SANDERSON, TEXAS, FRIDAY, SEPTEMBER 21, 1956

NUMBER 32

Ranch Home of Hugh Roses Lost In Fire Tuesday

A fire which was reported to local volunteer firemen about 10 a. m. Tuesday completely destroyed the ranch home of Mr. and Mrs. Hugh Rose. The fire was of undetermined origin and neither Mr. nor Mrs. Rose were at the ranch at the time of the conflagration.

All of the furnishings, clothing, fixtures and personal belongings in the house were destroyed by the blaze which had completely consumed the house before the arrival of the firemen.

The house and contents were partially covered by insurance.

The ranch is about 24 miles from Sanderson and about 12 miles off of the highway.

Outbuildings at the ranch were saved by a strong south wind which blew the blaze away from all of the outbuildings. A building just west or in back of the house was damaged by heat and slight fire damage caused when asphalt siding ignited. The blazes on this building were extinguished by laborers at the ranch.

The house was built about 1924 and was of frame construction with asbestos siding.

The large trees at the front of the house were severely damaged by the blaze and heat.

Two New Teachers Complete Faculty Of Local Schools

With two new additions to the faculty of the Sanderson schools this week, a full corps of teachers is now on duty.

Mr. and Mrs. Lester S. Souter are the two new teachers. He is teaching social studies in the sixth and seventh grades, relieving Gene Medaris, who has been substituting since the opening of the term. Mrs. Souter is teaching homemaking in the high school, a place filled by Mrs. Tol Murrah as substitute.

The Souters came from Arkansas where they have had several years teaching experience. This is their first year in the Texas system.

They are residing in the Mansfield home.

Rutherford Talks At Lions Meeting

U.S. Rep. J. T. Rutherford of Odessa was a guest at the Sanderson Lions Club last Thursday. He was the principal speaker for the after-lunch session.

Rutherford gave his views concerning several issues of national and world importance and ended with a question and answer period.

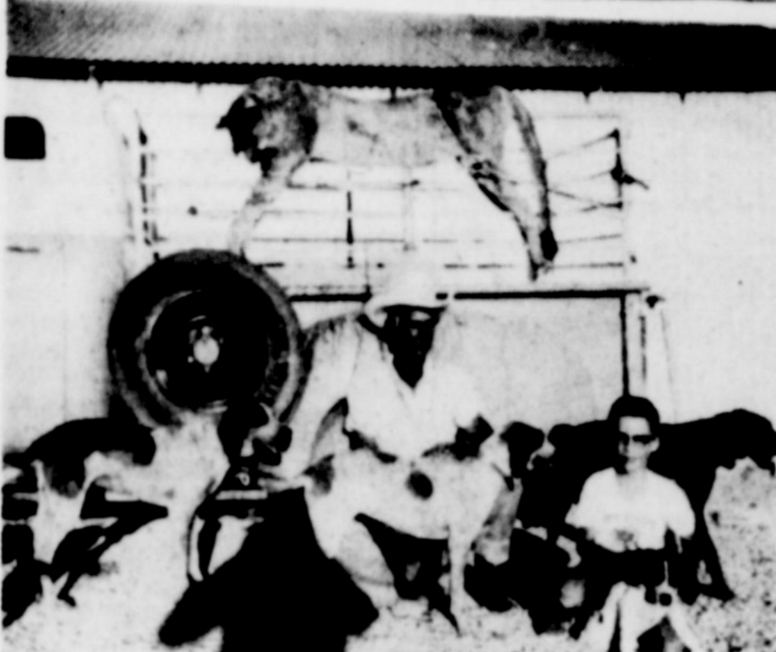

Rutherford stated that he was unequivocally opposed to foreign aid of any kind, that he was opposed to intervention into foreign affairs and condemned those proceedings which led us into the Korean conflict. He openly condemned "the present administration's errand boy, John Foster Dulles".

He stated that he favored the U. S. acting only as a consultant in foreign affairs and then only when asked by both parties of a disagreement. He quoted his agreement to the policy of Theodore Roosevelt — "speak softly but carry a big stick" and the George Washington practice of strict adherence to the lack of implication in foreign affairs.

Rutherford was quick to add that he was not an isolationist.

He also stated that he was opposed to government aid to education.

Rutherford cited several personal experiences with various types of legislation since he has been the representative from the 16th Congressional District, and also gave many interesting details of the workings of the legislative branch.

Roy Deaton, local rancher, is pictured above with his son, Roy, Jr., his three favorite hunting dogs, and the kill he made Sunday morning. Deaton had been told of panther trouble on the John Harrison ranch south of Dryden and such tales trigger action on his part. He left Sanderson early Sunday morning and with the help of a laborer on the Harrison ranch, found a fresh kill at 8:00 a. m. The dogs soon put the panther in a cave on a bluff and Deaton had a dead panther at 9:30 a. m. The panther is one of the largest brought in in many years. It was dark red in color with slate-colored ears.

Scouting Movement For Local Youths Hits Biggest Proportions In History

Mrs. Ben Causey, co-ordinator for the Boy Scout movement in Sanderson, has made the following appeal to local citizens after a new troop of Explorer Scouts was organized Tuesday evening with seven members. Elmo Searcy will be the leader of the new troop.

"Sanderson is fortunate to have one of the most complete Scout programs it has had in many years. We have 56 girls in six troops of Brownie and Intermediate Scouts under the leadership of 12 leaders and assistants. A seventh troop is now in the planning stage, depending on the willingness of the girls in the Senior Girl Scout age.

"In Boy Scouts we have a troop of 15 boys and a Pack of 15 Cubs under the direction of six Den Mothers. Two adult leaders are working with the Boy Scouts.

"An Explorer Post for boys organized. These boys met Tuesday night at the Scout House with Elmo Searcy, their new leader. The Explorer Post will continue with the "work project" begun this summer and will do odd jobs after school and on week-ends. A boy need have no previous Scouting experience to join the Explorer Post and it is hoped all teen-age boys will take advantage of this opportunity to be a member of this group.

"The entire local Scouting program was made possible by many hours of hard work and planning by your Scout Committee and the only thanks they ask for is for presents to investigate the wonderful advantages of Scouting and to see that their child attends meetings regularly and on time once they become members."

Inspector Gets Special Schooling

D. T. Flowers, field inspector for the Texas and Southwestern Cattle Raisers Association at Marfa, has recently completed a special school for field inspectors conducted by the Texas Department of Public Safety at Austin.

Flowers, who represents the association in a 7-county area surrounding Presidio County, holds a commission as a special Texas Ranger and is employed as a field inspector for the association that has a membership of 10,000 ranchers in the Southwest with headquarters in Fort Worth.

The school was conducted by members of the staff of the Texas Department of Public Safety and was designed to acquaint association inspectors with the latest techniques in law enforcement work particularly in cattle theft cases.

Methods of apprehending cattle thieves have changed considerably since the days of cattle rustling on the open range. The school gave association inspectors a look at the Department of Public Safety's latest law enforcement procedures and is an example of the many services the association is rendering to its membership and the cattle industry to keep cattle theft at a minimum.

Instructors at the school included Col Homer Garrison, Jr., director of the department, and leading members of his headquarters staff.

Subjects covered included criminal law and investigation, chemical aids to the investigator, criminal reports, firearms, toolmarks, and plaster casts, fingerprinting, photography, scientific lie detection and interrogation.

As a field inspector in this area, Flowers' duties include checking cattle brands to determine ownership of cattle being moved; investigation of stray and stolen cattle reports and the apprehension of cattle thieves.

Flowers' territory consists of Terrell, Culberson, Jeff Davis, Pecos, Presidio, Reeves, and Brewster Counties.

Local Men Tour Santa Helena Canyon

Elmo Searcy, W. J. Ferguson, Jr., and Sid Surratt and Tom Ivy of Monahans made a trip through Santa Helena Canyon on the international border and in the Big Bend National Park last Sunday.

The trip was made in a 12-man rubber raft with 3-horse motor.

The men went into the canyon at Lajitas at 7:10 a. m. Sunday and came out of the canyon at 1:20 p. m., 6 hours and 10 minutes for the approximately 18-mile trip.

Harold Schmidt went with the group and, after unloading the men and supplies, drove the car to the mouth of the canyon to pick them up.

The trip was very interesting, according to the group, who stated that the river was up about 4 feet and narrow and very swift in places.

The canyon, they stated, is very colorful and the men encountered many beaver dams and saw lots of blue-wing teal in the canyon.

Many still and movie film were used in recording a pictorial record of the trip.

Mr. and Mrs. H. A. Smith returned Tuesday from Lafayette, California, where they had visited with her sister, Mrs. F. L. King, and Mr. King. The Kings took them to northern California to visit other relatives.

Commissioners Go To Highway Hearing In Austin Thursday

County Judge R. S. Wilkinson, Commissioners F. M. Weigand, John Harrison, Sid Harkins and Charlie Turk made a trip to Austin this week to appear before the Texas Highway Commission.

Jack Hayre, county attorney; N. M. Mitchell, and Rev. John W. Byrd were also in the group.

The purpose of the trip was to appeal for funds for the paving of the highway connecting US 285 with the FM 1217 from Dryden to Sheffield. The present road approaches the Sanderson - Fort Stockton road about 18 miles out of Sanderson and hits the Dryden-Sheffield road about 10 miles out of Sheffield.

Both ends of the highway are in Pecos County and that county put about six miles of surfacing on the south end of the road, or off of the US 285, about three years ago.

The surfacing of the stretch of unpaved road, presently maintained mostly by Terrell County Commissioners of Precinct Three and Four, would greatly improve travel facilities for ranchers in the north and north-central part of the county by providing them with surfaced access roads to and from local trade areas, as well as an access road to and from central trade cities. It would facilitate the movement of livestock to and from the ranchers as well as give a shorter access route to market for livestock.

The road would be beneficial to Sanderson and southwestern Terrell County residents by providing a shorter, more direct route toward central and north Texas cities.

County officials have been contemplating and planning such an appeal since the completion of the FM1217 project and had written to the Texas Highway Commission for a date for appearance before that body. The Commission gave the county officials the September 20 date for the hearing.

Local county officials informed the Terrell County Chamber of Commerce highway committee and the Chamber as a whole of the culmination of their plans for the appeal and invited members of the Chamber and of the highway committee to attend the hearing with them if possible.

TB Assn. Board Meets Monday

The quarterly board meeting of the Terrell County Tuberculosis and Health Association was held Monday evening in the Turner Hotel.

Announcement was made that the materials for the annual Christmas Seal sale had been received by the chairman, Mrs. J. T. Williams.

Mrs. Web Townsend, president, gave a report on the recent TB skin tests sponsored by the association and made by Dr. Jack M. Sexton.

A total of 68 children received the test. Of 73 children starting to school this year, 49 received the test with the remainder of the tests going to pre-school children.

Two reactions to the test were discovered and follow-up work will be done for the two children by the association.

CAKE AND PIE SALE PLANNED BY O.E.S.

The local chapter of the Order of Eastern Star is sponsoring a cake and pie sale on Friday, September 28, at Ferguson Motor Co. The sale will open at 9 a. m. Cake and pie will be served by the slice with coffee or sold whole to be taken home.

The project is planned to assist the local Masonic Lodge in defraying the expenses in the redecorating and the repairing of the Sanderson Masonic Hall.

EAGLES SHOT BY COWBOYS 28-13; TO PLAY RANKIN HERE FRIDAY NIGHT

The Sanderson Eagles were shot by the Grandfalls-Loyalty Cowboys on the local gridiron last Friday night by a 28-13 score. They will meet the Rankin Red Devils here Friday night.

Grandfalls is a Class B team but boasts one of the heaviest teams in this area, having three 200-plus pounders and several in the near-200 bracket on their roster.

Grandfalls drew first blood in the first quarter when they passed into the end zone from about the 14-yard line for the first TD.

The extra point conversion was an end run.

Sanderson in the same period made a new ball game out of it when Kenneth Shurley took the after-TD kickoff for 75 yards and an Eagle score. The extra point try failed.

Grandfalls, also in the first period, broke the Eagle defense to permit Dean Taggart, tailback, to go 58 yards for their second TD. The extra point try again was good and the first quarter closed with Grandfalls leading by 14-6.

In the second quarter Grandfalls worked down to the Sanderson 1 from where it was taken over and another running play gave the visitors the extra point.

Another sustained drive in the same period gave the Cowboys their fourth tally and extra point.

The half-time score was 28-6.

Sanderson's second score came in the third period when Shurley lashed a handoff to two different team mates and reversed into an open field and went 37 yards for the score. The extra point try was good on a running play in which Irvin Robbins took the hand-off from Shurley.

Grandfalls had one TD called back in the third period and failed to make a serious threat during the second half otherwise.

Sanderson was on the short end of the yards gained in scrimmage and only made five first downs to 11 for Grandfalls. The Eagles tried 5 passes and completed 1 and had 1 intercepted. Grandfalls tried 5 passes, completed 2 and had 1 intercepted.

Sanderson was penalized 4 times for 30 yards and Grandfalls was penalized 12 times for 70 yards.

Two lost fumbles did no good for the Eagles' offensive cause.

The Rankin Red Devils, another Class B school, is expected to be troubled with the much-improved Eagles.

The local game will begin at 8 o'clock.

The Sanderson team showed much more spirit and ability in their last game in comparison with the season opener against Fort Stockton. The Eagle line was working much better offensively and defensively and the backfielders were finding the line openings much better than the week before.

Barring injuries received in practices this week, the Eagles are scheduled to be full strength for the Red Devils. Coaches Smith and Harmon have moved W. D. O'Bryant into the center slot, and will use Raymond Elrod as a substitute in that position, thus relieving Shurley of those duties in case of necessity. Shurley will be able to work full time in the backfield with Irvin Robbins, Pres Escamilla, and David Graham, other regulars.

The linemen starters were Joe Borrego and Butch Stavley on the ends, Reynaldo Garza and Armando Gutierrez at tackles, and Brucks Bader and Armando Ochoa at guard slots.

New Officers Named For ASC Committee

A relatively light vote was cast by eligible voters in naming the 1957 ASC Committee in a county-wide election completed Tuesday.

The elected members are: John W. Carruthers, Jr., chairman; Jack Hardgrave, vice-chairman; Jack Harrell, regular member; E. E. Harkins, Jr., first alternate and Don Allen, second alternate.

The tabulating committee, composed of Herbert Brown, Herman Couch and T. A. Herring, noted that this election was one of the closest of any held in the county for the naming of a committee.

Only 41 per cent of eligible voters voted in the election.

Terrell County ranchers are reminded that the handbook with the approved conservation practices and specifications, is in the process of being drawn up. The recommendations for practices not normally included in the handbook will be considered at this time. Ranchers may discuss their ideas with the newly elected committee or leave their suggestions with the local ASC office.

The out-going committee includes: Roy Deaton, chairman, G. K. Mitchell, vice-chairman and E. L. Harkins, Jr., regular member.

R. J. Cooke's Funeral Sunday in Ozona

R. J. Cooke, 81, died in an Ozona hospital last Friday evening after being ill for several weeks. Funeral services were in the Baptist Church of Ozona and burial was made in that city.

He was a pioneer Crockett County resident and had operated a meat market for many years in Ozona. He owned the Ozona Stockman, county newspaper, at one time, selling it to the present owner-editor, W. Ewart White in the early 1920s. He was also a lifetime member of the Baptist Church.

Mrs. Cooke, the former Lucinda Patrick, to whom he was married in Ozona in 1898, died in 1920.

Survivors include two sons, Greene Cooke of Sanderson and Cleophus Cooke of Ozona; four daughters, three brothers and a sister, several grand children and great-grandchildren.

Mr. and Mrs. Greene Cooke and Peggy, Mr. and Mrs. Dudley Harrison and Marshall Cooke attended the funeral services, returning to Sanderson Sunday night.

Western Auto Stores Opens Branch Here

Western Auto Associate Stores have installed a complete stock of merchandise at the Sanderson Butane and Appliance and will operate as a home-owned associated business under the management of Dick Moore who recently moved here with his wife from Fort Worth. They are occupying the apartment in back of the store.

Mr. Moore is the son of W. A. (Bill) Moore of Fort Stockton.

The grand opening for the new business will be Friday and the public is invited to drop in and see the new line of merchandise on display.

THOUGHT FOR THE WEEK:—

"As touching brotherly love... increase more and more." — 1 Thessalonians 4:9, 10.

There is one sure thing if our love for God is on the increase then our love for one another cannot remain the same. Love suffereth long and is kind — H. B. Dean

THE SANDERSON TIMES

Entered at Post Office in Sanderson, Texas, July 22, 1908, as second class mailing matter, under Act of Congress March 8, 1879. Published Every Thursday at Sanderson, Terrell County, Texas

L. H. and J. A. GILBREATH, Publishers - Editors

Subscription Rates (To be paid in advance) One Year - \$2.50 Six Months - \$1.50

By VERN SANFORD, Texas Press Association

Austin - Atty. Gen John Ben Shepperd has asked the press of Texas to sponsor 12 bills in the 1957 Legislature. They pertain largely to publication laws. In Shepperd's opinion, such laws would have prevented the land, insurance and Duval County scandals.

Shepperd, whose term expires in January, addressed the 6th Annual Fall Meeting of the Texas Press Association in Austin.

He recommended the passage of legislation that would require the Land Office to publish an official notice in a newspaper in the home county of each veteran applying for a loan under the Veterans' Land Program. This, so that the hometown people will know that such application has been filed.

Also suggested was publication of a financial statement by insurance companies, such as is required of banks and building and loan companies handling the people's money.

A strict law, making it "an absolute, mandatory requirement" that all elected public officials handling the public's money make a public accounting of same at regular intervals was cited by Shepperd as a necessity "to protect the honest public official as well as to protect the public from the dishonest public official."

Much deception is being fostered upon the people by failure of some officials to publish the full text of ordinances, said Shepperd. He referred to the publication of descriptive captions only, or mere titles, which do not give sufficient notice to the public.

He cited the imperative need for publication of annual financial statements by each school district - before another scandal rocks the state. Ditto for publication of the proceedings of county commissioners' courts, and meeting of all boards, commissions and other agencies of a State, City, County, or other political subdivision - and opening these meetings to the public.

Other needed laws dealt with means of recovering money unlawfully expended or misappropriated; the hiding of public records; requiring special audits; fixing penalties for filing false reports; establishing venue for the prosecution of any state official who refuses to testify on the grounds of self-incrimination.

Shepperd emphasized his remarks with this statement: "It is the duty of the press to keep the door of the public office open - to see that public officials remain public in every sense of the word. For this purpose, this country has created and maintained a free press."

Fund Regulation Urged A bill to regulate labor union welfare funds is to be introduced in the next legislature. Rep. Tom Joseph of Waco said in a recent Austin statement he

will back such a law. Supervision would be either by the Insurance Commission or State Banking Department, he said.

Joseph said he believed an excessive portion of welfare payments goes to union fund managers, and too little to workers.

Roads of the Future Highway construction under the new multi-million-dollar federal-state building program is designed to meet anticipated traffic conditions of 20 years from now.

State Highway Engineer D. C. Greer said crossroads and railroad crossings will be either separated or eliminated. Hills will be graded down to allow for speeds of 70, 80 and 90 miles per hour, depending on location. Roads will be either four-lane or two-lane with right-of-way for two more.

Texas' share of the projected nationwide highway network will be 2,900 miles.

Roughage Program Under Way After numerous delays, drought-hit Texas farmers now are getting federal aid to buy roughage for cattle.

Certificates good for \$7.50 per ton are being issued through nearly 200 county offices of the Farm Home Administration. Hay, cottonseed hulls, corn shucks, and corn cobs are classified as roughage. Already a price rise in hay has been unofficially reported.

One million dollars was allocated for the program. Some farm leaders have predicted this will not be enough but FHA officials say more money would be forthcoming if needed.

Crop Forecast Down Dwindling prospects in dryland areas have caused the U. S. Department of Agriculture to revise downward its estimate of Texas' 1956 cotton crop.

Forecast now is 3,460,000 bales. This is 140,000 bales less than originally predicted, 579,000 less than the 1955 crop.

"Pappy" to Run Regardless W. Lee O'Daniel is going to "personalize" the general election ballot.

Immediately after the State Supreme Court announced that his name could not appear on the printed ballots, "Pappy" said it will be written in "by the hands that rock the cradles... and their husbands and their grown sons and daughters." Then he announced that he

would conduct a write-in campaign.

Secretary of State Tom Reavley had refused to accept O'Daniel's filing as the nominee for governor on the ticket of the Constitution Party because the former governor had been defeated as a candidate for the same office in the Democratic Primary this year. And the court upheld Reavley's contention.

Short Snorts Index of prices received by Texas farmers and ranchers has dipped two per cent, according to the USDA. At the same time farmers' living expenses rose two per cent.

Twenty-one more Texas counties have been designated drought disaster areas by USDA.

Thefts committed in Texas have increased 14.8 per cent during 1956, according to the Department of Public Safety. Murders and homicides have decreased slightly. Total so far for 1956 is 437.

Mr. and Mrs. Carlos Dunn and children have moved to the W. C. Cargile home. Mr. and Mrs. Gene Litton, who bought the E. W. Martin home where the Duns were residing, moved to their new home Monday.

Dr. and Mrs. Jack Sexton and son, Jackie, will occupy the Kerr rent house vacated by the Gen. Littons.

Mrs. Martin Felix and son of Wichita Falls visited here last week with her parents, Mr. and Mrs. Francisco Venegas.

Mr. and Mrs. Paul C. Brown of Del Rio are occupying the Happy rent house.

Mr. and Mrs. Robbie Fred and

ROYAL CAFE GOOD FOOD DEL RIO, TEXAS

son of Rocksprings visited here last week with their cousins, Mr. and Mrs. E. H. Jessup.

Mr. and Mrs. Hollis Haley and daughter have returned to their home in Carlsbad, N.M., after visiting here with his aunts, Mr. and Mrs. Roy Haley, her mother, Mrs. Lizzie Billings, and with other relatives.

Mr. and Mrs. Don Barber and daughter have gone to Andrews after visiting here with her parents, Mr. and Mrs. Roger Rose. Mr. Barber will be employed by the Humble Oil Co.

Mrs. Roger Rose took her daughter, Miss Joy Rose, to Denton Saturday to enroll at N.T.S.C. Mrs. Rose is in San Antonio this week for treatments.

Word has come from Mrs. A. H. Zuberbueher, who has been at the bedside of her mother in Bellville for several weeks, that her mother's condition is regarded as critical.

Mrs. B. E. Carr of Flatonia, a former resident, was called to Huntsville last week after her father had suffered a severe stroke.

Mrs. C. I. White returned home last week from San Antonio where she had visited with her sister, Mrs. E. D. Pipes, and family.

We have HUNTING LICENSES and all kinds of SHOTGUN SHELLS. James & Magill, adv Mr. and Mrs. Lloyd Cowan and Don were week-end visitors in Flatonia.

Mrs. S. J. Burchett entered an Alpine hospital Monday for a check-up.

Rev. N. Femenia and his guest, Mrs. George Funoll of Santa Fe, Argentina, S. A., and Willie Banner made a trip to Carlsbad and the Caverns Monday.

C. L. Surratt had major surgery in a Houston hospital Tuesday. Mrs. Surratt is in Houston with him.

E. P. Halley was taken to Fort Stockton Wednesday for examination and X-rays. He was injured in a fall at his home last week when his crutches slipped. He is scheduled for orthopedic surgery in a few days, a bone in his upper leg being fractured.

Mrs. Clarence Chandler and her

daughter, Mrs. Keesey Kimball, Jr., of Alpine, attended a meeting of A&M Mothers Club at Indian Lodge Tuesday. There were seven members present.

Mr. and Mrs. F. H. Talbot made a business trip to El Paso the first of the week.

Rev. James A. Willshire attended a meeting of the Methodist pastors of the Pecos Valley district in Crane Tuesday.

Mrs. W. A. Moore and son, Ken-

ny of Fort Stockton are this week to assist in the

ing of stock for the opening at the Western Auto Supply

ing Friday. Mrs. T. R. Arrington was San Antonio the first of the

for a medical check-up. B. T. Corder of Las Cruces, M., is visiting here with his brother, Mrs. Mary E. Mitchell, brother, R. E. Corder, and other relatives.

Listen to Luke

(Continued from page 1)

ers that is superior to the one now in effect. It is thought the proposal would encourage those already in the profession to remain with their present jobs, and at the same time entice students into the profession of school teacher.

We would certainly call the attention of the voter to this particular proposal and urge their consideration for its passage.

Most people who use the post office pens have a big gripe about the scratchy points and the poor quality of the writing instruments.

Recently the P. O. Dept. decided to install a ball point pen that was specially designed so that it could not be removed from the chain without rendering it useless, and the point was also not retractable and therefore could not be carried in the pocket.

Lo and behold, Clyde Griffith, local postmaster, reported four of the pens stolen the first week they

were installed locally. Why would people go to the trouble to steal an item they couldn't use? Well, let's not gripe because we don't get the best there is for nothing.

It is discouraging when one gets some service free, regardless of its worth, only to abuse the service until it is no longer available for anyone.

CARD OF THANKS

My sincere thanks to all those who helped make the week-end celebrations a success; especially the railroad company, local officers, the Sanderson Roping Club, Juan Villa and everyone who did anything toward the success of any or all of the events.

Baldo Gonzales

CARD OF THANKS

With grateful hearts, we wish to express our appreciation for the flowers, cards, and words of sympathy that came at the time of our recent sorrow.

The Greene Cooke Family.

Girl Scout Troops Begin Meetings

Girl Scouts of Sanderson have begun meeting for the current year's work.

Girls under the leadership of Mrs. Gene Nelson and Mrs. Buster Babb met Monday afternoon for their organizational meeting.

Members present were Sharon Trlica, Linda Babb, Barbara Cates, Bonnie Fisher, Donna Hill, Ada Lee Riggs, Elaine Stanley, Diane Tronson, Francie Wilson, Paulette Robinson and Patty Graham.

Officers elected were: Linda Babb, president; Ada Lee Riggs, vice president; Francie Wilson, reporter and Sharon Trlica, treasurer.

This troop is planning an outing at the Jack Riggs ranch Friday night and Saturday.

The troop meets every Monday at 4:15.

Mrs. J. A. Gilbreath met with the girls of last year's Troop 2 to find out if the girls wanted to continue their Scouting activities. This unit will have another meeting Monday evening at the Scout house.

Mr. and Mrs. L. D. Booker, Jr. made a business trip to Del Rio Saturday.

Mrs. W. B. Ivy Dies Last Thursday

Funeral services were held last Saturday in Vanderpool for Mrs. W. B. Ivy, 89, who died Thursday morning in a Sabinal rest home after two months' illness. Burial was made in Vanderpool.

Mrs. Ivy is survived by five daughters, including Mrs. W. M. Cruse and Mrs. W. R. Turner of Sanderson, four sons, twenty-seven grand children and twenty-seven great-grandchildren.

The former Emma Jane Jones, Mrs. Ivy was born in Hood County. With her late husband she had resided in the Vanderpool community for over 65 years. Mr. Ivy died in 1951.

TS&GRA To Meet in Big Lake

Directors of the Texas Sheep & Goat Raisers Association and members of this general area will meet in Big Lake Saturday for the Association's fall meeting. J. E. McCord, TS&GRA president, has announced. The meetings will be at the new high school building and will begin at 9:30 a. m.

Reports covering activities on emergency drought and credit, feed laws, proposed water legislation, Mexican National labor record keeping and the new incentive level for the 1957 wool clip will probably be covered. Most important will be the vote to adopt the new districts set up for the purpose of election of directors.

A barbecue dinner will be served at noon at the high school cafeteria.

W. C. CARGILE MOVE TO EL PASO LAST WEEK

Mr. and Mrs. W. C. Cargile left Friday for El Paso to reside. They have bought a home at 115 Frontiera St. Mr. Cargile is a T&NO passenger engineer.

Mrs. Cargile's mother, Mrs. J. W. Lane, of Sabinal will make her home with them.

Miss Winnie Mansfield and Miss Eva Bentley took Miss Colleen Pierson to Seguin last Wednesday to visit with her brother-in-law and sister, Mr. and Mrs. Monroe Kiel, before going to San Marcos to enroll in the Southwest State Teachers College for her freshman year.

A son, their first child, was born in a Fort Stockton hospital Tuesday evening to Mr. and Mrs. Dick Moore. His birth weight was seven pounds and three ounces.

Mr. and Mrs. C. L. Howard of Fort Worth are here to visit with their daughter and family.

G. K. MITCHELL INJURED WHEN HORSE FALLS

G. K. Mitchell was taken to Fort Stockton last week for X-rays after his horse fell with him Friday afternoon.

Mitchell was bruised badly and suffered intense pain from the result of the fall, but there were no broken bones, according to reports.

Mrs. Mitchell stated that the horse slipped on a rock, causing the fall.

He is at his town home and is confined to his bed.

MISS EVA BENTLEY GETS HIGH SCHOOL DIPLOMA

Miss Eva Bentley received her high school diploma from Supt. Matt F. Bader Tuesday after completing the necessary credits for her graduation in summer school in Del Rio.

PERSONALS

Mr. and Mrs. S. D. Thompson and Mr. and Mrs. Gene Thompson made a trip to Geronimo last week-end to take the household goods belonging to Mr. and Mrs. Ray Thompson who have moved to Geronimo.

Mrs. Mary Lou Kellar went to San Antonio Thursday to visit for ten days with her daughter, Mrs. A. A. Jenschke, and family.

Mr. and Mrs. J. B. Swopes of Wichita Falls visited here Monday with Mr. and Mrs. L. H. Gilbreath.

Mrs. F. H. Talbot visited in Uvalde for several days last week with her sister, Mrs. Ruth Swofford, and her son, Jack Talbot. Miss Mary Landon Rose left Sunday for Austin to register for her senior year at the University of Texas. Her parents, Mr. and Mrs. Hugh Rose, accompanied her to Del Rio.

Mr. and Mrs. W. A. Daniels and her sister, Mrs. Sophie Gallese, of Cleveland, Ohio, are visiting with Mrs. Jessie Briggs at Dryden.

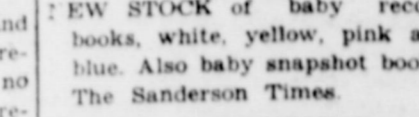

Mr. and Mrs. J. L. Hatchel and children were business visitors in El Paso last week-end.

Mr. and Mrs. Weldon Cox took their son, Darrell, and Stanley Sullivan to Austin last week for the young men to enroll in the University of Texas for their freshman year.

Mr. and Mrs. Sam Harrell are in El Paso to visit with their daughter, Mrs. W. P. Pendleton, and family while Mrs. Harrell has a medical check-up. Mrs. John Neal accompanied them to El Paso.

Mr. and Mrs. J. C. Boyd left Sunday for their home in Fort Worth after spending a week of their vacation here to visit with relatives, including her daughter, Sharon Ann Hill.

TELEPHONE TALK

by Bob Montgomery, Manager

FASTER LONG DISTANCE SERVICE

Under our present plans, in early October Sanderson will have access to the fastest long distance service now available. This will be possible by switching your operator center from Fort Stockton to Alpine. The Alpine switchboard is tied in directly with all the cities in the United States that are already on our long distance dialing network.

Your operator will be able to dial straight through to the telephone in the distant city. For example, under this new plan, you still dial "operator" for long distance, but on a call to Midland MU 4-9496 you would give the operator the number. The next thing you heard would be the Midland telephone ringing. This is faster service because you don't have to reach a Midland operator to dial your Midland number.

BUSINESS OFFICE REMAINS THE SAME

This change in your calls will not affect your telephone Business Office. This will still be located at Fort Stockton. If you wish to place an order or discuss a business matter just dial "operator" and ask for the "Business Office". You should still mail your payments to "Southwestern Bell Telephone Co., Box 127, Fort Stockton, Texas".

ALPINE OPEN HOUSE

Should any of you be interested in seeing the workings of your new operator center, we are throwing open for inspection our entire new building in Alpine. Our open house will be on October 3rd and October 4th from 2:00 p.m. to 5:00 p.m., and from 7:00 p.m. to 9:00 p.m.

You would enjoy meeting your future operators and watching them place calls over our ultra-modern switchboard. I can promise you an interesting and informative tour through the complete equipment that makes a dial system work.

I certainly hope to see you there!

COLOR, COLOR, AND MORE COLOR

Nowadays, products of every kind seem to be coming out in more colors than the rainbow. You see the advertisements for these products in magazines, and you see them in stores and shops around town. Yes, everyone is "going to color".

The telephone company is, too. Our new color telephones come in eight bright colors to blend or contrast with the color schemes in your home, office or store.

And that means a double advantage for you. Because if you've been thinking about ordering an extension telephone, why not ask for one in color? You get extra convenience with an extension, and color adds a touch of good looks to your home or office.

You can select from among ivory, green, beige, yellow, red, blue, gray and brown.

Why settle for less than Blue Chip performance?

It doesn't take a new GMC owner long to spot the difference—especially if he's just switched from another make truck. Take the way every Blue Chip GMC is "engineed". An ultra-modern power plant gives him flashing response, sparkling road-pace—and record fuel economy. Hydra-Matic* is another eye-opener. Right away he appreciates its time and effort saving in traffic. And later on, he cashes in on the big maintenance savings. And every trip he can carry a bigger load. For GMC chassis are rugged—GMC axles are extra-capacity. So he hauls more—and hauls it comfortably. GMC cabs are man-size and deep-cushioned. Recirculating ball-bearing steering makes handling free and easy. Close-quarters parking's a cinch with Safety Power Steering.*

And at every stop, a Blue Chip GMC attracts admiring attention. With that distinctive boulevard styling, it's a smart advertisement-on-wheels for any business. One for your kind of truck-work? Our truck specialists will help you select just the Blue Chip model that will do your job most profitably. And our truck servicing experts always stand ready to help you get a Blue Chip top-profit-maker. Drop in and get acquainted!

*Optional at extra cost.

See us, too, for Triple-Checked used trucks
