If you have not had your chest X-ray made, this afternoon affords the last opportunity as the office will close at 5:30 today (Thursday). The mobile unit from the State Department of Health in Austin is at the Sanderson Butane Co. for the making of the chest X-rays which require only a few minutes of time and they are free. The annual project is sponsored by the Terrell County Tuberculosis and Health Association. The participation of entire families for X-rays is urged.

## Local Boys Win At Houston Show With FFA Lambs

Sanderson F.F.A. Chapter boys won recognition with their lambs at the Houston Fat Stock Show and were the second-highest winners of any Chapter represented at the show.

In the fine wool division, Bill and Butch Stavley placed second, fifth and 63rd; Phillip Eggleston placed 25th, Richard Carroll, 32; Sostenes Chalambaga, 58th; Raymond Elrod, 64th; Eggleston, 70th and Elrod 71st in a field of 75 places.

In the fine wool crossbred, Buddy Monroe placed 2nd; Stavley brothers, 7th, 8th, 9th, 11th, 14th; Bobby Littleton, 50th; W. D. O'Bryant, 53rd; and Elrod 67th out of 70 places.

In the pen of 3 fine wool crossbred, Eggleston placed 10th in 10 places. The Southdown cross class had 50 places and Stavley brothers had the 1st and 2nd lamb and also 42nd place.

The medium wool class, a field of 50 places, Stavley brothers placed 35th and Jerry Monroe placed 37th.

W. D. O'Bryant had a lamb which placed 40th in 40 places in the Shropshire division. Thirty-three boys with their vocational agriculture teacher, Gene Nelson, had the trip, accompanied by C. H. Stavley, G. C. Henderson, N. M. Mitchell, and N. M. Mitchell, Jr.

## Craft Work Enjoyed By H-D Members Tuesday Afternoon

The Ranch Home Demonstration Club met Tuesday morning in the home of Mrs. H. E. Ezelle. The business session occupied the morning hours of the meeting. At noon, Mrs. J. W. Byrd assisted Mrs. Ezelle in preparing and serving creole chicken, jambalaya, hot rolls, salads, tea, and coffee. Cakes baked by Mrs. Byrd and Mrs. E. H. Jessup were also served.

Plum blossoms and red roses formed the attractive centerpiece on the dining table. The afternoon program was on crafts and members worked on their crafts until adjournment. Mrs. Clarence Chandler was welcomed as a new member. The other members present were Mesdames L. W. Welch, E. F. Pierson, C. F. Cox, J. Garner, L. G. Hinkle, J. L. Whistler, E. H. Jessup, Jack Hardgrave, Dan Riggs, Lee Dudley, James Caroline, N. M. Mitchell, and J. D. Nichols.

## VFWs Plan Dinner, Meeting For Sunday

The members of the local V.F.W. post have invited their wives and families to join them Sunday for a barbecued chicken dinner to be served in the V.F.W. Hall at noon. Following the dinner, the vets will have their regular meeting with new officers to be elected. All members of the V.F.W. and their families are urged to attend the dinner and the meeting to follow.

## FIRE DEPARTMENT FUNDS GONE, SOLICITATION TO BE MADE HERE SOON

According to W. J. Ferguson, Jr., treasurer of the Sanderson Volunteer Fire Department, the funds for operating and maintaining that organization have been completely depleted. Letters will be mailed to all local citizens within the next few days asking for contributions to support the local fire-fighting unit. The fire department is in urgent need of a new alarm system, replacing the present system being used. The system now consists of telephone in the houses of some of the firemen, so that when the number is called to report a fire—DI 5-2500—these telephones ring,

## Jessie McDonald Crowned Queen Of F.H.A. Chapter

Jessie McDonald was recently named Miss Future Homemaker of America in the Sanderson High School. She was chosen by penny votes cast by local residents for nominees from the homemaking department.

In the coronation ceremonies, Joe Borrego and Roland McDonald, the chapter sweethearts, were the queen's escorts; Rosa Perez and Armando Ochoa, Patsy Teenor and Charles Bentley, Elizabeth Lopez and Adolfo Flores, Mary Duncan and Charles Stavley, Maudie Moore and Kenneth Shurley, Bivie Ochoa and Rosenda Casillas, Belinda Marquez and Bill Littleton, and Thurman White, high school principal, made up the court.

Miss McDonald is also a member of the high school band, secretary-treasurer of the student council, parliamentarian of the F. H. A. and Junior class favorite. She is a daughter of Mr. and Mrs. Jess McDonald.

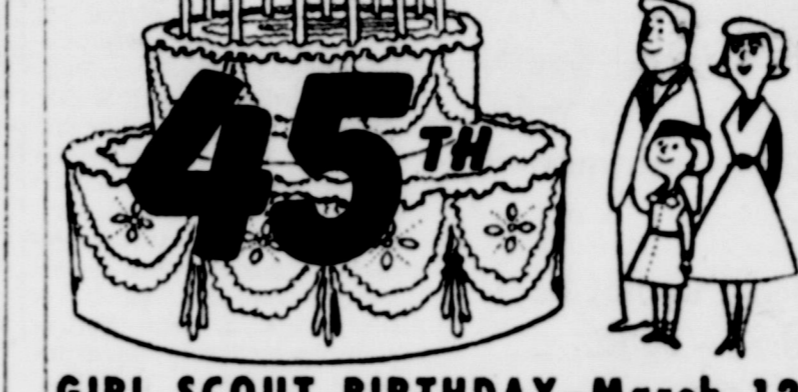

## New Service Station Ready for Opening

Work has been completed at the new service station on the corner of Oak at Persimmon and the business will be ready to begin as soon as a stock of merchandise is in and the manager, Dudley Harrison, is ready to begin operations. Final clean-up work was completed last week. Concrete work at Slim's Truck Stop west of town began Tuesday and will continue for many days, according to L. E. Muller, operator of the business. Final carpenter work at the Western Hills Motel is expected to be completed this month and the installation of plumbing fixtures, carpeting and furniture will follow. Opening can possibly be expected after April 1.

## Coming Events

- Thursday — Lions Club, Legion
- Friday — Senior Play, Methodist W.S.C.S. Bake Sale

## GIRL SCOUTING-A FAMILY AFFAIR

## GIRL SCOUT BIRTHDAY—March 12

Tuesday, March 12, marks the 45th anniversary of the Girl Scouts of the U.S.A. In two generations, this youth organization has influenced the lives of some 12 and one-half million American girls and women. Men, too, have a stake in Girl Scouting. Many are among the advisors who have helped to make it one of the most important youth organizations in the country. The Girl Scout recreation program introducing girls to active, healthy, responsible living was never needed more than today and never was it so true that "Girl Scouting is a Family Affair."

## Ranchmen Urged To Attend Meeting Wednesday, 3 p.m.

All ranchmen of this area are urged to be present at a meeting at the courthouse Wednesday afternoon at 3 o'clock. Mr. McNeely, head of immigration officers of this area, will be here to hear comments of the ranchmen and immigration officers concerning possible pooling of labor in rush seasons and other related items.

## Tests For Altitude Made By TV Group

Tests for altitude are being conducted by the local TV group to assist in experiments for local reception. This series of tests are recommended by the engineers of the company which manufactures the proposed equipment for local television reception.

The engineers advised the group to ascertain, if possible, the highest point nearby that could be used as a site for translator equipment. The group stated that they had been climbing mountains all last week in efforts to determine such a point. Only one group of hills, those to the north and east of Sanderson, remain to be tested for altitude, and it is expected that these hills will prove to be the highest in this immediate vicinity.

By the use of an aerial map, the group is also trying to locate a site which is located to the east of the mountain range between here and Odessa, thus giving reception a much greater chance locally. Outside of the wear and tear on shoes, lungs, and patience, the group said there had been no further expenditure of money subscribed by local citizens.

## Road Work West Ahead of Schedule

Work on U.S.90 west of Sanderson is way ahead of schedule, according to information received this week. Good weather throughout the winter months has made possible the fast progress that is being made. The road work, extending some 13 miles from the Pecos County line, will be a 44-foot roadbed and will be a great improvement over the present narrow road.

The work includes the widening of structures as well as the roadbed and right-of-way lane. All of the fences have been moved back to the new width of the right-of-way and most of the concrete work has been finished on the structures. The road bed is being put into shape in stretches for surfacing which will begin as soon as the summer weather sets in.

## C. OF C. TO POLL CITIZENS FOR LOCAL NEEDS

Letters are in the process of being mailed to all county residents asking for an opinion of the needs for facilities in Sanderson or the county. All citizens are urgently desired to fill out the questionnaire and return it as soon as possible so that a compilation of the answers may be made by the Terrell County Chamber of Commerce, the sponsors of the poll.

There are six blanks which are to be filled in in the order of preference of the needs, such as: hospital, public library, youth center, county health nurse, etc.

Following the compilation of the information received from the poll, the Chamber of Commerce intends to take steps to see what might be accomplished to fill the needs that are deemed most universally desired. All the replies to the questionnaire should be mailed to J. R. Hodgkins, secretary-manager, of the county Chamber.

## Texas Tourist Trade Story Is Revealed

Texas last year played host to 8.4 million out-of-state visitors who spent a total of \$379 million while in the state, D. C. Greer, State Highway Engineer, announced this week. A report on the tourist trade for 1956, released this week by the Texas Highway Department shows that the average tourist stayed 5.9 days and spent \$7.71 per person per day.

For the first time, a survey of accommodations used by tourists has been included in the report. The majority, 62 per cent, favored motels, 9 per cent stayed in hotels, 5 per cent camped out, and 24 per cent used other accommodations, including trailers and homes of relatives and friends.

A total of 3.1 million vehicles carrying an average of 2.7 persons each entered the state in 1956. California again led the list of out-of-state visitors by sending 1,223,000 to our state. Louisiana was second with 645,000 to our state.

From a study of other states, Texas ranks high as a tourist state by tipping the popular state of Florida by more than 4 million visitors last year.

Figures used in preparing this annual report are obtained from survey cards distributed to tourists at the seven Highway Travel Information Bureaus located on major highways at the state's borders. Greer stated, information from these cards is supplemented with data from other sources to compile the report, he said.

## Eagles In Relays At Fort Stockton Last Saturday

Coach Carlton Smith took several boys on the track team of the Sanderson High School to Fort Stockton last Saturday for competition in the Comanche Relays, an annual event in that city.

Pres Escamilla and Kenneth Shurley qualified in the finals, running 7th and 8th in a field of 8. Their time was 23.5 and the winner was in the 22-second bracket.

Both boys also entered the 100-yard dash, but neither qualified. In the mile relay, Armando Ochoa, Larry Kight, Julian Martinez and Irvin Robbins was the entered team.

Larry Kight and Irvin Robbins were also entered in the 440-yard dash. The track team will go to Sonora on March 16, to Ozona on the 23rd and will compete in the district meet in Alpine on March 30.

IT SAYS HERE: — Most of us don't trust people for two reasons: First, because we don't know them; and second, because we do.

### Teachers To Attend Meet in El Paso

The Trans-Pecos district of the Texas State Teachers Association convened in El Paso Thursday and will close with the Saturday session.

Most of the local teachers are planning to attend the meeting. Mrs. W. H. Grigsby will attend the meeting in San Antonio and visit with her daughter, Mrs. Sarah Pat Grigsby. Mrs. Sylvan Walker is visiting in Uvalde with her sister who is recuperating from recent serious burns. Those attending include Supt. and Mrs. M. F. Bader, principals Thurman White and Robert Carle, and Miss Beattie Moore; Gordon Harmon, G. C. Henderson, Carlton Smith, and Jack Enright; Mr. and Mrs. Gene Nelson, and Mr. and Mrs. Lester Souter; Mesdames Tom Parish, H. M. Winston, Clarence Jessup, Ruby Kiteley, Eleanor Cooper, Lawrence Jones, E. E. Harkins, Jr., E. E. Farley, Sue B. Moseley, and W. H. Savage, and Miss Mildred Creek.

### Three-Act Play On Friday, March 15 By Senior Class

Friday, March 15, is the date for the presentation of the senior play, "The Adorable Imp" which is being directed by Mrs. W. H. Savage, class sponsor. Five men and six women make up the cast of characters for the three-act laugh riot.

Betty Lou Gordon, played by Maida Moore, is an eleven-year-old imp because her mother, Pamela Gordon, who is a pretty widow, has told her wealthy admirer that she is only 29. Lacey Eggleston plays the part of Mrs. Gordon.

Adolfo Flores as Brian Barclay, her old sweetheart, will not propose which disgusts Mrs. Gordon and she becomes interested in rich Dilworth Pickrell, later inviting him, his cousin, Ross Waldron, his grandfather, Winston and Winston's ward, Imogene Van Ryndon, to spend the week-end. These are roles of Kenneth Shurley, Roland McDonald, Raul Barrera, and So-felo Garcia.

Dilworth suffers from dyspepsia and old Winston has the gout, and Imogene is allergic to cats, sneezing at the very mention of one.

Betty Lou learns that Ross is the boy she fell in love with at first sight at a football game. To keep Ross from proposing to Imogene, the Adorable Imp plays all runner of ludicrous tricks upon them.

The other characters in this ex-

huberant farce add to the many riotous scenes and side-splitting remarks which will make the play one to be enjoyed and long-remembered by the audience.

Tickets went on sale last week and prizes will be given to the school children selling the most tickets.

### Flies Abundance Promised Soon Following Recent Rain

Increased rains, no more freezes and an early spring are welcome news to ranchers and the rest of Texas.

However, Dr. Henry A. Holle, commissioner of health, warns that the abundance of rainfall and warm weather means an early attack of the yearly onslaught of flies and mosquitoes on the Texas scene.

Much sickness can be caused by these winged creatures, in addition to bringing a bothersome nuisance and unsightly conditions if the proper safeguards are not taken early enough to offset the heavy numbers expected with the coming of warmer weather.

One disease, which has taken on new significance in Texas is encephalitis, sometimes called the more common name of "sleeping sickness." There are others.

Several outbreaks have been reported in Texas in the past few years, and scientists have shown that the main culprits are two types of mosquitoes common to Texas.

Flies, too, wreak havoc with the health of human beings, often causing dysentery and other gastrointestinal disorders.

The Texas State Department of Health recommends that steps be taken now to head off the attack of warm weather insects.

Check your garbage cans for leaks and corrosion, replacing them if they are worn or damaged. Garbage cans and containers should be washed weekly to keep

PASSENGER CAR STYLING comes to the trucking business in Ford's 1937 Side Pickup. It typifies revolutionary changes in new Ford trucks which Ford displays February 1. Full-width styling has more than just "eye appeal." It widens the truck's load area by 20 inches, and adds 25 percent more load capacity than old-style models offer. This pickup is one of nearly 300 models in the 1937 Ford line which range upward to huge extra heavy duty models.

them clean and dry. Inspect the house and grounds carefully for stagnant water catchers. Vases and flower pots inside the house are frequent offenders as are old tires, wood piles, tin cans, and empty jars in the yard. Use a good residual-type spray on all outbuildings, walls, ponds, shrubbery (use a water base spray, and septic tanks. Also clean out the weeds and close shrubbery around any ponds. Repair worn screens and use a space spray or aerosol bomb to rid the house of flying pests, careful to cover exposed eating ware. Take these precautions to keep them up all summer through next fall and the mosquito population will be only a loser.

...measuring the efficiency of economic system for a nation's people there are two basic questions we should ask: (1) Does it produce adequate goods and services? (2) Does it equitably distribute its goods and services? ...fact that our American private enterprise system has produced an abundance of goods and services during recent years ...people today are aware of the fact that our American private enterprise system produces 42 per cent of the world's goods and services ...the world's population, only six per cent of the world's population, and only a proportionate share of the world's natural resources. ...many Americans are aware of these facts, a far greater number are not; and comparatively few can properly answer our second basic question — does our system equitably distribute its production of wealth? The answer, of course, is: Yes, it does. It's distribution is based on the contribution each citizen makes to the production of goods and services. ...Distrust ...facts to prove that this is a satisfactory as well as an equitable system are not generally known, however; and this lack of under-

standing permits the Socialist and Communist propagandist and their dupes to sow doubt and distrust in the minds of millions of Americans. Doubt and distrust, if cultivated by the sly schemers, can be converted into hostility, even among otherwise good citizens.

Those who want to uproot our American system seek first to turn our own people against it. It is easier then to get socialistic measures adopted and centralized governmental power so that a few can rule and shape the destiny of our 170 million people. Therefore let's examine some facts which every citizen should know about the American economic system's widespread distribution of wealth — documented facts from the Department of Commerce.

**Who Got What?**  
In the 25 years ending with 1955, the national income in America was \$3 trillion, 780 billion. Who got all this money? The wage earners and salaried people got 65 per cent. The self-employed, professional people and small business operator, got the next biggest share, 9 1/2 per cent. Corporations received 7 1/2 per cent (before taxes). The farmers and dairymen who supplied food markets and processing plants with raw foodstuffs received 6 1/2 per cent. Stockholders got 4 per cent. People owning rental property got 4 per cent, and bondholders received 3 1/2 per cent.

But, you may ask, what about dollar income to families? In the

last year for which we have official figures, there were 50 million families in the U.S., and these families received an income of \$272 billion — before taxes. Forty per cent, or nearly 21 million families, had incomes of from \$3,000 to \$6,000. Fifteen million or 30 per cent received \$6,000 or more. These two groups contain 70 per cent of the population.

**And The Remainder**  
Of the remaining 30 per cent of the families, approximately 14 per cent received from \$2,000 to \$3,000; 11 per cent from \$1,000 to \$2,000; and about 5 per cent under \$1,000. Many farm families, retired persons and pensioners, whose cash income does not truly reflect their living standard, are in these lower income categories. The big fact is 85 per cent of all income went to 93 per cent of our families. In other words, the great bulk of income goes to the majority of families in the middle income range.

It is well to more closely examine the upper income bracket. 7 per cent of the families in America receive incomes of \$10,000 or more. And only 3 per cent are in the \$15,000-and-above bracket. If all of

the income in the \$15,000-and-above bracket, after taxes are paid, were divided evenly among the people of America, each would receive less than 50 cents a day from that source. If all the net income in the \$25,000-and-over category were to be evenly distributed, each of us would get only 15 cents a day. And without these upper categories our own present income would soon start to crumble for it is from these brackets that come a big portion of adventure capital or investment money to build new manufacturing plants and start new businesses, creating new jobs and making good times. These are important facts. Do your children understand them?

**NOTICE OF APPLICATION FOR PACKAGE STORE PERMIT**

In applying for a Permit the following statements and representations are made under oath to the TEXAS LIQUOR CONTROL BOARD in Austin, Travis County, Texas:

The business will be operated under the name of Sanderson Package Store, One and 2-10ths miles west of the County Courthouse on South Side of Highway 90, in Sanderson, Terrell County, Texas, and the mailing address will be Sanderson, Texas.

Mrs. Rita Martin of Sanderson, Texas, is the applicant.

**World Day of Prayer Service Friday P. M. At Methodist Church**

World Day of Prayer will be observed in Sanderson on Friday, March 8, in the Methodist Church. The service to which everyone in the community is invited will begin at 4 o'clock.

The program has been arranged by the ladies' organizations of the Baptist, Presbyterian and Methodist churches who are sponsoring the service.

The theme for the March 8 observance is "Who shall Separate Us". The service was prepared by Serena Vassady formerly of Hungary, and it brings a message from the hearts of Christians who have suffered because of their faith.

Each year, for 71 years, additional countries have participated until this year will find 143 nations observing the day.

**Mass Beautification Started on Shortest Cross-Country Route**

The Old Spanish Trail Highway Association, with national headquarters in Houston, Texas, reaffirmed this month the fact that its route was the shortest, low-level, all-year, coast-to-coast route in the U.S.

The route runs from San Diego, California, through the major cities of Yuma, Tucson, Las Cruces (N. M.), El Paso, San Antonio, Houston, New Orleans, Mobile (Ala.), Tallahassee, and terminates in Jacksonville, Florida.

The object of the promotion of this Old Spanish Trail is to increase traffic on this southernmost U.S. Highway.

The Association's biggest project is its mass beautification plan which includes the building of memorial groves; the planting of trees, shrubs, flowers and plants, along the nearly 2,500-mile coast-to-coast stretch.

A series of six television films by Continental Travelogue Pictures for release through Sterling Television on a guaranteed contract, is now being filmed.

Three crews have shot preliminary footage on the first film in Jacksonville, Florida, Tucson, Arizona, and San Diego, California.

The films will show the historic prominence of the Old Spanish Trail and the advantages of travelling on it.

Mr. and Mrs. Dick Hill of Ozona visited here Sunday with their granddaughter, Sharon Ann Hill, and with friends.

LIGHT POWER

**Active in Better Government Legislation**  
Two prominent Texas legislators are pictured here as they confer on plans for "Better Government" legislation. Sen. Crawford Martin of Hillsboro (left) is discussing Texas Press Association bills with Rep. Virginia Duff of Ferris. They have introduced identical bills in the Senate and the House. Their bills require publication of financial reports by school districts and other districts now handling millions of dollars in public funds and not making a public accounting of same.

**Mrs. Troy Druse Hostess Last Week To '51 Bridge Club**

Mrs. Troy Druse entertained the members of the '51 Bridge Club in her home Wednesday afternoon. The high score prize in the bridge games went to Mrs. Vic Littleton, second high to Mrs. Roger Rose, and Mrs. S. H. Underwood was low.

Additional guests were Meses Herbert Brown, M. F. Bader, Robert Carle, H. E. Fletcher, A. J. Hahn, Edward Kerr, O. T. Suduth, Clyde Griffith, and M. W. Duncan.

The hostess served lemon chiffon pie, tea, and coffee.

**First Baptist Church**  
Rev. Gene Medaris, Pastor  
Sunday school at 9:45.  
Morning Worship at 11:00 a.m.

**Historic O.S.T. Pictures Being Shot for Television**

The first motion picture for national release by Sterling Television to 300 stations on the historic romance of the Old Spanish Trail from San Diego, California, to Jacksonville, Florida, has been started.

Continental Travelogue Pictures will film this first of a series of six.

The Old Spanish Trail Highway Association first formed by coast-to-coast groups in a San Antonio hotel room in 1919, has been granted a new charter with headquarters in Houston.

Its purpose is mass beautification of nearly 2,500 miles of highway.

The route hits principal cities of San Diego, Yuma, Tucson, Las Cruces, El Paso, San Antonio, Houston, New Orleans, Mobile, Tallahassee, and Jacksonville.

It is the shortest (by nearly one day), low-level, all year round route from the Atlantic to the Pacific in the United States.

**PERSONALS.**

Jack Hayre went to Brownwood the first of the week to attend to business matters. Mrs. Roy Harrell accompanied him to Ozona to visit with her daughter, Mrs. W. H. Chandler, and Mr. and Mrs. J. M. Corder went as far as San Angelo to attend to business matters.

Rev. James A. Wilshire attended a meeting of Methodist pastors of this area in Monahang the first of last week. Mrs. Wilshire and daughter spent the day in Fort Stockton with Mrs. Lloyd A. Hughes.

**WHEN** folks began to learn that you can get a big new Buick SPECIAL today for just a few dollars more than the price of a smaller car—*wow!* They've been flocking into Buick showrooms since! And they discovered a double surprise.

Because this new Buick is more than just a whale of a lot of automobile for the money. *It's also the most completely changed Buick ever built—brand new in body, in styling, in chassis, in everything from road to roof and bumper to bumper.*

Even more—it's completely changed in performance. You, at this wheel, boss a brand-new engine way up in horsepower, torque and compression ratio.

You, in this trim beauty, have the *instant* response of today's brilliant new Variable Pitch Dynaflo.

You, in this saucy traveler, are holding rein on the *dream car of the year to drive.*

*And if you can afford any new car, you can afford a Buick. So—drop in today!*

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, SUPER and CENTURY—optional at modest extra cost on the SPECIAL.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

### Methodist Women Week of Prayer

Observance of the annual  
of Prayer and self-denial.  
Methodist Women of the  
had three services in the  
last week. A free-will of-  
for missionary projects was  
at the close of the third

able passages for all of the  
were read by Mrs. C. C.

J. D. Nichols led the open-  
ing prayer on Monday afternoon  
the hymn, "Jesus Shall  
had been sung. A discus-  
sionary work in Portu-  
guese and Iraq was given by  
C. E. E. The closing prayer  
by Mrs. G. K. Mitchell.

Monday afternoon Mrs. J.  
led the opening prayer  
the hymn "The Morning Light  
was sung. Mrs. Rock  
led the work in Brazil, Es-  
tado Mexico. Mrs. E. H. Jes-  
the closing prayer.

work in Korea, Japan, and  
was the subject of Mrs.  
discussion Thursday after-  
noon the hymn, "We've A Story  
was sung and the open-  
ing prayer was led by Mrs. N. M.  
who also gave an inter-  
discussion of the inhabi-  
tants of Taiwan. The dismissal  
was led by Mrs. G. K. Mit-  
chell. At 4 o'clock the book "The  
Southeast Asia" was  
read by Mrs. Rock. The rec-  
itation of the Lord's Prayer in uni-  
son followed the meeting which  
closed with the hymn "Fling Out  
the Banner" and prayer by Mrs.

present were Misses R. S.  
Web Townsend, J. W.  
H. Jessup, C. C. Mitchell,  
H. C. Rock, N. M.  
W. T. Frazier, Roy Dea-  
Whistler, G. K. Mitchell,  
R. Arrington.

### BONNIE FISHER PRESIDENT-ELECT OF JUNIOR GAS

The Junior Girls' Auxiliary of the  
First Baptist Church met Tuesday  
afternoon. The meeting was called  
to order by Francie Wilson.

Officers were elected and in-  
clude Bonnie Fisher, president;  
Linda Nell Babb, secretary; Eloise  
Farley, treasurer; Paulette Rob-  
inson, vice-president; Francie Wil-  
son, reporter; Nancy Eggleston,  
historian.

The program was on "Week of  
Prayer for Home Missions."

Those present were Linda Nell  
Babb, Francie Wilson, Paulette  
Robinson, Barbara Cates, Bonnie  
Fisher, Eloise Farley, Nancy Eg-  
gleston, Peggy Brown, and Mrs.  
Carlton Smith, leader.

### BIRTHS

Elaine was the name given to  
the third daughter born to Mr.  
and Mrs. Herbert Brown Sunday  
morning in an Alpine hospital.

The baby's birth weight was  
seven pounds and 11 ounces.

Mrs. A. D. Brown is the patern-  
al grandmother and Mr. and Mrs.  
Eunstin Canon are the maternal  
grandparents. Mrs. Brown and the  
baby were brought home Tuesday.

A daughter, their first child,  
was born in a Midland hospital  
Monday night to Mr. and Mrs.  
George A. Moberly of Midland.  
Her birth weight was seven and  
one-half pounds.

Mrs. Moberly is the former Miss  
Betty Jo Kerr, daughter of Mrs.  
Joe Kerr, Sr., and the late Mr.  
Kerr.

### METHODIST W.S.C.S. BAKE SALE ON MARCH 15

The members of the Methodist  
W.S.C.S. are having a bake sale  
on Friday, March 15, in Fellow-  
ship Hall. Cakes and pies will be  
sold whole or served by the slice  
with coffee and tea.

Orders for cakes and pies will  
be taken prior to the sale by call-  
ing Mrs. M. W. Duncan at DI 5-  
2373.

The patronage of the public will  
be appreciated.

### THURSDAY CLUB MEETS THIS WEEK IN STAVLEY HOME

Mrs. W. E. Stavley was hostess  
for the meeting of the Thursday  
Bridge Club in her home this  
week.

Bouquets of iris, daffodils, stock  
and pansies decorated the party  
rooms.

The four tables of card players  
present included Misses M. W.  
Duncan, M. F. Bader, A. J. Hahn,  
S. L. Stumberg, Mary Lou Kel-  
lar, Jack Sexton, G. E. Babb, Vic  
Littleton, Roger Roae, Clyde Grif-  
fith, C. H. Stavley, O. T. Sudduth,  
John Reininger, R. S. Wilkinson,  
E. J. Hanson, and J. O. Little, Jr.

Mrs. Bader was winner of high  
score and also held a slam prize.  
Mrs. Griffith was second high.  
Mrs. Hanson low, and Mrs. Kellar  
also held a slam prize.

The hostess served a salad plate  
with tea and coffee.

### Baptists Observe Week of Prayer For Home Missions

The service on Wednesday even-  
ing marked the culmination of the  
Week of Pray for Home Missions  
for the members of the Baptist W.  
M.U. The life of Annie Armstrong  
was depicted in the playlet direct-  
ed by Mrs. Emmett Young. The  
contributions were sent to the An-  
nie Armstrong offering for home  
missions.

The theme of the programs at  
the church on Monday and Tues-  
day afternoons was "Our Mission  
in Home Missions". The first pro-  
gram was led by Mrs. A. D.  
Brown. The opening hymn was  
"Love Divine" and the devotional  
was given by Mrs. O. D. Gray.

The devotional by Mrs. H. G.  
Cates Tuesday afternoon followed  
the hymn "Send the Light". Mrs.  
Gray was program leader. Assis-  
ting in presenting the program were  
Mrs. M. G. Northcut, Jr., Lloyd  
Cowan, Carlton Smith, Roy Bo-  
uch, Emmett Young, James Word,  
T. O. Moore, L. Q. Winter, and J.  
L. Hatchel.

### TEACHERS ATTEND ISTA MEETING IN PECOS

Mrs. W. H. Savage, Miss Bes-  
sie Moore, Mrs. W. E. Grigaby,  
M. F. Bader, Gordon Harmon and  
Robert Carle attended a meeting  
of teachers of this district in Pe-  
cos last Tuesday night.

### EDITORIAL BOOSTS VALUE OF THEATRE LOCALLY

Ed. Note: — The following  
editorial from the Newkirk, Okla.,  
Herald-Tribune was found by  
Carlton White who passed it on to  
us for publication in The Times.

"Have you actually given much  
thought to the possibility of living  
in a town in which the pleasures  
of the screen were suddenly and  
totally out off? Yes, the commu-  
nity would continue to function.  
However, some of the joys and  
rest of life would be gone. The  
loss would be felt by young and  
old alike.

Merchants and shopkeepers do  
not have to be ardent movie fan-  
s to know that the local theatre has  
a lot to do with keeping the busi-  
ness wheels rolling. When people  
come to town to the movies they  
come in contact with the goods  
and services of other commercial  
establishments. They shop more  
and they buy more.

By sharing its customers with  
other businesses in town, the the-  
atre often plays a key role in the  
economic well-being of the com-  
munity fortunate enough to have  
a good movie house.

The man who operates the local  
theatre is essentially a retail busi-  
nessman. Like other merchants,  
he has a weekly payroll to meet,  
utility bills to pay, machinery and  
equipment to replace — he's a client  
of the bank, advertises his wares  
in the local press, worries  
about the influences of weather  
on his patronage, and hopes his  
ledgers will show a profit at the  
end of the year.

Unlike his fellow businessman,  
the merchandise he has to offer  
is intangible. What he sells is  
glamour, drama, excitement, and  
thrills, laughs and tears. Some of  
the packages come wrapped in  
tinsel, others in conventional black  
and white, still others in rainbow  
hues to match their mood.

There is no greater bargain  
than a ticket to a picture house.  
If excursions in the pictures are  
measured in terms of value receiv-  
ed there is no other industry in  
the world that offers so much for  
so little money.

Sanderson's theatre owner has  
gone to a lot of expense installing

### TROOP FOUR GIRL SCOUTS PLANT TULIP BULBS

In connection with the the re-  
quirements for their Conservation  
Badge, girls of Troop 4 Girl Scouts  
planted tulip bulbs at the War  
Mothers' Monument to the dead  
veterans of the county. The monu-  
ment is located on the courthouse  
square near the Scout Hut.

### TROY DRUSES ATTEND ROTARY CONFERENCE

Mr. and Mrs. Troy Druse at-  
tended the annual 184th District  
Conference of Rotarians in Del Rio  
which convened Sunday and closed  
Tuesday at noon.

Druse is president-elect of the  
local club.

Mrs. Reg Monroe and children  
were business visitors in Alpine on  
Monday.

### TB ASSOCIATION MEETING SLATED MONDAY NIGHT

Mrs. Web Townsend, president  
of the Terrell County Tubercu-  
losis and Health Association, has called  
a meeting of that group for 7:30  
Monday night in the county court  
room at the court house.

All members of the organization  
are urged to be present.

Attending the monthly meeting  
of the Beta Iota Chapter of Delta  
Kappa Gamma in Fort Davis Sat-  
urday were Mrs. W. H. Savage,  
and Mrs. E. E. Farley. The meet-  
ing was in the home of Mrs. An-  
nie Lou Clark.

Mrs. T. H. Fletcher of San An-  
tonio arrived Sunday to visit her  
sister, Mrs. L. H. Gilbreath, and  
family.

# Chevrolet Proved No. 1 Car In America at Daytona Beach!

Every competitor at Daytona Beach was pointing for this  
highest honor... the coveted Manufacturers' Trophy...  
and Chevrolet captured the prize with the greatest num-  
ber of points in the history of the award. All points by  
each make were totaled at the end of NASCAR's Time  
Trials to determine the Trophy winner. Almost from the  
beginning, it was obvious that Chevy was running off  
with all the honors because Chevrolet won in its class the  
"6" and V8 Flying Mile, the V8 Acceleration Run and  
the biggest event of all — the "Big 3" Family Sedan Flying  
Mile. And in the first important Stock Car races of the  
'57 season, Chevrolet placed 3 out of 10 in the National  
Convertible Championship Race and 4 out of 10 in the  
Grand National Championship Race. By winning the  
Manufacturers' Trophy, Chevrolet staked out its claim  
to the undisputed title of 1957 performance champ!

# NASCAR'S TOP AWARD GOES TO PONTIAC!

## Undisputed Grand National Champ Over All Stock Cars Regardless of Size-Power-Price!

NOW IT'S OFFICIAL  
Pontiac is America's  
Number 1 Road Car!

NUMBER 1 IN PERFORMANCE!  
NUMBER 1 IN ROADABILITY!  
NUMBER 1 IN HANDLING!  
NUMBER 1 IN SAFETY!

IT'S OFFICIAL! Pontiac wins the NASCAR trophy, plus the Harley J. Earl and Sports Illustrated Awards at Daytona. Left to right: Ray Nichols, Pontiac engineering staff, S. E. Knudsen, Pontiac General Manager and General Motors Vice-President; Harley J. Earl, G. M. Vice-President and Styling Director; Cotton Owens, winning driver in the Grand National 100-mile unlimited event; Mike Workman, Executive Vice-President of NASCAR; Bill France, President of NASCAR.

There is only one Grand National—and there can  
be only one winner! The best America has to offer  
are entered in this event—known for years as the  
"granddaddy" of all stock car racing. It's the su-  
preme test of handling, ruggedness, safety, power  
and over-all performance—and Pontiac took them  
all hands down and broke a track record to boot!  
So meet the new champ—a strictly production

model Pontiac Chieftain with a 317 h.p. Strato-  
Streak V-8 and introducing new Tri-Power Carbu-  
retion, optional at extra cost on any Pontiac model.  
It's America's newest power advance—and Pon-  
tiac's alone at a price so low! See your Pontiac  
dealer and learn how you can drive a Pontiac—  
America's Number One Road Car—at prices start-  
ing below 30 models of the low-price three!

## Balmorhea Feed Test Field Day Scheduled

A field day Saturday will mark the end of beef cattle gain performance tests for 1956-57 on the Texas Agricultural Experiment Station at Balmorhea, said A. A. Melton, station superintendent.

The program will include a tour of pens of cattle on test during the morning. After lunch, a program will feature leaders in beef cattle feeding and gain performance and cotton production.

Cotton has been added to the program because of the increase in interest and its production in the area, Melton added.

A total of 138 head of beef cattle owned by 15 cooperating breeders are in the 140-day test to determine their ability to gain weight under uniform feeding conditions. At the end of the fourth 28-day weighing period the pen with the highest gain average was sired by Royal Domino 8th. This bull was the high gaining animal in the 1951-52 test, averaging 3.24 pounds a day. The pen is owned by Jack V. Williams of Paint Rock.

Breeders cooperating with the experiment station include N. M. Mitchell of Sanderson.

Scheduled to appear on the program are Dr. J. M. Bridges, nutritionist for Kern County (Calif.) Land and Cattle Co.; J. D. Prewitt, associate director of the Texas Agricultural Extension Service; Dr. O. D. Butler, head of Texas A&M Department of Animal Husbandry; G. A. Niles, of the Texas Experiment Station; Dr. J. P. Lyerly, superintendent of Substation No. 17 at Ysleta; and J. M. Shelton, superintendent of Substation No. 14 at Sonora.

## Recent Rains Cause Loss of 400 Goats

Clarence Jessup reported the loss of 400 goats following the recent rains. The goats had just been sheared prior to the rain.

Mr. Jessup stated that he had a count on the goats at shearing time and gathered the goats later for a check on the death loss.

He also stated that he did receive some very beneficial rain in recent weeks but would tally up the gain in moisture against the loss of the goats later.

Mr. Jessup suffered a heavy loss of goats two years ago in a similar manner.

## Mass Beautification Under Way for US 90

The most beautiful coast-to-coast highway; the shottest, most romantic route to span America! A highway of the future with a tremendous past!

The highway which, in time of emergency, would carry thousands upon thousands of troops and millions of tons of equipment, rapidly from point to point; a national highway of defenses.

Chambers of Commerce, Garden Clubs, women's clubs, Boy and Girl Scout organizations and countless others have entered into the most tremendous highway beautification plan ever projected to the American people. Planting of flowers and shrubs, of memorial groves of trees and even of city parks along this historic route, is already under way.

Negotiations are now being completed for 40 billboards, as a start, with the first boards now being pointed.

A newspaper display program is under way, with some 150 newspapers scheduled for display copy to tell the story.

## LOCALS

Mr. and Mrs. Richard Turner and daughter of Pearsall are visiting here with his mother, Mrs. W. R. Turner, and family.

Miss Vannah Jo Nance spent the week-end here with her parents, Mr. and Mrs. Austin Nance, returning Tuesday to Waco where she is a sophomore at Baylor University. She and her mother spent Sunday with her aunt Mrs. E. W. DeVolin, and family in Marfa.

Mr. and Mrs. H. E. Fletcher went to Houston Sunday and he entered the hospital there for a medical check-up.

# How Valuable IS LOCAL NEWSPAPER ADVERTISING TO LOCAL BUSINESS PEOPLE!

It's consistent advertising that counts and The Times is the most competent medium and stands ready to deliver a message to readers.

No business man or woman in any town should allow a newspaper to go to press without his or her name and business being mentioned somewhere in it's columns.

A stranger or newcomer picking up a newspaper should be able to tell what business is represented in a town... it's the best possible town advertiser. The man or woman who does not make use of this service is doing an injustice to himself and herself and definitely to the town.
