March of Dimes Funds Lagging

The local March of Dimes fund drive is lagging, according to W. W. Sudduth, local chairman. The drive should be ended as soon as possible, Sudduth stated, but there should be much more concern on the part of local citizens, he stated.

Contributions received to date total \$73.00 from the letters that were sent out. The sale of miniature crutches by the Cub Scouts totaled \$41.03 and there is about \$60 in receipts from school children of the local schools.

"The local Chapter for Infantile Paralysis has a large debt that was incurred for the treatment of polio patients two years ago. This indebtedness to National Foundation should be cleared, and we should have some money in hand to take care of possible future needs," Sudduth stated.

Sudduth asked that all who had not yet contributed to the fund and who wished to do so, to please mail their contribution in to him or to Jimmy Caroline, treasurer of the local chapter.

The Mothers March for Dimes will be conducted within the next week or two when each resident will be asked to contribute to the fund. The Mothers March for Dimes will be sponsored by the Evening Study Club and every house in Sanderson will be canvassed.

Marfa Beats Eagles In Two Games

The Marfa Shorthorns cagers won two games from the Sanderson teams at the gym here Tuesday night.

In the A game, Sanderson held the Shorthorns close until the third period when that team netted 14 points to 5 for Sanderson. The game ended 56-42.

Sanderson led 17-14 in the first period and the half ended with Sanderson one point behind in a 22-21 score.

McDonald, Robbins, Borrego, Graham and Mitchell furnished opposition for the Shorthorns.

In the B game, the Shorthorns led all the way to end up on the top side of a 45-31 score. The score by quarters was 9-6 — 23-20 — 37-29 — 45-31. The B players were J. T. Herring, Don Little, Celestino Barron, Alonzo Rodriguez, Julian Martinez, Gary Clay, Sostenes Chalambaga, Raymond Elrod, and Buddy Carroll.

The Shorthorns played almost the entire second half with only four players.

JUNIOR SCHEDULE CHANGED

The schedule for the junior games has been changed to include another home game.

Iraan will play here on February 11.

The Juniors, with their Coach Souter, went to Iraan Tuesday for two games and split with the host teams, winning in the A game by 27-17, and losing the B game by the same score.

Coach Souter said that it was the best game played this year by the A team and added that the B team could just not get started. He stated that the Iraan team's height in the B game was a big factor in their win.

Celestino Fuentez was high pointer for the A stringers with 8, and Herman Fuentez scored 6. He said that Felix Valles and Dee Gray were outstanding on the defense by controlling the rebounds; with Bill Dunn aiding the two Fuentez boys on the offensive threats.

Terrell County Basks While State Freezes

Terrell County basked in mild temperatures last week-end and this week while the rest of the state — or most of it — was under the grip of an icy freeze.

Local temperatures got down to near freezing last week-end, but the mercury rose to a warm mid-40 level before Sunday was over and there was little or no wind to cause discomfort.

There has been a heavy fog almost every morning for a week which lasted well into the day or all day. Some little drizzle fell on Saturday and a very light and brief sprinkle came Tuesday night early.

There were reports of icy roads in the Lemons Gap area, and to the north of Fort Stockton, but no road hazards were known in the immediate vicinity.

Light-jacket-weather has prevailed here for the last several days with the only knowledge of cold weather being that which was reported in other areas by radio and newspaper.

More F.F.A. Winners in Recent Show

William Doyle O'Bryant is pictured at top left with his Suffolk buck, champion of that class of the breeding sheep at the F. F. A. stock show two weeks ago. Billy Stavley and his champion Southdown ewe lamb in the breeding sheep division of the show is shown at the top right spot. Both boys had other champions in the respective divisions, but had no opposition in their classes.

Pictured at bottom left is Bob Littleton and his champion crossbred lamb in the junior F.F.A. Show and at bottom right is Bobby Fisher and his champion fine wool lamb in the junior F.F.A. show.

New Radio Program By KFST - 860 Began Monday

Radio listeners of this area are invited to turn their radio dials to 860 for a new program which was begun by Station KFST in Fort Stockton on Monday.

The entire programming has been altered to a new type of listening pleasure hoped to please the listeners of this area.

There will be frequent newscasts of world, state and area news, plus intermittent time checks throughout the day.

The program, called SCOPE, begins with sign-on time and runs through the noon hour. Afternoon programs will be similar to those previously heard.

One feature of the program is Western Music show at 10:30 a. m. at which time western ballads will be heard. At 12:35 semi-classical music will be featured.

Important happenings during the day will be flashed to the listener and programs interrupted for special announcements when merited.

Club Cafe Sold, To Be Moved

Announcement was made this week of the sale of the Club Cafe to F. M. Weigand by Mr. and Mrs. H. G. Holt.

Mr. and Mrs. Holt have been operating the cafe for the past 10 years.

The building will be moved from its present location on main street to the Chevron Truck Stop east of town. The cafe was on the property belonging to Mrs. W. J. Ferguson, Sr., on W. Oak Street.

Thursday will be the last day of operation of the Club Cafe in its present location. Work will begin immediately on preparation of the building for moving to its new location.

No plans have been made for any construction on the site occupied by the cafe.

Mr. and Mrs. Holt have been engaged in restaurant work for many years. They came to Sanderson from Del Rio in 1933 and were employed at the Kerr Hotel Coffee Shop. They went into business for themselves here in 1936 and have leased, owned and operated many local eating places during the past 20 years.

They have no plans for the immediate future but will continue to make Sanderson their home as they own their home here.

Mr. and Mrs. F. A. Weaver spent the week-end in Pecos with their daughter and family.

IT SAYS HERE:—

The only time some people ever get down on their knees is when they are driven there.

Girls Lose Three Tilts At Alpine Cage Meet

The Sanderson Eagles' girls lost three games at the tournament in Alpine last week-end.

The first game was with Presidio and that team won 56-43. Diana Duke was high scorer with 39 points. Sanderson lost to the Grandfalls girls in the last game Friday night by a 38-35 score. Diana Duke had 31 points netted.

The girls played the first game of the meet Saturday morning against Balmorhea and lost by a 12-point margin.

The girls had to come home Friday night and left here before 6 a.m. for the 8:30 game Saturday.

Coach Thurman White stated that Diana won a gold basketball for being named to the all-tournament team. He made the presentation of this award and a trophy which she won at the Van Horn tournament, at assembly Wednesday morning at the high school.

Coach White stated that Linda Shurley was an outstanding defensive player during the tournament, and Trudy Jones was a big assist to the Eagles offensively in the tournament games.

H. A. SMITH REPORTED TO BE IMPROVING

H. A. Smith, who has been hospitalized in San Antonio for over two months for the treatment of a heart ailment, is improved in condition this week, according to reports, and is able to take some nourishment. Mrs. Smith's sister, Mrs. F. L. King, of Lafayette, Calif., who has been in San Antonio with her for several weeks, is preparing to return to her home.

"Mr. Smith's condition is slowly but steadily improving and he still has a long, hard hill to climb," Mrs. Smith reported.

TV NEWS —

Television engineers from Dallas were here last Sunday to test reception possibilities for James Word, John Huey, Rev. Gene Medaris, and others, on their testing project on the hill southwest of Sanderson.

The engineers gave the group an encouraging report on the possibilities at their receiving location and made recommendations for improving the reception they were getting.

The group is now investigating possible additional equipment for receiving and they report they have also written to the manufacturers of the "translator" for information and data.

There is no change in the last reports from S. J. Burchett and his testing on the hill north of town.

Concrete Work Begun On Station Under Construction

Concrete work has begun at the site of a new service station in Sanderson to be located on the northwest corner of the intersection of Oak St. and Persimmon St. here.

The San Angelo contractors have also erected steel supports for the canopy for the station.

Tanks are installed for the storage of gasoline and most of the rough plumbing has been completed.

The curb on Persimmon St. was knocked out to make an approach for the station from the east and it was on this approach where the concrete work began.

Large concrete mixing equipment was brought in for the job.

Stars and Planets Is Program For Cub Scout Pack Meet

As a culmination of the theme for the month as studied by the Cub Scouts, a program based on the stars and planets was given at the Pack meeting Tuesday evening in the Fellowship Hall at the Methodist Church. Thirty persons, parents and friends of the boys, were in attendance.

Mrs. Ben Causey, co-ordinator, presided at the meeting which opened with prayer by David Lee of Den 6. The Pledge of Allegiance to the Flag was then recited.

A new Cub Scout, Darrell Howard was introduced, also new Den Mothers, Mrs. F. A. Weigand, Mrs. Jelly Harkins, and Mrs. Edith Howard.

Mrs. Lloyd Cowan's den enacted the big dipper, using flashlights. Mrs. Harkins' den conducted a quiz on the planets and Mrs. Howard's den gave additional facts on the stars in the sky which had been the study subject for the Scouts in January.

The Cub Scout Promise was recited and then Mrs. Causey read the Cub Scout Law which stresses 12 points: A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent.

Announcement was made that February 10 is the Sunday for all Cub Scouts to attend the church of their choice in their uniforms.

Awards were as follows: Wolf badge to Steve Harkins; gold arrows to David Lee, Tommy Hodgkins, Tommy Turner, Roy Deaton, Don Cowan, Dennis Phillips; 1 gold arrow and 2 silver arrows to Danny Hodgkins.

Mr. and Mrs. John Reinger returned home last week from a visit with friends in Mexico.

Eugene Corder's Funeral Sunday In Sabinal

Eugene Corder, 73, Uvalde ranchman, died at his home last Friday afternoon. Funeral services were held in the First Christian Church in Sabinal Sunday afternoon and burial was made in that city.

Mr. Corder was born at Junction, the son of N. H. and Mary Schrier Corder. He went to Uvalde from Sanderson about 42 years ago and resided 12 miles southeast of that city. He was a ranchman throughout all of his life.

He was married to Lillian Belle Price on February 26, 1913. Besides the widow, he is survived by a son, Fount Corder, and a daughter, Elizabeth Corder, both of Uvalde; also three brothers, Dick and Monte Corder of Sanderson and B. T. Corder of El Paso; and a sister, Mrs. Mary Mitchell, of Sanderson.

Attending the funeral services from Sanderson were Mr. and Mrs. C. C. Mitchell, Mr. and Mrs. G. K. Mitchell, Mr. and Mrs. N. M. Mitchell and their families and Mrs. Sid Harkins.

GLYNN CHANDLER ON A&M WINNING JUDGING TEAM

Glynn Chandler, A&M senior, sent the week-end here with his parents, Mr. and Mrs. Clarence Chandler. He is a member of the livestock judging team which won the Southwestern Exposition and Fat Stock Show's general livestock judging contest in Fort Worth last week. It was the first time in 17 years that a Texas A&M team had won the event, one of the top competitions in the nation, with teams competing from 18 colleges over the nation.

By VERN SANFORD Texas Press Association

Austin—A number of the "better government" bills requested of the Legislature by the Texas Press Association have hit the legislative hopper.

Outstanding among those introduced are: 1. A mandatory publications bill designed to force public officials to print public notices as called for by present statutes.

2. A bill to provide for public notice for applications of veterans applying for loans under the Veterans Land Act. Notices to appear in the veteran's home town newspaper would specify name of the veteran, describe the land, and quote the price he will pay.

3. A bill to require publication of annual financial statements by school districts and other official bodies. Again, a measure to help prevent situations similar to that in Duval County.

4. A bill to make it unlawful to bar reporters from precinct conventions. Object: To prevent instances when newsmen are unable to report convention facts to their readers because they are refused admission to such political meetings.

5. Meetings of public bodies would be open to the public, including newspapermen, if a bill that has been introduced is passed. This bill would insure the "public business" being kept public.

6. A measure providing for removal of officials who refuse to testify concerning their duties.

7. Two bills would require insurance companies to publish financial statements annually, and provide a penalty for furnishing false information to the insurance commission.

8. Another bill would require each treasurer, receiving or controlling funds of a school district to keep a full account of all funds, and to file an annual report of the funds each school year. Present laws do not provide adequate protection at the local level for such

accounting. Among other items in the still-abundant flow of suggested legislation are bills which would:

- 1. Require voters to register by party.
2. Provide paid investigators to assist grand jurors.
3. Refund state taxes on gasoline paid by cities.
4. Exempt widows, old age pensioners, injured veterans and others from state property taxes on the first \$5,000 in value.
5. Place liquidation of insurance companies under supervision of Travis County district judges rather than the Insurance Commission.
6. Make Texas Thanksgiving the same as the federal holiday.
7. Re-organize the Industrial Accident Board and increase the workmen's compensation benefits.
8. Provide for annual sessions, boost legislators' salaries to \$7,500 a year and the speaker and lieutenant governor to \$12,500.

Money Here, Money There House and Senate committees now are neck-deep in hearings on the paramount issue of the 55th session of the Texas Legislature—how much money to appropriate and to whom.

Facing them are these requests: 1. A \$2,000,000,000 appropriation bill submitted by the Legislative Budget Board.
2. A bill to increase public school teachers' salaries from \$2,800 to \$3,204.
3. A bill to give state employees a 15 per cent raise on the first \$5,000 of their salaries. Another asks for a 25 per cent raise.

4. A bill to appropriate \$5,000,000 to aid the totally disabled.
5. A bill to raise judges' salaries from \$9,000 to \$16,000 for district judges, from \$12,000 to \$20,000 for Supreme Court and Criminal Appeals judges.
New Water Plan With two previous plans junked, a third recommendation has been made for buying state water storage space in federal reservoirs. Earlier plans included first, a fishing and boating tax, and then a water users tax. Both met strong opposition.

Now a plan has been substituted to finance storage-buying with a \$100,000,000 bond program. This is separate from another \$100,000,000 bond proposal to aid local governments in financing water conservation.
Short Snorts State draft quota for February calls for 695 men, a drop from the January call of 861. A total of 65,084 men registered with Texas draft boards last year, according to State Selective Service head-

PEARL BREWERY SALES BREAK 70 YEAR RECORD

Datus E. Proper, Vice-President and General Manager (left); Otto A. Koehler, President and Chairman of the Board; Harry C. Haeglein, Master Brewer; and H. B. "Pat" O'Brien, General Sales Manager, gather to celebrate the Brewery's greatest production and sales record, 904,737 barrels of Pearl Beer sold in 1956.

Pearl Again Sets Texas Beer Sales Record

The 1956 sales of Pearl Beer were the greatest in the Brewery's history, setting an all-time sales record of any beer, any year, ever sold in the State of Texas.

Pearl Beer sales were 904,737 barrels which is in excess of 300 million bottles and cans, equivalent of more than 1,800,000 every business day during 1956. "In 1954, in 1955, and again last year, Pearl Beer was first in sales among all beers marketed in Texas. The Pearl Brewing Company established a new record in 1956 selling more beer than has ever been sold by any other brewery in the history of this great State," said Datus E. Proper, Vice President and General Manager of the Pearl Brewing Company.

"The increased demand for Pearl Beer in Texas is due to its controlled quality and its consistent good taste," said Otto A. Koehler, President of the Pearl Brewing Company. He continued, "For three generations Pearl has been making a Premium Quality Beer at a popular price. Our Brewery has five graduate Brewmasters in addition to three technical chemists, who have 24-hour, 7-day-a-week supervision of the production, aging, and packaging of Pearl Beer. Our 1956 sales expansion program going into New Mexico, parts of Louisiana and Arkansas, was planned on the basis of our 1956 increase in production facilities to 1,200,000 barrels of fully aged beer."

Pat O'Brien, General Sales Manager said: "Our 1957 expansion plans in New Mexico, Louisiana and Arkansas, backed by extensive merchandising and advertising, assures us of continuing to keep the Pearl Brewery the largest Southwest of St. Louis."

FAMOUS Esso Extra GASOLINE

gives extra anti-knock performance in modern engines

Modern cars, especially the 1957 models, have engines with high compression ratios.

Even at this altitude, these engines require the extra performance of Humble's famous Esso Extra gasoline.

It's the best premium gasoline you can buy... with extra anti-knock performance... extra power... extra protection against vapor lock... extra mileage... extra quick starting and warm-up.

Fill up with Esso Extra gasoline under your neighbor's Humble sign — it's famous for performance.

Prevent "the knock you cannot hear" — use famous Esso Extra gasoline.

Engineers call it "trace knock," a knock so faint that only a trained technician can hear it. But like all knocks, it robs your engine of power, forecasts engine damage. If yours is a modern car in any price class — especially if it's a 1957 model — prevent "trace knock" with Humble's famous Esso Extra gasoline.

Eagles Lose To Alpine Quintets

The Sanderson boys cagers lost two games to teams from Alpine at the local gym Friday night of last week. The A game was a conference tilt.

Sanderson was behind 12-22 at the end of the first period, trailed 24-39 at half-time and 38-65 at the end of the third frame. The final score was 72-46.

Roland McDonald, David Gramam, Irvin Robbins, Beto Cobos, Joe Borrego, and Dippy Mitchell saw action for the Eagles.

The Alpine team is expected to be first rate, along with the team from Big Lake, and were expected to trounce the local boys.

The B game ended 66-24 with Alpine in the top end of the score. Sanderson trailed 5-11 - 11-41 - 17-53 and 24-66 during the four periods.

J. T. HEITZ, L. E. Don Little, Sostenes Chalambage, Raymond Eirod, Celestino Barron, Julian Martinez and David Clay were the B boys in action.

Freight Reduction On Hay Continues

Austin - Drouth-ridden Texas farmers and ranchers will reap additional large benefits as a result of the railroads' extending 50 per cent freight reduction on shipments of hay.

Since October 13, when the rate slash went into effect through mid-January, Texas agriculturists were aided by the railroads to the extent of \$1,699,389. During that time, the railroads shipped 134,993 tons of hay into Texas at the 50 per cent rate.

The rate cut tendered by the railroads covered eight states. The total saving to agriculturists in the eight states has been \$2,371,882, of which \$1,699,389 has benefited Texans.

Action of the railroads, the only carriers which have come to the aid of farmers and ranchers, has been hailed by Texas agriculturists as the biggest contribution to the drouth-stricken area. The move was also commended by President Eisenhower.

The rate reduction, originally scheduled to expire January 15, has been extended through March 31, the Texas Railroad Association announced.

WORK STARTED ON LAWRENCE JAMES' HOME

Work was begun the first of the week on the new home for Mr. and Mrs. Lawrence James in the west part of town. The James bought a lot from Clarence Burdett for the site of their new home.

The Kerr Mercantile Co. is the builder of this project.

Capital Investment Planned by SP

Southern Pacific plans to invest about \$110-million in capital improvements in 1957 - a lot less, according to the railroad, than it would like to spend to meet public demand for increased transportation services.

Southern Pacific's 1957 capital investment program will be about \$20-million less than the railroad's record capital outlay in 1956. President Donald J. Russell stated.

Even with predictions for general business over the country pointing to a good volume of freight traffic in the coming year, he declared, "SP's net income simply will not give the fair return on investment required to attract at reasonable interest rates, funds necessary to provide all of the facility and equipment improvements we should make to keep ahead of the expanding requirements of our territory."

Mirroring the rapid development of western industry is the number of new industries locating along SP's lines. In 1956 approximately \$480-million in new plants, or expansions of plants requiring spur track service, were announced by SP's shippers. That plant investment was about five times the 1955 investment, even though the actual number of new locations and expansions declined from an average of about 1.5 to about 1.2 a day.

This industrial growth requires that Southern Pacific continue its large locomotive and car programs. In 1956, the railroad put into service more than 3,000 new freight cars and 231 diesel units.

SP's conversion to diesel power will approach completion this spring, with delivery of 86 more units, bringing its total fleet to 2,000. "We then can reserve our remaining steam locomotives for use in peak load periods," Russell said. "Complete dieselization may be realized before the end of 1958."

At the beginning of this year, SP listed 10,860 more cars still on order from the railroad's own shops and outside builders - a number of these being the hydraulic freight cars developed by SP and Stanford Research Institute to reduce impacts on fragile loadings.

H. M. BECKETT
TAKEN TO HOSPITAL

H. M. Beckett was taken to a Fort Stockton hospital Wednesday afternoon for medical examination and diagnosis.

He was thought to have suffered a light heart attack about noon.

Mr. and Mrs. Lewis Hill and daughter, Donna, have returned home from Fort Worth where they attended the Southwestern Exposition and Fat Stock Show.

Mr. and Mrs. Tom Smith and children of Pumpville visited here last week with her mother, Mrs. L. M. Wooten and his sister, Mrs. B. N. Morris, and family.

Mr. and Mrs. Duke Phillips are the parents of a second son born on January 26 in a San Antonio hospital. The baby was named Scott and weighed 7 pounds and 15 ounces.

Mr. and Mrs. Phillips are former residents of Terrell County and have been residing in Venezuela, South America, for the past several years where he is operating a ranch. She had been in San Antonio for several weeks prior to the birth of the new baby.

A baby daughter was born in an Alpine hospital Wednesday morning to Mr. and Mrs. R. G. Wallace. The infant's weight was five and one-half pounds.

Eddie Fishers Star In Coming Movie

In their first co-starring movie, Eddie Fisher and Debbie Reynolds will flash on the screen at the local theatre next Wednesday and Thursday as the attractive young sweethearts in the comedy with music, "Bundle of Joy".

The results should gladden the hearts of their fans, as well as of people simply interested in seeing a pleasant modern comedy with some diverting songs and dances thrown in for good measure.

The songs, six in all, are taken care of in fine style by Fisher who also proves in this movie that he can act. Debbie chimes in winningly on some of the songs. Fine support in the comedy department is provided by Adolphe Menjou and Tommy Noonan.

The story is handled with remarkable wit and in good taste. The picture is recommended as excellent entertainment for all of the family.

JACK RIGGS WINS SECOND IN MONDAY DAY MONEY

Jack Riggs placed second in the calf roping events Monday night at the Fort Worth show. His time was 13.7 seconds.

TB Official Here For X-ray Survey Plans

Mrs. Thelma Outlaw, field consultant from the Texas Tuberculosis Association in Austin, visited here Tuesday with Mrs. Wee Townsend, president of the Terrell County Tuberculosis and Health Association.

Mrs. H. E. Ezelle, secretary of the association, joined the ladies for luncheon in Mrs. Townsend's home and during the discussions tentative plans were made for several projects in the community.

Mrs. Townsend has announced that there will be a TB X-ray survey again this year. Due to a misunderstanding, there was no survey made in the county last year and dates and plans for this year will be announced later.

We got another anonymous letter this week. Sorry, we just can't have time to answer all the letters of praise we get, but we are trying to answer the ones.

If you haven't gotten your tax by the time you read this had better hurry to the office and do it Thursday - is the last day! Up to closing Wednesday, only 451 "grape licenses" had been bought.

Democrats in the House

Democrats in the House voted against President Eisenhower's administration's Middle East resolution was our own Representative Rutherford. Mr. Rutherford evidently prefers to place a partisan vote against the people of his district.

Mr. Rutherford, on his last to Sanderson, was very outspoken in his stand against economic aid to foreign countries, and stated that the U. S. should not finance any type of foreign intervention, politically, financially, or militarily. He stated, however, that he was not an isolationist.

There were 14 Texas representatives who voted for the resolution.
