Get Degrees

Four young men and one lady, 1953 graduates of the Sanderson High School, are receiving their degrees from institutions of higher learning in Texas this week.

Glynn Chandler, son of Mr. and Mrs. Clarence Chandler, received his Bachelor of Science Degree in Animal Husbandry from Texas A &M College. Upon graduation, he also received his commission as a 2nd lieutenant. He was a member of the Corps of Cadets and of the Anti-Aircraft Artillery Cadet Unit where he was executive officer. Many honors were won by the wool judging teams of which he was a member, the junior and senior wool judging teams and the junior livestock judging team.

Chandler was also amember of the Saddle and Sirloin Club and a distinguished student at the college.

Lewis James, son of Mr. and Mrs. Noel James of Dryden, received his Bachelor of Science Degree in Industrial Education from Sul Ross College in Alpine with a major in industrial arts and a minor in history and science.

James was a member of the Rodeo Club and the Industrial Arts Club.

James Caroline, son of Mr. and Mrs. James Caroline, will receive his Bachelof of Arts Degree Saturday from Texas Western College in El Paso. His major is history and his minor in English. Caroline's fraternity is Tau Kappa Epsilon, which he has served as secretary for two years, and he is a member of Phi Alpha more runs on two walks and two Theta, honor society.

No picture of Mr. Caroline was

Jack Savage, son of Mr. and Mrs. W. H. Savage, received his Bachelor of Science Degree in Business Administration from be wandering over Trinity University, San Antonio.

He held membership in the Bengal Lancers, Trinity Bengal on that would not Band, Blue Key Honor Society and Tiger Band Club of which he was treasurer. He was vice-president of the Triniteers during his ent for the same length sophomore year, president during puld probably cost more his junior year and social chairalso held membership in Young at Trinity University in San An- der of placing in the try-outs, he supervision of their Democrats, the Men's Dormitory Fellowship for four years, the T

She also held membership in the C.S.O., a women's service club, and the "W" Club, worthy wo-

Grandfalls Takes Close Ball Game From Local Braves

In one of the best games for the Sanderson Braves last Sunday afternoon, the Grandfalls Eagles won over the locals by a 5-4 score.

The game was a pitchers' battle from the first inning. Richard Hawkins, the youthful hurler for the Braves, struck out the first three batters and pitched an excellent game, keeping the Braves in the lead 1-0 until three infield errors started the visitors on a rally in the fifth which tied the score. The Eagles scored three rits. Juan Ramirez replaced Hawkins in the seventh and the Braves brought in two more runs but were unable to overcome the

lead in the last two frames. The two teams were evenly matched in fielding as well as in offensive and fans are looking forward to another game with

the Grandfalls aggregation, Next Sunday afternoon the locals will go to Fort Stockton for a baseball session there.

Mr. and Mrs. W. H. Savage and her mother, Mrs. J. W. McKee attended the graduation program tonio when their son, Jack, receiv- said. ed his B.A. Degree. They also vis-U. Rev. Kelly E. Scott

Rev. Kelly E. Scott is on sabbat cal leave from the Alabama Conference to serve as pastor of the First Methodist Church of Sanderson. He has served the Michigan Avenue Methodist Church in Mobile for six years and has been an elder in the Methodist Church for 16 years.

Rev. Scott will meet his family in Marshall the first of the week for the trip to Sanderson.

Youth Program Ready To Start

Plans have been completed for reational program for boys, ac cording to Robert Carle, supervisor. The program will be begin Monday, June 3.

The equipment has been ordered for the summer's activities, according to Carle, and permission to use the ball park has been obtained.

Letters have been sent out to the parents explaining the program and a large percentage of Norma Olivares sang "He" with the boys eligible have expressed their interest in the program and intentions to participate by mak ing a partial or full payment of \$1 a week for the 9-weeks program. Other interested citizens have made contributions to help pay for those boys who are financially incapable of paying their vay in the program.

Mr. Carle urged all boys to participate and stressed that those who were unable to pay \$1 week were as welcome to come a those who are able to pay.

Boys 9, 10 and 11 are asked to report at the gym at 9 a.m. on Monday. June 3. and boys 12, 13 and 14 will report at 1:30 the same date.

V.F.W. To Stage **Fund-Raising Drive**

The members of the Veterans of Foreign Wars will start a series of projects in the near future with the idea of raising funds to complete paying off the indebtedness against their hall.

The veterans have contributed the use of their hall to various clubs and organizations of the community and have allowed the public the use of the hall at s nominal cost on many occasions. but feel that in order to keep the hall and use it in public service they must ask for public support to retire the balance due on the

Plans were made at a meeting of the organization here Sunday afternoon to start the solicitation by giving a barbecue in the near future and asking the public to buy tickets for the dinner or buy the food to take home and asany other majorettes will be left sist them in raising the needed play, hobo days, and other monmoney to clear them of the in-

Food's hot ... kitchen's not

.. with cool ELECTRIC cooking

Your kitchen can be as cool as any other room in your home when you cook the electric way. Pan-hugging electric surface units cook by direct metal-to-metal contact . . . send their heat into the utensils and the food, not into the kitchen air. And because an electric oven requires no oxygen to operate, the oven is insulated on all six sides to keep heat inside where it belongs. Don't swelter over a hot, flame-type stove this summer. Cook the cool way . . . with an electric range!

More Rain -

The rain extended northward from Dryden about 30 miles according to reports, with gradually diminishing quantities reported in the northerly direction.

The total rainfall for Sanderson this year is 5.71 inches and last year's total was 5.26. Sanderson has received 1.72 inches in May according to Ervin Grigsby.

Sunday morning early, rain was reported just north of Sanderson on the Austin Nance ranch and northward from there, but only a trace of moisture fell locally.

Sunday afternoon late and early in the evening, heavier rains were reported all over the county with reports up to 4 inches on the Sam Bell, Jr., ranch, east of Dryden diminishing to near 2 inches in the immediate Dryden area. The rains caused considerable damage in Pecos County, north of Terreil

County and Judd Montgomery and B. Carson reported the loss of livestock and fences from the heavy downpour.

Westward Terrell County reported the lightest rains of all sections last week-end, but all reports indicate that some rain fell on all of the ranches of the area.

Monday was cloudy all day and heavy overcast indicated the possibility of rain, but none has been reported as yet. Clouds in the east and northeast appeared to be dumping rain in the east and east-

entral part of the county. Tuesday morning a light mist fell all morning, with very little collection in the rain gauges, but a blanket of moisture was on all grass. weeds, and brush, lawns and shrubs in town.

A very light shower fell for approximately 3 minutes Tuesday

The clouds continued heavy all day Tuesday and Tuesday night with Wednesday dawning with a heavy overcast which lasted all day. There was again signs of a shower falling northeast of Sanderson, but no local precipitation

31 Grads — Continued from Page 1

class with Miss Diana Duke providing the piano accompaniment. "Graduation Day" was sung by sextet including Mary Jane Bentley, Teresita Marquez, Roland McDonald, Maidia Moore Tommy Kay Parisher and Kenneth Shurley.

The senior awards were presented by Thurman White, high school principal.

Adolfo Flores, class president presented the class gift, a check for \$125 to be used for benches and trees on the high school campus.

Supt. Bader introduced Dr. R. M. Cavness, president of San Angelo College, who delivered the Commencement address. Asking the question, "Now that you are here after 12 years of training may I ask one question". Was it worth it? - Climbing the long

road climaxing here this evening What has it been worth?" Dr. Cavness presented a challenge to the graduates to make the most of their opportunities if they would achieve success.

"Have you thought how much your training has cost the school in dollars in providing equipment buildings, teachers, etc., for 175 days of each year for the twelve years you have been in school? A school is a social institution set up in the community with professionally trained people hired to instruct the children. Your training is significant in your life. is important to the community. average; scholar- the nation and all places of the world. The main things that public schools are for is not the instructions in the the three Rs, but to produce strong-minded and firm-willed individuals for the leadership of tomorrow as well as today. There is no compulsion beyond your high school days, but the greatest opportunities lie out there.

'Modern science is adding great deal of terror to tyranny in many places. Automation is not going to put us all out of business, but some staggering problems have been created. A high school education is not enough. It does not automatically guarantee success. Within each of us was created a soul like unto God our Creator, and every soul has the right to say 'yes' or 'no', to choose right or wrong. Those of you who are graduates have been in the care and keeping of those who would set you aright and guide you aright. I commend you to Him and entrust you to His

care and keeping." Dr. Cavness concluded with the story of Mrs. Billie Davis, author of the film, "A Desk for Billie" to inspire the graduates to try to rise above their environment and always inspire for and strive

Mrs. Lester Souter will be her through June as will Gene Nelson, as their work and contract takes them through another month, Mr. Souter plans to remain here for the month and Mrs Nelson is attending summer school.

Riggs' Luck Loses Rocksprings Roping

Hard luck cost Jack Riggs a good size purse and top honors in a roping event last Saturday and Sunday.

Mr. and Mrs. Jack Riggs and children were in Rocksprings last week-end and Mr. Riggs entered roping events held at the Lloyd Mitchell ranch there. Riggs wor high in the fourth go-round with a time of 12.9.

Riggs was also in second place in the first day's total with 74.9 trailing his brother-in-law, Jim Bob Altizer who had 64.9 for the four-calf total. Riggs also won a go-round in

Sunday's events and because of had times of other ropers, was top man on his final calf when he broke his rope and had to moun and rope again.

two go-rounds in the events.

Sixteen of the state's best rop ers roped eight calves each. The calves were milk-fed, 350 pound animals.

Riggs lost two matched ropings to Bill Teague but very clos times were recorded by both ropers on each day's match.

Riggs lost the Saturday match by tossing his loop off the calf's head after the catch and lost the

second to time only. He did place in a jackpot Sunday afternoon.

BLESSING FROM THE SKY

These are wonderful rains that Sanderson has been rec ing this year. It is a real blessing to the ranchmen and busine men of this area. It is a real pleasure driving between towns these days

see all the fresh green growth where there had been noth but parched earth Here's hoping that this year brings more blessings for

WHY NOT PERSONALIZE IT?

"Telephone service is telephone service," a friend of 15 said the other day. "What's so different about it now than

I was glad he asked me. It gave me a chance to bring up to date about complete, convenient telephone planning. "Look at it this way." I said. "A Model-T will still get from here to there. But you wouldn't want one for your fast car, You have the latest model. And before you bought it,

looked over all the models, styles, special features - even ors - and pickd out the one that suited you best. 'And it's the same way with phone service these days ! can select a telephone arrangement that exactly fits your

Here's what I meant:

Enough telephones so you don't have to run to answer walk half-way through the house to make a call). Telephones in color in bedrooms and kitchen to harmonia contrast with your room decorations.

Phone book listings for everyone in the house old enough use the telephone. And maybe a second main line for teens And extra bells or signal lamps if necessary, so and misses important incoming calls.

We're always happy to help plan a personalized home to phone arrangement. Lots of Sanderson people already are ing advantage of the many low-cost "extra" services we For more details, why not call the telephone business

MONEY SAVING IDEA

The idea of making Long Distance calls station-to-state instead of person-to-person seems to be catching on marthe time. Makes sense, too. "Station" rates are about 1-3 lower. You can actually a

three out-of-town calls for the price of two. Here's an example. Three station-to-station calls from to Dallas cost only \$3.15 (3 minutes, after 6-P.M. weekday,

all day Sunday). Two person-to-person calls would cost the Businessmen have known the economy of station-to-size calling for a long time. Many like to make all their calls a

Whether you make a lot of Long Distance calls of few, I think you'll find worthwhile savings in regular station-to-station service. And you'll save time, too, aiways call by number.
