium tires and 3 standard grade tires, an impact wrench, many tools and wrenches, several items of merchandise out of the service station, auto repair manuals, check book and tax receipts and information for 1951, a brief case containing valuable papers and many less valuable items.

The recovered item, one of the premium tires, was traded for 17 gallons of gasoline in Del Rio on or about March 17. The tire had an address stamped on the wrapper which identified it as part of the loot. No further trace of the selling or trading of the stolen property has been found.

Entrance into the garage was made through a window on the west side by the use of a small jimmy to raise the window. The window from the station into the garage afforded entrance into the station proper. The car was taken from the garage out the sliding door which was fastened with a bolt from the inside. The thieves closed the door after leaving to avoid possible detection.

## P.T.A. TO MEET APRIL 5

The Sanderson Parent-Teacher Association will meet on Thursday, April 5, in the high school auditorium. The pupils of the first grade will provide the entertainment feature on the program.

The meeting will begin at 7:30 p. m.

## Banquet Thursday Honors Girl Cagers, District Champs

The members of the Evening Study Club entertained with a banquet Thursday evening to honor the girls of the Sanderson High School basketball team. Each club member also invited her husband or a guest and there were sixty present for the banquet which was served in the band hall.

Mrs. M. F. Bader, club president, was the mistress of ceremonies.

The invocation was given by Mrs. Irvin Robbins. W. H. Riley, the team's coach, introduced the eighteen members of the team and presented the awards.

The school song "For Sanderson, We Will" was sung by the group. Kenneth Shirley and Roland McDonald sang "Easter Parade" with Diana Duke providing the piano accompaniment.

Rev. Gene Medaris was the guest speaker and his subject for the after-dinner talk was "Sportsmanship".

Fried chicken was featured on the banquet menu. Announcement was made that the team had chosen Miss Nancy Mitchell as their captain.

Miss Myrl Gilley presented a traveling alarm clock to Mr. Riley on behalf of the team. A gift was also presented to Maria Silva, the team manager.

Unusual decorations were featured on the tables. The speaker's table was centered with the girls' district championship trophy. A large eagle standing on a gold basketball was against the wall back of the table.

The other tables were decorated in tall black candles tied with sat. in orange ribbons. The name of a member of the basketball team was inscribed on each ribbon and the candles were later presented to the girls. Balloon basketballs were arranged between the candles.

## Abram Adame Dies In San Antonio, Burial in Sanderson

Funeral services were held in St. James Catholic Church Thursday afternoon for Abram Adame, 72, who died in a San Antonio hospital Tuesday morning following a short illness. Interment was made in Santa Rita Cemetery with the Janes & Magill Funeral Home in charge of arrangements.

Adame was a long-time resident of Sanderson, coming here in 1889 and working as captain of a shearing crew for many years. He moved to San Antonio five years ago.

Survivors include his wife, a daughter and four grandchildren; also a sister, Mrs. Mattiana Hidalgo of New Home, Texas. Pablo Ochoa is one of several nephews and nieces residing in Sanderson.

## School Trustee Vote Slated April 7

The election for one place to be filled on the board of education for the Terrell County Common School District No. 1 will be on Saturday, April 7. The term of James Caroline expires and to date he is the only candidate to announce for the place.

There will be two polling places in the county, Sanderson and Dryden. The polls will be opened at 8 a. m. and closed at 7 p. m. and voting in Sanderson will be at the court house and at the school in Dryden.

Troy Druse will be the presiding judge of the election in Sanderson and will be assisted by Jack Deaton, Mrs. Jack Laughlin and Mrs. E. J. Hanson. The personnel for the election at Dryden will be announced later.

## SPAGHETTI SUPPER AND TACKY PARTY APRIL 7

The Legion Auxillary is sponsoring a spaghetti supper and tacky party on Saturday, April 7, in the Legion Hall. Serving will begin at 7:00 p. m. Those attending the party who are not dressed tacky will be fined.

A man's prize and a woman's prize will be offered the tackiest costumes.

A style show will be presented during the evening.

The project is a benefit affair and a cordial invitation is extended to everyone to attend, children as well as adults.

Admission will be \$1 for adults and 50c for children.

## April 1 Set As Start For Topping Work On Area Projects

According to word received this week, topping of road construction work completed this spring and late winter may be topped after April 1.

This will include the construction of the channelized intersection of U.S. 285 and U.S. 90 west of Sanderson, the final gap of FM 1217, between Dryden and Sheffield, and the seal coat work slated for this summer.

Little work is needed following the application of the final topping to the intersection as all curbing has been completed. Signs must be erected and clean-up work completed before the state assumes maintenance responsibilities.

The bridge across Independence Creek on FM 1217 has been completed and traffic is being held on the old road, pending topping of the new road. Work is still going on the Big Canyon crossing on the farm-to-market road, but construction and completion will not affect traffic, it was stated.

## Dry Texas Soil, Warm Atmosphere Depletes Moisture

Austin — Thirsty Texas soil, dried out by only half the normal January rainfall, drank up an almost normal precipitation in February and streams, reservoirs and water levels generally continued to decline.

The statewide average was 1.71 inches of rain, according to the Texas Board of Water Engineers. This is considered 96 per cent of normal for February.

The serious note sounded by the Board is that with the exception of the Houston area, underground water levels throughout the state kept on their steady downward and water stored in the major basins dropped three per cent.

It has an ominous tone for agriculture, industry and municipalities depending on these reserves.

Five observation wells in the western half of the state registered declines of one to one-and-a-half feet in water levels. Edwards Limestone wells were five to seven feet lower than last year. Springs flowing from this formation have not increased during the winter months. Legendary Comal Springs near New Braunfels while gaining slightly in February, still showed less than one-third its normal output.

Texans may well give earnest consideration to these figures, for the life of the state as well as every individual in, it depends on water.

Water consumption in the summer months just ahead will shoot sharply upward. Barring unprecedented rains, reserves will continue to shrink.

Streamflow is down in practically every major river and irrigators drawing from major reservoirs have been warned that water supplies are diminishing.

And June, July, August and September are yet to come!

Roger Rose spent the week-end here. He is working out of El Paso with the Salt Supply Company.

## THOUGHT FOR THE WEEK:

Seek the Lord, and His strength! 1 Chronicles 1:11.

True strength won't come without seeking the Lord, but having made sure that He is the Lord of your life, you may be sure that He will be the strength of your life. Our help cometh from the Lord who made Heaven and earth. — H. B. Dean.

GOVERNOR SETS TEXAS CANCER CONTROL MONTH—Governor Allan Shivers is shown above as he signed a strongly worded proclamation this week declaring April as Cancer Control Month in Texas, urging all citizens to support the educational fundraising crusade of the American Cancer Society. With the Governor are Joe Polichino (center) of Rosenberg, 1955 ACS crusade chairman for Texas, and Maxwell T. Dalby (right), crusade director for the Society's Texas Division. Governor Shivers designated April 17 as Texas Cancer Control Day—a day on which thousands of ACS volunteers will make a concerted statewide effort to tell all Texas citizens alarming facts about cancer.

**State Capitol NEWS**  
 By VERN SANFORD  
 Texas Press Association

Austin — Texans are going to have their say, if candidates have their way.

Most candidates seem to be falling into the same pattern. They want letters from the "folks" tell them to run for office.

Some want 10,000 letters — and some 25,000. Some just want letters.

It's a new way to solve the postal deficit.

Sen. Price Daniel said he received, within a week, more than 25,000 letters.

Another "letter man" W. Lee (Fappy) O'Daniel, says he's been getting them by the basketful.

Ralph W. Yarborough reports that he has received reams of unsolicited letters urging him to run.

Another gubernatorial candidate J. Evetts Haley, had this to say: "I didn't have to ask a single soul — much less 25,000 people — if I could run."

**Johnson Challenged**

In a fiery verbal blast, Texas Press Association president Russell W. Bryant of Italy told more than 100 newspapermen and women at a North and East Texas Press Association convention in Tyler that C. T. Johnson of Austin is ineligible to become a candidate for Lt. Governor.

Bryant distributed copies of a deposition taken in the 129th District Court at Austin on October 1, 1955, in which Johnson testified under oath that he spent only \$125 in traveling the length and breadth of Texas while campaigning for Lt. Governor in 1954.

According to Bryant, Johnson testified he had driven 12,000 to 15,000 miles and that his total traveling expenses for the entire campaign period, as reported by him to the Secretary of State, amounted to \$125 for gasoline, oil, tires, repairs, batteries, lodging, and meals.

Filing of an inaccurate campaign expense report excludes him from becoming a candidate, under state laws, Bryant says.

"You and I know that there is not a standard make automobile on the road today that doesn't cost nearly two cents a mile for gas, line alone," Bryant told the convention delegates.

**Capitol Area to Grow**

Texas' capitol area will take on a new look, Gov. Allan Shivers showed the Austin City Council

plans for the expansion, and addition of two ultra-modern buildings, plus nearly three blocks of additional grounds.

Sites, maps, and architects' sketches for the new state office building and Supreme Court Building were presented to the council. Both will be three million dollar structures. The Court Building will be located a block northwest of the Capitol and the office building a block northeast. They will face the Capitol and be joined by a 1 1/2 block mall across Congress Ave. Space for additional parking area also is included in the plan.

Shivers also announced that the granite quarry near Marble Falls, from which granite used in construction of the Capitol was taken, has been re-opened. It is planned to use granite from the same source for the new buildings.

Shivers is chairman of the state building commission which plans to begin immediately to acquire the necessary sites for the expansion. Contracts probably will be awarded next fall.

Financing of the building program, largest in the state's history, was made possible by a constitutional amendment allocating the surplus from the Confederate pension fund for state building.

**Law Enforcement Needs Studied**

Vigorous action on many fronts is needed to combat Texas' climbing crime rate, said speakers at the Attorney General's conference on Law Enforcement in Austin, some conclusions, after the four-day conference.

By Attorney General John Ben Shepperd; Travis County should

have an extra district court, two grand juries and a special appropriation for the district attorney's office.

**PERSONALS . . .**

H.E. Fletcher took his wife to San Antonio last week for a clinical examination, returning home Friday. Mrs. Fletcher visited with relatives while there, returning home Thursday.

Mrs. A. A. Shelton who is in a Galveston hospital for treatment is continuing to show improvement by her husband this week from her physician. She will remain in the hospital for several more weeks.

R. E. Stirman, retired T&NO passenger conductor, is in an El Paso hospital, and seriously ill, according to word received from Mrs. Stirman this week. The Stirmans are former Sanderson residents.

Mrs. V. E. Morgan and two children of Groves are visiting Mr. and Mrs. A. C. Garner this week. The Garners will take them to Laguna Friday and Mr. Morgan will meet his family there for the trip home.

Mrs. W. A. Moore and son, Kenney, of Fort Stockton were here Monday to transact business matters.

Mrs. Tommy Carruth and daughter of Dallas are visiting here with her parents, Mr. and Mrs. Vic Littleton, and family. Mr. Carruth will join his family here for the week-end and will return them home Sunday.

**THE OVERPOWERING FACT**

The one overpowering fact that today demands the urgent attention of the free people of the world is this: If Communism continues to expand its control at its present rate of growth, all the world's two-and-a-quarter billion people will be at the mercy of a Red dictatorship within 10 years. This should be a shattering fact to Americans. But the tragedy is that only a comparatively few will accept it as fact. It is too unpleasant to think about. And yet it is a fact indisputable as night and day.

The rise of Communism to power in Greece and the showing of its dominant power in France within recent weeks should ring a bell in the mind of every free person in the world — a bell crying out a terrible danger. No wonder the Red bosses — Bulganin, Khrushchev, Molotov and Mikoyan — daily try new methods to lull the free nations into a still deeper sleep . . . such as speeches questioning the actions of the dead Stalin who served the brutal conspiracy so well.

**Growing Constantly**

Every intelligent, serious student of Communism knows that the Red plan for taking over the world is proceeding with astounding speed. If they can just keep things moving as they have moved in the last ten years — and cultivate the apathy of the dwindling nations of free people — their goal will be achieved. This is the plain fact. It is written in the record for every human being to see.

Ten years ago the international Communist conspiracy which has its headquarters in Moscow's Kremlin had absolute control over 190 million people — and that's all.

**FAMOUS TEXANS' RECIPES**

**Carried Beef Appeases Hunger, Says Houston Theatre Director**

Nina Vance

Nina Vance, one of America's outstanding theatre women, says her favorite beef dish is "Bengal curry of beef," a hearty one for hungry actors.

Founder and director of the Alley Theatre nine years ago, following study at Texas Christian University and the American Academy of Dramatic Arts, Mrs. Vance knows what ravenous appetites actors have when they finally take time out from script study, rehearsals and performances to eat. Actors are notorious for unlimited capacities and Mrs. Vance's favorite recipe is a good "filler," especially on opening nights when the cast has been too jittery before the performance to eat.

Work with her Alley Theatre, which is famous throughout the United States, has brought her in contact with such famous actors and actresses as Spring Byington, Joseph Calleia, Erin O'Brien-Moore, Albert Dekker, and Fay Bainter, some of whom have been delighted to give her one or two of their favorite recipes. Mrs. Vance is known for her courage and ambition for Houston theatre in introducing works which challenge these famous theatre personalities on her arena stage.

A native Texan from Yoakum who knows good beef when she eats it, Mrs. Vance was chosen as the only theatrical personality to be featured in Charm Magazine recently on famous career women. The magazine compares her struggle in Houston to bring good theatre to audiences to that of any wildcat drifter. Each play has been a gamble on a gusher or a dry

well, and Houston response has proved she is successful.

The famous career woman says that her favorite beef dish to prepare after the opening credits can be prepared after the opening credits. In fact, she prefers to make it the morning before a performance and refrigerate it until time to leave for the theatre. This gives flavors time to blend. By removing the dish from refrigerator just before the performance begins, it has several hours to warm to room temperature.

**BENGAL CURRY OF BEEF**

- 1 pound top round or sirloin, cubed
  - 2 tablespoons fat
  - 1 tin tomato paste
  - 1 medium onion, chopped
  - 1 clove garlic, minced
  - 1/4 teaspoon turmeric
  - 1 small piece cinnamon stick
  - 1 tablespoon curry powder (light or heavy, in your taste desired; but don't overdo it)
  - 1/4 teaspoon thyme
  - 1 teaspoon paprika
  - salt to taste
  - water
  - white wine
- Saute onion, garlic, ground seed and cinnamon in fat and beef, curry powder, paprika and thyme. Brown about 10 minutes, stirring occasionally. Scrape brown from pan; add tomato paste and salt. Cover with white wine and water (half and half) and simmer until meat is just tender — about 20 minutes. Correct seasonings and transfer to casserole and refrigerate.
- Serve with saffron rice and the usual condiments — shredded fresh coconut, peanuts, raisins, chutney, hard-boiled eggs. While the rice is cooking, re-heat curry in hot oven (425 degrees) about 20 minutes. Serves 4.

The Reds had not taken over Poland. They hadn't engineered their coup in Czechoslovakia. They did not hold Manchuria. Stalin and his henchmen were shaking hands and smiling graciously with Chiang Kai-Shek (then a member of the "Big Five") and China's nearly 500 million people were free. The Reds had not seized Hungary, or Bulgaria, or Rumania. And the Communist Fifth Column throughout the world had not begun to be recognized as a menace by Western political leaders. The free world, including the U.S.A., was accepting the Soviet Union as a good neighbor — one of the family in the newly organized United Nations.

**In Ten Years**

In the 10 years since World War II ended (Sept. 2, 1945) and the U.S. and Communist Russia sat down together in the U.N. (Oct. 24, 1945), Communism has closed the Iron Curtain around 900 million people. Poland has gone . . . Manchuria . . . Hungary . . . Bulgaria . . . Albania . . . Rumania . . . China with its vast resources and nearly half-billion people . . . Czechoslovakia . . . Tibet . . . half of Germany . . . North Korea (and 20,000 American lives) . . . the Baltic States, etc. In total, the free world has given up 693 million people and six million square miles of territory in 23 countries! In addition, The Red International Fifth

Column, belatedly scrutinized by the U.S. Congress, today has more than five billion conspirators in the nations outside the Curtain, working for their downfall. In some of these the Communists have already become the dominant power.

In France, where for too long the infiltrating Communists were not taken seriously, the Reds now hold the dominant political and governmental power. Whoever serves as Premier of France does so by permission of the Communists. In Greece, the Reds have been amazingly successful; working quietly they have now become a threatening political power. In Italy, the Communists are in such strategic positions (with nearly two million Party voters, they can probably take over when they choose to concentrate on that nation.

**Closing In**

Dictator Tito in Communist Yugoslavia has made his peace with the Kremlin bosses. The Arab countries have opened themselves to heavy infiltration. Socialist Israel has heavy Red concentration in its dominating Left Wing parties. Objective observers who have been in India say the Communists are strong enough to sabotage any effort that nation might put up if invaded England, with her vital strength weakened under Socialism, could be brought to her knees internally by Communist controlled labor unions.

When we go further and closely examine the inroads made by the Communists in Central and South America, and note the rising political voice of the Canadian Reds, we begin to get the whole shocking picture of Communist expansion. The fact then is apparent: If the Reds' rate of growth continues for another 10 years, America — and America alone — might possibly still be free. But it would be a tiny speck overshadowed by the most monstrous force in world history.

**Praline Pie - An Elegant Party Dessert**

Want to serve the bridge club a really elegant dessert next time they're your guests? Here it is - Rich and delicious...the perfect party dessert... Praline Pie. For the wonderful praline taste in the filling, you use brown sugar flavored penuche quick fudge mix with a dash of maple extract added. A generous amount of toasty pecans makes the crunchy praline-like topping as the pie bakes.

Garnish Praline Pie with a border of whipped cream or serve each piece with a small scoop of vanilla ice cream. One pie serves 8 to 10 amply.

**PRALINE FUDGE PIE**

- 1 unshaken 9" pastry crust
- 1 pkg. penuche quick fudge mix
- 1 egg
- 1/2 cup melted butter
- 1/2 cup water
- 1 tablespoon maple extract
- 1/2 cup pecan halves
- whipped cream or ice cream

Prepare pastry crust from your own recipe or packaged mix. Put penuche quick fudge mix into a bowl. Add eggs, melted butter, water and maple extract. Beat with rotary beater until thoroughly blended. Stir in pecan halves. Pour into pastry crust. Bake at 350°F. for 45 minutes until filling is set. Cool. Decorate edge of Praline Pie with whipped cream or serve each piece with a small scoop of ice cream.

THE STATE OF TEXAS COUNTY OF TOM GREEN

TO WHOM IT MAY CONCERN: The undersigned, Frank Sublett Catlin, gives notice that he has recently discovered facts which give him good reason to believe that he may have been mistaken in his belief that he was a limited partner in a limited partnership purportedly formed by Mr. Walter E. Bauerle and Mr. A. D. Williams under the name of "Dryden Stone Quarries Ltd." Having received information that Walter E. Bauerle and A. D. Williams may have failed to comply with the Texas Statutes governing the formation of limited partnerships, Frank Sublett Catlin hereby renounces any and all interest in the profits of said business.

Frank Sublett Catlin further states that Walter E. Bauerle and A. D. Williams executed a certain note for \$1,200.00 payable to the undersigned and dated February 19, 1955, and represented in said note that it entitled the undersigned to a 1 per cent interest in the profits of the business as a limited partner and that they, Walter E. Bauerle and A. D. Williams, had formed a limited partnership with themselves as principal or general partners. Should Walter E. Bauerle and A. D. Williams contend and prove in a court of competent jurisdiction that a limited partnership has in fact been properly formed under the laws of the State of Texas, then this constitutes notice by the undersigned of his demand for the payment of all past-due installments on his note for \$1,200.00, or in the alternative, should the money advanced by him be considered a contribution to capital (which is denied) this constitutes a demand for the return of his contribution of \$1,000.00 to the capital of the partnership; and this further constitutes notice of Frank Sublett Catlin's demand for dissolution of said partnership.

FRANK SUBLETT CATLIN By Patricia H. Marschall, his Attorney.

THE STATE OF TEXAS COUNTY OF TOM GREEN

BEFORE ME, the undersigned Notary Public, in and for Tom Green County, Texas, on this day personally appeared Patricia H. Marschall, known to me to be a person whose name is subscribed to the foregoing instrument, as Attorney-in-Fact, and acknowledged to me that she subscribed the name of Frank Sublett Catlin thereto as principal and her name as Attorney-in-Fact, and that the said Frank Sublett Catlin executed the said instrument by and through her for the purposes and consideration therein expressed.

Famous bulletin from Mobilgas Economy Run FORD WINS IN ECONOMY TOO! V-8 WINS CLASS A In this year's Economy Run a new Ford V-8, with Fordomatic, was the official victor over every car in its field, with a winning average of 47.7643 ton-miles per gallon. This means that the sturdier, heavier Ford carried more weight, with greater gas economy per pound, than any car in its field. This latest Ford victory was scored over a rough and rigorous 1,468.8 mile route running from Los Angeles to Colorado Springs. Through the heat of Death Valley and over chilling mountain heights... through gas-eating city traffic and over the straight-line open road... Ford proved anew its traditional reputation for economical performance. The winning Ford was a regular-production model taken right from the assembly line. It was no different than thousands of '56 Fords you see on the road and in dealer's showrooms. This proves that Ford, the Performance, Style and Safety leader, leads in Economy, too! That adds up to four big reasons why the '56 Ford is worth more when you buy it, while you drive it, and when you sell it, too! Test Drive the Economy Winner... '56 Ford FERGUSON MOTOR CO.
